SUMMARY OF THE ISSUE

This summary relates to the issue of £650,000,000 1.750 per cent. Notes due 2025 described in the final terms (the "Final Terms") to which this summary is annexed. This summary contains that information from the summary set out in the Base Prospectus which is relevant to the Notes together with the relevant information from the Final Terms. Words and expressions defined in the Final Terms and the Base Prospectus have the same meanings in this summary.

Summaries are made up of disclosure requirements known as "Elements". These elements are numbered in Sections A – E (A.1 – E.7).

This summary contains all the Elements required to be included in a summary for this type of securities and Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements.

Even though an Element may be required to be inserted in the summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element is included in the summary with the mention of "Not Applicable".

Section A – Introduction and Warnings		
A.1	Introduction:	<p><i>This summary must be read as an introduction to the Base Prospectus and the Final Terms and any decision to invest in the Notes should be based on a consideration of the Base Prospectus as a whole, including any information incorporated by reference, and the Final Terms. A.2	Consent:	<p>General Consent: The Issuer and the Guarantors consent to the use of the Base Prospectus in connection with a Public Offer of the Notes by the Managers specified in the Final Terms and any financial intermediary which is authorised to make such offers under the Markets in Financial Instruments Directive (Directive 2004/39/EC) on the following basis:</p> <ul style="list-style-type: none"> (a) the relevant Public Offer is only made in Austria, Belgium, Germany, Luxembourg, the Netherlands and the United Kingdom; (b) the relevant Public Offer must occur during the period from and including 22 May 2017 until 24 May 2017, subject as set out in Paragraphs 7 and 8 of Part B of the Final Terms; and (c) the relevant Authorised Offeror must publish an Acceptance Statement, as contained in the Base Prospectus, on its website and satisfy the conditions set out in Paragraphs 7 and 8 of Part B of the Final Terms.
Section B – Issuer and Guarantors		
B.1	Legal name of the Issuer: Commercial name of the Issuer:	<p>Anheuser-Busch InBev SA/NV (the "Issuer" or "AB InBev")</p> <p>Anheuser-Busch InBev</p>
B.2	Domicile and legal form of the Issuer:	<p>The Issuer was incorporated on 3 March 2016 for an unlimited duration under the laws of Belgium under the original name Newbelco SA/NV ("Newbelco"), and is the successor entity to Anheuser-Busch InBev SA/NV which was incorporated on 2 August 1977 for an unlimited duration under the laws of Belgium under the original name BEMES ("Former AB InBev"). It has the legal form of a public limited liability company (<i>naamloze vennootschap/société anonyme</i>).</p> <p>Registered office: Grand Place/Grote Markt 1, 1000 Brussels, Belgium</p> <p>Register of Legal Entities of Brussels number: 0417.497.106.</p> <p>The Issuer's global headquarters are located at Brouwerijplein 1 3000 Leuven, Belgium (tel.: +32 16 27 61 11). The Issuer's agent in the United States is Anheuser-Busch InBev Services LLC, 250 Park Avenue, 2nd Floor, New York, NY, 10177.</p>

