Attn: Transaction Management Department

Ladies and Gentlemen:

Wells Fargo & Company, a Delaware corporation (the “Company”), proposes to issue and to sell to Wells Fargo Securities, LLC (the “Underwriter”), the principal amount of its securities identified in Schedule I hereto (the “Notes”). The Notes are to be issued pursuant to an indenture dated as of July 21, 1999, between the Company and Citibank, N.A., as trustee (the “Trustee”), as supplemented from time to time (the “Indenture”).

The Company meets the requirements for use of Form S-3 under the Securities Act of 1933, as amended (the “Securities Act”), and has filed with the Securities and Exchange Commission (the “SEC”) an automatic shelf registration statement on Form S-3 (No. 333-195697) as defined in Rule 405 under the Securities Act for the registration of securities, including the Notes, under the Securities Act, and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the SEC under the Securities Act (the “Securities Act Regulations”). No notice of objection of the SEC to the use of such registration statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act has been received by the Company. Such registration statement, including any amendments thereto, became effective upon filing and no order suspending the effectiveness of such registration statement has been issued by the SEC and no proceeding for that purpose or pursuant to Section 8A of the Securities Act against the Company or related to the offering has been initiated or threatened by the SEC. The Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”). The Company proposes to file with the SEC pursuant to Rule 424 under the Securities Act a supplement to the prospectus included in such registration statement relating to the Notes in the form heretofore delivered to you. Such registration statement, including all exhibits thereto (but excluding the Statements of Eligibility on Form T-1), as amended at the date of this Agreement, and including any prospectus supplement relating to the Notes that is filed with the SEC pursuant to Rule 424(b) under the Securities Act and deemed part of such registration statement pursuant to Rule 430B under the Securities Act, is hereinafter called the “Registration Statement”; such prospectus in the form in which it appears in the Registration Statement is hereinafter called the “Basic Prospectus” and

such supplemented form of prospectus, in the form in which it shall be filed with the SEC pursuant to Rule 424(b) (including the Basic Prospectus as so supplemented) is hereinafter called the “Final Prospectus.” The term “Free Writing Prospectus” shall mean a free writing prospectus, as defined in Rule 405 under the Securities Act. The term “Issuer Free Writing Prospectus” shall mean an issuer free writing prospectus, as defined in Rule 433 under the Securities Act, that (i) is required to be filed with the SEC by the Company or (ii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Notes or the offering that does not reflect the final terms. The term “Applicable Time” shall mean the Applicable Time listed in Schedule II hereto. The term “Disclosure Package” shall mean (A) the Basic Prospectus, as amended and supplemented to the Applicable Time, (B) the preliminary prospectus supplement dated July 18, 2016, in the form filed with the SEC pursuant to Rule 424(b) under the Securities Act on July 18, 2016, relating to the offer of \$600,000,000 aggregate principal amount of the Company’s Floating Rate Notes due July 26, 2021 and \$3,000,000,000 aggregate principal amount of the Company’s 2.10% Notes due July 26, 2021 (for purposes of this Underwriting Agreement, the “Preliminary Final Prospectus”), (C) the Issuer Free Writing Prospectuses and any other information identified in Schedule III hereto, and (D) any other Free Writing Prospectus that the parties hereto shall hereafter expressly agree in writing to treat as part of the Disclosure Package. Any reference herein to the Registration Statement, the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus shall be deemed to refer to and include the documents filed by the Company under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and incorporated therein as of the date of this Agreement, or the issue date of the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus, or the relevant Applicable Time, as the case may be. Any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the date of this Agreement, or the issue date of the Basic Prospectus, any Preliminary Final Prospectus or the Final Prospectus, as the case may be, and deemed to be incorporated therein by reference.

At the time the Registration Statement was filed and became automatically effective, the Registration Statement complied in all material respects with the requirements of the Securities Act and the Securities Act Regulations and the Trust Indenture Act and the rules and regulations of the SEC promulgated thereunder. As of the date hereof, when the Final Prospectus is first filed pursuant to Rule 424(b) under the Securities Act, when, prior to the Closing Date (as hereinafter defined), any amendment to the Registration Statement becomes effective (including the filing of any document incorporated by reference in the Registration Statement), when any supplement to the Final Prospectus is filed with the SEC and at the Closing Date, (i) the Registration Statement, as amended as of any such time, and the Final Prospectus, as amended or supplemented as of any such time, will comply in all material respects with the applicable requirements of the Securities Act and the Exchange Act and the respective rules thereunder, (ii) the Registration Statement, as amended as of any such time, does not or will not contain any

untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading, and (iii) the Final Prospectus, as amended or supplemented as of any such time, does not or will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Final Prospectus or any amendment thereof or supplement thereto in reliance upon and in conformity with information furnished in writing to the Company by the Underwriter specifically for use in connection with the preparation of the Registration Statement and the Final Prospectus (it being understood and agreed that the only such information contained in the Registration Statement or Final Prospectus furnished by the Underwriter consists of such information described as such in the letter dated the Closing Date (the “Underwriter Blood Letter”) delivered to the Company by the Underwriter. The Indenture complies in all material respects with the requirements of the Securities Act and the Securities Act Regulations and the Trust Indenture Act and the rules and regulations of the SEC promulgated thereunder.

