

FINAL TERMS

PROHIBITION OF SALES TO EEA RETAIL INVESTORS The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**EU PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (the "**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended ("**EUWA**"); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (as amended, the "**FSMA**") and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II product governance / Professional investors and eligible counterparties only target market – Solely for the purposes of the Dealer's product approval process as MiFID II "manufacturer", the target market assessment completed by the relevant Dealer in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (an "**EU distributor**") should take into consideration the manufacturer's target market assessment; however, an EU distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels. The Issuer is not subject to MiFID II and any implementation thereof by an EU Member State. The Issuer is therefore not a "manufacturer" for the purposes of the MiFID Product Governance Rules under EU Delegated Directive 2017/593 and has no responsibility or liability for identifying a target market, or any other product governance obligation set out in MiFID II, for financial instruments it issues (including the foregoing target market assessment for the Notes described in this legend).

Notification under Section 309(B)(1) of the Securities and Futures Act 2001 of Singapore (the "SFA") – The Notes are prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in the Monetary Authority of Singapore (the "MAS") Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

3 RATINGS

The Notes to be issued are expected to be rated:

S&P Global: AA-

An obligation rated 'AA' differs from the highest-rated obligations only to a small degree. The obligor's capacity to meet its financial commitments on the obligation is very strong. Ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.

Moody's: Aa3

Obligations rated Aa are judged to be of high quality and are subject to very low credit risk. Moody's appends numerical modifiers 1, 2, and 3 to each generic rating classification from Aa through Caa. The modifier 1 indicates that the obligation ranks in the higher end of its generic rating category; the modifier 2 indicates a mid-range ranking; and the modifier 3 indicates a ranking in the lower end of that generic rating category.

Third Party Information

The ratings explanation set out in this Item 3 of Part B is sourced from the websites of S&P and Moody's (as applicable). The Issuer confirms that such information has been accurately reproduced and, as far as the Issuer is aware and is able to ascertain from information published by S&P and Moody's, no facts have been omitted which would render the reproduced information inaccurate or misleading.

4 INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE/OFFER

So far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer, including conflicting interests.

5 (Fixed Rate Notes only) YIELD

Indication of yield: The yield for the Notes will be 5.12 per cent. on the Issue Date and will be calculated on the basis of the compound annual rate of return as if the Notes were to be purchased at the Issue Price on the Issue Date and held to maturity. This is not an indication of future yield.
