MANAGEMENT PROXY CIRCULAR

as at August 30, 2021, (except as otherwise indicated)

This Information Circular is furnished by the management of Mkango Resources Ltd. (the “**Corporation**”) to the holders (the “**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation in connection with the solicitation of proxies to be voted at the annual general and special meeting of the Shareholders (the “**Meeting**”) to be held at the offices of Fasken Martineau DuMoulin LLP at 2400-333 Bay St, Toronto, Ontario, Canada at the hour of 9:00 a.m. (Toronto time) on October 6, 2021 and at any adjournment thereof, for the purposes set forth in the notice of meeting enclosed with this Information Circular (the “**Notice of Meeting**”).

GENERAL PROXY INFORMATION

Solicitation of Proxies

Management of the Corporation is soliciting proxies from Shareholders for the Meeting. The costs incurred in the preparation and mailing of the enclosed form of proxy (the “**Proxy Form**”), Notice of Meeting and this Information Circular will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited by personal interviews, telephone or other means of communication and by directors, officers and employees of the Corporation, who will not be specifically remunerated therefore.

The persons named in the Proxy Form are directors and/or senior officers of the Corporation (the “**Management Designees**”). A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the Management Designees in the Proxy Form to represent the Shareholder at the Meeting and may exercise that right either by inserting the name of the other person in the blank space provided in the Proxy Form or by completing another form of proxy.

The Corporation will not send its proxy-related meeting materials directly to non-objecting beneficial owners under National Instrument 54-101 - Communication With Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”). The Corporation intends to pay for proximate intermediaries to forward the proxy-related materials and voting instruction form to objecting beneficial owners under NI 54-101.

Proxy Voting

A proxy will not be valid unless it is deposited with our transfer agent Computershare Investor Services Inc. (“**Computershare**”), (i) by mail using the enclosed return envelope or (ii) by hand delivery to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, you may vote by telephone 1-866-732-8683 (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 or 1-416-263-9524 (outside North America), or by internet using the 15 digit control number located at the bottom of your proxy at www.investorvote.com. All instructions are listed in the enclosed Proxy Form. Your proxy or voting instructions must be received in each case no later than 9:00 a.m. (Toronto Time) on October 4, 2021 or, if the Meeting is adjourned, 48 hours (excluding Saturdays, Sundays and holidays) before the beginning of any adjournment of the Meeting.

The website may be used to appoint a proxyholder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions. Please note that if a Shareholder appoints a proxyholder and submits their voting instructions and subsequently wishes to change their appointment, a Shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

REVOCABILITY OF PROXIES

In addition to revocation in any manner permitted by law, you may revoke your Proxy by an instrument in writing signed by you as Registered Shareholder or by your attorney duly authorized in writing. If you are a representative of a Registered Shareholder that is a corporation or association, the instrument in writing must be executed by an officer or by an attorney duly authorized in writing. The revocation must be deposited with the Corporation's registered office, c/o Fasken Martineau DuMoulin LLP, Suite 2900, 550 Burrard Street, Vancouver, British Columbia, V6C 0A3 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or, as to any matter in respect of which a vote shall not already have been cast pursuant to such Proxy, with the Chairman of the Meeting on the day of the Meeting, or at any adjournment thereof, and upon either of such deposits the Proxy is revoked. In addition, shareholders can also change their vote by phone or via the internet pursuant to the instructions provided to the Registered Shareholder.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact Computershare or their intermediary to arrange to change their voting instructions.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the Proxy Form will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy Form confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy Form, the persons named in the Proxy Form will vote the Common Shares represented by the Proxy Form for the approval of such matter.

At the time of printing of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Proxy Form to vote the Common Shares represented thereby in accordance with their best judgment on such matters.

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by completing, dating and signing the enclosed Proxy Form and returning it to the Corporation's transfer agent, (i) by mail using the enclosed return envelope or (ii) by hand delivery to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1. Alternatively, the Shareholders may vote by telephone 1-866-732-8683 (toll free within North America) or 1-312-588-4290 (outside North America), by facsimile to 1-866-249-7775 or 1-416-263-9524 (outside North America), or by internet using the 15 digit control number located at the bottom of the proxy at www.investorvote.com.

The Proxy Form, voting instructions or internet appointment of a proxyholder must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof at which the Proxy Form is to be used. Failure to complete or deposit a Proxy Form properly may result in its invalidation. The time limit for the deposit of Proxy Forms may be waived by the board of directors of the Corporation (the "Board") at its discretion without notice.

ADVICE TO BENEFICIAL HOLDERS OF SECURITIES

The information set forth in this section is of significant importance to many Shareholders of the Corporation as some Shareholders do not hold their Common Shares in their own names (“Beneficial Shareholders”). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Beneficial Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder’s broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Corporation does not know for whose benefit the Common Shares registered in the name of CDS & Co. are held. Therefore, Beneficial Shareholders cannot be recognized at the Meeting for the purposes of voting the Common Shares in person or by way of proxy except as set forth below. Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of meetings of Shareholders. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker often is identical to the Proxy Form provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically provides a scannable voting request form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting request forms or proxy forms to Broadridge. Alternatively, Beneficial Shareholders sometimes are provided with a toll-free telephone number to vote their shares. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting of shareholders. A Beneficial Shareholder receiving a voting instruction or proxy from Broadridge or another agent cannot use that proxy to vote Common Shares directly at the Meeting as the completed instruction or proxy must be returned as directed by Broadridge or another agent well in advance of the Meeting in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder’s broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank spaces on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

If you are a Beneficial Shareholder and wish to vote in person at the Meeting, please contact your broker or agent well in advance of the Meeting to determine how you can do so.

VOTING DIRECTIONS FOR DEPOSITARY INTERESTS IN CREST

The following instructions are for non-registered beneficial holders who hold their Common Shares through the depository (the “**Depositary Interests**”), Computershare Investor Services PLC (the “**Depositary**”), as at the Record Date (as defined below). Holders of Depositary Interests can direct the Depositary how to vote their shares or abstain from voting by completing, signing and returning the enclosed form of instruction (the “**Form of Instruction**”). To be valid, the Form of Instruction must be filled out, correctly signed (exactly as the Shareholder’s name appears on the Form of Instruction), and returned by mail using the enclosed envelope, or by courier or hand delivery to The Office of the Depositary, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol, UK BS99 6ZY by 09:00 a.m. (BST) on October 1, 2021 (or 72 hours prior to any reconvened Meeting in the event of an adjournment of the Meeting). The Depositary will then vote or abstain from voting on the Shareholder’s behalf at the Meeting, as instructed in the Form of Instruction.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares without nominal or par value and an unlimited number of preferred shares. The preferred shares are issuable in one or more series. Only holders of the Common Shares are entitled to vote such Common Shares at the Meeting, on the basis of one vote for each Common Share. As of August 18, 2021, 153,949,884 Common Shares were issued and outstanding. The Board has fixed August 18, 2021 as the record date (the “**Record Date**”) for the determination of Shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, except to the extent that such holder transfers ownership of the Common Shares after the Record Date, in which case the transferee shall be entitled to vote such Common Shares upon establishing ownership and requesting not later than ten days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting.

To the knowledge of the directors or executive officers of the Corporation, no person beneficially owns, directly or indirectly, controls or directs, directly or indirectly, voting shares carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation, as at the date hereof.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

A simple majority of affirmative votes cast at the Meeting by the Shareholders is required to pass the resolutions electing the directors, appointing the auditors and approving the Corporation’s amended and restated stock option plan (the “**Amended Option Plan**”) and the Corporation’s enterprise management incentive share option plan (the “**EMI Plan**”) as required by the policies of the TSX Venture Exchange (“**TSXV**”). If there are more nominees for election as directors than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation. A simple majority of affirmative votes cast at the Meeting by the Shareholders is required to pass the resolutions approving the Acquisition (as defined below), a new “control person”, the Linfield Participation (as defined below), the RESOC Participation (as defined below) and the new Restricted Share Unit Plan (the “**RSU Plan**”), excluding, in the case of each of the foregoing, the votes of certain interested Shareholders, as discussed in more detail below.

QUORUM

Under the Corporation’s Articles, a quorum for the transaction of business at any meeting of shareholders shall be at least two persons present in person or represented by proxy, holding or representing not less than 5% of the Common Shares entitled to be voted at the Meeting. Under the Corporation’s Articles and the *Business Corporations Act* (British Columbia) (“**BCBCA**”), if a quorum is present at the opening of the Meeting, the Shareholders present may proceed with the business of the Meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, the Shareholders present may adjourn the Meeting to a fixed time and place but may not transact any other business.

PARTICULARS OF THE MATTERS TO BE ACTED ON AT THE MEETING

At the Meeting, the Shareholders will (i) receive the audited financial statements of the Corporation for the year ended December 31, 2020, including the auditors’ reports thereon (the “**Financial Statements**”); and (ii) will be asked to consider and, if deemed appropriate:

APPROVAL OF ACQUISITION AND NEW CONTROL PERSON

On August 5, 2021, the Corporation announced that it had entered into a share exchange agreement (the "**Share Exchange Agreement**") with Talaxis Limited ("**Talaxis**").

Under the Share Exchange Agreement, the Corporation has agreed to purchase all of the shares of Lancaster Exploration Limited ("**Lancaster**") and of Maginito Limited ("**Maginito**") owned by Talaxis, comprising 49% of the shares of Lancaster and 24.5% of shares of Maginito (the "**Acquisition**"). The Corporation currently owns 51% of the shares of Lancaster and 75.5% of the shares of Maginito; following consummation of the Acquisition, the Corporation will own 100% of the shares of each of Lancaster and Maginito. A copy of the Share Exchange Agreement has been filed on SEDAR. The summary below is qualified in its entirety by the full copy of the Share Exchange Agreement.

The consideration to be paid by the Corporation for the Acquisition is £13 million ("**Purchase Price**"), to be satisfied by the issuance of 54,166,666 newly issued Common Shares of the Corporation ("**Consideration Shares**") at a price per Consideration Share of £0.24 (C\$0.419), which is the same as the Placing Price (as defined below).

In connection with the Acquisition, Talaxis agreed, conditional on completion of the Acquisition, to enter into a lock-in deed (the "**Lock-in Deed**") with the Corporation, SP Angel Corporate Finance LLP (nominated advisor to the Corporation) ("**SPAngel**"), Shard Capital Partners LLP and Alternative Resource Capital ("**Shard/ARC**").

Pursuant to the Lock-in Deed, unless waived by the Corporation, Talaxis will agree not to dispose of any of the Common Shares of the Corporation it owns (including the Consideration Shares to be issued to it in connection with the Acquisition) until the first anniversary of the Acquisition, provided that it will be permitted to (i) accept an offer made for all of the shares of the Corporation, whether by way of take-over bid or plan of arrangement, (ii) accept an offer by the Corporation to purchase its own shares, and (iii) transfer its Common Shares to an affiliate or associate of Talaxis, provided such affiliate agrees to be bound by the terms of the Lock-in Deed. In addition, for a further 12 months following such first anniversary, unless waived by the Corporation, Talaxis will agree not to sell its Common Shares of the Corporation, other than in an orderly manner. Pursuant to the Lock-in Deed, provided that Talaxis owns at least 10% of the Common Shares of the Corporation, Talaxis will be granted the right to nominate one director to the board of the Corporation for approval by the shareholders of the Corporation, provided that such individual meets applicable requirements of the TSXV and the approval of the Corporation's Nomad. The Corporation will also agree that for so long as Talaxis owns at least 10% of the Common Shares of the Corporation, the Corporation will not issue, transfer or pledge any new shares in Lancaster or Maginito to any party who is not an affiliate of the Corporation, without the consent of Talaxis, except that the Corporation will be entitled to pledge its shares in Lancaster or Maginito where the Company, Lancaster, Maginito or any other subsidiary of the Corporation wish to raise project or other forms of debt finance. A copy of the Lock-in Deed has been filed on SEDAR as a schedule to the Share Exchange Agreement. The summary above is qualified in its entirety by the full copy of the Lock-In Deed.

Upon consummation of the Acquisition, each of the cooperation deed dated May 18, 2018 between the Corporation and Talaxis, the corporate joint venture and shareholder agreement dated May 18, 2018 among the Corporation, Talaxis and Lancaster and the Maginito Investment and Shareholders' Agreement dated May 18, 2018 among the Corporation, Talaxis and Maginito, and other intercompany agreements between them will be terminated. As a result of such termination, amongst other things, Talaxis will no longer be required to finance the completion of a bankable feasibility study for the Corporation's Songwe Hill rare earths project located in Malawi.

TSXV Approval

The TSXV granted conditional acceptance of the Acquisition on August 11, 2021, subject to receipt of minority shareholder approval pursuant to MI 61-101 (defined and discussed in more detail below) and Section 1.12 of TSXV Policy 4.1, and satisfaction of other conditions included in the conditional acceptance letter.

