## RECENT DEVELOPMENT

As disclosed on page 198 of the Prospectus in the section "*Toyota Motor Corporation ("TMC") – Recent Developments*", on 3 June 2025, TMC, Toyota Industries and Toyota Fudosan Co., Ltd. announced the intention to conduct a series of transactions aimed to result in, among other things, Toyota Industries being taken private. Toyota Industries is an equity method associate of TMC; it also owns 9.16 per cent. of the outstanding shares of TMC's common stock as of 31 March 2025. As part of the transaction, TMC plans to conduct a tender offer for its own shares. TMC aims to purchase 1,192,330,920 shares of its common stock held by Toyota Industries. If the number of shares tendered exceeds that number, TMC intends to purchase on a pro rata basis such that the maximum number of shares to be purchased is no greater than 1,192,331,020 shares.

On 14 January 2026, TMC (described as “the *Company*”) announced that “the Company, at the board of directors meeting held today, resolved to change the Tender Offer Price from the price discounted 10% from the lower of: (i) the closing price of the Company’s common shares (the “*TMC Common Shares*”) on the Prime Market of the Tokyo Stock Exchange (“*TSE*”) on the business day immediately preceding the date of resolution at the board of directors meeting that finally determines the Tender Offer Price; or (ii) the simple average closing price of the TMC Common Shares on the TSE Prime Market for the past one month up to the same day (rounded to the nearest yen; provided, however, that if such price exceeds 2,691 yen, which is the closing price of the TMC Common Shares on the TSE Prime Market on June 2, 2025, the business day immediately preceding the date of resolution concerning the planned Tender Offer for Own Shares at the Company’s board of directors meeting, 2,691 yen shall be used) to the price discounted 10% from the lower of: (i) the closing price of the TMC Common Shares on the TSE Prime Market on the business day immediately preceding the date of resolution at the board of directors meeting that finally determines the Tender Offer Price; or (ii) the simple average closing price of the TMC Common Shares on the TSE Prime Market for the past one month up to the same day (rounded to the nearest yen; provided, however, that if such price exceeds 3,641 yen, which is the closing price of the TMC Common Shares on the TSE Prime Market on January 13, 2026, the business day immediately preceding the date of resolution concerning the planned Tender Offer for Own Shares at the Company’s board of directors meeting, 3,641 yen shall be used) and accordingly to change the total purchase price for the share repurchase to up to 4,341,277,243,820 yen, among other matters”.
