

TERMS AND CONDITIONS OF THE COVERED BONDS

*With the exception of N Covered Bonds, the following are the terms and conditions of the Covered Bonds (the “**Terms and Conditions**”), which as completed in relation to any Covered Bonds by the applicable Final Terms or, in the case of Exempt Covered Bonds only, supplemented, amended and/or replaced in relation to any Exempt Covered Bonds by the applicable Pricing Supplement, as appropriate, will be applicable to each Series of Covered Bonds issued after the date of this document unless otherwise specified in the applicable Final Terms or Pricing Supplement. Either (i) the full text of these Terms and Conditions (subject to simplification by deletion of non-applicable provisions) together with the relevant provisions of the Final Terms or Pricing Supplement or (ii) these Terms and Conditions as so completed (subject to simplification by deletion of non-applicable provisions) shall be endorsed on the definitive Bearer Covered Bonds and Registered Covered Bonds, attached to the Temporary Global Covered Bond or the Permanent Global Covered Bond or otherwise incorporated or endorsed on such other forms of Covered Bonds as shall be agreed upon by the Issuer, the Guarantor LP, the relevant Dealer(s) or Covered Bondholder(s), as the case may be, and the Bond Trustee. All capitalized terms that are not defined in these Terms and Conditions will have the meanings given to them in the Final Terms or Pricing Supplement. In relation to Covered Bonds of any Series of N Covered Bonds, the terms and conditions of such Series will be as set out in the N Covered Bond (Namensschuldverschreibung) together with the N Covered Bond Conditions attached thereto and in the N Covered Bond Agreement, in each case as supplemented, modified or replaced in relation to any Series of N Covered Bonds by the applicable Pricing Supplement. For greater certainty, any reference to a “Condition” other than in this section shall be deemed to be, as applicable, a reference to the relevant provision of the N Covered Bond, the N Covered Bond Conditions attached thereto or the provisions of the N Covered Bond Agreement relating thereto; provided however, for greater certainty, that the preamble to these Terms and Conditions shall apply with respect to the issuance of N Covered Bonds.*

The following is a general overview of key provisions of the Terms and Conditions applicable to the Covered Bonds:

Condition 3 (*Status of the Covered Bonds*) provides that the Covered Bonds constitute deposit liabilities of the Bank for purposes of the *Bank Act*, but will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada). The Covered Bonds will be a direct obligation of the Bank, ranking equally with the deposit liabilities of the Bank and at least equally with all unsubordinated and unsecured obligations of the Bank except as otherwise prescribed by law.

Condition 4 (*Guarantee*) provides the terms of the Covered Bond Guarantee and the conditions precedent to the obligation of the Guarantor LP to make payment of Guaranteed Amounts. The obligations of the Guarantor LP, following the occurrence of a Covered Bond Guarantee Activation Event, are direct and unconditional, secured by the pledge of the assets of the Guarantor LP which includes the Covered Bond Portfolio pursuant to the terms of the Security Agreement. A Covered Bond Guarantee Activation Event will occur on the earlier of (i) an Issuer Event of Default, together with service by the Bond Trustee of an Issuer Acceleration Notice on the Bank and a Notice to Pay on the Guarantor LP and (ii) a Guarantor LP Event of Default, together with service by the Bond Trustee of a Guarantor LP Acceleration Notice on the Bank and the Guarantor LP.

Condition 5 (*Interest*) sets forth the terms of the interest rates that may apply to the Covered Bonds. The specific terms of interest payable on a Covered Bond that an investor purchases will be disclosed in the relevant Final Terms or Pricing Supplement.

Condition 6 (*Redemption and Purchase*) provides for redemption of the Covered Bonds on their maturity dates and for the early payment of Covered Bonds under certain conditions, including for taxation reasons, illegality or as the result of the exercise of call option or put option features of Covered Bonds, if applicable, as specified in the related Final Terms or Pricing Supplement.

Condition 7 (*Events of Default*) sets forth the conditions that will constitute an Issuer Event of Default and a Guarantor LP Event of Default. Condition 7.03 (*Enforcement*) provides for the enforcement of the obligations of the Bank and the Guarantor LP. Under the Condition, the Bond Trustee is not required to take proceedings against the Bank or the Guarantor LP to seek enforcement of the provisions of the Trust Deed and the Covered Bonds unless it shall be directed by an Extraordinary Resolution of the holders of the Covered Bonds of all series or requested by holders of not less than 25 percent of the aggregate Principal Amount Outstanding of the Covered Bonds of all series then outstanding.

Condition 8 (*Taxation*) provides that all payments by the Bank on the Covered Bonds will be paid free and clear of any taxes, duties, assessment, or charges of any kind imposed by Canada or any political subdivision of Canada or, if the Covered Bonds are issued by a branch of the Bank located outside Canada, by any taxing authority of the jurisdiction where the branch is located unless required by law. Except for certain conditions, if a tax or other levy is imposed, the Bank will pay additional amounts sufficient so that the holder will receive the same net amount that would have been received absent the tax or other duty, assessment or charge.

Condition 9 (*Payments*) provides that payments of principal, interest and any other amount in respect of the registered global Covered Bonds (other than the final installments of principal of a Covered Bond) will be made to the person shown on the Register as the registered holder of the registered global Covered Bonds. None of the Bank, the Guarantor LP, the Bond Trustee and any Paying Agent and the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the registered global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Final installments of principal will be made against presentation and surrender of the global Covered Bond at the specified office of the Registrar or any of the Paying Agents.

Condition 13 (*Meetings of Holders of the Covered Bonds, Modification and Waiver*) provides for convening meetings of holders of Covered Bonds to consider matters that affect one or more series of Covered Bonds or all of the Covered Bonds under the Programme, which may include among other things, a modification of the Terms and Conditions or the provisions of the Trust Deed. A resolution adopted at a meeting to effect such a modification will be binding on all holders of all Covered Bonds of any series for which the meeting was convened. Condition 13 also provides that the Bond Trustee, the Guarantor LP and the Bank may agree to certain modifications without the consent of holders of Covered Bonds of any series.

This Covered Bond is one of a Series (as defined below) of Covered Bonds issued by Royal Bank of Canada (the “**Issuer**” or the “**Bank**”) as part of the Issuer’s €32,000,000,000 Global Covered Bond Programme (the “**Programme**”) and constituted by a trust deed initially entered into on the Programme Establishment Date and most recently amended and restated on July 29, 2016 (as amended, supplemented (including by the Australian Documents), restated or replaced, the “**Trust Deed**”), between the Issuer, RBC Covered Bond Guarantor Limited Partnership, as guarantor (the “**Guarantor LP**”) and Computershare Trust Company of Canada, as bond trustee (in such capacity, the “**Bond Trustee**” which expression shall include any successor as bond trustee).

The Covered Bonds have the benefit of an agency agreement initially entered into on the Programme Establishment Date and most recently amended and restated on July 29, 2016, (as amended, supplemented (including by the Australian Documents), restated or replaced, the “**Agency Agreement**”) between the Issuer, the Guarantor LP, the Bond Trustee, The Bank of New York Mellon in its capacities as U.S. registrar (the “**U.S. Registrar**”, which expression should include any successor in this capacity), U.S. paying agent (the “**U.S. Paying Agent**”), transfer agent and exchange agent (the “**Exchange Agent**”, which expression shall include any successor in this capacity), The Bank of New York Mellon, London branch, in its capacities as issuing and principal paying agent (the “**Issuing and Paying Agent**”, and which expression shall include any successor to The Bank of New York Mellon, London branch, in such capacity), and as calculation agent (the “**Calculation Agent**”, which expression

shall include any successor to The Bank of New York Mellon, London branch in its capacity as such and any substitute calculation agent appointed in accordance with the Agency Agreement either with respect to the Programme or with respect to a particular Series) and as transfer agent, The Bank of New York Mellon (Luxembourg) S.A. as European registrar and transfer agent (the “**European Registrar**”, which expression shall include any successor to The Bank of New York Mellon (Luxembourg) S.A. in its capacity as such, BNY Trust Company of Canada, as Canadian registrar (the “**Canadian Registrar**”, which expression shall include any successor to BNY Trust Company of Canada in its capacity as such), BTA Institutional Services Australia Limited (ABN 48 002 916 396), in its capacity as issuing and paying agent and registrar in respect of Australian dollar denominated Exempt Covered Bonds (the “**Australian Registrar, Issuing and Paying Agent**”) and the “**Registrar**” or “**Registrars**” for a Tranche (as defined below)) shall be as specified in the applicable Final Terms or Pricing Supplement (each as defined below) and any substitute or additional paying agents appointed in accordance with the terms of such Agency Agreement either with respect to the Programme or with respect to a particular Series (the “**Paying Agents**”, which expression shall, unless the context otherwise requires, include the Issuing and Paying Agent and the U.S. Paying Agent) and any substitute or additional transfer agents appointed in accordance with the terms of such Agency Agreement (the “**Transfer Agents**”, which expression shall, unless the context otherwise requires, include the European Registrar, the Canadian Registrar and the U.S. Registrar). As used herein, “Agents” shall mean the Paying Agents, the Registrar or Registrars, the Exchange Agent and the Transfer Agents. A branch of a bank is not a subsidiary and does not comprise a separate legal entity.

Save as provided in Conditions 7 and 13, references in these Terms and Conditions to “**Covered Bonds**” are to Covered Bonds of this Series and shall mean:

- (a) in relation to any Covered Bonds represented by a global covered bond (a “**Global Covered Bond**”), units of the lowest Specified Denomination in the Specified Currency;
- (b) any Global Covered Bond;
- (c) any definitive Covered Bonds in bearer form (“**Bearer Definitive Covered Bonds**”) issued in exchange for a Global Covered Bond in bearer form; and
- (d) any definitive Covered Bonds in registered form (“**Registered Definitive Covered Bonds**”) including without limitation any N Covered Bonds (whether or not issued in exchange for a Global Covered Bond in registered form).

Save as provided in Conditions 7 and 13, any references to “**Coupons**” (as defined in Condition 1.06) or “**Talons**” (as defined in Condition 1.06) are to Coupons and Talons relating to Covered Bonds of this Series.

References in these Terms and Conditions to the Final Terms or Pricing Supplement(s) are, unless otherwise specified, to Part A of the Final Terms(s) or Pricing Supplement(s) prepared in relation to the Covered Bonds of the relevant Tranche or Series.

In respect of any Covered Bonds, references herein to these “**Terms and Conditions**” are to these terms and conditions as completed by the Final Terms or, in the case of Exempt Covered Bonds only, as supplemented, amended and/or replaced by the Pricing Supplement and any reference herein to a “**Condition**” is a reference to the relevant Condition of the Terms and Conditions of the relevant Covered Bonds.

The Covered Bonds are issued in series (each, a “**Series**”), and each Series may comprise one or more tranches (“**Tranches**” and each, a “**Tranche**”) of Covered Bonds. Each Tranche will be the subject of Final Terms (each, “**Final Terms**”) or a Pricing Supplement (“**Pricing Supplement**”), a copy of which will be available free of charge during normal business hours at the specified office of the Issuing and Paying Agent and/or, as the case may be, the applicable Registrar and each other Paying Agent. In

the case of a Tranche (or Series in the case of N Covered Bonds) of Exempt Covered Bonds, copies of the Pricing Supplement will only be available for inspection by a Holder of or, as the case may be, a Relevant Account Holder (each as defined herein) in respect of, such Covered Bonds.

The Bond Trustee acts for the benefit of the Holders for the time being of the Covered Bonds (the **“holders of the Covered Bonds”**, which expression shall, in relation to any Covered Bonds represented by a Global Covered Bond, be construed as provided below) and the holders of the Coupons (the **“Couponholders”**, which expression shall, unless the context otherwise requires, include the holders of the Talons (as defined in Condition 1.06 below)), and for holders of each other series of Covered Bonds in accordance with the provisions of the Trust Deed.

The Guarantor LP has, in the Trust Deed, irrevocably and unconditionally guaranteed the due and punctual payment of the Guaranteed Amounts in respect of the Covered Bonds as and when the same shall become due for payment on certain dates and in accordance with the Trust Deed (**“Due for Payment”**), but only after the occurrence of a Covered Bond Guarantee Activation Event.

The security for the obligations of the Guarantor LP under the Covered Bond Guarantee and the other Transaction Documents to which it is a party has been created in and pursuant to, and on the terms set out in, a security agreement (such security agreement as amended, supplemented or replaced the **“Security Agreement”**) entered into on the Programme Establishment Date between the Guarantor LP, the Bond Trustee and certain other Secured Creditors.

These Terms and Conditions include summaries of and are subject to the provisions of the Trust Deed, the Security Agreement and the Agency Agreement.

