INTRODUCTION

1. On February 23, 2023, Rambler Metals and Mining Canada Limited (“**Rambler Canada**”) and 1948565 Ontario Inc. (“**1948**”) (collectively, the “**Rambler Group**”), Rambler Metals and Mining, plc, (“**Rambler UK**”), and Rambler Mines Limited (“**Rambler Mines** and with Rambler UK and the Rambler Group, collectively the “**Companies**”), made an application to commence proceedings pursuant to the CCAA (the “**CCAA Application**”).

2. On February 24, 2023, the Honourable Justice MacDonald of the Supreme Court of Newfoundland and Labrador (the “**Court**”) made an endorsement (the “**February 24, 2023 Endorsement**”), which, among other things, stated that the Court would hear the CCAA Application on March 1, 2023 and if the Initial Order (as defined below) is granted, the comeback hearing would be heard on March 13, 2023. A copy of the February 24, 2023, Endorsement is attached hereto as **Appendix “A”**.

3. Rambler Canada is a wholly owned subsidiary of Rambler Mines, which in turn is a wholly owned subsidiary of Rambler UK. Rambler UK is a publicly traded company and a reporting issuer in British Columbia, Alberta, Saskatchewan, Manitoba, Ontario and Quebec, with shares traded on the London Stock Exchange Alternative Investment Market (“**AIM**”) under the symbol “RMM”. Rambler UK uses the services of a nominated advisor (“**NOMAD**”), which is a requirement of AIM and to which one of the NOMAD’s responsibilities is to ensure Rambler UK remains in compliance with AIM’s rules and regulations. The following is the Companies’ organization chart:

4. On February 27, 2023, the CCAA Application was heard whereby the Honourable Justice MacDonald heard various submissions from counsel present and called upon the Proposed Monitor (who was then known at that time) to provide further background information and clarification regarding the pre-filing report of the Proposed Monitor dated February 23, 2023 (the “**Pre-Filing Report**”). Ultimately, the Court issued an order (the “**Initial Order**”), a copy of which is attached hereto as **Appendix “B”**, which, among other things:
- (a) declared that the CCAA applies to each of the companies in the Rambler Group (but not to Rambler UK and Rambler Mines);
 - (b) ordered that until and including March 6, 2023 or such later date as this Court may order (the “**Stay Period**”), no proceeding or enforcement process in any court or tribunal (each, a “**Proceeding**”) shall be commenced or continued against or in respect of the Rambler Group or the Monitor (defined below), or affecting the Business or the Property (as defined in the Initial Order), except with the written consent of the Monitor and the Rambler Group, or with leave of this Court, and any and all Proceedings currently under way against or in respect of the Rambler Group or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court. The aforementioned stay of proceedings shall also extend to any and all of the property, assets, and undertaking of Rambler UK and Rambler Mines situate in Canada;
 - (c) appointed Grant Thornton Limited (“**GTL**”) as monitor of the Rambler Group (the “**Monitor**”);
 - (d) approved and ratified the execution by the Rambler Group of a super priority debtor-in-possession credit facility (the “**DIP Agreement**”) dated February 23, 2023 with RMM Debt Limited Partnership by its General Partner RMM General Partner Inc. (the “**DIP Lender**”) pursuant to which the DIP Lender agreed to advance Rambler Canada a total amount of up to USD\$5,000,000, which will be made available to Rambler Canada during these CCAA proceedings, of which an initial amount of USD\$1,870,000 would be advanced during the Stay Period, and granted the DIP Lender a priority charge against the assets, property and undertakings (the “**Property**”) of the Rambler Group (the “**DIP Lender’s Charge**”). The DIP Lender is a related party to one of the secured creditors noted below, being NewGen Asset Management Ltd.;

- (e) granted a charge against the Property in an initial amount of CAD\$185,000 during the Stay Period, as security for the payment of the professional fees and disbursements of the Monitor, counsel to the Monitor, and counsel to the Rambler Group (the “**Administration Charge**”);
 - (f) granted a charge against the Property in the amount of USD\$675,000 during the Stay Period in favour of the directors and officers of Rambler Canada (the “**Directors’ Charge**”); and
 - (g) set down the comeback hearing for March 6, 2023 (the “**Comeback Hearing**”).
5. On March 2, 2023, the Rambler Group made an application to the Court, to be heard on March 6, 2023, (the “**March 6, 2023, Application**”), for among other things, seeking the issuance of an Amended and Restated Initial Order (“**ARIO**”) which included:
- (a) extending the Stay Period to May 19, 2023;
 - (b) permitting the Rambler Group to draw upon the DIP Agreement in accordance with the terms of that agreement to a total of USD\$5,000,000 and increasing the DIP Lender’s Charge to USD\$5,000,000; and,
 - (c) increasing the Administration Charge to CAD\$1,350,000.
6. On March 3, 2023, Canada Revenue Agency (“**CRA**”), who the Monitor understands is owed approximately CAD\$3,341,755 in relation to deductions at source, advised that it was requesting an amendment to the ARIO and reserved its right to challenge the priority of the DIP Lender’s Charge in relation to CRA’s deemed trust claim.
7. Furthermore, on March 5, 2023, International Royalty Corporation (“**IRC**”), who the Monitor understands is owed approximately CAD\$34,700 in relation to royalty claims, advised that it was also requesting an amendment to the ARIO that no charges under the ARIO affected *in rem* royalty rights.
8. On March 6, 2023, the Comeback Hearing took place and the Honourable Justice MacDonald heard various submissions from counsel present and, in particular, the issues regarding CRA’s and IRC’s request to amend the ARIO as filed for the Comeback Hearing. In order for the Court to further consider CRA’s and IRC’s request, on March 6, 2023, the Court issued an order (the “**Stay Extension Order March 6, 2023**”) which extended the Stay Period to March 7, 2023. A copy of the Stay Extension Order dated March 6, 2023, is attached hereto as **Appendix “C”**.

9. On March 7, 2023, the Court issued the ARIO, a copy of which is attached hereto as **Appendix “D”**, which ordered, among other things:
 - (a) that the Stay Period is extended to May 19, 2023;
 - (b) the amount to be drawn under the DIP Agreement and the amount of the DIP Lender’s Charge was increased to USD\$2,870,000; and
 - (c) the Administration Charge was increased to CAD\$1,350,000.
10. On March 7, 2023, the Court also scheduled a March 13, 2023, court date to hear submissions with respect to the priority of the DIP Lender’s Charge in relation to CRA’s alleged deemed trust claim. Furthermore, the Court also scheduled March 15, 2023, to hear submissions with respect to the priority of IRC’s potential royalty rights in relation to the DIP Lender’s Charge, Administration Charge and the Directors’ Charge.
11. Following discussions with Companies’ counsel, and with the Monitor and its counsel:
 - (a) on March 9, 2023, CRA withdrew its request to amend the ARIO; and
 - (b) on March 10, 2023, IRC withdrew its request to amend the ARIO.
12. On March 13, 2023, the Rambler Group made an application to the Court, to be heard on March 15, 2023, (the “**March 15, 2023 Application**”), for among other things, the granting of an Further Amended and Restated Initial Order (“**FARIO**”) and a Sales and Investment Solicitation Process Order (the “**SISP Order**”) which orders included:
 - (a) increasing the DIP Charge to USD\$5,000,000; and
 - (b) directing and empowering the Monitor to administer a SISP.
13. On March 15, 2023, the Court issued the FARIO and SISP Order, copies of which are attached hereto as **Appendices “E”** and “**F**” respectively, and pursuant to which the Court:
 - (a) increased the amount to be drawn under the DIP Agreement and the amount of the DIP Lender’s Charge to USD\$5,000,000; and,
 - (b) authorized the Monitor to commence and administer the SISP in accordance with the procedures as set out in the SISP Order.
14. This third report of the Monitor (the “**Third Report**”), the preceding reports of GTL as Proposed Monitor and as Monitor, and all other information in respect of the CCAA

proceedings (the “**CCAA Proceedings**”), are posted on the Monitor’s case website at www.GrantThornton.ca/Rambler. 16. The Monitor notes that the relief sought by the Rambler Group does not include changes to the DIP Lender's Charge, the Administration Charge and the Directors' Charge as provided in the FARIO.
17. The Rambler Group's Directors' and Officers' liability insurance continues to be enforced and in effect and is being paid in the ordinary course.

