“Weighted Average Spread” means, as of any date of determination, a fraction (expressed as a percentage and rounded up to the next 0.01%) equal to the amount obtained by (i) multiplying the Principal Balance (excluding the aggregate amount of any Unfunded Commitments and any interest on Defaulted Obligations) of each Floating Rate Collateral Debt Obligation, held in the Trust Estate as of such date by the Effective Spread, (ii) multiplying the amount of each Unfunded Commitment with respect to which a commitment fee is calculated by the rate at which such commitment fee is calculated, (iii) summing the amounts determined pursuant to clauses (i) and (ii), (iv) dividing such sum by the aggregate Principal Balance of all Floating Rate Collateral Debt Obligations (including any Unfunded Commitments) held in the Trust Estate as of such date and (v) if such sum is less than ~~[-]~~[the S&P Minimum Spread](#), subject to the proviso clause below, adding to such rate the fraction (expressed as a percentage and rounded up to the next 0.01%) obtained by dividing (a) the Gross Fixed Rate Excess, if any, as of such date by (b) the aggregate Principal Balance of all Floating Rate Collateral Debt Obligations held in the Trust Estate as of such date; provided that, for purposes of calculating the Weighted Average Spread, the spread of any Revolving Loan or Delayed Funding Loan which is not fully funded will be the sum of (a) the product of (1) the Effective Spread payable on the funded portion of such Revolving Loan or Delayed Funding Loan and (2) the percentage equivalent of a fraction the numerator of which is equal to the funded portion of such Revolving Loan or Delayed Funding Loan and the denominator of which is equal to the commitment amount of such Revolving Loan or Delayed Funding Loan and (b) the product of (1) the scheduled amounts (other than interest) of commitment fee and/or facility fee payable on the unfunded portion of such Revolving Loan or Delayed Funding Loan less any withholding tax, if any, on commitment fees and (2) the percentage equivalent of a fraction the numerator of which is equal to the unfunded portion of such Revolving Loan or Delayed Funding Loan and the denominator of which is equal to the commitment amount of such Revolving Loan or Delayed Funding Loan.

For purposes of calculating the Weighted Average Spread, Collateral Debt Obligations that are Defaulted Obligations and Equity Securities shall be excluded.

(h) any reference herein to “the Indenture” or “this Agreement” shall include all exhibits and schedules hereto.

1.3 Assumptions as to Collateral Debt Obligations and Trust Estate.

(a) Except as otherwise expressly set forth herein, in connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Pledged Obligation, or any payments on any other assets included in the Trust Estate, and with respect to the income that can be earned on Scheduled Distributions on such Pledged Obligations and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.3 hereof shall apply.

(b) All calculations with respect to Scheduled Distributions on the Pledged Obligations shall be made on the basis of information as to the terms of each such

Pledged Obligation and upon an accounting of payments, if any, received on such Pledged Obligation that are furnished by or on behalf of the obligor of such Pledged Obligation and, to the extent they are not manifestly in error, such information or report may be conclusively relied upon in making such calculations.

(c) For each Due Period, the Scheduled Distributions on any Pledged Obligation shall be the minimum amount (including interest payments, accrued interest, scheduled principal payments, if any, by way of prepayments (which shall be assumed to be made on a pro rata basis) or other scheduled amortization of principal (excluding any optional redemption), return of principal and redemption premium, if any) that, if paid as scheduled, will be available in the Collection Account at the end of such Due Period; provided that, if the nominal Due Date for any payment on a Collateral Debt Obligation occurs on a day during a Due Period that is not a business day under the applicable Underlying Instrument and as a result such payment is paid and received in the following Due Period, such payment shall be deemed to have been received during the Due Period in which such nominal Due Date falls if such payment is timely made in accordance with the related Underlying Instrument.

(d) For calculation purposes, each Scheduled Distribution with respect to a Pledged Obligation shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account and to earn interest at the Assumed Reinvestment Rate; provided that, except as expressly set forth herein, Scheduled Distributions shall not include any amount of interest payable on Defaulted Obligations as to which the Collateral Manager does not believe will be received in Cash on or before the applicable Due Date; and provided, further, that, if the nominal Due Date for any payment on a Collateral Debt Obligation occurs on a day during a Due Period that is not a business day under the applicable Underlying Instrument and as a result such payment is paid and received in the following Due Period, such payment shall be deemed to have been received during the Due Period in which such nominal Due Date falls if such payment is timely made in accordance with the related Underlying Instrument. All funds assumed to earn interest as provided herein shall be assumed to continue to earn interest at the Assumed Reinvestment Rate until the date on which they are applied to purchase additional Collateral Debt Obligations or required to be available in the Collection Account for application, in accordance with the terms hereof, to payments on the Notes and payment of any other amounts payable or otherwise required to be made available for application in accordance with the terms of this Indenture. Scheduled Distributions of interest on floating rate Pledged Obligations shall be calculated using the interest rates applicable thereto as of the date of determination to the extent the interest rate thereon for future periods has not been determined as of such date of determination. Except as expressly set forth herein, Scheduled Distributions shall not include any amount as to which the Collateral Manager has actual knowledge that such amount will not be paid.

(e) Notwithstanding anything to the contrary contained in this Indenture, if the Trustee receives an Issuer Order or Issuer Request and also receives a Collateral Manager Order or Collateral Manager Request with respect to the same subject matter, the

Issuer Order or Issuer Request, as the case may be, shall supersede any such Collateral Manager Order or Collateral Manager Request and be the controlling order or request hereunder.

(f) For purposes of any applicable calculation or determination hereunder, the date on which Collateral Debt Obligations or Eligible Investments are deemed to be acquired, or disposed of, hereunder shall be the trade date (and not the settlement date) for such acquisition or disposition.

(g) References under Section 11.1 to calculations made on a “pro forma basis” shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(h) Any future anticipated tax liabilities of a Permitted Subsidiary related to a Collateral Debt Obligation held by such Permitted Subsidiary shall be excluded from the calculation of the Weighted Average Spread used in the Average Debt Rating Test (which exclusion, for the avoidance of doubt, may result in such Collateral Debt Obligation having a negative interest rate spread for purposes of such calculation), the Weighted Average Fixed Rate Coupon, the Senior Interest Coverage Ratio, the Class C Interest Coverage Ratio, the Class D Interest Coverage Ratio, the Interest Diversion Test Ratio and the Minimum Coupon Test with respect to any specified Class or Classes of Secured Notes.

(i) With respect to any determination or judgment to be made by the Collateral Manager hereunder, the Collateral Manager shall be required to make such determination or judgment subject to the standard of care imposed on the Collateral Manager under the terms of the Collateral Management Agreement.

(j) For purposes of any calculation or determination hereunder, the result of which is expressed as a percentage, such result shall be rounded to the nearest 0.01%, unless otherwise specified herein.

(k) For purposes of the definition of “Percentage Limitations”, any issuer or issuers that are organized in a territory of the United States, but for which the Bankruptcy Law would not govern a primary insolvency proceeding in the event of an insolvency of such issuer or issuers pursuant to the laws of the applicable territory, shall be deemed not Domiciled in the United States or its territories.

2. THE NOTES

2.1 Forms Generally.

The Notes and the Trustee's or Authenticating Agent's certificate of authentication thereon (the “Certificate of Authentication”) shall be in substantially the forms required by this Article, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may, consistently herewith, be determined by the Authorized Officer(s) of the Applicable Issuers executing such Notes as evidenced by such

Authorized Officer's execution of such Notes. Any portion of the text of any Note may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Note.

2.2 Form of Notes and Certificate of Authentication.

(a) The form of the Notes and Certificate of Authentication shall be as set forth as Exhibits A-1 through A-5 hereto.

(b) Regulation S Global Notes. The Notes of each Class initially sold to non-U.S. Persons (as defined in Regulation S) in offshore transactions in reliance on Regulation S shall be issued initially in the form of one or more permanent global notes in definitive, fully registered form without interest coupons substantially in the form of Exhibit A-1 or A-4 hereto (a "Regulation S Global Note"), which shall be deposited on behalf of the subscribers for such Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository and for the respective accounts of Euroclear and Clearstream, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The Aggregate Principal Amount of the Regulation S Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided. Subject to the following sentence, all or a portion of an interest in a Regulation S Global Note may be transferred to a Person taking delivery in the form of an interest in a Regulation S Global Note in accordance with the applicable procedures of Clearstream and/or Euroclear; provided that any remaining principal amount of the transferor's interest in such Regulation S Global Note will either equal zero or be an Authorized Denomination. Notwithstanding the foregoing, no Benefit Plan Investor or Controlling Person purchasing ERISA Restricted Notes (other than a Benefit Plan Investor or Controlling Person purchasing ERISA Restricted Notes from the Issuer on the 2019 Reset Date that has obtained approval from the Issuer prior to the 2019 Reset Date) may hold ERISA Restricted Notes in the form of a Regulation S Global Note.

(c) Rule 144A Global Notes. The Secured Notes sold to any U.S. Person (as defined in Regulation S) that is both a Qualified Institutional Buyer and a Qualified Purchaser shall be issued initially in the form of one permanent global note for each such Class in definitive, fully registered form without interest coupons substantially in the form of Exhibit A-2 hereto (each, a "Rule 144A Global Note"), which shall be deposited on behalf of the subscribers of such Secured Notes represented thereby with the Trustee as custodian for, and registered in the name of a nominee of, the Depository, duly executed by the Applicable Issuers and authenticated by the Trustee as hereinafter provided. The Aggregate Principal Amount of the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or the Depository or its nominee, as the case may be, as hereinafter provided. Subject to the following sentence, all or a portion of an interest in a Rule 144A Global Note may be transferred to a Person taking delivery in the form of an interest in a Rule 144A Global Note in accordance with the applicable procedures of DTC (in addition to those under this Indenture); provided that any remaining principal amount of the transferor's interest in the Rule 144A Global Note will either equal zero or be an Authorized Denomination. Notwithstanding the foregoing, no Benefit Plan Investor or Controlling Person purchasing ERISA Restricted Notes (other than a Benefit Plan Investor or Controlling Person purchasing

ERISA Restricted Notes from the Issuer on the 2019 Reset Date that has obtained approval from the Issuer prior to the 2019 Reset Date) may hold ERISA Restricted Notes in the form of a Rule 144A Global Note.

(d) Definitive Notes. All Subordinated Notes initially sold to U.S. Persons or in transactions that are not “offshore transactions” (as each such term is defined in Regulation S) shall be issued in the form of Definitive Notes in definitive, fully registered form without interest coupons substantially in the form of Exhibit A-3, which shall be registered in the name of the beneficial owner or nominee thereof, duly executed by the Issuer and authenticated by the Trustee or an Authenticating Agent as hereinafter provided. After the 2019 Reset Date (unless a purchaser requests to receive such Notes in the form of Definitive Notes on the 2019 Reset Date), transferees of interests in ERISA Restricted Notes that are Benefit Plan Investors or Controlling Persons will be required to hold such interests in the form of Definitive Notes in fully registered form without interest coupons substantially in the form of Exhibit A-5 (in the case of the Class E Notes) or Exhibit A-3 (in the case of Subordinated Notes), which shall be registered in the name of the beneficial owner or nominee thereof, duly executed by the Issuer and authenticated by the Trustee or an Authenticating Agent as hereinafter provided.

(e) Book-Entry Provisions. This Section 2.2(e) shall apply only to Global Notes deposited with or on behalf of the Depository.

(i) The provisions of the “Operating Procedures of the Euroclear System” of Euroclear and the “Terms and Conditions Governing Use of Participants” of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

(ii) Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for the Depository, and the Depository may be treated by the Applicable Issuers, the Trustee and any agent of any of the Applicable Issuers or the Trustee as the Holder of such Global Notes for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuers, the Trustee or any agent of any of the Applicable Issuers or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository, Euroclear, Clearstream and their respective participants, the operation of customary practices governing the exercise of the rights of an owner of a beneficial interest in any Global Note.

2016 Refinancing Date, interest accrued on the Aggregate Principal Amount of such Class on the first day of such accrual period (after giving effect to any principal payments made on the Payment Date in November 2016) at the Original Applicable Periodic Rate in effect on such day (prior to the 2016 Refinancing Date); and (b) for the portion of such accrual period from the 2016 Refinancing Date to, but excluding, the Payment Date in April 2017, interest accrued on the Aggregate Principal Amount of such Class (after giving effect to the Refinancing) at the Applicable Periodic Rate set forth in the table above and (B) for the Class X Notes (i) interest shall not accrue for any period prior to the 2016 Refinancing Date and (ii) the Applicable Periodic Rate from, and including, the 2016 Refinancing Date to, but excluding, the Payment Date in April 2017 shall be the rate set forth in the table above. ~~(4) Payments to holders of Class X-R2 Notes will be made pro rata with certain payments to holders of Class A-R2 Notes as provided in Section 11.1 and Section 5.8, and in the Note Payment Sequence.~~

~~*** Subordinated Notes issued as of the 2016 Refinancing Date remain outstanding as of the 2019 Reset Date. No additional Subordinated Notes will be issued on the 2019 Reset Date.~~ The Stated Maturity Date of the Subordinated Notes was amended on the 2019 Reset Date to be the Payment Date in ~~£~~April 2029. The Secured Notes are Priority Classes with respect to the Subordinated Notes.

Each Class of Notes, whether issued in the form of Definitive Notes or Global Notes, shall be issuable as of the 2019 Reset Date in minimum authorized denominations of U.S.\$250,000 and integral multiples of U.S.\$1.00 in excess thereof, unless the Issuer otherwise consents. The

minimum denominations of the Notes authorized to be issued under this Section 2.3 are referred to herein in each case as an “Authorized Denomination” and are expressed in terms of the principal amounts thereof at the date of issuance. After issuance, any Note may fail to be in an Authorized Denomination due to the repayment of principal thereof in accordance with the Priority of Payments or any other applicable provision hereof, and after such repayment the “Authorized Denomination” of any such Note, for purposes of this Indenture, shall mean the original Authorized Denomination reduced by any such repayment.

2.4 Execution, Authentication, Delivery and Dating.

The Notes shall be executed on behalf of the Applicable Issuers by an Authorized Officer or Authorized Officers thereof. The signature or signatures of such Authorized Officers on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signature of an individual who was at the time of execution an Authorized Officer of either of the Applicable Issuers shall bind such Applicable Issuer, notwithstanding the fact that such individual has ceased to hold such office prior to the authentication and delivery of such Notes or did not hold such office at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Applicable Issuers may deliver the Notes executed by the Applicable Issuers to the Trustee or an Authenticating Agent for authentication, and the Trustee or the Authenticating Agent, upon Issuer Order, shall authenticate and deliver (which delivery may be by facsimile or electronic mail if the Notes are retained in the possession of the Trustee) such Notes as provided in this Indenture and not otherwise. The authenticated Notes shall bear a manual signature of a Responsible Officer of the Trustee or the Authenticating Agent.

Each Note authenticated and delivered by the Trustee or an Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated after the Closing Date for any other purpose under this Indenture shall be dated as of the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Authorized Denominations reflecting the original Aggregate Principal Amount of the Notes so transferred, exchanged or replaced, but shall represent only the Outstanding Aggregate Principal Amount of the Notes so transferred, exchanged or replaced. If any Note is divided into more than one Note in accordance with this Article 2, the original Aggregate Principal Amount of such Note shall be appropriately divided among the Notes delivered in exchange therefor in accordance with the terms of the transfer or exchange being effected thereby and shall be deemed to be the original Aggregate Principal Amount of such subsequently issued Notes; provided, however, that each such Note must be issued in an Authorized Denomination.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, authenticated by the Trustee or by the Authenticating Agent by the manual signature of one of its authorized signatories, and such certificate upon any Note shall be

conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

2.5 Registration, Registration of Transfer and Exchange.

(a) The Issuer shall cause to be kept a register (the “Note Register”), in which, subject to such reasonable procedures as it may prescribe, the Issuer shall provide for the registration of the Notes and the registration of transfers of the Notes. The Trustee is hereby initially appointed “Note Registrar” for the purpose of registering Notes and transfers and exchanges of such Notes as herein provided on behalf of the Issuer. The Issuer shall inform the Trustee of any reasonable procedures it may prescribe pursuant to the first sentence of this Section 2.5(a). In all events, the Trustee shall maintain at its Corporate Trust Office such books and records as it may deem necessary or appropriate in respect of the performance of its function as Note Registrar. In the event that the Trustee is no longer acting in the capacity of the Note Registrar, the Trustee shall promptly inform any such successor Note Registrar of any transfer of record ownership of a Note so that the successor Note Registrar may register the same in the Note Register, and upon request at any time the Note Registrar shall provide to the Trustee, the Issuer or the Collateral Manager a current list of Noteholders as reflected in the Note Register.

The Issuer shall notify the Trustee of any Notes owned by or pledged to the Issuer or any of its Affiliates promptly upon the acquisition thereof or the creation of such pledge. Upon the written request of any Noteholder, the Note Registrar shall promptly, but in no event later than five (5) Business Days following such request, provide to such Noteholder a list of all other Noteholders. The Note Registrar shall forward such list to the requesting Noteholder promptly upon its receipt thereof; provided, however, that the Note Registrar shall have no liability to any Person for furnishing any information contained in the Note Register to any Noteholder.

Subject to the provisions of this Section 2.5, upon surrender for registration of transfer of any Note, the Applicable Issuers shall execute, and the Trustee or an Authenticating Agent shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of the same Class, of any Authorized Denomination and of a like Aggregate Principal Amount.

Subject to the provisions of this Section 2.5, at the option of the Holder, Notes may be exchanged for other Notes of the same Class, in any Authorized Denominations and of a like Aggregate Principal Amount, upon surrender of the Notes to be exchanged at the office designated by the Trustee for such purposes as set forth in Section 7.3. Whenever any Notes are surrendered for exchange, the Applicable Issuers shall execute, and the Trustee or an Authenticating Agent shall authenticate and deliver, the Notes that the Noteholder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the same debt and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Applicable Issuers duly executed by the Holder thereof or its attorney duly authorized in writing with such signature guaranteed by an “eligible guarantor institution” meeting the requirements of the Note Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program (“STAMP”) or such other “signature guarantee program” as may be determined by the Note Registrar in addition to, or in substitution for, STAMP, all in accordance with the Securities Exchange Act of 1934, as amended.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Issuer, the Co-Issuer (if applicable) or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Notes and any other expenses connected therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and transferee.

(b) No Note may be sold or transferred (including by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, would not require the registration of the Issuer under the Investment Company Act and is exempt under applicable state or foreign securities laws. No Note may be offered, sold, placed or delivered as part of the distribution by the Placement Agent at any time, or otherwise, to or for the benefit of U.S. Persons (as defined in Regulation S) or U.S. Residents except to “qualified institutional buyers”, as defined in Rule 144A under the Securities Act or (in the case of the Subordinated Notes only) to Institutional Accredited Investors that, in each case, are also Qualified Purchasers. The Notes may be sold or resold, as the case may be, in offshore transactions to Persons that are neither U.S. Persons (as defined in Regulation S) nor U.S. Residents in reliance on Regulation S under the Securities Act. None of the Issuer, the Co-Issuer, the Trustee or any other Person may register the Notes under the Securities Act or any state or foreign securities laws.

The Trustee shall require, prior to any sale or other transfer of a Note in which delivery is to be made in the form of a Definitive Note, that the Noteholder's prospective transferee deliver to the Trustee and the Issuer a certificate relating to such transfer substantially in the form of Exhibit B-1 or Exhibit B-2, as applicable, hereto (each, a “Transferee Certificate”).

(c) The Trustee shall be entitled to rely conclusively on any Transferee Certificate and shall be entitled to presume conclusively the continuing accuracy thereof from time to time, in each case without further inquiry or investigation.

(d) At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act or are exempt from reporting requirements pursuant to Rule 12g3-2(b) thereunder, upon the request of any Noteholder or Certifying Holder, the Applicable Issuers shall promptly furnish to such Noteholder, or Certifying Holder or to a prospective purchaser of any Note designated by such Noteholder or Certifying Holder, the information which the Applicable Issuers determine to be required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act (“Rule 144A Information”) in order to permit compliance by such Noteholder or Certifying Holder with Rule 144A in connection with the resale of such Note by such

Noteholder or Certifying Holder. Upon request by the Applicable Issuers, the Trustee shall cooperate with the Applicable Issuers in mailing or otherwise distributing (at the Applicable Issuers' expense) to such Noteholders or Certifying Holder or prospective purchasers, at and pursuant to the Applicable Issuer's written direction, the foregoing materials prepared and provided by the Applicable Issuers; provided, however, that the Trustee shall be entitled to affix thereto or enclose therewith such disclaimers as the Trustee shall deem reasonably appropriate, at its discretion (such as, for example, a disclaimer that such Rule 144A Information was assembled by the Applicable Issuers, and not by the Trustee, that the Trustee has not reviewed or verified the accuracy thereof and that it makes no representation as to the sufficiency of such information under Rule 144A or for any other purpose).

(e) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act, except that, if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a prospective transferee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section.

(f) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any Ordinary Shares of the Issuer to U.S. Persons, and the Co-Issuer shall not permit the acquisition of any membership interests of the Co-Issuer by U.S. Persons.

(g) So long as a Global Note remains Outstanding and is held by or on behalf of the Depository, transfers of such Global Note, in whole or in part, shall only be made in accordance with Section 2.2(b) or 2.2(c) hereof, as applicable, and this Section 2.5(g).

(i) Whole Global Note Transfers. Subject to clauses (ii), (iii) and (iv) of this Section 2.5(g), transfers of a Global Note shall be limited to transfers in whole, but not in part, to nominees of the Depository or to a successor of the Depository or to such successor's nominee.

(ii) Rule 144A Global Note or Definitive Note to Regulation S Global Note. If a Holder of a beneficial interest in a Rule 144A Global Note deposited with the Depository or a Holder of a Definitive Note wishes at any time to exchange its interest in such Rule 144A Global Note or Definitive Note, as applicable, for an interest in the corresponding Regulation S Global Note or to transfer its interest in such Rule 144A Global Note or Definitive Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Note, such Holder (provided such Holder or, in the case of a transfer, the transferee is not a U.S. Person as defined in Regulation S), subject to the rules and procedures of the Depository, may exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Note. Upon receipt by the Note Registrar of (A) instructions given in accordance with the Depository's procedures from an Agent Member directing the Note Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Note, but not less than the Authorized Denomination applicable to such Holder's Notes, in an amount equal to the beneficial

interest in the Rule 144A Global Note or Definitive Note to be exchanged or transferred, (B) a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository and, if applicable, the Euroclear or Clearstream account to be credited with such increase, (C) a certificate in the form of Exhibit C-2 attached hereto given by the Holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Notes, including that the Holder or the transferee, as applicable, is not a U.S. Person as defined in Regulation S, and the proposed transfer is being made pursuant to and in accordance with Regulation S and (D) a certificate in the form of Exhibit B-2 attached hereto given by the transferee of such beneficial interest stating, among other things, that the transferee is a non-U.S. Person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Note Registrar shall instruct the Depository to reduce the principal amount of the Rule 144A Global Note or to cancel the Definitive Note (and, in the case of a partial transfer, issue a new Definitive Note in the applicable remaining principal amount) in accordance with Section 2.9 hereof, as applicable, and to increase the principal amount of the Regulation S Global Note, as the case may be, by the Aggregate Principal Amount of the beneficial interest in the Rule 144A Global Note or Definitive Note to be transferred or exchanged and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note or the Aggregate Principal Amount so canceled and not re-issued as a Definitive Note as directed by the Holder of such Definitive Note; provided, however, that no such exchange for an interest in a Regulation S Global Note shall be permitted with respect to an interest in ERISA Restricted Notes if the transferee is a Benefit Plan Investor or Controlling Person.

(iii) Regulation S Global Note or Definitive Note to Rule 144A Global Note. If a Holder of a beneficial interest in a Regulation S Global Note deposited with the Depository wishes at any time to exchange its interest in such Regulation S Global Note or Definitive Note, as applicable, for an interest in the corresponding Rule 144A Global Note or to transfer its interest in such Regulation S Global Note or Definitive Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Note, such Holder may, subject to the rules and procedures of Euroclear, Clearstream and/or the Depository, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Note. Upon receipt by the Note Registrar of (A) instructions from Euroclear, Clearstream and/or the Depository, as the case may be, directing the Note Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Note in an amount equal to the beneficial interest in such Regulation S Global Note or Definitive Note, but not less than the Authorized Denomination applicable to such Holder's Notes, to be exchanged or transferred, such instructions to contain information regarding the participant account with the Depository to be credited with such increase, (B) a certificate in the form of Exhibit C-1 attached hereto given by the Holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A and in accordance with any applicable securities laws of any state of the United

States or any other jurisdiction and is also a Qualified Purchaser and that the proposed transferee is both a Qualified Institutional Buyer and a Qualified Purchaser or that, in the case of an exchange, the Holder is a Qualified Institutional Buyer and is also a Qualified Purchaser and (C) a certificate in the form of Exhibit B-1 attached hereto given by the transferee in respect of such beneficial interest and stating, among other things, that such transferee is a Qualified Institutional Buyer and a Qualified Purchaser, then the Note Registrar will instruct the Depository to reduce, or cause to be reduced, the Regulation S Global Note by the Aggregate Principal Amount of the beneficial interest in the Regulation S Global Note to be transferred or exchanged, or cancel the Definitive Note in accordance with Section 2.9 hereof, as applicable, and the Note Registrar shall instruct the Depository, concurrently with such reduction or cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the reduction in the Aggregate Principal Amount of the Regulation S Global Note or the Aggregate Principal Amount so directed by the Holder of such Definitive Note; provided, however, that no such exchange for an interest in a Rule 144A Global Note shall be permitted with respect to an interest in ERISA Restricted Notes if the transferee is a Benefit Plan Investor or Controlling Person.

(iv) Global Note to Definitive Note. Notwithstanding anything in this Section 2.5(g)(iv) to the contrary, no Global Note (other than a Global Note representing a Subordinated Note or an interest in a Global Note being exchanged for an ERISA Restricted Definitive Note) shall be exchanged for a Definitive Note unless an event described in Section 2.10 hereof shall have occurred. If a Holder of a beneficial interest in a Global Note wishes at any time to transfer its interest in such Global Note to a Person who wishes to take delivery thereof in the form of a Definitive Note of the same Class, such Holder may, upon delivery of the applicable Transferor Certificate and/or Transferee Certificate, subject to the rules and procedures of Euroclear, Clearstream and/or the Depository, as the case may be, transfer or cause the transfer of such interest for an equivalent beneficial interest in one or more such Definitive Notes of the same Class as described below. Upon receipt by the Note Registrar of instructions given in accordance with the Depository's procedures from an Agent Member, or instructions from Euroclear, Clearstream and/or the Depository, as the case may be, directing the Trustee to deliver one or more such Definitive Notes, designating the registered name or names, address, payment instructions, the Class and the number and principal or outstanding amounts of the Definitive Notes to be executed and delivered (the Class and the Aggregate Principal Amounts of such Definitive Notes being the same as the beneficial interest in the Global Note to be transferred), in Authorized Denominations, then the Note Registrar will instruct the Depository to reduce, or cause to be reduced, the applicable Global Note by the Aggregate Principal Amount of the beneficial interest in such Global Note to be transferred and the Note Registrar shall record the transfer in the Note Register in accordance with Section 2.5(a) hereof and authenticate and deliver one or more Definitive Notes of the appropriate Class registered in the names specified in the applicable Transferee Certificate in principal amounts designated by the transferee (the aggregate of such amounts being equal to the beneficial interest in the Global Notes to be transferred) and in the Authorized Denominations and integral multiples in excess thereof as specified in Section 2.3 hereof. No transfer or exchange of an interest in an ERISA Restricted Note will be permitted to a Benefit Plan Investor or a Controlling Person unless (A) such Benefit Plan Investor or Controlling Person acquires such interest in the form of an ERISA

Restricted Definitive Note, and (B) the 25% Limitation is not violated with respect to the applicable Class of Notes.

If a Holder of a beneficial interest in a Global Note wishes at any time to exchange such interest in a Global Note for an interest in one or more Definitive Notes of the applicable Class, such Holder may exchange or cause the exchange of such interest for an equivalent beneficial interest in one or more such Definitive Notes as provided below. Upon receipt by the Note Registrar of (A) instructions given in accordance with the Depository's procedures from an Agent Member, or instructions from Euroclear, Clearstream and/or the Depository, as the case may be, directing the Trustee to deliver one or more Definitive Notes and (B) written instructions from such Holder designating the registered name or names, address and payment instructions of such Holder and the Class and the number and principal or outstanding amounts of the applicable Definitive Notes to be executed and delivered to such Holder (the Class and the Aggregate Principal Amounts of such Definitive Notes being the same as the beneficial interest in the Global Note to be exchanged), then the Note Registrar shall instruct the Depository to reduce the Global Note by the Aggregate Principal Amount of the beneficial interest in the Global Note to be exchanged, shall record the exchange in the Note Register in accordance with Section 2.5(a) hereof and authenticate and deliver one or more Definitive Notes of the appropriate Class registered as specified in the instructions described in clause (A) above, in Authorized Denominations.

(h) So long as any Definitive Notes remain outstanding, transfers and exchanges of Definitive Notes, in whole or in part, shall only be made in accordance with this Section 2.5(h).

(i) Transfer of Definitive Note. If a Holder of a Definitive Note wishes at any time to transfer such Definitive Note to a Person who wishes to take delivery thereof in the form of one or more Definitive Notes or for an interest in a Global Note, as applicable, of the same Class, such Holder may transfer or cause the transfer of such Notes as provided below. Upon receipt by the Note Registrar at the Corporate Trust Office of such Holder's Definitive Note properly endorsed for assignment to the transferee and the applicable Transferor Certificate and/or Transferee Certificate, the Note Registrar shall cancel such Definitive Note in accordance with Section 2.9 hereof, record the transfer in the Note Register in accordance with Section 2.5(a) hereof and (i) in the case of a transfer for a Definitive Note, upon execution by the Applicable Issuers, authenticate and deliver one or more Definitive Notes bearing the same designation as the Definitive Notes endorsed for transfer, registered in the names specified in written instructions from the applicable transferee, in the Aggregate Principal Amounts designated by the transferee (the Aggregate Principal Amounts or aggregate outstanding amounts, as applicable, being equal to the Aggregate Principal Amount or aggregate outstanding amount of the Definitive Notes surrendered by the transferor) and in Authorized Denominations or (ii) in the case of a transfer for an interest in a Global Note, the Note Registrar shall instruct the Depository to increase the Global Note by an amount equal to the Aggregate Principal Amount of the Definitive Note surrendered by the transferor to the transferee, in Authorized Denominations..

(ii) Exchange of Definitive Notes. If a Holder of one or more Definitive Notes wishes at any time to exchange such Definitive Notes for one or more Definitive Notes of the same Class of different Aggregate Principal Amounts, such Holder may exchange or cause the exchange of such Definitive Note for Definitive Notes bearing the same designation as the Definitive Notes endorsed for exchange as provided below. Upon receipt by the Note Registrar of (A) such Holder's Definitive Notes properly endorsed for such exchange and (B) written instructions from such Holder designating the number and principal amounts of the Definitive Notes to be issued (the Aggregate Principal Amounts being equal to the Aggregate Principal Amount (or aggregate outstanding amount, as applicable) of the Definitive Notes surrendered for exchange), then the Note Registrar shall cancel such Definitive Notes in accordance with Section 2.9 hereof, record the exchange in the Note Register in accordance with Section 2.5(a) hereof and upon execution by the Applicable Issuers, authenticate and deliver one or more Definitive Notes bearing the same designation as the Definitive Notes endorsed for exchange, registered in the same names as the Definitive Notes surrendered by such Holder, in different Aggregate Principal Amounts designated by such Holder and in Authorized Denominations.

(i) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the Exhibits hereto and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by such Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code or any other applicable law. Upon provision of such satisfactory evidence, the Trustee or an Authenticating Agent, at the written direction of the Applicable Issuers, shall, after due execution by the Applicable Issuers, authenticate and deliver Notes that do not bear such applicable legend.

(j) Each Person who becomes a beneficial owner of Notes of a Class represented by an interest in a Rule 144A Global Note will be deemed to have represented and agreed as follows:

(i) It (A) is a Qualified Institutional Buyer and is acquiring such Note in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder, (B) is a Qualified Purchaser and (C) understands such Notes will bear a legend set forth in the applicable Exhibit attached hereto and be represented by one or more Rule 144A Global Notes. (ii) Such beneficial owner understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the Securities Act and, if in the future such beneficial owner decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture and the legend on such Notes. Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of the Notes. Such beneficial owner understands that the Notes have not been approved or disapproved by the SEC or any other governmental authority or agency of any jurisdiction, nor has the SEC or any other governmental authority or agency passed upon the accuracy or adequacy of any preliminary Offering Memorandum, nor will the SEC or any other governmental authority or agency pass upon the accuracy or adequacy of the Offering Memorandum or any preliminary version thereof. Such beneficial owner further understands that any representation to the contrary is a criminal offense.

(iii) In connection with the purchase of such Notes (provided that no such representations are made with respect to the Collateral Manager by any Affiliate thereof): (A) none of the Co-Issuers, the Placement Agent, the Collateral Manager, any Hedge Counterparty, the Trustee or any of their respective Affiliates is acting as a fiduciary or financial or investment adviser for such beneficial owner; (B) such beneficial owner is not relying (for purposes of making any investment decision or otherwise) upon any advice, counsel or representations (whether written or oral) of the Co-Issuers, the Collateral Manager, the Trustee, the Collateral Administrator, any Hedge Counterparty or the Placement Agent other than any statements in a current offering circular for such Notes; (C) such beneficial owner has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisers to the extent it has deemed necessary and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to this Indenture or investment in the Notes) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Trustee, the Collateral Manager, the Collateral Administrator, any Hedge Counterparty or the Placement Agent; (D) it is a sophisticated investor and is purchasing the Notes with a full understanding of all of the terms, conditions and risks thereof, and it is capable of assuming and willing to assume those risks;

(E) it is acquiring the Notes solely for its own account or for the account of a Qualified Purchaser that is also a Qualified Institutional Buyer and, in each such case, not with a view to the resale, distribution or other disposition thereof in violation of the Securities Act; (F) it has read, or will read, the final Offering Memorandum (including, without limitation, the descriptions therein of the structure of the transaction in which the Notes are being issued and the risks to purchasers of the Notes); (G) such beneficial owner understands that the Notes are illiquid and it is prepared to hold the Notes until their maturity; and (H) none of the Transaction Parties or any of their respective Affiliates has given it (directly or indirectly through any other Person) any assurance, guarantee or representation whatsoever as to the expected or projected success, profitability, return, performance, result, effect, consequence or benefit (including legal, regulatory, tax, financial, accounting or otherwise) of the Notes or of this Indenture.

(iv) (A) In the case of the Class X Notes, the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes, (1) either (a) it is not (and for so long as it holds such Note, will not be) and is not acting on behalf of (and for so long as it holds such Note, will not be acting on behalf of) a Benefit Plan Investor or a governmental, church, non-U.S. or other plan that is subject to any Similar Law, or (b) its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt prohibited transaction in violation of Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, church, non-U.S. or other plan, a non-exempt violation of any Similar Law), and (2) it and any fiduciary causing it to invest in this Note agree, to the fullest extent permissible under applicable law, to indemnify and hold harmless the Issuer, the Co-Issuer, the Placement Agent, the Trustee and the Collateral Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of its breach of the foregoing representations and warranties.

(B) In the case of Class E Notes and Subordinated Notes in the form of Global ERISA Restricted Notes, (1) except in the case of an Original Purchaser of Class E Notes in the form of Global ERISA Restricted Notes, which Original Purchaser has obtained approval of the Issuer in writing in advance of the 2019 Reset Date, for so long as it holds such Global ERISA Restricted Note or interest therein, no part of the assets to be used to acquire and hold such Note (or any interest therein) constitutes assets of a Benefit Plan Investor or a Controlling Person and it is not, and is not acting on behalf of, a Benefit Plan Investor or a Controlling Person; (2) if it is a Benefit Plan Investor that is an Original Purchaser of an ERISA Restricted Note, its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt prohibited transaction or violation of Section 406 of ERISA or Section 4975 of the Code; (3) it will not sell, pledge or otherwise transfer such Note (or any interest therein) to a Benefit Plan Investor or a Controlling Person unless, subject to the 25% Limitation, it converts such interest to an ERISA Restricted Definitive Note; (4) either (a) it is not a governmental, church, non-U.S. or other plan that is subject to any Similar Law, or (b) its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt violation of any Similar Law; and (5) it and any fiduciary causing it to invest in such Note agree, to the fullest extent permissible under applicable law, to indemnify and hold harmless the Issuer, the Placement Agent, the Trustee and the Collateral Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of its breach of the foregoing representations and warranties. The Trustee will not effect any transfer of an interest in a Global ERISA Restricted Note to a transferee if any transfer

certificate received by it discloses that the transferee is a Benefit Plan Investor or a Controlling Person unless, subject to the 25% Limitation, it converts such interests to an ERISA Restricted Definitive Note. The purchaser understands that this Indenture permits the Issuer to demand that any Holder of a Global ERISA Restricted Note that makes false or misleading representations relating to ERISA, Section 4975 of the Code or any Similar Law matters, or that otherwise causes a violation of the 25% Limitation applicable to such Notes, sell such Note to a person that satisfies the requirements for holding such Note, and if the Holder does not comply with such demand within 14 days thereof, the Issuer may sell such Holder's interest in such Note in accordance with and pursuant to the terms of this Indenture.

(v) It understands that this Indenture permits the Issuer to demand that any Holder of Rule 144A Global Notes who is determined not to be both a Qualified Institutional Buyer and a Qualified Purchaser at the time of acquisition of such Notes sell the Notes (A) to a Person who is both a Qualified Purchaser and a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (B) to a Person who will take delivery of the Holder's Rule 144A Global Notes in the form of an interest in a Regulation S Global Note and who is not a U.S. Person (as defined in Regulation S) or a U.S. Resident in a transaction meeting the requirements of Regulation S, and if the Holder does not comply with such demand within 30 days thereof, the Issuer may sell such Holder's interest in the Note in accordance with and pursuant to the terms of this Indenture.

(vi) It is aware that, except as provided in this Indenture, the Notes being sold to it will be represented by one or more Global Notes and that the beneficial interests therein may be held only through the Depository or one of its nominees as applicable.

(vii) It will provide notice to each Person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in this Section 2.5, including the Exhibits referenced herein.

(viii) It acknowledges that, for U.S. federal income tax purposes and, to the extent permitted by law, state and local income and franchise tax purposes, the Issuer will be treated as a corporation, the Secured Notes will be treated as indebtedness of the Issuer only, and the Subordinated Notes will be treated as equity in the Issuer. It agrees to such treatment and to take no action inconsistent with such treatment unless required by a relevant taxing authority; provided that such agreement will not prevent Holders and beneficial owners of Class E Notes from making protective "qualified electing fund" elections. It agrees to be bound by the covenants set forth in Section 2.13.

(ix) It certifies under penalties of perjury that (i) its name, taxpayer identification or social security number and address provided to the Co-Issuers and the Trustee are correct and (ii) the information contained in any Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding (Individuals)), W-8BEN-E (Certificate of Status of Beneficial Owner for United States Tax Withholding (Entities)), Form W-9 (Request for Taxpayer Identification Number and Certification) or any other tax-related form submitted to the Co-Issuers is correct (which certifications referred to in this clause (ix) will be deemed to be repeated on any date on which any tax form is delivered to the Co-Issuers after the date hereof). It agrees to in a timely manner complete (accurately and in a manner

reasonably satisfactory to the Co-Issuers), execute, arrange for any required certification of, and deliver to the Co-Issuers or such governmental or taxing authority as the Co-Issuers direct, or allow the Co-Issuers or their representatives to provide such information and documentation to any relevant tax authority, any form, document or certificate that may be required or reasonably requested by the Co-Issuers including to achieve FATCA Compliance. It further agrees to promptly inform the Co-Issuers of any change in any such information previously provided to the Co-Issuers, the Placement Agent, the Trustee or any Paying Agent and to execute a new form or other document with the correct information and to take any other steps as may be necessary or helpful to achieve FATCA Compliance.

(x) If acquiring a Class E Note (A) it is not an Affected Bank and (B) if it is a bank organized outside the United States, (x) it is acquiring such Notes as a capital markets investment and will not for any purpose treat such Notes or assets of the Issuer as loans acquired in its banking business, and (y) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(xi) It will not object to the provision at any time by the Co-Issuers (or the Trustee acting in its capacity as Trustee) of the general information provided by it pursuant to clause (ix) above or of any additional information requested from the Co-Issuers, in response to a request pursuant to the provisions of the USA PATRIOT Act (if it is applicable to the Issuer) from any government entity or self-regulatory organization for information provided by it to the Co-Issuers (or the Trustee acting in its capacity as Trustee).

(xii) The funds used by it to purchase the Notes were not directly or indirectly derived from activities that may contravene applicable state, federal or international laws, including the USA PATRIOT Act and other anti-money laundering laws and regulations (if it is applicable to the Issuer).

(xiii) Its purchase of the Notes will not violate the BSA, the Trading with the Enemy Act, as amended, any of the regulations promulgated by the U.S. Department of the Treasury's Office of Foreign Assets Control (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto, including Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions With Persons Who Commit or Support Terrorism (66 Fed. Reg. 47,079 (2001)), as amended ("Executive Order 13224"). Neither the Holder nor any of its subsidiaries is, or, to the best of its knowledge, engaged in any dealings or transactions with, or is otherwise associated with, a person designated pursuant to Section 1 of Executive Order 13224.

(xiv) It agrees to be subject to the Bankruptcy Subordination Agreement.

(xv) It (A) agrees that it shall not institute against, or join any other Person in instituting against the Issuer, the Co-Issuer or any Permitted Subsidiary, any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings or other Proceedings under Cayman Islands, U.S. Federal or state bankruptcy laws or any other similar laws until at least one year and one day after the date of payment in full of the Notes or, if longer, the applicable preference period then in effect plus one day following the date of such

payment in full, and (B) understands and agrees that the foregoing restriction is a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer, the Trustee and the Collateral Manager to enter into this Indenture (in the case of the Trustee, the Issuer and the Co-Issuer) and the other applicable Transaction Documents and is an essential term of this Indenture.

(xvi) It understands that an investment in the Notes involves certain risks, including the risk of loss of all or a substantial part of its investment. It has had access to such financial and other information concerning the Transaction Parties, the Notes, and the initial or current portfolio of Collateral Debt Obligations as it deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of the Notes, including an opportunity to ask questions of and request information from each Transaction Party.

(xvii) It will not, at any time, offer to buy or offer to sell the Notes by any form of general solicitation or advertising, including, but not limited to, any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over television or radio or seminar or meeting whose attendees have been invited by general solicitations or advertising.

