On 6 July 1998, each of B.A.T. International Finance p.l.c. ("BATIF"), B.A.T. Capital Corporation ("BATCAP") and B.A.T. Finance B.V. ("BATFIN") entered into a Euro Medium Term Note Programme (the "Programme") for the issue of Euro Medium Term Notes (the "Notes"). On 16 April 2003, British American Tobacco Holdings (The Netherlands) B.V. ("BATHTN") acceded to the Programme as an issuer and, where relevant, a guarantor and BATFIN was removed as an issuer and a guarantor under the Programme. On 9 December 2011, BATCAP was removed as an issuer and a guarantor under the Programme. On 16 May 2014, B.A.T. Netherlands Finance B.V. ("BATNF") acceded to the Programme as an issuer and, where relevant, a guarantor. On 31 May 2017, BATCAP acceded to the Programme as an issuer and, where relevant, a guarantor. On 1 May 2019, BATHTN was removed as an issuer and a guarantor under the Programme. BATIF, BATNF and BATCAP are each, in their capacities as issuers under the Programme, an "Issuer" and together referred to as the "Issuers". This Base Prospectus supersedes any previous base prospectus, offering memorandum, programme memorandum, information memorandum or any amendments or supplements thereto. Any Notes issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions herein. This Base Prospectus does not affect any Notes already issued.

**Prospective investors should be aware that any investment in Notes involves risks. See the factors described under the section headed "Risk Factors" in this Base Prospectus beginning on page 18.**

Under the Programme, each of BATIF, BATNF and BATCAP may from time to time issue Notes in bearer form denominated in any currency agreed between the relevant Issuer and the relevant Dealer (as defined below). If the applicable Final Terms state that Global Notes (each as defined herein) are to be issued in new global note ("NGN") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche (as defined herein) to a common safekeeper (the "Common Safekeeper") for Euroclear Bank SA/NV ("Euroclear") and Clearstream Banking S.A. ("Clearstream, Luxembourg"). Global Notes which are not issued in NGN form ("Classic Global Notes" or "CGNs") will be deposited on the issue date of the relevant Tranche with a common depository on behalf of Euroclear and Clearstream, Luxembourg (the "Common Depository").

The payments of all amounts payable in respect of the Notes will be unconditionally and irrevocably guaranteed by British American Tobacco p.l.c. ("BAT") and each of BATIF, BATNF and BATCAP except where it is the relevant Issuer (the "Guarantors" and each a "Guarantor" and together with the Issuers, the "Obligors"). In certain circumstances, certain other companies may also become guarantors of Notes issued under the Programme.

Application has been made to the Financial Conduct Authority under Part VI of the Financial Services and Markets Act 2000 (as amended, the "FSMA") (the "FCA") for Notes issued under the Programme described in this Base Prospectus during the period of twelve months after the date hereof to be admitted to the official list of the FCA (the "Official List") and to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be admitted to trading on the London Stock Exchange's main market (the "Market"). References in this Base Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the Market and have been admitted to the Official List. The Market is a regulated market for the purposes of Article 2(1)(13A) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("EUWA") (the "UK MiFIR").

This Base Prospectus has been approved by the FCA, as competent authority under Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA (the "UK Prospectus Regulation"). The FCA only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation; such approval should not be considered as (a) an endorsement of the Issuers, the Guarantors or the Additional Guarantor (as defined below); or (b) an endorsement of the quality of the Notes that are the subject of this Base Prospectus. Investors should make their own assessment as to the suitability of investing in the Notes.

The Programme has been rated Baa2 by Moody's Investors Service Ltd ("Moody's") and BBB+ by S&P Global Ratings UK Limited ("S&P"). Long term debt issued or guaranteed by BAT is rated Baa2 by Moody's and BBB+ by S&P. Short term debt issued or guaranteed by BAT is rated P-2 by Moody's and A-2 by S&P. Moody's and S&P are established in the United Kingdom (the "UK") and registered under Regulation (EC) No 1060/2009 as it forms part of domestic law by virtue of EUWA (the "UK CRA Regulation"). Tranches of Notes to be issued under the Programme will either be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Programme. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms.

The date of this Base Prospectus is 17 March 2022

Each of BAT, BATIF, BATNF and BATCAP accepts responsibility for the information contained in this Base Prospectus and the Final Terms for each Tranche of Notes issued under the Programme and Reynolds American Inc. (“RAI” or the “Additional Guarantor”) accepts responsibility for the information relating to RAI and the RAI Guarantee (as defined below) contained in this Base Prospectus and the Final Terms for each Tranche of Notes issued under the Programme. To the best of the knowledge of BAT, BATIF, BATNF, BATCAP and RAI, each of the foregoing declares that the information (or in the case of RAI, as such information relates to it and/or the RAI Guarantee) contained in this Base Prospectus is in accordance with the facts and that the Base Prospectus makes no omission likely to affect its import.

This Base Prospectus is to be read in conjunction with all documents which are incorporated herein by reference as described in “Documents Incorporated by Reference” below. This Base Prospectus shall be read and construed on the basis that such documents are so incorporated and form part of this Base Prospectus.

The Obligors have confirmed to the dealers (the “Dealers”) named under “Subscription and Sale” below that this Base Prospectus is true and accurate in all material respects and not misleading in any material respect; that the opinions and intentions expressed therein are honestly held; that there are no other facts in relation to the information contained or incorporated by reference in this Base Prospectus the omission of which would, in the context of the issue of the Notes, make any statement therein or opinions or intentions expressed therein misleading in any material respect; and the Obligors have confirmed to the Dealers that all reasonable enquiries have been made to verify the foregoing provided, however, that the confirmation expressed in this sentence does not extend to the information set out under “Subscription and Sale” below.

Notice of the aggregate nominal amount of the Notes, interest (if any) payable in respect of the Notes, the issue price of the Notes and any other terms and conditions not contained in this Base Prospectus which are applicable to each Tranche (as defined under “Terms and Conditions of the Notes”) of Notes will be set out in a final terms document (the “Final Terms”) which will be delivered to the FCA and the London Stock Exchange and will be available on the website of the Regulatory News Service operated by the London Stock Exchange.

This Base Prospectus, together with supplements to this Base Prospectus from time to time (each a “Supplement” and together, the “Supplements”), comprises a base prospectus for the purposes of the UK Prospectus Regulation and for the purpose of giving information with regards to the Issuers, the Guarantors and the Additional Guarantor which is material to an investor for making an informed assessment of (i) the assets and liabilities, financial position, profits and losses and prospects of the Issuers, the Guarantors and the Additional Guarantor (ii) the rights attaching to the Notes and (iii) the reasons for the issuance and its impact on the Issuers, the Guarantors and the Additional Guarantor. In relation to each separate issue of Notes, the final offer price and the amount of such Notes will be determined by the relevant Issuer and Guarantors and the relevant Dealer(s) in accordance with prevailing market conditions at the time of the issue of the Notes and will be set out in the relevant Final Terms.

**PRIPs Regulation/Prohibition of Sales to EEA Retail Investors** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “MiFID II”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “Insurance Distribution Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the “Prospectus Regulation”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “PRIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering

or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**UK PRIIPs Regulation/Prohibition of Sales to UK Retail Investors** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**MiFID II product governance/target market** – The Final Terms in respect of any Notes may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each Tranche of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the “MiFID Product Governance Rules”), any Dealer in respect of the relevant Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

**UK MiFIR product governance/target market** – The Final Terms in respect of any Notes may include a legend entitled “UK MiFIR Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each Tranche of Notes about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

No person has been authorised by the Obligors, the Additional Guarantor, any Dealer or The Law Debenture Trust Corporation p.l.c. (the “Trustee”) to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any information supplied by the Obligors or the Additional Guarantor or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by the Obligors, the Additional Guarantor, the Trustee or any Dealer.

No representation or warranty is made or implied by the Dealers or the Trustee or any of their respective affiliates, and neither the Dealers, the Trustee nor any of their respective affiliates makes any representation or warranty or accepts any responsibility as to the accuracy or completeness of the information contained in this Base Prospectus. Save as required by the rules of the FCA, neither the delivery of this Base Prospectus or any Final Terms nor the offering, sale or delivery of any Notes shall, in any circumstances, create any implication that the information contained in this Base Prospectus is true subsequent to the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial situation of the Issuers, the Guarantors or the Additional Guarantor since the date hereof or, as the case may be, the date upon which this Base Prospectus has been most recently amended or supplemented or the balance sheet date of the most recent financial statements which are incorporated into this Base Prospectus by reference or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Amounts payable on the Notes may be calculated by reference to EURIBOR (as defined herein). As far as the Obligors and Additional Guarantor are aware, the transitional provisions in Article 51 of the Benchmarks Regulation (Regulation (EU) 2016/1011) as it forms part of domestic law by virtue of the EUWA (the “UK Benchmarks Regulation”) apply, such that the administrator of EURIBOR is not currently required to obtain authorisation or registration (or, if located outside the UK, recognition, endorsement or equivalence). The distribution of this Base Prospectus and any Final Terms and the offering, sale and delivery of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus or any Final Terms comes are required by the Obligors, the Additional Guarantor and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Notes and on the distribution of this Base Prospectus or any Final Terms and other offering material relating to the Notes, see “Subscription and Sale” below. In particular, no action has been taken by the Obligors, the Additional Guarantor, the Dealers or the Trustee which would permit a public offering of any Notes or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. If a jurisdiction requires that the offering be made by a licensed broker or dealer and the Dealer or any parent company or affiliate of the Dealer is a licensed broker or dealer in that jurisdiction, the offering shall be deemed to be made by the Dealer or such parent company or affiliate on behalf of the Issuer in such jurisdiction. In addition, the Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States or to, or for the account or benefit of, US persons (as defined in Regulation S under the Securities Act (“Regulation S”)) unless the Notes are registered under the Securities Act or an exemption from the registration requirements of the Securities Act is available.

**Singapore Securities and Futures Act Product Classification** – In connection with Section 309B of the Securities and Futures Act 2001 (2020 Revised Edition) of Singapore (the “SFA”), and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “CMP Regulations 2018”), unless otherwise specified before an offer of Notes, the Obligors have determined, and hereby notify all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are “prescribed capital markets products” (as defined in the CMP Regulations 2018) and “Excluded Investment Products” (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

**Neither this Base Prospectus nor any Final Terms may be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation.**

The information provided in this Base Prospectus is not intended to provide the basis of any credit, taxation, financial, regulatory or other evaluation and neither this Base Prospectus nor any Final Terms constitutes an offer or an invitation to subscribe for or purchase any Notes and should not be considered as a

recommendation by the Obligors, the Additional Guarantor, the Dealers, the Trustee or any of them that any recipient of this Base Prospectus or any Final Terms should subscribe for or purchase any Notes. Each recipient of this Base Prospectus or any Final Terms shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Obligors and the Additional Guarantor.

The maximum aggregate principal amount of Notes outstanding at any one time under the Programme will not exceed £25,000,000,000 (and for this purpose, any Notes denominated in another currency shall be translated into Sterling at a rate to be determined either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, calculated in accordance with the provisions of the Programme Agreement). The maximum aggregate principal amount of Notes in respect of each Issuer which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Programme Agreement as defined under "Subscription and Sale" below.

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities and each potential investor should consult its legal advisers or the appropriate regulators.

IN CONNECTION WITH THE ISSUE OF ANY TRANCHE OF NOTES, ONE OR MORE RELEVANT DEALERS (THE "STABILISATION MANAGER(S)") (OR ANY PERSON ACTING ON BEHALF OF ANY STABILISATION MANAGER(S)) MAY OVER-ALLOT NOTES OR EFFECT TRANSACTIONS WITH A VIEW TO SUPPORTING THE MARKET PRICE OF THE NOTES OF THE SERIES OF WHICH SUCH TRANCHE FORMS PART AT A LEVEL HIGHER THAN THAT WHICH MIGHT OTHERWISE PREVAIL. HOWEVER, STABILISATION ACTION MAY NOT NECESSARILY OCCUR. ANY STABILISATION ACTION MAY BEGIN ON OR AFTER THE DATE ON WHICH ADEQUATE PUBLIC DISCLOSURE OF

THE TERMS OF THE OFFER OF THE RELEVANT TRANCHE IS MADE AND, IF BEGUN, MAY CEASE AT ANY TIME, BUT IT MUST END NO LATER THAN THE EARLIER OF 30 DAYS AFTER THE ISSUE DATE OF THE RELEVANT TRANCHE OF NOTES AND 60 DAYS AFTER THE DATE OF THE ALLOTMENT OF THE RELEVANT TRANCHE OF NOTES. ANY STABILISATION OR OVER-ALLOTMENT MUST BE CONDUCTED BY THE RELEVANT STABILISATION MANAGER(S) (OR ANY PERSON ACTING ON BEHALF OF ANY STABILISATION MANAGER(S)) IN ACCORDANCE WITH ALL APPLICABLE LAWS AND RULES.

In this Base Prospectus, unless otherwise specified, references to: a “Member State” are references to a Member State of the European Economic Area; “EUR”, “€” or “euro” refer to the currency introduced at the start of the third stage of the European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended from time to time; “Japanese Yen”, “Yen” or “¥” refer to the lawful currency of Japan; “Sterling”, “GBP” or “£” refer to the lawful currency of the United Kingdom; “US\$” or “US dollars” are to be lawful currency of the United States of America; “CAD\$” refer to the lawful currency of Canada; “ARS” refer to the lawful currency of Argentina; “BRL” refer to the lawful currency of Brazil; “AOA” refer to the lawful currency of Angola; “NGN” refer to the lawful currency of Nigeria; “KRW” refer to the lawful currency of South Korea; “HRK” refer to the lawful currency of Croatia; “QAR” refer to the lawful currency of Qatar; and “SAR” refer to the lawful currency of Saudi Arabia.

## **SUPPLEMENTAL BASE PROSPECTUS**

If at any time the Issuers shall be required to prepare a supplement to the Base Prospectus pursuant to Article 23 of the UK Prospectus Regulation, the Issuers will prepare and make available an appropriate amendment or supplement to this Base Prospectus, in respect of any subsequent issue of Notes to be listed on the Official List and admitted to trading on the Market, which shall constitute a supplemental prospectus as required by the FCA and Article 23 of the UK Prospectus Regulation.

The obligation to supplement the Base Prospectus in the event of significant new factors, material mistakes or material inaccuracies will not apply when the Base Prospectus is no longer valid. For this purpose, “valid” means valid for making offers to the public or admissions to trading on a regulated market by or with the consent of the Issuers and the obligation to supplement the Base Prospectus is only required within its period of validity between the time when the Base Prospectus is approved and the closing of the offer period for the Notes or the time when trading on a regulated market begins, whichever occurs later.

## **FORWARD-LOOKING STATEMENTS**

This Base Prospectus may contain forward-looking statements. BAT and its subsidiaries (together, the “Group”) may also make written or oral forward-looking statements in their audited annual financial statements, in their interim financial statements, in their offering circulars, in press releases and other written materials and in oral statements made by their officers, directors or employees to third parties. Statements that are not historical facts, including statements about BAT’s and/or the Group’s beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections and such statements reflect BAT and/or the Group’s judgement at the date of this document and are not intended to give any assurances as to future results. Forward-looking statements speak only as of the date they are made, and, save as required by the rules of the FCA, BAT and the Group undertake no obligation to update publicly any of them in light of new information or future events. The Issuers, the Guarantor and the Additional Guarantor will comply with their obligations to publish updated information as required by law or by any regulatory authority but assume no further obligation to publish additional information.

In relation to any issue of Notes, the applicable Final Terms should be read in conjunction with this Base Prospectus.

## GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, each Issuer may from time to time issue Notes denominated in any currency and having a minimum maturity of one month, subject as set out in this Base Prospectus. A summary of the terms and conditions of the Programme and the Notes appears below. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as completed by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under “Form of the Notes” below. This Base Prospectus and any supplement will only be valid for admitting Notes to the Official List during the period of 12 months from the date hereof in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed £25,000,000,000 or its equivalent in other currencies. For the purpose of calculating the Sterling equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (1) the Sterling equivalent of Notes denominated in another Specified Currency (as specified in the applicable Final Terms in relation to the relevant Notes, described under “Form of the Notes” below) shall be determined, at the discretion of the relevant Issuer, either as of the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, in each case on the basis of the spot rate for the sale of the Sterling against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the relevant Issuer on the relevant day of calculation; and
- (2) the Sterling equivalent of Zero Coupon Notes (as specified in the applicable Final Terms in relation to the relevant Notes, described under “Form of the Notes” below) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the relevant Issuer for the relevant issue.

As used herein “Specified Currency” means, in relation to an issue of Notes, the currency stated as such in the applicable Final Terms.

## DESCRIPTION OF THE PROGRAMME

*The following description does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this document and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Final Terms. Words and expressions defined in “Form of the Notes” and “Terms and Conditions of the Notes” below shall have the same meanings in this description.*

<b>Form of Notes</b>	The Notes will be in bearer form (but will be issued so as to be in registered form for United States federal income tax purposes) and will on issue be represented by a permanent Global Note. Each permanent Global Note will be exchangeable for definitive Notes only upon the occurrence of an Exchange Event, as described under "Form of the Notes".
<b>Fixed Rate Notes</b>	Fixed interest will be payable on such date or dates as may be agreed between the relevant Issuer and the relevant Dealer(s) and on redemption, and will be calculated on the

basis of such Day Count Fraction as may be agreed between the relevant Issuer and the relevant Dealer(s).

### **Floating Rate Notes**

Floating Rate Notes will bear interest at a rate determined:

(i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions, in each case as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series; or

(ii) on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service.

The margin (if any) relating to such floating rate will be agreed between the relevant Issuer and the relevant Dealer(s) for each Series of Floating Rate Notes. Floating Rate Notes may also have a maximum interest rate, a minimum interest rate or both.

Interest on Floating Rate Notes in respect of each Interest Period, as agreed prior to issue by the relevant Issuer and the relevant Dealer(s), will be payable on such Interest Payment Dates, and will be calculated on the basis of such Day Count Fraction, as may be agreed between the relevant Issuer and the relevant Dealer(s).

### **Zero Coupon Notes**

Zero Coupon Notes will be offered and sold at a discount to their nominal amount and will not bear interest.

### **Benchmark discontinuation**

On the occurrence of a Benchmark Event the Issuer may (subject to certain conditions and following consultation with an Independent Adviser) determine a Successor Rate, failing which an Alternative Rate and, in either case, an Adjustment Spread (if any) and any Benchmark Amendments in accordance with Condition 4(b)(ii)(C).

### **Redemption**

The applicable Final Terms will indicate either that the relevant Notes cannot be redeemed prior to their stated maturity (other than for taxation reasons or following an Event of Default) or that such Notes will be redeemable at the option of the relevant Issuer and/or the Noteholders upon giving not more than 30 nor less than 10 days' notice (or such other notice period as specified in the applicable Final Terms) to the Noteholders or the relevant Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such other terms as may be agreed between the relevant Issuer and the relevant Dealer(s).

Notes issued on terms that they must be redeemed before their first anniversary may be subject to restrictions on their denomination and distribution. See "Certain Restrictions" above and "Denominations of Notes" below.

## **Denomination of Notes**

In the case of any Notes which are to be admitted to trading on the Market or offered to the public in the UK in circumstances which require the publication of a prospectus under the UK Prospectus Regulation, the minimum Specified Denomination shall be €100,000 (or the equivalent of such amounts in another currency as at the date of issue of the Notes).

In addition, unless otherwise permitted by then current laws and regulations, Notes (including Notes denominated in Sterling) in respect of which the issue proceeds are received by the Issuer in the United Kingdom and which have a maturity of less than one year will (A) have a minimum redemption value of £100,000 (or its equivalent in other currencies) and be issued only to (1) persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or (2) persons who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses or (B) be issued in other circumstances which do not constitute a contravention of Section 19 of the FSMA by the Issuer.

## **Taxation**

All payments of principal and interest in respect of the Notes issued by BATIF will be made without withholding or deduction for or on account of taxes of the United Kingdom, unless such withholding is required by law. In the event that any such withholding or deduction is made, BATIF or, as the case may be, the relevant Guarantor will, save in certain limited circumstances provided in Condition 7, be required to pay additional amounts to cover the amounts so withheld or deducted.

All payments of principal and interest in respect of the Notes issued by BATNF will be made without withholding or deduction for or on account of taxes of The Netherlands, unless such withholding or deduction is required by law. In the event that such withholding or deduction is made, BATNF or, as the case may be, the relevant Guarantor, will, save in certain limited circumstances provided in Condition 7, be required to pay additional amounts to cover the amounts so withheld or deducted.

All payments of principal and interest in respect of the Notes issued by BATCAP will be made without withholding or deduction for or on account of taxes of the United States of America, unless such withholding is required by law. In the event that any such withholding or deduction is made, BATCAP or, as the case may be, the relevant Guarantor will, subject to the exceptions and limitations provided in Condition 7, be required to pay additional amounts to cover the amounts so withheld or deducted.

<b>Negative Pledge</b>	The terms of the Notes will contain a negative pledge provision as further described in Condition 3.
<b>Cross Default</b>	The terms of the Notes will contain a cross default provision as further described in Condition 9.
<b>Status of the Notes</b>	The Notes will constitute direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of the relevant Issuer and will rank <i>pari passu</i> and without any preference among themselves and (subject as aforesaid and save to the extent that laws affecting creditors' rights generally in a bankruptcy or winding up may give preference to any of such other obligations) equally with all other present and future unsecured and unsubordinated obligations of the relevant Issuer from time to time outstanding.
<b>Guarantee</b>	The Notes will be unconditionally and irrevocably and jointly and severally guaranteed by the Guarantors (the "Guarantees" and each a "Guarantee"). The obligations of each Guarantor under such guarantee will be direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of such Guarantor and (subject as aforesaid and save to the extent that laws affecting creditors' rights generally in a bankruptcy or winding up may give preference to any of such other obligations) will rank equally with all other unsecured and unsubordinated obligations of such Guarantor from time to time outstanding. The Notes will also, until the Termination Date (as defined below), be irrevocably and unconditionally guaranteed by RAI pursuant and subject to the Deed of Guarantee (as defined below) on a joint and several basis with the Guarantors. For further information, see "RAI – Deed of Guarantee" below.
<b>Ratings</b>	The Programme has been rated Baa2 by Moody's and BBB+ by S&P. Moody's and S&P are established in the UK and registered under the UK CRA Regulation. Tranches of Notes to be issued under the Programme will either be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Programme. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms.
<b>Listing</b>	Application has been made for Notes issued under the Programme to be admitted to the Official List of the FCA and for such Notes to be admitted to trading on the Market.  The applicable Final Terms will state on which stock exchange(s) the relevant Notes are to be listed.
<b>Governing Law</b>	The Notes, and any non-contractual matters arising out of or in connection with them, will be governed by, and construed in accordance with, English law.
<b>Selling Restrictions</b>	There are restrictions on the offer, sale and transfer of the Notes in the United States, the UK, the European Economic

Area (including Belgium, France, The Netherlands and the Republic of Italy), Japan, Singapore and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes – see “Subscription and Sale” below.

**United States Selling Restrictions**

Regulation S, Category 2.

## RISK FACTORS

*The following factors may affect the ability of the Issuers, the Guarantors and the Additional Guarantor to fulfil their obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur.*

*In addition, factors which could be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.*

*The Obligors and the Additional Guarantor believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme and any prospective purchasers of the Notes should note that, should any of the circumstances discussed in this risk factors section arise, they may lose the value of their entire investment. Prospective purchasers of the Notes offered under the Programme should note that the inability of the Obligors and the Additional Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for reasons other than those stated below and neither the Obligors nor the Additional Guarantor represent that such statements below regarding the risks of holding any Notes are exhaustive. Prospective purchasers of Notes should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decisions.*

### **1 Factors that may affect the Issuers' ability to fulfil their obligations under Notes issued under the Programme and the Guarantors' and Additional Guarantor's ability to fulfil their respective obligations under the Guarantees**

#### **A. Business execution and supply chain risks**

##### **Competition from illicit trade**

Illicit trade, illegal products and tobacco trafficking in the form of counterfeit products, smuggled genuine products (product diversion), and locally manufactured products, which do not comply with applicable regulations and/or in which applicable taxes are evaded, represent a significant and growing threat to the legitimate tobacco industry and "New Categories" (defined as Vapour, Tobacco Heating Products ("THP") and Modern Oral) products. Factors such as increasing levels of taxation, price increases, economic downturn, lack of law enforcement, appropriate penalties and weak border control are encouraging more adult tobacco and New Categories consumers to switch to illegal cheaper tobacco and New Categories products and are providing greater rewards for counterfeiters and smugglers. Regulatory restrictions such as plain packaging or graphic health warnings, display bans, flavour or ingredient restrictions and increased compliance costs further disadvantage legitimate industry participants by providing competitive advantages to illicit manufacturers and distributors of illicit tobacco and New Categories products.

In addition, third parties may seek to divert product when there is an arbitrage opportunity for them between lower and higher excise countries.

Illicit trade has an adverse effect on the Group's overall sales volume and may restrict the ability to increase selling prices. Illicit trade can also damage brand equity and reputation, which could undermine the Group's investment in Trade Marketing and Distribution. Operational costs (e.g. track and trace costs) can increase and the product may become commoditised.

These factors in turn could reduce profits and have an adverse effect on the Group's results of operations and financial conditions and cause the Group to fail to deliver on its strategic growth plans. Further, counterfeit products (especially New Categories products) and other illicit products could harm consumers, damaging goodwill and/or the category (with lower volumes and reduced profits), and potentially leading to misplaced claims against BAT and further regulation and also lead to a failure to deliver the Group's

corporate harm reduction objective. In addition, as the Group has contractual and legislative obligations to prevent the diversion of its products into illicit channels, actual and perceived breaches of the obligations to prevent product diversion into illicit channels can lead to substantial fines in the forms of seizure payments and legislative penalties (including financial penalties), as well as the risk of reputational damage (including negative perceptions of the Group's governance and its environmental, social and governance ("ESG") credentials) from Group products being found in illicit channels.

### **Geopolitical tensions that have the potential to disrupt the Group's business in multiple markets**

The Group's operations and financial condition are influenced by the economic and political situations in the markets and regions in which it has operations, which are often unpredictable and outside of its control. Some markets in which the Group operates face the threat of civil unrest and can be subject to frequent changes in regime. In others, there is a risk of terrorism, conflict, global health crisis, war, organised crime or other criminal activity. The Group is also exposed to economic policy changes in jurisdictions in which it operates.

In addition, some markets maintain trade barriers or adopt policies that favour domestic producers, preventing or restricting the Group's sales.

Deterioration of socio-economic or political conditions could lead to injury or loss of life, restricted mobility, loss of assets and/or denial of access to BAT sites that reduce the Group's access to particular markets or may disrupt the Group's operations, such as supply chain, or manufacturing or distribution capabilities. Such disruption may result in increased taxes and/or other costs due to the need for more complex supply chain and security arrangements, to build new facilities or to maintain inefficient facilities, or in a reduction of the Group's sales volume. Further, there may be reputational damage, including negative perceptions of the Group's governance and protection of its people and its ESG credentials.

### **Disruption to the Group's data and information technology systems, including by cyber attack or the malicious manipulation or disclosure of confidential or sensitive information**

The Group increasingly relies on data and information technology systems for its daily business operations, internal communications, controls, reporting and relations with customers and suppliers. Some of these systems are managed by third-party service providers. A significant disruption of the Group's systems, including those managed by third-party service providers, due to computer viruses, cyber threats, malicious intrusions or unintended or malicious behaviour by employees, contractors or services providers could affect the Group's communications and operations. Computer viruses and cyber attacks are becoming more sophisticated and coordinated. In addition, such disruption may compromise the integrity of information and result in the inappropriate disclosure of confidential information, or may lead to false or misleading statements being made about the Group.

Any disruption to technology systems related to the Group's operations could adversely affect its business and result in financial and reputational losses. Any delays or failure to rapidly detect or respond to attempts to gain unauthorised access to the Group's information technology systems through a cyber attack can lead to a loss of access to systems or information being corrupted or lost, resulting in significantly increased costs for remediation and reputational consequences. Any delay in response will also impact the outcome.

Security breaches and the loss of data or operational capacity may disrupt relationships throughout the supply chain, expose the Group or the Group's consumers to a risk of loss or misuse of information, which could further expose the Group to liability, impact the Group's reputation and lead to increased costs.

The disclosure of trade secrets or other commercially sensitive information may provide competitors with a competitive advantage resulting in competitive or operational damage to the Group. The disclosure of confidential and sensitive information about the Group's employees, customers, consumers, suppliers or other third parties could compromise data privacy and expose the Group to liability.

Failure to effectively prevent or respond to a major breach or cyber attack may also subject the Group to significant reputational damage.

#### **Failure to meet current or future New Categories demand**

The New Categories supply chain is a multi-tiered and complex environment with reliance on multiple factors, such as third-party suppliers' ability to upscale production in order to meet demand while maintaining product quality, dependency on single suppliers at various points in the chain and the Group's ability to build adequate consumables production capacity in line with product demand. The geographical spread of suppliers and customers exposes the Group to political and economic conflicts such as Brexit and trade wars which may compromise the New Categories supply chain. Given the developing nature of the New Categories portfolio, there is also an enhanced risk that some products may not meet product quality and safety standards or may be subject to regulatory changes, leading to product recalls, which the Group has experienced in the past, or bans of certain ingredients or products. In addition, the New Categories supply chain may be vulnerable to changes in local legislation related to liquid nicotine that could increase import duties. Furthermore, the New Categories supply chain includes the development of sensitive trade secrets jointly with external design partners, which carries the risk of exposure of innovations to competitors.

Vulnerabilities in the New Categories supply chain may impact the Group's ability to maintain supply and meet the current and future demand requirements across the New Categories portfolio, potentially resulting in significant reputational harm and financial impact that may negatively affect the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans. Over-forecasting may also lead to write-off and negatively impact working capital. The design of New Categories devices may also prevent the scaling of commercial manufacturing, which will either restrict supply or increase the costs of production.

Further, there may be loss of investors' confidence in ESG performance, including failure to deliver the Group's corporate purpose of harm reduction.

In addition, changes in local legislation related to liquid nicotine import duties may increase New Categories production costs, which may increase end market pricing and reduce demand. Furthermore, the exposure of sensitive trade secrets can lead to competitive disadvantages and further negatively impact the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

#### **Failure of a financial counterparty**

The Group relies on transactions with a variety of financial counterparties to manage the Group's business and financial risks. In the event that any of these counterparties fails, payments due from such counterparties, such as under hedging or insurance contracts, may not be recovered. In addition, failure of a transactional banking party may lead to the loss of cash balances and disruption to payment systems involving such counterparty.

The inability to recover payments due from one or more failed financial counterparties or the loss of cash balances may cause significant financial loss and have an adverse impact on the Group's results of operations, financial condition and financial risk profile. In addition, the loss of cash balances or a disruption to payment systems may cause disruption to the Group's ongoing operations and ability to pay its creditors and suppliers.

#### **Exposure to unavailability of, and price volatility in, raw materials and increased costs of employment**

The availability and price of various commodities required in the manufacture of the Group's products fluctuate. Raw materials and other inputs used in the Group's business, such as wood pulp and energy,

are commodities that are subject to price volatility caused by numerous factors, including political influence, market fluctuations and natural disasters.

Similarly, the Group is exposed to the risk of an increase above inflation in employment costs, including due to governmental action to introduce or increase minimum wages. Employment and health care law changes may also increase the cost of provided health care and other employment benefits expenses.

Restricted availability and price volatility of commodities may result in supply shortages and unexpected increases in costs for raw materials and packaging for the Group's products, which may affect the Group's results of operations and financial condition.

Similarly, the Group's profitability may be affected by increases in overall employment costs.

The Group may not be able to increase prices to offset increased costs without suffering reduced sales volume and revenue. In the absence of compensating for increased costs through pricing, significant increases in raw material, packaging and employment costs above inflation will impact product margins, leading to lower profits and negatively affecting the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Failure to retain key personnel or to attract and retain skilled talent**

The Group relies on a number of highly experienced employees with detailed knowledge of the tobacco industry, other areas of focus for the Group (including New Categories and Beyond Nicotine (as defined below)) and the Group's business. Similarly, the Group is dependent on its ability to identify, attract, develop and retain such qualified personnel in the future. The Group is also dependent on external hires to ensure that there are the right new business critical capabilities and knowledge to accelerate transformation. BAT anticipates that this trend will continue and therefore the ability to continue to build awareness, increase reach and ultimately attract the new target audience remains a primary focus.

The shift in career development expectations from new hires are leading to shorter tenures. Although the Group is increasing its effort on retaining critical capabilities and knowledge, following any departure of new external hires, there can be no assurance that this effort will be successful.

Furthermore, broader economic and ESG trends may impact the Group's ability to retain key employees and may increase competition for highly talented employees, potentially resulting in the loss of experienced employees.

If the Group is unable to retain its existing key employees or to attract and retain skilled talent in the future, critical positions may be left vacant, which could adversely impact the delivery of strategic objectives, which could ultimately impact the Group's results of operations, financial condition and achieving its ESG related ambitions.

High voluntary employee turnover may also reduce organisational performance and productivity, which may have a further adverse impact on the Group's results of operations and financial condition.

### **Disruption to the supply chain and distribution channels**

The Group has an increasingly global approach to managing its supply chain and distribution channels and is exposed to the risk of disruption to any aspect of the Group's supply chain, to suppliers' operations or to distribution channels, and the deterioration in the financial condition of a trading partner. This is especially so in the Group's New Categories Supply Chain which is a multi-tiered and complex environment.

Such disruption may be caused by a cyber event, global health crisis, major fire, violent weather conditions or other natural disasters that affect manufacturing or other facilities of the Group's operating subsidiaries or those of their suppliers and distributors. In certain geographic areas where the Group operates,

insurance coverage may not be obtainable on commercially reasonable terms, if at all. Coverage may be subject to limitations or the Group may be unable to recover damages from its insurers.

Disruption may also be caused by spread of infectious disease (such as the COVID-19 pandemic) or by a deterioration/shortage in labour or union relations, disputes or work stoppages or other labour-related developments within the Group or its suppliers and distributors.

In addition, the Group's operating subsidiaries may not be able to establish or maintain relationships on favourable commercial terms with their suppliers and distributors. In some markets, distribution of the Group's products is through third-party monopoly channels, often licensed by governments. The Group may be unable to renew these third-party supplier and distribution agreements on satisfactory terms for numerous reasons, including government regulations or ESG considerations.

Furthermore, there are some product categories for which the Group does not have spare production capacity or where substitution between different production plants is very difficult. Consolidation of global suppliers and certain distributors that control large geographies may reduce the Group's availability of alternatives and negatively impact the Group's negotiating power with key suppliers and distributors.

These risks are particularly relevant in jurisdictions where the Group's manufacturing facilities are more concentrated or for certain product categories where production is more centralised.

Any disruption to the Group's supply chain and distribution channels could have an adverse effect on the results of operations and financial conditions of the Group through failures to meet shipment demand, contract disputes, increased costs, loss of market share and inability to reinvest into New Category and support harm reduction agenda and cause the Group to fail to deliver on its strategic growth plans.

#### **Failure to deliver digital innovation and drive digital transformation**

The Group's strategy in areas of further growth and increasing profitability depends to a large extent on digital transformation and innovation. Digital transformation and innovation are key drivers of the Group's ethos and Quest, which includes new and modern categories of products, increased interaction with customers, data-driven decision making and cost optimisation efforts driven by automated and modernised processes. Examples of the Group's ambitions that depend on digital transformation include:

- the ability to leverage its data assets to generate insights and foresights as a key driver of revenue growth;
- the expansion and flexibility of technology solutions to streamline the market realisation of new products and marketing campaigns; and
- the ability to build new solutions and the flexibility to react to market disruptions.

The Group must effectively implement new ways of working and supporting technologies to fully develop the digital agenda defined by the Board (e.g. digital channels, data and analytics, automation, etc.).

The Group may see stalled progress in the pace of digital transformation and hampered strategy goals realisation if the necessary information and digital technology is not ready to support the business implementation of global functional transformations (e.g. direct relationship with consumers, integrated planning, demand forecasting and revenue growth management). The unavailability of the necessary digital technology may be due to missing technology capabilities, lack of scalability or poor data quality. Shortage of skills and ineffective ways of working may slow down the pace of the Group's digital transformation and hamper its value realisation processes. In addition, sub-optimal design of the global digital platforms implemented by BAT may lead to the fragmentation and under-utilisation of such platforms and slow down the Group's digital transformation.

The Group's multi-category strategy requires dealing with different consumer needs and behaviours as well as complying with various regulations, which increasingly require the expansion and flexibility of

technology solutions. This may lead to the fragmentation and under-utilisation of existing and future technology solutions. Similarly, increased control and centralisation of the technology solutions and delivery mechanisms may slow down the effective delivery of the Group's digital transformation and innovation.

The Group's inability to adapt to the ever-changing digital space and fully exploit the value expected from digital transformation may have an adverse impact on its competitive edge, market share and profitability, and may prevent the Group from reaching its medium and long term financial targets.

#### **Exposure to product contamination**

The Group may experience product contamination, whether by accident or deliberate malicious intent, during supply chain or manufacturing processes, or may otherwise fail to comply with the Group's quality standards. The Group may also receive threats of malicious tampering.

Product contamination or threats of contamination may expose the Group to significant costs associated with recalling products from the market or temporarily ceasing production. In addition, adult tobacco consumers may lose confidence in the specific brand affected by the contamination, resulting in reputational damage and a loss of sales volume and market share. The Group could be subject to liability and costs associated with civil and criminal actions as well as regulatory sanctions brought in connection with a contamination of the Group's products. Each of these results may in turn have an adverse effect on the Group's results of operations, financial condition and reputation and cause the Group to fail to deliver on its strategic growth plans.

#### **Inability to obtain adequate supplies of tobacco leaf**

The Group purchases significant volumes of packed leaf each year. Tobacco leaf supplies are impacted by a variety of factors, including weather conditions, drought, flood and other natural disasters, growing conditions, diseases causing crop failure, climate change and local planting decisions. Tobacco production in certain countries is also subject to a variety of controls, including regulation affecting farming and production control programmes, and competition for land use from other agriculture products. Such controls and competition can further constrain the production of tobacco leaf, raising prices and reducing supply.

Human rights issues may arise in connection with the Group's tobacco leaf supply chain. Due to the large number of casual and temporary workers, the use of family labour in small-scale farming and high levels of rural poverty, the agricultural sector as a whole is vulnerable to human rights issues. The Group recognises that child labour is a risk to the Group's tobacco leaf supply chain. The aforementioned issues could also threaten the next generation of farmers as young people move away from the rural areas to the cities.

Restricted availability of tobacco leaf may impact the quality of the Group's products to a level that may prevent the Group accessing sufficient tobacco leaf that meets volume, quality and the Group's ESG compliance impacting the Group's ability to deliver on consumer needs. Accordingly, the reduction of tobacco leaf supply may impact supply and demand of the Group's products and have a negative impact on results of operations. The Group's commitment to ESG may result in higher tobacco leaf prices. Higher tobacco leaf prices may also increase the Group's costs for raw materials and have an adverse effect on its results of operations and financial condition. The Group may also experience reputation damage from failing to manage human rights issues in the Group's leaf supply chain, which may impact availability of suppliers willing to do business with the Group.

#### **Failure to successfully design, implement and sustain an integrated operating model**

The Group aims to improve profitability and productivity through supply chain improvements and the implementation of an integrated operating model and organisational structure, including standardisation of processes, centralised back-office services and a common IT platform. The Group undertakes

transformation initiatives periodically which aim to simplify the organisation and facilitate growth. The Group's efforts to achieve these goals are driven and enabled through use of its Test Acceleration and Optimisation ("TaO") (central Systems, Applications and Products ("SAP") Enterprise Resource Planning system) global template - a standardised process used by all BAT entities globally with the use of a central SAP instance common for BAT subsidiaries (excluding RAI and its subsidiaries). These processes include, among others, core back-office global processes, procurement, warehouse management, accounting and controlling.

Failure by the Group to successfully design, implement and sustain the integrated operating model, organisational structure and transformation initiatives could lead to the failure to realise anticipated benefits, increased costs, disruption to operations, decreased trading performance, disgruntled employees, loss of institutional knowledge and reduced market share. These results could in turn reduce profitability and funds available for investment by the Group in long-term growth opportunities. Lack of adherence to the TaO template, as well as template degradation over time, may result in the failure to maintain achieved productivity gains and capture additional productivity gains which may in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

#### **Failure to uphold the high standard of ESG management**

Stakeholder expectations of the Group's ESG performance are continually evolving. The Group may fail to have the appropriate internal standards, strategic plans and governance, monitoring and reporting mechanisms in place to ensure it can identify emerging issues, meet external expectations and align with recognised international standards.

Failure to uphold high standards of ESG management or provide transparent and consistent reporting could seriously impact Group reputation and reduce investor confidence. In addition, poor performance across any aspect of ESG, such as a failure to address climate change or human rights impacts across the Group's business and supply chain, could result in increased regulation, difficulty in attracting and retaining talent, criminal or civil prosecution, or decreases in consumer demand for the Group's products. As well as resulting in the Group's failure to deliver its ESG targets.

#### **Failure to manage the Group's climate change risk**

The Group is currently exposed to violent weather conditions or other natural disasters in locations across the Group, further climate changes may lead to acute risks such as more frequent and severe weather events or chronic risks such as events relating to longer-term shifts in climate patterns and higher temperatures, which, among other things, could lead to reductions in the supply and quality of tobacco leaf and other supplies and cause other disruptions in the Group's supply chains.

The Group will also experience transitional risks associated to low carbon economy. The Task Force on Climate-related Disclosures ("TCFD") was introduced by the Financial Sustainability Board for companies, investors and other financial stakeholders to disclose climate-related financial risk. As climate change legislation is evolving rapidly, companies are required to adapt quickly to identify, assess, monitor and mitigate climate change related transitional risks, failure to adapt could lead to BAT scoring lower in sustainability benchmarking indices, such as CDP (formerly the Carbon Disclosure Project) and Dow Jones Sustainability Index ("DJSI").

