Independent Auditors' Report

To the Board of Directors of Housing Development Finance Corporation Limited

Report on the audit of the Standalone Annual Financial Results

Opinion

We have audited the accompanying standalone annual financial results of Housing Development Finance Corporation Limited (the 'Corporation') for the year ended 31 March 2020, attached herewith, being submitted by the Corporation pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the 'Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone annual financial results:

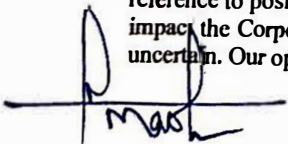

- are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the year ended 31 March 2020.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143 (10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results* section of our report. We are independent of the Corporation, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the standalone annual financial results.

Emphasis of Matter

As described in Note 6 to the standalone financial results, in accordance with Reserve Bank of India COVID-19 Regulatory Package, ageing of accounts opting for moratorium offered by the Corporation and moving into Stage 3 (based on days past due status as of 31 March 2020) has been determined with reference to position as of 29 February 2020. Further, the extent to which the COVID-19 Pandemic will impact the Corporation's financial performance is dependent on future developments, which are highly uncertain. Our opinion is not modified in respect of the above matter.

Independent Auditors' Report (continued)
Housing Development Finance Corporation Limited

Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Corporation's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Corporation and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, Management and the Board of Directors are responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

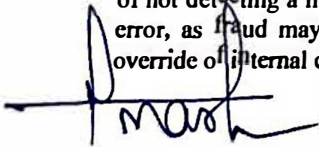

The Board of Directors is responsible for overseeing the Corporation's financial reporting process.

Auditor's Responsibilities for the audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditor's Responsibilities for the audit of the Standalone Annual Financial Results (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Corporation has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial results made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

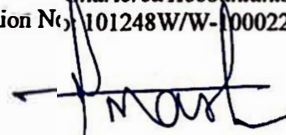

Other Matters

The standalone annual financial results include the results for the quarter ended 31 March 2020 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Notes :

- 3 The financial results have been prepared in accordance with Ind AS, notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India.
- 4 The Board of Directors have proposed a final dividend of ₹ 21, subject to the approval of the members at the ensuing Annual General Meeting.
- 5 During the quarter the Corporation acquired 51.16% of the equity share capital of HDFC ERGO General Health Insurance Limited (Formerly Apollo Munich Health Insurance Limited) pursuant to the receipt of approvals from RBI, IRDAI and CCI. Accordingly HDFC ERGO General Health Insurance Limited has become a subsidiary of the Corporation

HDFC ERGO General Health Insurance Limited would be merged with HDFC ERGO General Insurance Company Limited, subject to the approval of the National Company Law Tribunal, Mumbai.

- 6 On March 11, 2020, the World Health Organisation declared the novel coronavirus (COVID-19) as a pandemic. Besides the toll that this outbreak has had on human life, it has also disrupted the social, economic and financial structures of the entire world. In India, from March 25, 2020 to May 31, 2020, the central government declared a national lockdown, restricting the movement of the entire population of the country as a preventive measure against the spread of COVID-19.

There remains a high level of uncertainty about the duration of the lockdown and the time required for life and business operations to normalise. The extent to which the COVID-19 pandemic will impact the Corporation's business and financial results is at this juncture, dependent on future developments, which are highly uncertain.

In accordance with the RBI guidelines relating to COVID-19 Regulatory Package dated March 27, 2020, April 17, 2020, the Corporation has offered a moratorium on the payment of instalments falling due between March 1, 2020 and May 31, 2020 ('moratorium period') to eligible borrowers. Ageing of accounts opting for moratorium and moving into Stage 3 (based on days past due status as of 31 March 2020) has been determined with reference to position as of 29 February 2020.