(xviii) If it is not a natural person, it has the power and authority to enter into each document required to be executed and delivered by or on behalf of it in connection with its subscription for the Notes, and to perform its obligations thereunder and consummate the transactions contemplated thereby. If it is a natural person, it has all requisite legal capacity to acquire and hold the Notes and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by it in connection with its subscription for the Notes. Such execution, delivery and compliance by it does not conflict with, or constitute a default under, any instruments governing it, any applicable law, regulation or order, or any material agreement to which it is a party or by which it is bound.

(xix) It is not a member of the public in the Cayman Islands.

(xx) Its principal place of business is not located within any Federal Reserve District or it has satisfied and will satisfy any applicable registration or other requirements of the FRB including, without limitation, Regulation U, in connection with its acquisition of Notes.

(xxi) It understands that the Issuer and the Collateral Manager will have the right to obtain at any time a complete list of Holders (and Certifying Holders who have provided the Trustee with a beneficial holder certificate for any purpose) and participants holding interests in the Notes, upon five Business Days' prior written notice to the Trustee, and authorizes the Trustee to provide such list of Holders (and Certifying Holders) and participants holding interests in the Notes to the Issuer and the Collateral Manager. At the direction of the Issuer or the Collateral Manager, the Trustee will request a list of participants holding interests in the Notes from one or more book-entry depositories and provide such list to the Issuer or Collateral Manager, respectively.

(xxii) It agrees (1)(A) that the express terms of this Indenture govern the rights of the holders to direct the commencement of a Proceeding against any Person, (B) this Indenture contains limitations on the rights of the holders to direct the commencement of any such Proceeding, and (C) it will comply with such express terms if it seeks to direct the commencement of any such Proceeding, (2) there are no implied rights under this Indenture to direct the commencement of any such Proceeding, and (3) notwithstanding any other provision of this Indenture, or any provision of the Notes, or of the Collateral Administration Agreement or of any other agreement, the Co-Issuers, whether jointly or severally, will be under no duty or obligation of any kind to the holders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Trustee, the Collateral Administrator or the Calculation Agent.

(xxiii) It understands that the Co-Issuers, the Trustee, the Note Registrar, the Placement Agent, the Collateral Manager and their counsel will rely upon the accuracy and truth of the foregoing representations, and it hereby consents to such reliance.

(xxiv) It will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary.

(k) Each Person who becomes a beneficial owner of Notes represented by an interest in a Regulation S Global Note will be deemed to have made the representations set forth in clauses (j)(ii), (iii), (vii) through (xix), (xx) (except in the case of purchasers of Subordinated Notes), (xxi), (xxii) and (xxiii) above and will be deemed to have further represented and agreed as follows (and, in the case of initial transferees from the Placement Agent of the Subordinated Notes represented by an interest in a Regulation S Global Note, will be required to make representations, agreements and indemnifications substantially the same as those set forth in Exhibit B-2 hereto in which such Person will make the representations and agreements set forth in clause (j)(iv)(B)):

(i) Such purchaser or transferee (1) is aware that the sale of the Notes to it is being made in an offshore transaction in reliance on the exemption from registration provided by Regulation S and understands that the Notes offered in reliance on Regulation S will bear a legend set forth in the applicable Exhibit attached hereto and be represented by one or more Regulation S Global Notes; (2) is acquiring its interest in such Notes for its own account; and (3) will hold and transfer at least the minimum authorized denomination of such Notes and provide notice of the relevant transfer restrictions to subsequent transferees. The Notes so represented may not at any time be held by or on behalf of U.S. Persons as defined in Regulation S under the Securities Act. The purchaser and each beneficial owner of such Notes is not, and will not be, a U.S. Person as defined in Regulation S under the Securities Act or a U.S. Resident within the meaning of the Investment Company Act, and its purchase of such Notes will comply with all applicable laws in any jurisdiction in which it resides or is located.

(ii) The purchaser understands that in accordance with clause (n) of this Section 2.5 and Section 2.12, this Indenture permits the Issuer to demand that any Holder of Regulation S Global Notes who is determined to be a U.S. Person under Regulation S or a U.S. Resident (or has not provided the certification provided in Section 2.13) sell the Notes

(A) to a Person who is not U.S. Person or a U.S. Resident in a transaction meeting the requirements of Regulation S or (B) to a Person who is a Qualified Purchaser that is also a Qualified Institutional Buyer (or, in the case of the Subordinated Notes, an Institutional Accredited Investor) in a transaction meeting the requirements of Rule 144A (or otherwise exempt from registration) under the Securities Act, and, if the Holder does not comply with such demand within 30 days thereof, the Issuer may sell such Holder's interest in the Note in accordance with and pursuant to the terms of this Indenture.

(iii) It is aware that, except as otherwise provided in this Indenture, the Notes being sold to it, if any, in reliance on Regulation S will be represented by one or more Regulation S Global Notes and that beneficial interests therein may be held only through Euroclear or Clearstream.

(iv) (A) (1) In the case of the Class X Notes, the Class A Notes, the Class B Notes, the Class C Notes and the Class D Notes, either (a) it is not (and for so long as it holds such Note, will not be) and is not acting on behalf of (and for so long as it holds such Note, will not be acting on behalf of) a Benefit Plan Investor or a governmental, church, non-U.S. or other plan that is subject to any Similar Law, or (b) its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt prohibited transaction in violation of Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental, church, non-U.S. or other plan, a non-exempt violation of any Similar Law); and (2) it and any fiduciary causing it to invest in this Note agree, to the fullest extent permissible under applicable law, to indemnify and hold harmless the Issuer, the Co-Issuer, the Placement Agent, the Trustee and the Collateral Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of its breach of the foregoing representations and warranties.

(B) In the case of the Class E Notes and the Subordinated Notes in the form of Global ERISA Restricted Notes, (1) except in the case of an Original Purchaser of Class E Notes in the form of Global ERISA Restricted Notes, which Original Purchaser has obtained approval of the Issuer in writing in advance of the 2019 Reset Date, for so long as it holds such Global ERISA Restricted Note or interest therein, no part of the assets to be used to acquire and hold such Note (or any interest therein) constitutes assets of a Benefit Plan Investor or Controlling Person and it is not, and is not acting on behalf of, a Benefit Plan Investor; or a Controlling Person; (2) if it is a Benefit Plan Investor that is an Original Purchaser of an ERISA Restricted Note, its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt prohibited transaction or violation of Section 406 of ERISA or Section 4975 of the Code; (3) it will not sell, pledge or otherwise transfer such Note (or any interest therein) to a Benefit Plan Investor or a Controlling Person unless, subject to the 25% Limitation, it converts such interest to an ERISA Restricted Definitive Note; (4) either (a) it is not a governmental, church, non-U.S. or other plan that is subject to any Similar Law, or (b) its acquisition, holding and disposition of such Note will not constitute or result in a non-exempt violation of any Similar Law; and (5) it and any fiduciary causing it to invest in such Note agree, to the fullest extent permissible under applicable law, to indemnify and hold harmless the Issuer, the Placement Agent, the Trustee and the Collateral Manager and their respective Affiliates from any cost, damage or loss incurred by them as a result of its breach of the

foregoing representations and warranties. The Trustee will not effect any transfer of an interest in a Global ERISA Restricted Note to a transferee if any transfer certificate received by it discloses that the transferee is a Benefit Plan Investor or a Controlling Person unless, subject to the 25% Limitation, it converts such interest to an ERISA Restricted Definitive Note. The purchaser understands that this Indenture permits the Issuer to demand that any Holder of a Global ERISA Restricted Note that makes false or misleading representations relating to ERISA, Section 4975 of the Code or any Similar Law matters, or that otherwise causes a violation of the 25% Limitation applicable to such Notes, sell such Note to a person that satisfies the requirements for holding such Note, and if the Holder does not comply with such demand within 14 days thereof, the Issuer may sell such Holder's interest in the Note in accordance with and pursuant to the terms of this Indenture.

(l) Each Person who becomes an owner of Definitive Notes shall make the representations and agreements set forth in Exhibit B-1 or Exhibit B-2, as applicable.

(m) For so long as any Notes are listed on the Irish Stock Exchange and the guidelines of such exchange shall so require, in the case of a transfer or exchange of Definitive Notes, a Holder thereof may obtain a new Definitive Note from any Paying Agent; provided that all transfers and exchanges must be effected in accordance with this Indenture.

(n) The Issuer shall have the right under this Indenture to compel any beneficial owner of an interest in (i) a Rule 144A Global Note that was not both a Qualified Purchaser and a Qualified Institutional Buyer at the time of acquisition of such Notes to sell its interest in the Notes (A) to a Person who is both a Qualified Purchaser and a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (B) to a Person who will take delivery of the Holder's Rule 144A Global Notes in the form of an interest in a Regulation S Global Note and who is not a U.S. Person or a U.S. Resident in a transaction meeting the requirements of Regulation S, (ii) a Regulation S Global Note who is determined to be a U.S. Person under Regulation S to sell the Notes (A) to a Person who is not a U.S. Person in a transaction meeting the requirements of Regulation S or (B) to a Person who is both a Qualified Purchaser and a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A and (iii) a Definitive Note who is determined to be a U.S. Person that is not both (x) a Qualified Purchaser and (y) either a Qualified Institutional Buyer or (if the Definitive Note is a Subordinated Note) an Institutional Accredited Investor, in each case at the time of acquisition of such Notes, to sell the Notes (A) to a Person who is not a U.S. Person in a transaction meeting the requirements of Regulation S or (B) to a Person who is both a Qualified Purchaser and either a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (if the Definitive Note is a Subordinated Note) an Institutional Accredited Investor in a transaction meeting the requirements of Section 4(a)(2) of the Securities Act, and, if the Holder does not comply with such demand made pursuant to this clause (n) within 30 days thereof, the Issuer may sell such Holder's interest in the Note in accordance with and pursuant to the terms of this Indenture.

(o) Any purported transfer of a Note not in accordance with this Section 2.5 (other than Section 2.5(j)(x)) shall be null and void and shall not be given effect for any purpose whatsoever. However, without prejudice to the rights of the Issuer against any

beneficial owner or purported beneficial owner of Notes, nothing in this Indenture or in the Notes shall be interpreted to confer on the Issuer, the Trustee or any Paying Agent any right against Euroclear to require that Euroclear reverse or rescind any trade completed in accordance with the rules of Euroclear.

(p) Any Holder or beneficial owner of Subordinated Notes may make a Further Advance in accordance with the terms hereof.

The Trustee shall assume that an interest in a Class E Note or Subordinated Note in the form of a Global Note purchased by a Benefit Plan Investor or a Controlling Person on the 2019 Reset Date (or the Closing Date or 2016 Refinancing Date with respect to the Subordinated Notes) is being held by a Benefit Plan Investor or Controlling Person, as applicable, until the Stated Maturity Date, or earlier date of redemption, of the such Note; provided that such requirement shall cease to apply with respect to the amount of any such interest subsequently transferred by the purchaser that purchased such interest on the 2019 Reset Date (or the Closing Date or the 2016 Refinancing Date with respect to the Subordinated Notes) if in connection with such transfer, (1) such purchaser that purchased such interest on the 2019 Reset Date (or the Closing Date or the 2016 Refinancing Date with respect to the Subordinated Notes) delivers a Transferor Certificate to the Trustee and (2) the transferee delivers a Transferee Certificate to the Trustee in which it certifies that it is not a Benefit Plan Investor or a Controlling Person, as the case may be.

Neither the Trustee nor the Note Registrar shall be liable for any delay in the delivery of directions from the Depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of the beneficial owners in whose names Definitive Notes shall be registered or as to delivery instructions for Definitive Notes.

2.6 Mutilated, Destroyed, Lost or Stolen Notes.

If (i) any mutilated or defaced Note is surrendered to the Trustee, a Transfer Agent, the Co-Issuer (if applicable) or Issuer, or the Holder of a Note of any Class certifies in writing to the Trustee, such Transfer Agent, the Co-Issuer (if applicable) or the Issuer that such Note has been destroyed, lost or stolen, and (ii) there is delivered to the Issuer and the Trustee such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers or the Trustee that such Note has been acquired by a bona fide or protected purchaser, the Applicable Issuers shall execute and, upon a written request therefor by the Applicable Issuers, the Trustee or an Authenticating Agent shall authenticate and deliver to the Holder of such Note, in exchange for or in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note of the same Class, tenor and principal amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding. If, after the delivery of such new Note, a bona fide or protected purchaser of the original Note in lieu of which such new Note was issued presents such original Note for payment, transfer or exchange, the Applicable Issuers and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking title therefrom, except a bona fide or protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers or the Trustee in connection therewith. If any

such mutilated, defaced, destroyed, lost or stolen Note shall have become or shall be about to become due and payable in full or shall have been called for redemption in full, instead of issuing a new Note, the Applicable Issuers may pay such Note without surrender thereof, except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers or the Trustee may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith.

Every new Note issued pursuant to this Section 2.6 in exchange for or in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers, and such new Note shall be entitled, subject to the first paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

2.7 Payments on the Notes.

(a) The Secured Notes of each Class shall accrue interest during each Periodic Interest Accrual Period at the Applicable Periodic Rate, and such interest will be payable in arrears on each Payment Date, except as otherwise set forth below. Payment of interest on each Class of Secured Notes (and payments of Collateral Interest Collections to the Subordinated Noteholders) will be payable in accordance with, and subject to, the Priority of Payments. Interest will cease to accrue on each Secured Note, or, in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity Date unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the Payment Date which is the Stated Maturity Date for such Class of Secured Notes, unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. No principal will be payable in respect of any Class of Secured Notes, and no Collateral Principal Collections will be payable in respect of the Subordinated Notes, on any Payment Date occurring during the Reinvestment Period, except in the event of (A) a Principal Prepayment, (B) an Optional Redemption of the Notes, (C) a Ramp-Up Confirmation Failure, (D) a Special Redemption, (E) an Enforcement Event which is continuing, (F) with respect to one or more Classes of the Secured Notes only, a Partial Redemption by Refinancing or (G) the payment of Class X Principal Amortization Amounts. All Outstanding principal of each Class of Secured Notes will be payable (unless sooner paid on an earlier Final Maturity Date) on the Stated Maturity Date for such Class of Secured Notes.

(c) So long as any Class X Note, Class A Note or Class B Note is Outstanding, to the extent Periodic Interest for any Periodic Interest Accrual Period is not paid on the Class C Notes on any Payment Date because insufficient funds are available for such purpose in accordance with the Priority of Payments in Section 11.1, the amount of such shortfall shall not be deemed due and payable hereunder, but the Class C Cumulative Periodic Rate Shortfall Amount will be increased by the amount of such interest shortfall, which will not be payable as Periodic Interest on any subsequent Payment Date. The Class C Cumulative Periodic Rate Shortfall Amount as of any Payment Date shall accrue interest for each subsequent Periodic Interest Accrual Period at the Applicable Periodic Rate for the Class C Notes, and such accrued interest shall be payable on any subsequent Payment Date pursuant to the Priority of Payments as interest on the Class C Notes or added to the Class C Cumulative Periodic Rate Shortfall Amount as aforesaid.

(d) So long as any Class X Note, Class A Note, Class B Note or Class C Note is Outstanding, to the extent Periodic Interest for any Periodic Interest Accrual Period is not paid on the Class D Notes on any Payment Date because insufficient funds are available for such purpose in accordance with the Priority of Payments in Section 11.1, the amount of such shortfall shall not be deemed due and payable hereunder, but the Class D Cumulative Periodic Rate Shortfall Amount will be increased by the amount of such interest shortfall, which will not be payable as Periodic Interest on any subsequent Payment Date. The Class D Cumulative Periodic Rate Shortfall Amount as of any Payment Date shall accrue interest for each subsequent Periodic Interest Accrual Period at the Applicable Periodic Rate for the Class D Notes and such accrued interest shall be payable on any subsequent Payment Date pursuant to the Priority of Payments as interest on the Class D Notes or added to the Class D Cumulative Periodic Rate Shortfall Amount as aforesaid.

(e) So long as any Class X Note, Class A Note, Class B Note, Class C Note or Class D Note is Outstanding, to the extent Periodic Interest for any Periodic Interest Accrual Period is not paid on the Class E Notes on any Payment Date because insufficient funds are available for such purpose in accordance with the Priority of Payments in Section 11.1, the amount of such shortfall shall not be deemed due and payable hereunder, but the Class E Cumulative Periodic Rate Shortfall Amount will be increased by the amount of such interest shortfall, which will not be payable as Periodic Interest on any subsequent Payment Date. The Class E Cumulative Periodic Rate Shortfall Amount as of any Payment Date shall accrue interest for each subsequent Periodic Interest Accrual Period at the Applicable Periodic Rate for the Class E Notes, and such accrued interest shall be payable on any subsequent Payment Date pursuant to the Priority of Payments as interest on the Class E Notes or added to the Class E Cumulative Periodic Rate Shortfall Amount as aforesaid.

(f) [Reserved].

(g) Payments in respect of interest on and principal of any Secured Note, and any payment with respect to any Subordinated Note, shall be made by the Issuer in U.S. dollars to the Depository or its designee with respect to a Global Note, and to the Holder or its nominee with respect to a Definitive Note, by wire transfer, as directed by the Holder, in immediately available funds to a U.S. dollar account maintained by the Depository or its nominee

with respect to a Global Note, and to the Holder or its designee with respect to a Definitive Note; provided, in the case of a Definitive Note, that the Holder thereof shall have provided written wiring instructions to the Trustee and, if such payment is to be made by a Paying Agent, to such Paying Agent, on or before the related Record Date; provided, however, that, if appropriate instructions for any such wire transfer are not received at least fifteen (15) days prior to the relevant Payment Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Note Register, as of the Record Date applicable to such Payment Date. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the office designated by the Trustee as provided in Section 7.3 on or prior to such Maturity; provided, however, that, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may reasonably be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a bona fide or protected purchaser, such final payment shall be made without presentation or surrender. None of the Co-Issuers, the Trustee, the Placement Agent, the Collateral Manager or any Paying Agent or any of their respective Affiliates will have any responsibility or liability for any aspects of the records maintained by the Depository, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial interests. Each holder of a beneficial interest in a Global Note must look solely to the Depository, Euroclear or Clearstream, as the case may be. Such holders will have no claim directly against the Applicable Issuers in respect of payments due on any Notes that are held in the form of Global Notes, and the Applicable Issuers will be discharged by payment to the Holder of such Global Notes in respect of each amount so paid. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be The Depository Trust Company or its nominee in the case of a Global Note). The Trustee may rely and shall be fully protected in relying upon information furnished by The Depository Trust Company with respect to its Agent Members, participants and any beneficial owners. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity Date thereof), the Applicable Issuers or, upon Issuer Request, the Trustee, in the name and at the expense of the Applicable Issuers, shall provide notice to the Persons entitled thereto at their addresses appearing on the Note Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.\$100,000 original principal amount of Notes and the place where such Notes may be presented and surrendered for such payment.

(h) Payments in respect of interest on, principal of or any other amounts payable on or in respect of the Notes of any Class on any Payment Date shall be paid to the Holders of the Notes of such Class as of the related Record Date.

(i) Interest on the Secured Notes shall be computed for each Periodic Interest Accrual Period on the basis of a 360-day year and the actual number of days in which the respective Secured Notes were Outstanding in such Periodic Interest Accrual Period.

(j) If any Payment Date or any other date for the payment of the principal of, or interest on, or any other amount payable on or in respect of any Note is not a Business Day, then payment need not be made on such date, but shall be made on the next succeeding Business Day with the same force and effect as if made on the nominal date of any such Payment Date or other date for the payment of the principal of, or interest on, or any other amount payable on or in respect of, any Note, as the case may be, and, in the case of the Subordinated Notes only, no additional interest shall accrue for any period as a result of such payment being made on the next succeeding Business Day, and, in the case of the Secured Notes only, additional interest shall accrue for any additional days that payment is delayed as a result thereof.

(k) Notwithstanding anything to the contrary contained herein or in any other Transaction Document, principal of, interest on and all other amounts payable on or in respect of the Notes and any other obligations of the Co-Issuers or the Issuer related to the Notes, as applicable, under this Indenture will constitute limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer, in each case payable solely from the Trust Estate, and following realization of the Trust Estate any obligations of the Applicable Issuers and any claim against the Applicable Issuers in respect of the Notes under this Indenture shall be extinguished and shall not revive. Subject to Section 6.6, none of the Issuer, the Co-Issuers, the Collateral Manager, the Trustee or any Hedge Counterparty or any of their respective agents, partners, beneficiaries, officers, directors, employees, members, managers or any Affiliate of any of them or any of their respective successors or assigns shall be personally liable for any amounts payable, or performance due, under the Notes or this Indenture. It is understood that the foregoing provisions of this clause (k) shall not (A) prevent recourse to the Trust Estate for the sums due or to become due under any security, instrument or agreement which is part of the Trust Estate or (B) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Trust Estate has been realized, whereupon any such outstanding indebtedness or obligation shall be extinguished. It is further understood that the foregoing provisions of this clause (k) shall not limit the right of any Person to name the Co-Issuers as parties defendant in any action or suit or in the exercise of any other remedy under the Notes or in this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person.

(l) As a condition to the payment of principal of, interest on and all other amounts payable on or in respect of any Note without the imposition of withholding tax, any Paying Agent shall require (i) the previous receipt of properly completed and signed applicable tax certifications (generally, in the case of U.S. Federal income tax, an Internal Revenue Service Form W-9 (or applicable successor form) in the case of a person that is a “United States person” within the meaning of Section 7701(a)(30) of the Code or the applicable Internal Revenue Service Form W-8 (or applicable successor form) in the case of a person that is not a “United States person” within the meaning of Section 7701(a)(30) of the Code) or other certification acceptable to it and (ii) any additional information or certification (including a waiver of foreign-law confidentiality) that the Issuer or its agent requests in connection with FATCA to enable the Co-Issuers, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or

withhold in respect of such Note or the Holder or beneficial owner of such Note under any present or future law or regulation of the Cayman Islands, the United States or any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes.

(m) All payments made by the Issuer under the Notes will be made without any deduction or withholding for or on the account of any tax, duty, assessment or governmental charge unless such deduction or withholding is required by applicable law (including in connection with FATCA), as modified by the practice of any relevant governmental authority, then in effect. If the Issuer is so required to deduct or withhold, then the Co-Issuers will not be obligated to pay any additional amounts in respect of such withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges (including, without limitation, in connection with FATCA).

2.8 Persons Deemed Owners. Except as otherwise may be expressly agreed in writing, the Issuer, the Co-Issuer (if applicable), the Trustee and the Collateral Manager, and any agent of the Issuer, the Co-Issuer (if applicable), the Trustee and the Collateral Manager, shall treat the Person in whose name any Note is registered as it appears on the Note Register maintained by the Trustee as Note Registrar as of the applicable Record Date as the owner of such Note for the purpose of receiving payments of principal of and interest on such Note and for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuer, the Trustee or the Collateral Manager, or any agent of any of them, shall be affected by notice to the contrary.

2.9 Purchase and Surrender of Notes; Cancellation. Notwithstanding anything to the contrary in this Indenture, at the direction of a Majority of the Subordinated Notes, the Collateral Manager shall, on behalf of the Issuer, direct the application of (x) all or a portion of amounts on deposit in the Supplemental Interest Reserve Account or (y) Further Advances received in accordance herewith by the Issuer in order to repurchase Secured Notes (or acquire beneficial interests therein) sequentially in order of seniority by Priority Class as designated by the Issuer or the Holders of Subordinated Notes making such Further Advances, as applicable, through a tender offer, in the open market, or in privately negotiated transactions (in each case, subject to applicable law) (any such Secured Notes, “Repurchased Notes”). Any such Repurchased Notes will be submitted to the Trustee for cancellation in accordance with this Article 2. The Trustee shall provide notice of any such repurchase to S&P. For the avoidance of doubt, Holders of Secured Notes may, but shall not be required to, sell their interests in Secured Notes to the Issuer pursuant to this Section 2.9. Notes or beneficial interests in Notes may also be tendered for cancellation without payment by a Holder to the Issuer or Trustee (any such Notes, “Surrendered Notes”). The Trustee shall provide notice of any such cancellation to S&P. Any such Surrendered Notes will be submitted to the Trustee for cancellation in accordance with this Article 2.

All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed destroyed, lost or stolen, shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it; provided that Repurchased Notes and Surrendered Notes of a Class other than the Controlling Class shall continue to be treated as Outstanding for purposes of calculation of the Principal Coverage Tests (including, for the avoidance of doubt, after the execution of any action which may improve or maintain the Principal Coverage Tests), the Interest Diversion Test and, if the Class A-R Debt is Outstanding, the Event of Default O/C Test until (a) if all of the Notes of any applicable Class constitute Repurchased Notes or Surrendered Notes, the entire Aggregate Principal Amount of each Priority Class with respect to the Class constituting Repurchased Notes or Surrendered Notes shall have been paid in full (including payment of all unpaid interest and, if applicable, Cumulative Periodic Rate Shortfall Amount) or (b) if less than all of the Notes of an applicable Class constitute Repurchased Notes or Surrendered Notes, (x) the entire Aggregate Principal Amount of each Priority Class with respect to the Class constituting Repurchased Notes or Surrendered Notes shall have been paid in full (including payment of all unpaid interest and, if applicable, Cumulative Periodic Rate Shortfall Amount) and (y) the remaining Notes of such Class shall have been paid in full (including payment of all unpaid interest and, if applicable, Cumulative Periodic Rate Shortfall Amount); provided, further that, in the case of this clause (b)(y), all payments of principal to the Holders of the remaining Notes of the applicable Class shall be deemed to reduce the Principal Balance of the Repurchased Notes or Surrendered Notes on a pro rata basis (calculated as if the whole Class were Outstanding for all purposes); provided, further, that all calculations of the Principal Coverage Tests and the Interest Diversion Test shall be made on a pro forma basis in connection with the determinations set forth above. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy unless the Collateral Manager shall direct by a Collateral Manager Order prior to such destruction that they be returned to the Issuer.

2.10 Definitive Notes.

(a) A Global Note deposited with the Depository pursuant to Section 2.2 hereof shall be transferred (or exchanged) in the form of a Definitive Note to the beneficial owners thereof only if such transfer complies with Section 2.5 of this Indenture and (except for transfers of interests in Global Notes otherwise permitted pursuant to Section 2.5) either (i) the Depository notifies the Applicable Issuers or the Trustee that it is unwilling or unable to continue as depository for such Global Note or at any time the Depository, Clearstream or Euroclear, as applicable, ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Applicable Issuers within ninety (90) days after receiving such notice, (ii) as a result of any amendment to or change in the laws or regulations of the Cayman Islands, or of any authority therein or thereof having power to tax, or in the interpretation or administration of such laws or regulations which become effective on or after the Closing Date, the Issuer, the Trustee or the Paying Agent obtains actual knowledge that it is or will be required to make any deduction or withholding from any payment in respect of the Global Notes which would not be required if the Global Notes were not represented by a global certificate, in which case definitive physical certificates will be issued in exchange for the

applicable Global Notes to the beneficial owners thereof, (iii) a FATCA Event has occurred and is continuing, or (iv) in the case of a holder of a beneficial interest in Class E Notes or Subordinated Notes in the form of a Global Note, the holder is transferring an interest in such Class E Notes or Subordinated Notes to a Benefit Plan Investor or Controlling Person.

(b) Any Global Note that is transferable in the form of a Definitive Note to the beneficial owners thereof pursuant to this Section 2.10 shall be surrendered by the Depository to the Trustee's office located in Jacksonville, Florida (as stated in the definition of "Corporate Trust Office") to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal Aggregate Principal Amount of definitive physical certificates (pursuant to the instructions of the Depository) in Authorized Denominations. Any interest in a Global Note delivered in exchange for a Definitive Note shall, except as otherwise provided by Section 2.5(i) hereof, bear the legends set forth in the applicable Exhibit hereto and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of clause (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or such Notes.

(d) In the event of the occurrence of any of the events specified in subclauses (i), (ii) and (iii) of subsection (a) of this Section 2.10, the Applicable Issuers will promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. The Definitive Notes shall be in substantially the same form as the Exhibits to this Indenture with such changes therein as the Applicable Issuers and Trustee shall agree, and the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in exchange for the Global Note or Global Notes, as the case may be, the same Aggregate Principal Amount of Definitive Notes of Authorized Denominations.

2.11 Determination of LIBOR.

For each Periodic Interest Accrual Period, "LIBOR" will be the greater of (i) 0% and (ii) the rate determined by the Calculation Agent for U.S. dollar deposits (and in each case rounded to the nearest 0.00001%) in accordance with the following provisions:

(a) On the second Business Day (provided such day is also a LIBOR Banking Day, and otherwise on the next preceding Business Day that is also a LIBOR Banking Day) prior to the commencement of such Periodic Interest Accrual Period (each such day, a "LIBOR Determination Date"), LIBOR will equal (subject to Section 2.11(c) hereof) the rate for deposits with a term of three months, as obtained by the Calculation Agent by reference to Reuters Page LIBOR01 (or 3750) or such other page as may replace such Reuters Page LIBOR01 (or 3750) (collectively, the "Reuters Screen"), as of 11:00 a.m. (London time) on such LIBOR Determination Date.

(b) If, on any LIBOR Determination Date, such rate does not appear on Reuters Page LIBOR01 (or 3750) or such other page as may replace such Reuters Page

LIBOR01 (or 3750), the Calculation Agent shall determine the arithmetic mean of the offered quotations of the Reference Banks to leading banks in the London interbank market for three-month U.S. dollar deposits in Europe in an amount determined by the Calculation Agent by reference to requests for quotations as of approximately 11:00 a.m. (London time) on the LIBOR Determination Date made by the Calculation Agent to the Reference Banks. If, on such LIBOR Determination Date, at least two of the Reference Banks provide such quotations, LIBOR for the immediately following Periodic Interest Accrual Period shall equal the arithmetic mean of such quotations. If, on such LIBOR Determination Date, only one or none of the Reference Banks provides such a quotation, LIBOR for the immediately following Periodic Interest Accrual Period shall be deemed to be the arithmetic mean of the offered quotations that leading banks in The City of New York selected by the Calculation Agent (after consultation with the Collateral Manager) are quoting on the relevant LIBOR Determination Date for three-month U.S. dollar deposits in Europe in an amount determined by the Calculation Agent that is representative of a single transaction in such market at such time by reference to the principal London offices of leading banks in the London interbank market; provided, however, that, if the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures provided above, LIBOR for the immediately following Periodic Interest Accrual Period shall be LIBOR as determined on the previous LIBOR Determination Date. Neither the Calculation Agent nor the Collateral Manager shall have any liability for the selection of Reference Banks or other leading banks whose quotations are used to determine LIBOR.

(c) Notwithstanding anything in the immediately preceding paragraph to the contrary, LIBOR for the first Periodic Interest Accrual Period for the Class X-R2 Notes, the Class A-R2 Notes, the Class B-R2 Notes, the Class C-R2 Notes, the Class D-R2 Notes and the Class E-R2 Notes shall be LIBOR determined on the LIBOR Determination Date relating to the Periodic Interest Accrual Period beginning on the Payment Date in ~~{April}~~ 2019.

(d) Upon (x) a material disruption to LIBOR, (y) a change in the methodology of calculating LIBOR or (z) LIBOR ceasing to be reported (or actively updated) on the Reuters Screen (or the reasonable expectation of the Collateral Manager that any of the events specified in clause (x), (y) or (z) will occur within six months) (a “LIBOR Event”), ~~(I)~~ the Collateral Manager ~~may~~ shall, as soon as commercially reasonable, (I) designate (without the consent of any Holder or any other Person) in its commercially reasonable discretion a reference rate (which shall (A)(x) if such modifier is available, include a Reference Rate Modifier or (y) if a Reference Rate Modifier is not available, be comparable to three-month LIBOR and (B) subject to a floor of 0%) to replace LIBOR as the reference rate component of the Applicable Periodic Rate applicable to the Secured Notes that is (as notified by the Collateral Manager to the Trustee in writing) (1) the rate suggested as a replacement for LIBOR by the Alternative Reference Rates Committee convened by the Federal Reserve, (2) the rate acknowledged or suggested as the industry standard for the leveraged loan market by the Loan Syndications and Trading Association or (3) the rate that is consistent with the reference rate being used with respect to at least 50% (by principal amount) of (x) the quarterly pay Floating Rate Collateral Debt Obligations included in the Trust Estate or (y) the floating rate securities issued in the new-issue collateralized loan obligation market in the preceding three months from the date of determination or (II) ~~with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes, the Collateral Manager may designate~~ propose a reference rate other

than one of the reference rates specified in clauses (1), (2) and (3) above (which shall (A)(x) if such modifier is available, include a Reference Rate Modifier or (y) if a Reference Rate Modifier is not available, be comparable to three-month LIBOR and (B) subject to a floor of 0%) to replace LIBOR as the reference rate component of the Applicable Periodic Rate applicable to the Secured Notes ~~(as notified by which, with the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes, shall be so designated; provided that if the consent of a Majority of the Controlling Class and a Majority of the Subordinated Notes is so sought but not obtained,~~ the Collateral Manager ~~to the Trustee in writing), which shall designate a reference rate pursuant to clause (I) above (provided that a reference rate other than LIBOR can be reasonably determined thereunder).~~ Any designation ~~is made pursuant to~~ clause (I) or (II) above will be effective upon written notice of the Collateral Manager to the Co-Issuers, the Trustee, the Calculation Agent and the Rating Agency of such replacement reference rate (and the Trustee shall notify the Holders thereof), and such replacement reference rate shall be used to calculate the Applicable Periodic Rate applicable to the Secured Notes without the execution of a supplemental indenture and following any modification to the reference rate pursuant to this Section 2.11(d), (i) the Calculation Agent shall calculate the new reference rate in the same manner in which it calculated LIBOR, to the extent applicable and (ii) all references herein to "LIBOR," "Liber" or the "London interbank offered rate" will mean such new reference rate.

~~(e) If a LIBOR Event occurs, the Collateral Manager will, as soon as commercially reasonable, propose a reference rate to replace LIBOR as provided in Section 2.11(d).~~

2.12 Notes Beneficially Owned by Non-Permitted Holders.

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Rule 144A Global Notes or Definitive Notes to a U.S. Person (as defined in Regulation S) that is not both (i) a Qualified Purchaser and (ii) a Qualified Institutional Buyer or, in the case of Definitive Notes representing Subordinated Notes, an Institutional Accredited Investor, shall be null and void, and any such purported transfer of which the Issuer, the Co-Issuer (if applicable) or the Trustee shall have actual knowledge or written notice may be disregarded by the Issuer, the Co-Issuer (if applicable) and the Trustee for all purposes.

(b) If (x) any U.S. Person (as defined in Regulation S) that is not both (i) a Qualified Purchaser and (ii) a Qualified Institutional Buyer or, in the case of Definitive Notes representing Subordinated Notes, an Institutional Accredited Investor, shall become the owner of a beneficial interest in any Rule 144A Global Note or a Definitive Note (y) or if any Holder of Notes shall fail or be unable to comply with the Noteholder Reporting Obligations or otherwise prevent the Issuer from achieving FATCA Compliance, (z) a U.S. Person (as defined in Regulation S) acquires an interest in a Regulation S Global Note or Regulation S Definitive Note or (zz) a Non-Permitted AML Holder (any such person described in the preceding clause (x), (y), (z) or (zz), a "Non-Permitted Holder"), the Issuer or the Trustee on its behalf shall, promptly after obtaining actual knowledge or written notice that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer (if applicable) or the Trustee (and notice by the Trustee or, if applicable, the Co-Issuer to the Issuer), send notice to such Non-Permitted Holder demanding

that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder and otherwise is a permissible Holder thereof hereunder within thirty (30) days of the date of such notice; provided that, in the case of a Holder that is a Non-Permitted Holder solely due to the failure to comply with the Noteholder Reporting Obligations or because such Holder's ownership of Notes otherwise causes the Issuer to be unable to achieve FATCA Compliance, the Issuer (or the Trustee on its behalf if directed to do so) shall send a notice to such Holder demanding transfer of its interest only if the Issuer is required to terminate such Holder's interest in the Notes in order to comply with FATCA. If such Non-Permitted Holder fails to so transfer its Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell (and shall sell if directed to do so by the Collateral Manager) such Notes or such Non-Permitted Holder's interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. In the case of a transfer or sale effected for purposes of achieving FATCA Compliance, the Issuer may sell or, demand the transfer of, a Non-Permitted Holder's interest in a Note in its entirety notwithstanding that the sale of a portion of such an interest would permit the Issuer to achieve FATCA Compliance. The Issuer or an investment bank selected by the Issuer (and approved by the Collateral Manager) shall select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by their acceptance of an interest in the Notes, agree to cooperate with the Issuer to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale, shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this clause (b) shall be determined in the sole discretion of the Issuer, and none of the Collateral Manager, the Issuer or the Trustee shall be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) If any Person shall become the beneficial owner of an interest in any Notes (i) who has made or is deemed to have made a representation required by Section 2.5 hereof related to its status as a Benefit Plan Investor, ERISA or any Similar Law matter that is subsequently shown to be false or misleading or (ii) whose ownership of ERISA Restricted Notes otherwise causes a violation of the 25% Limitation applicable to such Notes (any such person a "Non-Permitted ERISA Holder"), the Issuer shall, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer, the Co-Issuer or the Trustee (and notice by the Trustee or the Co-Issuer to the Issuer, if either of them obtains actual knowledge), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer its interest to a person that is not a Non-Permitted ERISA Holder within fourteen (14) days of the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer its Notes, the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell (and shall sell if directed to do so by the Collateral Manager) such Notes or such Non-Permitted ERISA Holder's interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder on such terms as the Issuer may choose. The Issuer or an investment bank selected by the Issuer (and approved by the Collateral Manager) shall select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes, to the highest such

bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of the Notes, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this clause (c) shall be determined in the sole discretion of the Issuer, and none of the Issuer, the Collateral Manager or the Trustee shall be liable to any Person having an interest in Notes sold as a result of any such sale or the exercise of such discretion.

2.13 Tax Treatment.

(a) The Issuer, the Co-Issuer and the Trustee agree, and each Holder and each beneficial owner of a Secured Note, by acceptance of such Secured Note or an interest in such Secured Note shall be deemed to have agreed, to treat, and shall treat, the Secured Notes as debt instruments of the Issuer only for United States federal income tax purposes and shall take no action inconsistent with such treatment unless required by any relevant taxing authority.

(b) The Issuer, the Co-Issuer and the Trustee agree, and each Holder and each beneficial owner of a Subordinated Note, by acceptance of such Subordinated Note or an interest in such Subordinated Note shall be deemed to have agreed, to treat, and shall treat, the Subordinated Notes as equity in the Issuer for United States federal income tax purposes shall take no action inconsistent with such treatment unless required by any relevant taxing authority.

(c) The Issuer will also treat the Secured Notes as debt for legal, accounting and ratings purposes. By accepting a Note, each Holder and beneficial owner agrees to report all income (or loss) in accordance with such treatment and to take no action inconsistent with such treatment unless otherwise required by a relevant taxing authority. The Issuer agrees not to elect to be treated as other than a corporation for U.S. federal income tax purposes.

(d) Each Holder, purchaser, beneficial owner and subsequent transferee of a Note or an interest therein, by acceptance of such Note or such interest in such Note, shall be required to agree or deemed to have agreed (1) to provide the Issuer and the Trustee any information or certification (including a waiver of foreign-law confidentiality) that the Issuer or its agent requests in connection with FATCA Compliance and to promptly update such information or certification upon any information or certification previously provided becoming obsolete or incorrect and (2) to take any action as may be necessary or helpful (in the sole determination of the Issuer or the Collateral Manager or their agents) for the Issuer to achieve FATCA Compliance (the foregoing agreements, the “Noteholder Reporting Obligations”). Each purchaser and subsequent transferee of a Note or an interest therein will be required or deemed to acknowledge that the Issuer may provide such information or certification and certain financial information related to such Holder's investment in the Notes (or interests therein) and any other information concerning its investment in the Note or an interest therein to the Cayman Islands Tax Information Authority, the IRS or any other taxing authority. Each purchaser and subsequent transferee of Notes will be required or deemed to understand and

acknowledge that the Issuer has the right, hereunder, to compel any beneficial owner of an interest in a Note that fails to comply with the foregoing requirements or that otherwise prevents the Issuer from achieving FATCA Compliance to sell its interest in such Note, or to sell such interest on behalf of such owner following the procedures and timeframe relating to Non-Permitted Holders specified herein. For these purposes, the Issuer may sell a beneficial owner's interest in a Note in its entirety notwithstanding that the sale of a portion of such an interest would permit the Issuer to achieve FATCA Compliance. Further, each purchaser and subsequent transferee of Notes will be required or deemed to understand and acknowledge that the Issuer has the right, under certain circumstances, to assign to Notes held by Non-Permitted Holders a separate CUSIP number or numbers and/or to enter into one or more supplemental indentures or amend this Indenture to enable the Issuer to achieve FATCA Compliance. In addition, each purchaser and subsequent transferee of Notes will be required or deemed to understand and acknowledge that the Issuer has the right, hereunder, to withhold, including withholding on "passthru payments" (without any corresponding gross-up) on any beneficial owner of an interest in a Note that fails to comply with the foregoing requirements.

(e) In the event any Holder or beneficial owner of a Note fails to provide the information or documentation referred to in the immediately preceding paragraph, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the investor as compensation for any tax imposed under FATCA as a result of such failure or such ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or such ownership, the Issuer will have the right to compel the investor to sell its Notes and, if such person does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to such person as payment in full for such Notes. The Issuer may also assign each such Note a separate securities identifier in the Issuer's sole discretion. Each Holder agrees that the Issuer, the Trustee or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax authority and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA.

(f) Each Holder agrees (A) to obtain and provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the obligations undertaken pursuant to this clause (A), the "Holder AML Obligations"), (B) that the Issuer or its agents or representatives may (1) provide such information and documentation and any other information concerning its investment in such Notes to the Cayman Islands Monetary Authority, and (2) take such other steps as they deem necessary or helpful to achieve AML Compliance, and (C) that if it fails for any reason to comply with its Holder AML Obligations or otherwise is or becomes a Non Permitted AML Holder, if such information or documentation is not accurate or complete, or if the Issuer otherwise reasonably determines that such Holder's acquisition, holding or transfer of an interest in any

Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer's behalf) will have the right, to (1) compel it to sell its interest in such Notes, (2) sell such interest on its behalf in accordance with the procedures specified in this Indenture and/or (3) assign to such Notes a separate CUSIP or CUSIPs and, in the case of this subclause (3), to deposit payments on such Notes into a separate account, which amounts will be either (x) released to the Holder of such Notes at such time that the Issuer determines that the Holder of such Notes complies with its Holder AML Obligations and is not otherwise a Non-Permitted AML Holder or (y) released to pay costs related to such non-compliance; provided that any amounts remaining in an such account will be released to the applicable Holder (a) on the date of final payment for the applicable Class (or as soon as reasonably practical thereafter) or (b) at the request of the applicable Holder on any Business Day after such Holder has certified to the Issuer that it no longer holds an interest in any Notes. Any amounts deposited into a separate account in respect of Notes held by a Non Permitted AML Holder will be treated for all purposes under this Indenture as if such amounts had been paid directly to the Holder of such Notes. It agrees to indemnify the Issuer for all damages, costs and expenses that result from its failure to comply with its Holder AML Obligations. This indemnification will continue even after it ceases to have an ownership interest in such Notes.