As consumer behaviours and expectations evolve, the Group may fail to adapt its product portfolio and marketing strategy in response to stakeholders' increasing environmental expectations. Factors such as emerging climate-change, product sustainability and circularity related aspects of the products may result in the potential rejection of the Group's products as well as reputational risk in relation to business performance and sustainability in comparison to peers.

Any disruption to the Group's supply chain (including agricultural supply chain) and distribution channels could have an adverse effect on the results of operations and financial conditions of the Group through failures to meet shipment demand, contract disputes, increased costs, reduced production capacity and loss of market share.

Consumer behaviours and expectations related to environmental issues and the Group's sustainability credentials are rapidly starting to influence their purchasing choices which may lead to consumers seeking alternative sustainable products. The inability to timely develop and roll out sustainable innovations or products in line with consumer demand, including any failure to predict changes in consumer and societal behaviour and expectations and to fill gaps in the product portfolio, as well as the risk of poor product quality, could lead to missed opportunities, under- or over-supply, loss of competitive advantage, loss of market share, unrecoverable costs and/or the erosion of the Group's consumer base or brand equity. There are also further financial implications from having to fund Extended Producer Responsibility ("EPR") schemes.

Lower ESG rating by investors, investor-owned platforms or other commonly used indices (e.g. CDP, DJSI) may impact perceived business resilience, sustainability and share price. Investors are becoming increasingly interested in the environmental sustainability of listed companies and their resilience in overall ESG matters is influencing their investment decisions.

Employees are also becoming increasingly aware of the climate change impact and have higher expectations of the effect that the Group has on the environment which has bearings on employee retention and the Group's attractiveness to future employees.

Non-compliance with the TCFD could reduce BAT's ability to attract investors and result in reputational damage and potentially other sanctions.

### **Impact of a pandemic on the performance of the Group**

The Group continues to closely monitor the development and disruption of the present coronavirus (the "COVID-19 pandemic") and current and further waves seen in some countries across the Group. The consequences of COVID-19 may include significant logistical challenges for staff and their ability to perform their duties, potential loss of lives or significant level of illness in the workforce, inability to deliver revenue stream and market share targets impacting profits and cash flows, disruption to supply chain and third parties unable to deliver contractual goods and services. In addition, some countries in which the Group operates have adopted regulations restricting the ability to manufacture, distribute, market and sell products.

The COVID-19 pandemic's impact on the Group's results of operations and financial condition is uncertain and cannot be predicted as the pandemic evolves.

The long-term impacts of the COVID-19 pandemic to the Group's business will depend on a range of factors which the Group is not able to accurately predict, including the duration and scope of the pandemic, the geographies impacted, the impact of the pandemic on economic activity and the nature and severity of measures adopted by governments. These factors include, but are not limited to:

- Reductions or volatility in consumer demand for one or more of the Group's products due to illness, retail closures, quarantine or other travel restrictions, health consciousness (quitting use of tobacco and nicotine products), government restrictions, the deterioration of socio-economic conditions, economic hardship and customer-downtrading (switching to a cheaper brand), which may impact the Group's market share.
- Disruptions to the Group's operations, such as its supply chain, or manufacturing or distribution capabilities, which may result in increased costs due to the need for more complex supply chain

arrangements, to expand existing facilities or to maintain inefficient facilities, a reduction of the Group's sales volumes or an increase in bad debts from customers.

- Disruption to the Group's operations resulting from a significant number of the Group's employees, including employees performing key functions, working remotely for extended periods of time or becoming ill, which may reduce the employees' efficiency and productivity and cause product development delays, hamper new product innovation and have other adverse effects on the Group's business.
- Significant volatility in financial markets (including exchange rate volatility) and measures adopted by governments and central banks that further restrict liquidity, which may limit the Group's access to funds, lead to shortages of cash and cash equivalents needed to operate the Group's business, and impact the Group's ability to refinance its existing debt.
- Regulations restricting the ability to manufacture, distribute, market and sell products, and potentially increasing illicit trade.
- Governments seeking to increase revenues through increased corporate taxes and excise in combustible and/or New Category products, increasing the cost and prices of the Group's products - which could reduce volumes and margins, and/or increase illicit trade.

All of these factors may have material adverse effects on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

## **B. Legal, regulatory and compliance risks**

### **Exposure to, the enactment of, proposals for, or rumours of regulation that significantly impairs the Group's ability to communicate, differentiate, market or launch its products and/or the lack of appropriate regulation for New Categories**

Tobacco control measures are in place in nearly all markets in which the Group operates and specific regulations for non-tobacco nicotine products and Beyond Nicotine products\* (including cannabidiol ("CBD")) are gaining momentum. Such restrictions are introduced by legislation, regulations and/or voluntary agreements. Most tobacco and nicotine control measures can be categorised as follows:

- Category bans: including regulations that ban the sale, import, possession, or use of certain product categories, entirely (e.g. New Categories);
- Place: including regulations restricting consumption in private and public spaces (e.g. public place smoking or vaping bans, including restaurants and bars);
- Product: including regulations on the use of or testing for ingredients, product design and attributes (e.g. tar / nicotine / carbon monoxide ceilings) flavours bans (including menthol); product safety (e.g. reduced cigarette ignition propensity standards); product disclosure (e.g. ingredients and emissions) and environmental impact (e.g. EPR requirements for cigarette filters);
- Packaging and labelling: including regulations on health warnings and other government-mandated messages; restrictions on the use of certain descriptors and brand names; requirements on pack shape, size, weight and colour; and mandatory plain packaging;
- Advertising, promotion and sponsorship: including partial or total bans on advertising, promotions and sponsorship, and online and direct engagement communication;

---

\* Beyond Nicotine products are defined as products offering wellness and stimulation.

- Purchase: including regulations on where the products are sold, such as type of outlet (e.g. supermarkets and vending machines), radius or distance restrictions (e.g. 300 meters from a school), online sales bans, regulation regarding how they are sold and displayed (e.g. above the counter or under the counter) and minimum purchase age and increases thereto; and
- Price: including regulations that have implications on prices and margins (e.g. excise taxes, minimum prices and import/export duties).

The Group believes that further tobacco control and nicotine regulation is expected over the medium term in many of the Group's markets. Irresponsible behaviour or marketing practices of competitors (for example where there is a lack of appropriate regulation) or actions contrary to the regulations in certain markets, may cause reputational harm to the industry as a whole and may result in additional regulation or bans. Further, there is pressure on governments from international organisations and agencies, tobacco control non-governmental organisations, vanguard regulators and the private sector (including philanthropists, pharmaceutical and security technology companies and social justice groups) to pursue regulatory policies and implement tobacco or nicotine product-related regulation which is not science or evidence based and is aimed at increasing the complexity and cost burden on the tobacco or nicotine industry, limiting the commercial viability of tobacco and nicotine products or prohibiting the products completely. Regulators may be lacking in understanding of New Categories products and their role in tobacco harm reduction due to their novelty. These factors can lead to a lack of adequate or existing regulatory regimes or clear and appropriate product classifications.

In addition, the Group may fail to implement the right level of control measures or to maintain adequate standards of compliance with regulatory measures. For example, the Group's marketing activities may fail to comply with the relevant law and regulations or with the Group's International Marketing Principles ("IMPs").

Insufficient information, instruction and training in the relevant areas and a lack of knowledge of the existence and/or requirements of relevant regulations including tobacco and nicotine as well as other relevant regulations, such as battery regulation, or a failure to monitor, assess and implement the requirements of new or modified regulation, may increase these risks.

There may also be negative and disproportionate societal responses to consumer abuse or misuse of tobacco and/or nicotine products (e.g. in New Categories) or to certain categories of products.

#### *Traditional Tobacco Products*

With respect to tobacco and combustible products, many of the measures outlined in the Framework Convention on Tobacco Control ("FCTC") have been or are in the process of being implemented through national legislation in many markets in which the Group operates, including recommendations for plain packaging and flavour bans (e.g. menthol bans – in effect in the European Union since 20 May 2020). In April 2021, the US Food and Drug Administration ("FDA") announced that it will issue proposed product standards to ban menthol as a characterising flavour in cigarettes in the US. In December 2021, a regulatory agenda released in the US confirmed the FDA's plans to publish a Notice of Proposed Rulemaking for a menthol cigarette ban in April 2022. Further, various national or international regulatory regimes may seek to require the reduction of nicotine levels in tobacco products.

In March 2018, the FDA published its Advanced Notice of Proposed Rulemaking titled "Tobacco Product Standard for Nicotine Level of Combusted Cigarettes" and invited interested parties to submit comments on, among other issues, maximum nicotine limits and whether any maximum nicotine level should apply to combustible tobacco products. In October 2019, the FDA withdrew the Advanced Notice of Proposed Rulemaking without explanation.

In the US, manufacturers of all tobacco products deemed to be under the authority of the FDA as of 2016 (which includes vapour and Modern Oral products that contain or can be used with tobacco-derived nicotine) must submit information to the FDA seeking formal marketing authorisation of such products.

In 2021, New Zealand published its Smokefree 2025 Action Plan, considering the implementation of drastic measures, such as a ban on tobacco sales to those born after a certain date and very low nicotine cigarettes.

Finally, the FCTC COP10 and the EU Tobacco Product Directive 2, post-implementation review which is currently ongoing, are likely to result in calls for further regulation for tobacco products.

### *New Categories*

With respect to New Categories, regulation is still evolving and frameworks for regulation and taxation vary from country to country. Some regulators have applied or are considering applying combustible tobacco products' restrictive regulatory framework to New Categories. Some jurisdictions have banned or are considering banning certain New Category products altogether.

Following reports of individuals experiencing acute respiratory injury in suspected association with vaping certain e-liquids (e-cigarette or vaping use-associated lung injury (EVALI)) and reports regarding vaping youth usage in the US, stricter regulatory views gained momentum and were publicly supported by the World Health Organization ("WHO") which continues to call on countries to ban or regulate novel nicotine products as tobacco.

The US, the EU and Canada are playing a leading role across all identified regulatory risks, including: bans on flavours, sales channel bans, advertising restrictions and nicotine limits, among others.

The US is expected to issue additional decisions on the marketing authorisation of BAT and competitor vapour products in the near-term, which could result in further restrictions on the Group's ability to offer flavoured vapour products, including menthol.

The FDA granted marketing authorisation for the Vuse Solo device and its tobacco ("original") flavour in October 2021, but denied authorisation for Vuse Solo flavours other than menthol (which were not on the market). That denial is being appealed with the FDA. The FDA has not issued a decision on the authorisation of the Vuse Solo menthol flavour, which remains on the market pending FDA decision. There can be no assurance that the Vuse Solo menthol authorisation will be granted, or that the other flavours appeal will succeed. Additionally, the continued marketing authorisation of Vuse Solo original flavour is contingent on continued compliance with regulatory requirements; the marketing authorisation may be suspended or withdrawn if the FDA determines that the continued marketing of the product is no longer appropriate for the protection of the public health. The FDA has not issued marketing authorisations for Vuse Alto and its associated flavours, including menthol, with FDA decisions still pending. Although the Vuse Alto menthol and tobacco flavoured products remain on the market pending FDA decisions there can be no assurance that these authorisations (or the other Vuse Alto flavours) will be granted. Similarly, the Group's Velo products remain on the market in the US, again pending FDA decisions on their marketing authorisations, and there can be no assurance these will be granted. If the FDA denies a marketing authorisation then the relevant product(s) would need to be withdrawn from the market (unless a court or the FDA intervenes).

With respect to Modern Oral and other New Categories, regulatory frameworks currently follow divergent approaches. In certain markets, where there is an absence of adequate regulation, actions of irresponsible competitors may cause reputational harm to the category and result in outright bans or adverse regulation, as has been the case with Modern Oral in Russia with allegations regarding youth usage. In markets where there is a likelihood of tobacco, pharmaceutical or food regulatory classification, the category can be at risk of severe regulation or total ban.

The Group believes that tobacco heated products are likely to be regulated as traditional tobacco products, driven by the decision of WHO's 7th Conference of Parties to the FCTC, and Reports from the WHO submitted to the COP9 for Noting, to apply tobacco control regulations to these products including recommendations for plain packaging and flavour bans.

### *Beyond Nicotine*

As the Group also looks to Beyond Nicotine products including CBD (in connection with its investment in Organigram Holdings Inc. (from which, as at the date of this Base Prospectus and in compliance with the Proceeds of Crime Act 2002, no distributions have been made to BAT or the Group)), it may be subject to additional regulation and these products might not be scalable on a global basis given varying degrees of regulation.

Existing and future regulatory measures impacting one or more New Categories and/or Beyond Nicotine traditional tobacco products could adversely affect volume, revenue and profits, as a result of: restrictions on the Group's ability to sell and differentiate its products or brands, leverage price, innovate, make scientific claims, compete in future product categories and make new market entries; regulations (e.g. pharma or food) or total bans of tobacco and/or New Categories products in certain markets; reduced margins due to increased operating costs; impediments to building or maintaining brand equity; and restrictions on the Group's ability to deliver, market and sell existing or new products responding to consumers' preferences. In addition, new (and changes to existing) regulation could lead to greater complexity, as well as higher production and compliance costs.

As an example, through the acquisition of RAI, the Group acquired the Newport brand, the leading menthol cigarette brand in the US, the Group's largest single market. The sales of Newport, together with the other menthol brands of the Group's operating subsidiaries, represent a significant portion of the Group's total net sales. Any action by the FDA or any other governmental authority banning or materially restricting the use of menthol in tobacco products could have a significant negative impact on sales volumes which would, in turn, have an adverse effect on the results of operations and financial position of the Group.

Regulations can also have an adverse impact on the Group's ability to compete within the legitimate tobacco, nicotine or New Categories industry and with illicit traders or legal operators exploiting legal and regulatory loop holes. Regulations could also lead to reduced consumer acceptability of new product specifications, leading to consumers seeking alternatives in illicit markets.

Unclear or inadequate regulations can lead to legal uncertainty, impacting the Group's position in the marketplace.

In the specific case of New Categories, the Group's corporate harm reduction ambition, including of revenue of £5 billion by 2025 and 50 million New Categories consumers of non-combustible products by 2030 could be at risk if stricter regulatory views are imposed at a global scale, or if appropriate regulation is lacking or there is a lack of acceptance of tobacco harm reduction as a tobacco control policy (preventing a balanced regulatory framework for New Categories). Any action by the FDA or any government authority restricting the use of New Category products could also have an adverse effect on the operation and financial position of the Group and the possible failure of the Group's harm reduction objective and loss of confidence in the Group's ESG performance.

As a reflection of the real or perceived impact of stricter regulation in the Group's business, the Group's share price has also experienced, and could in the future experience, shocks upon the announcement, rumour of or enactment of restrictive regulation. All these effects may have an adverse effect on the Group's results of operations and financial conditions and cause the Group to fail to deliver on its strategic growth plans.

In addition, considering the significant number of regulations that may apply to the Group's businesses across the world, the Group is and may in the future be subject to claims for breach of such regulations.

Government authorities (such as the FDA), organisations or even individuals may allege that the Group's marketing activities do not comply with the relevant laws and regulations, or with its IMPs. As such, the Group could be subject to liability and costs associated with civil and criminal actions as well as regulatory sanctions, fines and penalties brought in connection with these allegations. Even when proven untrue, there are often financial costs and reputational impacts in defending against such claims and allegations (including potential adverse impact on the treatment by the FDA of the Group's PMTAs in the US). Each of these results may in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Adverse implications of EU legislation on single-use plastics that will result in on-pack environmental warnings and financial implications relating to the Extended Producer Responsibility (EPR)**

The EU adopted a Directive on single-use plastics in July 2019 which, among other products, targets tobacco products with filters containing plastic. The Cellulose Acetate in the Group's filters is defined as a single-use plastic under the Directive and, as such, the Directive will have an impact on the Group's cigarettes, filters for other tobacco products and consumables for THPs.

Under the Directive, the Group will be subject to (and in some cases already is subject to) EPR schemes, requiring the Group to cover the costs of collecting, transporting, treating and cleaning-up of filters containing plastic. The Directive also imposes on tobacco manufacturers the obligation to finance consumer awareness campaigns and to place environmental markings on packs of products with filters containing plastic.

Prior to the anticipated implementation deadline for EPR schemes on 5 January 2023, the European Commission is expected to issue guidelines on the criteria for the costs of cleaning up litter in the first half of 2022. In addition, in December 2020 the European Commission adopted and published an Implementing Act harmonising specifications for required product markings with a compliance deadline of July 2021. When transposing the Directive into national law, EU member states could decide to expand the scope of EPR systems under their respective national laws, which may expose the Group to additional regulations and financial obligations. This is the case in France, where EPR implementation has already occurred with an expansion of the scope to include non-plastic filters for RYO products. Although Sweden's government has abandoned plans to extend its national EPR system to snus and modern oral pouches, other markets are still at risk of extension, such as in Spain (tobacco manufacturers would be mandated to financially contribute to the cost of cleaning of parts of the general sewage system), the Czech Republic (tobacco manufacturers would be mandated to contribute to the cost of managing household waste costs), and Poland and Romania (manufacturers' financial contribution would also cover paper filters, although they are not plastic items). Proposed regulations are still being discussed in these countries.

It is noted that there is a growing level of scrutiny on the use of single-use plastic across the world and a number of other markets in which the Group operates are considering ways to restrict (or ban) the use of filters made of plastic and/or introduce EPR schemes covering other plastic elements in the Group's products beyond filters for traditional products and/or New Categories products.

The financial implications of existing and future EPR schemes will increase administrative burdens and operating costs and may have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans. If significant space is appropriated on the packaging of some of the Group's products, this may also be an impediment to maintaining or building brand equity of the Group's products which may, in turn, have a negative impact on the Group's sales volume.

### **Exposure to litigation on tobacco, nicotine, New Categories and other issues**

The Group is involved in litigation related to its tobacco and nicotine products, including legal, regulatory and patent actions, proceedings and claims, brought against it in a number of jurisdictions. Claims brought

against the Group may be based on personal injury (both individual claims and class actions), economic loss arising from the treatment of smoking and health-related diseases (such as medical recoupment claims brought by local governments), patent infringement (please refer to the risk factor under “*Product pipeline, commercialisation and Intellectual Property risks, Exposure to risks associated with intellectual property rights, including the failure to identify, protect and prevent infringement of the Group’s intellectual property rights and potential infringement of, or the failure to retain licences to use, third-party intellectual property rights*” below), negligence, strict tort liability, design defect, failure to warn, fraud, misrepresentation, deceptive/unfair trade practices, conspiracy, medical monitoring and violations of antitrust/racketeering laws.

Certain actions, such as those in the US and Canada, involve claims in the tens or hundreds of billions of pounds sterling. The Group is also involved in proceedings that are not directly related to its tobacco and nicotine products, including proceedings based on environmental pollution claims.

Additional legal and regulatory actions, proceedings and claims may be brought against the Group in the future.

The Group’s consolidated results of operations and financial position could be materially affected by any unfavourable outcome of certain pending or future litigation. The Group could be exposed to substantial liability, which may take the form of ongoing payments. Whether successful or not, the costs of the Group’s involvement in litigation could materially increase due to costs associated with bringing proceedings and defending claims, which may also cause operational and strategic disruption by diverting management time away from business matters. Liabilities and costs in connection with litigation could result in bankruptcy of one or more Group entities which, in turn, could cause a material reduction in the Group’s sales volume and profits. Any negative publicity resulting from these claims may also adversely affect the Group’s reputation.

The occurrence of any of the above effects could in turn have an adverse effect on the Group’s results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

Please refer to the “Contingent liabilities and financial commitments” section on pages 52 to 93 for details of contingent liabilities applicable to the Group.

### **Significant and/or unexpected increases or structural changes in tobacco and nicotine-related taxes**

Tobacco and nicotine products are subject to high levels of taxation, including excise taxes, sales taxes, import duties and levies in most markets in which the Group operates. In many of these markets, taxes are generally increasing, but the rate of increase varies between markets and between different types of tobacco and nicotine products. Increases in, or the introduction of new, tobacco and nicotine-related taxes may be caused by a number of factors, including fiscal pressures, health policy objectives and increased lobbying pressure from anti-tobacco advocates.

With respect to New Categories, although a common framework for regulation and taxation has yet to emerge, the manufacture, sale, packaging and advertising of such products are increasingly being regulated and taxed.

Significant or unexpected increases in, or the introduction of new, tobacco-related taxes or minimum retail selling prices, changes in relative tax rates for different tobacco and nicotine products or adjustments to excise have in the past resulted, and may in the future result in, the need for the Group to absorb such tax increases due to limits in its ability to increase prices, an alteration in the sales mix in favour of value-for-money brands or products, or growth in illicit trade, each of which could impact pricing, sales volume and profit for the Group’s products. Significant or unexpected increases of tobacco-related taxes could also impact BAT’s ability to deliver the corporate purpose of harm reduction.

### **Failure to comply with health and safety and environmental laws**

The Group is subject to a variety of laws, regulations and operational standards relating to health and safety and the environment.

The Group may fail to assess certain risks and implement the right level of control measures or to maintain adequate standards of health and safety or environmental compliance, which could cause injury, ill health, disability or loss of life to employees, contractors or members of the public, or harm to the natural environment and local communities in which the Group operates. As a result of the outcomes of the recent COP26, further future regulation is anticipated as governments look to meet their climate change ambitions.

Insufficient information, instruction and training in the relevant areas and a lack of knowledge of the existence and/or requirements of relevant regulations, or a failure to monitor, assess and implement the requirements of new or modified legislation, may increase these risks.

Any failure by the Group to comply with applicable health and safety or environmental laws, or the exposure to the consequences of a perceived failure, could result in business disruption, reputational damage, difficulties in recruiting and retaining staff, increased insurance costs, consequential losses, the obligation to install or upgrade costly pollution control equipment, loss of value of the Group's assets, remedial costs and damages, fines and penalties as well as civil or criminal liability. Each of these results could in turn adversely impact the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Exposure to unfavourable tax rulings**

The Group is subject to tax laws in a variety of jurisdictions. The Group's interpretation and application of the tax laws could differ from those of the relevant tax authority, which may subject the Group to claims for breach of such laws, including for late or incorrect filings or for misinterpretation of rules. Tax authorities in a variety of jurisdictions, such as the Netherlands and Russia, have assessed, and may in the future assess, the Group for historical tax claims, including interest and penalties, arising from disputed areas of tax law. The Group is currently party to tax disputes in a number of jurisdictions, some of which involve claims for amounts in the hundreds of millions of Sterling.

Please refer to the "*Contingent liabilities and financial commitments*" section on pages 52 to 93 for details of contingent liabilities applicable to the Group.

The Group's failure to comply with the relevant tax authority's interpretation and application of the tax laws could result in significant financial and legal penalties, including the payment of additional taxes, fines and interest in the event of an unfavourable ruling by a tax authority in a disputed area, as well as the payment of dispute costs. Disruption to the business could occur as a result of management's time being diverted away from business matters. Each of these results could negatively affect the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Unexpected legislative changes to corporate income tax laws**

The Group is subject to corporate income tax laws in the jurisdictions in which it operates. These laws frequently change on a prospective or retroactive basis.

Legislative changes to corporate income tax laws and regulations may have an adverse impact on the Group's corporate income tax liabilities and may lead to a material increase of the Group's overall tax rate. This could, in turn, negatively affect the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Exposure to potential liability under competition or antitrust laws**

According to the Group's internal estimates, the Group is a market leader by volume and/or value in certain categories in a number of countries in which it operates and/or is one of a small number of tobacco and

/or New Categories companies in certain other markets in which it operates. The Group has had antitrust infringement decisions against it in the past and is subject to ongoing investigations (please refer to the “*Contingent liabilities and financial commitments*” section on pages 52 to 93 for details of contingent liabilities applicable to the Group).

The Group may fail to comply with competition or antitrust laws and may be subject to investigation and/or litigation for alleged abuse of its position in markets in which it has significant market share or for alleged collusion/anti-competitive arrangements with other market participants. Competition/antitrust laws continue to evolve globally with increasingly aggressive enforcement.

Failure by the Group to comply with competition or antitrust laws and investigations (and/or litigation) for violation of such laws may result in significant legal liability, fines, penalties and/or damages actions; criminal sanctions against the Group, its officers and employees; increased costs, prohibitions on conduct of the Group’s business; forced changes in business practices, forced divestment of brands and businesses (or parts of businesses) to competitors or other buyers; director disqualifications; commercial agreements being held void; and operational and strategic disruption (including by diverting management time away from business matters). The Group may face increased public scrutiny and the investigation or imposition of sanctions by antitrust regulation agencies and/or courts for violations of competition regimes which may subject the Group to reputational damage and loss of goodwill, including negative perceptions of the Group’s governance and its ESG credentials.

The occurrence of any of the above effects could in turn have an adverse effect on the Group’s results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

#### **Failure to establish and maintain adequate controls and procedures to comply with applicable securities, corporate governance and compliance regulations**

The Group’s operations are subject to a range of rules and regulations around the world. These include US securities, corporate governance and compliance laws and regulations such as the Sarbanes-Oxley Act of 2002 and the US Foreign Corrupt Practices Act of 1977, which applies to the Group’s worldwide activities. While the Group continuously seeks to improve its systems of internal controls and to remedy any weaknesses identified, there can be no assurance that the policies and procedures will be followed at all times or effectively detect and prevent violations of applicable laws. In addition, the Group is subject to increasingly stringent reporting obligations under UK corporate reporting regulations.

The increased scope and complexity of applicable regulations to which the Group is subject may lead to higher costs for compliance. Failure to comply with laws and regulations may result in significant legal liability, fines, penalties, and/or damages actions, criminal sanctions against the Group, its officers and employees, and damage to the Group’s reputation. Non-compliance with such regulations could also lead to a loss of the Group’s listing on one or more stock exchanges or a loss of investor confidence with a subsequent reduction in share price.

#### **Loss of confidential information, including through manipulation of data by employees and system failure**

Unintended or inappropriate behaviour by employees, contractors, service providers and others using or managing the Group’s confidential information especially given the increased use of third parties (including sensitive or confidential information of third parties) or personal data (including sensitive consumer personal data) may affect the Group’s communications and operations which may result in the unauthorised disclosure of such information. Increased remote working has and may increase this risk.

In addition, flaws in the Group’s IT systems and/or those of its suppliers, a lack of infrastructure or application resilience, slow or insufficient disaster recovery service levels or the installation of new systems may increase the possibility that data, including confidential, personal or other sensitive information, stored

or communicated by IT systems may be corrupted, lost or disclosed. There may be malicious 'bad actor' activity (e.g. cyberattack) or 'insider threat' (e.g. activists or disgruntled employees).

The loss of confidential information may result in civil or criminal legal liability and prosecution by enforcement bodies and/or claims from third parties, which may subject the Group to the imposition of material fines, damages and/or penalties and the costs associated with defending these claims. It could also lead to a competitive disadvantage through the loss of trade secrets. There could also be potential exposure from extortion attempts and costs from business continuity situations.

Inappropriate disclosure of confidential information or violation of the European General Data Protection Regulation ("GDPR") or other privacy laws (please refer to the risk factor under "*Loss or misuse of personal data through a failure to comply with the European General Data Protection Regulation, the UK Data Protection Act 2018, e-Privacy Laws and other privacy legislation governing the processing of personal data*" below) may also result in significant reputational harm and public scrutiny which could create negative perceptions of the Group's governance and its ESG credentials, a loss of investor confidence (including a possible share price impact) and reduced third-party reliance on the Group's information technology systems or other data handling practices. In addition, restoration and remediation of disclosed confidential information or personal data may be costly, difficult or even impossible.

The occurrence of any of the above effects could in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

#### **Failure to comply with product regulations due to uncertainty surrounding the proper interpretation and application of those regulations**

The interpretation and application of regulations concerning the Group's products, such as the Tobacco and Related Products Directive (TPD2), may be subject to debate and uncertainty. This includes uncertainty over product classifications and restrictions on advertising. In particular with respect to the developing category of New Categories, which has grown in size and complexity in a relatively short period of time, a consensus framework for the interpretation and application of existing regulation, such as the rules concerning nicotine-containing liquids used in vapour products, has yet to emerge.

The continuously changing and evolving landscape of regulation concerning the Group's products contributes to the uncertainty surrounding interpretation and application and creates a risk that the Group may misinterpret or fail to comply with developing regulations in the various jurisdictions in which it operates, or becomes subject to enforcement actions from regulators. With the continuous changing of product cycle plans and expansion to new markets and innovations, there is a risk that such changes and launches fail to comply with the relevant regulations, including pre-approval and/or pre-registration requirements. For example, some governments have intentionally banned or are seeking to ban novel tobacco products and products containing nicotine, while others would need to amend their existing legislation to permit their sale. Even in countries where the sale of such products is currently permitted, some governments have adopted, or are seeking to adopt, bans on New Categories or restrictions on certain flavours.

The significant number of emerging regulations and the uncertainty surrounding their interpretation and application may subject the Group to claims for breach of such regulations. Financial costs of such enforcement actions include financial penalties, product recalls and litigation costs, and entail a significant risk of adverse publicity and damage to the Group's reputation and goodwill.

#### **Failure to uphold high standards of corporate behaviour, including through unintended or malicious breach of anti-bribery and anti-corruption and other anti-financial crime laws**

The Group is subject to various anti-corruption laws and regulations and other anti-financial crime laws including but not limited to failure to prevent facilitation of tax evasion, money laundering and terrorist financing ("Anti-Corruption Laws"). All employees of BAT, its subsidiaries and joint ventures which it

controls are expected to uphold a high standard of corporate behaviour and comply with the Group Standards of Business Conduct (“SoBC”) which includes a requirement to comply with Anti-Corruption Laws. Employees, associates, suppliers, distributors and agents are prohibited from engaging in improper conduct to obtain or retain business or to improperly influence (directly or indirectly) a person working in an official capacity to decide in the Group’s favour. The Group’s employees, contractors and service providers may fail to comply with the Group’s SoBC and/or may violate applicable Anti-Corruption Laws.

From time-to-time, the Group investigates, and becomes aware of governmental authorities' investigations into, allegations of misconduct against Group companies. The Group cooperates with the authorities' investigations, where appropriate, including with the Department of Justice (“DOJ”) and the Office of Foreign Assets Control (“OFAC”) in the United States, which are conducting an investigation into suspicions of breach of sanctions. Potential fines, penalties or other consequences cannot currently be assessed. As the investigations are ongoing, it is not possible to identify the timescale in which these matters might be resolved.

Please refer to the “Contingent liabilities and financial commitments” section on pages 52 to 93 for details of contingent liabilities applicable to the Group.

Failure of the Group to comply with Anti-Corruption Laws or to deploy and maintain robust internal policies, procedures and controls could result in significant fines and penalties (reducing the Group's ability to reinvest in the future), a share price impact, criminal and/or civil sanctions against the Group and its officers and employees, increased costs, prohibitions or other limitations or requirements (e.g. compliance requirements) on the conduct of the Group’s business and reputational harm (including negative perceptions of the Group's governance and its ESG credentials), it may subject the Group to claims for breach of such regulations and it could in turn have an adverse effect on the Group’s results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

Even when proven untrue, there are often financial costs, time demands and reputational impacts associated with investigating and defending against such claims.

### **Imposition of sanctions under sanctions regimes or similar international, regional or national measures**

National, international and supra-national sanctions regimes or similar international, regional or national measures are complex and dynamic and may affect territories in which the Group operates or third parties with which it may have commercial relationships. There may be unintended or malicious breaches of sanctions due to inappropriate or negligent behaviour by BAT employees, contractors, customers, suppliers or service providers.

In particular, the Group has operations in a number of territories that are subject to various sanctions, including Cuba, Belarus, Russia and disputed territories. Operations in these territories expose the Group to the risk of significant financial costs and disruption in operations that may be difficult or impossible to predict or avoid or the activities could become commercially and/or operationally unviable. Sanctions can be imposed quickly (as happened recently in Belarus and Russia) with the possibility of further territories the Group operates in becoming subject to sanctions at short notice.

National, international and supra-national sanctions regimes may also affect third parties with which the Group has commercial relationships (including possible risk aversion to being associated with a sanctioned territory) and could lead to supply and payment chain disruptions.

From time-to-time, the Group investigates, and becomes aware of governmental authorities' investigations into, allegations of misconduct against Group companies. The Group cooperates with the authorities' investigations, where appropriate, including with the DOJ and OFAC in the United States, which are conducting an investigation into suspicions of breach of sanctions. Potential fines, penalties or other

consequences cannot currently be assessed. As the investigations are ongoing, it is not possible to identify the timescale in which these matters might be resolved.

Please refer to the “Contingent liabilities and financial commitments” section on pages 52 to 93 for details of contingent liabilities applicable to the Group.

As a result of the limitations imposed by sanctions, it may become commercially and/or operationally unviable for the Group and/or its critical business partners to operate in certain territories or execute transactions related to them and the Group may be required to exit existing operations in such territories. The Group may also experience difficulty in sourcing materials or importing products, repatriating currency from a sanctioned country and finding financial institutions willing to transact with it, any of which may expose the Group to increased costs. In addition, the costs of complying with sanctions may increase as a result of new, or changes to existing, sanctions regimes.

Any failure to comply with sanctions regimes or similar international, regional, or national or supra-national measures may result in significant legal liability, fines (reducing the Group's ability to reinvest in the future) and/or penalties, criminal and/or civil sanctions against the Group, its officers and employees, damage to commercial or banking relationships and reputational harm. Reputational harm (including negative perceptions of the Group's governance and its ESG credentials) may result regardless of whether the Group complies with imposed sanctions.

The occurrence of any of the above effects could in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

#### **Loss or misuse of personal data through a failure to comply with the European General Data Protection Regulation, the UK Data Protection Act 2018, e-Privacy Laws and other privacy legislation governing the processing of personal data**

Personal data is a subset of data (which is likely to be confidential) which attracts different risks and treatment under applicable law. Breaches of data privacy laws include misuse of information which may not be confidential in nature. These include, for example, unsolicited marketing calls to a publicly available number, or using an individual's personal data in a way which was not authorised or in a way that the individual did not reasonably expect through technologies such as online tracking or monitoring.

Various privacy laws, including the GDPR, UK Data Protection Act 2018 and e-Privacy Directive (“e-Privacy Laws”) / EU Regulatory guidances, govern the way in which organisations (comprising employees, contractors, service providers and other authorised persons) handle individuals' personal data including how such organisations, including the Group, track or monitor their online behaviour.

Unintended or malicious breaches of data privacy laws may occur through inappropriate or negligent behaviour by BAT employees, contractors, service providers or others. In particular:

- in the event of:
  - an unauthorised disclosure of personal data as a result of a bad actor (e.g. cyberattack); or
  - flaws in the Group's IT systems, or application resilience, slow or insufficient disaster recovery service levels or the installation failure of a new system (which result in personal data stored or communicated by IT systems being corrupted, lost or disclosed).

Depending on the risk to the individuals concerned, such personal data breaches (including mass personal data unavailability) must be reported to the local data protection supervisory authority which could subject Group companies to not only regulatory scrutiny but also individual claims or even class action suits; and

- ePrivacy Laws state that any misuse of consumer personal data or lack of transparency provided to consumers on how the Group uses their data or tracks their online behaviours are subject to regulatory scrutiny.

Legal requirements relating to the collection, storage, handling, and transfer of personal data continue to evolve. Following the entry into force of the GDPR in May 2018, other jurisdictions in which the Group operates have enacted similar local legislation such as the California Consumer Privacy Act US and the “LGPD” in Brazil which further increases the risks surrounding the processing of personal data especially in the consumer space. As part of the Group's digital transformation initiative, it has an enhanced focus on consumer data, especially regarding New Categories, which increases these risks.

Failure to comply with existing or future e-Privacy Laws and privacy legislation governing the processing of personal data may adversely impact the Group's results of operations and financial condition.

Loss or misuse of personal data may result in civil or criminal legal liability and prosecution by enforcement bodies, which may subject the Group to the imposition of material fines (currently up to 4 per cent. of Group worldwide turnover in the context of GDPR) and/or penalties and/or claims and costs associated with defending these claims (which could include class action suits brought by consumers). The Group's officers and employees may also be subject to personal criminal sanctions.

Reputational damage could also potentially cause significant harm to the Group, including negative perceptions of the Group's governance and its ESG credentials.

Relevant data protection supervisory authority could also order certain Group legal entities to cease processing activities, which could result in a significant operational disruption. Regulatory interest may also prompt interest from other compliance authorities/ governments, leading to further regulation or proceedings.

The occurrence of any of the above effects could in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Failure to uphold New Categories marketing practices**

The regulatory landscape is constantly evolving with marketing practices being different in key New Categories markets. The Group's marketing activities may be alleged to be non-compliant with laws and regulations, or with the IMPs on the marketing and sale of tobacco products to consumers such as age verification measures with allegations of this in the media. Online activities can also be wrongly considered to be aimed at consumers in a country where such activities are not permitted.

The Group is and may in the future be subject to claims for breach of marketing practices. In particular, national authorities (such as the FDA), organisations or even individuals may allege that the Group's marketing activities do not comply with the relevant laws and regulations, or with the Group's IMPs. As such, the Group could be subject to liability and costs as well as regulatory sanctions, fines and penalties brought in connection with these allegations. Even when proven untrue, there are often financial costs and reputational impacts in defending against such claims and allegations.

Future breaches may lead to a loss of investor confidence in ESG performance and inability to meet the Group's responsible marketing focus area if the Group's IMPs are not followed, impacting the Group's corporate purpose of delivering harm reduction.

## **C. Economic and financial risks**

### **Foreign exchange rate exposures**

The Group's reporting currency is the Sterling. The Group is exposed to the risk of fluctuations in exchange rates affecting the translation of net assets and earned profits of overseas subsidiaries into the Group's reporting currency. These translational exposures are not normally hedged.

Exposures also arise from the foreign currency denominated trading transactions undertaken by subsidiaries and dividend flows. Where not offset by opposing flows, these exposures are generally hedged according to internal policies, but hedging of exposure to certain currencies might not be possible

due to exchange controls, limited currency availability or prohibitive costs, and errors in hedging may occur. Fiscal policy divergence in relation to interest rates between key markets may also increase these risks.

During periods of exchange rate volatility, the impact of exchange rates on the Group's results of operations and financial condition can be significant. Fluctuations in exchange rates of key currencies against the Sterling may result in volatility in the Group's reported earnings per share, cash flow and balance sheet. Furthermore, the dividend paid by the Group may be impacted if the payout ratio is not adjusted. Differences in translation between earnings and net debt may also affect key ratios used by credit rating agencies, which may have an adverse effect on the Group's credit ratings.

In addition, volatility and/or increased costs in the Group's business due to transactional foreign exchange rate exposures may adversely affect operating margins and profitability and attempts to increase prices to offset such increases could adversely impact sales volumes.

### **Inability to obtain price increases and exposure to risks from excessive price increases and value chain erosion**

Annual price increases by the Group are among the key drivers in increasing market profitability. However, the Group has in the past been, and may in the future be, unable to obtain such price increases as a result of increased regulation; increased competition from illicit trade; stretched consumer affordability arising from deteriorating political and economic conditions and rising prices; sharp increases or changes in excise structures; and competitors' pricing.

As the New Category market continues to develop, the Group may face erosion in the value chain for New Categories through lower market prices, excise taxes, high retail trade margins or high production costs that make New Categories less competitive versus combustible tobacco products. As an example, excise on tobacco heated products in Japan is increasing and will align closer to factory made cigarettes following a five year (2018-2022) phased excise plan.

In addition, the Group faces the risk that price increases it has conducted in the past, and may conduct in the future, may be excessive and not find adequate adult tobacco consumer acceptance.

If the Group is unable to obtain price increases or is adversely affected by impacts of excessive price increases, it may be unable to achieve its strategic growth metrics, have fewer funds to invest in growth opportunities, and, in the case of excessive price increases, be faced with quicker reductions in sales volumes than anticipated due to accelerated market decline, down-trading (switching to a cheaper brand) and increased illicit trade. These in turn impact the Group's market share, results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

In addition, erosion in the value chain for New Categories could have a negative impact on the Group's sales volume or pricing for these products. High excise could dampen demand for New Categories or result in lower profit margins. Lower market prices, high retail trade margins or increases in production costs could also negatively impact profit margins or lead to uncompetitive pricing.

### **Effects of declining consumption of legitimate tobacco products and a tough competitive environment**

Evidence of market contraction and the growth of illicit trade of tobacco products is apparent in several key global markets in which the Group operates. This decline is due to multiple factors, including increases in excise taxes leading to continuous above-inflation price rises, changes in the regulatory environment, the continuing difficult economic environment in many countries impacting consumers' disposable incomes, the increase in the trade of illicit tobacco products, rising health concerns, a decline in the social acceptability of smoking and an increase in New Category uptake.

The Group competes based on the strength of its strategic brand portfolio, product quality and taste, brand recognition, brand loyalty, taste, innovation, packaging, service, marketing, advertising and price. The

Group is subject to highly competitive environments in all aspects of its business, and its competitive position can be significantly influenced by the prevailing economic climate, consumers' disposable income, regulation, competitors' introduction of lower-price or innovative products, higher tobacco product taxes, higher absolute prices, governmental action to increase minimum wages, employment costs, interest rates and increase in raw material costs.

Furthermore, the Group is subject to substantial payment obligations under the State Settlement Agreements (as defined below), which adversely affect the ability of the Group to compete in the US with manufacturers of deep-discount cigarettes that are not subject to such substantial obligations.

Any future decline in the demand for legitimate tobacco products could have an adverse effect on the Group's results of operations and financial conditions and cause the Group to fail to deliver on its strategic growth plans.

In a tough competitive environment, factors such as market size reduction, customer down-trading, illicit trade and competitors aggressively taking market share through price re-positioning or price wars generally reduce the overall profit pool of the market and may impact delivery of the Group's profits. This may also lead to a decline in sales volume, loss of market share, impact delivery of the Group's ESG agenda, erosion of its portfolio mix and reduction of funds available for investment in growth opportunities.

### **Funding, liquidity and interest rate risks**

The Group cannot be certain that it will have access to bank financing or to the debt and equity capital markets at all times and is therefore subject to funding and liquidity risks. In addition, the Group's access to funding may be affected by restrictive covenants to which it is subject under some of its credit facilities. Furthermore, broader ESG trends may impact the Group's access to funding.