TERMS OF REFERENCE

18. In preparing this Third Report, the Monitor has relied upon unaudited internal financial statements, certain other financial information and financial projections of the Rambler Group, discussions with management of the Companies ("**Management**") and its legal advisor, and discussions with certain senior secured noteholders and their legal advisor (collectively, the "**Information**"). Accordingly, the reader is cautioned that this Third Report may not be appropriate for any other purpose. 22. Unless otherwise stated, all monetary amounts contained herein are expressed in US Dollars. Capitalized terms not otherwise defined herein have the meaning given to them in the FARIO.

ACTIVITIES OF THE MONITOR

23. Given the limited passage of time between the issuance of the FARIO and the date of this report, the Monitor has, amongst other things:
 - (a) continued to assist the Rambler Group with its communications in respect of these CCAA Proceedings;
 - (b) continued to assist and hold conversations with employees, creditors, CRA, IRC, suppliers and other stakeholders regarding these CCAA Proceedings;
 - (c) monitored the operations of Rambler Canada, including the review of production targets and cash flow management, amongst other things;
 - (d) worked with the Rambler Group and drafted materials for the SISF in anticipation of its launch on April 14, 2023, work that remains to be ongoing;
 - (e) engaged with various stakeholders regarding the SISF;
 - (f) issued the required notices under the CCAA s. 23(1)(a)(i) and s. 23(1)(a)(ii);
 - (g) worked with AIM on the appropriate timing of press releases and posting of materials on the Monitor's case website to ensure the Companies' continued compliance with listing regulations;

- (h) communicated with Transamine Trading S.A. ("**Transamine**"), Rambler Canada's exclusive customer, regarding receipt of funds pursuant to invoices issued by Rambler Canada;
- (i) assisted Rambler Canada with the planning of and transition to warm idle care and maintenance mode, as described herein; and,
- (j) communicated with the DIP Lender, secured creditors and other stakeholders regarding the Material Adverse Change as described herein.

MATERIAL ADVERSE CHANGE

- 24. As presented in the Monitor's Second Report, Rambler Canada prepared an updated cash flow forecast covering the period of March 13, 2023 to September 1, 2023 (the "**March 13, 2023 Forecast**"), that assumed Rambler Canada's continued operations, including continued cash receipts from Rambler Canada's exclusive customer, Transamine.
- 25. The Monitor understands that, pursuant to an Amended and Restated Purchase Agreement between Rambler Canada and Transamine, Rambler Canada invoices Transamine in three stages, as follows:
 - (a) On a weekly basis, Rambler Canada mines, mills and delivers copper concentrate to Rambler Canada's warehouse at a shipping port known as Goodyear Cove. Each such delivery is known as a **Lot**.
 - (b) After delivery of each Lot to Goodyear Cove, Rambler Canada prepares and sends to Transamine a first provisional invoice. Transamine is required to pay 90% of the invoiced amount.
 - (c) Once the Lots at Goodyear Cove collectively amount to 5,000-11,000 wet metric tonnes, Transamine arranges for a vessel to transport the Lots out of Goodyear Cove. Lots which are transported together are collectively known as a **Shipment**.
 - (d) Sixty days after the bill of lading is issued in respect of the Shipment, Rambler Canada prepares and sends to Transamine a second provisional invoice, which accounts for all of the Lots in the Shipment. Transamine is required to pay 100% of the invoiced amount, less amounts received pursuant to the first provisional invoices.

- (e) Upon the Shipment being received by Transamine, the copper concentrate is subject to third-party assay which confirms, among other things, the quality and grade of the copper concentrate.
- (f) Once testing is complete, Rambler Canada prepares and sends to Transamine a final invoice. Transamine is required to pay 100% of the invoiced amount, less amounts received pursuant to the first provisional invoice and second provisional invoice.
- (g) The entire process set out in (a) through (f) above generally takes approximately 3-4 months.
26. The March 13, 2023 Forecast contemplated that Rambler Canada would receive weekly payments from its exclusive customer, Transamine, pursuant to the invoicing and payment arrangement as detailed above. The March 13, 2023 Forecast contemplated receipt of 90% of invoiced amounts on "Production and Collections" and the remaining 10% of invoiced amounts on "Shipment".
27. The March 13, 2023 Forecast anticipated a receipt of USD\$1,780,000 from Transamine during the week of March 27, 2023. This expected payment was related to a Shipment that had been sent to Transamine on January 6, 2023 ("**Shipment 30**"). Testing of Shipment 30's copper concentrate, as described at paragraph 25(e) above, was completed on March 3, 2023. The final invoice for Shipment 30 was prepared shortly thereafter, with Rambler providing a draft final invoice to Transamine for review and approval on March 7, 2023. The payment for Shipment 30 was expected to be received during the week of March 27, 2023.
28. On March 21, 2023, Rambler Canada followed up with Transamine on the version of the March 7, 2023 invoice to Transamine so that it could be finalized (the "**Shipment 30 Invoice**"). On March 23, 2023, Transamine corresponded with the Monitor to advise that it would not be remitting payment on the Shipment 30 Invoice as it intended to set off this amount owing to Rambler Canada against certain pre-filing indebtedness which was owing by Rambler Canada to Transamine (the "**Pre-Filing Debt**").
29. Further, between March 14 to March 20, 2023, Rambler Canada continued to produce copper concentrate, delivering Lot 301 to Goodyear Cove on or around March 20, 2023. On March 21, 2023, the Monitor understands that Rambler Canada sent Transamine the first provisional invoice for Lot 301 in the amount of USD\$882,066 (the "**Lot 301 Invoice**").

Management has advised the Monitor that Transamine has not made payment pursuant to the Lot 301 Invoice.

30. The Monitor has been advised by Management that, on March 23, 2023, Transamine sent a wire transfer to Rambler Canada in the amount of USD\$882,066, but on March 24, 2023, Transamine recalled the wire payment. It is the Monitor's understanding that Transamine's intent is to set off this amount against the Pre-Filing Debt, consistent with its position on the Shipment 30 Invoice.
31. The amounts owing by Transamine to Rambler Canada under the Shipment 30 Invoice and Lot 301 Invoice total USD\$1,778,858 and USD\$882,066, respectively. On account of Transamine's failure to pay these amounts as they came due, the March 13, 2023 Forecast suffered a shortfall of USD\$2,660,925 (the "**Transamine Shortfall**").
32. Between March 23 and March 29, 2023, Rambler Canada, with the assistance of the Monitor, corresponded with Transamine and its legal counsel on a without-prejudice basis in an attempt to further understand Transamine's view with respect to amounts owing to Rambler Canada under the Shipment 30 Invoice and the Lot 301 Invoice. The Monitor understands that Rambler Canada's objective, as communicated to Transamine, was to ensure that Rambler Canada had adequate cashflow, as forecasted, to continue operating the mine.
33. On March 28, 2023, the Monitor was advised by the DIP Lender that it would not be willing to fund the Transamine Shortfall. On March 29, 2023, the DIP Lender further advised that it would support Rambler Canada's operations transitioning into a 'warm idle' care and maintenance mode ("**Warm Idle**").
34. On March 30, 2023, Rambler Canada began transitioning its operations into Warm Idle.
35. The failed negotiations between Rambler Canada and Transamine as well as Transamine's decision not to pay the amounts owing pursuant to the Shipment 30 Invoice and the Lot 301 Invoice impaired the ability of Rambler Canada to continue operating the mine during these CCAA Proceedings.
36. The Monitor is of the view that these matters have given rise to a MAC in the financial circumstances and cash flow forecast of Rambler Canada, and therefore the Monitor executed the letter at **Appendix "G"** ("**MAC Notice**") on April 3, 2023 and served the service list with same in accordance with s. 23(1)(d)(i) of the CCAA.

37. Notwithstanding the issuance of the MAC Notice, the Monitor continues to be of the opinion that s. 23(1)(h) of the CCAA does not apply, and that it would be more beneficial to Rambler Canada's creditors to continue with the SISP during the continuance of the CCAA proceedings.
38. The Monitor is continuing to work with the parties to further understand the facts of the dispute between Rambler Canada and Transamine regarding non-payment of the Shipment 30 Invoice and the Lot 301 Invoice. The Monitor will report to the Court with further details regarding the dispute at a later date.

TRANSITION INTO WARM IDLE CARE AND MAINTENANCE MODE

EMPLOYEES

39. On March 30, 2023, Rambler Canada proceeded to terminate the employment of 173 employees (the "**Terminated Employees**").
40. As at the date of this Third Report, Rambler Canada has retained 39 employees (the "**Retained Employees**") in order to transition the mine to Warm Idle mode, where operations will be focused on care and maintenance rather than production.
41. Given that Rambler Canada's cash is restricted as a result of the MAC, Rambler Canada has advised that it is only able to pay the outstanding wages and expense claims owed to employees given the present cash flow restrictions as a result of the MAC. Management have advised that vacation pay and termination pay will not be paid to the Terminated Employees. The Monitor understands Rambler Canada will be making an application to this Honorable Court to confirm that the current circumstances of the Companies in these CCAA Proceedings are one to which the Wage Earners Protection Program ("**WEPP**") should apply, discussed further below.
42. Should the court grant Rambler Canada's requested relief relating to WEPP, outstanding vacation pay and termination pay will form part of employees' application to WEPP.