(g) Each Holder, purchaser, beneficial owner and subsequent transferee of a Class E Note or Subordinated Note (or an interest therein), by acceptance of such Note or such interest in such Note, shall be deemed to have agreed that it is not an Affected Bank unless such acquisition is authorized by the Issuer in writing and will agree, or will be deemed to agree, not to transfer such Note to an Affected Bank unless such transfer is authorized by the Issuer in writing. The Issuer has the right to compel any beneficial owner of such Note that is an Affected Bank to sell all or a portion of its interest in such Note, or may sell all or a portion of such interest on behalf of such owner in the manner set forth in Section 2.12(b). Additionally, each Holder, purchaser, beneficial owner and subsequent transferee of a Class E Note or Subordinated Note (or an interest therein) that is a bank organized outside the United States may only acquire such Note or such interest therein if it represents that (a) it is acquiring such Note or such interest in such Note as a capital markets investment and will not for any purpose treat such Notes or assets of the Issuer as loans acquired in its banking business, and (b) it is not acquiring such Note or interest in such Note as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(h) With respect to any period during which any Holder of Class E Notes that are treated as equity interests in the Issuer for U.S. federal income tax purposes and/or of Subordinated Notes, such Holder's beneficial owner or a direct or indirect owner of the foregoing is treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5(i) or any successor provision), such Holder or owner will be required or is deemed to covenant that it will (i) cause any member of such expanded affiliated group (assuming that the Issuer and any non-U.S. Permitted Subsidiary are "participating FFIs" or "deemed compliant FFIs" within the meaning of Treasury Regulations Section 1.1471-4(e) or any successor provision) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder to be a "participating FFI," a "deemed-compliant FFI" or "an exempt beneficial owner" within the meaning of Treasury Regulations Section 1.1471-4(e) or any successor provision, and (ii)

promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a “foreign financial institution” within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not a “participating FFI,” a “deemed-compliant FFI” or an “exempt beneficial owner” within the meaning of Treasury regulations section 1.1471-4(e) or any successor provision, in each case except to the extent that the Issuer or its agents have provided such Holder or owner with an express waiver of this provision.

2.14 No Gross Up.

The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges or as otherwise required pursuant to FATCA.

2.15 [Reserved].

2.16 Additional Issuance.

(a) The Co-Issuers or the Issuer, as applicable, may, at the written direction of a Majority of the Subordinated Notes (or, in the case of a Risk Retention Issuance, the Collateral Manager), issue and sell (x) at any time, (1) additional notes of any one or more new classes that are subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of notes issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding) (the “Junior Mezzanine Notes”), (2) Subordinated Notes or (3) additional notes in a Risk Retention Issuance and/or (y) during the Reinvestment Period, additional Notes of any one or more existing Classes of Secured Notes (other than the Class X Notes, except as provided in clause (g) below) and use the proceeds to purchase additional Collateral Debt Obligations or as otherwise permitted under this Indenture, provided that the following conditions are met and certified to the Trustee by the Issuer:

i. ~~(b)~~ (A) the Collateral Manager consents to such issuance, and (B) such issuance is consented to by the Holders of more than 50% of the Aggregate Principal Amount of the Class A Notes Outstanding (unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued or such issuance is a Risk Retention Issuance in an aggregate principal amount which the Collateral Manager has certified to the Trustee is not greater than the amount (taking into account minimum denominations) required to comply with any risk retention requirements which may be applicable);

ii. ~~(e)~~ (A) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes), the aggregate principal amount of Notes of such Class issued in all additional issuances shall not exceed 100% of the Aggregate Principal Amount of the Notes of such Class on the 2019 Reset Date and (B) in the case of an additional issuance of Subordinated Notes or Junior Mezzanine Notes, such additional issuance shall be in an amount at least equal to \$1,000,000;

iii. ~~(d)~~—in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class, except that the interest due on additional Secured Notes will accrue from the issue date of such additional Secured Notes and the interest rate and price of such Notes do not have to be identical to those of the initial Notes of that Class; provided that the interest rate (spread over LIBOR in the case of floating rate notes) of such additional notes may not exceed the interest rate (spread over LIBOR in the case of floating rate notes) of the initial Notes of that Class;

iv. ~~(e)~~—if additional notes of any existing Class (other than Subordinated Notes or Class X Notes) are issued, additional notes of all Junior Classes must be issued and such issuance of additional notes must be proportional across all Junior Classes, provided that the principal amount of Subordinated Notes or Junior Mezzanine Notes issued in any such issuance may exceed the proportion otherwise applicable to the Subordinated Notes or Junior Mezzanine Notes;

v. ~~(f)~~—the Issuer notifies the Rating Agency of such issuance prior to the issuance date;

vi. ~~(g)~~—the proceeds of (a) any additional Secured Notes (net of fees and expenses incurred in connection with such issuance and, in connection with any Refinancing on the same date, for which proceeds of such additional securities may be deposited in the Expense Reserve Account to pay such amounts) shall be treated as Collateral Principal Collections and used to purchase additional Collateral Debt Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments and (b) in the case of the issuance of only Junior Mezzanine Notes and/or Subordinated Notes, shall (1) in the case of the additional issuance of Subordinated Notes on the 2016 Refinancing Date, be deposited into the Principal Collection Account as Collateral Principal Collections, and (2) in the case of an additional issuance of Junior Mezzanine Notes and/or Subordinated Notes after the 2016 Refinancing Date, be treated as Collateral Interest Collections or Collateral Principal Collections as designated by the Collateral Manager with the prior written consent of a Majority of the Subordinated Notes;

vii. ~~(h)~~—unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued or such issuance is a Risk Retention Issuance, either (A) the Collateral Coverage Tests are satisfied after giving effect to such additional issuance or (B) if any Collateral Coverage Test was not satisfied prior to giving effect to such additional issuance and will not be satisfied after giving effect thereto, (1) the ratio related to such unsatisfied Collateral Coverage Test will be maintained or improved after giving effect to the proposed additional issuance ~~and~~ (2) a Majority of the Controlling Class have consented to such additional issuance~~;~~

viii. ~~(i)~~—an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee to the effect that any additional Class A Notes, Class B Notes, Class C Notes ~~for Class D Notes~~ will, and any additional ~~Class E Notes~~ should, be debt for United States federal income tax purposes; provided, however, that the opinion described above will not be required with respect to any additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of

the same Class that were issued on the 2019 Reset Date and are Outstanding at the time of the additional issuance;

ix. ~~(j)~~ the Issuer has not been notified in writing that the Collateral Manager or the Retention Holder has determined, based on advice of nationally recognized counsel experienced in such matters, that such additional issuance of notes (A) would result in non-compliance or a material risk of non-compliance with any risk retention regulation that is then applicable to the Sponsor (if any), Collateral Manager or Retention Holder or (B) would increase the obligations of the Sponsor (if any), Collateral Manager or Retention Holder in complying with any such risk retention regulation; provided that, unless it consents to do so in its sole discretion, none of the Collateral Manager, any Affiliate thereof or any Sponsor shall be required to purchase any notes in connection with such additional issuance;

x. ~~(k)~~ such additional notes are issued in a manner that will allow the Independent accountants of the Issuer to accurately calculate original issue discount income to holders of such additional notes; and

xi. ~~(l)~~ the Trustee has received the documents required pursuant to Section 3.6 hereof.

(b) ~~(m)~~ Any additional securities of an existing Class issued as described above (other than any securities issued to a Retention Holder, a Sponsor or an Eligible Retainer in connection with, and for purposes of, a Risk Retention Issuance) will, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve their pro rata holdings of Notes of such Class.

(c) ~~(n)~~ A Refinancing Risk Retention Issuance shall not be subject to the conditions for issuance of additional notes in Sections 2.16(a) and 2.16(b), but shall instead be subject to the conditions applicable to a Refinancing, Re-Pricing or a Partial Redemption by Refinancing in Sections 9.4(d) and 9.4(e) or Section 9.11 or Section 9.12, whichever is applicable.

(d) ~~(o)~~ The Co-Issuers and the Trustee may enter into a supplemental indenture providing for the issuance and terms of the additional notes without obtaining any consent from Noteholders.

any Periodic Interest on the Class C Notes, or at any time when no Class C Notes remain Outstanding, of any Periodic Interest on the Class D Notes, or at any time when no Class D Notes remain Outstanding, of any Periodic Interest on the Class E Notes), provided that, in the case of a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator or any Paying Agent, such failure continues for seven (7) Business Days after a Responsible Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission;

(b) a default in the payment of principal, or the Redemption Price, of any Secured Note at its Stated Maturity Date or any Redemption Date (unless the related notice of redemption has been withdrawn); provided that, (i) in the case of a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator or any Paying Agent, such failure continues for seven (7) Business Days after a Responsible Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission, (ii) in the case of a default in the payment of principal of any Secured Notes on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date and (C) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default will not be an Event of Default and (iii) the failure to effect a Refinancing, Optional Redemption or Re-Pricing will not be a Default;

(c) a failure to apply, on any Payment Date or Redemption Date, available amounts in accordance with the Priority of Payment provisions set forth in Section 5.8 or 11.1 hereof (other than a default described in clause (a) or (b) above), which failure (x) is the result of the failure to disburse at least U.S.\$25,000 and (y) is incapable of remedy or, if capable of remedy, is not remedied within 15 Business Days after notice of such default or failure has been given to the Issuer by the Trustee or to the Issuer, the Trustee and the Collateral Manager by a Majority of the Controlling Class (or, if such failure can only be remedied on a Payment Date, is not remedied by the later of the 15 Business Day period specified above and the next Payment Date); provided that, if such failure has not been remedied within the period specified above (or the next Payment Date, as applicable) it shall not constitute an Event of Default if corrective action is instituted within such specified period (or before the next Payment Date, as applicable) and is diligently pursued until the failure has been remedied;

(d) a failure of the percentage equivalent of a fraction, (i) the numerator of which is equal to the sum of (1) the Aggregate Collateral Balance (other than with respect to Defaulted Obligations) plus (2) the aggregate Defaulted Obligation Amount of all Defaulted Obligations on such date and (ii) the denominator of which is equal to the Aggregate Principal Amount of the Class A Notes, to equal or exceed ~~102.5~~102.5% (the “Event of Default O/C Test”);

As provided in Section 5.1(a) above, the failure, following passage of the relevant grace period, to pay in full, when due and payable, Periodic Interest on the Class X Notes, the Class A Notes or the Class B Notes will constitute an Event of Default; however, if sufficient funds are not available therefor in accordance with the Priority of Payments to pay in full, when due and payable, Periodic Interest on the Class C Notes, the Class D Notes or the Class E Notes, no Event of Default shall occur so long as any more senior Class of Secured Notes is Outstanding.

Not later than three Business Days after an Authorized Officer of the Collateral Manager or a Responsible Officer of the Trustee, as the case may be, has actual knowledge of the occurrence of an Event of Default, the Trustee or the Collateral Manager, as applicable, shall notify the other party of such Event of Default, and, not later than the Business Day following such notice, the

Trustee shall notify the Noteholders, each Hedge Counterparty and the Rating Agency in writing of the occurrence of such Event of Default.

5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 5.1(g) or (h) hereof) has occurred and is continuing, the Trustee may, and shall upon the direction of a Majority of the Controlling Class, declare the principal of and any accrued interest on the Secured Notes to be immediately due and payable, by a notice in writing to the Co-Issuers and the Collateral Manager, and upon any such declaration such principal and interest, together with any other amounts payable hereunder, shall become immediately due and payable. If an Event of Default specified in Section 5.1(g) or (h) occurs, all unpaid principal of and any accrued and unpaid interest on the Secured Notes, together with all other amounts payable hereunder, shall automatically become immediately due and payable without any declaration or other act on the part of the Trustee or any Noteholder. If the Secured Notes are declared to be immediately due and payable or if an Event of Default specified in Section 5.1(g) or (h) hereof occurs, the Holders of the Secured Notes or each Class of Secured Notes shall be entitled to receive, in the order of priority set forth in Section 5.8 hereof and subject to Section 5.5(a) hereof, any due and unpaid interest or distributions thereon together with the Aggregate Principal Amount of such Class.

At any time after such a declaration of acceleration of maturity has been made and before (a) a judgment or decree for payment of the Money due has been obtained by the Trustee and (b) the sale of all or a portion of the Collateral has occurred, in each case, as provided in this Article, a Majority of the Controlling Class, by written notice to the Trustee and the Co-Issuers, may (unless the Event of Default is of a kind described in Section 5.1(g) or Section 5.1(h) above) rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay (A) all overdue amounts payable on or in respect of the Secured Notes (other than amounts due solely as a result of the acceleration and excluding Cumulative Periodic Rate Shortfall Amounts), (B) to the extent that payment of interest on such amount is lawful, interest on such overdue amounts at the Applicable Periodic Rate, and (C) all unpaid Aggregate Fees and Expenses and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(b) all Events of Default, other than the nonpayment of such amount that has become due solely by such acceleration, have been (A) cured, and a Majority of the Controlling Class by written notice to the Trustee have agreed with such determination (which agreement shall not unreasonably be withheld) or (B) waived as provided in Section 5.15 hereof.

5.3 Proceedings.

Notwithstanding anything to the contrary contained herein, the Co-Issuers covenant that, if an Event of Default shall occur in respect of the payment of any principal of or interest on any of the Secured Notes, the Applicable Issuer(s) will, upon demand of the Trustee on behalf of any affected Holder of a Secured Note, pay to the Trustee, for the benefit of such Holder, in accordance with the Priority of Payments, the whole amount, if any, then due and payable on

such Secured Note for principal and interest, with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable interest rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and such Secured Noteholder and their respective agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree and may enforce the same against the Issuer or the Co-Issuer, as applicable, or any other obligor upon the Secured Notes and collect the Money adjudged or decreed to be payable in the manner provided by law out of the Collateral.

Notwithstanding anything to the contrary contained herein, if an Event of Default has occurred and is continuing and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, or at any time on or after the Final Maturity Date, the Trustee shall, upon the written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings, in its own name and as trustee of an express trust, as the Trustee may be directed in writing by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein or for collection of sums due and unpaid, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law, but subject, however, to the terms of Section 5.4 and Section 6.1(c)(iv) hereof. The reasonable compensation, costs, expenses, disbursements and advances incurred or paid by the Trustee and its agents and counsel in connection with any such Proceeding, including the exercise of any remedies pursuant to Section 5.4 hereof, shall be reimbursed to the Trustee pursuant to Section 6.7 hereof.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 5.1(g) or Section 5.1(h), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services rendered are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

5.4 Remedies.

(a) If an Event of Default shall have occurred and be continuing and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled or at any time on or after the Final Maturity Date, the Trustee, upon written direction of a Majority of the Controlling Class, shall do one or more of the following:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or under this Indenture, whether by declaration or otherwise,

enforce any judgment obtained and collect from the Trust Estate securing the Secured Notes Money adjudged due;

(ii) sell or cause the sale of all or a portion of the Collateral or rights of interest therein at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.18 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate securing the Secured Notes;

(iv) exercise any remedies of a secured party under the applicable UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee or the Holders of the Secured Notes hereunder or under any other Transaction Documents; or

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Trust Estate or any portion thereof or any rights or interests therein, unless such sale or liquidation has been made in accordance with Section 5.5; provided, further, that the Trustee shall, on behalf of the Issuer, send notice to each of the Noteholders and each Hedge Counterparty of any proposed sale or liquidation of the Trust Estate together with a brief description thereof. If any sale or liquidation of the Trust Estate or any portion thereof is effected pursuant to the first proviso to the preceding sentence, the Trustee will sell or liquidate the Trust Estate, or such portion thereof, in accordance with Section 5.18 hereof at one or more public or private sales conducted in any manner permitted by law.

(b) If an Event of Default as described in Section 5.1(f) hereof has occurred and is continuing, the Trustee shall, upon direction of a Majority of the Controlling Class and subject to Section 6.1(c)(iv), institute a Proceeding to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any decree or order arising from such Proceeding.

(c) (i) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Noteholders (including beneficial owners) may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the date of payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Permitted Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Notwithstanding anything to the contrary in this Article 5, in the event that any Proceeding described in the immediately preceding sentence is commenced against the Issuer, the Co-Issuer or any Permitted Subsidiary, the Applicable Issuers will, subject to the availability of funds as described in the immediately following sentence, promptly object to the institution of any such Proceeding and take all necessary or advisable steps to cause the dismissal of any such Proceeding (including, without

limiting the generality of the foregoing, to timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer, the Co-Issuer or any Permitted Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition or in respect of the Issuer, the Co-Issuer or any Permitted Subsidiary, as the case may be, under applicable bankruptcy law or any other applicable law). The reasonable fees, costs, charges and expenses incurred by the Applicable Issuers or any Permitted Subsidiary (including reasonable attorney's fees and expenses) in connection with taking any such action (such amounts, the "Petition Expenses") will be paid as Administrative Expenses in accordance with the Priority of Payments, and the Special Petition Expenses will be payable without regard to the Expense Cap. Any person who acquires a beneficial interest in a Note shall be deemed to have accepted and agreed to the foregoing restrictions.

(ii) In the event one or more Holders or beneficial owners of Notes cause the filing of a petition in bankruptcy against, or present a winding up petition in respect of, the Issuer, the Co-Issuer or any Permitted Subsidiary in violation of the prohibition described in clause (i) of this Section 5.4(c), such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Permitted Subsidiary or with respect to any Collateral (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Secured Note that does not seek to cause any such filing, with such subordination being effective until each Secured Note held by each Holder or beneficial owner of any Secured Note that does not seek to cause any such filing is paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "Bankruptcy Subordination Agreement". The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Law. The Issuer shall direct the Trustee to segregate payments and take other reasonable steps to effect the foregoing. In order to give effect to the foregoing, the Issuer shall, to the extent necessary, obtain and assign a separate CUSIP or CUSIPs to the Notes of each Class held by such Holder(s).

(iii) Nothing in this Section 5.4 shall preclude, or be deemed to stop, (1) any such Person (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by any other Person, or (ii) from commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding or (2) the Trustee from filing proofs of claim in any proceeding voluntarily filed or commenced by either of the Co-Issuers or any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee and shall not prevent the exercise by the Trustee of its rights under Section 6.9.

(iv) The parties hereto agree that the restrictions and covenants described in clause (i) and clause (ii) of this Section 5.4(c) are a material inducement for each Holder and beneficial owner of the Notes to acquire such Notes and for the Issuer, the Co-Issuer

and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of a Note, any Permitted Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws.

5.5 Preservation of Trust Estate.

(a) If an Event of Default has occurred and is continuing, the Trustee shall retain the Trust Estate intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in accordance with the provisions of Sections 5.8, 10.1, 10.2(a), 10.2(b), 11.1 and 12.4 hereof unless either:

(i) the Trustee determines (with the assistance of the Collateral Manager) that the anticipated net proceeds of the liquidation of the Trust Estate would be sufficient to discharge in full, without duplication, the amounts then due and unpaid on the Secured Notes for principal and interest (including any Cumulative Periodic Rate Shortfall Amounts), due and unpaid Administrative Expenses, all amounts due to each Hedge Counterparty under each Hedge Agreement (including any termination payment) and any due and unpaid Collateral Management Fees, and (x) in the case of an Event of Default described in Section 5.1(d), a Majority of the Class A Notes agree in writing with such determination and (y) in all other cases, a Majority of the Controlling Class agree in writing with such determination; or

(ii) (x) in the case of an Event of Default described in Section 5.1(a) or 5.1(b) (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default), unless such Event of Default results solely from a declaration of acceleration of maturity pursuant to Section 5.2 following an Event of Default under Section 5.1(c), (e), (f), (g) or (h), a Majority of the Controlling Class direct such liquidation, (y) in the case of an Event of Default described in Section 5.1(d) (without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default), the Holders of at least a Majority of the Class A Notes direct such liquidation, or (z) in the case of an Event of Default (other than an Event of Default described in Section 5.1(a), 5.1(b) or 5.1(d)), the Holders of at least 66 ⅔% of the Aggregate Principal Amount of each Class of Secured Notes, voting separately by Class, direct such liquidation.

Notwithstanding the foregoing or other restrictions contained in this Article 5, unless a liquidation of the Collateral shall have commenced under this Article 5, the Collateral Manager may effect the sale of Unsaleable Assets, Defaulted Obligations, Equity Securities, Credit Risk Obligations and Credit Improved Obligations (and, if the Final Maturity Date for all Classes of Secured Notes has occurred, the Collateral Manager may effect the sale of any Collateral Debt Obligation) as permitted under Article 12, and effect acceptances of Offers. If a liquidation of the Collateral under this Article 5 has commenced, the Collateral Manager may complete any sale commitments entered into prior to the commencement of the liquidation. The Trustee shall give notice to S&P of any declaration of liquidation of the Trust Estate.

The proceeds of any such liquidation of the Trust Estate will be distributed on each Accelerated Distribution Date. The Trustee shall give written notice of the retention of the Trust Estate to the Issuer. If the Secured Notes have been declared due and payable pursuant to Section 5.2 hereof or if the Final Maturity Date has occurred, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in Section 5.5(a)(i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) hereof shall be construed to require the Trustee to preserve the Trust Estate securing the Issuer's obligations under the Secured Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain bid prices with respect to each security contained in the Trust Estate from two Independent nationally recognized dealers in the United States, as selected by the Collateral Manager in writing, at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Pledged Obligations and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation in the United States.

The Trustee shall deliver to the Noteholders and each Hedge Counterparty (with a copy to the Collateral Manager) a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after making such determination but in any case after such sale. The Trustee shall make the determinations required by Section 5.5(a)(i) at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Trust Estate pursuant to Section 5.5(a). In the case of each calculation made by the Trustee pursuant to Section 5.5(a)(i), the Trustee shall obtain a letter of an Independent certified public accountant of national standing in the United States recalculating and comparing the accuracy of the computations of the Trustee.

5.6 Trustee May File Proofs of Claim.

In case there shall be pending Proceedings relative to the Issuer, the Co-Issuer or any other obligor upon the Notes under the Bankruptcy Law or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or such other obligor or in case of any voluntary dissolution, liquidation or winding-up of the Issuer, the Co-Issuer or such other obligor, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of Section 5.3 hereof, the Trustee shall be entitled and empowered, by intervention in such Proceedings or otherwise, as provided in the last paragraph of this Section 5.6:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes and to file such other papers or documents and take such other action, including participating as a member, voting or otherwise, of any committee of creditors, as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee and their respective agents, attorneys and counsel and for reimbursement of all reasonable expenses and liabilities incurred and all advances made by the Trustee and each predecessor Trustee or any Noteholder except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Notes in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or Person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Money or other property payable to or deliverable on any such claims and distribute, in accordance with Section 5.8 hereof, all amounts received with respect to the claims of the Noteholders and the Trustee on their behalf; and any trustee, receiver, liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make payments to the Trustee and, in the event that the Trustee shall consent to the making of payments directly to the Secured Noteholders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee or any Noteholder except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholder any plan of reorganization, arrangement, adjustment or compromise affecting the Secured Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Secured Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person or to participate as a member of any committee of creditors.

In any Proceedings brought by the Trustee on behalf of the Noteholders the Trustee shall be held to represent all the Holders of the Notes subject to the provisions of this Indenture, and it shall not be necessary to make any Holders of the Notes parties to any such Proceedings.

5.7 Trustee May Enforce Claims Without Possession of Notes.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any Proceeding relating thereto, and any such Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.8 hereof.

5.8 Application of Money Collected.

If an Enforcement Event shall have occurred and is continuing, any Money collected by the Trustee (including all collections from, and proceeds of the sale or liquidation of, the Trust Estate or as otherwise expressly provided herein, but excluding Collateral Principal Collections required to be deposited and retained in the Loan Funding Account as described in Section 10.2(d) hereof), subject to Section 5.3, shall be applied at the date or dates (which date or dates may be one or more Payment Dates) fixed by the Trustee (each, an “Accelerated Distribution Date”) and in the following order (the “Priority of Payments”):

- (1) to the payment of amounts set forth in clauses (i), (ii), (iii) and (vi) of the Interest Priority of Payments (in that order of priority);
- (2) to pay pro rata (based on amounts due) Periodic Interest on the Class A Notes (and any Defaulted Interest thereon) until paid in full and Periodic Interest on the Class X Notes (and any Defaulted Interest thereon) until paid in full;
- (3) to pay pro rata (based on Aggregate Principal Amount) principal of the Class A Notes until paid in full and principal of the Class X Notes until paid in full;
- (4) to pay Periodic Interest on the Class B Notes (and any Defaulted Interest thereon) until paid in full;
- (5) to pay principal of the Class B Notes until paid in full;
- (6) to pay Periodic Interest on the Class C Notes (including any Class C Cumulative Periodic Rate Shortfall Amount) and any Defaulted Interest thereon until paid in full;
- (7) to pay principal of the Class C Notes until paid in full;
- (8) to pay Periodic Interest on the Class D Notes (including any Class D Cumulative Periodic Rate Shortfall Amount) and any Defaulted Interest thereon until paid in full;
- (9) to pay principal of the Class D Notes until paid in full;

(10) to pay Periodic Interest on the Class E Notes (including any Class E Cumulative Periodic Rate Shortfall Amount) and any Defaulted Interest thereon until paid in full;

(11) to pay principal of the Class E Notes until paid in full; and

(14) to pay amounts corresponding to amounts set forth in clauses (xix), (xx), (xxi) and (xxiii) of the Interest Priority of Payments and, for avoidance of doubt, clause (xix) of the Principal Priority of Payments (in that order);

provided that, for the avoidance of doubt, all payments to Holders pursuant to the Priority of Payments will be subject to the Bankruptcy Subordination Agreement.

5.9 Limitation on Suits.

No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to an Event of Default under this Indenture, any other Transaction Document, any of the Notes or any other matter related hereto or thereto or for the appointment of a receiver or trustee, or for any other remedy hereunder or thereunder relating to any such Event of Default, unless:

(a) such Holder has previously given written notice to the Trustee of a continuing Event of Default;

(b) the Noteholders of at least 25% of the Aggregate Principal Amount of the most senior Class of Notes then Outstanding shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(c) such Holder or Holders have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(d) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceedings; and

(e) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class.

It being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture, any other Transaction Document or any Note to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of Notes of the same Class or to enforce any right under this Indenture, any other Transaction Document or any Note, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class, subject to and in accordance with the Priority of Payments.

5.10 Unconditional Rights of Noteholders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, but subject to the provisions of Sections 2.7, 5.4, 5.8, 5.9 and 11.1 hereof, the Holders of the Class X Notes, the Class A Notes and the Class B Notes shall have the right, which is absolute and unconditional, to receive the accrued and unpaid interest thereon at the Applicable Periodic Rate and the Aggregate Principal Amount of such Class as such principal and/or interest becomes due and payable in accordance with the Priority of Payments and Section 13.1 hereof. Furthermore, the Holder of any Class X Notes, Class A Note or Class B Note shall have the right, which is absolute and unconditional, to (subject to Section 5.4 and Section 5.9 hereof) institute suit against the Co-Issuers for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Notwithstanding any other provision in this Indenture, but subject to the provisions of Sections 2.7, 5.4, 5.8, 5.9 and 11.1 hereof, the Holder of any Class C Note, Class D Note or Class E Note shall have the right, which is absolute and unconditional, to receive payment of the principal of such Class C Note, Class D Note or Class E Note or to receive payment of the interest (including any Cumulative Periodic Rate Shortfall Amount) on such Class C Note, Class D Note or Class E Note, as the case may be, as such principal and/or interest becomes due and payable in accordance with Article 13 and the Priority of Payments. Holders of Class C Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class X Note, Class A Note or Class B Note remains Outstanding, which right shall be subject to the provisions of Section 5.4 and Section 5.9 hereof, and shall not be impaired without the consent of any such Holder. Holders of Class D Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class X Note, Class A Note, Class B Note or Class C Note remains Outstanding, which right shall be subject to the provisions of Section 5.4 and Section 5.9 hereof, and shall not be impaired without the consent of any such Holder. Holders of Class E Notes shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Class X Note, Class A Note, Class B Note, Class C Note or Class D Note remains Outstanding, which right shall be subject to the provisions of Section 5.4 and Section 5.9 hereof, and shall not be impaired without the consent of any such Holder. For so long as any Class X Notes or Class A Notes remain Outstanding, the Class B Notes shall not be entitled to any payment on a claim against the Co-Issuers unless there are sufficient funds to make payments on the Class B Notes in accordance with the Priority of Payments. For so long as any Class X Notes, Class A Notes or Class B Notes remain Outstanding, the Class C Notes shall not be entitled to any payment on a claim against the Co-Issuers unless there are sufficient funds to make payments on the Class C Notes in accordance with the Priority of Payments. For so long as any Class X Notes, Class A Notes, Class B Notes or Class C Notes remain Outstanding, the Class D Notes shall not be entitled to any payment on a claim against the Co-Issuers unless there are sufficient funds to make payments on the Class D Notes in accordance with the Priority of Payments. For so long as any Class X Notes, Class A Notes, Class B Notes, Class C Notes or Class D Notes remain Outstanding, the Class E Notes shall not be entitled to any payment on a claim against the Co-Issuers unless there are sufficient funds to make payments on the Class E Notes in accordance with the Priority of Payments.

5.11 Restoration of Rights and Remedies.

If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Issuer, the Co-Issuer, the Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

5.12 Rights and Remedies Cumulative.

No right or remedy herein conferred upon or reserved to the Trustee or to the Holders of the Notes is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or (subject to the terms hereof) now or hereafter existing by law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall (subject to the terms hereof) not prevent the concurrent assertion or employment of any other appropriate right or remedy.

5.13 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 5 or by law to the Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Noteholders, as the case may be.

5.14 Control by Controlling Class.

Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default (a) to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee or (b) subject to Section 6.3(e) hereof, to direct the Trustee with respect to its exercise of any right, remedy, trust or power conferred on the Trustee; provided that:

(a) such direction shall not be in conflict with any rule of law or with any express provision of this Indenture (including any provision hereof which expressly provides for a greater percentage of, or an additional Class of, Noteholders to effect an action hereunder and any provision providing express personal protection to the Trustee or a limitation on the liability of the Issuer as set forth herein) and

(b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; provided, however, that, subject to Section 6.1 hereof, the Trustee need not take any action that it reasonably determines might

involve it in liability unless the Trustee has received security or indemnity against such liability reasonably satisfactory to it, and during the continuance of an Event of Default that has not been cured, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class and any other relevant Noteholders, exercise such of the rights and powers expressly vested in it by this Indenture and use the same degree of care and skill in its exercise, with respect to such Event of Default, as is required by Section 6.1(b) hereof.

5.15 Waiver of Past Defaults.

(a) Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, a Majority of the Controlling Class may on behalf of the Holders of all the Secured Notes waive any past Default and its consequences, except a Default:

(i) in the payment of the principal of or interest (including any Cumulative Periodic Rate Shortfall Amount) on any Secured Note,

(ii) in respect of a covenant or provision hereof that under Section 8.2(a) hereof cannot be modified or amended without the consent of the Holder of each Outstanding Note affected, or

(iii) of the kind described in Section 5.1(g) and (h).

(b) In the case of any such waiver, the Issuer, the Co-Issuer, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. Upon such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon. The Trustee shall promptly give written notice of such waiver to the Collateral Manager and the Rating Agency.

5.16 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant, but the provisions of this Section 5.16 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder or group of Noteholders holding in the aggregate more than 10% in Aggregate Principal Amount of the Secured Notes or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest (including any Cumulative Periodic Rate Shortfall Amount) on any Secured Note on or after the

Stated Maturity Date for such Note (or, in the case of redemption, on or after the applicable Redemption Date).

5.17 Waiver of Stay or Execution Laws.

Each of the Co-Issuers covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or execution law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of or the exercise of any remedies under this Indenture, and each of the Co-Issuers (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee or any Noteholder but will suffer and permit the execution of every such power as though no such law had been enacted.

5.18 Sale of Trust Estate.

(a) The power to effect any sale (a “Sale”) of any portion of the Trust Estate pursuant to Section 5.4 and Section 5.5 hereof shall not be exhausted by any one or more Sales as to any portion of such Trust Estate remaining unsold but shall continue unimpaired until the entire Trust Estate securing the Secured Notes shall have been sold or all amounts payable on the Secured Notes under this Indenture with respect thereto shall have been paid. The Trustee shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its right to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Collateral Manager shall be authorized to deduct in accordance with the priorities in Section 5.8 the reasonable costs, charges and expenses incurred by it (including any fees and expenses incurred in obtaining an opinion under Section 5.5(c) hereof) in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7 hereof.

(b) The Trustee may bid for and acquire any portion of the Trust Estate in connection with a Sale thereof to the extent not prohibited by applicable law and may pay all or part of the purchase price by crediting against amounts owing on the Notes held by the Trustee or other amounts owed to the Trustee (including any fees and expenses incurred in obtaining an opinion under Section 5.5(c) hereof) secured by the Trust Estate all or part of the net proceeds of such Sale. The Notes need not be produced in order to complete any such Sale or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Trust Estate consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Trustee may seek an Opinion of Counsel or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no-action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities regarding the legality of a public or private sale of such Unregistered Securities, the cost of which in each case shall be reimbursable to the Trustee.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Trust Estate in connection with a Sale thereof (without recourse, representation or warranty). In addition, the Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Trust Estate in connection with a Sale thereof and to take all action necessary to effect such Sale. No purchaser or transferee at such a Sale shall be bound to ascertain the Trustee's authority, inquire into the satisfaction of any conditions precedent or see to the application of any Money.

(e) Holders of Notes may bid for and acquire any portion of the Trust Estate in connection with a Sale thereof.

5.19 Action on Notes.

The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or the Co-Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer and the Co-Issuer.

6. THE TRUSTEE

6.1 Certain Duties and Responsibilities of the Trustee.

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three (3) Business Days in the case of an Officer's Certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not so conform. If a corrected certificate or opinion shall not have been delivered to the Trustee within fifteen (15) Business Days after such notice from the Trustee, the Trustee shall so notify the Noteholders and the Issuer.

(b) In case an Event of Default of which a Responsible Officer of the Trustee has actual knowledge has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class, exercise such of the rights

and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of a Majority of the Controlling Class (or Holders with such larger percentage, or other Class, as may be required by the terms hereof) relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, unless such risk or liability relates to its ordinary services to be performed under this Indenture, including the mailing of notices;

(v) the Trustee shall not be liable to the Noteholders for any action taken or omitted by it at the direction of the Issuer, the Collateral Manager and/or a Majority of the Controlling Class (or Holders with such larger percentage, or other Class, as may be required by the terms hereof) under circumstances in which such direction is required or permitted by the terms of this Indenture; and

(vi) anything in this Indenture to the contrary notwithstanding, in no event shall the Trustee or the Bank in its capacities as a Paying Agent, the Calculation Agent, the Transfer Agent, the Custodian, the Note Registrar or the Collateral Administrator be liable under or in connection with this Indenture for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee, the Paying Agent, the Calculation Agent, the Transfer Agent, the Custodian, the Note Registrar or the Collateral Administrator, as applicable, has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct of or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1 and Section 6.3 hereof.

(e) The Trustee will provide to the Issuer or the Collateral Manager a complete list of Holders (and Certifying Holders who have provided to the Trustee a beneficial holder certificate for any purpose) and participants holding interests in the Notes, at any time upon five Business Days' prior written notice to the Trustee. At the direction of the Issuer or the Collateral Manager, the Trustee will request a list of participants holding interests in the Notes from one or more book-entry depositories and provide such list to the Issuer or Collateral Manager, respectively (at the cost of the Issuer, as Administrative Expenses, to the extent funds are available to pay the related expense). Upon the request of any Holder or Certifying Holder, the Trustee shall provide an electronic copy of this Indenture, the Collateral Management Agreement, the Collateral Administration Agreement, any outstanding Hedge Agreements and any agreements referenced as a supplement to this Indenture that is in the possession of, or reasonably available to, the Trustee.

6.2 Notice of Default.

Promptly (and in no event later than three (3) Business Days) after the occurrence of any Default or Event of Default known to a Responsible Officer of the Trustee or after any declaration of acceleration has been made by or delivered to the Trustee pursuant to Section 5.2 hereof, the Trustee shall transmit by overnight courier on behalf of the Issuer to the Issuer, the Collateral Manager, each Hedge Counterparty, the Rating Agency and, for so long as any Notes are listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, the Irish Stock Exchange and by first-class mail or in another reasonable manner on behalf of the Issuer to all Holders of Notes as their names and addresses appear on the Note Register (unless a Noteholder has delivered notice of another address to the Trustee in the form of Exhibit D attached hereto), notice of all Defaults or Events of Default hereunder known to such Responsible Officer (unless such Default or Event of Default shall have been cured or waived, in which case notice of the Event of Default and that it has been cured or waived shall be promptly provided to the Collateral Manager and the Rating Agency) or notice of any declaration of acceleration made by or delivered to the Trustee.

6.3 Certain Rights of Trustee.

Except as otherwise provided in Section 6.1 hereof:

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document (including the Note Valuation Report) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Collateral Manager or the Issuer mentioned herein shall be sufficiently evidenced by a Collateral Manager Request or Collateral Manager Order or an Issuer Request or Issuer Order, as the context may require;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officer's Certificate or (ii) be required to determine the value of any Collateral or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part and unless other evidences be herein specifically prescribed, conclusively rely on reports of nationally recognized accounting firms or other Persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon and the Trustee may employ or retain such accountants, appraisers or other experts or advisers as it may reasonably require for the purpose of determining and discharging its rights and duties hereunder;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or to honor the request or direction of any of the Noteholders pursuant to this Indenture unless such Noteholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against all costs, expenses (including reasonable attorneys' fees) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts, matters or accuracy of any mathematical calculations stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or documents, but the Trustee, in its discretion, may and, upon written direction of a Majority of the Controlling Class, shall make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior request (which request shall include a statement of the purpose therefor) made in advance to the Issuer and the Collateral Manager, to examine the books and records of the Issuer and the Collateral Manager relating to the Trust Estate, personally or by agent or attorney, during the Issuer's or the Collateral Manager's normal business hours at the sole expense of the Issuer, and the Trustee shall incur no liability or additional liability of any kind by reason of such inquiry or investigation; provided that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, governmental or administrative authority or (ii) as otherwise required pursuant to this Indenture; provided, further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors retained by the Trustee in connection with the

performance of its responsibilities hereunder (so long as such agents, attorneys and auditors have agreed, or are under an obligation, to maintain such information on a confidential basis);

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any non-affiliated agent appointed or non-affiliated attorney appointed, with due care by it hereunder;

(h) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(i) the Trustee shall not be deemed to have notice or knowledge of any matter (other than the occurrence of an Event of Default described in Sections 5.1(a), 5.1(b) or 5.1(c)) unless a Responsible Officer within the Corporate Trust Office has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have notice or knowledge in accordance with this paragraph;

(j) the permissive right of the Trustee to take or refrain from taking any actions enumerated in this Indenture shall not be construed as a duty;

(k) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably and, after the occurrence and during the continuance of a Default (subject to Section 6.1(b)), prudently believes to be authorized or within its discretion, rights or powers hereunder;

(l) the rights, privileges, protections and benefits given to the Trustee, including its rights to be indemnified, are extended on the same terms to, and shall be enforceable by, the Trustee in each of its capacities hereunder and to each agent, custodian and other Persons employed by the Trustee with due care to act hereunder;

(m) the Trustee shall not be responsible or liable for the actions or omissions of, or any inaccuracies in the records of, any non-Affiliated Securities Intermediary, Clearing Agency, the Depository, Euroclear or Clearstream;

(n) the Trustee shall not be liable for the actions or omissions of the Collateral Manager except to the extent attributable to the Trustee's own negligent actions or inactions; and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by it from the Collateral Manager with respect to the Collateral Debt Obligations;

(o) to the extent any defined term hereunder or any calculation required to be made or determined by the Trustee hereunder is dependent upon or defined by reference to U.S. generally accepted accounting principles, the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the Issuer or the accountants appointed under Section 10.6 (and, in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain the same directly from an Independent accountant at the expense of the Issuer) as to the application of U.S. generally accepted accounting principles in such connection in any instance;

(p) the Trustee shall not be liable for the acts or omissions of any other Person related to compliance with the Rule 17g-5 Procedures in accordance with and to the extent set forth in Section 14.4;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from circumstances beyond its control;

(r) notwithstanding any term hereof to the contrary, the Trustee shall be under no obligation in connection with the Grant by the Issuer to the Trustee of any item constituting the Trust Estate or otherwise, or in that regard to examine any Collateral, in order to determine compliance with applicable requirements of and restrictions on transfer of any Collateral;

(s) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(t) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments; provided that such compensation is not payable or reimbursable under Section 6.7;

(u) in the event that the Bank is also acting in the capacity of Paying Agent, Transfer Agent, Custodian, Calculation Agent, Note Registrar, Information Agent or Securities Intermediary, the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article 6 shall also be afforded to the Bank acting in such capacities;

(v) the rights, protections, immunities and indemnities afforded to the Trustee pursuant to this Article 6 shall also be afforded to the Collateral Administrator and Custodian; provided that such rights, protections, benefits, immunities and indemnities shall be in addition to any rights, immunities and indemnities provided in the Account Control Agreement, the Collateral Administration Agreement or any other documents to which the Bank in such capacity is a party; and

(w) neither the Trustee nor the Collateral Administrator shall have any obligation to determine: (a) if a Collateral Debt Obligation meets the criteria specified in the definition of “Collateral Debt Obligation,” (b) if the Collateral Manager has not provided it with the information necessary for making such determination, whether the conditions specified in the definition of “Delivered” have been complied with or (c) whether a Tax Event has occurred.

In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including without limitation those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act (“Applicable Law”), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, each of the parties to this Indenture agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee to comply with Applicable Law.

6.4 Not Responsible for Recitals or Issuance of Notes.

The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), of the Trust Estate or of the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of Notes or the proceeds thereof.

6.5 May Hold Notes.

(a) The Bank or any other Person that becomes Trustee hereunder, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate thereof.

(b) The Trustee and its Affiliates may invest in for their own account obligations or securities that would be appropriate for inclusion in the assets as Collateral, and the Trustee in making those investments has no duty to act in a way that is favorable to the Issuer or the Holders of the Notes. The Trustee's Affiliates currently serve, and may in the future serve, as investment advisor for other issuers of collateralized debt obligations.

(c) The Trustee and its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment advisor, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation shall not be an amount that is reimbursable or payable pursuant to this Indenture.

6.6 Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds held by the Trustee except to the extent required herein or required by law and shall be held in trust to

the extent required herein, including income or other gain actually received by the Trustee on Eligible Investments. Except as provided in the foregoing sentence, the Trustee shall be under no liability for interest or earnings on any Money received by it hereunder except as otherwise agreed upon with the Issuer and except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Trustee in its commercial capacity.

