ESG

The Company has implemented a comprehensive programme incorporating broad ESG considerations in its approach to investment. For the third year running the Company has mandated KPMG LLP to provide independent limited assurance of the portfolio's overall ESG score.

- 1. All information based on settled investments only i.e excluding pending transactions.
- 2. Average life is the weighted average of the times of the principal repayments.
- Average maturity is the average date on which the final payment is due on a loan.
 Modified duration is the ratio of percentage increase in price to decrease in yield.
- Inclusive of interest rate swaps.
- 6. Non-performing loans are excluded from YTM and YTW.
- For the twelve months ending 31 March 2024. The OCR is calculated in line with AIC guidance and will differ from the PRIIP's OCR
 as defined under the PRIIPs regulation due to borrowing costs being included under PRIIPs and as disclosed in the KID document
 which is available on the Company's website.