Related Party Transaction

Talaxis is the holder of 15,285,715 Common Shares representing an interest, on the date hereof, of approximately 9.9% of the issued and outstanding shares of the Corporation. On August 5, 2021, the date on which the Corporation and Talaxis signed the Share Exchange Agreement, Talaxis held the same number of Common Shares as it owns on the date hereof but as of August 5, 2021 this represented approximately 11.3% of the Corporation's issued and outstanding Shares. As a result of Talaxis owning 10% or more of the Corporation's issued and outstanding shares on the date it entered into the Share Exchange Agreement, Talaxis was a Non-Arm's Length Party pursuant to applicable rules of the TSXV. Talaxis was, on such date, also considered to be a "related party" of the Corporation as defined under the AIM Rules and under Multilateral Interment 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). Accordingly, the purchase by the Corporation of Talaxis' shares of Lancaster and Maginito, as well as the issuance of the Consideration Shares, constitutes a "related party transaction" for the purposes of Rule 13 of the AIM Rules and MI 61-101.

The directors of the Corporation that are independent with respect to the Acquisition, being the Board as a whole, consider, having consulted with SP Angel Corporate Finance LLP, the Corporation's nominated adviser, that the terms of Acquisition are fair and reasonable insofar as the Corporation's shareholders are concerned.

The Acquisition requires approval from disinterested shareholders of the Corporation (excluding the 15,285,715 Common Shares held by Talaxis) pursuant to Section 5.6 of MI 61-101 and applicable rules of the TSXV.

The Corporation is exempt from the formal valuation requirement of MI 61-101 in respect of the Acquisition pursuant to section 5.5(b) of MI 61-101 - *Issuer not Listed on Specified Markets*, as no securities of the Corporation are listed or quoted on the Toronto Stock Exchange, the New York Stock Exchange, the American Stock Exchange, the NASDAQ Stock Market, or a stock exchange outside of Canada and the United States other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc.

The Corporation has determined there is no exemption available in respect of the Acquisition from the minority shareholder approval requirements of Section 5.6 of MI 61-101. The 15,285 Common Shares currently owned by Talaxis will be excluded from the determination of minority approval for the Transaction under MI 61-101.

Subject to receipt of the requisite TSXV and shareholder approvals, completion of the Acquisition is expected to occur on or about October 13, 2021.

APPROVAL OF NEW CONTROL PERSON

Following completion of the Acquisition and the issuance of the Consideration Shares, Talaxis will own 69,452,381 Common Shares, representing an interest of 32.6% of the then-issued and outstanding Common Shares (assuming completion of the Insider Participation). As a result of it owning 20% or more of the Corporation's Common Shares post-completion of the Acquisition, Talaxis will be considered a "Control Person" (as defined in the TSX Corporate Finance Manual). As a result, the issuance of the Consideration Shares and Talaxis becoming a Control Person requires disinterested shareholder approval. The 15,285,715 Common Shares currently owned by Talaxis will be excluded from the determination of disinterested approval for the Transaction under TSX Policy 4.1.

APPROVAL OF LINFIELD PARTICIPATION AND RESOC PARTICIPATION

On August 5, 2021, the Corporation announced that it had, subject to receipt of TSXV acceptance, entered into agreements in respect of the private placement of an aggregate of 23,007,495 Common Shares (the "**Placement Shares**") for aggregate proceeds of £5,521,799 (the "**Private Placement**"). The price per Placement Share is £0.24 (C\$0.419) ("**Placing Price**"). The use of proceeds of the Private Placement includes funding the Corporation's bankable feasibility study.

As part of the Private Placement, Derek Linfield, Chairman and a director of the Corporation, agreed to subscribe for 2,916,666 Common Shares for aggregate proceeds of £699,999.84 ("**Linfield Participation**"). Mr Linfield currently holds 5,139,561 Common Shares, representing 3.8% of the issued and outstanding Common Shares (on a non-diluted basis) as of the date on which his subscription agreement was signed. As of the date hereof, Mr Linfield continues to hold 5,139,561 Common Shares, representing 3.3% of the Corporation's issued and outstanding Common Shares (on a non-diluted basis). Mr Linfield also holds 3,160,000 options of the Corporation, with each option exercisable for one Common Share. Following completion of the Linfield Participation, Mr Linfield will hold 8,056,227 Common Shares, representing 3.8% of the then-issued and outstanding Common Shares (on a non-diluted basis), assuming issuance of the Consideration Shares and completion of the RESOC Participation.

Also as part of the Private Placement, Resource Early Stage Opportunities Company ("**RESOC**") agreed to subscribe for 1,666,666 Common Shares for aggregate proceeds of £399,999.84 ("**RESOC Participation**"). RESOC currently holds 14,333,081 Common Shares, representing 10.6% of the issued and outstanding Common Shares (on a non-diluted basis) as of the date on which RESOC's subscription agreement was signed. As of the date hereof, RESOC continues to hold 14,333,081 Common Shares, representing 9.3% of the Corporation's issued and outstanding Common Shares (on a non-diluted basis). Following completion of the RESOC Participation, RESOC will hold 15,999,747 Common Shares, representing 7.5% of the then-issued and outstanding Common Shares (on a non-diluted basis), assuming issuance of the Consideration Share and completion of the Linfield Participation.

TSXV Approval

The TSXV granted conditional acceptance of the Private Placement on August 11, 2021 and the Private Placement (excluding the Linfield Participation and the RESOC Participation) completed on August 16, 2021. Completion of the Linfield Participation and RESOC Participation are conditional on receipt of minority shareholder approval.

Related Party Transactions

As a director of the Corporation, Mr Linfield constitutes a "related party" of the Corporation. The issuance by the Corporation of Common Shares to Mr Linfield therefore constitutes a related party transaction for the purposes of MI 61-101 and AIM rules. The directors of the Corporation that are independent with respect to the Transaction, being the Board as a whole, other than Mr Linfield, consider, having consulted with SP Angel Corporate Finance LLP, the Corporation's nominated adviser, that the terms of Linfield Participation are fair and reasonable insofar as the Corporation's shareholders are concerned.

As RESOC owned 10% or more of the shares of the Corporation at the time it signed its subscription agreement on August 5, 2021, RESOC constitutes a "related party" of the Corporation. The issuance by the Corporation of Common Shares to RESOC therefore constitutes a related party transaction for the purposes of MI 61-101 and AIM

rules. The directors of the Corporation that are independent with respect to the Transaction, being the Board as a whole, consider, having consulted with SP Angel Corporate Finance LLP, the Corporation's nominated adviser, that the terms of RESOC Participation are fair and reasonable insofar as the Corporation's shareholders are concerned.

The Linfield Participation requires approval from disinterested shareholders of the Corporation (excluding the 5,139,561 Common Shares held by Mr Linfield) pursuant to Section 5.6 of MI 61-101. The RESOC Participation requires approval from disinterested shareholders of the Corporation (excluding the 14,333,081 Common Shares held by RESOC) pursuant to Section 5.6 of MI 61-101.

The Corporation is exempt from the formal valuation requirement of MI 61-101 in respect of the Linfield Participation and the RESOC Participation pursuant to section 5.5(b) of MI 61-101 - *Issuer not Listed on Specified Markets*, as no securities of the Corporation are listed or quoted on the Toronto Stock Exchange, the New York Stock Exchange, the American Stock Exchange, the NASDAQ Stock Market, or a stock exchange outside of Canada and the United States other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc.

Subject to receipt of the requisite TSXV and shareholder approvals, completion of the Linfield Participation and the RESOC Participation is expected to occur on or about October 13, 2021.

Background to the Acquisition

On December 19, 2016, the Corporation announced that it had entered into a collaboration agreement with Noble Resources International, which would allow Noble Resources International to acquire up to a 12.5% interest in the Corporation. In connection with this agreement, the Corporation issued 12 million common share purchase warrants to the Noble Group ("**Noble**"), aligning Noble's interests with those of the Corporation's shareholders. Each whole warrant entitled Noble to acquire one Common Shares at a price of 6.6 UK pence for a period of two years.

On September 29, 2017, the Corporation announced a new agreement with Talaxis, a subsidiary of Noble, whereby Talaxis invested £500,000 in the Corporation by way of a private placement for 14,285,715 common shares of the Corporation at 3.5 UK pence per common share. The principal use of proceeds from the placing was to commence Phase II of the research and development programme with Metalysis Limited and continued optimisation of the Songwe Hill Rare Earths Project ("**Songwe Hill**" or the "**Project**"). In connection with the placing, Talaxis was issued warrants exercisable for up to 12 million Common Shares at a price of 6.6 UK pence per share with an expiry date of December 31, 2020 and the 12 million warrants previously issued to Noble in December 2016 were cancelled.

On November 16, 2017, the Corporation announced that it had entered into an agreement with Talaxis pursuant to which Talaxis agreed to fully fund the costs of a bankable feasibility study at Songwe Hill in exchange for a 49% interest in the Project, an option to acquire a further 26% interest in Songwe Hill by arranging funding for project development, and the right to acquire up to a 49% interest in a new venture focused on permanent battery recycling (later named "Maginito"). Talaxis and the Corporation also agreed to cooperate as preferred partners on rare earths projects worldwide and on other projects in Malawi.

On January 24, 2018, the Corporation announced that investments totalling £6 million had been received by the Corporation's subsidiaries in accordance with the previously announced agreement with Talaxis. The funds were split across Lancaster (as to £5 million) for 25% of Lancaster and Maginito (as to £1 million) for 24.5% of Maginito. A further £7 million and £1 million were to be invested by Talaxis into Lancaster and Maginito, subject to the Corporation publishing an updated resource for Lancaster and completion of the Phase 2 R&R program with Metalysis for Maginito.

On December 20, 2018, Noble announced the completion of a US\$3.5 billion debt restructuring, resulting in Noble becoming a smaller, unlisted company, with a focus on coal trading in Asia.

On March 28, 2019, the Corporation announced that following the publication of a NI 43-101 Technical Report for the Songwe Hill resource, Talaxis had invested an additional £7 million into Lancaster. As a result of this investment, Talaxis' equity interest in Lancaster increased from 20% to 49%, with the Corporation holding the remaining 51%.

Review and Approval Process

On December 3, 2020, the Corporation approached Bacchus Capital Advisers (“**BCA**”) to discuss providing advice to the Corporation in respect of the 12 million warrants held by Talaxis, including the impact that their exercise would have on shareholder dilution, and how to address Songwe Hill’s funding requirements should Talaxis not be able to fulfil its obligations towards Lancaster.

On December 17, 2020, the Board met to discuss the Talaxis warrants, ongoing development of the bankable feasibility study for Songwe Hill and the potential for a strategic review of the ownership structure of the Corporation and its subsidiaries. On December 18, 2020, the Corporation signed an engagement letter with BCA, appointing BCA to evaluate opportunities around Talaxis’ warrant holdings and shareholdings in the Corporation and its subsidiaries, including advising the Corporation on a potential strategic review by Talaxis.

On December 30, 2020, the Board met to review a proposed agreement pursuant to which Talaxis would cancel its outstanding 12,000,000 warrants in exchange for 1,000,000 Common Shares. This exchange of warrants for Common Shares significantly reduced the dilution that otherwise would have been occurred and enabled the Corporation to avoid issuing Common Shares at a significant discount to market price. This Board considered this to be in the best interest of the Corporation and the transaction was completed and announced on 4 January 2021.

In connection with the transaction with Talaxis in relation to the warrant exercise, it became apparent to BCA and the Corporation that Talaxis would prefer to find another party which might be better positioned to continue to fund the feasibility study for Songwe Hill.

Between January 21, 2021 and January 29, 2021 Mkango presented proposed terms to Noble regarding the acquisition of Noble’s shares of Talaxis and/or Talaxis’ shares of the Corporation, Lancaster and/or Maginito.

On February 10, 2021, the Board met to discuss the Corporation’s next steps in light of the cancellation of the Talaxis warrants, including feedback from Noble regarding the acquisition terms proposed. Subsequent to this meeting, the Board became aware that Noble was also engaged with another party with a view to selling its shares of Talaxis; the Corporation withdrew its offer in order to assist Noble in providing due diligence to this third party.

Separately, on each of March 25, 2021, April 23, 2021, April 30, 2021, and May 24, 2021, the Board met to discuss updates regarding the strategic review of Talaxis’ ownership of the Corporation, Lancaster and Maginito, as well as potential plans for funding Lancaster in a range of outcome scenarios. At the meeting of April 30, 2021, the Board discussed that the potential acquirer of Noble’s shares of Talaxis required, as a condition of such purchase, changes to the agreements between Talaxis and the Corporation relating to the control of Lancaster. The requested changes were unacceptable to the Corporation.

On May 12, 2021, the Corporation presented an alternative proposal to the potential acquirer which would result in acquirer investing directly in the Corporation rather than acquiring Talaxis, which would allow the Corporation to acquire Talaxis itself. When this transaction was rejected by the acquirer, the Corporation decided to approach Noble with a similar deal which would see Talaxis transfer its interests in Lancaster and Maginito in return for shares of the Corporation. This would allow Corporation to raise funding for completion of the Songwe Hill feasibility study rather than those funds being provided by Noble.

On July 2, 2021 and July 12, 2021, the Board met to discuss a proposed term sheet with Noble, pursuant to which the Corporation would acquire Talaxis’ stakes in Lancaster and Maginito in exchange for consideration of £13 million, and undertaking a capital raise via private placement in order to provide funding to complete the bankable feasibility study at Songwe Hill and commence the feasibility study for the Pulawy Separation Plant in Poland. At these meetings, the Board received advice from BCA, SP Angel (its nominated advisor in the AIM market) and Alternative Resource Capital, its broker, as well as Fasken Martineau LLP, its legal counsel. On August 5, 2021, the Corporation announced that it had entered into an agreement with Talaxis pursuant to which the Corporation will acquire Talaxis’ 49% interest in Lancaster and Talaxis’ 24.5% interest in Maginito for 54,166,666 Mkango shares, equivalent to £13 million at 24.0 UK pence per share.