6.7 Compensation and Reimbursement.

(a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date the Trustee Fee (which fee shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture or any other Transaction Document or in the enforcement of any provision hereof (including securities transaction charges and the reasonable compensation and expenses incurred by the Trustee, including in respect of any legal counsel, investment banking firm or accounting firm employed by the Trustee pursuant to this Indenture and disbursements of its agents and counsel, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) and expenses related to the maintenance and administration of the Collateral (including the fees and expenses of any co-trustee appointed under Section 6.20 hereof);

(iii) to reimburse the Trustee for its payment of the fees of any accounting firm or investment banking firm employed by the Trustee to perform the accounting or appraisals required pursuant to Article 5 or Section 10.6 hereof;

(iv) to indemnify the Trustee, its directors, officers, employees and agents for, and to hold each of them harmless against, any loss, liability or expense (including reasonable counsel fees and expenses) incurred without negligence, willful misconduct or bad faith arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defense against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder or any other Transaction Document; and

(v) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.12 hereof.

(b) The amounts payable to the Trustee pursuant to subsection 6.7(a) above shall be paid in accordance with the Priority of Payments.

(c) If, on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture, insufficient funds are available for the payment thereof in accordance with the Priority of Payments, any portion of a fee or expense not so paid shall be

deferred and payable on such later date on which a fee or expense shall be payable (without interest) and sufficient funds are available therefor, and the failure to pay such amount will not, by itself, constitute an Event of Default.

6.8 Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder that is an Eligible Institution. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of a supervising or examining authority, then, for the purposes of this Section 6.8, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article 6; unless, with the consent of the Issuer and the Collateral Manager, the S&P Rating Agency Confirmation is obtained with respect to the Trustee's continued appointment as Trustee hereunder.

6.9 Resignation and Removal of Trustee; Appointment of Successor.

(a) No resignation or removal of the Trustee pursuant to this Article 6 shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10 hereof. The indemnifications in favor of the Trustee in Section 6.7 hereof shall survive any resignation or removal (to the extent of any indemnified liabilities, costs, expenses and other amounts arising or incurred prior to, or arising out of actions or omissions occurring prior to, such resignation or removal).

(b) The Trustee may resign at any time by giving thirty (30) days prior written notice thereof to the Issuer, the Noteholders, the Rating Agency, each Hedge Counterparty and the Collateral Manager. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor Trustee by written instrument, in duplicate, executed by an Authorized Officer of the Issuer, one original copy of which shall be delivered to the Trustee so resigning and one original copy to the successor Trustee, together with a copy to each Noteholder and the Collateral Manager; provided that such successor Trustee shall be appointed only upon the written consent of the Requisite Noteholders. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the resigning Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder of a Note, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by the Requisite Noteholders.

(d) If at any time: (i) the Trustee shall cease to be eligible under Section 6.8 hereof and shall fail to resign after written request therefor by the Issuer or by the Requisite Noteholders, (ii) the Trustee shall become incapable of acting, (iii) a court having jurisdiction in the premises in respect of the Trustee in an involuntary case or proceeding under federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other

applicable federal or state bankruptcy, insolvency or other similar law shall have entered a decree or order granting relief or appointing a receiver, liquidator, assignee, custodian, trustee, conservator or sequestrator (or similar official) for the Trustee or for any substantial part of the Trustee's property or ordering the winding-up or liquidation of the Trustee's affairs; provided any such decree or order shall have continued unstayed and in effect for a period of sixty (60) consecutive days or (iv) the Trustee commences a voluntary case under any federal or state banking or bankruptcy laws, as now or hereafter constituted, or any other applicable federal or state bankruptcy, insolvency or other similar law or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, conservator or sequestrator (or other similar official) for the Trustee or for any substantial part of the Trustee's property or makes any assignment for the benefit of its creditors or fails generally to pay its debts as such debts become due or takes any corporate action in furtherance of any of the foregoing, then, in any such case, (A) the Issuer, by Issuer Order, may, subject to the written direction of the Requisite Noteholders, remove the Trustee, and the Trustee hereby agrees to resign immediately in the manner and with the effect provided in this Section 6.9, or (B) any Noteholder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting or if a vacancy shall occur in the office of the Trustee for any reason, the Issuer, by Issuer Order, shall promptly appoint a successor Trustee. If the Issuer shall fail to appoint a successor Trustee within thirty (30) days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by the Requisite Noteholders by a written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Requisite Noteholders and shall have accepted appointment in the manner hereinafter provided within sixty (60) days after such resignation, removal, incapacity or vacancy, the Trustee or any Noteholder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee meeting the standards set forth in Section 6.8 hereof.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by providing written notice of such event to the Rating Agency, to the Collateral Manager, each Hedge Counterparty and to the Holders of the Notes as their names and addresses appear in the Note Register. Each notice of the appointment of the successor Trustee shall include the name of the successor Trustee and the address of its Corporate Trust Office.

6.10 Acceptance of Appointment by Successor Trustee.

Every successor Trustee appointed hereunder shall be required to meet the eligibility requirements set forth in Section 6.8 hereof and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective, and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers,

trusts, duties and obligations of the retiring Trustee, but, on request of the Co-Issuers, the successor Trustee or the Requisite Noteholders, such retiring Trustee shall, upon payment of its fees and expenses then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Upon acceptance of appointment by a successor Trustee as provided in this Section 6.10, the Co-Issuers shall provide notice thereof to the Holders of the Notes at their last addresses appearing upon the Note Register and to the Rating Agency. If the Co-Issuers fail to mail such notice within ten (10) Business Days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Co-Issuers.

6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee (a “Change of Control”) shall be the successor of the Trustee hereunder (provided such corporation shall be otherwise qualified and eligible under this Article 6) without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. The Trustee shall give written notice of any Change of Control to the Co-Issuers, the Collateral Manager and the Rating Agency.

6.12 Certain Duties of Trustee Related to Delayed Payment of Proceeds.

If in any month the Trustee shall not have received a payment with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing and (b) unless within three (3) Business Days after such notice such payment shall have been received by the Trustee or unless the Issuer, in its absolute discretion, shall have made provision for such payment satisfactory to the Trustee or unless otherwise directed by the Collateral Manager in connection with any Pledged Obligation as to which the Collateral Manager is taking action under the Collateral Management Agreement, the Trustee shall request the issuer or obligor of such Pledged Obligation, the trustee under the related Underlying Instrument or the paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three (3) Business Days after the date of such request. If such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c) hereof, shall take such action as the Collateral Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or

the Collateral Manager requests a release of a Pledged Obligation and/or delivers a Substitute Collateral Debt Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.3 and Article 12 of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.12 and such payment shall not be deemed part of the Trust Estate.

6.13 [Reserved]

6.14 Withholding.

If any withholding tax is imposed on the Issuer's payment under the Notes or with respect to any Holder or beneficial owner, such tax shall reduce the amount of such payment otherwise distributable to such Holder. The Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer, including in connection with FATCA, (but such authorization shall not prevent the Paying Agent from contesting (or obligate the Paying Agent to contest) any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings) and to remit such amounts to the appropriate taxing authority. The amount of any withholding tax imposed with respect to any Holder or beneficial owner shall be treated as Cash distributed to such Holder at the time it is withheld by the Trustee. If there is a possibility that withholding tax is payable with respect to a distribution, the Paying Agent may in its sole discretion withhold such amounts in accordance with this Section 6.14. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee shall reasonably cooperate with such Holder by providing readily available information so long as such Holder agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Failure of a Holder or beneficial owner of a Note to provide the Trustee or the Paying Agent and the Issuer with appropriate tax certificates or other requested information may result in amounts being withheld from the payment to such Holder. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. Amounts withheld pursuant to applicable tax laws or agreements with taxing authorities shall be considered as having been paid by the Issuer as provided in Section 7.1.

6.15 Fiduciary For Secured Noteholders Only; Agent For Each Other Secured Party and the Holders of the Subordinated Notes.

With respect to the security interests created hereunder, the Delivery of any item of Collateral to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for the other Secured Parties and the Holders of the Subordinated Notes; in furtherance of the foregoing, the possession by the Trustee of any item of Collateral and the endorsement to or registration in the name of the Trustee of any item of Collateral (including, without limitation, as entitlement holder and customer of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders and agent for the other Secured Parties and the

Holders of the Subordinated Notes. Nothing contained in this Section 6.15 shall modify any express obligation of the Trustee hereunder.

6.16 Authenticating Agents.

Upon the request of the Applicable Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5 hereof, as fully and to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.16 shall be deemed to be the authentication of Notes “by the Trustee.”

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party or any corporation succeeding to the corporate trust business of any Authenticating Agent shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any paper or any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

The Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 hereof shall be applicable to any Authenticating Agent.

6.17 Assignment of Rights; Not Assumption of Duties.

Anything herein contained to the contrary notwithstanding, (a) each of the Co-Issuers shall remain liable under this Indenture and each of the documents contemplated herein and related hereto to which it is a party to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Indenture had not been executed, (b) the exercise by the Trustee or any Noteholder or Noteholders of any of their rights, remedies or powers hereunder shall not release the Co-Issuers from any of their duties or obligations under each of such documents to which they are parties and (c) none of the Noteholders or the Trustee shall have any obligation or liability under any of such documents to which one or both of the Co-Issuers are parties by reason of or arising out of this Indenture, and none of the Noteholders or the Trustee shall be obligated to perform any of the obligations or duties of the Co-Issuers

thereunder or, except as expressly provided herein with respect to the Trustee, to take any action to collect or enforce any claim for payment assigned hereunder or otherwise.

6.18 Limitation on Duty of Trustee in Respect of the Trust Estate.

The Trustee shall not be responsible for the existence, genuineness or value of any of the Trust Estate or (except as expressly set forth herein and to the extent such action or omission constitutes negligence, bad faith or willful misconduct on the part of the Trustee) for the validity, perfection, priority or enforceability of the liens in any of the Trust Estate, for the validity or sufficiency of the Trust Estate or any agreement or assignment contained therein, for the validity of the title of the Issuer to the Trust Estate, for insuring the Trust Estate or for the payment of taxes, charges, assessments or liens upon the Trust Estate.

6.19 Representations and Warranties of The Bank.

The Bank hereby represents and warrants to the Issuer and the Co-Issuer, as of the date hereof, that:

(a) The Bank has been duly organized and is validly existing as a banking corporation under the laws of the State of New York and has the power to conduct its business and affairs as a trustee.

(b) The Bank has the corporate power and authority to perform the duties and obligations of Trustee and Paying Agent under this Indenture. The Bank has taken all necessary corporate action to authorize the execution, delivery and performance of this Indenture and all of the documents required to be executed by the Bank pursuant hereto. This Indenture has been duly executed and delivered by the Bank. Upon execution and delivery by the Co-Issuers, this Indenture will constitute the legal, valid and binding obligation of the Bank enforceable in accordance with its terms except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to creditors' rights generally and by general principles of equity.

(c) The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) Neither the execution, delivery and performance of this Indenture nor the consummation of the transactions contemplated by this Indenture (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or (ii) will violate any provision of, result in any default or acceleration of any obligations under, or require any consent not obtained under, any agreement to which the Bank is a party, in each case which would have a material adverse effect on the performance by the Bank of its duties hereunder or (iii) will result in the creation or imposition of any lien on the Trust Estate other than the lien of this Indenture.

(e) (A) There are no proceedings pending or, to the best knowledge of the Bank, threatened against the Bank before any Federal, state or other court or

other tribunal, foreign or domestic, that could be reasonably expected to have a material adverse effect on the Collateral or any action taken or to be taken by the Bank under this Indenture.

(B) To the best knowledge of the Bank, there are no proceedings pending or threatened against the Bank before any Federal, state or other governmental agency, authority, administrator or regulatory body or arbitrator, foreign or domestic, that could be reasonably expected to have a material adverse effect on the Collateral or any action taken or to be taken by the Bank under this Indenture.

6.20 Co-Trustees.

(a) At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (provided that S&P Rating Agency Confirmation is obtained with respect such appointment), jointly with the Trustee, of all or any part of the Trust Estate, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 hereof and to make such claims and enforce such rights of action on behalf of the Noteholders, as such Noteholders themselves may have the right to do, subject to the other provisions of this Section 6.20.

(b) The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

(c) Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Trust Estate), to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

(d) Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(i) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(ii) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(iii) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.20, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.20;

(iv) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(v) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(vi) any act of Noteholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

7. REPRESENTATIONS AND COVENANTS

7.1 Payment of Principal and Interest.

The Applicable Issuer will duly and punctually pay the principal of and interest on the Secured Notes and all other amounts payable on or in respect of the Secured Notes in accordance with the terms of the Secured Notes and this Indenture pursuant to the Priority of Payments. The Issuer, to the extent funds are available pursuant to the Priority of Payments, will duly and punctually make all required distributions on the Subordinated Notes in accordance with the terms of the Subordinated Notes and this Indenture.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Co-Issued Notes and this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Noteholder shall be considered as having been paid by the Applicable Issuers to such Noteholder for all purposes of this Indenture.

7.2 [Reserved]

7.3 Maintenance of Office or Agency.

The Co-Issuers hereby appoint the Trustee as a Paying Agent for the payment of principal of and interest and other amounts on the Notes, and notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be delivered at the Corporate Trust Office. The Trustee will always maintain an office or agency where Notes may be presented or surrendered for payment.

The Trustee will give prompt written notice to the Co-Issuers, the Collateral Manager, each Hedge Counterparty and the Noteholders of any change in the location of any such agent. If at any time the Trustee shall fail to maintain any such office or agency, presentations and surrenders may be made or served at the Corporate Trust Office.

7.4 Money for Payments To Be Held in Trust.

All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Collection Account shall be made on behalf of the Applicable Issuers by the Trustee or a Paying Agent.

When the Applicable Issuers shall have a Paying Agent that is not also the Note Registrar, it or they, as applicable, shall furnish, or cause the Note Registrar to furnish, no later than the fifth calendar day after each Record Date, a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, it or they, as applicable, shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Collection Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Money deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article 10 hereof.

The initial Paying Agent shall be as set forth in Section 7.3 hereof. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided that, so long as the Secured Notes are rated, either (i) any additional or successor Paying Agent for the Notes shall be an Eligible Institution or (ii) a S&P Rating Agency Confirmation shall have been received with respect to such successor Paying Agent. In the event that such successor Paying Agent ceases to be an Eligible Institution and a S&P Rating Agency Confirmation is not received with respect to such successor Paying Agent, the Co-Issuers shall, within thirty (30) Business Days, remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent (other than the initial Paying Agent) that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities; provided, further, that no paying agent shall be appointed in a jurisdiction that subjects payments on the Notes to withholding tax. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee (and, if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.4, that such Paying Agent will:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and Redemption Date among such Holders in the proportion specified in the Note Valuation Report or Redemption Date statement, as the case may be, in each case to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be satisfied by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any Default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, at any time during the continuance of any such Default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Issuer and the Co-Issuer, if applicable, may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Issuer and the Co-Issuer, if applicable, or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Issuer and the Co-Issuer, if applicable, or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Co-Issuers on Issuer Request and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts, and all liability of the Trustee or such Paying Agent with respect to such trust Money (but only to the extent of the amounts so paid to the Co-Issuers) shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Money due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

7.5 Existence of Co-Issuers; Permitted Subsidiaries.

(a) To the maximum extent permitted by applicable law, the Issuer shall not, for so long as there are any Notes Outstanding, file or consent to the filing of, any petition, either voluntarily or involuntarily, to take advantage of any applicable insolvency, bankruptcy, liquidation or reorganization statute, or make an assignment for the benefit of any of its creditors and each of the Co-Issuers will (to the extent it is able so to do) maintain in full force and effect its existence, rights and franchises as a company or corporation organized under the laws of the jurisdiction of its organization and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Pledged Obligations or other property included in the Trust Estate; provided, however, that the Issuer and the Co-Issuer each shall be entitled at the direction of Holders representing at least 66 $\frac{2}{3}$ % of the Aggregate Principal Amount of the Subordinated Notes to change its jurisdiction of incorporation from the Cayman Islands and Delaware, respectively, to any other jurisdiction reasonably selected by the Issuer (or by the Holders representing at least 66 $\frac{2}{3}$ % of the Aggregate Principal Amount of the Subordinated Notes) so long as (i) such change is not disadvantageous in any material respect to the Noteholders, (ii) thirty (30) days' prior written notice of such change shall have been given by the Issuer to the Trustee and by the Trustee to the Noteholders, the Collateral Manager, each Hedge Counterparty and the Rating Agency, (iii) the Trustee shall not have received written notice from Requisite Noteholders objecting to such change, (iv) the S&P Rating Agency Confirmation is obtained with respect to such change, and (v) the Trustee shall have been provided with an Opinion of Counsel relating to tax matters to the effect that the change in jurisdiction will not cause a Tax Event or the imposition of any taxes, fees, assessments or other similar charges on the Issuer or the Co-Issuer in an aggregate amount in any Due Period in excess of U.S.\$1,000,000 to occur and an Opinion of Counsel relating to perfection matters to the effect that the Trustee will continue to have a perfected first priority security interest in the Trust Estate (subject only to Permitted Liens). Each of the Co-Issuers shall comply with its charter documents and shall not amend its charter documents in any manner that would have a material adverse effect on the rights of the Noteholders of any Class. The Board of Directors of the Issuer will at all times have at least one member who is Independent of the Collateral Manager, and the Co-Issuer will at all times have at least one manager who is Independent of the Collateral Manager.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, to the extent required, holding regular meetings of the board of directors, shareholders, members or other similar meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Permitted Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries, (iii) neither the Issuer nor the Co-Issuer shall conduct business under any assumed name and (iv) the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors and the President, Secretary and Treasurer), (B) engage in any transaction with any shareholder or member that would constitute a conflict of interest (provided that none of the Administration Agreement, the AML Services Agreement, the Registered Office Agreement, the Collateral Management Agreement or the transactions relating to the offering

and sale of the Subordinated Notes shall be deemed to be such a transaction that would constitute a conflict of interest), (C) commingle any funds or assets of other entities with those of the Issuer or the Co-Issuer, respectively, (D) maintain its accounts, books, records, accounting records and other entity documents together with those of any other person or entity or (E) pay any distribution on the Subordinated Notes except in accordance with the Priority of Payments. Each of the Issuer and the Co-Issuer shall take all actions reasonably necessary to correct any known misunderstanding regarding its separate existence.

(c) The Issuer shall ensure that any Permitted Subsidiary:

(i) will comply with subclauses (B), (C) and (D) of Section 7.5(b)(iv) and will have at least one independent director or manager;

(ii) will not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage or otherwise encumber (or permit such to occur or suffer such to exist), any part of its assets, except in compliance with the Issuer's rights and obligations under this Indenture and with such Permitted Subsidiary's constituent documents;

(iii) will not have any subsidiaries;

(iv) will not conduct business under any name other than its own and will not have any employees (other than directors to the extent they are employees);

(v) will not incur or guarantee any indebtedness;

(vi) will promptly distribute 100% of the proceeds of the assets acquired by it (net of applicable taxes and reasonable administrative expenses payable by such Permitted Subsidiary) to the Issuer (by deposit to the Collection Account, and the Collateral Manager, on behalf of the Issuer, will designate any amounts credited pursuant to this subclause (vi) as Collateral Principal Collections);

(vii) will not obtain title to real property or obtain a controlling interest in an entity that owns real property; and

(viii) will, prior to the Final Maturity Date, sell or otherwise liquidate any Tax Sensitive Obligations held by such Permitted Subsidiary and distribute the proceeds thereof to the Issuer.

(d) The Issuer shall take all necessary steps to perfect the Trustee's security interest in the Issuer's equity interests in any Permitted Subsidiary.

(e) The Issuer shall pay all fees, costs and expenses associated with the establishment of any Permitted Subsidiary, and contribute to any Permitted Subsidiary amounts sufficient to allow the Permitted Subsidiary to pay all fees, costs and expenses associated with the existence and operations of such Permitted Subsidiary (which fees, costs and expenses shall be considered Administrative Expenses of the Co-Issuers for purposes of this Indenture and accordingly, shall be subject to the Expense Cap).

(f) Each Permitted Subsidiary shall establish a segregated non-interest bearing securities account to hold any Tax Sensitive Obligations and any proceeds therefrom; *provided* that such account shall be established and maintained with an Eligible Institution, and if such institution fails the requirements to be an Eligible Institution, the assets held in such Account shall be moved within 30 calendar days to another institution that is an Eligible Institution.

(g) The parties hereto agree that any reports prepared by the Trustee or Collateral Administrator with respect to the Tax Sensitive Obligations held by the Issuer through a Permitted Subsidiary shall refer to the related securities held by any Permitted Subsidiary (and shall not refer to the equity interests of any Permitted Subsidiary).

(h) Notwithstanding anything contained in this Indenture to the contrary, the Issuer may cause any Tax Sensitive Obligation or the Issuer's interest therein to be transferred to a Permitted Subsidiary.

(i) The Issuer shall promptly provide notice to the Rating Agency upon the creation of a Permitted Subsidiary.

(j) Neither the Issuer, the Co-Issuer nor the Trustee shall cause or join in the filing of a petition in bankruptcy against any Permitted Subsidiary for any reason until the expiration of the period which is one year (or such longer preference period as may be in effect) and one day after the payment in full of all the Notes issued under this Indenture, provided, however, that nothing herein shall be deemed to prohibit the Issuer, the Co-Issuer or the Trustee from filing proofs of claim in any proceeding voluntarily filed or commenced by such Permitted Subsidiary or any involuntary proceeding filed or commenced by a Person other than the Issuer, the Co-Issuer or the Trustee.

(k) The Issuer shall not cause or join in the filing of a petition in bankruptcy against the Co-Issuer for any reason until the expiration of the period which is one year (or such longer preference period as may be in effect) and one day after the payment in full of all the Secured Notes issued under this Indenture, provided, however, that nothing herein shall be deemed to prohibit the Issuer from filing proofs of claim in any proceeding voluntarily filed or commenced by the Co-Issuer or any involuntary proceeding filed or commenced by a Person other than the Co-Issuer.

(l) The Co-Issuer shall not cause or join in the filing of a petition in bankruptcy against the Issuer for any reason until the expiration of the period which is one year (or such longer preference period as may be in effect) and one day after the payment in full of all the Secured Notes issued under this Indenture, provided, however, that nothing herein shall be deemed to prohibit the Issuer from filing proofs of claim in any proceeding voluntarily filed or commenced by the Issuer or any involuntary proceeding filed or commenced by a Person other than the Issuer.

7.6 Protection of Collateral.

(a) The Issuer shall, or shall cause the Collateral Manager to, from time to time execute, deliver and file all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments and shall take such other action as may be necessary or advisable to secure the rights and remedies of the Secured Noteholders hereunder and to:

(i) Grant more effectively all or any portion of the Trust Estate;

(ii) maintain or preserve the lien (and the priorities thereof) of this Indenture or carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including any and all actions necessary or desirable as a result of changes in law or regulation);

(iv) enforce any of the Pledged Obligations or other instruments or property included in the Trust Estate;

(v) preserve and defend title to the Trust Estate and the respective rights therein of the Trustee and the Holders of the Secured Notes in such Trust Estate and of the Trustee against the claims of all other Persons; and

(vi) pay any and all taxes levied or assessed upon all or any part of the Trust Estate.

The Issuer hereby designates the Trustee its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument provided to it required pursuant to this Section 7.6, but the Trustee shall be under no obligation whatsoever to prepare or file any such financing statement, continuation statement or other instrument or to make any other filing under the UCC. The Issuer hereby authorizes the filing of UCC financing statements listing as collateral therein "all assets" of the Issuer other than Excepted Property, or words of similar effect (regardless of whether any particular asset described in such financing statements falls within the Granting Clause of this Indenture). Not less than 60 calendar days prior to the Business Day immediately preceding the Payment Date in August of each year that an Opinion of Counsel pursuant to Section 7.7(a) is required, the Trustee shall give written notice to the Issuer, the Collateral Manager and the legal counsel who rendered the most recent Opinion of Counsel delivered pursuant to Section 7.7(a) requesting delivery of an Opinion of Counsel no later than such Business Day in accordance with Section 7.7(a), provided that in connection with any such Opinion of Counsel, the Trustee shall have no liability to the Issuer or any other Person (i) for the failure of such legal counsel to deliver any such Opinion of Counsel or (ii) for the Issuer's failure to maintain a perfected security interest over the Collateral.

(b) The Trustee shall not, except in accordance with Section 10.3, Article 12 or any other relevant provision hereof, as applicable, permit the removal of any portion of the Collateral, transfer any such Collateral from the Account to which it is credited or cause or permit any change in the notice, delivery and/or registration made with respect to any

general intangible, if after giving effect thereto the jurisdiction governing the perfection of the Trustee's security interest in such Collateral is different from the jurisdiction governing perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.7 hereof (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.7, the Opinion of Counsel with respect to perfection delivered at the Closing Date pursuant to Section 3.1(c) hereof), unless the Trustee shall have received an Opinion of Counsel to the effect that the first priority lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Pledged Obligations.

(d) Without at least thirty (30) days' prior written notice to the Trustee, the Issuer shall not change its name, or the name under which it does business, from the name shown on the signature page hereof.

7.7 Opinions and Other Documentation.

(a) Within the six-month period preceding the fifth anniversary of the Closing Date (and every five (5) years thereafter), the Issuer shall cause to be delivered to the Trustee, the Rating Agency, each Hedge Counterparty and the Collateral Manager an Opinion of Counsel with respect to the laws of the State of New York stating that, in the opinion of such counsel, as of the date of such opinion, the first priority lien and security interest created by this Indenture on the Trust Estate remains in effect and that no further action (other than as specified in such opinion) needs to be taken (under the UCC as in effect on such date) for the continued effectiveness and perfection of such lien over the next five (5) year period (which opinion shall be subject to customary assumptions).

(b) [Reserved]

(c) If required to prevent the withholding and imposition of U.S. income tax, the Issuer shall deliver or cause to be delivered such appropriate U.S. Internal Revenue Service forms to each issuer of a Pledged Obligation in the Trust Estate at the time such Pledged Obligation is purchased by the Issuer and anytime thereafter when reasonably requested by such issuers.

7.8 Performance of Obligations.

(a) The Issuer hereby represents and warrants to the Secured Parties as to the Collateral as follows (which representations with respect to the Collateral shall be deemed to be repeated on each day on which the Issuer acquires new Collateral):

(i) This Indenture creates a valid and continuing security interest (as defined in the UCC) in the Collateral in favor of the Trustee, which security interest is prior to all other liens, charges, claims, security interests, mortgages and other encumbrances (other than Permitted Liens), and is enforceable as such as against creditors of and purchasers from the Issuer.

(ii) The Issuer is the owner of good and marketable title to each item of Collateral free and clear of any liens, claims or encumbrances of any nature whatsoever except for (1) those which are being released on the Closing Date, (2) those granted pursuant to this Indenture, (3) liens securing judgments, but only (x) to the extent, for an amount and for a period not resulting in an Event of Default, (y) if such liens attach after the Closing Date and after the date on which the Issuer acquired such Collateral and (z) if the Issuer has given written notice of such lien to the Trustee and the Rating Agency and (4) Permitted Liens.

(iii) The Issuer has not assigned, pledged, sold, granted a security interest in or otherwise encumbered or conveyed any interest in the Collateral (or, if any such interest has been assigned, pledged or otherwise encumbered, it has been released prior to the Closing Date or is being released on the Closing Date) other than interests granted pursuant to this Indenture or as otherwise permitted by this Indenture.

(iv) The Issuer has full right, and has received all consents and approvals required by the related Underlying Instruments, to grant a security interest in its rights in the Collateral to the Trustee.

(v) Each Collateral Debt Obligation included in the Collateral satisfied the requirements of the definition of the term "Collateral Debt Obligation" as of the date the Issuer committed to purchase the same or, in the case of any Collateral Debt Obligations acquired by or on behalf of the Issuer prior to the Closing Date, as of the Closing Date.

(vi) All of the Trust Estate consisting of "security entitlements" (as defined in the UCC) has been and will have been credited to one of the Accounts. The

Securities Intermediary for each Account has agreed to treat all assets credited to the Accounts as “financial assets” (as defined in the UCC).

(vii) The Issuer has pledged to the Trustee all of the Issuer's right, title and interest in and to each Collateral Debt Obligation included in the Collateral pursuant to the Granting Clauses of this Indenture and has delivered each such Collateral Debt Obligation (including any promissory note and all other Underlying Instruments related thereto to the extent received by the Issuer) to the Trustee or the Custodian as contemplated by Article 3.

(viii) The Collateral constitutes “securities accounts”, “general intangibles”, “certificated securities”, “instruments”, “securities entitlements”, “uncertificated securities” or “accounts”, each within the meaning of the UCC and/or such other category of collateral under the UCC as to which the Issuer has complied with its obligations under Section 7.23(b).

(ix) The Issuer has caused or will have caused, within ten (10) days of the Closing Date or, if any additional filing of financing statements is required in order to perfect the security interest in any Collateral acquired by the Issuer after the Closing Date, within ten (10) days of the date such Collateral is so acquired, the filing of appropriate financing statements in the proper filing offices in the appropriate jurisdictions under applicable law in order to perfect the security interest in the portion of the Collateral pledged to the Trustee hereunder that may be perfected by the filing of financing statements.

(x) The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral covering the Collateral other than any financing statement (i) relating to the security interest granted to the Trustee hereunder, (ii) that has been terminated or will be terminated promptly after the date hereof in respect of Collateral Debt Obligations the acquisition of which prior to the Closing Date was financed by Affiliates of the Placement Agent or (iii) that names the Trustee as the secured party. On the date of this Indenture, the Issuer is not aware of any judgment, Pension Benefit Guaranty Corporation or tax lien filings against the Issuer.

(xi) The Issuer has delivered to the Trustee a fully executed agreement pursuant to which the Securities Intermediary for each Account has agreed to comply with all instructions originated by the Trustee directing disposition of the funds in such Account without further consent by the Issuer.

(xii) All original executed copies of each “instrument” (as defined in the UCC) that constitutes or evidences the Collateral have been delivered to the Custodian or the Trustee, to the extent received by the Issuer. None of such instruments that constitute or evidence the Collateral has any marks or notations indicating that they are then pledged to any Person other than the Trustee.

(xiii) The Accounts are not in the name of any Person other than the Issuer or the Trustee. Except as provided in the Account Control Agreement, the Issuer has

not consented to the Securities Intermediary of any Account to comply with instructions of any Person other than the Trustee.

(xiv) All “certificated securities” (as defined in the UCC) that constitute or evidence the Collateral have been delivered to the Custodian or the Trustee, to the extent received by the Issuer, registered in the name of the Custodian or the Trustee or indorsed to the Custodian or the Trustee.

(xv) The Issuer has caused all “uncertificated securities” (as defined in the UCC) that constitute or evidence the Collateral to be registered in the name of the Custodian or the Trustee.

(xvi) Upon grant by the Issuer, the Trustee has a first priority perfected security interest in the Collateral (subject only to Permitted Liens).

(b) If the Issuer acquires Collateral that is not “securities accounts”, “general intangibles”, “certificated securities”, “instruments”, “securities entitlements” or “uncertificated securities”, each within the meaning of the UCC, and/or another category of collateral under the UCC as to which the Issuer has complied with its obligations under this Section 7.23(b), then, on or prior to the date on which the Issuer acquires such Collateral, the Issuer (or the Collateral Manager on behalf of the Issuer) shall notify S&P of its acquisition or intended acquisition of such Collateral and shall represent to S&P and to the Trustee as to the category of such Collateral under the UCC and shall make such further representations as to the perfection and priority of the security interest in such Collateral Granted hereunder as shall be acceptable to S&P.

8. SUPPLEMENTAL INDENTURES

8.1 Supplemental Indentures Without Consent of Noteholders.

(a) Without the consent of the Noteholders (except any consent required by clause (ii) below or clause (3) of the proviso at the end of this paragraph), but with the prior written consent of the Collateral Manager, the Co-Issuers and the Trustee, at any time and from time to time subject to the requirements herein, may enter into one or more indentures supplemental hereto (including the execution and delivery of any amendment referred to in Section 7.6) for any of the following purposes:

(i) to add to the covenants of the Co-Issuers or the Trustee for the benefit of the Noteholders or to surrender any right or power conferred upon the Co-Issuers;

(ii) to Grant any property to or with the Trustee or add to the conditions, limitations or restrictions on the authorized amount, terms and purposes of the issue, authentication and delivery of the Notes, provided that, if the Holders of any Class of Notes would be materially and adversely affected by such supplemental indenture entered into pursuant to this clause (ii), the consent to such supplemental indenture has been obtained from a Majority of such Class;

(iii) to evidence and provide for the acceptance of appointment by a successor trustee and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the Trust Estate by more than one trustee;

(v) to cure any ambiguity or correct, modify or supplement any provision which is defective or inconsistent with any other provision herein or with the Offering Memorandum, or make any change required by the stock exchange on which any Class of Notes is listed, if any, in order to permit or maintain such listing;

(vi) to take any action advisable to prevent the Issuer, any Permitted Subsidiary, the Noteholders or the Trustee from being subject to (or otherwise minimize) withholding or other taxes, fees or assessments, prevent the Issuer from being treated as engaged in a U.S. trade or business for U.S. federal income tax purposes or otherwise subject to tax on a net income basis in any jurisdiction outside its jurisdiction of incorporation or permit the Issuer to comply with FATCA;

(vii) (x) to make such changes as shall be necessary to facilitate the Co-Issuers (A) in the issuance or co-issuance, as applicable, of additional notes of any one or more new classes that are subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding), provided that any such additional issuance or co-issuance, as applicable, of notes shall be issued or co-issued, as applicable, in accordance with this Indenture, including Sections 2.16 and 3.6 hereof; or (B) in the issuance or co-issuance, as applicable, of additional notes and/or securities of any one or more existing Classes of Notes (including in connection with a Risk Retention Issuance), provided that any such additional issuance or co-issuance, as applicable, of notes and/or securities shall be issued or co-issued, as applicable, in accordance with this Indenture, including Sections 2.16 and 3.6 hereof or (y) in connection with the additional issuance of Notes pursuant to (A) and (B) above, to make modifications that do not materially and adversely affect the rights or interests of holders of any Class and are determined by the Collateral Manager (in its commercially reasonable judgment based upon written advice of nationally recognized counsel experienced in such matters) to be necessary in order for such additional issuance of notes not to be subject to the U.S. Risk Retention Regulations or the EU Requirements, or to comply with the U.S. Risk Retention Regulations or the EU Requirements;

(viii) to avoid the application of the German Investment Tax Act (Investmentsteuergesetz) to the Issuer or to any of the Notes;

(ix) to make any modification which the Collateral Manager deems necessary in order to correct or clarify the provisions hereof relating to the Reinvestment Criteria (including definitions relating thereto);

(x) to modify transfer restrictions on the Notes, so long as any such modifications comply with the Securities Act, the Investment Company Act, ERISA or the laws of any applicable governmental, regulatory or self-regulatory agency or organization;

(xi) to modify and amend the terms and provisions of this Indenture if any statute, rule or regulation is enacted or promulgated or the Internal Revenue Service issues any notice or announcement that affects the U.S. federal income tax treatment of the income or gain related to the Base Collateral Management Fee, the Additional Collateral Management Fee, the Original Incentive Collateral Management Fee or the Additional Incentive Collateral Management Fee (“Change in Tax Treatment”), so that the Collateral Manager (and its direct and indirect shareholders) are in the same after-tax position as each would have been had such Change in Tax Treatment not been enacted, promulgated or issued so long as such modification or amendment does not materially and adversely affect the rights or interest of any Holders of any Notes;

(xii) to issue a new Note or new Notes in respect of, or issue one or more new sub-classes of, any Class of Notes, in each case with new identifiers (including CUSIPs, ISINs and Common Codes, as applicable), in connection with any Bankruptcy Subordination Agreement and to provide for procedures under which beneficial owners of such Class subject to a Bankruptcy Subordination Agreement, may take an interest in such new Note or Notes or sub-class(es);

(xiv) to facilitate the issuance of participation notes, combination notes, composite securities, and other similar securities, the terms of which do not alter the terms of the component classes;

(xv) to facilitate a Re-Pricing of the Secured Notes or a Refinancing (which may involve the issuance of additional notes in order to accommodate such Refinancing or Re-Pricing) and to establish the terms thereof or in connection with a Refinancing involving secured loans, in order to accommodate borrowings under such secured loans and to establish the terms thereof;

(xvi) to amend the name of the Issuer, the Co-Issuer or the Collateral Manager;

(xvii) to modify or amend (a) the restrictions on the sales of Collateral Debt Obligations, (b) the Reinvestment Criteria, (c) the Collateral Quality Tests and the definitions related thereto or (d) the Percentage Limitations;

(xviii) to evidence any modification by any Rating Agency as to any requirement or condition, as applicable, of such Rating Agency set forth herein;

(xix) to modify the terms hereof in order that it may be consistent with the requirements of the Rating Agency, including to address any change in the rating methodology employed by the Rating Agency;

(xx) to make such other changes as the Co-Issuers deem appropriate and that do not materially and adversely affect the interests of any holder of the Notes as evidenced by an Opinion of Counsel delivered to the Trustee (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an Authorized Officer of the Collateral Manager;

(xxi) subject to the provisions of Section 16.1 hereof, to allow the Issuer to enter into one or more Hedge Agreements with a Hedge Counterparty;

(xxii) to evidence the succession of another Person to the Issuer or the Co-Issuer and the assumption by any such successor Person of the covenants of the Issuer or the Co-Issuer herein and in the Notes;

(xxiii) to accommodate the issuance of the Notes through the facilities of DTC or otherwise (and, after the occurrence of an event described in Section 2.10(a), to accommodate the issuance of the Notes in definitive form);

(xxiv) to conform the provisions of this Indenture to the Offering Memorandum;

(xxv) to authorize the appointment of any listing agent, Transfer Agent, Paying Agent, or additional registrar for any Class of Notes appropriate in connection with the listing of any Class of Notes on the Irish Stock Exchange or any other stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, Transfer Agent, Paying Agent, or additional registrar for any Class of Notes in connection with its appointment and such listing, so long as the supplemental indenture would not materially and adversely affect any Holder of any Class of Notes, as evidenced by an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or a certificate of an Authorized Officer of the Collateral Manager, to the effect that the modification would not materially and adversely affect the Holders of any Class of Notes;

(xxvi) to make appropriate changes for any Class of Notes to be listed on an exchange other than the Irish Stock Exchange or to be de-listed, if such listing becomes unduly burdensome;

(xxvii) to modify any provision to facilitate an exchange of one obligation for another obligation of the same issuer that has substantially identical terms except transfer restrictions, including to effect any serial designation relating to the exchange;

(xxviii) to modify this Indenture to incorporate any changes required or requested by any governmental authority or regulatory agency, including as may be required to comply with Rule 17g-5;

(xxix) to modify any representation with respect to any Collateral Debt Obligation or Additional Collateral Debt Obligation hereof in order that it may be consistent with applicable laws;

(xxx) to facilitate the acquisition of Repurchased Notes in accordance with Section 2.9;

(xxxi) to reduce the Authorized Denomination of any Class of Notes, subject to applicable laws;

(xxxii) to facilitate any necessary filings, exemptions or registrations with the CFTC;

(xxxiii) to take any action necessary or advisable to allow the Issuer to comply with FATCA (including providing for remedies against, or imposing penalties upon, holders who fail to comply with their Noteholder Reporting Obligations or entering into an agreement described in Section 1471(b) of the Code); and to (A) issue a new Note or Notes in respect of, or issue one or more new sub-classes of, any Class of Notes, in each case with new identifiers (including CUSIPs, ISINs and Common Codes, as applicable), to the extent that the Issuer or the Trustee determines that one or more beneficial owners of the Notes of such Class are Recalcitrant Holders; provided that any sub-class of a Class of Notes issued pursuant to this clause shall be issued on identical terms as, and rank pari passu in all respects with, the existing Notes of such Class and (B) provide for procedures under which beneficial owners of such Class that are not Recalcitrant Holders may take an interest in such new Note(s) or sub-class(es);

(xxxiv) to make modifications determined by the Collateral Manager to be necessary (in its commercially reasonable judgment based upon written advice of nationally recognized counsel experienced in such matters) in order for a Refinancing or Re-Pricing not to be subject to, or to comply with, the U.S. Risk Retention Regulations; or

(xxxv) to make any modification or amendment determined by the Issuer or the Collateral Manager (in consultation with legal counsel of national reputation experienced in such matters) as necessary or advisable (A) for any Class of Secured Notes to not be considered an “ownership interest” as defined for purposes of the Volcker Rule, (B) to enable the Issuer to rely upon the exemption from registration as an investment company provided by Rule 3a-7 under the Investment Company Act or another exemption or exclusion from registration as an investment company under the Investment Company Act (other than Section 3(c)(1) or Section 3(c)(7) thereof) or (C) for the Issuer to not otherwise be considered a

“covered fund” as defined for purposes of the Volcker Rule, in each case so long as any such modification or amendment would not have a material adverse effect on any Class of Notes;

provided that (1) with respect to clauses (xvii), (xviii) and (xix), the Issuer shall have received S&P Rating Agency Confirmation (with respect to supplemental indentures relating to S&P's restrictions, tests, requirements, conditions or methodology), (2) the Issuer will have received the consent of any former Collateral Manager in writing if such supplemental indenture would change any provision of any Transaction Document entitling such former Collateral Manager to any fee or other amount payable to it hereunder so as to reduce or delay the right of such former Collateral Manager to such payment, (3) with respect to (A) clauses (ix), (xvii), (xviii), (xix), (xx) and (xxiv) only, the Issuer will have received the written consent of a Majority of the Controlling Class and the written consent of a Majority of the Subordinated Notes, and (B) clause (xxi) only, the Issuer will have received the written consent of a Majority of the Controlling Class; and (4) if the Retention Holder Approval Condition is satisfied, with respect to any supplemental indenture proposed to modify: (i) the defined term “Collateral Debt Obligation”; (ii) the Percentage Limitations; (iii) the Collateral Quality Tests; (iv) the Reinvestment Criteria; or (v) the terms and conditions applicable to a Refinancing, a Re-Pricing or a Partial Redemption by Refinancing, the Issuer shall have received written consent to such supplemental indenture from the Retention Holder.

The Trustee is hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations that may be therein contained. So long as any Notes are Outstanding, at the cost of the Issuer, the Trustee shall (A) provide to the Noteholders, each Hedge Counterparty, the Collateral Manager and the Rating Agency a copy of any proposed supplemental indenture (or a summary thereof provided to the Trustee) at least fifteen (15) Business Days prior to the execution thereof by the Trustee (unless the proposed supplemental indenture will be adopted pursuant to clause (vii), (xii) or (xv) above) and (B) as soon as practicable after the execution by the Trustee and the Co-Issuers of any such supplemental indenture, provide to the Noteholders, each Hedge Counterparty, the Rating Agency and the Collateral Manager a copy of the executed supplemental indenture. Notwithstanding the foregoing, if such supplemental indenture will become effective on the date of a Refinancing, holders of Notes which will be redeemed in such Refinancing need not receive a copy of the proposed supplemental indenture and will be deemed not to be materially and adversely affected thereby.

