

SOSANDAR

A woman with long brown hair and red lipstick is standing on a city street. She is wearing a dark green, long-sleeved, knee-length dress with a V-neckline and a gold zipper running down the front. The dress has a matching green belt with a large gold circular buckle. She is also wearing large gold hoop earrings. The background is a blurred city street with buildings.

NEW SEASON REFRESH

It's never too early to start thinking about your new season wardrobe - you deserve a little new year pick-me-up! Cue our edit of new AM to PM dresses, luxurious leather and versatile separates. Add to this, much-needed mood-boosting prints and colours that will lift any look. From florals and polka dots to leopard print and stripes, hot pink and cornflower blue to jade green and rich burgundy, think of it as a hit of Vitamin D in fashion form.

Up your dress game with on-trend details: flattering ruches, zips, frilled hems and Bardot necklines elevate our wear-everywhere one-piece wonders. Re-work layering with our floral kimono or refresh your knitwear collection with our asymmetric lurex striped jumper.

Can't bear to be parted from boots just yet? Upgrade your go-to pair with our array of NEW statement styles - we're talking pinks, metallic and leopard print - or get a new shoe fix with our statement heels. Because there's no such thing as too many shoes.