Complementary to the transaction announced with Talaxis, the Corporation announced the Private Placement for £5.52 million at a price of at 24.0 UK pence per share. This announcement also included disclosure as to the Linfield Participation and the RESOC Participation.

With regard to the proposed transaction and complementary financing, the Board considered that the consolidation of the Lancaster and Maginito shareholdings and offtake under the Corporation's control would increase the Corporation's financial flexibility and underpin the Corporation's future growth strategy. Primarily, the simplification of the project and corporate ownership structure is expected to enhance optionality for Songwe Hill development funding, including the potential introduction of additional strategic investors and development partners. Further, restoring 100% ownership over Songwe Hill brings the Corporation's structure in line with peers in the rare earths sector, providing greater transparency for investors. Finally, increasing the Corporation's ownership of Maginito to 100% provides the Corporation's greater exposure to HyProMag and the rare earth recycling market, which the Board expects to have substantial growth potential.

In evaluating the value of Talaxis' 49% interest in Lancaster and 24.5% interest in Maginito, the Board considered both the internal Corporation's estimates (including the value determined for the Songwe Hill in the 2019 feasibility study) as well as the value of the assets implied by the Corporation's market capitalisation and 51% and 75.5% ownership of the assets. The Board considered that the value of Talaxis' interests in Lancaster and Maginito were significantly greater than the consideration offered to Talaxis and that undertaking the Acquisition would be significantly accretive for shareholders.

Additional Information Pursuant to MI 61-101

The application of MI 61-101 to the Acquisition, the Linfield Participation and the RESOC Participation mandates certain enhanced disclosure with respect to related party transactions be provided to shareholders in certain circumstances, including information typically required in an issuer bid circular, to the extent applicable and with necessary modifications. The Corporation is therefore providing the additional disclosure below further to MI 61-101.

APPROVAL OF AMENDED AND RESTATED OPTION PLAN

General

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, to re-approve the amended and restated stock option plan of the Corporation (the “**Amended Option Plan**”) attached as Appendix “B” to this Information Circular. Approval is being sought in accordance with the policies of the TSXV, whereby issuers whose stock option plans are plans which reserve shares for issuance upon the exercise of options based upon a percentage of the issuer’s issued and outstanding shares rather than a fixed number (“**Rolling Plans**”), must have such plans approved by the Shareholders at each annual meeting of Shareholders. The Shareholders will therefore be asked at the Meeting to vote on a resolution approving the Amended Option Plan.

The Amended Option Plan is subject to TSXV approval. The TSXV has conditionally accepted the Amended Option Plan, with final approval subject to the approval of Shareholders of the Amended Option Plan at the Meeting.

Description of Amended Option Plan

The Amended Option Plan (as well as the other Share Compensation Arrangements, as defined below) was established to recognize contributions made by directors, officers, employees and consultants of the Corporation, to provide incentives to qualified parties to increase their proprietary interest in the Corporation and to thereby

encourage their continuing association with the Corporation. The Board administers the Amended Option Plan and it is their responsibility to ensure that the provisions of the Amended Option Plan are adhere to.

Shareholders are encouraged to carefully review the full text of the Amended Option Plan as set out at Appendix “B” to this Information Circular.

Eligible Participants

Participation in the Amended Option Plan is limited to any person who is a director, officer, employee or consultant of the Corporation or of its subsidiaries, as the Board may designate as a participant under the Amended Option Plan (each, an “**Amended Option Plan Participant**”).

Transferability

Options granted under the Amended Option Plan are not transferable or assignable other than by will or the laws of succession. In the case of the death of an Amended Option Plan Participant, any vested option held by him or her at the date of death will become exercisable by the optionee’s lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Amended Option Plan Participant and the date of expiration of the term otherwise applicable to such option.

Grant of Options

All Options under the Amended Option Plan are granted by means of an agreement between the Corporation and an Amended Option Plan Participant in a form approved by the Board and will expire not later than the tenth anniversary of the date such Options were granted or such other length of time as may be permitted by the TSXV or such other exchange on which the Common Shares are listed.

Rights as Shareholders/Payment of Dividend Equivalents

Amended Option Plan Participants have no rights as Shareholders in respect of any of the Common Shares underlying their Options (including any rights to receive dividends or other distributions, or voting rights), until such time as they have exercised their Options for Common Shares.

Exercise Price of Options

The Board determines the purchase price for Common Shares under the Options but in no event shall the price be less than the market price (as defined in the policies of the TSXV or such other exchange that the Common Shares may be listed on) less any permitted discounts.

Option Limits

If and for so long as the Common Shares are listed on the TSXV, the number of Common Shares which may be issuable under the Amended Option Plan, together with any any other stock option plan, employee stock purchase plan, restricted share unit plan or any other compensation or incentive mechanism involving the issuance or potential issuance of common shares of the Corporation (each, a “**Share Compensation Arrangement**”), within any 12 month period: (i) to any Amended Option Plan Participant, will not exceed 5% of the total issued and outstanding Common Shares on the grant date on a non-diluted basis, (ii) to any one consultant will not exceed 2% of the then issued Common Shares; and (iii) to any Amended Option Plan Participant conducting investor relations activities, will not exceed 2% of issued and outstanding Common Shares on the grant date on a non-diluted basis. Any Option grant to an Amended Option Plan Participant performing investor relations activities must vest in stages over no less than 12 months with no more than 1/4 of the Options vesting in any three month period.

Termination of Employment

If an Amended Option Plan Participant is dismissed as a director, officer, employee or consultant by the Corporation or by one of its subsidiaries without Cause (as such term is defined in the Amended Option Plan), all unvested options of that Participant under the Amended Option Plan will automatically vest and such Participant shall have the right, for a period not exceeding 90 days from the date of such dismissal, to exercise the option under the Amended Option Plan with respect to all Common Shares underlying any Options of such Participant.

If an Amended Option Plan Participant ceases to be a director, officer, employee or consultant of the Corporation or of one of its subsidiaries as a result of:

- (i) disability or illness preventing such Participant from performing the duties routinely performed by such Participant;
- (ii) retirement at the normal retirement age prescribed by the Corporation pension plan;
- (iii) resignation; or
- (iv) such other circumstances as may be approved by the board of directors

such Participant will have the right for a period not exceeding 90 days from the date of ceasing to be a director, officer, employee, consultant (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the option under the Amended Option Plan with respect to all optioned Common Shares of such Participant to the extent they were exercisable on the date of ceasing to be a director, officer, employee or consultant.

Change of Control

If, at any time when an Option remains unexercised with respect to any Common Shares underlying any Options, an offer to purchase all of the common shares of the Corporation is made by a third party, the Corporation will use its best efforts to bring such offer to the attention of the Amended Option Plan Participants as soon as practicable and the Corporation may, at its option, require the acceleration of the time for the exercise of the option rights granted under the Amended Option Plan and of the time for the fulfillment of any conditions or restrictions on such exercise.

The Amended Option Plan, approved by the Board on August 30, 2021, is a Rolling Plan. The primary amendments made in the Amended Option Plan, as compared to the option plan of the Corporation last approved by the Shareholders at the meeting of Shareholders held on October 8, 2020, were (i) to ensure that the limits as to the percentages of options and shares issuable thereunder took into account securities issued each other Share Compensation Arrangement); and (ii) to have unvested Options granted under the Amended Option Plan automatically vest upon termination by the Corporation of a director, officer, employee, or consultant for reasons other than Cause (as defined in the Amended Option Plan).

See also “*Executive Compensation*” – “*Amended Stock Option Plan*” below for additional information about the Amended Stock Option Plan.

The aggregate number of Common Shares issuable upon the exercise of all options granted under the Amended Option Plan, together with securities issued under any other Share Compensation Arrangement, cannot exceed 10% of the issued and outstanding Common Shares.

Shareholder Approval Being Sought

Pursuant to the rules of the TSXV, the Amended Option Plan must be passed by a majority of the votes cast on an ordinary resolution by Shareholders at the Meeting. The Shareholders will be asked to consider and, if deemed advisable, to pass the following ordinary resolution approving the Amended Option Plan:

“BE IT RESOLVED THAT:

1. the amended and restated stock option plan of the Corporation, substantially in the form attached as Appendix “B” to the management information circular of the Corporation dated August 30, 2021, be and is hereby re-approved and adopted as the stock option plan of the Corporation;
2. the form of the amended and restated stock option plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the Shareholders of the Corporation;
3. the number of common shares of the Corporation issuable under the amended and restated stock option plan, together with securities issuable under each other share compensation arrangement of the Corporation, be set at a maximum of 10% of the aggregate number of Common Shares issued and outstanding from time to time subject to any limitations imposed by applicable laws, rules, regulation and policies;
4. the continuation of the 15,390,000 options outstanding on the date hereof under the amended and restated stock option plan of the Corporation (and such other options as may be issued prior to the

date of the Meeting in accordance with the terms of the amended and restated stock option plan), without amendment to their terms except as required to comply with the amended and restated stock option plan be authorized and approved; and

5. any one director or officer of the Corporation be and is hereby authorized and directed for and on behalf of the Corporation to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the foregoing.”

The foregoing resolution must be approved by a simple majority of the votes cast by Shareholders at the Meeting by the Shareholders voting in person or by proxy. **The Management Designees, unless instructed otherwise, intend to vote to approve the Amended Option Plan in substantially the form as attached as Appendix “B” to this Information Circular.**

APPROVAL OF ENTERPRISE MANAGEMENT INCENTIVE PLAN

General

At the Meeting, the Shareholders will be asked to consider and, if thought appropriate, to pass, with or without variation, a resolution to approve the adoption of the EMI Plan. Pursuant to policies of the TSXV, the adoption of the EMI Plan requires approval by a simple majority of Shareholders. The Corporation is seeking to implement the EMI Plan in order to provide the Corporation with a vehicle by which equity-based incentives may be awarded to the UK-based employees of the Corporation or its subsidiaries in a tax-efficient manner to recognize and reward their significant contributions to the long-term success of the Corporation and its subsidiaries, including to align such employees’ interests more closely with Shareholders.

The EMI Plan is subject to TSXV approval. The TSXV has conditionally accepted the EMI Plan, with final approval subject to the approval of Shareholders of the EMI Plan at the Meeting.

Description of EMI Plan

Shareholders are encouraged to carefully review the full text of the EMI Plan as set out at Appendix “E” to this Information Circular.

Eligible Participants

Participation in the EMI Plan is restricted to employees of the Corporation and its subsidiaries who: (i) are required to spend on average at least the statutorily required minimum time on the business of the Corporation or its group companies, (ii) do not, together with Associates (as defined in the EMI Plan), have a Material Interest (defined to be 30% or more of the issued and outstanding Common Shares), and (iii) do not have Associates who have a Material Interest (each, an “**EMI Eligible Person**”).

Transferability

Options granted under the EMI Plan (each, an “**EMI Option**”) are not transferable or assignable other than by operation of law on death.

Grant of EMI Options

The EMI Plan permits the Corporation to an EMI Option to an EMI Eligible Person and to determine the vesting schedule applicable to such EMI Options.

Following vesting, an EMI Option Holder will be entitled to exercise its EMI Options to purchase Common Shares at the exercise price included in the option agreement entered into by the EMI Eligible Person and the Corporation on the date on which the EMI Option is granted.

Exercise Price of EMI Options

The Board determines the purchase price for Common Shares under the EMI Options but in no event shall the price be less than the market price (as defined in the policies of the TSXV or such other exchange that the Common Shares may be listed on) less any permitted discounts.

EMI Option Limits

No EMI Options may be granted which would cause the total Market Value (as such term is defined in the EMI Plan) of the Common Shares that can be acquired on exercise of all EMI Options at the relevant grant dates to exceed £3 million.

In addition, if and for so long as the Common Shares are listed on the TSXV, the number of Common Shares which may be issuable under the EMI Plan, together with any other Share Compensation Arrangement, within any one-year period: (i) to any EMI Eligible Person, will not exceed 5% of the total issued and outstanding Common Shares on the grant date on a non-diluted basis, (ii) to any Insiders as a group, will not exceed 10% of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis; and (iii) to any EMI Eligible Person conducting investor relations activities, will not exceed 2% of issued and outstanding Common Shares on the grant date on a non-diluted basis. Any EMI Options issued to EMI Eligible Persons performing investor relations activities must vest in stages over no less than 12 months with no more than 1/4 of the EMI Options vesting in any three month period.

In addition, no EMI Option will be granted to an EMI Eligible Person which would cause the total Market Value at the relevant grant dates of the Common Shares that an EMI Eligible Person may acquire on exercise of the EMI Options to exceed £249,999.

