The Issuer has convened the Meeting for the purpose of enabling Noteholders to consider the terms of the Noteholder Extraordinary Resolution and resolve, if they think fit, to pass the Noteholder Extraordinary Resolution proposed in relation to the Notes. Capitalised terms used in this Notice of Meeting and not otherwise defined shall have the meanings given to them in, or incorporated by reference into, the Note Trust Deed or the Prospectus, unless the context otherwise requires.

Pursuant to the terms of the Note Trust Deed, the Issuer is also convening separate meetings of each of the Noteholders of the £450,000,000 3.875 per cent. Notes due 2028 (ISIN: XS0904228557) (the “**2028 Notes**”) and the £350,000,000 4.250 per cent. Notes due 2035 (ISIN: XS1131914811) (the “**2035 Notes**”) for the purposes of seeking the consent of the holders of such Notes to an equivalent noteholder extraordinary resolution to that of the Noteholder Extraordinary Resolution as further described in this Notice of Meeting.

Neither the Issuer Trustee nor the Obligor Security Trustee has been involved in the formulation of the Noteholder Extraordinary Resolution and, in accordance with normal practice, each of the Issuer Trustee and the Obligor Security Trustee expresses no opinion on the Noteholder Extraordinary Resolution or on whether Noteholders would be acting in Noteholders' best interests in passing the Noteholder Extraordinary Resolution, and nothing in this Notice of Meeting should be construed as a recommendation to Noteholders from the Issuer Trustee to vote in favour of, or against, or abstain from voting on the Noteholder Extraordinary Resolution. Noteholders should take their own independent financial advice on the merits and on the consequences of voting in favour of, or against or abstain from voting on the Noteholder Extraordinary Resolution, including any tax consequences.

1 Background to the Noteholder Extraordinary Resolution

- 1.1** The COVID-19 pandemic resulted in the shopping centres, land and properties owned by the Obligors (as defined below) (the **"Properties"**) operating on a semi-closed basis until 15 June 2020, with only essential stores such as supermarkets and pharmacies remaining open prior to that date. The level of rent collected from the Properties was significantly reduced at the last quarter day being 24 June 2020. Reduced social activity is likely to continue for the foreseeable future impacting footfall and potential future rents across the Properties and, as at the date of this Notice of Meeting, the speed of recovery as the UK comes out of lockdown remains unclear. These impacts are being seen across all shopping centres owned by Intu Properties plc (in administration) (the **"Parent"**) including the Properties. (For the purposes of this Notice of Meeting, **"Obligors"** shall mean FinCo, Intu (SGS) Limited, Intu (SGS) Holdco Limited, Intu Lakeside Limited, Intu Watford Limited, WRP Management Limited, Braehead Glasgow Limited, Braehead Park Investments Limited, Victoria Centre Limited, VCP (GP) Limited, VCP Nominees No. 1 Limited and VCP Nominees No. 2 Limited.)
- 1.2** Despite continued discussions between the Parent and its creditors, insufficient alignment and agreement was achieved on the proposed terms of standstill-based agreements. As a result, on 26 June 2020, the Parent made an application for James Robert Tucker, Michael Robert Pink and David John Pike of KPMG LLP to be appointed as joint administrators to the Parent and several other key central entities in group consisting of the Parent and its subsidiaries (but excluding FinCo and the other Obligors (the **"Security Group"**)). As a result, with effect from 26 June 2020, listing and trading of the Parent's ordinary shares on the London Stock Exchange and the Johannesburg Stock Exchange were suspended.
- 1.3** The Security Group continues to operate and Intu Retail Services Limited (in administration) (the **"Supplier"**) will provide operating services to the Security Group through a transitional services agreement (the **"TSA"**) for a maximum 6 month period, commencing from 26 June 2020. The Security Group believes that the best way forward in order to maximise recoveries for its stakeholders and creditors is achieving stability through the period in which the TSA is in place by implementing the amendments and giving the waivers set out in the STID Proposal and the Issuer Proposal.
- 1.4** On 4 August 2020, FinCo delivered the STID Proposal to the Obligor Security Trustee formally proposing the amendments and waivers in accordance with the Finance Documents. On 4 August 2020, the Issuer delivered the Issuer Proposal to the Issuer Trustee formally proposing the amendments and waivers in accordance with the Issuer Documents. Should the Noteholder Extraordinary Resolution be passed, the equivalent extraordinary resolutions in respect of the 2028 Notes and the 2035 Notes be passed and the other requirements set out at Clause 10.2 of the STID Voting Request are satisfied, and provided that the Obligor Security Trustee provides consent to the proposals and waivers in accordance with the STID Proposal and the Issuer Trustee and the other Issuer Secured Participants provide consent to the proposals and waivers in accordance with the Issuer Proposal, the amendments and waivers will be implemented by way of a Master Amendment Agreement.
- 1.5** FinCo has engaged with Secured Participants (including both banks and noteholders) holding, in aggregate, approximately 67.38 per cent. of the Outstanding Principal Amount of all Qualifying Debt, to discuss the STID Proposal and the Issuer Proposal prior to announcement of the Noteholder Extraordinary Resolution and who have indicated that, subject to client and other approvals, they intend to vote in favour of the STID Proposal and the Issuer Proposal (as applicable). The Issuer hopes that other Noteholders, other Secured Participants and Issuer Secured Participants will see this as a positive indication that the STID Proposal and Issuer

