Details of the related purchases made by UBS AG of the relevant ordinary shares in the Company ("Shares"), for its own account, in connection with the buy-back programme on an aggregated basis in respect of each applicable trading venue, as well as detailed information of the individual trades, are set out below. Both the volume-weighted average prices quoted under "Aggregated information (purchases)" and the individual trade prices under "Individual trade details (purchases)" were not subject to SWT. These purchases of shares were conducted on-market and in accordance with the venue, price and volume restrictions specified in Regulation (EU) No 596/2014 (the Market Abuse Regulation), and UBS is authorised to undertake sales as well as purchases of Shares in order to meet its obligations pursuant to, and manage its equity exposure arising from, the Contract. The number of Shares that the Company purchases from UBS AG may therefore differ from the purchases of Shares reported. The number of shares purchased by the Company will be equal to, or fewer than, the number purchased by UBS AG.
