Background

On 24 July 2013, the Issuer issued the €€240,000,000 Class A Secured Floating Rate Notes due 2026 (the "**Original Class A Notes**"), €40,000,000 Class B Secured Floating Rate Notes due 2026 (the "**Original Class B Notes**"), €26,000,000 Class C Secured Deferrable Floating Rate Notes due 2026 (the "**Original Class C Notes**"), €17,000,000 Class D Secured Deferrable Floating Rate Notes due 2026 (the "**Original Class D Notes**"), €15,000,000 Class E Secured Deferrable Floating Rate Notes due 2026 (the "**Original Class E Notes**" and, together with the Original Class A Notes, the Original Class B Notes, the Original Class C Notes and the Original Class D Notes, the "**Refinanced Notes**") and €62,000,000 Subordinated Notes due 2026 (the "**Subordinated Notes**" and, together with the Refinanced Notes, the "**Original Notes**").

On 15 February 2017, the Issuer redeemed in full the Original Class A Notes, the Original Class B Notes, the Original Class C Notes and the Original Class D Notes and the Original Class F Notes and issued €241,000,000 Class A-R Secured Floating Rate Notes due 2030 (the "**Class A-R Notes**"), €40,000,000 Class B-R Secured Floating Rate Notes due 2030 (the "**Class B-R Notes**"), €28,500,000 Class C-R Secured Deferrable Floating Rate Notes due 2030 (the "**Class C-R Notes**"), €21,500,000 Class D-R Secured Deferrable Floating Rate Notes due 2030 (the "**Class D-R Notes**"), the €25,000,000 Class E-R Secured Deferrable Floating Rate Notes due 2030 (the "**Class E-R Notes**") and €11,000,000 Class F-R Secured Deferrable Floating Rate Notes due 2030 (the "**Class F-R Notes**" and, together with the Class A-R Notes, the Class B-R Notes, the Class C-R Notes, the Class D-R Notes, and the Class E-R Notes, the "**Rated Notes**" and, together with the Subordinated Notes, the "**Notes**"). The Notes were issued and secured pursuant to the Trust Deed.

The Investment Manager now wishes to redeem the Notes (the "**Special Redemption**") and to enter into a new securitisation, as further detailed below, for the purpose of allowing Intermediate Capital Managers Limited, as Retention Holder, to retain not less than 5% of the principal amount outstanding of each class of 2018 Notes (the "**2018 Retention Notes**") as an originator manager for the purposes of the EU Retention Requirements.

The Investment Manager will solicit the holders of the notes issued by each of the Relevant St Paul's Issuers to enter into a procedure substantially similar to that set out in this Consent Solicitation Memorandum.

Proposals

1. It is proposed that, at the option of each Class of Noteholders acting by Extraordinary Resolution, and notwithstanding any other provision of the Conditions or the Transaction Documents, the Notes of each Class be redeemed in full on the Special Redemption Date, all Transaction Documents be terminated and the security constituted by the Trust Deed in favour of the Trustee for the benefit of the Secured Parties be released pursuant to the Deed of Termination and Release.
2. It is anticipated that:
 - (a) the Rated Notes will be redeemed at their respective Redemption Prices, calculated in accordance with the Conditions, (including interest (including Deferred Interest) accrued and unpaid up to but excluding the Special Redemption Date) in accordance with the Note Payment Sequence; and
 - (b) the Subordinated Notes will be redeemed at the amount equal to the Subordinated Redemption Amount.
3. Once the Meeting of each Class of Noteholders is held in accordance with Schedule 5 (*Provisions for Meetings of the Noteholders of each Class*) of the Trust Deed and "*The Consent Solicitation*" below, the Issuer will give notice in writing of the result thereof to Noteholders within 14 days and to the Rating Agencies pursuant to Section 10 (*Effect and Publication of a Resolution*) of Schedule 5 (*Provisions for Meetings of the Noteholders of each Class*) of the Trust Deed.
4. ***Noteholders should be aware that, notwithstanding the passing of the Extraordinary Resolutions of all Classes of Notes, the implementation of the Proposals is at the sole and unfettered discretion of the Investment Manager which discretion may be exercised at any time prior to the Special Redemption Date. Any such determination by the Investment Manager will be final and binding upon all parties and no Noteholder will be entitled to the Consent Fee.***
5. If all Extraordinary Resolutions are passed by the Noteholders, as soon as practicable following the passing of the Extraordinary Resolutions, the Investment Manager may specify the Special Redemption Date, which shall be no later than 60 days from the passing of the Extraordinary Resolutions, and will notify the Issuer of such date. The Issuer will then notify the Trustee, the Agents and the Noteholders, in accordance with Condition 16 (*Notices*) of the Special Redemption Date. ***Notice of the Special Redemption Date is reversible at the discretion of the Investment Manager who may cancel the redemption at any time prior to the Special Redemption Date as described in paragraph 4 above.***
6. If the Investment Manager exercises its discretion to reverse a notice of the Special Redemption Date or to otherwise refrain from proceeding with implementing the Proposals, any Extraordinary Resolutions passed shall be deemed to be null and void and the Consent Fee will not be payable.
7. For the avoidance of doubt, the Issuer may notify the Noteholders of the matters specified at paragraph 3 and paragraph 5 above by way of the same notice.
8. The Investment Manager will, in consultation with the Trustee and the Collateral Administrator, determine the Proposal Expenses and, prior to the Special Redemption Date, deposit an amount equal to the Proposal Expenses in the Payment Account to be applied on the Special Redemption Date in payment of such Proposal Expenses. For the

purposes of the Priorities of Payment, the Proposal Expenses shall be treated as Refinancing Costs.

9. As soon as practicable following the notification of the Special Redemption Date by the Investment Manager, Virtus Group L.P. (the "**Collateral Administrator**"), in consultation with the Investment Manager, will calculate the Special Redemption Amount (as defined below) and will notify the Issuer, the Trustee, the Investment Manager and the Noteholders, in accordance with Condition 16 (*Notices*), of such amount. The 2018 Notes will only be redeemed if the aggregate of (i) the expected proceeds of the issuance of the 2018 Notes and (ii) the amount deposited in the Payment Account by the Investment Manager for the purpose of discharging the Proposal Expenses are sufficient to meet the Special Redemption Amount.
10. Upon determining the principal amounts (taking into account any premium or discount relating to new subordinated notes) of the 2018 Notes, the Investment Manager will notify the Noteholders, in accordance with Condition 16 (*Notices*), that the aggregate of (i) the expected proceeds of the issuance of the 2018 Notes and (ii) the amount deposited in the Payment Account by the Investment Manager for the purpose of discharging the Proposal Expenses are sufficient to meet the Special Redemption Amount.
11. It is proposed that the 2018 Notes will be issued by the Issuer on the Special Redemption Date with substantially the same terms and conditions currently applicable to the Notes (as set out in the Trust Deed) including, but not limited to:
 - (a) The S&P Rating and the Fitch Rating of each Class;
 - (b) the Rate of Interest and Applicable Margin applicable to each Class;
 - (c) the Non-Call Period;
 - (d) the provisions relating to Redemption;
 - (e) the Priorities of Payment;
 - (f) the Investment Management Fees; and
 - (g) the Eligibility Criteria and Portfolio Profile Tests.
12. It is further proposed that the terms and conditions of the 2018 Notes will be revised, as compared with the Conditions of the Notes to allow for:
 - (a) Intermediate Capital Managers Limited (in its capacity as retention holder, the "**Retention Holder**") retaining the 2018 Retention Notes, on an on-going basis for so long as any class of 2018 Notes remains Outstanding, as an originator manager for the purposes of the EU Retention Requirements;
 - (b) for the purpose of complying with the EU Retention Requirements, the 2018 Retention Notes being a vertical retention of not less than 5% of the principal amount outstanding of each class of the 2018 Notes rather than a horizontal retention;
 - (c) an amendment of the Incentive Investment Management Fee IRR Threshold (to take into account payments on the Outstanding Subordinated Notes made prior to the Special Redemption Date);
 - (d) amending the definition of "Accrual Period" such that the first accrual period in respect of the 2018 Notes after the Special Redemption Date is the period from and including the last Payment Date prior to the Special Redemption Date to but excluding the first payment date after the Special Redemption Date;