Proposals represent an appropriate package of measures to achieve stability through the period in which the TSA is in place.

2 Risk factors

Before making a decision with respect to the Noteholder Extraordinary Resolution, Noteholders should carefully consider, in addition to the other information contained in this Notice of Meeting, the following:

- 2.1 Blocking of Notes:** Following the submission of an Electronic Voting Instruction (as defined below), the Notes which are the subject of such instructions will be blocked from trading by the relevant Clearing System until the conclusion of the Meeting (or any adjourned Meeting).
- 2.2 No assurance that the Noteholder Extraordinary Resolution will be implemented:** No assurance can be given that (i) the Noteholder Extraordinary Resolution will be implemented even if passed and (ii) the Master Amendment Agreement will be executed by the parties thereto. Until the Noteholder Extraordinary Resolution is passed, the equivalent extraordinary resolutions in respect of the 2028 Notes and the 2035 Notes are passed and the other requirements set out at Clause 10.2 of the STID Voting Request are satisfied and the Master Amendment Agreement is executed by the parties thereto, no assurance can be given that the Noteholder Extraordinary Resolution will be implemented.
- 2.3 Responsibility for complying with the procedures of the Meeting:** Noteholders are solely responsible for complying with all of the procedures for submitting Electronic Voting Instructions or otherwise participating in the Meeting. None of the Issuer, the Issuer Trustee or the Principal Paying Agent assume any responsibility for informing Noteholders of irregularities with respect to Electronic Voting Instructions or compliance with such procedures.
- 2.4 Responsibility for information on the Issuer, the STID Proposal, the Issuer Proposal and the Notes:** Noteholders are responsible for independently investigating the position of the Issuer and the nature of the Notes and the STID Proposal and the Issuer Proposal. None of the Issuer, the Issuer Trustee, the Obligor Security Trustee, the Principal Paying Agent or any of their respective agents, directors, officers, employees, representatives, consultants or affiliates assumes any responsibility for informing Noteholders as to the position of the Issuer and/or the nature of the Notes and the STID Proposal and the Issuer Proposal in connection with this Notice of Meeting.
- 2.5 Further actions in respect of the Notes:** The Issuer reserves the right to take one or more future action(s) at any time in respect of the Notes. This includes, without limitation, future consent solicitations or the purchase or exchange from time to time of Notes in the open market, in privately negotiated transactions, through tender offers, exchange offers or otherwise and at any price. Any future consent solicitations, purchases or exchanges by the Issuer will depend on various factors existing at that time. There can be no assurance as to which, if any, of those alternatives (or combinations thereof) the Issuer will choose to pursue in the future and when such alternatives might be pursued.
- 2.6 Binding Effect of the Noteholder Extraordinary Resolution:** If the Noteholder Extraordinary Resolution is passed, the Noteholder Extraordinary Resolution will be binding on all of the Noteholders, whether or not they voted in favour of the Noteholder Extraordinary Resolution.
- 2.7 Responsibility to consult advisers:** Each Noteholder is solely responsible for making its own independent appraisal of all matters as such Noteholder deems appropriate (including those relating to this Notice of Meeting, the STID Proposal, the Issuer Proposal and the Noteholder Extraordinary Resolution) and each Noteholder must make its own decision whether or not or