- (b) Disclosure Package. At the Applicable Time, the Disclosure Package does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Company agrees to pay the fees required by the SEC relating to the Notes within the time required by Rule 456(b)(1) under the Securities Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Securities Act.
- (d) Ineligible Issuer Status. At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a *bona fide* offer

- (e) Issuer Free Writing Prospectuses. Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein and any prospectus or prospectus supplement deemed to be a part thereof that has not been superseded or modified. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus made in reliance upon and in conformity with information furnished to the Company by the Underwriter specifically for use therein, it being understood and agreed that the only such information furnished by the Underwriter consists of the information described as such in the Underwriter Blood Letter.

2. *Purchase and Sale*. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to issue and sell to the Underwriter, and the Underwriter agrees to purchase from the Company, at the purchase price set forth in Schedule II hereto, the principal amount of the Notes set forth in Schedule I hereto.

The Company understands that the Underwriter intends to make a public offering of the Notes as soon after the effectiveness of this Agreement as in the judgment of the Underwriter is advisable, and initially to offer the Notes on the terms set forth in the Final Prospectus. The Company acknowledges and agrees that the Underwriter may offer and sell Notes to or through any affiliate of the Underwriter.

3. *Delivery and Payment*. Delivery of, and payment for, the Notes shall be made at the office, on the date and at the time specified in Schedule II hereto, which date and time may be postponed by agreement between the Underwriter and the Company or as provided in Section 8 hereof (such date and time of delivery and payment for the Notes being herein called the “Closing Date”). Delivery of the Notes to be purchased on the Closing Date shall be made to the Underwriter, with any transfer taxes payable in connection with the sale of such Notes duly paid by the Company, against payment by the Underwriter of the purchase price thereof in the manner set forth in Schedule II hereto. Delivery of the Notes will be made through the facilities of The Depository Trust Company (“DTC”), unless the Underwriter shall otherwise instruct.

4. *Agreements*. The Company covenants with the Underwriter as follows:

- (a) Notice of Certain Events. The Company will notify the Underwriter immediately (i) of the effectiveness of any amendment to the Registration Statement, (ii) of the receipt of any comments from the SEC with respect to the Registration Statement, the Preliminary Final Prospectus, if any, or the Final Prospectus, (iii) of any request by the SEC for any amendment to the Registration Statement or any amendment or supplement to the Final Prospectus or for additional information, and (iv) of the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement, or of any notice that would prevent its use, or the initiation of any proceedings for that purpose. The Company will make every reasonable effort to prevent the issuance of any stop order or notice and, if any

stop order or notice is issued, the Company will use its best efforts to obtain the withdrawal or lifting of such stop order or notice.

- (b) Notice of Certain Proposed Filings. The Company will not file any amendment or supplement to the Registration Statement or the Final Prospectus prior to the Closing Date to which the Underwriter reasonably objects promptly after reasonable notice thereof, unless in the opinion of counsel to the Company such amendment or supplement is required by law; provided, however, that the foregoing requirement shall not apply to any of the Company's periodic filings with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act, other than filings of Current Reports on Form 8 K (to which the foregoing requirement shall apply), copies of which filings the Company will cause to be delivered to the Underwriter promptly after being transmitted for filing with the SEC. Neither the Underwriter's consent to, nor the Underwriter's delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 5 of this Agreement.
- (c) Copies of the Registration Statement and the Final Prospectus. The Company will deliver to counsel for the Underwriter one manually signed and as many conformed copies as requested of the Registration Statement (as originally filed) and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated by reference in the Final Prospectus). The Company will furnish to the Underwriter, without charge, (i) as many copies of the Final Prospectus (as amended or supplemented) as the Underwriter shall reasonably request, so long as the Underwriter is required to deliver a Final Prospectus (including where such requirement may be satisfied pursuant to Rule 172 under the Securities Act) in connection with sales of the Notes, and (ii) as many copies of the Disclosure Package as the Underwriter shall reasonably request.
- (d) Preparation of Term Sheet. The Company will prepare a final term sheet with respect to the Notes in a form previously approved by the Underwriter and will file such term sheet pursuant to Rule 433(d) under the Securities Act not later than the time period specified therein. Such final term sheet shall be an Issuer Free Writing Prospectus.
- (e) Revisions of Final Prospectus—Material Changes. If, at any time when a prospectus relating to the Notes is required to be delivered under the Securities Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act), any event occurs as a result of which the Final Prospectus, as then amended or supplemented, would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend or supplement the Final Prospectus to comply with the Securities Act or the Exchange Act or the respective rules thereunder, including in connection with use or delivery of the Final Prospectus, the Company will promptly notify the Underwriter and will,

upon its request, prepare and file with the SEC an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance. Neither the Underwriter's request for, nor the Underwriter's delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 5 hereof.