SECURITY

43. Rambler Canada engages with an external contractor in order to provide security services for the mine and mill locations, which will continue through Warm Idle.

TRANSITION ACTIVITIES TO DATE

44. On March 30, 2023, Rambler Canada began transitioning the operations to Warm Idle. Transition activities include, amongst other things:

(a) Mine:

- i. Rambler Canada has retained a team with the required competencies and skills to maintain operations and preserve the Property at its current condition of Warm Idle;
- ii. To remain in compliance with mine safety standards, a total of nine of the Retained Employees are trained and designated as Mine Rescue staff;
- iii. Approximately 7,829 wet metric tonnes of ore are stored on the surface;
- iv. Approximately 2,900 wet metric tonnes of ore are stored underground;
- v. Water will continue to be pumped and treated from the mine in order to prevent the underground operations of the mine from flooding; and,
- vi. The ventilation system in the mine will remain activated in areas where the pumps and equipment are located. In all other areas, the ventilation system will be powered down to conserve power and reduce ongoing costs.

(b) Mobile Equipment:

- i. All mobile heavy equipment is currently being brought to either the surface or the 200 level of the underground to be stored in bays and provide protection from winter weather conditions. This work is expected to be completed by the end of Week 7. Rambler Canada has taken the following precautions regarding equipment stored underground:
 1. The mine was operating at the 830 level, far below the 200 level where equipment will be stored;
 2. In Warm Idle, water will continue to be pumped from the underground to prevent flooding and to keep the equipment safe; and,
 3. Further, Rambler Canada will periodically perform routine checks on all stored equipment.

(c) Surface level buildings:

- i. At the Mine will remain fully powered with complete use of facilities, including:
 1. Administration and mine dry building;
 2. Maintenance building;

3. Wastewater treatment plant; and,
4. Maintenance shop.

(d) Mill:

- i. The office building at the mill will remain fully powered with complete use of facilities;
- ii. Approximately 113 wet metric tonnes of ore are stored at the mill which remains unprocessed;
- iii. Approximately 21 wet metric tonnes of concentrate are currently stored at the mill, which is less than one truck load to be sent to Goodyear Cove;
- iv. The second (contingency) decant water pump has been repaired and re-installed at Camp Pond. Commissioning of this pump is ongoing and will be completed by the end of Week 7;
- v. Thickener tanks, currently filled with semi-processed concentrate, are being emptied into the filter feed tank, where the semi-processed concentrate will be processed into concentrate, with expected completion date by the end of Week 10;
- vi. Maintaining pumps and water treatment of the tailings pond and polishing pond;
- vii. A schedule for the removal of grinding media from the ball mill and sag mill is being established and prep work to complete this activity has started; and,
- viii. The ball mill and sag mill will be rotated under power in order to prevent damage to the shell.

(e) Goodyear Cove:

- i. Approximately 4,288 wet metric tonnes of concentrate are currently stored at Goodyear Cove;
- ii. All equipment has been moved inside the concentrate building with wheel locks; and
- iii. Rambler Canada will perform security checks on the building and concentrate daily.

TRANSITION ACTIVITIES TO BE COMPLETED

45. Over the course of the next several weeks, Rambler Canada will complete the following activities to fully transition to a Warm Idle state:

(a) **Mine:**

- i. Finish bringing equipment to either the surface or the 200 level;
- ii. Continue to maintain pumps to prevent the underground from flooding; and
- iii. Mine services (air and water lines) will be disconnected on certain levels to mitigate any potential flooding from the freshwater system.

(b) **Surface level buildings at the Mine to be winterized:**

- i. Finance and administration trailer; and
- ii. Both warehouses, including attached core shed.

(c) **Mill:**

- i. Finish preservation of the grinding mills;
- ii. Finish emptying thickener tanks into tailings pond;
- iii. Clean out the rougher and conditioner tanks, the process water tank, filter feed and transfer tanks;
- iv. Continue to maintain pumps and water treatment of the tailings pond and polishing pond;
- v. Cleaning interior of mill of concentrate residue to prevent oxidization of equipment;
- vi. Emptying all pumps of residue and leave drain lines open;
- vii. Crusher building will be cleaned and power will be disconnected;
- viii. Winterizing warehouse and other storage buildings;
- ix. Cleaning of the concentrator sump and drain area; and
- x. Complete repair of the tailings pond emergency generator.

(d) **Goodyear Cove:**

- i. The locks on the concentrate building will be changed and security will continue to monitor the premises.

ENVIRONMENTAL COMPLIANCE

46. Rambler Canada will continue to remain in environment compliance in accordance with its Certificate of Approval, which includes, among other things:

(a) Completion of weekly, monthly and quarterly water testing;

(b) Ensuring the tailings pond and polishing pond do not exceed operating water levels;

- (c) Ensure surrounding bodies of water, for which Rambler Canada is responsible, at both the mill and mine site, remain within environmental compliance;
- (d) Ensure compliance with the completion of the 2023 dam safety inspection; and,
- (e) Monitor fuel storage tanks, totes of oil and other chemical storage containers.

WAGE EARNER PROTECTION PROGRAM ACT

- 47. In accordance with s. 5(1) of the WEPPA, an individual is eligible to receive payment under WEPPA if, among other things:
 - (a) The individual's employment ended as a result of the CCAA;
 - (b) The individual is owed eligible wages by the former employer;
 - (c) The Court determines that, under s. 5(5) of WEPPA, the criteria prescribed by regulation are met.
- 48. S. 3.2 of the WEPPA Regulations provides as follows:
 - (a) *"For the purposes of subsection 5(5) of the Act, a court may determine whether the former employer is the former employer all of whose employees in Canada have been terminated other than any retained to wind down its business operations."*
- 49. As of March 30, 2023, Rambler Canada had employed 212 active employees, who were primarily located in Baie Verte, Newfoundland and Labrador. The Terminated Employees were terminated as a result of Rambler Canada's wind down in operations to Warm Idle.
- 50. The Monitor is of the view that the termination of the Terminated Employees was the direct result of the winding down of operations of Rambler Canada to Warm Idle and the Monitor considers the terminations as permanent. As such, the Monitor requests that the Court to declare that Rambler Canada is a former employer of the Terminated Employees for the purposes of s. 5(5) of WEPPA.
- 51. If the Court grants such a declaration, the Monitor will work with Rambler Canada in order to submit the required documents, claim forms and trustee information informs as required by Employment and Social Development Canada in order to complete the WEPPA applications.

52. The Monitor believes that this relief is appropriate in the circumstances and recommends that the Court grant the WEPP Order.

CASH FLOW UPDATE AND REVISED FORECAST

53. Below is a summary of Rambler Canada's budget to actual cash flow to date, reflective of the March 13, 2023 Forecast:

Week 1 - 6 Budget to Actual

Total Disbursements	(9,005,763)	(4,884,642)	4,121,121
Net Cash Flow	764,921	(2,186)	(767,107)

54. Explanations for the key variances in actual receipt and disbursements as compared to budget are as follows:

- (a) DIP Financing: unfavourable variance of approximately USD\$870,000 was largely due to timing of the commencement of these CCAA proceedings. Operations commenced on February 28, 2023, as such funding requirements were delayed by one week.
- (b) Collections – 90%: unfavourable variance of USD\$2,884,900 relates to the following:
- i. a one week delay at the beginning of these CCAA Proceedings which accounts for approximately USD\$750,000;
 - ii. a short payment of approximately USD\$500,000 as described in the Second Report;
 - iii. non-payment of the Lot 301 Invoice USD\$882,066; and,

- iv. approximately USD\$750,000 for the subsequent halting of production due to the MAC.
- (c) Collections – 10%: unfavourable variance of USD\$1,778,000 relates to the non-payment of the Shipment 30 Invoice, as described above.
- (d) Total Disbursements: favourable variance of USD\$4,121,121 primarily relates to the halting of production and transition to Warm Idle, in light of the non-payment of the Shipment 30 Invoice and Lot 301 Invoice. Rambler Canada managed its cash flows accordingly to ensure that creditors were not prejudiced.