- (e) any changes required by the Rating Agencies to ensure that the S&P Ratings and the Fitch Ratings of the 2018 Notes are the same as those for the corresponding classes of Rated Notes;
 - (f) amendments necessary such that Collateral Obligations which satisfied the Eligibility Criteria on the date of original acquisition will not be re-tested to determine whether they satisfy the applicable eligibility criteria on the Special Redemption Date; and
 - (g) such other consequential changes as are necessary and appropriate, in the Investment Manager's opinion, acting reasonably and in good faith, to the redemption of the Notes and issue of the 2018 Notes.
13. After the passing of the Extraordinary Resolutions, the Issuer intends to distribute to the Noteholders (and to any other potential investors in the 2018 Notes) and to publish on Euronext Dublin an offering circular prepared by it for use in connection with the offer and sale of the 2018 Notes and such offering circular will contain, *inter alia*, the terms and conditions of the 2018 Notes.
 14. The Issuer proposes to afford each Noteholder a right to purchase Replacement 2018 Notes and it is intended that the Placement Agent will contact each Noteholder with an offer of 2018 Notes corresponding to the Principal Amount Outstanding as such Noteholder holds of the Notes on the date of the Meeting and the Noteholders shall have priority in the allocation of such 2018 Notes.
 15. ***Paragraph 14 is an indication of the current intention of the Issuer and the Investment Manager only and there is no guarantee that an offer, such as is described in paragraph 14 will be made to the Noteholders but, if such an offer is made, it should be made to all of the Noteholders. Nothing in this Consent Solicitation Memorandum constitutes an offer of the 2018 Notes or otherwise binds the Issuer, the Placement Agent or any other person in making any such offer in future. The Placement Agent makes no representation nor gives any assurance or recommendation as to the suitability or otherwise of the Proposals or any other matter contained herein to any person and shall assume no liability whatsoever to any person in connection with the contents hereof.***
 16. The Issuer will deposit, or cause to be deposited, the funds resulting from the issue of the 2018 Notes which are required for the redemption of the Notes into the Payment Account on the Special Redemption Date and the Notes will be redeemed on the Special Redemption Date out of Balances standing to the credit of the Payment Account. Any funds resulting from the issue of the 2018 Notes which exceed the aggregate Redemption Prices of the Notes shall be retained in the Unused Proceeds Account.
 17. It is anticipated that the parties to the Transaction Documents will enter into the Deed of Termination and Release whereby they will agree to terminate each of the Transaction Documents, to discharge all rights and benefits accruing to, and obligations owed by, the parties thereto, to waive any claims and/or rights such parties may have against the Issuer and each of the other parties under the Transaction Documents and the Trustee will release and discharge all of the charges, pledges, assignments and other security constituted by the Trust Deed.
 18. Once issued, the Issuer will procure that the 2018 Notes of each Class are listed on the Global Exchange Market of Euronext Dublin.
 19. It is intended that the parties to the Transaction Documents will enter into the following transaction documents in respect of the 2018 Notes:
 - (a) a trust deed (including terms and conditions of the 2018 Notes);

- (b) a collateral administration and agency agreement;
- (c) a risk retention letter;
- (d) an investment management agreement;
- (e) a placement agency agreement; and
- (f) if relevant, hedge agreements,

each in substantially the same form as the Transaction Documents save for any amendments described in paragraph 12 above.

20. To facilitate the Retention Holder holding the 2018 Retention Notes in the form of a vertical retention of not less than 5 per cent. of the principal amount outstanding of each such class of 2018 Notes, the Issuer may issue additional 2018 Notes of each class of 2018 Notes, at the 2018 Note Price plus an amount equal to the pro rata share of the 2018 Accrued Interest (reduced pro rata to take into account the increased principal amount outstanding of the 2018 Notes), in an amount not less than 5 per cent. of the resulting principal amount outstanding of each such class (the “**Additional 2018 Notes**”). The Retention Holder may subscribe for the Additional 2018 Notes which are rated notes.

Paragraphs 1 to 20 above are referred to as the "**Proposals**".

THE CONSENT SOLICITATION

General

On the terms and subject to the conditions contained in this Consent Solicitation Memorandum, the Issuer at the request of the Investment Manager is soliciting the approval of the Proposals by Noteholders of each Class by way of separate Extraordinary Resolutions pursuant to the Conditions and the Trust Deed.

Consent Fee

Subject to satisfaction of the Conditions Precedent, Noteholders who submit a Voting Instruction in the manner described in "*The Consent Solicitation - Procedure for Voting*" in favour of the relevant Extraordinary Resolution and who purchases Replacement 2018 Notes will be eligible to receive a Consent Fee of 0.1 per cent. of the aggregate principal amount of Notes which are the subject of such Voting Instruction and which are held by the relevant Noteholder on the date of the relevant Meeting.

Any Noteholder that does not deliver a Voting Instruction in favour of the relevant Extraordinary Resolution or that does not purchase Replacement 2018 Notes will not be eligible for the Consent Fee.

The payment of the Consent Fee is conditional upon the satisfaction of the Conditions Precedent and will be payable to eligible Noteholders on the Special Redemption Date in immediately available funds delivered to accounts (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) of the relevant Noteholders as notified by such Noteholders to the Tabulation Agent. The deposit of immediately available funds in such accounts of the relevant Noteholders will discharge the obligation of the Issuer to all Noteholders in respect of the above amounts represented by such funds.

Allocation Codes and Subscription for Replacement 2018 Notes

Noteholders who intend to vote (or have their votes included in block voting instruction) in favour of the Extraordinary Resolution in respect of the Class of Notes held by it and to purchase Replacement 2018 Notes (a) shall block their Notes through the Clearing System until the earlier of (i) the conclusion of the Meeting and any adjourned Meeting and (ii) the withdrawal of the blocking instruction in accordance with the normal operating procedures of such Clearing System (provided that, if such blocking instruction is withdrawn, the relevant Noteholder shall not be entitled to receive the Consent Fee); and (b) shall request that the Placement Agent provide it with an Allocation Code prior to casting its vote.

A Noteholder wishing to attend the Meeting shall provide the Tabulation Agent with its Allocation Code and the Tabulation Agent shall then provide such Noteholder with a voting certificate (including the Allocation Code). In the event that any Noteholder which votes at the Meeting does not satisfy all limbs of paragraph (b) of the Conditions Precedent, the Allocation Code provided to such Noteholder shall be deemed to be null and void.

A Noteholder that does not wish to attend the Meeting but wishes to have its votes included in a block voting instruction in favour of the Extraordinary Resolution and that intends to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and such Noteholder shall provide its Allocation Code to the depositary acting on its behalf at the time its vote is cast and the depositary shall in turn provide the Allocation Codes to the Tabulation Agent. A Noteholder that does not wish to attend the Meeting but wishes to have its votes included in a block voting instruction in favour of the Extraordinary Resolution and does not intend to purchase Replacement 2018 Notes shall not obtain an Allocation Code from the Placement Agent prior to casting its vote.

If each of the Extraordinary Resolutions passes and the Investment Manager determines that the Proposals shall be implemented, each Noteholder which has voted in favour of the Extraordinary Resolution and which wishes to purchase Replacement 2018 Notes (each a "**Consenting Noteholder**") shall provide its Allocation Code to the Placement Agent upon its entering into a binding commitment to purchase such 2018 Notes.

The Placement Agent shall maintain a record of Allocation Codes and the Noteholders to whom Allocation Codes have been provided and shall provide such record to the Tabulation Agent who shall reconcile the Allocation Codes provided to it by or on behalf of the Noteholders in relation to the Meeting with those provided to it by the Placement Agent in relation to the purchase of 2018 Notes in order to determine to which Noteholders and in what amount the Consent Fee shall be paid by the Issuer.

Procedure for Voting

If a holder of Notes wishes to attend in person and vote at the Meeting (or any adjourned Meeting), it must deposit the Notes with the Tabulation Agent or to the order of the Tabulation Agent with a bank or other depository nominated by the Tabulation Agent for that purpose, in the case of Definitive Certificates, or procure to block such Notes in the Clearing Systems for that purpose, in the case of Global Notes, at least 48 hours before the time fixed for the meeting and provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied. The Tabulation Agent shall then issue a voting certificate (including an Allocation Code) in respect of such Noteholder pursuant to which it will, subject to its producing evidence of holding satisfactory to the Tabulation Agent and the Trustee at the Meeting, be permitted to attend and vote at the Meeting.

A Noteholder not wishing to attend the Meeting (or any adjourned Meeting) in person may request that the votes attributable to the Notes held by it be included in a block voting instruction for the Meeting (or any adjourned Meeting) and will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting. In order to do this, such Noteholder must deposit the Notes held by it with the Tabulation Agent or to the order of the Tabulation Agent with a bank or other depository nominated by the Tabulation Agent for that purpose, in the case of Definitive Certificates, or procure to block such Notes in the Clearing Systems for that purpose, in the case of Global Notes, together with a valid Voting Instruction at least 48 hours before the time fixed for the meeting and (in the case of holders who wish to vote in favour of the Extraordinary Resolution and who intend to purchase Replacement 2018 Notes) provide the Tabulation Agent with details of its Allocation Code and details of the account (with Euroclear or Clearstream, Luxembourg) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied. A Noteholder that does not wish to attend the Meeting but wishes to have its votes included in a block voting instruction in favour of the Extraordinary Resolution and does not intend to purchase Replacement 2018 Notes shall not obtain an Allocation Code from the Placement Agent prior to casting its vote.

