

Datalex selected as Ecommerce Partner for JetBlue Airways

Dublin, Ireland – 29 January, 2014 – Datalex plc (ISE: DLE) announces today that its Travel Distribution Platform ('TDP') has been selected by JetBlue Airways (<u>NASDAQ</u>: <u>JBLU</u>) as the airline's new retail ecommerce platform.

Based in New York, JetBlue carries in excess of 30 million customers each year to 82 cities in the United States, Caribbean and Latin America with an average of 800 daily flights, and is recognised for delivering a high standard of customer service.

Aidan Brogan, Chief Executive Officer, Datalex said:

"We are excited to announce such a significant partnership with JetBlue, which is further recognition of Datalex as the industry leader in airline retail solutions.

Eash Sundaram, JetBlue Executive Vice President & Chief Information Officer said:

"This strategic agreement with Datalex will further strengthen our ecommerce capabilities with a state-of-the-art merchandising platform and expanded self-service capabilities. These systems are expected to roll out in the second half of 2014 and will significantly improve the customer travel experience and also drive revenue opportunities."
