

Series No.: BARP05

Tranche No.: 1

Barclays PLC

("Issuer")

**A\$10,000,000,000
Debt Issuance Programme
("Programme")**

**PRICING SUPPLEMENT
in connection with the issue of
A\$300,000,000 3.25% Fixed Rate Debt Instruments due 26 June 2024
("Debt Instruments")**

The date of this Supplement is 24 June 2019.

This Supplement is issued to give details of the Tranche of Debt Instruments referred to above. It is supplementary to, and should be read in conjunction with the Information Memorandum dated 30 April 2019 ("**IM**"), the terms and conditions of the Debt Instruments contained in the IM ("**Conditions**") and the Second Debt Instrument Deed Poll dated 23 May 2018 ("**Deed Poll**") each issued in relation to the Programme.

This Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Debt Instruments or the distribution of this Supplement in any jurisdiction where such action is required.

The Issuer intends to apply to the London Stock Exchange plc (the "**LSE**") for the Debt Instruments to be admitted to trading on the LSE's International Securities Market (the "**ISM**").

Terms used but not otherwise defined in this Supplement have the meaning given in the Conditions. A reference to a "Condition" in this Supplement is a reference to the corresponding Condition as set out in the IM.

The Issuer is not a bank or authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia ("Australian Banking Act"). The Debt Instruments are not obligations of the Australian Government or any other government and, in particular, are not guaranteed by the Commonwealth of Australia. The Issuer is not supervised by the Australian Prudential Regulation Authority. An investment in any Debt Instruments issued by the Issuer will not be covered by the depositor protection provisions in section 13A of the Australian Banking Act and will not be covered by the Australian Government's bank deposit guarantee (also commonly referred to as the Financial Claims Scheme). Debt Instruments that are offered for issue or sale or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act and issued and transferred in compliance with the terms of the exemption from compliance with section 66 of the Australian Banking

Act that is available to the Issuer. Such Debt Instruments must only be issued or transferred in, or into, Australia in parcels of not less than A\$500,000 in aggregate principal amount.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Debt Instruments are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended or superseded), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIPs Regulation**”) for offering or selling the Debt Instruments or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Debt Instruments or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIPs Regulation.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Debt Instruments has led to the conclusion that: (i) the target market for the Debt Instruments is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Debt Instruments to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Debt Instruments (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Debt Instruments (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

Singapore Securities and Futures Act Product Classification - Solely for the purposes of its obligations pursuant to Sections 309B(1)(a) and 309B(1)(c) of the Securities and Futures Act (Chapter 289 of Singapore) (the “**SFA**”), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A of the SFA that the Debt Instruments are “prescribed capital markets products” (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).
