

LLOYDS BANKING GROUP plc

(incorporated in Scotland with limited liability with registered number 95000)

£25,000,000,000

Euro Medium Term Note Programme

This Prospectus (the "**Prospectus**") is issued in connection with the Programme (as defined below). Save where otherwise specified in the applicable Final Terms, any Notes (as defined below) issued under the Programme on or after the date of this Prospectus are issued subject to the provisions described herein. This does not affect any Notes already in issue. Under the Euro Medium Term Note Programme described in this Prospectus (the "**Programme**"), Lloyds Banking Group plc (the "**Company**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the "**Notes**"). The aggregate nominal amount of Notes outstanding will not at any time exceed £25,000,000,000 (or the equivalent in other currencies), subject to increase as provided herein.

Notes to be issued under the Programme may comprise (i) unsubordinated Notes ("**Senior Notes**") and (ii) Notes which are subordinated as described herein and have terms capable of qualifying as Tier 2 Capital (as defined in "*Terms and Conditions of the Notes*") (the "**Dated Subordinated Notes**").

Application has been made to the Financial Conduct Authority (the "**FCA**") under Part VI of the Financial Services and Markets Act 2000 (as amended, the "**FSMA**") for Notes issued under the Programme (other than PR Exempt Notes (as defined below)) for the period of twelve months from the date of this Prospectus to be admitted to the Official List of the FCA (the "**Official List**") and to the London Stock Exchange plc (the "**London Stock Exchange**") for such Notes to be admitted to trading on the London Stock Exchange's Main Market (the "**Market**"). References in this Prospectus to Notes being "**listed**" (and all related references) shall mean that such Notes have been admitted to trading on the Market and have been admitted to the Official List. The Market is a United Kingdom ("**UK**") regulated market for the purposes of Article 2(1)(13A) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (as amended) ("**EUWA**") (the "**UK MiFIR**").

Application has also been made for PR Exempt Notes issued under the Programme to be admitted to trading on the International Securities Market (the "**ISM**") of the London Stock Exchange. The ISM is not a UK regulated market for the purposes of UK MiFIR. **The ISM is a market designated for professional investors. Securities admitted to trading on the ISM are not admitted to the Official List of the FCA. The London Stock Exchange has not approved or verified the contents of this Prospectus.**

The Programme provides that PR Exempt Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets (other than a stock exchange or market which is a UK regulated market for the purposes of UK MiFIR) as may be agreed between the Company and the relevant Dealer. The Company may also issue unlisted PR Exempt Notes and/or PR Exempt Notes not admitted to trading on any stock exchange or market. In the case of PR Exempt Notes, the applicable Pricing Supplement (as defined below) will state whether or not the relevant Notes will be so listed and/or admitted to trading and, if so, the market on which such Notes are admitted to trading.

The applicable Final Terms (as defined herein) or Pricing Supplement (as defined herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed on the Official List and admitted to trading on the Market (or any other stock exchange). References in this Prospectus to "**PR Exempt Notes**" are to Notes for which no prospectus is required to be published pursuant to the UK Prospectus Regulation (as defined herein). Information contained in this Prospectus regarding PR Exempt Notes shall not be deemed to form part of this Prospectus and the FCA acting under Part VI of the FSMA has neither approved nor reviewed information contained in this Prospectus in connection with the offering and sale of PR Exempt Notes. In the case of PR Exempt Notes, notice of the aforesaid information which is applicable to each Tranche (as defined herein) will be set out in a pricing supplement document ("**Pricing Supplement**"). Accordingly, in the case of PR Exempt Notes, each reference in this Prospectus to information being specified or identified in the applicable Final Terms shall be read and construed as a reference to such information being specified or identified in the applicable Pricing Supplement, unless the context requires otherwise.

This Prospectus has been approved by the FCA, as competent authority under the UK Prospectus Regulation. The FCA only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the UK Prospectus Regulation; such approval should not be considered as (a) an endorsement of the Company; or (b) an endorsement of

the quality of the Notes that are the subject of this Prospectus. Investors should make their own assessment as to the suitability of investing in the Notes.

Each Tranche of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a "**temporary Global Note**") or a permanent global note in bearer form (each a "**permanent Global Note**" and, together with the temporary Global Notes, the "**Global Notes**"). Notes in registered form may also be issued. The minimum specified denomination of the Notes shall be at least the greater of (i) €100,000 (or its equivalent in another currency as at the date of issue of the Notes) or (ii) the minimum amount allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Specified Currency of the Notes.

As at the date of this Prospectus: (i) long-term senior obligations of the Company are rated "BBB+" by S&P Global Ratings UK Limited ("**S&P**"), "A3" by Moody's Investors Service Ltd. ("**Moody's**") and "A" by Fitch Ratings Ltd ("**Fitch**") and (ii) short-term senior obligations of the Company are rated "A-2" by S&P, "P-2" by Moody's and "F1" by Fitch. Each of S&P, Fitch and Moody's is established in the United Kingdom (the "**UK**") and is registered under Regulation (EC) No. 1060/2009 as it forms part of domestic law by virtue of the EUWA (the "**UK CRA Regulation**"). Ratings issued by S&P, Moody's and Fitch are endorsed by S&P Global Ratings Europe Limited, Moody's Deutschland GmbH and Fitch Ratings Ireland Limited, respectively, each of which is established in the European Economic Area (the "**EEA**") and registered under Regulation (EU) No 1060/2009, on credit rating agencies (the "**EU CRA Regulation**").

Tranches of Notes to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued. Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be (1) issued or endorsed by a credit rating agency established in the EEA and registered under the EU CRA Regulation or by a credit rating agency which is certified under the EU CRA Regulation and/or (2) issued or endorsed by a credit rating agency established in the UK and registered under the UK CRA Regulation or by a credit rating agency which is certified under the UK CRA Regulation will be disclosed in the applicable Final Terms or Pricing Supplement. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

This Prospectus will be valid as a base prospectus under the UK Prospectus Regulation for 12 months from 30 June 2023. The obligation to supplement this Prospectus in the event of significant new factors, material mistakes or material inaccuracies will not apply following the expiry of that period.

Prospective investors should have regard to the factors described under the section headed "*Risk Factors*" in this Prospectus. This Prospectus does not describe all of the risks of an investment in the Notes.

Prospective investors in Notes should ensure that they understand the nature of the relevant Notes and the extent of their exposure to risks and that they consider the suitability of the relevant Notes as an investment in the light of their own circumstances and financial condition. It is the responsibility of prospective investors to ensure that they have sufficient knowledge, experience and professional advice to make their own legal, financial, tax, accounting and other business evaluation of the merits and risks of investing in the Notes and are not relying on the advice of the Company, the Trustee (as defined herein) or any Dealer (as defined herein) in that regard.

IMPORTANT NOTICES

This Prospectus comprises a base prospectus for the purposes of the UK Prospectus Regulation. When used in this Prospectus, "Prospectus Regulation" means Regulation (EU) 2017/1129 (as amended), and "UK Prospectus Regulation" means the Prospectus Regulation as it forms part of domestic law by virtue of the EUWA.

The Company accepts responsibility for the information contained in this Prospectus and the applicable Final Terms or Pricing Supplement (as applicable) for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Company the information contained in this Prospectus, the applicable Final Terms or Pricing Supplement (as applicable) is in accordance with the facts and this Prospectus as completed by the applicable Final Terms or the Pricing Supplement (as applicable) makes no omission likely to affect its import.

The Notes may not be a suitable investment for all investors. Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Prospectus or any applicable Supplemental Prospectus or any applicable Drawdown Prospectus (as defined below);
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes, be familiar with the behaviour of any relevant indices and financial markets and be familiar with the resolution regime applicable to the Company and the Group, including the possibility that the Notes may be subject to write-down or conversion if the resolution powers are exercised;
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and
- (vi) understand the accounting, legal, regulatory and tax implications of a purchase, holding and disposal of an interest in the relevant Notes.

An investment in the Notes may give rise to higher yields than a bank deposit placed with a deposit-taking bank within the Group. However, an investment in the Notes carries risks which are very different from the risk profile of such a bank deposit. The Notes may provide greater liquidity than a bank deposit since bank deposits are generally not transferable. Conversely, unlike certain bank deposits (i) holders of the Dated Subordinated Notes, Restricted Events of Default Senior Notes and (where the Put Option is stated in the applicable Final Terms or Pricing Supplement to be not applicable) Senior Notes have no ability to require repayment of their investment unless an Event of Default occurs and then only in limited circumstances (see "*Terms and Conditions of the Notes*") and (ii) holders of the Notes will not have the benefit of any insurance or deposit guarantee of the UK Financial Services Compensation Scheme (the "FSCS") or any other government agency. In particular, the Dated Subordinated Notes are complex and

of high risk. In some jurisdictions, regulatory authorities have adopted or published laws, regulations or guidance with respect to the offer or sale of securities such as the Dated Subordinated Notes to retail investors. There are risks inherent in the holding of the Dated Subordinated Notes, including the risks in relation to their subordination and the circumstances in which Noteholders may suffer loss as a result of holding the Dated Subordinated Notes. See also "*Risks related to the structure of a particular issue of Notes*" and "*Risks related to Notes generally*".

Some Notes may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in any Notes unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal and other advisers to determine whether and to what extent: (i) Notes are legal investments for it; (ii) Notes can be used as collateral for various types of borrowing; and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see "*Documents Incorporated by Reference*").

No person is or has been authorised to give any information or to make any representation other than as contained in this Prospectus in its entirety in connection with the offering of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Company or any of the Dealers, the Arranger, the Co-arranger or the Trustee (each as defined in "*Overview of the Programme*"). Neither the delivery of this Prospectus nor any sale made hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of the Company or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same. Neither this Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation or constituting an invitation or offer by the Company, the Trustee, the Arranger, the Co-arranger or any of the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each prospective investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Company. Neither this Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer of, or an invitation by or on behalf of, the Company or any of the Dealers or the Trustee to any person to subscribe for or purchase, any Notes.

None of the Arranger, the Co-arranger, the Dealers or any of their respective affiliates makes any representation as to the suitability of any Sustainability Bonds (as defined herein) to fulfil any green, social, environmental or sustainability criteria, or as to any requirements regarding any 'green', 'social', 'environmental', 'sustainability' or similar labels, required or expected by any prospective investors. None of the Arranger, the Co-arranger or any of the Dealers have undertaken, nor are they responsible for, any assessment of the eligibility criteria for Eligible Projects (as defined herein), any verification of

whether the Eligible Projects meet such criteria or the monitoring of the use of proceeds of any Sustainability Bonds (or amounts equal thereto). Investors should refer to any sustainability framework which the Company may publish from time to time, any second party opinion delivered in respect thereof, and any public reporting by or on behalf of the Company in respect of the application of the proceeds of any issue of Sustainability Bonds for further information. Any such sustainability framework and/or second party opinion and/or public reporting will not be incorporated by reference in this Prospectus and none of the Arranger, the Co-arranger or any of the Dealers makes any representation as to the suitability or contents thereof. In the event any such Notes are, or are intended to be, listed, or admitted to trading on a dedicated 'green', 'environmental', 'sustainable', 'social' or other equivalently-labelled segment of a stock exchange or securities market, no representation or assurance is given by the Company, the Arranger, the Co-arranger, the Dealers, any of their respective affiliates or any other person that such listing or admission will be obtained or maintained for the lifetime of the Notes. Any information on, or accessible through, the Company's website relating to any sustainability framework which the Company may publish from time to time and the information in such framework(s) and any related second party opinion is not part of this Prospectus and should not be relied upon in connection with making any investment decision with respect to the Notes. In addition, no assurance or representation is given by the Company, the Arranger, the Co-arranger, the Dealers, any of their respective affiliates or any other person as to the suitability or reliability for any purpose whatsoever of any opinion, report, certification or assessment of any third party in connection with the offering of the Notes, nor do they accept any responsibility for any third party social, environmental or sustainability assessment of the Notes, and any such opinion, report, certification or assessment is not a recommendation by any of them to buy, sell or hold any such Notes. Additionally, no representation or assurance is given by the Arranger, the Co-Arranger, the Dealers, any of their respective affiliates or any other person as to the suitability or reliability of the Framework (as defined herein) or the Second Party Opinion (as defined herein) made available in connection with any offering of the Notes. Any such opinion, report or certification and any other document related thereto is not, nor shall it be deemed to be, incorporated in and/or form part of this Prospectus. Any such opinion is only current as of the date that opinion was initially issued. Prospective investors must determine for themselves the relevance of any such opinion and/or the information contained therein and/or the provider of such opinion for the purpose of any investment in the Notes.

No representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Dealers, the Arranger or the Co-arranger as to the accuracy or completeness of the information contained or incorporated by reference in this Prospectus or any other information provided by the Company in connection with the Programme. Neither the Dealers, the Arranger nor the Co-arranger accepts any liability in relation to the information contained or incorporated by reference in this Prospectus or any other information provided by the Company in connection with the Programme.

The Dealers expressly do not undertake to review the financial condition or affairs of the Company during the life of the Programme.

MiFID II PRODUCT GOVERNANCE / TARGET MARKET: The Final Terms or Pricing Supplement in respect of any Notes may include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the target market assessment; however, a distributor subject to Directive 2014/65/EU (as amended, "MiFID II") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels. A determination will be made in relation to each issue of Notes about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593

(the "MiFID Product Governance Rules"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger, the Co-arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

UK MiFIR PRODUCT GOVERNANCE / TARGET MARKET: The Final Terms or Pricing Supplement in respect of any Notes may include a legend entitled "UK MiFIR Product Governance" which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any distributor should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels. A determination will be made in relation to each issue of Notes about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger, the Co-arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS: The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "Insurance Distribution Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of UK MiFIR. Consequently no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the "UK PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

The distribution of this Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Company, the Dealers, the Arranger and the Co-arranger to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to, or for the accounts or benefit of, U.S. Persons (as defined under Regulation S "Regulation S" of the Securities Act). The Notes are being offered and sold outside the United States to persons that are not U.S. Persons (as defined in Regulation S) in reliance on Regulation S. For a

description of certain restrictions on offers and sales of Notes and on distribution of this Prospectus, see "*Selling Restrictions*". If, in respect of any offering of Notes, the offer of such Notes in a given jurisdiction is required to be made by a licensed broker or dealer and if any Dealer or any affiliate of any Dealer involved in such offering is so licensed and so agrees, the offer of such Notes in such jurisdiction shall be deemed to be made by the relevant Dealer(s) or affiliate(s), as the case may be, on behalf of the Company.

The Notes have not been approved or disapproved by the U.S. Securities and Exchange Commission, any State securities commission in the United States or any other U.S. regulatory authority, nor has any of the foregoing authorities passed upon or endorsed the merits of the offering of Notes or the accuracy or the adequacy of this Prospectus. Any representation to the contrary is a criminal offence in the United States.

In this Prospectus, unless otherwise specified or the context otherwise requires, references to "£", "pounds" and "Sterling" are to pounds sterling, references to "U.S. dollars" and to "U.S.\$" are to United States dollars, references to "Yen" are to Japanese Yen, references to "Renminbi", "RMB" and "CNY" are to the lawful currency of the PRC, references to "Hong Kong dollars" are to the lawful currency of Hong Kong and references to "€" and "euro" are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

In this Prospectus, references to "PRC" are to the People's Republic of China which, for the purpose of this Prospectus, shall exclude Hong Kong, the Macau Special Administrative Region of the People's Republic of China and Taiwan.

In this Prospectus, references to "CNH Notes" are to Notes denominated in CNY or Renminbi deliverable in Hong Kong.

In this Prospectus, references to "CMU Notes" are to Notes denominated in any lawful currency which the Central Moneymarkets Unit Service (the "CMU") accepts for settlement from time to time that are, or are intended to be, cleared through the CMU.

If the Global Notes are stated in the applicable Final Terms or Pricing Supplement to be issued in new global note ("NGN") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche to a common safekeeper (the "Common Safekeeper") for Euroclear Bank SA/NV ("Euroclear") and Clearstream Banking S.A. ("Clearstream, Luxembourg") and/or any other agreed clearing system. If a Global Certificate is held under the new safekeeping structure (the "NSS"), the Global Certificate will be delivered on or prior to the original issue date of the relevant Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg and/or any other agreed clearing system. Global Notes which are not issued in NGN form ("Classic Global Notes" or "CGNs") and Global Certificates which are not held under the NSS will be deposited on the issue date of the relevant Tranche with a common depository on behalf of Euroclear and Clearstream, Luxembourg and/or any other agreed clearing system. Notes in registered form ("Registered Notes") will be represented by registered certificates (each a "Certificate"). Registered Notes which are sold to persons that are not U.S. persons in an 'offshore transaction' within the meaning of Regulation S under the Securities Act, will initially be represented by a permanent registered global certificate (each, a "Global Certificate"), which will, unless held under the NSS, be deposited on the issue date of the relevant Tranche either with (a) a common depository on behalf of Euroclear and Clearstream, Luxembourg or (b) in respect of CMU Notes, a sub-custodian for the CMU operated by the HKMA or (c) and/or any other agreed clearing system. Investors may also hold interests in the Notes through Euroclear UK & Ireland Limited (formerly known as CRESTCo Limited) ("CREST") through the issuance of dematerialised depository interests ("CREST Depository Interests" or "CDIs") issued, held, settled and transferred through CREST, representing

interests in the relevant Notes underlying the CDIs (the "Underlying Notes"). CREST Depository Interests are independent securities constituted under English law and transferred through CREST and will be issued by CREST Depository Limited (the "CREST Depository") pursuant to the global deed poll dated 25 June 2001 (as subsequently modified, supplemented and/or restated) (the "CREST Deed Poll"). The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Bearer Notes are described in "*Summary of Provisions Relating to the Notes while in Global Form*".

In connection with the issue of any Tranche, the Dealer or Dealers (if any) acting as stabilisation manager(s) (the "Stabilisation Manager(s)") (or persons acting on behalf of any Stabilisation Manager(s)) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, stabilisation may not necessarily occur. Any stabilisation action may begin on or after the date on which adequate public disclosure of the Final Terms or Pricing Supplement, as applicable, of the offer of the relevant Tranche is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilisation Manager(s) (or persons acting on behalf of any Stabilisation Manager(s)) in accordance with all applicable laws and rules.

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Interest and/or other amounts payable under the Notes may be calculated by reference to certain reference rates. Any such reference rate may constitute a benchmark for the purposes of the Benchmarks Regulation (Regulation (EU) 2016/1011) as it forms part of domestic law by virtue of the EUWA (the "UK Benchmarks Regulation"). If any such reference rate does constitute such a benchmark, the applicable Final Terms or Pricing Supplement will indicate whether or not the benchmark is provided by an administrator included in the register of administrators and benchmarks established and maintained by the FCA pursuant to Article 36 of the UK Benchmarks Regulation. Not every reference rate will fall within the scope of the UK Benchmarks Regulation. Transitional provisions in the UK Benchmarks Regulation may have the result that the administrator of a particular benchmark is not required to appear in the register of administrators and benchmarks at the date of the applicable Final Terms or Pricing Supplement (or, if located outside the UK, recognition, endorsement or equivalence). The registration status of any administrator under the UK Benchmarks Regulation is a matter of public record and, save where required by applicable law, the Company does not intend to update the applicable Final Terms or Pricing Supplement to reflect any change in the registration status of the administrator.

SINGAPORE SFA PRODUCT CLASSIFICATION: In connection with Section 309B of the Securities and Futures Act 2001 (2020 Revised Edition) of Singapore (as modified or amended from time to time, the "SFA") and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the "CMP Regulations 2018"), unless otherwise specified before an offer of Notes, the Company has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are 'prescribed capital markets products' (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Statements that are not historical or current facts, including statements about the Group's or its directors' and/or management's beliefs and expectations, are forward-looking statements. Words such as, without limitation, 'believes', 'achieves', 'anticipates', 'estimates', 'expects', 'targets', 'should', 'intends', 'aims', 'projects', 'plans', 'potential', 'will', 'would', 'could', 'considered', 'likely', 'may', 'seek', 'estimate', 'probability', 'goal', 'objective', 'deliver', 'endeavour', 'prospects', 'optimistic' and similar expressions or variations on these expressions are intended to identify forward-looking statements. These statements concern or may affect future matters, including but not limited to: projections or expectations of the Group's future financial position, including profit attributable to shareholders, provisions, economic profit, dividends, capital structure, portfolios, net interest margin, capital ratios, liquidity, risk-weighted assets, expenditures or any other financial items or ratios; litigation, regulatory and governmental investigations; the Group's future financial performance; the level and extent of future impairments and write-downs; the Group's environmental, social and corporate governance targets and/or commitments; statements of plans, objectives or goals of the Group or its management and other statements that are not historical fact; expectations about the impact of COVID-19; and statements of assumptions underlying such statements.

