This Supplement is supplemental to, and should be read in conjunction with, the Base Prospectus and any other supplements to the Base Prospectus issued by the Issuers.

Each of BAT, BATIF and BATHTN accepts responsibility for the information contained in this Supplement. To the best of the knowledge and belief of BAT, BATIF and BATHTN, each of the foregoing declares (each having taken all reasonable care to ensure that such is the case) that the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

Purpose of this Supplement

The purpose of this Supplement is to incorporate by reference in the Base Prospectus the Group consolidated unaudited half-yearly financial results as at and for the six months ended 30 June 2013 (the “**Half-Yearly Results**”) which can be found in BAT’s half-yearly report for the six months ended 30 June 2013 (the “**Half-Yearly Report**”).

Half-Yearly Results

BAT has published its unaudited half-yearly financial statements as at and for the financial period ended 30 June 2013. A copy of the Half-Yearly Report has been filed with the Financial Conduct Authority and, by virtue of this Supplement, the Half-Yearly Results set out on pages 12 to 37 of the Half-Yearly Report are incorporated by reference in, and form part of, the Base Prospectus.

Any information included in the Half-Yearly Report but not forming part of the Half-Yearly Results does not form part of the Base Prospectus as it is either not relevant for prospective investors in the Notes or is covered elsewhere in the Base Prospectus.

Copies of all documents incorporated by reference in the Base Prospectus can be viewed on the website of the Regulatory News Service operated by the London Stock Exchange at <http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html> and can be obtained from the principal office in England of the Principal Paying Agent and BAT, as described on pages 2 and 98, respectively, of the Base Prospectus.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Base Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Base Prospectus, the statements in (a) above will prevail.

If documents which are incorporated by reference into this Supplement themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Directive (Directive 2003/71/EC) (as amended) except where such information or other documents are specifically incorporated by reference into the Supplement.

Save as disclosed in this Supplement, no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus has arisen or been noted, as the case may be, since the publication of the Base Prospectus.