- (f) Revisions of Disclosure Package—Material Changes. If there occurs an event or development as a result of which the Disclosure Package would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will promptly notify the Underwriter so that any use of the Disclosure Package may cease until it is amended or supplemented and will, upon request of the Underwriter, amend or supplement the Disclosure Package to correct such statement or omission.
- (g) Earnings Statements. The Company will make generally available to its security holders as soon as practicable, but not later than 90 days after the close of the period covered thereby, an earnings statement or statements of the Company and its subsidiaries (in form complying with the provisions of Rule 158 under the Securities Act) covering the twelve month period beginning not later than the first day of the Company's fiscal quarter next following the "effective date" (as defined in such Rule 158) of the Registration Statement with respect to the sale of the Notes.
- (h) Blue Sky Qualifications. The Company will arrange to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions of the United States as the Underwriter may designate, and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; provided, however, that the Company shall not be obligated to file any general consent to service of process, to subject itself to taxation in any jurisdiction where it is not so subject or to qualify as a foreign corporation in any jurisdiction in which it is not so qualified. The Company will file such statements and reports as may be required by the laws of each jurisdiction in which the Notes have been qualified as above provided. The Company will promptly advise the Underwriter of the receipt by the Company of any notification with respect to the suspension of the qualification of the Notes for sale in any such state or jurisdiction or the initiating or threatening of any proceeding for such purpose.
- (i) Exchange Act Filings. The Company, during the period when the Final Prospectus is required to be delivered under the Securities Act, will, subject to subsection (b) of this Section, file promptly all documents required to be filed with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act.
- (j) Stand Off Agreement. During the period beginning on the date hereof and ending on the business day after the Closing Date, the Company will not, without the Underwriter's prior consent, offer or sell, announce the offering of or enter into

any agreement to sell, any debt securities of the Company with terms substantially similar to those of the Notes (other than the Notes and commercial paper in the ordinary course of business).

- (k) Free Writing Prospectuses. The Company agrees that, unless it obtains the prior written consent of the Underwriter, and the Underwriter, agrees with the Company that, unless it has obtained or will obtain, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Notes that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a Free Writing Prospectus required to be filed with the SEC or retained by the Company under Rule 433 under the Securities Act; provided that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule III hereto. Any such Free Writing Prospectus consented to by the Underwriter or the Company is hereinafter referred to as a “Permitted Free Writing Prospectus.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 under the Securities Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the SEC, legending and record keeping.
- (l) Expenses. The Company will pay all expenses incident to the performance of its obligations under this Agreement, for any filing fees or other expenses (including reasonable fees and disbursements of counsel for the Underwriter) in connection with qualification of the Notes for sale and determination of their eligibility for investment under the laws of such domestic and foreign jurisdictions as the Underwriter may designate and the printing of memoranda relating thereto, for any fees or other expenses in connection with preparing the Notes, for any fees charged by investment rating agencies for the rating of the Notes, for any travel expenses of the Company’s officers and employees and any other expenses of the Company in connection with attending or hosting meetings with prospective purchasers of Notes and for expenses incurred in printing and distributing the Basic Prospectus, Preliminary Final Prospectus, Free Writing Prospectus and the Final Prospectus.

5. *Conditions to the Obligations of the Underwriter.* The obligations of the Underwriter to purchase the Notes shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein, as of the date hereof, as of the date of the effectiveness of any amendment to the Registration Statement filed after the date hereof and prior to the Closing Date (including the filing of any document incorporated by reference therein) and as of the Closing Date, to the performance and observance by the Company of all of its covenants and agreements herein contained and to the following additional conditions:

- (a) No stop order suspending the effectiveness of the Registration Statement, as amended from time to time, or any notice under Rule 401(g)(2) under the Securities Act that would prevent its use, shall have been issued and no

proceedings for that purpose shall have been instituted or threatened by the SEC; the Final Prospectus shall have been filed with the SEC pursuant to Rule 424(b) under the Securities Act not later than the close of business on the second business day following the execution and delivery of this Agreement; and the final term sheet contemplated by Section 4(d) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Securities Act, shall have been filed with the SEC within the applicable time periods prescribed for such filings by Rule 433 under the Securities Act.

- (b) [Intentionally Omitted.]
- (c) [Intentionally Omitted.]
- (d) [Intentionally Omitted.]
- (e) Other Documents. Counsel to the Underwriter shall have been furnished with such documents as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of Notes as herein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company in connection with the issuance and sale of Notes as herein contemplated shall be satisfactory in form and substance to the Underwriter and to counsel for the Underwriter.
- (f) Material Adverse Change. As of the Closing Date, there shall have been no material adverse change in the condition, financial or otherwise, or in the earnings, business, properties, results of operations or business prospects of the Company and its subsidiaries, taken as a whole, whether or not in the ordinary course of business, from that set forth in the Disclosure Package and the Final Prospectus, as amended or supplemented as of the date hereof that, in the judgment of the Underwriter, is material and adverse and makes it, in the judgment of the Underwriter, impracticable to proceed to market and sell the Notes on the terms and in the manner contemplated by the Disclosure Package or the Final Prospectus, as so amended or supplemented.
- (g) No Conflict. No action shall have been taken, to the Company's knowledge, and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Notes; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Notes.

If any of the conditions specified in this Section 5 shall not have been fulfilled when and as provided in this Agreement, this Agreement and all obligations of the Underwriter hereunder may be cancelled on, or at any time prior to, the Closing Date by the Underwriter. Notice of

such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

6. *Reimbursement of Underwriter's Expenses.* If the sale of the Notes provided for herein is not consummated because any condition to the obligations of the Underwriter set forth in Section 5 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or comply with any provision hereof other than by reason of a default by the Underwriter, the Company will reimburse the Underwriter upon demand for all out-of-pocket expenses (including, without limitation, reasonable fees and disbursements of counsel and those described in Section 4(1) hereof) that shall have been incurred by them in connection with the proposed purchase and sale of the Notes.