By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend upon circumstances that will or may occur in the future. Factors that could cause actual business, strategy, plans and/or results (including but not limited to the payment of dividends) to differ materially from forward looking statements include, but are not limited to: general economic and business conditions in the UK and internationally; political instability including as a result of any UK general election and any further possible referendum on Scottish independence; acts of hostility or terrorism and responses to those acts, or other such events; geopolitical unpredictability; the war between Russia and Ukraine; the tensions between China and Taiwan; market related risks, trends and developments; exposure to counterparty risk; instability in the global financial markets, including within the Eurozone, and as a result of the exit by the UK from the European Union (the "EU") and the effects of the EU-UK Trade and Cooperation Agreement; the ability to access sufficient sources of capital, liquidity and funding when required; changes to the Group's credit ratings; fluctuations in interest rates, inflation, exchange rates, stock markets and currencies; volatility in credit markets; volatility in the price of the Group's securities; tightening of monetary policy in jurisdictions in which the Group operates; natural pandemic (including but not limited to the COVID-19 pandemic) and other disasters; risks concerning borrower and counterparty credit quality; risks affecting insurance business and defined benefit pension schemes; risks related to the uncertainty surrounding the integrity and continued existence of reference rates; changes in laws, regulations, practices and accounting standards or taxation; changes to regulatory capital or liquidity requirements and similar contingencies; the policies and actions of governmental or regulatory authorities or courts together with any resulting impact on the future structure of the Group; risks associated with the Group's compliance with a wide range of laws and regulations; assessment related to resolution planning requirements; risks related to regulatory actions which may be taken in the event of a bank or Group failure; exposure to legal, regulatory or competition proceedings, investigations or complaints; failure to comply with anti-money laundering, counter terrorist financing, anti-bribery and sanctions regulations; failure to prevent or detect any illegal or improper activities; operational risks; conduct risk; technological changes and risks to the security of IT and operational infrastructure, systems, data and information resulting from increased threat of cyber and other attacks; technological failure; inadequate or failed internal or external processes or systems; risks relating to environmental, social and governance ("ESG") matters, such as climate change (and achieving climate change ambitions), including the Group's ability along with the government and other stakeholders to measure, manage and mitigate the impacts of climate change effectively, and human rights issues; the impact of competitive conditions; failure to attract, retain and develop high calibre talent; the ability to achieve strategic objectives; the ability to derive cost savings and other benefits including, but without

limitation, as a result of any acquisitions, disposals and other strategic transactions; inability to capture accurately the expected value from acquisitions; assumptions and estimates that form the basis of the Group's financial statements; and potential changes in dividend policy. A number of these influences and factors are beyond the Group's control.

Lloyds Banking Group plc may also make or disclose written and/or oral forward-looking statements in other written materials and in oral statements made by the directors, officers or employees of Lloyds Banking Group plc to third parties, including financial analysts. Except as required by any applicable law or regulation, the forward-looking statements contained in this Prospectus are made as of today's date, and the Group expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained in this Prospectus whether as a result of new information, future events or otherwise.

Permission from the Relevant Regulator

Any redemption or purchase of the Notes (other than redemption on the relevant Maturity Date) is subject to the Relevant Regulator granting permission to do so (if and to the extent then required by applicable law and regulation or the Relevant Regulator).

Remedies for Non-Payment

The Notes do not provide for acceleration following non-payment of interest other than in a winding-up of the Company. Further, the sole remedy against the Company available to the Trustee or any holder of any Dated Subordinated Notes or Restricted Events of Default Senior Notes or the Coupons relating thereto (if any) for recovery of amounts owing in respect of any payment of principal or interest in respect of any Dated Subordinated Notes or Restricted Events of Default Senior Notes will be the institution of proceedings for, and proving in, the winding-up of the Company.

Waiver of set-off

Subject to applicable law, no holder of any Dated Subordinated Notes or the Coupons relating thereto (if any) nor the Trustee may exercise or claim any right of set-off in respect of any amount owed to it by the Company arising under or in connection with the Dated Subordinated Notes or the Coupons relating thereto, and each Noteholder or Couponholder shall, by virtue of its being the holder of any Dated Subordinated Note or Coupon, be deemed to have waived all such rights of set-off. If the applicable Final Terms or Pricing Supplement specify, or specifies, as the case may be, that Senior Notes Waiver of Set-off is applicable, then the previous paragraph shall apply to the Senior Notes, the relative Coupons and each Noteholder and Couponholder in respect of such Senior Notes *mutatis mutandis*

and as if references in that paragraph to Dated Subordinated Notes were references to such Senior Notes.

Withholding Tax

All payments of principal and interest (if any) in respect of the Notes will be made without withholding or deduction for, or on account of, taxes of the United Kingdom, unless such withholding or deduction is required by law. In the event such withholding or deduction is made, additional amounts may be payable by the Company (in the case of Restricted Events of Default Senior Notes and Dated Subordinated Notes, in respect of any payment of interest only (but not principal)), subject to certain exceptions as more fully described in Condition 8.

Governing Law

The Notes, and any non-contractual obligations arising out of or in connection with the Notes will be governed by, and construed in accordance with, English law, save that (i) the set-off provisions of the Senior Notes where the applicable Final Terms or Pricing Supplement specify, or specifies, as the case may be, that Senior Notes waiver of set-off is applicable and (ii) the set-off and subordination provisions of the Dated Subordinated Notes, will be governed by Scots law.

United States, Prohibition of Sales to EEA Retail Investors, Prohibition of Sales to UK Retail Investors, Switzerland, the UK and all jurisdictions listed in "*Selling Restrictions*". Other restrictions may be required in connection with a particular issue of Notes. The Company is Category 2 for the purposes of Regulation S under the Securities Act.

The Bearer Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) (or any successor rules in substantially the same form as such rules for purposes of section 4701 of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**")) ("**TEFRA D**") unless (i) the applicable Final Terms or Pricing Supplement state, or states, as the case may be, that Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) (or any successor rules in substantially the same form as such rules for purposes of section 4701 of the Code) ("**TEFRA C**") or (ii) the Notes are issued other than in compliance with TEFRA D or TEFRA C but in circumstances in which the Notes will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 ("**TEFRA**"), which circumstances will be referred to in the applicable Final Terms or Pricing Supplement as a transaction to which TEFRA is not applicable.

RISK FACTORS

The Company believes that the following factors may affect its ability to fulfil its obligations under the Notes issued under the Programme and confirms that the risks that are stated to apply to "the Group" below apply also to the Company. All of these factors are contingencies which may or may not occur. Factors which the Company believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme in relation to the Group are also described below.

The Company believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Company to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Company does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective purchasers should consider carefully the risks and uncertainties described below, together with all other information contained in this Prospectus and the information incorporated by reference herein before making any investment decision.

Risk Factors relating to the Group

Prospective investors should consider the section entitled "Risk Factors" at pages 177 to 189 in the Form 20-F as referred to in, and incorporated by reference into, this Prospectus.

Risks related to the structure of a particular issue of Notes.

1. Noteholders' claims against the Company rank junior to certain other creditors

If the Company enters into an insolvent winding-up procedure, the administrator, liquidator or other insolvency practitioner would be expected to make distributions of the Company's residual assets to its creditors in accordance with a statutory hierarchy or "order of priority". The Banking Act specifies the order in which the bail-in tool should be applied, reflecting the hierarchy of capital instruments under the Capital Requirements Regulation and otherwise respecting the hierarchy of claims in an ordinary insolvency.

2. Remedies for Non-Payment

The Notes do not provide for acceleration following non-payment of interest other than in a winding-up of the Company.

Further, in the case of Restricted Events of Default Senior Notes and Dated Subordinated Notes, the sole remedy against the Company available to the Trustee or any Noteholder or Couponholder for recovery of amounts owing in respect of or arising under any such Notes will be the institution of proceedings for, and proving in, the winding up of the Company. As such, the remedies available to holders of these Notes are limited, which may make enforcement more difficult.

3. Noteholders may be required to absorb losses in the event the Company becomes subject to recovery and resolution action

See "*Regulatory and Legal Risks - The Group and its subsidiaries are subject to regulatory actions which may be taken in the event of a bank or Group failure*" in the Form 20-F incorporated by reference herein.

4. Noteholders agree to be bound by the exercise of any UK Bail-in Power by the Resolution Authority

In recognition of the resolution powers granted by law to the Resolution Authority, by acquiring Notes of any Series, each Noteholder acknowledges and accepts that the Amounts Due (as defined in the Conditions) arising under the Notes may be subject to the exercise of the UK Bail-in Power (as defined in the Conditions) and acknowledges, accepts, consents and agrees to be bound by the effect of the exercise of any UK Bail-in Power by the Resolution Authority, that may result in (i) the reduction of all, or a portion, of the Amounts Due; (ii) the conversion of all, or a portion, of the Amounts Due on the Notes into shares or other securities or other

obligations of the Company or another person (and the issue to or conferral on the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes; (iii) the cancellation of the Notes; (iv) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the dates on which interest becomes payable, including by suspending payment for a temporary period. Each Noteholder further acknowledges, accepts, consents and agrees to be bound by the variation of the terms of the Notes, if necessary, to give effect to the exercise of the UK Bail-in Power by the Resolution Authority. Accordingly, the UK Bail-in Power may be exercised in such a manner as to result in Noteholders losing all or a part of the value of their investment in the Notes, having payment on the Notes suspended for a period of time or receiving a different security from the Notes, which may be worth significantly less than the Notes and which may have significantly fewer protections than those typically afforded to holders of debt securities. Moreover, the Resolution Authority may exercise the UK Bail-in Power without providing any advance notice to, or requiring the consent of, the Noteholders. In addition, under the Conditions, the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes is not an event of default or default for any purpose.

5. The Company's obligations under Dated Subordinated Notes are subordinated

The Company's obligations under Dated Subordinated Notes will be unsecured and subordinated and will, in the event of the winding-up of the Company, be subordinated, in the manner provided in the Trust Deed, to the claims of depositors and all other Senior Creditors (as defined in "*Terms and Conditions of the Notes*" herein). Although Dated Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Dated Subordinated Notes will lose all or some of their investment should the Company become insolvent.

6. Waiver of set-off

The holders of the Dated Subordinated Notes and (unless Senior Notes Waiver of Set-off is stated in the applicable Final Terms or Pricing Supplement to be not applicable) Senior Notes waive any right of set-off, compensation and retention in relation to such Notes insofar as permitted by applicable law.

7. Limitation on gross-up obligation under the Restricted Events of Default Senior Notes and the Dated Subordinated Notes

The Company's obligation to pay additional amounts in respect of any withholding or deduction in respect of United Kingdom taxes under the terms of the Restricted Events of Default Senior Notes and the Dated Subordinated Notes applies only to payments of interest due and payable and not to payments of principal. As such, the Company would not be required to pay any additional amounts under the terms of the such Notes to the extent any withholding or deduction applied to payments of principal. Accordingly, if any such withholding or deduction were to apply to any payments of principal under the such Notes, Noteholders may receive less than the full amount due under such Notes, and the market value of the Notes may be adversely affected.

8. Notes are obligations of the Company only

The Notes are obligations of the Company only and are not guaranteed by any other entity and accordingly the Noteholders have recourse in respect thereof only to the Company.

9. Notes subject to optional redemption by the Company

An optional redemption feature is likely to limit the market value of Notes. During any period when the Company may elect to redeem Notes, or during any period in which there is an actual or perceived increase in the likelihood that the Company may elect to redeem the Notes in the future, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Company may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

10. Substitution, Variation or Redemption for Taxation Reasons

On the occurrence of a Tax Event (as defined in Condition 5(c)) in relation to any Series of Notes, (i) the Company may, without the need for any consent of the Noteholders, the Couponholders or the Trustee, substitute all (but not some only) of such Notes for, or vary the terms of such Notes so that they remain or, as appropriate, become, Compliant Securities (as defined in Condition 7) or (ii) the Company may, at its option (but subject to certain conditions, including, Condition 5(k)) and without the need for any consent of the Noteholders, the Couponholders or the Trustee, redeem all, but not some only, of such Notes, at the applicable Early Redemption Amount together (if applicable) with any accrued but unpaid interest up to (but excluding) the date fixed for redemption.

11. Substitution, Variation or Redemption of Dated Subordinated Notes upon the occurrence of a Capital Disqualification Event

Where specified in the applicable Final Terms or Pricing Supplement of any Series of Dated Subordinated Notes, upon the occurrence and continuation of a Capital Disqualification Event (as defined in Condition 5) (i) the Company may without the need for any consent of the Noteholders, the Couponholders or the Trustee, substitute all (but not some only) of the Dated Subordinated Notes of such Series for, or vary the terms of such Notes so that they remain or, as appropriate, become, Compliant Securities (as defined in Condition 7) or (ii) the Company may at its option (but subject to certain conditions, including Condition 5(k)) and without the need for any consent of the Noteholders, the Couponholders or the Trustee, redeem all but not some only of the Dated Subordinated Notes of such Series, together (if applicable) with accrued but unpaid interest up to (but excluding) the date fixed for redemption.

12. Redemption – Dated Subordinated Notes

Dated Subordinated Notes may be purchased, or redeemed prior to the relevant Maturity Date by the Company pursuant to Condition 5(c), Condition 5(d), Condition 5(f) or Condition 5(g), in each case, provided that (among other things, and except to the extent that the Relevant Regulator or the Regulatory Capital Requirements no longer so require) the Company has given prior notice to the Relevant Regulator and the Relevant Regulator has granted permission for the Company to make such redemption or repurchase and any other requirements of the Relevant Regulator applicable to such purchases or redemptions at the time have been complied with by the Company.

If the Dated Subordinated Notes are to be so redeemed or there is a perception that the Dated Subordinated Notes may be so redeemed, this may impact the market price of the Dated Subordinated Notes. In addition, there can be no assurance that Noteholders will be able to reinvest the amounts received upon redemption at the same, or a similar, rate of return as their investment in the Dated Subordinated Notes.

13. Redemption – Senior Notes

If the applicable Final Terms or Pricing Supplement for Senior Notes of any Series specify that the Company has an option to redeem such Notes, the Company may opt to redeem all, or (if specified in the applicable Final Terms or Pricing Supplement) some only, of such Senior Notes at the price set out in the applicable Final Terms or Pricing Supplement together (if applicable) with any outstanding interest.

Further, if the applicable Final Terms or Pricing Supplement for any Series of Senior Notes specify that the Company has an option to redeem such Notes at a time when the remaining contractual maturity is one year or less, where such Senior Notes count towards its and/or the Group's minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments, it is possible that the Company may elect to redeem such Notes pursuant to such option, as the Notes will, as a result of the remaining contractual maturity being less than the period prescribed by the applicable eligibility criteria under the current Loss Absorption Regulations, be expected to cease to so count.

The Company shall be required to obtain the prior permission of the Relevant Regulator to effect the call, redemption, repayment or repurchase of any Senior Notes which count towards the Group's minimum requirements for own funds and eligible liabilities prior to the date of their contractual maturity.

If the Senior Notes are to be so redeemed or there is a perception that the Senior Notes may be so redeemed, this may impact the market price of the Senior Notes. In addition, there can be no assurance that Noteholders will be able to reinvest the amounts received upon redemption at a rate that will provide the same rate of return as their investment in the Senior Notes.

14. Substitution, Variation or Redemption upon the occurrence of a Loss Absorption Disqualification Event

If at any time a Loss Absorption Disqualification Event occurs and is continuing in relation to any Series of Senior Notes, and the applicable Final Terms or Pricing Supplement for the Notes of such Series specify the Company has an option to substitute, vary or redeem such Senior Notes in such circumstances, (i) the Company may without the need for any consent of the Noteholders, the Couponholders or the Trustee, substitute all (but not some only) of the Senior Notes of such Series for, or vary the terms of such Notes so that they remain or, as appropriate, become, Compliant Securities (as defined in Condition 7) or (ii) the Company may redeem all, but not some only, of the Senior Notes of such Series at the price set out in the applicable Final Terms or Pricing Supplement together (if applicable) with any outstanding interest.

A Loss Absorption Disqualification Event shall be deemed to have occurred if, as a result of any amendment to, or change in, the Loss Absorption Regulations, or any change in the application or official interpretation of the Loss Absorption Regulations, in any such case becoming effective on or after the issue date of the first Tranche of the Senior Notes, the Notes are or (in the opinion of the Company the Relevant Regulator and/or the United Kingdom resolution authority) are likely to be fully or (if so specified in the applicable Final Terms or Pricing Supplement) partially excluded from the Company's and/or the Group's minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments, in each case as such minimum requirements are applicable to the Company and/or the Group and determined in accordance with, and pursuant to, the relevant Loss Absorption Regulations; provided that a Loss Absorption Disqualification Event shall not occur where the exclusion of the Notes from the relevant minimum requirement(s) is due to the remaining maturity of such Notes being less than any period prescribed by any applicable eligibility criteria for such minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Company and/or the Group on the issue date of the first Tranche of such Notes.

15. Substitution and Variation of Notes

Where Substitution or Variation is specified in the Final Terms as being applicable and the Company has satisfied the Trustee that a Tax Event, a Capital Disqualification Event or a Loss Absorption Disqualification Event, as applicable, has occurred and is continuing, then the Company may substitute or vary the Notes pursuant to Condition 7, subject to the Company obtaining the permission therefor from the Relevant Regulator, provided that at the relevant time such permission is required to be given.

In the case of a substitution or variation of the Notes, while the new substituted or varied notes must have terms not materially less favourable to Noteholders than the terms of the Notes, there can be no assurance that, whether due to the particular circumstances of each Noteholder or otherwise, such substituted or varied notes will be as favourable to such Noteholder in all respects. In addition, the tax and stamp duty consequences of holding such substituted or varied Notes could be different for some categories of Noteholders from the tax and stamp duty consequences for them of holding such Notes prior to such substitution or variation. The substitution or variation of the Notes may result in tax or stamp duty consequences for Noteholders. There can also be no assurance that such Notes will trade at prices that are equal to the prices at which the Notes would have traded on the basis of their original terms.

16. Potential Conflicts of Interest

Where the Company acts as the Calculation Agent, or the Calculation Agent is an affiliate of the Company, potential conflicts of interest may exist between the Calculation Agent and Noteholders, including with respect to certain determinations and judgements that the Calculation Agent may make pursuant to the Conditions that may influence the amount receivable upon redemption of the Notes.

17. Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

18. Floating Rate Notes and Fixed Rate Reset Notes referencing or linked to benchmarks

Benchmarks have, in recent years, been the subject of political and regulatory scrutiny as to how they are created and operated. This has resulted in regulatory reform and changes to existing benchmarks, with further changes anticipated. These reforms and changes may cause a benchmark to perform differently than it has done in the past or to be discontinued. Any change in the performance of a benchmark or its discontinuation, could have a material adverse effect on any Notes referencing or linked to such benchmark, including possible adverse tax consequences for certain Noteholders.

Regulation (EU) 2016/1011 (the "**EU Benchmarks Regulation**") applies, subject to certain transitional provisions, to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. Regulation (EU) 2016/1011 as it forms part of domestic law by virtue of the EUWA (the "**UK Benchmarks Regulation**") among other things, applies to the provision of benchmarks and the use of a benchmark in the UK. Similarly, it prohibits the use in the UK by UK supervised entities (such as the Company) of benchmarks of administrators that are not authorised by the FCA or registered on the FCA register (or, if non-UK based, not deemed equivalent or recognised or endorsed). The EU Benchmarks Regulation and the UK Benchmarks Regulation, as applicable, could have a material impact on any Notes linked to or referencing a benchmark in particular, if the methodology or other terms of the benchmark are changed in order to comply with the requirements of the EU Benchmarks Regulation and/or the UK Benchmarks Regulation, as applicable. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant benchmark.

Any of the reforms, or the general increase in regulatory scrutiny of benchmarks, could increase the costs and risks of administering or participating in the setting of a benchmark and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or contribute to certain benchmarks, trigger changes in the rules or methodologies used in certain benchmarks or lead to the discontinuation or unavailability of quotes of certain benchmarks.

Any changes to the administration of, or the methodology used to obtain, a benchmark or the emergence of alternatives to a benchmark as a result of these reforms, may cause the relevant benchmark to perform differently than in the past or to be discontinued, or there could be other consequences which cannot be predicted. The potential discontinuation of a benchmark or changes to its administration could require changes to the way in which the Rate of Interest is calculated in respect of any Notes referencing or linked to a benchmark. The development of alternatives to a benchmark may result in Notes linked to or referencing the relevant benchmark performing differently than would otherwise have been the case if such alternatives to such benchmark had not developed. Any such consequence could have a material adverse effect on the value of, and return on, any Notes referencing or linked to a benchmark.

Furthermore, even prior to the implementation of any changes, uncertainty as to the nature of alternative reference rates and as to potential changes to such benchmark may adversely affect such benchmark during the term of the relevant Notes, the return on the relevant Notes and the trading market for securities based on the same benchmark.

In accordance with the Conditions, Notes which reference any affected benchmark may be subject to the adjustment of the interest provisions in certain circumstances. The circumstances which could trigger such adjustments are beyond the Company's control and the subsequent use of a replacement benchmark may result in changes to the Conditions (which could be extensive) and/or interest payments that are lower than or that do not otherwise correlate over time with the payments that could have been made on such Notes if the relevant benchmark remained available in its current form. Although pursuant to the Conditions, spread adjustments may be applied to such replacement benchmark (including with the intention of partially or wholly reducing or eliminating any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark), the application of such adjustments to the Notes may not achieve this objective. Any such changes may result in the Notes performing differently (which may include payment of a lower interest rate) than if the original benchmark continued to apply. There is no assurance that the characteristics of any replacement benchmark would be similar to the affected benchmark, that any replacement benchmark would produce the economic equivalent of the affected benchmark or would be a suitable replacement for the affected benchmark. The choice of replacement benchmark is uncertain and could result in the use of risk-free rates (see *"Risks related to the structure of a particular issue of Notes - The market continues to develop in relation to risk-free rates (including overnight rates) as reference rates for Floating Rate Notes"* below) and/or in the replacement benchmark being unavailable or indeterminable. No adjustments or amendments will be applied if and to the extent that, in the determination of the Company, the same could reasonably be expected to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations. In certain circumstances (including, without limitation, those mentioned in the preceding sentence) the ultimate fallback provisions may result in the effective application of a fixed rate of interest to Floating Rate Notes and/or Fixed Rate Reset Notes. Furthermore, if the Company determines that it is not able to follow the prescribed steps set out in the Conditions, the relevant fallback provisions may not operate as intended at the relevant time. Any such consequence could have a material adverse effect on the trading markets for such Notes, the liquidity of such Notes and/or the value of and return on any such Notes. The Conditions may require the exercise of discretion by the Company or an independent adviser, as the case may be, and the making of potentially subjective judgments (including as to the occurrence or not of any events which may trigger amendments to the Conditions) and/or the amendment of the Conditions without the consent of Noteholders. The interests of the Company or the independent adviser, as applicable, in making such determinations or amendments may be adverse to the interests of the Noteholders. Moreover, any of the above matters or any other significant change to the setting or existence of any relevant reference rate could affect the ability of the Company to meet its obligations under Notes linked to a benchmark or could have a material adverse effect on the market value or liquidity of, and the amount payable under such Notes. Investors should consider these

matters when making their investment decision with respect to such Notes. Investors should also consult their own independent advisers and make their own assessment about the potential risks imposed by the possible cessation or reform of certain reference rates.

