Important Information

This document, and the material contained herein, has been prepared for the purpose of providing general information about, and an overview of, Africa Opportunity Fund Limited (the "Company") and its operations. It is not meant to be a complete review of all matters concerning the Company. This document is not intended as an offer or solicitation for the subscription, purchase or sale of securities in the Company.

The material in this document is not intended to provide, and should not be relied on for accounting, legal or tax advice or investment recommendations or decisions. Potential investors are advised to independently review and/or obtain independent professional advice and draw their own conclusions regarding the economic benefit and risks of investment in the Company and legal, regulatory, credit, tax and accounting aspects in relation to their particular circumstances.

Whilst the Company and Africa Opportunity Partners LLC have taken all reasonable care to ensure the information and facts contained in this document are accurate and up-to-date, they do not nor do any of their respective directors, officers, partners, employees, agents or advisers make any undertaking, representation, warranty or other assurance, express or implied, as to the accuracy or completeness of the information or opinions contained in this document. No responsibility or liability is accepted by any of them for any such information or opinions or for any errors, omissions, misstatements, negligent or otherwise.

No one can assure future results and achievements. No undue reliance should be placed on forward-looking statements. The Company and Africa Opportunity Partners disclaim any obligation to update or alter any forward-looking statements, whether as a result of new information, future events, or otherwise.

No warranty is given, in whole or in part, regarding the performance of the Company. There is no guarantee that investment objectives of the Company will be achieved. Potential investors should be aware that past performance may not necessarily be repeated in the future. The price of shares and the income from them may fluctuate upwards or downwards and cannot be guaranteed.