- 7 Effective April 1, 2019 the Corporation has adopted Ind AS 116 - Leases, which requires any lease arrangement to be recognised in the balance sheet of the lessee as a 'right-of-use' asset with a corresponding lease liability. The 'right-of-use' asset has been included under the line 'Property, Plant and Equipment' and lease liability has been included under 'Other Financial Liabilities'. Accordingly depreciation has been charged on such assets as against lease rental expenses in the previous year. Similarly interest expense has been recognised on lease liabilities under finance costs. As permitted by the standard, comparatives for the previous period / year have not been restated. The effect of this adoption is insignificant on the profit for the quarter and year ended March 31, 2020.
- 8 The Corporation has elected to exercise the option of a lower tax rate provided under Section 115BAA of the Income-tax Act, 1961, as introduced by the Taxation Laws (Amendment) Ordinance, 2019 dated September 20, 2019. Accordingly, the Corporation has recognised provision for income tax for the half year ended September 30, 2019 and re-measured its deferred tax assets (including re-measuring the opening balance as at April 1, 2019 and has taken a charge of ₹ 237.67 crore relating to the same in the current quarter) basis the rate provided in the said section. The full impact of above mentioned change has been recognised in the result for the quarter ended September 30, 2019.

Basis for Opinion

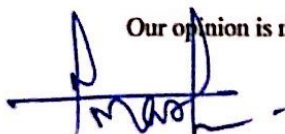

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

Emphasis of Matter

As described in Note 7 to the consolidated financial results, in accordance with Reserve Bank of India COVID-19 Regulatory Package, ageing of accounts opting for moratorium offered by the Corporation and moving into Stage 3 (based on days past due status as of 31 March 2020) has been determined with reference to position as of 29 February 2020.

As described in Note 7 to the consolidated financial results and as highlighted wherever by respective auditors in their reports relating to the subsidiaries and associates of the Corporation, the extent to which the COVID-19 pandemic will impact the financial performance of the Group and its associates is dependent on future developments, which are highly uncertain.

Our opinion is not modified in respect of the above matters.

Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit and other comprehensive income and other financial information of the Group and its associates in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the Management and the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

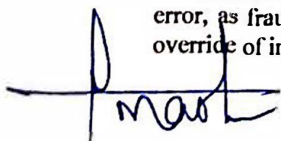

The respective Board of Directors of the companies included in the Group and of its associates is responsible for overseeing the financial reporting process of each company.

Auditors' Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Auditors' Responsibilities for the Audit of the Consolidated Annual Financial Results (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

6 During the quarter the Corporation acquired 51.18% of the equity share capital of HDFC ERGO General Health Insurance Limited (Formerly Apollo Munich Health Insurance Limited) pursuant to the receipt of approvals from RBI, IRDAI and CGI. Accordingly HDFC ERGO General Health Insurance Limited has become a subsidiary of the Corporation. HDFC ERGO General Health Insurance Limited would be merged with HDFC ERGO General Insurance Company Limited, subject to the approval of the National Company Law Tribunal, Mumbai.

7 On March 11, 2020, the World Health Organisation declared the novel coronavirus (COVID-19) as a pandemic. Besides the toll that this outbreak has had on human life, it has also disrupted the social, economic and financial structures of the entire world. In India, from March 25, 2020 to May 31, 2020, the central government declared a national lockdown, restricting the movement of the entire population of the country as a preventive measure against the spread of COVID-19.

There remains a high level of uncertainty about the duration of the lockdown and the time required for life and business operations to normalise. The extent to which the COVID-19 pandemic will impact the Group's business and financial results is at this juncture, dependant on future developments, which are highly uncertain.

In accordance with the RBI guidelines relating to COVID-19 Regulatory Package dated March 27, 2020, April 17, 2020, the Corporation has offered a moratorium on the payment of instalments falling due between March 1, 2020 and May 31, 2020 ('moratorium period') to eligible borrowers. Ageing of accounts opting for moratorium and moving into Stage 3 (based on days past due status as of 31 March 2020) has been determined with reference to position as of 29 February 2020.

8 Effective April 1, 2019 the Group has adopted Ind AS 116 - Leases, which requires any lease arrangement to be recognised in the balance sheet of the lessee as a 'right-of-use' asset with a corresponding lease liability. The 'right-of-use' asset has been included under the line 'Property, Plant and Equipment' and lease liability has been included under 'Other Financial Liabilities'. Accordingly depreciation has been charged on such assets as against lease rental expenses in the previous year. Similarly interest expense has been recognised on lease liabilities under finance costs. As permitted by the standard, comparatives for the previous period / year have not been restated. The effect of this adoption is insignificant on the profit for the quarter and year ended March 31, 2020.