Termination of Employment

An EMI Option Holder who gives or receives notice of termination of employment (whether or not lawful) and an EMI Option Holder who ceases to be an Employee (whether or not following notice) may not exercise an EMI Option at any time while the notice remains effective or after ceasing to be an Employee, except that where the EMI Option Holder ceases to be an employee as a result of death, disability, retirement, resignation, dismissal without Cause (as defined in the EMI Plan) or such other circumstances as may be approved by the Board, the EMI Option will be exercisable for a specified period of time thereafter. In all of these cases, EMI Options will be exercisable only to the extent that they have vested on the termination date except that where an EMI Option Holder is dismissed without Cause (as defined in the EMI Plan), its unvested EMI Options will become exercisable in full.

Change of Control

If an offer to purchase all of the Common Shares is made by a third party, the Corporation will be required to use its best efforts to bring such offer to the attention of EMI Option Holders as soon as practicable and the Corporation may, at its option, require the acceleration of the time for the exercise of EMI Options and for the fulfilment of any conditions or restrictions on such exercise.

Shareholders are encouraged to carefully review the full text of the EMI Plan as set out at Appendix “E” to this Information Circular.

Shareholder Approval Being Sought

Pursuant to the rules of the TSXV, the EMI Plan must be passed by a majority of the votes cast on an ordinary resolution by Shareholders at the Meeting. Should the resolution not receive the required Shareholder approval at the Meeting, the EMI Plan will not be adopted.

The text of the resolution is set out below:

“BE IT RESOLVED that:

1. the Corporation is hereby authorized to adopt the EMI plan, substantially in the form set out as Appendix “E” attached to the management information circular of the Corporation dated August 30, 2021 (the “**EMI Plan**”) and the EMI Plan be approved and authorized;
2. the Corporation be authorized to grant EMI options pursuant to and subject to the terms and conditions of the EMI Plan;
3. the number of common shares of the Corporation issuable under the EMI Plan, together with securities issuable under each other share compensation arrangement of the Corporation, be set at a maximum of 10% of the aggregate number of Common Shares issued and outstanding from time to time subject to any limitations imposed by applicable laws, rules, regulation and policies;

4. the board of directors of the Corporation be authorized on behalf of the Corporation to make any amendments to the EMI Plan as may be required by regulatory authorities, without further approval of the shareholders of the Corporation, subject to the terms of the EMI Plan; and
5. any one director or officer of the Corporation be and is hereby authorized and directed to do all such acts and things and to executed and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in such director's or officer's opinion may be necessary or desirable to give effect to this resolution."

The foregoing resolution must be approved by a simple majority of the votes cast by Shareholders at the Meeting by the Shareholders voting in person or by proxy. **The Management Designees, unless instructed otherwise, intend to vote to approve the EMI Plan in substantially the form attached as Appendix "E" to this Information Circular.**

APPROVAL OF RSU PLAN

General

At the Meeting, the Shareholders will be asked to consider and, if thought appropriate, to pass, with or without variation, a resolution to adopt the RSU Plan. Pursuant to policies of the TSXV, the adoption of the RSU Plan requires approval by the disinterested Shareholders (being all Shareholders excluding votes attaching to Common Shares beneficially owned by (i) Insiders (as such term is defined under TSXV Policies) to whom securities may be issued under the RSU Plan and (ii) Associates (as such term is defined under TSXV Policies) of such Insiders (collectively, the "**Disinterested RSU Shareholders**"). The Corporation is seeking to implement the RSU Plan in order to provide the Corporation with an additional vehicle by which equity-based incentives may be awarded to the employees of the Corporation or its subsidiaries, to recognize and reward their significant contributions to the long-term success of the Corporation and its subsidiaries, including to align the employees' interests more closely with Shareholders.

The RSU Plan is subject to TSXV approval. The TSXV has conditionally accepted the RSU Plan, with final approval subject to the approval of RSU Disinterested Shareholders of the RSU Plan at the Meeting.

Description of RSU Plan

Shareholders are encouraged to carefully review the full text of the RSU Plan as set out at Appendix "F" to this Information Circular.

Eligible Participants

Participation in the RSU Plan is restricted to employees of the Corporation and its subsidiaries (an "**RSU Eligible Person**").

Transferability

RSUs are not transferable or assignable other than by will or the laws of descent and distribution.

Grant of RSUs

The RSU Plan permits the Remuneration Committee of the Board, or if there is no such committee, the Board, to grant awards of RSUs to an RSU Eligible Person and to determine the RSU Redemption Date applicable to such RSUs. In addition, the Committee may, at its sole discretion, at the time of the grant of RSUs, make such RSUs subject to performance conditions to be achieved by the Corporation to entitle the holder thereof to receive the Common Shares.

Following vesting, the RSUs will be redeemed on or about (but not later than 30 days following) each applicable RSU Redemption Date (as defined in the RSU Plan) (the "**RSU Redemption Date**"), and the Eligible RSU Person will be entitled to receive and the Corporation will issue to such Eligible RSU Person, as applicable: (i) the number of Common Shares equal to the numbers of RSUs vested on the RSU Redemption Date. The RSU Redemption Date in respect of any RSU is the date provided for in the agreement granting the RSUs or if no date is set, the tenth (10th) anniversary of the grant date, unless otherwise provided for in the RSU Plan. The Remuneration Committee has the discretion to stipulate the length of time for vesting and to determine various performance objectives based on certain business criteria as a pre-condition to an RSU vesting.

Payment of Dividend Equivalents

When dividends are paid on Common Shares, an RSU Eligible Person shall be credited with dividend equivalents in respect of the RSUs credited to such RSU Eligible Person's Account as of the record date for payment of dividends and no payment in cash should be made to any RSU Eligible Person with respect to such dividend equivalent. Such dividend equivalents shall be converted into additional RSUs (including fractional RSUs) based on the fair market value per Common Share on the date credited and redeemed on the date of redemption, of the RSUs with respect to which the dividend equivalent was granted.

Maximum Number of Common Shares Issued

The number of Common Shares which may be reserved for issuance under the RSU Plan for the redemption of RSUs, provided that all RSUs granted shall be deemed to be redeemed into Common Shares for the purpose of this calculation, in combination with the aggregate number of Common Shares which may be issuable under the Amended Option Plan and the EMI Plan, will not exceed 15,000,000 Common Shares, subject to customary adjustments in accordance with the RSU Plan and, if required by the TSXV Policies or any other stock exchange on which the Common Shares may then be listed, and by the shareholders of the Corporation.

If and for so long as the Common Shares are listed on the TSXV, the number of Common Shares which may be issuable under the RSU Plan for the redemption of RSUs granted under such plan, and any other share compensation arrangement, within any one-year period: (i) to any RSU Eligible Person, will not exceed 5% of the total issued and outstanding Common Shares on the grant date on a non-diluted basis, (ii) to any Insiders as a group, will not exceed 10% of the total number of issued and outstanding Common Shares on the grant date on a non-diluted basis, provided that, in determining the number of Common Shares issuable, all RSUs granted shall be deemed to be redeemed into Common Shares.

If and for so long as the Common Shares are listed on the TSXV, no RSUs will be granted under the RSU Plan to any RSU Eligible Person whose role and duties primarily consist of Investor Relations Activities, as defined under the TSXV Policies.

Termination of Employment

If, prior to an RSU Redemption Date, an RSU Eligible Person terminates its employment in accordance with its employment agreement with the Corporation or a subsidiary, or where the Corporation or a subsidiary terminates the employment of RSU Eligible Person, provided no circumstances amounting to Cause (as defined in the RSU Plan) exist, the RSU Redemption Date will be deemed to be the date on which the termination of such employment takes effect and all RSUs granted to such RSU Eligible Person and outstanding under the RSU Plan will, on such termination date, immediately vest and be redeemed in accordance with the terms of the RSU Plan.

If, prior to an RSU Redemption Date, the employment of an RSU Eligible Person is terminated by the Corporation or a subsidiary or by an RSU Eligible Person where Cause exists or if an RSU Eligible Person voluntarily terminates its employment other than in accordance with its employment agreement, all of the RSU Eligible Person's RSUs will be cancelled and no amount will be paid by the Corporation to such RSU Eligible Person in respect of the RSUs so cancelled.

Change of Control

In the event of a change of control of the Corporation, all RSUs granted to RSU Eligible Persons and outstanding under the RSU Plan will immediately vest and will be redeemed.

Shareholders are encouraged to carefully review the full text of the RSU Plan as set out at Appendix "F" to this Information Circular.

Shareholder Approval Being Sought

Pursuant to the rules of the TSXV, the RSU Plan must be passed by a majority of the votes cast on an ordinary resolution by Disinterested RSU Shareholders at the Meeting. Based on the present shareholdings of the Insiders to whom RSUs may be granted under the RSU Plan and their Associates, a total of up to 8,725,443 Common Shares will be excluded from this vote to approve the RSU Plan, representing 5.7% of the issued and outstanding common shares of the Corporation as of the Record Date. Should the RSU Resolution not receive the required Shareholder approval at the Meeting, the RSU Plan will not be adopted.

The text of the resolution is set out below:

“BE IT RESOLVED that:

1. the Corporation is hereby authorized to adopt the restricted share unit plan, substantially in the form set out as Appendix “F” attached to the management information circular of the Corporation dated August 30, 2021 (the “**RSU Plan**”) and the RSU Plan be approved and authorized;
2. the Corporation be authorized to grant restricted share units pursuant to and subject to the terms and conditions of the RSU Plan;
4. the board of directors of the Corporation be authorized on behalf of the Corporation to make any amendments to the RSU Plan as may be required by regulatory authorities, without further approval of the shareholders of the Corporation, subject to the terms of the RSU Plan; and
5. any one director or officer of the Corporation be and is hereby authorized and directed to do all such acts and things and to executed and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in such director’s or officer’s opinion may be necessary or desirable to give effect to this resolution.”

The foregoing resolution must be approved by a simple majority of the votes cast at the Meeting by the Shareholders voting in person or by proxy, excluding 8,725,443 votes attached to Common Shares held by the Disinterested RSU Plan Shareholders. **The Management Designees, unless instructed otherwise, intend to vote to approve the RSU Plan in substantially the form attached as Appendix “F” to this Information Circular.**

Under the Services Agreement, Leominex is entitled to recover its costs attributable to the provision of the Services, including general and overhead costs, human resources fees, salaries and expenses and disbursements, plus a handling fee of 15%. In respect of the services of an employee of Leominex, Leominex may alternatively charge Lancaster at the per diem prevailing market rate.

The Services Agreement also provides that Leominex may, at any time and from time to time, provide interest-bearing demand loans to Lancaster at the LIBOR rate for a 12-month deposit in United States dollars on the last business day of the previous month plus 2%.

Either party is entitled to terminate the Services Agreement on 90 days written notice to the other party. Lancaster is further entitled to terminate the Services Agreement on 30 days written notice in the event that (i) Leominex refuses to perform any additionally requested services or to implement changes to the Services requested by Lancaster; or (ii) Lancaster's board of directors is not satisfied that Leominex is capable of performing its plans and budgets for the due performance of the Services.

Other than pursuant to the Services Agreement, there are no management functions of the Corporation which are to any substantial degree performed by a person or company other than the directors or executive officers of the Corporation.

Oversight and description of director and named executive officer compensation

The Corporation's compensation philosophy is to provide competitive compensation with a view to attract, motivate and retain highly qualified executive officers capable of achieving the Corporation's strategic and performance objectives and ultimately creating and preserving shareholder value. Consistent with this philosophy, the Corporation's compensation program is designed to achieve the following key objectives:

- recruit, inspire and retain highly skilled executives;
- reward those who meet and exceed both short-term operational and long-term strategic goals; and
- align the interests of executives with corporate performance, and therefore Shareholders' interests.

The Board has not formally considered the implications of risks associated with the Corporation's compensation policies and practices as, in their view, the current structure of the Corporation's executive compensation arrangements is focused on long-term value and is designed to correlate to the long-term performance of the Corporation, which includes but is not limited to performance of its share price.

The NEOs (as defined below) and directors of the Corporation are not formally prohibited from purchasing financial instruments designed to hedge or offset a decrease in the market value of shares, including shares granted or underlying share-based compensation or otherwise held directly or indirectly by an NEO or a director. In the view of the Board, the structure and nature of directors and executive compensation is designed to reduce the need to hedge or offset any potential decrease in the price of shares of the Corporation and is adequate to ensure that the interests of the directors and NEOs are adequately aligned with those of the Corporation generally.

Elements of Compensation Program

As discussed in further detail below, the Corporation's compensation program is comprised of two main elements:

- (1) base salaries;
- (2) long-term incentives in the form of security-based awards.

These components are combined to provide a compensation package that is designed to attract, retain and motivate the executive management of the Corporation with competitive remuneration packages. The remuneration policy is aligned to the Corporation's appetite for risk and long-term strategic goals. A proportion of remuneration is structured so as to link rewards to corporate and individual performance and designed to promote the long-term success of the Corporation. In determining such policy, the remuneration committee takes into account all factors which it deems necessary, including relevant legal and regulatory requirements and the provisions and recommendations of relevant regulator guidance.

Base Salary

The primary element of the Corporation's compensation program is base salary. The Corporation's view is that a competitive base salary is a necessary element for attracting and retaining qualified executive officers. The amount payable to a named executive officer ("**Named Executive Officer**" or "**NEO**") as base salary is determined primarily by past performance, anticipated future contribution and internal value of the NEOs.