19. The market continues to develop in relation to risk-free rates (including overnight rates) as reference rates for Floating Rate Notes

Investors should be aware that the market continues to develop in relation to risk-free rates, such as the Canadian Overnight Repo Rate Average ("**CORRA**"), the euro short-term rate ("**€STR**"), the Swiss Average Rate Overnight ("**SARON**"), the Secured Overnight Financing Rate ("**SOFR**"), the Sterling Over Night Index Average ("**SONIA**"), the Singapore Overnight Rate Average ("**SORA**") and the Tokyo Overnight Average Rate ("**TONA**"), as reference rates in the capital markets and their adoption as alternatives to the relevant interbank offered rates. Furthermore, such risk-free rates have a limited performance history and the future performance of such risk-free rates is impossible to predict. As a consequence no future performance of the relevant risk-free rate or Notes referencing such risk-free rate may be inferred from any of the hypothetical or actual historical performance data. In addition, investors should be aware that risk-free rates are calculated on a different basis and therefore may behave materially differently to interbank offered rates as interest reference rates. Moreover, SOFR is a secured rate and, since publication of SOFR began, daily changes in SOFR have, on occasion, been more volatile than daily changes in comparable benchmarks or other market rates.

Market conventions for calculating the interest rate for bonds referencing risk-free rates continue to develop and market participants and relevant working groups are exploring alternative reference rates based on risk-free rates. For example, on 2 March 2020, the Federal Reserve Bank of New York, as administrator of SOFR, began publishing the SOFR Compounded Index and on 3 August 2020, the Bank of England, as the administrator of SONIA, began publishing the SONIA Compounded Index. Accordingly, the specific formula for calculating the rate used in the Notes issued under this Prospectus may not be widely adopted by other market participants, if at all. The Company may in the future also issue Notes referencing risk-free rates that differ materially in terms of interest determination when compared with any previous Notes referencing risk-free rate rates issued by it. If the market adopts a different calculation method, that could adversely affect the market value of Notes issued pursuant to this Programme.

In addition, the manner of adoption or application of risk-free rates in the bond markets may differ materially compared with the application and adoption of risk-free rates in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of such reference rates in the bond, loan and derivatives markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Notes referencing such risk-free rates.

Each risk-free rate is published and calculated by third parties based on data received from other sources and the Company has no control over their respective determinations, calculations or publications. There can be no guarantee that the relevant risk-free rate (or the SOFR Compounded Index, SONIA Compounded Index or SARON Compounded Index) will not be discontinued or fundamentally altered in a manner that is materially adverse to the interests of investors in Notes linked to or which reference a such risk-free rate (or that any applicable benchmark fallback provisions provided for in the Conditions will provide a rate which is economically equivalent for Noteholders). None of the Bank of England, the Federal Reserve, the Bank of Canada, the Monetary Authority of Singapore, the SIX Financial Information AG, the Bank of Japan or the European Central Bank have an obligation to consider the interests of Noteholders in calculating, adjusting, converting, revising or discontinuing the relevant risk-free rate (or the SOFR Compounded Index, SONIA Compounded Index or SARON Compounded Index). If the manner in which the relevant risk-free rate is calculated is changed, that change may result in a reduction of the amount of interest payable on such Notes and the trading prices of such Notes.

Interest on Notes which reference a risk-free rate is only capable of being determined immediately prior to the relevant Interest Payment Date. It may be difficult for investors in Notes which reference such risk-free rates to reliably estimate the amount of interest which will be payable on such Notes. Further, if the Notes become due and payable under Condition 10, or are otherwise redeemed early on a date which is not an Interest Payment Date, the Rate of Interest payable shall be determined on the date the Notes became due and payable and shall not be reset thereafter.

The use of risk-free rates as a reference rate for bonds may be subject to change and development, both in terms of the substance of the calculation and in the development and adoption of market infrastructure for the issuance and trading of bonds referencing such rates. Notes referencing risk-free rates may have no established trading market when issued, and an established trading market may never develop or may not be very liquid which, in turn, may reduce the trading price of the Notes or mean that investors in such Notes may not be able to sell such Notes at all or may not be able to sell such Notes at prices that will provide them with a yield comparable to similar investments that have a developed secondary market, and may consequently suffer from increased pricing volatility and market risk. Investors should consider these matters when making their investment decision with respect to any such Floating Rate Notes.

20. Notes issued with a specific use of proceeds, such as Sustainability Bonds, may not meet investor expectations or requirements

The applicable Final Terms or Pricing Supplement in respect of any Tranche of Notes may provide that the Group will allocate an amount equal to the net proceeds of the issue of those Notes ("**Sustainability Bonds**") to funding businesses and projects that, in the Group's sole judgement and discretion, satisfy certain eligibility requirements that are intended to promote positive social and/or environmental benefits ("**Eligible Projects**").

If the use of proceeds of any Notes (including Sustainability Bonds) is a factor in a prospective investor's decision to invest in such Notes, they should consider the disclosure in "*Use of Proceeds*" below and in the applicable Final Terms or Pricing Supplement and consult with their legal or other advisers before making an investment in such Notes and must determine for themselves the relevance of such information for the purpose of any investment in such Notes, together with any other investigation such investor deems necessary.

No assurance or representation is given by the Company, the Arranger, the Co-arranger, the Dealers, any of their respective affiliates or any other person that the use of such proceeds for any Eligible Projects will meet the requirements set out in the Framework (as defined below), whether in whole or in part, or any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own articles of association or other governing rules or investment mandates (in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any of the businesses and projects funded with the proceeds from any particular Sustainability Bonds).

No assurance can be given that Eligible Projects will meet investor expectations or requirements regarding such 'green', 'social' or 'sustainable' or similar labels (including Regulation (EU) 2020/852 on the establishment of a framework to facilitate sustainable investment, the so-called EU Taxonomy, as it forms part of domestic law by virtue of the EUWA), or that any projects or uses the subject of, or related to, any of the businesses and projects funded with the proceeds from any particular Sustainability Bonds will meet any or all investor expectations regarding such 'green', 'social', 'sustainable' or other equivalently-labelled performance objectives or that any adverse environmental, social and/or other impacts will not occur during the implementation of any projects or uses the subject of, or related to, any Eligible Projects.

While it is the intention of the Company to allocate an amount equal to the net proceeds of any Notes issued as Sustainability Bonds for Eligible Projects and to report on the use of proceeds of Eligible Projects as

described in "*Use of Proceeds*", there is no contractual obligation to do so. In addition, the Framework may be subject to review and change and may be amended, updated, supplemented, replaced and/or withdrawn from time to time and any subsequent version(s) may differ from any description given in this Prospectus. The Framework does not form part of, nor is it incorporated by reference in, this Prospectus.

There can be no assurance that any such Eligible Projects will be available or capable of being implemented. In addition, there can be no assurance that Eligible Projects will be completed as expected or achieve the impacts or outcomes (environmental, social or otherwise) originally expected or anticipated. The Company's failure to allocate the proceeds of any particular Sustainability Bonds to finance Eligible Projects or to provide annual progress reports, the failure of any Eligible Project to meet any or all investor expectations regarding such 'green', 'social', 'sustainable' or other equivalently-labelled performance objectives, or the failure of an independent external review provider with environmental or social expertise to issue a second party opinion on the allocation of the bond proceeds may affect the value of any particular Sustainability Bonds and/or have adverse consequences for certain investors with portfolio mandates to invest in green, social or sustainable assets, however, it will not: (i) give rise to any claim by a Noteholder against the Company; (ii) constitute an Event of Default (as defined in the Trust Deed) or breach of contract with respect to any particular Sustainability Bonds; (iii) give a right to Noteholders to request the early redemption or acceleration of the relevant Sustainability Bonds; (iv) lead to an obligation of the Company to redeem such Sustainability Bonds or be a relevant factor for the Company in determining whether or not to exercise any optional redemption rights in respect of any Sustainability Bonds; or (v) affect the regulatory qualification of such Sustainability Bonds (as the case may be) as own funds, eligible liabilities, loss absorbing capacity instruments or Tier 2 Capital (as applicable).

The net proceeds of the issue of any particular Sustainability Bonds which, from time to time, are not allocated as funding for Eligible Projects are intended by the Company to be held pending allocation as funding towards Eligible Projects.

None of the Company, the Arranger, the Co-arranger or any of the Dealers undertakes to ensure that there are at any time sufficient Eligible Projects to allow for allocation of a sum equal to the net proceeds of the issue of such Sustainability Bonds in full.

None of the Arranger, the Co-arranger or any of the Dealers is responsible for (i) any assessment of any eligibility criteria relating to Sustainability Bonds, (ii) any verification of whether the relevant advance of loans by the Group or the Eligible Projects will satisfy the relevant eligibility criteria, (iii) the monitoring of the use of proceeds (or amounts equal thereto) in connection with the issue of any Sustainability Bonds, (iv) the allocation of the proceeds by the Group to particular Eligible Projects or (v) any assessment of the Eligible Projects criteria or the Framework.

21. No assurance of suitability or reliability of any Second Party Opinion or any other opinion or certification of any third party relating to any Sustainability Bonds

Sustainalytics B.V. has issued a Second Party Opinion (as defined herein) on the Framework. The Second Party Opinion provides an opinion on certain environmental and related considerations is a statement of opinion, not a statement of fact. No representation or assurance is given as to the suitability or reliability of the Second Party Opinion or any opinion or certification of any third party made available in connection with an issue of Notes issued as Sustainability Bonds. The Second Party Opinion and any other such opinion or certification is not intended to address any credit, market or other aspects of any investment in any Note, including without limitation market price, marketability, investor preference or suitability of any security or any other factors that may affect the value of the Notes. The Second Party Opinion and any other opinion or certification is not a recommendation to buy, sell or hold any such Notes and is current only as of the date it was issued.

No assurance or representation is given by the Company, the Arranger, the Co-arranger, the Dealers, any of their respective affiliates or any other person as to the suitability or reliability for any purpose whatsoever of the Second Party Opinion or any other opinion or certification of any third party (whether or not solicited by the Company or any affiliate) which may be made available in connection with any particular Sustainability Bonds and in particular whether any Eligible Projects fulfil any environmental, sustainability, social and/or other criteria. For the avoidance of doubt, any such opinion or certification is not, nor shall it be deemed to be, incorporated in and/or form part of this Prospectus. Any such opinion or certification is not, nor should be deemed to be, a recommendation by the Company, the Arranger, the Co-arranger, any of the Dealers or any other person to buy, sell or hold any particular Sustainability Bonds.

Any such opinion or certification is only current as at the date that such opinion or certification was initially issued. Prospective investors must determine for themselves the relevance of any such opinion or certification and/or the information contained therein and/or the provider of such opinion or certification for the purpose of any investment in such Sustainability Bonds. Currently, the providers of such opinions and certifications (including the provider of the Second Party Opinion) are not subject to any specific regulatory or other regime or oversight. No assurance or representation is or can be given by the Company, the Arranger, the Co-arranger, the Dealers, or any of their respective affiliates to investors that any such opinion or certification will reflect any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply. The Noteholders have no recourse against the Company, the Arranger, the Co-arranger, any of the Dealers or the provider of any such opinion or certification for the contents of any such opinion or certification. A withdrawal of any such opinion or certification may affect the value of any Sustainability Bonds, may result in the delisting of such Sustainability Bonds from any dedicated 'green', 'social' or 'sustainable' or other equivalently-labelled segment of any stock exchange or securities market and/or may have consequences for certain investors with portfolio mandates to invest in green, social, sustainable or other equivalently-labelled assets.

22. Sustainability Bonds that are intended to qualify as eligible liabilities, loss absorbing capacity instruments or Tier 2 Capital will be fully subject to the application of the Regulatory Capital Requirements and/or the Loss Absorption Regulations

Sustainability Bonds that are intended to qualify as eligible liabilities, loss absorbing capacity instruments or Tier 2 Capital will be fully subject to the application of the Regulatory Capital Requirements and/or the Loss Absorption Regulations, as applicable, and will be subject to the bail-in tool and, in the case of Notes that are Tier 2 Capital, to write down and conversion powers and, in all cases, to the powers that may be exercised by the Relevant Regulator to the same extent and with the same ranking as any other equivalent Notes which are not Sustainability Bonds. As such, the proceeds of issue of any Sustainability Bonds will be fully available to cover any and all losses arising on the balance sheet of the Company regardless of their "green", "sustainability linked", "social" or other similar label and of whether the losses stem from "green", "sustainability linked", "social" assets or other assets of the Company without any such label.

23. Sustainability Bonds are not linked to the performance of the relevant Eligible Projects

The performance of the Sustainability Bonds is not linked to the performance of the relevant Eligible Projects or the performance of the Company in respect of any environmental or similar targets. There will be no segregation of assets and liabilities in respect of the Sustainability Bonds and the Eligible Projects. Consequently, neither payments of principal and/or interest on the Sustainability Bonds nor any rights of Noteholders or Couponholders shall depend on the performance of the relevant Eligible Projects or the performance of the Company in respect of any such environmental or similar targets. Holders of any Sustainability Bonds shall have no preferential rights or priority against the assets of any Eligible Project nor benefit from any arrangements to enhance the performance of the Notes.

24. No assurance that Sustainability Bonds will be admitted to trading on any dedicated 'social' or 'sustainable' (or similar) segment of any stock exchange or market, or that any admission obtained will be maintained

If any particular Sustainability Bonds are at any time listed or admitted to trading on any dedicated 'green', 'social' or 'sustainable' or other equivalently-labelled segment of any stock exchange or securities market (whether or not regulated), no representation or assurance is given by the Company, the Arranger, the Co-arranger, any of the Dealers or any other person that such listing or admission satisfies, whether in whole or in part, any present or future investor expectations or requirements as regards any investment criteria or guidelines with which such investor or its investments are required to comply, whether by any present or future applicable law or regulations or by its own articles of association or other governing rules or investment mandates, in particular with regard to any direct or indirect environmental, sustainability or social impact of any projects or uses, the subject of or related to, any of the businesses and projects funded with the proceeds from any particular Sustainability Bonds. Furthermore, it should be noted that the criteria for any such listings or admission to trading may vary from one stock exchange or securities market to another. Nor is any representation or assurance given or made by the Company, the Arranger, the Co-arranger, any of the Dealers or any other person that any such listing or admission to trading will be obtained in respect of any particular Sustainability Bonds or, if obtained, that any such listing or admission to trading will be maintained during the life of any particular Sustainability Bonds, and any failure to obtain or maintain any such listing may affect the value of such Sustainability Bonds.

If any of the risks outlined in this risk factor materialise, this may have a material adverse effect on the market price of such Sustainability Bonds and also potentially the market price of any other Notes which are intended to finance the Group's lending for Eligible Projects and/or result in adverse consequences for certain investors with portfolio mandates to invest in securities to be used for a particular purpose (including, without limitation, if such investors are required to dispose of their Sustainability Bonds as a result of such Notes not meeting any investment criteria or objectives set by or for such investor, which could lead to increased volatility and/or material decreases in the market price of Sustainability Bonds).

Risks related to Notes generally.

1. The Notes are not bank deposits and are not insured or guaranteed by the FSCS or any other government agency

The Notes are not bank deposits. In the event of the insolvency of the Company, the Notes will not have the benefit of any insurance or guarantee of the FSCS or any other government agency.

2. Modification, waivers and substitution

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Conditions also provide that the Trustee may, without the consent of the Noteholders, agree to (i) any modification of, or waiver or authorisation of any breach or proposed breach of, any of the Conditions or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another entity as principal debtor under any Notes in place of the Company, in the circumstances described in Condition 12 of the Conditions.

In addition, pursuant to Condition 4(j), Condition 4(k), Condition 4(l) and Condition 4(m) (as applicable) certain changes may be made to the interest calculation provisions of the Floating Rate Notes or Fixed Rate Reset Notes in the circumstances set out in the relevant Condition, without the requirement for consent of the

Trustee or the Noteholders. See "*Risks related to the structure of a particular issue of Notes - Floating Rate Notes and Fixed Rate Reset Notes referencing or linked to benchmarks*" above.

3. Change of law

The Conditions (aside from the provisions of Condition 3 relating to subordination and set-off, which are governed by Scots law) are based on English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law, Scots law or administrative practice after the date of issue of the relevant Notes.

4. Notes where denominations involve integral multiples

In the case of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In the case of Bearer Notes, a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

5. Holding CREST Depository Interests

Investors who hold through CREST through the issuance of CDIs ("**CDI Holders**") will hold or have an interest in a separate legal instrument and not be the legal owners of the Notes underlying the CDIs (the "**Underlying Notes**"). Such CDIs will be issued to CDI Holders pursuant to the global deed poll dated 25 June 2001 (as subsequently modified, supplemented and/or restated) (the "**CREST Deed Poll**") that will bind such CDI Holders. Fees, charges, costs and expenses may be incurred in connection with the use of the CREST International Settlement Links Service.

Potential investors should note that neither the Company, the Trustee nor any Paying Agent will have any responsibility for the performance by any intermediaries or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

For further information on the issue and holding of CDIs see "*Clearing and Settlement*".

Risks related to the market generally

1. The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid and may be sensitive to changes in financial markets. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This may particularly be the case should the Company experience significant financial distress, which may result in any sales of Notes having to be at a substantial discount to their principal amount, or for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

2. Exchange rate risks and exchange controls

The Company will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An application in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Company to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal.

3. Interest rate risk

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

4. Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to the structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

5. Effect of credit rating reduction

The value of the Notes is expected to be affected, in part, by investors' general appraisal of the Company's creditworthiness. Such perceptions are generally influenced by the ratings accorded to the Company's outstanding securities by standard statistical rating services, such as Moody's, S&P and Fitch. A reduction in the rating, if any, accorded to outstanding debt securities of the Company by one of these rating agencies could result in a reduction in the trading value of the Notes.

6. Investors to rely on the procedures of Euroclear Bank SA/NV ("Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**") for transfer, payment and communication with the Company**

Notes issued under the Programme may be represented by one or more Global Notes or a permanent registered global certificate (each a "**Global Certificate**"). Such Global Notes or Global Certificates may be deposited with a common depository or a common safekeeper (the "**Common Safekeeper**"), as the case may be, for Euroclear and Clearstream, Luxembourg. Except in the circumstances described in the relevant Global Note or Global Certificate, investors will not be entitled to receive definitive Notes or Certificates. Euroclear and Clearstream, Luxembourg will maintain records of the beneficial interests in the Global Notes or Global Certificates. While the Notes are represented by one or more Global Notes or Global Certificates, investors will be able to trade their beneficial interests only through Euroclear or Clearstream, Luxembourg.

While the Notes are represented by one or more Global Notes or Global Certificates, the Company will discharge its payment obligations under the Notes by making payments to the common depository or a common safekeeper, as the case may be, for Euroclear or Clearstream, Luxembourg for distribution to their account holders. A holder of a beneficial interest in a Global Note or Global Certificate must rely on the procedures of Euroclear and Clearstream, Luxembourg to receive payments under the relevant Notes. The Company has no

responsibility or liability for the records relating to, or payments made in respect of, beneficial interest in the Global Notes or Global Certificates.

Holders of beneficial interests in the Global Notes or Global Certificates will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by Euroclear or Clearstream, Luxembourg to appoint appropriate proxies.

7. Risks related to payment of Notes in an Alternative Currency

The Company's primary obligation is to make all payments of interest, principal and other amounts with respect to Notes in the relevant Specified Currency. However, if Alternative Currency Equivalent is specified to be applicable and if access to the Specified Currency becomes restricted, the Company may in its sole and absolute discretion (i) postpone the payment of any such amounts, (ii) make any such payment in the relevant Alternative Currency at the rates, and in the manner, set out in Condition 6(i) and the applicable Final Terms or Pricing Supplement, (iii) postpone the payment and make such payment in the relevant Alternative Currency or (iv) cancel or redeem the Notes.

Risks related to Notes denominated in Renminbi ("Renminbi Notes")

1. The Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the People's Republic of China (the "PRC") which may adversely affect the liquidity of Renminbi Notes.

The Renminbi is not freely convertible at present. The PRC government continues to regulate conversion between the Renminbi and foreign currencies, including the Hong Kong dollar, despite the significant reduction over the years by the PRC government of control over trade transactions involving import and export of goods and services as well as other frequent routine foreign exchange transactions. This represents a current account activity. Remittance of Renminbi by foreign investors into the PRC for the purposes of capital account items, such as capital contributions, debt financing and securities investment is generally only permitted upon obtaining specific approvals from, or completing specific registrations or filing with, the relevant authorities and is subject to a strict monitoring system. Regulations in the PRC on the remittance of Renminbi into the PRC for settlement of capital account items are developing gradually.