The Tabulation Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited or blocked and such block voting instruction shall appoint the Tabulation Agent to attend as a proxy and vote at the Meeting (or any adjourned Meeting).

A Noteholder must notify the Tabulation Agent that it:

- (a) by block voting instruction, consents to the Proposals, together with an Allocation Code, in the case of Noteholders that satisfy all of the Conditions Precedent;
- (b) by block voting instruction, consents to the Proposals, without an Allocation Code, in the case of a Noteholder that does not satisfy all of the Conditions Precedent;
- (c) by block voting instruction, rejects the Proposals;
- (d) abstains from voting; or
- (e) intends to attend the relevant Meeting.

Noteholders may contact the Tabulation Agent via email or at its telephone number provided on page 4 of this Consent Solicitation Memorandum if they require assistance or information in relation to the procedures for voting.

Only Direct Participants may submit a Voting Instruction. If you are not a Direct Participant, you must arrange for the Direct Participant through which you hold the relevant Notes to submit a Voting Instruction on your behalf.

Holders of Notes that are held in the name of a broker, dealer, bank, trust company or other nominee or custodian should contact such entity sufficiently in advance of the Meeting if they

wish to vote and procure that the relevant Notes are blocked in accordance with the standard procedures of the relevant Clearing System and the deadlines imposed by such Clearing System.

By blocking their Notes through Euroclear or Clearstream, Luxembourg, Direct Participants in Euroclear or Clearstream, Luxembourg are deemed to authorise Euroclear or Clearstream, Luxembourg, as applicable, to disclose: (a) their identity; (b) the aggregate principal amount of Notes which are the subject of such blocking instruction in relation thereto; and (c) their Euroclear or Clearstream, Luxembourg account details, to the Tabulation Agent for disclosure to the Issuer, the Trustee, the Investment Manager and their respective advisors.

Noteholders are advised to check with any broker, dealer, bank, custodian, trust company or other trustee through which they hold Notes whether such broker, dealer, bank, custodian, trust company or other trustee would require to receive any notice or instructions prior to the deadlines set out in “*Indicative Solicitation Timetable*”.

None of the Issuer, the Investment Manager, the Trustee or the Paying Agents shall be under any duty to give notice to Noteholders of any defects, irregularities or delays in any Voting Instructions, nor shall any of them incur any liability for failure to give such notice.

Restrictions on Transfer

The receipt of a blocking instruction by the relevant Clearing System will be acknowledged in accordance with the standard practices of such Clearing System and will result in the blocking of the relevant Notes in the relevant Clearing System so that no transfer may be effected in relation to such Notes until the earlier of (i) the conclusion of the relevant Meeting and any adjourned Meeting and (ii) the withdrawal of the blocking instruction in accordance with the normal operating procedures of such Clearing System (provided that, if such blocking instruction is withdrawn, the relevant Noteholder shall not be entitled to receive the Consent Fee), and after taking into account the deadlines imposed by such Clearing System. Noteholders must take the appropriate steps through the relevant Clearing System so that no transfers or other action may be effected in relation to such blocked Notes at any time after the date of submission of such blocking instruction, in accordance with the requirements of the relevant Clearing System and the deadlines required by such Clearing System. By blocking the Notes in the relevant Clearing System, each holder of such Notes will be deemed to consent to have the relevant Clearing System provide details concerning such holder’s identity to the Tabulation Agent.

Acknowledgements, Agreements, Representations, Warranties and Undertakings

By submitting a valid Voting Instruction, a Noteholder and any Direct Participant submitting such Voting Instruction on such Noteholder’s behalf shall be deemed to agree, and acknowledge, represent, warrant and undertake, to the Issuer and the Tabulation Agent at the Meeting and the time of settlement on the Special Redemption Date (if a Noteholder or Direct Participant is unable to make any such agreement or acknowledgement or give any such representation, warranty or undertaking, such Noteholder or Direct Participant should contact the Tabulation Agent immediately) that:

Additional Terms of the Consent Solicitation

- (a) Save as otherwise provided herein, any notice or announcement given to a Noteholder in connection with the Consent Solicitation will be deemed to have been duly given if delivered to the Tabulation Agent for onward transmission to the Clearing Systems.
- (b) If any Voting Instruction or other communication (whether electronic or otherwise) addressed to the Issuer or the Tabulation Agent is communicated on behalf of a Noteholder (by an attorney-in-fact, custodian, trustee, administrator, director or officer of a corporation or any other person acting in a fiduciary or representative capacity) that fact must be indicated in the relevant communication, and a power of attorney or other form of authority, in a form satisfactory to the Issuer, must be delivered to the Tabulation Agent before the Meeting. Failure to submit such evidence as aforesaid may result in rejection of the acceptance. Neither the Issuer nor the Tabulation Agent shall have any responsibility to check the genuineness of any such power of attorney or other form of authority so delivered and may conclusively rely on, and shall be protected in acting in reliance upon, any such power of attorney or other form of authority.

Responsibility for Delivery of Voting Instructions

- (a) None of the Issuer, the Trustee, the Investment Manager or any Paying Agent will be responsible for the communication of Voting Instructions by:
 - (i) Beneficial Owners to the Noteholder through which they hold Notes;
 - (ii) the Noteholder to the relevant Clearing System; or
 - (iii) the Clearing Systems.
- (b) If a Beneficial Owner holds its Notes through another Noteholder, such Beneficial Owner should contact that Noteholder to discuss the manner in which transmission of the Voting Instruction may be made on its behalf.
- (c) In the event that the Noteholder through which a Beneficial Owner holds its Notes is unable to submit a Voting Instruction on its behalf, such Beneficial Owner should contact the Tabulation Agent for assistance.

- (d) Noteholders and Beneficial Owners are solely responsible for arranging the timely delivery of their Voting Instructions.
- (e) If a Beneficial Owner submits instructions in respect of its Notes through another Noteholder, such Beneficial Owner should consult with that Noteholder as to whether it will charge any service fees in connection with the participation in the Consent Solicitation.

Revocation

- (a) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Following the submission of an electronic withdrawal instruction, the Tabulation Agent will advise the relevant Clearing System that the relevant Notes may be unblocked. Please note that a Noteholder that withdraws its blocking instruction (and does issue a new blocking instruction in respect of its Notes in accordance with paragraph (b)) shall not be entitled to receive the Consent Fee notwithstanding that it satisfies the Conditions Precedent
- (b) Where an amendment is made to the terms of the Proposal (see “*Extension, Amendment and Termination*” below), the Noteholders shall have the right to revoke their Voting Instruction, as described in paragraph (a) above, and may make a new Voting Instruction no later than 48 hours prior to the Meeting (“**Vote Amendment Deadline**”).

Extension, Amendment and Termination

Subject as set out below, the Issuer, acting on the instructions of the Investment Manager acting in its sole discretion, reserves the right to waive, amend and modify any or all of the Proposals set out in this Consent Solicitation Memorandum provided that such waiver, amendment or modification is determined by the Trustee to not be prejudicial to the interests of the Noteholders. For the avoidance of doubt, an increase of the applicable Consent Fee shall not be considered to be prejudicial to the interests of the Noteholders.

The Issuer shall notify the Noteholders of any such waiver, amendment or modification as soon as is reasonably practicable after it is made and, in any event, not later than 5:00 p.m. on the 10th day prior to the Vote Amendment Deadline by giving notice using the methods set out in “*Announcements*” above. Where such waiver, amendment or modification is made, the Noteholders shall have the right to revoke their Voting Instruction and may make a new Voting Instruction no later than the Vote Amendment Deadline (see “*Revocation*” above).

The Issuer also reserves the right, acting on the instructions of the Investment Manager acting in its sole discretion, at any time prior to the Meeting, to terminate the Consent Solicitation or to refrain from entering into the Deed of Termination and Release even if the relevant Extraordinary Resolution is passed.

Binding

A valid Voting Instruction will constitute a binding agreement between the relevant Noteholder and the Issuer, effective on from the date and time of the relevant Meeting, in accordance with its terms and subject to the conditions set forth in this Consent Solicitation Memorandum.

Implementation

If the Extraordinary Resolutions are duly passed, the Proposals will be implemented on the Special Redemption Date.

Governing Law and Forum

The Consent Solicitation, this Consent Solicitation Memorandum, any form of proxy and all contracts resulting therefrom and any non-contractual obligation arising out of or in connection with any of them shall be governed by, and construed in accordance with, the laws of England.

The making by, or on behalf of, a Noteholder of a Voting Instruction constitutes his or her agreement to submit, for the benefit of the Issuer, the Trustee, the Investment Manager and the Tabulation Agent in relation to all matters arising out of or in connection with the Consent Solicitation, this Consent Solicitation Memorandum and all contracts resulting therefrom and any non-contractual obligation arising out of or in connection with any of them, to the exclusive jurisdiction of the courts of England.

