AMENDMENT TO THE ORIGINAL BASE PROSPECTUS FOLLOWING PROPOSALS TO AMEND THE "HYBRID MISMATCH RULES" OF THE *INCOME TAX ACT* (CANADA)

In light of the proposals to amend the "hybrid mismatch rules" of the *Income Tax Act* (Canada) which were announced by the Department of Finance (Canada) on January 29, 2026, the following disclosure is amended in the Original Base Prospectus:

(a) Under the section “**OVERVIEW OF THE PROGRAMME - Taxation**” commencing on page 31, the following shall be added at the end of the second paragraph after item (v) on page 32 therein:

“, or (iv) the recipient of interest payable on a Covered Bond is a “reverse hybrid entity” as defined in proposed amendments to the *Income Tax Act* (Canada) released by the Department of Finance (Canada) on January 29, 2026 (or successor provisions thereto);”.

(b) Under the section “**RISK FACTORS – 4. FACTORS WHICH ARE MATERIAL FOR THE PURPOSES OF ASSESSING THE RISKS RELATING TO THE COVERED BONDS – (a) Risks relating to all Covered Bonds**” commencing on page 55 of the Prospectus, the following shall be added as second and third paragraphs to the risk factor entitled “*m. Change of Tax Law*” on page 63:

“Furthermore, on January 29, 2026, the Department of Finance (Canada) released for consultation proposed amendments to the *Income Tax Act* (Canada) (the “**January 29 Tax Proposals**”) that would amend certain “hybrid mismatch” provisions of the *Income Tax Act* (Canada) and introduce other consequential amendments. The January 29 Tax Proposals are highly complex, and there remains significant uncertainty as to their interpretation and application, including whether they will be implemented in their proposed form, or at all. Investors should consult their own tax advisors with respect to the possible application of the January 29 Tax Proposals to them in their particular circumstances.

In addition, if the January 29 Tax Proposals become effective and, as a consequence, additional amounts become payable by the Issuer pursuant to Condition 8 (Taxation):

(a) a Covered Bondholder that is not resident in Canada for the purposes of the *Income Tax Act* (Canada) and that is a “reverse hybrid entity” (as defined in the January 29 Tax Proposals) may not be able to rely on the Issuer’s gross up obligations as described in Condition 8 (Taxation) and receive such additional amounts in respect of its Covered Bonds; and

(b) the Issuer may seek to redeem the applicable Covered Bonds early for taxation reasons as described in Condition 6.02 (*Early Redemption for Taxation Reasons*).

There can be no assurance that a Covered Bondholder whose Covered Bonds are redeemed early in accordance with Condition 6.02 (*Early Redemption for Taxation Reasons*) will be able to reinvest redemption proceeds at an effective rate of interest comparable to the effective yield on the Covered Bonds so redeemed.”

(c) Under the section “**TERMS AND CONDITIONS OF THE COVERED BONDS**” on pages 94 to 166, the following shall be added at the end of sub-section 8.01(b) under Condition 8 entitled “**Taxation**” on page 141:

“or (iv) who is a “reverse hybrid entity” as defined in proposed amendments to the *Income Tax Act* (Canada) released by the Department of Finance (Canada) on January 29, 2026 (or successor provisions thereto);”.

(d) Under the section “**TAXATION**” on pages 288 to 302, the third paragraph under the section entitled “*Canada*” on page 288 shall be deleted and replaced with the following:

“This summary is based upon the provisions of the Act and the Regulations in force on the date hereof and counsel’s understanding of the current administrative and assessing practices and policies of the Canada Revenue Agency published in writing by it prior to February 27, 2026. On January 29, 2026, the Department of Finance (Canada) released for consultation proposed amendments to the Act (the “**January 29 Tax Proposals**”) that would amend certain “hybrid mismatch” provisions of the Act and introduce other consequential amendments. This summary does not take into account the January 29 Tax Proposals, but otherwise takes into account all specific proposals to amend the Act and Regulations publicly announced by or on behalf of the Minister of Finance (Canada) prior to February 27, 2026 (the “**Proposed Amendments**”) and assumes that all such Proposed Amendments will be enacted in the form proposed. However, no assurances can be given that the Proposed Amendments will be enacted in the form proposed or at all. This summary does not take into account or anticipate any other changes in law, whether by legislative, governmental or judicial action or interpretation, nor does it take into account provincial, territorial or foreign income tax legislation. Subsequent developments could have a material effect on the following description.”

COVERED BOND PORTFOLIO INCREASE

RBC sold to the Guarantor LP and the Guarantor LP purchased from RBC, Loans and their Related Security on February 25, 2026 having a principal balance of approximately CAD\$39 billion in accordance with the terms of the Transaction Documents. As the purchase and sale occurred after the calculation date for the January Investor Report, this increase is not reflected in the January Investor Report and is expected to be reflected in the Investor Report for the calculation date of February 27, 2026.

AMENDMENT TO STATEMENT REGARDING GOVERNMENTAL, LEGAL OR ARBITRATION PROCEEDINGS

Paragraph 3 of the section entitled “**GENERAL INFORMATION**” on page 318 of the Base Prospectus is hereby deleted in its entirety and replaced with the following:

“Other than (i) the matters disclosed under the subsection entitled “Tax examinations and assessments” in Note 21 of the 2025 Audited Consolidated Financial Statements set out on page 227 of the Issuer’s 2025 Annual Report, (ii) the legal and regulatory matters disclosed (with the exception of the subsection entitled “Other matters”) in Note 24 of the 2025 Audited Consolidated Financial Statements set out on pages 230 and 231 of the Issuer’s 2025 Annual Report and (iii) the legal and regulatory matters disclosed in the subsection entitled “Legal and regulatory matters” in Note 11 of the Issuer’s First Quarter 2026 Unaudited Interim Condensed Consolidated Financial Statements set out on page 67 of the Issuer’s First Quarter 2026 Report to Shareholders and in each case incorporated by reference herein, there are no, nor have there been, any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Issuer is aware) during the twelve months prior to the date of this document which may have, or have had in the recent past, individually or in the aggregate, a significant effect on the financial position or profitability of the Issuer or the Guarantor LP or of the Issuer and its subsidiaries taken as a whole or the Guarantor LP.”

STATEMENT OF NO SIGNIFICANT CHANGE

There has been no significant change in the financial performance or financial position of the Issuer and its consolidated subsidiaries, including the Guarantor LP, taken as a whole since January 31, 2026, the last day of the financial period in respect of which the most recent unaudited interim condensed consolidated financial statements of the Issuer have been prepared.
