RECENT DEVELOPMENT

TOYOTA FINANCE AUSTRALIA LIMITED - CLASS ACTION

On 22 February 2024, TFA was served with a class action lawsuit claiming that between 2010 and 2018 there was an undisclosed flex commission arrangement between TFA and its dealerships that encouraged those dealerships to inflate the interest rates on loans arranged for their customers. TFA is currently reviewing the claim and cannot predict the eventual scope, duration or outcome at this time. As a result, TFA is unable to estimate the amount or range of any potential loss arising from the class action.