Copies of the Trust Deed, the Security Agreement, the Master Definitions and Constructions Agreement (as defined below), the Agency Agreement and each of the other Transaction Documents (other than subscription agreements in respect of certain Exempt Covered Bonds) are available for inspection during normal business hours at the registered office for the time being of the Bond Trustee being as of the date of this document at 100 University Avenue, 11th Floor, North Tower, Toronto, Ontario, Canada M5J 2Y1 and at the specified office of each of the Paying Agents.

Copies of the applicable Final Terms of all Covered Bonds of each Series (or Pricing Supplement in relation to Exempt Covered Bonds of any Series) are obtainable during normal business hours of the specified office of each of the Paying Agents, and any holder of the Covered Bonds must produce evidence satisfactory to the Issuer and the Bond Trustee or, as the case may be, relevant Paying Agent as to its holding of Covered Bonds and identity. The holders of the Covered Bonds and Couponholders are deemed to have notice of, or are bound by, and are entitled to the benefit of, all the provisions of, and definitions contained in, the Trust Deed, the Security Agreement, the Master Definitions and Construction Agreement, the Agency Agreement, each of the other Transaction Documents and the applicable Final Terms or Pricing Supplement which is applicable to them and to have notice of each set of Final Terms or each Pricing Supplement relating to each other Series (other than subscription agreements in respect of certain Exempt Covered Bonds to the extent not generally available for inspection).

Except where the context otherwise requires, capitalized terms used or otherwise defined in these Terms and Conditions shall bear the meanings given to them in the applicable Final Terms, Pricing Supplement and/or the master definitions and construction agreement, initially entered into between the parties to the Transaction Documents on the Programme Establishment Date and, most recently amended and restated on July 29, 2016 (the **“Master Definitions and Construction Agreement”**), a copy of each of which may be obtained as described above. Certain provisions of the Terms and Conditions set out in Schedule 1 to the Trust Deed have been intentionally omitted below as they are not relevant to the Covered Bonds, but the numbering has been preserved to assist in a comparison with Schedule 1 of the Trust Deed.

1 Form and Denomination

1.01 Covered Bonds are issued in bearer form (“**Bearer Covered Bonds**”) or in registered form (“**Registered Covered Bonds**”), or in such other form as shall be agreed upon by the Issuer, the Guarantor LP, the relevant Dealer(s) or Covered Bondholder(s), as the case may be, and the Bond Trustee, as specified in the Final Terms or Pricing Supplement and are serially numbered. Registered Covered Bonds will not be exchangeable for Bearer Covered Bonds and *vice versa*.

The Covered Bond may be a Covered Bond bearing interest on a fixed rate basis (“**Fixed Rate Covered Bond**”), a Covered Bond bearing interest on a floating rate basis (“**Floating Rate Covered Bond**”), a Covered Bond issued on a non-interest bearing basis (“**Zero Coupon Covered Bond**”) or a combination of any of the foregoing, depending on the Interest Basis specified in the applicable Final Terms or Pricing Supplement.

1.02 For so long as any of the Covered Bonds is represented by a Temporary Global Covered Bond and/or Permanent Global Covered Bond held on behalf of Euroclear and/or Clearstream or so long as The Depository Trust Company (“**DTC**”) or its nominee or CDS or its nominee is the registered holder of a Registered Global Covered Bond, each person (other than Euroclear or Clearstream, DTC or CDS) who is for the time being shown in the records of Euroclear or of Clearstream, DTC or CDS as the holder of a particular principal amount of such Covered Bonds (a “**Relevant Account Holder**”) (in which regard any certificate or other document issued by Euroclear or Clearstream, DTC or CDS as to the principal amount of such Covered Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest or proven error) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Issuing and Paying Agent, the Registrar and any other Agent as the holder of such principal amount of such Covered Bonds for all purposes, in accordance with and subject to the Terms and Conditions of the relevant Global Covered Bond and the Trust Deed, other than with respect to the payment of principal or interest on the Covered Bonds, and, in the case of DTC or its nominee or CDS or its nominee, voting, giving consents and making requests, for which purpose the bearer of the relevant Temporary Global Covered Bond and/or Permanent Global Covered Bond or registered holder of a Registered Global Covered Bond (or in either case, the Bond Trustee in accordance with the Trust Deed) shall be treated by the Issuer, the Guarantor LP, the Bond Trustee, the Issuing and Paying Agent and any Agent and any Registrar as the holder of such principal amount of such Covered Bonds in accordance with and subject to the terms of the relevant Global Covered Bond and the expression “**Holder**” and related expressions shall be construed accordingly. Similar rights as those made available to Relevant Account Holders in the preceding sentence may be made available to Relevant Account Holders in other relevant clearing systems as more fully provided in the Final Terms or Pricing Supplement. Covered Bonds which are represented by a Global Covered Bond will be transferable only in accordance with the then current rules and procedures of Euroclear or of Clearstream, DTC or CDS or any other relevant clearing system, as the case may be.

References to DTC, CDS, Euroclear or Clearstream shall, whenever the context so permits (but not in the case of any NGCB or Registered Global Covered Bond to be held under the new safekeeping structure for registered global securities which are intended to constitute eligible collateral for Eurosystem monetary policy and intra-day credit operations (the “**NSS**”), be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or Pricing Supplement as may otherwise be approved by the Issuer, the Issuing and Paying Agent and the Bond Trustee.

Bearer Covered Bonds

1.03 The Final Terms or Pricing Supplement shall specify whether U.S. Treasury Regulation § 1.163-5(c)(2)(i)(D) (or any successor U.S. Treasury regulation section, including, without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States *Hiring Incentives to Restore Employment Act of 2010*) (the “**TEFRA D Rules**”) or U.S. Treasury Regulation § 1.163-5(c)(2)(i)(C) (or any successor U.S. Treasury regulation section, including, without limitation, successor regulations issued in accordance with IRS Notice 2012-20 or otherwise in connection with the United States *Hiring Incentives to Restore Employment Act of 2010*) (the “**TEFRA C**”).

Rules) shall apply or whether such TEFRA rules are not applicable. Each Tranche of Bearer Covered Bonds with an original maturity of more than one year is represented upon issue by a Temporary Global Covered Bond, unless the Final Terms or Pricing Supplement specify otherwise, in particular, when the TEFRA C Rules apply.

Where the Final Terms or Pricing Supplement applicable to a Tranche of Bearer Covered Bonds specify that the TEFRA C Rules apply or that such TEFRA rules are not applicable, such Tranche is (unless otherwise specified in the Final Terms or Pricing Supplement) represented upon issue by a Permanent Global Covered Bond.

Interests in the Temporary Global Covered Bond may be exchanged for:

- (a) interests in a Permanent Global Covered Bond; or
- (b) if so specified in the Final Terms or Pricing Supplement, Bearer Definitive Covered Bonds.

Exchanges of interests in a Temporary Global Covered Bond for Bearer Definitive Covered Bonds or, as the case may be, a Permanent Global Covered Bond will be made only on or after the Exchange Date (as specified in the Final Terms or Pricing Supplement) and (unless the Final Terms or Pricing Supplement specify that the TEFRA C Rules are applicable to the Covered Bonds) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations has been received in accordance with the terms of the Temporary Global Covered Bond (in such form as is required by the relevant clearing system).

1.04 The bearer of any Temporary Global Covered Bond shall not (unless, upon due presentation of such Temporary Global Covered Bond for exchange (in whole but not in part only) for a Permanent Global Covered Bond or for delivery of Bearer Definitive Covered Bonds, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to collect any payment in respect of the Covered Bonds represented by such Temporary Global Covered Bond which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date specified in the applicable Final Terms or Pricing Supplement.

1.05 Unless the Final Terms or Pricing Supplement specify that the TEFRA C Rules are applicable to the Covered Bonds and subject to Condition 1.04 above, if any date on which a payment of interest is due on the Covered Bonds of a Tranche occurs while any of the Covered Bonds of that Tranche are represented by a Temporary Global Covered Bond, the related interest payment will be made on the Temporary Global Covered Bond only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in such form as is customarily issued in such circumstances by the relevant clearing system), has been received by Euroclear Bank SA/NV ("**Euroclear**") or Clearstream Banking S.A. ("**Clearstream**") or any other relevant clearing system in accordance with the terms of the Temporary Global Covered Bond. Payments of amounts due in respect of a Permanent Global Covered Bond or (subject to Condition 1.04 above) a Temporary Global Covered Bond will be made through Euroclear or Clearstream or any other relevant clearing system without any requirement for further certification. Any reference herein to Euroclear or Clearstream shall be deemed to include a reference to any other relevant clearing system.

1.06 Bearer Definitive Covered Bonds that are interest bearing have attached thereto, at the time of their initial delivery, coupons ("**Coupons**"), the presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Definitive Covered Bonds that are interest bearing and which have more than 27 interest payments remaining at the time of their initial delivery, have attached thereto a talon ("**Talon**") for further coupons and the expression "Coupons" shall, where the context so requires, include Talons.

1.07 **[Intentionally omitted]**

Denomination

Denomination of Bearer Covered Bonds

1.08 Bearer Covered Bonds are in the denominations (“**Specified Denomination(s)**”) specified in the Final Terms or Pricing Supplement. Unless otherwise specified in the Final Terms or Pricing Supplement, Bearer Covered Bonds of one denomination may not be exchanged for Bearer Covered Bonds of any other denomination.

Denomination of Registered Covered Bonds

1.09 Registered Covered Bonds are in the Specified Denominations specified in the Final Terms or Pricing Supplement.

Currency of Covered Bonds

1.10 The Covered Bonds are denominated in such currency (the “**Specified Currency**”) as may be specified in the Final Terms or Pricing Supplement. Any currency may be so specified, subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

2 Title and Transfer

2.01 Title to Bearer Covered Bonds and Coupons passes by delivery. References herein to the “**Holder**” of Bearer Covered Bonds or of Coupons are to the bearers of such Bearer Covered Bonds or such Coupons.

2.02 Title to Registered Covered Bonds passes by due endorsement in the relevant register. The Issuer shall procure that the Registrar keep a register or registers in which shall be entered the names and addresses of the Holders of Registered Covered Bonds and particulars of the Registered Covered Bonds held by them. Such registration shall be noted on the Registered Covered Bonds by the Registrar. References herein to the “**Holder**” of Registered Covered Bonds are to the persons in whose names such Registered Covered Bonds are so registered in the relevant register.

2.03 The Holder of any Bearer Covered Bond, Coupon or Registered Covered Bond will for all purposes of the Trust Deed, Security Agreement and Agency Agreement (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof and no person shall be liable for so treating such Holder.

Transfer of Registered Covered Bonds

2.04 A Registered Covered Bond may, upon the terms and subject to the terms and conditions set forth in the Agency Agreement and as required by law, be transferred in whole or in part only (provided that such part is a Specified Denomination specified in the Final Terms or Pricing Supplement) upon the surrender of the Registered Covered Bond to be transferred, together with a form of transfer duly completed and executed, at the specified office of the Registrar. A new Registered Covered Bond will be issued to the transferee and, in the case of a transfer of part only of a Registered Covered Bond, a new Registered Covered Bond in respect of the balance not transferred will be issued to the transferor.

2.05 Each new Registered Covered Bond to be issued upon the registration of the transfer of a Registered Covered Bond will, within three Relevant Banking Days of the transfer date be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such transfer, be mailed (by uninsured mail at the risk of the Holder(s) entitled thereto) to such

address(es) as may be specified by such Holder. For these purposes, a form of transfer received by the Registrar or the Issuing and Paying Agent after the Record Date in respect of any payment due in respect of Registered Covered Bonds shall be deemed not to be effectively received by the Registrar or the Issuing and Paying Agent until the day following the due date for such payment.

2.06 Transfers of beneficial interests in Rule 144A Global Covered Bonds (as defined below) and Regulation S Global Covered Bonds (as defined below) (together, the “**Registered Global Covered Bonds**”) will be effected by DTC, CDS, Euroclear or Clearstream, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Covered Bond will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Registered Definitive Covered Bonds or for a beneficial interest in another Registered Global Covered Bond only in the Specified Denominations set out in the applicable Final Terms or Pricing Supplement and only in accordance with the rules and operating procedures for the time being of DTC, CDS, Euroclear or Clearstream, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Covered Bond registered in the name of a nominee for DTC or CDS shall be limited to transfers of such Registered Global Covered Bond, in whole but not in part, to another nominee of DTC or CDS, as applicable, or to a successor of DTC or CDS, as applicable, or such successor’s nominee.

