**EMIRATES STRATEGIC INVESTMENTS COMPANY – SOLE PROPRIETORSHIP L.L.C**

*Introduction*

We have reviewed the accompanying interim condensed consolidated financial statements of Emirates Strategic Investments Company – Sole Proprietorship L.L.C (the “Company”) and its subsidiary (together referred to as, the “Group”) as at 30 June 2025, comprising the interim consolidated statement of financial position as at 30 June 2025, and the related interim consolidated statements of profit or loss, comprehensive income, changes in equity and cash flows for the six month period then ended, and the explanatory notes. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34 *Interim Financial Reporting* (“IAS 34”). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

*Scope of review*

We conducted our review in accordance with International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects in accordance with IAS 34, “*Interim Financial Reporting*”.

## NOTES TO THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS 30 June 2025 (Unaudited)

### 1 ACTIVITIES

Emirates Strategic Investments Company – Sole Proprietorship L.L.C (the “Company”) is a limited liability company incorporated on 5 February 2019 and is registered in the Emirate of Abu Dhabi. The Company is owned by Liwa Holdings (the “Parent Company”) which is ultimately owned by His Highness Sheikh Mansour Bin Zayed Al Nahyan (the “Ultimate Beneficial Owner”). The principal activities of the Company are real estate and commercial enterprise investment, development, institution and management.

These interim condensed consolidated financial statements include the results of operations and financial position of the Company, its subsidiaries (together, the “Group”) and the Group’s interest in its joint ventures.

The registered office of the Company is at P O Box 161, Abu Dhabi, United Arab Emirates.

These interim condensed consolidated financial statements were authorised for issue by the Board of Directors on 29 September 2025.

### 2.1 BASIS OF PREPARATION

#### Statement of compliance

The interim condensed consolidated financial statements of the Group are prepared in accordance with International Accounting Standard 34, Interim Financial Reporting.

The interim condensed consolidated financial statements have been presented in the United Arab Emirates Dirham (“AED”), which is the functional currency of the Company. Each entity in the Group determines its own functional currency based on a determination of the currency of primary economic environment in which the entities operate. All financial information presented in AED has been rounded to the nearest thousand except otherwise stated.

The interim condensed consolidated financial statements do not include all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group’s annual consolidated financial statements for the year ended 31 December 2024. In addition, results for the six month period ended 30 June 2025 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2025.

#### Basis of consolidation

The interim condensed consolidated financial statements comprise the financial statements of the Company and its subsidiary (together, the “Group”). Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- Exposure, or rights, to variable returns from its involvement with the investee; and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights results in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee
- Rights arising from other contractual arrangements
- The Group’s voting rights and potential voting rights

#### 2.1 BASIS OF PREPARATION continued

##### **Basis of consolidation** continued

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the period are included in the interim condensed consolidated statement of profit or loss from the date the Group gains control until the date the Group ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Group.

If the Group loses control over a subsidiary, it derecognises the related assets (including goodwill), liabilities, non-controlling interest and other components of equity, while any resultant gain or loss is recognised in profit or loss. Any investment retained is recognised at fair value.

The interim condensed consolidated financial statements comprise the financial statements of the Company and those of its following subsidiaries:

**2.2 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION**

**New standards, interpretations and amendments adopted by the Group**

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2024, except for the adoption of the following amendments effective as of 1 January 2025. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

- Amendments to IAS 21 - Lack of Exchangeability.

These amendments had no significant impact on the interim condensed consolidated financial statements of the Group.

**2.3 SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS**

The preparation of the interim condensed consolidated financial statements in conformity with the International Financial Reporting Standards requires management to make judgment, estimates and assumptions that affect the application of accounting policies and reported amounts of financial assets and liabilities and the disclosure of contingent liabilities. These judgments, estimates and assumptions also affect the revenue, expenses, and provisions as well as fair value changes. Actual results may differ from these estimates.

These judgments, estimates and assumptions may affect the reported amounts in subsequent financial years. Estimates and judgments are currently evaluated and are based on historical experience and other factors.

In preparing these interim condensed consolidated financial statements, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty are the same as those applied in the consolidated financial statements as at and for the year ended 31 December 2024.

The following is a description of the determination of fair value for assets for which fair values are disclosed using valuation techniques. These incorporate the Group's estimate of assumptions that a market participant would make when valuing the assets.

#### Investment properties

Investment properties classified under Level 3 have been valued using income method and sales comparison method of valuation. The significant assumptions used for valuation include market rentals, yield rates, occupancy, operating costs and vacancy (void). Fair values are determined based on an annual valuation performed by an accredited external independent valuer.

#### Investments carried at fair value through other comprehensive income

Investment classified under Level 1 have been valued using active market prices of the quoted equities on the reporting date.

#### Investments carried at fair value through profit or loss

Investments classified under Level 1 have been valued using active market prices of the quoted equities on the reporting date. Investment classified under Level 3 values are derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

#### Transfers between categories

During the period, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into or out of Level 3 fair value measurements (Six months period ended 30 June 2024: None).