The Group is also exposed to increases in interest rates in connection with both existing floating rate debt and future debt refinancings. The current economic environment, with historically low interest rates, increases the likelihood of higher interest rates in the future. The phaseout of LIBOR and uncertainty regarding the appropriate benchmark replacement similarly increases uncertainty with respect to the interest rates applicable to the Group's floating rate debt.

Furthermore, the Group operates in several markets closely regulated by governmental bodies that intervene in foreign exchange markets by imposing limitations on the ability to transfer local currency into foreign currency and introducing other currency controls that expose cash balances to devaluation risks or that increase costs to obtain hard currency. As a result, the Group's operational entities in these markets may be restricted from using end-market cash resources to pay for imported goods, dividend remittances, interest payments and royalties. The inability to access end-market cash resources in certain markets contributes to the Group's funding and liquidity risks.

Adverse developments in the Group's funding, liquidity and interest rate environment may lead to shortages of cash and cash equivalents needed to operate the Group's business and to refinance its existing debt. Inability to fund the business under the Group's current capital structure, failure to access funding and foreign exchange or increases in interest rates may also have an adverse effect on the Group's credit rating, which would in turn result in further increased funding costs and may require the Group to issue equity or seek new sources of capital. Non-compliance with the Group's covenants under certain credit facilities could lead to an acceleration of its debt. The phaseout of LIBOR may result in the Group being subject to higher or uncertain interest rates with respect to future floating rate debt.

All these factors may have material adverse effects on the Group's results of operations and financial conditions and cause the Group to fail to deliver on its strategic growth plans. These conditions could also lead to underperforming bond prices and increased yields.

In the case of funding or liquidity constraints, the Group may also suffer reputational damage due to its perceived failure to manage the financial risk profile of its business, which may result in an erosion of

shareholder value reflected in an underperforming share price, and/ or underperforming bond prices and higher yields. In addition, the Group's ability to finance strategic opportunities or respond to threats may be impacted by limited access to funds.

### **Failure to achieve growth through mergers, acquisitions and joint ventures**

The Group's growth strategy includes a combination of organic growth as well as mergers, acquisitions and joint ventures. The Group may be unable to acquire attractive businesses on favourable terms and may inappropriately value or otherwise fail to identify or capitalise on growth opportunities. The Group may not be able to deliver strategic objectives and revenue improvements from business combinations, successfully integrate businesses it acquires or establishes, or obtain appropriate regulatory approvals for business combinations. Risks from integration of businesses also include the risk that the integration may divert the Group's focus and resources from its other strategic goals.

Additionally, the Group could be exposed to financial, legal or reputational risks if it fails to appropriately consider any compliance, antitrust or ESG aspects of a transaction. Further, the Group has certain uncapped indemnification obligations in connection with divestitures and could incur similar obligations in the future.

Any of the foregoing risks could result in increased costs, decreased revenues or a loss of opportunities and have an adverse effect on the Group's results of operations and financial condition, and in the case of a breach of compliance or antitrust regulation, could lead to reputational damage, fines and potentially criminal sanctions.

The Group may become liable for claims arising in respect of conduct prior to any merger or acquisition of businesses if deemed to be a successor to the liabilities of the acquired company or indemnification claims relating to divestitures, and any resulting adverse judgment against the Group may adversely affect its results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

Please refer to the "Contingent liabilities and financial commitments" section on pages 52 to 93 for details of contingent liabilities applicable to the Group.

### **Unforeseen underperformance in key global markets**

A substantial majority of the Group's profit from operations is based on its operations in certain key markets, including the US. A number of these markets are declining for a variety of factors, including price increases, restrictions on advertising and promotions, smoking prevention campaigns, increased pressure from anti-tobacco groups, migration to smokeless products and private businesses adopting policies that prohibit or restrict, or are intended to discourage, smoking and tobacco use.

Economic and political factors affecting the Group's key markets include the prevailing economic climate, governmental austerity measures, levels of employment, inflation, governmental action to increase minimum wages, employment costs, interest rates, raw material costs, consumer confidence and consumer pricing.

Any change to the economic and political factors in any of the key markets in which the Group operates could affect consumer behaviour and have an impact on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

### **Increases in net liabilities under the Group's retirement benefit schemes**

The Group currently maintains and contributes to defined benefit pension plans and other post-retirement benefit plans that cover various categories of employees and retirees worldwide. The Group's obligations to make contributions under these arrangements may increase in the case of increases in pension liabilities, decreases in asset returns, salary increases, inflation, decreases in long-term interest rates, increases in life expectancies, changes in population trends and other actuarial assumptions.

Higher contributions to the Group's retirement benefit schemes could have an adverse impact on the Group's results of operations, financial condition and ability to raise funds and cause the Group to fail to deliver on its strategic growth plans.

#### **D. Product pipeline, commercialisation and intellectual property risks**

##### **Inability to predict consumers' changing behaviours and launch innovative products that offer adult tobacco and nicotine consumers meaningful value-added differentiation**

The Group focuses its research and development activities on both creating new products, including New Category and Beyond Nicotine products, whilst maintaining and improving the quality of its existing products. In a competitive market, the Group believes that innovation is key to growth. The Group considers that one of its key challenges in the medium and long term is to provide adult tobacco and nicotine consumers with high-quality products that take into account their changing preferences and expectations, including those in relation to ESG, while complying with evolving regulation.

The Group continues to develop and roll-out its New Category portfolio which requires significant investment. The Group may be unsuccessful in developing and launching innovative products or maintaining and improving the quality of existing products across Combustibles, New Categories and Beyond Nicotine that offer consumers meaningful value-added differentiation. The Group may fail to keep pace with innovation in its sector or changes in consumer expectations and is also exposed to the risk of an inability to build a strong enough brand equity through social media and other technological tools to compete with its competitors. There are potential bans and restrictions in key markets when using social media to advertise and communicate. Competitors may be more successful in predicting changing consumer behaviour, developing and rolling out consumer-relevant products and may be able to do so more quickly and at a lower cost.

In addition, the Group devotes considerable resources to the research and development of innovative products that may have the potential to reduce the risks of smoking-related diseases. The complex nature of research and development programmes necessary to satisfy emerging regulatory and scientific requirements creates a substantial risk that these programmes will fail to demonstrate health-related claims regarding New Categories and Beyond Nicotine or to achieve adult tobacco consumer, regulatory and scientific acceptance.

Furthermore, the regulatory environment impacting non-combustible tobacco products, vapour products and other non-tobacco nicotine products and Beyond Nicotine, including classification of products for regulatory and excise purposes, is still developing and it cannot be predicted whether regulations will permit the marketing of such products in any given market in the future. Categorisation as medicines, for example, and restrictions on advertising could stifle innovation, increase complexity and costs and significantly undermine the commercial viability of these products. Alternatively, categorisation of any New Categories, as tobacco products for instance, could result in the application of onerous regulation, which could further stifle uptake.

The inability to timely develop and roll out innovations or products in line with consumer demand, including any failure to predict changes in adult tobacco consumer and societal behaviour and expectations and to fill gaps in the product portfolio, as well as the risk of poor product quality, could lead to missed opportunities, under- or over-supply, loss of competitive advantage, unrecoverable costs and/or the erosion of the Group's consumer base or brand equity.

Restrictions on packaging and labelling or on promotion and advertising could impact the Group's ability to communicate its innovations and product differences to adult tobacco consumers, leading to unsuccessful product launches. An inability to provide robust scientific results sufficient to substantiate health-related product claims poses a significant threat to the ability to launch innovative products and comply with emerging regulatory and legal regimes.

The occurrence of any of the above effects could in turn have an adverse effect on the Group's results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

In addition, there may be loss of investors' confidence in ESG performance, including failure to deliver the Group's corporate purpose of harm reduction.

**Exposure to risks associated with intellectual property rights, including the failure to identify, protect and prevent infringement of the Group's intellectual property rights and potential infringement of, or the failure to retain licences to use, third-party intellectual property rights**

The Group relies on trademarks, patents, registered designs, copyrights, domain names and trade secrets. The brand names under which the Group's products are sold are key assets of its business. The protection and maintenance of these brand names and of the reputation of these brands is important to the Group's success. Protection of intellectual property rights is also important in connection with the Group's innovative products, including New Categories.

The Group is exposed to the risk of infringements of its intellectual property rights by third parties due to limitations in judicial protection, failure to identify, protect and register its innovations and/or inadequate enforceability of these rights in some markets in which the Group operates.

The Group currently is involved in various patent infringement litigation proceedings in several countries related to the Group's New Category inventions and products. This litigation involves both claims by the Group that competitors are infringing the Group's patents and claims by competitors that the Group is infringing competitors' patents.

Please refer to the "Contingent liabilities and financial commitments" section on pages 52 to 93 for details of contingent liabilities relating to patent litigation applicable to the Group.

Some brands and trademarks under which the Group's products are sold are licensed for a fixed period of time in certain markets. If any of these licences are terminated or not renewed after the end of the applicable term, the Group would no longer have the right to use, and to sell products under, those brand(s) and trademark(s).

In addition, as third party rights are not always identifiable, the Group may be subject to claims for infringement of third party intellectual property rights.

Any erosion in the value of the Group's brands or innovations, or failure to obtain or maintain adequate protection of intellectual property rights for any reason, or the loss of brands, trademarks or other intellectual property rights under licence to Group companies, may have a material adverse effect on the Group's market share, results of operations and financial condition. Any inability to appropriately protect the Group's products and key innovations will also limit its growth and affect competitiveness and return on innovation investment.

Any infringement of third-party intellectual property rights could result in interim or final injunctions, product recalls, legal liability and the payment of damages, any of which may disrupt operations, negatively impact the Group's reputation and have an adverse effect on its results of operations and financial condition and cause the Group to fail to deliver on its strategic growth plans.

**2 Factors which are material for the purpose of assessing the market risks associated with the Notes issued under the Programme**

**BAT is a holding company**

BAT is a holding company dependent on its subsidiaries and associates for dividends and other payments to service the guarantee and the Notes respectively, and the other Obligor are special finance subsidiaries

without operating company subsidiaries and are dependent on payments from other Group members to service their obligations.

BAT and the other Obligor do not directly conduct business operations. Consequently, the Obligor are dependent on dividend and other payments from Group members to make payments on the Notes or the Guarantees. Holders of the Notes will not have any direct claim on the cash flow or assets of any operating subsidiaries or BAT's associated companies. The operating subsidiaries in the Group and associated companies will have no obligation, contingent or otherwise, to pay amounts due under the Notes or the Guarantees, or make funds available to BAT or the other Obligor for those payments.

The ability of subsidiaries or associates to make dividends or other payments will depend on their cash flows and earnings which, in turn, will be affected by all of the factors discussed herein. In addition, under the corporate law of many jurisdictions, including the United Kingdom, the ability of some subsidiaries and associates to pay dividends is limited to the amount of distributable reserves of such companies.

### **The Notes are unsecured obligations of each Issuer and rank behind secured obligations on insolvency**

Holders of secured obligations of each Issuer will have claims that are prior to the claims of holders of the Notes to the extent of the value of the assets securing those other obligations. The Notes are effectively subordinated to secured indebtedness to the extent of the value of the assets securing those other obligations. In the event of any distribution of assets or payment in any foreclosure, dissolution, winding-up, liquidation, reorganisation, or other bankruptcy proceeding, the assets securing the claims of secured creditors will be available to satisfy the claims of those creditors, if any, before they are available to unsecured creditors, including the holders of the Notes. In any of the foregoing events, there is no assurance to holders of the Notes that there will be sufficient assets to pay amounts due on the Notes. As a result, holders of Notes may receive less, rateably, than holders of any secured obligations.

### **An active trading market for the Notes may not develop**

There can be no assurance that an active trading market for the Notes will develop, or, if one does develop, that it will be maintained or remain liquid. If an active trading market for the Notes does not develop or is not maintained, the market or trading price and liquidity of the Notes may be adversely affected. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies, or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes. If additional and competing products are introduced in the markets, this may adversely affect the value of the Notes.

### **The Notes may be redeemed prior to maturity**

In the event that an Issuer would be required to pay additional amounts in respect of any Notes due to any withholding as provided in Condition 7 of the Terms and Conditions of the Notes, such Issuer may redeem all of the Notes then outstanding in accordance with the Terms and Conditions of the Notes.

The Final Terms for a particular issue of Notes may provide for early redemption at the option of the relevant Issuer. Such right of termination is often provided for Notes issued in periods of high interest rates. If the market interest rates decrease, the risk to holders that the relevant Issuer will exercise its right of termination increases. As a consequence, the yields received upon redemption may be lower than expected, and the redeemed face amount of the Notes may be lower than the purchase price for the Notes paid by the holder. As a result, the holder may not receive the total amount of the capital invested. In

addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes.

### **Exchange rate risks and exchange controls**

The relevant Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

### **Notes issued at a substantial discount or premium may experience price volatility in response to changes in market interest rates**

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

### **The Group may incur substantially more debt in the future**

The Group may incur substantial additional indebtedness in the future, including in connection with future acquisitions, some of which may be secured by some or all of its assets. The terms of the Notes will not limit the amount of indebtedness the Group may incur. Any such incurrence of additional indebtedness could exacerbate the related risks that the Group faces.

### **Trading in the Clearing Systems**

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination of €100,000 plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts in excess of such minimum Specified Denomination that are not integral multiples of such minimum Specified Denomination. In such a case, a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations. If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

### **Risks related to the structure of a particular issue of Floating Rate Notes**

Reference Rates and indices, including interest rate benchmarks, such as EURIBOR (as defined in Condition 4(b)(ii)), which are used to determine the amounts payable under financial instruments or the value of such financial instruments ("Benchmarks"), have, in recent years, been the subject of political and regulatory scrutiny as to how they are created and operated. This has resulted in regulatory reform and changes to existing Benchmarks, with further changes anticipated.

Any changes to the administration of, or the methodology used to obtain EURIBOR or the emergence of alternatives to EURIBOR as a result of these reforms, may cause EURIBOR to perform differently than in the past or to be discontinued, or there could be other consequences which cannot be predicted. The potential discontinuation of EURIBOR or changes to its administration could require changes to the way in which the Rate of Interest is calculated in respect of any Notes referencing or linked to EURIBOR. The development of alternatives to EURIBOR may result in Notes linked to or referencing EURIBOR performing differently than would otherwise have been the case if such alternatives to EURIBOR had not developed. Any such consequence could have a material adverse effect on the value of, and return on, any Notes referencing or linked EURIBOR.

The Terms and Conditions of the Notes provide for certain fallback arrangements in the event that a published benchmark, such as EURIBOR, (including any page on which such benchmark may be published (or any successor service)) becomes unavailable, including the possibility that the Rate of Interest could be set by reference to offered quotations from banks communicated to the Agent, a successor rate or an alternative reference rate and that (subject to the Terms and Conditions) such successor rate or alternative reference rate will be adjusted (all as determined by the Issuer following consultation with an Independent Adviser). In certain circumstances, the ultimate fallback of interest for a particular Interest Period may result in the Rate of Interest for the last preceding Interest Period being used. This may result in the effective application of a fixed rate for Floating Rate Notes based on the rate which was last observed on the Relevant Screen Page. In addition, due to the uncertainty concerning the availability of successor rates and alternative reference rates and the involvement of an Independent Adviser, the relevant fallback provisions may not operate as intended at the relevant time. Further, if a successor rate or an alternative reference rate is determined by the Issuer, the Terms and Conditions provide that the Issuer may vary the Terms and Conditions and/or the Trust Deed as necessary to ensure the proper operation of such rate, without the consent or approval of the Noteholders.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the UK Benchmarks Regulation and/or Regulation (EU) 2016/1011 (as applicable) reforms, investigations and licensing issues in making any investment decisions with respect to Notes linked to a "benchmark".

#### **Credit ratings may not reflect all risks**

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

## BAT AND THE GROUP

### History and development

BAT was incorporated on 23 July 1997 under the laws of England and Wales with registration number 03407696 as a public limited company. BAT was registered as an external company in the Republic of South Africa on 13 October 2008 with the registration number 2008/023963/10 and its representative office in South Africa is located at Waterway House South, No 3 Dock Road, V&A Waterfront, Cape Town 8000, South Africa (P.O. Box 631, Cape Town 8000, South Africa). BAT is domiciled in the United Kingdom. BAT is the parent holding company for the Group. The website of BAT is <https://www.bat.com/>. No information on such website forms part of this Base Prospectus except as specifically incorporated by reference, see “Documents Incorporated by Reference”.

The financial information set out in the section below headed “British American Tobacco” has been extracted without material adjustment from the annual report and consolidated financial statements of BAT for the financial year ended 31 December 2021 prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”), UK-adopted international accounting standards and with those parts of the Companies Act 2006 applicable to companies reporting under IFRS. UK-adopted international accounting standards differ in certain respects from IFRS as issued by the IASB. The differences have no impact on the Group’s consolidated financial statements for the periods presented.

### British American Tobacco

BAT is a leading, multi-category consumer goods company that provides tobacco and nicotine products to millions of consumers around the world. Spread across six continents, the business is divided into four regions: the United States of America; Americas and Sub Saharan Africa; Europe and North Africa; and Asia-Pacific and Middle East. Effective 1 January 2018, the Group, excluding the Group’s associated undertakings, was organised into four regions, being the United States (US – RAI), Asia-Pacific and the Middle East (“APME”), Americas and Sub-Saharan Africa (AmSSA) and Europe and North Africa (ENA). The Group has a devolved structure, with each local company having responsibility for its operations.

BAT’s heritage – and the foundation of its success – is in cigarettes.

However, BAT recognises the world is changing. BAT now has a clear purpose to build “A Better Tomorrow”™ by reducing the health impact of its business.

This entails:

- Committing to providing adult consumers with a wide range of enjoyable and less risky products;
- Continuing to be clear that combustible cigarettes pose serious health risks, and the only way to avoid these risks is not to start or to quit;
- Encouraging those who otherwise continue to smoke, to switch completely to scientifically-substantiated, reduced-risk alternatives;
- Tracking and sharing progress of BAT’s transformation.

As such, alongside BAT’s traditional cigarette products, BAT’s broad portfolio of non-combustible products includes potentially reduced-risk alternatives such as vapour products, THP and modern oral nicotine pouches, as well as traditional oral products such as snus and moist snuff.

The Group's strategic portfolio of brands comprises the Group's strategic combustible brands being Kent, Dunhill, Lucky Strike, Pall Mall, Rothmans, Camel, Newport and Natural American Spirit. The strategic portfolio also includes New Category global brands: Velo (modern oral); Vuse (vapour), and glo (THP).

BAT's ambition is to continue expanding its portfolio with a wider range of enjoyable and less risky products that allow BAT to capture the consumer moments previously associated with tobacco use, reduce harm and satisfy evolving consumer desires.

BAT's ambition is to have 50 million consumers of its non-combustible products by 2030 and to accelerate the growth of its New Category revenues at a faster rate than its total revenue, reaching £5 billion in 2025.

BAT is accelerating its transformation journey to create A Better Tomorrow™ for all its stakeholders.

Adjusted profit from operations for 2021 increased to £11,952 million, compared with £11,365 million in 2020 at constant rates of exchange. The Group profit for the year 2021 was £6,974 million, compared with £6,564 million in 2020 at current rates of exchange.

### **Restructuring and integration costs**

Restructuring costs reflect the costs incurred as a result of initiatives to improve the effectiveness and the efficiency of the Group as a globally integrated enterprise. These costs represent additional expenses incurred that are not related to the normal business and day-to-day activities. These initiatives include the costs associated with Quantum, being a review of the Group's organisational structure announced in 2019 to simplify the business and create a more efficient, agile and focused company. In 2020, these also included a review of the Group's manufacturing operations. It is expected that such restructuring programmes (related to Quantum) will be substantially complete by the end of 2022.

The adjusting charge in 2021 relates to the cost of employee packages in respect of Quantum and the ongoing costs associated with initiatives to improve the effectiveness and efficiency of the Group as a globally integrated organisation.

In addition, Quantum initiatives in certain countries have resulted in the move to above market business models utilising local distributors as importers. As a consequence, with the cessation of a physical presence in these markets, foreign exchange previously recognised in other comprehensive income for these countries has been reclassified to the income statement and reported within other operating expenses.

Included under the Quantum initiatives is a charge of £27 million, including £4 million for foreign exchange reclassified from equity, related to the Group's withdrawal from Myanmar. In addition, goodwill in relation to Myanmar was impaired and charged to the income statement. These costs were recognised in 2021 as an adjusting item. The depreciation, amortisation and impairment costs in 2021 include a credit of £25 million due to a partial reversal of previously estimated impairment following the revision of factory rationalisation initiatives.

Included within other operating expenses in 2021 is a credit of £59 million representing the release of an accrual on the successful conclusion of the dispute with former shareholders of RAI.

The adjusting charges in 2020 relate to the ongoing restructuring costs associated with the implementation of revisions to the Group's operating model, mainly in relation to Quantum, including the cost of packages in respect of permanent headcount reduction and permanent employee benefit reductions in the Group. The costs also cover the downsizing and factory rationalisation activities in the Netherlands, Hungary, Russia and APME.

Also, in 2020, as a consequence of a reduction in volumes due to the significant increase in excise in Indonesia, the Group announced a restructuring programme which included the partial closure of the

factory operations in Indonesia. As a result of this decision, a £69 million impairment was recognised in respect of machinery. This impairment charge related to some of the machinery in use as well as machinery held for future use which, following the significant changes in consumer preferences, is not expected to be brought in to manufacturing in the future.

#### **Amortisation and impairment of trademarks and similar intangibles**

Acquisitions in previous years have resulted in the capitalisation of trademarks and similar intangibles, including those which are amortised over their expected useful lives, which do not exceed 20 years. The amortisation and impairment of these acquired trademarks and similar intangibles are charged to the income statement as adjusting. In 2021, the amortisation and impairment of these acquired trademarks and similar intangibles is £306 million (2020: £339 million).

#### **Impairment of goodwill**

During 2021, the Group impaired £3 million of goodwill held in Myanmar as a result of the decision to cease activities in the market. The Group also recognised a goodwill impairment charge of £54 million in 2021 due to continued difficult trading conditions in Peru as a consequence of the COVID-19 pandemic.

During 2020, the Group impaired the goodwill arising from Malaysia amounting to £197 million, goodwill arising from the acquisition of Twisp Proprietary Limited, of £11 million and goodwill arising from the acquisition of Blue Nile Cigarette Company Limited of £1 million.

#### **Employee benefit costs**

On 7 October 2021, a partial buy-out was concluded in the US with approximately US\$1.9 billion (£1.4 billion) of plan liabilities being removed from the balance sheet, resulting in a settlement gain of £35 million, which is reported in the income statement, and recognised as an adjusting item.

#### **Litigation costs**

Litigation costs included within other operating expenses, and reported as an adjusting item, were £54 million (2020: £87 million) predominantly related to other litigation costs including Engle progeny.

In 2020, also included as an adjusting item was a charge of £400 million incurred largely in respect of charges following the development in cases regarding payment obligations under the state settlement agreements with Florida, Texas, Minnesota and Mississippi for brands previously sold to a third party. The Group recognised a charge of £188 million in the period for a final judgment of a case in the Florida court. The Group continues to pursue indemnification remedies in a Delaware court for payments made to Florida as a result of this judgment. During 2020, the Group also recognised a provision of £212 million related to the settlement discussions with other manufacturers and the States of Texas, Minnesota and Mississippi for payment obligations related to these brands in prior years. During 2021, an additional £12 million expense was recognised in relation to the final resolution of the Texas and Minnesota claims.

#### **Loss on disposal of BAT Pars**

On 6 August 2021, the Group disposed of its Iranian subsidiary, B.A.T. Pars Company PJSC ("BAT Pars"). Included within other operating expenses, and recognised as an adjusting item, is a charge of £358 million comprising £272 million of foreign exchange reclassified from other comprehensive income and an impairment charge and associated costs of £88 million. In addition, a credit of £2 million was recognised in relation to a partial unwind of discounting on the deferred proceeds.

## **Tax disputes in Turkey, South Korea and Russia**

### *Turkey*

British American Tobacco Tutun Mamulleri Sanayi ve Ticaret Anonim Sirketi (“BAT Tutun”) was subject to a series of tax audits mainly on inventory movements for the years 2015, 2016 and 2019. In August 2021, BAT Tutun applied under the relevant tax amnesty law to settle its retrospective tax assessments. Based on the settlement through the tax amnesty procedure, BAT Tutun agreed to pay £47 million in 18 instalments from 1 November 2021 until 31 July 2024. Of the £47 million, £30 million of excise and penalties were recognised and charged to operating profit, £11 million as interest in net finance costs and £6 million in taxation.

### *South Korea*

On 16 September 2021, Rothmans Far East B.V. Korea Branch Office received £4 million in relation to a VAT case. In line with the treatment of the associated expense incurred in 2016, the cash received was recognised as an adjusting item in other operating expenses.

### *Russia*

In August 2019, the Russian tax authority issued a final audit report to JSC British American Tobacco-SPb (“BAT SpB”) related to the application of legislation introduced in 2017 that prospectively limited the amount of production that could take place prior to excise tax increases, without being subject to higher excise tax rates. The final audit report sought to retrospectively apply the legislation to the years 2015 to 2017. BAT SpB submitted an appeal to the Federal Tax Services (“FTS”) objecting to the findings. The FTS accepted some of BAT SpB’s arguments and, on 27 January 2020, a final claim was issued by the FTS. As a consequence, the Group recognised a charge of £202 million. The Group also recognised an interest charge of £50 million.

In 2020, a credit of £40 million was recognised in relation to the 2019 charge discussed above, of which £14 million was offset in the adjusting items included in taxation.

## **Contingent liabilities and financial commitments**

The Group is subject to contingencies pursuant to requirements that it complies with relevant laws, regulations and standards.

Failure to comply could result in restrictions in operations, damages, fines, increased tax, increased cost of compliance, interest charges, reputational damage or other sanctions. These matters are inherently difficult to quantify. In cases where the Group has an obligation as a result of a past event existing at the balance sheet date, if it is probable that an outflow of economic resources will be required to settle the obligation and if the amount of the obligation can be reliably estimated, a provision will be recognised based on best estimates and management judgement.

There are, however, contingent liabilities in respect of litigation, taxes in some countries and guarantees for which no provisions have been made.

### **General Litigation Overview**

There are a number of legal and regulatory actions, proceedings and claims against Group companies related to tobacco and New Category products that are pending in a number of jurisdictions. These proceedings include, among other things, claims for personal injury (both individual claims and class actions) and claims for economic loss arising from the treatment of smoking- and health-related diseases (such as medical recoupment claims brought by local governments).

The plaintiffs in these cases seek recovery on a variety of legal theories, including negligence, strict liability in tort, design defect, failure to warn, fraud, misrepresentation, violations of unfair and deceptive trade

practices statutes, conspiracy, public nuisance, medical monitoring and violations of competition and antitrust laws. The plaintiffs seek various forms of relief, including compensatory and, where available, punitive damages, treble or multiple damages and statutory damages and penalties, creation of medical monitoring and smoking cessation funds, disgorgement of profits, attorneys' fees, and injunctive and other equitable relief.

Although alleged damages often are not determinable from a complaint, and the law governing the pleading and calculation of damages varies from jurisdiction to jurisdiction, compensatory and punitive damages have been specifically pleaded in a number of cases, sometimes in amounts ranging into the hundreds of millions and even hundreds of billions of sterling.

With the exception of the *Engle* progeny cases described below, the Group continues to win the majority of tobacco-related litigation claims that reach trial, and a very high percentage of the tobacco-related litigation claims brought against them, including *Engle* progeny cases, continue to be dismissed at or before trial. Based on their experience in tobacco-related litigation and the strength of the defences available to them in such litigation, the Group's companies believe that their successful defence of tobacco-related litigation in the past will continue in the future.

Group companies generally do not settle claims. However, Group companies may enter into settlement discussions in some cases, if they believe it is in their best interests to do so. Exceptions to this general approach include, but are not limited to, actions taken pursuant to 'offer of judgment' statutes and Filter Cases, as defined below. An 'offer of judgment', if rejected by the plaintiff, preserves the Group's right to recover attorneys' fees under certain statutes in the event of a verdict favourable to the Group. Such offers are sometimes made through court-ordered mediations. Other settlements by Group companies include the State Settlement Agreements (as defined below), the funding by various tobacco companies of a US\$5.2 billion (approximately £3.8 billion) trust fund contemplated by the Master Settlement Agreement ("MSA") to benefit tobacco growers, the original *Broin* flight attendant case, and most of the *Engle* progeny cases pending in US federal court, after the initial docket of over 4,000 such cases was reduced to approximately 400 cases. The Group believes that the circumstances surrounding these claims are readily distinguishable from the current categories of tobacco-related litigation claims involving Group companies.

Although the Group intends to defend all pending cases vigorously, and believes that the Group's companies have valid bases for appeals of adverse verdicts and valid defences to all actions, and that an outflow of resources related to any individual case is not considered probable, litigation is subject to many uncertainties, and, generally, it is not possible to predict the outcome of any particular litigation pending against Group companies, or to reasonably estimate the amount or range of any possible loss. Furthermore, a number of political, legislative, regulatory and other developments relating to the tobacco industry and cigarette smoking have received wide media attention. These developments may negatively affect the outcomes of tobacco-related legal actions and encourage the commencement of additional similar litigation. Therefore, the Group does not provide estimates of the financial effect of the contingent liabilities represented by such litigation, as such estimates are not practicable.

The following table lists the categories of the tobacco-related actions pending against Group companies as of 31 December 2021 and the increase or decrease from the number of cases pending against Group companies as of 31 December 2020. Details of the quantum of past judgments awarded against Group companies, the majority of which are under appeal, are also identified along with any settlements reached during the relevant period. Given the volume and more active nature of the *Engle* progeny cases and the Filter Cases in the US described below, and the fluctuation in the number of such cases and amounts awarded from year to year, the Group presents judgment or settlement figures for these cases on a three-year basis. Where no quantum is identified, either no judgment has been awarded against a Group company, or where a verdict has been reached no quantification of damages has been given, or no settlement has been entered into. Further details on the judgments, damages quantification and settlements are included within the case narratives below.

Case Type	Case Numbers as at 31 December 2021	Case Numbers as at 31 December 2020 (Note 1)	Change in Number Increase/(Decrease)
US tobacco-related actions			
Medical reimbursement cases (Note 2)	2	2	No change
Class actions (Note 3)	20	20	No change

Class actions (Note 9)	12	12	No change
Individual smoking and health cases (Note 10)	52	68	(16)

(Note 1) This includes cases to which the RAI group companies were a party at such date.

(Note 2) This category of cases includes the Department of Justice action (see below).

(Note 3) See below.

(Note 4) This category of cases includes smoking and health cases alleging personal injuries caused by tobacco use or exposure brought by or on behalf of individual plaintiffs based on theories of negligence, strict liability, breach of express or implied warranty and violations of state deceptive trade practices or consumer protection statutes. The plaintiffs seek to recover compensatory damages, attorneys' fees and costs and punitive damages. Out of the 222 active individual smoking and health cases, six judgments have been returned in the plaintiffs' favour, awarding damages totalling approximately US\$150.1 million (approximately £110.8 million), which are pending post-trial in trial courts or on appeal. For a further description of these cases, see below.

(Note 5) In July 1998, trial began in *Engle v. R.J. Reynolds Tobacco Co.*, a then-certified class action filed in Circuit Court, Miami-Dade County, Florida, against US cigarette manufacturers, including R. J. Reynolds Tobacco Co. ("RJRT") (individually, and as successor by merger to Lorillard Tobacco Company ("Lorillard Tobacco") and Brown & Williamson Holdings, Inc. (formerly Brown & Williamson Tobacco Corporation) ("B&W")). In July 2000, the jury in Phase II awarded the class a total of approximately US\$145 billion (approximately £107.1 billion) in punitive damages, apportioned US\$36.3 billion (approximately £26.8 billion) to RJRT, US\$17.6 billion (approximately £13 billion) to B&W, and US\$16.3 billion (approximately £12 billion) to Lorillard Tobacco. This decision was appealed and ultimately resulted in the Florida Supreme Court in December 2006 decertifying the class and allowing judgments entered for only two of the three *Engle* class representatives to stand and setting aside the punitive damages award. Putative *Engle* class

members were permitted to file individual lawsuits, deemed 'Engle progeny cases', against the *Engle* defendants, within one year of the Supreme Court's decision (subsequently extended to 11 January 2008). Between the period 1 January 2019 and 31 December 2021, 21 judgments have been returned in the plaintiffs' favour, awarding damages totalling approximately US\$225 million (approximately £166.1 million). Certain of these judgments have been appealed by RJRT and in certain other cases, RJRT still had time to appeal, as of 31 December 2021. For a further description of the *Engle* progeny cases, see below.

(Note 6) *Broin v. Philip Morris, Inc.* was a class action filed in Circuit Court in Miami-Dade County, Florida in 1991 and brought on behalf of flight attendants alleged to have suffered from diseases or ailments caused by exposure to Environmental Tobacco Smoke ("ETS") in airplane cabins. Group companies and other cigarette manufacturer defendants settled *Broin*, agreeing to pay a total of US\$300 million (approximately £221.5 million) to fund research on the detection and cure of tobacco-related diseases and US\$49 million (approximately £36.2 million) in plaintiffs' counsel's fees and expenses. Group companies' share of these payments totalled US\$174 million (approximately £128.5 million). *Broin II* cases refer to individual cases by class members. There have been no *Broin II* trials since 2007. For a further description of the *Broin II* cases, see below.

(Note 7) Includes claims brought against Lorillard Tobacco and Lorillard Inc. ("Lorillard") by individuals who seek damages resulting from their alleged exposure to asbestos fibres that were incorporated into filter material used in one brand of cigarettes manufactured by a predecessor to Lorillard Tobacco for a limited period of time ending more than 50 years ago. Since 1 January 2019, Lorillard Tobacco and RJRT have paid, or have reached agreement to pay, a total of approximately US\$25.9 million (approximately £19.1 million) in settlements to resolve 102 Filter Cases (see below).

(Note 8) Group companies' expenses and payments under the State Settlement Agreements for 2021 amounted to approximately US\$3.4 billion (approximately £2.5 billion) in respect of settlement expenses and US\$3.7 billion (approximately £2.7 billion) in respect of settlement cash payments (see below). The pending cases referred to above relate to the enforcement, validity or interpretation of the State Settlement Agreements in which RJRT, B&W or Lorillard Tobacco is a party (see below).

(Note 9) Outside the United States, there are 12 class actions being brought against Group companies as of 31 December 2021. These include class actions in the following jurisdictions: Canada (11) and Venezuela (1). For a description of the Group companies' class actions, see below. Pursuant to the judgment in 2015 in the two Quebec Class Actions (as defined below), the plaintiffs were awarded damages and interest in the amount of CAD\$15.6 billion, most of which were on a joint and several basis (approximately £9.1 billion), of which the Group companies' share was CAD\$10.4 billion (approximately £6.1 billion). On 1 March 2019, the Quebec Court of Appeal handed down a judgment which largely upheld and endorsed the lower court's previous decision in the Quebec Class Actions, as further described below. The share of the judgment for Imperial Tobacco Canada Limited ("Imperial"), the Group's operating company in Canada, was reduced to approximately CAD\$9.2 billion (approximately £5.4 billion). For a further description of the Quebec Class Actions, see below. All of the class actions in Canada are currently stayed pursuant to a court order (see below).

(Note 10) As at 31 December 2021, the jurisdictions with the most active individual cases against Group companies were, in descending order: Brazil (23), Italy (11), Canada (5), Argentina (5), Chile (4) and Ireland (2). There were a further two jurisdictions with one active case only. Out of these 52 cases, one case in Argentina (*Baldassare*) returned a first instance judgment on 28 December 2020, in the amount of ARS 685,976 (approximately £5,000) in compensatory damages and ARS 2,500,000 (approximately £18,000) in punitive damages (plus interest), in the plaintiffs' favour as of 31 December 2021. BAT Argentina filed a notice of appeal of the judgment on 3 February 2021.

Certain terms and phrases used in this section may require some explanation.

- (i) “Judgment” or “final judgment” refers to the final decision of the court resolving the dispute and determining the rights and obligations of the parties. At the trial court level, for example, a final judgment generally is entered by the court after a jury verdict and after post-verdict motions have been decided. In most cases, the losing party can appeal a verdict only after a final judgment has been entered by the trial court.
- (ii) “Damages” refers to the amount of money sought by a plaintiff in a complaint, or awarded to a party by a jury or, in some cases, by a judge. “Compensatory damages” are awarded to compensate the prevailing party for actual losses suffered, if liability is proved. In cases in which there is a finding that a defendant has acted wilfully, maliciously or fraudulently, generally based on a higher burden of proof than is required for a finding of liability for compensatory damages, a plaintiff also may be awarded “punitive damages”. Although damages may be awarded at the trial court stage, a losing party may be protected from paying any damages until all appellate avenues have been exhausted by posting a supersedeas bond. The amount of such a bond is governed by the law of the relevant jurisdiction and generally is set at the amount of damages plus some measure of statutory interest, modified at the discretion of the appropriate court or subject to limits set by a court or statute.
- (iii) “Settlement” refers to certain types of cases in which cigarette manufacturers, including RJRT, B&W and Lorillard Tobacco, have agreed to resolve disputes with certain plaintiffs without resolving the cases through trial.
- (iv) All sums set out in this section have been converted to GBP and US\$ using the following end closing rates as at 31 December 2021: GBP 1 to US\$ 1.3545, GBP 1 to CAD\$ 1.7109, GBP 1 to EURO 1.1910, GBP 1 to BRL 7.5443, GBP 1 to AOA 763.1513, GBP 1 to NGN 711.7127, GBP 1 to KRW 1610.1000, GBP 1 to HRK 8.9537, GBP 1 to JPY 155.9717, GBP 1 to QAR 4.9316, GBP 1 to SAR 5.0852 and GBP 1 to ARS 139.0908.

### **US Tobacco Litigation**

Group companies, notably RJRT (individually and as successor by merger to Lorillard Tobacco) and B&W as well as other leading cigarette manufacturers, are defendants in a number of product liability cases. In a number of these cases, the amounts of compensatory and punitive damages sought are significant.

The total number of US tobacco product liability cases pending at 31 December 2021 involving RJRT, B&W and/or Lorillard Tobacco was approximately 2,573. As at 31 December 2021, British American Tobacco (Investments) Limited (“Investments”) has been served as a co-defendant in one of those cases (2018:1). No other UK-based Group company has been served as a co-defendant in any US tobacco product liability case pending as at 31 December 2021.

Since many of these pending cases seek unspecified damages, it is not possible to quantify the total amounts being claimed, but the aggregate amounts involved in such litigation are significant, possibly totalling billions of US dollars. The cases fall into four broad categories: medical reimbursement cases; class actions; individual cases; and other claims.

RJRT (individually and as successor by merger to Lorillard Tobacco), American Snuff Company, LLC (“American Snuff Co”), Santa Fe Natural Tobacco Company, Inc. (“SFNTC”), R. J. Reynolds Vapor Company (“RJR Vapor”), RAI, Lorillard, other RAI affiliates and indemnitees, including but not limited to B&W (collectively, the “Reynolds Defendants”), believe that they have valid defences to the tobacco-related litigation claims against them, as well as valid bases for appeal of adverse verdicts against them. The Reynolds Defendants have, through their counsel, filed pleadings and memoranda in pending tobacco-related litigation that set forth and discuss a number of grounds and defences that they and their counsel believe have a valid basis in law and fact.

*Scheduled trials.* Trial schedules are subject to change, and many cases are dismissed before trial. In the US, there are 57 cases, exclusive of *Engle* progeny cases, scheduled for trial as of 31 December 2021 through 31 December 2022, for the Reynolds Defendants: 39 individual smoking and health cases, 15 Filter Cases, and three non-smoking and health cases. There are also approximately 151 *Engle* progeny cases against RJRT (individually and as successor to Lorillard Tobacco) and B&W scheduled for trial through 31 December 2022. It is not known how many of these cases will actually be tried.

*Trial results.* From 1 January 2019 through 31 December 2021, 53 trials occurred in individual smoking and health, *Engle* progeny, and Filter Cases in which the Reynolds Defendants were defendants, including five where mistrials were declared. Verdicts in favour of the Reynolds Defendants and, in some cases, other defendants, were returned in 15 cases, tried in Florida (11), Oregon (1), and Massachusetts (3). Verdicts in favour of the plaintiffs were returned in 24 cases, which were tried in Florida (21), Massachusetts (2) and New Mexico (1). Six of the cases (four in Florida, one in New York, and one in Connecticut) were dismissed during trial. Two cases were punitive damages retrials. One case in Massachusetts is awaiting a decision.

(a) *Medical Reimbursement Cases*

These civil actions seek to recover amounts spent by government entities and other third-party providers on healthcare and welfare costs claimed to result from illnesses associated with smoking.

At 31 December 2021, one US medical reimbursement suit (*Crow Creek Sioux Tribe v. American Tobacco Co.*) was pending against RJRT, B&W and Lorillard Tobacco in a Native American tribal court in South Dakota. The plaintiffs seek to recover actual and punitive damages, restitution, funding of a clinical cessation programme, funding of a corrective public education programme, and disgorgement of unjust profits from sales to minors. No other medical reimbursement suits are pending against these companies by county or other political subdivisions of the states.

### **US Department of Justice Action**

On 22 September 1999, the US Department of Justice brought an action in the US District Court for the District of Columbia against various industry members, including RJRT, B&W, Lorillard Tobacco, B.A.T Industries p.l.c. (“Industries”) and Investments (*United States v. Philip Morris USA Inc.*). The US Department of Justice initially sought (1) recovery of federal funds expended in providing health care to smokers who developed alleged smoking-related diseases pursuant to the Medical Care Recovery Act and Medicare Secondary Payer provisions of the Social Security Act and (2) equitable relief under the civil provisions of the Racketeer Influenced and Corrupt Organizations Act (“RICO”), including disgorgement of roughly US\$280 billion (approximately £206.7 billion) in profits the government contended were earned as a consequence of a purported racketeering ‘enterprise’ along with certain “corrective communications”. In September 2000, the district court dismissed the government’s Medical Care Recovery Act and Medicare Secondary Payer claims. In February 2005, the US Court of Appeals for the DC Circuit (the DC Circuit) ruled that disgorgement was not an available remedy.

