This Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Supplement in any jurisdiction where such action is required.

Each of the Issuer and the Guarantor accepts responsibility for the information contained in the Information Memorandum and this Supplement and declares that, to the best of its knowledge, the information contained in the Information Memorandum and this Supplement is in accordance with the facts and makes no omission likely to affect its import.

The Issuer intends to apply to the London Stock Exchange plc (the "London Stock Exchange") for the Notes to be admitted to trading on the London Stock Exchange's International Securities Market (the "ISM"). The ISM is not a regulated market situated or operating within the United Kingdom (the "UK") for the purposes of the Prospectus Rules: Admission to Trading on a Regulated Market sourcebook of the FCA Handbook (the "PRM Sourcebook") made in accordance with the Public Offers and Admissions to Trading Regulations 2024 (the "POATRs", together with the PRM Sourcebook, the "UK Prospectus Regime").

Neither the Information Memorandum, nor this Supplement comprises a prospectus for the purposes of the UK Prospectus Regime. This Supplement has been prepared on the basis that any offer of securities in the UK will be made pursuant to an exemption from the prohibition on offers to the public under the POATRs.