2.07 For the purposes of these Terms and Conditions:

- (a) the “**transfer date**” shall be the Relevant Banking Day following the day on which the relevant Registered Covered Bond shall have been surrendered for transfer in accordance with Condition 2.04;
- (b) “**CGCB**” means a Temporary Global Covered Bond or a Permanent Global Covered Bond, in either case in respect of which the applicable Final Terms or Pricing Supplement specify that it is not a new global covered bond;

2.08 The issue of new Registered Covered Bonds on transfer will be effected without charge by or on behalf of the Issuer, the Issuing and Paying Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Issuing and Paying Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.09 Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of a beneficial interest in, a Regulation S Global Covered Bond to a transferee in the United States or who is a U.S. person will only be made:

- (a) upon receipt by the Registrar of a written certification substantially in the form set out in the Agency Agreement, amended as appropriate (a “**Transfer Certificate**”), copies of which are available from the specified office of the Registrar or any Transfer Agent, from the transferor of the Covered Bond or beneficial interest therein to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A; or
- (b) otherwise pursuant to the *Securities Act* or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

In the case of (a) above, such transferee may take delivery through a Legended Covered Bond in global or definitive form. Prior to the end of the applicable Distribution Compliance Period, beneficial interests in Regulation S Covered Bonds registered in the name of a nominee for DTC may only be held through the accounts of Euroclear and Clearstream. After expiry of the applicable Distribution Compliance Period: (A) beneficial interests in Regulation S Global Covered Bonds registered in the name of a nominee for DTC may be held through DTC directly, by a participant in DTC or indirectly through a participant in DTC; and (B) such certification requirements will no longer apply to such transfers.

2.10 Transfers of Legended Covered Bonds or beneficial interests therein may be made:

- (a) to a transferee who takes delivery of such interest through a Regulation S Global Covered Bond, upon receipt by the Registrar of a duly completed Transfer Certificate from the transferor to the effect that such transfer is being made in accordance with Regulation S and that, in the case of a Regulation S Global Covered Bond registered in the name of a nominee for DTC, if such transfer is being made prior to expiry of the applicable Distribution Compliance Period, the interests in the Covered Bonds being transferred will be held immediately thereafter through CDS, Euroclear and/or Clearstream; or

- (b) to a transferee who takes delivery of such interest through a Legended Covered Bond where the transferee is a person whom the transferor reasonably believes is a QIB in a transaction meeting the requirements of Rule 144A, without certification; or
- (c) otherwise pursuant to the *Securities Act* or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of United States counsel, that such transfer is in compliance with any applicable securities laws of any state of the United States,

and, in each case, in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

3 Status of the Covered Bonds

The Covered Bonds constitute deposit liabilities of the Issuer for purposes of the *Bank Act*, however will not be insured under the *Canada Deposit Insurance Corporation Act* (Canada) or any other governmental insurance scheme of any other country, and will constitute legal, valid and binding direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank *pari passu* with all deposit liabilities of the Issuer without any preference among themselves and at least *pari passu* with all other unsubordinated and unsecured obligations of the Issuer, present and future (except as otherwise prescribed by law). Unless otherwise specified in the Final Terms or Pricing Supplement, the deposits to be evidenced by the Covered Bond will be taken by the main branch of the Issuer in Toronto but without prejudice to the provisions of Condition 9.

4 Guarantee

Payment of Guaranteed Amounts in respect of the Covered Bonds when the same shall become Due for Payment has been unconditionally and irrevocably guaranteed by the Guarantor LP (the “**Covered Bond Guarantee**”) in favour of the Bond Trustee (for and on behalf of the Covered Bondholders) following a Covered Bond Guarantee Activation Event pursuant to the terms of the Trust Deed. The Guarantor LP shall have no obligation under the Covered Bond Guarantee to pay any Guaranteed Amounts until a Covered Bond Guarantee Activation Event (as defined below) has occurred. The obligations of the Guarantor LP under the Covered Bond Guarantee are direct and, following the occurrence of a Covered Bond Guarantee Activation Event, unconditional and, except as provided in the Guarantee Priorities of Payments, unsubordinated obligations of the Guarantor LP, which are secured as provided in the Security Agreement. For the purposes of these Terms and Conditions a “**Covered Bond Guarantee Activation Event**” means the earlier to occur of (i) an Issuer Event of Default, service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the Guarantor LP; and (ii) a Guarantor LP Event of Default and service of a Guarantor LP Acceleration Notice on the Issuer and the Guarantor LP. If a Notice to Pay is served on the Guarantor LP, the Guarantor LP shall pay Guaranteed Amounts in respect of the Covered Bonds on the Original Due for Payment Dates or, if applicable, the Extended Due for Payment Date.

Any payment made by the Guarantor LP under the Covered Bond Guarantee shall (unless such obligation shall have been discharged as a result of the payment of Excess Proceeds to the Bond Trustee pursuant to Condition 7) discharge *pro tanto* the obligations of the Issuer in respect of such payment under the Covered Bonds and Coupons except where such payment has been declared void, voidable or otherwise recoverable in whole or in part and recovered from the Bond Trustee or the holders of the Covered Bonds.

5 Interest

Interest

5.01 Covered Bonds may be interest-bearing or non interest-bearing. The Interest Basis is specified in the applicable Final Terms or Pricing Supplement. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Final Terms or Pricing Supplement shall have the meanings given to them in Condition 5.10.

Interest on Fixed Rate Covered Bonds

This Condition 5.02 applies to Fixed Rate Covered Bonds only. The applicable Final Terms or Pricing Supplement contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 5.02 for full information on the manner in which interest is calculated on Fixed Rate Covered Bonds. In particular, the applicable Final Terms or Pricing Supplement will specify the Interest Commencement Date, the Rate of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Business Day Convention (if any), the Day Count Fraction and any applicable Determination Date.

5.02 Each Fixed Rate Covered Bond bears interest on its Outstanding Principal Amount from and including the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest specified in the applicable Final Terms or Pricing Supplement. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to and including the Final Maturity Date if that does not fall on an Interest Payment Date.

Where a Fixed Coupon Amount is specified in the applicable Final Terms or Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on, but excluding, such date will amount to such Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms or Pricing Supplement, amount to the Broken Amount(s) so specified.

Where the Covered Bonds are represented by a Global Covered Bond or where the Specified Denomination of the Covered Bonds in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Covered Bond shall be the aggregate of the Fixed Coupon Amounts or Broken Amounts, as the case may be, for each Calculation Amount comprising the Outstanding Principal Amount of the Global Covered Bond or the Specified Denomination of a Covered Bond in definitive form, without any further rounding.

As used in these Terms and Conditions, “**Fixed Interest Period**” means the period from and including an Interest Payment Date (or the Interest Commencement Date) to but excluding the next (or first) Interest Payment Date.

Interest will be calculated on the Calculation Amount of the Fixed Rate Covered Bonds and will be paid to the holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream and/or Euroclear and/or DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures). If interest is required to be calculated for a period ending other than on an Interest Payment Date, or if a Fixed Coupon Amount is not specified in the applicable Final Terms or Pricing Supplement, such interest shall be calculated in accordance with Condition 5.09.

Notwithstanding anything else in this Condition 5.02, if an Extended Due for Payment Date is specified in the applicable Final Terms or Pricing Supplement, interest following the Original Due for Payment Date will continue to accrue and be payable on any unpaid amount in accordance with Condition 5 at a Rate of Interest determined in accordance with Condition 5.03 (in the same manner as the Rate of Interest for Floating Rate Covered Bonds).

Interest on Floating Rate Covered Bonds

Interest Payment Dates

This Condition 5.03 applies to Floating Rate Covered Bonds only. The applicable Final Terms or Pricing Supplement contains provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 5.03 for full information on the manner in which interest is calculated on Floating Rate Covered Bonds. In particular, the applicable Final Terms or Pricing Supplement will identify Specified Interest Payment Date(s), the Maturity Date, any Interest Period, the Interest Commencement Date, the Business Day Convention, any Business Centre(s), whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party who will calculate the amount of interest due if it is not the Issuing and Paying Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms or Pricing Supplement will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms or Pricing Supplement will also specify the applicable Reference Rate, Relevant Financial Centre, Interest Determination Date(s) and Relevant Screen Page.

5.03 Each Floating Rate Covered Bond bears interest on its Outstanding Principal Amount from (and including) the Interest Commencement Date and such interest will be payable in arrears on either:

- (a) the Specified Interest Payment Date(s) (each an “**Interest Payment Date**”) in each year specified in the applicable Final Terms or Pricing Supplement with the first Interest Payment Date (the “**First Interest Payment Date**”) being as specified in the applicable Final Terms or Pricing Supplement; or
- (b) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms or Pricing Supplement, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period(s) in the applicable Final Terms or Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression, shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date). Interest will be calculated on the Calculation Amount of the Floating Rate Covered Bonds and will be paid to the holders of the Covered Bonds (in the case of a Global Covered Bond, interest will be paid to Clearstream, Euroclear, DTC and/or CDS for distribution by them to Relevant Account Holders in accordance with their usual rules and operating procedures).

Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Covered Bonds will be determined in one of the manners set out below and specified in the applicable Final Terms or Pricing Supplement.

Screen Rate Determination

Where the Screen Rate Determination is specified in the applicable Final Terms or Pricing Supplement as the manner in which the Rate of Interest is to be determined:

- (a) the Rate of Interest for each Interest Period will, subject as provided below, be either:
 - (1) the offered quotation, or

- (2) the arithmetic mean (rounded, if necessary, to the nearest one-hundred thousandth of a percentage point, 0.000005 being rounded upwards) of the offered quotations

(expressed as a percentage rate per annum) for the Reference Rate for deposits in the Specified Currency for that Interest Period which appears or appear, as the case may be, on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date, all as determined by the Calculation Agent;

- (b) if, on any Interest Determination Date, no such Reference Rate so appears on the Relevant Screen Page or, as the case may be, if fewer than two offered quotations for such Reference Rate so appear or if the Relevant Screen Page is unavailable or if the offered rate or rates which appear for such Reference Rate on the Relevant Screen Page as at the Relevant Time do not apply to a period or durations equal to the Interest Period, the Calculation Agent will request appropriate quotations of such Reference Rate and will determine the arithmetic mean (rounded as described above) of the rates at which deposits in the relevant currency are offered by the principal Relevant Financial Centre office of the Reference Banks at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Financial Centre interbank market for a period of the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;
- (c) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates so quoted; or
- (d) if fewer than two rates of such Reference Rate are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as described above) of the rates of such Reference Rate quoted by four major banks in the Principal Financial Centre as selected by the Calculation Agent, at approximately 11.00 a.m. (Financial Centre time) on the first day of the relevant Interest Period for loans in the Specified Currency to leading European banks for a period for the duration of the relevant Interest Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Rate of Interest applicable to such Covered Bonds during such Interest Period will be the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates so determined plus or minus (as indicated in the Final Terms or Pricing Supplement) the Margin, if any, provided however that if the Calculation Agent is unable to determine a rate or, as the case may be, an arithmetic mean of rates in accordance with the above provisions in relation to any Interest Period, the Rate of Interest applicable to such Covered Bonds during such Interest Period will be the rate or, as the case may be, the arithmetic mean (rounded as described above) of the rates determined in relation to such Covered Bonds in respect of the last preceding Interest Period plus or minus (as indicated in the Final Terms or Pricing Supplement) the Margin, if any.

ISDA Rate Determination

5.04 Where ISDA Determination is specified in the Final Terms or Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms or Pricing Supplement) the Margin, if any. For purposes of this Condition 5.04, "**ISDA Rate**" for an Interest Period means a rate equal to the Fixed Rates, Fixed Amounts, Fixed Prices, Floating Rates, Floating Amounts or Floating Prices, as the case may be, or as otherwise specified in the applicable Final Terms or Pricing Supplement, as would have applied (regardless of any event of default or termination event or tax event thereunder) if the Issuer had entered into a schedule and confirmation in respect of the relevant Tranche

or Series of Covered Bonds, as applicable, with the Holder of such Covered Bond under the terms of an agreement to which the ISDA Definitions applied and under which:

- the Fixed Rate Payer, Fixed Amount Payer, Floating Rate Payer or, as the case may be, Floating Amount Payer is the Issuer (as specified in the Final Terms or Pricing Supplement);
- the Effective Date is the Interest Commencement Date;
- the Floating Rate Option (which may refer to a Rate Option or a Price Option, specified in the ISDA Definitions) is as specified in the applicable Final Terms or Pricing Supplement;
- the Designated Maturity is the period specified in the applicable Final Terms or Pricing Supplement;
- the Issuing and Paying Agent is the Calculation Agent;
- the Calculation Periods are the Interest Periods;
- the Payment Dates are the Interest Payment Dates;
- the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“**LIBOR**”) or on the Euro-zone inter-bank offered rate (“**EURIBOR**”) for a currency, the first day of that Interest Period or (ii) in any other case as specified in the applicable Final Terms or Pricing Supplement;
- the Calculation Amount is the principal amount of such Covered Bond;
- the Day Count Fraction applicable to the calculation of any amount is that specified in the Final Terms or Pricing Supplement or, if none is so specified, as may be determined in accordance with the ISDA Definitions;
- the Applicable Business Day Convention applicable to any date is that specified in the Final Terms or Pricing Supplement or, if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the other terms are as specified in the Final Terms or Pricing Supplement;
- for the purposes of this Condition 5.04 “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

Maximum Rate of Interest or Minimum Rate of Interest

5.05 If any Maximum Rate of Interest or Minimum Rate of Interest is specified in the Final Terms or Pricing Supplement, then the Rate of Interest shall in no event be greater than the maximum or be less than the minimum so specified.

