DECEMBER QUARTERLY REPORT 29TH January 2021

QUARTER SUMMARY

During the December quarter business activities were largely on hold pending discussions to settle the ongoing legal disputes and a recapitalisation plan for the company.

With the assistance of a major shareholder, Aura Energy commenced settlement negotiations on the outstanding legal disputes with the shareholder activists and this has been largely successful.

The final step in this process is the approval, by the ASX, of the Notice of Meeting for the Annual General Meeting (currently delayed) which is currently under review by them. The AGM will 30 days after the Notice of Meeting is lodged.

Covid-19 continues to restrict access to our projects (both the Australian government and to a lesser extent Mauritanian government travel bans).

Aura lists its assets as:

- The construction-ready Tiris Uranium Project
- Excellent gold assets
- Häggån Vanadium Project
- Swedish compensation claim

A corporate transaction for the gold assets continues, albeit at a slower pace.

The Swedish compensation claim is ongoing and focussed on funding arrangements for this litigation.

TIRIS PROJECT, MAURITANIA (AURA 85%)

No activity took place on the Tiris Project.

HÄGGÅN BATTERY METALS PROJECT, SWEDEN (AURA 100%)

Activities at the Häggån Battery Metals project remained on care-and-maintenance.

The Swedish compensation claim remains ongoing and Aura continues to be steadfast in action to recover the value of the confiscated asset.

TASIAST SOUTH GOLD PROJECT, MAURITANIA (AURA 100%)

A corporate transaction for the gold assets continues, albeit at a slower pace.

CORPORATE

Mr Phillip Hains was been appointed Company Secretary of the Company and will be the nominated person under Listing Rule 12.6 for communications with the Australian Securities Exchange.

Mr Hains replaces John Madden who had advised the Company on 14 August 2020 of his decision to step down as Company Secretary as soon as practicable.

FINANCIAL OPERATIONS

Closing cash at the end of the quarter was \$52k, compared to \$121k at the end of the previous quarter and compared to \$235k at the end of previous financial year.

The Company did not pay any amounts during the quarter to any of its related parties as the financial resources were limited (as shown in section 6 of the Appendix 5B).

The Company is in the process of obtaining regulatory approval for the Notice of Meeting to obtain shareholder approval to raise additional capital to fund ongoing projects and working capital.
