(incorporated with limited liability in Australia)  
as Trustee of the ANZ Residential Covered Bond Trust*

This supplement (the "**Supplement**") to the base prospectus of Australia and New Zealand Banking Group Limited ("**ANZBGL**") dated 14 May 2021 (the "**Base Prospectus**") constitutes a supplementary prospectus for the purposes of Article 23 of the Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "**EUWA**") (the "**UK Prospectus Regulation**") and is prepared in connection with the US\$30,000,000,000 ANZ Global Covered Bond Programme established by ANZBGL.

This Supplement has been approved by the United Kingdom Financial Conduct Authority (the "**FCA**"), as competent authority under the UK Prospectus Regulation. The FCA only approves this Supplement as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation and such approval should not be considered as an endorsement of the Issuer that is the subject of this Supplement.

The purpose of this Supplement is to update the sub-section entitled "Recent Developments" in the section entitled "Australia and New Zealand Banking Group Limited and its Subsidiaries" of the Base Prospectus following a revision by S&P of the outlook on ANZBGL to stable.

Terms defined in the Base Prospectus have the same meaning when used in this Supplement.

This Supplement is supplemental to, and should be read and construed together with, the Base Prospectus.

ANZBGL accepts responsibility for the information contained in this Supplement and to the best of the knowledge of ANZBGL, the information contained in this Supplement is in accordance with the facts and this Supplement makes no omission likely to affect its import.

#### **S&P revises outlook on ANZBGL to stable**

On 7 June 2021, S&P Global Ratings ("**S&P**") revised the outlook on the long-term issuer credit rating for ANZBGL, and its wholly-owned subsidiary ANZ Bank New Zealand Limited ("**ANZ New Zealand**"), to stable from negative.

S&P affirmed ANZBGL's and ANZ New Zealand's 'AA-' long-term and 'A-1+' short-term issuer credit ratings. The stable outlook reflects S&P's revision on 7 June 2021 of the outlook on its long-term ratings on Australia to stable from negative. S&P also affirmed Australia's 'AAA' long-term and 'A-1+' short-term unsolicited sovereign credit ratings.

A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by an assigning rating agency and any rating should be evaluated independently of any other information.

A copy of this Supplement has been filed with the National Storage Mechanism and will be available for inspection at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>.

To the extent that there is any inconsistency between any statement contained in this Supplement or in any information or document incorporated by reference into, and forming part of, this Supplement and any other statement contained in the Base Prospectus or in any information or document incorporated by reference into, and forming part of, the Base Prospectus, the statements contained in this Supplement or in any information or document incorporated by reference into, and forming part of, this Supplement will prevail.

Save as disclosed in this Supplement or in any document incorporated by reference into, and forming part of, this Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus has arisen or been noted, as the case may be, since the publication of the Base Prospectus.

Information contained in or accessible from any website referenced in this Supplement (including in any information incorporated by reference by virtue of the Supplement) does not form a part of this Supplement, except as specifically incorporated by reference.