7. *Indemnification and Contribution.*

- (a) The Company agrees to indemnify and hold harmless the Underwriter and each person who controls the Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Notes as originally filed or in any amendment thereof, or in the Basic Prospectus, any Preliminary Final Prospectus, the Final Prospectus, any Issuer Free Writing Prospectus or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party to the extent set forth below, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by the Underwriter specifically for use therein (it being understood and agreed that the only such information furnished by the Underwriter consists of such information described as such in the Underwriter Blood Letter). This indemnity agreement will be in addition to any liability which the Company may otherwise have.
- (b) The Underwriter agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, and each person who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to the Underwriter, but only with reference to written information relating to the Underwriter furnished to the Company by the Underwriter for use in the preparation of the documents referred to in the foregoing indemnity (it being understood and agreed that the only such

information furnished by the Underwriter consists of such information described as such in the Underwriter Blood Letter). This indemnity agreement will be in addition to any liability which the Underwriter may otherwise have.

- (c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action (including any governmental investigation), such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under clause (a) or (b) of this Section 7, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under clause (a) or (b) of this Section 7. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein, and to the extent that it shall wish, jointly, with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party). In any such proceeding, any indemnified party shall have the right to obtain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnified party and the indemnifying party and representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate identified firm (in addition to any identified local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Underwriter in the case of parties to be indemnified pursuant to paragraph (a) of this Section 7 and by the Company in the case of parties to be indemnified pursuant to paragraph (b) of this Section 7. An indemnifying party shall not be liable for any settlement of any proceeding effected without its prior written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed), effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of the indemnified party.

- (d) To the extent the indemnification provided for in Section 7(a) or 7(b) hereof is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriter, on the other hand, from the offering of such Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriter, on the other hand, in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriter, on the other hand, in connection with the offering of such Notes shall be deemed to be in the same respective proportions as the total net proceeds from the offering of such Notes (before deducting expenses) received by the Company bear to the total discounts and commissions received by the Underwriter in respect thereof. The relative fault of the Company, on the one hand, and the Underwriter, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriter and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.
- (e) The Company and the Underwriter agree that it would not be just or equitable if contribution pursuant to Section 7(d) hereof were determined by *pro rata* allocation or by any other method of allocation that does not take account of the equitable considerations referred to in Section 7(d) hereof. The amount paid or payable by an indemnified party as a result of the losses, claims, damages and liabilities referred to in Section 7(d) hereof shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 7, the Underwriter shall not be required to contribute any amount in excess of the amount by which the total price at which the Notes referred to in Section 7(d) hereof that were offered and sold to the public through the Underwriter exceeds the amount of any damages that the Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11 (f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

8. *Default by the Underwriter.* If the Underwriter shall fail to purchase and pay for any of the Notes agreed to be purchased by the Underwriter hereunder, then this Agreement will terminate without liability to the Company. Nothing contained in this Agreement shall relieve

the Underwriter of its liability, if any, to the Company for damages occasioned by its default hereunder.

9. *Underwriter Representations and Agreements.*

- (a) The Underwriter agrees that it will timely file with the Corporate Financing Department of FINRA (the “Association”) any documents required to be filed under Rule 5110 of the FINRA Rules relating to the offering of the Notes.
- (b) In relation to Canada, the Underwriter represents and agrees with respect to the Notes offered or sold by it, that:
 - (i) The Notes may be sold only to purchasers purchasing, or deemed to be purchasing, as principal that are accredited investors, as defined in National Instrument 45-106 Prospectus Exemptions or subsection 73.3(1) of the Securities Act (Ontario), and are permitted clients, as defined in National Instrument 31-103 Registration Requirements, Exemptions and Ongoing Registrant Obligations. Any resale of the Notes must be made in accordance with an exemption from, or in a transaction not subject to, the prospectus requirements of applicable securities laws.
 - (ii) Securities legislation in certain provinces or territories of Canada may provide a purchaser with remedies for rescission or damages if the Preliminary Final Prospectus or the Final Prospectus (including any amendment thereto) contains a misrepresentation, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province or territory for particulars of these rights or consult with a legal advisor.
 - (iii) Pursuant to section 3A.3 of National Instrument 33-105 Underwriting Conflicts (NI 33-105), the Underwriter is not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with the offering contemplated by the Preliminary Final Prospectus and the Final Prospectus.
- (c) In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”):
 - (i) The Underwriter represents and agrees that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”), it has not made and will not make an offer of the Notes which are the subject of the offering contemplated by the Preliminary Final Prospectus and the Final Prospectus to the public in that Relevant Member State other than: (i) to any legal entity which is a qualified investor as defined in the Prospectus Directive; (ii) to fewer than 150 natural or legal persons (other than qualified investors as defined in the

Prospectus Directive), subject to obtaining the prior consent of the Underwriter nominated by the Company for any such offer; or (iii) in any other circumstances falling within Article 3(2) of the Prospectus Directive; provided that no such offer of the Notes shall require the Company or the Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

