Report on Review of Condensed Interim Standalone Financial Statements

To the Board of Directors of YES Bank Limited

Introduction

We have reviewed the accompanying Condensed Interim Standalone Balance Sheet of YES Bank Limited (the 'Bank') as of 30 June 2019 and the related Condensed Interim Standalone Statement of Profit and Loss and Condensed Interim Standalone Cash Flow Statement for the three month period then ended, and a summary of significant accounting policies and other explanatory notes (hereinafter referred to as the 'Condensed Interim Standalone Financial Statements'). Management is responsible for the preparation and fair presentation of these Condensed Interim Standalone Financial Statements in accordance with the recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", prescribed under section 133 of the Companies Act. 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, relevant provisions of the Banking Regulation Act. 1949, the circulars, guidelines and directions issued by the Reserve Bank of India ('RBI') from time to time ('RBI Guidelines') and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on this Condensed Interim Standalone Financial Statements based on our review. Attention is drawn to the fact that the figures for the corresponding quarter ended 30 June 2018, as reported in these Condensed Interim Standalone Financial Statements have been approved by the Parent's Board of Directors, but have not been subjected to review.

Scope of Review

We conducted our review in accordance with Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Condensed Interim Standalone Financial Statements do not present fairly, in all material respects, the state of affairs of the Bank as at 30 June 2019, and of its results of operations and its cash flows for the three month period then ended in accordance with the recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", prescribed under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014, the RBI Guidelines and other accounting principles generally accepted in India.

Report on Review of Condensed Interim Standalone Financial Statements (Continued)

YES Bank Limited

Emphasis of Matter

We draw attention to Note 16 of the Condensed Interim Standalone Financial Statements which describes the ongoing enquiry by the Bank into certain anonymous whistle-blower allegations.

Our conclusion on the Condensed Interim Standalone Financial Statements is not modified in respect of the above matter.

Notes for segment reporting:

- In computing the above information, certain estimates and assumptions have been made by the Management and have been relied upon by the auditors.
- (ii) Income, expense, assets and liabilities have been either specifically identified with individual segment or allocated to segments on a systematic basis or classified as unallocated
- (iii) Inter-segment transactions have been generally based on transfer pricing measures as determined by the Management
- 14 Based on review of Credit portfolio of the Bank, the Bank has identified certain performing accounts which have been faced with stress due to current market and liquidity condition. The Bank had created Contingency Provision of ₹ 21,000,00 million towards these identified accounts in March 2019. In the quarter ended June 30, 2019 the Bank has utilized ₹ 13,993.00 million from the pool towards specific provisioning of NPAs.
- 15 During this quarter, the Bank had sold and transferred securities from HTM category exceeding 5% of the book value of investment held in HTM category at the beginning of the year. The 5% threshold referred to above does not include onetime transfer of securities to/from HTM category with the approval of Board of Directors permitted to be undertaken by banks as per extant RBI guidelines, sale of securities under pre-announced Open Market Operation (OMO) auction to the RBI and sale of securities or transfer to AFS / HFT consequent to the reduction of ceiling on SLR securities under HTM. The book value of HTM investment sold during this quarter was ₹ 99,672.4 million. The market value of investments (excluding investments in subsidiaries) under HTM category as at June 30, 2019 was ₹ 376,147,2 million and was higher than the book value thereof as at that date.
- The Bank became aware in September 2018 through communications from stock exchanges of an anonymous whistleblower 16 complaint alleging irregularities in the Bank's operations, potential conflicts of interests in relation to the former MD and CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which was carried out by management and supervised by the Board of Directors. The enquiry resulted in a report that was reviewed by the Board in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. The Bank, at the direction of the Audit Committee and with the assistance of this external firm, is continuing to analyze the allegations in the whistleblower complaint and work is currently ongoing. Based on work done and findings till date, the Bank has not identified any material financial statement implications. The Bank will consider the implications of ongoing work once the examination of this matter is completed.
- The condensed standalone financial statements under AS 25 for the period ended 30 June, 2019 and 30 June, 2018 were subjected 17 to a limited review.
- Figures for the previous period/year have been regrouped and reclassified wherever necessary to conform to the current period's 18 presentation.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Condensed Interim Consolidated Financial Statements do not present fairly, in all material respects, the state of affairs of the Bank as at 30 June 2019, and of its results of operations and its cash flows for the three month period then ended in accordance with the recognition and measurement principles of Accounting Standard 25 "Interim Financial Reporting", prescribed under section 133 of the Act read with rule 7 of the Companies (Accounts) Rules, 2014, the RBI Guidelines and other accounting principles generally accepted in India.

- Based on review of Credit portfolio of the Bank, the Bank has identified certain performing accounts which have been faced with stress due to current market and liquidity condition. The Bank had created Contingency Provision of ₹ 21,000,00 million towards these identified accounts in March 2019. In the quarter ended June 30, 2019 the Bank has utilized ₹ 13,993.00 million from the pool towards specific provisioning of NPAs.
- During this quarter, the Bank had sold and transferred securities from HTM category exceeding 5% of the book value of investment held in HTM category at the beginning of the year. The 5% threshold referred to above does not include onetime transfer of securities to/from HTM category with the approval of Board of Directors permitted to be undertaken by banks as per extant RBI guidelines, sale of securities under pre-announced Open Market Operation (OMO) auction to the RBI and sale of securities or transfer to AFS / HFT consequent to the reduction of ceiling on SLR securities under HTM. The book value of HTM investment sold during this quarter was ₹ 99,672.4 million. The market value of investments (excluding investments in subsidiaries) under HTM category as at June 30, 2019 was ₹ 376,147.2 million and was higher than the book value thereof as at that date.
- The Bank became aware in September 2018 through communications from stock exchanges of an anonymous whistleblower complaint alleging irregularities in the Bank's operations, potential conflicts of interests in relation to the former MD and CEO and allegations of incorrect NPA classification. The Bank conducted an internal enquiry of these allegations, which was carried out by management and supervised by the Board of Directors. The enquiry resulted in a report that was reviewed by the Board in November 2018. Based on further inputs and deliberations in December 2018, the Audit Committee of the Bank engaged an external firm to independently examine the matter. The Bank, at the direction of the Audit Committee and with the assistance of this external firm, is continuing to analyze the allegations in the whistleblower complaint and work is currently ongoing. Based on work done and findings till date, the Bank has not identified any material financial statement implications. The Bank will consider the implications of ongoing work once the examination of this matter is completed.
- The condensed consolidated financial statements under AS 25 for the period ended 30 June, 2019 and 30 June, 2018 were subjected to a limited review.
- 15 Figures for the previous period/year have been regrouped and reclassified wherever necessary to conform to the current period's presentation.