9 During the quarter ended March 31, 2020, the Corporation has allotted 30,23,523 equity shares of ₹ 2 each pursuant to exercise of stock options by certain employees/ directors.

10 Figures of the quarter ended March 31, 2020 and March 31, 2019 are derived by deducting the reported year-to-date figures for the period ended December 31, 2019 and December 31, 2018 from the audited figures for the year ended March 31, 2020 and March 31, 2019.

11 Figures for the previous period have been regrouped wherever necessary, in order to make them comparable.

The above results for the quarter and year ended March 31, 2020 were reviewed by the Audit and Governance Committee of Directors and subsequently approved by the Board of Directors at its meeting held on May 25, 2020, in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The above results for the quarter and year ended March 31, 2020 have been subjected to audit by the Auditors of the Corporation.

To cater to non-resident Indians, HDFC has offices in London, Dubai and Singapore and service associates in the Middle East.

IMPACT OF COVID-19

The World Health Organisation declared COVID-19 as a pandemic on March 11, 2020 and India has been under a national lockdown since March 25, 2020.

The impact of COVID-19 was felt towards the last fortnight of the financial year. Retail loan disbursements were disrupted in the latter half of the month of March.

97% of the Corporation's customers use electronic modes of repayment for their instalments. However, in respect of 3% of borrowers, where follow ups would have otherwise been done through personal visits, this was not possible owing to the national lockdown. Recovery efforts were hampered in the latter half of March 2020, which resulted in an increase in individual non-performing loans.

With offices being closed in the months of April and part of May, individual loan disbursements have continued to be impacted. Loan approvals and loan servicing requirements are being done online. Further details are on the website, www.hdfc.com.

In accordance with the directions by the Reserve Bank of India, the Corporation has offered the moratorium to customers whose loans were standard as at February 29, 2020 for the period March 1, 2020 and May 31, 2020. On May 22, 2020, the RBI further permitted an extension the moratorium period by 3 months i.e. up to August 31, 2020.

The Corporation has adopted an 'opt-in' structure for the moratorium. As of date, approximately 26% of the Corporation's loans under management have opted for the moratorium. Individual loans under moratorium account for 21% of the individual loan portfolio.

The Corporation remains well capitalised and has significantly increased its liquidity levels. The Corporation has continued to raise funds from the capital markets, banks and refinance facilities during the lockdown.

The flow of deposits has continued as well. Deposits are being serviced online through its deposit platform, <https://online.hdfc.com/hdfcdeposits/>.

From mid-May onwards, the Corporation has gradually opened up its offices in areas which are not designated as containment zones and all offices and employees/visitors are following necessary hygiene protocols and social distancing.

As of date, nearly 90% of HDFC's offices are open for business. Offices currently operate within the local lockdown guidelines issued by the authorities from time to time and staff, on a rotational basis, follow the Work From Home protocol as required.

All customer requests are being served and the Corporation is confident that despite the extant challenges, all efforts are being made to remain a customer-centric organisation.

The HDFC group together committed ₹150 crore to the Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund (PM CARES Fund) to support the Indian government's efforts in managing the health crisis caused by the COVID-19 pandemic. Of this, the Corporation's contribution was ₹ 60 crore.

During the national lockdown, HDFC, through H T Parekh Foundation, has intensified its efforts to reach vulnerable communities across various states in India. It has increased its reach to 22 partners, across 12 states, with either cooked meals one month ration kits or hygiene safety kits. As of date, the Corporation has reached out to over 1.2 lac individuals through the provision of ration kits and approximately 7.7 lac cooked meals during the lockdown. Over 1 lac personal protection equipment (PPE) kits, 70,000 masks and ventilators have been distributed to state governments of Maharashtra, Delhi and Gujarat and charitable hospitals treating COVID-19 patients.

A total of ₹ 77 crore has been made by the Corporation towards COVID-19 relief across healthcare, community outreach and contribution to PM-CARES Fund.

There remains a high level of uncertainty about the duration of the lockdown and the time required for life and business operations to normalise. The Corporation will keep its investors and other stakeholders updated on material developments pertaining to the impact of COVID-19 on business.
