If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive except where such information or other documents are specifically incorporated by reference or attached to the Supplement.

Save as disclosed in this Supplement and any supplement previously issued by the Issuer, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Prospectus since publication of the Prospectus.