Industries was dismissed for lack of personal jurisdiction on 28 September 2000. In addition, Investments was a defendant at the trial, but intervening changes in controlling law post-trial led to a 28 March 2011 court ruling that the court’s Final Judgment and Remedial Order no longer applied to Investments prospectively, and for this reason, Investments would not have to comply with any of the remaining injunctive remedies being sought by the government. As the government did not appeal the 28 March 2011 ruling, this means that Investments is no longer in the case and is not subject to any injunctive relief that the court is expected to order against the remaining defendants. As the case continued as against RJRT and Lorillard Tobacco with respect to injunctive relief and related matters, the following is noted.

The non-jury trial of the RICO portion of the claim began on 21 September 2004 and ended on 9 June 2005. On 17 August 2006, the federal district court issued its Final Judgment and Remedial Order, which found certain defendants, including RJRT, B&W, Lorillard Tobacco and Investments, had violated RICO,

but did not impose any direct financial penalties. The district court instead enjoined the defendants from committing future racketeering acts, participating in certain trade organisations, making misrepresentations concerning smoking and health and youth marketing, and using certain brand descriptors such as 'low tar', 'light', 'ultra-light', 'mild' and 'natural'. The district court also ordered the defendants to issue 'corrective communications' on five subjects, including smoking and health and addiction, and to comply with further undertakings, including maintaining websites of historical corporate documents and disseminating certain marketing information on a confidential basis to the government. In addition, the district court placed restrictions on the defendants' ability to dispose of certain assets for use in the United States, unless the transferee agrees to abide by the terms of the district court's order, and ordered certain defendants to reimburse the US Department of Justice its taxable costs incurred in connection with the case.

Defendants, including RJRT, B&W, Lorillard Tobacco and Investments, appealed, and the US government cross-appealed to the DC Circuit. On 22 May 2009, the DC Circuit affirmed the federal district court's RICO liability judgment, but vacated the order and remanded for further factual findings and clarification as to whether liability should be imposed against B&W, based on changes in the nature of B&W's business operations (including the extent of B&W's control over tobacco operations). The court also remanded on three other discrete issues relating to the injunctive remedies, including for the district court 'to reformulate' the injunction on the use of low-tar descriptors 'to exempt foreign activities that have no substantial, direct, and foreseeable domestic effects,' and for the district court to evaluate whether corrective communications could be required at point-of-sale displays (which requirement the DC Circuit vacated). On 28 June 2010, the US Supreme Court denied the parties' petitions for further review.

On 22 December 2010, the district court dismissed B&W from the litigation. In November 2012, the trial court entered an order setting forth the text of the corrective statements and directed the parties to engage in discussions with the Special Master to implement them. After various proceedings and appeals, the federal district court in October 2017 ordered RJRT and the other US tobacco company defendants to fund the publishing of compelled public statements in various US media outlets, including in newspapers, on television, on the companies' websites, and in inserts on cigarette packaging. The compelled public statements in newspapers and on television were completed in 2018 and in package inserts were completed in mid-2020. Also, the compelled public statements now appear on RJRT websites. The district court is considering mandating the display of the compelled public statements at retail point of sale; an evidentiary hearing is scheduled to begin on 13 June 2022.

*(b) Class Actions*

At 31 December 2021, RJRT, B&W and Lorillard Tobacco were named as defendants in two separate actions attempting to assert claims on behalf of classes of persons allegedly injured or financially impacted by their smoking, one asserting claims of violation of the Americans With Disabilities Act of 1990, and SFNTC was named in 16 separate cases relating to the use of the words 'natural', '100 per cent. additive-free,' or 'organic' in Natural American Spirit advertising and promotional materials. If the classes are or remain certified, separate trials may be needed to assess individual plaintiffs' damages. Among the pending class actions, 16 specified the amount of the claim in the complaint and alleged that the plaintiffs were seeking in excess of US\$5 million (approximately £3.7 million) and one that alleged that the plaintiffs were seeking less than US\$75,000 (approximately £55,370) per class member plus unspecified punitive damages.

**No Additive/Natural/Organic Claim Cases**

A total of 16 pending putative class actions were filed in nine US federal district courts against SFNTC, a subsidiary of RAI, which cases generally allege, in various combinations, violations of state deceptive and unfair trade practice statutes, and claim state common law fraud, negligent misrepresentation, and unjust enrichment based on the use of descriptors such as 'natural', 'organic' and '100 per cent. additive-free' in the marketing, labelling, advertising, and promotion of SFNTC's Natural American Spirit brand cigarettes. In these actions, the plaintiffs allege that the use of these terms suggests that Natural American Spirit

brand cigarettes are less harmful than other cigarettes and, for that reason, violated state consumer protection statutes or amounted to fraud or a negligent or intentional misrepresentation. The actions seek various categories of recovery, including economic damages, injunctive relief (including medical monitoring and cessation programmes), interest, restitution, disgorgement, treble and punitive damages, and attorneys' fees and costs. In April 2016, in response to a motion by the various plaintiffs, the US Judicial Panel on Multidistrict Litigation ("JPML") consolidated these cases for pre-trial purposes before a federal court in New Mexico. On 21 December 2017, that court granted the defendants' motion to dismiss in part, dismissing a number of claims with prejudice, and denied it in part. The district court conducted a five-day hearing on the motion for class certification and on the motion challenging the admissibility of expert opinion testimony in December 2020. The parties filed post-hearing briefs in January 2021 and filed proposed findings of fact and conclusions of law in February 2021. A decision is pending.

### **Other Putative Class Actions**

*Jones v. American Tobacco Co.* is a putative class action filed in December 1998 in the Circuit Court, Jackson County, Missouri. The action was brought by a plaintiff on behalf of a putative class of Missouri tobacco product users and purchasers against various defendants, including RJRT, B&W and Lorillard Tobacco alleging that the plaintiffs' use of the defendants' tobacco products has caused them to become addicted to nicotine, and seeking an unspecified amount of compensatory and punitive damages. There is currently no activity in this case.

*Young v. American Tobacco Co.* is a case filed in November 1997 in the Circuit Court, Orleans Parish, Louisiana against various US cigarette manufacturers, including RJRT and B&W, and parent companies of such manufacturers. This putative ETS class action was brought on behalf of a putative class of Louisiana residents who, though not themselves cigarette smokers, have been exposed to second-hand smoke from cigarettes manufactured by the defendants, and who allegedly suffered injury as a result of that exposure, and seeks an unspecified amount of compensatory and punitive damages. In March 2016, the court entered an order staying the case, including all discovery, pending the completion of an ongoing smoking cessation programme ordered by the court in a now-concluded Louisiana state court certified class action, *Scott v. American Tobacco Co.*

### **Engle Class Action and Engle Progeny Cases (Florida)**

In July 1998, trial began in *Engle v. R. J. Reynolds Tobacco Co.*, a then-certified class action filed in Circuit Court, Miami-Dade County, Florida, against US cigarette manufacturers, including RJRT, B&W and Lorillard Tobacco. The then-certified class consisted of Florida citizens and residents, and their survivors, who suffered from smoking-related diseases that first manifested between 5 May 1990, and 21 November 1996, and were caused by an addiction to cigarettes. In July 1999, the jury in this Phase I found against RJRT, B&W, Lorillard Tobacco and the other defendants on common issues relating to the defendants' conduct, general causation, the addictiveness of cigarettes, and entitlement to punitive damages.

In July 2000, the jury in Phase II awarded the class a total of approximately US\$145 billion (approximately £107.1 billion) in punitive damages, apportioned US\$36.3 billion (approximately £26.8 billion) to RJRT, US\$17.6 billion (approximately £13 billion) to B&W, and US\$16.3 billion (approximately £12 billion) to Lorillard Tobacco. The three class representatives in the *Engle* class action were awarded US\$13 million (approximately £9.6 million) in compensatory damages.

This decision was appealed and ultimately resulted in the Florida Supreme Court in December 2006 decertifying the class and allowing judgments entered for only two of the three *Engle* class representatives to stand and setting aside the punitive damages award. The court preserved certain of the jury's Phase I findings, including that cigarettes can cause certain diseases, nicotine is addictive, and defendants placed defective cigarettes on the market, breached duties of care, concealed health-related information and conspired. Putative *Engle* class members were permitted to file individual lawsuits, deemed "*Engle*

progeny cases”, against the *Engle* defendants, within one year of the Supreme Court’s decision (subsequently extended to 11 January 2008).

During 2015, RJRT and Lorillard Tobacco, together with Philip Morris USA Inc. (“PM USA”), settled virtually all of the *Engle* progeny cases then pending against them in federal district court. The total amount of the settlement was US\$100 million (approximately £73.8 million) divided as follows: RJRT US\$42.5 million (approximately £31.4 million); PM USA US\$42.5 million (approximately £31.4 million); and Lorillard Tobacco US\$15 million (approximately £11.1 million). The settlement covered more than 400 federal *Engle* progeny cases but did not cover 12 federal progeny cases previously tried to verdict and then pending on post-trial motions or appeal, and two federal progeny cases filed by different lawyers from the ones who negotiated the settlement for the plaintiffs.

As at 31 December 2021, there were approximately 1,071 *Engle* progeny cases pending in which RJRT, B&W and/or Lorillard Tobacco have all been named as defendants and served. These cases include claims by or on behalf of 1,304 plaintiffs. In addition, as of 31 December 2021, RJRT was aware of four additional *Engle* progeny cases that have been filed but not served. The number of pending cases fluctuates for a variety of reasons, including voluntary and involuntary dismissals. Voluntary dismissals include cases in which a plaintiff accepts an ‘offer of judgment’ from RJRT, Lorillard Tobacco and/or RJRT’s affiliates and indemnitees. An offer of judgment, if rejected by the plaintiff, preserves RJRT’s and Lorillard Tobacco’s right to recover attorneys’ fees under Florida law in the event of a verdict favourable to RJRT or Lorillard Tobacco, or affiliates of such entities. Such offers are sometimes made through court-ordered mediations.

41 trials occurred in *Engle* progeny cases in Florida state and federal courts against RJRT, B&W and/or Lorillard Tobacco from 1 January 2019 through 31 December 2021, and additional state court trials are scheduled for 2022.

The following chart identifies the number of trials in *Engle* progeny cases as at 31 December 2021 and additional information about the adverse judgments entered:

Trials/verdicts/judgments of individual *Engle* progeny cases from 1 January 2019 through 31 December 2021:

Total number of trials	41
Number of trials resulting in plaintiffs’ verdicts	21**
Total damages awarded in final judgments against RJRT	US\$224,990,000 (approximately £166 million)
Amount of overall damages comprising ‘compensatory damages’ (approximately)	US\$65,440,000 (of overall US\$224,990,000) (approximately £48 million of £166 million)
Amount of overall damages comprising ‘punitive damages’ (approximately)	US\$159,550,000 (of overall US\$224,990,000) (approximately £118 million of £166 million)

Note 11: the 21 trials include two cases that were tried twice (*Gloger v. R.J. Reynolds Tobacco Co. and Bessent-Dixon v. R.J. Reynolds Tobacco Co.*) and one case (*Robert Miller v. R.J. Reynolds Tobacco Co.*) where plaintiff moved for a mistrial following a plaintiff's verdict where the jury awarded no compensatory or punitive damages, and an adverse judgment has not yet been entered. Plaintiff's motion for new trial on compensatory damages was granted and RJRT appealed.

Note 12: of the 13 adverse verdicts appealed by RJRT as a result of judgments arising in the period 1 January 2019 to 31 December 2021:

- (i) five appeals remain undecided in the District Courts of Appeal; and
- (ii) eight appeals were decided and/or closed in the District Court of Appeals. Of these eight appeals, four were affirmed in favour of plaintiff (review of by the Florida Supreme Court has been sought in three of the four cases), three were reversed for a new trial, and one was voluntarily dismissed and judgment paid.

Note 13: of the 15 adverse judgments appealed by RJRT (during the period 1 January 2019 to 31 December 2021):

- (i) five appeals remain undecided in the District Courts of Appeal;
- (ii) nine appeals were decided and/or closed in the District Courts of Appeal, and one appeal was reversed by the Eleventh Circuit. Of these appeals, five were affirmed in favour of plaintiff, three in which review of Florida Supreme Court was sought, one was voluntarily dismissed and judgment paid, one in which the Eleventh Circuit reversed the district court's denial of Defendants' motion for judgment in accordance with the verdict, and three were reversed for a new trial; and
- (iii) does not include four cases that were appealed prior to the relevant time period but which remain pending before the Florida Supreme Court.

By statute, Florida applies a US\$200 million (approximately £147.7 million) bond cap to all *Engle* progeny cases in the aggregate. Individual bond caps for any given *Engle* progeny case vary depending on the number of judgments in effect at a given time. Judicial attempts by several plaintiffs in the *Engle* progeny cases to challenge the bond cap as violating the Florida Constitution have failed. In addition, bills have been introduced in sessions of the Florida legislature that would eliminate the *Engle* progeny bond cap, but those bills have not been enacted as of 31 December 2021.

In 2021, RJRT or Lorillard Tobacco paid judgments in five *Engle* progeny cases. Those payments totalled US\$15.14 million (approximately £11.2 million) in compensatory or punitive damages. Additional costs were paid in respect of attorneys' fees and statutory interest.

In addition, accruals for damages and attorneys' fees and statutory interest for two cases (*Starr-Blundell v. R. J. Reynolds Tobacco Co. and Hardin v. R. J. Reynolds Tobacco Co.*) was recorded in RAI's consolidated balance sheet as of 31 December 2021 to the value of US\$208,400 (approximately £153,860).

(c) *Individual Cases*

As of 31 December 2021, 222 individual cases were pending in the United States against RJRT, B&W and/or Lorillard Tobacco. This category of cases includes smoking and health cases alleging personal injuries caused by tobacco use or exposure brought by or on behalf of individual plaintiffs based on theories of negligence, strict liability, breach of express or implied warranty, and violations of state deceptive trade practices or consumer protection statutes. The plaintiffs seek to recover compensatory damages, attorneys' fees and costs, and punitive damages. The category does not include the *Engle* progeny cases, *Broin II* cases, and Filter Cases discussed above and below. One of the individual cases is brought by or on behalf of an individual or his/her survivors alleging personal injury as a result of exposure to ETS.

The following chart identifies the number of individual cases pending as of 31 December 2021 as against the number pending as of 31 December 2020, along with the number of *Engle* progeny cases, *Broin II* cases, and Filter Cases, which are discussed further below.

<b>Case Type</b>	<b>US Case Numbers 31 December 2021</b>	<b>US Case Numbers 31 December 2020</b>	<b>Change in Number Increase/(Decrease)</b>
Individual Smoking and Health Cases (note 14)	222	189	33
<i>Engle</i> Progeny Cases (Number of Plaintiffs) (note 15)	1,071 (1,304)	1,400 (1,725)	(329) (421)
<i>Broin II</i> Cases (note 16)	1,200	1,227	(27)
Filter Cases (note 17)	46	48	(2)

(Note 14) Out of the 222 pending individual smoking and health cases, six have received adverse verdicts or judgments in the court of first instance or on appeal, and the total amount of those verdicts or judgments is approximately US\$150.1 million (approximately £110.8 million).

(Note 15) The number of *Engle* progeny cases will fluctuate as cases are dismissed or if any of the dismissed cases are appealed. Please see earlier table above.

(Note 16) *Broin v. Philip Morris, Inc.* was a class action filed in Circuit Court in Miami-Dade County, Florida in 1991 and brought on behalf of flight attendants alleged to have suffered from diseases or ailments caused by exposure to ETS in airplane cabins. In October 1997, RJRT, B&W, Lorillard Tobacco and other cigarette manufacturer defendants settled *Broin*, agreeing to pay a total of US\$300 million (approximately £221.5 million) in three annual US\$100 million (approximately £73.8 million) instalments, allocated among the companies by market share, to fund research on the early detection and cure of diseases associated with tobacco smoke. It also required those companies to pay a total of US\$49 million (approximately £36.2 million) for the plaintiffs' counsel's fees and expenses. RJRT's portion of these payments was approximately US\$86 million (approximately £63.5 million); B&W's was approximately US\$57 million (approximately £42.1 million); and Lorillard Tobacco's was approximately US\$31 million (approximately £22.9 million). The settlement agreement, among other things, limits the types of claims class members may bring and eliminates claims for punitive damages. The settlement agreement also provides that, in individual cases by class members that are referred to as *Broin II* lawsuits, the defendants will bear the burden of proof with respect to whether ETS can cause certain specifically enumerated diseases, referred to as "general causation". With respect to all other liability issues, including whether an individual plaintiff's disease was caused by his or her exposure to ETS in airplane cabins, referred to as "specific causation", individual plaintiffs will bear the burden of proof. On 7 September 1999, the Florida Supreme Court approved the settlement. There have been no *Broin II* trials since 2007. There have been periodic efforts to activate cases and the Group expects this to continue over time.

(Note 17) Includes claims brought against Lorillard Tobacco and Lorillard Inc. by individuals who seek damages resulting from their alleged exposure to asbestos fibres that were incorporated into filter material used in one brand of cigarettes manufactured by a predecessor to Lorillard Tobacco for a limited period of time ending more than 50 years ago. Pursuant to the terms of a 1952 agreement between P. Lorillard Company and H&V Specialties Co., Inc. (the manufacturer of the filter material), Lorillard Tobacco is required to indemnify Hollingsworth & Vose for legal fees, expenses, judgments and resolutions in cases and claims alleging injury from finished products sold by P. Lorillard Company that contained the filter material. As of 31 December 2021, Lorillard Tobacco and/or Lorillard Inc. was a defendant in 46 Filter Cases. Since 1 January 2019, Lorillard Tobacco and RJRT have paid, or have reached agreement to pay, a total of approximately US\$25.9 million (approximately £19.1 million) in settlements to resolve 102 Filter Cases.

(d) *State Settlement Agreements*

In November 1998, the major US cigarette manufacturers, including RJRT, B&W and Lorillard Tobacco, entered into the MSA with attorneys general representing 46 US states, the District of Columbia and certain US territories and possessions. These cigarette manufacturers previously settled four other cases, brought on behalf of Mississippi, Florida, Texas and Minnesota, by separate agreements with each state (collectively and with the MSA, the “State Settlement Agreements”).

These State Settlement Agreements settled all health care cost recovery actions brought by, or on behalf of, the settling jurisdictions; released the defending major US cigarette manufacturers from various additional present and potential future claims; imposed future payment obligations in perpetuity on RJRT, B&W, Lorillard Tobacco and other major US cigarette manufacturers; and placed significant restrictions on their ability to market and sell cigarettes and smokeless tobacco products. In accordance with the MSA, various tobacco companies agreed to fund a US\$5.2 billion (approximately £3.8 billion) trust fund to be used to address the possible adverse economic impact of the MSA on tobacco growers.

RJRT and SFNTC are subject to the substantial payment obligations under the State Settlement Agreements. Payments under the State Settlement Agreements are subject to various adjustments for, among other things, the volume of cigarettes sold, relative market share, operating profit and inflation. RAI's operating subsidiaries' expenses and payments under the State Settlement Agreements for 2018, 2019, 2020 and 2021 and the projected expenses and payments for 2022 and onwards are set forth below (in millions of US dollars)\*:

	2018	2019	2020	2021	2022	2023 and thereafter
Settlement expenses.....	\$2,741	\$2,762	\$3,572	\$3,420		
Settlement cash payments.....	\$917	\$2,918	\$2,848	\$3,744		
Projected settlement expenses .....					\$>3,300	\$>3,200
Projected settlement cash payments...					\$>3,100	\$>3,200

\* Subject to adjustments for changes in sales volume, inflation, operating profit and other factors. Payments are allocated among the companies on the basis of relative market share or other methods.

The State Settlement Agreements have materially adversely affected RJRT's shipment volumes. RAI believes that these settlement obligations may materially adversely affect the results of operations, cash flows or financial position of RAI and RJRT in future periods. The degree of the adverse impact will depend, among other things, on the rate of decline in US cigarette sales in the premium and value categories, RJRT's share of the domestic premium and value cigarette categories, and the effect of any resulting cost advantage of manufacturers not subject to the State Settlement Agreements.

In addition, the MSA includes an adjustment that potentially reduces the annual payment obligations of RJRT, Lorillard Tobacco and the other signatories to the MSA, known as “Participating Manufacturers” (“PMs”). Certain requirements, collectively referred to as the “Adjustment Requirements”, must be satisfied before the Non-Participating Manufacturers (“NPM”) Adjustment for a given year is available: (i) an independent auditor must determine that the PMs have experienced a market share loss, beyond a triggering threshold, to those manufacturers that do not participate in the MSA (such non-participating manufacturers being referred to as “NPMs”); and (ii) in a binding arbitration proceeding, a firm of independent economic consultants must find that the disadvantages of the MSA were a significant factor contributing to the loss of market share. This finding is known as a significant factor determination.

When the Adjustment Requirements are satisfied, the MSA provides that the NPM Adjustment applies to reduce the annual payment obligation of the PMs. However, an individual settling state may avoid its share of the NPM Adjustment if it had in place and diligently enforced during the entirety of the relevant year a ‘Qualifying Statute’ that imposes escrow obligations on NPMs that are comparable to what the NPMs would have owed if they had joined the MSA. In such event, the state’s share of the NPM Adjustment is reallocated to other settling states, if any, that did not have in place and diligently enforce a Qualifying Statute.

RJRT and Lorillard Tobacco are or were involved in NPM Adjustment proceedings concerning the years 2003 to 2019. In 2012, RJRT, Lorillard Tobacco, and SFNTC entered into an agreement (the “Term Sheet”) with certain settling states that resolved accrued and potential NPM adjustments for the years 2003 through 2012 and, as a result, RJRT and SFNTC collectively received, or are to receive, more than US\$1.1 billion (approximately £812.1 million) in credits that, in substantial part, were applied to MSA payments in 2014 through 2017. After an arbitration panel ruled in September 2013 that six states had not diligently enforced their qualifying statutes in the year 2003, additional states joined the Term Sheet. RJRT executed the NPM Adjustment Settlement Agreement on 25 September 2017 (which incorporated the Term Sheet). Since the NPM Adjustment Settlement Agreement was executed, an additional 10 states have joined. NPM proceedings are ongoing and could result in further reductions of the companies’ MSA-related payments.

On 18 January 2017, the State of Florida filed a motion to join Imperial Tobacco Group, PLC (“ITG”) as a defendant and to enforce the Florida State Settlement Agreement, which motion sought payment under the Florida State Settlement Agreement of approximately US\$45 million (approximately £33.2 million) with respect to the four brands (Winston, Salem, Kool and Maverick) that were sold to ITG in the divestiture of certain assets, on 12 June 2015, by subsidiaries or affiliates of RAI and Lorillard, together with the transfer of certain employees and certain liabilities, to a wholly-owned subsidiary of Imperial Brands plc (the “Divestiture”), referred to as the “Acquired Brands”. The motion also claimed future annual losses of approximately US\$30 million per year (approximately £22.1 million) absent the court’s enforcement of the Florida State Settlement Agreement. The State’s motion sought, among other things, an order declaring that RJRT and ITG are in breach of the Florida Settlement Agreement and are required, jointly and severally, to make annual payments to the State under the Florida State Settlement Agreement with respect to the Acquired Brands. In addition, on 18 January 2017, PM USA filed a motion to enforce the Florida State Settlement Agreement, asserting among other things that RJRT and ITG breached that agreement by failing to make settlement payments as to the Acquired Brands, which PM USA asserts has improperly shifted settlement payment obligations to PM USA. On 27 January 2017, RJRT sought leave to file a supplemental pleading for breach by ITG of its obligations regarding joinder into the Florida State Settlement Agreement. The Florida court, on 30 March 2017, ruled that ITG should be joined into the enforcement action.

After a bench trial, on 27 December 2017 the court entered an order holding that RJRT (not ITG) is liable for annual settlement payments for the Acquired Brands, finding that ITG did not assume liability for annual settlement payments under the terms of the asset purchase agreement relating to the Divestiture and RJRT remained liable for payments under the Florida State Settlement Agreement as to the Acquired

Brands. In January 2018, the auditor of the Florida State Settlement Agreement adjusted the final 2017 invoice for the annual payment and amended the 2015 and 2016 invoices for the respective annual payment and the net operating profit penalty for each of those years under the Florida Settlement Agreement, based on the auditor's interpretation of the court's order. The adjusted invoices reflected amounts due to both the State of Florida and PM USA. In total, the estimated additional amounts due were US\$99 million (approximately £73.1 million) with US\$84 million (approximately £62 million) to the State of Florida and US\$16 million (approximately £11.8 million) to PM USA. RJRT advised the auditor that it disputed these amounts, and therefore no further amounts were due or would be paid for those years pending the final resolution of RJRT's appeal of the court's order. On 23 January 2018, RJRT filed a notice of appeal, and on 25 January 2018, RJRT filed an amended notice of appeal, and PM USA filed a notice of appeal as to the court's ruling as to ITG. On 26 January 2018, the State moved for recovery of its attorneys' fees and costs from RJRT. The State and PM USA filed a joint motion for the entry of final judgment on 1 February 2018. The court declined to enter a final judgment until after resolution of the dispute between RJRT and PM USA regarding PM USA's assertion that settlement payment obligations have been improperly shifted to PM USA. On 15 August 2018, the court entered a final judgment in the action (the "Final Judgment"). As a result of the Final Judgment, PM USA's challenge to RJRT's accounting assumptions related to the Acquired Brands was rendered moot, subject to reinstatement if ITG joins the Florida State Settlement Agreement or if judgment is reversed. On 29 August 2018, RJRT filed a notice of appeal on the Final Judgment. On 7 September 2018, PM USA filed a notice of appeal with respect to the court's ruling as to ITG. On 12 September 2018, RJRT filed a motion to consolidate RJRT's appeal with the appeal filed by PM USA, which was granted on 1 October 2018. Appellate briefing was completed on 6 February 2020. Oral argument, originally scheduled for 7 April 2020, was conducted through video conference on 9 June 2020. On 29 July 2020, Florida's Fourth District Court of Appeal affirmed the Final Judgment. On 12 August 2020, RJRT filed a motion for rehearing or for certification to the Florida Supreme Court of the 29 July 2020 decision. On 10 June 2020, RJRT posted an additional bond in the amount of US\$84,102,984.75 (approximately £62.1 million), over the US\$103,694,155.08 (approximately £76.6 million) bond initially posted, to cover additional disputed amounts plus two years of statutory interest. The total amount RJRT bonded for its appeal was US\$187,797,139.83 (approximately £138.6 million). RJRT's motion for rehearing or certification to the Florida Supreme Court was denied on 18 September 2020 and its motion for review was denied by the Florida Supreme Court on 18 December 2020. On 5 October 2020, RJRT satisfied the Final Judgment (approximately US\$192,869,589.86 (approximately £142,400,000)) and paid approximately US\$3.2 million (approximately £2.4 million) of Florida's attorneys' fees. RJRT's appellate bonds were released to RJRT by order dated 5 November 2020. RJRT is seeking indemnification from ITG in the Delaware action, as described below.

On 17 February 2017, ITG filed an action in the Court of Chancery of the State of Delaware seeking declaratory relief against RAI and RJRT. In its complaint, ITG asked the court to declare various matters related to its rights and obligations under the asset purchase agreement (and related documents) relating to the Divestiture with respect to the subject of the Florida enforcement litigation. On 24 March 2017, RAI and RJRT answered the ITG complaint and counterclaimed. Cross-motions for partial judgment on the pleadings were filed focusing on whether ITG's obligation to use 'reasonable best efforts' to join the Florida State Settlement Agreement continued after the 12 June 2015 closing. On 30 November 2017, following argument, the Delaware court ruled in favour of RJRT, holding that ITG's obligation to use its reasonable best efforts to join the Florida Settlement Agreement did not terminate due to the closing of the asset purchase agreement relating to the Divestiture. On 4 January 2019, RJRT filed another motion for partial judgment on the pleadings seeking to resolve two contract-interpretation questions under the asset purchase agreement: first, to the extent RJRT is held liable for any settlement payments based on post-closing sales of the Acquired Brands, ITG assumed this liability, and second, that the asset purchase agreement does not entitle ITG to a unique protection from an equity fee law that does not yet exist in a Previously Settled State. Argument on RJRT's motion for partial judgment was heard on 4 June 2019. On 23 September 2019, the Delaware Chancery Court declined to resolve, at that time, the first issue, whether

ITG had assumed any liability imposed on RJRT for making settlement payments on ITG's brands. The court concluded that both sides had presented reasonable interpretations of the asset purchase agreement, which was therefore ambiguous, so the court would receive any parole evidence that may exist to help interpret the intent of the asset purchase agreement on assumed liabilities. The court granted RJRT's motion on the second issue and ruled that ITG could not refuse to join the Florida State Settlement Agreement unless a joinder exempted it from a future equity-fee statute. On 11 October 2019, ITG filed in the Chancery Court a motion to seek interlocutory appeal in the Delaware Supreme Court on the second issue, which was denied on 31 October 2019. On 31 October 2019, ITG filed a notice of interlocutory appeal directly to the Delaware Supreme Court, which was denied on 7 November 2019. Following the settlement of the Minnesota and Texas enforcement litigation, as described below, claims in the Delaware litigation with respect to those states were voluntarily dismissed by orders entered, respectively, on 7 April 2021 and 2 June 2021. On 20 August 2021, RAI and RJRT amended their counterclaims to account for those settlements, as well as the resolution of the Florida enforcement litigation, described above, which included adding a claim for indemnification for the Final Judgment in Florida. Discovery is ongoing and scheduled to end in early 2022. A hearing on summary judgment motions is scheduled to follow, and trial is scheduled to begin on 8 September 2022.

On 26 March 2018, the State of Minnesota filed a motion against RJRT to enforce the Minnesota State Settlement Agreement, which motion sought payments under the Minnesota State Settlement Agreement of approximately US\$40 million (approximately £29.5 million) with respect to the Acquired Brands. The motion also claimed future annual losses of approximately US\$15 million (approximately £11.1 million) absent the court's enforcement of the Minnesota State Settlement Agreement. The State of Minnesota also filed a separate complaint against ITG, which complaint sought the same payments. The State's motion against RJRT and complaint against ITG sought, among other things, an order declaring that RJRT and ITG were in breach of the Minnesota State Settlement Agreement and were jointly and severally liable to make annual payments to the State of Minnesota under the Minnesota State Settlement Agreement with respect to the Acquired Brands. In addition, on 28 March 2018, PM USA filed a motion to enforce the Minnesota State Settlement Agreement, asserting, among other things, that RJRT and ITG breached the Minnesota State Settlement Agreement by failing to make settlement payments as to the Acquired Brands, which PM USA asserted had improperly shifted settlement payment obligations to PM USA. On 27 March 2018, the Minnesota court consolidated the motions to enforce and separate complaint against ITG into one proceeding captioned *In re Petition of the State of Minnesota for an Order Compelling Payments of Settlement Proceeds Related to ITG Brands LLC*, Court File No. 62-CV-181912. On 11 June 2018, the court held a scheduling conference in the case and by order dated 21 June 2018, set a discovery schedule for the case, under which discovery is complete. A hearing on the motions to enforce to determine if RJRT and/or ITG are liable to make payments on the Acquired Brands was held on 26 June 2019. On 24 September 2019, the Minnesota District Court issued an Order and Memorandum, holding RJRT liable for settlement payments on the Acquired Brands, and determining the issue of whether ITG is a 'successor or assign' of RJRT under the Minnesota State Settlement Agreement is unresolved, reasoning ITG's status depends on whether it satisfied its post-closing obligation to expend its reasonable best efforts to join the Minnesota State Settlement Agreement. On 23 December 2019, ITG filed a motion in the Minnesota District Court seeking certification of an appeal of certain questions arising from the 24 September 2019 order. On 21 January 2020, a hearing was held on ITG's motion seeking certification of an appeal. On 19 February 2020, the Minnesota District Court entered an Order and Memorandum denying ITG's motion for certification. A multi-day hearing to determine whether ITG is liable for settlement payments was completed on 9 September 2020. The parties filed post-hearing briefs on 13 November 2020. A status conference was held on 3 March 2021, during which the parties agreed to notify the Court of the status of settlement discussions by 15 March 2021. On 15 March 2021, the parties resolved all claims and an order of dismissal was entered by the Minnesota district court on 17 March 2021.

On 28 January 2019, the State of Texas filed motions in the original Texas health care reimbursement case, brought against the tobacco industry that led to the Texas State Settlement Agreement, to join ITG

as a defendant and to enforce the Texas State Settlement Agreement against RJRT and ITG, seeking payment under the Texas State Settlement Agreement of approximately US\$125 million (approximately £92.3 million) with respect to the Acquired Brands that were sold to ITG in the Divestiture. The motion also claimed future annual losses of an unspecified amount absent the court's enforcement of the Texas State Settlement Agreement. The State's motion sought, among other things, an order declaring that RJRT, or in the alternative, ITG, is in breach of the Texas Settlement Agreement and is required to make annual payments to the State under the Texas State Settlement Agreement with respect to the Acquired Brands. In addition, on 29 January 2019, PM USA filed a motion to enforce the Texas State Settlement Agreement, asserting among other things that RJRT and ITG breached that agreement by failing to make settlement payments as to the Acquired Brands, which PM USA asserts has improperly shifted settlement payment obligations to PM USA. After completion of discovery, a hearing on the motions to enforce was held on 30 October 2019. On 25 February 2020, the Court entered a Memorandum Opinion and Order holding that RJRT remains liable for settlement payments on the Acquired Brands under the Texas Settlement Agreement. The Court further held that, although ITG is unambiguously an assign within the meaning of the Texas Settlement Agreement, a final determination of the scope of ITG's obligations under the asset purchase agreement is to be determined in the litigation pending before the Delaware Court. Pursuant to the Court's direction, on 9 March 2020 the parties submitted a status report indicating the remaining issues before the Court include RJRT's position that the Court should subtract the equity fee payments made on the Acquired Brands by ITG's distributors from the settlement payments due by RJRT after including the Acquired Brands in calculating damages, whether a final judgment should be entered in favour of ITG, whether a partial final judgment should be entered against RJRT and the State's request for an award of attorneys' fees and costs against RJRT and/or ITG. On 5 May 2020 the Court entered final judgment (later clarified in a 14 August 2020 amended judgment) on the State's motion, ordering RJRT to pay all settlement amounts due on the Acquired Brands under the Texas Settlement Agreement; granting RJRT a full dollar-for-dollar set-off for all equity fee payments made on the Acquired Brands by ITG or its distributors, but holding RJRT liable for any equity fee payments that are lawfully refunded; and ordering the case closed, to be reopened after ITG's liability under the asset purchase agreement is determined by the Delaware Court. ITG's equity fee payments to Texas for the Acquired Brands currently equal approximately 90 per cent. of the annual Texas settlement payments for those brands. Thus, the settlement payments for those Acquired Brands exceed ITG's equity fee payments by approximately US\$3 million (approximately £2.2 million) per year. As such, RJRT would owe approximately US\$3 million (approximately £2.2 million) a year after an equity fee credit. Due to how the profit penalty is allocated, RJRT will pay approximately US\$10 million (approximately £7.4 million) less in 2019 in Texas payments than it would have paid had ITG joined, with that trend continuing in future years. However, because ITG made equity fee payments at a substantially lower rate before 2019, and because of how the profit penalty was calculated before now, RJRT owed approximately US\$260.4 million (before interest) (approximately £192.2 million) in past payments under the judgment through 2020. On 3 and 4 June 2020, respectively, RJRT and ITG filed notices of appeal of the 5 May 2020 judgment. In August 2020, RJRT filed a notice of appeal, and in September 2020, the State and ITG filed notices of appeal from the portion of the judgment denying the motion to remove the equity fee set off. RJRT moved to dismiss ITG's appeal for lack of jurisdiction, which motion was ordered by the Fifth Circuit Court of Appeals to be argued with ITG's appeal. On 2 November 2020 RJRT filed its appellate brief. On 19 January 2021 the parties filed responses. On 21 May 2021, the parties entered into a settlement agreement resolving all claims. On 27 May 2021, the parties filed a stipulation dismissing all claims, and on 28 May 2021, the Fifth Circuit dismissed the parties' appeals.

In June 2015, ITG joined the Mississippi Settlement Agreement. On 26 December 2018, PM USA filed a Motion to Enforce Settlement Agreement against RJRT and ITG alleging RJRT and ITG failed to act in good faith in calculating the base-year net operating profits for the Acquired Brands, claiming damages of approximately US\$6 million (approximately £4.4 million) through 2017. On 21 February 2019, the Chancery Court of Jackson County, Mississippi held a scheduling conference and issued a discovery schedule order.

A hearing on PM USA's Motion to Enforce Settlement Agreement originally scheduled for 3-6 May 2021 was adjourned on consent of the parties to 11-12 August 2021. On 8 June 2021, PM USA and RJRT entered into a settlement agreement resolving the outstanding payment calculation issues. On 11 June 2021, the Mississippi Chancery Court entered an order withdrawing PM USA's motion to enforce. On 3 December 2019, the State of Mississippi filed a Notice of Violation and Motion to Enforce the Settlement Agreement in the Chancery Court of Jackson County, Mississippi against RJRT, PM USA and ITG, seeking a declaration that the base year 1997 net operating profit to be used in calculating the Net Operating Profit Adjustment was not affected by the change in the federal corporate tax rate in 2018 from 35 per cent. to 21 per cent., and an order requiring RJRT to pay the approximately US\$5 million (approximately £3.7 million) difference in its 2018 payment because of this issue. Determination of this issue may affect RJRT's annual payment thereafter. A hearing on Mississippi's Motion to Enforce Settlement Agreement occurred on 6-7 October 2021.

In January 2021, RJRT reached an agreement with several MSA states to waive RJRT's claims under the MSA in connection with a settlement between those MSA states and a non-participating manufacturer, S&M Brands, Inc. ("S&M Brands"), under which the states released certain claims against S&M Brands in exchange for receiving a portion of the funds S&M Brands had deposited into escrow accounts in those states pursuant to the states' escrow statutes. In consideration for waiving claims, RJRT, together with SFNTC, received approximately \$55.4 million from the escrow funds paid to those MSA states under their settlement with S&M Brands.

### **Tobacco-Related Litigation Outside the United States**

As at 31 December 2021:

- (i) medical reimbursement actions are being brought in Angola, Brazil, Canada, Nigeria and South Korea;
  - (ii) class actions are being brought in Canada and Venezuela; and
  - (iii) active tobacco product liability claims against the Group's companies existed in 12 markets outside the US. The only markets with five or more claims were Argentina, Brazil, Canada, Nigeria and Italy.
- (a) *Medical reimbursement cases*

#### **Angola**

In or about November 2016, BAT Angola affiliate Sociedade Unificada de Tabacos de Angola ("SUT") was served with a collective action filed in the Provincial Court of Luanda, 2nd Civil Section, by the consumer association Associação Angolana dos Direitos do Consumidor (AADIC). The lawsuit seeks damages of AOA 800,000,000 (approximately £1,000,000) allegedly incurred by the Angolan Instituto Nacional do Controlo do Cancro ("INCC") for the cost of treating tobacco-related disease, non-material damages allegedly suffered by certain individual smokers on the rolls of INCC, and the mandating of certain cigarette package warnings. SUT filed its answer to the claim on or about 5 December 2016. The case remains pending.

#### **Argentina**

In 2007, the non-governmental organisation the Argentina Tort Law Association (ATLA) and Emma Mendoza Voguet brought a reimbursement action against Nobleza Piccardo S.A.I.C.y.F. (Nobleza) and Massalín Particulares. The case is being heard in the Contentious Administrative Court. The parties filed conclusive briefs on 20 May 2019. On 11 May 2021, the Court dismissed the case on the basis of plaintiffs' lack of legal standing to bring the suit. Plaintiffs did not appeal within the applicable deadline and accordingly the judgment dismissing the case has become final.

## Canada

On 1 March 2019, the Quebec Court of Appeal handed down a judgment which largely upheld and endorsed the lower court's previous decision in two Quebec class actions (the "Quebec Class Actions"), as further described below. The share of the judgment for Imperial, the Group's operating company in Canada, is approximately CAD\$9.2 billion (approximately £5.4 billion). As a result of this judgment, there were attempts by the Quebec plaintiffs to obtain payment out of the CAD\$758 million (approximately £443 million) on deposit with the court. JTI-MacDonald Corp (a co-defendant in the cases) filed for creditor protection under the Companies' Creditors Arrangement Act (the "CCAA") on 8 March 2019. A court order to stay all tobacco litigation in Canada against all defendants (including RJRT and its affiliate R.J. Reynolds Tobacco International Inc. (collectively, the "RJR Companies")) until 4 April 2019 was obtained, and the need for a mediation process to resolve all the outstanding litigation across the country was recognised. On 12 March 2019 Imperial filed for creditor protection under the CCAA. In its application Imperial asked the Ontario Superior Court to stay all pending or contemplated litigation against Imperial, certain of its subsidiaries and all other Group companies that were defendants in the Canadian tobacco litigation, including BAT, Investments, Industries and Carreras Rothmans Limited (collectively, the "UK Companies"). On 22 March 2019, Rothmans, Benson & Hedges Inc. also filed for CCAA protection and obtained a stay of proceedings (together with the other two stays, the "Stays"). The Stays are currently in place until 31 March 2022. While the Stays are in place, no steps are to be taken in connection with the Canadian tobacco litigation with respect to any of the defendants.

The below represents the state of the referenced litigation as at the advent of the Stays.

Following the implementation of legislation enabling provincial governments to recover health-care costs directly from tobacco manufacturers, 10 actions for recovery of health-care costs arising from the treatment of smoking-and health-related diseases have been brought. These proceedings name various Group companies as defendants, including the UK Companies and Imperial as well as the RJR Companies. Pursuant to the terms of the 1999 sale of RJRT's international tobacco business to Japan Tobacco Incorporated ("JTI"), JTI has agreed to indemnify RJRT for all liabilities and obligations (including litigation costs) arising in respect of the Canadian recoupment actions. Subject to a reservation of rights, JTI has assumed the defence of the RJR Companies in these actions.

The 10 cases were proceeding in British Columbia, New Brunswick, Newfoundland and Labrador, Ontario, Quebec, Manitoba, Alberta, Saskatchewan, Nova Scotia and Prince Edward Island. The enabling legislation is in force in all 10 provinces. In addition, legislation has received Royal Assent in two of the three territories in Canada, but has yet to be proclaimed into force.