Although the People's Bank of China ("PBOC") has implemented policies improving accessibility to Renminbi to settle cross-border transactions in the past, there is no assurance that the PRC government will continue to liberalise the control over cross-border RMB remittances in the future, that any pilot schemes for Renminbi cross-border utilisation will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC. In the event that funds cannot be repatriated outside the PRC in Renminbi, this may affect the overall availability of Renminbi outside the PRC and the ability of the Company to source Renminbi to finance its obligations under the Renminbi Notes.

Holders of beneficial interests in Notes denominated in Renminbi may be required to provide certifications and other information (including Renminbi account information) in order to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong.

2. There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of Renminbi Notes and the Company's ability to source Renminbi outside the PRC to service such Renminbi Notes

As a result of the restrictions imposed by the PRC government on cross border Renminbi fund flows, the availability of Renminbi outside the PRC is limited. The PBOC has established a Renminbi clearing and settlement system with financial institutions in other major global financial centres (each an "RMB Clearing

Bank") through settlement agreements (the "**Settlement Agreements**") with each such financial institution to act as the RMB Clearing Bank in the relevant designated financial centre, and has established the Cross-Border Inter-Bank Payments System ("**CIPS**") to facilitate cross-border Renminbi settlement.

However, the current size of Renminbi-denominated financial assets outside the PRC is limited. There are restrictions imposed by PBOC on Renminbi business participating banks in respect of cross-border Renminbi settlement, such as those relating to direct transactions with PRC enterprises. Renminbi business participating banks do not have direct Renminbi liquidity support from the PBOC. They are only allowed to square their open positions with the relevant RMB Clearing Bank after consolidating the Renminbi trade position of banks outside of the Renminbi business participating financial centres that are in the same bank group of the participating banks concerned with their own trade position and the relevant RMB Clearing Bank only has access to onshore liquidity support from PBOC to square open positions of participating banks for limited types of transactions, including open positions resulting from conversion services for corporations relating to cross-border trade settlement. The relevant RMB Clearing Bank is not obliged to square for participating banks any open positions resulting from other foreign exchange transactions or conversion services. In such cases, the participating banks will need to source Renminbi from outside the PRC to square such open positions.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the Settlement Agreements will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi outside the PRC. The limited availability of Renminbi outside the PRC may affect the liquidity of the Renminbi Notes. To the extent the Company is required to source Renminbi outside the PRC to service the Renminbi Notes, there is no assurance that the Company will be able to source such Renminbi on satisfactory terms, if at all.

3. Investment in the Renminbi Notes is subject to exchange rate risks and the Company may make payments of interest and principal in U.S. dollars in certain circumstances

The value of the Renminbi against the U.S. dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. In August 2015, the PBOC implemented changes to the way it calculates the midpoint against the U.S. dollar to take into account market-maker quotes before announcing the daily midpoint. This change, among others that may be implemented, may increase the volatility in the value of the Renminbi against other currencies. In addition, although the Company's primary obligation is to make all payments of interest and principal or other amounts with respect to the Renminbi Notes in Renminbi, in certain circumstances, and if so specified, the terms of the Notes allow the Company to delay any such payment and/or make payment in U.S. dollars or another specified currency at the prevailing spot rate of exchange, and/or cancel or redeem such Notes, all as provided for in more detail in the Notes (see *Condition 6(i)*). As a result, the value of these Renminbi payments in U.S. dollar terms (or another specified currency terms) may vary with the prevailing exchange rates in the marketplace. If the value of the Renminbi depreciates against the U.S. dollar or other foreign currencies, the value of a Renminbi Noteholder's investment in U.S. dollars or other applicable foreign currency terms will decline.

In the event that access to Renminbi becomes restricted to the extent that, by reason of Inconvertibility, Non-transferability, Illiquidity or any other Scheduled Payment Currency Disruption Event (each as defined in the Conditions), the Company is unable, or it is impractical for it, to pay interest or principal in Renminbi, the Conditions allow the Company to make payments in U.S. dollars or other foreign currency at the prevailing spot rate of exchange, all as provided in more detail in the Conditions. As a result, the value of these Renminbi payments may vary with the prevailing exchange rates in the marketplace. If the value of Renminbi depreciates against the U.S. dollar or other foreign currencies, the value of a holder's investment in the U.S. dollar or other foreign currency terms will decline.

4. An investment in Renminbi Notes is subject to interest rate risks.

The PRC government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. The Renminbi Notes may carry a fixed interest rate. Consequently, the trading price of such Renminbi Notes will vary with fluctuations in interest rates. If a holder of Renminbi Notes tries to sell any Renminbi Notes before their maturity, they may receive an offer that is less than the amount invested. In addition, the interest rate for Renminbi in markets outside the PRC may significantly deviate from the interest rate for Renminbi in the PRC as a result of foreign exchange controls imposed by PRC law and regulations and prevailing market conditions.

5. Payments in respect of the Renminbi Notes will only be made to investors in the manner specified in the Conditions.

Investors may be required to provide certification and other information (including Renminbi account information) in order to be allowed to receive payments in Renminbi in accordance with the Renminbi clearing and settlement system for participating banks in Hong Kong. All Renminbi payments to investors in respect of the Renminbi Notes will be made solely (i) for so long as the Renminbi Notes are represented by a Global Note or a Global Certificate held with the common depositary or common safekeeper, as the case may be, for Euroclear and Clearstream, Luxembourg or any alternative clearing system, by transfer to a Renminbi bank account maintained in the RMB Settlement Centre(s) (as defined below) in accordance with prevailing Euroclear and/or Clearstream, Luxembourg rules and procedures, (ii) for so long as the Renminbi Notes are represented by a Global Note or a Global Certificate lodged with a sub-custodian for or registered with the CMU, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing CMU rules and procedures, or (iii) for so long as the Renminbi Notes are in definitive form, by transfer to a Renminbi bank account maintained in the RMB Settlement Centre(s) in accordance with prevailing rules and regulations. Other than as described in the Conditions, the Company cannot be required to make payment by any other means (including in any other currency or in bank notes, by cheque or draft, or by transfer to a bank account in the PRC).

"**RMB Settlement Centre(s)**" means the financial centre(s) specified as such in the applicable Final Terms or Pricing Supplement in accordance with applicable laws and regulations. If no RMB Settlement Centre is specified in the applicable Final Terms or Pricing Supplement, the RMB Settlement Centre shall be deemed to be Hong Kong.

6. Gains on the transfer of the Renminbi Notes may become subject to income taxes under PRC tax laws

Under the PRC Enterprise Income Tax Law, the PRC Individual Income Tax Law and the relevant implementing rules, as amended from time to time, any gain realised on the transfer of Renminbi Notes by non-PRC resident enterprise or individual Noteholders may be subject to PRC enterprise income tax ("**EIT**") or PRC individual income tax ("**IIT**") if such gain is regarded as income derived from sources within the PRC. The PRC Enterprise Income Tax Law levies EIT at the rate of 20 per cent. of the PRC-sourced gains derived by such non-PRC resident enterprise from the transfer of Renminbi Notes but its implementation rules have reduced the EIT rate to 10 per cent. The PRC Individual Income Tax Law levies IIT at a rate of 20 per cent. of the PRC-sourced gains derived by such non-PRC resident individual Noteholder from the transfer of Renminbi Notes.

However, uncertainty remains as to whether the gain realised from the transfer of Renminbi Notes by non-PRC resident enterprise or individual Noteholders would be treated as income derived from sources within the PRC and thus become subject to EIT or IIT. This will depend on how the PRC tax authorities interpret, apply or enforce the PRC Enterprise Income Tax Law, the PRC Individual Income Tax Law and the relevant implementing rules. According to the arrangement between the PRC and Hong Kong, for avoidance of double

taxation, Noteholders who are residents of Hong Kong, including enterprise Noteholders and individual Noteholders, will not be subject to EIT or IIT on capital gains derived from a sale or exchange of the Notes.

Therefore, if enterprise or individual resident Noteholders which are non-PRC residents are required to pay PRC income tax on gains derived from the transfer of Renminbi Notes, unless there is an applicable tax treaty between PRC and the jurisdiction in which such non-PRC enterprise or individual holders of Renminbi Notes reside that reduces or exempts the relevant EIT or IIT, the value of their investment in Renminbi Notes may be materially and adversely affected.

TERMS AND CONDITIONS OF THE NOTES

Neither the Trust Deed constituting the Notes nor the Terms and Conditions (the "Conditions") of the Notes will contain any negative pledge covenant by the Company or any events of default other than those set out in Condition 10 below (which do not include, *inter alia*, a cross default provision).

The following is the text of the Conditions that, as completed in accordance with the provisions of Part A of the applicable Final Terms or, in the case of PR Exempt Notes, the applicable Pricing Supplement, shall be applicable to the Registered Notes and the Bearer Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these Conditions together with the relevant provisions of Part A of the applicable Final Terms or Pricing Supplement (as applicable) or (ii) these Conditions as so completed, shall be endorsed on the Bearer Notes or on the Certificates relating to Registered Notes. The applicable Pricing Supplement in relation to any Tranche of PR Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Conditions, replace or modify these Conditions for the purposes of the relevant Notes.

All capitalised terms that are not defined in the Conditions will have the meanings given to them in Part A of the applicable Final Terms or Pricing Supplement. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The issuer of the Notes is Lloyds Banking Group plc (the "**Company**"). The Notes are constituted by a Trust Deed originally dated 30 March 2017 as amended and restated on 30 June 2023 (as modified and/or supplemented and/or restated as at the date of issue of the first Tranche of the Notes (the "**Issue Date**"), the "**Trust Deed**") between the Company and The Law Debenture Trust Corporation p.l.c. (the "**Trustee**", which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Agency Agreement originally dated 30 March 2017 and amended and restated on 30 June 2022 (as modified and/or supplemented and/or restated as at the Issue Date, the "**Agency Agreement**") has been entered into in relation to the Notes between the Company, the Trustee, Citibank, N.A., London Branch, as issuing and paying agent and, in respect of CMU Notes (as defined below), Citicorp International Limited and the other agents named in it. The issuing and paying agent in respect of Notes other than CMU Notes, the issuing and paying agent in respect of CMU Notes, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Issuing and Paying Agent**", the "**CMU Issuing and Paying Agent**", the "**Paying Agents**" (which expression shall, where the context so permits, include the Issuing and Paying Agent and the CMU Issuing and Paying Agent), the "**Registrar**", the "**Transfer Agents**" (which expression shall, where the context so permits, include the Registrar) and the "**Calculation Agent(s)**" provided that references in these Conditions to the Issuing and Paying Agent shall, in respect of CMU Notes, be construed as references to the CMU Issuing and Paying Agent. Copies of the Trust Deed and the Agency Agreement are available for inspection free of charge during usual business hours at the registered office of the Trustee (being, for the time being, Eighth Floor, 100 Bishopsgate, London EC2N 4AG) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the "**Coupons**") relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "**Talons**") (the "**Couponholders**") are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

For the purpose of these Terms and Conditions of the Notes (the "**Conditions**"), a "**Series**" means a series of Notes comprising one or more Tranches, whether or not issued on the same date, that (except in respect of the first payment of interest and their issue price) have identical terms on issue and are expressed to have the same series number. "**Tranche**" means, in relation to a Series, those Notes of that Series that are issued on the same date at the same issue price and in respect of which the first payment of interest is identical. "**Final Terms**" means, in relation to a Tranche, the final terms or pricing supplement issued specifying the relevant issue details of such Tranche.

1 **Form, Denomination and Title**

The Notes are issued in bearer form ("**Bearer Notes**", which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form ("**Registered Notes**") or in bearer form exchangeable for Registered Notes ("**Exchangeable Bearer Notes**") in each case in the Specified Denomination(s) specified in the Final Terms.

Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

The Notes (i) bear interest calculated by reference to a fixed rate of interest ("**Fixed Rate Notes**"), (ii) bear interest calculated by reference to a fixed rate of interest for an initial period and thereafter by reference to a fixed rate of interest recalculated on one or more dates specified in the Final Terms and by reference to a mid-market swap rate for the Specified Currency or, where the Specified Currency is Sterling, either a Sterling mid-market swap rate or a rate determined by reference to a benchmark gilt ("**Fixed Rate Reset Notes**"), (iii) bear interest by reference to a floating rate of interest ("**Floating Rate Notes**"), (iv) are issued on a non-interest bearing basis ("**Zero Coupon Notes**") or (v) are a combination of two or more of (i) to (iii) of the foregoing, as specified in the Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates ("**Certificates**").

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Company shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), "**holder**" (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them in the Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 **Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes**

(a) *Exchange of Exchangeable Bearer Notes*

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same aggregate nominal amount of Registered Notes at the request in writing of the relevant Noteholder and

upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 6(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and such other evidence as the Registrar or Transfer Agent may reasonably require to prove the title of the transferor. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Company, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of the Company's or a Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 5(h)) or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Company, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may reasonably require).

(f) *Closed Periods*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Company at its option pursuant to Condition 5(f) or Condition 5(g), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

provided that, if no Rate of Interest can be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined by the Calculation Agent in its sole and absolute discretion (though applying the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest, if any, relating to the Interest Accrual Period), failing which the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest applicable to such Notes on the Interest Commencement Date (though substituting, where a different Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

For these purposes the Reference Rate in effect for any calendar day which is not a Business Day shall, subject to the proviso above, be deemed to be the Reference Rate in effect for the Business Day immediately preceding such calendar day.

Any determination, decision or election (including a decision to take or refrain from taking any action or as to the occurrence or non-occurrence of any event or circumstance), and any substitution for and adjustments made to, BBSW, and in each case made in accordance with this Condition 4(c)(ii)(B)(III), will, in the absence of manifest or proven error, be conclusive and binding on the Company, the Trustee, the Noteholders, the Couponholders and each Paying Agent and, notwithstanding anything to the contrary in these Conditions or other documentation relating to the Notes, shall become effective without the consent of any person;
 - (iii) at the request of the Company, but subject to receipt by the Trustee of a certificate signed by two authorised signatories of the Company confirming that a Temporary Disruption Trigger or a Permanent Discontinuation Trigger has occurred (or will, as of a relevant date, occur), the Trustee shall (at the expense of the Company), without any requirement for the consent or approval of the Noteholders or Couponholders, be obliged to concur with the Company in effecting any substitution for and any adjustments made to BBSW, in each case as described in, and made in accordance with, this Condition 4(c)(ii)(B)(III) (including, inter alia, by the execution of a deed or an agreement supplemental to or amending the Trust Deed and/or the Agency

- (iv) if the Calculation Agent is unwilling or unable to determine a necessary rate, adjustment, quantum, formula, methodology or other variable in order to calculate any applicable Rate of Interest under this Condition 4(c)(ii)(B)(III), such rate, adjustment, quantum, formula, methodology or other variable will be determined by the Company (acting in good faith and in a commercially reasonable manner) or, an alternate independent financial institution of international repute or an independent adviser of recognised standing with appropriate expertise (acting in good faith and in a commercially reasonable manner) appointed by the Company (in its sole discretion and at its own expense) to so determine;
- (v) all rates determined pursuant to this Condition 4(c)(ii)(B)(III) shall be expressed as a percentage rate per annum and the resulting percentage will be rounded if necessary to the fourth decimal place (i.e., to the nearest one ten-thousandth of a percentage point) with 0.00005 being rounded upwards;
- (vi) notwithstanding any other provision of this Condition 4(c)(ii)(B)(III), no Administrator Recommended Rate, Supervisor Recommended Rate or Final Fallback Rate (as the case may be) will be adopted, nor will the applicable Adjustment Spread be applied, nor will any other amendment to the Conditions of any Series of Notes be made to effect the amendments in this Condition 4(c)(ii)(B)(III), if and to the extent that, in the determination of the Company, the same could reasonably be expected to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations;
- (vii) if (a) a Temporary Disruption Trigger has occurred or (b) a Permanent Discontinuation Trigger has occurred, then the Reference Rate for an Interest Accrual Period, whilst such Temporary Disruption Trigger is continuing or after a Permanent Discontinuation Trigger has occurred, means (in the following order of application and precedence):

When calculating an amount of interest in circumstances where a Fallback Rate other than the Final Fallback Rate applies, that interest will be calculated as if references to BBSW or AONIA Rate (as applicable) were references to that Fallback Rate. When calculating interest in circumstances where the Final Fallback Rate applies, the amount of interest will be calculated on the same basis as if the Applicable Reference Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect but with necessary adjustments to substitute all references to that Applicable Reference Rate with corresponding references to the Final Fallback Rate;

- (c) a public statement by the Supervisor of the Applicable Reference Rate (if the Applicable Reference Rate is BBSW) or the Administrator of the Applicable Reference Rate (if the Applicable Reference Rate is the AONIA Rate or the RBA Recommended Rate) as a consequence of which the Applicable Reference Rate will be prohibited from being used either generally, or in respect of the Notes, or that its use will be subject to restrictions or adverse consequences to the Company or a Noteholder or Couponholder;
- (d) as a consequence of a change in law or directive arising after the Issue Date of the first Tranche of the Notes of the relevant Series, it has become unlawful for the Calculation Agent, the Company or any other party responsible for calculations of interest under the Conditions to calculate any payments due to be made to any Noteholder or Couponholder using the Applicable Reference Rate;
- (e) a public statement or publication of information by the Supervisor of the Applicable Reference Rate (if the Applicable Reference Rate is BBSW) or the Administrator of the Applicable Reference Rate (if the Applicable Reference Rate

is the AONIA Rate or the RBA Recommended Rate) stating that the Applicable Reference Rate is Non-Representative; or

- (f) the Applicable Reference Rate has otherwise ceased to exist or be administered on a permanent or indefinite basis;

"Permanent Fallback Effective Date" means, in respect of a Permanent Discontinuation Trigger for an Applicable Reference Rate:

- (a) in the case of paragraphs (a) and (b) of the definition of "Permanent Discontinuation Trigger", the first date on which the Applicable Reference Rate would ordinarily have been published or provided and is no longer published or provided;
- (b) in the case of paragraphs (c) and (d) of the definition of "Permanent Discontinuation Trigger", the date from which use of the Applicable Reference Rate is prohibited or becomes subject to restrictions or adverse consequences or the calculation becomes unlawful (as applicable);
- (c) in the case of paragraph (e) of the definition of "Permanent Discontinuation Trigger", the first date on which the Applicable Reference Rate would ordinarily have been published or provided but is Non-Representative by reference to the most recent statement or publication contemplated in that paragraph and even if such Applicable Reference Rates continues to be published or provided on such date; or
- (d) in the case of paragraph (f) of the definition of "Permanent Discontinuation Trigger", the date that event occurs;

"Publication Time" means:

- (a) in respect of BBSW, 12.00 noon (Sydney time) or any amended publication time for the final intraday refix of such rate specified by the Administrator for BBSW in its benchmark methodology; and
- (b) in respect of AONIA, 4.00 pm (Sydney time) or any amended publication time for the final intraday refix of such rate specified by the Administrator for AONIA in its benchmark methodology;

"RBA Recommended Fallback Rate" means, for an Interest Accrual Period and in respect of an Interest Determination Date, the rate determined by the Calculation Agent to be the RBA Recommended Rate for that Interest Accrual Period and Interest Determination Date;

"RBA Recommended Rate" means, in respect of any relevant day (including any Sydney Business Day "i"), the rate (inclusive of any spreads or adjustments) recommended as the replacement for AONIA by the Reserve Bank of Australia (which rate may be produced by the Reserve Bank of Australia or another administrator) and as provided by the

Administrator of that rate or, if that rate is not provided by the Administrator thereof, published by an authorised distributor in respect of that day;

"Supervisor" means, in respect of an Applicable Reference Rate, the supervisor or competent authority that is responsible for supervising that Applicable Reference Rate or the Administrator of that Applicable Reference Rate, or any committee officially endorsed or convened by any such supervisor or competent authority that is responsible for supervising that Applicable Reference Rate or the Administrator of that Applicable Reference Rate;

"Supervisor Recommended Rate" means the rate formally recommended for use as the temporary replacement for BBSW by the Supervisor of BBSW; and

"Temporary Disruption Trigger" means, in respect of any Applicable Reference Rate which is required for any determination:

- (a) the Applicable Reference Rate has not been published by the applicable Administrator or an authorised distributor and is not otherwise provided by the Administrator, in respect of, on, for or by the time and date on which that Applicable Reference Rate is required; or
- (b) the Applicable Reference Rate is published or provided but the Company in consultation with the Calculation Agent determines that there is an obvious or proven error in that rate.

(C) Linear Interpolation

Where Linear Interpolation is specified in the Final Terms as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified in the Final Terms as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified in the Final Terms as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

"Applicable Maturity" means (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate and (b) in relation to ISDA Determination, the Designated Maturity.

(d) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the due date for redemption, the Rate of Interest for any

overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield specified in the Final Terms.

(e) *Accrual of Interest*

Interest (if any) shall cease to accrue on each Note (or in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless (upon due presentation thereof where presentation is required), payment of principal is improperly withheld or refused or unless default is otherwise made in respect of payment, in which event, interest shall continue to accrue or, in the case of Zero Coupon Notes, shall accrue (in each case, both before and after judgment) at the Rate of Interest in the manner provided in this Condition 4 to (but excluding) the Relevant Date (as defined in Condition 8).

