### **Report on Reviews of Interim Financial Information**

### Introduction

We have reviewed the accompanying consolidated condensed interim balance sheet of OAO Severstal (the "Company") and its subsidiaries (the "Group") as at 30 September 2008, and the related consolidated condensed interim statements of income for the three- and nine-month periods ended 30 September 2008 and 2007 and the related consolidated condensed interim statements of changes in equity and cash flows for the nine-month periods ended 30 September 2008 and 2007 (the "consolidated interim financial information"). Management is responsible for the preparation and presentation of this consolidated interim financial information in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*. Our responsibility is to express a conclusion on this consolidated interim financial information based on our reviews.

#### Scope of Reviews

We conducted our reviews in accordance with International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity.* A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our reviews, nothing has come to our attention that causes us to believe that the consolidated interim financial information as at 30 September 2008 and for the three- and ninemonth periods ended 30 September 2008 and 2007 is not prepared, in all material respects, in accordance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.