The defences of Imperial, the UK Companies and the RJR Companies have been filed and document production and discoveries are substantially complete. The most recent expert report filed by the province estimated a range of damages between CAD\$11.1 billion (approximately £6.5 billion) and CAD\$23.2 billion (approximately £13.6 billion), including expected future costs. Following a motion to set a trial date, the New Brunswick Court of Queen's Bench ordered that the trial commence on 4 November 2019. On 7 March 2019, the New Brunswick Court of Queen's Bench released a decision which requires the province to produce a substantial amount of additional documentation and data to the defendants. As a result, the original trial date of 4 November 2019 would have been delayed. No new trial date has been set.

## **Nigeria**

British American Tobacco (Nigeria) Limited (BAT Nigeria), BAT and Investments have been named as defendants in a medical reimbursement action by the federal government of Nigeria, filed on 6 November 2007 in the Federal High Court, and in similar actions filed by the Nigerian states of Kano (9 May 2007), Oyo (30 May 2007), Lagos (13 March 2008), Ogun (26 February 2008), and Gombe (17 October 2008) commenced in their respective High Courts. In the five cases that remain active, the plaintiffs seek a total of approximately 10.6 trillion Nigerian naira (approximately £14.9 billion) in damages, including special, anticipatory and punitive damages, restitution and disgorgement of profits, as well as declaratory and injunctive relief.

The suits claim that the state and federal government plaintiffs incurred costs related to the treatment of smoking-related illnesses resulting from allegedly tortious conduct by the defendants in the manufacture, marketing, and sale of tobacco products in Nigeria, and assert that the plaintiffs are entitled to reimbursement for such costs. The plaintiffs assert causes of action for negligence, negligent design, fraud and deceit, fraudulent concealment, breach of express and implied warranty, public nuisance, conspiracy, strict liability, indemnity, restitution, unjust enrichment, voluntary assumption of a special undertaking, and performance of another's duty to the public.

BAT and Investments have made a number of challenges to the jurisdiction of the Nigerian courts. Such challenges are still pending (on appeal) against the federal government and the states of Lagos, Kano, Gombe and Ogun. The underlying cases are stayed or adjourned pending the final outcome of these jurisdictional challenges. In the state of Oyo, on 13 November 2015, and 24 February 2017, respectively, BAT's and Investments' jurisdictional challenges were successful in the Court of Appeal and the issuance of the writ of summons was set aside.

## **South Korea**

In April 2014, Korea's National Health Insurance Service ("NHIS") filed a healthcare recoupment action against KT&G (a Korean tobacco company), PM Korea and BAT Korea (including BAT Korea Manufacturing). The NHIS is seeking damages of roughly 54 billion Korean Won (approximately £33.5 million) in respect of health care costs allegedly incurred by the NHIS treating patients with lung (small cell and squamous cell) and laryngeal (squamous cell) cancer between 2003 and 2012. Court hearings in the case, which constitute the trial, commenced in September 2014. On 20 November 2020, the court issued a judgment in favour of the defendants and dismissing all of the plaintiff's claims. The NHIS filed an appeal of the judgment on 11 December 2020. Appellate proceedings commenced in June 2021 and remain ongoing.

## **Brazil**

On 21 May 2019, the Federal Attorney's Office ("AGU") in Brazil filed an action in the Federal Court of Rio Grande do Sul against BAT, the BAT Group's Brazilian subsidiary Souza Cruz LTDA ("Souza Cruz"), Philip Morris International, Philip Morris Brazil Indústria e Comércio LTDA and Philip Morris Brasil S/A, asserting claims for medical reimbursement for funds allegedly expended by the federal government as public health care expenses to treat 26 tobacco-related diseases over the last five years and that will be expended in perpetuity during future years, including diseases allegedly caused both by cigarette smoking and exposure to ETS. The action includes a claim for moral damages allegedly suffered by Brazilian society to be paid into a public welfare fund. The action is for an unspecified amount of monetary compensation, as the AGU seeks a bifurcated action in which liability would be determined in the first phase followed by an evidentiary phase to ascertain damages.

On 19 July 2019, the trial court ordered that service of the action on BAT be effected via service on Souza Cruz.

On 6 August 2019, Souza Cruz refused to receive service on behalf of BAT due to Souza Cruz's lack of power to receive the summons on behalf of BAT and such refusal was attached to the case files on 9 August 2019.

On 7 August 2019, Souza Cruz was served with the complaint by the AGU and Souza Cruz's acknowledgement of service was attached to the case files on 12 August 2019.

On 19 August 2019, Souza Cruz filed an interlocutory appeal challenging the 19 July 2019 trial court order permitting the AGU to effect service on BAT by serving Souza Cruz and requesting a stay of the proceedings until the appeal is decided. Souza Cruz also appealed the fact that several documents attached to the AGU's complaint are in English, without proper translation, and it also appealed the very short term of 30 days for the defendants to prepare their defences.

On 20 August 2019, Souza Cruz informed the trial court about the appeal and the trial court entered an order, which ordered the closure of the online system preventing the parties from submitting any petition so that no prejudice would be caused to the defendants and permitted the AGU, within 15 days of its notification, to respond to the argument that the service of a foreign defendant via its Brazilian subsidiary constituted improper service. On 21 August 2019, the substitute reporting judge of the appellate court, having been notified that the trial court judge had in the meantime issued a new decision (thereby revoking the previous decision), ruled that the appeal filed had therefore been rendered moot. The AGU filed its submission in the trial court on 19 September 2019, and Souza Cruz filed a reply submission on 25 September 2019. Souza Cruz reported on 4 February 2020 that the trial court ruled that service of BAT via its Brazilian subsidiary constituted proper service, denied the request for additional time to file defences, denied the request to have the foreign language documents attached to the initial complaint fully translated into Portuguese, and ordered that defences be filed within 30 business days. On 18 February 2020, Souza Cruz filed an interlocutory appeal (including a request to stay the deadline to file defences). On 12 March 2020, the court denied the request for a stay. On 11 May 2020, BAT filed a petition to intervene in Souza Cruz's interlocutory appeal. On 17 June 2020, AGU filed its opposition to Souza Cruz's interlocutory appeal. BAT filed a reply submission on 8 July 2020. On 15 July 2020, the court denied the interlocutory appeal. Souza Cruz and BAT submitted on 6 August 2020 requests for clarification of this appellate decision. The court granted BAT's request to intervene, and rejected Souza Cruz and BAT's request for clarification of the appellate decision, which decision became final on 6 June 2021. Souza Cruz and BAT filed their respective defences on 12 May 2020. On 19 May 2020, a notice was sent to the Public Prosecutor's Office ("MPF") regarding the AGU's request that the MPF join the action as a plaintiff. The MPF, in its response filed 10 July 2020, rejected the AGU's request, and declined to join the action as party, but will act as an "inspector of the law", which enables MPF to express its opinion on matters in the case. The court to date has not opened up the term for the AGU to reply to the defences presented. On 19 February 2021, the Associação de Controle do Tabagismo, Promoção da Saúde ("ACT") filed a petition

seeking to intervene in the case as amicus curiae, which petition remains pending. On 25 March 2021 and 26 March 2021, respectively, Souza Cruz and Philip Morris Brazil filed petitions requesting that ACT's powers be limited should ACT be admitted as amicus curiae. On 19 May 2021, ACT filed a brief in further support of its amicus curiae petition. On 8 August 2021, BAT responded to ACT's request to intervene as amicus curiae, arguing that ACT's request should be rejected or in the alternative that the scope of ACT's intervention rights should be limited. On 31 August 2021, ACT responded to BAT's submission. A court ruling on ACT's petition is pending.

(b) *Class Actions*

**Canada**

As noted above, on 1 March 2019 the Quebec Court of Appeal handed down a judgment which largely upheld and endorsed the lower court's previous decision in two Quebec Class Actions, as further described below. Imperial's share of the judgment is approximately CAD\$9.2 billion (approximately £5.4 billion). As a result of this judgment, there were attempts by the Quebec plaintiffs to obtain payment out of the CAD\$758 million (approximately £443 million) on deposit with the court. JTI-MacDonald Corp (a co-defendant in the cases) filed for creditor protection under the CCAA on 8 March 2019. A court order to stay all tobacco litigation in Canada against all defendants (including the RJR Companies) until 4 April 2019 was obtained, and the need for a mediation process to resolve all the outstanding litigation across the country was recognised. On 12 March 2019, Imperial filed for protection under the CCAA. In its application Imperial asked the Ontario Superior Court to stay all pending or contemplated litigation against Imperial, certain of its subsidiaries and all other Group companies that were defendants in the Canadian tobacco litigation, including the UK Companies. On 22 March 2019, Rothmans, Benson & Hedges Inc. also filed for CCAA protection and obtained a stay of proceedings. The Stays are currently in place until 31 March 2022. While the Stays are in place, no steps are to be taken in connection with the Canadian tobacco litigation with respect to any of the defendants.

The below represents the state of the referenced litigation as at the advent of the Stays.

There are 11 class actions being brought in Canada against Group companies.

*Knight Class Action:* the Supreme Court of British Columbia certified a class of all consumers who purchased Imperial cigarettes in British Columbia bearing 'light' or 'mild' descriptors since 1974. The plaintiff is seeking compensation for amounts spent on 'light and mild' products and a disgorgement of profits from Imperial on the basis that the marketing of light and mild cigarettes was deceptive because it conveyed a false and misleading message that those cigarettes are less harmful than regular cigarettes.

On appeal, the appellate court confirmed the certification of the class, but limited any financial liability, if proven, to 1997 onward. Imperial's third-party claim against the federal government was dismissed by the Supreme Court of Canada. The federal government is seeking a cost order of CAD\$5 million (approximately £2.9 million) from Imperial relating to its now dismissed third-party claim. After being dormant for several years, the plaintiff delivered a Notice of Intention to Proceed, and Imperial delivered an application to dismiss the action for delay. The application was heard on 23 June 2017 and was dismissed on 23 August 2017. Notice to class members of certification was provided on 14 February 2018. As at the date of the Stays, the next steps were expected to include discovery-related ones.

*Growers' Class Action:* in December 2009, Imperial was served with a proposed class action filed by Ontario tobacco farmers and the Ontario Flue-Cured Tobacco Growers' Marketing Board. The plaintiffs allege that Imperial and the Canadian subsidiaries of Philip Morris International and JTI failed to pay the agreed domestic contract price to the growers used in products manufactured for the export market and which were ultimately smuggled back into Canada. JTI has sought indemnification pursuant to the JTI Indemnities (discussed below). The plaintiffs seek damages in the amount of CAD\$50 million (approximately £29.2 million). Various preliminary challenges have been heard, the last being a motion for summary judgment on a limitation period. The motion was dismissed and ultimately, leave to appeal to the

Ontario Court of Appeal was dismissed in November 2016. In December 2017, the plaintiffs proposed that the action proceed by way of individual actions as opposed to a class action. The defendants did not consent. As at the date of the Stays, the claim was in abeyance pending further action from the plaintiffs.

*Quebec Class Actions:* there are currently two class actions in Quebec. On 21 February 2005, the Quebec Superior Court granted certification in two class actions against Imperial and two other domestic manufacturers. The court certified two classes, with the class definitions being revised in the judgment rendered 27 May 2015. One class consists of residents of Quebec who (a) smoked before 20 November 1998 at least 12 pack years of cigarettes manufactured by the defendants; and (b) were diagnosed before 12 March 2012 with: lung cancer, or cancer (squamous cell carcinoma) of the throat, or emphysema. The group also includes the heirs of persons deceased after 20 November 1998 who meet the criteria described above. The second consists of residents of Quebec who, as of 30 September 1998, were addicted to nicotine contained in cigarettes and who in addition meet the following three criteria: (a) they started smoking before 30 September 1994 by smoking cigarettes manufactured by the defendants; (b) between 1 September and 30 September 1998 they smoked on average at least 15 cigarettes manufactured by the defendants on a daily basis; and (c) they still smoked an average of at least 15 cigarettes manufactured by the defendants as of 21 February 2005, or until their death if it occurred before that date. The group also includes the heirs of members who meet the criteria described above. Pursuant to the judgment, the plaintiffs were awarded damages and interest against Imperial and the Canadian subsidiaries of Philip Morris International and JTI in the amount of CAD\$15.6 billion (approximately £9.1 billion), most of which was on a joint and several basis, of which Imperial's share was CAD\$10.4 billion (approximately £6.1 billion). An appeal of the judgment was filed on 26 June 2015. The court also awarded provisional execution pending appeal of CAD\$1,131 million (approximately £661.1 million), of which Imperial's share was approximately CAD\$742 million (approximately £433.7 million). This order was subsequently overturned by the Court of Appeal. Following the cancellation of the order for provisional execution, the plaintiffs filed a motion against Imperial and one other manufacturer seeking security in the amount of CAD\$5 billion (approximately £2.9 billion) to guarantee, in whole or in part, the payment of costs of the appeal and the judgment. On 27 October 2015, the Court of Appeal ordered the parties to post security in the amount of CAD\$984 million (approximately £575.1 million), of which Imperial's share was CAD\$758 million (approximately £443 million). The security was paid in seven equal quarterly instalments of just over CAD\$108 million (approximately £63.1 million) between 31 December 2015 and 30 June 2017. The appeal was heard in November 2016. On 1 March 2019, the trial judgment was upheld by a unanimous decision of the five-member panel of the Court of Appeal, with one exception being an amendment to the original interest calculation applied to certain portions of the judgment. The interest adjustment has resulted in the reduction of the total maximum award in the two cases to CAD\$13.7 billion (approximately £8 billion) as of 1 March 2019, with Imperial's share being reduced to approximately CAD\$9.2 billion (approximately £5.4 billion). The Court of Appeal also upheld the payment of the initial deposits into the defendants' solicitors' trusts account within 60 days, totalling approximately CAD\$1.13 billion (approximately £660.5 million), of which Imperial's share was recalculated by the Court of Appeal as CAD\$759 million (approximately £443.6 million). Imperial has already paid CAD\$758 million (approximately £443 million) into court as security for the judgment.

*Other Canadian Smoking and Health Class Actions:* seven putative class actions, described below, have been filed against various Canadian and non-Canadian tobacco-related entities, including the UK Companies, Imperial and the RJR Companies, in various Canadian provinces. In these cases, none of which have quantified their asserted damages, the plaintiffs allege claims based on fraud, fraudulent concealment, breach of warranty of merchantability, and of fitness for a particular purpose, failure to warn, design defects, negligence, breach of a 'special duty' to children and adolescents, conspiracy, concert of action, unjust enrichment, market share liability and violations of various trade practices and competition statutes. Pursuant to the terms of the 1999 sale of RJRT's international tobacco business, and subject to a reservation of rights, JTI has assumed the defence of the RJR Companies in these seven actions (Semple, Kunka, Adams, Dorion, Bourassa, McDermid and Jacklin, discussed below).

In June 2009, four smoking and health class actions were filed in Nova Scotia (Semple), Manitoba (Kunka), Saskatchewan (Adams) and Alberta (Dorion) against various Canadian and non-Canadian tobacco-related entities, including the UK Companies, Imperial and the RJR Companies. In Saskatchewan, BAT, Carreras Rothmans Limited and Ryeseeks p.l.c. have been released from Adams, and the RJR Companies have brought a motion challenging the jurisdiction of the court. There are service issues in relation to Imperial and the UK Companies in Alberta and in relation to the UK Companies in Manitoba. The plaintiffs did not serve their certification motion materials and no dates for certification motions were set.

In June 2010, two further smoking and health class actions were filed in British Columbia against various Canadian and non-Canadian tobacco-related entities, including Imperial, the UK Companies and the RJR Companies. The Bourassa claim is allegedly on behalf of all individuals who have suffered chronic respiratory disease and the McDermid claim proposes a class based on heart disease. Both claims state that they have been brought on behalf of those who have 'smoked a minimum of 25,000 cigarettes'. The UK Companies, Imperial, the RJR Companies and other defendants objected to jurisdiction. Subsequently, BAT, Carreras Rothmans Limited and Ryeseeks p.l.c. were released from Bourassa and McDermid. Imperial, Industries, Investments and the RJR Companies remain as defendants in both actions. The plaintiffs did not serve their certification motion materials and no dates for certification motions were set.

In June 2012, a smoking and health class action was filed in Ontario (Jacklin) against various Canadian and non-Canadian tobacco-related entities, including the UK Companies, Imperial and the RJR Companies. The claim has been in abeyance.

## **Venezuela**

In April 2008, the Venezuelan Federation of Associations of Users and Consumers (FEVACU) and Wolfgang Cardozo Espinel and Giorgio Di Muro Di Nunno, acting as individuals, filed a class action against the Venezuelan government. The class action seeks regulatory controls on tobacco and recovery of medical expenses for future expenses of treating smoking-related illnesses in Venezuela. Both C.A Cigarrera Bigott Sucs. ("Cigarrera Bigott"), a Group subsidiary, and ASUELECTRIC, represented by its president Giorgio Di Muro Di Nunno (who had previously filed as an individual), have been admitted as third parties by the Constitutional Chamber of the Supreme Court of Justice. A hearing date for the action is yet to be scheduled. On 25 April 2017 and on 23 January 2018, Cigarrera Bigott requested the court to declare the lapsing of the class action due to no proceedings taking place in the case in over a year. A ruling on the matter is yet to be issued.

### *(c) Individual Tobacco-Related Personal Injury Claims*

As at 31 December 2021, the jurisdictions with the most active individual cases against Group companies were, in descending order: Brazil (23), Italy (11), Canada (5), Argentina (5), Chile (4) and Ireland (2). There were a further two jurisdictions with one active case only. Out of the 52 active individual tobacco related personal injury claims, one case in Argentina (*Baldassare*) received an unfavourable verdict as at 31 December 2021. In that case, a first instance judgment, issued on 28 December 2020, awarded damages to the plaintiff in the amount of ARS 685,976 (approximately £5,000) in compensatory damages and ARS 2,500,000 (approximately £18,000) in punitive damages (plus interest). BAT Argentina filed a notice of appeal of the judgment on 3 February 2021.

## **Non-Tobacco-Related Litigation**

### **VUSE Litigation**

On 22 July 2020, Nicholas Bernston filed a personal injury action in the Northern District of Oklahoma against JUUL Labs Inc. ("JUUL"), Altria Client Services, LLC, RJR Vapor, RAI, and others. The complaint seeks damages for personal injuries (including pneumonia and acute respiratory failure) allegedly resulting from vaping on several theories, including strict liability, negligence, and breach of implied warranty of merchantability. On 24 July 2020, JUUL notified the JPML that this case could be a potential tag-along in

the JUUL multidistrict litigation (“MDL”). On 5 August 2020, the JPML entered a conditional transfer order transferring the case to the Northern District of California. That order became effective on 12 August 2020, and this case now is a member case in the JUUL MDL. On 13 October 2020, RJR Vapor and RAI moved to dismiss the complaint or, in the alternative, for a stay or a suggestion of remand to the Northern District of Oklahoma. On 16 October 2020, the MDL court issued an order staying those motions to dismiss. The case will remain pending against RAI and RJR Vapor, but they will not be subject to discovery or other pretrial obligations absent further order from the court.

### **Croatian Distributor Dispute**

BAT Hrvatska d.o.o u likvidaciji and British American Tobacco Investments (Central and Eastern Europe) Limited are named as defendants in a claim by Mr Perica received on 22 August 2017 and brought before the commercial court of Zagreb, Croatia. Mr Perica seeks damages of HRK 408,000,000 (approximately £45.6 million) relating to a BAT Standard Distribution Agreement dating from 2005. BAT Hrvatska d.o.o and British American Tobacco Investments (Central and Eastern Europe) Ltd filed a reply to the statement of claim on 6 October 2017. A hearing had been scheduled to take place on 10 May 2018, but it was postponed due to a change of the judge hearing the case. The Commercial Court in Zagreb declared they do not have jurisdiction and that the competent court to hear this case is the Municipal Court in Zagreb. TDR d.o.o. is also named as the defendant in a claim by Mr Perica received on 30 April 2018 and brought before the commercial court of Zagreb, Croatia. Mr. Perica seeks payment in the amount of HRK 408,000,000 (approximately £45.6 million) claiming that BAT Hrvatska d.o.o. transferred a business unit to TDR d.o.o., thus giving rise to a liability of TDR d.o.o. for the debts incurred by BAT Hrvatska d.o.o., on the basis of the provisions of Croatian civil obligations law. A response to the statement of claim was filed on 30 May 2018. The Commercial Court in Zagreb declared they do not have jurisdiction and that the competent court to hear this case is the Municipal Court in Pula. Mr Perica filed an appeal against this decision which was rejected by the High Commercial Court of The Republic of Croatia confirming therewith that the competent court to hear this case is the Municipal Court in Pula. The Municipal Court in Zagreb has decided that the claims by Mr Perica initiated on 22 August 2017 and 30 April 2018 shall be heard as one case in front of the Municipal Court of Zagreb. After the two hearings have been held, the Municipal Court of Zagreb has appointed the court financial and auditing appraisal to determine the value of Mr Perica's claim.

### **BAT/Reynolds American Inc. Shareholder Litigation**

Following BAT's acquisition of the remaining 57.8 per cent. of RAI in July 2017, pursuant to North Carolina law, under which RAI was incorporated, a number of RAI shareholders dissented and asserted their rights to a judicial appraisal of the value of their RAI stock. On 29 November 2017, RAI filed a Complaint for Judicial Appraisal in state court in North Carolina against 20 dissenting shareholders holding an aggregate of approximately 9.65 million shares. The complaint asked the court to determine the fair value of the dissenting shareholders' shares in RAI and any accrued interest. A trial was held in June 2019, at which the dissenters sought US\$92.17 per share plus interest. On 27 April 2020, the court issued its final judgment upholding RAI's proposed valuation of \$59.64 per share and concluding that no further payment is due to the dissenters for their shares. Dissenting shareholders holding an aggregate of approximately 6.52 million shares filed a notice of appeal to the North Carolina Supreme Court. On 17 December 2021, the North Carolina Supreme Court issued an opinion affirming the Business Court's determination, and on 21 January 2022 the dissenters' deadline to seek further review expired, meaning that this matter is now concluded.

### **Patents Litigation**

Certain Group companies are party to a number of patent litigation cases and procedural challenges concerning the validity of patents owned by or licensed to them and/or the alleged infringement of third-parties' patents.

On 22 June 2018, an affiliate of Philip Morris International (“PMI”) commenced proceedings against British American Tobacco Japan, Ltd. (“BAT Japan”) in the Japanese courts challenging the import, export, sale and offer of sale of the glo device and of the NeoStiks consumable in Japan at the time the claim was brought (and earlier models of the glo device), alleging that the glo devices directly infringe certain claims of two Japanese patents that have been issued to the PMI affiliate and that the NeoStiks indirectly infringe certain claims of those patents. On 17 January 2019, the PMI affiliate introduced new grounds of infringement, alleging that the glo device also infringes some other claims in the two PMI affiliate’s Japanese patents. Damages for the glo device and NeoStik are claimed in the court filing, to the amount of 100 million Yen (approximately £641,000). The PMI affiliate has also filed a request for injunction with respect to the glo device. BAT Japan denies infringement and is challenging the validity of the two PMI affiliate’s Japanese patents.

Fuma International LLC (“Fuma”) filed two separate patent infringement complaints in the US District Court for the Middle District of North Carolina against RJR Vapor on 6 March 2019 and 2 July 2019, each alleging that Vuse Solo and Vuse Ciro products infringe a patent. The two complaints were consolidated into a single proceeding involving both asserted Fuma patents. The parties resolved this matter pursuant to a confidential settlement and license agreement effective 29 November 2021.

On 9 April 2020, Nicoventures Trading Limited (“Nicoventures”) commenced an action in the England and Wales High Court (Patents Court) against Philip Morris Products S.A. (“PMP”) for revocation against three divisional patents in the same family, of which PMP is the proprietor (a further divisional patent in the same family was added into the revocation action on 9 July 2020). On 12 May 2020 PMP filed its defence together with a counterclaim for patent infringement against Nicoventures and Investments concerning prototype examples or production samples of certain ‘glo’ tobacco heating devices. PMP are seeking an injunction, an order for delivery up or a destruction upon oath of all infringing articles, and either an account of profits or damages on commercial sales (and interest thereon). On 12 June 2020, Nicoventures and Investments filed their defence to the counterclaim. The trial of this action took place between 18-25 May 2021. On 14 July 2021, the England and Wales High Court (Patents Court) handed down its judgment finding that all four divisional patents were invalid for lack of an inventive step and consequently, that PMP’s counterclaim failed. On 2 November 2021, PMP filed a request for permission to appeal.

On 28 May 2020 Altria Client Services LLC and US Smokeless Tobacco Company LLC commenced proceedings against RJR Vapor before the US District Court for the Middle District of North Carolina against the vapour products Vuse Vibe and Vuse Alto, and the tin used in the modern oral product Velo. Nine patents in total were asserted: two against Vibe, four against Alto and three against Velo. On 5 January 2021, Altria filed an amended complaint adding Modoral Brands Inc. (“Modoral”) as a defendant with respect to the Velo product claims. The plaintiffs have sought damages but have not to date sought preliminary or permanent injunctions. RJR Vapor has responded to the complaint. The parties conducted a one-day mediation session in August 2021, but were unable to resolve the dispute. A claim construction hearing was held on 28 April 2021, and the court issued its claim construction ruling on 12 May 2021. Fact discovery, expert discovery, and summary judgment briefings are completed. No date has been set for a summary judgment hearing, and no trial date has been set.

On 9 April 2020, RAI Strategic Holdings, Inc. and RJR Vapor commenced an action in the US District Court for the Eastern District of Virginia against Altria Client Services LLC, Philip Morris USA, Inc., Altria Group, Inc., Philip Morris International, Inc., and Philip Morris Products S.A. (collectively, “Philip Morris”) for infringement of six patents based on the importation and commercialisation within the United States of IQOS. On 8 May 2020 and 12 June 2020, Philip Morris filed Inter Partes Review (“IPR”) petitions in the US Patent Office challenging the validity of each of the six patents asserted. On 29 June 2020, Philip Morris asserted counterclaims alleging that RJR Vapor infringes five patents. On 24 November 2020, the court issued a claim construction order that determined that each disputed term would have its plain and ordinary meaning. On 4 December 2020, the magistrate judge issued an order staying RJR Vapor and Philip

Morris's patent claims pending a decision by the US Patent Office regarding whether to proceed with the IPRs. At the time of the stay, fact and expert discovery was ongoing and was scheduled to conclude 26 January 2021. The court lifted the stay, and the parties have substantially completed discovery. On 6 August 2021, the court denied all summary judgment motions. Trial on the Altria and Philip Morris patents was scheduled to have begun on 4 April 2022, but the court postponed the trial and set a new trial date of 6 June 2022; the RJR Vapor offensive patent case remains stayed pending (i) an appeal by Philip Morris to the Federal Circuit in relation an exclusion order granted against Philip Morris by the International Trade Commission based on the relevant patents, and (ii) the decisions in IPRs commenced by Philip Morris against the relevant patents at the US Patent Office.

On 27 November 2020 Philip Morris filed a complaint before the Regional Court Mannheim in Germany against British American Tobacco (Germany) GmbH ("BAT Germany") alleging that the sale, offer for sale and importation of Vype ePod products infringes a patent. Philip Morris is seeking an injunction, a recall of product from commercial customers and a declaratory judgment for damages. The trials of this action took place on 15 June 2021 and 9 November 2021. A decision on the matter was promulgated on 30 November 2021. The decision dismissed the complaint in its entirety. On 28 December 2021, Philip Morris lodged an appeal against this decision before the Higher Regional Court Karlsruhe.

On 11 December 2020 Philip Morris filed a complaint before the Regional Court Dusseldorf in Germany against BAT Germany alleging that the sale, offer for sale and importation of the glo TABAK HEATER and neo STICK products infringe a patent. Philip Morris is seeking an injunction, a recall of product from commercial customers and a declaratory judgment for damages. The trial of this action took place on 30 November 2021. The court promulgated its decision on 21 December 2021 and decided that the above-mentioned products infringe the patent. The decision is not final and was appealed by BAT Germany on 21 December 2021 to the Higher Regional Court Dusseldorf. On 31 December 2021, BAT Germany also lodged a formal request with the appeal court to suspend the injunction order against the neo STICK products. On 24 January 2022, the appeal court granted this request, subject to providing a security and indicating that the neo STICK products are only suitable for new glo TABAK HEATER devices. BAT Germany is no longer marketing the glo TABAK HEATER, but rather a new glo TABAK HEATER marketed as glo Hyper + New Heating Technology, which is not subject to the patent infringement proceedings. Because the trial court decision only contains a declaratory obligation for BAT Germany to pay damages, Philip Morris would have to file a new separate action for the actual payment of damages, stating the precise amount that is being claimed.

On 14 December 2020, Modoral filed a complaint in the US District Court for the District of Delaware against Pinkerton Tobacco Co., LP, Swedish Match North America LLC, and NYZ AB (collectively Swedish Match) seeking a declaratory judgment that the importation, manufacture, use, and/or sale of Modoral's Velo product does not infringe US Patent No. 9,161,908 (the "'908 Patent") or any of Swedish Match's trade secrets. On 3 June 2021, the case was transferred to the US District Court for the Central District of California. On 13 July 2021, Swedish Match and Helix Innovations GmbH filed counterclaims against Modoral for infringement of the '908 Patent and misappropriation of trade secrets arising out of the manufacture, use, and sale of Modoral's Velo product. On 15 December 2021, the court entered a Markman Order finding that the '908 Patent distinguishes a nicotine complex from the claimed 'nicotine salt' and more specifically, affirmatively excluding the nicotine polacrilex complex used in the accused Velo product from the claimed invention because it is 'not a nicotine salt'. Swedish Match agreed to a joint stipulation and request for entry of judgment of non-infringement for all of the asserted claims of the '908 Patent, which the Court granted on 19 January 2022. Modoral filed a motion to stay Swedish Match's remaining trade secret misappropriation claims in light of Swedish Match's intent to appeal the Markman Order to the Federal Circuit. Modoral also filed a Rule 54(b) motion for partial final judgment of the infringement claims. Both motions were scheduled for argument on 4 March 2022.

### **Mozambican IP Litigation**

On 19 April 2017, Sociedade Agrícola de Tabacos, Limitada (“SAT”) (a BAT Group company in Mozambique) filed a complaint to the National Inspectorate for Economic Activities (“INAE”), the government body under the Ministry of Industry and Trade, regarding alleged infringements of its registered trademark (“GT”) by GS Tobacco SA (“GST”). INAE subsequently seized the allegedly infringing products (“GS cigarettes”) and fined and ordered GST to discontinue manufacturing products that could infringe SAT’s intellectual property rights. Following INAE’s decision, in July 2017 and March 2018, SAT sought damages via the Judicial Court of Nampula, from GST in the amount of and equivalent to £573,000 as well as a permanent restraint order in connection with the manufacturing and selling of the allegedly infringing products. The Judicial Court of Nampula (Tribunal Judicial de Nampula) granted the order on an interim basis on 7 August 2017. After hearing the parties, on 5 September 2017, the court found that no alleged infringement by GST had occurred and removed the interim restraint order, this decision was appealed by SAT and is currently pending a decision. GST filed an application for review against INAE’s initial decision directly to the Minister of Trade and Industry, which reversed the decision of INAE. On 31 December 2018, SAT was notified of GST’s counterclaim against SAT at the Judicial Court of Nampula for damages allegedly sustained as a result of SAT’s complaint to INAE (and INAE’s decision). GST is seeking damages in the amount equivalent to £190 million. On 31 January 2019 SAT filed a formal response to the counterclaim. GST was notified on 28 February 2019 to file a response to SAT’s formal response to the counterclaim and the judge scheduled the preliminary hearing for 14 March 2019. This hearing was adjourned and was held on 2 April 2019, when the court heard arguments on the validity of SAT’s counterclaim. On 2 September 2019, SAT received notification of an order which provided that (i) SAT’s claim had been dismissed by the court; and (ii) the GST counterclaim would proceed to trial. On 9 September 2019, SAT responded to the order by appealing the dismissal of the SAT claim. Additionally, SAT made an interlocutory application in the counterclaim proceedings to challenge certain questions posed by the judge, on the basis that the responses may be used as evidence at trial. SAT was notified in December 2021 that the trial of the counterclaim is to take place on 24 February 2022. SAT subsequently submitted a complaint related to that trial to the court, on the basis that prior to any further step being taken in relation to the trial the process should be submitted to the superior court for analysis, as per the appeals previously submitted in the proceedings. SAT’s complaint has not yet been determined.

### **Malawi Group Action**

In December 2020, BAT and British American Tobacco (GLP) Limited (“GLP”) were named as defendants in a claim made in the English High Court by around 7,500 Malawian tobacco farmers and their family members. The claim also names Imperial Brands plc and five affiliates as defendants. The claimants allege they were subjected to unlawful and exploitative working conditions on tobacco farms from which it is alleged that the defendants indirectly acquire tobacco. They seek unquantified damages (including aggravated and exemplary damages) for the torts of negligence and conversion and unquantified personal and proprietary remedies for restitution of unjust enrichment. They also seek an injunction to restrain the commission of further torts of conversion or negligence by the defendants. The defendants had an application to strike out the claims dismissed in a judgment dated 25 June 2021. In January 2022, BAT and GLP were served with a similar claim by around a further 3,500 claimants. BAT and GLP intend vigorously to defend the claims.

### **Qatar Customs Authority Claims**

On 12 November 2020, British American Tobacco Middle East W.L.L (formerly British American Tobacco Middle East SPC) (“BAT ME”), along with its distributor in Qatar, Ali Bin Ali Establishment (“ABA”), filed a case before the Qatar Court of First Instance which challenges a decision of Qatar’s General Authority of Customs dated 16 August 2020 ordering ABA to pay two amounts arising from unrelated circumstances, one of which totalled QAR160,531,588 (approximately £32.6 million) in customs duties and penalties in relation to 27 consignments of cigarettes imported into Qatar by ABA. On 14 February 2021, the General Authority of Customs issued a new order that repeated (and addressed only) its demand that ABA pay

QAR 160,531,588 in customs duties and penalties in relation to the same 27 consignments of cigarettes imported into Qatar by ABA. On 19 May 2021, BAT ME and ABA filed a second case before the Qatar Court of First Instance which challenges the decision of Qatar's General Authority of Customs dated 14 February 2021. On 28 October 2021, the Court of First Instance dismissed both cases filed by BAT ME and ABA on the grounds the cases were not timely filed. In December 2021, BAT ME and ABA appealed the decisions of the Court of First Instance in both cases. It is possible that the two appeals filed by BAT ME and ABA will be consolidated into a single case. In any event, ABA can only have liability under one case not both, so its maximum liability is QAR 160,531,588, not twice that amount. BAT ME's potential liability in respect of the foregoing amount arises from certain contractual arrangements with ABA. BAT ME and ABA strongly assert that the additional customs duty and penalties imposed by the Qatar Customs Authority are inconsistent with applicable law.

### **Saudi Arabia Customs Claim**

On 25 January 2021, Walid Ahmed Mohammed Al Naghi for Trading Establishment ("Al Naghi"), a former distributor for the Group's operating companies in the Middle East, filed a claim in the Commercial Court in Jeddah, Saudi Arabia, seeking SAR 2,105,356,121 (approximately £414 million) for reimbursement of funds allegedly due under contract. Al Naghi did not formally name any Group entity as a defendant in the claim. The claim was dismissed orally by the Court on 9 February 2021. On 20 April 2021, Al Naghi filed a new claim in the Jeddah Commercial Court against BAT UKE demanding that BAT UKE reimburse Al Naghi in the amount of SAR 2,105,356,121 allegedly paid by Al Naghi to the customs authorities in customs dues. BAT UKE submitted a response on 27 May 2021 requesting dismissal of the claim on the ground that BAT UKE lacks legal capacity to be sued as it was not a party to any relevant agreement with Al Naghi. On 16 June 2021, the Court of First Instance issued a judgment dismissing the claim against BAT UKE and ruling that BAT UKE lacks legal standing to be named defendant in the proceedings. On 22 August 2021, Al Naghi filed an appeal against the Court of First Instance judgement. BAT UKE was not given an opportunity to respond to Al Naghi's allegations on appeal. On 15 November 2021, the Appellate Court issued an oral ruling cancelling the Court First Instance judgement and remanding the case to the lower court for further deliberation. In its written judgement dated 12 December 2021, the Appellate Court stated that it was remanding the case in order for the Court of First Instance to join to the proceedings BAT entities in Bahrain and UAE, which Al Naghi had wrongly claimed on appeal to be branches of BAT UKE. The Court of First Instance held a hearing on 19 January 2022 to re-consider the case in light of the Appellate Court judgement. At that hearing, the Court of First Instance set a timetable for the parties to file written submissions setting out their arguments with regard to the legal status of the BAT entities in Bahrain and UAE.

A further hearing was held on 2 February 2022. The court sought further information from the BAT entities in Bahrain and UAE ahead of a further hearing held on 23 February 2022.

### **Asbestos Litigation**

On 15 January 2021, plaintiffs in an individual asbestos personal injury action (Rentko), originally filed 5 October 2020 in the New York City Asbestos Litigation court, filed an amended complaint, which named as defendants BAT, BATUS Holdings, Inc., British American Tobacco (Brands), Inc., and RJRT, along with various other defendants. The amended complaint was served 20 January 2021 on BATUS Holdings, Inc. and British American Tobacco (Brands), Inc., and served 22 January 2021 on RJRT. The amended complaint alleges that one of the plaintiffs was exposed to the defendants' asbestos and asbestos-contaminated talcum powder products, which allegedly caused her to develop mesothelioma, and asserts claims under state law, including for negligence, breach of warranty, product liability, negligent misrepresentation, fraudulent concealment, and civil conspiracy. A further amended complaint was filed on 27 January 2021, which named RAI as a defendant as an alleged successor in interest to BAT, and which was served on RAI on 5 February 2021. Plaintiffs seek unspecified compensatory and punitive damages jointly and severally against the defendants.

RAI and RJRT moved to dismiss the amended complaint on 26 March 2021. A notice of discontinuance was filed on 31 March 2021 discontinuing the litigation without prejudice as against BAT, BATUS Holdings, Inc. and British American Tobacco (Brands) Inc. A stipulation of discontinuance was filed on 6 April 2021 discontinuing the litigation without prejudice as against RAI and RJRT.

On 23 April 2021, plaintiff in an asbestos personal injury action (Smoltino), originally filed 25 August 2020 in the New York City Asbestos Litigation court, filed an amended complaint, which named as defendants BAT, BATUS Holdings, Inc., British American Tobacco (Brands) Inc., RAI and RJRT, along with various other defendants. The amended complaint was served on BATUS Holdings, Inc., British American Tobacco (Brands) Inc. and RJRT on 23 April 2021 and served on RAI on 26 April 2021. The amended complaint alleged that plaintiff's decedent was exposed to the defendants' asbestos and asbestos-contaminated talcum powder products, which allegedly caused her to develop mesothelioma, and asserted claims under state law, including for negligence, breach of warranty, product liability, negligent misrepresentation, fraudulent concealment, wrongful death and civil conspiracy. Plaintiff seeks unspecified compensatory and punitive damages jointly and severally against the defendants. A notice of discontinuance was filed on 19 May 2021 discontinuing the litigation without prejudice as against BAT, BATUS Holdings, Inc. and British American Tobacco (Brands) Inc. RAI and RJRT moved to dismiss the amended complaint on 10 May 2021. A stipulation of discontinuance was filed on 24 May 2021 discontinuing the litigation without prejudice as against RAI and RJRT.

On 11 May 2021, plaintiff in an asbestos personal injury action (Gilbride) filed a complaint in the Superior Court of New Jersey Law Division – Middlesex County, which named as defendants R. J. Reynolds Tobacco Company, individually and as successor-by-merger to British American Cosmetics, along with various other defendants. The complaint was served on RJRT on 26 May 2021. The complaint alleged that plaintiff was exposed to asbestos-containing cosmetic talcum powder products sold and supplied by the defendants (and/or their predecessors in interest), which allegedly caused her to develop mesothelioma, and asserted claims under state law, including for negligence, breach of warranty, strict liability in tort, marketing an ultra-hazardous product, failure to warn, product liability, negligent misrepresentation, fraudulent concealment, and civil conspiracy. Plaintiff seeks unspecified compensatory and punitive damages jointly and severally against the defendants. A stipulation for voluntary dismissal was filed with the court on 7 July 2021.

## **Fox River**

### *Background to environmental liabilities arising out of contamination of the Fox River:*

In Wisconsin, the authorities have identified potentially responsible parties ("PRPs") to fund the clean-up of river sediments in the lower Fox River. The pollution was caused by discharges of Polychlorinated Biphenyls ("PCBs") from paper mills and other facilities operating close to the river. Among the PRPs is NCR Corporation ("NCR").

In NCR's Form 10-K Annual Report for the year ended 31 December 2014, the total clean-up costs for the Fox River were estimated at US\$825 million (approximately £609.1 million). This estimate is subject to uncertainties and does not include natural resource damages ("NRDs"). Total NRDs may range from US\$0 to US\$246 million (approximately £0 to £181.6 million).

Industries' involvement with the environmental liabilities arises out of indemnity arrangements which it became party to due to a series of transactions that took place from the late-1970s onwards and subsequent litigation brought by NCR against Industries and Appvion Inc. ("Appvion") (a former Group subsidiary) in relation to those arrangements which was ultimately settled. US authorities have never identified Industries as a PRP.

There has been a substantial amount of litigation in the United States involving NCR and Appvion regarding the responsibility for the costs of the clean-up operations. The US Government also brought enforcement

proceedings against NCR and Appvion to ensure compliance with regulatory orders made in relation to the Fox River clean-up. This litigation has been settled through agreements with other PRPs and a form of settlement known as a Consent Decree with the US Government, approved by the District Court of Wisconsin on 23 August 2017.