TAX CONSEQUENCES

This Consent Solicitation Memorandum does not discuss the tax consequences to Noteholders of the Consent Solicitation or their receipt of the Consent Fee, if applicable. Noteholders are urged to consult their own professional advisors regarding these possible tax consequences under the laws of the jurisdictions that apply to them. Noteholders are liable for their own taxes and have no recourse to the Issuer, the Trustee, the Investment Manager or the Paying Agents with respect to taxes arising in connection with the Consent Solicitation.

RISK FACTORS AND OTHER CONSIDERATIONS

Before making a decision with respect to the Proposals, Noteholders should carefully consider, in addition to the other information contained in this Consent Solicitation Memorandum, the risk factors and other considerations set out in the Offering Circular and the following:

Implementation of the Proposals at the discretion of the Investment Manager

In order for the Proposals to be implemented, they must be approved by Extraordinary Resolutions of all of the Class A-R Noteholders, the Class B-R Noteholders, the Class C-R Noteholders, the Class D-R Noteholders, the Class E-R Noteholders, the Class F-R Noteholders and the Subordinated Noteholders at separate Meetings.

The implementation of the Proposals is at the sole discretion of the Investment Manager. Any such determination by the Investment Manager will be final and binding upon all parties. Therefore, Noteholders should be aware of the possibility that the Proposals may not be implemented, notwithstanding the passing of the Extraordinary Resolutions of all Classes of Notes. If the Investment Manager determines that the Proposals will not be implemented, then the Consent Fee will not be payable.

Until the Issuer announces whether the Extraordinary Resolutions have been passed and the Investment Manager determines that the Proposals should be implemented, no assurance can be given that the Proposals will be implemented. If all Extraordinary Resolutions are passed by the Noteholders, as soon as practicable following the passing of the Extraordinary Resolutions, the Investment Manager may specify the Special Redemption Date, which shall be no later than 60 days from the passing of the Extraordinary Resolutions. However, notice of the Special Redemption Date is not irrevocable and the Investment Manager may cancel the redemption at any time prior to the Special Redemption Date. In such circumstances, any Extraordinary Resolutions passed shall be deemed to be null and void.

Relevant St Paul's Issuers

It is intended that, on or around the Special Redemption Date, each of the Relevant St Paul's Issuers will also redeem the notes issued by it and issue new notes in accordance with a procedure substantially similar to that set out in this Consent Solicitation Memorandum. While the implementation of the Proposals is in the Investment Manager's unfettered discretion, such discretion will be informed by whether or not the Relevant St Paul's Issuers redeem the notes issued by them as intended by the Investment Manager.

Other risks relating to the implementation of the Proposals

Noteholders should be aware that there a number of factors which are prerequisite to the implementation of the Proposals and which cannot be guaranteed. These include, but are not limited to, the passing of the Extraordinary Resolutions of each Class of Noteholders, the entry by the parties to the Transaction Documents into the Deed of Termination and Release, the entry by the parties to the Transaction Documents or by satisfactory successor or replacement parties into transaction documents relating to the issue of the 2018 Notes and the successful issue of the 2018 Notes on substantially the same terms as the Notes.

Market Value

The Subordinated Notes will be redeemed at the amount equal to the Market Value of the Portfolio, determined by the Investment Manager on a bid-side basis, less the amounts payable in priority thereto in accordance with the Special Redemption Priority of Payments. Such Market Value calculation may be lower than the Redemption Price of the Subordinated Notes as would otherwise be determined in accordance with the Conditions.

Eligibility Criteria

Collateral Obligations which satisfied the Eligibility Criteria on the date of original acquisition will not be re-tested to determine whether they satisfy the applicable eligibility criteria on the Special Redemption Date. Therefore, it is possible that certain collateral obligations contained within the portfolio may not satisfy the applicable eligibility criteria on and after the Special Redemption Date.

Notes held through the Clearing Systems

In relation to making arrangements for the submission and revocation of blocking instructions for Global Notes or obtaining forms of proxy, in each case through the Clearing Systems, Noteholders holding Notes in Euroclear or Clearstream, Luxembourg should note the particular practice and policy of the relevant Clearing System, including any earlier deadlines set by such Clearing System.

Voting in respect of the Consent Solicitation

A Noteholder should make a valid Voting Instruction in respect of the relevant Extraordinary Resolution at the Meeting (or at least 48 hours prior to the Meeting, in the case of a direction as to how its votes are to be cast to be included in a block voting instruction) in accordance with the terms of this Consent Solicitation Memorandum. Only Direct Participants may validly deliver Voting Instructions. Noteholders who are not Direct Participants should arrange for the Direct Participant through which they hold their Notes to make a Voting Instruction on their behalf as more particularly described above under “*The Consent Solicitation – Procedure for Voting*”.

Consent Fee

Noteholders should note that the Consent Fee is only payable to a Noteholder who has obtained an Allocation Code from the Placement Agent prior to casting its vote, provided the Tabulation Agent with the applicable Allocation Code, either delivered or procured delivery on its behalf of a valid Voting Instruction (including the Allocation Code) in favour of the relevant Extraordinary Resolution in respect of the Consent Solicitation and who purchases Replacement 2018 Notes.

Noteholders should note that the Consent Fee is payable only if the Conditions Precedent (see “*Conditions Precedent*” below) are satisfied. See “*The Consent Solicitation – Consent Fee*” for further details.

Noteholders should particularly be aware that the Consent Fee will not be payable to a Noteholders that voted in favour of the relevant Extraordinary Resolution where such Noteholder does not purchase Replacement 2018 Notes. Noteholders who do not intend to purchase Replacement 2018 Notes should not request an Allocation Code from the Placement Agent.

Only Direct Participants may submit a valid Voting Instruction to the Tabulation Agent. To the extent that the beneficial owner of the relevant Notes is not a Direct Participant, the Consent Fee will only be paid to the relevant Direct Participant and such payment to the Direct Participant will satisfy the obligations of the Issuer in respect of the payment of the Consent Fee.

Amendment

Subject as set out below, the Issuer, acting on the instructions of the Investment Manager acting in its sole discretion, may waive, amend and modify any or all of the Proposals (including, but not limited to, increasing the applicable Consent Fee) provided that such waiver, amendment or modification is determined by the Trustee to not be prejudicial to the interests of the Noteholders. For the avoidance of doubt, an increase of the applicable Consent Fee shall not be considered to be prejudicial to the interests of the Noteholders.

The Issuer shall notify the Noteholders of any such waiver, amendment or modification as soon as is reasonably practicable after it is made and, in any event, not later than 5:00 p.m. on the 10th

day prior to the Vote Amendment Deadline. Where such waiver, amendment or modification is made, the Noteholders shall have the right to revoke their Voting Instruction and may make a new Voting Instruction no later than the Vote Amendment Deadline.

Blocking of Notes

When considering whether to deliver a blocking instruction, Noteholders should take into account that restrictions on the transfer of the relevant Class of Notes by Noteholders will apply from the time of submission of such blocking instruction.

The submission of a blocking instruction will constitute an instruction to block the relevant Noteholder's Notes in the relevant Clearing System account from the date the blocking instruction is submitted until the earlier of: (i) the conclusion of the Meeting and any adjourned Meeting and (ii) the withdrawal of the blocking instruction in accordance with the normal operating procedures of such Clearing System (provided that, if such blocking instruction is withdrawn, the relevant Noteholder shall not be entitled to receive the Consent Fee).

Extraordinary Resolutions Binding

If the Extraordinary Resolution is passed in respect of each Class of Notes, Noteholders who have not voted in connection with the Consent Solicitation will be bound by the resolution.

Responsibility to Consult Advisors

Each Noteholder is responsible for assessing the merits of the Consent Solicitation. None of the Issuer, the Trustee, the Investment Manager, the Trustee, the Tabulation Agent or the Principal Paying Agent has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of holders either as a class or as individuals. Noteholders should therefore consult their own tax, accounting, financial and legal advisors regarding the suitability to them of the tax or accounting consequences of participating or declining to participate in the Consent Solicitation.

Taxation

This Consent Solicitation Memorandum does not address the tax consequences of the Proposals, whether or not it is implemented. Noteholders who are in any doubt as to the tax position are encouraged to obtain specific tax advice by reference to their own particular or individual circumstances, in particular, Noteholders should consult their own independent advice regarding the tax implications of the receipt by them of the Consent Fee by reference to their own particular or individual circumstances.

Quorum and Adjourned Meetings

No business (except choosing a chairman) may be transacted at a meeting unless a quorum of one or more persons holding or representing not less than 66 2/3 per cent. of the aggregate Principal Amount Outstanding of the Notes of the relevant Class is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, the meeting shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as the chairman may decide. If a quorum of one or more persons holding or representing any Notes of the relevant Class is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved. In such circumstances, should the Issuer wish to make a further attempt to convene a Meeting to pass the relevant Extraordinary Resolution, it will have to re-initiate the process for convening such Meeting and give 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) to the Trustee, the Noteholders and other relevant parties.

