

A Global Building Materials Group

Why Invest in Building Materials?

Natural demand for construction products driven by:

- Population growth
- Economic development
- New-build and repair, maintenance & improvement

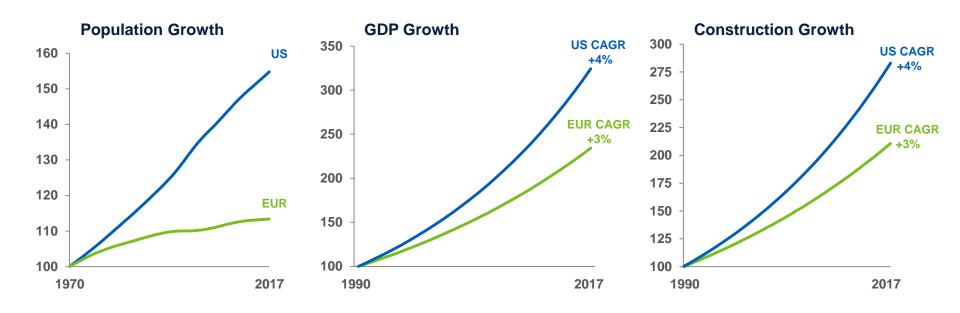

The Industry is fragmented:

- Opportunities for acquisitions ... room to grow
- Significant benefits of scale ... locally, regionally, globally

... Long-term drivers of construction growth

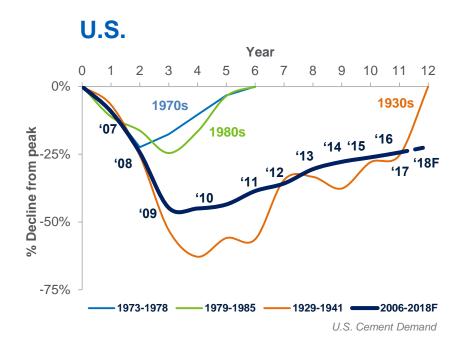

Why Invest in Building Materials?

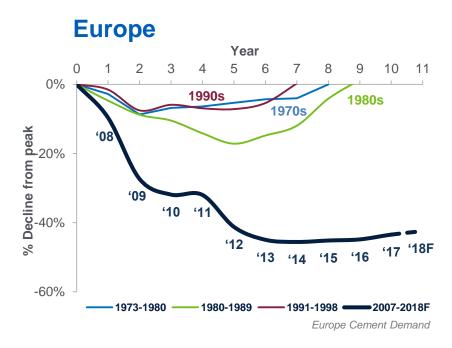

... Strong fundamentals underpin growth in our main markets

Where are we in the Recovery Cycle? Our main markets ...

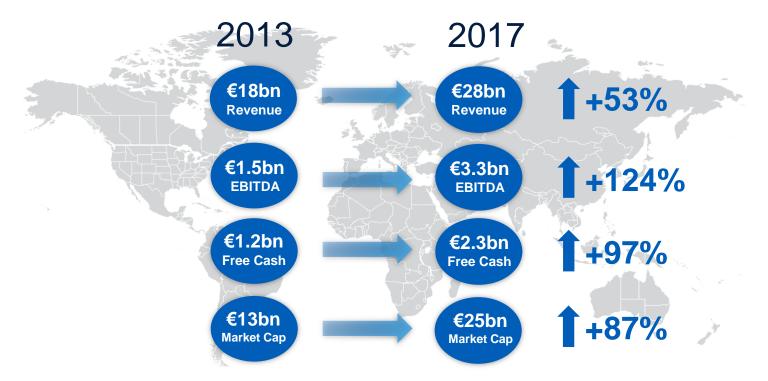

Still some way to run in the cycle ...

Recovery in early stages ...

CRH ... Performance & Growth

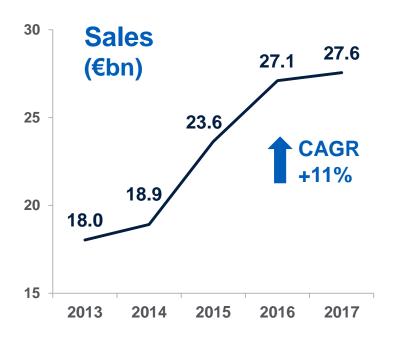

CRH ... a Better Business

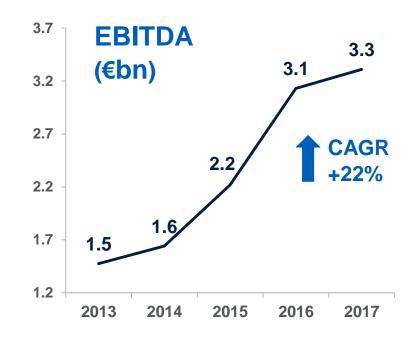

- Significant portfolio review initiated in 2014 ... €4bn+ divestment proceeds
- Since then, we have reallocated capital & reshaped our business
- This also included value-accretive M&A ... €10bn acquisitions
- Increasing our exposure to higher growth markets e.g. Southern / Western U.S. and Eastern Europe
- Leading to structurally higher margins, a better business mix ... and improving returns & cash

