

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS: The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("EEA"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); (ii) a customer within the meaning of the Insurance Distribution Directive (Directive 2016/97/EC (as amended)) ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Directive 2003/71/EC (as amended or superseded, the "**Prospectus Directive**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIP's Regulation.

MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of the Dealer's product approval process as a MiFID II (as defined below) "manufacturer"; the target market assessment completed by the relevant Dealer in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels. The Issuer is not subject to MiFID II and any implementation thereof by an EU Member State. The Issuer is therefore not a "manufacturer" for the purposes of the MiFID Product Governance Rules under EU Delegated Directive 2017/593 and has no responsibility or liability for identifying a target market, or any other product governance obligation set out in MiFID II, for financial instruments it issues (including the foregoing target market assessment for the Notes described in this legend).

Notification under Section 309(B)(1) of the Securities and Futures Act of Singapore (the "SFA") - The Notes are prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 and Excluded Investment Products (as defined in the Monetary Authority of Singapore (the "**MAS**") Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).