Additional Issuances of Notes may Result in the Dilution of the Existing Noteholders

Any issuance and sale of the Additional 2018 Notes to facilitate the Retention Holder holding the 2018 Retention Notes in the form of a vertical retention of not less than 5 per cent. of the

principal amount outstanding of each class of the 2018 Notes will result in the proportion of the 2018 Notes held by each other holder being diluted in comparison to the proportion of the corresponding Class of Notes held by such holder.

CONDITIONS PRECEDENT

Payment of the relevant Consent Fees to a Noteholder is subject to:

- (a) the implementation of the Proposals; and
- (b) such Noteholder (i) obtaining an Allocation Code from the Placement Agent prior to casting its vote; (ii) providing the Tabulation Agent with the applicable Allocation Code; (iii) voting in favour of the Proposals (and its vote is accompanied by the relevant Allocation Code); and (iv) purchasing Replacement 2018 Notes,

the "**Conditions Precedent**".

Payment of the relevant Consent Fees in relation to each Class of Notes is also subject to any such payment being permissible in accordance with all applicable laws.

The Conditions Precedent above are for the sole benefit of the Issuer and may be waived by the Issuer (at the direction of the Investment Manager) in whole or in part, at any time and from time to time, at its discretion. Any determination by the Investment Manager concerning the Conditions Precedent (including whether or not they have been satisfied or shall be waived) will be final and binding upon all parties.

- (d) the Investment Management Agreement.

In accordance with normal practice, neither the Issuer nor the Trustee (or any of their respective advisors) has been involved in the formulation of the Proposals or has verified the information contained in any part of this Consent Solicitation Memorandum. Further, none of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) expresses any opinion as to the purpose or merits of the Proposals or as to the action Noteholders should take in relation to them and each person receiving this Consent Solicitation Memorandum acknowledges that such person has not relied upon any of the Issuer, the Trustee or the Investment Manager in connection with its decision on how to vote in relation to the Extraordinary Resolution. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) makes any representation regarding the accuracy, sufficiency, relevance or otherwise of any information contained in the Consent Solicitation Memorandum or otherwise disclosed or to be disclosed to Noteholders in connection with the Proposals. The summary descriptions set out in the section "Proposals" in the Consent Solicitation Memorandum have been provided to the Issuer by the Investment Manager and represent, to the best knowledge of the Investment Manager the procedure required to implement the Proposals and are being provided as background information to Noteholders to assist their determination of whether to approve the Proposals. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) accepts any liability in relation to the Proposals or the matters set out in the Consent Solicitation Memorandum.

Each Noteholder is solely responsible for making its own independent appraisal of all matters as such Noteholder deems appropriate and each Noteholder must make its own decision as to whether to consent to the proposal. The Tabulation Agent is the agent of the Issuer and owes no duty to any Noteholder.

GENERAL

Copies of the Trust Deed and this Notice are also available for inspection by Noteholders (a) on and from the date of this Notice up to and including the date of the Meeting, at the specified offices of the Paying Agents during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) up to and including the date of the Meeting; and (b) at the Meeting and at the offices of Paul Hastings (Europe) LLP, 8th Floor, 10 Bishops Square, London E1 6EG for 15 minutes before the Meeting.

The attention of Noteholders is particularly drawn to the procedures for voting, quorum and other requirements for the passing of this Extraordinary Resolution at the Meeting or any meeting held following any adjournment of the Meeting, which are set out below. This is not intended to be an exhaustive list. Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting.

The provisions governing the convening and holding of a meeting of the Noteholders are set out in Schedule 5 (*Provisions for Meetings of the Noteholders of Each Class*) to the Trust Deed, a copy of which is available for inspection by the Noteholders as set out above.

VOTING

A Noteholder may require the issue by the Tabulation Agent of voting certificates and block voting instructions in accordance with the terms below. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

A Noteholder that intends to vote (or have its vote included in a block voting instruction) in favour of this Extraordinary Resolution and to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and shall include such Allocation Code in its Voting Instruction which it submits to the Tabulation Agent. Noteholders that do not intend to purchase Replacement 2018 Notes should not obtain an Allocation Code from the Placement Agent prior to submitting its Voting Instruction.

A Noteholder must notify the Tabulation Agent that it:

- (a) by block voting instruction, consents to the Proposals, together with an Allocation Code, in the case of Noteholders that satisfy all of the Conditions Precedent;
- (b) by block voting instruction, consents to the Proposals, without an Allocation Code, in the case of a Noteholder that does not satisfy all of the Conditions Precedent;
- (c) by block voting instruction, rejects the Proposals;
- (d) abstains from voting; or
- (e) intends to attend the relevant Meeting.

Voting Certificate

- (a) A holder of a Note (not being a Note in respect of which instructions have been given to the Tabulation Agent in accordance with the section headed "*Block Voting Instruction*" below) wishing to attend in person and vote at the meeting (or any adjourned meeting) may procure the delivery of a voting certificate in respect of such Note by direction through the Clearing Systems to the Tabulation Agent specifying by name a person (an "**Identified Person**") (which need not be the holder himself) to collect the voting certificate and attend and vote at the meeting.
- (b) The voting certificate shall include an Allocation Code in the case of Noteholders that intend to satisfy the Conditions Precedent and to whom a Consent Fee is payable. Should a Noteholder fail to satisfy the Conditions Precedent, the Allocation Code shall be deemed to be null and void and such Noteholder shall not be eligible to receive a Consent Fee.
- (c) The relevant voting certificate will be made available at or shortly prior to the commencement of the meeting by the Tabulation Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Tabulation Agent and the Trustee. The Tabulation Agent and the Trustee may prescribe

forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes.

- (d) Subject to receipt by the Tabulation Agent, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such voting certificate and the form of identification against presentation of which such voting certificate should be released, the Tabulation Agent shall, without any obligation to make further enquiry, make available a voting certificate against presentation of the form of identification corresponding to that notified.
- (e) Each holder of a Note that receives a voting certificate shall also provide the Tabulation Agent with details of its Allocation Code (if applicable) and the account (with Euroclear or Clearstream, Luxembourg in the case of Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

Block Voting Instruction

- (a) A holder of a Note (not being a Note in respect of which a voting certificate has been issued) may require the Tabulation Agent to issue a block voting instruction in respect of such Note by way of a Voting Instruction to the Tabulation Agent to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. In such circumstances, such holder will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting.
- (b) Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Tabulation Agent of instructions, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Tabulation Agent shall, without any obligation to make further enquiry, attend the meeting as proxy for the holder of such Notes and cast votes in accordance with such instructions.
- (c) At least 48 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting) at which the proxy or proxies named in the block voting instruction proposes to vote, each block voting instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Tabulation Agent, shall be deposited by the Tabulation Agent with the person and place approved for this purpose by the Trustee. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.
- (d) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Where an amendment is made to the terms of the Proposal, a holder of a Note shall have the right to revoke its Voting Instruction and may make a new Voting Instruction no later than 48 hours prior to the Meeting.
- (e) Each holder of a Note in respect of which a block voting instruction is issued shall provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

QUORUM

- (a) The quorum for passing this Extraordinary Resolution shall be one or more persons holding or representing not less than $66 \frac{2}{3}$ per cent. of the aggregate Principal Amount Outstanding of the Notes.
- (b) If within 15 minutes after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business for which a quorum is present, it shall stand adjourned for such period, being not less than 14 Clear Days nor more than 42 Clear Days, and to such time and place as the Chairman may decide.
- (c) The quorum at such adjourned Meeting shall be one or more persons holding or representing any Notes. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then the meeting shall be dissolved.
- (d) Voting certificates and block voting instructions obtained in respect of the meeting shall remain valid for any such adjourned meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the meeting are insufficient to form a quorum for this Extraordinary Resolution, such Extraordinary Resolution cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the meeting in person or to arrange to be represented at the meeting as soon as possible.