The Trustee shall not be liable for any determination (including whether any Holder is materially and adversely affected thereby) made in connection with a supplemental indenture pursuant to this Section 8.1 if such determination is made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in Section 8.3 hereof.

8.2 Supplemental Indentures With Consent of Noteholders.

(a) The Co-Issuers and the Trustee may enter into an indenture or indentures supplemental hereto and not contemplated by Section 8.1 for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided that the Issuer shall not enter into any such supplemental indenture that

materially and adversely affects the Holders of any Class of Notes without the consent of the Holders of not less than a Majority of the Notes of such Class materially and adversely affected thereby. However, without the consent of the Holders of each Outstanding Note materially and adversely affected thereby, no such supplemental indenture shall:

(i) change the Stated Maturity Date or Payment Date of any Note, reduce the principal amount thereof or the rate of interest thereon (except as provided in Section 9.12 and in Section 8.1(a)(xv), change the earliest date on which any Class of Secured Notes may be redeemed, change the time, amount or priority of any other amount payable in respect of any Note, change any place where, or the coin or currency in which, distributions with respect to any Note are payable or impair the right to institute suit for the enforcement of any such payment on or after the maturity thereof;

(ii) reduce the percentage of the Aggregate Principal Amount of the Notes whose consent is required for the execution of any supplemental indenture or for any waiver of compliance with certain provisions of this Indenture or certain Events of Default hereunder and their consequences provided for in this Indenture;

(iii) materially impair or materially and adversely affect the Trust Estate, except as otherwise permitted by this Indenture;

(iv) except with respect to the Hedge Counterparty Collateral Account and as otherwise provided in this Indenture or as required by applicable law, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Trust Estate or terminate the lien of this Indenture on any property at any time subject hereto or deprive any Secured Noteholder of the security afforded by the lien of this Indenture;

(v) reduce the percentage of the Aggregate Principal Amount held by Noteholders whose consent is required to direct the Trustee to preserve the Trust Estate or to rescind the Trustee's election to preserve the Trust Estate pursuant to Section 5.5 hereof or to sell or liquidate the Trust Estate pursuant to Section 5.4 or 5.5 hereof;

(vi) modify any of the provisions of Section 8.1, this Section 8.2 or Section 5.15 hereof, except to increase the percentage of the Aggregate Principal Amount held by Noteholders whose consent is required to exercise certain rights set forth in such Sections or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;

(vii) modify the provisions of Articles 5, 11 or 13 hereof, Sections 7.5(j), 7.17(d), 15.1(f)(v) hereof or the definitions of the terms "Holder," "Outstanding," "Class," "Controlling Class" or "Requisite Noteholders" hereof, except as permitted by Section 8.1(a)(vii), (xii) or (xv) in connection with the issuance of additional securities, a Refinancing, a Re-Pricing or a Bankruptcy Subordination Agreement;

(viii) modify any of the provisions of this Indenture in such a manner as to affect directly the calculation of the amount of any payment of principal of or

interest on or other amount in respect of any Note or to affect the right of the Noteholders to the benefit of any material provisions for the redemption of such Notes contained herein;

(ix) modify Section 2.7(k) hereof or any other provision in this Indenture relating to non-petition or limited recourse; or

(x) modify any provision in this Indenture in any way which would (i) cause the Issuer to become subject to withholding or other taxes, fees or assessments, (ii) cause the Issuer to be treated as if it were engaged in a U.S. trade or business for U.S. federal income tax purposes or otherwise subject to U.S. federal, state or local income and franchise tax on a net income tax basis or (iii) prevent compliance with FATCA;

provided, that if the Retention Holder Approval Condition is satisfied, the Issuer shall notify the Retention Holder of any supplemental indenture proposed to modify: (i) the defined term “Collateral Debt Obligation”; (ii) the Percentage Limitations; (iii) the Collateral Quality Tests; (iv) the Reinvestment Criteria; or (v) the terms and conditions applicable to a Refinancing, a Re-Pricing or a Partial Redemption by Refinancing, and the Issuer shall not consent to such supplemental indenture unless it has received the written consent of the Retention Holder.

(b) Not later than fifteen (15) Business Days prior to the execution of any proposed supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall provide to the Noteholders, the Collateral Manager and the Rating Agency a copy of such supplemental indenture (or a summary thereof provided to the Trustee). Unless notified within fifteen (15) Business Days after the date of such written notice by a Majority of any Class of Notes that such Class will be materially and adversely affected, the Trustee shall be entitled to conclusively rely on (1) an Opinion of Counsel as to whether or not the Holders of any Class of Notes (and/or, in the case of the Subordinated Notes, one sub-class separate from the other sub-class) would be materially and adversely affected by such change (and counsel may rely in such Opinion of Counsel on a certificate as to any factual matter) or (2) receipt of written certification from the Collateral Manager to the effect that, in its commercially reasonable judgment, such supplemental indenture will not have a material and adverse effect on the economic interests of the Holders of any Class of Notes (and/or, in the case of the Subordinated Notes, one sub-class separate from the other sub-class) for all purposes under this Article 8. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel (and any certification from the Collateral Manager, as applicable) delivered to the Trustee as described in Section 8.3 hereof. Notwithstanding the foregoing, if such supplemental indenture will become effective on the date of a Refinancing, holders of Notes which will be redeemed in such Refinancing need not receive a copy of the proposed supplemental indenture and will be deemed not to be materially and adversely affected thereby.

It shall not be necessary in connection with any consent of Noteholders under this Section for the Noteholders to approve the specific form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Sections 8.2, the Trustee, at the expense of the Co-Issuers, shall mail to the

Holders of the Notes, the Collateral Manager and the Rating Agency (so long as any Class of Notes is rated by such Rating Agency) a copy thereof.

8.3 Execution of Supplemental Indentures.

In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent applicable thereto under this Indenture have been satisfied (and counsel may rely in such Opinion of Counsel on a certificate as to any factual matter); provided that the Trustee shall not be entitled to receive the Opinion of Counsel described in Sections 8.1(a)(xx), 8.1(a)(xxv) or 8.2(b) hereof after the Collateral Manager certifies to the Trustee in writing that such supplemental indenture would not materially and adversely affect the rights or interests of Holders of any Class of Notes (and/or, in the case of the Subordinated Notes, one sub-class separate from the other sub-class). The Trustee (subject to Sections 6.1 and 6.3 hereof) shall be fully protected in relying upon such certification. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Notwithstanding anything set forth in Sections 8.1 and 8.2 hereof, no supplemental indenture may be entered into which directly or indirectly modifies the rights or obligations of the Collateral Manager hereunder unless the Collateral Manager shall have granted its prior written consent thereto; provided that, if such supplemental indenture (i) requires the unanimous consent of the Noteholders affected thereby and (ii) does not materially adversely affect the Collateral Manager, such consent shall not be unreasonably withheld or delayed. If the Collateral Manager believes that any supplemental indenture directly or indirectly modifies its rights or obligations, it shall give written notice to the Trustee prior to execution of such supplemental indenture by the Issuer and the Trustee. Any supplemental indenture that materially increases the scope or nature of the duties of the Collateral Manager shall provide for additional compensation to the Collateral Manager in a commercially reasonable amount to be agreed upon by the Issuer and the Collateral Manager. Notwithstanding anything set forth in Sections 8.1 and 8.2 hereof, the Issuer shall not enter into any supplemental indenture which would result (in the commercially reasonable judgment of the Collateral Manager based upon written advice of nationally recognized counsel experienced in such matters) in non-compliance or a material risk of non-compliance by the Collateral Manager with any risk retention requirement that is or may become applicable to it (including, without limitation, pursuant to the U.S. Risk Retention Regulations and the EU Requirements), or impose obligations on, or increase the obligations of the Collateral Manager in complying with any such risk retention requirement, unless the Collateral Manager shall have granted its prior written consent thereto. For the avoidance of doubt, if PGIM, Inc. is replaced as Collateral Manager for any reason, references to the Collateral Manager in this paragraph shall be deemed to include PGIM, Inc or the Retention Holder, as applicable.

Notwithstanding anything set forth in Section 8.1 or 8.2 hereof, no supplemental indenture may be entered into which (pursuant to the terms of a Hedge Agreement) expressly requires the

consent of such Hedge Counterparty unless such consent of the Hedge Counterparty is obtained and no supplemental indenture may be entered into which modifies the rights or obligations of the Retention Holder hereunder unless the Retention Holder shall have granted its prior written consent thereto.

Notwithstanding any other provision herein, a Class of Notes being refinanced will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the effective date of such refinancing. Purchasers of Notes issued pursuant to a Refinancing or Re-Pricing will be deemed, by their purchase of such Notes, to have consented to the terms of the supplemental indenture related to such Refinancing including amendments made to this Indenture pursuant to Section 8.1 or 8.2 in such supplemental indenture. In connection with a Re-Pricing, any non-consenting Holder will be deemed not to be materially and adversely affected by any terms of the supplemental indenture related to, in connection with or to become effective on or immediately after the related Re-Pricing Date.

In determining whether any supplemental indenture under this Article 8 would materially and adversely affect any Class of Notes, the Subclass I Subordinated Notes and the Subclass II Subordinated Notes shall be treated as a single Class for this purpose unless such supplemental indenture only materially and adversely affects the Subclass I Subordinated Notes (in which case the Subclass I Subordinated Notes will vote as a separate class) or only materially and adversely affects the Subclass II Subordinated Notes (in which case the Subclass II Subordinated Notes will vote as a separate class).

8.4 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

8.5 Reference in Notes to Supplemental Indentures.

Notes executed, authenticated and delivered as part of a transfer, exchange or replacement pursuant to Article 2 hereof of Notes originally issued hereunder after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Trustee shall, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuer(s) shall so determine, new Notes so modified as to conform in the opinion of the Applicable Issuer(s) to any such supplemental indenture, may be prepared and executed by the Applicable Issuer(s), and authenticated and delivered by the Trustee or its Authenticating Agent in exchange for Outstanding Notes.

9. PRINCIPAL PREPAYMENTS; REDEMPTION OF NOTES

9.1 Principal Prepayment.

So long as any Secured Notes are Outstanding, the principal of Secured Notes then Outstanding shall be prepaid by the Issuer in accordance with the Note Payment Sequence at a price of par on a Payment Date pursuant to the Priority of Payments (x) if any Collateral Coverage Test is not satisfied as of any Calculation Date related to such Payment Date (in the case of Interest Coverage Tests, commencing on the second Payment Date, and in the case of the Principal Coverage Tests, commencing after the Ramp-Up End Date), to the extent of Available Funds in the amount necessary to satisfy the Collateral Coverage Tests on a pro forma basis and (y) during the Reinvestment Period after the Non-Call Period, if the Interest Diversion Test is not satisfied as of the related Calculation Date for such Payment Date, in an amount equal to the lesser of (1) 50% of the Collateral Interest Collections remaining after application of amounts described in clauses (i) through (xvi) of the Interest Priority of Payments, and (2) an amount which would cause the Interest Diversion Test to be satisfied (if not deposited into the Principal Collection Account to be applied to the future purchase of Additional Collateral Debt Obligations or Substitute Collateral Debt Obligations in the sole discretion of the Collateral Manager) (each such prepayment, a “Principal Prepayment”).

9.2 Notice to Trustee, Rating Agency and Collateral Manager.

If any Principal Prepayment is required pursuant to Section 9.1 hereof, the Issuer shall, not later than the third Business Day after the related Calculation Date, notify in writing the Trustee (who shall promptly forward such notice to the Holders of the Notes), the Rating Agency and the Collateral Manager that such prepayment is required and the principal amount of any Class or Classes of Secured Notes required to be prepaid in whole or in part in accordance with the Priority of Payments.

9.3 Notes Payable on Principal Prepayment Date.

In the event of a Principal Prepayment pursuant to Section 9.1 hereof, principal of the applicable Class or Classes of Secured Notes in an amount determined pursuant to the Priority of Payments shall become due and payable on the applicable Payment Date, and (unless the Issuer shall default in the payment of such principal amount) such principal amount shall cease to bear interest on the Principal Prepayment date.

9.4 Optional Redemption; Election to Redeem.

(a) Subject to the remainder of this Section 9.4 and Sections 9.5, 9.6 and 9.7 hereof:

(i) at the written direction of a Majority of the Subordinated Notes (which direction shall be given so as to be received by the Issuer, the Collateral Manager and the Trustee not later than ~~thirty~~forty-five (~~30~~45) days (unless the Collateral Manager and the Trustee shall agree to a shorter period) prior to the proposed Redemption Date (which shall be any Business Day after the Non-Call Period and shall be specified in such direction) and which direction may be conclusively evidenced by an Officer's Certificate of the Issuer certifying as to such direction), the Secured Notes shall be optionally redeemed in whole but not in part at their respective Redemption Prices on the Redemption Date so specified; and

(ii) at the written direction of a Majority of the Subordinated Notes following the occurrence of:

(A) a Tax Event with respect to payments under one or more Collateral Debt Obligations that results or will result in the withholding (other than U.S. withholding tax on fees to the extent such withholding tax does not exceed 30% of the amount of such fees) of 5% or more of Scheduled Distributions representing Collateral Interest Collections for any Due Period; or

(B) a Tax Event that results in the imposition of any taxes (other than U.S. withholding tax on fees to the extent such withholding tax does not exceed 30% of the amount of such fees), fees, assessments or other similar charges being imposed on the Issuer or on payments due from the Issuer that must be reimbursed by the Issuer in an aggregate amount in any Due Period in excess of U.S.\$1,000,000 (in which case the direction shall be accompanied by an Opinion of Counsel substantially to the effect that such an event has occurred or will occur, as applicable);

the Notes of all Classes shall be optionally redeemed pursuant to this clause (ii) on any Business Day (whether occurring during or after the Non-Call Period) in whole but not in part (a “Tax Redemption”) at their respective Redemption Prices on the proposed Redemption Date specified in such written direction received at least ~~thirty~~forty-five (~~30~~45) days prior to the proposed Redemption Date by the Collateral Manager, the Issuer and the Trustee (or such shorter period as the Collateral Manager shall consent to in its sole discretion).

(b) If an Optional Redemption is directed to be made, the Collateral Manager in its sole discretion shall make arrangements for the sale of, and on a timely basis shall effect the sale of, all of the Collateral Debt Obligations such that the Sale Proceeds from all Collateral Debt Obligations to be sold (directly or by sale of participation or other disposition) and all other funds available for application to the Redemption Price of the Notes to be redeemed (including amounts in the Loan Funding Account corresponding to any Collateral Debt Obligations sold in connection with such redemption and the proceeds of Eligible Investments) and/or from Refinancing Proceeds will be at least sufficient to pay the amounts set forth in Section 9.4(c) below.

(c) Notwithstanding the above, no Notes may be optionally redeemed pursuant to this Section 9.4, if the Optional Redemption is funded in whole or in part from the sale of Collateral Debt Obligations, unless either (1) not later than two (2) Business Days before the scheduled Redemption Date, the Collateral Manager shall have furnished to the Trustee evidence, in form satisfactory to the Trustee (which may be an Officer's Certificate of the Collateral Manager), that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with (or guaranteed by) a financial or other institution or institutions (A) whose short-term unsecured debt obligations have a credit rating from Moody's of “P-1” or (B) whose obligations under such binding agreements are supported by a letter of credit or a guarantee issued by a financial or other institution having a credit rating from Moody's of “P-1”, to purchase (directly or by sale of participation or other disposition), not later than the Business Day immediately preceding the scheduled Redemption Date, in immediately available funds all or the required part of the Collateral Debt Obligations at a purchase price at least equal

to an amount sufficient, together with all other funds (including Refinancing Proceeds) available for application to such redemption, to pay all Administrative Expenses (regardless of the Expense Cap), amounts owing to any Hedge Counterparty, the Collateral Management Fees and the Redemption Price of each Class of Secured Notes or (2) prior to selling (directly or by sale of participation or other disposition) the Collateral Debt Obligations (other than as described in the following sentence), the Collateral Manager certifies to the Trustee that, in its judgment, the Expected Sale Proceeds from such sales, together with all other funds (including Refinancing Proceeds) available for application to such redemption, would be sufficient to pay from the Collection Account (regardless of whether constituting Collateral Interest Collections or Collateral Principal Collections), all Administrative Expenses (regardless of the Expense Cap), amounts owing to any Hedge Counterparty, the Collateral Management Fees and the Redemption Price of each Class of Secured Notes but, for the avoidance of doubt, excluding (in the case of clauses (1) and (2) above) any amounts payable on the Subordinated Notes. Both before and after notice of an Optional Redemption, Credit Improved Obligations, Credit Risk Obligations and Defaulted Obligations may be sold in accordance with the provisions described herein.

(d) In addition to (or in lieu of) a liquidation of Collateral Debt Obligations, at the written direction of a Majority of the Subordinated Notes (which direction shall be given so as to be received by the Issuer, the Collateral Manager and the Trustee not later than thirty (30) days (unless the Collateral Manager and the Trustee shall agree to a shorter period) prior to the proposed Redemption Date (which shall be any Business Day after the Non-Call Period and shall be specified in such direction) and which direction may be conclusively evidenced by an Officer's Certificate of the Issuer certifying as to such direction), the Applicable Issuers may, with the prior written consent of the Collateral Manager and, if the Retention Holder Approval Condition is applicable, the Retention Holder (provided that such consent of the Collateral Manager or the Retention Holder, as applicable, may be withheld only if the Collateral Manager or the Retention Holder, as applicable notifies the Issuer in writing that the Collateral Manager or the Retention Holder, as applicable has determined in good faith based on advice of nationally recognized counsel experienced in such matters that such Refinancing (x) would result in non-compliance or a material risk of non-compliance with any risk retention regulation that is then applicable to the Collateral Manager or the Retention Holder, as applicable or their respective Affiliates or (y) would impose obligations on, or increase the obligations of the Collateral Manager or the Retention Holder, as applicable, or their respective Affiliates in complying with any such risk retention regulation), enter into a loan or loans from, or effect an issuance of replacement securities to, one or more financial institutions or purchasers (a refinancing provided pursuant to such loan or issuance, a "Refinancing") and may apply the proceeds of such Refinancing ("Refinancing Proceeds") to the Optional Redemption in whole but not in part of the Secured Notes; provided that (i) the material agreements relating to the Refinancing must contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 2.7(k) and Section 5.4(c), (ii) the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes, (iii) unless it consents to do so in its sole discretion, none of the Collateral Manager, any Affiliate thereof or any Sponsor shall be required

to purchase any Notes or any other obligation of the Issuer in connection with such Refinancing and (iv) such Refinancing otherwise satisfies the conditions described in Section 9.4(e).

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture pursuant to Article 8 to the extent necessary to reflect the terms of the Refinancing and no consent for such amendments shall be required from the Holder of any Note, other than the Majority of the Subordinated Notes.

(e) Notwithstanding anything to the contrary set forth herein, the Issuer shall not sell any Collateral Debt Obligations or obtain Refinancing in connection with an Optional Redemption unless (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Debt Obligations and Eligible Investments in accordance with the procedures set forth in Section 9.4(c) and all other available funds in the Accounts shall be at least sufficient to pay the Redemption Price of the Secured Notes, in whole but not in part, and to pay the Collateral Management Fees, amounts owing to each Hedge Counterparty and all accrued and unpaid Administrative Expenses (regardless of the Expense Cap), including the reasonable fees, costs, charges and expenses incurred by the Trustee, the Issuer and the Collateral Manager (including reasonable attorneys' fees and expenses) in connection with such Refinancing and (ii) the Sale Proceeds, Refinancing Proceeds and other available funds are used to the extent necessary to make such redemption.

(f) Amounts due on or prior to a Redemption Date with respect to all Notes Outstanding prior to any redemption shall continue to be payable to the Holders of such Notes as of the relevant Record Date according to the terms of such Notes. An election to redeem any Notes pursuant to this Section 9.4 shall be conclusively evidenced by an Issuer Order issued upon the direction of the Collateral Manager directing the Trustee to make the payment to the Paying Agent of the Redemption Price of all of the Notes to be redeemed from funds in the Collection Account and/or any other relevant Accounts as described herein. The Issuer shall deposit, or cause to be deposited, the funds required for an Optional Redemption in the Collection Account on or before the Business Day prior to the Redemption Date (except that if Refinancing Proceeds will be received on the Redemption Date, such Refinancing Proceeds may also be applied on the Redemption Date).

(g) The Issuer shall set the Redemption Date and the applicable Record Date and give notice thereof to the Trustee pursuant to Section 9.5.

(h) Following a redemption in whole of the Secured Notes, unless such optional redemption is in connection with a Refinancing, the Subordinated Notes will be redeemed whether or not any amounts are then available for distribution to the Holders of the Subordinated Notes in accordance with the Priority of Payments; provided that, if assets remain in the Trust Estate after such redemption of the Secured Notes, the redemption in whole of the Subordinated Notes will be deemed not to have been completed (with respect to the Subordinated Notes) until the remaining assets are liquidated (and Holders of Subordinated

Notes will be entitled to retain their Subordinated Notes until all assets in the Trust Estate have been liquidated).

(i) In connection with a Refinancing of all Classes of Secured Notes in full, with the approval of a Majority of the Subordinated Notes and the Collateral Manager, the agreements relating to the Refinancing may, without regard for any consent requirements specified in Article 8, (i) effect a modification of the Reinvestment Period, (ii) establish a non-call period for replacement securities or prohibit a future Refinancing of such replacement securities, (iii) modify the Weighted Average Life Test, (iv) provide for a stated maturity of the replacement securities or loans or other financial arrangements issued or entered into in connection with such Refinancing that is later than the Stated Maturity Date of the Secured Notes applicable prior to such Refinancing or (v) effect an extension of the Stated Maturity Date of the Subordinated Notes.

(j) If a Refinancing of all Classes of Secured Notes in full occurs, then a Majority of the Subordinated Notes, together with the Collateral Manager, may agree to designate Collateral Principal Collections in an amount up to the Excess Par Amount as Collateral Interest Collections (such designated amount, the “Designated Excess Par”), and direct the Trustee to apply such Designated Excess Par on such Redemption Date, ~~including the 2019 Reset Date,~~ as Collateral Interest Collections. ~~On the 2019 Reset Date, the Designated Excess Par will be an amount specified in an Issuer Order on the 2019 Reset Date and no greater than an amount equal to [1.0]% of the Target Par Amount. On~~ such Redemption Date, ~~including the 2019 Reset Date,~~ after giving effect to any Designated Excess Par, the Trustee shall deposit any remaining Excess Refinancing Proceeds into the Expense Reserve Account and/or the Principal Collection Account, as directed by the Collateral Manager in its sole discretion. On the 2019 Reset Date, the Designated Excess Par will be \$0.

9.5 Notice by Issuer of Optional Redemption.

(a) In the event of any redemption pursuant to Section 9.4 or 9.11, the Issuer shall, at least ten (10) Business Days prior to the Redemption Date (unless the Trustee and the Collateral Manager agree to a shorter period), notify the Trustee, each Hedge Counterparty, the Rating Agency and the Collateral Manager in writing of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the Redemption Price of such Notes in accordance with Section 9.4 hereof.

(b) Any notice of redemption may be withdrawn (i) by the Co-Issuers up to two (2) Business Days prior to the scheduled Redemption Date by written notice to the Trustee, each Hedge Counterparty, the Rating Agency and the Collateral Manager only if (x) the Collateral Manager is unable to deliver the binding agreement or agreements or certifications, as the case may be, described in Section 9.4(c) or (y) the Issuer is not able to effect a Refinancing pursuant to Section 9.4(d) hereof or (ii) by the written direction of a Majority of the Subordinated Notes at any time on or prior to the Business Day preceding the proposed Redemption Date. The Co-Issuers will have the option to withdraw any such notice of redemption relating to a proposed Partial Redemption by Refinancing up to and including the day that is two (2) Business Days prior to the proposed Redemption Date in the event the conditions applicable to a Partial Redemption by Refinancing are not satisfied. In addition, a Majority of the

Subordinated Notes will have the option to withdraw any such notice of Partial Redemption by Refinancing up to and including the day that is one (1) Business Day prior to such Redemption Date. If (x) the Co-Issuers or a Majority of the Subordinated Notes so withdraw any notice of redemption, (y) the Collateral Manager enters into the agreement or agreements specified in Section 9.4(c) or provides the certification specified in Section 9.4(c) and thereafter enters into commitments to sell Collateral Debt Obligations but, in either case, the actual proceeds received from such sales and/or Refinancing Proceeds are not sufficient to pay all amounts under Section 9.4(c) due to the failure of a counterparty to settle a sale and/or Refinancing or otherwise or (z) the Co-Issuers are otherwise unable to complete a redemption of the Secured Notes in accordance with this Article 9, the applicable redemption and scheduled Redemption Date will be cancelled without further action of any Person (and for the avoidance of doubt without giving rise to a Default or an Event of Default) and the Sale Proceeds received from the sale of any Collateral Debt Obligations or other items of Collateral sold in contemplation of such redemption may in the sole discretion of the Collateral Manager be reinvested in accordance with the Reinvestment Criteria. Notice of any such withdrawal of a notice of redemption shall be given by the Trustee at the expense of the Issuer to (i) each Holder of Notes at such Holder's address in the Note Register by overnight courier guaranteeing next day delivery not later than the scheduled Redemption Date or by posting with the Depository and (ii) the Rating Agency, provided that notice of such withdrawal is received by the Trustee by 3 p.m. on the second Business Day prior to the scheduled Redemption Date. The Trustee shall also arrange for notice of such withdrawal to be delivered to the Irish Stock Exchange so long as any Notes are listed thereon and so long as the rules of such exchange so require.

9.6 Notice by Trustee of Optional Redemption or Clean-Up Call Redemption.

Notice of redemption pursuant to Section 9.4, 9.10 or 9.11 hereof shall be given by the Trustee on behalf of and at the expense of the Issuer on any date that is not less than five (5) calendar days prior to the applicable Redemption Date or Clean-Up Call Redemption Date to each Holder of Notes to be redeemed pursuant to Section 9.4, 9.10 or 9.11, at its address in the Note Register, together with a copy to the Issuer and the Administrator. Notice of any Optional Redemption, Partial Redemption by Refinancing or Clean-Up Call Redemption shall also be provided by the Trustee to the Irish Stock Exchange (so long as any Notes are listed on the Irish Stock Exchange and the guidelines of such Exchange so require). All notices of redemption shall state:

- (a) the applicable Redemption Date or Clean-Up Call Redemption Date, as applicable;
- (b) the Redemption Price; and
- (c) that all the Notes to be redeemed are being paid in full and that interest on such Secured Notes shall cease to accrue on the date specified in the notice and the place or places where such Notes to be redeemed in whole are to be surrendered in exchange for payment of the Redemption Price which shall be the office or agency of the Issuer to be maintained as provided in Section 7.3 hereof.

9.7 Notes Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price) such Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be redeemed in full, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, however, that, if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a bona fide or protected purchaser, such final payment shall be made without presentation or surrender.

If any Secured Notes called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the Applicable Periodic Rate for each successive Periodic Interest Accrual Period during which the Secured Note remains Outstanding.

9.8 Special Redemption.

Principal payments on the Secured Notes shall be made in whole or in part (to the extent resulting from the application of the Special Redemption Amount), at par without payment of any premium, in accordance with the Priority of Payments if, at any time during the Reinvestment Period, the Collateral Manager (subject to the terms of the Collateral Management Agreement) notifies the Trustee, and the Rating Agency that it has been unable, for a period of at least 15 consecutive Business Days, to identify Substitute Collateral Debt Obligations which are deemed appropriate by the Collateral Manager in its sole discretion and which would meet the Reinvestment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in Substitute Collateral Debt Obligations (a “Special Redemption”). On the first Payment Date following the Due Period for which such notice is given (a “Special Redemption Date”), the funds in the Collection Account representing Collateral Principal Collections which the Collateral Manager determines cannot be reinvested in Substitute Collateral Debt Obligations (the “Special Redemption Amount”) will be applied in accordance with the Principal Priority of Payments. Notice of a Special Redemption shall be given by the Trustee not later than five (5) Business Days prior to the applicable Special Redemption Date to each Holder of Secured Notes to be redeemed at such Holder's address as stated in the Note Register or otherwise in accordance with the rules and procedures of the Depository. In addition, notice of redemption of Notes pursuant to this Section 9.8 will be given to each Hedge Counterparty and, for so long as any Notes are listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, notice of redemption of Notes pursuant to this Section 9.8 shall be given by the Issuer to the Noteholders by publication via the Irish Stock Exchange. Notice of a Special Redemption may be withdrawn by the Co-Issuers by written notice to the Trustee up to two (2) Business Days prior to the Special Redemption Date, and the Trustee shall provide notice to such Holders, each Hedge

Counterparty and the Irish Stock Exchange, as applicable, and the Rating Agency no later than two (2) Business Days prior to the applicable Special Redemption Date

9.9 Ramp-Up Confirmation Failure.

A Ramp-Up Rating Confirmation occurred. A “Ramp-Up Rating Confirmation” occurred when S&P confirmed the ratings assigned by it to the Secured Notes on the original Closing Date. If a Ramp-Up Rating Confirmation had not occurred on or prior to the Calculation Date for the second Payment Date, such event would have constituted a “Ramp-Up Confirmation Failure”.

9.10 Clean-Up Call Redemption.

(a) At the written direction of the Collateral Manager (which direction shall be given so as to be received by the Issuer, the Trustee and the Rating Agency not later than twenty (20) Business Days prior to the proposed Clean-Up Call Redemption Date), the Notes will be subject to redemption by the Issuer, in whole but not in part (a “Clean-Up Call Redemption”), at the Redemption Price therefor, on any Business Day selected by the Collateral Manager which occurs on or after the Payment Date on which the Aggregate Principal Amount of the Secured Notes is less than or equal to ~~£20.0~~% of the Aggregate Principal Amount of the Secured Notes (issued on or after the Closing Date). Any such redemption may only be effected on a Business Day and only from (a) the Sale Proceeds of the Collateral and (b) the Balance of the Eligible Investments in the Collection Account.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Collateral (other than the Eligible Investments referred to in clause (d) of this sentence) by the Collateral Manager or any other Person from the Issuer, on or prior to the fifth Business Day immediately preceding the Clean-Up Call Redemption Date, for a purchase price in Cash (the “Clean-Up Call Redemption Price”) at least equal to the greater of (1) the sum of (a) the Aggregate Principal Amount of the Secured Notes, plus (b) all unpaid interest on the Secured Notes accrued to the date of such redemption (including Cumulative Periodic Rate Shortfall Amounts, if any), plus (c) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments set forth in Section 5.8 prior to distributions in respect of the Subordinated Notes, minus (d) the Balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Collateral being purchased, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Collateral to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Redemption Price. The Trustee shall deposit such payment into the Collection Account.

(c) Upon receipt from the Collateral Manager of a direction in writing to effect a Clean-Up Call Redemption, the Issuer shall set the Clean-Up Call Redemption Date and the Record Date for any redemption pursuant to this Section and give written notice thereof

to the Trustee, the Collateral Manager and the Rating Agency not later than fifteen (15) Business Days prior to the proposed Clean-Up Call Redemption Date.

(d) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to the fourth Business Day prior to the scheduled Clean-Up Call Redemption Date by written notice to the Trustee, the Rating Agency, each Hedge Counterparty and the Collateral Manager only if amounts equal to the Clean-Up Call Redemption Price are not received in full in immediately available funds by the fifth Business Day immediately preceding the Clean-Up Call Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder's address in the Note Register, by overnight courier guaranteeing next day delivery not later than the third Business Day prior to the scheduled Clean-Up Call Redemption Date. The Trustee shall also arrange for notice of such withdrawal to be delivered to the Irish Stock Exchange so long as any Notes are listed thereon and so long as the guidelines of such exchange so require.

(e) On the Clean-Up Call Redemption Date, the Clean-Up Call Redemption Price shall be distributed pursuant to the Priority of Payments with respect to Redemption Dates set forth in Section 11.1.

9.11 Optional Redemption of Secured Notes Using Additional Notes or Secured Loans.

Any Class of Secured Notes may be redeemed in whole, but not in part, on any Business Day occurring after the Non-Call Period from Refinancing Proceeds at the written direction of a Majority of the Subordinated Notes, which direction shall be given so as to be received by the Issuer, the Trustee and the Collateral Manager not later than 30 days (unless a shorter time period is acceptable to the Trustee and the Collateral Manager) prior to the proposed Redemption Date (any such redemption, a “Partial Redemption by Refinancing”); provided that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and the Collateral Manager and such Refinancing otherwise satisfies the conditions described in the next paragraph.

The Issuer shall obtain a Refinancing in connection with a Partial Redemption by Refinancing only if (i) the aggregate principal amount of any tranche of obligations providing the Refinancing is equal to the aggregate principal amount of the applicable Class of Secured Notes being redeemed, (ii) the interest rate spread over LIBOR (and in the case of any fixed rate refinancing obligations, the respective fixed rate of interest) payable in respect of such Refinancing is less than or equal to the interest rate spread over LIBOR (and, in the case of any fixed rate refinancing obligations, the respective fixed rate of interest) payable on the corresponding proposed Class of Secured Notes to be redeemed; provided, that if more than one Class of Secured Notes is subject to a Refinancing, the spread over LIBOR (and, in the case of any fixed rate refinancing obligations, the respective fixed rate of interest) of the obligations providing the Refinancing for a Class of Secured Notes may be greater than the spread over LIBOR (and, in the case of any fixed rate refinancing obligations, the respective fixed rate of interest) for such Class of Notes subject to Refinancing so long as the weighted average (based on the aggregate outstanding principal amount of each Class of Secured Notes subject to Refinancing) of the

spread over LIBOR of the obligations comprising the Refinancing shall be less than the weighted average (based on the aggregate principal amount of each such Class) of the spread over LIBOR with respect to all Classes of Secured Notes subject to such Refinancing, (iii) on the Redemption Date for such Refinancing, the sum of (A) the Refinancing Proceeds, (B) the Further Advances (if any) made in connection with the Refinancing, (C) the amount in the Supplemental Interest Reserve Account which the Trustee has been directed pursuant to Section 10.2(m) to apply to pay expenses of a Refinancing, and (D) the amount of Collateral Interest Collections on deposit in the Interest Collection Account in excess of the aggregate amount of Collateral Interest Collections which would be paid by application of the Priority of Payments on such Redemption Date prior to clause (xxii) of the Interest Priority of Payments, shall be in an amount equal to the amount required to pay the Redemption Price with respect to the Class(es) of Secured Notes to be redeemed (other than accrued interest on such Secured Notes for which there are sufficient Collateral Interest Collections on deposit in the Interest Collection Account to pay such interest on the Redemption Date in accordance with the Priority of Payments) and all accrued and unpaid Administrative Expenses (regardless of the Expense Cap) incurred in connection with such Refinancing (“Refinancing Expenses”), including the reasonable fees, costs, charges and expenses incurred by the Trustee, the Collateral Manager, the Issuer and arrangers and counsel (including reasonable attorneys' fees and expenses) in connection with such Refinancing notwithstanding the provisions of Section 6.7, (iv) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent to those contained in Section 2.7(k) and Section 5.4(c) (*mutatis mutandis*), (v) each class of obligations providing the Refinancing is subject to the Priority of Payments and does not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced by such class of obligations, (vi) [~~Reserved~~reserved], (vii) the Issuer provides notice to the Rating Agency with respect to such Partial Redemption by Refinancing, (viii) any new Notes issued pursuant to the Partial Redemption by Refinancing must have the same Stated Maturity Date as the Secured Notes Outstanding prior to such Refinancing, (ix) such Refinancing is effected only through the issuance of new notes and not the sale of any Collateral Debt Obligations, (x) the sum of the amounts in subclauses (B), (C) and (D) of clause (iii) is at least equal to the Refinancing Expenses and (xi) the Collateral Manager and, if the Retention Holder Approval Condition is applicable, the Retention Holder provide prior written consent (provided that such consent of the Collateral Manager or the Retention Holder, as applicable, may be withheld only if the Collateral Manager or the Retention Holder, as applicable notifies the Issuer in writing that the Collateral Manager or the Retention Holder, as applicable, has determined in good faith based on advice of nationally recognized counsel experienced in such matters that such Partial Redemption by Refinancing (x) would result in non-compliance or a material risk of non-compliance with any risk retention regulation that is then applicable to the Collateral Manager or the Retention Holder, as applicable, or their respective Affiliates or (y) would impose obligations on, or increase the obligations of, the Collateral Manager or the Retention Holder, as applicable, or their respective Affiliates in complying with any such risk retention regulation); provided that, unless it consents to do so in its sole discretion, none of the Collateral Manager, any Affiliate thereof or any Sponsor shall be required to purchase any Notes or any other obligation of the Issuer in connection with such Partial Redemption by Refinancing. In addition, the terms of the Partial Redemption by Refinancing must be acceptable to a Majority of the Subordinated Notes.

A Refinancing in connection with an Optional Redemption in whole of the Secured Notes will not be subject to the conditions in this paragraph.

Refinancing Proceeds will not constitute Collateral Interest Collections or Collateral Principal Collections but will be applied directly on the date of such Refinancing pursuant to this Indenture to redeem the Secured Notes being refinanced without regard to the Priority of Payments; provided, that, subject to Section 9.4(j), any Excess Refinancing Proceeds will be treated as Collateral Principal Collections. The Co-Issuers and the Trustee shall enter into a supplemental indenture to the extent necessary to reflect the terms of the Refinancing and no consent for such amendments shall be required from the Holder of any Note other than the Majority of the Subordinated Notes.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to obtain a Refinancing.

9.12 Re-Pricing of Notes.

(a) On any Business Day after the Non-Call Period, at the direction of a Majority of the Subordinated Notes, the Issuer shall reduce the spread over LIBOR applicable with respect to any Class of Secured Notes other than ~~the Class X Notes and the Class A Notes~~ (such reduction with respect to any such Class of Secured Notes, a “Re-Pricing” and any Class of Secured Notes to be subject to a Re-Pricing, a “Re-Priced Class”); provided that the Issuer shall not effect any Re-Pricing unless each condition specified in this Section 9.12 is satisfied with respect thereto. Except as set forth below, no terms of any Secured Notes other than the Applicable Periodic Rate applicable thereto may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the “Re-Pricing Intermediary”) to assist the Issuer in effecting the Re-Pricing.

(b) At least 25 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the “Re-Pricing Date”), the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee and the Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread over LIBOR or range of spreads over LIBOR to be applied with respect to such Class (the “Re-Pricing Rate”), (ii) request each Holder of the Re-Priced Class approve the proposed Re-Pricing or provide a proposed Re-Pricing Rate at which they would consent to such Re-Pricing that is within the range provided, if any, in clause (i) above (such proposal, a “Holder Proposed Re-Pricing Rate”); (iii) request each consenting Holder of the Re-Priced Class to provide the Aggregate Principal Amount of the Re-Priced Class that such Holder is willing to purchase at such Re-Pricing Rate (including within any range provided) specified in such notice (the “Holder Purchase Request”); and (iv) specify the price at which Notes of any Holder of the Re-Priced Class that does not approve the Re-Pricing may be sold and transferred pursuant to clause (c) below, which, for purposes of such Re-Pricing, shall be an amount equal to the Redemption Price; provided that the Issuer at the direction of the Collateral Manager may extend the Re-Pricing Date or determine the Re-Pricing Rate taking into consideration any Holder Proposed Re-Pricing Rates at any time up to two Business Days prior to the Re-Pricing Date.

(c) In the event any Holder of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date which is at least five (5) Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice thereof to Holders of the Re-Priced Class that delivered a Holder Purchase Request with a Holder Proposed Re-Pricing Rate that is within the range of spreads over LIBOR proposed by the Re-Pricing Intermediary in clause (b)(i) above, if any, specifying the Aggregate Principal Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary if such consenting Holder would like to purchase all or any portion of the Notes of the Re-Priced Class held by the non-consenting Holders with a Re-Pricing Rate equal to or lower than the Holder Proposed Re-Pricing Rate of such consenting Holder (each such notice, an “Exercise Notice”) within five (5) Business Days of receipt of such notice. In the event that the Issuer receives Exercise Notices with respect to more than the Aggregate Principal Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, pro rata based on the Aggregate Principal Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices (adjusted to reflect minimum authorized denomination requirements). In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Principal Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, on the Re-Pricing Date to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders shall be sold to a transferee designated by the Re-Pricing Intermediary on behalf of the Issuer. All sales of Notes to be effected pursuant to this clause (c) shall be made at the Redemption Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Note, by its acceptance of an interest in the Notes, agrees (i) to sell and transfer its Notes in accordance with this Section 9.12 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary and the Trustee to effect such sales and transfers, and (ii) that the Issuer shall have the right without further notice to, or consent of, a non-consenting Holder to transfer a non-consenting Holder's Note to a Holder delivering an Exercise Notice or to a transferee designated by the Re-Pricing Intermediary. Notwithstanding anything to the contrary in this Section 9.12, if the Collateral Manager determines that it must comply with any risk retention regulation in connection with a Re-Pricing, the Issuer shall cause a percentage of the principal amount of each Re-Priced Class to be sold to the Collateral Manager (or its designee) if the Collateral Manager has given notice to the Issuer that it intends to comply in part or in whole with such risk retention regulation by purchasing such Re-Priced Class in connection with the Re-Pricing, which percentage shall be equal to the percentage determined by the Collateral Manager, in its sole discretion, to be necessary for the Collateral Manager to comply with such risk retention regulation. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than ten (10) Business Days prior to the proposed Re-

Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders.

(d) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee shall have entered into a supplemental indenture dated as of the Re-Pricing Date, solely to modify the spread over LIBOR applicable to the Re-Priced Class and to reflect any necessary changes to the definitions of “Non-Call Period” (or prohibit a future Re-Pricing of the Notes of the Re-Priced Class) or “Redemption Price” to be made pursuant to the last paragraph of this Section 9.12;

(ii) all Notes of the Re-Priced Class held by non-consenting Holders have been sold and transferred pursuant to clause (c) above;

(iii) the Rating Agency shall have been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of any Further Advances plus Collateral Interest Collections available after taking into account all amounts required to be paid pursuant to the Priority of Payments with respect to Collateral Interest Collections on the subsequent Payment Date prior to distributions to the Holders of the Subordinated Notes, unless such expenses shall have been paid or adequately provided for by an entity other than the Issuer or will be paid from the Supplemental Interest Reserve Account; and

(v) the Collateral Manager and, if the Retention Holder Approval Condition is applicable, the Retention Holder provide prior written consent to such Re-Pricing; provided that such consent of the Collateral Manager or the Retention Holder, as applicable, may be withheld only if the Collateral Manager or the Retention Holder, as applicable, notifies the Issuer in writing that the Collateral Manager or the Retention Holder, as applicable, has determined in good faith that such Re-Pricing (x) would result in non-compliance or a material risk of non-compliance with any risk retention regulation that is then applicable to the Collateral Manager or the Retention Holder, as applicable, or their respective Affiliates or (y) would impose obligations on, or increase the obligations of, the Collateral Manager or the Retention Holder, as applicable, or their respective Affiliates in complying with any such risk retention regulation; provided further that, unless it consents to do so in its sole discretion, none of the Collateral Manager, any Affiliate thereof or any Sponsor shall be required to purchase any Notes in connection with such Re-Pricing.