(ii) For the purposes of this Section 9(c), the expression an “offer of the Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered, so as to enable an investor to decide to purchase or subscribe to the Notes, as the same may be varied in that Relevant Member State by any measure implementing the Prospectus Directive in that Relevant Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

(iii) The Preliminary Final Prospectus and the Final Prospectus have been prepared on the basis that all offers of the Notes in any Relevant Member State will be made pursuant to an exemption under the Prospectus Directive from the requirement to publish a prospectus for offers of the Notes. Accordingly, any person making or intending to make any offer of the Notes in that Relevant Member State which are the subject of the offering contemplated in the Preliminary Final Prospectus and the Final Prospectus may only do so in circumstances in which no obligation arises for the Company, its affiliates or the Underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Company nor the Underwriter has authorized, nor will authorize, the making of any offer of the Notes in circumstances in which an obligation arises for the Company or the Underwriter to publish or supplement a prospectus pursuant to the Prospectus Directive for such offer.

(d) In relation to the United Kingdom, the Underwriter represents and agrees with respect to the Notes offered or sold by it, that:

(i) in relation to any Notes which have a maturity of less than one year, (1) it and each of its affiliates is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (2) it and each of its affiliates has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the Financial Services and Markets Act 2000 (as amended) (the “FSMA”) by the Company;

(ii) it and each of its affiliates has complied, and will comply, with all applicable provisions of the FSMA with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom; and

(iii) it and each of its affiliates has only communicated, or caused to be communicated, and will only communicate, or cause to be communicated, an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of the Notes in circumstances in which Section 21(1) of the FSMA does not apply to it, its affiliates or the Company.

- (e) In relation to Hong Kong, the Underwriter represents and agrees with respect to the Notes offered or sold by it, that it has not offered or sold the Notes in Hong Kong by means of any document other than (i) in circumstances which do not constitute an offer to the public within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32, Laws of Hong Kong), or (ii) to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong) and any rules made thereunder, or (iii) in other circumstances which do not result in the document being a “prospectus” within the meaning of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32, Laws of Hong Kong), and has not issued, or possessed for the purpose of issuing, any advertisement, invitation or document relating to the Notes (in each case whether in Hong Kong or elsewhere), which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the laws of Hong Kong) other than with respect to the Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong) and any rules made thereunder.
- (f) In relation to Singapore, the Underwriter represents and agrees with respect to the Notes offered or sold by it, that each of the Preliminary Final Prospectus and the Final Prospectus has not been registered as a prospectus with the Monetary Authority of Singapore. It has not circulated or distributed the Final Prospectus, the Basic Prospectus, any Free Writing Prospectus and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes, and it has not offered or sold the Notes, or made the Notes the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the “SFA”), (ii) to a relevant person pursuant to Section 275(1), or any person pursuant to Section 275(1A), and in accordance with the conditions specified in Section 275 of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA. Where the Notes are subscribed or purchased under Section 275 by a relevant person which is: (a) a corporation (which is not an accredited investor) the sole business of which is to hold investments and the entire share capital of which is owned by one or more

individuals, each of whom is an accredited investor; or (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor, shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest in that trust shall not be transferable for 6 months after that corporation or that trust has acquired the Notes under Section 275 except: (1) to an institutional investor under Section 274 of the SFA or to a relevant person pursuant to Section 275(2), or any person pursuant to Section 275(1A), and in accordance with the conditions, specified in Section 275 of the SFA; (2) where no consideration is given for the transfer; or (3) by operation of law.

- (g) In relation to Japan, the Underwriter represents and agrees with respect to the Notes offered or sold by it, that the Notes have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (the "Financial Instruments and Exchange Law"). It will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organized under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident of Japan, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan.
- (h) In the event that the offer or sale of the Notes by the Underwriter in any jurisdiction requires any action on the part of the Company in or with respect to such jurisdiction, the Underwriter represents and agrees that it will (i) inform the Company that the Company is required to take such action prior to the time such action is required to be taken, and (ii) cooperate with and assist the Company in complying with such requirements. The Underwriter agrees that it will, to the best of its knowledge and belief, comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers the Notes or possesses or distributes any Preliminary Final Prospectus, the Final Prospectus, any Free Writing Prospectus or any other offering material relating to the Notes, and will use its reasonable efforts to obtain any required consent, approval or permission for its purchase, offer, sale or delivery of the Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes any such purchases, offers, sales or deliveries.

10. *Termination.* This Agreement shall be subject to termination in the absolute discretion of the Underwriter, by notice given to the Company prior to delivery of and payment for the Notes on the Closing Date, if prior to such time there shall have occurred any (i) suspension or material limitation of trading generally on the New York Stock Exchange or a material disruption in settlement services in the United States, (ii) suspension of trading of any securities of the Company on any exchange or in any over-the-counter market, (iii) declaration of a general moratorium on commercial banking activities in California or New York by either Federal or state authorities, (iv) lowering of the rating assigned to any debt securities of the Company by any nationally-recognized securities rating agency or public announcement by any

such rating agency that it has under surveillance or review, with possible negative consequences, its rating of any debt securities of the Company or (v) outbreak or escalation of hostilities in which the United States is involved, declaration of war by Congress or change in financial markets or calamity or crisis including, without limitation, an act of terrorism, that, in the judgment of the Underwriter, is material and adverse and, in the case of any of the events described in clauses (i) through (v), such event, either alone or together with any other such event, makes it, in the judgment of the Underwriter, impracticable to proceed with completion of the public offering of, or purchase of and payment for, the Notes.