how to vote in respect of the Noteholder Extraordinary Resolution or otherwise participate at the Meeting. Noteholders should consult their own tax, accounting, financial, legal, regulatory, business and investment advisers regarding the suitability to themselves of the tax, accounting, financial, legal, regulatory, business, investment or other consequences of participating at the Meeting and regarding the impact on them of the implementation of the STID Proposal, the Issuer Proposal and the Noteholder Extraordinary Resolution. None of the Issuer, the Issuer Trustee, the Principal Paying Agent or any of their respective agents, directors, officers, employees, representatives, consultants or affiliates is acting for any Noteholder, or will be responsible to any Noteholder for providing any protections which would be afforded to its clients or for providing advice in relation to the STID Proposal, the Issuer Proposal or the Noteholder Extraordinary Resolution, and none of the Issuer, the Issuer Trustee, the Principal Paying Agent or any of their respective agents, directors, officers, employees, representatives, consultants or affiliates makes any recommendation as to whether or not or how Noteholders should vote in respect of the Noteholder Extraordinary Resolution or otherwise participate at the Meeting.

2.8 Electronic Voting Instructions from Sanctions Restricted Persons will not be accepted: A Noteholder or a Beneficial Owner of the Notes who is a Sanctions Restricted Person (as defined herein) may not vote on the Noteholder Extraordinary Resolution. The Issuer reserves the absolute right to reject any Electronic Voting Instruction when the Issuer in its sole and absolute discretion is of the view that such Electronic Voting Instruction has been submitted by or on behalf of a Sanctions Restricted Person.

2.9 The impact of COVID-19 on the retail industry in the United Kingdom remains uncertain: As at the date of this Notice, there are a number of restrictions that are imposed on operating shopping centres in the UK and such restrictions are likely to continue in order to maintain an element of social distancing for a period of time after the initial reopening of such centres. Once these measures imposed by the government are gradually eased, there can be no assurance that business will recover to the levels prior to the COVID-19 pandemic over the short or medium term, which could have a material adverse effect on the Security Group and in turn to the Issuer's business, prospects, financial condition and results of operations.

2.10 Rating of the Notes: Should the amendments and waivers set out in the Master Amendment Agreement be implemented, there can be no assurance as to whether the Rating Agency will take any action in respect of the applicable ratings of the Notes.

2.11 Administration status of certain intitu companies: The Parent and several other key central entities in the Group, including the Supplier, have entered administration. The Borrower and the PropCos are reliant on essential services from the Supplier under the TSA and there can be no assurance as to the ongoing ability of the Supplier to continue to provide such services. While the Parent has entered into administration, the Security Group continues to trade as normal and honour its obligations. The intention of the Master Amendment Agreement and this Noteholder Extraordinary Resolution is to achieve stability for the Security Group through the period in which the TSA is in place. However, there can be no assurance as to the business, prospects, financial condition and results of operations of the Security Group and whether any member of the Security Group may ultimately enter administration.

5 Voting and Quorum

Noteholders should take note of the provisions set out below detailing how such Noteholders can attend (via teleconference) or take steps to be represented at the Meeting.

The Notes are currently held in the form of a Global Note which is held by a common safekeeper for the accounts of Euroclear Bank SA/NV ("**Euroclear**") and Clearstream Banking S.A. ("**Clearstream, Luxembourg**") and each of Euroclear and Clearstream, a "**Clearing System**").

Each person (a "**Beneficial Owner**") who is the owner of a particular principal amount of the Notes and who holds such Notes either as shown in the records of Euroclear or Clearstream, Luxembourg (a "**Direct Participant**") or their accountholders should note that they are not the legal holders of the Notes for the purposes of this Notice of Meeting and will only be entitled to attend (via teleconference) and vote at the Meeting or to appoint a proxy or representative to do so in accordance with the procedures set out in the Note Trust Deed.

A Direct Participant or Beneficial Owner wishing to attend (via teleconference) the Meeting in person must produce at the Meeting a valid voting certificate or certificates issued by the Principal Paying Agent relating to the Notes in respect of which it wishes to vote.