(vi) The Co-Issuers and the Trustee may enter into the supplemental indenture referred to in clause (i) above (and, if applicable, to accommodate a Risk Retention Issuance in connection with the Re-Pricing) without obtaining any consent from Noteholders or complying with Article 8 hereof.

(e) The Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3(a) hereof) shall be fully protected in relying upon an Opinion of Counsel stating that

the Re-Pricing is authorized and permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.12.

(f) Notice of Re-Pricing shall be given by the Trustee on behalf of and at the expense of the Issuer not less than 10 Business Days prior to the proposed Re-Pricing Date to each Holder of Notes of the Re-Priced Class (with a copy to the Collateral Manager and the Rating Agency) specifying the applicable Re-Pricing Date and Re-Pricing Rate. Failure to give a notice of Re-Pricing, or any defect therein, to any Holder of any Re-Priced Class shall not impair or affect the validity of the Re-Pricing or give rise to any claim based upon such failure or defect.

Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes on or prior to the Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, and the Collateral Manager for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of Notes and the Rating Agency. Notwithstanding anything to the contrary herein, the failure to effect a Re-Pricing, whether or not the notice of Re-Pricing has been withdrawn, will not constitute an Event of Default and the Holders and beneficial owners of the Notes will not have any cause of action against the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to complete a Re-Pricing.

The Trustee shall have the authority to take such actions as may be directed by the Issuer as the Issuer (or the Re-Pricing Intermediary on behalf of the Issuer) shall deem necessary or desirable to effect a Re-Pricing.

In connection with a Re-Pricing (x) the Non-Call Period for the Re-Priced Class may be extended (or future Re-Pricings of the Notes of the Re-Priced Class may be prohibited) at the direction of the Collateral Manager (subject to the prior written consent of a Majority of the Subordinated Notes) prior to such Re-Pricing and/or (y) the definition of "Redemption Price" may be revised, at the written direction of the Collateral Manager and with the written consent of a Majority of the Subordinated Notes, to reflect any agreed upon make-whole payments for the applicable Re-Priced Class, in each case pursuant to a supplemental indenture entered into in accordance with Article 8.

10. ACCOUNTS, ACCOUNTINGS AND RELEASES

10.1 Collection of Money.

Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Pledged Obligations included in the Trust Estate, in accordance with the terms and conditions of such Pledged Obligations. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Secured Notes and shall apply it as provided in this Indenture.

The accounts established by the Trustee pursuant to this Article 10 may include any number of sub-accounts requested by the Collateral Manager or the Issuer for convenience in administering Collateral Debt Obligations. In addition, all Cash deposited in the Accounts shall be invested only in Eligible Investments in accordance with the procedures set forth in Section 10.2(b) or Collateral Debt Obligations in accordance with Article 12, in each case subject to any restrictions applicable to such Accounts.

Each Account shall be established and maintained with an Eligible Institution and if such institution fails the requirements to be an Eligible Institution, the assets held in such Account shall be moved within 30 calendar days to another institution that is an Eligible Institution. To avoid the consolidation of the Collateral of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national bank with trust powers holding segregated trust assets in a fiduciary capacity.

10.2 Accounts; Collection Account; Unused Proceeds Account; Loan Funding Account; Custodial Account; Interest Reserve Account; Supplemental Interest Reserve Account; Expense Reserve Account.

(a) The Trustee shall, on or prior to the Closing Date, establish segregated, non-interest bearing trust accounts with the Custodian which shall be designated the “Interest Collection Account” and the “Principal Collection Account” which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Trustee may establish any number of sub-accounts within each Account for the convenience in administration of the Trust Estate or shall establish sub-accounts at the request of the Issuer or the Collateral Manager.

(i) The Trustee shall from time to time deposit into the Collection Account (A) all Collections (other than Collateral Principal Collections received in respect of Collateral Debt Obligations during the Ramp-Up Period), (B) all amounts required to be deposited pursuant to Sections 10.2(j) and 10.3(d) hereof, (C) all funds remaining in the Unused Proceeds Account after the Ramp-Up End Date and (D) all amounts required to be deposited pursuant to clause (xviii) of the Interest Priority of Payments or clause (xii) of the Principal Priority of Payments in connection with a Ramp-Up Confirmation Failure.

(ii) All Money deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Trust Estate and shall be applied in the manner set forth herein.

(iii) On the Calculation Date relating to the Payment Date occurring in April 2017, if the Principal Coverage Amount is equal to or greater than \$701,000,000 on a pro forma basis and each Collateral Quality Test is satisfied on a pro-forma basis, the Trustee shall withdraw any Excess Refinancing Ramp-Up Proceeds designated by the Collateral Manager, in its sole discretion, from the Principal Collection Account and deposit such funds in the Interest Collection Account for distribution as provided in the Interest Priority of Payments on the Payment Date in April 2017 (such amount to be segregated from Collateral

Interest Collections for purposes of such distribution and to be distributed to the Subclass I Subordinated Notes as provided in the Interest Priority of Payments).

(b) Upon a Collateral Manager Order (which may be in the form of standing instructions) or, after the occurrence of an Event of Default, only upon direction of a Majority of the Controlling Class, at any time and from time to time (whether during or after the Reinvestment Period), any portion of the Money in any Account in excess of U.S.\$10,000 shall be invested by the Trustee as directed in such Collateral Manager Order (or by a Majority of the Controlling Class, if applicable) in one or more Eligible Investments which mature on or before the sooner of two (2) days or one Business Day prior to the next occurring Payment Date. If, prior to the occurrence of an Event of Default, the Collateral Manager shall not have given directions pursuant to this Section 10.2(b) with respect to any amounts in excess of such sum for five (5) consecutive days, the Trustee shall seek instructions from the Issuer. If the Trustee does not thereupon receive instructions within three (3) Business Days or if, after the occurrence of an Event of Default, a Majority of the Controlling Class shall not have given directions pursuant to this Section 10.2(b) with respect to any amounts in excess of U.S.\$10,000 for five (5) consecutive days, the Trustee shall invest and reinvest such Money as fully as practicable in investments described in clause (ii) of the definition of “Eligible Investments” and maturing not later than the earliest of (i) thirty (30) days after the date of such investment, (ii) the Business Day prior to the next Payment Date or (iii) one day after the date of such investment, in the event of investments made in Eligible Investments after the occurrence of an Event of Default. Funds unclaimed hereunder shall be invested in such Eligible Investments as are described in clause (ii) of the definition thereof and, in the case of unclaimed funds, shall mature on the Business Day preceding each annual anniversary of the last occurring Payment Date until paid over to the Issuer.

(c) On or before the Closing Date, the Trustee shall establish an account with the Custodian designated as the “Unused Proceeds Account”, which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement, into which shall be deposited the Unused Proceeds and Collateral Principal Collections received from time to time by the Issuer in respect of Collateral Debt Obligations during the Ramp-Up Period. Notwithstanding anything to the contrary herein (subject to the proviso to this sentence), the funds in the Unused Proceeds Account will not be included in Available Funds for any Payment Date during the Ramp-Up Period; provided that amounts on deposit in the Unused Proceeds Account shall be transferred to the Principal Collection Account prior to the Initial Payment Date (and treated as Available Funds) if, and in the amount, necessary to pay Periodic Interest on the Class A Notes or the Class B Notes on the Initial Payment Date if (as determined on the related Calculation Date) such Periodic Interest will not be paid in full from Collateral Interest Collections. For the avoidance of doubt, for purposes of calculating the Principal Coverage Amount, the Balance of Eligible Investments in the Unused Proceeds Account shall be treated as Eligible Investments in the Collection Account that represent Collateral Principal Collections in the Trust Estate on the date of determination and such Balance shall be included in clause (b) of the Principal Coverage Amount. Immediately following the Ramp-Up Period and the occurrence of either a Ramp-Up Rating Confirmation or a Ramp-Up Confirmation Failure, the Trustee shall withdraw any remaining funds in the Unused Proceeds Account and deposit such funds into the Principal

Collection Account or, in the case of the Excess Ramp-Up Proceeds, the Interest Collection Account (to the extent directed to do so pursuant to Section 10.2(s)).

(d) The Trustee shall, on or prior to the Closing Date, establish a segregated, non-interest bearing trust account with the Custodian which shall be designated as the “Loan Funding Account”, which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Issuer may, by Issuer Order executed by an Authorized Officer of the Collateral Manager (which may be in the form of standing instructions), direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, invest all funds received in the Loan Funding Account as so directed in Eligible Investments maturing on the next Business Day. All interest and other income from such investments shall be deposited in the Collection Account, any gain realized from such investments shall be credited to the Collection Account and any loss resulting from such investments shall be charged to the Collection Account. Funds in the Loan Funding Account shall be available solely to fund (i) any draw-downs (to the extent of Unfunded Commitments) on Revolving Loans included in the Collateral Debt Obligations, (ii) any Unfunded Commitments of the Issuer under any Delayed Funding Loans included in the Collateral Debt Obligations and (iii) any Unfunded Commitments of the Issuer under any Letters of Credit included in the Collateral Debt Obligations, and only funds in the Loan Funding Account shall be used for such purposes. Upon the purchase of any Initial Collateral Debt Obligation, Substitute Collateral Debt Obligation or Additional Collateral Debt Obligation that is a Revolving Loan or a Delayed Funding Loan, funds will be deposited, and at all times funds will be maintained, in the Loan Funding Account such that the amount of funds on deposit in the account will be at least equal to 100% of the combined aggregate principal amounts of the Unfunded Commitments. All distributions in respect of principal payable under any Revolving Loan received by the Trustee shall be immediately deposited into the Loan Funding Account but only up to the amount of the Unfunded Commitment thereunder. Upon the sale or maturity of a Revolving Loan or a Delayed Funding Loan, any funds in the Loan Funding Account in excess of the amount needed to cover any Unfunded Commitments on all remaining Revolving Loans or Delayed Funding Loans will be transferred as directed by the Collateral Manager to the Collection Account and treated as Sale Proceeds or, during the Ramp-Up Period, to the extent such funds represent Collateral Principal Collections, transferred to the Unused Proceeds Account. The Trustee agrees to give the Co-Issuers immediate notice if it receives written notice from any third party that the Loan Funding Account or any funds on deposit therein, or otherwise to the credit of the Loan Funding Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(f) [Reserved]

(g) [Reserved]

(h) [Reserved]

(i) Upon Collateral Manager Order and subject to the applicable provisions of Article 12 hereof, on any Business Day all or a portion of the Collections on

deposit therein shall be released from the Collection Account and applied by the Trustee in accordance with such Collateral Manager Order to the payment for one or more specified Substitute Collateral Debt Obligations or one or more Additional Collateral Debt Obligations.

(j) The Issuer may, by Issuer Order, direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay on any Business Day other than a Payment Date any Administrative Expenses out of Available Funds in the Collection Account in accordance with the requirements of such Issuer Order; provided, however, that such payments in the aggregate may not exceed for any Due Period the amounts permitted to be paid pursuant to the proviso to clause (i) of the Interest Priority of Payments or the corresponding payment provision of Section 5.8, as applicable, on the following Payment Date for all payments made during such Due Period on a date other than the related Payment Date.

(k) The Trustee shall, on or prior to the Closing Date, cause to be established a securities account on the books and records of the Custodian which shall be designated as the “Custodial Account” which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Trustee agrees to give the Co-Issuers and the Collateral Manager immediate notice if it receives written notice from any third party that the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process received by the Trustee or of which it has actual knowledge. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with Section 3.4 hereof.

(l) On or before the Closing Date, the Trustee shall cause to be established a trust account on the books and records of the Custodian designated as the “Interest Reserve Account”, which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Trustee shall, on the Closing Date, deposit into the Interest Reserve Account an amount equal to U.S.\$1,500,000. Funds held in the Interest Reserve Account shall be invested by the Trustee, as directed in writing by the Issuer or the Collateral Manager, in Eligible Investments and shall be included in the Collateral Coverage Tests described herein. Eligible Investments in the Interest Reserve Account shall mature on or before the Business Day prior to the next subsequent Payment Date. On or before (i) the Initial Payment Date, if the Collateral Manager determines that it is necessary to avoid a Periodic Rate Shortfall Amount or an Event of Default due to non-payment of interest on the Senior Notes or the Class X Notes, and (ii) otherwise, the second Payment Date, the Trustee shall withdraw any funds in the Interest Reserve Account and shall deposit such funds, at the direction of and in the sole discretion of the Collateral Manager, into the Collection Account as Collateral Interest Collections or Collateral Principal Collections for distribution on such Payment Date; provided, that an amount of up to \$1,500,000 may, at the direction of and in the sole discretion of the Collateral Manager, be withdrawn from the Interest Reserve Account on any Business Day prior to the second Payment Date and deposited into the Collection Account as Collateral Principal Collections; provided, further, that no funds shall be withdrawn from the Interest Reserve Account and deposited into the Collection Account as Collateral Principal Collections if a Periodic Rate Shortfall Amount

shall exist. On the date on which no funds remain in the Interest Reserve Account, the Trustee shall close the Interest Reserve Account.

(m) On or before the Closing Date, the Trustee will cause to be established a trust account on the books and records of the Custodian designated as the “Supplemental Interest Reserve Account”. Amounts in the Supplemental Interest Reserve Account will be invested in Eligible Investments that will mature on or before the Business Day prior to the next Payment Date. At the direction of a Majority of the Subordinated Notes to the Collateral Manager to make such an election on behalf of the Issuer, the Issuer will from time to time on any Payment Date deposit in the Supplemental Interest Reserve Account Collateral Interest Collections available for such purpose in accordance with the Priority of Payments. On any Payment Date on which an amount is standing to the credit of the Supplemental Interest Reserve Account, the Issuer or the Collateral Manager (at the direction of a Majority of the Subordinated Notes) may direct the Trustee to withdraw such amount from the Supplemental Interest Reserve Account for application as Collateral Interest Collections and/or Collateral Principal Collections, to pay the expenses of a Re-Pricing or a Refinancing or in order to acquire Secured Notes.

(n) All Accounts and subaccounts thereof established under or pursuant to this Indenture shall be non-interest bearing.

(o) The obligations purchased with the Money in each Account shall be deemed a part of such Account, and the amount of Money credited to such Account (including the aforesaid obligations) shall be deemed to be the aggregate Balance of such obligations. Monthly statements of the earnings or losses, disbursements and deposits and any other changes in the fund balances shall be submitted by the Trustee to the Issuer and the Collateral Manager.

(p) If at any time it shall become necessary that some or all of the Eligible Investments purchased with the Money in any Account be redeemed or sold in order to raise Money necessary to comply with the provisions of this Indenture, the Trustee shall so redeem or sell such Eligible Investments as directed by the Collateral Manager or as specifically set forth in this Indenture; provided that the Trustee provides notice of such redemption or sale to the Issuer and the Collateral Manager.

(q) All income or other gain from investments of Money deposited in any Account shall be deposited by the Trustee in such Account (or such other Account as expressly provided by the terms of this Indenture) immediately upon receipt, and any loss resulting from such investments shall be charged to such Account (or such other Account as expressly provided by the terms of this Indenture). The Trustee shall not in any way be held liable by reason of any insufficiency in any Account resulting from any loss on any Eligible Investment included therein, except as expressly provided in Section 6.6.

(r) Notwithstanding anything contained herein, the Trustee hereby agrees that, with respect to each of the Accounts, it will require the Custodian and each other Securities Intermediary establishing such Account to enter into an agreement substantially in the form of the Account Control Agreement whereby each such Securities Intermediary agrees that it

will (i) treat the Trustee as entitled to exercise the rights that comprise the Financial Assets credited to the Accounts, as applicable; (ii) act only on entitlement orders and other instructions originated by the Trustee (without further consent by the Issuer) or the Issuer; (iii) not agree, subject to clause (ii) above, with any Person to act on entitlement orders or other instructions by any Person other than the Trustee or the Issuer; (iv) treat each item of property credited to such Account as a Financial Asset for purposes of the UCC; and (v) agree that the “Securities Intermediary Jurisdiction” as defined in the UCC shall be the law of the State of New York. Without limiting the foregoing, the parties hereto agree to take such different or additional action, including the execution and delivery of any amendment, as the Trustee (in accordance with Section 7.6) may reasonably request in order to maintain the perfection and priority of the security interest of the Trustee in the event of any change in applicable law or regulation, including Articles 8 and 9 of the UCC.

(s) All Collateral Principal Collections received after the Ramp-Up End Date other than (i) Collateral Principal Collections which have immediately thereafter been reinvested in Substitute Collateral Debt Obligations or (ii) Excess Ramp-Up Proceeds designated as Collateral Interest Collections by the Collateral Manager in a Collateral Manager Request, shall be deposited into the Principal Collection Account upon receipt; provided that (A) if such distributions or other proceeds are Tax Sensitive Obligations, the Issuer may transfer such Tax Sensitive Obligations and/or any Collateral Debt Obligation yielding such proceeds to a Permitted Subsidiary and (B) the Trustee shall deposit (at the direction of the Collateral Manager) into the Interest Collection Account as Collateral Interest Collections on or prior to the second Payment Date, such amounts on deposit in the Principal Collection Account or the Unused Proceeds Account designated by the Collateral Manager, in its sole discretion in a Collateral Manager Request, as Excess Ramp-Up Proceeds. The Collateral Manager may, on behalf of the Issuer, by delivery to the Trustee of a Collateral Manager Request, direct the Trustee to, and upon receipt of such Collateral Manager Request the Trustee shall, withdraw Collateral Principal Collections on deposit in the Principal Collection Account and invest such withdrawn amounts in Collateral Debt Obligations as permitted under this Indenture (including, in the case of the initial acquisition of any Collateral Debt Obligation, in accordance with the requirements of Article 12 hereof).

(t) All Collateral Interest Collections shall be deposited into the Interest Collection Account; provided that if such distributions or other proceeds are Tax Sensitive Obligations, the Issuer may transfer such Tax Sensitive Obligations and/or any Collateral Debt Obligation yielding such proceeds to a Permitted Subsidiary. The Collateral Manager may direct the Trustee to withdraw Collateral Interest Collections from the Interest Collection Account in accordance with this Indenture by a Collateral Manager Request. Collateral Interest Collections shall not be used to purchase Collateral Debt Obligations; provided that Collateral Interest Collections shall be used to invest in Additional Collateral Debt Obligations (or, pending such investment, to purchase Eligible Investments) upon the occurrence of a Ramp-Up Confirmation Failure (or following a failure of the Interest Diversion Test, with respect to Collateral Interest Collections deposited in the Principal Collection Account) as directed by the Collateral Manager. In addition, Available Funds representing Collateral Interest

Collections may also be used during the Reinvestment Period towards the purchase of accrued interest on Substitute Collateral Debt Obligations.

(u) Except as otherwise expressly provided herein, the Trustee shall have no obligation to invest or reinvest any funds in any Accounts under this Article 10 in the absence of timely written direction and shall not be liable for the selection of investments or for investment losses incurred thereon.

(v) [Reserved]

(w) On or before the Closing Date, the Trustee shall cause to be established a trust account on the books and records of the Custodian designated as the “Expense Reserve Account”, which shall be in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Trustee shall, on the 2016 Refinancing Date, deposit into the Expense Reserve Account a portion (in an amount (if any) determined by the Issuer and directed by the Collateral Manager) of the net proceeds of the Notes. Funds held in the Expense Reserve Account shall be invested by the Trustee, as directed in writing by the Issuer or the Collateral Manager, in Eligible Investments and shall be included in the Collateral Coverage Tests described herein. Eligible Investments in the Expense Reserve Account shall mature on or before the Business Day prior to the next subsequent Payment Date. At any time on or prior to the second Payment Date after the 2016 Refinancing Date, at the direction of the Collateral Manager on behalf of the Issuer, withdrawals may be made from the Expense Reserve Account to pay offering and other expenses incurred in connection with the issuance of the Notes. On or prior to the second Payment Date after the 2019 Reset Date, at the direction of and in the sole discretion of the Collateral Manager, the Trustee shall withdraw any funds in the Expense Reserve Account and deposit such funds into the Collection Account as Collateral Interest Collections or Collateral Principal Collections for distribution on the next Payment Date, provided that the Collateral Manager reasonably believes such funds are not necessary to pay any remaining closing expenses.

10.3 Release of Collateral Debt Obligations.

(a) Subject to Article 12 hereof, the Collateral Manager may, by Collateral Manager Order delivered to the Trustee at least five (5) Business Days prior to the settlement date set for the sale of a Collateral Debt Obligation and certifying that it has determined that such Collateral Debt Obligation has become a Credit Risk Obligation, a Credit Improved Obligation, a Defaulted Obligation, an Equity Security or a Collateral Debt Obligation in respect of which a Tax Event has occurred or is to otherwise be sold pursuant to Section 12.1 hereof and in each case that the sale of such Collateral Debt Obligation is in compliance with Section 12.1 and Section 12.4 hereof (if applicable), direct the Trustee to release from the lien of this Indenture the Collateral Debt Obligation or Collateral Debt Obligations specified in such Collateral Manager Order, and, upon receipt of such Collateral Manager Order, the Trustee shall release such Collateral Debt Obligations from such lien in accordance with the Collateral Manager Order, in each case against receipt of Sale Proceeds therefor.

(b) Subject to the provisions of Article 12 hereof, the Collateral Manager may, by Collateral Manager Order delivered to the Trustee on or before the date set for

redemption or payment in full of a Collateral Debt Obligation and certifying that such Collateral Debt Obligation to be released is being redeemed or paid in full, direct the Trustee to release from the lien of this Indenture such Collateral Debt Obligation in accordance with such Collateral Manager Order, in each case against receipt of the proceeds of the redemption price therefor or payment in full thereof.

(c) Subject to the provisions of Article 12 hereof, the Collateral Manager may, by Collateral Manager Order delivered to the Trustee on or before the date set for an exchange, tender or sale of a Collateral Debt Obligation, certifying that such Collateral Debt Obligation is subject to an Offer, is being disposed of in an Exchange Transaction or is being swapped for a Swapped Defaulted Obligation and setting forth in reasonable detail the procedure for response to such Offer or the procedure for such sale, purchase, swap and/or exchange in connection with an Exchange Transaction or a swap for a Swapped Defaulted Obligation, direct the Trustee to release from the lien of this Indenture such Collateral Debt Obligation in accordance with such Collateral Manager Order, in each case against receipt of payment and/or exchange therefor.

(d) The Trustee shall deposit in the Principal Collection Account or the Interest Collection Account, as applicable, (x) all proceeds received by it from the disposition of a Collateral Debt Obligation (other than Collateral Principal Collections received in respect of Collateral Debt Obligations during the Ramp-Up Period), (y) all Reinvestment Income with respect to such Collection Account and (z) all proceeds received by it from the disposition of an Eligible Investment in such Collection Account.

(e) The Trustee shall, upon receipt of a Collateral Manager Order at such time as there are no Secured Notes Outstanding and all obligations of the Issuer to the Secured Parties under or pursuant to this Indenture have been satisfied, release the Trust Estate from the lien of this Indenture.

(f) Upon receipt of an Issuer Order certifying that a transfer of Tax Sensitive Obligations to a Permitted Subsidiary is being made in accordance with Section 7.5 herein and that all applicable requirements of Section 7.5 have been or will be satisfied, the Trustee shall release from the lien of this Indenture any such assets being transferred pursuant to Section 7.5 and deliver such assets to such Permitted Subsidiary.

10.4 Reports by Trustee.

12. SALE OF COLLATERAL DEBT OBLIGATIONS; SUBSTITUTION

12.1 Sale of Collateral Debt Obligations.

(a) Subject to the satisfaction of the conditions specified in Section 10.3 hereof and the restrictions in this Article 12, the Collateral Manager may direct the Trustee, by Collateral Manager Order, to sell, and the Trustee shall release from the lien of this Indenture and sell in the manner directed by the Collateral Manager, any Collateral Debt Obligation subject to a Discretionary Sale or any Defaulted Obligation, Equity Security, Credit Risk Obligation, Credit Improved Obligation, or any Collateral Debt Obligation in respect of which a Tax Event has occurred (as described in such direction), or any Collateral Debt Obligation in connection with the redemption of the Notes in full, or any Collateral Debt Obligation if the Final Maturity Date of the Secured Notes has occurred.

(i) The Collateral Manager shall not direct the Trustee to sell a Credit Improved Obligation unless:

(A) if such sale is made during the Reinvestment Period, in the Collateral Manager's reasonable judgment, Substitute Collateral Debt Obligations can be purchased in compliance with the Reinvestment Criteria, within thirty (30) days of the settlement date of the sale of the Credit Improved Obligation;

(B) if such sale is made after the Reinvestment Period, the Collateral Manager certifies that the Sale Proceeds will not be less than the Principal Balance of the Credit Improved Obligation sold; and

(C) no Enforcement Event has occurred and is continuing.

(ii) A Credit Risk Obligation, Defaulted Obligation or Equity Security may be sold at any time without limitation unless an Enforcement Event has occurred and is continuing. The Collateral Manager will direct the Trustee by Collateral Manager Order to sell any Defaulted Obligation within three years after such obligation becomes a Defaulted Obligation (but only to the extent that the Collateral Manager determines that such sale can be made using commercially reasonable efforts) and any Equity Security within eighteen (18) months of its receipt; provided, however, (1) if the sale of any Defaulted Obligation has not commenced prior to the end of such three year period (which commencement need not be made if there is no practical market for such Defaulted Obligation), the Issuer may retain such Defaulted Obligation and the Defaulted Obligation Amount shall be deemed to have a balance of zero, and (2) any Equity Security received by the Issuer following a workout or restructuring and held by a Permitted Subsidiary in accordance with the terms of this Indenture may be retained by such Permitted Subsidiary beyond the foregoing 18-month period. For purposes of this clause (ii), a sale will be deemed to have occurred when a transfer of such Defaulted Obligation or Equity Security has been commenced even if such transfer has not settled. Further, if such settlement fails, the Collateral Manager will have a commercially reasonable period of time to find another buyer for such Defaulted Obligation or Equity Security.

(iii) During or after the Reinvestment Period, the Collateral Manager, acting pursuant to the Collateral Management Agreement on behalf of the Issuer, may direct the Trustee in writing to sell, and the Trustee shall sell in the manner directed by the Collateral Manager in writing, in compliance with Section 10.3 hereof, any Collateral Debt Obligation (a “Discretionary Sale”) which is not a Defaulted Obligation, an Equity Security, a Credit Risk Obligation, a Credit Improved Obligation or a Collateral Debt Obligation in respect of which a Tax Event has occurred so long as:

(A) The rating of the Class A Notes has not been reduced by the Rating Agency by one or more rating subcategories from the rating assigned by it on the 2019 Reset Date or withdrawn by the Rating Agency (or, if any such rating was so downgraded or withdrawn by the Rating Agency, it has subsequently been upgraded or reinstated to at least the rating assigned by the Rating Agency to the Class A Notes on the 2019 Reset Date; provided, that, if such rating withdrawal was the result of a retirement of the Class A Notes, this clause (A) shall not be applicable), or the Requisite Noteholders have consented to allow sales and reinvestments pursuant to this clause (A) to continue after such downgrade by submitting a Consent Form to the Collateral Manager, Issuer and Trustee (and if the Requisite Noteholders

have not provided such consent, such condition shall be referred to as the “Restricted Trading Condition”);

(B) during the Reinvestment Period, the Collateral Manager believes that Substitute Collateral Debt Obligations can be purchased in compliance with the Reinvestment Criteria within thirty (30) days of the settlement date of the Collateral Debt Obligation being sold;

(C) the aggregate Principal Balance of all such substitutions for a given calendar year after the Ramp-Up End Date does not exceed 25% of the Aggregate Collateral Balance at the beginning of that year (or on the Ramp-Up End Date in the case of the calendar year in which the Ramp-Up End Date occurs) (provided that Collateral Debt Obligations subject to an Offer or a call and A/B Exchanges shall not be considered substitutions for this purpose);

(D) no Enforcement Event has occurred and is continuing and, if the Class A-R Debt is Outstanding, no Event of Default has occurred and is continuing; and

(E) if such sale is after the end of the Reinvestment Period, the Sale Proceeds of such Collateral Debt Obligation are at least equal to the Principal Balance thereof.

(b) (i) After the Issuer has notified the Trustee and the Collateral Manager of an Optional Redemption in accordance with Section 9.5 hereof, the Collateral Manager acting pursuant to the Collateral Management Agreement on behalf of the Issuer may at any time effect the sale (directly or by sale of participation or other disposition) of any Collateral Debt Obligation without regard to the limitations in Section 12.1(a) above by directing the Trustee, by Collateral Manager Order, to effect such sale; provided that, the Sale Proceeds therefrom are used for the purposes specified in Sections 9.4(a) and (b) hereof (and applied pursuant to the Priority of Payments), and upon any such sale the Trustee shall release such Collateral Debt Obligation pursuant to Section 10.3 hereof; provided, further, that the Issuer may not direct the Trustee to sell (and the Trustee shall not release) a Collateral Debt Obligation pursuant to this Section 12.1(b)(i) unless it has received from the Collateral Manager the evidence referred to in Section 9.4(c)(1) hereof or the certification required by Section 9.4(c)(2) hereof.

(i) After the Collateral Manager has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.10 hereof, the Collateral Manager may at any time effect the sale of any Collateral Debt Obligation without regard to the limitations in Section 12.1(a) above by directing the Trustee, by Collateral Manager Order, to effect such sale; provided that the Sale Proceeds therefrom are used for the purposes specified in Sections 9.10 hereof (and applied pursuant to the Priority of Payments), and upon any such sale the Trustee shall release such Collateral Debt Obligation pursuant to Section 10.3 hereof.

(c) Notwithstanding anything else herein, except as provided in Section 12.1(i) below, the Collateral Manager will effect the Sale of, and upon receipt of a

Collateral Manager Order the Trustee shall release for Sale in accordance with the provisions hereof, all Collateral Debt Obligations remaining in the Trust Estate immediately prior to the Stated Maturity Date of the Notes such that the proceeds of such Sale will be available for distribution on the Stated Maturity Date of the Notes.

(d) The Collateral Manager acting pursuant to the Collateral Management Agreement on behalf of the Issuer may at any time effect the sale of, and upon receipt of a Collateral Manager Order the Trustee shall release for sale in accordance with the provisions hereof, any Collateral Debt Obligation in respect of which a Tax Event has occurred without regard to the limitations in Section 12.1(a) above by directing the Trustee, by Collateral Manager Order, to effect such sale.

(e) In following any Collateral Manager Order (for purposes of Section 12.1(a), a trade ticket delivered by the Collateral Manager to the Trustee shall constitute such Collateral Manager Order) pursuant to this Section 12.1, the Trustee may assume, without independent inquiry, that the Collateral Manager has made all determinations required hereunder prior to giving such direction to the Trustee.

(f) As used in this Section 12.1, “all commercially reasonable efforts” shall be interpreted to mean that the Collateral Manager shall use reasonable efforts, each reasonably chosen in light of the individual expense of that effort and in light of the cumulative expenditure to date for the problem/issue in respect of which such effort is employed and in light of the expected benefit to be derived from that choice, and shall continue to make such efforts up to the point where it is no longer commercially reasonable to do so.

(g) Notwithstanding the foregoing, if the Collateral Manager is removed for cause (except pursuant to Section 12(c)(iv) and (vii) of the Collateral Management Agreement) and a successor collateral manager has not been appointed and accepted such appointment as provided in the Collateral Management Agreement, the Collateral Manager shall not direct the Trustee to make any sales of Credit Improved Obligations or any Discretionary Sales of Collateral Debt Obligations pursuant to Section 12.1(a) (unless the Issuer committed to make such sales prior to such removal).

(h) Not later than the Business Day immediately preceding the end of the Reinvestment Period pursuant to clauses (i) or (ii) of the definition thereof, the Collateral Manager shall (1) deliver to the Trustee a schedule of Collateral Debt Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and (2) certify to the Trustee that the sum of (x) cash on deposit in the Principal Collection Account (as confirmed to the Collateral Manager by the Trustee) and (y) Collateral Principal Collections to be received by the Issuer from the sale of Collateral Debt Obligations for which the trade date has already occurred but the settlement date has not yet occurred, assuming the Issuer receives such amounts by the proposed settlement date, is sufficient to effect the settlement of such Collateral Debt Obligations.

(i) If the Issuer holds any Collateral Debt Obligations after the Final Maturity Date of all Classes of Secured Notes has occurred, the Collateral Manager may effect the sale of any such Collateral Debt Obligation notwithstanding that an Event of Default has

occurred and is continuing hereunder at the time of such sale. However, in the event that an Event of Default has occurred and is continuing hereunder and the Secured Noteholders, a Majority of the Controlling Class or the Class A Noteholders, whichever is applicable, have directed the Trustee to liquidate the Collateral pursuant to Section 5.5(a)(ii), no sales shall be made by the Collateral Manager except pursuant to such liquidation by the Trustee of the Collateral.

(j) After the Reinvestment Period, at the direction and discretion of the Collateral Manager, the Trustee, at the expense of the Issuer, may conduct an auction of Unsaleable Assets in accordance with the following procedures. Promptly after receipt of such direction, the Trustee shall provide notice (in such form as is prepared by the Issuer) to the Noteholders (and S&P during the S&P Rating Period) of an auction, setting forth in reasonable detail a description of each Unsaleable Asset (as provided to it by the Collateral Manager) and the following auction procedures:

(i) any Noteholder may submit a written bid to purchase for cash one or more Unsaleable Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice) and, for any Unsaleable Asset for which one or more bids are received, the Trustee, on behalf of the Issuer shall deliver such Unsaleable Asset to the highest bidder against payment of the bid price;

(ii) each bid must include an offer to purchase for a specified amount of Cash on a proposed settlement date no later than 20 Business Days after the date of the auction notice;

(iii) if no Noteholder submits such a bid for an Unsaleable Asset, unless delivery in kind is not legally or commercially practicable, the Trustee shall provide notice thereof to each Noteholder and offer to deliver (at no cost to the Noteholders or the Trustee) a pro rata portion of each unsold Unsaleable Asset to the Noteholders of the most senior Class that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations. To the extent that minimum denominations do not permit a pro rata distribution, the Issuer shall identify and the Trustee shall distribute the Unsaleable Assets on a pro rata basis to the extent possible and the Issuer shall select by lottery the Noteholder to whom the remaining amount shall be delivered. The Trustee shall use commercially reasonable efforts to effect delivery of such interests. For the avoidance of doubt, any such delivery to the Noteholders shall not operate to reduce the principal amount of the related Class of Notes held by such Noteholders; and

(iv) if no such Noteholder provides delivery instructions to the Trustee, the Trustee shall take such action (if any) as directed pursuant to an Issuer Order to dispose of the Unsaleable Asset, which may be by donation to a charity, abandonment or other means.

(k) If the Issuer and the Collateral Manager have received an opinion of counsel of national reputation experienced in such matters (together with an Officer's Certificate of the Issuer or the Collateral Manager to the Trustee (on which the Trustee may conclusively rely) that the opinion specified in this paragraph has been received by the Issuer and

the Collateral Manager) that the Issuer's ownership of any specific Collateral Debt Obligation or Eligible Investment would cause the Issuer to be unable to comply with the loan securitization exemption from the definition of "covered fund" under the Volcker Rule, then the Collateral Manager shall be required to use its commercially reasonable efforts to effect the sale of such Collateral Debt Obligation or Eligible Investment and will not purchase any additional Collateral Debt Obligation or Eligible Investment of the type identified in such opinion.

(l) Each purchase of one or more Collateral Debt Obligations after the Closing Date will be made pursuant to an Issuer Order, which Issuer Order will be deemed a certification by the Collateral Manager, upon which the Trustee and the Collateral Administrator may conclusively rely, that such purchase complies with this Article 12.

12.2 Eligibility Criteria and Trading Restrictions.

An obligation to be Granted to the Trustee for inclusion in the Trust Estate as a Collateral Debt Obligation (whether an Initial Collateral Debt Obligation, a Substitute Collateral Debt Obligation or an Additional Collateral Debt Obligation) will be eligible for purchase by the Issuer and inclusion in the Trust Estate only if as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase it satisfies the definition of "Collateral Debt Obligation" and the following conditions (the "Reinvestment Criteria"), as certified to the Trustee by the Collateral Manager, are satisfied as and when applicable:

(a) if the date on which the Collateral Manager commits on behalf of the Issuer to purchase an obligation occurs during the Reinvestment Period:

(iii) after giving effect to the proposed purchase and Grant of any Collateral Debt Obligation on or after the Ramp-Up End Date, either (A) the Weighted Average Life Test shall be satisfied or (B) if the Weighted Average Life Test was not satisfied prior to giving effect thereto (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase and will not be satisfied after giving effect to such purchase and Grant), the Weighted Average Life Test will be maintained or improved after giving effect to the proposed purchase and Grant of such Collateral Debt Obligation;

(iv) on any date of determination after the Ramp-Up End Date, if, after giving effect to any proposed purchase of a Substitute Collateral Debt Obligation or Additional Collateral Debt Obligation, any of the Collateral Coverage Tests would not be satisfied, the Issuer shall not be permitted to make such purchase; provided that, with respect to the purchase of an Additional Collateral Debt Obligation or a Substitute Collateral Debt Obligation with (A) the proceeds from the sale, Unscheduled Principal Payments or other distribution of principal (other than scheduled principal payments) of a Collateral Debt Obligation (other than a Defaulted Obligation) or (B) net proceeds from the sale of the Notes that remain uninvested in Initial Collateral Debt Obligations after the end of the Ramp-Up Period, the Issuer shall be permitted to make such purchase even if any Collateral Coverage Tests were not satisfied prior to giving effect to such proposed sale and will not be satisfied after giving effect thereto if the ratio related to such unsatisfied Collateral Coverage Test shall be maintained or improved after giving effect to the proposed purchase of such Collateral Debt Obligation;

(v) no Enforcement Event shall have occurred and be continuing;

(vii) after giving effect to the proposed purchase and Grant of a Collateral Debt Obligation on or after the Ramp-Up End Date, either (A) the S&P CDO Monitor Test shall be satisfied or (B) if the S&P CDO Monitor Test was not satisfied prior to giving effect thereto (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase), and will not be satisfied after giving effect thereto, the S&P CDO Monitor Test shall be maintained or improved after giving effect to the proposed purchase and Grant of such Collateral Debt Obligation; provided that the Trustee shall notify S&P if the S&P CDO Monitor Test is not satisfied; provided further that the S&P CDO Monitor Test is not required to be satisfied, maintained or improved when Sale Proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation are being used to purchase such Collateral Debt Obligation;

(viii) [Reserved];

(ix) [Reserved];

(x) after giving effect to the proposed purchase and Grant of any Collateral Debt Obligation on or after the Ramp-Up End Date, either (A) the S&P Minimum Weighted Average Recovery Rate Test shall be satisfied or (B) if the S&P Minimum Weighted Average Recovery Rate Test was not satisfied prior to giving effect thereto (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) and will not be satisfied after giving effect thereto, the S&P Minimum Weighted Average Recovery Rate Test shall be maintained or improved after giving effect to the proposed purchase and Grant of such Collateral Debt Obligation;

(xi) after giving effect to the proposed purchase and Grant of any Collateral Debt Obligation on or after the Ramp-Up End Date, either (A) the Minimum Coupon Test shall be satisfied or (B) if the Minimum Coupon Test was not satisfied prior to giving effect thereto (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) and will not be satisfied after giving effect thereto, the Minimum Coupon Test shall be maintained or improved after giving effect to the proposed purchase and Grant of such Collateral Debt Obligation;

(ii) no Enforcement Event has occurred and is continuing;

(iii) during the S&P Rating Period, either the Substitute Collateral Debt Obligations have the same or a higher S&P Rating as the Collateral Debt Obligation generating such proceeds or, if the Class A-R Debt is no longer Outstanding, the Scenario Default Rate for the senior-most Class of Secured Notes Outstanding then rated by S&P shall be maintained or improved after such purchase;

(iv) the Substitute Collateral Debt Obligations have the same or a shorter maturity as the called, redeemed or sold Collateral Debt Obligation;

(v) after giving effect to such purchase, each of the Weighted Average Life Test, the S&P Minimum Weighted Average Recovery Rate Test and the Minimum Coupon Test is satisfied or, if any such Collateral Quality Test was not satisfied prior to giving effect to such purchase (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) and will not be satisfied after giving effect thereto, then such test is maintained or improved after giving effect to such purchase;

(vi) after giving effect to such purchase, (A) the Average Debt Rating Test is satisfied or (B) if the Class A-R Debt is no longer Outstanding and the Average Debt Rating Test was not satisfied prior to giving effect to such purchase (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) and will not be satisfied after giving effect thereto, then such test is maintained or improved after giving effect to such purchase;

(vii) after giving effect to such purchase, each Collateral Coverage Test is satisfied;

(viii) ~~the aggregate Principal Balance of all Substitute Collateral Debt Obligations purchased with the Sale Proceeds of Credit Improved Obligations after the Reinvestment Period shall not exceed 5.0% of the Target Par Amount~~[\[reserved\]](#);

(ix) after giving effect to such purchase, either (A) each Percentage Limitation will be satisfied or (B) if one or more such Percentage Limitations is not satisfied prior to giving effect to the purchase of such Collateral Debt Obligation (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) and one or more of such Percentage Limitations will not be satisfied after giving effect to such purchase, any such Percentage Limitation that was not satisfied prior to giving effect to the purchase of such Collateral Debt Obligation (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) will be maintained or improved and no such Percentage Limitation that was satisfied prior to giving effect to the purchase of such Collateral Debt Obligation (but, if applicable, after giving effect to the sale of any Collateral Debt Obligations the Sale Proceeds of which are being used for such purchase) will cease to be satisfied after giving effect to such purchase;

(x) with regard to the purchase of Substitute Collateral Debt Obligations with Unscheduled Principal Payments ~~or with Sale Proceeds of Credit Improved Obligations~~, either (1) such Substitute Collateral Debt Obligations have an aggregate Principal Balance of not less than 100% of the Principal Balance (or, in the case of any Below-Par Collateral Debt Obligation, the purchase price, excluding accrued interest, expressed as a percentage of par and multiplied by the outstanding principal balance thereof) of the Collateral Debt Obligation (or portion thereof) generating such Unscheduled Principal Payment or Sale Proceeds or (2) the Aggregate Collateral Balance, after giving effect to such purchases, is greater than or equal to the Reinvestment Target Par Amount; and

(xi) with regard to the purchase of Substitute Collateral Debt Obligations with Sale Proceeds of Credit Risk Obligations, either (1) such Substitute Collateral Debt Obligations have an aggregate Principal Balance of not less than 100% of the Sale Proceeds (or, in the case of any Below-Par Collateral Debt Obligation, the purchase price, excluding accrued interest, expressed as a percentage of par and multiplied by the outstanding principal balance thereof) of the Credit Risk Obligation (or portion thereof) being sold or (2) if the Class A-R Debt is no longer Outstanding, the Aggregate Collateral Balance, after giving effect to such purchases, is greater than or equal to the Reinvestment Target Par Amount.

