Update on the Results of the Investigation into Improper Quality Control Practices (Fourth and Final Report)

TOKYO, October 20, 2022 – [Mitsubishi Electric Corporation](http://www.MitsubishiElectric.com) (TOKYO: 6503) announces today receipt of the Fourth and Final Report by the Investigative Committee of external experts (Chaired by Hiroshi Kimeda, Partner (Attorney-at-law), Nishimura & Asahi, previously announced on July 2, 2021) in relation to improper quality control practice at Mitsubishi Electric. The investigation into quality practices at all of the company’s manufacturing sites and plants (22 facilities) is now complete.

The company takes the findings and recommendations of the report very seriously and is committed to regaining trust in its entire group by carrying out necessary reforms, including to prevent any recurrence in the future.

Mitsubishi Electric would like to reiterate its sincere apologies to all customers, valued stakeholders, and broader society for the impact of these incidents.

For information on measures taken by the company in response to the findings of the Investigative Committee’s report to prevent future recurrence, please refer to the separate announcement made by the company “Update on Investigation into Improper Quality Control Practices and Implementation of Reform Roadmap (Final Report)” on October 20, 2022.