(f) *Margin, Maximum Rate of Interest, Minimum Rates of Interest, Redemption Amounts and Rounding*

- (i) If any Margin is specified in the Final Terms (either (A) generally, (B) in relation to one or more Interest Accrual Periods or (C) in relation to one or more Reset Periods), an adjustment shall, unless the relevant Margin has already been taken into account in determining such Rate of Interest, be made to all Rates of Interest, in the case of (A), or the Rates of Interest for the specified Interest Accrual Periods or Reset Periods, in the case of (B) or (C), calculated, in each case, in accordance with this Condition 4 by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin subject always (in the case of Floating Rate Notes only) to the next paragraph.
- (ii) If any Maximum Rate of Interest or Minimum Rate of Interest or Redemption Amount is specified in the Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be. Further, unless otherwise stated in the Final Terms, the Minimum Rate of Interest shall be deemed to be zero.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (A) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (B) all figures shall be rounded to seven significant figures (with halves being rounded up) and (C) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(g) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified in the Final Terms and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be applied to the period for which interest is required to be calculated.

(h) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The Calculation Agent shall as soon as practicable on each Interest Determination Date, Reset Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period (or, if determining the First Reset Rate of Interest or a Subsequent Reset Rate of Interest in respect of Fixed Rate Reset Notes, the Interest Amount for each Interest Accrual Period falling within the relevant Reset Period) calculate the Final Redemption Amount(s), Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount(s), Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Company, each of the Paying Agents, the Registrar, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange or admitted to listing by another relevant authority and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(i), the Interest Amounts, the Rate of Interest and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and repayable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall, subject in the case of the Compounded Daily Reference Rate and Weighted Average Reference Rate to Condition 4(c)(ii)(B), nevertheless continue to be calculated as previously in accordance with this Condition 4 but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding on all parties.

(i) *Business Day Convention*

If any date that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is:

- (i) the "Floating Rate Business Day Convention", for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen;
- (ii) the "Following Business Day Convention (Adjusted)", for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day;
- (iii) the "Following Business Day Convention (Unadjusted)", (a) for the purposes of calculating any amount of interest payable under the Notes, such date shall not be adjusted; and (b) for any other purpose, such date shall be postponed to the next day that is a Business Day;

- (iv) the "Modified Following Business Day Convention (Adjusted)", for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day; or
- (v) the "Modified Following Business Day Convention (Unadjusted)", (a) for the purposes of calculating any amount of interest payable under the Notes, such date shall not be adjusted; and (b) for any other purpose, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day;
- (vi) the "Preceding Business Day Convention (Adjusted)", for all purposes (including interest accrual purposes), such date shall be brought forward to the immediately preceding Business Day; and
- (vii) the "Preceding Business Day Convention (Unadjusted)", (a) for the purposes of calculating any amount of interest payable under the Notes, such date shall not be adjusted; and (b) for any other purpose, such date shall be brought forward to the immediately preceding Business Day.

(j) *Benchmark discontinuation*

This Condition 4(j) does not apply in the case of Notes where "Applicable – Overnight Rate" or "Applicable – BBSW" is specified in the applicable Final Terms as the method of Screen Rate Determination and the Reference Rate is SARON, TONA, CORRA or BBSW.

- A. Subject to Condition 4(j)B below and notwithstanding the provisions above in Conditions 4(b) or 4(c), if a Benchmark Event occurs in relation to an Original Reference Rate when any required Rate of Interest (or any component part thereof), remains to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 4(j)A shall apply.

(i) *Independent Adviser*

The Company shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, to advise the Company in determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(j)A(ii)) and, in either case, an Adjustment Spread (in accordance with Condition 4(j)A(iii)) and any Benchmark Amendments (in accordance with Condition 4(j)A(iv)).

(ii) *Successor Rate or Alternative Rate*

If the Company, following consultation with the Independent Adviser, determines that:

- (A) there is a Successor Rate, then such Successor Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(j)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate and the applicable Adjustment Spread shall subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(j)).

(iii) *Adjustment Spread*

The applicable Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iv) *Benchmark Amendments*

If any Successor Rate or Alternative Rate and, in either case, the applicable Adjustment Spread is determined in accordance with this Condition 4(j)A and the Company, following consultation with the Independent Adviser, determines (A) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and/or (in either case) the applicable Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (B) the terms of the Benchmark Amendments, then the Company shall, subject to giving notice thereof in accordance with Condition 4(j)C, without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Company, but subject to receipt by the Trustee of a certificate signed by two authorised signatories of the Company pursuant to Condition 4(j)C, the Trustee shall (at the expense of the Company), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Company in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed or an agreement supplemental to or amending the Trust Deed and/or the Agency Agreement (as applicable)) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

In connection with any such variation in accordance with this Condition 4(j)A (iv), the Company shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(j)A, no Successor Rate or Alternative Rate will be adopted, nor will the applicable Adjustment Spread be applied, nor will any other amendment to the terms and conditions of any Series of Notes be made to effect the Benchmark Amendments, if and to the extent that, in the determination of the Company, the same could reasonably be expected to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations.

- B. Notwithstanding the provisions above in Conditions 4(b) or 4(c), if the Original Reference Rate is SOFR and unless "Benchmark Transition Event" is specified as being not applicable in the Final Terms, when any required Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions of this Condition 4(j)B shall apply instead of the application of Condition 4(j)A above.

If the Company determines on or prior to the Relevant Time on the relevant Interest Determination Date that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the Original Reference Rate, the Benchmark Replacement will replace such Original

Reference Rate for all purposes relating to the Notes in respect of all determinations on such date and for all determinations on all subsequent dates (subject to any subsequent application of this Condition 4(j)B with respect to such Benchmark Replacement).

Where this Condition 4(j)B applies, if the Company considers it may be necessary to make Benchmark Replacement Conforming Changes, the Company shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, to advise the Company in determining (A) whether such Benchmark Replacement Conforming Changes are necessary and (B) the terms of the Benchmark Replacement Conforming Changes and the Company shall, subject to giving notice thereof in accordance with Condition 4(j)C, without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Replacement Conforming Changes with effect from the date specified in such notice.

At the request of the Company, but subject to receipt by the Trustee of a certificate signed by two authorised signatories of the Company pursuant to Condition 4(j)C, the Trustee shall (at the expense of the Company), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Company in effecting any Benchmark Replacement Conforming Changes (including, *inter alia*, by the execution of a deed or an agreement supplemental to or amending the Trust Deed and/or the Agency Agreement (as applicable)) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

In connection with any such variation in accordance with this Condition 4(j)B, the Company shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(j)B, no rate determined in accordance with this Condition 4(j)B will be adopted, nor will any other amendment to the terms and conditions of any Series of Notes be made to effect the Benchmark Replacement Conforming Changes, if and to the extent that, in the determination of the Company, the same could reasonably be expected to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations.

For the purposes of this Condition 4:

"Benchmark Replacement" means the first alternative set forth in the order below that can be determined by the Company as of the Benchmark Replacement Date:

- (A) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the Original Reference Rate for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment;
- (B) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment;
or
- (C) the sum of: (a) the alternate rate of interest that has been selected by the Company as the replacement for the Original Reference Rate for the applicable Corresponding Tenor giving due consideration to any industry-accepted rate of interest as a replacement for

the then-current benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

"Benchmark Replacement Adjustment" means the first alternative set forth in the order below that can be determined by the Company as of the Benchmark Replacement Date:

- (A) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (B) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, the ISDA Fallback Adjustment; or
- (C) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Company giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time.

"Benchmark Replacement Conforming Changes" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to any interest period, interest accrual period, the timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Company (in consultation with the Independent Adviser) decides may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Company decides that adoption of any portion of such market practice is not administratively feasible or if the Company determines that no market practice for use of the Benchmark Replacement exists, in such other manner as the Company (in consultation with the Independent Adviser) determines is reasonably necessary).

"Benchmark Replacement Date" means the earliest to occur of the following events with respect to the Original Reference Rate (including the daily published component used in the calculation thereof):

- (A) in the case of clause (A) or (B) of the definition of "Benchmark Transition Event," the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the Original Reference Rate permanently or indefinitely ceases to provide the Original Reference Rate (or such component); or
- (B) in the case of clause (C) of the definition of "Benchmark Transition Event," the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event that gives rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Relevant Time on the relevant Interest Determination Date, the Benchmark Replacement Date will be deemed to have occurred prior to the Relevant Time for such determination.

"Benchmark Transition Event" means the occurrence of one or more of the following events with respect to the Original Reference Rate (including the daily published component used in the calculation thereof):

- (A) a public statement or publication of information by or on behalf of the administrator of the Original Reference Rate (or such component) announcing that such administrator has ceased or will cease to provide the Original Reference Rate (or such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Original Reference Rate (or such component); or
- (B) a public statement or publication of information by the regulatory supervisor for the administrator of the Original Reference Rate (or such component), the central bank for the currency of the Original Reference Rate (or such component), an insolvency official with jurisdiction over the administrator for the Original Reference Rate (or such component), a resolution authority with jurisdiction over the administrator for the Original Reference Rate (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Original Reference Rate, which states that the administrator of the Original Reference Rate (or such component) has ceased or will cease to provide the Original Reference Rate (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Original Reference Rate (or such component); or
- (C) a public statement or publication of information by the regulatory supervisor for the administrator of the Original Reference Rate announcing that the Original Reference Rate is no longer representative.

"Corresponding Tenor" means with respect to a Benchmark Replacement, a tenor (including overnight) having approximately the same length (disregarding business day adjustment) as the applicable tenor for the Original Reference Rate.

"ISDA Fallback Adjustment" means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Original Reference Rate.

"ISDA Fallback Rate" means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Original Reference Rate for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

"Relevant Governmental Body" means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

"Unadjusted Benchmark Replacement" means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

C. Notices, etc.

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments or Benchmark Replacement Conforming Changes, determined under this Condition 4(j) will be notified promptly by the Company to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 15, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments and Benchmark Replacement Conforming Changes, if any.

No later than notifying the Trustee of the same, the Company shall deliver to the Trustee a certificate signed by two authorised signatories of the Company:

- (A) where a Benchmark Event in relation to an Original Reference Rate has occurred in accordance with Condition 4(j)A above:
 - (I) confirming (i) that a Benchmark Event has occurred, (ii) the Successor Rate or, as the case may be, the Alternative Rate, (iii) the Adjustment Spread and (iv) the specific terms of the Benchmark Amendments (if any), in each case as determined in accordance with the provisions of this Condition 4(j);
 - (II) certifying that the Benchmark Amendments (if any) are necessary to ensure the proper operation of such Successor Rate or Alternative Rate and (in either case) the applicable Adjustment Spread; and
 - (III) certifying that (i) the Company has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Company has not done so; or
- (B) where a Benchmark Replacement is determined in accordance with Condition 4(j)B above:
 - (I) confirming (i) that a Benchmark Transition Event has occurred, (ii) the Benchmark Replacement determined in accordance with Condition 4(j)B, specifying (1) the applicable Reference Rate for such purposes (whether the alternate rate selected or recommended by the Relevant Governmental Body, the ISDA Fallback Rate or an alternate rate selected by the Company) and (2) the applicable Benchmark Replacement Adjustment (if any), and (iii) the specific terms of the Benchmark Replacement Conforming Changes (if any);
 - (II) certifying that the Benchmark Replacement Conforming Changes (if any) are necessary to ensure the proper operation of such Benchmark Replacement; and
 - (III) certifying that (i) the Company has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Company has not done so.

The Trustee shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) or, as the case may be, the Benchmark Replacement (including any Benchmark Replacement Adjustment, if applicable) and the Benchmark Replacement Conforming Changes (if any) specified in such certificate will (in the absence of manifest error in the determination thereof and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Company, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

- D. Without prejudice to the obligations of the Company under Condition 4(j)A or Condition 4(j)B, the Original Reference Rate and the fallback provisions provided for in Condition 4(b), Condition 4(c)(ii)(A), or Condition 4(c)(ii)(B), as applicable, will continue to apply unless and until the Calculation Agent has been notified of (i) the Successor Rate or the Alternative Rate (as the case may be), and the Adjustment Spread and Benchmark Amendments (if any) determined in accordance with Condition 4(j)A or (ii) the Benchmark Replacement (including any Benchmark Replacement Adjustment, if applicable) and Benchmark Replacement Conforming Changes (if any) determined in accordance with Condition 4(j)B, in each case in accordance with Condition 4(j)C.

An Independent Adviser appointed pursuant to this Condition 4(j) shall act in good faith as an expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Trustee, the Calculation Agent, the Paying Agents, or the Noteholders for any advice given to the Company in connection with any determination made by the Company, pursuant to this Condition 4(j).

In making any determination pursuant to this Condition 4(j), the Company shall act in good faith and, in the absence of bad faith or fraud, the Company shall have no liability whatsoever to the Trustee, the Calculation Agent, the Paying Agents, or the Noteholders for any such determination made by it.

(k) *Additional provisions relating to SARON*

(i) If SARON is not published on the SIX Group's Website at the Specified Time on a relevant Business Day and a SARON Index Cessation Event and a SARON Index Cessation Effective Date have both occurred at or prior to the Specified Time on such Business Day (such event, the "**SARON Benchmark Event**"), then, in respect of such Business Day and (subject to the further operation of this Condition 4(k), if applicable) each Business Day thereafter, SARON will be replaced with:

(x) if there is a Recommended Replacement Rate within one Business Day of the SARON Index Cessation Effective Date, the Recommended Replacement Rate for such Business Day, giving effect to the Recommended Adjustment Spread, if any, published on such Business Day; or

(y) if there is no Recommended Replacement Rate within one Business Day of the SARON Index Cessation Effective Date, the policy rate of the Swiss National Bank (the "**SNB Policy Rate**") for such Business Day, giving effect to the SNB Adjustment Spread, if any.

Notwithstanding the above, if the SNB Policy Rate for any Business Day with respect to which SARON is to be determined pursuant to paragraph (i)(y) above has not been published on such Business Day, then in respect of such Business Day (the "**Affected Business Day**") and each Business Day thereafter, SARON will be replaced by the Replacement Rate, if any, determined in accordance with Condition 4(k)(iii) for purposes of determining the Rate of Interest.

(ii) If the Calculation Agent (A) is required to use a Recommended Replacement Rate or the SNB Policy Rate pursuant to paragraphs (i)(x) or (i)(y) above for purposes of determining SARON for any Business Day, and (B) determines that any changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, Observation Period, SARON, SARON Administrator, SIX Group's Website or Specified Time are necessary in order to use such Recommended Replacement Rate (and any Recommended Adjustment Spread) or the SNB Policy Rate (and any SNB Adjustment Spread), as the case may be, for such purposes, such definitions will be amended as contemplated in Condition 12(b) to reflect such changes, and the Company shall give notice as soon as practicable to the Trustee, the Calculation Agent, the Issuing and Paying Agent, the other Paying Agents and, in accordance with Condition 15, the Noteholders, specifying the Recommended Replacement Rate and any Recommended Adjustment Spread or, as the case may be, indicating that the SNB Policy Rate will be used and specifying any SNB Adjustment Spread, as applicable, and the amendments implemented pursuant to Condition 12(b).

- (iii) Unless the Company has elected to redeem the Notes in accordance with Condition 5, the Company will appoint a "**Replacement Rate Agent**" on or prior to the first relevant Business Day (a) with respect to which SARON is to be determined pursuant to paragraph (i)(y) above and (b) for which the SNB Policy Rate has not been published thereon. Business Day thereafter, the TONA rate for a TONA Fixing Day occurring on or after the TONA Index Cessation Effective Date will be the JPY Recommended Rate, and "r" shall be interpreted accordingly.

(ii) If there is a JPY Recommended Rate before the end of the first Business Day following the TONA Index Cessation Effective Date but neither the administrator nor authorised distributors provide or publish the JPY Recommended Rate, then, subject to the below, in respect of any day for which the JPY Recommended Rate is required, references to the JPY Recommended Rate will be deemed to be references to the last provided or published JPY Recommended Rate. However, if there is no last provided or published JPY Recommended Rate, then in respect of any day for which the JPY Recommended Rate is required, references to the JPY Recommended Rate will be deemed to be references to the last provided or published TONA, and "r" shall be interpreted accordingly.

(iii) If there is:

(x) no JPY Recommended Rate before the end of the first Business Day following the TONA Index Cessation Effective Date; or

then the TONA rate for a TONA Fixing Day occurring on or after the TONA Index Cessation Effective Date or a JPY Recommended Rate Fixing Day occurring on or after the JPY Recommended Rate Index Cessation Effective Date (as applicable) will be an alternative for TONA or the JPY Recommended Rate (as applicable) determined by the Replacement Rate Agent (as defined below) acting in good faith, taking into account any rate implemented by central counterparties and/or futures exchanges, in each case with trading volumes in derivatives or futures referencing TONA or the JPY Recommended Rate (as applicable) that the Replacement Rate Agent considers sufficient for that rate to be a representative alternative rate (the "**JPY Alternative Rate**"), and "r" shall be interpreted accordingly.

(iv) If the Calculation Agent (A) is required to use the JPY Recommended Rate or the JPY Alternative Rate pursuant to paragraphs (ii) or (iii) above for purposes of determining TONA for any Business Day, and (B) determines that any changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, Observation Period, TONA, TONA rate or Bank of Japan are necessary in order to use such JPY Recommended Rate or the JPY Alternative Rate, as the case may be, for such purposes, such definitions will be amended as contemplated in Condition 12(b) to reflect such changes, and the Company shall give notice as soon as practicable to the Trustee, the Calculation Agent, the Issuing and Paying Agent, the other Paying Agents and, in accordance with Condition 15, the Noteholders, specifying the JPY Recommended Rate or, as the case may be, indicating that the JPY Alternative Rate will be used, and the amendments implemented pursuant to Condition 12(b).

 - (y) if there is no Recommended CAD Replacement Rate within one Business Day of the CORRA Index Cessation Effective Date, the target rate of the BoC (the "**BoC Target Rate**") for such Business Day, giving effect to the BoC Target Rate Adjustment Spread, if any.

Notwithstanding the above, if the BoC Target Rate for any Business Day with respect to which CORRA is to be determined pursuant to paragraph (i)(y) above has not been published on such Business Day, then in respect of such Business Day (the "**CAD Affected Business Day**") and each Business Day thereafter, CORRA will be replaced by the Replacement CAD Rate, if any, determined in accordance with Condition 4(m)(iv) for purposes of determining the Rate of Interest.

- (ii) If the Calculation Agent (A) is required to use a Recommended CAD Replacement Rate or the BoC Target Rate pursuant to paragraphs (i)(x) or (i)(y) above for purposes of determining CORRA for any Business Day, and (B) determines that any changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, Observation Period, CORRA, CORRA Administrator or BoC Website are necessary in order to use such Recommended CAD Replacement Rate (and any Recommended CAD Adjustment Spread) or the BoC Target Rate (and any BoC Adjustment Spread), as the case may be, for such purposes, such definitions will be amended as contemplated in Condition 12(b) to reflect such changes, and the Company shall give notice as soon as practicable to the Trustee, the Calculation Agent, the Issuing and Paying Agent, the other Paying Agents and, in accordance with Condition 15, the Noteholders, specifying the Recommended CAD Replacement Rate and any Recommended CAD Adjustment Spread or, as the case may be, indicating that the BoC Target Rate will be used and specifying any BoC Adjustment Spread, as applicable, and the amendments implemented pursuant to Condition 12(b).
- (iii) Unless the Company has elected to redeem the Notes in accordance with Condition 5, the Company will appoint a "**Replacement Rate Agent**" on or prior to the first relevant Business Day (a) with respect to which CORRA is to be determined pursuant to paragraph (i)(y) above and (b) for which the BoC Target Rate has not been published thereon. The Company may appoint an affiliate of the Company or any other person as Replacement Rate Agent, so long as such affiliate or other person is a leading financial institution that is experienced in the

calculations or determinations to be made by the Replacement Rate Agent. The Company will notify the Noteholders of any such appointment in accordance with Condition 15.

- (iv) If the conditions set out in the last paragraph of Clause 4(m)(i) above have been satisfied, then the Replacement Rate Agent will determine whether to use an alternative rate to CORRA for the CAD Affected Business Day and for all subsequent Business Days in the Observation Period in which the CAD Affected Business Day falls (the "**Affected CORRA Observation Period**") and all Observation Periods thereafter. If the Replacement Rate Agent determines to use an alternative rate pursuant to the immediately preceding sentence, it shall select such rate that it has determined is most comparable to the Canadian Overnight Repo Rate Average (the "**CORRA Existing Rate**"), provided that if it determines that there is an appropriate industry-accepted successor rate to the CORRA Existing Rate, it shall use such industry-accepted successor rate.  - (c) if the Replacement Rate Agent determines that changes to the definitions of Business Day Convention, Day Count Fraction, Interest Determination Date, Interest Payment Date, Interest Accrual Period, CORRA, Observation Period, CORRA Administrator or BoC Website are necessary in order to implement the Replacement CAD Rate as CORRA, such definitions will be amended as contemplated in Condition 12(b) to reflect such changes; and
 - (d) the Company shall give notice as soon as practicable to the Trustee, the Calculation Agent, the Issuing and Paying Agent, the other Paying Agents and, in accordance with Condition 15, the Noteholders, specifying the Replacement CAD Rate and, if applicable, any adjustment factor relating thereto, as well as the details described in paragraph (a) above, and the amendments implemented pursuant to Condition 12(b).

"Reference Bond Rate" means, with respect to any Reference Bond and any Reference Date, the rate per annum equal to the yield to maturity or interpolated yield to maturity (on the relevant day count basis) of such Reference Bond, assuming a price for the Reference Bond (expressed as a percentage of its nominal amount) equal to the Reference Bond Price for such Reference Date.