CONDUCT OF BUSINESS AT MEETINGS

- (a) Every question submitted to the meeting will be decided on a show of hands unless a poll is duly demanded (before, or on the declaration of the result of, the show of hands) by the Chairman, the Issuer, the Trustee or one or more persons holding or representing two per cent., by reference to original principal amount, of the Notes for the time being Outstanding (whatever the Principal Amount Outstanding of the Notes so represented by him).
- (b) On a show of hands every person who is present in person and who produces a Note or a voting certificate or is a proxy (each, an "**Eligible Person**") shall have one vote. On a poll every Eligible Person who is so present shall have one vote in respect of each €1,000 in original principal amount of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. The holder of a Global Certificate shall be treated as having one vote for each €1,000 original principal amount of Notes represented by such Global Certificate. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- (c) To be passed at the meeting, the Extraordinary Resolution requires a majority in favour consisting of not less than $66 \frac{2}{3}$ per cent. of the Eligible Persons voting upon a show of hands or, if a poll is duly demanded, by a majority consisting of not less than $66 \frac{2}{3}$ per cent. of the votes cast on such poll. In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

VOTING

A Noteholder may require the issue by the Tabulation Agent of voting certificates and block voting instructions in accordance with the terms below. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

A Noteholder that intends to vote (or have its vote included in a block voting instruction) in favour of this Extraordinary Resolution and to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and shall include such Allocation Code in its Voting Instruction which it submits to the Tabulation Agent. Noteholders that do not intend to purchase Replacement 2018 Notes should not obtain an Allocation Code from the Placement Agent prior to submitting its Voting Instruction.

A Noteholder must notify the Tabulation Agent that it:

- (c) The relevant voting certificate will be made available at or shortly prior to the commencement of the meeting by the Tabulation Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Tabulation Agent and the Trustee. The Tabulation Agent and the Trustee may prescribe

forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes.

- (d) Subject to receipt by the Tabulation Agent, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such voting certificate and the form of identification against presentation of which such voting certificate should be released, the Tabulation Agent shall, without any obligation to make further enquiry, make available a voting certificate against presentation of the form of identification corresponding to that notified.
- (e) Each holder of a Note that receives a voting certificate shall also provide the Tabulation Agent with details of its Allocation Code (if applicable) and the account (with Euroclear or Clearstream, Luxembourg in the case of Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

Block Voting Instruction

In such circumstances, such holder will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting.
- (b) Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Tabulation Agent of instructions, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Tabulation Agent shall, without any obligation to make further enquiry, attend the meeting as proxy for the holder of such Notes and cast votes in accordance with such instructions.
- (c) At least 48 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting) at which the proxy or proxies named in the block voting instruction proposes to vote, each block voting instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Tabulation Agent, shall be deposited by the Tabulation Agent with the person and place approved for this purpose by the Trustee. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.

BACKGROUND

The Issuer on the request of the Investment Manager has convened the Meeting for the purpose of enabling Noteholders to consider and resolve, if they think fit, to pass this Extraordinary Resolution proposed in relation to the Notes.

The Extraordinary Resolution is being put to the Class D-R Noteholders for the reasons set out in the Consent Solicitation Memorandum.

Class D-R Noteholders are referred to the Consent Solicitation Memorandum which provides further background to, the full reasons for, and further implications of, the Proposals.

None of the directors of the Issuer has any interest in the Notes.

In accordance with normal practice, neither the Issuer nor the Trustee (or any of their respective advisors) has been involved in the formulation of the Proposals or has verified the information contained in any part of this Consent Solicitation Memorandum. Further, none of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) expresses any opinion as to the purpose or merits of the Proposals or as to the action Noteholders should take in relation to them and each person receiving this Consent Solicitation Memorandum acknowledges that such person has not relied upon any of the Issuer, the Trustee or the Investment Manager in connection with its decision on how to vote in relation to the Extraordinary Resolution. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) makes any representation regarding the accuracy, sufficiency, relevance or otherwise of any information contained in the Consent Solicitation Memorandum or otherwise disclosed or to be disclosed to Noteholders in connection with the Proposals. The summary descriptions set out in the section "Proposals" in the Consent Solicitation Memorandum have been provided to the Issuer by the Investment Manager and represent, to the best knowledge of the Investment Manager the procedure required to implement the Proposals and are being provided as background information to Noteholders to assist their determination of whether to approve the Proposals. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) accepts any liability in relation to the Proposals or the matters set out in the Consent Solicitation Memorandum.

Copies of the Trust Deed and this Notice are also available for inspection by Noteholders (a) on and from the date of this Notice up to and including the date of the Meeting, at the specified offices of the Paying Agents during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) up to and including the date of the Meeting; and (b) at the Meeting and at the offices of Paul Hastings (Europe) LLP, 8th Floor, 10 Bishops Square, London E1 6EG for 15 minutes before the Meeting.

The attention of Noteholders is particularly drawn to the procedures for voting, quorum and other requirements for the passing of this Extraordinary Resolution at the Meeting or any meeting held following any adjournment of the Meeting, which are set out below. This is not intended to be an exhaustive list. Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting.

The provisions governing the convening and holding of a meeting of the Noteholders are set out in Schedule 5 (*Provisions for Meetings of the Noteholders of Each Class*) to the Trust Deed, a copy of which is available for inspection by the Noteholders as set out above.

VOTING

A Noteholder may require the issue by the Tabulation Agent of voting certificates and block voting instructions in accordance with the terms below. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

A Noteholder that intends to vote (or have its vote included in a block voting instruction) in favour of this Extraordinary Resolution and to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and shall include such Allocation Code in its Voting Instruction which it submits to the Tabulation Agent. Noteholders that do not intend to purchase Replacement 2018 Notes should not obtain an Allocation Code from the Placement Agent prior to submitting its Voting Instruction.

A Noteholder must notify the Tabulation Agent that it:

- (a) by block voting instruction, consents to the Proposals, together with an Allocation Code, in the case of Noteholders that satisfy all of the Conditions Precedent;
- (b) by block voting instruction, consents to the Proposals, without an Allocation Code, in the case of a Noteholder that does not satisfy all of the Conditions Precedent;
- (c) by block voting instruction, rejects the Proposals;
- (d) abstains from voting; or
- (e) intends to attend the relevant Meeting.

Voting Certificate

- (a) A holder of a Note (not being a Note in respect of which instructions have been given to the Tabulation Agent in accordance with the section headed "*Block Voting Instruction*" below) wishing to attend in person and vote at the meeting (or any adjourned meeting) may procure the delivery of a voting certificate in respect of such Note by direction through the Clearing Systems to the Tabulation Agent specifying by name a person (an "**Identified Person**") (which need not be the holder himself) to collect the voting certificate and attend and vote at the meeting.
- (b) The voting certificate shall include an Allocation Code in the case of Noteholders that intend to satisfy the Conditions Precedent and to whom a Consent Fee is payable. Should a Noteholder fail to satisfy the Conditions Precedent, the Allocation Code shall be deemed to be null and void and such Noteholder shall not be eligible to receive a Consent Fee.
- (c) The relevant voting certificate will be made available at or shortly prior to the commencement of the meeting by the Tabulation Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Tabulation Agent and the Trustee. The Tabulation Agent and the Trustee may prescribe

forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes.

- (d) Subject to receipt by the Tabulation Agent, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such voting certificate and the form of identification against presentation of which such voting certificate should be released, the Tabulation Agent shall, without any obligation to make further enquiry, make available a voting certificate against presentation of the form of identification corresponding to that notified.
- (e) Each holder of a Note that receives a voting certificate shall also provide the Tabulation Agent with details of its Allocation Code (if applicable) and the account (with Euroclear or Clearstream, Luxembourg in the case of Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

Block Voting Instruction

- (a) A holder of a Note (not being a Note in respect of which a voting certificate has been issued) may require the Tabulation Agent to issue a block voting instruction in respect of such Note by way of a Voting Instruction to the Tabulation Agent to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. In such circumstances, such holder will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting.
- (b) Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Tabulation Agent of instructions, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Tabulation Agent shall, without any obligation to make further enquiry, attend the meeting as proxy for the holder of such Notes and cast votes in accordance with such instructions.
- (c) At least 48 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting) at which the proxy or proxies named in the block voting instruction proposes to vote, each block voting instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Tabulation Agent, shall be deposited by the Tabulation Agent with the person and place approved for this purpose by the Trustee. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.
- (d) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Where an amendment is made to the terms of the Proposal, a holder of a Note shall have the right to revoke its Voting Instruction and may make a new Voting Instruction no later than 48 hours prior to the Meeting.
- (e) Each holder of a Note in respect of which a block voting instruction is issued shall provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

QUORUM

- (a) The quorum for passing this Extraordinary Resolution shall be one or more persons holding or representing not less than 66 2/3 per cent. of the aggregate Principal Amount Outstanding of the Notes.
- (b) If within 15 minutes after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business for which a quorum is present, it shall stand adjourned for such period, being not less than 14 Clear Days nor more than 42 Clear Days, and to such time and place as the Chairman may decide.
- (c) The quorum at such adjourned Meeting shall be one or more persons holding or representing any Notes. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then the meeting shall be dissolved.
- (d) Voting certificates and block voting instructions obtained in respect of the meeting shall remain valid for any such adjourned meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the meeting are insufficient to form a quorum for this Extraordinary Resolution, such Extraordinary Resolution cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the meeting in person or to arrange to be represented at the meeting as soon as possible.