B.4b	Trends:	The Issuer expects that the following trends may affect its results of operations in 2017: While recognising the increased volatility in some of the Issuer's key markets, the Issuer expects to accelerate total revenue growth in 2017, driven by the solid growth of the Issuer's global brands and strong commercial plans, including revenue and management initiatives. The Issuer expects cost of sales per hectolitre to increase in low single digits on a constant geographic basis, despite unfavourable foreign exchange transactional impacts, and growth in the Issuer's premium brands. The Issuer expects selling, general and administrative expenses to remain broadly flat, as the Issuer will continue to find savings in overhead to invest behind its brands. The Issuer has updated during its fiscal year 2016 earnings announcement, its USD 2.45 billion synergy expectation to USD 2.8 billion, with synergies being calculated on a constant currency basis as of August 2016. From this total, USD 547 million was reported by SABMiller Limited as of 31 March 2016, and USD 282 million was captured between 1 April 2016 and 31 December 2016 and USD 252 million was captured between 1 January 2017 and 31 March 2017. The balance of approximately USD 2.0 billion is expected to be captured in the next three to four years. The Issuer expects the average rate of interest on net debt in 2017 to be in the range of 3.5 per cent. to 4.0 per cent. Net pension interest expenses and accretion expenses are expected to be approximately USD 30 million and USD 150 million USD per quarter, respectively. Other financial results will continue to be impacted by any gains and losses related to the hedging of the Issuer's share-based payment programmes. The Issuer expects net capital expenditure of approximately USD 3.7 billion in 2017. Approximately one-third of the Issuer's gross debt is denominated in currencies other than the U.S. dollar, principally the euro. The Issuer's optimal capital structure remains a net debt to EBITDA, as defined (adjusted for exceptional items), ratio of around 2x. The Issuer continues to expect dividends to be a growing flow over time, although growth is expected to be modest given the importance of deleveraging.

Statements of no significant or material adverse change:	There has been no material adverse change in the prospects of the Issuer or the Group since 31 December 2016, nor any significant change in the financial or trading position of the Issuer or the Group since 31 March 2017.							
B.13	Recent Events:	On 11 November 2015, Former AB InBev announced that an agreement had been reached with the board of SABMiller on the terms of a recommended acquisition of the entire issued share capital of SABMiller by Former AB InBev. The final step of this business combination was completed on 10 October 2016 pursuant to a Belgian law merger by absorption under the Belgian Companies Code (the "Belgian Merger") whereby Former AB InBev was merged into Newbelco, with Newbelco being the surviving company ("Completion"). As a result of the Belgian Merger, Newbelco became the holding company for the combined Former AB InBev Group and SABMiller Limited (formerly known as SABMiller plc) and the group of companies owned and/or controlled by SABMiller Limited prior to Completion. All assets and liabilities of Former AB InBev were transferred to Newbelco and Newbelco was automatically substituted for Former AB InBev in all its rights and obligations by operation of Belgian law. Newbelco was renamed Anheuser-Busch InBev SA/NV, and Former AB InBev was dissolved by operation of Belgian law.						
B.14	Dependence upon other entities within the Group:	The Issuer is a holding company and its operations are carried out through subsidiaries. The ability of such subsidiaries to upstream or distribute cash to the Issuer through dividends, intercompany advances, management fees or other payments is dependent on the availability of cash flows and may be restricted by applicable laws and accounting principles.						
B.15	The Issuer's Principal Activities:	The Group produces, markets, distributes and sells a strong and balanced portfolio of well over 400 beer and other malt beverage brands and has a global footprint with an exposure to both mature and emerging markets and production facilities spread across multiple geographic regions. The production facilities and other assets of the Group are predominantly located in the same geographical areas as its customers. The Group sets up local production when it believes that there is substantial potential						

		for local sales that cannot be addressed in a cost efficient manner through exports or third party distribution.
		Local production also helps to reduce, but not eliminate, exposure to currency movements.
B.16	Controlling Persons:	<p>The Group's controlling shareholder is the Stichting, a foundation (<i>stichting</i>) organised under the laws of the Netherlands which represents an important part of the interests of the founding Belgian families of Interbrew (mainly represented by Eugénie Patri Sébastien S.A.) and the Brazilian families that were previously the controlling shareholders of Ambev (represented by BRC S.à.R.L.).</p> <p>As of 11 October 2016, the Stichting represented a 34.29 per cent. voting interest in the Issuer (and, if taken with those shares of the Issuer certain other entities acting in concert via a Shareholder's Agreement, an aggregate of 43.84 per cent.) based on the number of its shares outstanding as of 11 October 2016. The Stichting is governed by its bylaws and its conditions of administration.</p>
B.17	Ratings assigned to the Issuer or its Debt Securities:	<p>The Programme has been rated "A3" (Senior Unsecured) and "P-2" (Short Term) by Moody's Investors Service, Inc. ("Moody's") and "A-" (Senior Unsecured) and "A-2" (Short Term) by Standard & Poor's Credit Market Services Europe Limited ("S&P").</p> <p>S&P is established in the EU and is registered under Regulation (EC) No. 1060/2009 (as amended) of the European Parliament and of the Council of 16 September 2009 on credit rating agencies (the "CRA Regulation"). Moody's is not established in the EU but its ratings are endorsed by Moody's Investors Service Limited which is established in the EU and registered under the CRA Regulation.</p> <p>The Notes are expected to be rated A3 (stable) by Moody's and A- (negative) by S&P. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.</p>