11. *Representations and Indemnities to Survive.* The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriter set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of the Underwriter or the Company or any of the officers, directors or controlling persons referred to in Section 7 hereof, and will survive delivery of and payment for the Notes. The provisions of Sections 6 and 7 of this Agreement shall survive the termination or cancellation of this Agreement.

12. *Notices.* Unless otherwise provided herein, all notices required under the terms and provisions hereof shall be in writing, either delivered by hand, by mail or by facsimile, telex, telecopier, or telegram and confirmed to the recipient, and any such notice shall be effective when received if sent to the Underwriter, at the address specified in Schedule II hereto, or if sent to the Company at:

13. *Successors.* This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the officers and directors and controlling persons referred to in Section 7 hereof, and no other person will have any right or obligation hereunder.

14. *No Fiduciary Duty.* The Company hereby acknowledges that (a) the purchase and sale of the Notes pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriter and any affiliate through which the Underwriter may be acting, on the other, (b) the Underwriter is acting as principal and not as an agent or fiduciary of the Company under this Agreement and (c) the Company's engagement of the Underwriter in connection with the transactions contemplated by this Agreement is as an independent contractor and not in any other capacity. If the foregoing is in accordance with the Underwriter's understanding of our agreement, please sign and return to the Company a counterpart of this Agreement, whereupon this instrument along with all counterparts will represent a binding agreement among the Company and the Underwriter in accordance with its terms.

WELLS FARGO & COMPANY

Floating Rate Notes Due July 26, 2021

WELLS FARGO & COMPANY, a corporation duly organized and existing under the laws of the State of Delaware (hereinafter called the “Company,” which term includes any successor corporation under the Indenture hereinafter referred to), for value received, hereby promises to pay to CEDE & Co., or registered assigns, the principal sum of _____ MILLION DOLLARS (\$_____) on July 26, 2021 and to pay interest thereon from July 25, 2016 or from the most recent Interest Payment Date (as defined below) to which interest has been paid or duly provided for on the dates and at the rate set forth below, until the principal hereof is paid or made available for payment. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest (whether or not a Business Day, as defined below) next preceding such Interest Payment Date. Interest payable upon Maturity will be paid to the Person to whom principal is payable. The Regular Record Date for an Interest Payment Date shall be the fifteenth calendar day, whether or not a Business Day, prior to such Interest Payment Date.

The interest rate per annum for this Security will be equal to LIBOR (as defined below) plus 1.025%, as determined by the calculation agent for this Security (the “Calculation Agent”), and will be reset quarterly on each January 26, April 26, July 26 and October 26, commencing October 26, 2016. Each of these dates on which interest will be reset shall be referred to as an “Interest Reset Date.” If an Interest Reset Date would fall on a day that is not a Business Day, such Interest Reset Date will be postponed to the following day that is a Business Day; provided, however, if such next Business Day is in a different month, then such Interest Reset Date shall be

the immediately preceding Business Day. The initial interest rate per annum for this Security is 1.7395%, which is equal to LIBOR plus 1.025%, as determined two London Banking Days (as defined below) prior to July 25, 2016 by the Calculation Agent.

Interest on this Security will be paid on each January 26, April 26, July 26 and October 26, commencing October 26, 2016, and at Maturity. Each of these dates on which interest will be paid is referred to as an “Interest Payment Date.” If an Interest Payment Date would fall on a day that is not a Business Day, other than the Interest Payment Date that is also the date of Maturity, such Interest Payment Date will be postponed to the following day that is a Business Day; provided, however, if such next Business Day is in a different month, then such Interest Payment Date shall be the immediately preceding Business Day. If the date of Maturity would fall on a day that is not a Business Day, the payment of principal and any premium and interest shall be made on the next Business Day, with the same force and effect as if made on the due date, and no additional interest shall accrue on the amount so payable for the period from and after such date of Maturity. “Business Day” as used herein means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation to close in New York, New York and which is also a London Banking Day.

Except as described below for the first Interest Period, on each Interest Payment Date, the Company will pay interest for the period commencing on and including the immediately preceding Interest Payment Date and ending on and including the next day preceding that Interest Payment Date. This period is referred to as an “Interest Period.” The first Interest Period will begin on and include July 25, 2016 and, subject to the immediately preceding paragraph, will end on and include October 25, 2016. The amount of interest to be paid on this Security for each Interest Period will be calculated by multiplying the principal amount of this Security by an accrued interest factor. The “accrued interest factor” will be computed by adding the interest factors calculated for each day in the Interest Period. The “interest factor” for each day is computed by dividing the interest rate applicable to that day by 360.

