If documents which are incorporated by reference themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the Prospectus Regulation except where such information or other documents are specifically incorporated by reference in this Supplement.

Any non-incorporated parts of a document referred to in this Supplement (which, for the avoidance of doubt, means any parts not listed in the cross-reference list above) are either deemed not relevant for an investor or are otherwise covered elsewhere in the relevant Base Prospectus.

General Information

There has been no significant change in the financial performance or financial position of the Issuer or the Group since 30 September 2021.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the relevant Base Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the relevant Base Prospectus, the statements in (a) above will prevail.

Save as disclosed in this Supplement and any supplement to any of the Base Prospectuses issued previously, there has been no other significant new factor, material mistake or material inaccuracy relating to information included in the Base Prospectuses since the respective dates of publication of the Base Prospectuses.