The Monitor understands that Management’s April 3, 2023 Forecast, as defined herein is representative of the cash requirements which are expected in a Warm Idle. Considering recent events, Management has demonstrated its ability to manage cash flows prudently on a go forward basis.

55. In light of the MAC, Rambler Canada, with the assistance of the Monitor, has prepared the April 3, 2023, Revised Cashflow Forecast (the “**April 3, 2023 Forecast**”), attached hereto as **Appendix “H”**. The April 3, 2023 Forecast covers the period of April 3, 2023, to September 1, 2023. The purpose of the revised cash flow forecast is to incorporate, amongst other things:

- (a) the MAC and subsequent transition to Warm Idle;
- (b) adjustments to the timing of certain payments to creditors based on conversations had by the Monitor and Rambler Canada; and
- (c) that Rambler Canada will continue to be supported by the DIP Lender throughout the Stay of Proceedings.

56. As a result of the MAC, the Monitor understand that certain key creditors have experienced a delay in receiving payments. The April 3, 2023 Forecast provides for the payment of outstanding post-filing expenses as summarized below:

Post-Filing Expenses	
Type of Vendor	Amount \$USD
Source Deductions	\$ 130,188.89
Continued use Rental Equipment	\$ 18,645.81
Drilling Charges	\$ 33,333.33
Fuel	\$ 60,000.00
Propane	\$ 20,000.00
Power	\$ 146,682.27
Operational Expenses	\$ 90,916.50
Employee Expense Claims	\$ 7,699.56
Total Post-Filing Expenses	\$ 507,466.36

57. The April 3, 2023 Forecast has been prepared by Management using probable and hypothetical assumptions as set out there in (the “**Probable and Hypothetical Assumptions**”).
58. The Monitor has reviewed the April 3, 2023 Forecast to the standard required of a Court-appointed Monitor by s. 23(1)(b) of the CCAA. The Monitor’s review of the April 3, 2023 Forecast consisted of inquiries, analytical procedures, and discussions related to information supplied to the Monitor by Management of Rambler Canada. Since the Probable and Hypothetical Assumptions need not be supported, the Monitor’s procedures with respect to same were limited to evaluating whether they were consistent with the purpose of the April 3, 2023 Forecast. The Monitor has also reviewed the support provided by Rambler Canada for the Probable and Hypothetical Assumptions and the preparation and presentation of the April 3, 2023 Forecast. Based on the Monitor’s review, nothing has come to its attention that causes it to believe that, in all material respects:
- (a) the Probable and Hypothetical Assumptions are not consistent with the purpose of the April 3, 2023, Forecast;
 - (b) as at the date of this Third Report, the Probable and Hypothetical Assumptions developed by Management are not suitably supported and consistent with Rambler Canada’s plans or do not provide a reasonable basis for the April 3, 2023 Forecast, given the Probable and Hypothetical Assumptions; or
 - (c) the April 3, 2023 Forecast does not reflect the Probable and Hypothetical Assumptions.
59. As of the date of this report the DIP Lender’ have advanced USD\$2,770,000 of the current DIP Facility of USD\$5,000,000. The April 3, 2023 Forecast estimates that Rambler Canada will require an additional USD\$2,200,000, prior to the expiry of the Stay of Proceedings. At such time, the total advances under the current DIP Facility is forecasted to be USD\$4,970,000.
60. The April 3, 2023 Forecast estimates that for the completion of the SISP the total advances from the DIP Lender is to be USD\$7,295,000.
61. The Monitor has been advised by the DIP Lender that the DIP Lender intends to monitor the progress of the CCAA Proceedings and the SISP process, and at this point the DIP Lender continues to support Rambler Canada during Warm Idle with the intention of seeking the completion of the SISP. The Monitor understands the DIP Lender may seek

this Court's approval to increase the DIP Lender's Charge, which if required would be requested at the next hearing to extend the Stay of Proceedings.

62. The Monitor provides the following comments on the April 3, 2023, Forecast:
- (a) cash disbursements appear to be reasonable considering the transition to Warm Idle, as contemplated by Management, and based on the Monitor's continued review of disbursements during the Stay Period;
 - (b) the April 3, 2023 Forecast contemplates paying employee wages and other employee obligations as well as related source deductions in the ordinary course;
 - (c) the April 3, 2023 Forecast contemplates paying vendors in accordance with existing and/or modified credit terms;
 - (d) disbursements include fees and interest that relate to the DIP Agreement; and,
 - (e) disbursements also include forecast payments to the Companies' legal counsel, the Monitor and its legal counsel, agent to the DIP Lender, an investment advisor (if their engagement should become necessary), and legal counsel to the DIP Lender.
63. Since the April 3, 2023 Forecast is based on assumptions regarding future events, actual results will vary from the information presented even if the Probable and Hypothetical Assumptions occur, and the variations may be material. Accordingly, the Monitor expresses no assurance as to whether the April 3, 2023, Forecast will be achieved. The Monitor expresses no opinion or other form of assurance with respect to the accuracy or completeness of any financial information presented in this Third report or relied upon by the Monitor in preparing this Third Report.
64. The April 3, 2023 Forecast has been prepared solely for the purposes described in Note 1 on the face of the April 3, 2023 Forecast and readers are cautioned that it may not be appropriate for other purposes.

UPDATE ON CHARGES

65. As mentioned above the April 3, 2023 Forecast indicates the need to receive additional funding in the amount of USD\$2,200,000 under the current DIP Facility up to the expiry of the Stay of Proceedings. At such time the total advances will be equivalent to USD\$4,970,000 which is less than the current DIP Lender's Charge of USD\$5,000,000.

66. The April 3, 2023 Forecast estimates that the total funding requirements for the completion of the SISP is USD\$7,295,000. As described above, the Monitor understands that the DIP Lender may request an increase to the DIP Charge at the next hearing.
67. The Monitor is advised by the DIP Lender that it currently remains supportive of Rambler Canada with regard to completing the SISP. At the present time there is no need to increase the DIP Lender's Charge as sufficient funding exists until the expiry of the Stay of Proceedings, being May 19, 2023.
68. The DIP Lender's Charge ranks in priority to the following known creditors of the Rambler Group (as described in detail in the Bradbury Affidavit):

Creditors	Type	Amount (USD)
NewGen Asset Management Ltd.	Secured	\$ 17,874,506
Elemental Royalties Corp	Secured	\$ 12,090,420
Transamine S.A.	Secured	\$ 4,448,407
Sanstorm Gold Ltd.	Secured	\$ 1,642,589
Canada Revenue Agency	Preferred	\$ 2,439,237
Trade Payables	Unsecured	\$ 14,500,000

69. The Bradbury Affidavit describes in detail the nature of the indebtedness owing to each of the aforementioned secured creditors, as well as the security provided by the Companies to those secured creditors.
70. At this time the Monitor is not requesting that any of the DIP Lender's Charge, the Administration Charge, or the Directors' Charge be changed. Below is the summary of the charges in these CCAA Proceedings.

Charges and Balances	
Charge	Amount
DIP Lenders' Charge	
DIP Charge 1 (Initial Order)	USD\$1,870,000
DIP Charge 2 (ARIO)	USD\$1,000,000
DIP Charge 3 (FARIO)	USD\$2,130,000
Total DIP Lenders' Charge	USD\$5,000,000
Current DIP Borrowings	USD\$3,970,000
DIP Charge Availability	USD\$1,030,000
Administration Charge	
Inclusive of	
Agent Fees	CAD\$50,000
Company Legal Fees	CAD\$400,000
Monitor Costs and Legal Fees	CAD\$600,000
Total projected Professional Fees	CAD\$1,050,000
Current Administration Charge	CAD\$1,350,000
Directors' Charge	USD\$675,000

71. The Monitor continues to be supportive of the current charges and considers that these charges remain critical in order to assist the Rambler Group through these CCAA proceedings and the SISP process.

CONCLUSION

72. The Monitor is of the view that the Rambler Group has continued to act in good faith and with due diligence in respect of exploring various options which would enable it to restructure its business and operations for the benefit of its creditors and stakeholders.

73. For the reasons set out in this Third Report, the Monitor is of the view that the relief requested by the Rambler Group is reasonable and respectfully recommends that this Court make the Order granting the requested relief.

ALL OF WHICH IS RESPECTFULLY SUBMITTED this 5th day of April 2023.

APPOINTMENT OF MONITOR

20. **THIS COURT ORDERS** that Grant Thornton Limited is hereby appointed pursuant to the CCAA as the Monitor, an officer of this Court, to monitor the business and financial affairs of the Rambler Group with the powers and obligations set out in the CCAA or set forth herein and that the Rambler Group and its shareholders, officers, directors, and Assistants shall advise the Monitor of all material steps taken by the Rambler Group pursuant to this Order, and shall co-operate fully with the Monitor in the exercise of its powers and discharge of its obligations and provide the Monitor with the assistance that is necessary to enable the Monitor to adequately carry out the Monitor's functions.