C.1	Description of Type and Class of Securities:	<p>Issuance in Series: Notes will be issued in Series. Each Series may comprise one or more Tranches issued on different issue dates. The Notes of each Series will all be subject to identical terms, except that the issue date and the amount of the first payment of interest may be different in respect of different Tranches. The Notes of each Tranche will all be subject to identical terms in all respects save that a Tranche may comprise Notes of different denominations.</p> <p>The Notes are issued as Series number 29, Tranche number 1.</p>
		<p>Forms of Notes: Each Note will be issued in dematerialised form in accordance with the Belgian Companies Code and be represented by a book entry in the name of its owner or holder, or the owner's or holder's intermediary, in a securities account maintained by the X/N Clearing System or by a participant in the X/N Clearing System established in Belgium which has been approved as an account holder by Royal Decree.</p> <p>The X/N Clearing System maintains securities accounts in the name of authorised participants only. Noteholders therefore will not normally hold their Notes directly in the X/N Clearing System, but will hold them in a securities account with a financial institution which is an authorised participant in the X/N Clearing System, or which holds them through another financial institution which is such an authorised participant.</p>

		<p>Most credit institutions established in Belgium, including Euroclear Bank SA/NV ("Euroclear"), are participants in the X/N Clearing System. Clearstream Banking S.A. ("Clearstream, Luxembourg") is also a participant in the X/N System. Investors can thus hold their Notes in securities accounts in Euroclear and Clearstream, Luxembourg in the same way as they would for any other types of securities. The Notes held in Euroclear and Clearstream, Luxembourg shall be cleared in accordance with their usual procedures.</p> <p>The clearing and settlement systems of The National Bank of Belgium, Euroclear and Clearstream, Luxembourg function under the responsibility of their respective operators. The Issuer, the Guarantors and the Domiciliary Agent shall have no responsibility in this respect.</p> <p>Security Identification Number(s):</p> <p>ISIN Code: BE6295391914 Common Code: 161739847</p>