"Relevant Make Whole Screen Page" means the page, section or other part of a particular information service (or any successor or replacement page, section or other part of a particular information service, including, without limitation, Bloomberg) specified as the Relevant Make Whole Screen Page in the

"Remaining Term" means the term to maturity or, if a Par Redemption Date is specified in the applicable Final Terms, the term to such Par Redemption Date, if the relevant redemption date of the Notes falls before such Par Redemption Date.

(g) Company Residual Call:

If "Company Residual Call" is specified in the relevant Final Terms as being applicable, and if, at any time (or in the case of Dated Subordinated Notes, at any time from the fifth anniversary of issuance of the last Tranche of such Notes, unless otherwise permitted by the Relevant Regulator) (other than as a direct result of a redemption of some, but not all, of the Notes at the Make Whole Redemption Price at the Company's option pursuant to Condition 5(f), if applicable), the outstanding aggregate nominal amount of the Notes is the Relevant Percentage or less of the aggregate nominal amount of the Notes originally issued (and, for these purposes, any further Notes issued pursuant to Condition 14 and consolidated with the Notes as part of the same Series shall be deemed to have been originally issued), subject to Condition 6(k) below, the Company may redeem all (but not some only) of the remaining outstanding Notes on any date (or, if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable, on any Interest Payment Date) upon giving not less than 15 nor more than 60 days' notice to the Noteholders (or such other notice period as may be specified in the applicable Final Terms) (which notice shall specify the date for redemption and shall be irrevocable), at the Optional Redemption Amount (Residual Call) together with (if applicable) any accrued but unpaid interest up to (but excluding) the date of redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5(g), the Company shall deliver to the Trustee a certificate signed by two authorised signatories of the Company stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the outstanding aggregate nominal amount of the Notes is the Relevant Percentage or less of the aggregate nominal amount of the Notes originally issued. The Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the circumstances set out above and without further enquiry or liability for so doing, in which event it shall be conclusive and binding on the Noteholders.

"Optional Redemption Amount (Residual Call)" means, in respect of any Note, such amount as may be specified as such in the applicable Final Terms or, if no such amount is so specified, its nominal amount.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered

Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Company.

(i) *Purchases*

Subject to Condition 5(k) in the case of Dated Subordinated Notes, the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company may, but is not obliged to, purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Any Notes so purchased or otherwise acquired may, at the Company's discretion, be held or resold or surrendered for cancellation.

(j) *Cancellation*

All Notes purchased by or on behalf of the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Company, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Company in respect of any such Notes shall be discharged.

(k) *Conditions to Redemption and Purchase*

Any redemption or purchase of Dated Subordinated Notes in accordance with Conditions 5(c), (d), (f), (g), (h) or (i) is subject to:

- (A) the Company giving notice to the Relevant Regulator and the Relevant Regulator granting permission to the Company to redeem or purchase the relevant Dated Subordinated Notes;
- (B) in respect of any redemption of the relevant Dated Subordinated Notes proposed to be made prior to the fifth anniversary of the Issue Date, if and to the extent then required under the relevant Regulatory Capital Requirements (a) in the case of redemption following the occurrence of a Tax Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change or event is material and was not reasonably foreseeable by the Company as at the Issue Date or (b) in the case of redemption following the occurrence of a Capital Disqualification Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date and the Relevant Regulator considering such change to be sufficiently certain;
- (C) if and to the extent then required under the prevailing Regulatory Capital Requirements (a) on or before the relevant redemption or purchase date, the Company replacing the Dated Subordinated Notes with instruments qualifying as own funds of equal or higher quality on terms that are sustainable for the income capacity of the Company or, save in the case of a purchase complying with Condition 5(k)(D) below, (b) the Company demonstrating to the satisfaction of the Relevant Regulator that its own funds and eligible liabilities would, following such redemption or purchase, exceed its minimum applicable requirements (including any applicable buffer requirements) by a margin that the Relevant Regulator considers necessary at such time; and

- (D) in respect of any purchase of the relevant Dated Subordinated Notes proposed to be made prior to the fifth anniversary of the Issue Date, either (a) the Company having, before or at the same time as such purchase, replaced the relevant Dated Subordinated Notes with instruments qualifying as own funds of equal or higher quality on terms that are sustainable for the income capacity of the Company, and the Relevant Regulator having permitted such action on the basis of the determination that it would be beneficial from a prudential point of view and justified by exceptional circumstances or (b) the relevant Dated Subordinated Notes are being purchased for market-making purposes in accordance with applicable Regulatory Capital Requirements.

Notwithstanding the above conditions, if, at the time of any redemption or purchase, the prevailing Regulatory Capital Requirements permit the repayment or purchase only after compliance with one or more alternative or additional pre-conditions to those set out above in this Condition 5(k), the Company shall comply with such other and/or, as appropriate, additional pre-condition(s).

In these Conditions, "**Regulatory Capital Requirements**" means any applicable minimum capital or capital requirement specified for banks or financial groups by the Relevant Regulator.

Any redemption or purchase of Senior Notes in accordance with this Condition 5 (other than redemption on the relevant Maturity Date) is subject to, if and to the extent then required by the Relevant Regulator or the Loss Absorption Regulations, the Company giving notice to the Relevant Regulator and the Relevant Regulator granting permission to the Company to redeem or purchase the relevant Senior Notes.

Any refusal by the Relevant Regulator to give its permission as contemplated above shall not constitute a default for any purpose.

Prior to the publication of any notice of redemption pursuant to this Condition 5 (other than redemption on the relevant Maturity Date), the Company shall deliver to the Trustee a certificate signed by two Directors of the Company, in a form satisfactory to the Trustee, certifying that the relevant requirement or circumstance giving rise to the right to redeem is satisfied, including (in the case of a Tax Event or a Capital Disqualification Event or a Loss Absorption Disqualification Event (as applicable)) that a Tax Event (as defined in Condition 5(c) above) or a Capital Disqualification Event (as defined in Condition 5(d) above) or a Loss Absorption Disqualification Event (as defined in Condition 5(e) above) (as applicable) exists. The Trustee may accept such certificate without any further inquiry as sufficient evidence of the existence of the circumstances required to be established in which event it shall be conclusive and binding on the Company, the Trustee, the Noteholders and the Couponholders and the Trustee will not be responsible for any loss that maybe occasioned by the Trustee's acting or relying on such certificate.

6 Payments and Talons

(a) *Bearer Notes*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (and, in the case of interest, as specified in Condition 6(f)(v)) or Coupons (in the case of interest, save as specified in Condition 6(f)(ii)), as the case may be:

- (i) in the case of a currency other than euro or Renminbi, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a bank in the principal financial centre for such currency;

- (ii) in the case of euro, at the specified office of any Paying Agent outside the United States by a cheque payable in euro drawn on, or, at the option of the holder, by transfer to an account denominated in euro with, a bank in a city in which banks have access to T2; and
- (iii) in the case of Renminbi, by transfer to a Renminbi account maintained by or on behalf of the Noteholder with a bank in Hong Kong.

(b) *Registered Notes*

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made:

Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in Condition 6(a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of such currency; and

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Company shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Company, any adverse tax consequence to the Company.

(d) *Payments subject to Fiscal Laws*

Save as provided in Condition 8, payments will be subject in all cases to any other applicable fiscal or other laws and regulations in the place of payment or other laws and regulations to which the Company or its respective Agents agree to be subject and the Company will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations or agreements.

No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. The Company reserves the right to require a Noteholder or Couponholder to provide a Paying Agent, the Registrar or a Transfer Agent with such certification or information as may be required to enable the Company to comply with the requirements of the United States federal income tax laws or any agreement between the Company and any taxing authority.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the other Paying Agents, the Registrar and the Transfer Agents initially appointed by the Company and their respective specified offices are listed below. Subject as provided in the Trust Deed and the Agency Agreement, the Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Company and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Company reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Company shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes which may be the Registrar, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Paying Agent having a specified office in Europe, which, so long as the Notes are listed on the official list (the "**Official List**") of the Financial Conduct Authority acting under Part VI of the Financial Services and Markets Act 2000 and are admitted to trading on the London Stock Exchange plc's Main Market, shall be in London and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case as approved by the Trustee. In addition, the Company shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders by the Company in accordance with Condition 15.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than any Fixed Rate Notes where the total value of the unmatured coupons appertaining thereto exceeds the nominal amount of such Note), such Notes should be surrendered for payment together with all unmatured Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount(s), Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note or (where the total value of the unmatured coupons exceeds the nominal amount of such Note) a Fixed Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Company may require.

- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days*

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this Condition 6(h) and in Condition 6(i) below, "**business day**" means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" in the Final Terms and:

- (i) (in the case of a payment in a currency other than euro or Renminbi) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in Renminbi) on which commercial banks and foreign exchange markets in Hong Kong are open for business and settlement of Renminbi payments; or
- (iii) (in the case of a payment in euro) which is a T2 Business Day.

(i) *Payment of Alternative Currency Equivalent*

Where Alternative Currency Equivalent is specified in the applicable Final Terms as being applicable to a Series of Notes, if (following a written request from the Company that the Alternative Currency Adjudication Agent makes a determination pursuant to this Condition 6(i)), by reason of a Scheduled Payment Currency Disruption Event, it would, in the opinion of the Alternative Currency Adjudication Agent, be commercially impracticable for the Company to satisfy any payment obligation in respect of the Notes when due in the Scheduled Payment Currency, then the Company may take the action described in paragraph (a), (b), (c) or (d) below:

- (a) determine that the relevant payment of the Company in respect of the Notes be postponed to a date which falls after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist (in the determination of the Alternative Currency Adjudication Agent) provided that such postponement does not exceed the number of Business Days (such number, the "**Maximum Days of Postponement**") specified in the applicable Final Terms, or, if that would not be commercially reasonable, as soon as commercially reasonable thereafter, in which case the relevant payment will be due on the date as so postponed, without any interest or other sum payable in respect of the postponement of the payment of such amount;

- (b) determine that the Company's obligation to make any payment in respect of the Notes in the Scheduled Payment Currency be replaced by an obligation to make payment of the Alternative Currency Equivalent of such payment, in which case, it will settle any such obligation by payment of the relevant Alternative Currency Equivalent on the due date for payment;
- (c) determine that the relevant payment in respect of the Notes be postponed to a date which falls after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist (in the determination of the Alternative Currency Adjudication Agent) provided that such postponement does not exceed the Maximum Days of Postponement after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist, or, if, in the determination of the Alternative Currency Adjudication Agent, that would not be commercially reasonable, as soon as commercially reasonable thereafter (such postponed payment date, the "**Postponed Payment Date**"), and that the Company's obligation to make payment in respect of the Notes in the Scheduled Payment Currency be replaced by an obligation to make payment of the Alternative Currency Equivalent, in which case, it will settle any such obligation by payment of the relevant Alternative Currency Equivalent on the Postponed Payment Date, without any interest or other sum payable in respect of the postponement of the payment of such amount; or
- (d) give notice to the Noteholders in accordance with Condition 15 and redeem all, but not some only, of the Notes on a date selected by the Company, by payment of the Alternative Currency Equivalent of, or, if so specified in such notice, an amount in the Scheduled Payment Currency equal to, the Early Redemption Amount. Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 15.

Any payment made in the Alternative Currency under such circumstances will constitute valid payment, and will not constitute a default in respect of the Notes.

Upon the occurrence of a Scheduled Payment Currency Disruption Event and the Alternative Currency Adjudication Agent making a determination that, by reason of such Scheduled Payment Currency Disruption Event, it would, in the opinion of the Alternative Currency Adjudication Agent, be commercially impracticable for the Company to satisfy its payment obligations in respect of the Notes when due in the Scheduled Payment Currency, the Company shall give notice as soon as practicable to Noteholders in accordance with Condition 15 stating the occurrence of the Scheduled Payment Currency Disruption Event, giving details thereof and the action proposed to be taken in relation thereto.

In making any determination in respect of any Scheduled Payment Currency Disruption Event, neither the Company nor the Alternative Currency Adjudication Agent shall have regard to any interests arising from circumstances particular to individual Noteholders (whatever their number), and, in particular, but without limitation, shall not have regard to the consequences of any such determination for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and no Noteholder shall be entitled to claim from the Company, the Alternative Currency Adjudication Agent or any other person any indemnification or payment in respect of any tax consequences of any such determination upon individual Noteholders.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6(i) by the Company or the Alternative Currency Calculation Agent will (in the absence of wilful default, bad faith or manifest error) be binding on the Company, the Agents and all Noteholders.

"USD Spot Rate" means, for a Rate Calculation Date, the spot exchange rate for the purchase of the Alternative Currency with U.S. dollars in accordance with the USD Settlement Rate Option specified, provided that if such USD Spot Rate is not available, then the Alternative Currency Calculation Agent will determine the USD Spot Rate (or a method for determining the USD Spot Rate), taking into consideration all available information that it deems relevant.

7 Substitution or Variation following a Tax Event, Capital Disqualification Event or Loss Absorption Disqualification Event, as applicable

Where 'Substitution or Variation' is specified in the Final Terms as being applicable and the Company has satisfied the Trustee that a Tax Event (as defined in Condition 5(c)), a Capital Disqualification Event (as defined in Condition 5(d)) or a Loss Absorption Disqualification Event (as defined in Condition 5(e)), as applicable, has occurred and is continuing, then the Company may, subject to the other provisions of this Condition 7 (without any requirement for the consent or approval of the Noteholders or the Trustee (subject to the notice requirements below)) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become, Compliant Securities. Upon the expiry of the notice required by this Condition 7, the Company shall either vary the terms of, or substitute, the Notes in accordance with this Condition 7, as the case may be and, subject as set out below, the Trustee shall agree to such substitution or variation.

In connection with any substitution or variation in accordance with this Condition 7, the Company shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this Condition 7 is subject to the Company (i) obtaining the permission therefor from the Relevant Regulator, provided that at the relevant time such permission is required to be given; and (ii) giving not less than 30 nor more than 60 calendar days' notice to the Noteholders and the Couponholders (which notice shall be irrevocable), the Trustee and the Paying Agents, in accordance with Condition 15, which notice shall be irrevocable.

Any substitution or variation in accordance with this Condition 7 does not otherwise give the Company an option to redeem the relevant Notes under the Conditions.

Prior to the publication of any notice of substitution or variation pursuant to this Condition 7, the Company shall deliver to the Trustee a certificate signed by two authorised signatories of the Company stating that the circumstances giving rise to the right to substitute or vary have occurred and are continuing as at the date of the certificate and the Trustee shall accept such certificate without any further inquiry as sufficient evidence of the occurrence of a Tax Event, Capital Disqualification Event or Loss Absorption Disqualification Event, as the case may be, in which event it shall be conclusive and binding on the Trustee, the Couponholders and the Noteholders.

The Trustee shall concur in the substitution of the Notes for, or the variation of the terms of the relevant Notes so that they remain or become, Compliant Securities, provided that the Trustee shall not be obliged to concur in any such substitution or variation if the terms of the proposed alternative Compliant Securities or the concurring in such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

The Trustee may rely without liability to Noteholders or Couponholders on a report, confirmation, certificate or any advice of any accountants, financial advisers, financial institutions or any other experts, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate or advice and such report, confirmation, certificate or advice shall be binding on the Company, the Trustee, the Noteholders and the Couponholders.

8 Taxation

All payments of principal and/or interest (if any) by or on behalf of the Company in respect of the Notes and the Coupons shall be made without withholding or deduction for or on account of any present or future tax, duty, assessment or governmental charge of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In that event, the Company shall (i) in the case of Unrestricted Events of Default Senior Notes, pay such additional amounts in relation to principal and/or interest (if any), or (ii) in the case of Restricted Events of Default Senior Notes and Dated Subordinated Notes, pay such additional amounts in relation to interest only, as will result (after such withholding or deduction) in receipt by the Noteholders and the Couponholders of the amount of (in the case of Unrestricted Events of Default Senior Notes only) principal and (in the case of any Notes) interest (if any) which would have been receivable (in the absence of such withholding or deduction) from it in respect of their Notes and/or Coupons, as the case may be; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) presented for payment by or on behalf of any holder who is liable to such tax, duty, assessment or governmental charge in respect of such Note or Coupon by reason of such holder having some connection with the United Kingdom other than the mere holding of such Note or Coupon; or
- (b) to, or to a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in the United Kingdom, unless such holder proves that he is not entitled so to comply or to make such declaration or claim; or
- (c) to, or to a third party on behalf of, a holder that is a partnership, or a holder that is not the sole beneficial owner of the Note or Coupon, or which holds the Note or Coupon in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or

- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment at the expiry of such period of 30 days.

Notwithstanding any other provision of the Conditions or the Trust Deed, any amounts to be paid on the Notes by or on behalf of the Company, will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a "**FATCA Withholding**"). Neither the Company nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

As used herein:

The "**Relevant Date**" in respect of any payment means the date on which such payment first becomes due or (if the full amount of the moneys payable has not been duly received by the Issuing and Paying Agent or the Trustee on or prior to such date) the date on which notice is given to the Noteholders that such moneys have been so received.

References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to them and (iii) "**principal**" and/or "**interest**" (other than such interest as is referred to in Condition 10(g)) shall be deemed to include any additional amounts that may be payable under this Condition 8 or under any obligations undertaken in addition thereto or in substitution therefor under the Trust Deed.

For the avoidance of doubt, the Company shall not pay any additional amounts under this Condition 8 in respect of the principal of a Dated Subordinated Note.

9 Prescription

Claims for payment of principal (excluding principal comprised in a withheld amount) will become void 12 years, and claims for payment of interest (other than interest comprised in, or accrued on, a withheld amount) will become void six years, after the Relevant Date (as defined in Condition 8) relating thereto. Claims in respect of principal comprised in a withheld amount and claims in respect of interest comprised in, or accrued on, a withheld amount will, in the case of such principal, become void 12 years and will, in the case of such interest, become void six years after the due date for payment thereof as specified in Condition 10(f) or, if the full amount of the moneys payable has not been duly received by the Issuing and Paying Agent, another Paying Agent, the Registrar, a Transfer Agent or the Trustee, as the case may be, on or prior to such date, the date of which notice is given in accordance with Condition 15 that the relevant part of such moneys has been so received.

The prescription period in respect of Talons shall be:

- (a) as to any Talon the original due date for exchange of which falls within the 12 years immediately prior to the due date for redemption (pursuant to Condition 5) of the Note to which it pertains, six years from the Relevant Date for the redemption of such Note, but so that the Coupon sheet for which it is exchangeable shall be issued without any Coupon itself prescribed in accordance

with this Condition 9 or the Relevant Date for payment of which would fall after the Relevant Date for the redemption of the relevant Note and without a Talon; and

- (b) as to any other Talon, 12 years from the Relevant Date for payment of the last Coupon of the Coupon sheet of which it formed part.

10 Events of Default and Enforcement

- (a) If the Company shall not make payment of any principal or any interest in respect of the Notes for a period of 14 days or more after the due date for the same, the Trustee may:
 - (i) in respect of Unrestricted Events of Default Senior Notes, at any time at its discretion and without notice institute such proceedings and/or take such other action as it may think fit against or in relation to the Company to enforce its obligations under the Unrestricted Events of Default Senior Notes; or
 - (ii) in respect of Restricted Events of Default Senior Notes and Dated Subordinated Notes, institute proceedings for the winding-up of the Company, but may (without prejudice to Conditions 3(c) or 10(b)) take no other action in respect of such default,

provided that it shall not have the right to institute such proceedings and/or, as the case may be, to take such other action if the Company withholds or refuses any such payment (A) (subject to Condition 8) in order to comply with any fiscal or other law or regulation, with the order of any court of competent jurisdiction or with any agreement between the Company and any taxing authority, in each case applicable to such payment, the Company, the relevant Paying Agent, Transfer Agent or Registrar or the holder of the Note or Coupon or (B) (subject as provided in the Trust Deed) in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice as to such validity or applicability given at any time during the said period of 14 days by independent legal advisers acceptable to the Trustee.

For the purposes of this Condition 10, "**Restricted Events of Default Senior Notes**" means any Senior Notes which specify in the Final Terms that Senior Notes Restricted Events of Default are applicable and "**Unrestricted Events of Default Senior Notes**" shall mean all other Senior Notes.

- (b) In respect of Senior Notes, if otherwise than for the purposes of reconstruction or amalgamation on terms previously approved in writing by the Trustee, an order is made or an effective resolution is passed for winding-up the Company, the Trustee may at its discretion give notice to the Company that the Senior Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount, together with accrued interest (calculated as provided in the Trust Deed).
- (c) The Trustee shall not be bound to institute proceedings and/or take the action referred to in Condition 3(c), 10(a), 10(b) or 10(d) to enforce the obligations of the Company in respect of the Notes and Coupons or to take any other actions under the Trust Deed unless (i) it shall have been so requested by Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least one-fifth in nominal amount of the Notes then outstanding (as defined in the Trust Deed) and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.
- (d) No Noteholder or Couponholder shall be entitled to institute such proceedings and/or take such other action as is referred to in Condition 10(a)(i) above or institute proceedings for the winding-up of the Company as is referred to in Condition 10(a)(ii) above, or to prove in such winding-up, except that if the Trustee, having become bound to proceed against the Company as aforesaid, fails (or is unable) to do so, or, being able to prove in such winding-up, fails to do so, in either case within a reasonable period and such failure (or inability) is continuing, then any such holder may, on giving an indemnity

satisfactory to the Trustee, in the name of the Trustee (but not otherwise), himself institute such proceedings and/or take such other action or institute proceedings for the winding-up of the Company and/or prove in such winding-up to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do. In the case of Restricted Events of Default Senior Notes and Dated Subordinated Notes, no remedy against the Company, other than the institution of proceedings for the winding-up of the Company or, as the case may be, proving in the winding-up of the Company in the manner and by the persons aforesaid, shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Company of any of its obligations under the Notes or the Trust Deed (other than for recovery of the Trustee's remuneration or expenses).