- (g) perform such other duties as are required by this Order or by this Court from time to time.

22. **THIS COURT ORDERS** that the Monitor shall not take possession of the Property and shall take no part whatsoever in the management or supervision of the management of the Business and shall not, by fulfilling its obligations hereunder, be deemed to have taken or maintained possession or control of the Business or Property, or any part thereof.

23. **THIS COURT ORDERS** that nothing herein contained shall require the Monitor to occupy or to take control, care, charge, possession or management (separately and/or collectively, "**Possession**") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act, 1999*, SC 1999, c 33, as amended, and regulations thereunder (the "**Environmental Legislation**"), provided however that nothing herein shall exempt the Monitor from any duty to report or make disclosure imposed by applicable Environmental Legislation. The Monitor shall not, as a result of this Order or anything done in pursuance of the Monitor's duties and powers under this Order, be deemed to be in Possession of any of the Property within the meaning of any Environmental Legislation, unless it is actually in possession.
24. **THIS COURT ORDERS** that the Monitor shall provide any creditor of the Rambler Group and the DIP Lender with information provided by the Rambler Group in response to reasonable requests for information made in writing by such creditor addressed to the Monitor. The VDR will be made available as soon as practicable. Following the completion of "**Phase 1**", but prior to the completion of "**Phase 2**", additional information may be added to the VDR to enable Phase 2 Qualified Bidders to complete any confirmatory due diligence in respect of the Rambler Group and the Opportunity. The Monitor, in consultation with the Rambler Group and the DIP Lenders, may establish or cause the Rambler Group to establish separate VDRs (including "**clean rooms**"), if the Monitor reasonably determines that doing so would further the Rambler Group's and any Potential Bidders' compliance with applicable antitrust and competition laws, or would prevent the distribution of commercially sensitive competitive information. The Monitor may also, in consultation with the Rambler Group and the DIP Lenders, limit the access of any Potential Bidder to any confidential information in the VDR where the Monitor reasonably determines that such access could negatively impact the SISP, the ability to maintain the confidentiality of the information, the Business or its value.

PHASE 1: NON-BINDING LOIS

Phase 1 Qualified Bidders and Delivery of Confidential Information Memorandum

9. In order to participate in the SISP, and prior to the distribution of any confidential information to an interested party (including access to the VDR), such interested party must deliver to the Monitor at the address specified in Appendix B hereto (including by email) a Non-Disclosure Agreement (an "**NDA**") which shall enure to the benefit of any Successful Bidder that closes a transaction contemplated by the Successful Bid. Pursuant to the terms of the NDA to be signed by a potential bidder (each potential bidder who has

executed an NDA with the Monitor, a "**Potential Bidder**"), each Potential Bidder will be prohibited from communicating with any other Potential Bidder regarding the Opportunity during the term of the SISP, without the consent of the Monitor. Prior to the Monitor executing an NDA with any potential bidder, any potential bidder may be required to provide evidence, reasonably satisfactory to the Monitor, in consultation with the Rambler Group, of its financial wherewithal to complete a transaction in respect of the Opportunity (either with existing capital or with capital reasonably anticipated to be raised prior to closing) and/or to disclose details of their ownership and/or investors. For the avoidance of doubt, a party who has executed an NDA or a joinder with a Potential Bidder for the purpose of providing financing to a Potential Bidder in connection with the Opportunity (such party a "**Financing Party**") shall not be deemed a Potential Bidder for purposes of the SISP, provided that such Financing Party undertakes to inform the Monitor in the event that it elects to act as a Potential Bidder.

10. A Potential Bidder that has executed an NDA and provided any additional information required pursuant to paragraph 9, will be deemed a "**Phase 1 Qualified Bidder**" and will be promptly notified of such classification by the Monitor.
11. The Monitor with the assistance of the Rambler Group and the DIP Lenders, as required, will prepare and send to each Phase 1 Qualified Bidder a confidential information memorandum providing additional information considered relevant to the Opportunity (a "**CIM**") as soon as practicable. The Monitor, the Rambler Group, the DIP Lenders and their respective advisors make no representation or warranty as to the information contained in the CIM or otherwise made available pursuant to the SISP.
12. The Monitor shall provide any person deemed to be a Phase 1 Qualified Bidder with access to the VDR. The Monitor, the Rambler Group, the DIP Lenders and their respective advisors make no representation or warranty as to the information contained in the VDR. The VDR shall contain a template letter of intent (the "**Template LOI**") and a template purchase and sale agreement ("**Template PSA**").
13. If a Phase 1 Qualified Bidder wishes to submit a bid, it must deliver a non-binding letter of intent (an "**LOI**") (each such LOI, provided in accordance with paragraph 14 below, a "**Phase 1 Qualified Bid**"), to the Monitor at the address specified in Appendix B hereto (including by email) so as to be received by the Monitor not later than 5:00 p.m. (Newfoundland Standard Time) on May 19, 2023, or such other date or time as may be agreed by the Monitor in consultation with the Rambler Group and the DIP Lenders (the "**Phase 1 Bid Deadline**"). To the extent possible, the Phase 1 Qualified Bid should follow the format as set out in the Template LOI.
14. An LOI submitted by a Phase 1 Qualified Bidder will only be considered a "**Phase 1 Qualified Bid**" if the LOI complies at a minimum with the following:
 - (a) it has been duly executed by all required parties;
 - (b) it is received by the Phase 1 Bid Deadline;
 - (c) it provides written evidence, satisfactory to the Monitor, in consultation with the Rambler Group and the DIP Lenders, of the ability to consummate the transaction within

the timeframe contemplated by the SISP and to satisfy any obligations or liabilities to be assumed on closing of the transaction, including, without limitation, a specific indication of the sources of capital;

- (d) it identifies all proposed material conditions to closing including, without limitation, any internal, regulatory or other approvals and any form of agreement or other document required from a government body, stakeholder or other third party, and an estimate of the anticipated timeframe and any anticipated impediments for obtaining such approvals;
- (e) it: (i) identifies the Qualified Phase 1 Bidder and representatives thereof who are authorized to appear and act on behalf of the Qualified Phase 1 Bidder for all purposes regarding the contemplated transaction; and (ii) fully discloses the identity of each entity or person that will be sponsoring, participating in or benefiting from the transaction contemplated by the LOI;
- (f) an outline of any additional due diligence required to be conducted in order to submit a binding offer;
- (g) it clearly indicates:
 - (i) that the Phase 1 Qualified Bidder is seeking to acquire all or substantially all of the Business whether through an asset purchase, a share purchase or a combination thereof (either one being, a "**Sale Proposal**") or some other portion of the Business (a "**Partial Sale Proposal**"); and/or
 - (ii) whether the Phase 1 Qualified Bidder is offering to make an investment in, restructure, recapitalize, reorganize or refinance the Rambler Group or their business (an "**Investment Proposal**");
- (h) it contains such other information as may be reasonably requested by the Monitor, in consultation with the Rambler Group and the DIP Lenders;
- (i) it does not provide for any break fee or expense reimbursement;
- (j) in the case of a Sale Proposal, it identifies or contains the following:
 - (i) the purchase price or price range and key assumptions supporting the valuation and the anticipated amount of cash payable on closing of the proposed transaction;
 - (ii) any contemplated purchase price adjustment;
 - (iii) a description of the specific assets that are expected to be subject to the transaction and any assets or obligations expected to be excluded;
 - (iv) a description of those liabilities and obligations (including operating liabilities, obligations to employees, and reclamation obligations) which the

Phase 1 Qualified Bidder intends to assume and which such liabilities and obligations it does not intend to assume;