... Continuously adapting to changing markets

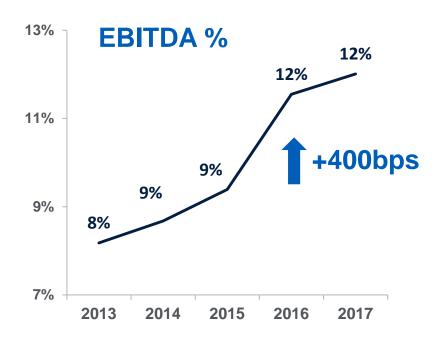

Strong growth in Sales and EBITDA ...

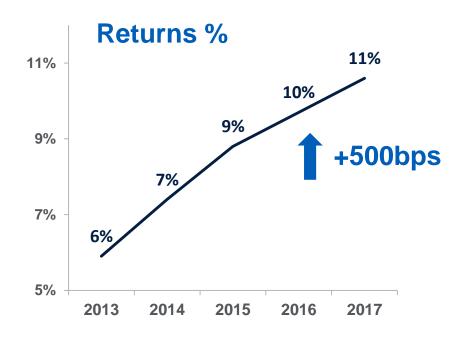

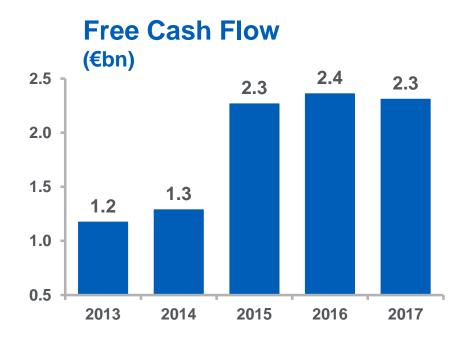

Improved Margins and Returns ...

Generating Strong Cash Flows ...

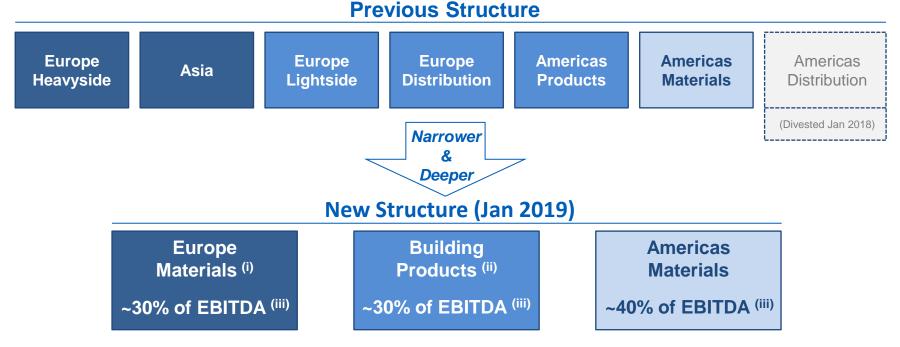

- Converting ~80% of profits into cash
- Generating €2bn+ cash p.a.
- ... before disposals

Organisation & Strategy

Building a Simpler & More Focused Business

... Further re-shaping the Group for future growth

- Europe Heavyside and Asia
- Europe Lightside, Europe Distribution and Americas Products
- 2017 reported, continuing operations

Building Products ... Establishing a Global Platform

- Related businesses, organised under separate structures in Europe and U.S.
- Now combining regional structures to form one global platform ... together, ~30% of Group EBITDA
- Significant further opportunities for growth and value creation
- Strong track record of profitable growth ... leadership positions in high-growth segments
- Leverage our scale & capabilities ... and benefit from horizontal integration & network synergies
- Meet the changing needs of construction

... Creating value through our global scale

Strategic Review of Europe Distribution

- Leading European distributor of Building Materials ...
 - ... €4bn sales across 6 countries in a number of different segments
- Mixed performance in recent years ... Strategic Review of the business is underway
- This will be focused on improving our margins & returns ...
 - ... and will also explore other strategic options

... Identifying opportunities to create further value

As Announced at our Recent AGM (April 2018) ...

What to expect from CRH

Our priorities going forward ...

- Relentless focus on Performance
- Disciplined Growth
- Continue to manage our Portfolio
- Value-focussed Capital Allocation policy

In the coming months ...

- We will set out the scale of the ambition we have for the Group in the years ahead, with a focus on ...
 - Shareholder Value
 - Cash Generation
 - Capital Allocation Policy

Commitment to continued improvement in shareholder returns

CRH plc, AGM 2018 28