“LIBOR,” for any Interest Determination Date (as defined below) shall be the arithmetic mean of the offered rates for deposits in United States dollars having a three-month maturity, commencing on the second London Banking Day immediately following that Interest Determination Date, that appear on the Designated LIBOR Page (as defined below) as of 11:00 a.m., London time, on that Interest Determination Date, if at least two offered rates appear on the Designated LIBOR Page, provided that if the specified Designated LIBOR Page by its terms provides only for a single rate, that single rate will be used. If (i) fewer than two offered rates appear or (ii) no rate appears and the Designated LIBOR Page by its terms provides only for a single rate, then the Calculation Agent will request the principal London offices of each of four major banks in the London Interbank market, as selected by the Calculation Agent, to provide the Calculation Agent with its offered quotation for deposits in United States dollars for a three-month period commencing on the second London Banking Day immediately following the Interest Determination Date to prime banks in the London Interbank market at approximately 11:00 a.m., London time, on that Interest Determination Date and in a principal amount that is representative of a single transaction in United States dollars in that market at that time. If at least two quotations are provided, LIBOR determined on that Interest Determination Date will be the arithmetic mean of

those quotations. If fewer than two quotations are provided, LIBOR will be determined for the applicable Interest Reset Date as the arithmetic mean of the rates quoted at approximately 11:00 a.m., New York City time, on that Interest Determination Date, by three major banks in New York City selected by the Calculation Agent for loans in United States dollars to leading European banks, having a three-month maturity and in a principal amount that is representative of a single transaction in United States dollars in that market at that time. If the banks so selected by the Calculation Agent are not quoting as set forth above, LIBOR for that Interest Determination Date will remain LIBOR for the immediately preceding Interest Period, or, if none, the rate of interest payable will be the initial interest rate.

“Interest Determination Date” means, for any Interest Reset Date, the second London Banking Day prior to that Interest Reset Date.

“London Banking Day” means any day on which commercial banks and foreign exchange markets settle payments in London.

“Designated LIBOR Page” means the display on Reuters, or any successor service, on page LIBOR01, or any other page as may replace that page on that service, for the purpose of displaying London Interbank rates for United States dollars.

All percentages used in or resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with .000005% rounded up to .00001%, and all U.S. dollar amounts used in or resulting from any of the above calculations will be rounded, if necessary, to the nearest cent, with one-half cent rounded upward.

The interest rate on the Securities of this series will in no event be higher than the maximum rate permitted by New York law as the same may be modified by United States law of general application.

The Calculation Agent shall, upon the request of a Holder of this Security, provide the interest rate then in effect and, if determined, the interest rate that will become effective on the next Interest Reset Date. All calculations of the Calculation Agent, in the absence of manifest error, shall be conclusive for all purposes and binding on the Company and the Holder hereof. The Calculation Agent shall notify the Paying Agent of each determination of the interest applicable to this Security promptly after the determination is made. Wells Fargo Bank, N.A. will initially act as Calculation Agent. The Company may appoint a successor Calculation Agent with the written consent of the Paying Agent, which consent shall not be unreasonably withheld.

Any interest not punctually paid or duly provided for will forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the

requirements of any securities exchange on which the Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in the Indenture.

Payment of interest on this Security will be made in immediately available funds at the office or agency of the Company maintained for that purpose in the City of Minneapolis, Minnesota in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however, that, at the option of the Company, payment of interest may be paid by check mailed to the Person entitled thereto at such Person's last address as it appears in the Security Register or by wire transfer to such account as may have been designated by such Person. Any such designation for wire transfer purposes shall be made by providing written notice to the Paying Agent not later than 10 calendar days prior to the applicable Interest Payment Date. Payment of principal of and interest on this Security at Maturity will be made against presentation of this Security at the office or agency of the Company maintained for that purpose in the City of Minneapolis, Minnesota. Notwithstanding the foregoing, for so long as this Security is a Global Security registered in the name of the Depositary, payments of principal and interest on this Security will be made to the Depositary by wire transfer of immediately available funds.

The Company will pay any administrative costs imposed by banks on payors in making payments on this Security in immediately available funds and the Holder of this Security shall pay any administrative costs imposed by banks on payees in connection with such payments. Any tax, assessment or governmental charge imposed upon payments on this Security will be borne by the Holder of this Security.

Reference is hereby made to the further provisions of this Security set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature or its duly authorized agent under the Indenture referred to on the reverse hereof by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed under its corporate seal.

Floating Rate Notes Due July 26, 2021

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an indenture dated as of July 21, 1999, as amended or supplemented from time to time (herein called the "Indenture"), between the Company and Citibank, N.A., as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, limited in aggregate principal amount to \$_____; provided, however, that the Company may, so long as no Event of Default has occurred and is continuing with respect to the Securities of this series, without the consent of the Holders of the Securities of this series, issue additional Securities with the same terms as the Securities of this series, and such additional Securities shall be considered part of the same series under the Indenture as the Securities of this series.

Article Sixteen of the Indenture shall not apply to the Securities of this series.

The Securities of this series are not redeemable at the option of the Company or subject to repayment at the option of the Holder hereof prior to July 26, 2021. The Securities of this series will not be entitled to any sinking fund.

If an Event of Default, as defined in the Indenture, with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of all series to be affected, acting together. The Indenture also contains provisions permitting the Holders of a majority in principal amount of the Securities of all series at the time Outstanding affected by certain provisions of the Indenture, acting together, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with those provisions of the Indenture. Certain past defaults under the Indenture and their consequences may be waived under the Indenture by the Holders of a majority in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series. Any such consent

or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

The Indenture contains provisions for defeasance at any time of (a) the entire indebtedness on this Security and (b) certain restrictive covenants and certain Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Security.

