International Personal Finance plc ("IPF")

Update on trading

At today's Annual General Meeting, the Chairman of IPF, Christopher Rodrigues, will make the following statement:

“Further to our Quarter 1 Interim Management Statement issued on 19 April 2011, IPF continues to perform well and in line with our expectations. During the important Easter trading period we have delivered a strong sales performance with growth in credit issued increased from 9% for the first quarter of 2011 to almost 13% for the four months to the end of April, including a much improved performance in Mexico. Alongside this strong sales performance credit quality and impairment remain good. The Group remains confident of further good progress in 2011.”

The interim results for IPF will be published on Wednesday 20 July 2011.