A Direct Participant or Beneficial Owner not wishing to attend and vote at the Meeting in person may either deliver its valid voting certificate(s) to the person whom it wishes to attend (via teleconference) on its behalf or the Direct Participant may (or the Beneficial Owner may arrange for the relevant Direct Participant on its behalf to) give a voting instruction (by giving an Electronic Voting Instruction (as defined below)) requiring the Principal Paying Agent to include the votes attributable to its Notes in a block voting instruction issued by the Principal Paying Agent for the Meeting or any adjourned such Meeting, in which case the Principal Paying Agent shall appoint two or more representatives of the Principal Paying Agent as proxies to attend (via teleconference) and vote at such Meeting in accordance with such Direct Participant's instructions.

A Direct Participant must request the relevant clearing system to block the relevant Notes in its account and to hold the same to the order or under the control of the Principal Paying Agent not later than 48 hours before the time appointed for holding the Meeting in order to obtain voting certificates or give voting instructions in respect of such Meeting. In the case of Electronic Voting Instructions, such blocking instructions are part of the electronic instructions that must be given. Notes so blocked will not be released until the earlier of:

- (i) the conclusion of the Meeting (or, if applicable, any adjourned such Meeting); and
- (ii)
 - A. in respect of voting certificate(s), the surrender to the Principal Paying Agent of such voting certificate(s) and notification by the Principal Paying Agent to the relevant clearing system of such surrender or the compliance in such other manner with the rules of the relevant clearing system relating to such surrender; or
 - B. in respect of voting instructions, not less than 48 hours before the time for which the Meeting (or, if applicable, any adjourned such Meeting) is convened, the notification in writing of any revocation of a Direct Participant's previous instructions to the Principal Paying Agent and the same then being notified in writing by the Principal Paying Agent to the Issuer at least 24 hours before the time appointed for holding the Meeting and such Notes ceasing in accordance with the procedures of the relevant clearing system and with the agreement of the Principal Paying Agent to be held to its order or under its control.

Noteholders should note that voting instructions (unless validly revoked) given and voting certificates obtained in respect of a Meeting shall remain valid for any adjourned such Meeting.

"Electronic Voting Instruction" means the electronic voting and blocking instruction which may be submitted or delivered through the relevant Clearing System by each person who is shown in the records of such Clearing System as a holder of an interest in the Notes instructing the

relevant Clearing System that the vote(s) attributable to the Notes the subject of such electronic voting instruction should be cast in respect of the Noteholder Extraordinary Resolution (either for or against the Noteholder Extraordinary Resolution(s)), which instruction shall form part of a block voting instruction to be issued by the Principal Paying Agent, appointing two or more representatives of the Principal Paying Agent as its proxy in relation to the Meeting.

Subject to applicable law and subject as provided in this Notice of Meeting, Electronic Voting Instructions may only be revoked by Note holders prior to the Expiration Time by submitting (or procuring the submission of) an electronic withdrawal instruction to the relevant Clearing System. Beneficial Owners who are not also Direct Participants are advised to check with the bank, securities broker or any other intermediary through which they hold their Notes whether such intermediary would require receiving instructions to participate in, or withdraw their instruction to participate in, the Meeting prior to the deadlines set out in this Notice of Meeting.

- 5.1 Quorum:** The quorum required at the Meeting shall be two or more persons present holding voting certificates or being proxies and holding or representing not less than 75 per cent. of the aggregate Outstanding Principal Amount of the Notes, or in the case of a Meeting which has resumed after adjournment for want of a quorum, two or more persons present holding voting certificates or being proxies and holding or representing not less than 25 per cent. of the aggregate Outstanding Principal Amount of the Notes.
- 5.2 Chairman:** An individual (who may, but need not, be a Noteholder) nominated in writing by the Issuer Trustee may take the chair at the Meeting but, if no such nomination is made or if the individual nominated is not present within 15 minutes after the time fixed for the Meeting, those present shall elect one of themselves to take the chair, failing which, the Issuer may appoint a Chairman.
- 5.3 Participation:** Only the following may attend and speak at the Meeting:
- 5.3.1** Noteholders and their agents;
 - 5.3.2** the Chairman;
 - 5.3.3** representatives of the Issuer and the Issuer Trustee; and
 - 5.3.4** the financial and legal advisers to the Issuer, and the Issuer Trustee.
- 5.4 Show of hands:** Every question submitted to the Meeting shall be decided in the first instance by a show of hands. Unless a poll is demanded (before, or on the declaration of the result of, the show of hands), a declaration by the Chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.
- 5.5 Poll:** A demand for a poll shall be valid if it is made by the Chairman, the Issuer, the Issuer Trustee or one or more persons representing at least 2 per cent. of the Notes. If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the Chairman directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded. A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.
- 5.6 Votes:** On a show of hands every person who is present in person and who produces a Bearer Note or a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote for each £1 of Notes so produced or represented by the voting certificate

so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way. In case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which they may have.

