8.8 If item 8.7 is less than 2 quarters, please provide answers to the following questions:	
8.8.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: No, the Company does not expect to continue with the current level of exploration & evaluation. The Company has successfully progressed into the next stage of development for the MCB Project since the mining permit has been granted. It is expected that mine development costs will increase, however projected exploration costs are expected to significantly and materially decrease as the focus shifts to the development phase.	
8.8.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?	
Answer: The Company has been interfacing with potential investors who have shown resounding interest and will proceed to continue discussion to advance funding and partnership options to proceed with the development of the MCB Project in the Philippines.