The principal terms of that Consent Decree, in summary, are as follows:

- (a) NCR is obliged to perform and fund all of the remaining Fox River remediation work by itself.
- (b) The US Government enforcement proceedings were settled, with NCR having no liability to meet the US Government's claim for costs it had incurred in relation to the clean-up to date, a secondary responsibility to meet certain future costs, and no liability to the US Government for NRDs.
- (c) NCR ceased to pursue its contribution claims against the other PRPs and in return received contribution protection preventing other PRPs from pursuing their contribution claims against NCR and existing claims for contribution being dismissed by order of the Court. NCR does, however, have the right to reinstate its contribution claims if the other PRPs decide to continue to pursue certain contractual claims against NCR.
- (d) Appvion also agreed to cease pursuance of claims against the other PRPs, subject to retention of the right to reinstate its claims if the other PRPs decide to continue to pursue certain claims against Appvion.

A Consent Decree between the US Government, P.H. Glatfelter and Georgia Pacific settling the allocation of costs on the Fox River was approved by the District Court in the Eastern District of Wisconsin on 14 March 2019. This Consent Decree concludes all existing litigation on the Fox River, following P.H. Glatfelter's withdrawal of its appeal against the issuance of the Consent Decree as a term of the settlement.

In NCR's Form 10-K Annual Report for the year ended 31 December 2020 NCR disclosed that, in November 2019, an arbitral tribunal had awarded approximately US\$10 million (approximately £7.4 million) to a remediation general contractor engaged by the LLC formed by NCR and Appvion to perform the clean-up operation of the Fox River. NCR further stated that its indemnitors and co-obligors were responsible for the majority of the award, with its own share being approximately 25 per cent of the award.

*Industries' involvement with environmental liabilities arising out of the contamination of the Fox River*

NCR has taken the position that, under the terms of a 1998 Settlement Agreement between it, Appvion and Industries, and a 2005 arbitration award, Industries and Appvion generally had a joint and several obligation to bear 60 per cent. of the Fox River environmental remediation costs imposed on NCR and of any amounts NCR has to pay in respect of other PRPs' contribution claims. BAT has not acknowledged any such liability to NCR and has defences to such claims. Further, under the terms of the Funding Agreement (described below), any dispute between Industries and NCR as to the final amount of any NCR claim against Industries in respect of the Fox River (if any) can only be determined at the later of (i) the completion of Fox River remediation works or (ii) the final resolution and exhaustion of all possible appeals in proceedings brought against Sequana, PricewaterhouseCoopers LLP ("PwC") and other former advisers.

Until May 2012, Appvion and Windward Prospects Limited ("Windward") (another former Group subsidiary) had paid a 60 per cent. share of the clean-up costs incurred by NCR. Industries was never required to contribute. Around that time, Appvion refused to continue to pay clean-up costs, leading to NCR demanding that Industries pay a 60 per cent. share of those costs.

Industries commenced proceedings against Windward and Appvion in December 2011 seeking indemnification in respect of any liability it might have to NCR (the "English Indemnity Proceedings") pursuant to a 1990 de-merger agreement between those parties.

### *Funding Agreement of 30 September 2014*

On 30 September 2014, Industries entered into a Funding Agreement with Windward, Appvion, NCR and BTI 2014 LLC (“BTI”) (a wholly-owned subsidiary of Industries). Pursuant to the Funding Agreement, the English Indemnity Proceedings and a counterclaim Appvion had brought in those proceedings, as well as an NCR-Appvion arbitration concerning Appvion’s indemnity to NCR, were discontinued as part of an overall agreement between the parties providing a framework through which they would together fund the ongoing costs of the Fox River clean-up. Under the agreement, NCR has agreed to accept funding by Industries at the lower level of 50 per cent. of the ongoing clean-up related costs of the Fox River (rather than the 60 per cent. referenced above). This remains subject to an ability to litigate at a later stage the extent of Industries’ liability (if any) in relation to Fox River clean-up related costs (including in respect of the 50 per cent. of costs that Industries has paid under the Funding Agreement to date). In addition, Windward has contributed US\$10 million (approximately £7.4 million) of funding and Appvion has contributed US\$25 million (approximately £18.5 million) for Fox River and agreed to contribute US\$25 million (approximately £18.5 million) for the Kalamazoo River (see further below). Appvion entered Chapter 11 bankruptcy protection on 1 October 2017.

The parties also agreed to cooperate in order to maximise recoveries from certain claims made against third parties, including (i) a claim commenced by Windward in the High Court of England & Wales (the “High Court”) against Sequana and the former Windward directors (the “Windward Dividend Claim”). That claim was assigned to BTI under the Funding Agreement, and relates to dividend payments made by Windward to Sequana of around €443 million (approximately £372 million) in 2008 and €135 million (approximately £113.4 million) in 2009 (the Dividend Payments) and (ii) a claim commenced by Industries directly against Sequana to recover the value of the Dividend Payments alleging that the dividends were paid for the purpose of putting assets beyond the reach of Windward’s creditors (including Industries) (the “BAT section 423 Claim”) (together, the “Sequana Proceedings”).

The Windward Dividend Claim and BAT section 423 Claim were heard together in the High Court, with judgment handed down on 11 July 2016. The court upheld the BAT section 423 Claim and, by way of a consequential judgment dated 10 February 2017, ordered that Sequana pay to BTI an amount up to the full value of the 2009 Dividend plus interest, which equates to around US\$185 million (approximately £136.6 million). The Court dismissed the Windward Dividend Claim.

The parties pursued cross appeals on the judgment, during which time Sequana was granted a stay in respect of the above payments. That stay was lifted in May 2017, three months after Sequana had entered into an insolvency process in France seeking court protection (the “Sauvegarde”). On 15 May 2019, the Nanterre Commercial Court made an order placing Sequana into formal liquidation proceedings (*liquidation judiciaire*). To date, Industries has not received any payments from Sequana.

On 6 February 2019 the Court of Appeal gave judgment upholding the High Court’s findings, with one immaterial change to the method of calculating the damages awarded. Sequana therefore remains liable to pay approximately US\$185 million (approximately £136.6 million). Because of Sequana’s ongoing insolvency process, execution of that judgment is stayed. The Court of Appeal dismissed BTI’s appeal in relation to the Windward Dividend Claim. The Court of Appeal also dismissed Sequana’s application for permission to appeal the High Court’s costs order in favour of Industries. Sequana therefore remains liable to pay around £10 million in costs to Industries.

All parties to the appeal sought permission from the Court of Appeal for a further appeal to the UK Supreme Court. On 31 July 2019, BTI was granted permission to appeal to the Supreme Court. On the same day, the Supreme Court refused Sequana permission to appeal. The hearing of BTI’s appeal took place before the UK Supreme Court on 4 and 5 May 2021 and the judgment is awaited.

BTI has brought claims against certain of Windward’s former advisers, including Windward’s auditors at the time of the dividend payments, PwC (which claims were also assigned to BTI under the Funding

Agreement). The claim had been stayed pending the outcome of the Sequana Proceedings. Once that stay was lifted, PwC applied to strike-out BTI's claim. A hearing of this application took place in October 2019. On 15 November 2019, the court dismissed PwC's application. The court granted PwC permission to appeal in respect of part of its dismissal of the application and the hearing of that appeal was heard by the Court of Appeal on 27 and 28 October 2020. On 11 January 2021, the Court of Appeal handed down judgment dismissing PwC's appeal. The Court of Appeal also refused PwC's application for permission to appeal to the Supreme Court and made an order requiring PwC to file its Defence within two months of 11 January 2021. This deadline was subsequently extended. PwC subsequently applied directly to the Supreme Court for permission to appeal the Court of Appeal's decision. PwC's application for permission to appeal to the Supreme Court has yet to be determined. In the meantime, BTI's claim against PwC is progressing in the High Court. PwC served its defence on 22 April 2021 and filed it with the Court on 26 April 2021. A Case Management Conference has been listed in a window between 2 March 2022 and 4 March 2022 (inclusive).

An agreed stay is in place in respect of BTI's separate assigned claim against Freshfields Bruckhaus Deringer.

The sums Industries has paid under the Funding Agreement are subject to the reservation as set out above and ongoing adjustment. Clean-up costs can only be estimated in advance of the work being carried out and certain sums payable are the subject of ongoing US litigation.

In 2019, Industries paid £32 million in respect of clean-up costs. In 2020, Industries paid £2 million in respect of clean-up costs. In 2021, Industries paid a further £1.8 million in respect of clean-up costs. Industries is potentially liable for further costs associated with the clean-up. Industries has a provision of £62.3 million which represents the current best estimate of its exposure.

### **Kalamazoo**

NCR is also being pursued by Georgia-Pacific, a designated PRP in respect of the Kalamazoo River in Michigan, in relation to remediation costs caused by PCBs released into that river.

On 26 September 2013, the Michigan Court held that NCR was liable as a PRP on the basis that it had arranged for the disposal of hazardous material for the purposes of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA").

The second phase of the Kalamazoo trial to determine the apportionment of liability amongst PRPs took place between September and December 2015.

On 29 March 2018, Judge Jonker ordered that NCR pay 40 per cent. of Georgia-Pacific past costs (around US\$22 million (approximately £16.2 million)). The question of future remediation costs was not determined.

The parties commenced appeal proceedings against the judgment in July 2018. NCR also agreed an appeal bond with Georgia-Pacific to prevent enforcement of the judgment while it remained subject to appeal.

On 11 December 2019, NCR announced that it had entered into a Consent Decree with the US Government and the State of Michigan, pursuant to which it assumed liability for certain remediation work at the Kalamazoo River. This Consent Decree was approved by the District Court for the Western District of Michigan on 2 December 2020. The payments to be made on the face of the Consent Decree in respect of such work total approximately US\$245 million (approximately £181 million). The Consent Decree also provides for the withdrawal of NCR's appeal against Georgia-Pacific, and payment by NCR of the outstanding judgment against it of approximately US\$20 million (approximately £14.8 million) to Georgia-Pacific.

The quantum of the clean-up costs for the Kalamazoo River is presently unclear. It may well exceed the amounts which are payable on the face of the Consent Decree.

It is anticipated that NCR will look to Industries to pay 60 per cent. of any sums NCR becomes liable to pay pursuant to the Consent Decree on the basis, it would be asserted, that the river constitutes a 'Future Site' for the purposes of the Settlement Agreement. The Funding Agreement described above does not resolve any such claims, but does provide an agreed mechanism pursuant to which any surplus from the valuable recoveries of any third-party claims that remains after all Fox River-related clean-up costs have been paid and Industries and NCR have been made whole may be applied towards Kalamazoo clean-up costs, in the event that NCR were to be successful in any claim for a portion of them from Industries or Appvion (subject to Appvion's cap, described below). Industries has defences to any claims made by NCR in relation to the Kalamazoo River. No such claims have been made against Industries.

Industries also anticipates that NCR may seek to recover from Appvion (subject to a cap of US\$25 million (approximately £18.5 million)) for 'Future Sites' under the Funding Agreement. The basis of the recovery would be the same as any demand NCR may make on Industries. Appvion entered Chapter 11 bankruptcy protection on 1 October 2017. The effect of the Chapter 11 proceedings on Appvion's liability for Future Sites payments under the Funding Agreement is currently uncertain.

As detailed above, Industries is taking active steps to protect its interests, including seeking to procure the repayment of the Windward dividends, pursuing the other valuable claims that are now within its control, and working with the other parties to the Funding Agreement to maximise recoveries from third parties with a view to ensuring that amounts funded towards clean-up related costs are later recouped under the agreed repayment mechanisms under the Funding Agreement.

#### **Other environmental matters**

RAI and its subsidiaries are subject to federal, state and local environmental laws and regulations concerning the discharge, storage, handling and disposal of hazardous or toxic substances. Such laws and regulations provide for significant fines, penalties and liabilities, sometimes without regard to whether the owner or operator of the property or facility knew of, or was responsible for, the release or presence of hazardous or toxic substances. In addition, third parties may make claims against owners or operators of properties for personal injuries and property damage associated with releases of hazardous or toxic substances. In the past, RJRT has been named a PRP with third parties under CERCLA with respect to several superfund sites. RAI and its subsidiaries are not aware of any current environmental matters that are expected to have a material adverse effect on the business, results of operations or financial position of RAI or its subsidiaries.

#### **Criminal investigations**

From time to time, the Group investigates, and becomes aware of governmental authorities' investigations into, allegations of misconduct against Group companies. The Group cooperates with the authorities' investigations, where appropriate, including with the DOJ and OFAC in the United States, which are conducting an investigation into suspicions of breach of sanctions.

Potential fines, penalties or other consequences cannot currently be assessed. As the investigations are ongoing, it is not possible to identify the timescale in which these matters might be resolved.

#### **Closed litigation matters**

The following matters on which BAT reported in the contingent liabilities and financial commitments note 27 to the Group's 2020 financial statements have been dismissed, concluded or resolved as noted below:

<b>Matter</b>	<b>Jurisdiction</b>	<b>Companies named as Defendants</b>	<b>Description</b>	<b>Disposition</b>
Vuse Litigation (Illinois School Districts)	US	RAI, RJR Vapor, BAT, Lorillard LLC and LOEC Inc.	Public Nuisance	Voluntary dismissal by plaintiff
Brazil Associação de Defesa da Saúde do Fumante class action	Brazil	Souza Cruz	Class action	Superior Court of Justice certified decision in favour of defendants
UK Serious Fraud Office (SFO) investigation	UK	BAT, its subsidiaries, and associated persons	Investigation	SFO's announcement that the investigation had been closed
Perry	US	Investments	Individual case	Dormant/closed
Antimonopoly Committee of Ukraine	Ukraine	British American Tobacco Sales & Marketing Ukraine Limited Liability Company	Competition Investigation	Judgment of Supreme Court of Ukraine

### **General Litigation Conclusion**

While it is impossible to be certain of the outcome of any particular case or of the amount of any possible adverse verdict, the Group believes that the defences of the Group's companies to all these various claims are meritorious on both the law and the facts, and a vigorous defence is being made everywhere.

As indicated above, on 1 March 2019 the Quebec Court of Appeal released its appeal judgment. The trial judgment was largely upheld by a unanimous decision of the five-member panel including the requirement that the defendants deposit the initial deposits in their solicitors' trust accounts within 60 days. This is the only executory aspect of the judgment. In these circumstances BAT is of the view that it is more likely than not that there will be an outlay and it is reasonably estimable at CAD\$758 million (approximately £443 million), the amount of the initial deposit paid into court. If further adverse judgments are entered against any of the Group's companies in any case, avenues of appeal will be pursued. Such appeals could require the appellants to post appeal bonds or substitute security (as has been necessary in Quebec) in amounts which could in some cases equal or exceed the amount of the judgment. At least in the aggregate, and despite the quality of defences available to the Group, it is not impossible that the Group's results of operations or cash flows in any particular period could be materially adversely affected by the impact of a significant increase in litigation, difficulties in obtaining the bonding required to stay execution of judgments on appeal, or any final outcome of any particular litigation.

Having regard to all these matters, with the exception of the Quebec Class Actions, Fox River and certain *Engle* progeny cases identified above, the Group does not consider it appropriate to make any provision in respect of any pending litigation because the likelihood of any resulting material loss, on an individual case basis, is not considered probable and/or the amount of any such loss cannot be reasonably estimated.

Notwithstanding the negative decision in the Quebec Class Actions, the Group does not believe that the ultimate outcome of this litigation will significantly impair the Group's financial condition. If the facts and circumstances change and result in further unfavourable outcomes in the pending litigation, then there could be a material impact on the financial statements of the Group.

### **Other contingencies**

*JTI Indemnities.* By a purchase agreement dated 9 March 1999, amended and restated as of 11 May 1999, referred to as the 1999 Purchase Agreement, R.J. Reynolds Tobacco Holdings, Inc. ("RJR") and RJRT sold their international tobacco business to JTI. Under the 1999 Purchase Agreement, RJR and RJRT retained certain liabilities relating to the international tobacco business sold to JTI, and agreed to indemnify JTI against: (i) any liabilities, costs and expenses arising out of the imposition or assessment of any tax with respect to the international tobacco business arising prior to the sale, other than as reflected on the closing balance sheet; (ii) any liabilities, costs and expenses that JTI or any of its affiliates, including the acquired entities, may incur after the sale with respect to any of RJR's or RJRT's employee benefit and welfare plans; and (iii) any liabilities, costs and expenses incurred by JTI or any of its affiliates arising out of certain activities of Northern Brands.

RJRT has received claims for indemnification from JTI, and several of these have been resolved. Although RJR and RJRT recognise that, under certain circumstances, they may have other unresolved indemnification obligations to JTI under the 1999 Purchase Agreement, RJR and RJRT disagree what circumstances described in such claims give rise to any indemnification obligations by RJR and RJRT and the nature and extent of any such obligation. RJR and RJRT have conveyed their position to JTI, and the parties have agreed to resolve their differences at a later date.

*ITG Indemnity.* In the Divestiture, RAI agreed to defend and indemnify, subject to certain conditions and limitations, ITG in connection with claims relating to the purchase or use of one or more of the Winston, Kool, Salem or Maverick cigarette brands on or before 12 June 2015, as well as in actions filed before 13 June 2023, relating to the purchase or use of one or more of the Winston, Kool, Salem or Maverick cigarette brands. In the purchase agreement relating to the Divestiture, ITG agreed to defend and indemnify, subject to certain conditions and limitations, RAI and its affiliates in connection with claims relating to the purchase or use of 'blu' brand e-cigarettes. ITG also agreed to defend and indemnify, subject to certain conditions and limitations, RAI and its affiliates in actions filed after 12 June 2023, relating to the purchase or use of one or more of the Winston, Kool, Salem or Maverick cigarette brands after 12 June 2015. ITG has tendered a number of actions to RAI under the terms of this indemnity, and RAI has, subject to a reservation of rights, agreed to defend and indemnify ITG pursuant to the terms of the indemnity. RAI has tendered an action to ITG under the terms of this indemnity, and ITG has, subject to a reservation of rights, agreed to defend and indemnify RAI and its affiliates pursuant to the terms of the indemnity. These claims are substantially similar in nature and extent to claims asserted directly against RJRT in similar actions.

*Loews Indemnity.* In 2008, Loews Corporation ("Loews"), entered into an agreement with Lorillard Inc., Lorillard Tobacco, and certain of their affiliates, which agreement is referred to as the "Separation Agreement". In the Separation Agreement, Lorillard agreed to indemnify Loews and its officers, directors, employees and agents against all costs and expenses arising out of third-party claims (including, without limitation, attorneys' fees, interest, penalties and costs of investigation or preparation of defence), judgments, fines, losses, claims, damages, liabilities, taxes, demands, assessments, and amounts paid in settlement based on, arising out of or resulting from, among other things, Loews' ownership of or the operation of Lorillard and its assets and properties, and its operation or conduct of its businesses at any time prior to or following the separation of Lorillard and Loews (including with respect to any product liability claims). Loews is a defendant in three pending product liability actions, each of which is a putative class action. Pursuant to the Separation Agreement, Lorillard is required to indemnify Loews for the amount of any losses and any legal or other fees with respect to such cases. Following the closing of the Lorillard

merger, RJRT assumed Lorillard's obligations under the Separation Agreement as was required under the Separation Agreement.

*SFRTI Indemnity.* In connection with the 13 January 2016 sale by RAI of the international rights to the Natural American Spirit brand name and associated trademarks, along with SFR Tobacco International GmbH ("SFRTI") and other international companies that distributed and marketed the brand outside the United States, to JT International Holding BV ("JTI Holding"), each of SFNTC, R. J. Reynolds Global Products, Inc., and R. J. Reynolds Tobacco B.V. agreed to indemnify JTI Holding against, among other things, any liabilities, costs, and expenses relating to actions (i) commenced on or before (a) 13 January 2019, to the extent relating to alleged personal injuries, and (b) in all other cases, 13 January 2021; (ii) brought by (a) a governmental authority to enforce legislation implementing European Union Directive 2001/37/EC or European Directive 2014/40/EU or (b) consumers or a consumer association; and (iii) arising out of any statement or claim (a) made on or before 13 January 2016, (b) by any company sold to JTI Holding in the transaction, (c) concerning Natural American Spirit brand products consumed or intended to be consumed outside of the United States and (d) that the Natural American Spirit brand product is natural, organic, or additive-free. Under the terms of this indemnity, JTI has requested indemnification from Santa Fe Natural Tobacco Company Germany GmbH ("SFNTCG") in connection with an audit of SFNTCG relating to transfer pricing for the tax years 2007 to 2010 and 2012 to 2015. SFNTCG contests the audit results. The amount in dispute is approximately €21 million plus interest (approximately £17.6 million).

*Indemnification of Distributors and Retailers.* RJRT, Lorillard Tobacco, SFNTC, American Snuff Co. and RJR Vapor have entered into agreements to indemnify certain distributors and retailers from liability and related defence costs arising out of the sale or distribution of their products. Additionally, SFNTC has entered into an agreement to indemnify a supplier from liability and related defence costs arising out of the sale or use of SFNTC's products. The cost has been, and is expected to be, insignificant. RJRT, SFNTC, American Snuff Co. and RJR Vapor believe that the indemnified claims are substantially similar in nature and extent to the claims that they are already exposed to by virtue of their having manufactured those products.

Except as otherwise noted above, RAI is not able to estimate the maximum potential of future payments, if any, related to these indemnification obligations.

*Competition Investigations.* There are instances where Group companies are cooperating with relevant national competition authorities in relation to ongoing competition law investigations and/or engaged in legal proceedings at the appellate level, including (amongst others) in the Netherlands.

### **Tax disputes**

The Group has exposures in respect of the payment or recovery of a number of taxes. The Group is and has been subject to a number of tax audits covering, amongst others, excise tax, value added taxes, sales taxes, corporate taxes, withholding taxes and payroll taxes.

The estimated costs of known tax obligations have been provided in the Group's accounts in accordance with the Group's accounting policies. In some countries, tax law requires that full or part payment of disputed tax assessments be made pending resolution of the dispute. To the extent that such payments exceed the estimated obligation, they would not be recognised as an expense. While the amounts that may be payable or receivable in relation to tax disputes could be material to the results or cash flows of the Group in the period in which they are recognised, the Board does not expect these amounts to have a material effect on the Group's financial condition.

The following matters are in or may proceed to litigation:

## **Corporate taxes**

### *Brazil*

The Brazilian Federal Tax Authority has filed claims against Souza Cruz seeking to reassess the profits of overseas subsidiaries to corporate income tax and social contribution tax. The reassessments are for the years 2004 until and including 2012 for a total amount of BRL1,813 million (£240 million) to cover tax, interest and penalties.

Souza Cruz appealed all reassessments. Regarding the first assessments (2004-2006), Souza Cruz's appeals were rejected by the ultimate Administrative Court after which Souza Cruz filed two lawsuits with the Judicial Court to appeal the reassessments. The judgment in respect of the reassessment of corporate income tax has been decided in favour of Souza Cruz by the first level of the Judicial Court and Souza Cruz is waiting to see whether the Brazilian Tax Authorities will appeal the judgment. The lawsuit appealing the social contribution tax is pending judgment in the first level of the Judicial Court. The appeal against the second assessments (2007 and 2008) was upheld at the second tier tribunal and was closed. In 2015, a further reassessment for the same period (2007 and 2008) was raised after the five-year statute of limitation which has been appealed against.

Souza Cruz received further reassessments in 2014 for the 2009 calendar year and in 2015 an assessment for the 2010 calendar year. Souza Cruz appealed both the reassessments in full. In December 2016, assessments were received for the calendar years 2011 and 2012 which have also been appealed.

### *Netherlands*

The Dutch tax authority has issued a number of assessments on various issues across the years 2003-2016 in relation to various intra-group transactions. The assessments amount to an aggregate net liability across these periods of £1,146 million covering tax, interest and penalties. The Group has appealed against the assessments in full.

The Group believes that its companies have meritorious defences in law and fact in each of the above matters and intends to pursue each dispute through the judicial system as necessary. The Group does not consider it appropriate to make provision for these amounts nor for any potential further amounts which may be assessed in relation to these matters in subsequent years.

## **Indirect and other taxes**

### *Bangladesh*

On 25 July 2018, the Appellate Division of the Supreme Court of Bangladesh has reversed the decision of the High Court Division against British American Tobacco Bangladesh Company Limited ("BATB") in respect of the retrospective demands for VAT and Supplementary Duty amounting to approximately £154 million. On 3 February 2020, the certified Court Order was received. The Government filed a review petition on 25 March 2020 in the Appellate Division of the Supreme Court of Bangladesh against the judgment. On 9 December 2021, the review petitions were heard and the Appellate Division of the Supreme Court of Bangladesh dismissed the review petitions filed by the National Board of Revenue ("NBR") which resulted in BATB winning the cases against NBR.

In addition, in 2017, NBR passed a discriminatory special order fixing BDT 27 for local brands and BDT 35 for foreign brand cigarettes. After NBR passed the special order, it was highlighted to the Government that it was against the principles of foreign direct investment and against World Trade Organization practice. Subsequently, the Finance Minister directed that no action should be taken in this regard until the different issues raised were finalised. Later in 2018, the special order itself was repealed. AKTC (a local Bangladeshi tobacco manufacturer) filed a case against NBR to get a direction from the Court to implement the special order and reserve low segment for local industries. The judgment in the AKTC case was passed by the High Court Division verbally on 21 September 2020. The judgment revived the discriminatory regime

of VAT and Supplementary Duty (“SD”) between local and international/imported brands for the fiscal year 2017 - 2018. In light of the judgment, the Large Taxpayers' Unit (“LTU”) of National Board of Revenue by a notice asked BATB to show cause as to why BATB believed it should not be liable to pay £210 million as unpaid VAT and SD. Challenging the judgment, BATB filed and moved an appeal (known as the Civil Miscellaneous Petition for Leave to Appeal) before the Appellate Division of the Supreme Court of Bangladesh. On a preliminary hearing on 4 October 2020, the Appellate Division Judge in Chamber stayed operation of the judgment for eight weeks as an interim measure.

Since the judgment has been stayed, the operation of the show cause notice shall also be deemed to have been stayed. BATB has formally notified LTU of this on 12 October 2020. In the meantime, the judgment will remain stayed.

On 20 December 2020, BATB filed a Civil Petition for Leave to Appeal as directed by the Appellate Division Judge in Chamber. The judgment passed by the High Court Division will continue to remain stayed while the appeal remains pending at the Appellate Division of the Supreme Court of Bangladesh. So far, the appeal has not been listed for hearing.

### *Egypt*

British American Tobacco Egypt LLC (“BAT Egypt”) is subject to two ongoing civil cases concerning the imposition of sales tax on low-price category brands brought by the Egyptian tax authority for £88 million. Management believes that the tax claims are unfounded and has appealed the tax claims. These cases are under review by the Council of State. During hearings in August 2020, the courts decided, in both cases, to transfer the files to court appointed experts. One case (pertaining to the period from May 2008 to February 2009) was referred to a court-appointed expert who filed a report in January 2022. A hearing date has not yet been set. In the other case (pertaining to the period from March 2009 to June 2010), the expert has concluded his report and filed it with the court. In May 2021, a judgment was issued which acquitted BAT Egypt from all amounts related only to the period from March 2009 to October 2009. An appeal has been submitted to the Supreme Administrative Court to extend the acquittal to the rest of the disputed period. The appeal process is expected to take approximately two years.

### *South Korea*

In 2016, the Board of Audit and Inspection of Korea concluded its tax assessment in relation to the 2014 year-end tobacco inventory, and imposed additional national excise, local excise, VAT taxes and penalties. This resulted in the recognition of a KRW 80.7 billion (approximately £50 million) charge by Group subsidiaries, BAT Korea Ltd., Rothmans Far East B.V. Korea Branch Office and BAT Korea Manufacturing Ltd. Management deems the tax and penalties to be unfounded and has appealed to the tax tribunal against the assessment. On grounds of materiality and the likelihood of the tax and penalties being reversed in future, the Group classified the tax and penalties charge as an adjusting item in 2016.

On 23 August 2019, the trial court ruled in favour of Rothmans Far East B.V. Korea Branch Office on KRW 6.7 billion (approximately £4 million), the VAT portion of the assessment; appeals on the other elements of the assessment are still pending at Appeals Court. The Korean government appealed the ruling on 16 September 2019. On 16 April 2021, the Court of Appeals affirmed the ruling of the Trial Court. The government immediately appealed to the Supreme Court and the Supreme Court also affirmed the ruling of the Appeals Court on 26 August 2021. On 16 September 2021, Rothmans Far East B.V. Korea Branch Office duly received the amount litigated (VAT portion) including statutory interests (note 6).

### *Turkey*

In Turkey, BAT Tutun was subject to a series of tax audits mainly on inventory movements for the years 2015, 2016 and 2019. The final audit reports sought retrospective payment of additional tax with interest and penalties mostly based on alleged illegitimate intra-group forestalling relating to finished goods giving rise to further excise tax. In 2020 and 2021, BAT Tutun received a total tax assessment amounting to TRY

2.7 billion (approximately £151 million), of which, TRY 2.1 billion (approximately £120 million) related to tax and penalties and TRY 0.6 billion (approximately £31 million) related to late payment interest. In August 2021, BAT Tutun applied under the relevant tax amnesty law to settle its retrospective tax assessments. Based on the settlement through the tax amnesty procedure, BAT Tutun agreed to pay £47 million in 18 instalments from 1 November 2021 until 31 July 2024.

### *Brazil*

On 15 March 2017, the Brazilian Supreme Court ruled that for all taxpayers VAT (ICMS) should not be included in the calculation of social contribution taxes (PIS/Cofins) which are levied based on revenue. On 13 May 2021, the Supreme Court modulated the effects of the first decision handed down in 2017, stating that the taxpayers who filed a lawsuit by 15 March 2017 will be able to recover credits from the past five years.

The Group's Brazilian subsidiary, Souza Cruz, had filed an individual lawsuit to establish that it had overpaid taxes to the government. Based on favourable court decisions in 2020 and 2019 the Group has recognised £5 million in 2021 (2020: £58 million; 2019: £86 million) in other income representing management's best estimate of the amounts likely to be recovered at this time with the potential for further amounts in future periods.

If the ruling were to be enacted retrospectively for a period of five years, the potential asset is estimated to be around £480 million. During 2021, £130 million of the unrecognised contingent asset was sold to financial institutions for £45 million.

### **Commitments in relation to service contracts, non-capitalised leases**

The total future minimum payments under non-cancellable service contracts based on when payments fall due:

	2021	2020
	£m	£m
<b>Service contracts</b>		
Within one year	41	63
Between one and five years	81	17
Beyond five years	5	6
	127	86

Financial commitments arising from short-term leases and leases of low-value assets that are not capitalised under IFRS 16 Leases are £7 million (2020: £6 million) for property and £19 million (2020: £3 million) for plant, equipment and other assets.

### **Recent developments**

Subsequent to the approval of the BAT Annual Report 2021 by the Board of BAT on 10 February 2022 and the date of BAT's consolidated financial statements for the years ended 31 December 2021, 2020 and 2019, management are monitoring the military conflict involving Russia and Ukraine. In 2021, Russia and Ukraine accounted for 3 per cent. of Group revenue and a slightly lower proportion of adjusted profit from operations. The Group's primary focus is on the safety and wellbeing of its employees, with the Group employing approximately 3,500 people in total across the two countries. The Group manufactures cigarettes and glo consumables domestically in both Russia and Ukraine. On 11 March 2022, BAT

announced that it had initiated the process to rapidly transfer its Russian business in full compliance with international and local laws. Upon completion of the transfer, BAT will no longer have a presence in Russia.

#### **Deed of Guarantee**

Up to and including the Termination Date (as defined below), Notes issued under the Programme will be irrevocably and unconditionally guaranteed by RAI pursuant and subject to a deed of guarantee (the "Deed of Guarantee") dated 2 August 2017 (the "RAI Guarantee"). The RAI Guarantee will constitute an unconditional and irrevocable obligation of RAI, on a joint and several basis with the Guarantors, for the payment of all sums expressed to be payable from time to time by each Issuer in respect of Notes issued under the Programme on or after the date of the Deed of Guarantee up to and including the Termination Date (as defined below).

Without the consent of the Trustee, the Noteholders or the Guarantors, RAI will be automatically and unconditionally released from all obligations under the Deed of Guarantee, and the Deed of Guarantee shall thereupon terminate and be discharged and shall be of no further force or effect, if at any time the aggregate amount of indebtedness for borrowed money for which RAI is an obligor (as a guarantor or

borrower) does not exceed ten per cent. of the outstanding long term debt of BAT as reflected in the balance sheet included in BAT's most recent publicly released interim or annual consolidated financial statements (such date being the "Termination Date"), as evidenced by a certificate to such effect addressed to the Trustee and signed by a director of BAT (upon which certificate the Trustee shall be entitled to rely). The amount of RAI's indebtedness for borrowed money shall not include (A) its guarantee in respect of the Notes, (B) any other debt guaranteed by RAI the terms of which permit the termination of RAI's guarantee of such debt under similar circumstances as set out in the Deed of Guarantee, as long as RAI's obligations in respect of such other debt are terminated at substantially the same time as its guarantee of the Notes, (C) any debt issued or guaranteed by RAI that is being refinanced at substantially the same time as the release of the guarantee of the Notes pursuant to the Deed of Guarantee, provided that any obligations of RAI in respect of any debt that is incurred in any such refinancing shall be included in the calculation of RAI's indebtedness for borrowed money and (D) for the avoidance of doubt, any debt in respect of which RAI is an obligor (as a guarantor or borrower) (i) between or among BAT and any subsidiary or subsidiaries thereof or (ii) between or among any subsidiaries of BAT.

A Noteholder may inspect of a copy of the Deed of Guarantee during normal business hours at the head office of the Trustee.

## TERMS AND CONDITIONS OF THE NOTES

*The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. Part A of the applicable Final Terms in relation to any Tranche (as defined below) of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, complete the following Terms and Conditions for the purpose of such Notes. Part A of the applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Form of the Notes” for the form of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.*

This Note is one of a Series (as defined below) of Notes issued by B.A.T. International Finance p.l.c. (“**BATIF**”), B.A.T. Netherlands Finance B.V. (“**BATNF**”) or B.A.T Capital Corporation (“**BATCAP**”) as indicated in the applicable Final Terms (each in its capacity as the issuer of the Notes, the “**Issuers**” and, together with the other in its capacity as issuer of other notes, the “**Issuers**”) constituted by a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) dated 6 July 1998 made between, *inter alios*, each of BATIF, BATNF and BATCAP as an Issuer, and where it is not the Issuer of the Notes, as guarantor of notes issued by the other Issuers, British American Tobacco p.l.c. (“**British American Tobacco**”) as a guarantor and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include any successor as trustee). Each of BATIF, BATNF, BATCAP and British American Tobacco in its capacity as a guarantor is herein referred to as a “**Guarantor**” and all together in such capacities are herein referred to as the “**Guarantors**”. The Issuer and the Guarantors in relation to the Notes are specified in the applicable Final Terms (as defined below) and such expressions shall be construed accordingly.

References herein to the “**Notes**” shall be references to the Notes of this Series and shall mean:

- (i) in relation to any Notes represented by a global Note (a “**Global Note**”), units of each Specified Denomination in the Specified Currency;
- (ii) any Global Note; and
- (iii) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the “**Agency Agreement**”) dated 17 March 2022 and made between the same parties as are parties to the Trust Deed, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the “**Agent**”, which expression shall include any successor agent) and the other paying agent named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agent).

Interest bearing definitive Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (“**Coupons**”) and, if indicated in the applicable Final Terms, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms attached to or endorsed on this Note which supplement these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, complete these Terms and Conditions for the purposes of this Note. References to the

“**applicable Final Terms**” are to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Trustee acts for the benefit of the holders for the time being of the Notes (the “**Noteholders**”, which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the “**Couponholders**”, which expression shall, unless the context otherwise requires, include the holders of the Talons), in accordance with the provisions of the Trust Deed.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing and admission to trading) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series with an existing Tranche of Notes; and (ii) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed, the Agency Agreement and the applicable Final Terms are available for inspection during normal business hours at the registered office for the time being of the Trustee (being at the date of this Base Prospectus at Fifth Floor, 100 Bishopsgate, London EC2N 4AG) and at the specified office of each of the Paying Agents. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of and definitions contained in the Trust Deed.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of inconsistency between the Agency Agreement or the Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, “**euro**” means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

## 1 Form, Denomination and Title

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s) specified in the applicable Final Terms. Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions, the Trust Deed and the Agency Agreement are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The Issuer, the Guarantors and any Paying Agent will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking S.A. (“**Clearstream, Luxembourg**”), each person (other than

Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantors and the Paying Agents as the holder of such nominal amount of such Notes for all purposes, other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer, the Guarantors and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms, or as may otherwise be approved by the Issuer, the Guarantors, the Agent and the Trustee.

## 2 Status of the Notes and the Guarantee

### (a) *Status of the Notes*

The Notes and Coupons constitute direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank and will rank *pari passu* and without any preference among themselves and (subject as aforesaid and save to the extent that laws affecting creditors' rights generally in a bankruptcy or winding up may give preference to any of such other obligations) equally with all other present and future unsecured and unsubordinated obligations of the Issuer from time to time outstanding.

### (b) *Status of the Guarantee*

The payment of principal of, and interest on, the Notes together with all other amounts payable by the Issuer under or pursuant to the Trust Deed has been unconditionally and irrevocably and jointly and severally guaranteed in the Trust Deed by the Guarantors (other than the Issuer).

The obligations of each Guarantor under its guarantee constitute direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of the relevant Guarantor and (subject as aforesaid and save to the extent that laws affecting creditors' rights generally in a bankruptcy or winding up may give preference to any of such other obligations) rank and will rank equally with all other unsecured and unsubordinated obligations of the relevant Guarantor from time to time outstanding.

The Trust Deed contains a covenant on the part of the Issuers and the Guarantors in the event that any other company, the share capital of which is or is to be admitted to the official list of the Financial Conduct Authority under Part VI of the Financial Services and Markets Act 2000 (the “**Official List**”) and admitted to trading on the London Stock Exchange plc's main market (the “**Market**”), becomes the ultimate Holding Company of British American Tobacco, to procure that such other Holding Company shall become a guarantor under the Trust Deed, jointly and severally with the Guarantors, with effect from the later of (i) the date on which such other company becomes the ultimate Holding Company of British American Tobacco and (ii) the date on which the share capital of such other Holding Company is admitted to the Official List and admitted to trading on the Market. In such event, the term “**Guarantors**” herein shall be deemed to include such other Holding Company.

### 3 Negative Pledge

So long as any of the Notes remains outstanding (as defined in the Trust Deed) neither the Issuer nor any Guarantor will secure or allow to be secured any Quoted Borrowing or any payment under any guarantee by any of them of any Quoted Borrowing by any mortgage, charge, pledge or lien (other than arising by operation of law) upon any of its undertaking or assets, whether present or future, unless at the same time the same mortgage, charge, pledge or lien is extended, or security which is in the opinion of the Trustee not materially less beneficial to the Noteholders than the security given as aforesaid or which shall be approved by Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders is extended, or (as the case may be) created, in favour of the Trustee to secure equally and rateably the principal of, and interest on, and all other payments (if any) in respect of the Notes and under the Trust Deed.

For the purposes of this Condition 3, “**Quoted Borrowing**” means any indebtedness which (a) is represented by notes, debentures or other securities issued otherwise than to constitute or represent advances made by banks and/or other lending institutions; (b) is denominated, or confers any right to payment of principal and/or interest, in or by reference to any currency other than the currency of the country in which the issuer of the indebtedness has its principal place of business or is denominated, or confers any right to payment of principal and/or interest, in or by reference to the currency of such country but is placed or offered for subscription or sale by or on behalf of, or by agreement with, the issuer of such indebtedness as to over 20 per cent. outside such country; and (c) at its date of issue is, or is intended by the issuer of such indebtedness to become, quoted, listed, traded or dealt in on any stock exchange or other organised and regulated securities market in any part of the world.

### 4 Interest

#### (a) *Interest on Fixed Rate Notes*

The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4(a) for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify, as applicable, the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as otherwise provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount (if any) specified in the applicable Final Terms. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding amount of the Fixed Rate Notes represented by such Global Note; or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and in each case, multiplying such sum by the applicable Day Count Fraction.

The resultant figure (including after application of any Fixed Coupon Amount or Broken Amount to the Calculation Amount in the case of Fixed Rate Notes in definitive form) shall be rounded to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

**“Day Count Fraction”** means in respect of the calculation of an amount of interest in accordance with Condition 4(a):

- (i) if **“Actual/Actual (ICMA)”** is specified in the applicable Final Terms:
  - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **“Accrual Period”**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year; or
  - (B) in the case of Notes where the Accrual Period is longer than the Determination Period commencing on the last Interest Payment Date (or, if none, the Interest Commencement Date), the sum of:
    - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in one calendar year; and
    - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in one calendar year;
- (ii) if **“30/360”** is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and
- (iii) if **“Actual/365 (Fixed)”** is specified in the applicable Final Terms, the actual number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date divided by 365.

In these Terms and Conditions:

**“Determination Period”** means the period from (and including) a Determination Date to (but excluding) the next Determination Date.

**“sub-unit”** means, with respect to any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to Euro, means one cent.

(b) *Interest on Floating Rate Notes*

The applicable Final Terms contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4(b) for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify, as applicable, any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each “**Interest Period**” (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date) or the relevant payment date if the Floating Rate Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month in which the Specified Period falls after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or

- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, “**Business Day**” means a day (other than a Saturday or a Sunday) which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London and each Additional Business Centre (if any) specified in the applicable Final Terms; and
- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London and any Additional Business Centre and which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in Euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) System which was launched on 19 November 2007, or any successor thereto (the “**TARGET System**”) is operating.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as amended and updated as at the Issue Date of the first Tranche of the Notes and as published by the International Swaps and Derivatives Association, Inc. (the “**ISDA Definitions**”) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the euro-zone interbank offered rate (“**EURIBOR**”) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

- (B) For the purposes of this sub-paragraph (A), (i) “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**euro-zone**” have the meanings given to those terms in the ISDA Definitions and (ii) the definition of “**Banking Day**” in the ISDA Definitions shall be amended to insert after the words “are open for” in the second line thereof the word “general”. *Screen Rate Determination for Floating Rate Notes*
- (1) Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:
- (I) the offered quotation; or
- (II) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,
- (expressed as a percentage rate per annum) for the Reference Rate (being EURIBOR) which appears on the Relevant Screen Page as at 11.00 a.m. (Brussels time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations;
- (2) If the Relevant Screen Page is not available or, if in the case of sub-paragraph (B)(1)(I) above, no such offered quotation appears or, in the case of sub-paragraph (B)(1)(II) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph the Issuer shall request each of the several banks initially appointed as reference banks in relation to the Notes of any relevant Series and/or, if applicable, any Successor reference banks in relation thereto such banks being, the principal euro-zone office of four major banks in the euro-zone inter-bank market, in each case selected by the Issuer or as specified in the applicable Final Terms (each a “**Reference Bank**”, and together the “**Reference Banks**”) to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent; and
- (3) If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to the Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately 11.00

a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the euro-zone inter-bank market plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the relevant Issuer suitable for such purpose) informs the Agent it is quoting to leading banks in the euro-zone inter-bank market plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

(C) *Benchmark Discontinuation*

(1) Independent Adviser

Notwithstanding Conditions 4(b)(ii)(B)(2) and (3), if the Issuer determines that a Benchmark Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, the Issuer shall use its reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to advise the Issuer in determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(b)(ii)(C)(2)) and, in either case, an Adjustment Spread (in accordance with and subject to Condition 4(b)(ii)(C)(3)) and any Benchmark Amendments (in accordance with Condition 4(b)(ii)(C)(4)).

