## ARIANA RESOURCES PLC

### KIZILTEPE CONSTRUCTION UPDATE

**Figure 1:** General view over the mine site, showing the mine administration buildings to the far left, steel water tank in the foreground and the process plant site in the centre. In the middle distance, the haul road to the plant can be seen.

**Figure 2:** Crushing unit foundations ready for the mounting of structural steel and crushers.

**Figure 3:** Open-pit entry ramp at Arzu South being prepared for its first blast.