(xii) Notwithstanding anything in this Section 12.2(b) to the contrary, (1) if (a) the rating of the Class A Notes has been reduced by S&P by one or more rating subcategories below its initial rating by S&P on the 2019 Reset Date or withdrawn and such rating has not been subsequently upgraded or reinstated to at least such initial rating or (b) the rating of the Class B Notes or the Class C Notes has been reduced by S&P by two or more rating subcategories below its initial rating by S&P on the 2019 Reset Date or withdrawn and such rating has not been subsequently upgraded or reinstated to at least such initial rating (the period when either such condition exists is referred to herein as a “Rating Downgrade Period”) and (2) if (a) the Aggregate Collateral Balance is less than the Reinvestment Target Par Amount

as of the date of determination, (b) any of the Collateral Coverage Tests is not satisfied as of the applicable date of determination or (c) the Average Debt Rating Test is not satisfied as of the applicable date of determination, then the Issuer may not make commitments to reinvest Unscheduled Principal Payments or the Sale Proceeds of Credit Risk Obligations ~~or Credit Improved Obligations~~ received during the Rating Downgrade Period.

(c) Upon receipt of a Collateral Manager Order with respect to Section 12.2(b)(i), Available Funds representing Collateral Principal Collections and Collateral Interest Collections may be withdrawn from the Collection Account on any Business Day before twenty (20) Business Days after the last day of the Reinvestment Period and invested in Substitute Collateral Debt Obligations to the extent necessary to settle any commitments to purchase such Substitute Collateral Debt Obligations made prior to the end of the Reinvestment Period in compliance with the Reinvestment Criteria and the other provisions set forth herein for inclusion in the Trust Estate. Available Funds representing Collateral Principal Collections may be used towards the purchase of accrued interest on a Substitute Collateral Debt Obligation, provided that, when such accrued interest is received, it will be treated as Collateral Principal Collections. In addition, Available Funds representing Collateral Interest Collections may also be used during the Reinvestment Period towards the purchase of accrued interest on Substitute Collateral Debt Obligations; provided that, when such accrued interest is received, it will be treated as Collateral Interest Collections. Any such purchases shall be effected only if the Trustee shall have received a certification in accordance with Section 12.7(b); provided, further, that, during the period from and including any Calculation Date to and including the related Payment Date, an amount equal to the amount of Available Funds in the Collection Account as of such Calculation Date shall be retained in the Collection Account for application on the related Payment Date in accordance with the Priority of Payments, and the Collateral Manager may request any withdrawal from the Collection Account pursuant to this Section 12.2(c) only to the extent the amount of funds on deposit in the Collection Account exceeds the amount of Available Funds therein as of such Calculation Date.

Notwithstanding anything in the immediately foregoing paragraph to the contrary, the Collateral Manager may enter into commitments to acquire Substitute Collateral Debt Obligations on the basis of payments of principal of Collateral Debt Obligations that the Issuer has not received, but which the applicable borrower, agent bank, trustee or similar person has notified the Issuer or the Collateral Manager in writing is scheduled to be paid (including, without limitation, by the dissemination or posting to an internet site of a report stating or indicating that such payment is scheduled to be paid), and the amount of any such scheduled payment shall constitute Available Funds that are Collateral Principal Collections permitted to be used to settle the purchase of Substitute Collateral Debt Obligations upon receipt and shall not be subject to the last sentence of the immediately foregoing paragraph.

(d) During or after the Reinvestment Period, for purposes of calculating compliance with the Reinvestment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Debt Obligation or a group of Collateral Debt Obligations identified by the Collateral Manager as such at the time when compliance with the Reinvestment Criteria is required to be calculated (a “Trading Plan”)) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into

within the ten Business Days following the date of determination of such compliance (such period, the “Trading Plan Period”); provided that (1) no day during any Trading Plan Period relating to a Trading Plan may be a Calculation Date, (2) no Trading Plan may result in the purchase of Collateral Debt Obligations having an Aggregate Principal Amount that exceeds ~~5~~5% of the Aggregate Collateral Balance as of the first day of the Trading Plan Period, (3) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (4) the Collateral Manager may modify any Trading Plan during a Trading Plan Period if it determines that, but for the occurrence of an Intervening Event, the Reinvestment Criteria would have been satisfied by the original Trading Plan (provided that the Reinvestment Criteria are satisfied by the modified Trading Plan), (5) with respect to reinvestment of Unscheduled Principal Payments or Sale Proceeds under a Trading Plan occurring after the Reinvestment Period, each Collateral Debt Obligation in the Trading Plan has an S&P Rating equal to or higher than the highest S&P Rating of the Collateral Debt Obligations giving rise to the Unscheduled Principal Payments or Sale Proceeds used for such reinvestment, and (6) if the Reinvestment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Reinvestment Criteria shall not at any time thereafter be evaluated by giving effect to a Trading Plan unless an S&P Rating Agency Confirmation with respect to any subsequent Trading Plan is received; provided that no further S&P Rating Agency Confirmation shall be required after receiving an S&P Rating Agency Confirmation pursuant to this clause (6) unless a Trading Plan fails, in which case (i) the Collateral Manager will be required to notify S&P of such failure and (ii) an S&P Rating Agency Confirmation will be required with respect to the subsequent Trading Plan.

(e) Exercise of Warrants; Exchanged Equity Securities. At any time during or after the Reinvestment Period, at the direction of the Collateral Manager, the Issuer may direct the payment of an amount from Collateral Interest Collections on deposit in the Interest Collection Account, so long as such payment would not result in insufficient Collateral Interest Collections being available for the payment in full of Periodic Interest due on the Secured Notes on the next following Payment Date, and from Collateral Principal Collections in the Principal Collection Account (provided that the Aggregate Collateral Balance shall be greater than or equal to the Reinvestment Target Par Amount (as determined by the Collateral Manager) following the application of such Collateral Principal Collections to the exercise of any warrant under this Section 12.2(e)) any amount required to exercise a warrant held in the Trust Estate, so long as any Equity Security to be received in connection with such exercise either qualifies as an Exchanged Equity Security or is disposed of prior to being received by the Issuer. The Issuer shall not (and shall not permit any Permitted Subsidiary to) obtain any Equity Security unless it is an Exchanged Equity Security or the Collateral Manager has determined, in consultation with nationally recognized counsel experienced in such matters, that such Equity Security is consistent with the Issuer's status as a "loan securitization" for purposes of the Volcker Rule.

12.3 Reserved.

12.4 Collateral Debt Obligations Subject to Offer or Call; A/B Exchange.

(a) The Collateral Manager may only effect the sale or exchange of a Collateral Debt Obligation that is the subject of an Offer or call for redemption if, together with

its direction to sell such obligation (and the certificates required pursuant to Section 10.3 or 12.1 hereof, as applicable), the Collateral Manager certifies that either (1) the sale price for such obligation is equal to or greater than the price available pursuant to such Offer or call or (2) in the Collateral Manager's sole judgment there is reasonable likelihood that the Offer or call will not be consummated or, if consummated, may be delayed until more than twenty (20) days beyond the date of such sale. The Collateral Manager may elect to effect an exchange of any Collateral Debt Obligation that is subject to an Offer if (i) the Offer is for Cash to be paid to the Issuer, (ii) the Offer is part of a Distressed Exchange and the Distressed Exchange Condition is satisfied, (iii) the Reinvestment Criteria are satisfied or (iv) the Offer is in connection with a Maturity Extension if (x) such Offer would not result in such Collateral Debt Obligation (or any other Collateral Debt Obligation received in connection with such transaction) having a stated maturity later than the Stated Maturity Date of the Notes and (y) either (A) the Weighted Average Life Test ~~will be~~ is satisfied or if not satisfied, maintained or improved after giving effect to such exchange or amendment, or (B) the Aggregate Principal Amount of all Collateral Debt Obligations in respect of which the Collateral Manager, on behalf of the Issuer has consented to a Maturity Extension where the Weighted Average Life Test was not satisfied or if not satisfied, maintained or improved after giving effect to such ~~Maturity Extension and any related Trading Plan; provided that the Issuer will not be deemed to be in violation of the foregoing restriction with respect to any Maturity Extension that is effected by the Issuer in violation of clause (y) above so long as the Collateral Debt Obligations that are subject to Maturity Extensions that are effected by the Issuer that would otherwise be in violation of clause (y) above at any time since the 2019 Reset Date (whether or not still held by the Issuer at the time of determination) in the aggregate~~exchange or amendment does not exceed ~~[12.5]~~% of the Target Par Amount.

(b) [Reserved].

(c) Notwithstanding anything contained in this Indenture to the contrary, a Collateral Debt Obligation (the "A Obligation") may be exchanged for another Collateral Debt Obligation (the "B Obligation") solely for purposes of effecting an A/B Exchange with respect to the A Obligation (and the Trustee shall release such obligation from the lien of this Indenture) if the Trustee shall have received a Collateral Manager Order with respect to such exchange, which also certifies that the requested release of the A Obligation is part of an A/B Exchange in compliance with this Section 12.4 and that the B Obligation identified therein otherwise complies with the requirements of Sections 12.2 and 12.7 hereof. An "A/B Exchange" with respect to an A Obligation shall mean an exchange of the A Obligation for:

(i) the B Obligation, which shall be issued by the issuer or issuers of the A Obligation and shall have substantially identical terms to the A Obligation, except that one or more restrictions on the ability of the holder to sell or otherwise dispose of the A Obligation (including the requirement that the holder deliver a prospectus to the transferee in such sale or other disposition) are inapplicable to the B Obligation, and

(ii) Cash or Cash equivalents in settlement of fractional or unauthorized denominations of A Obligations tendered for exchange or B Obligations received in the exchange.

12.5 Purchase and Swap of Defaulted Obligations

(a) Notwithstanding Section 12.2 to the contrary, prior to the end of the Reinvestment Period, a Defaulted Obligation (a "Purchased Defaulted Obligation") may be purchased with all or a portion of the Sale Proceeds of another Defaulted Obligation (an "Exchanged Defaulted Obligation") (each such exchange referred to as an "Exchange Transaction"), if:

(i) when compared to the Exchanged Defaulted Obligation, the Purchased Defaulted Obligation (A) is issued by a different obligor, (B) but for the fact that such debt obligation is a Defaulted Obligation, such Purchased Defaulted Obligation would otherwise qualify as a Collateral Debt Obligation and (C) the expected recovery rate of such Purchased Defaulted Obligation, as determined by the Collateral Manager in good faith, is no less than the expected recovery rate of the Exchanged Defaulted Obligation;

(ii) the Collateral Manager has certified to the Trustee that:

(A) at the time of the purchase, (i) the Purchased Defaulted Obligation is no less senior in right of payment vis-à-vis its related obligor's outstanding indebtedness than the seniority of the Exchanged Defaulted Obligation and (ii) each of the S&P Rating and Moody's Rating, if any, of the Purchased Defaulted Obligation is the same or better respective rating, if any, of the Exchanged Defaulted Obligation;

(B) after giving effect to the purchase, (i) each of the Collateral Coverage Tests is satisfied, (ii) the Aggregate Collateral Balance shall not be reduced and (iii) the Average Debt Rating Test shall be satisfied, or if not satisfied, maintained or improved after giving effect to such purchase (or commitment to purchase) as immediately prior to such purchase (or commitment to purchase);

(C) both prior to and after giving effect to such purchase, Percentage Limitations were and will be satisfied or, if any Percentage Limitation was not satisfied prior to such purchase, such Percentage Limitation will be maintained or improved;

(D) the period for which the Issuer held the Exchanged Defaulted Obligation will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Purchased Defaulted Obligation;

(E) the Exchanged Defaulted Obligation was not previously a Purchased Defaulted Obligation acquired in a transaction pursuant to this Section 12.5; and

(F) the Rating Downgrade Period is not applicable; and

(iii) such purchase of the Purchased Defaulted Obligation will not, when taken together with all other Purchased Defaulted Obligations then held by the Issuer, cause the Aggregate Principal Amount of all of Purchased Defaulted Obligations (A) then held by

Issuer to exceed 2.5% of the Aggregate Collateral Balance, and (B) that have been purchased by the Issuer since the 2019 Reset Date to exceed ~~10.0%~~ 7.5% of the Target Par Amount.

For the avoidance of doubt, Exchange Transactions may occur by separate purchase and sale transactions. If, at any time, a Purchased Defaulted Obligation no longer satisfies the definition of Defaulted Obligation, it shall no longer be considered a Purchased Defaulted Obligation.

(b) Notwithstanding Section 12.2 to the contrary and without limitation to the Issuer's rights to effect a Distressed Exchange, the Collateral Manager may instruct the Trustee to exchange a Defaulted Obligation at any time, for another Defaulted Obligation (a "Swapped Defaulted Obligation"), for so long as at the time of or in connection with such exchange:

(i) such Swapped Defaulted Obligation is issued by the same obligor as the Defaulted Obligation (or an Affiliate of or successor to such obligor or an entity that succeeds to substantially all of the assets of such obligor) and ranks in right of payment no more junior than the Defaulted Obligation for which it was exchanged; provided, that if the Issuer is also required to pay an amount for such Swapped Defaulted Obligation, the Issuer shall only use Collateral Interest Collections to effect such payment and only for so long as, after giving effect to such purchase, there would be sufficient Collateral Interest Collections to pay all amounts required to be paid pursuant to the Priority of Payments prior to distributions to Holders of the Subordinated Notes on the next succeeding Payment Date;

(ii) if any Collateral Coverage Test is not satisfied following such exchange, then such Collateral Coverage Test is maintained or improved;

(iii) the Market Value of such Swapped Defaulted Obligation must be equal to or higher than the Market Value of the Defaulted Obligation for which it was exchanged (and the purchase price of such Swapped Defaulted Obligation is at least equal to 60.0% of the principal balance of the obligation);

(iv) the Expected Recovery Rate of such Swapped Defaulted Obligation must be no less than the Expected Recovery Rate of the Defaulted Obligation for which it was exchanged;

(v) as determined by the Collateral Manager, if any of the Percentage Limitations is not satisfied following such exchange, then any such Percentage Limitation is maintained or improved;

(vi) the period for which the Issuer held the Defaulted Obligation which was exchanged will be included for all purposes in this Indenture when determining the period for which the Issuer holds the Swapped Defaulted Obligation; and

(vii) no more than one Swapped Defaulted Obligation may be exchanged for a Defaulted Obligation during each Periodic Interest Accrual Period;

provided, that the Aggregate Principal Amount of all Swapped Defaulted Obligations received in exchange for a Defaulted Obligation since the 2019 Reset Date does not exceed ~~10.0~~% of the Target Par Amount.

12.6 [Reserved]

(c) The Issuer hereby represents and warrants as of the date of each acquisition and Grant to the Trustee of a Collateral Debt Obligation pursuant to this Article 12 that:

(iv) the Issuer has full right to Grant a security interest in and assign and pledge, and has Granted or does hereby Grant, such Collateral Debt Obligation to the Trustee, unless such Collateral Debt Obligation consists of Loans the Underlying Instruments for which require the consent of the borrower and/or agent bank for such pledge and for which the Issuer has not yet received such consent; provided that (i) any such Underlying Instruments that expressly require such consent also provide that such consent may not be unreasonably withheld and (ii) the Issuer shall continue to diligently seek such consents;

(v) the Collateral Debt Obligation satisfies the requirements of the definition of “Collateral Debt Obligation”; and

(vi) upon Grant by the Issuer, the Trustee has for the benefit of the Secured Noteholders a first priority perfected security interest in such Collateral Debt Obligation, subject only to Permitted Liens.

13. NOTEHOLDERS' RELATIONS

13.1 Subordination.

(a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Hedge Counterparties and the Holders of the Notes agree for the benefit of the Hedge Counterparties that the Notes and the Issuer's rights in and to the Collateral (solely with respect to all amounts payable to the Hedge Counterparties pursuant to clauses (ii) and (vi) of the Interest Priority of Payments and clause (i) of the Principal Priority of Payments and in the priority set forth therein) shall be subordinate and junior to the rights of the Hedge Counterparties with respect to payments to be made to the Hedge Counterparties pursuant to the Hedge Agreements to the extent and in the manner set forth in Section 11.1 and hereinafter provided. (j) The Bank (in each of its capacities) agrees to accept and act upon instructions or directions pursuant to this Indenture or any document executed in connection herewith sent by unsecured email, facsimile transmission or other similar unsecured electronic methods, provided, however, that any person providing such instructions or directions shall provide to the Bank an incumbency certificate listing persons designated to provide such instructions or directions, which incumbency certificate shall be amended whenever a person is added or deleted from the listing. If such person elects to give the Bank email or facsimile instructions (or instructions by a similar electronic method) and the Bank in its discretion elects to act upon such instructions, the Bank's reasonable understanding of such instructions shall be deemed controlling. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions notwithstanding such instructions conflicting with or being inconsistent with a subsequent written instruction. Any person providing such instructions or directions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the

(k) The Trustee shall deliver to any Holder of Notes or any Certifying Holder, any information or notice requested to be so delivered by such Holder or Certifying Holder and that is in the Trustee's possession, and all related costs will be borne by the requesting Holder or Certifying Holder.

14.4 Notices to Noteholders; Waiver; Communications with Rating Agency.

(a) Where this Indenture provides for giving a copy of any report or notice to Noteholders (such report or notice, a “notice”) of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed first-class, postage prepaid, to each Noteholder affected by such event at its address as it appears on the Note Register maintained by the Trustee as Note Registrar (unless the Noteholder has delivered notice of another address to the Trustee in the form of Exhibit D attached hereto), not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice which is mailed in the manner herein provided shall conclusively be presumed to have been duly given whether or not received. In addition, (i) for so long as any Notes are listed on the Irish Stock Exchange and the guidelines of the Irish Stock Exchange so require, notices to the Holders of such Notes shall also be published via the Irish Stock Exchange and (ii) notices to the Holders of the Notes shall also be given to the Placement Agent. The Trustee shall deliver to any Certifying Holder any information or notice requested to be so delivered by such Certifying Holder in the manner requested, and any cost related thereto shall be an Administrative Expense of the Issuer; provided that the Trustee may decline to send any such notice that it reasonably determines to be contrary to (i) any of the terms of this Indenture, (ii) any duty or obligation that the Trustee may have hereunder or (iii) applicable law. The Trustee may require the requesting Holders to comply with its standard verification policies in order to confirm Noteholder status.

(b) Where this Indenture provides for notice in any manner, any such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

(c) In the event that, by reason of the suspension of the regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any

provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee shall be deemed to be a sufficient giving of such notice.

(d) On the Closing Date, the Issuer shall engage the Collateral Administrator, in accordance with the Collateral Administration Agreement, to assist the Issuer in complying with certain of the posting requirements under Rule 17g-5 (in such capacity, the “Information Agent”). Notwithstanding anything to the contrary in this Indenture, any notice or other communication or document required or permitted by this Indenture (with the exception of any Accountants' Certificate and/or Accountants' Report except to the extent required by applicable law or regulation or by any governmental or regulatory body) to be made upon, given, provided, mailed, delivered or furnished to, or filed with, the Rating Agency, and any other communication with the Rating Agency by a Section 14.4(d) Transaction Party relating to this Indenture or the Notes, shall be delivered by such Section 14.4(d) Transaction Party to the Information Agent in an electronic format readable and uploadable (that is not locked or corrupted) by email to SEC.17g-5@db.com (the “Information Agent Address”) and dryden_usa@list.db.com specifying “Dryden 36” and the Information Agent will forward any such notice or other written communication received by the Information Agent and labeled for delivery to the Rating Agency for Posting to a website (the “NRSRO Website”) established by the Issuer pursuant to the requirements of Rule 17g-5 governing communications with nationally recognized statistical rating organizations hired by “arrangers” of “structured finance products” (as such terms are defined in Rule 17g-5). The Issuer agrees, and shall cause each Section 14.4(d) Transaction Party to agree, that (a) it will not communicate information relating to this Indenture, the Notes or the transactions contemplated hereby to the Rating Agency orally and (b) it will cause any notice or other written communication provided by such Person to the Rating Agency to be delivered to the Information Agent through the email address specifically identified above as being for the purpose of Posting to the NRSRO Website contemporaneously with its delivery to such Rating Agency. The Issuer agrees that it will otherwise comply in all respects with the requirements of Rule 17g-5. In addition to Posting to the NRSRO Website all notices or other written communication by the Information Agent to any Rating Agency, the Information Agent shall forward for Posting to the NRSRO Website any notice or other written communication required or permitted by this Indenture (with the exception of any Accountants' Certificate and/or Accountants' Report except to the extent required by applicable law or regulation or by any governmental or regulatory body) provided to it by any other Section 14.4(d) Transaction Party for communication to the Rating Agency specifically identified as being provided for the purpose of Posting on the NRSRO Website; provided that neither the Trustee nor the Information Agent shall have responsibility for the content thereof to the extent it was not prepared by the Trustee and shall have no responsibility to monitor compliance with the Rule 17g-5 Procedures. Notwithstanding anything to the contrary herein, in no event shall the Trustee or the Bank (in any capacity) be liable to the Issuer, the Collateral Manager, the Holders of the Notes or any other Person in connection with the NRSRO Website as to any information thereon including information provided by the Trustee or the Collateral Administrator, other than information provided by the Trustee or the Collateral Administrator solely for Posting on the NRSRO Website which is determined in a court of law, by a final judicial decision not subject to appeal, to be willfully and intentionally misleading. Until further notice by the Issuer, the Issuer hereby instructs the Information Agent to post on the NRSRO Website (i) the information required to be delivered to the Rating Agency by the Trustee pursuant to Article 10 and all

information received by the Information Agent by email to the Information Agent Address specifying “Dryden 36” and (ii) concurrently with distribution to the Holders, each Monthly Report and each Note Valuation Report. The procedures set forth in this Section 14.4(d) are collectively referred to as the “Rule 17g-5 Procedures”. As used in this Section 14.4(d), (i) the term “Rating Agencies” (or “Rating Agency”) shall include any of their (or its) respective officers, directors or employees and (ii) the term “Section 14.4(d) Transaction Party” shall mean each of the Issuer, the Co-Issuer, the Trustee, the Collateral Administrator and the Administrator. The Information Agent may require registration and the acceptance of a disclaimer by, and certification from, the Rating Agency or any other Person requesting access to the NRSRO Website, which may be submitted electronically via the NRSRO Website.

(e) The Trustee and the Information Agent (i) make no representation in respect of the content of the NRSRO Website or compliance by the NRSRO Website with this Indenture, Rule 17g-5, or any other law or regulation, (ii) will not be responsible for ensuring that the NRSRO Website complies with Rule 17g-5, or any other law or regulation, (iii) will not be liable for the use of the information posted on the NRSRO Website, whether by the Co-Issuers, the Rating Agency or any other Person that may gain access to the NRSRO Website or the information posted thereon, (iv) shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered to it by others for Posting is accurate, complete, conforms to this Indenture or Rule 17g-5, or is otherwise than what it purports to be or is required to be posted pursuant to Rule 17g-5, and shall not be responsible or have any liability for any delay or failure to forward for Posting information that is not in electronic format readable and uploadable (that is not locked or corrupted). The Trustee's responsibility with respect to the NRSRO Website shall be limited to the specific obligations contained in this Indenture. The Information Agent's responsibility with respect to the NRSRO Website shall be limited to the specific obligations contained in this Indenture and in the Collateral Administration Agreement.

(f) Any notice or other document required or permitted by this Indenture to be made upon, given or furnished to, or filed with, the Rating Agency, and any other communication with the Rating Agency will be sufficient for every purpose hereunder if such notice or other document relating to this Indenture, the Notes or the transactions contemplated hereby:

(g) The Trustee and the Information Agent:

(i) will not be responsible for maintaining the NRSRO Website, posting any notices or other communications to the NRSRO Website or ensuring that the NRSRO Website complies with the requirements of this Indenture, Rule 17g-5, or any other law or regulation;

(ii) makes no representation in respect of the content of the NRSRO Website or compliance by the NRSRO Website with this Indenture, Rule 17g-5, or any other law or regulation and the maintenance by the Trustee of the website described in 14.4 shall not be deemed as compliance by or on behalf of the Issuer with Rule 17g-5 or any related law or regulation; and

(iii) will not be responsible or liable for the dissemination of any identification numbers or passwords for the NRSRO Website.

(h) The Trustee and the Information Agent shall have no obligation to engage in or respond to, any oral communications for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes with any Rating Agency or any of their respective officers, directors or employees.

(i) The Trustee and the Information Agent shall not be responsible or liable for the dissemination of any identification numbers or passwords for the NRSRO Website, including by the Issuers, the Rating Agency, the NRSROs, any of their agents or any other party. Additionally, the Trustee and the Information Agent shall not be liable for the use of the information posted on the NRSRO Website, whether by the Issuers, the Rating Agency, the NRSROs or any other third party that may gain access to the NRSRO Website or the information posted thereon.

(j) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.4 shall not constitute a Default or an Event of Default.

14.5 Effect of Headings and Table of Contents.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

14.6 Successors and Assigns.

All covenants and agreements in this Indenture by the Issuer shall bind its respective successors and assigns, whether so expressed or not.

14.7 Severability.

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

14.8 Benefits of Indenture.

Nothing in this Indenture and the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, each Hedge Counterparty and the Noteholders (as provided herein), any benefit or any legal or equitable right, remedy or claim under this Indenture.

14.9 Governing Law.

THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

14.10 Counterparts.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

14.11 Jurisdiction.

The Co-Issuers hereby irrevocably submit to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes, this Indenture or the Collateral Management Agreement, and the Co-Issuers hereby irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. The Co-Issuers hereby irrevocably waive, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The Co-Issuers irrevocably consent to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to it at the office of the agent set forth in Section 7.16. The Co-Issuers agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. To the extent that either the Issuer or the Co-Issuer has or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution or otherwise) with respect to its obligations hereunder, each waives such immunity to the extent permitted by applicable law.

14.12 Notices to S&P.

In the event that (i) any Class of Notes is redeemed in whole, (ii) any of the Transaction Documents or any provision thereof is breached in a manner that would result in a material adverse effect on the Issuer, the Co-Issuer or the Collateral, amended, waived, assigned or terminated, in whole or as to any part, (iii) the organizational documents of the Issuer or the Co-Issuer are amended or (iv) either the Issuer or the Co-Issuer is dissolved or liquidated, the Issuer or the Collateral Manager, on behalf of the Issuer, shall promptly give notice of such event to the Trustee, S&P (during the S&P Rating Period).

14.13 WAIVER OF JURY TRIAL.

EACH OF THE ISSUER, THE CO-ISSUER, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14.14 S&P Rating Agency Confirmation.

(a) With respect to any event or circumstance that requires S&P Rating Agency Confirmation, such requirement shall be deemed inapplicable with respect to such event or circumstance if:

(i) S&P has made a public statement to the effect that it will not or will no longer review events or circumstances of the type requiring satisfaction of such S&P Rating Agency Confirmation for purposes of evaluating whether to confirm the then-current Ratings of Collateral Debt Obligations or collateralized loan obligation transactions rated by S&P;

(ii) S&P has communicated to the Issuer, the Collateral Manager or the Trustee (or their counsel) that it will not review such event or circumstance for purposes of evaluating whether to confirm the then-current Rating of each of the Secured Notes that it rated;

(iii) with respect to amendments requiring unanimous consent of all Holders of Notes, such Holders have been advised prior to consenting that the current Ratings of the Secured Notes may be reduced or withdrawn as a result of such amendment; or

(iv) no Secured Notes are then rated by S&P.

(b) Notwithstanding the terms of the Collateral Management Agreement, any Hedge Agreement or other provisions of this Indenture, if any action under the Collateral Management Agreement, any Hedge Agreement or this Indenture requires satisfaction of such S&P Rating Agency Confirmation as a condition precedent to such action, if the party (the “Requesting Party”) required to obtain satisfaction of such S&P Rating Agency Confirmation has made a request to S&P for satisfaction of such S&P Rating Agency Confirmation and, within 10 Business Days of the request for satisfaction of such S&P Rating Agency Confirmation being posted to the NRSRO Website, S&P has not replied to such request

or has responded in a manner that indicates that S&P is neither reviewing such request nor waiving the requirement for satisfaction of such S&P Rating Agency Confirmation, then such Requesting Party shall be required to confirm that S&P has received the request, and, if it has, promptly (but in no event later than one (1) Business Day thereafter) request satisfaction of such S&P Rating Agency Confirmation again.

(c) Any request for satisfaction of any S&P Rating Agency Confirmation made by the Issuer, Co-Issuer or Trustee, as applicable, pursuant to this Indenture, shall be made in writing, which writing shall contain a cover page indicating the nature of the request for satisfaction of such S&P Rating Agency Confirmation, and shall contain all back-up material necessary for the Rating Agency to process such request. Such written request for satisfaction of such S&P Rating Agency Confirmation shall be provided in electronic format to the Information Agent for forwarding for Posting on the NRSRO Website in accordance with Section 14.4 hereof and the Collateral Administration Agreement, and after receiving actual knowledge of such Posting (which may be in the form of an automatic email notification of Posting delivered by the NRSRO Website to such party), the Issuer, Co-Issuer or Trustee, as applicable, shall send the request for satisfaction of such S&P Rating Agency Confirmation to S&P in accordance with the delivery instructions set forth in Section 14.4.

15. ASSIGNMENT OF COLLATERAL MANAGEMENT AGREEMENT

15.1 Assignment of Collateral Management Agreement.

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Secured Parties and the performance and observance of the provisions hereof and thereof, hereby assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Secured Parties, all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) all of the Issuer's interest in all obligations, Money and proceeds managed by the Collateral Manager thereunder, (ii) the right to give all notices, consents and releases thereunder, (iii) the right to give all notices of termination and to take any legal action upon the breach by the Collateral Manager of any of its obligations thereunder, including the commencement, conduct and consummation of Proceedings at law or in equity, (iv) the right to receive all notices, accountings, consents, releases and statements thereunder and (v) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, however, so long as no Event of Default has occurred and is continuing hereunder, the Trustee hereby grants the Issuer a license to exercise all of the Issuer's rights pursuant to the Collateral Management Agreement without notice to or the consent of the Trustee (except as otherwise expressly required by this Indenture, including as set forth in clause (f) of this Section 15.1), which license shall be and is hereby deemed to be automatically revoked upon the occurrence of any Event of Default hereunder until such time, if any, as the Event of Default is cured or waived. The Trustee shall have no liability with respect to any act or failure to act by the Issuer under the Collateral Management Agreement (provided, however, that this sentence shall not limit or relieve the Trustee from any responsibility it may have under this Indenture upon the occurrence of and during the continuance of any Event of Default). From and after the occurrence and continuance of an Event of Default, the Collateral Manager will continue to perform and be bound by the provisions of the Collateral Management

Agreement and this Indenture. The Trustee shall be entitled to rely and be protected in relying upon all actions and omissions to act of the Collateral Manager thereafter as fully as if no Event of Default had occurred.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Secured Notes and the release of the Trust Estate from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Secured Noteholders shall cease and terminate, and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer, and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may reasonably specify.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager consents to, and agrees to perform, the provisions of this Indenture applicable to the Collateral Manager.

(ii) The Collateral Manager acknowledges that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Trustee for the benefit of the Secured Parties and the Trustee, and the Collateral Manager agrees that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Trustee and the Secured Parties.

(iii) The Collateral Manager shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the Collateral Management Agreement.

(iv) Except as expressly permitted under the Collateral Management Agreement, neither the Issuer nor the Collateral Manager will enter into any agreement amending, modifying or terminating any material provision of the Collateral Management Agreement (other than in respect of an amendment or modification of the type that may be made to this Indenture without Noteholder consent or selecting or consenting to a

successor Collateral Manager). In the event that the Collateral Management Agreement is assigned in accordance with Section 13(c) thereof, the consent of the Trustee (if required) shall be given at the direction of a Majority of the Controlling Class. Any notice received by the Trustee from the Issuer pursuant to Section 12(c) of the Collateral Management Agreement shall be forwarded by the Trustee to the Information Agent and the Rating Agency.

(v) The Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts and agrees not to cause the filing of a petition in bankruptcy against the Issuer for the non-payment of amounts due to the Collateral Manager prior to the date which is one year and one day from the payment in full of all Notes issued under this Indenture or, if longer, the applicable preference period under Bankruptcy Law then in effect plus one day; provided that the foregoing shall not preclude the Collateral Manager from taking any action prior to expiration of the applicable stay period in any proceeding voluntarily filed or commenced by the Issuer or against the Issuer by a Person other than the Collateral Manager or its Affiliates.

16. HEDGE AGREEMENTS

16.1 Hedge Agreements.

(a) On after the Closing Date, the Issuer may enter into Hedge Agreements if on the date on which the Issuer enters into such Hedge Agreement, (i) each Hedge Counterparty entering into a Hedge Agreement on such date (or any Affiliate of such Hedge Counterparty that shall have absolutely and unconditionally guaranteed (using a form of guarantee complying with S&P's then-current official criteria with respect to guarantees) the obligations of such Hedge Counterparty under the relevant Hedge Agreement) shall comply with the then-current official criteria of the Rating Agency, (ii) the Issuer shall collaterally assign its rights under such Hedge Agreement to the Trustee pursuant to this Indenture and such Hedge Counterparty shall consent to such assignment and (iii) S&P Rating Agency Confirmation is received and the applicable conditions specified below are satisfied. The Issuer shall enter into a Hedge Agreement only if such Hedge Agreement contains "limited recourse" and "non-petition" provisions equivalent to the "limited recourse" and "non-petition" provisions set forth herein, mutatis mutandis. The Issuer shall not enter into any hedge agreement (including any Hedge Agreement) (A) the payments from which are subject to withholding tax other than FATCA (unless only the hedge counterparty is required to withhold and the hedge counterparty shall be required in accordance with the terms of the hedge agreement to pay additional amounts to the Issuer sufficient to cover any withholding tax due on payments made by the hedge counterparty to the Issuer under such hedge agreement (subject to the Issuer making customary tax representations)) and the Issuer shall not be required to pay additional amounts to the hedge counterparty with respect to any withholding tax or (B) the entry into, performance or termination of which would subject the Issuer to net income tax in any jurisdiction outside the Issuer's jurisdiction of incorporation. The Issuer may not enter into a Hedge Agreement unless the following conditions are satisfied: (i) (x) the Issuer obtains an Opinion of Counsel to the effect that (1) the Issuer entering into such Hedge Agreement would fall within the scope of the

exclusion from commodity pool regulation set forth in CFTC Letter No. 12-45 (Interpretation and No-Action) dated December 7, 2012 issued by the Division of Swap Dealer and Intermediary Oversight of the Commodity Futures Trading Commission, (2) the Issuer entering into such Hedge Agreement would otherwise not cause the Issuer to be considered a “commodity pool” as defined in Section 1a(10) of the Commodity Exchange Act, as amended, or (3) if the Issuer would be a commodity pool not eligible for the exclusion provided by CFTC Letter No. 12-45, that (A) the Collateral Manager and no other party would be the commodity pool operator and commodity trading advisor thereof, and (B) with respect to the Issuer as a commodity pool, the Collateral Manager is eligible for an exemption from registration as a commodity pool operator and commodity trading advisor and all conditions precedent to obtaining such an exemption, if any, have been satisfied and (y) the Collateral Manager agrees in writing that for so long as the Issuer is a commodity pool, the Collateral Manager shall take (or cause to be taken) all actions necessary to ensure ongoing compliance with the applicable exemption from the obligations of a registered commodity pool operator and commodity trading advisor with respect to the Issuer, and shall take (or cause to be taken) any other actions required as a commodity pool operator and commodity trading advisor with respect to the Issuer; (ii) the Issuer has received written advice of counsel to the effect that the Issuer entering into such Hedge Agreement will not, in and of itself, cause the Issuer to become a “covered fund” under the Volcker Rule, and (iii) such Hedge Agreement (x) is an interest rate or foreign exchange derivative and the written terms of such Hedge Agreement directly relate to the Collateral Debt Obligations or the Notes, and (y) reduces the interest rate or foreign exchange risk related to the Collateral Debt Obligations or the Notes.

(b) The Trustee shall, on behalf of the Issuer and in accordance with the Note Valuation Report, pay amounts due to each Hedge Counterparty under the Hedge Agreements on any Payment Date subject to and in accordance with Section 11.1.

(c) The Trustee shall, on or prior to the Closing Date, cause to be established one or more segregated non-interest bearing securities accounts, each of which shall be designated a “Hedge Counterparty Collateral Account”, which shall be held in the name of the Issuer, subject to the lien of the Trustee, for the benefit of the Secured Parties and maintained in accordance with the Account Control Agreement. The Trustee shall deposit all collateral received from any Hedge Counterparty under any Hedge Agreement in the related Hedge Counterparty Collateral Account. Any and all funds at any time on deposit in, or otherwise standing to the credit of, a Hedge Counterparty Collateral Account shall be held in trust by the Trustee for the benefit of the Secured Parties. The only permitted withdrawal from or application of funds on deposit in, or otherwise standing to the credit of, a Hedge Counterparty Collateral Account shall be (i) for application to obligations of the relevant Hedge Counterparty to the Issuer under the relevant Hedge Agreement that are not paid when due (whether when scheduled or upon early termination) or (ii) to return collateral to such Hedge Counterparty when and as required by the relevant Hedge Agreement (in each case as directed in writing by the Collateral Manager). The Trustee shall invest amounts in the Hedge Counterparty Collateral Account as set forth in written directions from the Collateral Manager, and shall have no liability for any such investments; provided that funds in the Hedge Counterparty Collateral Account, if

invested, may only be invested in Eligible Investments. The Trustee shall not be obligated to make any such investment in the absence of such written instruction from the Collateral Manager.

(d) If at any time any Hedge Agreement becomes subject to early termination due to the occurrence of a Subordinated Termination Event, the Issuer shall give prompt written notice thereof to the Trustee, and the Issuer and the Trustee shall take such actions (following the expiration of any applicable grace period) to enforce the rights of the Issuer and the Trustee thereunder, as instructed in writing by the Collateral Manager who shall give such instructions only as may be permitted by the terms of such Hedge Agreement and consistent with the terms hereof, and shall apply the proceeds of any such actions (including the proceeds of the liquidation of any collateral pledged by such Hedge Counterparty) to the costs of such actions and to the cost of entering into a replacement Hedge Agreement to be arranged and entered into by the Issuer on such terms with respect to which the Issuer has satisfied the S&P Rating Agency Confirmation; provided that such replacement Hedge Agreement will not comply with this provision unless as of the date that the Issuer and Hedge Counterparty enter into such replacement Hedge Agreement neither the replacement Hedge Counterparty nor the Issuer will be required to withhold or deduct on account of any tax from any payments under the replacement Hedge Agreement.

(e) Each Hedge Agreement shall provide that any amount payable to the Hedge Counterparty thereunder shall be subject to the Priority of Payments.

(f) Each Hedge Agreement will be subject to termination by the Hedge Counterparty upon the earlier to occur of (a) an Event of Default followed by the liquidation of the Trust Estate in accordance with this Indenture, (b) any redemption in whole of the Notes and (c) any event of default or termination event specified in the Hedge Agreement if the Issuer is the defaulting party or the affected party (as each such term is defined in the relevant Hedge Agreement).

(g) The Issuer will not be a party to or enter into any commodity forward contract, swap or other derivative other than Hedge Agreements entered into in accordance with the requirements of this Article 16.

16.2 Amendment and Reduction in Notional Amount.

(a) The Issuer shall notify the Trustee, the Collateral Manager and the Rating Agency (so long as any Notes are rated by such Rating Agency) in writing of all amendments and modifications to the Hedge Agreements.

(b) The Collateral Manager, on behalf of the Issuer, may reduce the notional amount of any Hedge Agreement (and, in connection therewith, cause the Issuer to pay a termination payment in accordance with the Priority of Payments to the Hedge Counterparty) if S&P Rating Agency Confirmation is obtained with respect to such reduction.

IN WITNESS WHEREOF, we have set our hands on this Indenture (and, in the case of the Issuer, executed the same as a deed) as of the date first above written.

INVESTMENT GUIDELINES

The Issuer shall comply (and shall use its best efforts to ensure that the Collateral Manager acting on the Issuer's behalf complies) and the Collateral Manager shall comply (and shall use all reasonable efforts to ensure that the Issuer complies) with all of the provisions set forth in this Exhibit H unless, with respect to a particular transaction, the Issuer shall have received an opinion of income tax counsel of nationally recognized standing in the United States experienced in such matters (or written advice from Schulte Roth & Zabel LLP) that, under the relevant facts and circumstances with respect to such transaction, the Issuer's failure to comply with one or more of such provisions, assuming compliance with the Indenture and the Collateral Management Agreement and all other provisions of this Exhibit H, will not (or, although the matter is not free from doubt, will not) cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net income basis.

Section I. Specific Restrictions.

A. Communications and Negotiations with Obligors.

The Issuer will not have any communications or negotiations with the obligor with respect to a loan (including directly or indirectly through an intermediary such as the seller of such loan) in connection with the legal document closing and initial issuance of such loan or any commitments with respect thereto, or any negotiations with the obligor in connection with the Issuer's purchase of such loan or the Issuer's commitment with respect thereto, except for communications of an immaterial nature or customary due diligence communications or customary communications (which for this purpose includes communications to an agent bank or the seller, but in no event the obligor, regarding limitations or restrictions that the Issuer has with respect to acquiring loans set forth in the credit agreement) with an underwriter or placement agent; provided, that the Issuer or the Collateral Manager may (i) subject to the restrictions in the Indenture, consent to or withhold consent to any proposed amendments, supplements or other modifications of the terms of any loans after such loans are acquired by the Issuer, (ii) provide comments as to mistakes or inconsistencies in loan documents (including with respect to any provisions that are inconsistent with the terms and conditions of purchase of the loan by the Issuer), (iii) provide comments on assignment provisions solely to permit assignment to the Issuer or the pledge of assets to an indenture trustee or collateral agent, (iv) provide comments relating to the wiring of funds and (v) participate in a workout or restructuring of a loan, if in the reasonable judgment of the Collateral Manager, the obligor is in financial distress (and was not in such financial distress when the loan was acquired) and such change in terms is desirable to protect the Issuer's investment; provided, however, that with respect to a workout or a restructuring the Issuer will not agree to increase the principal amount of any loan (provided that increases in principal shall be permitted to reflect due and unpaid interest and/or other

amounts) unless the failure to do so significantly increases the likelihood of receiving less on the existing loan.

The term "loan" as used herein shall include any debt obligation other than a debt obligation that is (i) issued under a trust indenture or similar agreement under which a trustee is appointed to act on behalf of the holders of such debt obligation and (ii) treated as a security for purposes of the Securities Act; provided that if the Issuer acquires at original issuance one or more classes of debt obligations of an issuer representing, in the aggregate, more than 33 and 1/3 percent (by value) of all classes of debt obligations offered at that time by such issuer, all of such debt obligations will be treated as loans for purposes of these guidelines.