- (e) The Company has undertaken in the Trust Deed to pay UK stamp and other duties (if any) on or in connection with the execution of the Trust Deed and UK, Belgian (in the case of Notes other than CMU Notes), Luxembourg (in the case of Notes other than CMU Notes) and Hong Kong (in the case of CMU Notes only) stamp and other duties or taxes (if any) payable on or in connection with the constitution and original issue of any Global Note or any Global Certificate or the Definitive Notes or the Coupons (provided such stamp and other duties or taxes result from laws applicable on or prior to the date 40 days after the Issue Date specified in the Final Terms of such Notes and, in the case of exchange of Global Notes for Definitive Notes, such tax results from laws applicable on or prior to the date of such exchange) and stamp and other duties or taxes (if any) payable in the United Kingdom (but not elsewhere) solely by virtue of and in connection with any permissible proceedings under the Trust Deed or the Notes to enforce the provisions of the Notes, Certificates, Coupons, Talons or the Trust Deed, save that the Company shall not be liable to pay any such stamp or other duties or taxes to the extent that the obligation arises or the amount payable is increased by reason of the holder at the relevant time unreasonably delaying in producing any relevant document for stamping or similar process. Subject as aforesaid, the Company will not be otherwise responsible for stamp or other duties or taxes otherwise imposed and in particular (but without prejudice to the generality of the foregoing) for any penalties arising on account of late payment where due by the holder at the relevant time. Any such stamp or other duties or taxes that might be imposed upon or in respect of Notes in temporary global, permanent global or definitive form or the Coupons or Talons (in each case other than as aforesaid) are the liability of the holders thereof.
- (f) If payment to any Noteholder of any amount due in respect of the Notes (other than interest) is improperly withheld or refused (any withholding or refusal effected in reliance upon the proviso to Condition 10(a) where the relevant law, regulation or order proves subsequently not to be valid or applicable shall be treated, for the purpose of ascertaining entitlement to accrued interest but not for any other purpose, as if it had been at all times an improper withholding or refusal), interest shall accrue until, but excluding, the date on which notice is given in accordance with Condition 15 that the full amount in the Specified Currency payable in respect of such Notes is available for payment or the date of payment, whichever first occurs and shall be calculated by applying the Rate of Interest determined in accordance with these Conditions on the first day of the then current Interest Period (and each relevant Interest Period (if any) thereafter) to such amount withheld or refused, multiplying the sum by the relevant Day Count Fraction for such Interest Period and rounding the resultant figure to the nearest unit (as such term is defined in Condition 4(f)(iii)).
- (g) If, in reliance upon the proviso to Condition 10(a), payment of any amount (each a "**withheld amount**") in respect of the whole or any part of the principal and/or any interest due in respect of the Notes, or any of them, is not paid or provided by the Company to the Trustee or to the account of or with the Issuing and Paying Agent, or is withheld or refused by any of the Paying Agents, the Registrar or the Transfer Agents, in each case other than improperly within the meaning of Condition 10(e), or which is paid or

provided after the due date for payment thereof, such withheld amount shall, where not already an interest bearing deposit, if lawful, promptly be so placed, all as more particularly described in the Trust Deed. If subsequently it shall be or become lawful to make payment of such withheld amount in the Specified Currency, notice shall be given in accordance with Condition 15, specifying the date (which shall be no later than seven days after the earliest date thereafter upon which such interest bearing deposit falls or may (without penalty) be called due for repayment) on and after which payment in full of such withheld amount (or that part thereof which it is lawful to pay) will be made. In such event (but subject in all cases to any applicable fiscal or other law or regulation or the order of any court of competent jurisdiction), the withheld amount or the relevant part thereof, together with interest accrued thereon from, and including, the date the same was placed on deposit to, but excluding, the date upon which such interest bearing deposit was repaid, shall be paid to (or released by) the Issuing and Paying Agent for payment to the relevant holders of Notes and/or Coupons, as the case may be (or, if the Issuing and Paying Agent advises the Company of its inability to effect such payment, shall be paid to (or released by) such other Paying Agent, Registrar or Transfer Agent (as the case may be) as there then may be or, if none, to the Trustee, in any such case for payment as aforesaid). For the purposes of Condition 10(a), the date specified in the said notice shall become the due date for payment in respect of such withheld amount or the relevant part thereof. The obligations under this Condition 10(g) shall be in lieu of any other remedy otherwise available under these Conditions, the Trust Deed or otherwise in respect of such withheld amount or the relevant part thereof.

- (h) Any interest payable as provided in Condition 10(f) above shall be paid net of any taxes applicable thereto and Condition 8 shall not apply in respect of the payment of any such interest.

11 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Company and/or any subsidiary and/or any holding company of the Company and/or any other subsidiary of any such holding company without accounting for any profit resulting therefrom.

12 Meetings of Noteholders, Modification, Waiver and Substitution

(a) Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders (including by way of conference call or by use of a videoconference platform) to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any of the provisions of the Notes, the Coupons or the Trust Deed, except that certain provisions of the Trust Deed may only be modified subject to approval by Extraordinary Resolution passed at a meeting of Noteholders to which special quorum provisions shall have applied. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes.

(b) Modification of the Trust Deed

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and

any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders.

In addition, the Trustee shall be obliged to concur with the Company in:

- (i) effecting any Benchmark Amendments or Benchmark Replacement Conforming Changes in the circumstances and as otherwise set out in Condition 4(j);
- (ii) effecting any relevant amendments to these Conditions in connection with
 - (A) any Replacement Rate, or any Recommended Replacement Rate or the SNB Policy Rate in the circumstances and as otherwise set out in Condition 4(k); or
 - (B) any JPY Recommended Rate or JPY Alternative Rate in the circumstances and as otherwise set out in Condition 4(l); or
 - (C) any Recommended CAD Replacement Rate, BoC Target Rate or Replacement CAD Rate in the circumstances and as otherwise set out in Condition 4(m); or
 - (D) any substitution for and any adjustments made to BBSW in the circumstances and as otherwise set out in Condition 4(c)(ii)(B)(III),

in each case without the consent of the Noteholders or Couponholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable in accordance with Condition 15.

(c) *Substitution – Senior Notes*

The Trustee shall agree, if requested by the Company and subject to such amendment of the Trust Deed and such other conditions as the Trustee may reasonably require, but without the consent of the Noteholders or the Couponholders, to the substitution, subject to the Notes and the Coupons being unconditionally and irrevocably guaranteed by the Company on an unsubordinated basis, of a subsidiary of the Company or a holding company of the Company or another subsidiary of any such holding company in place of the Company as principal debtor under the Trust Deed, the Notes and the Coupons and as a party to the Agency Agreement.

(d) *Substitution – Dated Subordinated Notes*

Without prejudice to the provisions of Condition 7, the Trustee shall agree, if requested by the Company and subject to such amendment of the Trust Deed and such other conditions as the Trustee may reasonably require, but without the consent of the Noteholders or the Couponholders, to the substitution, subject to the Notes and the Coupons being irrevocably guaranteed by the Company on a subordinated basis equivalent to that mentioned in Condition 3(c), of a subsidiary of the Company or a holding company of the Company or another subsidiary of any such holding company in place of the Company as principal debtor under the Trust Deed, the Notes and the Coupons and as a party to the Agency Agreement and so that the claims of the Noteholders and the Couponholders may, in the case of the substitution of a holding company of the Company or a banking company (as defined in the Trust Deed) in the place of the Company, also be subordinated to the rights of depositors and other unsubordinated and (subject as follows) subordinated creditors of that holding company or banking company provided that such claims will rank at least *pari passu* with the claims of all holders of obligations of such substitute obligor which constitute, or would but for any applicable limitation on the amount of such

capital constitute, Tier 2 Capital of such substitute obligor or the prudential group of which it forms a part.

(e) *Change of Governing Law*

In the case of a substitution pursuant to Condition 12(c) or Condition 12(d) the Trustee may in its absolute discretion agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons, the Talons and/or the Trust Deed and/or the Agency Agreement provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(f) *Entitlement of the Trustee*

In connection with the exercise of its functions (including but not limited to those referred to in this Condition 12) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. No Noteholder or Couponholder shall, in connection with any such modification, waiver, authorisation or substitution, be entitled to claim, and the Trustee shall not be entitled to require, from the Company any indemnification or payment in respect of any tax or other consequence of any such exercise upon individual Noteholders or Couponholders except to the extent provided for by Condition 8.

(g) *Permission of the Relevant Regulator*

Any substitution, variation or modification of the Notes or the Trust Deed is subject to the Company obtaining the permission therefor from the Relevant Regulator, provided that at the relevant time such permission is required to be given.

13 Replacement of Notes, Certificates, Coupons and Talons

- (a) If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other place of which notice shall be given in accordance with Condition 15 in each case on payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Company on demand the amount payable by the Company in respect of such Note, Certificate, Coupon or further Coupons) and otherwise as the Company may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued. In addition, the Company may require the person requesting delivery of a replacement Note, Certificate, Coupon or Talon to pay, prior to delivery of such replacement Note, Certificate, Coupon or Talon, any stamp or other tax or governmental charges required to be paid in connection with such replacement. No replacement Note shall be issued having attached thereto any Coupon or Talon, claims in respect of which shall have become void pursuant to Condition 9.
- (b) Where:
- (i) a Talon (the "**relevant Talon**") has become prescribed in accordance with Condition 9; and

- (ii) the Note to which the relevant Talon pertains has not become void through prescription; and
- (iii) no Coupon sheet (or part thereof, being (a) Coupon(s) and/or a Talon, hereinafter called a "**part Coupon sheet**"), which Coupon sheet would have been exchangeable for the relevant Talon or for any subsequent Talon bearing the same serial number pertaining to such Note, has been issued; and
- (iv) either no replacement Coupon sheet or part Coupon sheet has been issued in respect of any Coupon sheet or part Coupon sheet referred to in paragraph (iii) above or, in the reasonable opinion of the Company, there is no reasonable likelihood that any such replacement has been issued,

then upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity or security as the Company may reasonably require there may be obtained at the specified office of the Issuing and Paying Agent (or such other place of which notice shall be given in accordance with Condition 15) a Coupon sheet or Coupon sheets or part Coupon sheet(s), as the circumstances may require, issued:

- (A) in the case of a Note that has become due for redemption (x) without any Coupon itself prescribed in accordance with Condition 9 or the Relevant Date for payment of which would fall after the Relevant Date for the redemption of the relevant Note, and (y) without any Talon or Talons, as the case may be; or
- (B) in any other case, without any Coupon or Talon itself prescribed in accordance with Condition 9 and without any Talon pertaining to a Coupon sheet the Relevant Date of the final Coupon of which falls on or prior to the date when the Coupon sheet(s) or part Coupon sheet(s) is (are) delivered to or to the order of the claimant, but in no event shall any Coupon sheet be issued the original due date for exchange of which falls after the date of delivery of such Coupon sheet(s) as aforesaid.

For the avoidance of doubt, the provisions of this Condition 13(b) shall not give, or revive, any rights in respect of any Talon that has become prescribed in accordance with Condition 9.

14 Further Issues

The Company may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further notes shall be consolidated and form a single Series with the Notes. References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single Series with the Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

15 Notices

Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in the United Kingdom (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in the United Kingdom, approved by the Trustee. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which such publication is made.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and shall be deemed to have been given on the weekday (being a day other than a Saturday or a Sunday) after the date of mailing provided that, if at any time by reason of the suspension or curtailment (or expected suspension or curtailment) of postal services within the United Kingdom or elsewhere the Company is unable effectively to give notice to holders of Registered Notes through the post, notices to holders of Registered Notes will be valid if given in the same manner as other notices as set out above.

16 Governing Law and Jurisdiction etc.

(a) Governing Law

The Trust Deed, the Notes, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, the laws of England, save that the provisions of Condition 3 (and related provisions of the Trust Deed) relating to subordination and set-off are governed by, and shall be construed in accordance with, the laws of Scotland.

(b) Jurisdiction

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed or the Notes (other than Condition 3 (and related provisions of the Trust Deed) relating to the subordination and set-off of Notes ("**Excluded Matters**"), in respect of which the Court of Session in Scotland shall have jurisdiction) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or any Notes ("**Proceedings**") may be brought in such courts.

The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the courts of England in respect of any such Proceedings (other than in respect of Excluded Matters) and to the jurisdiction of the Court of Session in Scotland in respect of any Proceedings relating to Excluded Matters. Service of process in any Proceedings in England may be effected by delivery to the Company's place of business in England at 6th Floor, 33 Old Broad Street, London EC2N 1HZ or such other address as may be notified to the Trustee.

(c) Third Party Rights

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person that exists or is available apart from that Act.

(d) Recognition of UK Bail-in Power

Notwithstanding, and to the exclusion of, any other term of any Series of Notes or any other agreements, arrangements, or understandings between the Company and any Noteholder (or the Trustee on behalf of such Noteholders), by its acquisition of the Notes, each Noteholder acknowledges and accepts that the Amounts Due arising under the Notes may be subject to the exercise of the UK Bail-in Power by the Resolution Authority, and acknowledges, accepts, consents, and agrees to be bound by:

- (i) the effect of the exercise of the UK Bail-in Power by the Resolution Authority, that may include and result in any of the following, or some combination thereof:
 - (A) the reduction of all, or a portion, of the Amounts Due;

- (B) the conversion of all, or a portion, of the Amounts Due on the Notes into shares, other securities or other obligations of the Company or another person (and the issue to or conferral on the Noteholder of such shares, securities or obligations), including by means of an amendment, modification or variation of the terms of the Notes;
 - (C) the cancellation of the Notes;
 - (D) the amendment or alteration of the maturity of the Notes or amendment of the amount of interest payable on the Notes, or the date on which the interest becomes payable, including by suspending payment for a temporary period;
- (ii) the variation of the terms of the Notes, if necessary, to give effect to the exercise of the UK Bail-in Power by the Resolution Authority.

No repayment or payment of Amounts Due on the Notes or the Coupons, will become due and payable or be paid after the exercise of any UK Bail-in Power by the Resolution Authority if and to the extent such amounts have been reduced, converted, cancelled, suspended (for so long as such suspension or moratorium is outstanding), amended or altered as a result of such exercise.

Neither a reduction or cancellation, in part or in full, of the Amounts Due or the conversion thereof into another security or obligation of the Company or another person, as a result of the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Company, nor the exercise of the UK Bail-in Power by the Resolution Authority with respect to the Notes will be a default or an event of default for any purpose.

Upon the exercise of the UK Bail-in Power by the Resolution Authority with respect to any Notes, the Company shall promptly give notice to the Noteholders, the Trustee and the Paying Agents, in accordance with Condition 15. Any delay or failure by the Company in delivering any notice referred to in this Condition shall not affect the validity and enforceability of the UK Bail-in Power.

For the purposes of this Condition 16(d), "**Amounts Due**" means the principal amount of, and any accrued but unpaid interest on, the Notes. References to such amounts will include (but will not be limited to) amounts that have become due and payable, but which have not been paid, prior to the exercise of the UK Bail-in Power by the Resolution Authority.

In this Condition 16(d), references to any "Note" or "Noteholder" shall be deemed to include reference to any "Coupon" or "Couponholder", respectively, where the context admits.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

1 Initial Issue of Notes

If the Global Notes or the Global Certificates are stated in the applicable Final Terms or Pricing Supplement to be issued in NGN form or if they are to be held under the NSS (as the case may be), (i) the Global Notes or the Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper and (ii) the Final Terms or Pricing Supplement will indicate whether or not such Global Notes or the Global Certificates are intended to be held in a manner which would allow Eurosystem eligibility. Depositing the Global Notes or the Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global Notes which are issued in CGN form and Global Certificates which are not held under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depository (as defined below) or, in respect of a Global Note or a Global Certificate representing CMU Notes, to a sub-custodian nominated by the HKMA as operator of the CMU (the "**CMU Operator**").

Upon the initial deposit of a Global Note in CGN form with a common depository for Euroclear and Clearstream, Luxembourg (the "**Common Depository**") or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is an NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository or the Common Safekeeper, as the case may be, may also be credited to the accounts of subscribers with (if indicated in the applicable Final Terms or Pricing Supplement) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

A Global Note or Global Certificate representing CMU Notes will be held for the account of any members of the CMU (each, a "**CMU Member**") who have accounts with the CMU Operator, or the CMU participants. Persons holding a beneficial interest in the CMU Notes through Euroclear or Clearstream, Luxembourg will hold their interests through an account opened and held by Euroclear or Clearstream, Luxembourg with the CMU Operator. Interests in a Global Note or Global Certificate representing CMU Notes will only be shown on, and transfers of interests will be effected through, records maintained by the CMU Operator.

2 Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other permitted clearing system ("**Alternative Clearing System**") as the holder of a Note represented by a Global Note or a Global Certificate (each an "**Accountholder**") (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or such Alternative Clearing System as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum

requirements of, or the right to demand a poll at, meetings of the Noteholders) other than in respect of the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of the relevant Global Note or the registered holder of the relevant Global Certificate in accordance with and subject to its terms and the terms of the Trust Deed. Accountholders shall have no claim directly against the Company in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Company will be discharged by payment to or to the order of the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

While a Global Note or a Global Certificate representing CMU Notes is held by or on behalf of the CMU Operator, payments of interest or principal will be made to the CMU and the CMU shall make payments to the persons for whose account a relevant interest in such Global Note or Global Certificate is credited as being held by the CMU as shown in the records of the CMU at the relevant time in accordance with the CMU Rules. Such payment will discharge the Company's obligations in respect of that payment. Any payments by the CMU participants to indirect participants will be governed by arrangements agreed between the CMU participants and the indirect participants and will continue to depend on the inter-bank clearing system and traditional payment methods. Such payments will be the sole responsibility of such CMU participants.

Payments, transfers, exchanges and other matters relating to interests in a Global Note or a Global Certificate representing a CMU Note may be subject to various policies and procedures adopted by the CMU Operator from time to time. None of the Company, the Dealers, the Trustee, the CMU Issuing and Paying Agent, the Registrar, the CMU Lodging Agent, nor any of their respective agents will have any responsibility or liability for any aspect of the CMU Operator's records relating to, or for payments made on account of, interests in a Global Note or Global Certificate representing a CMU Note, or for maintaining, supervising or reviewing any records relating to such interests.

3 Exchange

3.1 Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined in paragraph 3.6 below):

- (i) if the applicable Final Terms or Pricing Supplement indicates that such temporary Global Note is issued in compliance with TEFRA C or in a transaction to which TEFRA is not applicable (as to which, see "*Overview of the Programme — Selling Restrictions*"), in whole, but not in part, for the Definitive Notes, as defined and described below¹; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership for interests in a permanent Global Note or, if so provided in the applicable Final Terms or Pricing Supplement, for Definitive Notes.

The CMU may require that any such exchange for a permanent Global Note is made in whole and not in part, and in such event no such exchange will be effected until all relevant account holders (as shown in the records of the CMU at the relevant time) have so certified.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive

¹ In relation to any issue of Notes which are expressed to be Temporary Global Notes exchangeable for Definitive Notes in accordance with this paragraph 3.1, such Notes shall be tradeable only in amounts of at least the Specified Denomination (or if more than one Specified Denomination, the minimum Specified Denomination provided herein and multiples thereof).

Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

3.2 Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under paragraph 3.4 below, in part for Definitive Notes or, in the case of paragraph 3.2(i) below, Registered Notes:

- (i) if the permanent Global Note is an Exchangeable Bearer Note, by the holder (acting on the instructions of the person(s) with beneficial interest(s) in such permanent Global Note) giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of such permanent Global Note for Registered Notes²; and
- (ii) otherwise, (i) upon the happening of any of the events defined in the Trust Deed as "Events of Default"; or (ii) if Euroclear or Clearstream, Luxembourg or the CMU or an Alternative Clearing System is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearance system satisfactory to the Trustee is available.

3.3 Global Certificates

If the applicable Final Terms or Pricing Supplement state that the Notes are to be represented by a Global Certificate on issue, transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) upon the happening of any of the events defined in the Trust Deed as "Events of Default"; or
- (ii) if such Notes are held on behalf of Euroclear or Clearstream, Luxembourg or the CMU or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearance system satisfactory to the Trustee is available; or
- (iii) with the consent of the Company,

provided that, in the case of the first transfer of part of a holding pursuant to paragraph 3.3(i) or 3.3(ii) above, the holder of the Registered Notes has given the Registrar not less than 30 days' notice at its specified office of the holder of the Registered Notes' intention to effect such transfer.

3.4 Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes if principal in respect of any Notes is not paid when due.

A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a Definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

² Not applicable to Notes with a minimum Specified Denomination plus a higher integral multiple of a smaller amount.