- (v) information sufficient for the Monitor, in consultation with the Rambler Group and the DIP Lenders, to determine that the Phase 1 Qualified Bidder has sufficient ability to satisfy and perform any liabilities or obligations assumed pursuant to subparagraph (iv) above; and
 - (vi) any other terms or conditions of the Sale Proposal that the Phase 1 Qualified Bidder believes are material to the transaction; and
- (k) in the case of an Investment Proposal, it identifies the following:
- (i) a description of how the Phase 1 Qualified Bidder proposes to structure the proposed investment, restructuring, recapitalization, refinancing or reorganization;
 - (ii) the aggregate amount of the equity and/or debt investment to be made in the Rambler Group or their business;
 - (iii) the underlying assumptions regarding the *pro forma* capital structure;
 - (iv) a description of those liabilities and obligations (including operating liabilities, obligations to employees, and reclamation obligations) which the Phase 1 Qualified Bidder intends to assume and which such liabilities and obligations it does not intend to assume;
 - (v) information sufficient for the Monitor, in consultation with the Rambler Group, to determine that the Phase 1 Qualified Bidder has sufficient ability to satisfy and perform any liabilities or obligations assumed pursuant to subparagraph (iv) above; and
 - (vi) any other terms or conditions of the Investment Proposal that the Phase 1 Qualified Bidder believes are material to the transaction.
15. Notwithstanding the foregoing, the Monitor in consultation with the Rambler Group and the DIP Lenders may waive compliance with any one or more of the requirements in paragraph 14 and deem any such non-compliant LOI to be a Phase 1 Qualified Bid, provided that doing so shall not constitute a waiver by the Monitor of the requirements of paragraph 14 or an obligation on the part of the Monitor to designate any other LOI as a Phase 1 Qualified Bid. The Monitor will be under no obligation to negotiate identical terms with, or extend identical terms to, each Phase 1 Qualified Bidder;

Assessment of Phase 1 Qualified Bids and Subsequent Process

16. The Monitor, in consultation with the Rambler Group and the DIP Lenders, may, following the receipt of any LOI, seek clarification with respect to any of the terms or conditions of such LOI and/or request and negotiate one or more amendments to such LOI prior to

determining if the LOI should be considered a Phase 1 Qualified Bid or a Phase 1 Successful Bid (as defined below).

17. Following the Phase 1 Bid Deadline, the Monitor shall determine, in accordance with the requirements of paragraph 14 and in consultation with the Rambler Group, the LOI(s) that are selected as the most favourable Phase 1 Qualified Bid(s), which Phase 1 Qualified Bid(s) shall be deemed a “**Phase 1 Successful Bid(s)**” and which Phase 1 Qualified Bidder(s) accordingly shall be deemed a “**Phase 2 Qualified Bidder(s)**”. For greater certainty, there can be more than one Phase 1 Qualified Bid that may be determined as being a Phase 1 Successful Bid, and more than one Phase 1 Qualified Bidder that may be determined as being a Phase 2 Qualified Bidder.
18. Only Phase 2 Qualified Bidders – being those that have submitted a Phase 1 Successful Bid – shall be permitted to proceed to Phase 2 of the SISP.
19. The Monitor shall notify each Phase 1 Qualified Bidder in writing as to whether its Phase 1 Qualified Bid constituted a Phase 1 Successful Bid – such that it is a Phase 2 Qualified Bidder – within five (5) Business Days of the Phase 1 Bid Deadline, or at such later time as the Monitor deems appropriate, in consultation with the Rambler Group.
20. Without limiting the provisions governing amendment of the SISP set out in paragraph 32 below, and notwithstanding the process and timeline for Phase 1, the process to identify and designate Phase 2 Qualified Bidders and the terms upon which Phase 2 may be continued as described below, the Monitor may at any time before or after the Phase 1 Bid Deadline, determine that Phase 2 is not required and may proceed to execute a definitive agreement (which shall be subject to Court approval) with respect to a transaction contemplated in a Phase 1 Qualified Bid submitted at any time on or before the Phase 1 Bid Deadline.

PHASE 2: FORMAL OFFERS AND REMOVAL OF CONDITIONS

Formal Binding Offers

21. Any Phase 2 Qualified Bidder that wishes to make a formal offer with respect to his/her/its Sale Proposal or Investment Proposal shall submit a binding offer (a “**Binding Offer**”): (a) in the case of a Sale Proposal, in the form of the Template PSA provided in the VDR, along with a marked version showing edits to the original form of Template PSA provided in the VDR; or (b) in the case of an Investment Proposal, a plan or restructuring support agreement in form and substance satisfactory to the Monitor, in consultation with the Rambler Group and the DIP Lenders (each, such Binding Offer submitted in accordance with paragraph 22 below, a “**Phase 2 Qualified Bid**”) in each case to the Monitor, at the address specified in Appendix B hereto (including by email) so as to be received by the Monitor not later than 5:00 p.m. (Newfoundland Standard Time) on July 21, 2023, or such other date or time as may be agreed by the Monitor in consultation with the Rambler Group and the DIP Lenders (as may be extended, the “**Phase 2 Bid Deadline**”).

22. A Binding Offer will only be considered as a Phase 2 Qualified Bid if the Binding Offer:
- (a) has been received by the Phase 2 Bid Deadline;
 - (b) is a Binding Offer: (i) to purchase all, substantially all, or a portion of the Business; and/or (ii) to make an investment in, restructure, recapitalize, reorganize or refinance the Rambler Group or their business, on terms and conditions reasonably acceptable to the Rambler Group and the DIP Lenders;
 - (c) identifies all executory contracts of the Rambler Group that the Phase 2 Qualified Bidder will assume and clearly describes, for each contract or on an aggregate basis, how all monetary defaults and non-monetary defaults will be remedied, as applicable;
 - (d) is not subject to any financing conditionality;
 - (e) is unconditional, other than upon the receipt of the Approval Order(s) (as defined below) and satisfaction of any other conditions expressly set forth in the binding offer;
 - (f) includes acknowledgments and representations of the Phase 2 Qualified Bidder that it: (i) has had an opportunity to conduct any and all due diligence regarding the Opportunity prior to making its Binding Offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Business in making its Binding Offer; (iii) did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Opportunity or the completeness of any information provided in connection therewith, other than as expressly set forth in the Binding Offer or other transaction document submitted with the Binding Offer; and (iv) promptly will commence any governmental or regulatory review of the proposed transaction by the applicable competition, antitrust or other applicable governmental authorities;
 - (g) the Binding Offer must be accompanied by a letter that confirms that the Binding Offer: (i) may be accepted by the Monitor by countersigning the Binding Offer, and (ii) is irrevocable and capable of acceptance until the earlier of (A) two business days after the date of closing of the Successful Bid; and (B) the Outside Date;
 - (h) does not provide for any break fee or expense reimbursement;
 - (i) is accompanied by a deposit in the amount of not less than 10% of the cash purchase price payable on closing or total new investment contemplated, as the case may be (the "Deposit"), along with acknowledgement that if the Phase 2 Qualified Bidder is selected as the Successful Bidder (as defined below), that the Deposit will be non-refundable subject to approval of the Successful Bid (as defined below) by the Court and the terms described in paragraph 30 below;

Or

- (j) contemplates and reasonably demonstrates a capacity to consummate a closing of the transaction set out therein on or before August 31, 2023, or such earlier date as is practical for the parties to close the contemplated transaction, following the satisfaction or waiver of the conditions to closing (the “**Target Closing Date**”); and
- (k) contains an agreement that the Phase 2 Qualified Bidder submitting such bid, if not chosen as the Successful Bidder, shall serve, without modification to such bid, as a Backup Bidder (as defined below), in the event the Successful Bidder fails to close.

23. The Monitor shall not purport to waive strict compliance with any one or more of the requirements specified above (for greater certainty, other than paragraph 21(c) above and paragraph 32 below and deem any such non-compliant Binding Offer to be a Phase 2 Qualified Bid.

Selection of Successful Bid

24. The Monitor, in consultation with the Rambler Group and the DIP Lenders, may, following the receipt of any Binding Offer, seek clarification with respect to any of the terms or conditions of such Binding Offer and/or request and negotiate one or more amendments to such Binding Offer prior to determining if the Binding Offer should be considered a Phase 2 Qualified Bid.
25. The Monitor, in consultation with the Rambler Group and the DIP Lenders, will: (a) review and evaluate each Phase 2 Qualified Bid; and (b) identify the highest or otherwise best bid (the “**Successful Bid**”, and the Phase 2 Qualified Bidder making such Successful Bid, the “**Successful Bidder**”) pursuant to the paragraphs below. Any Successful Bid shall be subject to approval by the Court.
26. In the event there is at least two Phase 2 Qualified Bids that the Monitor, after consultation with the DIP Lenders, determines are materially the same, the Successful Bid shall be identified through an Auction.
27. Auction: In the event that an auction (the “**Auction**”) is required in accordance with the terms of this SISF, it shall be conducted in accordance with the procedures set forth in this paragraph:
- (a) The Auction shall commence at a time to be designated by the Monitor, no later than July 28, 2023, and may, in the discretion of the Monitor, be held virtually via videoconference, teleconference or such other reasonable means as the Monitor deems appropriate. The Monitor and the Rambler Group shall work in good faith with the parties entitled to attend the Auction to arrange for the Auction to be so held. The Monitor reserves the right to cancel or postpone the Auction in the consultation with the DIP Lenders.
 - (b) The identity of each Phase 2 Qualified Bidder participating in the Auction will be disclosed, on a confidential basis, to each other Phase 2 Qualified Bidder participating in the Auction.
- 