- 5.7 Adjournment of Meeting:** If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Issuer and the Issuer Trustee agree, be dissolved. In any other case it shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as the chairman may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved. A meeting may only be adjourned once.. The Chairman may, with the consent of (and shall if directed by) the Meeting adjourn such Meeting from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully have been transacted at the Meeting from which the adjournment took place.
- 5.8 Voting majority requirements:** To be passed at the Meeting, the Noteholder Extraordinary Resolution requires a majority of at least 75 per cent. of the votes cast at the Meeting, whether on a show of hands or a poll.

4 August 2020

Dear Sirs,

STID Proposal

Terms capitalised but not defined in this proposal have the meanings given to them in the master definitions agreement between (amongst others) yourselves and ourselves dated 19 March 2013, as amended and restated on 13 November 2014 and further amended on 20 June 2019 (the "**MDA**") in relation to certain financial indebtedness of Intu (SGS) FinCo Limited and the £5,000,000,000 Programme for the issuance of Notes by Intu (SGS) Finance plc ("**Project Calais**").

We refer to the security trust and intercreditor deed between (amongst others) yourselves and ourselves dated 19 March 2013 (the "**STID**").

We are writing to you in our capacity as FinCo (in accordance with clause 12.1 (*Instigation of a STID Proposal*) of the STID) to request the Obligor Security Trustee to concur with certain amendments and waivers to certain of the Common Documents (the "**STID Proposal**"). We also refer in this STID Proposal to certain other amendments and waivers which relate to the STID Proposal and which we are requesting be implemented to certain of the Finance Documents and the Issuer Documents in connection with the STID Proposal and the Issuer Proposal (as defined below) by way of an amendment and waiver agreement (the "**Master Amendment Agreement**").

1 Background

1.1 The COVID-19 pandemic resulted in the Properties operating on a semi-closed basis until 15 June 2020, with only essential stores such as supermarkets and pharmacies remaining open prior to that date. The level of rent collected from the Properties was significantly reduced at the last quarter day being 24 June 2020. Reduced social activity is likely to continue for the foreseeable future impacting footfall and potential future rents across the Properties and, as at the date of this STID Proposal, the speed of recovery as the UK comes out of lockdown remains unclear. These impacts are being seen across all shopping centres owned by Intu Properties plc (in administration) (the "**Parent**") including the Properties.

1.2 Despite continued discussions between the Parent and its creditors, insufficient alignment and agreement was achieved on the proposed terms of standstill-based agreements. As a result, on 26 June 2020, the Parent made an application for James Robert Tucker, Michael Robert Pink and David John Pike of KPMG LLP to be appointed as joint administrators to the Parent and several other key central entities in the Group (but excluding the Security Group). As a result, with effect from 26 June 2020, listing and trading of the Parent's ordinary shares on the London Stock Exchange and the Johannesburg Stock Exchange were suspended.

- 1.3** The Security Group continues to operate and into Retail Services Limited (in administration) will provide operating services to the Security Group through a transitional services agreement for a maximum 6 month period, commencing from 26 June 2020. The Security Group believes that the best way forward in order to maximise recoveries for its stakeholders and creditors is to achieve stability through the period in which the transitional services agreement is in place by implementing the amendments and giving the waivers set out in this STID Proposal and the Issuer Proposal.

2 Amendments and Waivers

- 2.1** FinCo therefore requests that the Obligor Security Trustee concurs with FinCo in amending and giving waivers in respect of each of the following documents to implement the proposed changes set out in Appendix 2 (*Proposed Master Amendment Agreement*):

- (i) the Common Terms Agreement;
- (ii) the MDA,

(the “**Common Documents Amendments and Waivers**”).