Stock Options

The Amended Option Plan is intended to align NEOs' long-term incentives with the interests of Shareholders. Under the Amended Option Plan, options are awarded to senior executives for present and potential contribution to the performance of the Corporation. Options issued by the Corporation vest over time and have a maximum ten-year term, providing incentives to executives to support long-term corporate goals and Shareholder interests, further encouraging the long-term retention of such individuals. The grant of option-based awards to NEOs is approved by the Board.

Individual grants under the Amended Option Plan are determined by an assessment by the Board (who will receive recommendations from the Remuneration Committee) of an NEO's current and expected performance, contribution to the Corporation, level of responsibility, importance of position and taking into account the number of options already held by the individual.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets out equity compensation plan information as at the end of the financial year ended December 31, 2020:

	Number of securities to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by security holders	11,820,000	0.07	1,480,072
Equity compensation plans not approved by security holders	Nil	Nil	Nil
Total	11,820,000	0.07	1,480,072

The Option Plan provides for the issuance of stock options to acquire up to that number of Common Shares that is equal to 10% of the issued and outstanding Common Shares. This is a Rolling Plan. The Option Plan has been established to recognize contributions made by directors, officers, employees and consultants of the Corporation, to provide incentives to qualified parties to increase their proprietary interest in the Corporation and thereby encourage their continuing association with the Corporation. The Board administers the Option Plan and it is their responsibility to ensure that the provisions of the Option Plan are adhered to. Under the Option Plan, options are issued pursuant to option agreements to directors, officers, employees or consultants of the Corporation or a subsidiary of the Corporation. Options issued under the Option Plan expire on a date not later than ten years after the issuance of such option. As at the date hereof, there are 15,390,000 options outstanding and vested to purchase Common Shares representing approximately 9.9% of the issued and outstanding Common Shares.

INDEBTEDNESS OF DIRECTORS, EXECUTIVE OFFICERS AND SENIOR OFFICERS

No director or officer, or former director or officer of the Corporation nor any of their associates or affiliates, is, or has been at any time since the beginning of the last completed financial year, indebted to the Corporation nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding, provided by the Corporation.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth herein and below, or as previously disclosed, the Corporation is not aware of any material interests, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or officer, proposed nominee for election as a director or any Shareholder holding more than 10% of the voting rights attached to the Common Shares or any associate or affiliate of any of the foregoing in any transaction in the preceding financial year or any proposed or ongoing transaction of the Corporation which has or will materially affect the Corporation.

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, nor any person who has held such a position since the beginning of the last completed financial year end of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the grant of options which may be granted to such persons upon re-approval of the Option Plan, and as may be set out herein.

MANAGEMENT CONTRACTS

Since Lancaster's incorporation in 2007, Leominex has been providing management and other services to Lancaster. This arrangement was formalized by the entering into of a service provision agreement between Leominex and Lancaster on September 20, 2010 (the "**Services Agreement**"). Pursuant to the terms of the Services Agreement, Leominex provides Lancaster with a variety of services, including administrative, financial and accounting, office equipment, title maintenance, human resource planning and advice, geological and other services (the "**Services**"). Leominex's registered address is Jayla Place, Wickhams Cay 1, P.O. Box 3190, Road Town, Tortola, British Virgin Islands, VG1110. In addition to being directors of the Corporation, William Dawes, Alexander Lemon and Shaun Treacy are also directors of Leominex.

Under the Services Agreement, Leominex is entitled to recover its costs attributable to the provision of the Services, including general and overhead costs, human resources fees, salaries and expenses and disbursements, plus a handling fee of 15%. In respect of the services of an employee of Leominex, Leominex may alternatively charge Lancaster at the per diem prevailing market rate.

The Services Agreement also provides that Leominex may, at any time and from time to time, provide interest-bearing demand loans to Lancaster at the LIBOR rate for a 12-month deposit in United States dollars on the last business day of the previous month plus 2%.

Either party is entitled to terminate the Services Agreement on 90 days' written notice to the other party. Lancaster is further entitled to terminate the Services Agreement on 30 days written notice in the event that (i) Leominex refuses to perform any additionally requested services or to implement changes to the Services requested by Lancaster; or (ii) Lancaster's board of directors is not satisfied that Leominex is capable of performing its plans and budgets for the due performance of the Services.

Other than pursuant to the Services Agreement, there are no management functions of the Corporation which are to any substantial degree performed by a person or company other than the directors or executive officers of the Corporation.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interest of its Shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), the Corporation is required to disclose its corporate governance practices as summarized below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Corporation's management through frequent meetings. The Board is currently composed of six directors, four of whom are considered to be independent for purposes of NI 58-101. The independent members of the Board are Derek Linfield, Adrian Reynolds, Susan Muir and Shaun Treacy. Alexander Lemon is not considered an independent director as he is the President of the Corporation, William Dawes is not considered independent as he is the CEO of the Corporation. It is expected that Mr Reynolds will resign immediately prior to the Meeting and that Mr Motteram will be appointed following completion of the Acquisition, subject to approval of Shareholders and the standard due diligence exercise by the Corporation's nominated adviser. Following such resignation and appointment, the Board will still be composed of six directors, three of whom (Derek Linfield, Susan Muir and Shaun Treacy) will be considered independent for purposes of NI 58-101. Mr Motteram will not be considered independent as he is the nominee of Talaxis, which holds 10% or more of the Common Shares of the Corporation.

The Board may meet independently of management as needed. Although they are permitted to do so, the independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. To facilitate independent judgment among the Board, the Board encourages open and transparent discussions in carrying out its various functions. Furthermore, the Board is in regular formal and informal contact and independent directors are continually provided with the opportunity to be fully apprised of the Corporation's plans and to question management as required.

Directorships

None of the proposed directors of the Board are also directors of other reporting issuers (or equivalents).

Attendance

The following table sets forth the attendance by directors of formal board meetings held during the year ended December 31, 2020:

Name	Board Meetings Attended (in person or by telephone)
Adrian Reynolds	10/10
Derek Linfield	10/10
William Dawes	10/10
Alexander Lemon	10/10
Sandra du Toit ⁽¹⁾	3/10
Susan Muir	10/10
Shaun Treacy	10/10

Notes:

⁽¹⁾ Sandra du Toit resigned as a director of the Board on June 3, 2020.

Position Descriptions

While the Board has not codified written descriptions of the Chair of the Board and each committee, the Chief Executive Officer or the Chief Financial Officer, the Corporation and the Board delineate the roles and responsibilities of each position through frequent and transparent communication with each other regarding such roles and responsibilities.

Orientation and Continuing Education

The Corporation takes appropriate steps to assist new directors of the Corporation to develop an understanding of (i) the role of the Board and its committees; (ii) the contribution that directors are expected to make to the Board; and (iii) the nature and operation of the Corporation's business. The Corporation also provides all directors appropriate opportunities when required to maintain or enhance their skills and abilities as directors and ensure that their knowledge and understanding of the Corporation's business remains current.

In order to orient new directors regarding the role of the Board, its committees and directors, including the business and operations of the Corporation, all potential new directors are given the opportunity to meet with the Chief Executive Officer and other directors to ask questions and become familiar with the Corporation prior to being elected as a director.

Ethical Business Conduct

The Board has not adopted a written code for the directors, officers and employees but may consider doing so in the future. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an

individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, as some of the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors, which evoke such a conflict.

Nomination of Directors

The Board has not appointed a nominating committee. The Board determines new nominees to the Board although no formal process has been adopted. The nominees are generally the result of recruitment efforts by the Board including both formal and informal discussions among the directors and officers.

National Instrument 52-110 - *Audit Committees* (“NI 52-110”) requires the Corporation, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee (the “**Audit Committee**”) and its relationship with its independent auditor, as set forth in the following:

If, at any time when an option granted under the Plan remains unexercised with respect to any Optioned Shares, an Offer to purchase all of the common shares of the Corporation is made by a third party, the Corporation shall use its best efforts to bring such offer to the attention of the Participants as soon as practicable and the Corporation may, at its option, require the acceleration of the time for the exercise of the option rights granted under the Plan and of the time for the fulfillment of any conditions or restrictions on such exercise.

(i) Alterations in Shares

In the event of a share dividend, share split, issuance of shares or instruments convertible into common shares (other than pursuant to the Plan) for less than market value, share consolidation, share reclassification, exchange of shares, recapitalization, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the board of directors may make such adjustment, if any, of the number of Optioned Shares, or of the exercise price, or both, as it shall deem appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Participants under the Plan. In any such event, the maximum number of shares available under the Plan may be appropriately adjusted by the board of directors. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares in the Corporation of those in another company is imminent, the board of directors may, in a fair and equitable manner, determine the manner in which all unexercised option rights granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such rights by the Participants and of the time for the fulfillment of any conditions or restrictions on such exercise. All determinations of the board of directors under this paragraph 6(i) shall be full and final.

(j) Termination where Cause exists

Subject to paragraph 7(l), if a Participant is dismissed as a director, officer, employee or consultant by the Corporation or by one of its subsidiaries or resigns, in either case in circumstances where Cause exists, all unexercised option rights of that Participant under the Plan shall terminate immediately upon such dismissal, notwithstanding the original term of the option granted to such Participant under the Plan.

(k) Termination where no Cause Exists

If a Participant is dismissed as a director, officer or employee by the Corporation or by one of its subsidiaries where no Cause exists (or where a consultancy agreement is terminated or cancelled otherwise than in accordance with its terms), the Participant shall have the right, for a period not exceeding 90 days from the date of such dismissal, to exercise the option under the Plan with respect to all Optioned Shares of such Participant. Upon the expiration of the 90 day period, all unexercised option rights of that Participant shall immediately terminate and shall lapse notwithstanding the original term of the option granted to such Participant under the Plan. In the event that the Participant is engaged in investor relations activities, the 90 day period is abbreviated to 30 days.

(l) Disability or Retirement or Resignation

Notwithstanding paragraph 7(j), if a Participant ceases to be a director, officer, employee or consultant of the Corporation or of one of its subsidiaries as a result of:

- (i) disability or illness preventing the Participant from performing the duties routinely performed by such Participant;
- (ii) retirement at the normal retirement age prescribed by the Corporation pension plan;
- (iii) resignation (other than in circumstances where Cause exists); or
- (iv) such other circumstances as may be approved by the board of directors;

such Participant shall have the right for a period not exceeding 90 days from the date of ceasing to be a director, officer, employee or consultant (or, if earlier, until the expiry date of the option rights of the Participant pursuant to the terms of the Option Agreement) to exercise the option under the Plan with respect to all Optioned Shares of such Participant to the extent they were exercisable on the date of ceasing to be a director, officer, employee or consultant. Upon the expiration of the 90 day period (or such earlier expiry date as provided for in the Option Agreement) all unexercised option rights of that Participant shall immediately terminate and shall lapse notwithstanding the original term of the option granted to such Participant under the Plan. In the event that the Participant is engaged in investor relations activities, the 90 day period is abbreviated to 30 days.

(m) Deceased Participant

In the event of the death of any Participant, the legal representatives of the deceased Participant shall have the right, for a period not exceeding one year from the date of death of the deceased Participant (or, if earlier, the date of expiry of the option pursuant to the terms of the Option Agreement), to exercise the deceased Participant's option with respect to all of the Optioned Shares of the deceased Participant to the extent they were exercisable on the date of death. Upon the expiration of such period all unexercised option rights of the deceased Participant shall immediately terminate, notwithstanding the original term of the option granted to the deceased Participant under the Plan.

(n) Definition of Cause

“Cause” means any ground specified in the employment or consultant agreement of the Participant or relevant written policy of the Corporation or relevant employing Subsidiary as permitting termination of employment by the Corporation or relevant employing Subsidiary without notice or payment in lieu of notice and, in any event, includes any circumstance where the Participant (i) willfully fails to perform his/her duties with the Corporation or relevant employing Subsidiary; (ii) commits theft, fraud, dishonesty or misconduct involving the property, business or

affairs of the Corporation or any of its Subsidiaries or in the performance of his/her duties: (iii) willfully breaches or fails to follow any material term of his/her employment agreement or consulting agreement; (iv) is convicted of a crime which constitutes an indictable offence; or (v) engages in conduct which would be treated as cause or grounds for summary dismissal by a court of competent jurisdiction in the jurisdiction in which the Participant is employed.

8. AMENDMENT AND DISCONTINUANCE OF PLAN

The board of directors may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time, provided that no such action may in any manner adversely affect the rights under any options earlier granted to a Participant under the Plan without the consent of that Participant.

The board of directors may amend the terms of the Plan only where prior TSX Venture Exchange acceptance is obtained and where the following requirements are met:

- (a) if the Participant is an Insider of the Corporation at the time of the amendment, the Corporation obtains disinterested Shareholder approval (as described in section 6 above);
- (b) if the option exercise price is amended, at least six months have elapsed since the later of the date of commencement of the term, the date the Corporation's shares commenced trading, or the date the option exercise price was last amended;
- (c) if the option price is amended to the Discounted Market Price, the Exchange Hold Period is applied from the date of the amendment (and for more certainty where the option price is amended to the Market Price, the Exchange Hold Period will not apply); and
- (d) if the length of the stock option term is amended, any extension of the length of the term of the stock option is treated as a grant of a new option, and therefore also complies with pricing and other requirements of TSX Venture exchange Policy 4.4 *Incentive Stock Options*. The term of an option cannot be extended so that the effective term of the option exceeds 10 years in total. An option must be outstanding for at least one year before the Corporation can extend its term.