- (c) Except as otherwise permitted in the Monitor's discretion, only the Rambler Group, the DIP Lenders, the Monitor and the Phase 2 Qualified Bidders, and, in each case, their respective professionals shall be entitled to attend the Auction. Only a Phase 2 Qualified Bidder is eligible to participate in the Auction.
- (d) Phase 2 Qualified Bidders shall appear at the Auction, or through a duly authorized representative.
- (e) Except as otherwise set forth herein, the Monitor, in consultation with the Rambler Group and the DIP Lenders, may waive and/or employ and announce at the Auction additional rules, including rules to facilitate the participation of parties participating in an aggregated bid, that are reasonable under the circumstances for conducting the Auction, provided that such rules are: (i) not inconsistent with the Initial Order, the SISP, the Bidding Procedures, the DIP, the CCAA, or any order of the Court entered in connection with the CCAA Proceedings; (ii) disclosed to each Phase 2 Qualified Bidder; and (iii) designed, in the Monitor's business judgment, to result in the highest and otherwise best offer.
- (f) The Monitor will arrange for the actual bidding at the Auction to be transcribed or recorded. Each Phase 2 Qualified Bidder participating in the Auction shall designate a single individual to be its spokesperson during the Auction.
- (g) Each Phase 2 Qualified Bidder participating in the Auction must confirm on the record, at the commencement of the Auction and again at the conclusion of the Auction, that it has not engaged in any collusion with the Rambler Group or any other person regarding the SISP that has not been disclosed to all other Phase 2 Qualified Bidders.
- (h) Prior to the Auction, the Monitor shall identify, in consultation with the Rambler Group and the DIP Lenders, the highest and best of the Phase 2 Qualified Bids received and such Phase 2 Qualified Bid shall constitute the opening bid for the purposes of the Auction (the "Opening Bid"). Subsequent bidding will continue in minimum increments valued at not less than \$[250,000] cash in excess of the Opening Bid. For the purposes of facilitating bidding, the Monitor may ascribe a monetary value to non-cash considerations, including by way of example, to different levels of conditionality to closing. Each Phase 2 Qualified Bidder shall provide evidence of its financial wherewithal and ability to consummate the transaction at the increased purchase price, if so requested by the Monitor. Further, in the event that an Aggregated Bid qualifies to participate in the Auction, modifications to the bidding requirements may be made by the Monitor to facilitate bidding by the participants in the Aggregated Bid.
- (i) All Phase 2 Qualified Bidders shall have the right to, at any time, request that the Monitor announce, subject to any potential new bids, the then-current highest and best bid and, to the extent requested by any Phase 2 Qualified Bidder, use reasonable efforts to clarify any and all questions such Phase 2 Qualified Bidder

may have regarding the Monitor's announcement of the then-current highest and best bid.

- (j) Each participating Phase 2 Qualified Bidder shall be given reasonable opportunity to submit an overbid at the Auction to any then-existing overbids. The Auction shall continue until the bidding has concluded and there is one remaining Phase 2 Qualified Bidder that the Monitor, in consultation with the Rambler Group and the DIP Lenders, determine has submitted the highest and otherwise best Phase 2 Qualified Bid of the Auction. At such time and upon the conclusion of the bidding, the Auction shall be closed and the final remaining Phase 2 Qualified Bidder shall be the Successful Bidder.
 - (k) Upon selection of a Successful Bidder, the Monitor shall require the Successful Bidder to deliver as soon as practicable an amended and executed transaction document that reflects its final bid and any other modifications submitted and agreed to during the Auction, prior to the filing of the application material for the hearing to consider the Approval Motion (as defined below).
 - (l) The Monitor shall not consider any bids submitted after the conclusion of the Auction.
28. The final Successful Bid and the Backup Bid (as defined below) shall be selected by no later than July 28, 2023 and the definitive documentation in respect of the Successful Bid must be finalized and executed no later than August 4, 2023, which definitive documentation shall be conditional only upon the receipt of the Approval Order(s) and the express conditions set out therein and shall provide that the Successful Bidder shall use all reasonable efforts to close the proposed transaction by no later than the Target Closing Date, or such longer period as shall be agreed to by the Monitor in consultation with the Rambler Group, the DIP Lenders and the Successful Bidder. In any event, the Successful Bid must be closed by no later than the Outside Date, unless with the authorization of the DIP Lenders, acting reasonably.
29. Notwithstanding anything in the SISF to the contrary, if an Auction is conducted, the Phase 2 Qualified Bidder with the next highest or otherwise best Phase 2 Qualified Bid at the Auction, as determined by the Monitor will be designated as the backup bidder (the "**Backup Bidder**"). The Backup Bidder shall be required to keep its initial Phase 2 Qualified Bid (or if the Backup Bidder submitted one or more overbids at the Auction, the Backup Bidder's final overbid) (the "**Backup Bid**") open until the earlier of: (A) two business days after the date of closing of the Successful Bid; and (B) the Outside Date.

Approval of Successful Bid

30. The Monitor shall apply to the Court (the "**Approval Motion**") for one or more orders: (i) approving the Successful Bid and the Backup Bid (as applicable) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required thereby; and (ii) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by the Successful Bid or the Backup Bid, as applicable, so

as to vest title to any purchased assets in the name of the Successful Bidder or the Backup Bidder (as applicable) and/or vesting unwanted liabilities out of one or more of the Rambler Group (collectively, the "Approval Order(s)"). The Approval Motion will be held on a date to be scheduled by the Monitor and confirmed by the Court upon application by the Monitor, who shall use their best efforts to schedule the Approval Motion on or before August 25, 2023, subject to Court availability. The Approval Motion may be adjourned or rescheduled by the Monitor without further notice, by an announcement of the adjourned date at the Approval Motion or in a notice to the service list of the CCAA Proceedings prior to the Approval Motion.

31. All Phase 2 Qualified Bids (other than the Successful Bid) shall be deemed rejected on and as of the date of the closing of the Successful Bid, with no further or continuing obligation of the Monitor to any unsuccessful Phase 2 Qualified Bidders.

Deposits

32. The Deposit(s):
- (a) shall, upon receipt from the Phase 2 Qualified Bidder(s), be retained by the Monitor and deposited in a non-interest-bearing trust account.
 - (b) received from the Successful Bidder, shall:
 - (i) be applied to the purchase price to be paid by the applicable Successful Bidder whose Successful Bid is the subject of the Approval Order(s), upon closing of the approved transaction; and
 - (ii) shall otherwise be held and refundable in accordance with the terms of the definitive documentation in respect of any Successful Bid, provided that all such documentation shall provide that the Deposit shall be retained by the Monitor and forfeited by the Successful Bidder if the Successful Bid fails to close by the Outside Date, and such failure is attributable directly to any failure or omission of the Successful Bidder to fulfil its obligations under the terms of the Successful Bid;
 - (c) received from the Backup Bidder, unless it is subsequently selected as the Successful Bidder, shall be fully refunded, to the Backup Bidder on or before the earlier of: (i) two (2) Business Days after the date of the closing to the Successful Bid; or (ii) September 5, 2023; and
 - (d) received from the Phase 2 Qualified Bidder(s) that are not the Successful Bidder or the Backup Bidder shall be fully refunded, to the Phase 2 Qualified Bidder(s) that paid the Deposit(s) as soon as practical following the selection of the Successful Bidder and in any event no later than July 31, 2023.

Amendment

33. The Monitor shall have the right at any time, in consultation with the Rambler Group and the DIP Lenders, to: (i) make material amendments to the SISP (including by extending the Phase 1 Bid Deadline or the Phase 2 Bid Deadline); and (ii) make non-material amendments to the SISP, in each case if, in the Monitor's reasonable judgment in consultation with the Rambler Group and/or the DIP Lenders, such material or non-material amendment will enhance the procedure for conducting the SISP or maximize the value of a transaction pursuant to the SISP. The Monitor shall advise the Service List in the CCAA Proceedings of any material amendment to the SISP. Without limiting the foregoing and notwithstanding the process and timeline for Phase 1 and the continuation of the SISP into Phase 2, the Monitor may at any time during Phase 1 or Phase 2: (i) retain an investment bank to assist or conduct the SISP (ii) subject to Court approval, enter into a stalking horse agreement involving a transaction with respect to some or all of the Business with a party identified through the SISP or otherwise; or (iii) subject to Court approval, enter into a definitive agreement with respect to a transaction involving some or all of the Business with a party identified through the SISP or otherwise and suspend or terminate the SISP.

