This Supplement (the "**Supplement**", which definition shall also include all information incorporated by reference herein) to the base prospectus dated 22 June 2009 (the "**Prospectus**", which definition includes the Prospectus as supplemented, amended or updated from time to time and includes all information incorporated by reference therein), constitutes a supplementary prospectus for the purposes of Section 87G of the Financial Services and Markets Act 2000 ("**FSMA**") and is prepared in connection with the Euro medium term note programme (the "**Programme**") established by Cadbury Schweppes Finance p.l.c. and Cadbury Schweppes Investments plc (each an "**Issuer**", together the "**Issuers**"). Each Issuer is also a guarantor in respect of Notes that are issued under the Programme by the other Issuer. In addition, Cadbury Holdings Limited is a guarantor of all Notes issued under the Programme (Cadbury Holdings Limited together with the Issuers being the "**Obligors**"). Terms defined in the Prospectus have the same meaning when used in this Supplement.

This Supplement is supplemental to, and should be read in conjunction with, the Prospectus issued by the Obligors and all documents which are incorporated herein or therein by reference together with any other supplement to the Prospectus issued by the Obligors.

This Supplement has been approved by the United Kingdom Financial Services Authority (the "**FSA**"), in its capacity as the United Kingdom competent authority for the purposes of Directive 2003/71/EC (the "**Prospectus Directive**") and relevant implementing measures in the United Kingdom, as a supplement to the Prospectus. The Prospectus constitutes a base prospectus prepared in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom for the purpose of giving information with regard to the issue of Notes under the Programme.

The Obligors accept responsibility for the information contained in this Supplement. To the best of the knowledge of the Obligors (having taken all reasonable care to ensure that such is the

case), the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

On 29 July 2009, the Cadbury group announced its half-yearly results for the six months ended 30 June 2009. By virtue of this Supplement, the Cadbury group's press release also dated 29 July 2009 in respect of the half-yearly results for the six months ended 30 June 2009 (the "**Press Release**") is incorporated in and forms part of this Supplement, and is thereby incorporated in and forms part of the Prospectus, except that the following wording contained on page one, and repeated on page six, of the Press Release shall not be deemed to be incorporated in, and shall not be deemed to form part of, the Supplement or the Prospectus:

"Looking forward for the year as a whole, given the continuing economic uncertainty, we reconfirm our guidance to deliver revenue growth around the lower end of our 4-6% goal range. In addition, we now expect to deliver a full year margin increase of between 80-100 basis points in constant currency."

Copies of the Press Release incorporated by reference in this Supplement and the Prospectus can be obtained from the Issuers as described in the Prospectus.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Prospectus by this Supplement, and (b) any other statement in or incorporated by reference in the Prospectus prior to the date of this Supplement, the statements in (a) above will prevail.

If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive except where such information or other documents are specifically incorporated by reference or attached to the Supplement.

Save as disclosed in this Supplement and any supplement previously issued by the Issuers, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Prospectus since publication of the Prospectus which is capable of affecting the assessment of Notes issued under the Programme.

Investors should be aware of their rights under Section 87Q(4) of FSMA.

No person is or has been authorised to give any information or to make any representation not contained in the Prospectus or this Supplement, and any information or representation not so contained must not be relied upon as having been authorised by or on behalf of the Issuers or the Dealers. The delivery of the Prospectus and/or this Supplement at any time does not imply that there has been no change in the affairs of either of the Issuers since the date hereof, or that the information contained in either of them is correct as at any time subsequent to each of their respective dates.

Prospective investors should have regard to the factors described under the section headed "RISK FACTORS" in the Prospectus.
