(After the Amendment)

Cancellation of the Share Exchange etc.

2. Reason for Those Amendments

Amended Parts -1-

On September 21, 2010, KONAMI and ABILIT had announced "Execution of Share Exchange Agreement by and between KONAMI CORPORATION and ABILIT CORPORATION" (the "Share Exchange"), and then ABILIT decided the issuance of new shares for third-party allotment on its board meeting held today. Upon the procedures in regard with this issuance of new shares for third-party allotment, it has been discovered that there will be a change to the number of KONAMI's shares to be delivered in the Share Exchange and KONAMI and ABILIT decided to change the above-mentioned allotment.

For details of the third party allotment, please refer to "Public Notice Relating to Issuance of New Shares (Debt Equity Swap) for Third-Party Allotment and Change of its Largest Shareholder" that ABILIT announced today, .

Amended Parts -2-

KONAMI and ABILIT has designated October 22, 2010 as the record date in relation to the exercise of the right to demand purchase of shares of KONAMI's shareholders stated in "Execution of Share Exchange Agreement by and between KONAMI CORPORATION and ABILIT CORPORATION", that KONAMI and ABILIT announced on September 21, 2010. However, KONAMI and ABILIT decided not to designate the record date in order to enlarge the opportunity to exercise the above-mentioned right of KONAMI's shareholders.

The period to exercise the right to demand purchase of shares of KONAMI's shareholders in connection with the Share Exchange will be from twenty days prior to January 1, 2011, the tentative effective date, to one day prior to the effective date. Further information relating to the exercise of the right to demand purchase of KONAMI common stock will be separately announced by another public notice under prescribed procedures.

3. Reason for Unchanged in the Share Exchange Rate

As mentioned in "3. Calculation Basis etc. Concerning Allotment under the Share Exchange" on "Execution of Share Exchange Agreement by and between KONAMI CORPORATION and ABILIT CORPORATION" that KONAMI and ABILIT had announced on September 21, 2010, KONAMI requested PricewaterhouseCoopers Co., Ltd. ("PwC") and ABILIT requested PLUTUS CONSULTING Co., Ltd. ("PLUTUS") to calculate a share exchange rate. PwC employed the adjusted book value of net assets method for the common stock of ABILIT. KONAMI amended as the adjustment items the amount of net assets (499,999,968 Japanese yen) of ABILIT and the number of outstanding shares (6,944,444 shares) of ABILIT, both increased as a result of the DES.

(Before the Amendment) The Share Exchange Rate by PwC, announced on September 21, 2010

Approach	Range of Share Exchange Rate
Market Price Analysis	0.045~0.052
Adjusted Book Value of net assets method	0.033~0.052

(After the Amendment) The Share Exchange Rate added the above-mentioned adjustment by this DES

Approach	Range of Share Exchange Rate
Market Price Analysis	0.045~0.052
Adjusted Book Value of net assets method	0.035~0.052

Since PLUTUS employed the adjusted book value of net assets method as reference information, KONAMI and ABILIT discussed the Share Exchange rate again without considering this above-mentioned reference information.

The Share Exchange Rate by PLUTUS, announced on September 21, 2010 (excluding the reference information)

Method Used	Range of Share Exchange Rate
Market Price Average Method	0.045~0.062

Consequently, KONAMI and ABILIT determined not to change the Share Exchange rate (KONAMI : ABILIT = 1 : 0.052) announced on September 21, 2010.