"As is, Where is"

34. Any sale (or sales) of the Business will be on an "as is, where is" basis except for representations and warranties that are customarily provided in purchase agreements for a Rambler Group subject to CCAA proceedings and any such representations and warranties provided for in the definitive documents shall not survive closing.

Free of Any and All Claims And Interests

35. In the event of a sale, to the extent permitted by law, all of the rights, title and interests of the Rambler Group in and to the Business to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests thereon and there against (collectively, the "Claims and Interests") pursuant to section 36(6) of the CCAA, such Claims and Interests to attach to the net proceeds of the sale of such Business (without prejudice to any claims or causes of action regarding the priority, validity or enforceability thereof), except to the extent otherwise set forth in the relevant transaction documents with a Successful Bidder.

Credit Bidding

36. Any party or parties holding a valid, enforceable, and properly perfected security interest in the Business may, subject in all respects to such party's compliance with the Bidding Procedures, credit bid the amount of debt secured by such lien as part of any transaction contemplated by the Bidding Procedures; provided, however, that such transaction shall also provide for the indefeasible and irrevocable repayment in full in cash on the date of closing of any such transaction of any and all obligations: (i) owing to the DIP Lenders; (ii) owing pursuant to any charges granted by the Court in the CCAA Proceedings; and (iii) secured by a security interest in the Business that is to be acquired under such transaction that is senior to the security interest held in such Business by the party

submitting such credit bid unless the holder or indenture trustee or agent of any such senior security interest otherwise agrees.

37. Nothing contained in the SISP or any order approving the SISP is intended to, or shall, alter or amend the rights, terms or obligations under any intercreditor agreement or other form of agreement in respect of existing indebtedness of the Rambler Group.

Insider Credit Bid / Existing Secured Creditor Bid

38. Any party or parties holding a valid, enforceable, and properly perfected security interest in the Business may, subject in all respects to such party's compliance with the Bidding Procedures, credit bid the amount of debt secured by such lien as part of any transaction contemplated by the Bidding Procedures; provided however that any such credit bid must be communicated to the Monitor in writing by no later than April 14, 2023 at 5:00 p.m. (Newfoundland Time).

Confidentiality

39. For greater certainty other than as shall be required in connection with any Auction or Approval Motion, neither the Rambler Group nor the Monitor will share: (i) the identity of any Potential Bidder, or Phase 1 Qualified Bidder; or (ii) the terms of any bid, LOI, Phase 1 Qualified Bid, Sale Proposal, Investment Proposal or Phase 2 Qualified Bid, with any other bidder without the consent of such party (including by way of email).

Further Orders

40. At any time during the SISP, the Monitor may apply to the Court for advice and directions with respect to any aspect of this SISP and the Bidding Procedures including, but not limited to, the continuation of the SISP or with respect to the discharge of its powers and duties hereunder.

Additional Terms

41. In addition to any other requirement of these Bidding Procedures:
- (a) The Monitor, as applicable, shall at all times prior to the selection of a Successful Bid use commercially reasonable efforts to facilitate a competitive bidding process in the SISP including, without limitation, by actively soliciting participation by all persons who would be customarily identified as high potential bidders in a process of this kind or who may be reasonably proposed by any of the Monitor, the DIP Lenders or the Rambler Group's stakeholders as a high potential bidder.
 - (b) Any consent, approval or confirmation to be provided by the Rambler Group and/or the Monitor is ineffective unless provided in writing and any approval required pursuant to the terms hereof is in addition to, and not in substitution for, any other approvals required by the CCAA or as otherwise required at law in order to implement a Successful Bid. For the avoidance of doubt, a consent, approval or confirmation provided by email shall be deemed to have been provided in writing for the purposes of this paragraph.
- 

- (c) All Phase 1 Qualified Bidders and Phase 2 Qualified Bidders shall at all times be granted information, access and facilitation that is no less complete and timely than is granted by the Monitor, or their representatives, to other Phase 1 Qualified Bidders and Phase 2 Qualified Bidders pursuant to the SISP. This shall include, without limitation, reasonable access to the Rambler Group's books, records, financial information, management, advisors and business partners. The Monitor shall review all information and materials provided by the Rambler Group or its representatives to the DIP Lenders or their representatives pursuant to the DIP and, to the extent that the Monitor, in consultation with the Rambler Group, is of the view that any such information or materials are materially relevant to a Potential Bidder or Phase 1 Qualified Bidder or Phase 2 Qualified Bidder, then such information or materials shall be promptly posted to the VDR or otherwise made available to all Potential Bidders, Phase 1 Qualified Bidders and Phase 2 Qualified Bidders. Nothing in this paragraph creates binding obligations of third parties.
- (d) Nothing in this SISP shall require that a Successful Bid, Backup Bid or any other bid must be approved by the Court. The Court at all times retains the discretion to direct the clarification, termination, extension or modification of the SISP and Bidding Procedures on application of any interested party.
- (e) Prior to the seeking of Court approval for any transaction or bid contemplated by this SISP, the Monitor will provide a report to the Court on the SISP process, parts of which may be filed under seal, including in respect of any and all bids received.

Dear Mr. Thorne:

We write to you in our capacity as the Court Appointed Monitor of Rambler Metals and Mining Canada Limited and 1948565 Ontario Inc. (collectively "Rambler" or the "Companies") in respect of its proceeding under the *Companies' Creditors Arrangement Act* ("CCAA").

Rambler's cashflow forecast attached to the Monitor's 2nd Report as Appendix F covering the period of March 13, 2023, through to September 1, 2023, (the "**March 13 Cash Flow**") contemplated that Transamine S.A., ("**Transamine**"), Rambler's exclusive customer, would make payment of \$1,778,858 USD during the week of March 27, 2023, and continue to make weekly payments on provisional invoices as copper concentrate is produced.

MATERIAL ADVERSE CHANGE:

Final Invoice #TSSA 30 269-292

We understand from Rambler that during the period of August 2, 2022, to January 3, 2023, Rambler produced copper concentrate and subsequently, shipped on January 6, 2023, 11,001 dry metric tonnes of copper concentrate to Transamine. In the ordinary course, Transamine completed their testing of the copper concentrate on March 3, 2023, and a final invoice was issued in the amount of \$1,778,858 USD by Rambler for which Transamine was to remit payment during the week of March 27, 2023. Transamine advised on March 23, 2023, that they did not intend to make payment.

Lot #301 Provisional Invoice

On a weekly basis, Rambler produces copper concentrate that is sent to Goodyear Cove. Upon delivery of the copper concentrate to Goodyear Cove and after internal testing of the same, Rambler issues a provisional invoice on a weekly basis to Transamine that is paid at 90% of the total value of the invoice. The Monitor has been advised that Transamine has not made payment for the Lot#301 Provisional Invoice in the amount of USD \$886,066 USD, a payment that was expected during the week of March 20, 2023. We understand that Transamine advised on March 24, 2023, that they did not intend to make payment.

We understand from Rambler that Transamine's intent is to claim a right of off-set and apply these receivables with pre-filing debt. Despite Rambler's best efforts with the assistance of the Monitor to come to a resolution with Transamine, a resolution has not been achieved and the Company will have a material negative variance in cash receipts from production and shipment as contemplated in the March 13 Cash Flow in the amount of \$2,664,924 USD

Furthermore, we understand from the DIP Lenders that they are not prepared to fund the short fall in the cash receipts which are payable to Rambler, which shortfall has arisen on account of Transamine's refusal to pay those

amounts to Rambler. Accordingly, Rambler is unable to continue operating the mine during the CCAA proceedings. Rambler will continue, with the support of the Monitor and the DIP Lenders, to administer the SISF. The DIP Lenders are prepared to provide continued lending to Rambler in accordance with revised cashflows provided that Rambler does not recommence operations at the mine.

Rambler has advised that they are not able to continue to operate in the normal course in light of the fact that they do not have sufficient cash flows as contemplated in the March 13 Cash Flow and accordingly they have begun transitioning their operations into care and maintenance mode as of March 30, 2023.

Given the forgoing, the Monitor's view is that material adverse change has occurred in respect of Rambler's March 13 Cash Flow and financial circumstances. As required by s.23(1)(d)(i) of the CCAA, the Monitor intends on filing a report with the Court regarding this change without delay.

Your truly,

Grant Thornton Limited

of Rambler Canada Metals and Mining Limited and 1948565 Ontario Inc.*