In advising the Issuer, the Independent Adviser appointed pursuant to this Condition 4(b)(ii)(C) shall act in good faith as an expert. In the absence of bad faith or fraud, the Independent Adviser shall have no liability whatsoever to the Issuer, the Trustee, the Paying Agents, the Noteholders or the Couponholders for any determination made by it or for any advice given to the Issuer in connection with any determination made by the Issuer pursuant to this Condition 4(b)(ii)(C).

If, following the occurrence of a Benchmark Event (i) the Issuer is unable to appoint an Independent Adviser; or (ii) the Issuer fails to determine a Successor Rate or, failing which, an Alternative Rate in accordance with this Condition 4(b)(ii)(C), in each case prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Rate of Interest shall be the initial Rate of Interest. Where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the

relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period shall be substituted in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period. For the avoidance of doubt, this paragraph shall apply to the determination of the Rate of Interest applicable to the next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(b)(ii)(C).

(2) Successor Rate or Alternative Rate

If the Issuer, following consultation with the Independent Adviser, determines that:

- (I) there is a Successor Rate, then such Successor Rate and (subject to Condition 4(b)(ii)(C)(3)) the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(b)(ii)(C)); or
- (II) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and (subject to Condition 4(b)(ii)(C)(3)) the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all relevant future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(b)(ii)(C)).

(3) Adjustment Spread

The Adjustment Spread (or the formula or methodology for determining the Adjustment Spread) shall be applied (subject to the proviso in the following sentence) to the Successor Rate or the Alternative Rate (as the case may be). If the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread.

(4) Benchmark Amendments

If any Successor Rate or Alternative Rate and, in either case (subject to Condition 4(b)(ii)(C)(3)), the applicable Adjustment Spread is determined in accordance with this Condition 4(b)(ii)(C) and the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines (a) that amendments to these Conditions, the Agency Agreement and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (b) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(b)(ii)(C)(5), without any requirement for the consent or approval of Noteholders, vary these Conditions, the Agency Agreement and/or the Trust

Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Issuer, but subject to receipt by the Trustee and the Agent of a certificate signed by one director of the Issuer pursuant to Condition 4(b)(ii)(C)(5), the Trustee and the Agent shall (at the request and expense of the Issuer), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Issuer in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a supplement to or document amending the Trust Deed and/or the Agency Agreement) and the Trustee and the Agent shall not be liable to any party for any consequence thereof, provided that the Trustee and the Agent shall not be obliged so to concur if in the opinion of the Trustee and the Agent doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the rights and/or the protective provisions afforded to the Trustee and the Agent (as applicable) in these Conditions, the Agency Agreement or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way.

In connection with any such variation in accordance with this Condition 4(b)(ii)(C)(4), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(5) Notices, etc.

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments determined under this Condition 4(b)(ii)(C) will be notified promptly by the Issuer to the Trustee, the Agent and, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee and the Agent of the same, the Issuer shall deliver to the Trustee and the Agent a certificate signed by one director of the Issuer:

- (I) confirming (a) that a Benchmark Event has occurred, (b) the Successor Rate or, as the case may be, the Alternative Rate, (c) the applicable Adjustment Spread and (d) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(b)(ii)(C); and
- (II) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread.

The Trustee and the Agent shall be entitled to rely on such certificate (without liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error or bad faith in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) and without prejudice to the Trustee's and Agent's ability to rely on such certificate as

aforesaid) be binding on the Issuer, the Trustee, the Agents, the Noteholders and the Couponholders. For the avoidance of doubt, neither the Trustee nor the Agent shall be liable to the Noteholders or any other person for so acting or relying on such certificate.

(6) Survival of Original Reference Rate

Without prejudice to the obligations of the Issuer under Condition 4(b)(ii)(C)(1), (2), (3) and (4), the Original Reference Rate and the fallback provisions provided for in Condition 4(b)(ii)(B) and Clause 9.2 of the Agency Agreement will continue to apply unless and until the Issuer determines that a Benchmark Event has occurred and the Trustee and the Agents have been notified of the Successor Rate or the Alternative Rate (as the case may be) and the Adjustment Spread (if applicable) and any Benchmark Amendments in accordance with this Condition 4(b)(ii)(C).

(7) Definitions

As used in this Condition 4(b)(ii)(C):

**“Adjustment Spread”** means either (a) a spread (which may be positive, negative or zero), or (b) a formula or methodology for calculating a spread, in each case to be applied (subject to Condition 4(b)(ii)(C)(3)) to the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (I) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- (II) if no such recommendation has been made, or in the case of an Alternative Rate, the Issuer, following consultation with the Independent Adviser, determines, is customarily applied to the relevant Successor Rate or the Alternative Rate (as the case may be) in international debt capital markets transactions to produce an industry-accepted replacement rate for the Original Reference Rate;
- (III) if neither (I) nor (II) above applies, the Issuer, following consultation with the Independent Adviser, determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be).

**“Alternative Rate”** means an alternative benchmark or screen rate which the Issuer, following consultation with the Independent Adviser, determines in accordance with Condition 4(b)(ii)(C)(2) is customarily applied in international debt capital markets transactions for the purposes of determining rates of interest (or the relevant component part thereof) for an interest period of comparable duration and in the same Specified Currency as the Notes or, if the Issuer (following consultation with the Independent Adviser) determines that there is no such rate, such other rate as the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, determines in its discretion is most comparable to the relevant Original Reference Rate.

**“Benchmark Amendments”** has the meaning given to it in Condition 4(b)(ii)(C)(4).

**“Benchmark Event”** means:

- (I) the Original Reference Rate ceasing to be published for a period of at least five Business Days or ceasing to exist; or
- (II) a public statement by the administrator of the Original Reference Rate that it has ceased or that it will cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate); or
- (III) a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been or will be permanently or indefinitely discontinued; or
- (IV) a public statement by the supervisor of the administrator of the Original Reference Rate as a consequence of which the Original Reference Rate will be prohibited from being used either generally, or in respect of the Notes; or
- (V) a public statement by the supervisor of the administrator of the relevant Original Reference Rate that, in the view of such supervisor, such Original Reference Rate is no longer representative of an underlying market; or
- (VI) it has become unlawful for any Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate,

provided that the Benchmark Event shall be deemed to occur (a) in the case of sub-paragraphs (II) and (III) above, on the date of the cessation of publication of the Original Reference Rate or the discontinuation of the Original Reference Rate, as the case may be, (b) in the case of sub-paragraph (IV) above, on the date of the prohibition of use of the Original Reference Rate and (c) in the case of sub-paragraph (V) above, on the date with effect from which the Original Reference Rate will no longer be (or will be deemed by the relevant supervisor to no longer be) representative of its relevant underlying market and which is specified in the relevant public statement, and, in each case, not the date of the relevant public statement.

**“Independent Adviser”** means an independent financial institution of international repute or an independent financial adviser, in each case, with appropriate expertise in capital markets appointed by the Issuer at its own expense under Condition 4(b)(ii)(C)(1) and notified in writing to the Trustee.

**“Original Reference Rate”** means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes.

**“Relevant Nominating Body”** means, in respect of a benchmark or screen rate (as applicable):

- (I) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- (II) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (b) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (c) a group of the aforementioned central banks or other supervisory authorities or (d) the Financial Stability Board or any part thereof.

**“Successor Rate”** means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body.

(D) *Linear Interpolation*

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms) or the relevant Floating Rate Option (where ISDA Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period, provided however, that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

**“Applicable Maturity”** means: (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate, and (b) in relation to ISDA Determination, the Designated Maturity.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note; or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest for any Interest Period:

- (A) if “**Actual/Actual**” or “**Actual/Actual (ISDA)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if “**Actual/365 (Fixed)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “**Actual/360**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (D) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“M1” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M2” is the calendar month, expressed as number, in which the day immediately following the last day included in the Interest Period falls;

“D1” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30; and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (E) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“M1” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“D1” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30; and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D2 will be 30

- (F) if “**30E/360 (ISDA)**” is specified hereon, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“M1” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“D1” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D1 will be 30; and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D2 will be 30; and

(G) if “**Actual/365 (Sterling)**” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366.

(v) *Notification of Rate of Interest and Interest Amounts*

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to trading (if the rules of that stock exchange or other relevant authority so require) and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than (a) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such stock exchange of a Rate of Interest and Interest Amount, or (b) in all other cases, the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to trading (if the rules of that stock exchange or other relevant authority so require) and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression “**London Business Day**” means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), by the Agent shall (in the absence of manifest error) be binding on the Issuer, the Guarantors, the Agent, the other Paying Agents, the Trustee and all Noteholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantors, the Trustee, the Noteholders or the Couponholders shall attach to the Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

## 5 Payments

### (a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

### (b) *Presentation of definitive Notes and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Where any definitive Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any definitive Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be prima facie evidence that the payment in question has been made.

(d) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, any Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, any Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the provisions of paragraph (a) above, if any amount of principal and/or interest in respect of Notes is payable in US dollars, such US dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in US dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in US dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantors, adverse tax consequences to the Issuer or the Guarantors.

(e) *Payment Day*

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day (other than a Saturday or a Sunday) which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in:
  - (A) in the case of definitive Notes only, the relevant place of presentation;

- (B) each Additional Financial Centre (if any) specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the TARGET System is operating.

(f) *Interpretation of principal and interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or pursuant to any undertaking or covenant to pay additional amounts given in addition thereto, or in substitution therefor, pursuant to the Trust Deed;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Clean-Up Redemption Amount (if any) of the Notes; and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or pursuant to any undertaking or covenant to pay additional amounts given in addition thereto, or in substitution therefor, pursuant to the Trust Deed.

## 6 Redemption and Purchase

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for tax reasons*

- (i) Where the Issuer is BATIF
  - (A) The provisions of this paragraph shall only apply where the Issuer is BATIF.
  - (B) The Notes may be redeemed in whole but not in part, at the option of the Issuer, at any time or, if the Notes are Floating Rate Notes, on any Interest Payment Date, upon not more than 30 nor less than 10 days' (or, in each case, such other number of days as specified in the applicable Final Terms) prior notice given in accordance with Condition 13 (which notice will be irrevocable), at their Early Redemption Amount referred to in paragraph (f) below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption, if the Issuer satisfies the Trustee that, as a result of any amendment to, or change in, the laws or regulations of the United Kingdom or any political subdivision or taxing authority thereof or therein affecting

taxation, or any amendment to or change in an official application or interpretation of such laws or regulations, which amendment or change becomes effective on or after the Issue Date of the first Tranche of the Notes, the Issuer will become obliged to pay any Additional Amounts pursuant to Condition 7(a) on the next succeeding Interest Payment Date in respect of the Notes; provided, however, that (1) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due and (2) at the time such notice of redemption is given, such obligation to pay such Additional Amounts remains in effect. Immediately prior to the publication of any notice of redemption pursuant to this paragraph (b)(i) the Issuer will deliver to the Trustee a certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the same in which event it shall be conclusive and binding on the Noteholders and the Couponholders. Upon the expiry of any notice of redemption pursuant to this paragraph (b)(i), the Issuer shall be bound to redeem the Notes as provided herein.

(ii) Where the Issuer is BATCAP

- (A) The provisions of this paragraph shall only apply where the Issuer is BATCAP.
- (B) The Notes may be redeemed in whole but not in part, at the option of the Issuer, at any time or, if the Notes are Floating Rate Notes, on any Interest Payment Date, upon not more than 30 nor less than 10 days' (or, in each case, such other number of days as specified in the applicable Final Terms) prior notice given in accordance with Condition 13 (which notice will be irrevocable), at their Early Redemption Amount referred to in paragraph (f) below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption, if the Issuer satisfies the Trustee that, as a result of any amendment to, or change in, the laws or regulations of the United States or any political subdivision or taxing authority thereof or therein affecting taxation, or any amendment to or change in an official application or interpretation of such laws or regulations, which amendment or change becomes effective on or after the Issue Date of the first Tranche of the Notes, the Issuer will become obliged to pay any Additional Amounts pursuant to Condition 7(b) on the next succeeding Interest Payment Date in respect of the Notes; provided, however, that (1) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts in respect of the Notes were a payment in respect of the Notes then due and (2) at the time such notice of redemption is given, such obligation to pay such Additional Amounts remains in effect. Immediately prior to the publication of any notice of redemption pursuant to this paragraph (b)(ii) the Issuer will deliver to the Trustee a certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the same in which event it shall be conclusive and binding on the Noteholders and the Couponholders. Upon the expiry of any notice of redemption pursuant to this paragraph (b)(ii), the Issuer shall be bound to redeem the Notes as provided herein.

(iii) Where the Issuer is BATNF

- (A) The provisions of this paragraph shall only apply where the Issuer is BATNF.

- (B) The Notes may be redeemed in whole but not in part, at the option of the Issuer, at any time or, if the Notes are Floating Rate Notes, on any Interest Payment Date, upon not more than 30 nor less than 10 days' (or, in each case, such other number of days as specified in the applicable Final Terms) prior notice given in accordance with Condition 13 (which notice will be irrevocable), at their Early Redemption Amount referred to in paragraph (f) below, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption, if, as a result of any amendment to, or change in, the laws or regulations of The Netherlands or any political subdivision or taxing authority thereof or therein affecting taxation, or any amendment to or change in an official application or interpretation of such laws or regulations, which amendment or change becomes effective on or after the Issue Date of the first Tranche of the Notes, the Issuer will become obliged to pay any Additional Amounts pursuant to Condition 7(c) on the next succeeding Interest Payment Date in respect of the Notes; provided, however, that (1) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such Additional Amounts were a payment in respect of the Notes then due and (2) at the time such notice of redemption is given, such obligation to pay such Additional Amounts remains in effect. Immediately prior to the publication of any notice of redemption pursuant to this paragraph (b)(iii) the Issuer will deliver to the Trustee a certificate stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the same in which event it shall be conclusive and binding on the Noteholders and the Couponholders. Upon the expiry of any notice of redemption pursuant to this paragraph (b)(iii), the Issuer shall be bound to redeem the Notes as provided herein.

(c) *Redemption at the option of the Issuer (Issuer Call)*

This Condition 6(c) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons), such option being referred to as an “**Issuer Call**”. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 6(c) for full information on any Issuer Call. In particular, the applicable Final Terms will identify, as applicable, the Optional Redemption Date(s), the Optional Redemption Amount (or, if applicable, that the Optional Redemption Amount(s) applicable to any Optional Redemption Date will be the Make-whole Amount), any minimum or maximum amount of Notes which can be redeemed and the applicable notice periods.

If Issuer Call is specified in the applicable Final Terms, the Issuer may (save in respect of any Notes in respect of which a Put Notice has been given pursuant to Condition 6(e)), having given:

- (i) not less than 10 nor more than 30 days' (or, in each case, such other number of days as specified in the applicable Final Terms) notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 10 days (or such shorter notice as such party shall accept) before the giving of the notice referred to in (i), notice to the Agent and the Trustee,

(which notices shall be irrevocable (other than in the circumstances set out below) and shall specify the date fixed for redemption) redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) applicable to such Optional Redemption Date together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such notice of redemption may, at the Issuer's discretion, be subject

to one or more conditions precedent, in which case such notice shall state that, in the Issuer's discretion, the Optional Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Issuer in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuer in its sole discretion) by the Optional Redemption Date, or by the Optional Redemption Date so delayed. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/ or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). Any such partial redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as specified in the applicable Final Terms. In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 14 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

If, in respect of any Optional Redemption Date, Make-whole Amount is specified in the applicable Final Terms as the Optional Redemption Amount, the Optional Redemption Amount per Note shall be equal to the higher of the following:

- (i) the nominal amount of the relevant Note; and
- (ii) the nominal amount of the relevant Note multiplied by the price (as reported in writing to the Issuer and the Trustee by the Determination Agent) expressed as a percentage (rounded to five decimal places, with 0.000005 being rounded upwards) at which the Gross Redemption Yield on the Notes on the Determination Date specified in the applicable Final Terms is equal to (A) the Gross Redemption Yield at the Quotation Time specified in the applicable Final Terms on the Determination Date of the Reference Bond specified in the applicable Final Terms (or, where the Determination Agent advises the Issuer and the Trustee that, for reasons of illiquidity or otherwise, such Reference Bond is not appropriate for such purpose, such other government stock as the Determination Agent may recommend) plus (B) any applicable Redemption Margin specified in the applicable Final Terms.

Any notice of redemption given under Condition 6(e) will override any notice of redemption given (whether previously, on the same date or subsequently) under this Condition 6(c).

In this Condition:

"**Determination Agent**" means the financial adviser appointed by the Issuer for the purpose of determining the Make-whole Amount; and

"**Gross Redemption Yield**" means a yield calculated in accordance with generally accepted market practice at such time, as advised to the Issuer and the Trustee by the Determination Agent.

(d) *Clean-Up Call Option*

If Clean-Up Call is specified in the applicable Final Terms and 80 per cent. or more in nominal amount of the Notes originally issued (which shall for this purpose include any further Notes issued pursuant to Condition 15) have been redeemed or purchased and cancelled, the Issuer may, having given:

- (i) not less than 10 nor more than 30 days' (or, in each case, such other number of days as specified in the applicable Final Terms) notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 10 days (or such shorter notice as such party shall accept) before the giving of the notice referred to in (i), notice to the Agent and the Trustee,

(which notice shall be irrevocable and shall specify the date fixed for redemption) redeem or, at the Issuer's option, purchase (or procure the purchase of) on any Interest Payment Date (if the relevant Note is a Floating Rate Note) or at any time (if the relevant Note is not a Floating Rate Note), all but not some only of the Notes then outstanding at the Clean-Up Redemption Amount specified in the applicable Final Terms together with interest accrued (if any) to (but excluding) the date fixed for redemption.

(e) *Redemption at the option of the Noteholders (Investor Put)*

This Condition 6(e) applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Noteholder, such option being referred to as an "**Investor Put**". The applicable Final Terms contains provisions applicable to any Investor Put and must be read in conjunction with this Condition 6(e) for full information on any Investor Put. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount and the applicable notice periods.

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not less than 10 nor more than 30 days' (or, in each case, such other number of days as specified in the applicable Final Terms) notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of a Note the holder of this Note must, if the relevant Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by the relevant Note or evidence satisfactory to the Paying Agent concerned that such Note will, following delivery of the Put Notice, be held to its order or under its control. If a Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of such Note the holder must, within the notice period, give notice to the Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository or common safekeeper, as the case may be, for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the relevant Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

(f) *Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 9, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price, at the amount specified in the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at their Early Redemption Amount equal to the sum of:
  - (A) the Reference Price; and
  - (B) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Notes become due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made (i) in the case of a Zero Coupon Note payable in a Specified Currency other than Sterling, on the basis of a 360-day year consisting of 12 months of 30 days each or (ii) in the case of a Zero Coupon Note payable in Sterling, on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed falls in a leap year, the sum of (x) the number of those days falling in a leap year divided by 366 and (y) the number of those days falling in a non-leap year divided by 365).

*(g) Purchases*

The Issuer, the Guarantors or any other subsidiary (as defined in the Trust Deed) of the Issuer or any Guarantor may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer or the relevant Guarantor, surrendered to any Paying Agent for cancellation.

*(h) Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (g) above (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

*(i) Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c), (d) or (e) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (f)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Note has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 13.

## 7 Taxation

### (a) *Where the Issuer is BATIF*

- (1) The provisions of this paragraph shall only apply where the Issuer is BATIF.
- (2) All payments of principal and interest by the Issuer or any Guarantor will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges (together, "**Taxes**") of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision thereof or any authority thereof or therein having power to levy the same unless such withholding or deduction is required by law. In that event, the Issuer or the relevant Guarantor (as the case may be) shall pay such amounts (the "**Additional Amounts**") as will result in the receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such Taxes been required to be withheld or deducted; provided that no such Additional Amounts will be payable in respect of Notes or Coupons:
  - (i) presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such withheld or deducted Taxes by reason of his having some connection with the United Kingdom other than the mere holding of a Note or Coupon; or
  - (ii) to, or to a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in the United Kingdom, unless such holder proves that he is not entitled so to comply or to make such declaration or claim; or
  - (iii) presented for payment in the United Kingdom; or
  - (iv) presented for payment more than 30 days after the Relevant Date except to the extent that a Noteholder or Couponholder would have been entitled to payment of such Additional Amounts if he had presented his Note or Coupon for payment on the thirtieth day after the Relevant Date.

### (b) *Where the Issuer is BATCAP*

- (1) The provisions of this paragraph shall only apply where the Issuer is BATCAP.
- (2) All payments of principal and interest by the Issuer or any Guarantor will be made without withholding or deduction for or on account of any Taxes of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United States or any political subdivision thereof or any authority thereof or therein having power to levy the same unless such withholding or deduction is required by law. In that event, the Issuer or the relevant Guarantor (as the case may be) shall pay such Additional Amounts as will result in the receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such Taxes been required to be withheld or deducted; provided that the foregoing obligations shall not apply to:
  - (i) any such Taxes which would not have been so imposed but for (i) the existence of any present or former connection between the holder (or between a fiduciary, settlor, beneficiary, member or shareholder of or possessor of a power over such holder, if such holder is an estate, a trust, a partnership or a corporation) and the United States, including, without limitation, such holder (or such fiduciary, settlor, beneficiary, member, shareholder or possessor) being or having been a citizen or resident thereof, or being or having been engaged in a trade or business therein or being or having been present therein, or having or having had a permanent establishment therein, or

- (ii) such holder's present or former status as a personal holding company, passive foreign investment company, controlled foreign corporation or private foundation or other tax-exempt organisation (in each case, for United States federal income tax purposes), or as a corporation which accumulates earnings to avoid United States federal income taxes;
- (ii) any such Taxes which would not have been so imposed but for the presentation of a Note or Coupon for payment more than 30 days after the Relevant Date except to the extent that a Noteholder or Couponholder would have been entitled to payment of such Additional Amounts if he had presented his Note or Coupon for payment on the thirtieth day after the Relevant Date;
- (iii) any estate, inheritance, gift, sales, transfer or personal property Taxes or any similar Taxes;
- (iv) any such Taxes which would not have been imposed but for the failure to comply with certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connection with the United States of the holder of a Note or Coupon, if such compliance is required by statute, by regulation of the United States Treasury Department or by an applicable income tax treaty to which the United States is a party as a precondition to relief or exemption from such Taxes;
- (v) any such Taxes which are payable otherwise than by deduction or withholding from payments in respect of a Note or Coupon;
- (vi) any such Taxes imposed on interest received by a ten per cent. shareholder of the Issuer within the meaning of Section 871(h)(3)(B) or Section 881(c)(3)(B) of the United States Internal Revenue Code of 1986, as amended (the "**Code**") (or any amended or successor provisions);
- (vii) any such Taxes imposed by reason of a holder of a Note or Coupon being or having been a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business, as described in Section 881(c)(3)(A) of the Code (or any amended or successor provisions);
- (viii) any backup withholding imposed pursuant to Section 3406 of the Code (or any amended or successor provisions);
- (ix) any such Taxes imposed pursuant to Section 871(h)(6) or 881(c)(6) of the Code (or any amended or successor provisions); and
- (x) any combination of clauses (i) to (ix) above;

nor will any Additional Amounts be paid in respect of a Note or Coupon to any holder who is not a United States Alien or to any United States Alien who is a fiduciary or partnership or person other than the sole beneficial owner of any such payment, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such a partnership or the beneficial owner would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the holder of such Note or Coupon. The term "**United States Alien**" means any person who, for United States federal income tax purposes, is a foreign corporation, a non-resident alien individual, a non-resident alien fiduciary of a foreign estate or trust or a foreign partnership any partner of which is for United States federal income tax purposes a foreign corporation, a non-resident alien individual, a non-resident alien fiduciary of a foreign estate or trust or any such foreign partnership.

- (c) *Where the Issuer is BATNF*
- (1) The provisions of this paragraph shall only apply where the Issuer is BATNF.
  - (2) All payments of principal and interest by the Issuer or any Guarantor will be made without withholding or deduction for or on account of any Taxes of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of The Netherlands or any political subdivision thereof or any authority thereof or therein having power to levy the same unless such withholding or deduction is required by law. In that event, the Issuer or the relevant Guarantor (as the case may be) shall pay such Additional Amounts as will result in the receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such Taxes been required to be withheld or deducted; provided that no such Additional Amounts will be payable in respect of Notes or Coupons:
    - (i) presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such withheld or deducted Taxes by reason of his having some connection with The Netherlands other than the mere holding of a Note or Coupon; or
    - (ii) to, or to a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in The Netherlands, unless such holder proves that he is not entitled so to comply or to make such declaration or claim; or
    - (iii) presented for payment in The Netherlands; or
    - (iv) presented for payment more than 30 days after the Relevant Date except to the extent that a Noteholder or Couponholder would have been entitled to payment of such Additional Amounts if he had presented his Note or Coupon for payment on the thirtieth day after the Relevant Date; or
    - (v) to, or to another party on behalf of, a holder if such Additional Amounts are payable for or on account of any Taxes imposed or to be withheld in The Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*).
- (d) The Trust Deed contains provisions (*mutatis mutandis*) to those contained in paragraphs (a), (b) and (c) above in relation to the relevant taxing jurisdiction of each Guarantor.
- (e) Notwithstanding any other provision of these Terms and Conditions, any amounts to be paid on any Note or Coupon by or on behalf of the relevant Issuer will be paid net of any deduction or withholding imposed under Sections 1471 through 1474 of the Code (or any amended or successor provisions), including any regulations thereunder or official interpretations thereof, or required pursuant to an agreement described in Section 1471(b) of the Code or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation of any of the foregoing (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the relevant Issuer nor any Guarantor nor any other person will be required to pay any Additional Amounts in respect of FATCA Withholding.
- (f) For the purpose of this Condition 7, “**Relevant Date**” means, in respect of any payment, the date on which such payment became due and payable or the date on which payment thereof was duly provided for, whichever occurs the later.

## 8 Prescription

The Notes and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

## 9 Events of Default

- (a) The Trustee at its discretion may, and if so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to being indemnified to its satisfaction), (provided that, except in the case of the happening of any of the events mentioned in paragraph (i) below, the Trustee shall have certified in writing to the Issuer that, in its opinion, such event is materially prejudicial to the interests of the Noteholders) give notice to the Issuer that the Notes are, and they shall thereupon immediately become, due and repayable at their Early Redemption Amount referred to in Condition 6(f), together with accrued interest as provided in the Trust Deed, if any of the following events occurs and is continuing (each, an “**Event of Default**”):
- (i) default is made for a period of seven days or more in the payment on the due date of any principal on the Notes or any of them or for a period of 14 days or more in the payment of any interest due in respect of the Notes or any of them; or
  - (ii) default is made by the Issuer or any Guarantor in the performance or observance of any covenant or provision binding on it under or pursuant to the Trust Deed or the Notes (other than a covenant for the payment of principal or interest due on or in respect of the Notes) and (except where the Trustee considers such default to be incapable of remedy when no notice as is referred to below is required, and for this purpose, something shall remain capable of remedy notwithstanding that it was required to have been previously done) such default continues on the thirtieth day after service by the Trustee on the Issuer or, as the case may be, the relevant Guarantor of written notice requiring the same to be remedied (or such later date as the Trustee may permit); or
  - (iii) any other Borrowed Moneys Indebtedness (as defined below) of either the Issuer or any Guarantor becomes due and repayable by reason of any event of default (howsoever described) prior to its stated date of payment or any other Borrowed Moneys Indebtedness of either the Issuer or any Guarantor is not paid within the longer of seven days of its due date or any applicable grace period therefor (and for such purpose there shall be deemed to be a grace period of not less than seven days in respect of any obligation under any guarantee or indemnity or otherwise as surety), provided that no such event shall constitute an Event of Default unless the Borrowed Moneys Indebtedness either (a) in any particular case amounts to at least £50,000,000 or the equivalent thereof in any other currency, or (b) when aggregated with other Borrowed Moneys Indebtedness then so due and repayable or not so paid amounts to at least £200,000,000 or the equivalent thereof in any other currency; or
  - (iv) where the Issuer or any Guarantor is incorporated in England and Wales:
    - (A) an order is made or an effective resolution is passed for the winding-up of the Issuer or a relevant Guarantor, or any similar action is taken in any other jurisdiction; or

- (B) a distress or execution or other legal process is levied or enforced against or an encumbrancer takes possession of or a receiver, administrative receiver or other similar officer is appointed of the whole or a part of its assets which is substantial in relation to the Group (as defined below) taken as a whole and is not discharged, stayed, removed or paid out within 45 days after such execution or appointment; or
  - (C) an administration order is made in relation to the Issuer or a relevant Guarantor which is not discharged, stayed or removed within 45 days of such order being made; or
- (v) where the Issuer or the relevant Guarantor is BATCAP:
- (A) a decree or order by a court having jurisdiction is entered adjudging BATCAP a bankrupt or insolvent, or approving as properly filed a petition seeking reorganisation of BATCAP under the United States Bankruptcy Code or any other similar federal or state applicable law, and such decree or order is continued undischarged and unstayed for a period of 45 days; or
  - (B) a decree or order of a court having jurisdiction for the appointment of a receiver or liquidator or trustee or assignee in bankruptcy or insolvency of BATCAP is entered in respect of the whole of its property or a part thereof, which is substantial in relation to the Group taken as a whole, or for the winding-up or liquidation of its affairs, and such decree or order is continued and undischarged and unstayed for a period of 45 days; or
  - (C) BATCAP institutes proceedings to be adjudicated a voluntary bankrupt, or consents to the filing of a bankruptcy proceeding against it, or files a petition or answer or consent seeking reorganisation under the United States Bankruptcy Code or any other similar federal or state applicable law, or consents to the filing of any such petition, or consents to the appointment of a receiver or liquidator or trustee or assignee in bankruptcy or insolvency of it or of the whole of its property or a part thereof (which part is substantial in relation to the Group taken as a whole) or consents to the winding-up or liquidation of its affairs;

(the terms used in this sub-paragraph (v) shall be construed as they would be in the context of a proceeding instituted and conducted pursuant to the United States Bankruptcy Code or any other similar Federal or state applicable law); or

- (vi) where the Issuer or the relevant Guarantor is BATNF:
- (A) an order is made or an effective resolution is passed for the winding-up of BATNF or any similar action is taken in any other jurisdiction, including, without limitation, an application being made by BATNF for a '*surseance van betaling*' (within the meaning of The Netherlands Bankruptcy Code (*Faillissementswet*)); or
  - (B) a distress or execution or other legal process is levied or enforced against or an encumbrancer takes possession of or a receiver, administrative receiver or other similar officer is appointed of the whole or a part of its assets which is substantial in relation to the Group taken as a whole and is not discharged, stayed, removed or paid out within 45 days after such execution or appointment; or
  - (C) an administration order is made in relation to BATNF which is not discharged, stayed or removed within 45 days of such order being made; or

- (vii) either the Issuer or any Guarantor:
  - (A) admits in writing its inability to pay its debts generally as they fall due or makes or enters into a general assignment or composition with or for the benefit of its creditors generally; or
  - (B) stops or threatens to stop payment of its obligations generally or ceases or threatens to cease to carry on its business (except in either case for the purposes of amalgamation, reconstruction or corporate reorganisation, the terms of which shall have been previously approved by the Trustee in writing or by an Extraordinary Resolution of the Noteholders); or
- (viii) for any reason whatsoever any guarantee ceases to be binding on and enforceable against the relevant Guarantor other than with the prior written consent of the Trustee or the sanction of an Extraordinary Resolution of the Noteholders.

For this purpose, “**Borrowed Moneys Indebtedness**” means, in relation to any person, any obligation (whether incurred as principal or as surety) for the payment or repayment of money, whether present or future, actual or contingent comprising or constituted by:

- (A) any liability to repay the principal of or to pay interest on borrowed money or deposits; or
- (B) any liability (i) under or pursuant to any (a) letter of credit, (b) acceptance credit facility or (c) note purchase facility; or (ii) in relation to (a) any foreign currency transaction or (b) any liability in respect of any purchase price for property or services payment of which is deferred for a period in excess of 180 days after the later of taking possession or becoming the legal owner thereof; or (iii) with regard to any guarantee or indemnity in respect of repayment of obligations as referred to in (i) and (ii) above or of any other borrowed money,

provided that nothing in Condition 9(a)(iv), (v), (vi) or (vii) shall apply to any matter or event resulting from or in connection with a disposal or divestiture of all or part of the interests in financial services businesses of the Group or any reconstruction, amalgamation or corporate reorganisation (or any similar action in any other jurisdiction), the terms of which shall have been approved by the Trustee in writing or by an Extraordinary Resolution of the Noteholders.

For the purposes of these Terms and Conditions, “**Group**” means British American Tobacco and its Subsidiaries together with its or their ultimate Holding Company (if any) (as defined in the Trust Deed) and any such ultimate Holding Company’s Subsidiaries.

- (b) At any time after the Notes become due and repayable pursuant to paragraph (a) of this Condition the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or any Guarantor as it may think fit to enforce payment of the Notes, but it shall not be bound to take any such proceedings unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in principal amount of the Notes outstanding and (ii) it shall have been indemnified to its satisfaction. No Noteholder or Couponholder may proceed directly against the Issuer or any relevant Guarantor unless the Trustee, having become bound to proceed, fails to do so within a reasonable period and such failure is continuing.

## 10 Replacement of Notes, Coupons and Talons

Should any Note Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be

incurred in connection therewith and on such terms as to evidence and indemnity the Issuer may reasonably require. Mutilated or defaced Notes Coupons or Talons must be surrendered before replacements will be issued.

## 11 Agents

The names of the initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (i) there will at all times be an Agent;
- (ii) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or any other relevant authority; and
- (iii) there will at all times be a Paying Agent with a specified office in a city approved by the Trustee in Western Europe outside the United Kingdom and The Netherlands.

In addition, the Issuer and the Guarantors shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and the Guarantors and, in certain circumstances specified therein, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders.

## 12 Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

## 13 Notices

All notices regarding the Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that such publication will be made in the *Financial Times* in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules

of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or other relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

#### **14 Meetings of Noteholders, Modification and Waiver**

The Trust Deed contains provisions for convening meetings (including by way of audio or video conference call) of the Noteholders to consider any matter affecting their interests, including the sanctioning by an Extraordinary Resolution of a modification of the Notes, the Coupons or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer, any Guarantor or the Trustee and shall (subject to being indemnified and/or secured and/or pre-funded to its satisfaction) be convened by the Trustee upon a request by Noteholders holding not less than ten per cent. in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes or Coupons or the Trust Deed (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes or Coupons) the quorum shall be one or more persons holding or representing not less than three-fourths in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-fourth in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Couponholders. Notwithstanding the foregoing, a resolution by way of electronic consents or in writing signed by persons holding or representing not less than 75 per cent. of the nominal amount of the Notes for the time being outstanding shall for all purposes be as valid and effective as an Extraordinary Resolution passed at a meeting of the Noteholders duly convened and held in accordance with the provisions contained in the Trust Deed.

The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed, or determine, without any such consent as aforesaid, that any Event of Default or Potential Event of Default (as defined in the Trust Deed) shall not be treated as such, which in any such case is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders or may agree, without any such consent as aforesaid, to any modification which is of a formal, minor or technical nature, to correct a manifest error or to comply with mandatory provisions of applicable law. In addition, the Trustee shall be obliged to concur with the Issuer in effecting any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4(b)(C)(4) without the consent of the Noteholders or the Couponholders.

The Trustee may also agree without the consent of the Noteholders or Couponholders, to the substitution (i) in place of the Issuer as the principal debtor under the Notes and the Trust Deed of any Guarantor or any successor in business or Holding Company of any Guarantor or any other subsidiary of any Guarantor, such successor in business or such Holding Company provided that all payments in respect of the Notes

continue to be unconditionally and irrevocably guaranteed by each Guarantor or the successor in business or Holding Company of each Guarantor in the manner provided in the Trust Deed (or, where a Guarantor or its successor in business or Holding Company is the new principal debtor, by the other Guarantors or their successors in business or Holding Companies); or (ii) in place of any Guarantor as guarantor of the Notes under the Trust Deed, of any successor in business or Holding Company of any Guarantor. In the case of any proposed substitution, the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons and/or the Trust Deed, provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

Any such modification, waiver, authorisation, determination or substitution shall be binding on the Noteholders and the Couponholders and, unless the Trustee otherwise agrees, any such modification or substitution shall be notified to the Noteholders in accordance with Condition 13 as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, any Guarantor, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 7 and/or any undertaking given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

## 15 Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series where the Trustee so decides.

## 16 Indemnification of the Trustee and its Contracting with the Issuer and the Guarantors

The Trust Deed contains provisions for the indemnification, the prefunding and/or the provision of security for the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured and/or prefunded to its satisfaction.

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (i) to enter into business transactions with the Issuer and/or any Guarantor and/or any Subsidiaries of any of them and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any Guarantor and/or any Subsidiaries of any of them, (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Couponholders, and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

## 17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.

## 18 Governing Law and Submission to Jurisdiction

- (a) The Trust Deed, the Notes and the Coupons, and any non-contractual obligations arising out of or in connection with them, are governed by, and shall be construed in accordance with, English law.
- (b) Each of the parties to the Trust Deed has in the Trust Deed irrevocably agreed that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with them) and that accordingly any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with the Trust Deed, the Notes and the Coupons (including any proceedings relating to any non-contractual obligations arising out of or in connection with them) may be brought in such courts.
- (c) Each of the parties to the Trust Deed has in the Trust Deed irrevocably and unconditionally waived any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and further irrevocably and unconditionally agreed that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.
- (d) Nothing contained in this Condition shall limit any right to take Proceedings against any of the parties to the Trust Deed in any other court of competent jurisdiction (outside the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982, as amended), nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.
- (e) Each of BATNF and BATCAP has in the Trust Deed appointed British American Tobacco at its registered office for the time being (being at the date of this Base Prospectus at Globe House, 4 Temple Place, London WC2R 2PG) as its agent for service of process, and undertaken that, in the event of British American Tobacco ceasing so to act or ceasing to be registered in England, each of BATNF and BATCAP will appoint another person as its agent for service of process in England in respect of any Proceedings.
- (f) Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

### PART A – CONTRACTUAL TERMS

**[MiFID II product governance/Professional investors and ECPs only target market]** – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “MiFID II”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. [*Consider any negative target market*]. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

**[UK MiFIR product governance/Professional investors and ECPs only target market]** – Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“COBS”), and professional clients as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“UK MiFIR”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. [*Consider any negative target market*]. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturer[’s/s’] target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer[’s/s’] target market assessment) and determining appropriate distribution channels.]

**Prohibition of Sales to EEA Retail Investors** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97 (the “Insurance Distribution Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the “Prospectus Regulation”). Consequently, no key information document required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been

prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

**Prohibition of Sales to UK Retail Investors** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“UK”). For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the “FSMA”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

**[Singapore Securities and Futures Act Product Classification** – In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (2020 Revised Edition) (the “SFA”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “CMP Regulations 2018”), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are [prescribed capital markets products]/[capital markets products other than prescribed capital markets products] (as defined in the CMP Regulations 2018) and [are] [Excluded] / [Specified] Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).]<sup>1</sup>

## FORM OF THE NOTES

The Notes of each Series will be in bearer form, with or without Coupons and Talons attached, but will be issued so as to be in registered form for United States federal income tax purposes. Accordingly, as further described below, Noteholders will only be entitled to obtain definitive Notes in bearer form upon the occurrence of an Exchange Event (as defined below).

Each Tranche of Notes will be initially issued in the form of a permanent global note (a "Global Note"). The relevant Global Note will be delivered on or prior to the original issue date of the Tranche (if the relevant Global Note is an NGN) to a Common Safekeeper for Euroclear and Clearstream, Luxembourg or (if the relevant Global Note is a CGN) to a Common Depository for Euroclear and Clearstream, Luxembourg.

Each Global Note, definitive Notes and Talon will include a legend which states that the Notes have not been and are not required to be registered under the Securities Act, or with any securities regulatory authority of any state or other jurisdiction of the United States and that the Notes may not be offered, sold or otherwise transferred in the absence of such registration or unless such transaction is exempt from, or not subject to, such registration. Such legend will further state that the Notes are being offered and sold outside the United States in compliance with Regulation S promulgated under the Securities Act and that the Notes may not be offered, sold or otherwise transferred within the United States or to or for the account or benefit of US persons (i) as part of their distribution at any time, or (ii) until 40 days after the completion of the distribution of all notes of the tranche of which those notes are a part, as determined and certified to the Dealers or, in the case of notes issued on a syndicated basis, the lead manager, by the Agent, except in either case in accordance with Regulation S under the Securities Act. Terms used in such legend will have the meanings given to them by Regulation S.

If the relevant Global Note is stated in the applicable Final Terms to be issued in NGN form, on or prior to the original issue date of the Tranche, the Global Note will be delivered to a common safekeeper and the applicable Final Terms will set out whether or not the Notes are intended to be held as eligible collateral for Eurosystem monetary policy and intra day credit operations by the Eurosystem. The fact that Notes are intended to be held in a manner which would allow Eurosystem eligibility simply means that the Notes are intended upon issue to be deposited with one of Euroclear and Clearstream, Luxembourg as Common Safekeeper and does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon the European Central Bank being satisfied that Eurosystem eligibility criteria have been met.