("Discounted Market Price", "Market Price" and "Exchange Hold Period" shall have the meanings set forth in the TSX Venture Exchange Corporate Finance Manual).

9. NO FURTHER RIGHTS

Nothing contained in the Plan nor in any option granted under this Plan shall give any participant or any other person, any interest or title in or to any common shares of the Corporation or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation other than as set out in the Plan and pursuant to the exercise of any option, nor shall it confer upon any Participant any right to continue as an employee, officer, director or consultant of the Corporation or of any of its subsidiaries.

10. COMPLIANCE WITH LAWS

The obligations of the Corporation to sell common shares and deliver share certificates under the Plan are subject to such compliance by the Corporation and the Participants as the Corporation deems necessary or advisable with all applicable corporate and securities laws, rules and regulations.

11. GENDER

The use of the masculine gender in this Plan shall be deemed to include or be replaced by the feminine gender where appropriate to the particular Participant.

The objective of such policy shall be to attract, retain and motivate the executive management of the Corporation without paying more than necessary. The remuneration policy should be aligned to the Corporation’s appetite for risk and long term strategic goals. A significant proportion of remuneration should be structured so as to link rewards to corporate and individual performance and be designed to promote the long term success of the Corporation.

Tax Liability: the total of any income tax and primary (employee) class 1 NICs (or their equivalents in any jurisdiction) for which any Employer Corporation of the Option Holder is or may be liable to account (or reasonably believes it is or may be liable to account) as a result of any Taxable Event.

- 1.4 Unless the context otherwise requires, a reference to one gender shall include a reference to the other genders.
- 1.5 A reference to a statute or statutory provision is a reference to it as amended, extended or re-enacted from time to time.
- 1.6 A reference to a statute or statutory provision shall include all subordinate legislation made from time to time under that statute or statutory provision.
- 1.7 A reference to writing or written includes fax and email.
- 1.8 Any words following the terms **including, include, in particular, for example** or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.
- 1.9 The Plan shall be effective August 30, 2021; provided that no Shares may be issued under the Plan until and unless all required Exchange, regulatory and shareholder approvals have been obtained with respect to the issuance of the Shares hereunder.

2. Grant of Options

- 2. The Corporation (acting through the Board) may grant Options for commercial reasons in order to recruit or retain Eligible Employees. The Corporation may not grant Options as part of any scheme or arrangement for which the main purpose (or one of the main purposes) is the avoidance of tax.
- 2.2 The Corporation may not grant Options at any time when that grant would be prohibited by, or in breach of, any law, or regulation with the force of law.

- 2.3 The Corporation shall grant an Option by entering into an Option Agreement as a deed in a form approved by the Board. Each Option Agreement shall:
- (a) specify the Grant Date of the Option, which shall not be earlier than the date on which the relevant Option Agreement is executed by the Corporation and the Option Holder;
 - (b) specify that the Option is granted under the provisions of Schedule 5;
 - (c) specify the number of Shares over which the Option is granted;
 - (d) specify the Exercise Price which shall not be less than 100 per cent of the Market Value on the Grant Date;
 - (e) specify the Vesting Schedule;
 - (f) specify the date when the Option will lapse, being not later than the Expiration Date, assuming that the Option is not exercised earlier and no event occurs to cause the Option to lapse earlier.
 - (g) if the Shares are subject to any Relevant Restrictions, include details of those Relevant Restrictions;
 - (h) include a statement that the Option is subject to these rules (which shall be incorporated into the Option Agreement by reference); and
 - (i) include a declaration by the Option Holder of compliance with the Statutory Minimum Time requirement.

3. Overall EMI limit

- 3.1 No Option shall be granted which would cause the total Market Value (at the relevant Grant Dates) of the Shares (and any other shares in the Corporation) that can be acquired on the exercise of all Options to exceed £3 million (or such other limit as may be specified by paragraph 7 of Schedule 5 at the relevant time).
- 3.2 If and for so long as the Shares are listed on the Exchange, the number of Shares which may be issuable under the Plan, in combination with the aggregate number of Shares issuable under any other stock option plan, employee stock purchase plan, restricted share unit plan or any other compensation or incentive mechanism involving the issuance or potential issuance of common shares of the Corporation (each, a **Share Compensation Arrangement**) shall be limited to 10 percent (10%) of the issued and outstanding Shares of the Corporation, from time to time (the **Optioned Shares**).
- 3.3 If and for so long as the Shares are listed on the Exchange, the number of Shares which may be issuable under the Plan, in combination with Shares issuable under any other Share Compensation Agreement within any 12 month period:
- (a) to any one Eligible Employee shall not exceed five percent (5%) of the then issued Shares of the Corporation;
 - (b) to Insiders as a group, shall not exceed 10% of the total number of issued and outstanding Common Shares on the Grant Date on a non-diluted basis; and
 - (c) to any Eligible Employees conducting investor relations activities, shall not exceed two percent (2%) of the then issued Shares of the Corporation.

Any Options issued to Eligible Employees performing investor relations activities must vest in stages over no less than 12 months with no more than 1/4 of the Options vesting in any three month period.

- 3.4 If Options granted to an Eligible Employee under the Plan shall expire or terminate for any reason without having been exercised in respect of certain Optioned Shares, such Optioned Shares may be made available for other Options to be granted under the Plan.

4. Individual EMI limits

4.1 No Option shall be granted to an Eligible Employee which would cause the total Market Value (at the relevant Grant Dates) of the Shares that an Eligible Employee may acquire on the exercise of EMI Options granted to the Eligible Employee by reason of employment with:

- (a) any Group Company; or
- (b) any two or more Group Companies,

to exceed £249,999 (or £1 less than such other limit as may be specified in paragraph 5 of Schedule 5 at the relevant time).

4.2 Any CSOP Options granted to the relevant Eligible Employee by reason of employment with any Group Company shall be treated as EMI Options to be counted against the limit set out in rule 4.1.

4.3 If the grant of any Option that is intended to be an EMI Option would cause the limit in rule 4.1 to be exceeded, that Option shall not be an EMI Option so far as it relates to the excess.

4.4 If an Eligible Employee has been granted EMI Options over shares (which may include Shares) with a total Market Value of £250,000 (or such other limit as may be specified in paragraph 6 of Schedule 5 at the relevant time) by reason of employment with:

- (a) any Group Company; or
- (b) any two or more Group Companies,

whether or not those EMI Options have been exercised or released, any Option granted to that Eligible Employee shall not be an EMI Option if the Grant Date of that Option falls within the period of three years after the Grant Date of the last EMI Option to be granted to the Eligible Employee that falls within this rule 4.4.

5. Shareholder Approval

5.1 The Corporation will be required to obtain Disinterested Shareholder Approval for the reduction in the Exercise Price of Optioned Shares where the Eligible Employee is an Insider.

5.2 The Corporation must obtain Disinterested Shareholder Approval of the Plan if the Plan, together with any other Share Compensation Arrangement, could result at any time in:

- (a) the number of Shares reserved for issuance under Options granted to Insiders exceeding 10% of the issued Shares;
- (b) the grant to Insiders, within a 12 month period, of a number of Options exceeding 10% of the issued Shares;
- (c) issuance to any one Eligible Employee, within a 12 month period, of a number of Shares exceeding 5% of the issued Shares of the Corporation.

6. Exercise Price

6.1 The Exercise Price to each Eligible Employee for each Optioned Share shall be as determined by the Board, but shall in no event be less than the market price of the Shares on the Exchange, or such other exchange on which the Shares are listed at the time of the grant of the Option, less the maximum discount permitted under the policies of the Exchange or such other exchange on which the Shares are listed at the time of the grant of the Option, or such other price as may be agreed to by the Corporation and approved by the Exchange or such other exchange on which the Shares are listed.

7. Exercise of Options

7.1 Subject to the other provisions of these rules, an Option Holder may only exercise an Option in accordance with the terms of the related Option Agreement.

8. Termination of employment

- 8.1 An Option Holder who gives or receives notice of termination of employment (whether or not lawful) and an Option Holder who ceases to be an Employee (whether or not following notice) may not exercise an Option at any time while the notice remains effective or after ceasing to be an Employee, except as set out in this rule 8.
- 8.2 If an Option Holder dies, the Option Holder's personal representatives may exercise his Option, to the extent exercisable under the Vesting Schedule on the date of death, during a period ending no later than one year after the death. To the extent that an Option has not been exercised by the end of that period it shall lapse and be incapable of further exercise.
- 8.3 An Option Holder who ceases to be an Employee as a result of:
- (i) disability or illness preventing him from performing the duties routinely performed by him;
 - (ii) retirement;
 - (iii) resignation (other than in circumstances where Cause exists); or
 - (iv) such other circumstances as may be approved by the Board
- may exercise his Option, to the extent vested under the Vesting Schedule on the date of cessation, during a period ending no later than 90 days after cessation or until the Expiration Date, if earlier, and to the extent that an Option has not been exercised by the end of that period it shall lapse and be incapable of further exercise. If the Option Holder is engaged in investor relations activities, the 90 day period is abbreviated to 30 days.
- 8.4 Unless rule 8.3 applies, an Option Holder who ceases to be an Employee as a result of being dismissed in circumstances where no Cause exists may exercise his Option in full – irrespective of the extent to which it has vested - during a period ending no later than 90 days after cessation or until the Expiration Date, if earlier, and to the extent that an Option has not been exercised by the end of that period it shall lapse and be incapable of further exercise. If the Option Holder is engaged in investor relations activities, the 90 day period is abbreviated to 30 days.
- 8.5 For the avoidance of doubt, if an Option Holder is dismissed or resigns in circumstances where Cause exists, his Option shall immediately lapse and be incapable of future exercise.
- 8.6 An Option Holder shall not be regarded as ceasing to be an Employee until the Option Holder is no longer an employee or director of any Group Company.
- 8.7 Subject to rule 8.4, any part of an Option that is not exercisable under the Vesting Schedule at the date of cessation shall immediately lapse and be incapable of future exercise.

9. Manner of exercise of Options

- 9.1 An Option shall be exercised by the Option Holder or his personal representatives giving a written or electronic exercise notice to the Corporation
- (a) setting out the number of Shares over which the Option is being exercised; and
 - (b) using such form as may be approved by the Board.
- 9.2 An exercise notice shall be accompanied by:
- (a) payment by way of cash, certified cheque or bank draft of an amount equal to the Exercise Price multiplied by the number of Shares specified in the notice; and
 - (b) any payment required under rule 11 or, with the consent of the Board, if the Shares in respect of which the Option is being exercised are being sold by the Option Holder, written authority from the Option Holder for the Corporation to receive the sale proceeds and to withhold the full Exercise Price for such Option Shares from such proceeds.

The Option Holder may enter into arrangements to the satisfaction of the Corporation for payment of the amounts due under this rule 9.2.

- 9.3 An exercise notice shall be invalid:
- (a) to the extent that it is inconsistent with the Option Holder's rights under these rules and the Option Agreement;
 - (b) if any of the requirements of rule 9.1 or rule 9.2 are not met; or
 - (c) if any payment referred to in rule 9.2 is made by a cheque that is not honoured on first presentation or that fails in any other manner to transfer the expected value to the Corporation.
- 9.4 The Corporation may permit the Option Holder to correct any defect in an exercise notice but shall not be obliged to do so. The date of any corrected exercise notice shall be the date of the correction rather than the original notice date for all purposes of the Plan.
- 9.5 The Corporation shall issue Shares as soon as reasonably practicable after a valid Option exercise.
- 9.6 Shares issued in satisfaction of the exercise of an Option shall rank equally in all respects with the other shares of the same class in issue at the date of allotment, except for any Relevant Restrictions or any rights determined by reference to a date before the date of allotment.
- 9.7 In the event that the proposed date of Option exercise occurs during a Blackout Period, then the exercise date shall be the date that is the tenth Business Day after the expiry of the Blackout Period.

10. Prohibition of assignment of Options

- 10.1 An Option Holder may not transfer, assign, or have any charge or other security interest created over an Option (or any right arising under it). An Option shall lapse if the relevant Option Holder attempts to do any of those things. However, this rule does not prevent the transmission of an Option to an Option Holder's personal representatives on the death of the Option Holder.

11. Tax liabilities

- 11.1 Each Option Agreement shall include the Option Holder's irrevocable agreement to:
- (a) pay to the Corporation or Employer Corporation (as appropriate) the amount of any Tax Liability; or
 - (b) enter into arrangements to the satisfaction of the Corporation or Employer Corporation (as appropriate) for payment of any Tax Liability.
- 11.2 If an Option Holder does not fulfil the obligations under either rule 11.1(a) or rule 11.1(b) in respect of any Tax Liability arising from the exercise of an Option within seven days after the date of exercise, the Corporation shall withhold Sufficient Shares from the Shares that would otherwise be delivered to the Option Holder. The Option Holder's obligations under rule 11.1(a) and rule 11.1(b) shall not be affected by whether or not the Corporation withholds shares under this rule 11.2.
- 11.3 Option Holders shall have no rights to compensation or damages on account of any tax or NICs liability that arises or is increased (or is claimed to arise or be increased) in whole or in part because of:
- (a) any decision of HMRC that an Option does not meet the requirements of Schedule 5 and is therefore not an EMI Option, however that decision may arise;
 - (b) any Disqualifying Event, in whatever way that event may be caused; or
 - (c) the timing of any decision by the Board to permit exercise of an Option.

