

MiFID II product governance / professional investors and ECPs only target market – There are no manufacturers for the purposes of Directive 2014/65/EU (as amended, "**MiFID II**"). Any person subsequently offering, selling or recommending the Certificates (a "**distributor**") should consider (i) the target market for the Certificates to be eligible counterparties and professional clients only, each as defined in MiFID II, and (ii) all channels for distribution of the Certificates to eligible counterparties and professional clients to be appropriate. However, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Certificates (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

UK MIFIR product governance / professional investors and ECPs only target market – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Certificates has led to the conclusion that: (i) the target market for the Certificates is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook, and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**"); and (ii) all channels for distribution of the Certificates to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Certificates (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook is responsible for undertaking its own target market assessment in respect of the Certificates (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.