- 2.2** In connection with the Common Documents Amendments and Waivers, which are the subject of the STID Proposal, FinCo also requests that the Obligor Security Trustee concurs with FinCo in amending and giving waivers in respect of each of the following Finance Documents (which are not Common Documents) to implement the proposed changes set out in Appendix 2 (*Proposed Master Amendment Agreement*):

- (i) the Initial Authorised Loan Facility Agreement (any such amendments and waivers to the Initial Authorised Loan Facility Agreement being the “**Initial Authorised Loan Facility Agreement Amendments and Waivers**”); and
- (ii) the Intercompany Loan Agreement (any such amendments and waivers to the Intercompany Loan Agreement being the “**Intercompany Loan Agreement Amendments and Waivers**”),

(such amendments and waivers together, the “**Finance Documents Amendments and Waivers**”).

- 2.3** FinCo also requests that the Issuer requests the Issuer Trustee and certain Issuer Secured Participants to concur with the Issuer in amending and giving waivers in respect of each of the following Issuer Documents (the “**Issuer Proposal**”) to implement the proposed changes set out in Appendix 2 (*Proposed Master Amendment Agreement*):

- (i) the Note Trust Deed;
- (ii) the Issuer Cash Management Agreement; and
- (iii) the Issuer Deed of Charge,

(such amendments and waivers together, the “**Issuer Documents Amendments and Waivers**”).

3 STID Proposal

- 3.1** We refer to clauses 12 (*STID Proposals*) and 18 (*Qualifying Debt and Notes held by Non-Restricted Group Entities*) of the STID, and hereby certify as follows in respect of the Common Documents Amendments and Waivers:

- 3.1.1 this is a STID Proposal;
 - 3.1.2 this STID Proposal is in respect of an Extraordinary Voting Matter;
 - 3.1.3 this STID Proposal gives rise to an Entrenched Right in favour of each Secured Participant (each, therefore, an Affected Secured Participant); and
 - 3.1.4 no Qualifying Debt or Notes are held by a Non-Restricted Group Entity.
- 3.2 We confirm that, as required by clause 12.3 (*Copies to Secured Participant Representatives*) of the STID, FinCo shall, on the same day that it delivers the STID Proposal to the Obligor Security Trustee, deliver a copy of the STID Proposal to the Secured Participant Representative of each Secured Participant.

4 Finance Documents Amendments and Waivers

- 4.1 We confirm that, pursuant to clause 17.1 of the STID, clause 4.3 of the MDA and, in respect of the Intercompany Loan Agreement, clause 1.3.3 of the Issuer Deed of Charge:
- 4.1.1 the consent of the Initial Authorised Loan Facility Agent (as facility agent in respect of the Initial Authorised Loan Facility Agreement) to the Initial Authorised Loan Facility Agreement Amendments and Waivers is required in order for such amendments and waivers to take effect, and, for the avoidance of doubt, such consent shall constitute instructions in writing to the Obligor Security Trustee pursuant to clause 17.2 of the Security Trust and Intercreditor Deed; and

Schedule 2
Form of Issuer Proposal

To: Each of the parties listed in Part A of Appendix 1 (*Addressees*)
(the “**Consent Parties**”)

From: Intu (SGS) Finance plc
1 Bartholomew Lane
London, United Kingdom, EC2N 2AX
(as “**Issuer**”)

_____ 2020

Dear Sirs,

Issuer Proposal

Terms capitalised but not defined in this proposal (the “**Issuer Proposal**”) have the meanings given to them in the master definitions agreement between (amongst others) yourselves and ourselves dated 19 March 2013, as amended and restated on 13 November 2014 and further amended on 20 June 2019 (the “**MDA**”) in relation to certain financial indebtedness of Intu (SGS) FinCo Limited and the £5,000,000,000 Programme for the issuance of Notes by Intu (SGS) Finance plc (“**Project Calais**”).

We refer to the issuer deed of charge between (amongst others) yourselves and ourselves dated 19 March 2013 (as amended and restated from time to time) (the “**Issuer Deed of Charge**”).

We are writing to you in our capacity as Issuer to:

- (a) request that each Consent Party agree to certain amendments and/or waivers of the Note Trust Deed, the Issuer Cash Management Agreement and the Issuer Deed of Charge in accordance with Clause 4.3.2 (*Amendments*) of the MDA and Clause 1.3.3 (*Amendments*) of the Issuer Deed of Charge; and
- (b) give notice to each of the Consent Parties of the Issuer Documents Amendments and Waivers (as defined below) in accordance with Clause 4.3.3 (*Amendments*) of the MDA.