Linear Interpolation

5.06 Where “Linear Interpolation” is specified as applicable in respect of an Interest Period in the applicable Final Terms or Pricing Supplement, the Rate of Interest for such Interest Period shall be calculated by the Issuing and Paying Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms or Pricing Supplement) or the relevant Floating Rate Option (where ISDA

Determination is specified as applicable in the applicable Final Terms or Pricing Supplement), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Issuing and Paying Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Designated Maturity” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

Accrual of Interest after the due date

5.07 Interest will cease to accrue as from the due date for redemption therefor unless upon due presentation or surrender thereof (if required), payment in full of the Final Redemption Amount is improperly withheld or refused or default is otherwise made in the payment thereof. In such event, interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Rate of Interest then applicable or such other rate as may be specified for this purpose in the Final Terms or Pricing Supplement if permitted by applicable law (“**Default Rate**”) until the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), the relevant payment is made or, if earlier, the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the holders of the Covered Bonds in accordance with Condition 14 that the Issuing and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.08 If a Calculation Agent is specified in the Final Terms or Pricing Supplement, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date will determine the Rate of Interest and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in the manner specified in Condition 5.09 below, obtain such quote or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date, to be notified to the Issuing and Paying Agent, the Registrar (in the case of Registered Covered Bonds), the Issuer, the Holders in accordance with Condition 14 and, if the Covered Bonds are listed on a stock exchange or admitted to listing by any other authority and the rules of such exchange or other relevant authority so require, such exchange or listing authority as soon as possible after their determination or calculation but in no event later than the fourth London Banking Day thereafter or, if earlier in the case of notification to the stock exchange or other relevant authority, the time required by the relevant stock exchange or listing authority. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Covered Bonds become due and payable under Condition 7, the Rate of Interest and the accrued interest payable in respect of the Covered Bonds shall nevertheless continue to be calculated in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of each Rate of Interest, Interest Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest or proven error) be final and binding upon the Issuer and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it.

The Issuer will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Rate of Interest applicable to the Covered Bonds and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for any Interest Period or to calculate the Interest Amounts or any other requirements, the Bond Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having regard as it shall think fit to the foregoing provision of this Condition, but subject always to any Minimum Rate of Interest or Maximum Rate of Interest specified in the applicable Final Terms or Pricing Supplement), it shall deem fair and reasonable in all circumstances or, as the case may be, the Bond Trustee shall calculate (or appoint an agent to calculate) the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Calculation Agent. The Calculation Agent may not resign its duties without a successor having been appointed as described above.

Calculations and Adjustments

5.09 The amount of interest payable in respect of any Covered Bond for any period shall be calculated by applying the Rate of Interest to the Calculation Amount, and, in each case, multiplying such sum by the Day Count Fraction, save that in the case of Fixed Rate Covered Bonds where the Fixed Coupon Amount is specified in the applicable Final Terms or Pricing Supplement, the interest shall be calculated in accordance with Condition 5.02.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in the Final Terms or Pricing Supplement), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount and (c) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the smallest sub-unit of such currency, with halves being rounded upwards.

Where the Covered Bonds are represented by a Global Covered Bond or where the Specified Denomination of a Covered Bond in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Covered Bond shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Outstanding Principal Amount of the Global Covered Bond or the Specified Denomination of a Covered Bond in definitive form, without any further rounding.

6 Redemption and Purchase

Redemption at Maturity

6.01 Unless previously redeemed, or purchased and cancelled, each Covered Bond shall be redeemed at its Final Redemption Amount specified in the applicable Final Terms or Pricing Supplement (which shall be par, save in the case of Zero Coupon Covered Bonds in respect of which the Final Redemption Amount shall be the amount per Calculation Amount specified in the applicable Final Terms or Pricing Supplement, which amount is at least equal to 100 per cent of such Calculation Amount) in the Specified Currency on the Final Maturity Date.

Without prejudice to Condition 7, if an Extended Due for Payment Date is specified as applicable in the Final Terms or Pricing Supplement for a Series of Covered Bonds and the Issuer has failed to pay the Final Redemption Amount on the Final Maturity Date specified in the Final Terms or Pricing Supplement (or after expiry of the grace period set out in Condition 7.01(a)) and, following the service of a Notice to Pay on the Guarantor LP by no later than the date falling one Business Day prior to the Extension Determination Date, the Guarantor LP has insufficient moneys available in accordance with the Guarantee Priority of Payments to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on the date falling on the earlier of (a) the date which falls two Business Days after service of such Notice to Pay on the Guarantor LP or, if later, the Final Maturity Date (or, in each case, after the expiry of the grace period set out in Condition 7.02) under the terms of the Covered Bond Guarantee, or (b) the Extension Determination Date, then (subject as provided below) payment of the unpaid amount by the Guarantor LP under the Covered Bond Guarantee shall be deferred until the Extended Due for Payment Date, provided that in respect of any amount

representing the Final Redemption Amount due and remaining unpaid on the earlier of (a) and (b) above the Guarantor LP will apply any moneys available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) to pay the Guaranteed Amounts corresponding to the Final Redemption Amount of the relevant Series of Covered Bonds on any Interest Payment Date thereafter up to (and including) the relevant Extended Due for Payment Date.

The Issuer shall confirm to the Issuing and Paying Agents as soon as reasonably practicable and in any event at least 4 Business Days prior to the Final Maturity Date of such Series of Covered Bonds whether payment will be made in full of the Final Redemption Amount in respect of a Series of Covered Bonds on that Final Maturity Date. Any failure by the Issuer to notify the Issuing and Paying Agents shall not affect the validity or effectiveness of the extension of maturity.

The Guarantor LP shall notify the relevant holders of the Covered Bonds (in accordance with Condition 14), the Rating Agencies, the Bond Trustee, the Issuing and Paying Agent and the Registrar (in the case of Registered Covered Bonds) as soon as reasonably practicable and in any event at least one Business Day prior to the dates specified in (a) and (b) of the second paragraph of this Condition 6.01 of any inability of the Guarantor LP to pay in full the Guaranteed Amounts corresponding to the Final Redemption Amount in respect of a Series of Covered Bonds pursuant to the Covered Bond Guarantee. Any failure by the Guarantor LP to notify such parties shall not affect the validity or effectiveness of the extension nor give rise to any rights in any such party.

In the circumstances outlined above, the Guarantor LP shall on the earlier of (a) the date falling two Business Days after the service of a Notice to Pay on the Guarantor LP or if later the Final Maturity Date (or, in each case, after the expiry of the applicable grace period set out in Condition 7.02) and (b) the Extension Determination Date, under the Covered Bond Guarantee, apply the moneys (if any) available (after paying or providing for payment of higher ranking or *pari passu* amounts in accordance with the Guarantee Priority of Payments) *pro rata* in part payment of an amount equal to the Final Redemption Amount of each Covered Bond of the relevant Series of Covered Bonds and shall pay Guaranteed Amounts constituting the Scheduled Interest in respect of each such Covered Bond on such date. The obligation of the Guarantor LP to pay any amounts in respect of the balance of the Final Redemption Amount not so paid shall be deferred as described above. Such failure to pay by the Guarantor LP shall not constitute a Guarantor LP Event of Default.

Any discharge of the obligations of the Issuer as the result of the payment of Excess Proceeds to the Bond Trustee shall be disregarded for the purposes of determining the amounts to be paid by the Guarantor LP under the Covered Bond Guarantee in connection with this Condition 6.01.

For the purposes of these Terms and Conditions:

“Extended Due for Payment Date” means, in relation to any Series of Covered Bonds, the date, if any, specified as such in the applicable Final Terms or Pricing Supplement to which the payment of all or (as applicable) part of the Final Redemption Amount payable on the Final Maturity Date will be deferred in the event that the Final Redemption Amount is not paid in full on the Extension Determination Date; and

“Extension Determination Date” means, in respect of a Series of Covered Bonds, the date falling two Business Days after the expiry of seven days from (and including) the Final Maturity Date of such Covered Bonds.

“Rating Agency” means any one of Moody’s Investors Service Inc., Fitch, Inc. and DBRS Limited, to the extent that at the relevant time they provide ratings in respect of the then outstanding Covered Bonds, or their successors and **“Rating Agencies”** means more than one Rating Agency.

Early Redemption for Taxation Reasons

6.02 If, in relation to any Series of Covered Bonds (i) as a result of any change in the laws or regulations of Canada or any province or territory thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds issued by a branch of the Issuer outside Canada, of the country in which such branch is located or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which becomes effective on or after the Issue Date of such Covered Bonds or any other date specified in the Final Terms or Pricing Supplement, the Issuer would be required to pay additional amounts as provided in Condition 8, (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it and (iii) such circumstances are evidenced by the delivery by the Issuer to the Issuing and Paying Agent and Bond Trustee of (x) a certificate signed by two senior officers of the Issuer stating that the said circumstances prevail and describing the facts leading thereto, and (y) an opinion of independent legal advisers of recognised standing to the effect that the circumstances set forth in (i) above, prevail, the Issuer may, at its option and having given no less than 30 nor more than 60 days’ notice (ending, in the case of Floating Rate Covered Bonds, on an Interest Payment Date) to the holders of the Covered Bonds in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Covered Bonds at their Outstanding Principal Amount or, in the case of Zero Coupon Covered Bonds, their Amortized Face Amount (as defined in Condition 6.10) or such Early Redemption Amount as may be specified in, or determined in accordance with the provisions of, the Final Terms or Pricing Supplement, together with accrued interest (if any) thereon, provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Floating Rate Covered Bonds a number of days which is equal to the aggregate of the number of days falling within the then current Interest Period plus 60 days) prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Covered Bonds then due.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

Call Option

This Condition 6.03 applies to Covered Bonds which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons), such option being referred to as an “Issuer Call”. The applicable Final Terms or Pricing Supplement contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 6.03 for full information on any Issuer Call. In particular, the applicable Final Terms or Pricing Supplement will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Covered Bonds which can be redeemed and the applicable notice periods.

6.03 If a Call Option is specified in the Final Terms or Pricing Supplement as being applicable, then the Issuer may, having given the appropriate notice to the Holders in accordance with Condition 14, which Notice shall be irrevocable, and shall specify the date fixed for redemption and subject to such conditions as may be specified in the Final Terms or Pricing Supplement, redeem all or, if so specified in the applicable Final Terms or Pricing Supplement, some only of the Covered Bonds of this Series outstanding on any Optional Redemption Date at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms or Pricing Supplement together with accrued interest (if any) thereon on the date specified in such notice.

The Issuer may not exercise such option in respect of any Covered Bond which is the subject of the prior exercise by the Holder thereof of its option to require the redemption of such Covered Bond under Condition 6.06.

6.04 The appropriate notice referred to in Condition 6.03 is a notice given by the Issuer to the holders of the Covered Bonds of the relevant Series in accordance with Condition 14, which notice shall be irrevocable and shall specify:

- the Series of Covered Bonds subject to redemption;
- whether such Series is to be redeemed in whole or in part only and, if in part only, the aggregate principal amount of and (except in the case of a Global Covered Bond) the serial numbers of the Covered Bonds of the relevant Series which are to be redeemed;
- the due date for such redemption, which shall be not less than thirty days nor more than 60 days after the date on which such notice is given and which shall be such date or the next of such dates (“**Call Option Date(s)**”) or a day falling within such period (“**Call Option Period**”), as may be specified in the Final Terms or Pricing Supplement and which is, in the case of Covered Bonds which bear interest at a floating rate, a date upon which interest is payable; and
- the Optional Redemption Amount at which such Covered Bonds are to be redeemed.

