**STRATEGIC REPORT FOR THE YEAR ENDED 31 DECEMBER 2015**

Principal activity and business review

The Company is a finance company and its principal activity is the raising of external finance and making loans to its parent company. During the year the Company's principal liability continued to be £100,000,000 of undated subordinated bonds, the proceeds of which continued to be lent to the Scottish Amicable Insurance Fund of The Prudential Assurance Company Limited on terms commensurate with the terms of the bonds. This activity will continue in 2016.

Financial risk management objectives, policies and exposure

The Company's only activity is to lend external finance onto The Prudential Assurance Company Limited (PAC). The risk of default on this debt is considered to be low due to the financial strength of PAC.

### **DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2015**

#### Introduction

None of the information required to be included in the Directors' Report under Schedule 7 of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (as amended by The Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013) has been set out in the Company's Strategic Report.

#### Corporate responsibility

The Company is a wholly owned subsidiary within the Prudential Group and Corporate Responsibility (CR) is integral to the way the Group does business.

The Group, of which the Company is a part, has developed a Group Governance Framework which is underpinned by a Group Governance Manual and associated processes. This encompasses all key policies and procedures for example, the Group Code of Business Conduct.

As a business that provides savings, income, investment and protection products and services social value is created through the day-to-day operations. The Group provides customers with ways to help manage uncertainty and build a more secure future. In seeking to match the long-term liabilities the Group has towards its customers with similarly long-term financial assets, it provides capital that finances businesses, builds infrastructure and fosters growth in both developed and developing markets.

The Group's sustainable approach to business is reinforced by the Group-wide CR strategy. While the Group believes that CR is best managed on the ground by those closest to the customer and local stakeholders, the Group approach is underpinned by four global CR themes:

- **Serving its customers:** The Group aims to provide fair and transparent products that meet customers' needs;
- **Valuing its people:** The Group aspires to retain and develop highly engaged employees;
- **Supporting local communities:** The Group seeks to make a positive contribution to its communities through long-term partnerships with charitable organisations that make a real difference;
- **Protecting the environment:** The Group takes responsibility for the environment in which it operates.

These themes demonstrate the Group's CR commitments and principles to its stakeholders and provide clarity to its businesses, including the Company, on where they should focus their CR efforts and resources in the context of their individual markets.

The Prudential plc Board discusses the Group's performance in the areas of social and environmental management at least once a year and also reviews and approves the Group's corporate responsibility report and strategy on an annual basis.

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

## **SCOTTISH AMICABLE FINANCE PLC**

### **NOTES ON THE FINANCIAL STATEMENTS**

#### **1. Accounting policies**

##### **A. Basis of presentation**

Scottish Amicable Finance plc is a company incorporated and domiciled in the UK.

These financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS101"), Part 15 of the Companies Act 2006 and Schedule 1 of The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS101 disclosure exemptions has been taken.

The immediate parent company is The Prudential Assurance Company Limited. The Company's ultimate parent undertaking, Prudential plc includes the Company in its consolidated financial statements. The consolidated financial statements of Prudential plc are prepared in accordance with IFRS and are available to the public. Copies of these accounts can be obtained from the Company Secretary, Laurence Pountney Hill, London EC4R 0HH.

In these financial statements, the Company has applied the exemptions available under FRS101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital;
- Disclosures in respect of transactions between wholly owned subsidiaries within the Prudential Group;
- The effects of new but not yet effective IFRSs and
- Disclosures in respect of the compensation of Key Management Personnel.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The directors have a reasonable expectation that the Company will be able to continue in operational existence for the foreseeable future and thus continue to adopt the going concern basis of accounting in preparing the financial statements. This conclusion has been based upon the following: the Company is a subsidiary within the Prudential Group and it, its parent company and the ultimate parent company are continuing to trade and there are no plans for liquidation. The Company's main asset is a loan to its parent Company, which has a healthy solvency margin, well in excess of the Minimum Capital Requirement (MCR) and Enhanced Capital Requirement (ECR) and is supported by its inherited estate, generates positive cashflows and has very low debt-financing.

##### **B. Classification of instruments issued by the Company**

Having adopted FRS101, IAS32 is being applied to financial instruments issued by the Company and are treated as equity only to the extent that they meet the following two conditions:

- (i) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company; and
- (ii) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments or is a derivative that will be settled by the Company's exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

**SCOTTISH AMICABLE FINANCE PLC**

**NOTES ON THE FINANCIAL STATEMENTS (continued)**

**C. Financial instruments**

**Financial assets and liabilities**

In accordance with IAS39, the loan to the parent company and the associated subordinated loans are designated as "loans and receivables" and are carried at amortised cost, subject to impairment reviews.

**D. Revenue recognition**

Interest receivable and payable is recognised on an accruals basis.

**E. Tax**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income. Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

**2. Interest receivable**

### **NOTES ON THE FINANCIAL STATEMENTS (continued)**

#### **5. Director's emoluments**

No directors received any emoluments in connection with their work for Scottish Amicable Finance plc, (2014: £nil).

#### **6. Auditor's remuneration**

Auditor's remuneration of £2,500 (2014: £2,500) is borne by the parent company, The Prudential Assurance Company Limited.

Amounts receivable by the Company's auditor and its associates in respect of services to the Company and its associates, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the Company's ultimate parent, Prudential plc.

#### **7. Subordinated loan**

The Company has in issue £100 million 8.5% undated subordinated bonds guaranteed by the immediate parent company. The proceeds of the issue were lent to the Scottish Amicable Insurance Fund (SAIF), a sub-fund of the immediate parent company, as consideration for the guarantee and on terms commensurate with the terms of the bonds. The interests of the holders of the bonds are subordinate to the entitlements of the policyholders of SAIF. Subject to certain conditions, on 30 June 2018 and on each fifth anniversary thereafter, the Company shall elect either to redeem the bonds in full or to exchange the bonds for new bonds with a new rate of interest determined at that date.

The fair value of the subordinated loan at 31 December 2015 is £111,805,000 (2014: £114,132,000). This value is based on the quoted market price of the bonds. The estimated fair value of the loan to parent company is also £111,805,000 (2014: £114,132,000) as the terms of the loan are the same as those of the bonds.