Under the negative pledge provision in Condition 3.1 (<i>Covenants - Negative Pledge</i>), the Notes will have the benefit of a negative pledge in respect of Relevant Indebtedness which is in the form of or represented by any bond, note, debenture, loan stock or other security which is, or is intended to be, quoted, listed or dealt in or traded, in each case with the agreement of the Issuer, on any stock exchange or over-the-counter or other securities market.</p> <p>Cross Acceleration: The Notes contain a cross acceleration provision in Condition 9(c) (<i>Events of Default - cross-acceleration</i>) which provides that the Issuer will default under the Notes if the Issuer or any Guarantor defaults under any other indebtedness and/or specified liabilities and, in the case of security or guarantees and/or indemnities, steps are taken to enforce such security or guarantee and/or indemnity (subject to a EUR200,000,000 threshold).</p>
		<p>Taxation: All payments in respect of Notes will be made free and clear of withholding taxes of the United States of America or Belgium, as the case may be, unless the withholding is required by law.</p> <p>Governing Law: English law, except for any matter relating to title to, and the dematerialised form of, the Notes, and Condition 13 (<i>Meetings of Noteholders and Modification</i>) with respect to the rules laid down in the Belgian Companies Code. D.2	Key Risks Specific to the Issuer and the Group:	<p><i>The following are the key risks that the Issuer and the Group are subject to, any of which may have an adverse impact on the operations, financial condition, prospects of the Group and ability to make payments due under the Notes:</i></p> <ul style="list-style-type: none"> • Changes in the availability or price of raw materials, commodities and energy. • The Group may not be able to obtain the necessary funding for its future capital or refinancing needs and it faces financial risks due to its level of debt and uncertain market conditions. • Certain of the Group's operations depend on independent distributors or wholesalers to sell its products. • There may be changes in legislation or interpretation of legislation by regulators or courts that may prohibit or reduce the ability of brewers to own wholesalers and distributors. • If the Group does not successfully comply with laws and regulations designed to combat governmental corruption in countries in which it sells its products, it could become subject to fines, penalties or other regulatory sanctions and its profitability could suffer. The Group may also incur significant costs in relation to compliance with applicable regulatory requirements. • The Group may not be able to successfully realise the anticipated benefits and synergies of the Transaction, including as a result of difficulty in integrating the businesses of the companies involved, and any such benefits and synergies will be offset by the significant transaction fees and other costs of the Group has incurred in connection with the Transaction. • Competition could lead to a reduction of the Group's margins, increase costs and adversely affect its profitability. • An inability to reduce costs could affect profitability. • The Group is exposed to developing market risks, including the risks of devaluation, nationalisation and inflation.

		<ul style="list-style-type: none"> • The Group may not be able to successfully carry out further acquisitions and business integrations or restructuring. • The Group's combination with Grupo Modelo has exposed the Group to significant costs. There may be potential difficulties in integrating Grupo Modelo into the Group's existing operations as well as the extraction of synergies from the transaction. • An impairment of goodwill or other intangible assets would adversely affect the Group's financial condition and results of operations. • Demand for the Group's products may be adversely affected by changes in consumer preferences and tastes. • Seasonal consumption cycles and adverse weather conditions may result in fluctuations in demand for the Group's products. • If any of the Group's products are defective or found to contain contaminants, the Group may be subject to product recalls or other liabilities. • The Group may not be able to protect its intellectual property rights. • The beer and beverage industry may be subject to adverse changes in taxation. • The Group is exposed to labour strikes and disputes that could lead to a negative impact on its costs and production level. • The Group relies on the reputation of its brands. The image and reputation of the Group's products may be reduced in the future and concerns about product quality, even when unfounded, could tarnish the image and reputation of its products. Any damage to, restriction on the ability to promote, or inability to promote the image or reputation of the Group may have a material adverse effect on the Group.
		<ul style="list-style-type: none"> • The Group is exposed to the risk of litigation. Members of the Group are now and may in the future be party to legal proceedings and claims and significant damages may be asserted against them.
D.3	Key Risks Specific to the Notes:	<p>The Guarantees provided by the Guarantors may be released in certain circumstances. Each Guarantor may terminate its Guarantee if: (A) (i) the relevant Guarantor is released under the 2010 Senior Facilities Agreement and (ii) the relevant Guarantor is released under the 2015 Senior Facilities Agreement and (iii) the aggregate amount of indebtedness for which the relevant Guarantor is an obligor (as a guarantor or borrower) does not exceed 10 per cent. of the consolidated gross assets of the Group (in the balance sheet of the most recent publicly released interim or annual consolidated financial statements); or (B) the relevant Guarantor ceases to be a Subsidiary of the Issuer or disposes of all or substantially all of its assets to a Person who is not a Subsidiary of the Issuer. If the Guarantees by the Guarantors are released, the Issuer is not required to replace them, and the relevant Notes will have the benefit of fewer or no Guarantees for the remaining maturity of the relevant Notes.</p> <p>Should the Guarantors default on their Guarantees, a holder's right to receive payments on the Guarantees may be adversely affected by the insolvency laws of the jurisdiction of organisation of the defaulting Guarantors.</p>