Each Option Agreement shall include the Option Holder's irrevocable agreement to enter into a joint election under section 431 of ITEPA in respect of the Shares to be acquired on exercise of the relevant Option, if required to do so by the Corporation or Employer Corporation, on or before any date of exercise of the Option.

- 11.4 Each Option Agreement shall include a power of attorney appointing the Corporation as the Option Holder's agent and attorney for the purposes of this rule 11.

12. Relationship with employment contract

12.1 The rights and obligations of any Option Holder under the terms of their office or employment with any Group Company or former Group Company shall not be affected by being an Option Holder.

12. The value of any benefit realised under the Plan by Option Holders shall not be taken into account in determining any pension or similar entitlements.

12.3 Option Holders and Employees shall have no rights to compensation or damages on account of any loss in respect of Options or the Plan where this loss arises (or is claimed to arise), in whole or in part, from:

- (a) termination of office or employment with; or
- (b) notice to terminate office or employment given by or to,

any Group Company or any former Group Company. This exclusion of liability shall apply in whatever way termination of office or employment, or the giving of notice, occurs and howsoever compensation or damages are claimed.

12.4 Option Holders and Employees shall have no rights to compensation or damages from any Group Company or any former Group Company on account of any loss in respect of Options or the Plan where this loss arises (or is claimed to arise), in whole or in part, from:

- (a) any company ceasing to be a Group Company; or
- (b) the transfer of any business from a Group Company to any person that is not a Group Company.

This exclusion of liability shall apply howsoever the change of status of the relevant Group Company, or the transfer of the relevant business, is caused, and howsoever compensation or damages are claimed.

12.5 An Employee shall not have any right to receive Options, whether or not any have previously been granted.

13. Third Party Offer

13.1 If an offer to purchase all the shares of the Corporation is made by a third party, the Corporation shall use its best efforts to bring such offer to the attention of Option Holders as soon as practicable and the Corporation may, at its option, require the acceleration of the time for the exercise of Options and for the fulfilment of any conditions or restrictions on such exercise.

14. Alterations in Shares

14.1 In the event of a share dividend, share split, issuance of shares or instruments convertible into common shares (other than pursuant to the Plan) for less than market value, share consolidation, share reclassification, exchange of shares, recapitalization, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the Board may make such adjustment, if any, of the number of Shares subject to Options, or of the Exercise Price, or both, as it shall deem appropriate to give proper effect to such event, including to prevent, to the extent possible, substantial dilution or enlargement of rights granted to Option Holders under the Plan. If, because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares in the Corporation for those in another company is imminent, the Board may, in a fair and equitable manner, determine the manner in which all unexercised Options under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such Options and of the time for the fulfilment of any conditions or restrictions on such exercise. All determinations of the Board under this rule 14 shall be full and final.

15. Amendment and Discontinuance of the Plan

15.1 The Board may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time, provided that no such action may in any manner adversely affect the rights under any Options earlier granted to an Employee under the Plan without the consent of that Employee.

15.2 The Board reserves the right, in its sole discretion, to amend, suspend or terminate the Plan or any portion thereof at any time, in accordance with applicable legislation, provided that no such amendment, suspension or termination may (i) be made without obtaining any required regulatory or shareholder

approvals, or (ii) adversely affect the rights of any Employee with respect to the Options to which the Employee is then entitled under the Plan without the consent of the Employee. Notwithstanding the foregoing, the Corporation will be required to obtain shareholder approval or, if required under the TSXV Policies, Disinterested Shareholder Approval and Exchange approval, for any amendment related to:

- (a) the persons eligible to be granted Options under the Plan;
- (b) increasing the number or percentage of issued and outstanding Common Shares available for grant under the Plan;
- (c) limitations under the Plan on the number of Options that may be granted to any one person or any category of persons;
- (d) a change in the method of calculation of exercise of Options held by Employees;
- (e) an extension to the term for exercise of Options held by Employees;
- (f) permitting the Options granted under this Plan to be transferrable or assignable other than for normal estate settlement purposes;
- (g) the expiry and termination provisions applicable to the Options; and
- (h) amending this rule 15.

15.3 Unless an Employee otherwise agrees, any amendment to the Plan or an Options shall apply only in respect of Options granted on or after the date of such amendment.

15.4 The Board may amend the terms of the Plan only where prior Exchange acceptance is obtained and where the following requirements are met:

- (a) if an Option affected by the amendments is held by an Eligible Employee who is an Insider of the Corporation at the time of the amendment, the Corporation obtains Disinterested Shareholder Approval;
- (b) if the Exercise Price of the Option is amended, at least six months have elapsed since the later of the date of commencement of the term, the date the Shares commenced trading, or the date the Exercise Price of the Option was last amended;
- (c) if the Exercise Price is amended to the Discounted Market Price, the Exchange Hold Period is applied from the date of the amendment (and for more certainty where the Exercise Price is amended to the Market Price, the Exchange Hold Period will not apply); and
- (d) if the length of the term of the Option is amended, any extension of the length of the term of the Option is treated as a grant of a new Option, and therefore also complies with pricing and other requirements of Exchange. The term of an Option cannot be extended so that the effective term of the Option exceeds 10 years in total. An Option must be outstanding for at least one year before the Corporation can extend its term.

“**Discounted Market Price**”, “**Market Price**” and “**Exchange Hold Period**” shall have the meanings set forth in the TSX Venture Exchange Corporate Finance Manual.

15.5 Without limiting the generality of the foregoing, the Board may make the following amendments to the Plan, without obtaining shareholder approval:

- (a) amendments to the terms and conditions of the Plan necessary to ensure that the Plan complies with the applicable regulatory requirements, including the rules of the Exchange, in place from time to time;
- (b) amendments to the provisions of the Plan respecting administration of the Plan and eligibility for participation under the Plan;
- (c) amendments to the provisions of the Plan respecting the terms and conditions on which Options may be granted pursuant to the Plan, including the provisions relating to the payment of the Options;

- (d) amendments to the Plan that are of a “housekeeping” nature; and
- (e) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable rules of the Exchange,

provided, however, that no such amendment of the Plan may be made without the consent of each affected Employee in the Plan if such amendment would adversely affect the rights of such affected Employee(s) under the Plan.

16. Notices

16.1 Except as excluded by rule 16.3, any notice or other communication given under or in connection with the Plan shall be in writing and shall be either:

For the purposes of this rule 16 the Appropriate Address means:

if sent by email, at 9.00 am on the next Business Day after sending.

16.3 This rule does not apply to:

- (a) the service of any notice of exercise under rule 9.1; and
- (b) the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

17. Administration

17.1 The Board shall administer the Plan.

17.2 The Board shall determine any question of interpretation and settle any dispute arising under the Plan. In these matters, the Board's decision shall be final.

18. Third party rights

18.1 A person who is not a party to an Option shall not have any rights under or in connection with it as a result of the Contracts (Rights of Third Parties) Act 1999 except where those rights arise under any rule of the Plan for any Employer Corporation of the Option Holder that is not a party to an Option. This does not affect any right or remedy of a third party that exists, or is available, apart from the Contracts (Rights of Third Parties) Act 1999.

18.2 The rights of the parties to an Option to surrender, terminate or rescind it, or agree any variation, waiver or settlement of it, are not subject to the consent of any person that is not a party to the Option as a result of the Contracts (Rights of Third Parties) Act 1999.

19. Data protection

For the purpose of operating the Plan, the Corporation will collect and process information relating to Employees and Option Holders in accordance with applicable laws.

20. Governing law

The Plan and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of England and Wales.

21.2 Each party irrevocably consents to any process in any legal action or proceedings under rule 21.1 being served on it in accordance with the provisions of the Plan relating to service of notices. Nothing contained in the Plan shall affect the right to serve process in any other manner permitted by law.

1.4 Governing Law; Subject to Applicable Regulatory Rules

The Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. The provisions of the Plan shall be subject to the applicable by-laws, rules and policies of the Exchange and applicable securities legislation.

ARTICLE 2 ELIGIBILITY AND PARTICIPATION

2.1 Eligibility

This Plan applies to those Employees whom the Committee designates as eligible for a grant of Restricted Share Units pursuant to Section 3.1. The Committee shall make such a designation prior to each Grant Date.

2.2 Rights Under the Plan

Subject to Article 4 and Article 5, an Eligible Person who has been granted Restricted Share Units shall continue to have rights in respect of such Restricted Share Units until such Restricted Share Units have been redeemed for Common Shares in accordance with this Plan.

2.3 Copy of the Plan

The Corporation shall provide each Eligible Person with a copy of this Plan following the initial grant of Restricted Share Units to such Eligible Person and shall provide each Eligible Person with a copy of all amendments to this Plan.

2.4 Limitation on Rights

Nothing in this Plan shall confer on any Employee any right to be designated as an Eligible Person or to be granted any Restricted Share Units. There is no obligation for uniformity of treatment of Eligible Persons or any group of Employees or Eligible Persons, whether based on salary or compensation, grade or level or organizational position or level or otherwise. A grant of Restricted Share Units to an Eligible Person on one or more Grant Dates shall not be construed to create a right to a grant of Restricted Share Units on a subsequent Grant Date.

2.5 Grant Agreements

Each grant of Restricted Share Units shall be evidenced by a written agreement (a “**Grant Agreement**”) executed by the Eligible Person in substantially the form appended as Schedule A hereto. An Eligible Person will not be entitled to any grant of Restricted Share Units or any benefit of this Plan unless the Eligible Person agrees with the Corporation to be bound by the provisions of this Plan. By entering into an agreement described in this Section 2.5, each Eligible Person shall be deemed conclusively to have accepted and consented to all terms of this Plan and all bona fide actions or decisions made by the Committee. Such terms and consent shall also apply to and be binding on the legal representative, beneficiaries, heirs and successors of each Eligible Person.

2.6 Participation Limits

- (a) The number of Common Shares which may be reserved for issuance under the Plan for the redemption of RSUs granted under the Plan, provided that, all RSUs granted shall be deemed to be

redeemed into Common Shares for the purposes of this Section 2.6(a), in combination with the aggregate number of Common Shares which may be issuable under all other Share Compensation Arrangements, shall not exceed 15,000,000 Common Shares, which represents less than 10% of the number of issued and outstanding Common Shares on the date of adoption of the Plan, subject to adjustment in accordance with Section 3.6 or such greater number of Common Shares as shall have been duly approved by the Board and, if required by the TSXV Policies or any other stock exchange on which the Common Shares of the Corporation may then be listed, and by the shareholders of the Corporation.

- (b) If and for so long as the Corporation's Common Shares are listed on the Exchange, the number of Common Shares which may be issuable under the Plan for the redemption of RSUs granted under the Plan and any other Share Compensation Arrangement, within any one-year period:
- (i) to any one Eligible Person, shall not exceed 5% of the total number of issued and outstanding Common Shares on the Grant Date on a non-diluted basis;
 - (ii) to Insiders as a group, shall not exceed 10% of the total number of issued and outstanding Common Shares on the Grant Date on a non-diluted basis; and
- provided that, in determining the number of Common Shares issuable, all RSUs granted shall be deemed to be redeemed into Common Shares.
- (c) If and for so long as the Corporation's Common Shares are listed on the Exchange, no RSUs shall be granted under the Plan to any Eligible Person whose role and duties primarily consist of Investor Relations Activities.

2.7 No Fractional Shares

No fractional Common Shares may be issued under the Plan. In the event the number of Common Shares to be issued upon the redemption of Restricted Share Units is a fraction, the respective Eligible Person will receive the next lowest whole number of Common Shares and will not receive any other form of compensation (cash or otherwise) for the fractional interest.

ARTICLE 3 RESTRICTED SHARE UNITS

3.1 Grant of Restricted Share Units

On each Grant Date, the Committee shall designate Eligible Persons and determine the number of Restricted Share Units to be granted to each Eligible Person in the Committee's sole discretion. Concurrent with the determination to grant Restricted Share Units to an Eligible Person, the Committee shall determine the Redemption Date applicable to such Restricted Share Units. In addition, the Committee may, at its sole discretion, at the time of the grant of Restricted Share Units, determine whether to make the Vesting of such Restricted Share Units subject to performance conditions to be achieved by the Corporation, the Eligible Person or a class of Eligible Persons, prior to the Redemption Date, for such Restricted Share Units to entitle the holder thereof to receive the Common Shares thereunder.

3.2 Redemption of Restricted Share Units

Unless redeemed earlier in accordance with this Plan, the Restricted Share Units of each Eligible Person will be redeemed on or about (but not later than 30 days following) each applicable Redemption Date, and the Eligible Person will be entitled to receive and the Corporation will issue to the Eligible Person a number of Common Shares equal to the number of Restricted Share Units (net of any applicable statutory withholdings) that have Vested on the Redemption Date(s). Where the Committee has not, when granting Restricted Share Units, included a date or condition of Vesting, Vesting shall be deemed to occur on the Redemption Date.