Upon due presentment for registration of transfer of this Security at the office or agency of the Company in the City of Minneapolis, Minnesota, a new Security or Securities of this series in authorized denominations for an equal aggregate principal amount will be issued to the transferee in exchange herefor, as provided in the Indenture and subject to the limitations provided therein and to the limitations described below, without charge except for any tax or other governmental charge imposed in connection therewith.

This Security is exchangeable for definitive Securities in registered form only if (x) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for this Security or if at any time the Depositary ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, and a successor depositary is not appointed within 90 days after the Company receives such notice or becomes aware of such ineligibility, (y) the Company in its sole discretion determines that this Security shall be exchangeable for definitive Securities in registered form and notifies the Trustee thereof or (z) an Event of Default with respect to the Securities represented hereby has occurred and is continuing. If this Security is exchangeable pursuant to the preceding sentence, it shall be exchangeable for definitive Securities in registered form, bearing interest at the same rate, having the same date of issuance, redemption provisions, Stated Maturity and other terms and of authorized denominations aggregating a like amount.

This Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary or by a nominee of the Depositary to the Depositary or another nominee of the Depositary or by the Depositary or any such nominee to a successor of the Depositary or a nominee of such successor. Except as provided above, owners of beneficial interests in this global Security will not be entitled to receive physical delivery of Securities in definitive form and will not be considered the Holders hereof for any purpose under the Indenture.

No reference herein to the Indenture and no provision of this Security or the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed, except as otherwise provided in this Security and except that in the event the Company deposits money or Eligible Instruments as provided in Articles 4 and 15 of the Indenture, such payments will be made only from proceeds of such money or Eligible Instruments.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

No recourse shall be had for the payment of the principal of or the interest on this Security, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Indenture or any indenture supplemental thereto, against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability being, by the acceptance hereof and as part of the consideration for the issuance hereof, expressly waived and released.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture unless otherwise defined in this Security.

This Security shall be governed by and construed in accordance with the law of the State of New York, without regard to principles of conflicts of laws.

Ladies and Gentlemen:

We have acted as counsel for Wells Fargo & Company, a Delaware corporation (the “Company”), in connection with (i) the preparation of a Registration Statement on Form S-3, File No. 333-195697 (the “Registration Statement”) of the Company filed with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended (the “Securities Act”), relating to the proposed offer and sale from time to time of the securities referred to therein; and (ii) the Prospectus Supplement dated August 11, 2016 and the Prospectus dated May 5, 2014 relating to the offer and sale by the Company under the Registration Statement of \$600,000,000 principal amount of Floating Rate Notes Due July 26, 2021 (the “Notes”). The Notes are to be issued under the Indenture dated as of July 21, 1999 (the “Indenture”) entered into by the Company and Citibank, N.A., as trustee, and sold pursuant to an Underwriting Agreement dated August 11, 2016 between the Company and the Underwriter named therein (the “Underwriting Agreement”).

We have examined such documents, records and instruments as we have deemed necessary or appropriate for the purposes of this opinion.

Based on the foregoing, we are of the opinion that the Notes have been duly authorized and, when duly executed by the Company, authenticated in accordance with the provisions of the Indenture, and delivered to and paid for by the Underwriter pursuant to the Underwriting Agreement, the Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their terms subject to applicable bankruptcy, reorganization, insolvency, moratorium, fraudulent conveyance, receivership or other laws affecting creditors’ rights generally from time to time in effect and subject to general equity principles including, without limitation, concepts of materiality, reasonableness, good faith, fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies (regardless of whether enforceability is considered in a proceeding in equity or at law) and except further as enforcement thereof may be limited by any governmental authority that limits, delays or prohibits the making of payments outside of the United States. As contemplated by the foregoing qualifications, in rendering the foregoing opinion, we are expressing no opinion as to Federal or state laws relating to fraudulent transfers. Without

limiting any other qualifications set forth herein, the opinions expressed herein are subject to the effect of generally applicable laws that limit the waiver of rights under usury laws.

We have relied as to certain relevant facts upon certificates of, and/or information provided by, officers and employees of the Company as to the accuracy of such factual matters without independent verification thereof or other investigation. We have also relied, without investigation, upon the following assumptions: (i) natural persons acting on behalf of the Company have sufficient legal capacity to enter into and perform, on behalf of the Company, the transaction in question; (ii) each party to agreements or instruments relevant hereto other than the Company has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreements or instruments enforceable against it; (iii) each party to agreements or instruments relevant hereto other than the Company has complied with all legal requirements pertaining to its status as such status relates to its rights to enforce such agreements or instruments against the Company; and (iv) each document submitted to us for review is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original, and all signatures on each such document are genuine.

The opinions expressed herein are limited to the specific issues addressed and to documents and laws existing on the date hereof. By rendering our opinion, we do not undertake to advise you with respect to any other matter or of any change in such documents and laws or in the interpretation thereof which may occur after the date hereof.

Our opinions set forth herein are limited to the laws of the State of New York, the General Corporation Law of the State of Delaware and the federal laws of the United States of America, and we are expressing no opinion as to the effect of any other laws.

We hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K of the Company filed with the Commission and thereby incorporated by reference into the Registration Statement. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act.