3.5 Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the relevant Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Company will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be or (iii) if the Global Note is a NGN, the Company will procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Prospectus, "**Definitive Notes**" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them, if applicable, all Coupons in respect of interest that has not already been paid on the Global Note and, if applicable, a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the Company will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

3.6 Exchange Date

"**Exchange Date**" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

4 Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the Conditions. The following is a summary of certain of those provisions:

4.1 Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with TEFRA D before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership. All payments in respect of Notes represented by a Global Note in CGN form will be made against presentation for endorsement (provided that, in respect of CMU Notes, the crediting of interests in the relevant Global Note in the CMU shall be deemed to be presentation of such Global Note) and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. If the Global Note is a NGN, or if the Global Certificate is held under the NSS, the Company shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the

Global Note or the Global Certificate will be reduced accordingly. Payments under a NGN will be made to its holder. Each payment so made will discharge the Company's obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "**business day**" set out in Condition 6(h) (Non-Business Days).

All payments in respect of Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the record date which shall be on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

While a Global Note or a Global Certificate representing the CMU Notes is held by or on behalf of the CMU Operator, payments of interest or principal will be made to the CMU and the CMU shall make payments to the persons for whose account a relevant interest in the Global Certificate is credited as being held by the CMU as shown in the records of the CMU at the relevant time in accordance with the CMU Rules. Such payment will discharge the Company's obligations in respect of that payment. Any payments by the CMU participants to indirect participants will be governed by arrangements agreed between the CMU participants and the indirect participants and will continue to depend on the inter-bank clearing system and traditional payment methods. Such payments will be the sole responsibility of such CMU participants. Unless otherwise specified in the applicable Final Terms or Pricing Supplement, while a CMU Note is lodged with the CMU, "**business day**" and "**Business Day**" shall mean a business day or Business Day (as each term is defined in the Conditions) on which, in addition to the requirements set out in the Conditions or in the applicable Final Terms or Pricing Supplement, the CMU is also operating.

Payments, transfers, exchanges and other matters relating to interests in a Global Note or a Global Certificate representing CMU Notes may be subject to various policies and procedures adopted by the CMU Operator from time to time. None of the Company, the Dealers, the Trustee, the CMU Issuing and Paying Agent, the Registrar or the CMU Lodging Agent, or any of their respective agents, will have any responsibility or liability for any aspect of the CMU Operator's records relating to, or for payments made on account of, interests in such a Global Note or Global Certificate, or for maintaining, supervising or reviewing any records relating to such interests.

Payments of interest (if any) in respect of Notes represented by a Global Note or a Global Certificate shall be made at the rates, on the dates for payment and in accordance with the methods of calculation provided for in the Conditions relating to such Notes.

4.2 Prescription

Claims against the Company in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 12 years (in the case of principal) or six years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

4.3 Cancellation

Cancellation of any Note represented by a Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant Global Note.

4.4 Purchase

Notes represented by a permanent Global Note may only be purchased by the Company, or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company if they are purchased together with the right to receive all future payments of interest (if any) thereon.

4.5 Company's Option

Any option of the Company provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Company giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the certificate numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Company is exercised in respect of some but not all of the Notes of any Series, the rights of Accountholders in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) or any other Alternative Clearing System (as the case may be).

4.6 Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Issuing and Paying Agent (electronically or otherwise) within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of, or containing substantially similar information as contained in, the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation. Where the Global Note is a NGN, or where the Global Certificate is held under the NSS, the Company shall procure that details of such exercise shall be entered *pro rata* in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

4.7 NGN Nominal Amount

Where the Global Note is a NGN, the Company shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

4.8 Trustee's Powers

In considering the interests of Noteholders while any Global Note is held on behalf of, or Registered Notes are registered in the name of any nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its Accountholders with entitlements to such Global Note or Registered Notes and may consider such interests as if such Accountholders were the holders of the Notes represented by such Global Note or Global Certificate.

4.9 Notices

Subject to the immediately following paragraph, so long as any Notes are represented by a Global Note or a Global Certificate and such Global Note or Global Certificate is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to the relative Accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note or Global Certificate. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

For so long as all CMU Notes are represented by a Global Note or a Global Certificate and the Global Note or Global Certificate is held on behalf of the CMU Operator, notices to holders of the CMU Notes may, in substitution for publication as required by the Conditions, be given by delivery of the relevant notice to the persons shown in the records of the CMU on the business day preceding the date of despatch of such notice as holding interests in such Global Note or Global Certificate for communication to the CMU participants. Any such notice shall be deemed to have been given to the holders of CMU Notes on the second business day after such notice is delivered to the persons shown in the records of the CMU. Indirect participants will have to rely on the CMU participants (through whom they hold the CMU Notes, in the form of interests in a Global Note or a Global Certificate) to deliver the notices to them, subject to the arrangements agreed between the indirect participants and the CMU participants.

5 CMU

The CMU Operator is under no obligation to maintain or continue to operate the CMU nor to perform or continue to perform the procedures described above. Accordingly, the CMU and such procedures may be discontinued or modified at any time. None of the Company, the Dealers, the Trustee, the CMU Issuing and Paying Agent, the Registrar, the CMU Lodging Agent, nor any of their respective agents will have any responsibility for the performance by the CMU Operator or the CMU participants of their respective obligations under the rules and procedures governing their operations.

A Global Note or Global Certificate representing CMU Notes will be held for the account of CMU Members who have accounts with the CMU Operator, or the CMU participants. Interests in such Global Note or Global Certificate will only be shown on, and transfers of interests will be effected through, records maintained by the CMU Operator.

6 Electronic Consent and Written Resolution

While any Global Note is held on behalf of, or any Global Certificate is registered in the name of any nominee for, a clearing system, then:

- (i) approval of a resolution proposed by the Company or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than 90 per cent. in nominal amount of the Notes (an "**Electronic Consent**" as defined in the Trust Deed) shall, for all purposes (including matters that would otherwise require an Extraordinary Resolution to be passed at a meeting for which the special quorum requirements were satisfied), take effect as an Extraordinary Resolution passed at a meeting of Noteholders duly convened and held, and shall be binding on all Noteholders and holders of Coupons and Talons whether or not they participated in such Electronic Consent; and
- (ii) where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution (as defined in the Trust Deed) has been validly passed, the Company and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Company and/or the Trustee, as the case may be, by Accountholders in the clearing system with entitlements to such Global Note or Global Certificate or, where the Accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the Accountholder or via one or more intermediaries and provided that, in each case, the Company and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to the effecting of such amendment. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this

paragraph, "**commercially reasonable evidence**" includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an Accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear's EasyWay and Clearstream, Luxembourg's Xact Web Portal) in accordance with its usual procedures and in which the Accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. The Company shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

USE OF PROCEEDS

The net proceeds of each issue of Notes will be used for the general business purposes of Lloyds Banking Group. However, if, in respect of any particular issue, there is a particular identified use of proceeds, for example the application of sums equivalent to the net proceeds to fund Eligible Projects, this will be stated in the applicable Final Terms or Pricing Supplement.

Lloyds Banking Group has developed a Sustainability Bond Framework (the "**Framework**") with the aim of supporting the UK to transition successfully to a more sustainable, low carbon economy.

The Framework provides a set of criteria for identifying businesses and projects that aim to deliver positive social and/or environmental benefits.

The current version of the Framework can be viewed at: <https://www.lloydsbankinggroup.com/investors/fixed-income-investors/unsecured-funding.html>

In connection with the Framework, Lloyds Banking Group has appointed a sustainability specialist, Sustainalytics B.V., to issue an opinion confirming that the Framework is credible and impactful, and aligns with the International Capital Market Association's Sustainability Bond Guidelines (the "**Second Party Opinion**")

The current version of the Second Party Opinion can be viewed at: https://www.lloydsbankinggroup.com/assets/pdfs/investors/fixed-income-investors/unsecured-funding/esg/sustainability_bond_second_party_opinion_2may2019.pdf

If so specified in the applicable Final Terms or Pricing Supplement, the Company will allocate an amount of funding equivalent to the net proceeds from the issue of the relevant Tranche of Notes to finance and/or refinance, in whole or in part, Eligible Projects, as more particularly described in the Framework from time to time. Businesses whose primary business activity falls within any of the excluded categories identified in the Framework will not be considered Eligible Projects.

For the avoidance of doubt, neither the Framework nor the Second Party Opinion are, nor shall either of them be deemed to be, incorporated in, and/or form part of, this Prospectus.

Each Global Certificate deposited with a nominee for Clearstream, Luxembourg and/or Euroclear will have an ISIN and a Common Code. Global Certificates registered in the name of a nominee for an Alternative Clearing System may have additional or alternative identifiers, as set out in the applicable Final Terms or Pricing Supplement.

All Registered Notes will initially be in the form of a Global Certificate. Individual Certificates will only be available in amounts specified in the applicable Final Terms or Pricing Supplement.

Transfers of Registered Notes

Transfers of interests in Global Certificates within Clearstream, Luxembourg, Euroclear and the CMU will be in accordance with the usual rules and operating procedures of the relevant clearing system. The laws of some states in the United States require that certain persons take physical delivery in definitive form of securities. Consequently, the ability to transfer interests in a Global Certificate to such persons may be limited.

On or after the issue date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and/or Euroclear and/or the CMU will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg, Euroclear and the CMU will need to have an agreed settlement date between the parties to such transfer.

Individual Certificates

Registration of title to Registered Notes in a name other than a depositary or its nominee for Clearstream, Luxembourg, Euroclear and the CMU or for an Alternative Clearing System will be permitted only in the circumstances set forth in "*Summary of Provisions Relating to the Notes while in Global Form – Exchange – Global Certificates*". In such circumstances, the Company will cause sufficient individual Certificates to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant Noteholder(s). A person having an interest in a Global Certificate must provide the Registrar with a written

order containing instructions and such other information as the Company and the Registrar may require to complete, execute and deliver such individual Certificates.

CREST Depository Interests

Following their delivery into a clearing system, interests in Notes denominated in Sterling, euro and US dollars may be delivered, held and settled in CREST by means of the creation of CDIs representing the interests in the relevant Underlying Notes. The CDIs will be issued by CREST Depository Limited (the "**CREST Depository**") to CDI Holders and will be governed by English law.

The CDIs will represent indirect interests in the interest of CREST International Nominees Limited (the "**CREST Nominee**") in the Underlying Notes. Pursuant to the CREST Manual (as defined in paragraph (iv) below), Notes held in global form by the Common Depository may be settled through CREST, and the CREST Depository will issue CDIs. The CDIs will be independent securities, constituted under English law which may be held and transferred through CREST.

Interests in the Underlying Notes will be credited to the CREST Nominee's account with Euroclear and the CREST Nominee will hold such interests as nominee for the CREST Depository which will issue CDIs to the relevant CREST participants.

Each CDI will be treated by the CREST Depository as if it were one Underlying Note, for the purposes of determining all rights and obligations and all amounts payable in respect thereof. The CREST Depository will pass on to CDI Holders any interest or other amounts received by it as holder of the Underlying Notes on trust for such CDI Holder. CDI Holders will also be able to receive from the CREST Depository notices of meetings of holders of Underlying Notes and other relevant notices issued by the Company.

Transfers of interests in Underlying Notes by a CREST participant to a participant of Euroclear or Clearstream, Luxembourg will be effected by cancellation of the CDIs and transfer of an interest in such Notes underlying the CDIs to the account of the relevant participant with Euroclear or Clearstream, Luxembourg.

The CDIs will have the same ISIN as the ISIN of the Underlying Notes and will not require a separate listing on the Official List.

Prospective subscribers for Notes represented by CDIs are referred to Chapter 8 of the CREST Manual which contains the form of the CREST Deed Poll to be entered into by the CREST Depository. The rights of the CDI Holders will be governed by the arrangements between CREST, Euroclear, Clearstream, Luxembourg and the Company including the CREST Deed Poll (in the form contained in Chapter 3 of the CREST International Manual (which forms part of the CREST Manual)) executed by the CREST Depository. These rights may be different from those of holders of Notes which are not represented by CDIs.

If issued, CDIs will be delivered, held and settled in CREST, by means of the CREST International Settlement Links Service (the "**CREST International Settlement Links Service**"). The settlement of the CDIs by means of the CREST International Settlement Links Service has the following consequences for CDI Holders:

- (i) CDI Holders will not be the legal owners of the Underlying Notes. The CDIs are separate legal instruments from the Underlying Notes to which they relate and represent an indirect interest in such Underlying Notes.
- (ii) The Underlying Notes themselves (as distinct from the CDIs representing indirect interests in such Underlying Notes) will be held in an account with a custodian. The custodian will hold the Underlying Notes through a clearing system. Rights in the Underlying Notes will be held through custodial and depository links through the appropriate clearing systems. The legal title to the

Underlying Notes or to interests in the Underlying Notes will depend on the rules of the clearing system in or through which the Underlying Notes are held.

- (iii) Rights under the Underlying Notes cannot be enforced by CDI Holders except indirectly through the intermediary depositories and custodians described above. The enforcement of rights under the Underlying Notes will therefore be subject to the local law of the relevant intermediary. The rights of CDI Holders to the Underlying Notes are represented by the entitlements against the CREST Depository which (through the CREST Nominee) holds interests in the Underlying Notes. This could result in an elimination or reduction in the payments that otherwise would have been made in respect of the Underlying Notes in the event of any insolvency or liquidation of the relevant intermediary, in particular where the Underlying Notes held in clearing systems are not held in special purpose accounts and are fungible with other securities held in the same accounts on behalf of other customers of the relevant intermediaries.
- (iv) The CDIs issued to CDI Holders will be constituted and issued pursuant to the CREST Deed Poll. CDI Holders will be bound by all provisions of the CREST Deed Poll and by all provisions of or prescribed pursuant to, the CREST International Manual dated 14 April 2008 as amended, modified, varied or supplemented from time to time (the "**CREST Manual**") and the CREST Rules (the "**CREST Rules**") (contained in the CREST Manual) applicable to the CREST International Settlement Links Service and CDI Holders must comply in full with all obligations imposed on them by such provisions.
- (v) Potential investors should note that the provisions of the CREST Deed Poll, the CREST Manual and the CREST Rules contain indemnities, warranties, representations and undertakings to be given by CDI Holders and limitations on the liability of the issuer of the CDIs, the CREST Depository.
- (vi) CDI Holders may incur liabilities resulting from a breach of any such indemnities, warranties, representations and undertakings in excess of the money invested by them. The attention of potential investors is drawn to the terms of the CREST Deed Poll, the CREST Manual and the CREST Rules, copies of which are available from CREST at 33 Cannon Street, London EC4M 5SB or by calling +44 (0) 207 849 0000 or from the CREST website at <https://www.euroclear.com/en.html>.
- (vii) Potential investors should note CDI Holders may be required to pay fees, charges, costs and expenses to the CREST Depository in connection with the use of the CREST International Settlement Links Service. These will include the fees and expenses charged by the CREST Depository in respect of the provision of services by it under the CREST Deed Poll and any taxes, duties, charges, costs or expenses which may be or become payable in connection with the holding of the Notes through the CREST International Settlement Links Service.
- (viii) Potential investors should note that neither the Company, the Trustee nor any Paying Agent will have any responsibility for the performance by any intermediaries or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.
- (ix) Potential investors should note that Notes issued in temporary global form exchangeable for a Permanent Global Security will not be eligible for CREST settlement as CDIs. As such, investors investing in the Underlying Notes through CDIs will only receive the CDIs after such Temporary Global Security is exchanged for a Permanent Global Security, which could take up to 40 days after the issue of the Notes.

- (x) Potential investors should be aware that the creation of CDIs relating to the Notes could, if not completed correctly, result in a taxable charge for stamp duty reserve tax payable by such investors. A person creating a CDI will be required to provide confirmation to Euroclear that the Notes are exempt from the requirements to pay stamp duty reserve tax.

For further details, please refer to the CMU Reference Manual. An investor holding an interest through an account with either Euroclear or Clearstream, Luxembourg, in any Notes held in the CMU will hold that interest through the respective accounts which Euroclear and Clearstream, Luxembourg, each have with the CMU.

TAXATION

1 General

The comments below are of a general nature and are not intended to be exhaustive. They assume that there will be no substitution of the Company and do not address the consequences of any such substitution (notwithstanding that such substitution may be permitted by the terms and conditions of the Notes). Any Noteholders who are in doubt as to their own tax position should consult their professional advisers. In particular, Noteholders should be aware that the tax legislation of any jurisdiction where a Noteholder is resident or otherwise subject to taxation (as well as the jurisdiction discussed below) may have an impact on the tax consequences of an investment in the Notes including in respect of any income received from the Notes.

2 United Kingdom Taxation

The comments below are based on current United Kingdom tax law as applied in England and Wales and published HMRC practice (which may not be binding on HMRC), in each case as at the latest practicable date before the date of this Prospectus, relating to certain aspects of United Kingdom taxation. They do not necessarily apply where the income is deemed for tax purposes to be the income of any other person. They relate only to the position of persons who are the absolute beneficial owners of their Notes and Coupons and may not apply to certain classes of persons (such as dealers) to whom special rules may apply. Any Noteholders who are in doubt as to their tax position or may be subject to tax in a jurisdiction other than the United Kingdom should consult their professional advisers.

References in this part to "interest" shall mean amounts that are treated as interest for the purposes of United Kingdom taxation.

Taxation of Interest on the Senior Notes and the Dated Subordinated Notes

- (i) Any Senior Notes or Dated Subordinated Notes which carry a right to interest within the meaning of section 987 of the Income Tax Act 2007 (the "**Act**") will constitute "quoted eurobonds" provided they are and continue to be listed on a recognised stock exchange within the meaning of Section 1005 of the Act or admitted to trading on a multilateral trading facility operated by a regulated recognised stock exchange within the meaning of sections 987 and 1005 of the Act. Payments of interest by the Company on the Senior Notes and the Dated Subordinated Notes, if they are "quoted eurobonds", may be made without withholding or deduction for or on account of United Kingdom income tax. The London Stock Exchange is a recognised stock exchange for the purposes of section 1005 of the Act. Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part VI of the Financial Services and Markets Act 2000) by the FCA and admitted to trading on the London Stock Exchange.
- (ii) The International Securities Market ("**ISM**") is a multilateral trading facility operated by the London Stock Exchange, which is a regulated recognised stock exchange for the purposes of sections 987 and 1005 of the Act.
- (iii) Interest on Senior Notes and Dated Subordinated Notes with a maturity date of less than one year and which are not issued with the intention, or under a scheme or arrangement the effect of which is, that such Senior Notes and/or Dated Subordinated Notes form part of a borrowing intended to be capable of remaining outstanding for a year or more may be paid without withholding or deduction for or on account of United Kingdom income tax.
- (iv) Where Senior Notes or Dated Subordinated Notes are issued at an issue price of less than 100 per cent. of their principal amount any payments in respect of the accrued discount will not generally be made

subject to any withholding or deduction on account of United Kingdom income tax as long as they do not constitute payments in respect of interest.

- (v) Where Senior Notes or Dated Subordinated Notes are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest and, if so, any such payment of interest may (subject to paragraphs (i) to (iii) above) be subject to United Kingdom withholding tax at the basic rate of income tax (currently 20 per cent.).
- (vi) In all other cases, an amount must generally be withheld from payments of interest on the Senior Notes and the Dated Subordinated Notes on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to the availability of other reliefs under domestic law or to any direction to the contrary HMRC may provide in respect of any relief which may be available pursuant to the provisions of an applicable double taxation treaty.
- (vii) Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom for tax purposes may be able to recover all or part of the tax deducted under an applicable double taxation treaty.

3 FATCA

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a "foreign financial institution" may be required to withhold on certain payments it makes ("**foreign passthru payments**") to persons that fail to meet certain certification, reporting, or related requirements. The Company is a foreign financial institution for these purposes. A number of jurisdictions (including the United Kingdom) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA ("**IGAs**"), which modify the way in which FATCA applies in their jurisdictions. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to the date that is two years after the publication of the final regulations defining "foreign passthru payment" are filed with the U.S. Federal Register generally would be "grandfathered" for purposes of FATCA withholding unless materially modified after such date. However, if additional notes (as described under "*Terms and Conditions of the Notes —Further Issues*") that are not distinguishable from previously issued Notes are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Notes, including the Notes offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Notes. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

SUBSCRIPTION AND SALE

Summary of Programme Agreement

Subject to the terms and on the conditions contained in a Programme Agreement originally dated 30 March 2017 and amended and restated on 30 June 2023 (as modified and/or supplemented and/or restated as at the date of the issue of the Notes, the "**Programme Agreement**") between the Company, the Dealers (the "**Permanent Dealers**") and such additional persons that are appointed as dealers in respect of the Programme (and whose appointment has not been terminated), as the case may be, and the Arranger, the Notes will be offered on a continuous basis by the Company to the Permanent Dealers and any such additional dealers. However, the Company has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Company through the Dealers, acting as agents of the Company. The Programme Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Company may pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Company has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the establishment and update of the Programme.

The Company has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Programme Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Company, including (without limitation) in the event that certain conditions precedent are not delivered or met to their satisfaction on or before the relevant issue date. In this situation, the relevant issuance of the Notes may not be completed. Investors will have no rights against the Issuer, the Arranger, the Co-arranger, the Dealers or any of their respective affiliates or any other person in respect of any expense incurred or loss suffered in these circumstances.

Other Relationships

Some of the Dealers and their affiliates have engaged in, and may in the future engage in, investment banking, hedging activities and other commercial dealings in the ordinary course of business with the Company or any of its affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Company or any of its affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Company or any of its affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Company routinely hedge their credit exposure to the Company consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in the Company's securities, including potentially any Notes which may be offered under the Programme. Any such short positions could adversely affect future trading prices of any Notes offered under the Programme. The Dealers

and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

PROHIBITION OF SALES TO UK RETAIL INVESTORS: The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the UK. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (the "**FSMA**") and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by the PRIIPs Regulation as it forms part of domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.