3.3 Blackout Period

In the event the Redemption Date, determined in accordance with the Plan occurs during a Blackout Period applicable to the relevant Eligible Person, then the Redemption Date, as applicable, shall be the date that is the tenth Business Day after the expiry of the Blackout Period.

3.4 Withholding Taxes

The Corporation or any applicable Subsidiary may take such steps as are considered necessary or appropriate for the withholding of any income tax or class 1 national insurance contributions (“**Tax Liabilities**”) which the Corporation or any Subsidiary is required by any law or regulation of any governmental authority whatsoever to withhold in connection with any Common Share including, without limiting the generality of the foregoing, the withholding of the issue of Common Shares to be issued under the Plan, until such time as the Eligible Person has paid the Corporation for any amount which the Corporation (or a Subsidiary) is required to withhold with respect to such Tax Liabilities or has entered into arrangements to the satisfaction of the Corporation. Without limitation to the foregoing, the Committee may, if applicable, adopt administrative rules under the Plan which provide for the sale of Common Shares (or a portion thereof) in the market upon the issuance of such Common Shares under the provisions of the Plan and the application of the proceeds of sale to satisfy withholding obligations under the Plan.

Notwithstanding any provision in this Plan, the ultimate liability for all taxes legally payable by an Eligible Person is and remains the Eligible Person’s responsibility, and such tax liability may exceed the amount actually withheld by the Corporation or applicable Subsidiary. Neither the Corporation nor any Subsidiary (a) makes any representations or undertakings regarding the treatment of any taxes under applicable laws in connection with any aspect of this Plan; nor (b) commits to or under any obligation to structure the terms of this Plan to reduce or eliminate an Eligible Person’s liability for taxes or achieve any particular tax result under any applicable laws.

3.5 Payment of Dividend Equivalents

When Dividends are paid on Common Shares, an Eligible Person shall be credited with Dividend equivalents in respect of the Restricted Share Units credited to the Eligible Person’s account as of the record date for payment of Dividends and no payment in cash should be made to any Eligible Person with respect to such Dividend equivalent. Such Dividend equivalents shall be converted into additional Restricted Share Units (including fractional Restricted Share Units) based on the Fair Market Value per Common Share on the date credited and redeemed on the Redemption Date, of the Restricted Share Unit with respect to which the Dividend equivalent was granted.

3.6 Adjustments

If any change occurs in the outstanding Common Shares by reason of a Reorganization, the Committee, in its sole discretion, and without liability to any person, shall make such equitable changes or adjustments, if any, as it considers appropriate, in such manner as the Committee may consider equitable, to reflect such change or event including, without limitation, adjusting the number of Restricted Share Units credited to Eligible Persons and outstanding under the Plan, provided that any such adjustment will not otherwise extend the Redemption Date otherwise applicable. The Corporation shall give notice to each Eligible Person of any adjustment made pursuant to this section and, upon such notice, such adjustment shall be conclusive and binding for all purposes. The existence of outstanding Restricted Share Units shall not affect in any way the right or power and authority of the Corporation or its shareholders to make or authorize any alteration, recapitalization, reorganization or any other change in the Corporation’s capital structure or its business or any merger or consolidation of the Corporation, any issue of bonds, debentures or preferred or preference shares (ranking ahead of the Common Shares or otherwise) or any right thereto, or the dissolution or liquidation of the Corporation, any sale or transfer of all or any part of its assets or business or any corporate act or proceeding whether of a similar character or otherwise.

3.7 Offer of Common Shares - Change of Control

Notwithstanding anything else herein to the contrary, subject to prior approval of the Exchange if required, in the event of a Change of Control, then the Redemption Date shall be deemed to be the date on which the Change of Control occurs, and all Restricted Share Units granted to the Eligible Persons and outstanding under the Plan shall immediately Vest and be paid out in accordance with Section 3.2.

ARTICLE 4 EVENTS AFFECTING ENTITLEMENT

4.1 Termination of Employment

- (a) **Voluntary Termination in accordance with Employment Agreement or Involuntary Termination.** If, prior to a Redemption Date, an Eligible Person terminates its employment in accordance with the terms of its employment agreement with the Corporation or relevant Subsidiary or the Eligible Person’s employment is terminated by the Corporation or relevant

Subsidiary (which includes termination by the Eligible Person in circumstances amounting to Constructive Dismissal) then provided in each case that no circumstances amounting to Cause exist, the Restricted Share Units shall be deemed to Vest on, and Redemption Date shall be deemed to be, the date on which the termination of the Eligible Person's employment takes effect and all Restricted Share Units granted to such Eligible Person and outstanding under the Plan shall, on such termination date, immediately Vest and be redeemed in accordance with Section 3.2.

- (b) **Termination for Cause or Voluntary Termination other than in accordance with Employment Agreement.** If the employment of an Eligible Person is terminated by the Corporation or a Subsidiary or by an Eligible Person in circumstances where Cause exists, or if an Eligible Person voluntarily terminates its employment other than in accordance with the terms of its employment agreement with the Corporation or relevant Subsidiary, or if employment is otherwise terminated in circumstances other than where Section 4.1(a) applies, all of the Eligible Person's Restricted Share Units shall be cancelled and no amount shall be paid by the Corporation or any Subsidiary to the Eligible Person in respect of the Restricted Share Units so cancelled.

4.2 *Death*

All of the Restricted Share Units of an Eligible Person who dies shall be redeemed in accordance with Section 3.2. For the purposes of the foregoing, the Redemption Date (and the date on which the Restricted Share Units shall be deemed to have Vested) shall be the date of the Eligible Person's death.

4.3 *No Grants Following Last Day of Active Employment*

In the event of termination of any Eligible Person's employment with the Corporation or any Subsidiary, such Eligible Person shall not be granted any Restricted Share Units pursuant to Section 3.1 after the Termination Date of such Eligible Person. Without limiting the generality of the foregoing and of Section 2.4, notwithstanding any other provision hereof, and notwithstanding any provision of any employment agreement between any Eligible Person and the Corporation or a Subsidiary, no Eligible Person will have any right to be awarded additional Restricted Share Units, and shall not be awarded any Restricted Share Units, pursuant to Section 3.1 after the Termination Date of such Eligible Person. Notwithstanding any other provision hereof, or any provision of any employment agreement between the Corporation (or any Subsidiary) and an Eligible Person, in no event will any Eligible Person have any right to damages in respect of any loss of any right to be awarded Restricted Share Units pursuant to Section 3.1 after the Termination Date of such Eligible Person and no severance allowance, or termination settlement of any kind in respect of any Eligible Person will include or reflect any claim for such loss of right and no Eligible Person will have any right to assert, claim, seek or obtain, and shall not assert, claim, seek or obtain, any judgment or award in respect of or which includes or reflects any such right or claim for such loss of right.

ARTICLE 5 ADMINISTRATION

5.1 *Transferability*

Rights respecting Restricted Share Units shall not be transferable or assignable other than by will or the laws of descent and distribution.

5.2 *Administration*

The Committee shall, in its sole and absolute discretion, but subject to applicable corporate, securities and tax law requirements: (i) interpret and administer the Plan; (ii) establish, amend and rescind any rules and regulations relating to the Plan; and (iii) make any other determinations that the Committee deems necessary or desirable for the administration and operation of the Plan. The Committee may delegate to any person any administrative duties and powers under this Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the manner and to the extent the Committee deems, in its sole and absolute discretion, necessary or desirable. Any decision of the Committee with respect to the administration and interpretation of the Plan shall be conclusive and binding on the Eligible Person and his or her legal representative. The Board may establish policies respecting minimum ownership of Common Shares of the Corporation by Eligible Persons and the ability to elect Restricted Share Units to satisfy any such policy.

5.3 *Records*

The Corporation will maintain records indicating the number of Restricted Share Units credited to an Eligible Person under the Plan from time to time and the Grant Dates of such Restricted Share Units. Such records shall be conclusive as to all matters involved in the administration of this Plan.

5.4 *Statements*

The Corporation shall furnish annual statements to each Eligible Person indicating the number of Restricted Share Units credited to the Eligible Person and the Grant Dates of the Restricted Share Units and such other information that the Corporation considers relevant to the Eligible Person.

5.5 *Legal Compliance*

Without limiting the generality of the foregoing, the Committee may take such steps and require such documentation from Eligible Persons as the Committee may determine are desirable to ensure compliance with all applicable laws and legal requirements, including all applicable corporate and securities laws and regulations of any country, and any political subdivisions thereof, and the by-laws, rules and regulations of any stock exchanges or other organized market on which Common Shares may from time to time be listed or posted and any applicable provisions of the *Income Tax Act* (Canada), as amended or income tax legislation or any other jurisdiction and an Eligible Person resident in the United Kingdom will, if requested to do so by the Committee, enter into a joint election with the Corporation or other company by which the Eligible Person is employed, under section 431(1) or 431(2) of the United Kingdom Income Tax (Earnings and Pensions) Act 2003 in relation to any Common Shares issued under the Plan before or within 14 days after the date of issue.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 *Amendment*

- (a) The Board reserves the right, in its sole discretion, to amend, suspend or terminate the Plan or any portion thereof at any time, in accordance with applicable legislation, provided that no such amendment, suspension or termination may (i) be made without obtaining any required regulatory or shareholder approvals, or (ii) adversely affect the rights of any Eligible Person with respect to the Restricted Share Units to which the Eligible Person is then entitled under the Plan without the consent of the Eligible Person. Notwithstanding the foregoing, the Corporation will be required to obtain shareholder approval or, if required under the TSXV Policies, Disinterested Shareholder and Exchange approval, for any amendment related to:
 - (i) increasing the number or percentage of issued and outstanding Common Shares available for grant under the Plan;
 - (ii) a change in the method of calculation of redemption of Restricted Share Units held by Eligible Persons;
 - (iii) an extension to the term for redemption of Restricted Share Units held by Eligible Persons;
 - (iv) permitting the Restricted Share Units granted under this Plan to be transferrable or assignable other than for normal estate settlement purposes; and

- (b) Unless an Eligible Person otherwise agrees, any amendment to the Plan or Restricted Share Unit shall apply only in respect of Restricted Share Units granted on or after the date of such amendment.
- (c) Without limiting the generality of the foregoing, the Board may make the following amendments to the Plan, without obtaining shareholder approval:
 - (i) amendments to the terms and conditions of the Plan necessary to ensure that the Plan complies with the applicable regulatory requirements, including the rules of the Exchange, in place from time to time;

- (ii) amendments to the provisions of the Plan respecting administration of the Plan and eligibility for participation under the Plan;
- (iii) amendments to the provisions of the Plan respecting the terms and conditions on which Restricted Share Units may be granted pursuant to the Plan, including the provisions relating to the payment of the Restricted Share Units;
- (iv) amendments to the Plan that are of a “housekeeping” nature; and
- (v) any other amendment, fundamental or otherwise, not requiring shareholder approval under applicable laws or applicable rules of the Exchange,

provided, however, that no such amendment of the Plan may be made without the consent of each affected Eligible Person in the Plan if such amendment would adversely affect the rights of such affected Eligible Person(s) under the Plan.

6.2 Termination of the Plan

The Board may from time to time amend or suspend this Plan in whole or in part and may at any time terminate this Plan. No such amendment, suspension or termination shall adversely affect the rights of any Eligible Person at the time of such amendment, suspension or termination with respect to outstanding and unredeemed Restricted Share Units credited to such Eligible Person without the consent of the affected Eligible Person. If the Board terminates the Plan, no new Restricted Share Units will be awarded to any Eligible Person, but outstanding and unredeemed previously credited Restricted Share Units shall remain outstanding, be entitled to payments as provided under Section 3.5, and be paid in accordance with the terms and conditions of this Plan existing at the time of termination. This Plan will finally cease to operate for all purposes when the last remaining Eligible Person receives a payment in satisfaction of all outstanding and unredeemed Restricted Share Units credited to such Eligible Person, or all outstanding and unredeemed Restricted Share Units credited to such Eligible Person are cancelled pursuant to the provisions thereof.

A holder of Restricted Share Units shall not have rights as a shareholder of the Corporation with respect to any Common Shares which may be issuable pursuant to the Restricted Share Units so held, whether voting, right on liquidation or otherwise.

7.2 No Right to Employment or Compensation

This Plan shall not be interpreted as either an employment or trust agreement or as forming part of either. Nothing in this Plan nor any Committee guidelines or any agreement referred to in Section 2.5 nor any action taken hereunder shall be construed as giving any Eligible Person the right to be retained in the continued employ or service of the Corporation or applicable Subsidiary, or giving any Eligible Person or any other person the right to receive any benefits not specifically expressly provided in this Plan nor shall it interfere in any way with any other right of the Corporation or applicable Subsidiary to terminate the employment or service of any Eligible Person at any time. If, on termination of the Eligible Person’s employment, the Eligible Person loses any of the rights or benefits under the Plan or any related documents (including without limitation, pursuant to the exercise of any discretion), they shall not be entitled to compensation, whether for loss of employment or otherwise, for the loss of any rights or benefits under such Plan or such related documents.

7.3 Right to Funds

Neither the establishment of this Plan nor the granting of Restricted Share Units under this Plan shall be deemed to create a trust. Amounts payable to any Eligible Person under the Plan shall be a general, unsecured obligation of the Corporation. The right of the Employees to receive payment pursuant to this Plan shall be no greater than the right of other unsecured creditors of the Corporation.