CONDUCT OF BUSINESS AT MEETINGS

- (a) Every question submitted to the meeting will be decided on a show of hands unless a poll is duly demanded (before, or on the declaration of the result of, the show of hands) by the Chairman, the Issuer, the Trustee or one or more persons holding or representing two per cent., by reference to original principal amount, of the Notes for the time being Outstanding (whatever the Principal Amount Outstanding of the Notes so represented by him).
- (b) On a show of hands every person who is present in person and who produces a Note or a voting certificate or is a proxy (each, an "**Eligible Person**") shall have one vote. On a poll every Eligible Person who is so present shall have one vote in respect of each €1,000 in original principal amount of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. The holder of a Global Certificate shall be treated as having one vote for each €1,000 original principal amount of Notes represented by such Global Certificate. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- (c) To be passed at the meeting, the Extraordinary Resolution requires a majority in favour consisting of not less than 66 2/3 per cent. of the Eligible Persons voting upon a show of hands or, if a poll is duly demanded, by a majority consisting of not less than 66 2/3 per cent. of the votes cast on such poll. In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.
- (d) If the Extraordinary Resolution is passed, it will be binding upon all the Noteholders, whether or not present at such Meeting and whether or not voting. The passing of such Extraordinary Resolution shall be conclusive evidence that the circumstances justify the passing thereof.
- (e) An Extraordinary Resolution passed at the meeting of the Class A-R Noteholders shall be binding on the Class B-R Noteholders, the Class C-R Noteholders, the Class D-R Noteholders, the Class E-R Noteholders, the Class F-R and the Subordinated

The attention of Noteholders is particularly drawn to the procedures for voting, quorum and other requirements for the passing of this Extraordinary Resolution at the Meeting or any meeting held following any adjournment of the Meeting, which are set out below. This is not intended to be an exhaustive list. Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting.

The provisions governing the convening and holding of a meeting of the Noteholders are set out in Schedule 5 (*Provisions for Meetings of the Noteholders of Each Class*) to the Trust Deed, a copy of which is available for inspection by the Noteholders as set out above.

VOTING

A Noteholder may require the issue by the Tabulation Agent of voting certificates and block voting instructions in accordance with the terms below. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

A Noteholder that intends to vote (or have its vote included in a block voting instruction) in favour of this Extraordinary Resolution and to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and shall include such Allocation Code in its Voting Instruction which it submits to the Tabulation Agent. Noteholders that do not intend to purchase Replacement 2018 Notes should not obtain an Allocation Code from the Placement Agent prior to submitting its Voting Instruction.

A Noteholder must notify the Tabulation Agent that it:

- (a) by block voting instruction, consents to the Proposals, together with an Allocation Code, in the case of Noteholders that satisfy all of the Conditions Precedent;
- (b) by block voting instruction, consents to the Proposals, without an Allocation Code, in the case of a Noteholder that does not satisfy all of the Conditions Precedent;
- (c) by block voting instruction, rejects the Proposals;
- (d) abstains from voting; or
- (e) intends to attend the relevant Meeting.

Voting Certificate

- (a) A holder of a Note (not being a Note in respect of which instructions have been given to the Tabulation Agent in accordance with the section headed "*Block Voting Instruction*" below) wishing to attend in person and vote at the meeting (or any adjourned meeting) may procure the delivery of a voting certificate in respect of such Note by direction through the Clearing Systems to the Tabulation Agent specifying by name a person (an "**Identified Person**") (which need not be the holder himself) to collect the voting certificate and attend and vote at the meeting.
- (b) The voting certificate shall include an Allocation Code in the case of Noteholders that intend to satisfy the Conditions Precedent and to whom a Consent Fee is payable. Should a Noteholder fail to satisfy the Conditions Precedent, the Allocation Code shall be deemed to be null and void and such Noteholder shall not be eligible to receive a Consent Fee.
- (c) The relevant voting certificate will be made available at or shortly prior to the commencement of the meeting by the Tabulation Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Tabulation Agent and the Trustee. The Tabulation Agent and the Trustee may prescribe

forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes.

- (d) Subject to receipt by the Tabulation Agent, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such voting certificate and the form of identification against presentation of which such voting certificate should be released, the Tabulation Agent shall, without any obligation to make further enquiry, make available a voting certificate against presentation of the form of identification corresponding to that notified.
- (e) Each holder of a Note that receives a voting certificate shall also provide the Tabulation Agent with details of its Allocation Code (if applicable) and the account (with Euroclear or Clearstream, Luxembourg in the case of Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

Block Voting Instruction

- (a) A holder of a Note (not being a Note in respect of which a voting certificate has been issued) may require the Tabulation Agent to issue a block voting instruction in respect of such Note by way of a Voting Instruction to the Tabulation Agent to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. In such circumstances, such holder will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting.
- (b) Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Tabulation Agent of instructions, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Tabulation Agent shall, without any obligation to make further enquiry, attend the meeting as proxy for the holder of such Notes and cast votes in accordance with such instructions.
- (c) At least 48 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting) at which the proxy or proxies named in the block voting instruction proposes to vote, each block voting instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Tabulation Agent, shall be deposited by the Tabulation Agent with the person and place approved for this purpose by the Trustee. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.
- (d) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Where an amendment is made to the terms of the Proposal, a holder of a Note shall have the right to revoke its Voting Instruction and may make a new Voting Instruction no later than 48 hours prior to the Meeting.
- (e) Each holder of a Note in respect of which a block voting instruction is issued shall provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

QUORUM

- (a) The quorum for passing this Extraordinary Resolution shall be one or more persons holding or representing not less than 66 2/3 per cent. of the aggregate Principal Amount Outstanding of the Notes.
- (b) If within 15 minutes after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business for which a quorum is present, it shall stand adjourned for such period, being not less than 14 Clear Days nor more than 42 Clear Days, and to such time and place as the Chairman may decide.
- (c) The quorum at such adjourned Meeting shall be one or more persons holding or representing any Notes. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then the meeting shall be dissolved.
- (d) Voting certificates and block voting instructions obtained in respect of the meeting shall remain valid for any such adjourned meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the meeting are insufficient to form a quorum for this Extraordinary Resolution, such Extraordinary Resolution cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the meeting in person or to arrange to be represented at the meeting as soon as possible.

CONDUCT OF BUSINESS AT MEETINGS

- (a) Every question submitted to the meeting will be decided on a show of hands unless a poll is duly demanded (before, or on the declaration of the result of, the show of hands) by the Chairman, the Issuer, the Trustee or one or more persons holding or representing two per cent., by reference to original principal amount, of the Notes for the time being Outstanding (whatever the Principal Amount Outstanding of the Notes so represented by him).
- (b) On a show of hands every person who is present in person and who produces a Note or a voting certificate or is a proxy (each, an "**Eligible Person**") shall have one vote. On a poll every Eligible Person who is so present shall have one vote in respect of each €1,000 in original principal amount of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. The holder of a Global Certificate shall be treated as having one vote for each €1,000 original principal amount of Notes represented by such Global Certificate. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.
- (c) To be passed at the meeting, the Extraordinary Resolution requires a majority in favour consisting of not less than 66 2/3 per cent. of the Eligible Persons voting upon a show of hands or, if a poll is duly demanded, by a majority consisting of not less than 66 2/3 per cent. of the votes cast on such poll. In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

Further, none of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) expresses any opinion as to the purpose or merits of the Proposals or as to the action Noteholders should take in relation to them and each person receiving this Consent Solicitation Memorandum acknowledges that such person has not relied upon any of the Issuer, the Trustee or the Investment Manager in connection with its decision on how to vote in relation to the Extraordinary Resolution. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) makes any representation regarding the accuracy, sufficiency, relevance or otherwise of any information contained in the Consent Solicitation Memorandum or otherwise disclosed or to be disclosed to Noteholders in connection with the Proposals. The summary descriptions set out in the section "Proposals" in the Consent Solicitation Memorandum have been provided to the Issuer by the Investment Manager and represent, to the best knowledge of the Investment Manager the procedure required to implement the Proposals and are being provided as background information to Noteholders to assist their determination of whether to approve the Proposals. None of the Issuer, the Trustee and the Investment Manager (or any of their respective advisors) accepts any liability in relation to the Proposals or the matters set out in the Consent Solicitation Memorandum.

The Tabulation Agent is the agent of the Issuer and owes no duty to any Noteholder.

Copies of the Trust Deed and this Notice are also available for inspection by Noteholders (a) on and from the date of this Notice up to and including the date of the Meeting, at the specified offices of the Paying Agents during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) up to and including the date of the Meeting; and (b) at the Meeting and at the offices of Paul Hastings (Europe) LLP, 8th Floor, 10 Bishops Square, London E1 6EG for 15 minutes before the Meeting.

The attention of Noteholders is particularly drawn to the procedures for voting, quorum and other requirements for the passing of this Extraordinary Resolution at the Meeting or any meeting held following any adjournment of the Meeting, which are set out below. This is not intended to be an exhaustive list. Having regard to such requirements, Noteholders are strongly urged either to attend the Meeting or to take steps to be represented at the Meeting.