Partial Redemption

6.05 If the Covered Bonds are to be redeemed in part only on any date in accordance with Condition 6.03:

- such redemption must be for an amount not less than the Minimum Redemption Amount or not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms or Pricing Supplement;
- in the case of a partial redemption of Bearer Definitive Covered Bonds, the Covered Bonds to be redeemed shall be drawn by lot in such European city as the Issuing and Paying Agent may specify, or identified in such other manner or in such other place as the Issuing and Paying Agent may approve and deem appropriate and fair;
- in the case of a Global Covered Bond, the Covered Bonds to be redeemed shall be selected in accordance with the rules of Euroclear, Clearstream, DTC, CDS and/or any other relevant clearing system (to be reflected in the records of Euroclear and/or Clearstream, DTC and/or CDS or such other relevant clearing system as either a pool factor or a reduction in principal amount, at their discretion); and
- in the case of Registered Definitive Covered Bonds, the Covered Bonds shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, provided always that the amount redeemed in respect of each Covered Bond shall be equal to a Specified Denomination,

subject always to compliance with all applicable laws and the requirements of any stock exchange on which the relevant Covered Bonds may be listed.

In the case of the redemption of part only of a Registered Definitive Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08, which shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bonds were in respect of the untransferred balance.

Put Option

6.06 If a Put Option is specified in the Final Terms or Pricing Supplement as being applicable, upon the Holder of any Covered Bond of this Series giving the required notice to the Issuer specified in the applicable Final Terms or Pricing Supplement (which notice shall be irrevocable), the Issuer will, upon expiry of such notice, redeem such Covered Bond subject to and in accordance with the terms specified in the applicable Final Terms or Pricing Supplement in whole (but not in part only) on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in accordance with the provisions of, the applicable Final Terms or Pricing Supplement, together with accrued interest (if any) thereon, provided that any such Put Option shall expire no later than upon an Issuer Event of Default. In order to exercise such option, the Holder must, not less than 45 days before the Optional Redemption Date where the Covered Bond is a Covered Bond in definitive form held outside Euroclear, Clearstream, DTC and/or CDS deposit the relevant Covered Bond (together, in the case of a Bearer Definitive Covered Bond that is not a Zero Coupon Covered Bond, with all unmatured Coupons appertaining thereto other than any Coupon maturing on or before the Optional Redemption Date (failing which the provisions of Condition 9.06 apply)) during normal business hours at the specified office of, in the case of a Bearer Covered Bond, any Paying Agent or, in the case of a Registered Covered Bond, the Registrar together with a duly completed early redemption notice (“**Put Notice**”) in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar specifying, in the case of a Global Covered Bond, the aggregate principal amount in respect of which such option is exercised (which must be a Specified Denomination specified in the Final Terms or Pricing Supplement). Notwithstanding the foregoing, Covered Bonds represented by a Permanent Global Covered Bond or Global Registered Covered Bond shall be deemed to be deposited with the Paying Agent or the Registrar, as the case may be, for purposes of this Condition 6.06 at the time a Put Notice has been received by the Paying Agent or Registrar, as the case may be, in respect of such Covered Bonds. No Covered Bond so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement).

In the case of the redemption of part only of a Registered Covered Bond, a new Registered Definitive Covered Bond in respect of the unredeemed balance shall be issued in accordance with Conditions 2.04 to 2.08 which shall apply as in the case of a transfer of Registered Definitive Covered Bonds as if such new Registered Definitive Covered Bonds were in respect of the untransferred balance.

The Holder of a Covered Bond may not exercise such Put Option (i) in respect of any Covered Bond which is the subject of an exercise by the Issuer of its option to redeem such Covered Bond under either Condition 6.02 or 6.03, or (ii) following an Issuer Event of Default.

Purchase of Covered Bonds

6.07 The Issuer or any of its subsidiaries may at any time, but will not be obligated to, purchase Covered Bonds in the open market or otherwise and at any price provided that all unmatured Coupons appertaining thereto are purchased therewith. If purchases are made by tender, tenders must be available to all Holders of the relevant Covered Bonds alike.

Cancellation of Redeemed and Purchased Covered Bonds

6.08 All unmatured Covered Bonds and Coupons redeemed in accordance with this Condition 6 will be cancelled forthwith and may not be reissued or resold. All unmatured Covered Bonds and Coupons purchased in accordance with Condition 6.07 may be cancelled or may be reissued or resold.

Further Provisions applicable to Final Redemption Amount

6.09 The provisions of Condition 5.08 and the last paragraph of Condition 5.09 shall apply to any determination or calculation of the Redemption Amount required by the Final Terms or Pricing Supplement to be made by the Calculation Agent (as defined in Condition 5.10).

References herein to “**Redemption Amount**” shall mean, as appropriate, the Final Redemption Amount, the Optional Redemption Amount, the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with, the provisions of the applicable Final Terms or Pricing Supplement.

6.10 Unless otherwise specified in the applicable Final Terms or Pricing Supplement, the Redemption Amount payable in respect of any Zero Coupon Covered Bond shall be the Amortized Face Amount of such Covered Bond. The “**Amortized Face Amount**” shall be an amount equal to the sum of:

- (a) the Reference Price specified in the Final Terms or Pricing Supplement; and
- (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Covered Bond becomes due and repayable.

Where such calculation is to be made for a period which is not a full year, the calculation in respect of the period of less than a full year shall be made on the basis of the Day Count Fraction specified in the Final Terms or Pricing Supplement which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator 360), (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360), (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Covered Bonds to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365) or (iv) Actual/Actual (ICMA) (in which case the Accrual Period will commence on (and include) the Issue Date of the first Tranche of the Covered Bonds and end on (but exclude) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable).

6.11 If any Redemption Amount (other than the Final Redemption Amount) of any Zero Coupon Covered Bond is improperly withheld or refused or default is otherwise made in the payment thereof, the Amortized Face Amount shall be calculated as provided in Condition 6.10 but as if references in subparagraph (b) to the date fixed for redemption or the date upon which such Zero Coupon Covered Bond becomes due and repayable were replaced by references to the date (the “**Reference Date**”) which is the earlier of:

- (a) the date on which, upon due presentation or surrender of the relevant Covered Bond (if required), all amounts due have been paid; and
- (b) the seventh day after the date on which, the Issuing and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the holders of the Covered Bonds in accordance with Condition 14 of that circumstance (except to the extent that there is a failure in the subsequent payment thereof to the relevant Holder). The calculation of the Amortized Face Amount in accordance with this sub-paragraph will continue to be made, after as well as before judgment, unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the scheduled Final Redemption Amount of the Covered Bond on the Maturity Date together with interest which may accrue in accordance with Condition 5.10.

6.13 **[Intentionally omitted]**

6.14 **[Intentionally omitted]**

Redemption due to Illegality

6.15 The Covered Bonds of all Series may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Bond Trustee, the Issuing and Paying Agents, the Registrar and, in accordance with Condition 14, all holders of the Covered Bonds (which notice shall be irrevocable), if the Issuer satisfies the Bond Trustee immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bond of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any advance made by it to the Guarantor LP pursuant to the Intercompany Loan Agreement, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Covered Bonds redeemed pursuant to this Condition 6.15 will be redeemed at their Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

Prior to the publication of any notice of redemption pursuant to this Condition 6.15, the Issuer shall deliver to the Issuing and Paying Agents and Bond Trustee a certificate signed by two senior officers of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Issuing and Paying Agents and Bond Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all holders of the Covered Bonds and Couponholders.

7 Events of Default

Issuer Events of Default

7.01 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose or the purpose of any Extraordinary Resolution (as defined in the Trust Deed) referred to in this Condition 7.01 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in euros converted into euros at the Euro Conversion Rate specified in the applicable Final Terms or Pricing Supplement) or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall, (but in the case of the happening of any of the events mentioned in sub-paragraphs (b) to (d) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor LP that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction), give notice (an "**Issuer Acceleration Notice**") in writing to the Issuer that as against the Issuer (but, for the avoidance of doubt, not against the Guarantor LP under the Covered Bond Guarantee) each Covered Bond of each Series is, and each such Covered Bond shall thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest as provided in the Trust Deed if any of the following events (each an "**Issuer Event of Default**") shall occur and be continuing:

or

- (b) the Issuer fails to perform or observe any obligations under the Covered Bonds or Coupons of any Series, the Trust Deed or any other Transaction Document to which the Issuer is a party (other than the Dealership Agreement and the subscription agreements) but excluding (i) any obligation of the Issuer to comply with the Asset Coverage Test; (ii) any obligation of the Issuer which relates solely to its obligations under Part I.1 of the *National Housing Act* (Canada) or the Guide and breach of which would not otherwise constitute a breach of the terms of the Transaction Documents; (iii) the obligation to exchange cashflows under the Swap Agreement following a Trigger Event Date, and such failure continues for the period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Issuer of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required); and (iv) any other obligation specifically provided for in this Condition 7.01; or
- (c) Section 8.1(3)(a)(ii) or Section 8.1(3)(b) of the Guarantor LP Agreement (which limits the right of the Guarantor LP to exercise discretion in respect of rights under Transaction Documents as described under “*Summary of the Principal Documents – Guarantor LP Agreement – Other Provisions*”) or Part 5(t)(ii) of a Schedule to the ISDA Master Agreement for a Swap Agreement (which limits the right of the Guarantor LP to exercise discretion in respect of rights under such Swap Agreement as described under “*Summary of the Principal Documents – Interest Rate Swap Agreement*” and “*Covered Bond Swap Agreement*”) is not complied with; or
- (d) the Reserve Fund is not established within 30 days (or such longer period as the Bond Trustee may permit) following the date on which the Reserve Fund is required to be established pursuant to Section 6.1(2) of the Guarantor LP Agreement (which requires the Reserve Fund to be established upon the ratings of the Issuer falling below the Reserve Fund Required Amount Ratings); or

- (f) any impending or actual insolvency on the part of the Bank as evidenced by, but not limited to (i) the commencement of a dissolution proceeding or a case in bankruptcy involving the Bank (and where such proceeding is the result of an involuntary filing, such proceeding is not dismissed within 60 days after the date of such filing); (ii) the appointment of a trustee or other similar court officer over, or the taking of control or possession by such officer or by OSFI of the Bank’s business in whole or in part, or in the case of OSFI, the Bank, before the commencement of a dissolution proceeding or a case of bankruptcy; (iii) a general assignment by the Bank for the benefit of any of its creditors; or (iv) the general failure of, or the inability of, or the written admission of the inability of, the Bank to pay its debts as they become due; or
- (g) an Asset Coverage Test Breach Notice has been served and not revoked (in accordance with the terms of the Transaction Documents) on or before the Guarantor LP Payment Date immediately following the next Calculation Date after service of such Asset Coverage Test Breach Notice.

For the purposes of these Terms and Conditions “**Calculation Date**” means the last Toronto Business Day of each month.

Upon the Covered Bonds becoming immediately due and repayable against the Issuer pursuant to this Condition 7.01, the Bond Trustee shall forthwith serve a notice to pay (“**Notice to Pay**”) on the Guarantor LP pursuant to the Covered Bond Guarantee and the Guarantor LP shall be required to make

payments of Guaranteed Amounts when the same shall become Due for Payment in accordance with the terms of the Covered Bond Guarantee.

Following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice, the Bond Trustee may or shall take such proceedings against the Issuer in accordance with the first paragraph of Condition 7.03.

The Trust Deed provides that all moneys (the “**Excess Proceeds**”) received by the Bond Trustee from the Issuer or any receiver, liquidator, administrator or other similar official appointed in relation to the Issuer following the occurrence of an Issuer Event of Default and service of an Issuer Acceleration Notice and a Notice to Pay on the Guarantor LP, shall be paid by the Bond Trustee, as soon as practicable after receipt thereof by the Bond Trustee, on behalf of the holders of the Covered Bonds of the relevant Series to the Guarantor LP (or the Cash Manager on its behalf) for the account of the Guarantor LP and shall be held in the Guarantor LP Accounts and the Excess Proceeds shall thereafter form part of the Security granted pursuant to the Security Agreement and shall be used by the Guarantor LP (or the Cash Manager on its behalf) in the same manner as all other moneys from time to time held by the Cash Manager and/or standing to the credit of the Guarantor LP in the Guarantor LP Accounts. Any Excess Proceeds received by the Bond Trustee shall discharge *pro tanto* the obligations of the Issuer in respect of the payment of the amount of such Excess Proceeds under the Covered Bonds and Coupons. However, the obligations of the Guarantor LP under the Covered Bond Guarantee are, following a Covered Bond Guarantee Activation Event, unconditional and irrevocable and the receipt by the Bond Trustee of any Excess Proceeds shall not reduce or discharge any of such obligations.

By subscribing for Covered Bonds, each holder of the Covered Bonds shall be deemed to have irrevocably directed the Bond Trustee to pay the Excess Proceeds to the Guarantor LP in the manner as described above.