If the relevant Global Note is a CGN, upon the initial deposit of a Global Note with the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the relevant Global Note is an NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the relevant Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Payments of principal, interest (if any) or any other amounts on a Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Global Note if the Global Note is a CGN).

If the relevant Global Note is a CGN, a record of each payment so made will be endorsed on the Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. If the Global Note is an NGN, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented

by the Global Note will be reduced accordingly. Payments under the NGN will be made to its holder. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge.

The applicable Final Terms will specify that a Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, Coupons and Talons attached only upon the occurrence of an Exchange Event. For these purposes, "Exchange Event" means that (i) both Euroclear and Clearstream, Luxembourg have terminated their businesses without a successor clearing organisation being available or (ii) the relevant Issuer has requested the issuance of definitive Notes upon a change in tax law that would be adverse to such Issuer but for the issuance of definitive Notes in bearer form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 13 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (ii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not later than 60 days after the date of receipt of the first relevant notice by the Agent. The following legend will appear on all definitive Notes, Coupons and Talons in bearer form with a maturity of more than one year:

**"Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code."**

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, Coupons or Talons in bearer form and will not be entitled to capital gains treatment on any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, Coupons or Talons.

Notes which are represented by a Global Note will only be transferable to a successor clearing organisation subject to the same terms, in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under "Terms and Conditions of the Notes" above) the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the relevant Issuer, the relevant Guarantors and their agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the relevant Issuer, the relevant Guarantors and their agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions "Noteholder" and "holder of Notes" and related expressions shall be construed accordingly.

Any reference in this Base Prospectus to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system

specified in the applicable Final Terms or as may otherwise be approved by the Obligors, the Agent and the Trustee.

No Noteholder or Couponholder shall be entitled to proceed directly against the Issuers or the Guarantors unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

## TAXATION

### United Kingdom

The following is a general summary of the Issuers' understanding of certain aspects of current United Kingdom tax law as applied in England and Wales and published HM Revenue & Customs ("HMRC") practice (which may not be binding on HMRC) relating only to the United Kingdom withholding tax treatment of payments of interest (as that term is understood for United Kingdom tax purposes) in respect of the Notes and is not intended to be exhaustive. The following assumes that there will be no substitution of any Issuer and does not address the consequences of any such substitution (notwithstanding that such substitution may be permitted by the terms and conditions of the Notes). It relates only to persons who are the absolute beneficial owners of Notes and related Coupons and may not apply to certain classes of persons such as dealers or certain professional advisors. It does not necessarily apply where the income is deemed for tax purposes to be the income of any other person.

Any Noteholders who are in any doubt as to their tax position or who may be subject to tax in any jurisdiction other than the United Kingdom should seek independent professional advice without delay.

#### **Withholding Tax on Interest Paid by BATIF as Issuer**

Payments of interest made in respect of Notes issued by BATIF ("UK Notes") which carry a right to interest and are and continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007 may be made without withholding or deduction for or on account of United Kingdom income tax (the "Quoted Eurobond exemption").

The main market of the London Stock Exchange is a recognised stock exchange for these purposes. Securities will be treated as listed on the main market of the London Stock Exchange if they are included in the Official List (within the meaning of, and in accordance with, the provisions of Part VI of the FSMA) of the FCA and admitted to trading on the main market of the London Stock Exchange.

Payments of interest in respect of UK Notes issued for a term of less than one year (and which are not issued under a scheme or arrangement the intention or effect of which is to render the UK Notes capable of being part of a borrowing with a total term of one year or more) may also be paid by BATIF without withholding or deduction for or on account of United Kingdom income tax.

In other cases an amount must generally be withheld from payments of interest by BATIF on UK Notes that have a United Kingdom source on account of United Kingdom income tax at the basic rate (currently 20 per cent.) subject to the availability of other exemptions and reliefs under domestic law, or to any direction to the contrary from HMRC in respect of such reliefs as may be available under the provisions of an applicable double taxation treaty.

If UK Notes are issued at a discount to their principal amount, any such discount element should not generally be subject to any withholding or deduction for or on account of United Kingdom income tax. If UK Notes are redeemed at a premium to their principal amount (as opposed to being issued at a discount) then, depending on the circumstances, such premium may constitute a payment of interest for United Kingdom tax purposes and hence be subject to the United Kingdom withholding tax rules outlined above.

#### **Withholding Tax on Interest Paid by BATNF or BATCAP as an Issuer**

Payments of interest made in respect of Notes issued by BATNF or BATCAP, each, in this section and the next section, referred to as an Issuer and, together, the Issuers ("Non-UK Notes"), may be paid by the Issuers without withholding or deduction for or on account of United Kingdom income tax except in circumstances when such interest has a United Kingdom source. Interest on Non-UK Notes may have a United Kingdom source; for example, interest on Non-UK Notes principally funded by assets situated in the United Kingdom may have a United Kingdom source.

### **The following applies only where interest on the Non-UK Notes has a United Kingdom source**

Payments of interest made in respect of the Non-UK Notes with a United Kingdom source may be made without withholding or deduction for or on account of United Kingdom income tax if the Quoted Eurobond exemption applies (as described above).

Payments of interest made in respect of Non-UK Notes issued for a term of less than one year (and which are not issued under a scheme or arrangement the intention or effect of which is to render the Non-UK Notes capable of being part of a borrowing with a total term of one year or more) may also be paid by each Issuer without withholding or deduction for or on account of United Kingdom income tax.

In other cases an amount must generally be withheld from payments of interest by BATNF or BATCAP (as applicable) on Non-UK Notes that have a United Kingdom source on account of United Kingdom income tax at the basic rate (currently 20 per cent.) subject to the availability of other exemptions and reliefs under domestic law, or to any direction to the contrary from HMRC in respect of such reliefs as may be available under the provisions of an applicable double taxation treaty.

If Non-UK Notes are issued at a discount to their principal amount, any such discount element should not generally be subject to any withholding or deduction for or on account of United Kingdom income tax. If Non-UK Notes are redeemed at a premium to their principal amount (as opposed to being issued at a discount) then, depending on the circumstances, such premium may constitute a payment of interest for United Kingdom tax purposes and hence be subject to the United Kingdom withholding tax rules outlined above.

#### **Withholding tax on payments by a guarantor or RAI**

The United Kingdom withholding tax treatment of payments by a guarantor in respect of interest on the Notes (or other amounts due under the Notes other than the repayment of amounts subscribed for the Bonds) is uncertain. In particular, if BATIF or BAT is required to make a payment as a guarantor or if BATNF, BATCAP or RAI is required to make a payment as a guarantor (to the extent that such payment has a United Kingdom source) the payment may be subject to withholding or deduction for or on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to the availability of other reliefs or to any direction by HMRC in respect of such reliefs as may be available under the provisions of an applicable double tax treaty. Such payments may not be eligible for any of the exemptions outlined above.

### **The Netherlands**

This section provides a general description of certain Dutch tax consequences of the acquisition, ownership and transfer of the Notes issued by BATNF, in this section, referred to as the Issuer.

This summary provides general information only and is restricted to the matters of Dutch taxation stated herein. It is intended neither as tax advice nor as a comprehensive description of all Dutch tax considerations that may be relevant to a decision to acquire, to hold, or to transfer the Notes. This summary does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as investment institutions, pension funds and dealers in securities) may be subject to special rules.

The summary provided below is based on the tax laws of The Netherlands as in effect on the date of this Base Prospectus and as applied and interpreted in case law of the courts of The Netherlands and in administrative guidance of the relevant authorities of The Netherlands, in each case available in printed form on or before such date, without prejudice to any developments or amendments introduced at a later date and implemented with or without retroactive effect. All references in this section to The Netherlands

and Dutch tax, taxation or law are to the European part of the Kingdom of The Netherlands and its tax, taxation or law, respectively, only.

For Dutch tax purposes, a Noteholder may include an individual who, or an entity that, does not have the legal title to the Notes, but to whom nevertheless the Notes are attributed based either on such individual or entity holding a beneficial interest in the Notes or based on specific statutory provisions, including statutory provisions pursuant to which the Notes are attributed to an individual who is, or who has directly or indirectly inherited from a person who was, the settlor, grantor or similar originator of a trust, foundation or similar entity that holds the Notes.

Noteholders (and prospective Noteholders) should consult their own tax advisors as to the Dutch or other tax consequences of the acquisition, ownership and transfer of Notes, including, in particular, the application to their particular situations of the tax considerations discussed below.

The Issuer has been advised that the following Dutch tax treatment will apply to the Notes, provided that:

- (i) in each and every respect the terms and conditions of this Base Prospectus, the Supplements, the Notes, the Final Terms and any other documents relating to the Notes, the performance by the parties thereto of their respective obligations and the exercise of their rights thereunder and the transactions contemplated therein, including, without limitation, all payments made thereunder, are at arm's length as this term is understood under Netherlands tax law; and
- (ii) no Notes will be issued under such terms and conditions that they actually function as equity of the Issuer within the meaning of article 10, paragraph 1, under d, of the Dutch Corporate Income Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*).

### **Withholding Tax**

All payments made by the Issuer of interest and principal under the Notes may be made free of withholding or deduction of any taxes of whatever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority thereof or therein, except that Dutch withholding tax (at a rate equal to the highest Dutch corporate income tax rate applicable in the relevant year) may be due on (deemed) payments of interest and principal under the Notes ("**Interest Payment**") by the Issuer pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*) in the following situations:

- (i) in case the Issuer is related (*gelieerd*) (within the meaning set out below) to the entity entitled to such Interest Payment (*voordeelgerechtigde*) and such related recipient entity (i) is (deemed) resident in a low tax jurisdiction (*laagbelastende jurisdictie*) (within the meaning set out below) or (ii) has a permanent establishment in such low tax jurisdiction to which the Interest Payment is allocated (*worden toegerekend*);
- (ii) in case the related recipient entity is not (deemed) resident in a low tax jurisdiction (a) such entity is entitled to the Interest Payment with the main purpose or one of the main purposes of avoiding the levy of tax (*belasting*) in the hands of another person or entity and (b) there is an artificial arrangement or transaction, or a series of artificial arrangements or transactions. An arrangement or transaction, or series of arrangements or transactions, shall be regarded as artificial to the extent that it is not put into place for valid commercial reasons, which reflect economic reality; and/or
- (iii) in case a related entity is from a Dutch tax perspective regarded the recipient of the Interest Payment, whereas such related recipient entity is not regarded as the recipient (*gerechtigde*) thereof pursuant to the laws of the country in which such entity is (deemed) resident or pursuant to the laws of which such entity is established (*opgericht*).

### *Related entities*

Entities (*lichamen*) are related to the Issuer for purposes of the application of the Dutch Withholding Tax Act 2021 if (i) the recipient entity (alone or together with other entities forming a cooperating group) has a qualifying interest in the Issuer, (ii) the Issuer (alone or together with other entities forming a cooperating group) has a qualifying interest in the recipient entity, or (iii) a third party (alone or together with other entities forming a cooperating group) has a qualifying interest in both the recipient entity as well as the Issuer. An interest in an entity is considered a 'qualifying interest' if directly or indirectly the influence in the decision making is such that the decisions of an entity and thus its activities can be determined. In any case, an interest is qualifying if it represents more than 50 per cent. of the statutory voting rights in an entity.

### *Low tax jurisdictions*

A jurisdiction qualifies as a low tax jurisdiction for purposes of the Dutch Withholding Tax Act 2021 if it is listed in an annually updated ministerial decree published by the Dutch government which includes jurisdictions (i) with a profit tax applying a statutory rate of less than 9 per cent. (updated annually based on an assessment as per 1 October of the preceding year) or (ii) included on the EU list of non-cooperative jurisdictions in the preceding year.

### **Taxes on Income and Capital Gains**

A Noteholder who derives income from a Note or who realises a gain from the transfer or redemption of a Note will not be subject to Dutch personal income tax or Dutch corporate income tax (as applicable) on such income or gain, provided that such Noteholder:

- (i) is neither resident nor deemed to be resident in The Netherlands for Dutch tax purposes;
- (ii) does not have an enterprise or deemed enterprise (as defined in Dutch tax law) or an interest in or a co-entitlement to the net worth of an enterprise or deemed enterprise (as defined in Dutch tax law) that is, in whole or in part, carried on through a permanent establishment (*vaste inrichting*) or a permanent representative (*vaste vertegenwoordiger*) in The Netherlands and to which enterprise or part of that enterprise, as the case may be, the Notes are attributable;
- (iii) in the event such person is not an individual, is neither entitled to a share in the profits of an enterprise effectively managed in The Netherlands nor co-entitled to the net worth of such enterprise, other than by way of the holding of securities, to which enterprise the Notes or payments in respect of the Notes are attributable;
- (iv) in the event such person is an individual, is not entitled to a share in the profits of an enterprise effectively managed in The Netherlands, other than by way of the holding of securities or through an employment contract, to which enterprise the Notes or payments in respect of the Notes are attributable;
- (v) is a Noteholder for whom neither the acquisition of the Notes nor income or capital gains derived from the Notes are attributable to a membership of a management board or a supervisory board, an employment relationship, a deemed employment relationship or a management role, the income of which is taxable in The Netherlands;
- (vi) in the event such person is an individual, does not have, and certain persons related or deemed related to that Noteholder do not have, directly or indirectly, a substantial interest (*aanmerkelijk belang*) as defined in the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), in the Issuer, or in any company that has, or that is part of a co-operation (*samenwerkingsverband*) that has, legally or in fact, directly or indirectly, the disposition of any part of the proceeds of the Notes within the meaning of article 3.92 of the Dutch Income Tax Act 2001;

- (vii) in the event such person is not an individual, does not have, directly or indirectly, a substantial interest as defined in the Dutch Income Tax Act 2001, in the Issuer, or, in the event that the Noteholder does have such interest, either (a) the Noteholder does not hold such interest with the main purpose or one of the main purposes to avoid the levy of income tax (*inkomstenbelasting*) of another person or entity, or (b) there is no artificial arrangement or transaction or a series of artificial arrangements or transactions. An arrangement or transaction or series of arrangements or transactions shall be regarded as artificial to the extent that it is not put into place for valid commercial reasons which reflect economic reality; and
- (viii) does not derive benefits from the Notes that are taxable as benefits from miscellaneous activities in The Netherlands (*resultaat uit overige werkzaamheden in Nederland*) as defined in the Dutch Income Tax Act 2001, which include, but are not limited to, activities in respect of the Notes which are beyond the scope of “regular active portfolio management” (*normaal, actief vermogensbeheer*).

### **Gift and Inheritance Taxes**

No Dutch gift or inheritance taxes will arise in The Netherlands with respect to the acquisition of the Notes by way of gift by, or on the death of, a Noteholder who is neither resident nor deemed to be resident in The Netherlands for the purpose of the relevant provisions, unless:

- (i) such acquisition is construed as an inheritance, a bequest or a gift by or on behalf of a person who, at the time of the gift or his death, is or was a resident or a deemed resident of The Netherlands for the purpose of the relevant provisions;
- (ii) in the case of a gift of the Notes by an individual who at the date of the gift was neither resident nor deemed to be resident in The Netherlands, such individual dies within 180 days after the date of the gift, while being resident or deemed to be resident in The Netherlands; or
- (iii) the gift is made under a condition precedent and such holder is or is deemed to be a resident of The Netherlands at the time the condition is fulfilled.

For the purpose of Dutch gift and inheritance tax, an individual who has the Dutch nationality will be deemed to be a resident of The Netherlands at the date of the gift or the date of his death if he has been a resident of The Netherlands at any time during the ten years preceding the date of the gift or the date of his death.

For the purposes of Dutch gift tax, an individual will, irrespective of his nationality, be deemed to be a resident of The Netherlands at the date of the gift if he has been a resident of The Netherlands at any time during the 12 months preceding the date of the gift.

### **Value added Tax**

No Dutch value added tax (*omzetbelasting*) will be payable by a Noteholder in consideration for the issue of the Notes (other than value added taxes on fees payable in respect of services not exempt from Dutch value added tax).

### **Other taxes and duties**

No Dutch registration tax, stamp duty or any other similar tax or duty will be payable in The Netherlands by a Noteholder in respect of or in connection with the acquisition, ownership or transfer of the Notes.

### **Residence**

A Noteholder will not become or be deemed to become a resident of The Netherlands for tax purposes by reason only of the acquisition, ownership or transfer of the Notes.

## United States

In respect of Notes issued by BATCAP, BATCAP has been advised that under current United States federal income and estate tax law, and subject to the discussion below concerning backup withholding and FATCA:

- (i) payments of principal of and interest on such Notes by BATCAP or by any Guarantor to any United States Alien holder (as defined below) will not be subject to United States withholding tax, provided that, in the case of interest, appropriate certifications (including IRS Form W-8BEN, IRS Form W-8BEN-E or other successor form) are obtained or provided, and that the holder:
  - (a) does not actually or constructively (taking into account applicable attribution rules) own ten per cent. or more of the total combined voting power of all classes of stock of BATCAP entitled to vote;
  - (b) is not a controlled foreign corporation related to BATCAP through stock ownership; and
  - (c) is not a bank receiving interest described in Section 881(c)(3)(A) of the Code;
- (ii) any gain realised by a United States Alien holder on the sale, exchange or redemption of a Note will not be subject to United States federal income tax unless:
  - (a) the United States Alien holder is an individual who is present in the United States for a period or periods aggregating 183 days or more during the taxable year of the sale, exchange or redemption and certain other conditions are met;
  - (b) the gain is effectively connected with the conduct of a United States trade or business by the United States Alien holder, or if required by an applicable income tax treaty, is generally attributable to a United States "permanent establishment" maintained by the United States Alien holder; or
  - (c) the United States Alien holder is subject to tax pursuant to provisions of the United States federal tax law applicable to certain United States expatriates;
- (iii) if interest or gain on a sale of a Note is effectively connected with the conduct of a trade or business within the United States by a United States Alien holder, the interest, although exempt from withholding tax, and the gain will be subject to the United States federal income tax on net income that applies to United States persons (defined below) generally. In addition, if a United States Alien holder is a foreign corporation, it may be subject to a branch profits tax equal to 30 per cent., (or lower applicable treaty rate) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments; and
- (iv) a Note, held by an individual who at the time of death is not a citizen or resident of the United States, will not be subject to United States federal estate tax as a result of such individual's death, provided that the individual does not actually or constructively (taking into account applicable attribution rules) own ten per cent. or more of the total combined voting power of all classes of stock of BATCAP entitled to vote and, at the time of the individual's death, payments of interest on such Note would not have been effectively connected with the conduct by such individual of a trade or business in the United States.

Certain United States Alien holders who are United States expatriates are subject to special federal income tax rules and are urged to consult their own tax advisors regarding the tax consequences to them of holding and disposing of Notes.

## **Backup withholding and information reporting**

Under current United States federal income tax law and regulations, certain information reporting requirements generally apply to interest and principal payments made to, and to the proceeds of sales of debt obligations before maturity by, certain non-corporate holders that are United States persons, and a “backup” withholding tax may be applied to persons who fail to supply correct taxpayer identification numbers and other information or otherwise identify themselves. Backup withholding and in some instances information reporting will not apply to payments of interest made outside the United States by BATCAP (or any Guarantor) or a paying agent on a Note, provided in each case that the holder has complied with applicable certification requirements and BATCAP (or any Guarantor) or the Paying Agent, as the case may be, does not have actual knowledge that the beneficial owner is a United States person. In addition, if payment of the proceeds of the sale of a Note is collected outside the United States by a foreign office of a custodian, nominee or other agent acting on behalf of a beneficial owner of a Note, such custodian, nominee or other agent will not be required to apply backup withholding or information reporting to payments made to such owner. However, if such custodian, nominee or other agent is a United States person, a controlled foreign corporation for United States tax federal purposes, or a foreign person 50 per cent. or more of whose gross income is from a United States trade or business for a specified three-year period, or a foreign partnership that, at any time during its taxable year, is 50 per cent. or more owned (by income or capital interest) by United States persons or is engaged in the conduct of a United States trade or business, such payments may be subject to information reporting unless the custodian, nominee or agent has sufficient documentary evidence in its records that the beneficial owner is not a United States person and certain conditions are met, or the beneficial owner otherwise establishes an exemption with respect to such payment. If payments of interest, principal or the proceeds of the sale of a Note are collected by the United States office of a custodian, agent or nominee acting on behalf of the beneficial owner, information reporting and backup withholding will apply to payments made by such custodian, agent or nominee to the beneficial owner unless such owner certifies under penalty of perjury that it is not a United States person or otherwise establishes an exemption. The backup withholding rate is currently equal to 24 per cent.

## **FATCA**

A 30 per cent. United States federal withholding tax may apply to interest income paid on Notes issued by BATCAP to (i) a “foreign financial institution” (as specifically defined in the Code), whether such foreign financial institution is the beneficial owner or an intermediary, unless such foreign financial institution agrees to verify, report and disclose its “United States account” holders (as specifically defined in the Code) and meets certain other specified requirements or (ii) a “non-financial foreign entity” (as specifically defined in the Code), whether such non-financial foreign entity is the beneficial owner or an intermediary, unless such entity provides a certification that the beneficial owner of the payment does not have any substantial United States owners or provides the name, address and taxpayer identification number of each substantial United States owner and certain other specified requirements are met. In certain cases, the relevant foreign financial institution or non-financial foreign entity may qualify for an exemption from, or be deemed to be in compliance with, these rules. Intergovernmental agreements between the United States and certain other countries may modify the foregoing rules. Holders should consult their tax advisors regarding the applicability of these rules to their holding of Notes issued by BATCAP.

## **General**

As used in this section, “United States person” means any citizen or resident of the United States, a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof (other than a partnership that is not treated as a United States person under applicable United States Treasury regulations), an estate the income of which is subject to United States federal income taxation regardless of its source and a trust if either (i) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons have the authority to control all subsequent decisions of the trust or (ii) the trust has a valid election in

place to be treated as a United States trust; and “United States Alien” means any person that is not a United States person.

The discussion above relates to certain material aspects of current United States federal income and estate tax law arising as a result of the holding and disposing of Notes or receiving interest on Notes by United States Alien holders who purchased Notes in connection with an offering at the initial offering price. As discussed under “Form of the Notes” above, the Notes issued by BATCAP will be issued so as to be in registered form for United States federal income tax purposes. This discussion assumes that no Exchange Event will occur and that no definitive Notes in bearer form will be issuable to holders. The discussion above does not address any other United States federal, state or local tax issues nor does it address the United States federal tax consequences of ownership of Notes not held as capital assets within the meaning of Section 1221 of the Code, or the United States federal income tax consequences to investors subject to special treatment under the United States federal income tax laws. The above discussion is based on the Code, regulations, rulings and judicial decisions as of the date hereof, all of which are subject to change or differing interpretations at any time and in some circumstances with retroactive effect. Any such subsequent developments in these areas could have a material effect on the foregoing summary.

### **FATCA Withholding with Respect to Notes Issued by BATIF and BATNF**

This discussion of FATCA applies to Notes issued by BATIF and BATNF, and does not apply to Notes issued by BATCAP. Pursuant to certain provisions of the Code commonly known as FATCA, a “foreign financial institution” may be required to withhold on certain payments it makes (“foreign passthru payments”) to persons that fail to meet certain certification, reporting, or related requirements. Each Issuer is not a foreign financial institution for these purposes. A number of jurisdictions (including the United Kingdom and The Netherlands) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“IGAs”), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply to such payments made prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the US Federal Register and Notes issued on or prior to the date that is six months after the date on which final regulations defining “foreign passthru payments” are published in the United States Federal Register generally would be “grandfathered” for purposes of FATCA withholding unless materially modified after such date (including by reason of a substitution of the Issuer). However, if additional notes (as described under “Terms and Conditions of the Notes — Further Issues”) that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay Additional Amounts as a result of the withholding.

### **General**

**THE ABOVE SUMMARIES ARE NOT INTENDED TO CONSTITUTE A COMPLETE ANALYSIS OF ALL TAX CONSEQUENCES RELATING TO THE OWNERSHIP OF NOTES. PROSPECTIVE INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISERS CONCERNING THE CONSEQUENCES OF AN INVESTMENT IN THE NOTES AND OF THEIR PARTICULAR SITUATION.**

### **The Proposed Financial Transactions Tax (“FTT”)**

On 14 February 2013, the European Commission published a proposal (the “Commission’s Proposal”) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “Participating Member States”). However, Estonia has since stated that it will not participate.

The Commission’s Proposal has very broad scope and could, if introduced in its current form, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. Primary market transactions referred to in Article 5(c) of Regulation (EC) No 1287/2006 are expected to be exempt.

Under the Commission’s Proposal the FTT could apply in certain circumstances to persons both within and outside of the Participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a Participating Member State. A financial institution may be, or be deemed to be, “established” in a Participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a Participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a Participating Member State.

However, the FTT proposal remains subject to negotiation between Participating Member States and the scope of any such tax is uncertain. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU member states may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

## **SUBSCRIPTION AND SALE**

The Dealers have in an amended and restated programme agreement (such Programme Agreement as amended and/or supplemented and/or restated from time to time, the “Programme Agreement”) dated 17 March 2022, agreed with the Obligors a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes”. In the Programme Agreement, the Obligors have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

### **Selling Restrictions**

#### **United States**

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, United States persons except in certain transactions exempt from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes will be offered outside the United States to non-US persons in accordance with Regulation S. BATIF, BATCAP and BATNF are Category 2 issuers for the purposes of Regulation S. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer or sell Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, United States persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, United States persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the completion of the distribution of all Notes of the Tranche of which such Notes are a part, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

By purchasing Notes of any tranche, holders will be deemed to have represented that they are not a US person (as defined in Regulation S) or purchasing such Notes for the account or benefit of a US person, other than a distributor, and they are purchasing such Notes in an offshore transaction in accordance with Regulation S. This Base Prospectus has been prepared by the Issuers for use in connection with the offer and sale of Notes outside the United States. Each of the Issuers reserves the right to reject any offer to purchase the Notes issued by such Issuer, in whole or in part, for any reason, and each of the Dealers reserves the right to reject any offer to purchase any of the Notes, in whole or in part for any reason. This Base Prospectus does not constitute an offer to any person in the United States or to any US person. Distribution of this Base Prospectus by any non-US person outside the United States to any US person or to any other person within the United States other than those persons, if any, retained to advise such non-US person with respect thereto, is unauthorised and any disclosure without the prior written consent of the relevant Issuer of any of its contents to any such US person or other person within the United States, other than those persons, if any, retained to advise such non-US person is prohibited.

### **Prohibition of Sales to EEA Retail Investors**

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the EEA. For the purposes of this provision:

- (A) the expression “retail investor” means a person who is one (or more) of the following:
  - (i) a retail client, as defined in point (11) of Article 4(1) of MiFID II; or
  - (ii) a customer within the meaning of the Insurance Distribution Directive, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
  - (iii) not a qualified investor as defined in the Prospectus Regulation; and
- (B) the expression an “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

### **United Kingdom**

#### ***Prohibition of Sales to UK Retail Investors***

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the UK. For the purposes of this provision:

- (A) the expression “retail investor” means a person who is one (or more) of the following:
  - (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or
  - (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or
  - (iii) not a qualified investor as defined in Article 2 of the UK Prospectus Regulation; and
- (B) the expression an “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes.

#### ***Other Regulatory Restrictions***

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (A) in relation to any Notes which have a maturity of less than one year, (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent)

for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the relevant Issuer;

- (B) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantors; and
- (C) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the UK.

### **The Netherlands**

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that unless otherwise specified in the relevant Final Terms it will not make an offer of Notes in The Netherlands unless such offer is made exclusively to persons who or legal entities which are qualified investors (*gekwalificeerde beleggers*) as defined in section 1:1 of the Financial Supervision Act (*Wet op het financieel toezicht*) of The Netherlands.

Zero Coupon Notes (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the Issuer or a member of Euronext Amsterdam N.V. in accordance with the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations (which include registration requirements). Such restrictions do not apply (a) to the initial issue of Zero Coupon Notes to the first holders thereof, (b) to a transfer and acceptance of Zero Coupon Notes in definitive form between individuals not acting in the conduct of a business or profession, or (c) to a transfer and acceptance of Zero Coupon Notes in definitive form within, from or into The Netherlands if all Zero Coupon Notes of any particular series are issued outside The Netherlands and are not distributed within The Netherlands in the course of their initial distribution or immediately thereafter. For the purposes of this paragraph, "Zero Coupon Notes" are Notes that are in bearer form and that constitute a claim for a fixed sum against the Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

### **Republic of Italy**

The offering of the Notes has not been registered with the *Commissione Nazionale per le Società e la Borsa* ("CONSOB") pursuant to Italian securities legislation and, accordingly, no Notes may be offered, sold or delivered, nor may copies of this Base Prospectus or of any other document relating to any Notes be distributed in the Republic of Italy, except in accordance with the exceptions provided under the Prospectus Regulation and any Italian securities, tax and other applicable laws and regulations.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree that it will not offer, sell or deliver any Note or distribute any copies of this Base Prospectus and/or any other document relating to the Notes in the Republic of Italy except:

- (i) to qualified investors (*investitori qualificati*) as defined pursuant to Article 2 of the Prospectus Regulation and any applicable provision of Legislative Decree No. 58 of 24 February 1998, as amended (the "Financial Services Act") and Italian CONSOB regulations; or
- (ii) in other circumstances which are exempted from the rules on public offerings pursuant to Article 1 of the Prospectus Regulation, Article 34-ter of CONSOB Regulation No. 11971 of 14 May 1999, as amended from time to time, and the applicable Italian laws.

In any event, any offer, sale or delivery of the Notes or distribution of copies of this Base Prospectus or any other document relating to the Notes in Italy under paragraphs (i) or (ii) above must:

- (a) be made by an investment firm, bank or financial intermediary permitted to conduct such activities in Italy in accordance with the Financial Services Act, Legislative Decree No. 385 of 1 September 1993, as amended from time to time (the “Banking Act”) and CONSOB Regulation No. 20307 of 15 February 2018, as amended from time to time; and
- (b) comply with any other applicable laws and regulations or requirement imposed by CONSOB, the Bank of Italy (including the reporting requirements, where applicable, pursuant to Article 129 of the Banking Act and the implementing guidelines of the Bank of Italy, as amended from time to time) and/or any other Italian authority.

### **Belgium**

Other than in respect of Notes for which “Prohibition of Sales to Belgian Consumers” is specified as “Not Applicable” in the applicable Final Terms, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that an offering of Notes may not be advertised to any individual in Belgium qualifying as a consumer within the meaning of Article I.1 of the Belgian Code of Economic Law, as amended from time to time (a “Belgian Consumer”) and that it has not offered, sold or resold, transferred or delivered, and will not offer, sell, resell, transfer or deliver, the Notes, and that it has not distributed, and will not distribute, any prospectus, memorandum, information circular, brochure or any similar documents in relation to the Notes, directly or indirectly, to any Belgian Consumer.

### **France**

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it undertakes to comply with applicable French laws and regulations in force regarding the offer, the placement or the sale of the Notes and the distribution in France of this Base Prospectus or any other offering material relating to the Notes.

### **Japan**

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the “FIEA”). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of any resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the FIEA and other relevant laws and regulations of Japan.

### **Singapore**

Each Dealer has acknowledged, and each further Dealer appointed under the Programme will be required to acknowledge, that this Base Prospectus has not been registered as a prospectus with the Monetary Authority of Singapore. Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold any Notes or caused the Notes to be made the subject of an invitation for subscription or purchase and will not offer or sell any Notes or cause the Notes to be made the subject of an invitation for subscription or purchase, and has not circulated or distributed, nor will it circulate or distribute, this Base Prospectus or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes, whether directly or indirectly, to any person in Singapore other than (i) to an institutional investor (as defined in Section 4A of the Securities and Futures Act 2001 (2020 Revised Edition) of Singapore, as modified or amended from time to time (the “SFA”)) pursuant to Section 274 of the SFA, (ii) to a relevant person (as defined in Section 275(2) of the SFA) pursuant to Section 275(1) of

the SFA, or any person pursuant to Section 275(1A) of the SFA, and in accordance with the conditions specified in Section 275 of the SFA, or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where Notes are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (a) a corporation (which is not an accredited investor (as defined in Section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

securities or securities-based derivatives contracts (each term as defined in Section 2(1) of the SFA) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under Section 275 of the SFA except:

- (i) to an institutional investor or to a relevant person, or to any person arising from an offer referred to in Section 275(1A) or Section 276(4)(c)(ii) of the SFA;
- (ii) where no consideration is or will be given for the transfer;
- (iii) where the transfer is by operation of law;
- (iv) as specified in Section 276(7) of the SFA; or
- (v) as specified in Regulation 37A of the Securities and Futures (Offers of Investments) (Securities and Securities-based Derivatives Contracts) Regulations 2018.

## **General**

Other than with respect to the admission to listing, trading and/or quotation by such one or more listing authorities, stock exchanges and/or quotation systems as may be specified in the Final Terms, no action has been or will be taken in any country or jurisdiction by the relevant Issuer or any of the Dealers that would permit a public offering of Notes, or possession or distribution of any offering material in relation thereto, in any country or jurisdiction where action for that purpose is required. Persons into whose hands this Base Prospectus or any Final Terms comes are required by the Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Notes or have in their possession or distribute such offering material, in all cases at their own expense.

The Programme Agreement provides that the Dealers shall not be bound by any of the restrictions relating to any specific jurisdiction (set out above) to the extent that such restrictions shall, as a result of change or changes in official interpretation, after the date hereof, in applicable laws and regulations, no longer be applicable but without prejudice to the obligations of the Dealers described in the preceding paragraph.

Selling Restrictions may be supplemented or modified with the agreement of the Issuers.

## GENERAL INFORMATION

- 1** The admission to trading of the Notes on the Market will be expressed as a percentage of their principal amount (exclusive of accrued interest). Any Tranche of Notes intended to be admitted to the Official List and admitted to trading on the Market will be so admitted to trading upon submission to the FCA and the London Stock Exchange of the relevant Final Terms and any other information required by the FCA and the London Stock Exchange, subject in each case to the issue of the relevant Notes.
- 2** The admission of the Programme to the Official List and to trading on the London Stock Exchange is expected to take effect on or around 22 March 2022. Prior to official listing and admission to trading, however, dealings will be permitted by the London Stock Exchange in accordance with its rules. Transactions on the Market will normally be effected for delivery on the third working day after the day of the transaction.
- 3** The establishment of the Programme and the issue of Notes and the execution by each Obligor of the documents relating thereto and the incurring by each Obligor of its obligations as Issuer and/or Guarantor thereunder have been duly authorised (i) in the case of BAT, by resolutions of Meetings of the Board of Directors on 18 June 1998, 5 March 1999, 24 May 2000, 28 July 2000, 14 April 2003, 20 February 2004, 29 October 2007, 25 February 2014, and 25 April 2017, by resolutions of the Executive Committee of the Board of Directors on 24 April 2002 and 24 June 2002, by resolutions of the Transactions Committee of the Board of Directors on 11 April 2005, 21 November 2005, 16 November 2006, 20 November 2007, 21 November 2008, 17 November 2009, 19 November 2010, 23 November 2011, 30 November 2012, 29 November 2013, 12 May 2014, 23 April 2015, 3 May 2016, 10 May 2018, 23 April 2019, 3 February 2020, 28 January 2021 and 22 February 2022 and by resolutions of a Committee of the Board of Directors on 1 July 1998; (ii) in the case of BATIF, by resolutions of Meetings of the Board of Directors on 30 June 1998, 23 February 1999, 23 May 2000, 24 July 2000, 24 June 2002, 14 April 2003, 25 February 2004, 12 April 2005, 21 November 2005, 23 November 2006, 23 November 2007, 21 November 2008, 25 November 2009, 19 November 2010, 23 November 2011, 30 November 2012, 29 November 2013, 15 May 2014, 24 April 2015, 6 May 2016, 27 April 2017, 10 May 2018, 24 April 2019, 4 March 2020, 28 January 2021 and 22 February 2022; (iii) in the case of BATNF, by resolutions of Meetings of the Board of Directors on 12 May 2014, 28 April 2015, 11 May 2016, 22 May 2017, 15 May 2018, 29 April 2019, 26 February 2020, 29 January 2021 and 22 February 2022; and (iv) in the case of BATCAP, by resolutions of Meetings of the Board of Directors on 20 April 2017, 11 May 2018, 25 April 2019, 26 March 2020, 2 February 2021 and 10 February 2022. The accession of RAI as an Additional Guarantor pursuant to the Programme, the execution of the documents relating thereto and the incurring of its obligations thereunder have been duly authorised by resolutions of Meetings of the RAI Board of Directors on 25 July 2017.
- 4** Save as disclosed in the section “BAT and the Group – Contingent liabilities and financial commitments” of this Base Prospectus (pages 52 to 93 inclusive), there are no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which any Obligor or RAI and their respective subsidiaries taken as a whole is aware) during the period covering at least the 12 months prior to the date of this Base Prospectus which may have, or have had in the recent past, significant effects on the financial position or profitability of any Obligor or RAI and their respective subsidiaries taken as a whole. Since many of the pending cases seek unspecified damages it is not possible to quantify the total amount being claimed.
- 5** There has been no significant change in the financial performance or financial position of BAT, BATIF, BATNF, BATCAP or RAI and their respective subsidiaries taken as a whole since 31 December 2021, nor

has there been any material adverse change in the prospects of BATIF, BATNF, BAT, BATCAP or RAI and their respective subsidiaries taken as a whole since 31 December 2021.

- 6** In relation to any Tranche of Fixed Rate Notes, an indication of the yield in respect of such Notes will be specified in the applicable Final terms. The yield is calculated at the Issue Date of the Notes on the basis of the relevant Issue Price. The yield indicated will be calculated as the yield to maturity as at the Issue Date of the Notes and will not be an indication of future yield.
- 7** The auditors of BAT and BATIF made reports under section 495 of the Companies Act 2006 (the “Companies Act”) in respect of the statutory accounts, and each report in respect of the 12 months ended 31 December 2020 and 31 December 2021 was an unqualified report and did not contain a statement under section 498(2) and (4) of the Companies Act.
- 8** The auditors of BAT and BATIF are KPMG LLP who are a member of the Institute of Chartered Accountants in England and Wales. KPMG have audited the accounts of BAT and BATIF in accordance with applicable law and International Standards on Auditing (UK and Ireland) for each of the two financial years ended 31 December 2020 and 31 December 2021 and issued an unqualified audit report thereon.
- 9** The auditors of BATNF are KPMG Accountants N.V. (Chartered Accountants and Registered Auditors (members of the Institute of Chartered Accountants in The Netherlands)) who have audited the statutory accounts of BATNF in accordance with Part 9 of Book 2 of the Dutch Civil Code for each of the two financial years ended 31 December 2020 and 31 December 2021 and issued an unqualified auditor’s report thereon.
- 10** The auditors of BATCAP and RAI are KPMG LLP (independent auditors) who have audited the accounts of BATCAP and RAI without qualification in accordance with generally accepted auditing standards in the United States (“US GAAS”) for each of the two financial years ended 31 December 2020 and 31 December 2021.
- 11** The Notes have been accepted for clearance through Euroclear and Clearstream, Luxembourg (which are the entities in charge of keeping the records). The appropriate Common Code and the International Securities Identification Number (ISIN) in relation to the Notes of each Series will be specified in the Final Terms relating thereto. The relevant Final Terms shall specify any other clearing system as shall have accepted the relevant Notes for clearance together with the identification number.
- 12** Neither any of the Issuers, any of the Guarantors nor RAI has entered into any contract outside the ordinary course of its business which could result in any Issuer, any Guarantor or RAI being under an obligation or entitlement that is material to any Issuer’s ability to meet its obligations to the holders of its Notes in respect of the Notes being issued, to any Guarantor’s ability to meet its obligations under the Guarantee or to RAI’s ability to meet its obligations under the Deed of Guarantee.
- 13** The address of Euroclear is Euroclear SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels, Belgium and the address of Clearstream, Luxembourg is Clearstream Banking S.A., 42 Avenue JF Kennedy, L-1855, Luxembourg. The address of any alternative clearing system will be specified in the applicable Final Terms.
- 14** For a period of 12 months following the date of this Base Prospectus, copies of the following documents will be available on the website of BAT (<https://www.bat.com/>):
  - (a) the constitutional documents of each Obligor (including an English translation of the constitutional documents of BATNF);
  - (b) a copy of this Base Prospectus, together with any Supplements to this Base Prospectus;

- (c) the Trust Deed;
- (d) the Agency Agreement;
- (e) the Deed of Guarantee;
- (f) the most recent publicly available audited financial statements (together in each case with the audit report thereon) of BAT (consolidated), BATIF (consolidated), BATNF (non-consolidated), BATCAP (non-consolidated) and RAI (consolidated) for the years ended 31 December 2020 and 31 December 2021;
- (g) reports, letters, balance sheets, valuations and statements of experts included or referred to in this Base Prospectus (other than consent letters); and
- (h) any Final Terms relating to Notes which are admitted to listing on the Official List and to trading on the Market.

The English translation referred to above is a direct and accurate translation of the original Dutch document.

In addition, copies of this Base Prospectus, each Final Terms relating to Notes which are listed on the London Stock Exchange and each document incorporated by reference are available at the website of the Regulatory News Service operated by the London Stock Exchange at [www.londonstockexchange.com/exchange/news/market-news/market-news-home.html](http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html).

- 15** The issue price and amount of Notes to be issued under the Programme will be determined, before filing of the relevant Final Terms of each Tranche, by the relevant Issuer, the Guarantors and the Dealer(s) at the time of issue in accordance with prevailing market conditions.
- 16** Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, each Obligor and their respective affiliates in the ordinary course of business. Certain of the Dealers may from time to time also enter into swap and derivative transactions with the Obligors and their respective affiliates. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial notes (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or notes of the Obligors or Obligors' affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Obligors routinely hedge their credit exposure to the Obligors consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial notes and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and notes.
- 17** The Legal Entity Identifier (LEI) code of:
- (a) BAT is 213800FKA5MF17RJKT63;
  - (b) BATIF is 21380041YBGOQDFAC823;
  - (c) BATNF is 2138009B37VJ9VOWAO51;

- (d) BATCAP is 2138005GYEXN7XRHFA84; and
- (e) RAI is 02S2RPPVO9RP4NEU2740.