The provisions governing the convening and holding of a meeting of the Noteholders are set out in Schedule 5 (*Provisions for Meetings of the Noteholders of Each Class*) to the Trust Deed, a copy of which is available for inspection by the Noteholders as set out above.

VOTING

A Noteholder may require the issue by the Tabulation Agent of voting certificates and block voting instructions in accordance with the terms below. The holder of any voting certificate or the proxies named in any block voting instruction shall for all purposes in connection with the relevant meeting be deemed to be the holder of the Notes to which such voting certificate or block voting instruction relates and the Clearing System in which such Notes have been blocked shall be deemed for such purposes not to be the holder of those Notes.

A Noteholder that intends to vote (or have its vote included in a block voting instruction) in favour of this Extraordinary Resolution and to purchase Replacement 2018 Notes shall request that the Placement Agent provide it with an Allocation Code and shall include such Allocation Code in its Voting Instruction which it submits to the Tabulation Agent. Noteholders that do not intend to purchase Replacement 2018 Notes should not obtain an Allocation Code from the Placement Agent prior to submitting its Voting Instruction.

A Noteholder must notify the Tabulation Agent that it:

- (a) by block voting instruction, consents to the Proposals, together with an Allocation Code, in the case of Noteholders that satisfy all of the Conditions Precedent;
- (b) by block voting instruction, consents to the Proposals, without an Allocation Code, in the case of a Noteholder that does not satisfy all of the Conditions Precedent;
- (c) by block voting instruction, rejects the Proposals;
- (d) abstains from voting; or
- (e) intends to attend the relevant Meeting.

Voting Certificate

- (a) A holder of a Note (not being a Note in respect of which instructions have been given to the Tabulation Agent in accordance with the section headed "*Block Voting Instruction*" below) wishing to attend in person and vote at the meeting (or any adjourned meeting) may procure the delivery of a voting certificate in respect of such Note by direction through the Clearing Systems to the Tabulation Agent specifying by name a person (an "**Identified Person**") (which need not be the holder himself) to collect the voting certificate and attend and vote at the meeting.
- (b) The voting certificate shall include an Allocation Code in the case of Noteholders that intend to satisfy the Conditions Precedent and to whom a Consent Fee is payable. Should a Noteholder fail to satisfy the Conditions Precedent, the Allocation Code shall be deemed to be null and void and such Noteholder shall not be eligible to receive a Consent Fee.
- (c) The relevant voting certificate will be made available at or shortly prior to the commencement of the meeting by the Tabulation Agent against presentation by such Identified Person of the form of identification previously notified by such holder to the Tabulation Agent and the Trustee. The Tabulation Agent and the Trustee may prescribe

forms of identification (including, without limitation, a passport or driving licence) which it deems appropriate for these purposes.

- (d) Subject to receipt by the Tabulation Agent, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes to be represented by any such voting certificate and the form of identification against presentation of which such voting certificate should be released, the Tabulation Agent shall, without any obligation to make further enquiry, make available a voting certificate against presentation of the form of identification corresponding to that notified.
- (e) Each holder of a Note that receives a voting certificate shall also provide the Tabulation Agent with details of its Allocation Code (if applicable) and the account (with Euroclear or Clearstream, Luxembourg in the case of Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

Block Voting Instruction

- (a) A holder of a Note (not being a Note in respect of which a voting certificate has been issued) may require the Tabulation Agent to issue a block voting instruction in respect of such Note by way of a Voting Instruction to the Tabulation Agent to procure that the votes attributable to such Note should be cast at the meeting in a particular way in relation to the resolution or resolutions to be put to the meeting. In such circumstances, such holder will be deemed to have appointed the Tabulation Agent to act as its proxy by voting on its behalf at the Meeting.
- (b) Any such instruction shall be given in accordance with the rules of the Clearing System then in effect. Subject to receipt by the Tabulation Agent of instructions, no later than 48 hours prior to the time for which such meeting is convened, of notification of the principal amount of the Notes in respect of which instructions have been given and the manner in which the votes attributable to such Notes should be cast, the Tabulation Agent shall, without any obligation to make further enquiry, attend the meeting as proxy for the holder of such Notes and cast votes in accordance with such instructions.
- (c) At least 48 hours before the time appointed for holding the Meeting (or, if applicable, any adjourned such Meeting) at which the proxy or proxies named in the block voting instruction proposes to vote, each block voting instruction, together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the Tabulation Agent, shall be deposited by the Tabulation Agent with the person and place approved for this purpose by the Trustee. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.
- (d) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Where an amendment is made to the terms of the Proposal, a holder of a Note shall have the right to revoke its Voting Instruction and may make a new Voting Instruction no later than 48 hours prior to the Meeting.
- (e) Each holder of a Note in respect of which a block voting instruction is issued shall provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

QUORUM

- (a) The quorum for passing this Extraordinary Resolution shall be one or more persons holding or representing not less than 66 2/3 per cent. of the aggregate Principal Amount Outstanding of the Notes.
- (b) If within 15 minutes after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business for which a quorum is present, it shall stand adjourned for such period, being not less than 14 Clear Days nor more than 42 Clear Days, and to such time and place as the Chairman may decide.
- (c) The quorum at such adjourned Meeting shall be one or more persons holding or representing any Notes. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then the meeting shall be dissolved.
- (d) Voting certificates and block voting instructions obtained in respect of the meeting shall remain valid for any such adjourned meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the meeting are insufficient to form a quorum for this Extraordinary Resolution, such Extraordinary Resolution cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the meeting in person or to arrange to be represented at the meeting as soon as possible.

CONDUCT OF BUSINESS AT MEETINGS

- (a) Every question submitted to the meeting will be decided on a show of hands unless a poll is duly demanded (before, or on the declaration of the result of, the show of hands) by the Chairman, the Issuer, the Trustee or one or more persons holding or representing two per cent., by reference to original principal amount, of the Notes for the time being Outstanding (whatever the Principal Amount Outstanding of the Notes so represented by him).
- (b) On a show of hands every person who is present in person and who produces a Note or a voting certificate or is a proxy (each, an "**Eligible Person**") shall have one vote. On a poll every Eligible Person who is so present shall have one vote in respect of each €1,000 in original principal amount of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. In default, the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting proceeds to business.
- (d) A Voting Instruction submitted by or on behalf of a Noteholder in advance of the Meeting in respect of block voting may be withdrawn by that Noteholder by submission of an electronic withdrawal instruction to the Tabulation Agent, by a properly transmitted message, in accordance with the procedures of the relevant Clearing System no later than 48 hours prior to the Meeting. Where an amendment is made to the terms of the Proposal, a holder of a Note shall have the right to revoke its Voting Instruction and may make a new Voting Instruction no later than 48 hours prior to the Meeting.
- (e) Each holder of a Note in respect of which a block voting instruction is issued shall provide the Tabulation Agent with details of its Allocation Code and the account (with Euroclear or Clearstream, Luxembourg in the case of the Global Notes) into which the Consent Fee will be payable, subject to the Conditions Precedent being satisfied.

QUORUM

- (a) The quorum for passing this Extraordinary Resolution shall be one or more persons holding or representing not less than 66 2/3 per cent. of the aggregate Principal Amount Outstanding of the Notes.
- (b) If within 15 minutes after the time appointed for any such meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business for which a quorum is present, it shall stand

adjourned for such period, being not less than 14 Clear Days nor more than 42 Clear Days, and to such time and place as the Chairman may decide.

- (c) The quorum at such adjourned Meeting shall be one or more persons holding or representing any Notes. If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned meeting a quorum is not present for the transaction of any particular business, then the meeting shall be dissolved.
- (d) Voting certificates and block voting instructions obtained in respect of the meeting shall remain valid for any such adjourned meeting.

Noteholders should note these quorum requirements and should be aware that, if the Noteholders either present or appropriately represented at the meeting are insufficient to form a quorum for this Extraordinary Resolution, such Extraordinary Resolution cannot be formally considered thereat. Noteholders are therefore encouraged either to attend the meeting in person or to arrange to be represented at the meeting as soon as possible.

CONDUCT OF BUSINESS AT MEETINGS

- (a) Every question submitted to the meeting will be decided on a show of hands unless a poll is duly demanded (before, or on the declaration of the result of, the show of hands) by the Chairman, the Issuer, the Trustee or one or more persons holding or representing two per cent., by reference to original principal amount, of the Notes for the time being Outstanding (whatever the Principal Amount Outstanding of the Notes so represented by him).
- (b) On a show of hands every person who is present in person and who produces a Note or a voting certificate or is a proxy (each, an "**Eligible Person**") shall have one vote. The holder of a Global Certificate shall be treated as having one vote for each €1,000 original principal amount of Notes represented by such Global Certificate. In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.
