### **Auditor's Responsibility**

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation of consolidated financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management of the entities of the Group, as well as evaluating the overall presentation of the consolidated financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

6. In our opinion and to the best of our information and according to the explanations given to us, and based on our consideration of the reports of other auditors on separate financial statements and the other financial information of Subsidiaries, Joint Ventures and Associates, the unaudited financial statements and the other financial information of a subsidiary and certain associates as furnished by the Management, the attached

  - (b) Note no. 7: utilization of Counter Cyclical Buffer of Rs. 1,171 crores during the year.

Our opinion is not qualified in respect of the above stated matters.

Our opinion, in so far as it relates to the affairs of such subsidiaries, joint ventures and associates, is based solely on the report of the other auditors and unaudited financial statements referred to above.

9. The auditors of SBI Life Insurance Company, a subsidiary of the Group have reported that the; The actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary"). The actuarial valuation of these liabilities for life policies in force and for policies in respect of which the premium has been discontinued but liability exists as at 31 March 2016 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India ("IRDAI / "Authority") and the Institute of Actuaries of India in concurrence with the Authority.