The Issuer or the Collateral Manager on behalf of the Issuer may exercise any voting or other rights available to a participant or assignee under the documents applicable to a loan. Provided that the loan was not in financial distress when such loan was acquired, the Issuer or the Collateral Manager on behalf of the Issuer may take whatever reasonable steps are necessary to negotiate the terms of a loan if the loan is in default or a default is imminent; provided, however, that the Issuer may not acquire any form of equity interest as a result of such negotiation other than as is permitted under this Exhibit H. Absent a default or imminent default, neither the Issuer nor any Person (including the Collateral Manager) acting on behalf of the Issuer may initiate amendments or modifications to the principal terms (as defined in Section I.E. hereof) of a loan. The Issuer or the Collateral Manager, on behalf of the Issuer, will not, with respect to any loan, participate in an official or unofficial committee or similar official or unofficial body in connection with a bankruptcy, reorganization, restructuring or similar proceeding ("Committee") nor exercise rights of foreclosure or similar judicial remedies, provided that that if a loan was not in financial distress when such loan was acquired nor was there any reasonable expectation such a situation would occur, and the investment subsequently defaults or default is reasonably expected, then the Issuer or the Collateral Manager, on behalf of the Issuer, may become a member of a Committee with respect to the investment if (a) neither the Issuer or the Collateral Manager, on behalf of the Issuer, will take an active role on the Committee (for the avoidance of doubt, the Issuer or the Collateral Manager on the behalf of the Issuer may ask questions), (b) the Issuer or the Collateral Manager, on the behalf of the Issuer, will participate on the Committee only when it determines in its reasonable discretion that such action is advisable to protect its investment in such loan and (c) all accounts and investment vehicles managed by the Collateral Manager do not own in the aggregate more than five percent of such loan. Notwithstanding the foregoing, the Issuer or anyone acting on behalf of the Issuer may respond to amendments or modifications proposed by the obligor of the loan or by a holder of an interest in the loan that is not an Affiliate of either the Issuer or the Collateral Manager.

B. Fees.

The Issuer will not earn or receive from any Person any Service Fees in connection with its purchase or sale of a Collateral Debt Obligation or its commitment to consummate the foregoing either directly or indirectly, including without limitation, by purchase of a Collateral Debt Obligation at a discount from its principal or face amount that is based on or otherwise determined by reference to the amount of any Service Fees. Except for services provided in connection with permitted fees, the Issuer will not perform any services for a fee for any Person.

The term "commitment" as used in this Section I.B., Section I.C and Section I.E means any agreement, commitment, understanding or arrangement (whether verbal or in writing, binding or non-binding, formal or informal).

The term "Service Fees" as used herein means any premium, fee, commission or other compensation for services, however denominated, including, without limitation, any such amount that is attributable or otherwise determined by reference to the amount of any origination, underwriting or similar profit or related or similar fees for services earned by an underwriter, placement agent, lender, arranger, agent or other similar Person in connection with the issuance, funding or sale of a Collateral Debt Obligation; provided, however, for avoidance of doubt, none of the following shall constitute Service Fees: (a) fees received by the Issuer pursuant to any securities lending agreement, to the extent such fees represent compensation for lending a Collateral Debt Obligation of the Issuer, (b) yield maintenance fees, amendment fees, waiver fees, late payment fees, prepayment or tender fees or premiums, and other similar fees that are customary for Collateral Debt Obligations of the type permitted to be purchased by the Issuer, (c) facility maintenance fees or commitment fees on Collateral Debt Obligations that include a participation in or support a letter of credit and (d) any discount or fee attributable to the use of or time value of money.

C. Collateral Debt Obligations Purchased from the Collateral Manager and Affiliates.

If the Collateral Manager, an Affiliate of the Collateral Manager or an Issuer Affiliate acted as an underwriter, placement or other agent, negotiator or structuror in connection with the issuance or origination of a loan or was a member of the original lending syndicate with respect to a loan, the Collateral Manager will not knowingly direct the Issuer to agree to acquire any interest in such loan from the Collateral Manager, an Affiliate of the Collateral Manager, a fund managed by the Collateral Manager, or an Issuer Affiliate unless the loan has been outstanding for at least 60 days before the interest is purchased by the Issuer (and no commitment or agreement, whether or not legally binding, to acquire such interest, or to participate in any risks or benefits of such interest is entered into by or for the account of the Issuer before such date), the holder of the loan did not identify the obligation or security as intended for sale to the Issuer within 60 days of its issuance, and the employees or agents of the Collateral Manager responsible

for selecting loans for the Issuer were not involved in the origination of the loan and the price paid for such obligation by the Issuer is its fair market value at the time of acquisition by the Issuer, and after the acquisition the Issuer will own less than 50% of the aggregate principal amount of the borrowing that includes such loan.

The term "Issuer Affiliate" means any Person that holds more than 40% of the tax equity of the Issuer (to the extent that the Collateral Manager is aware of such interest or affiliate relationship).

D. Equity Restrictions. The Issuer will not purchase or own any asset (directly or synthetically) that is treated for U.S. federal income tax purposes as:

- (i) an equity interest in a "partnership" (within the meaning of Section 7701(a)(2) of the Code) or a grantor trust or an entity that is disregarded as separate from its owner for U.S. federal income tax purposes, in each case engaged or deemed to be engaged in a trade or business within the United States,

- (ii) a "United States real property interest" as defined in Section 897 of the Code and the Treasury Regulations promulgated thereunder, or

- (iii) a residual interest in a "REMIC" (as such term is defined in the Code).

E. Delayed Funding Loans, Revolving Loans and Participations in Letters of Credit.

- (i) The Issuer will not acquire an interest in a Delayed Funding Loan or Revolving Loan, or enter into any commitment to acquire or to participate in any risks or benefits of such an interest unless one of the following is satisfied: (I) the acquisition is not made, or the commitment is not entered into, prior to 60 days after the later of (i) the Delayed Funding Loan's or Revolving Loan's original legal document closing and (ii) the most recent date prior to any such acquisition or commitment by the Issuer on which any of the principal terms of the Delayed Funding Loan or Revolving Loan were modified in a material fashion, or (II) such Delayed Funding Loan or Revolving Loan is part of a credit facility that also includes a term loan, and the Delayed Funding Loan or Revolving Loan portion of such credit facility acquired by the Issuer represents no more than 40% of the total amount of such credit facility (measured by the maximum amount that could be required to be advanced under the Delayed Funding Loan or Revolving Loan), and the term loan portion of such credit facility cannot or will not be disposed of separately by the Issuer from the Delayed Funding Loan or Revolving Loan portion of such credit facility. For purposes of this Section I.E. and Section I.A., the "principal terms" are the obligation's principal amount, interest rate, term, ranking compared with other liabilities, obligor, security, exchange or conversion rights, the required or permitted timing of payments thereon, fees or premiums,

guarantees or other credit enhancements, conditions to advancing additional funds, and status as a recourse or nonrecourse obligation.

(ii) All of the terms of any advance required to be made by the Issuer under any Delayed Funding Loan or Revolving Loan will be fixed as of the date of the Issuer's purchase thereof (or will be determinable under a formula that is fixed as of such date or determinable based on objective factors), and the Issuer and the Collateral Manager will not have any discretion as to whether or not the Issuer will make any advances under any Delayed Funding Loan or Revolving Loan. For purposes of the preceding sentence, a condition to the advance of funds that is based upon a determination that there has been no event that has had or could have a "material adverse effect" with respect to the obligor and any related entities or any similar provision shall be treated as an objective factor and not subject to the exercise of discretion by the Issuer.

(iii) The Issuer cannot acquire any interest in a Delayed Funding Loan or Revolving Loan that could cause the Issuer to own more than 25% of the commitment amount in respect of such Delayed Funding Loan or Revolving Loan.

(iv) In addition to the foregoing, if the Collateral Debt Obligation (or any deposit owned by the Issuer, regardless of whether such deposit is related to a Revolving Loan), provides for participation in fees (directly or indirectly) paid with respect to a letter of credit, all of the terms under which such letter of credit may be issued must have been fully negotiated no later than the original legal document closing of such Collateral Debt Obligation and the Issuer will (i) acquire its interest in the letter of credit issued to an obligor in connection with an interest in a term loan of the same obligor that is at least as large as the exposure under the letter of credit and that is acquired at the same time and with the intent and expectation to hold the interest in the term loan at least as long as it holds the interest in the letter of credit or (ii) acquire a Revolving Loan that satisfies the requirements to be acquired not in connection with a term loan. A Revolving Loan satisfies the requirements to be acquired not in connection with a term loan if less than one-third of the Revolving Loan committed balance can be committed to letters of credit issued or to be issued (the "Commitment Limitation") and neither the Collateral Manager nor any of its Affiliates were involved in the negotiating or structuring of the Revolving Loan; provided, however, a Revolving Loan also satisfies the Commitment Limitation if (i) less than one-half of the Revolving Loan committed balance can be committed to letters of credit issued or to be issued, (ii) the interest in letters of credit acquired or to be potentially acquired in connection with the Revolving Loan acquired subject to this proviso does not exceed five percent of the total amount of the Issuer's portfolio and (iii) the number of Revolving Loans subject to this proviso held by the Issuer does not exceed the numerical limitation described in the next sentence. The Issuer may acquire up to three Revolving Loans in total that do not, in the absence of the foregoing proviso, satisfy the Commitment Limitation and, with respect to any fiscal year in which the Issuer, as of the beginning of the fiscal year, holds three or

more Revolving Loans subject to the foregoing proviso, the Issuer may acquire one additional Revolving Loan subject to the foregoing proviso.

(v) Collateral Debt Obligations consisting of Revolving Loans and Delayed Funding Loans shall not constitute more than ten percent (10%) of the Issuer's portfolio where the maximum amount to be drawn for each such investment shall be counted towards this cap and where such test shall apply when any such type of Collateral Debt Obligation is acquired.

F. Securities Lending Agreements; Synthetic Securities.

The Issuer will not purchase any Collateral Debt Obligation for the purpose of accommodating a request from a securities lending counterparty to borrow such Collateral Debt Obligation and will not acquire or enter into any Synthetic Securities. A Synthetic Security means a security or swap transaction, other than a participation, that has payments associated with either payments of interest on and/or principal of a reference obligation or the credit performance of a reference obligation.

G. Debt Securities.

With respect to a Collateral Debt Obligation which has not been fully funded, other than those described in Sections I.E and II, the Issuer will not acquire such Collateral Debt Obligation unless such Collateral Debt Obligation has been offered to various unrelated parties by an underwriter or a placement agent through a public prospectus or under Rule 144A, Section 4(a)(2) or Regulation S under the Securities Act pursuant to a private placement memorandum, such Collateral Debt Obligation is not uniquely structured for the Issuer and the Issuer does not acquire more than 33 and 1/3% (by value) of all classes of debt obligations offered at that time by such issuer under such offering.

Section II Restrictions with Respect to Loans and Forward Purchase Commitments.

A. Any commitment, as defined in Section I.B, to purchase a loan from a seller before completion of the closing and initial funding of the loan by such seller must be treated as a forward sale agreement (a "Forward Purchase Commitment") unless such an understanding or commitment is not legally binding and neither the Issuer nor the Collateral Manager is economically compelled to purchase the loan following the completion of the closing and initial funding of the loan (i.e., the Collateral Manager will make an independent investment decision whether to purchase such loan on behalf of the Issuer after completion of the closing and initial funding of the loan) (a "Non-Binding Agreement").

B. No Forward Purchase Commitment or Non-Binding Agreement shall be made until after the seller (or a transferor to such seller of such loan) has made a legally binding commitment to fully fund such loan to the obligor thereof (subject to

customary conditions), which commitment cannot be conditioned on the Issuer's ultimate purchase of such loan from such seller.

C. The Issuer shall not close any purchase of a loan subject to a Forward Purchase Commitment earlier than 48 hours (24 hours in connection with a Non-Binding Agreement) after the time of the closing and initial funding of the loan.

D. The Issuer cannot have a contractual relationship with the obligor with respect to a loan until the Issuer actually closes the purchase of such loan.

E. On the date of the legal document closing of such loan, the Issuer cannot be a signatory on the lending agreement governing such loan and on such date, the lending agreement and other agreements and documents relating to such loan to which the obligor, or any of its agents, is a party will not list the Issuer as a "Lender" or otherwise list the Issuer as a party to such loan, or to such lending agreement or such other agreements or documents. No lending institution with respect to such loan will have the power to bind the Issuer to fund such loan directly with the obligor thereof prior to the closing of the purchase of such loan by the Issuer.

F. The Issuer cannot purchase or commit to purchase a loan pursuant to a Forward Purchase Commitment that is a term loan if it would cause the Issuer to own more than 50% of the aggregate principal amount of all term loans issued under the related credit agreement, determined as of the date of acquisition.

G. The Issuer's commitment to purchase such loan is subject to the condition that no material adverse change has occurred in the borrower's financial condition or in the relevant market on or before the date of such purchase unless (a) the Issuer enters into such commitment no sooner than two weeks after the person from whom the Issuer will acquire such interest (the "Original Lender") enters into its own firm commitment to acquire the interest and (b) the Issuer's commitment is documented in an industry standard commitment-form for secondary market purchases and is substantially similar to that given by all other persons who will acquire an interest in the loan from the Original Lender (including as to the lack of the material adverse change condition).

Section III General Restrictions.

The Issuer, either directly or through persons acting on its behalf, shall not:

A. hold itself out to the public (including rating agencies), register, or become subject to regulatory supervision or other legal requirements (including any tax, securities law or other governmental filing or submission or claims of exemption) under the laws of any country or political subdivision thereof as a bank, insurance company, financial guarantor, surety bond issuer or finance company;

B. hold itself out to the public, through advertising, solicitation, publication or otherwise, as originating, guaranteeing or insuring debt obligations or as being regularly able to enter into either side of transactions (either purchases or sales of debt obligations or entries into, assignments or terminations of hedging or derivative instruments) at the request of others;

C. disclose the identity of any Noteholder to any person from whom it purchases Collateral Debt Obligations to attempt to obtain more favorable terms from any seller as a result of the identity of such lender;

D. allow any non-U.S. bank or lending institution who is a Noteholder to control or direct the Collateral Manager's or Issuer's decision to invest in a particular asset or acquire a Collateral Debt Obligation conditioned upon a particular person or entity being a Noteholder;

E. make a market in any security, and shall not hold itself out as a market-maker or as willing to buy or sell any security regardless of price, or act as a dealer;

F. hold any security as nominee for another person;

G. buy securities with the intent to subdivide them and sell the components or to buy securities and sell them with different securities as a package or unit;

H. charge or earn a commission on any purchase or sale of a security, or have or seek customers for its securities;

I. acquire any assets that are not treated as debt instruments, bank deposits or stock in a corporation for U.S. federal income tax purposes; or

J. acquire any assets issued by a single entity (other than securities issued by the United States government) that would cause the Issuer to hold securities of such entity in an amount greater than 5% of the value of the Issuer's total assets or that represent more than 10% of the outstanding voting securities of such entity.

Section IV Amendments and Modifications.

These provisions (other than Sections III.I and III.J) may be amended, eliminated or supplemented by the Collateral Manager if the Issuer, the Collateral Manager and the Trustee have received an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters (or written advice from Schulte Roth & Zabel LLP) that the Collateral Manager's compliance with such amended provisions or supplemental provisions or the failure to comply with such provisions proposed to be eliminated, as the case may be, will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes.

NOW, THEREFORE, in consideration of the promises and covenants contained herein, the parties hereto agree as follows:

FORMATION OF THE COMPANY

Formation of the Company. The Company was formed as a limited liability company under the Act by the filing of the Certificate with the Office of the Secretary of State of Delaware on [date of filing of certificate]. The Company shall accomplish all filing, recording, publishing and other acts necessary or appropriate for compliance with all requirements for operation of the Company as a limited liability company under this Agreement and the Act and under all other laws of the State of Delaware and such other jurisdictions in which the Company determines that it may conduct business.

Name. The name of the Company is “[____], LLC”, as such name may be modified from time to time by the Dryden Member as it may deem advisable.

Location of Principal Place of Business. The location of the principal place of business of the Company shall be [850 Library Avenue, Suite 204, Newark, Delaware 19711] or such other location as may be determined by the Dryden Member. In addition, the Company may maintain such other offices as the Dryden Member may deem advisable at any other place or places within or without the State of Delaware.

Term. The term of the Company commenced on the date of filing of the Certificate, and shall be perpetual unless the Company is earlier dissolved and terminated in accordance with the provisions of this Agreement.

Business of the Company. Subject to the limitations on the activities of the Company otherwise specified in this Agreement, the business of the Company shall be (a) solely to hold and otherwise handle and deal with Equity Securities and (b) except as otherwise limited herein, to enter into, make and perform all contracts and other undertakings, and engage in all activities and transactions as the Dryden Member may reasonably deem necessary or advisable to the carrying out of the foregoing businesses of the Company. The initial Equity Security that is expected to be held by the Company, as part of its assets, is listed on Schedule 1 hereto (as such schedule may be amended from time to time by the Dryden Member).

Limitation on the Company's Activities.

The Dryden Member shall not, so long as any Notes under the Indenture remain outstanding, amend, alter, change or repeal the definition of “Special Independent Member” or Sections 1.6, 1.7, 1.8, 7.9 or 11.1 or Article 5, 9 or 10 of this Agreement without the prior vote or written consent of the Dryden Member and the Special Independent Member. Subject to this Section, the Dryden Member reserves the right to amend, alter, change or repeal any provisions contained in this Agreement in accordance with Section 11.1.

Notwithstanding any other provision of this Agreement and any provision of law that otherwise so empowers the Company, the Dryden Member, or any other Person, so long as any Notes under the Indenture remain outstanding, neither the Dryden Member nor any other Person shall be authorized or empowered, nor shall they permit the Company, without the prior unanimous written consent of the Dryden Member and the Special Independent Member, to take any Material Action or any action in furtherance of a Material Action; provided, further, that the Dryden Member may not authorize the taking of any Material Action unless there is a Special Independent Member then serving in such capacity.

The Dryden Member shall cause the Company to do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Dryden Member shall determine that the preservation thereof is no longer desirable for the conduct of its business and that the loss thereof is not disadvantageous in any material respect to the Company.

Notwithstanding anything in this Agreement to the contrary, the Dryden Member shall also cause the Company to:

maintain its own separate books and records and bank accounts;

at all times hold itself out to the public and all other Persons as a legal entity separate from the Dryden Member and any other Person;

file its own tax returns, if any, as may be required under applicable tax law, and make any elections required or allowed under such applicable tax law, and to pay any taxes so required to be paid under applicable law;

except as contemplated by the Indenture, not commingle its assets with assets of any other Person;

conduct its business in its own name and strictly comply with all organizational formalities to maintain its separate existence;

maintain separate financial statements;

except as contemplated by the Indenture, pay its own liabilities only out of its own funds, provided, however, that the foregoing shall not require the Dryden Member to make any capital contributions to the Company;

maintain an arm's length relationship with its Affiliates and the Dryden Member;

pay the salaries of its directors who are employees, if any (it being understood that the Company will not have any employees, other than directors to the extent they are employees), from its own funds, provided, however, that the foregoing shall not require the Dryden Member to make any capital contributions to the Company;

not hold out its credit or assets as being available to satisfy the obligations of others;

allocate fairly and reasonably any overhead for shared office space;

use separate stationery, invoices and checks bearing its own name;

except as otherwise contemplated by the Indenture, not pledge its assets for the benefit of any other Person;

correct any known misunderstanding regarding its separate identity;

maintain adequate capital in light of its contemplated business purpose, transactions and liabilities, provided, however, that the foregoing shall not require the Dryden Member to make any capital contributions to the Company;

maintain a bank account separate from any other Person;

except as permitted in the Indenture, not acquire any securities of the Dryden Member;

not make loans to the Dryden Member; and

cause its agents and other representatives to act at all times with respect to the Company consistently and in furtherance of the foregoing and in the best interests of the Company.

Failure of the Company, or the Dryden Member on behalf of the Company, to comply with any of the foregoing covenants or any other covenants contained in this Agreement shall not affect the status of the Company as a separate legal entity or the limited liability of the Dryden Member.

The Company shall not and the Dryden Member shall not cause or permit the Company to:

except as contemplated in the Indenture, guarantee any obligation of any Person, including any Affiliate;

engage, directly or indirectly, in any business other than the actions required or permitted to be performed under Article 1 or the Indenture;

incur, create or assume any indebtedness;

to the fullest extent permitted by law, engage in any dissolution, liquidation, consolidation, merger, sale of all (or substantially all) of its assets or transfer of ownership interests other than such activities as are expressly permitted pursuant to any provision of Article 1 or the Indenture;

except as contemplated by Article 1 or the Indenture, form, acquire or hold any subsidiary (whether corporate, partnership, limited liability company or other); or

Any action taken by the Dryden Member shall constitute the act of and serve to bind the Company. In dealing with the Dryden Member acting on behalf of the Company, no Person shall be required to inquire into the authority of the Dryden Member to bind the Company. Persons dealing with the Company are entitled to rely conclusively on the power and authority of the Dryden Member as set forth in this Agreement.

(b) Except as otherwise specifically provided herein, the Dryden Member shall have all rights and powers of a "manager" under the Act, and shall have all authority, rights and powers in the management of the Company business to do any and all other acts and things necessary, proper, convenient or advisable to effectuate the purposes of this Agreement.

Officers, Agents and Employees. Appointment and Term of Office. (a) The Dryden Member may appoint, and may delegate power to appoint, such officers, agents and employees as it may deem necessary or proper, who shall hold their offices or positions for such terms, have such authority and perform such duties as may from time to time be determined by or pursuant to authorization of the Dryden Member. Except as may be prescribed otherwise by the Dryden Member in a particular case, all such officers shall hold their offices at the pleasure of the Dryden Member for an unlimited term and need not be reappointed annually or at any other periodic interval. Any action taken by an officer of the Company pursuant to authorization of the Dryden Member shall constitute the act of and serve to bind the Company. Persons dealing with the

Company are entitled to rely conclusively on authority of such officers set forth in the authorization of the Dryden Member.

(b) [Without limiting the generality of the foregoing, the Dryden Member hereby authorizes and grants [_____] power of attorney (i) to execute an IRS Form SS4 on behalf of the Company and to take all actions necessary to obtain a federal employer identification number from the Internal Revenue Service or file IRS Form 8832, in each case if applicable (ii) to execute the Certificate and any application of authority to do business as a foreign limited liability company required by the Company to do business in a jurisdiction other than Delaware and to take all actions necessary in connection with the filing of such Certificate or applications and (iii) to execute on behalf of the Company any certificate required to be filed in connection with the formation of a subsidiary of the Company and any application of authority to do business as a foreign limited liability company required by any such subsidiary to do business in a jurisdiction other than Delaware and to take all actions necessary in connection with the filing of such certificates or applications.]

(c) Resignation and Removal. Any officer may resign at any time upon written notice to the Company. Any officer, agent or employee of the Company may be removed by the Dryden Member with or without cause at any time. The Dryden Member may delegate such power of removal as to officers, agents and employees not appointed by the Dryden Member.

(d) Compensation. The compensation of the officers of the Company shall be fixed by the Dryden Member, but this power may be delegated by the Dryden Member to any officer in respect of other officers under his or her control.

Company Funds. Company funds shall be held in the name of the Company and shall not be commingled with those of any other Person. Company funds shall be used only for the business of the Company.

Other Activities and Competition. Neither the Dryden Member nor any of its Affiliates shall be required to manage the Company as its sole and exclusive function. The Dryden Member shall devote such time to the Company's business as the Dryden Member, in its sole discretion, shall deem to be necessary to manage and supervise the Company's business and affairs in an efficient manner. The Dryden Member and its Affiliates may engage in or possess any interests in business ventures and may engage in other activities of every kind and description independently or with others in addition to those relating to the Company. Each Member authorizes, consents to and approves of such present and future activities by such Persons. Neither the Company nor any Member shall have any right by virtue of this Agreement or the relationship created hereby in or to other ventures or activities of the Dryden Member or its Affiliates or to the income or proceeds derived therefrom.

Nature and Validity of Transactions with the Dryden Member and Affiliates. The Dryden Member or any Affiliate of the Dryden Member may be employed or retained by the Company or any Affiliate of the Company in any capacity. The validity of any transaction, agreement or payment involving the Company and the Dryden Member or any of its Affiliates otherwise permitted by this Agreement shall not be affected by reason of the relationship between the

Dryden Member and such Affiliate or the approval of such transaction, agreement or payment by the Dryden Member.

Exculpation. No Indemnified Party shall be personally liable for the return of any portion of the capital contributions (or any return thereon) of the Dryden Member. The return of such capital contributions (or any return thereon) shall be made solely from the Company's assets. The Dryden Member shall not have the right to demand or receive property other than cash for its Interest in the Company. Neither the Dryden Member nor any of its Affiliates, any member, officer, agent or employee of the Dryden Member or any of its Affiliates nor any other Indemnified Party shall be liable, responsible or accountable in damages or otherwise to the Company for any loss incurred as a result of any act or failure to act by such Person on behalf of the Company unless such loss is finally determined by a court of competent jurisdiction to have resulted solely from such Person's fraud, willful misconduct or gross negligence.

Limits on the Power of the Dryden Member. Anything in this Agreement to the contrary notwithstanding, no action shall be taken by the Dryden Member, or by any officer, agent or employee of the Company, without the written consent or ratification of the specific act by the Special Independent Member given in this Agreement or by other written instrument executed and delivered by all the Members subsequent to the date of this Agreement, which would cause or permit the Company to:

knowingly make, do or perform any act, or knowingly cause any act to be made, done or performed, which would make it impossible to carry on the ordinary business of the Company;

possess Company property, or assign Company property, for other than a Company purpose; or

make any loans to the Dryden Member.

Indemnification of the Dryden Member, Officers and Agents.

The Company shall indemnify and hold harmless the Dryden Member and its Affiliates, and the former and current officers, agents and employees of the Company, the Dryden Member and each such Affiliate (each, an "Indemnified Party"), from and against any loss, expense, damage or injury suffered or sustained by them, by reason of any acts, omissions or alleged acts or omissions arising out of their activities on behalf of the Company or in furtherance of the interests of the Company, including any judgment, award, settlement, reasonable attorneys' fees and other costs or expenses incurred in connection with the defense of any actual or threatened action, proceeding or claim if the acts, omissions or alleged acts or omissions upon which such actual or threatened action, proceeding or claims are based were not a result of fraud, gross negligence or willful misconduct by such Indemnified Party. Any indemnification pursuant to this Section 7.8 shall only be from the assets of the Company.

No amendment, modification or deletion of this Section 7.8 shall apply to or have any effect on the right of any Indemnified Party to indemnification for or with respect to any acts or omissions of such Indemnified Party occurring prior to such amendment, modification or deletion.

Liability. The Dryden Member shall not be liable for the repayment, satisfaction or discharge of any Company liabilities.

Expenses. The Dryden Member shall pay for all expenses incurred in connection with the operation of the Company's business as the same become due. The Dryden Member, officers, agents and employees of the Company shall be entitled to receive out of Company funds reimbursement of all Company expenses expended by such Persons.

Standard of Care. Notwithstanding anything to the contrary set forth in this Agreement or under applicable law, neither the Dryden Member nor any officer of the Company shall be liable to the Company, the Dryden Member, any Transferee or any other equity holder in or creditor of the Company for any action taken on behalf of the Company, except for such actions that have been finally determined by a court of competent jurisdiction to constitute gross negligence, fraud or willful misconduct. To the extent the Dryden Member or an officer of the Company has any liabilities or duties at law or in equity, including fiduciary duties or other standards of care, more expansive than those set forth in this Section 7.11, such liabilities and duties are hereby modified to the extent permitted under the Act to those set forth in the first sentence of this Section 7.11.

TRANSFERS OF INTEREST BY MEMBERS

General. No Member may sell, assign, pledge or in any manner dispose of or create or suffer the creation of a security interest (other than the security interest created pursuant to the Indenture) in or any encumbrance on all or a portion of its Interest in the Company (the commission of any such act being referred to as a "Transfer," any person who effects a Transfer being referred to as a "Transferor" and any person to whom a Transfer is effected being referred to as a "Transferee") except in accordance with the terms and conditions set forth in this Article 8. No Transfer of an Interest in the Company shall be effective until such time as all requirements of this Article 8 in respect thereof have been satisfied. Any Transfer or purported Transfer of an Interest in the Company not made in accordance with this Agreement (a "Void Transfer") shall be null and void and of no force or effect whatsoever. Any amounts otherwise distributable under Article 5 or Article 9 in respect of an Interest in the Company that has been the subject of a Void Transfer may be withheld by the Company until the Void Transfer has been rescinded, whereupon the amount withheld (after reduction by any damages suffered by the Company attributable to such Void Transfer) shall be distributed without interest.

Transfer of Interest of Members.

A Member may not Transfer any of its Interest in the Company to any Person without the written consent of the Special Independent Member.

The Company shall reflect each Transfer and admission authorized under this Article 8 (including any terms and conditions imposed thereon by the Special Independent Member) by preparing an amendment to this Agreement, dated as of the date of such Transfer, to reflect such Transfer or admission.

If a Member transfers or assigns all of its Interest in the Company pursuant to this Article 8, the Transferee shall be admitted to the Company as a successor Member. Notwithstanding anything

in this Agreement to the contrary, any successor to a Member by merger or consolidation shall, without further act, be a Member hereunder, and such merger or consolidation shall not constitute an assignment for purposes of this Agreement and the Company shall continue without dissolution.

Further Requirements. In addition to the other requirements of Section 8.2, and unless waived in writing by the Special Independent Member, no Transfer of an Interest in the Company may be made unless the following conditions are met:

The Transferor shall have delivered to the Company a fully executed copy of all documents relating to the Transfer, executed by both the Transferor and the Transferee, and the agreement of the Transferee in writing and otherwise in form and substance acceptable to the Special Independent Member to:

- (i) be bound by the terms imposed upon such Transfer by the Special Independent Member and by the terms of this Agreement; and
- (ii) assume all obligations of the Transferor under this Agreement relating to the Interest in the Company.

If such Transferor was a Special Independent Member, then the Transferee shall have accepted its appointment as Special Independent Member pursuant to Section 1.9 and executed a counterpart to this Agreement. If such Transferor was the Dryden Member, then the Transferee shall have executed a counterpart to this Agreement.

Consequences of Transfers Generally. (a) In the event of any Transfer or Transfers permitted under this Article 8, the Transferor and the Interest in the Company that is the subject of such Transfer shall remain subject to this Agreement, and the Transferee shall hold such Interest in the Company subject to all unperformed obligations of the Transferor. Any successor or Transferee hereunder shall be subject to and bound by this Agreement as if originally a party to this Agreement.

(b) Unless a Transferee of a Member's Interest becomes a successor in accordance with this Agreement, such Transferee shall have no right to obtain or require any information or account of Company transactions, or to inspect the Company's books or to vote on Company matters. Each Member agrees that such Member will execute such certificates or other documents and perform such acts, if any, to preserve the limited liability of the Members under the laws of the jurisdictions in which the Company is doing business.

(c) The Transfer of a Member's Interest in the Company shall not be cause for dissolution of the Company.

Additional Filings. Upon the admission of a successor Member under this Article 8, the Company shall cause to be executed, filed and recorded with the appropriate governmental agencies such documents (including amendments to this Agreement) as are required to accomplish such substitution.

Indirect Transfers. Notwithstanding anything to the contrary herein, if any Member is an entity that was formed solely for the purpose of acquiring an Interest or that has no substantial assets other than an Interest, such Member agrees that (a) its common stock, membership interests, partnership interests or other equity interests (and common stock, membership interests, partnership interests or other equity interests in any similar entities controlling such Member) will note the restrictions contained in this Article 8 and (b) no common stock, membership interests, partnership interests or other equity interests of such Member may be Transferred to any Person other than in accordance with the terms and provisions of this Article 8, as if such common stock, membership interests, partnership interests or other equity interests were Interests and the holders thereof were Members.

TERMINATION OF COMPANY; LIQUIDATION AND DISTRIBUTION OF ASSETS

The Company shall be dissolved, wound up and terminated as provided herein upon the first to occur of the following:

- (i) a decree of dissolution of the Court of Chancery of the State of Delaware pursuant to Section 18-802 of the Act;
- (ii) the determination of the Dryden Member or Special Independent Member to dissolve the Company; or
- (iii) the occurrence of any other event that would make it unlawful for the business of the Company to be continued.

Notwithstanding any other provision of this Agreement, (i) the bankruptcy of the Dryden Member or a Special Independent Member shall not cause the Dryden Member or Special Independent Member, as the case may be, to cease to be a member of the Company and upon the occurrence of such an event, the business of the Company shall continue without dissolution and (ii) each of the Dryden Member and each Special Independent Member waives any right it might have to agree in writing to dissolve the Company upon the bankruptcy of the Dryden Member or a Special Independent Member, or the occurrence of an event that causes the Dryden Member or a Special Independent Member to cease to be a Member of the Company.

In the event of dissolution, PGIM, Inc. on behalf of the Company shall conduct such activities as are necessary to wind up the affairs of the Company (including the sale of the assets of the Company in an orderly manner), and the assets of the Company shall be applied in the manner, and in the order of priority, set forth in Section 18-804 of the Act.

The Company shall terminate when (i) all of the assets of the Company, after payment of or due provision for all debts, liabilities and obligations of the Company shall have been distributed to the Dryden Member in the manner provided for in this Agreement and (ii) the Certificate of Formation shall have been canceled in the manner required by the Act.

All notices, consents, reports, offers, demands or requests required or permitted under this Agreement must be in writing, and shall be made by hand delivery, certified mail, overnight courier service, electronic mail or facsimile to the address, electronic mail address or facsimile number set forth below such Member's name on the signature page hereto, but any party may designate a different address, electronic mail address or facsimile number by a notice similarly given to the Company. Any such notice or communication shall be deemed given when delivered by hand, if delivered on a Business Day, the next Business Day after delivery by hand if delivered by hand on a day that is not a Business Day; four Business Days after being deposited in the United States mail, postage prepaid, return receipt requested, if mailed; on the next Business Day after being deposited for next day delivery with Federal Express or a similar overnight courier; when receipt is acknowledged, whether by facsimile confirmation or return electronic mail, if sent by facsimile or electronic mail on a Business Day; and the next Business Day following the day on which receipt is acknowledged whether by facsimile confirmation or return electronic mail, if sent by facsimile or electronic mail on a day that is not a Business Day.

Voting. Any action requiring the affirmative vote of Members under this Agreement, unless otherwise specified herein, may be taken by vote at a meeting or, in lieu thereof, by written consent of the applicable Member.

AMENDMENT OF AGREEMENT

Amendments. Amendments to this Agreement may be made in writing by the Dryden Member without the consent of the Special Independent Member if those amendments are: (i) of an inconsequential nature (as reasonably determined by the Dryden Member); (ii) for the purpose of admitting a successor Member as permitted by this Agreement; (iii) necessary to maintain the Company's status as a corporation within the meaning of Treasury regulations sections 301.7701-2 and 301.7701-3; (iv) necessary to preserve the validity of any and all inclusion or allocations of income, gain, loss or deduction to the Dryden Member; or (v) contemplated by this Agreement. Amendments to this Agreement other than those described in the foregoing sentence may be made with the prior consent of the Special Independent Member.

The Company shall send to each Member a copy of any amendment to this Agreement. For so long as any Notes under the Indenture remain outstanding, the Company shall send to the Rating Agency prior written notice of any amendment to this Agreement.

Amendment of Certificate. In the event that this Agreement shall be amended pursuant to this Article 11, the Dryden Member shall amend the Certificate to reflect such change if the Dryden Member deems such amendment of the Certificate to be necessary or appropriate.

MISCELLANEOUS

Entire Agreement. This Agreement constitutes the entire agreement among the parties with respect to the subject matter hereof. It supersedes any prior agreement or understandings among them with respect to the subject matter hereof, and it may not be modified or amended in any manner other than as set forth herein.

Governing Law. This Agreement and the rights of the parties hereunder shall be governed by and interpreted in accordance with the law of the State of Delaware.

Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced as a result of any rule of law or public policy, all other terms and other provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated by this Agreement are fulfilled to the greatest extent possible.

Effect. Except as herein otherwise specifically provided, this Agreement shall be binding upon and inure to the benefit of the parties and their legal representatives, successors and permitted assigns.

Captions. Captions contained in this Agreement are inserted only as a matter of convenience and in no way define, limit or extend the scope or intent of this Agreement or any provision hereof.

Counterparts. This Agreement may contain more than one counterpart of the signature page and this Agreement may be executed by the affixing of the signatures of each of the Members to one of such counterpart signature pages. All of such counterpart signature pages shall be read as though one, and they shall have the same force and effect as though all of the signers had signed a single signature page.

Notices. Any notices required to be delivered hereunder shall be in writing and personally delivered, mailed or sent by telecopy, electronic mail or other similar form of electronic transmission, and shall be deemed to have been duly given upon receipt, in the case of (i) the Company or a Member, to the address provided in the respective signature pages hereto and (ii) either of the foregoing, at such other address as may be designated by written notice to the other party.

No Implied Waiver. No failure on the part of the Company or a Member to exercise, and no delay or other forbearance in exercising, any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No term or provision of this Agreement shall be deemed waived and no breach excused unless such waiver or excused breach is in writing and signed by the Company or the Member against whom it is asserted. The Dryden Member and the Company shall have the right at all times to enforce the provisions of this Agreement in strict accordance with the terms hereof, and no waiver of any provision of this Agreement shall constitute a waiver of any other provision, nor shall any waiver constitute a continuing waiver unless otherwise provided in writing by the party charged with making such a waiver.

Non-Petition. Notwithstanding any other provision of this Agreement, none of the Company or the Special Independent Member may, prior to the date which is one year (or if longer, any applicable preference period) and one day after the payment in full of all the Notes issued under the Indenture, institute against, or join any other Person in instituting against, the Dryden Member any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws.

(ii) If a Collateral Debt Obligation has only an S&P Recovery Rating and does not have an S&P Recovery Indicator, then the S&P Recovery Rate for such Collateral Debt Obligation shall be determined by the lower S&P Recovery Indicator corresponding to such S&P Recovery Rating in the above table.

(iii) If an S&P Recovery Rate for such Collateral Debt Obligation cannot be determined under clause (i) or (ii) above, but S&P has provided a recovery rate for such Collateral Debt Obligation in connection with its provision of a credit estimate for such Collateral Debt Obligation as

described in the definition of “S&P Rating”, then the S&P Recovery Rate for such Collateral Debt Obligation shall be such recovery rate for so long as such credit estimate is in effect.

(iv) If (x) a Collateral Debt Obligation does not have an S&P Recovery Rating and such Collateral Debt Obligation is a senior unsecured loan or second lien loan and (y) the obligor of such Collateral Debt Obligation has issued another debt instrument that is outstanding and senior to such Collateral Debt Obligation (a “**Senior Debt Instrument**”) that has an S&P Recovery Rating, the S&P Recovery Rate for such Collateral Debt Obligation shall be determined as follows:

Subordinated Loans						

¹ Solely for the purpose of determining the S&P Recovery Rate for such loan, no loan shall constitute a “Senior Secured Loan” unless such loan (a) is secured by a valid first priority security interest in collateral, (b) in the Collateral Manager's commercially reasonable judgment (with such determination being made in good faith by the Collateral Manager at the time of such loan's purchase and based upon information reasonably available to the Collateral Manager at such time and without any requirement of additional investigation beyond the Collateral Manager's customary credit review procedures), is secured by specified collateral that has a value not less than an amount equal to the sum of (i) the aggregate principal amount of all loans pari passu to such loans and (ii) the outstanding principal balance of such loan, which value may be derived from, among other things, the enterprise value of the obligor of such loan and (iii) cannot be subordinated by its terms to any other obligation and (c) is not secured solely or primarily by common stock or other equity interests, provided that the terms of this footnote may be amended or revised at any time by the Issuer (with written notice to the Trustee and the Collateral Manager but without the consent of any Holder of any Note), subject to satisfaction of the S&P Rating Condition, in order to conform to S&P then-current criteria for such loans.

² The preceding footnote is also applicable to this category.

³ Solely for the purpose of determining the S&P Recovery Rate for such loan, no loan shall constitute a “Senior unsecured loan” unless such loan cannot be subordinated by its terms to any obligation other than a Senior Secured Loan.

⁴ Solely for the purposes of determining the S&P Recovery Rate for such loan, the aggregate principal balance of all Second Lien Loans and First-Lien Last Out Loans that are in excess of 15% of the Aggregate Collateral Balance will be treated as subordinated loans.

⁵ For purposes of this annex, a “First-Lien Last-Out Loan” is a Senior Secured Loan that, prior to a default with respect to such loan, is entitled to receive payments pari passu with other Senior Secured Loans of the same obligor, but following a default becomes fully subordinated to other Senior Secured Loans of the same obligor until such other Senior Secured Loans are paid in full.

The formulas set forth below may be amended from time to time without adopting a supplemental indenture pursuant to Article 8, in order to reflect the then-current formulas provided by S&P.

Expected Portfolio Default Rate (EPDR)	$EPDR = \left(\sum_{i=1}^n P_i * B_i \right) / \sum_{i=1}^n B_i$ <p>where n is the number of assets in the portfolio, B_i is the balance of the i^{th} asset in the portfolio, and P_i is the asset's default rate from the matrix listed in Schedule G. The tenor of the asset is calculated as the number of days to maturity using 30/360 day counting, and if the asset's tenor is not an integer, the default rate is determined from the matrix using linear interpolation.</p>
Default Rate Dispersion (DRD)	$DRD = \left(\sum_{i=1}^n P_i - EPDR * B_i \right) / \sum_{i=1}^n B_i$
Obligor Diversity Measure (ODM)	$ODM = 1 / \left(\sum_{i=1}^m \left(B_i^{obligor} / \sum_{j=1}^m B_j^{obligor} \right)^2 \right)$ <p>where m is the number of obligors in the portfolio and $B_i^{obligor}$ is the balance of the assets from obligor i.</p>
Industry Diversity Measure (IDM)	$IDM = 1 / \left(\sum_{i=1}^n \left(B_i^{industry} / \sum_{j=1}^n B_j^{industry} \right)^2 \right)$ <p>where n is the number of industries, as determined by the definition of S&P Industry Classification Groups, in the portfolio and $B_i^{industry}$ is the balance of the assets from industry i.</p>
Regional Diversity Measure (RDM)	$RDM = 1 / \left(\sum_{i=1}^k \left(B_i^{region} / \sum_{j=1}^k B_j^{region} \right)^2 \right)$ <p>where k is the number of regions in the portfolio and B_i^{region} is the balance of the assets in region i.</p>
S&P Weighted Average Life (S&P WAL)	$S\&P\ WAL = \left(\sum_{i=1}^n T_i * B_i \right) / \sum_{i=1}^n B_i$ <p>where T_i is the tenor of the i^{th} asset in the portfolio and B_i is the balance of the i^{th} asset in the portfolio.</p>