Guarantor LP Events of Default

7.02 The Bond Trustee at its discretion may, and if so requested in writing by the holders of at least 25 per cent. of the aggregate Principal Amount Outstanding of the Covered Bonds (which for this purpose and the purpose of any Extraordinary Resolution referred to in this Condition 7.02 means the Covered Bonds of this Series together with the Covered Bonds of any other Series constituted by the Trust Deed) then outstanding as if they were a single Series (with the nominal amount of Covered Bonds not denominated in euros converted into euros at the rate specified in the applicable Final Terms or Pricing Supplement), or if so directed by an Extraordinary Resolution of all the holders of the Covered Bonds shall (but in the case of the happening of any of the events described in paragraphs (b) to (h) below, only if the Bond Trustee shall have certified in writing to the Issuer and the Guarantor LP that such event is, in its opinion, materially prejudicial to the interests of the holders of the Covered Bonds of any Series) (subject in each case to being indemnified and/or secured to its satisfaction) give notice (the “**Guarantor LP Acceleration Notice**”) in writing to the Issuer and to the Guarantor LP, that (x) each Covered Bond of each Series is, and each Covered Bond of each Series shall as against the Issuer (if not already due and repayable against it following an Issuer Event of Default), thereupon immediately become, due and repayable at its Early Redemption Amount together with accrued interest and (y) all amounts payable by the Guarantor LP under the Covered Bond Guarantee shall thereupon immediately become due and payable at the Guaranteed Amount corresponding to the Early Redemption Amount for each Covered Bond of each Series together with accrued interest, in each case as provided in the Trust Deed and thereafter the Security shall become enforceable if any of the following events (each a “**Guarantor LP Event of Default**”) shall occur and be continuing:

- (a) default is made by the Guarantor LP for a period of seven days or more in the payment of any Guaranteed Amounts when Due for Payment in respect of the Covered Bonds of any Series except in the case of the payments of a Guaranteed Amount when Due for Payment under Condition 6.01 where the Guarantor LP shall be required to make payments of Guaranteed Amounts which are Due for Payment on the dates specified therein; or

- (b) (i) if the Guarantor LP fails to perform or observe any obligation, condition, or provision binding on it under the Trust Deed, the Security Agreement, or any other Transaction Document or any obligation of the Guarantor LP to make any payment under a Swap Agreement which does not constitute an event of default under the Swap Agreement to which the Guarantor LP is a party but excluding (A) any obligation for the payment of Guaranteed Amounts in respect of the Covered Bonds of any Series; (B) the obligation of the Guarantor LP to repay the Demand Loan within 60 days of a demand therefor or an obligation to do so pursuant to the terms of the Intercompany Loan Agreement; (C) any obligation of the Guarantor LP to comply with the Amortization Test; (D) any obligation of the Guarantor LP which relates solely to its obligations under Part 1.1 of the *National Housing Act* (Canada) or the Guide and breach of which would not otherwise constitute a breach of the terms of the Transaction Documents, and (E) any other condition specifically provided for in this Clause 7.02; or (ii) any party to a Transaction Document fails to take any remedial action required to be taken in accordance with the terms of the Transaction Documents, other than an action specified in Condition 1.1(c) or Condition 1.1(d), as a result of (A) the ratings by the Rating Agencies ceasing to meet a minimum rating, or (B) the failure to meet any financial test set out in the Transaction Documents that is intended to confirm the financial soundness of any counterparty; and such failure continues for the period of 30 days (or such longer period as the Bond Trustee may permit) next following the service by the Bond Trustee on the Guarantor LP of notice requiring the same to be remedied (except in circumstances where the Bond Trustee considers such failure to be incapable of remedy in which case no period of continuation will apply and no notice by the Bond Trustee will be required); or
- (c) Section 8.1(3)(b) of the Guarantor LP Agreement (which obligates the Guarantor LP to terminate the Servicer or the Cash Manager, as applicable, in accordance with the terms of the Servicing Agreement or Cash Management Agreement, respectively, as a result of a breach by the Servicer or the Cash Manager, as applicable, of its obligations under such agreement to deposit funds into the Guarantor LP Accounts) is not complied with; or
- (d) cashflows are not exchanged in accordance with the terms of the Covered Bond Swap Agreement within 30 days following a Trigger Event Date (unless such requirement is waived in accordance with the terms of the Covered Bond Swap Agreement) but disregarding any failure of the Guarantor LP to make a payment under the Covered Bond Swap Agreement which does not constitute an event of default under the Covered Bond Swap Agreement; or
- (e) any impending or actual insolvency on the part of the Guarantor LP as evidenced by, but not limited to (i) the Guarantor LP being unable, or admitting inability, to pay its debts generally as they fall due; (ii) the Guarantor LP being adjudicated or found bankrupt or insolvent; (iii) proceedings are initiated against the Guarantor LP under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganization or other similar laws (including, but not limited to, presentation of a petition or the filing of documents with a court or any registrar for its winding-up, administration or dissolution or the giving notice of the intention to appoint an administrator (whether out of court or otherwise); (iv) a receiver and/or manager, administrative receiver, administrator, trustee or other similar official being appointed (whether out of court or otherwise) in relation to the Guarantor LP or in relation to the whole or any part of its assets; (v) a distress, diligence, or execution or other process shall be levied or enforced upon or sued out against the whole or any part of its assets; (vi) the Guarantor LP initiating or consenting to judicial proceedings relating to itself under any applicable liquidation, winding up, insolvency, bankruptcy, composition, reorganisation or other similar laws; or (vii) making a conveyance or assignment for the benefit of, or shall enter into any composition with, its creditors generally; or

- (f) an order is made or an effective resolution passed for the liquidation or winding up of the Guarantor LP; or
- (g) if the Guarantor LP ceases or threatens to cease to carry on its business or substantially the whole of its business; or
- (h) a failure to satisfy the Amortization Test on any Calculation Date following the occurrence and during the continuance of an Issuer Event of Default; or
- (i) the Covered Bond Guarantee is not, or is claimed by the Guarantor LP not to be, in full force and effect.

Following the occurrence of a Guarantor LP Event of Default and service of a Guarantor LP Acceleration Notice on the Guarantor LP the Bond Trustee may or shall take such proceedings or steps in accordance with the first and second paragraphs, respectively, of Condition 7.03 and the holders of the Covered Bonds shall have a claim against the Guarantor LP, under the Covered Bond Guarantee, for an amount equal to the Early Redemption Amount together with accrued but unpaid interest and any other amount due under the Covered Bonds (other than additional amounts payable under Condition 8) as provided in the Trust Deed in respect of each Covered Bond.

Enforcement

7.03 The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Issuer and/or the Guarantor LP, as the case may be, and/or any other person as it may think fit to enforce the provisions of the Trust Deed, the Covered Bonds and the Coupons or any other Transaction Document, but it shall not be bound to take any such enforcement proceedings in relation to the Trust Deed, the Covered Bonds or the Coupons or any other Transaction Document unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or so requested in writing by the holders of not less than 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into euros at the rate specified in the applicable Final Terms or Pricing Supplement as described above), and (ii) it shall have been indemnified and/or secured to its satisfaction.

The Bond Trustee may at any time, at its discretion and without further notice, take such proceedings against the Guarantor LP and/or any other person as it may think fit to enforce the provisions of the Security Agreement and may, at any time after the Security has become enforceable, take such steps as it may think fit to enforce the Security, but it shall not be bound to take any such steps unless (i) it shall have been so directed by an Extraordinary Resolution of all the holders of the Covered Bonds of all Series (with the Covered Bonds of all Series taken together as a single Series as described above) or a request in writing by the holders of not less than 25 per cent of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into euros at the Euro Conversion Rate specified in the applicable Final Terms or Pricing Supplement as described above); and (ii) it shall have been indemnified and/or secured to its satisfaction.

In exercising any of its powers, trusts, authorities and discretions the Bond Trustee shall, subject to applicable law, only have regard to the interests of the holders of the Covered Bonds of all Series and shall not have regard to the interests of any other Secured Creditors.

No holder of the Covered Bonds or Couponholder shall be entitled to proceed directly against the Issuer or the Guarantor LP or to take any action with respect to the Trust Deed, the Covered Bonds, the Coupons or the Security unless the Bond Trustee, having become bound so to proceed, fails so to do within a reasonable time and such failure shall be continuing. Notwithstanding any other provision of these Terms and Conditions, for so long as there are U.S. Registered Covered Bonds outstanding, in accordance with Section 316(b) of the Trust Indenture Act, the right of any holder to receive payment of

principal and interest on the Covered Bonds on or after the due date for such principal or interest, or to institute suit for the enforcement of payment of that principal or interest, may not be impaired or affected without the consent of the holders of the Covered Bonds, provided that no such right of enforcement will exist (i) in respect of a postponement of an interest payment which has been consented to by the holders of the Covered Bonds in accordance with the Trust Deed or (ii) to the extent that the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the security granted pursuant to the Trust Deed or the Security Agreement upon any property subject to such security.

8 Taxation

8.01 All amounts payable (whether in respect of principal, interest or otherwise) in respect of the Covered Bonds and Coupons by or on behalf of the Issuer will be paid free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political subdivision thereof or any authority or agency therein or thereof having power to tax or, in the case of Covered Bonds or Coupons issued by a branch of the Issuer located outside Canada, the country in which such branch is located or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law or the interpretation or administration thereof. In that event, the Issuer will pay such additional amounts as may be necessary in order that the net amounts received by the Holder after such withholding or deduction shall equal the respective amounts of principal and interest which would have been received in respect of the Covered Bonds or Coupons (as the case may be), in the absence of such withholding or deduction; except that no additional amounts shall be payable with respect to any payment in respect of any Covered Bond or Coupon:

- (a) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments, or governmental charges in respect of such Covered Bond or Coupon by reason of his having some connection with Canada or the country in which such branch is located otherwise than the mere holding of (but not the enforcement of) such Covered Bond or Coupon; or
- (b) to, or to a third party on behalf of, a Holder in respect of whom such tax, duty, assessment, or governmental charge is required to be withheld or deducted by reason of the Holder of a right to receive any payments in respect of a Covered Bond or any owner of a beneficial interest in a Covered Bond being a person with whom the Issuer is not dealing at arm's length (within the meaning of the *Income Tax Act* (Canada)); or
- (c) to, or to a third party on behalf of, a Holder who is, or who does not deal at arm's length with a person who is, a "specified shareholder" (within the meaning of subsection 18(5) of the *Income Tax Act* (Canada)) of the Issuer; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder thereof would have been entitled to such additional amount on presenting the same for payment on the thirtieth such day; or
- (e) to, or to a third party on behalf of, a Holder who is liable for such taxes, duties, assessments, or other governmental charges by reason of such Holder's failure to comply with any certification, identification, documentation or other reporting requirement concerning the nationality, residence, identity or connection with Canada or the country in which such branch is located of such Holder, if (i) compliance is required by law as a precondition to, exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and (ii) the Issuer has given Holders at least 30 days' notice that Holders will be required to provide such certification, identification, documentation or other requirement; or

- (f) for or on account of any withholding tax or deduction imposed or collected pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”) (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code, whether currently in effect or as published and amended from time to time (the “**FATCA Withholding Tax Rules**”).

8.02 For the purposes of these Terms and Conditions:

“**Relevant Date**” means, in respect of any Covered Bond or Coupon, the date on which payment thereof first become due and payable, or, if the full amount of the moneys payable has not been received by the Issuing and Paying Agent, or as the case may be, the Registrar on or prior to such due date, the date on which, the full amount of such moneys shall have been so received and notice to that effect shall have been duly given to the Holders in accordance with Condition 14.

8.03 If the Issuer becomes subject generally at any time to any taxing jurisdiction other than or in addition to Canada or the country in which the relevant Branch of Account is located, references in Condition 6.02 and Condition 8.01 to Canada or the country in which the relevant branch is located shall be read and construed as references to Canada or the country in which such branch is located and/or to such other jurisdiction(s), provided, for the avoidance of doubt, that the Issuer shall not be considered to be subject generally to the taxing jurisdiction of the United States for purposes of this Condition 8.03 solely because payments in respect of the Covered Bonds, and Coupons are subject to a U.S. federal withholding Tax imposed under the FATCA Withholding Tax Rules.

8.04 Any reference in these Terms and Conditions to any payment due in respect of the Covered Bonds or Coupons shall be deemed to include any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “**principal**” shall include any premium payable in respect of a Covered Bond or Final Redemption Amount, any Excess Proceeds which may be payable by the Bond Trustee under or in respect of the Covered Bonds and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “**interest**” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

8.05 Should any payments made by the Guarantor LP under the Covered Bond Guarantee be made subject to any withholding or deduction for or on account of taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Canada, any province or territory or political sub-division thereof or any authority or agency therein or thereof having power to tax, or, in the case of payments made by the Guarantor LP under the Covered Bond Guarantee in respect of Covered Bonds or Coupons issued by a branch of the Issuer located outside of Canada, the country in which such branch is located or any political subdivision thereof or by any authority or agency therein or thereof having the power to tax, the Guarantor LP will not be obliged to pay any additional amounts as a consequence.

