There has been no material adverse change in the prospects of TCCI since 31 March 2018, the date of the most recently published audited financial statements of TCCI.
B.13	Events impacting the Issuer's solvency	Not Applicable; there have been no recent events particular to the Issuer which are to a material extent relevant to the evaluation of its solvency.
B.14	Dependence upon other group entities	The Issuer's business is substantially dependent upon the sale of Toyota and Lexus vehicles in Canada by its primary distributor, Toyota Canada Inc.
B.15	Principal activities	TCCI's principal activity is to provide financing services for authorised Toyota dealers and users of Toyota products. Financial products offered (i) to customers, include lease and loan financing and (ii) to Toyota dealers, include floor plan financing and dealership financing. Such financing programmes are offered in all provinces and territories of Canada.
B.16	Controlling shareholders	All of the outstanding capital stock and voting stock of the Issuer is owned directly by TFS. TFS is a wholly-owned holding company subsidiary of TMC. As a result, TFS effectively controls the Issuer and is able to directly control the composition of the Issuer's Board of Directors and direct the management and policies of the Issuer.
B.17	Credit ratings	The senior long-term debt of the Issuer has been rated Aa3/Outlook Stable by Moody's Investors Service, Inc. (" <i>Moody's</i> "), and AA-/Outlook Stable by S&P Global Ratings, acting through S&P Global Ratings Japan Inc. (" <i>Standard & Poor's Japan</i> "). Moody's and Standard & Poor's Japan are not established in the European Union and have not applied for registration under Regulation (EC) No. 1060/2009 (the " <i>CRA Regulation</i> "). However, Moody's Investors Service Ltd. has endorsed the ratings of Moody's, and Standard and Poor's Credit Market Services Europe Limited has endorsed the ratings of Standard & Poor's Japan, in accordance with the CRA Regulation. Each of Moody's Investors Service Ltd. and Standard and Poor's Credit Market Services Europe Limited is established in the European Union and is registered under the CRA Regulation. Credit ratings of the Issuer depend, in large part, on the existence of the credit support arrangements with TFS and TMC described below and on the financial condition and the results of operations of TMC and its consolidated subsidiaries. See also " <i>Credit ratings</i> " below with respect to TMC. The above ratings reflect ratings assigned to Notes of this type issued under the Programme generally. A security rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time. The Issuer has not applied to Moody's Japan or Standard & Poor's Japan for ratings to be assigned to the Notes.
B.1	Credit Support Agreements	The Notes have the benefit of certain Credit Support Agreements governed by Japanese law, one between TMC and TFS dated 14 July 2000 as supplemented by a Supplemental Credit Support Agreement dated 14 July 2000 and a Supplemental Credit Support Agreement No. 2 dated 2 October 2000 (collectively, the " <i>TMC Credit Support Agreement</i> ") and between TFS and TCCI dated 7 August 2000 (the " <i>Credit Support Agreement</i> " and, together with the TMC Credit Support Agreement, the " <i>Credit Support Agreements</i> "). The Credit Support Agreements do not constitute a direct or indirect guarantee by TMC or TFS of the Notes. TMC's obligations under its Credit Support Agreement and the obligations of TFS under its Credit Support Agreements, rank <i>pari passu</i> with its direct, unconditional, unsubordinated and unsecured debt obligations.
		Under the TMC Credit Support Agreement, TMC agrees that it will make available to TFS funds sufficient to make its payment obligations on the securities issued by it (including securities issued by subsidiaries or affiliates of TFS such as the Issuer in respect of which TFS has credit support obligations) and agrees to ensure that TFS always has at least JPY10,000,000 in consolidated tangible net worth so long as TFS has credit support obligations outstanding.
		TFS agrees in its Credit Support Agreements with the Issuer to make available to the Issuer funds sufficient to make its payment obligations on securities issued by it and agrees to ensure that TCCI always has at least C\$150,000 in tangible net worth, so long as the Issuer has securities outstanding. Tangible net worth means the aggregate amount of issued capital, capital surplus and retained earnings less any intangible assets.
B.19	Legal and commercial name of the Credit Support Providers	Toyota Financial Services Corporation (credit support provider to the Issuer) and Toyota Motor Corporation (credit support provider to Toyota Financial Services Corporation).

Domicile/legal form/legislation/country of incorporation	Each of TFS and TMC is a limited liability, joint-stock company incorporated and domiciled in Japan under the Commercial Code of Japan, and continues to exist under the Companies Act of Japan.
Trend information	Not Applicable; there are no known trends, uncertainties, demands, commitments or events that are reasonably likely to have a material effect on the prospects of TFS or TMC for the current financial year.
Description of the Group	TFS is a holding company established by TMC to oversee the management of Toyota's finance companies worldwide. TFS has 49 consolidated subsidiaries and seven affiliates, most of which are incorporated outside of Japan as of 31 March 2018. TFS is a wholly-owned subsidiary of TMC and TMC is the ultimate parent company of the Toyota group.