1 Background

- 1.1** The COVID-19 pandemic resulted in the Properties operating on a semi-closed basis until 15 June 2020, with only essential stores such as supermarkets and pharmacies remaining open prior to that date. The level of rent collected from the Properties was significantly reduced at the last quarter day, being 24 June 2020. Reduced social activity is likely to continue for the foreseeable future impacting footfall and potential future rents across the Properties and, as at the date of this Issuer Proposal, the speed of recovery as the UK comes out of lockdown remains unclear. These impacts are being seen across all shopping centres owned by the Parent including the Property.
- 1.2** Despite continued discussions between the Parent and its creditors, insufficient alignment and agreement was achieved on the proposed terms of standstill-based agreements. As a result, on 26 June 2020, the Parent made an application for James Robert Tucker, Michael Robert Pink and David John Pike of KPMG LLP to be appointed as joint administrators to the Parent and several other key central entities in the Group (but excluding any member of the Security Group). As a result, with effect from 26 June 2020, listing and trading of the

Parent's ordinary shares on the London Stock Exchange and the Johannesburg Stock Exchange were suspended.

1.3 The Security Group continues to operate and into Retail Services Limited (in administration) will provide operating services to the Security Group through a transitional services agreement for a maximum 6 month period, commencing from 26 June 2020. The Security Group believes that the best way forward in order to maximise recoveries for its stakeholders and creditors is to achieve stability through the period in which the transitional services agreement is in place by implementing the amendments and giving the waivers set out in this Issuer Proposal and in the request from FinCo to the Obligor Security Trustee to concur with certain amendments and waivers to certain of the Common Documents and the Finance Documents (the "**STID Proposal**").

1.4 On 4 August 2020 the Issuer received the STID Proposal from FinCo. In the STID Proposal, FinCo requested that the Issuer requests the Issuer Trustee and certain Issuer Secured Participants concur with the Issuer in amending and giving waivers in respect of each of the following Issuer Documents to implement the proposed changes set out in Appendix 3 (*Proposed Master Amendment Agreement*):

- (i) the Note Trust Deed;
- (ii) the Issuer Cash Management Agreement; and
- (iii) the Issuer Deed of Charge,

(such amendments and waivers together, the "**Issuer Documents Amendments and Waivers**").

2 Issuer Documents Amendments and Waivers

The Issuer therefore requests that each Consent Party agree with the Issuer in amending and giving waivers in respect of the Issuer Documents Amendments and Waivers.

3 Master Amendment Agreement

3.1 If the Issuer Proposal is approved, the Master Amendment Agreement will be required to be executed by, among other parties, the Issuer and each of the Consent Parties.

3.2 It is a term of this Issuer Proposal that each of the amendments and waivers set out in the STID Proposal and the Issuer Documents Amendments and Waivers are conditional upon one another. The Master Amendment Agreement will only be executed if all of the amendments and waivers in the STID Proposal and the Issuer Documents Amendments and Waivers are made.

4 Non-Restricted Group Entities

We hereby certify to the Issuer Trustee that no Notes are held by any Obligor, the Issuer or any Non-Restricted Group Entity.

5 Notification of Consent

5.1 We request that each Consent Party sign and return to us by no later than 26 August 2020 a certificate in the form set out in Appendix 2 (*Form of Consent Notification*) hereto confirming its consent in writing to the Issuer Documents Amendments and Waivers to the

Note Trust Deed, the Issuer Cash Management Agreement and the Issuer Deed of Charge in accordance with Clause 4.3.2 (*Amendments*) of the MDA and Clause 1.3.3 (*Amendments*) of the Issuer Deed of Charge (a “**Consent Notification**”).

5.2 By returning a Consent Notification to us:

- (i) each Consent Party consents to the Issuer Documents Amendments and Waivers;
- (ii) each Consent Party agrees and acknowledges that reasonable notice of the Issuer Documents Amendments and Waivers to the Note Trust Deed, the Issuer Cash Management Agreement and the Issuer Deed of Charge has been given to it in accordance with Clause 4.3.3 (*Amendments*) of the MDA and that it has had reasonably sufficient time to consider such Issuer Documents Amendments and Waivers;
- (iii) each Consent Party agrees and acknowledges that it shall execute and deliver any deeds, documents or notices as may reasonably be required to be executed and/or delivered and which are provided to it in order to give effect to the Issuer Documents Amendments and Waivers.