9 Payments

Payments – Bearer Covered Bonds

9.01 Conditions 9.02 to 9.07 are applicable in relation to Bearer Covered Bonds.

9.02 Payment of amounts (other than interest) due in respect of Bearer Covered Bonds will be made against presentation and (save in the case of partial payment) surrender of the relevant Bearer Covered Bonds at the specified office of any of the Paying Agents.

9.03 Payment of amounts in respect of interest on Bearer Covered Bonds will be made:

- (a) in the case of a Temporary Global Covered Bond or Permanent Global Covered Bond, against presentation of the relevant Temporary Global Covered Bond or Permanent Global Covered Bond at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States and, in the case of a Temporary Global Covered Bond, upon due certification as required therein;
- (b) in the case of Bearer Definitive Covered Bonds without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Bearer Definitive Covered Bonds at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States; and
- (c) in the case of Bearer Definitive Covered Bonds delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on an Interest Payment Date, against presentation of the relevant Bearer Definitive Covered Bonds, in either case at the specified office of any of the Paying Agents outside (unless Condition 9.04 applies) the United States.

9.04 Notwithstanding the foregoing (and in relation to payments in U.S. dollars only), payments of amounts due in respect of interest on the Bearer Covered Bonds and exchanges of Talons for Coupon sheets in accordance with Condition 9.07 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code of 1986, as amended, and Regulations promulgated thereunder) unless (i) payment in full of amounts due in respect of interest on such Covered Bonds when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (ii) such payment or exchange is permitted by applicable United States law. If clauses (i) and (ii) of the previous sentence apply, the Issuer shall forthwith appoint a further Paying Agent with a specified office in New York City.

9.05 If the due date for payment of any amount due in respect of any Bearer Covered Bond is not a Payment Day (as defined in Condition 9.12), then the Holder thereof will not be entitled to payment thereof until the next day which is a Payment Day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.07 or, if appropriate, Condition 5.11.

9.06 Each Bearer Definitive Covered Bond initially delivered with Coupons or Talons attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Coupons and Talons relating thereto, failing which:

- (a) if the applicable Final Terms or Pricing Supplement specify that this paragraph (a) of Condition 9.06 is applicable (and, in the absence of specification, this paragraph (a) shall apply to Definitive Covered Bonds which bear interest at a fixed rate or in fixed amounts), the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the Redemption Amount due) relating to Bearer Definitive Covered Bonds that are Fixed Rate Covered Bonds or bear interest in fixed amounts will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within two years of the Relevant Date applicable

to payment of such Redemption Amount (whether or not the Issuer's obligation to make payment in respect of such Coupon would otherwise have ceased under Condition 10);

- (b) if the applicable Final Terms or Pricing Supplement specify that this paragraph (b) of Condition 9.06 is applicable (and, in the absence of specification, this paragraph (b) shall apply to Covered Bonds which bear interest at a floating rate or rates in variable amounts), all unmatured Coupons relating to such Bearer Definitive Covered Bonds that are Floating Rate Covered Bonds or that bear interest in variable amounts (whether or not such Coupons are surrendered therewith) shall become void and no payment shall be made thereafter in respect of them; and
- (c) in the case of Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them.

The provisions of paragraph (a) of this Condition 9.06 notwithstanding, if any Bearer Definitive Covered Bonds should be issued with a Final Maturity Date and Rate or Rates of Interest such that, on the presentation for payment of any such Bearer Definitive Covered Bond without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (a) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Bearer Definitive Covered Bond, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (a) in respect of such Coupons as have not so become void, the amount required by paragraph (a) to be deducted would not be greater than the Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Bearer Definitive Covered Bond to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9.07 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, on or after the Interest Payment Date of the final Coupon comprised in any Coupon sheet, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relevant Coupon sheet matures.

Payments – Registered Covered Bonds

9.08 Condition 9.09 is applicable in relation to Registered Covered Bonds.

9.09 Payments of principal in respect of each Registered Covered Bond (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Covered Bond at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by electronic transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the register of holders of the Registered Covered Bonds maintained by the Registrar (the “**Register**”) at the close of business on the third Business Day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (i) a holder does not have a “Designated Account” or (ii) the principal amount of the Covered Bonds held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, “**Designated Account**” means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a “Designated Bank” and identified as such in the

Register and Designated Bank means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest in respect of each Registered Covered Bond (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the Business Day in the city where the specified office of the Registrar is located on the relevant due date to the holder (or the first named of joint holders) of the Registered Covered Bond appearing in the Register at the close of business on (i) the first clearing system business day (where “**clearing system business day**” means Monday to Friday inclusive except for December 25 and January 1) (in relation to Global Covered Bonds); and (ii) the fifteenth day (in relation to Registered Definitive Covered Bonds), whether or not such fifteenth day is a Business Day, before the relevant due date (the “**Record Date**”) at the holder’s address shown in the Register on the Record Date and at the holder’s risk. Upon application of the holder to the specified office of the Registrar not less than three Business Days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Covered Bond, the payment may be made by electronic transfer on the due date in the manner provided in the preceding paragraph. Any such application for electronic transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) in respect of the Registered Covered Bonds which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Covered Bond on redemption will be made in the same manner as payment of the principal in respect of such Registered Covered Bond.

Holders of Registered Covered Bonds will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Covered Bond as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Covered Bonds.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Covered Bond in respect of Covered Bonds denominated in a Specified Currency other than U.S. dollars shall be paid by electronic transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor LP, the Bond Trustee or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Covered Bonds or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

If the due date for payment of any amount due in respect of any Registered Covered Bond is not a Payment Day (as defined in Condition 9.12), then the Holder thereof will not be entitled to payment thereof until the next day which is a Payment Day and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.07 or, if appropriate, Condition 5.11.

Payments – General Provisions

9.10 Save as otherwise specified in these Terms and Conditions, Conditions 9.11 to 9.13 are applicable in relation to Bearer Covered Bonds and Registered Covered Bonds.

9.11 Payments of amounts due (whether principal, interest or otherwise) in respect of Covered Bonds will be made in the currency in which such amount is due (a) by cheque or (b) at the option of the payee, by transfer to an account denominated in the relevant currency (or in the case of euro, an account

to which euro may be credited or transferred) specified by the payee. In the case of Bearer Covered Bonds, if payments are made by transfer, such payments will only be made by transfer to an account maintained by the payee outside of the United States. In no event will payment of amounts due in respect of Bearer Covered Bonds be made by a cheque mailed to an address in the United States.

Payments will, without prejudice to the provisions of Condition 8, be subject in all cases to (i) any applicable fiscal or other laws and regulations and (ii) any withholding or deduction required pursuant to the FATCA Withholding Tax Rules.

For the avoidance of doubt, if any withholding is required under the FATCA Withholding Tax Rules, the Issuer will not be required to pay any additional amount under Condition 8 on account of such withholding.

9.12 For the purposes of these Terms and Conditions, “**Payment Day**” means

- (a) a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in (1) in the case of Covered Bonds in definitive form only, the place of presentation of the relevant Covered Bond or, as the case may be, Coupon and (2) each Financial Centre (other than TARGET2) specified in the applicable Final Terms or Pricing Supplement;
- (b) If TARGET2 is specified as a relevant Financial Centre in the applicable Final Terms or Pricing Supplement, a day which is a TARGET2 Business Day; and
- (c) either (1) in the case of any currency other than euro, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Financial Centre(s) specified in the Final Terms or Pricing Supplement) and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland respectively or (2) in the case of payment in euro, a day which is a TARGET2 Business Day.

9.13 No commissions or expenses shall be charged to the Holders of Covered Bonds or Coupons in respect of such payments.

10 Prescription

10.01 Subject to applicable law, the Issuer’s obligation to pay an amount of principal and interest in respect of Covered Bonds will cease if the Covered Bonds or Coupons, as the case may be, are not presented within two years after the Relevant Date (as defined in Condition 8.02) for payment thereof, or such other length of time as is specified in the Final Terms or Pricing Supplement.

10.02 In relation to Bearer Definitive Covered Bonds initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void pursuant to Condition 9.06 or this Condition 10 or the maturity date or due date for the payment of which would fall after the due date for the redemption of the relevant Covered Bond, or any Talon maturity date of which would fall after the due date for the redemption of the relevant Covered Bond.

11 The Paying Agents, the Registrar, Transfer Agents, the Calculation Agent and the Exchange Agent

11.01 The initial Paying Agents, the Registrar, the Transfer Agents and the Exchange Agent and their respective initial specified offices are specified below. The Calculation Agent in respect of any Covered Bonds and any additional or other Paying Agents shall be specified in the applicable Final Terms or Pricing Supplement. The Issuer or the Guarantor LP reserve the right, without approval of the Bond Trustee, at any time to vary or terminate the appointment of any Paying Agent (including the Issuing and Paying Agent), any Transfer Agent(s), the Registrar, the Exchange Agent or the Calculation Agent and to appoint additional or other Paying Agents, Transfer Agents or another Registrar, Exchange Agent or Calculation Agent provided that the Issuer or the Guarantor LP will at all times maintain (i) an Issuing and Paying Agent, (ii) in the case of Registered Covered Bonds, a Registrar, (iii) following the issuance of Bearer Definitive Covered Bonds, and while any such Bearer Definitive Covered Bonds are outstanding, a Paying Agent (which may be the Issuing and Paying Agent) with a specified office in a continental European city, (iv) so long as the Covered Bonds are admitted to the Official List and to trading on the London Stock Exchange and/or admitted to listing or trading on any other stock exchange or relevant authority, a Paying Agent (in the case of Bearer Covered Bonds) and a Transfer Agent (in the case of Registered Covered Bonds), which may in either case be the Issuing and Paying Agent, each with a specified office in London and/or in such other place as may be required by the rules of such other stock exchange or other relevant authority, (v) in the circumstances described in Condition 9.04, a Paying Agent with a specified office in New York City, (vi) a Calculation Agent where required by the Terms and Conditions applicable to any Covered Bonds, and (vii) so long as any of the Registered Global Covered Bonds payable in a Specified Currency other than U.S. dollars are held through DTC or its nominee, there will at all times be an Exchange Agent with a specified office in the United States (in the case of (i), (ii), (iii) and (vi) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same metropolitan area. Notice of all changes in the identities or specified offices of any Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer or the Guarantor LP to the Holders in accordance with Condition 14.

11.02 The Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and the Guarantor LP, and, in certain circumstances of the Bond Trustee, and save as provided in the Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Covered Bond or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

11.03 **[Intentionally omitted]**

12 Replacement of Covered Bonds

An Extraordinary Resolution passed at any meeting of the holders of the Covered Bonds of a Series shall, subject as provided below, be binding on all the holders of the Covered Bonds of such Series, whether or not they are present at the meeting, and on all Couponholders in respect of such Series of Covered Bonds. Pursuant to the Trust Deed, the Bond Trustee may convene a single meeting of the holders of Covered Bonds of more than one Series if in the opinion of the Bond Trustee there is no conflict between the holders of such Covered Bonds, in which event the provisions of this paragraph shall apply thereto *mutatis mutandis*.

Notwithstanding the provisions of the immediately preceding paragraph, any Extraordinary Resolution to direct the Bond Trustee to accelerate the Covered Bonds pursuant to Condition 7 or to direct the Bond Trustee to take any enforcement action (a “**Programme Resolution**”) shall only be capable of being passed at a single meeting of the holders of the Covered Bonds of all Series then outstanding. Any such meeting to consider a Programme Resolution may be convened by the Issuer, the Guarantor LP or the Bond Trustee or by holders of the Covered Bonds of any Series. The quorum at any such meeting for passing a Programme Resolution is one or more persons holding or representing at least a clear majority of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series for the time being outstanding or in the event quorum is not present at the initial meeting and notice is provided of any adjournment of such meeting, at such adjourned meeting one or more persons holding or representing Covered Bonds whatever the nominal amount of the Covered Bonds of any Series so held or represented. A Programme Resolution passed at any meeting of the holders of the Covered Bonds of all Series shall be binding on all holders of the Covered Bonds of all Series, whether or not they are present at the meeting, and on all related Couponholders in respect of such Series of Covered Bonds.

In connection with any meeting of the holders of Covered Bonds of more than one Series the Covered Bonds of any Series not denominated in euros shall be converted into euros at the Euro Conversion Rate specified in the applicable Final Terms or Pricing Supplement.

The Bond Trustee, the Guarantor LP and the Issuer may also agree, without the consent of the holders of the Covered Bonds or Couponholders of any Series and without the consent of the other Secured Creditors (and for this purpose the Bond Trustee may disregard whether any such modification relates to a Series Reserved Matter), to:

- (a) any modification of the Covered Bonds of one or more Series, the related Coupons or any Transaction Document provided that in the opinion of the Bond Trustee such modification is not materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series; or
- (b) any modification of the Covered Bonds of any one or more Series, the related Coupons or any Transaction Document which is of a formal, minor or technical nature or is in the opinion

of the Bond Trustee made to correct a manifest or proven error or to comply with mandatory provisions of law.

The Bond Trustee (without the consent of the holders of the Covered Bonds of any Series or the related Couponholders) or the holders of Covered Bonds by Extraordinary Resolution (without the consent of the Bond Trustee), may also agree to (i) the waiver or authorization of any breach or proposed breach of any of the provisions of the Covered Bonds of any Series, or determine, without any such consent as described above, that any Issuer Event of Default or Guarantor LP Event of Default or Potential Issuer Event of Default or Potential Guarantor LP Event of Default shall not be treated as such, or (ii) any amendment or modification to increase the maximum Asset Percentage as disclosed in this document as the same may be adjusted in accordance with this Condition 13), provided that, in any such case, it is not, in the opinion of the Bond Trustee, materially prejudicial to the interests of any of the holders of the Covered Bonds of any Series. Notwithstanding any other provisions of these Conditions, the right of any holder of a Covered Bond to receive payment of principal and interest on the Covered Bond, on or after the respective due dates expressed in the Covered Bond, or to bring suit for the enforcement of any such payment on or after such respective due dates, shall not be impaired or affected without the consent of the holder of the Covered Bond.

Any such modification, waiver, authorization, or determination shall be binding on all holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding, the related Couponholders and on the other Secured Creditors, provided that the right of any holder of a Covered Bond to receive payment of principal and interest on the Covered Bond, on or after the respective due dates expressed in the Covered Bond, or to bring suit for the enforcement of any such payment on or after such respective due dates, shall not be impaired or affected without the consent of the holder of the Covered Bond, and unless the Bond Trustee otherwise agrees, any such modification shall be notified by the Issuer to the holders of the Covered Bonds of all Series of Covered Bonds for the time being outstanding and to the other Secured Creditors in accordance with the relevant terms and conditions as soon as practicable thereafter.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorization or determination), the Bond Trustee shall have regard to the general interests of the holders of the Covered Bonds of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual holders of the Covered Bonds or Couponholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual holders of the Covered Bonds, the related Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Bond Trustee shall not be entitled to require, nor shall any holder of the Covered Bonds or Couponholder be entitled to claim, from the Issuer, the Guarantor LP, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual holders of the Covered Bonds and/or Couponholders, except to the extent already provided for in Condition 8 and/or in any undertaking or covenant given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

14 Notices

To Holders of Bearer Definitive Covered Bonds

14.01 Notices to Holders of Bearer Definitive Covered Bonds will be deemed to be validly given if published in a leading daily newspaper having general circulation in London (which is expected to be the *Financial Times*). The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers). Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Covered Bonds in accordance with this Condition.

To Holders of Registered Definitive Covered Bonds

14.02 Notices to Holders of Registered Definitive Covered Bonds, save where another means of effective communication has been specified herein, will be deemed to be validly given if sent by first class mail (or equivalent) or, if posted to an overseas address, by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the fourth weekday after the date of such mailing or, if posted from another country, on the fifth such day. The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange or any other relevant authority on which the Covered Bonds are listed.

To Issuer

14.03 Notices to be given by any holder of Covered Bonds to the Issuer or Guarantor LP shall be in writing and given by lodging the same, together with the relevant Covered Bond or Covered Bonds, with the Issuing and Paying Agent or the Registrar, as the case may be. While any of the Covered Bonds are represented by a Global Covered Bond, such notice may be given by any accountholder to the

Issuing and Paying Agent through Euroclear and/or Clearstream, as the case may be, in such manner as the Issuing and Paying Agent or the Registrar and Euroclear and/or Clearstream, as the case may be, may approve for this purpose.

Global Covered Bonds

14.04 So long as the Covered Bonds are represented in their entirety by any Global Covered Bonds held on behalf of DTC, CDS, Euroclear and/or Clearstream, there may be substituted for publication in newspaper(s) (in accordance with Condition 14.01) the delivery of the relevant notice to DTC, CDS, Euroclear and/or Clearstream for communication by them to the holders of the Covered Bonds and, in addition, for so long as any Covered Bonds are listed on a stock exchange or admitted to listing by any other relevant authority and the rules of the stock exchange, or as the case may be, other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or, as the case may be, or any other relevant authority. Any such notice shall be deemed to have been given to the holders of the Covered Bonds on the day on which the said notice was given to DTC, CDS, Euroclear and/or Clearstream.

15 Further Issues

The Issuer may from time to time, without the consent of the Holders of any Covered Bonds or Coupons, create and issue further Covered Bonds having the same terms and conditions as such Covered Bonds in all respects (or in all respects except for the first payment of interest, if any, on them and/or the Specified Denomination thereof) so as to form a single series with the Covered Bonds of any particular Series.

16 Currency Indemnity

The currency in which the Covered Bonds are denominated or, if different, payable, as specified in the Final Terms or Pricing Supplement (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Covered Bonds, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgement or order of a court of any jurisdiction or otherwise) by any Holder of a Covered Bond or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first day on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a Covered Bond or Coupon in respect of such Covered Bond or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Covered Bond or Coupon and shall continue in full force and effect despite any judgement, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Covered Bonds or any judgement or order. Any such loss shall be deemed to constitute a loss suffered by the relevant Holder of a Covered Bond or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

17 Waiver and Remedies

No failure to exercise, and no delay in exercising, on the part of the Holder of any Covered Bond, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18 Branch of Account

18.01 For the purposes of the *Bank Act*, the branch of account of the Bank shall be either the main Toronto branch or London as specified in the applicable Final Terms or Pricing Supplement (the “**Branch of Account**”). If not specified in the applicable Final Terms or Pricing Supplement, the Branch of Account will be the main branch of the Bank in Toronto. Covered Bonds, irrespective of the Branch of Account specified in the applicable Final Terms or Pricing Supplement, are obligations of the Bank.

18.02 This Covered Bond will be paid without the necessity of first being presented for payment at the Branch of Account.

18.03 If the Branch of Account is not in Canada, the Bank may change the Branch of Account for the deposits evidenced by this Covered Bond, upon not less than seven days’ prior notice to its Holder given in accordance with Condition 14 and upon and subject to the following terms and conditions:

- (a) if this Covered Bond is denominated in Yen, the Branch of Account shall not be in Japan;
- (b) the Issuer shall indemnify and hold harmless the holders of the Covered Bonds and Coupons relating thereto against any tax, duty, assessment or governmental charge which is imposed or levied upon such Holder as a consequence of such change, and shall pay the reasonable costs and expenses of the Issuing and Paying Agent in connection with such change; and
- (c) notwithstanding (b) above, no change of the Branch of Account may be made unless immediately after giving effect to such change (i) no Issuer Event of Default, Guarantor LP Event of Default, Potential Issuer Event of Default or Potential Guarantor LP Event of Default shall have occurred and be continuing and (ii) payments of principal, interest or other amounts on Covered Bonds of this Series and Coupons relating thereto to Holders thereof (other than Excluded Holders, as hereinafter defined) shall not, in the opinion of counsel to the Issuer, be subject to any taxes, as hereinafter defined, to which they would not have been subject had such change not taken place. For the purposes of this section, an “**Excluded Holder**” means a Holder of a Covered Bond of this Series or Coupons relating thereto who is subject to taxes by reason of its having some connection with the Relevant Jurisdiction other than the mere holding of a Covered Bond of this Series or Coupons as a non-resident of such Relevant Jurisdiction. “**Relevant Jurisdiction**” means and includes Canada, its provinces or territories and the jurisdiction in which the new Branch of Account is located, and “**taxes**” means and includes any tax, duty, assessment or other governmental charge imposed or levied in respect of the payment of the principal of the Covered Bonds of this Series or interest thereon for or on behalf of a Relevant Jurisdiction or any authority therein or thereof having power to tax.

19 Substitution

Subject as provided in the Trust Deed, the Bond Trustee, if it is satisfied that to do so would not be materially prejudicial to the interests of the holders of the Covered Bonds, may agree, without the consent of the holders of the Covered Bonds or Couponholders, to the substitution of a Subsidiary of the Issuer in place of the Issuer as principal debtor under the Covered Bonds and the Trust Deed, provided that the obligations of such Subsidiary in respect of the Covered Bonds and the Trust Deed shall be guaranteed by the Issuer in such form as the Bond Trustee may require.

Any substitution pursuant to this Condition 19 shall be binding on the holders of the Covered Bonds and the Couponholders and, unless the Bond Trustee agrees otherwise, shall be notified to the holders of the Covered Bonds as soon as practicable thereafter in accordance with Condition 14.

It shall be a condition of any substitution pursuant to this Condition 19 that (i) the Covered Bond Guarantee shall remain in place or be modified to apply *mutatis mutandis* and continue in full force and effect in relation to any Subsidiary of the Issuer which is proposed to be substituted for the Issuer as principal debtor under the Covered Bonds and the Trust Deed and (ii) any Subsidiary of the Issuer which is proposed to be substituted for the Issuer is included in the Registry as a registered issuer and that all other provisions of the Covered Bond Legislative Framework and the Guide are satisfied prior to the substitution of the Issuer.

20 Rating Agency Confirmation

If Rating Agency Confirmation or some other response by a Rating Agency is a condition to any action or step under any Transaction Document or is otherwise required and a written request for such Rating Agency Confirmation or response is delivered to that Rating Agency by any of the Issuer, the Guarantor LP and/or the Bond Trustee, as applicable (each a **“Requesting Party”**), and the Rating Agency indicates that it does not consider such confirmation or response necessary in the circumstances the Requesting Party shall be entitled to treat Rating Agency Confirmation from such Rating Agency as not required, for the action or step. For the purposes of this Condition 20 **“Rating Agency Confirmation”** means with respect to any relevant event or matter confirmation in writing from the Rating Agencies that the then current ratings of the Covered Bonds by the Rating Agencies will not be adversely affected by or withdrawn as a result of the occurrence of such event or matter.

21 Indemnification of Bond Trustee and Bond Trustee contracting with the Issuer and/or the Guarantor LP

If, in connection with the exercise of its powers, trusts, authorities or discretions, in accordance with the terms of the Transaction Documents, the Bond Trustee is of the opinion that the interests of the holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval by Extraordinary Resolution of such holders of the relevant Series of Covered Bonds then outstanding or by a direction in writing of such holders of the Covered Bonds of at least 25 per cent. of the Principal Amount Outstanding of Covered Bonds of the relevant Series then outstanding.

The Trust Deed and the Security Agreement contain provisions for the indemnification of the Bond Trustee and for relief from responsibility, including provisions relieving the Bond Trustee from taking any action unless indemnified and/or secured to the satisfaction of the Bond Trustee.

The Trust Deed and the Security Agreement also contain provisions pursuant to which the Bond Trustee is entitled, among other things: (i) to enter into business transactions with the Issuer, the Guarantor LP and/or any of their respective Subsidiaries and affiliates and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, the Guarantor LP and/or any of their respective Subsidiaries and affiliates; (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the holders of the Covered Bonds or Couponholders or the other Secured Creditors; and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

The Bond Trustee will not be responsible for any loss, expense or liability, which may be suffered as a result of any Loans or Related Security, or any deeds or documents of title thereto, being uninsured or inadequately insured or being held by clearing organisations or their operators or by intermediaries such as banks, brokers or other similar persons on behalf of the Bond Trustee. The Bond Trustee will not be responsible for: (i) supervising the performance by the Issuer or any other party to the Transaction Documents of their respective obligations under the Transaction Documents and the Bond Trustee will be entitled to assume, until it has written notice to the contrary, that all such persons are properly performing their duties; (ii) considering the basis on which approvals or consents are granted by the Issuer or any other party to the Transaction Documents under the Transaction Documents; (iii) monitoring the Covered Bond Portfolio, including, without limitation, whether the Covered Bond Portfolio is in compliance with the

Asset Coverage Test or the Amortization Test; or (iv) monitoring whether Loans and their Related Security satisfy the Eligibility Criteria. The Bond Trustee will not be liable to any holder of the Covered Bonds or other Secured Creditor for any failure to make or to cause to be made on their behalf the searches, investigations and enquiries which would normally be made by reasonable and prudent institutional mortgage lenders in the Seller's market in relation to the Security and have no responsibility in relation to the legality, validity, sufficiency and enforceability of the Security and the Transaction Documents.

22 Law and Jurisdiction

The Trust Deed, Agency Agreement, the Covered Bonds and the Coupons and Talons related thereto and the other Transaction Documents, except as specified therein, are governed by and shall be construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
