Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is retail clients, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "EUWA"), and eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("COBS") and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA ("UK MiFIR"); and (ii) all channels for distribution of the Notes are appropriate, subject to the distributor's suitability and appropriateness obligations under COBS, as applicable. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the manufacturer's target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Rules") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under COBS, as applicable.

Principal activities of the Issuer

The Issuer’s activities are limited to issuing notes under the Programme and originating and purchasing loans which fulfil the eligibility criteria under the Programme (“**Eligible Loans**”) (and management of the portfolio of the Eligible Loans and any business ancillary or complementary thereto).

Sole shareholder of the Issuer

The Issuer’s shares are indirectly wholly owned by the Guarantor.

Key senior managers of the Issuer

The directors of the Issuer are Ian Thomas and Roderick Lockhart. The company secretary of the Issuer is Ruth Pearson.

Auditors of the Issuer and the Guarantor

The Issuer and the Guarantor have appointed BDO LLP of 55 Baker Street, London W1U 7EU, as their respective statutory auditors. BDO LLP is registered to carry on audit work in the UK by the Institute of Chartered Accountants in England and Wales.

What is the key financial information regarding the Issuer?

As at 31 March 2023, the Issuer had outstanding £60,000,000 in aggregate nominal amount of Sterling denominated 6.50 per cent. Notes due August 2027 (the “**2027 Notes**”) under the Programme (of which £38,873,000 in aggregate nominal amount of 2027 Notes had been sold to investors and £21,127,000 in aggregate nominal amount of 2027 Notes were held by the Issuer in treasury). The Issuer had a gross loan book of £23.5 million of which a negative fair value adjustment of £82,000 and an expected credit loss of £43,000 were posted for the period from 26 April 2022 to 31 March 2023. In the same period, the Issuer made a profit before tax of £18,000. Interest Coverage Ratio, which compares interest earned from borrowers to interest paid to noteholders, as at 31 March 2023, was 1.25 (i.e. as at 31 March 2023, the interest earned from borrowers was expected to cover the cost of interest paid to bondholders by 1.25 times). See “*What is the key financial information regarding the Guarantor and the Group?*” below for financial information regarding the Group.

What are the key risks that are specific to the Issuer?

The key risks that are specific to the Issuer are:

- (i) The Issuer was incorporated in 2022 and has a very limited operating history, and there can be no assurance as to the future financial or operational performance of the Issuer.
- (ii) The Issuer may fail to originate or purchase Eligible Loans, which may have a material adverse effect on the Issuer’s ability to satisfy its obligations to make payments of interest and principal under the Notes and the 2027 Notes.
- (iii) Given the nature of the Issuer as an indirectly wholly-owned funding vehicle for the Group, and the fact that the Issuer is wholly managed by the Group, the ability of the Issuer to pay interest and repay principal on the Notes and the 2027 Notes will be subject to all the risks to which the Guarantor and the Group are subject, and the Issuer will have a similar risk profile to the rest of the Group. See “*What are the key risks that are specific to the Issuer, the Guarantor and the Group?*” below for a description of certain of these risks.

3. KEY INFORMATION ON THE SECURITIES

What are the main features of the new securities?

The Notes

The Notes will be issued in registered form on 3 October 2023 (the “**Issue Date**”) under the Programme and they will mature and fall due to be repaid on 3 October 2026 (the “**Maturity Date**”). The currency of the Notes is pounds sterling, the nominal amount of each Note (being the amount which is used to calculate payments made on each Note) is £100 and the Notes can be bought and sold in multiples of £100.

The Notes will be initially issued and sold at 100 per cent. of their nominal amount (i.e. their par value) and, if they fall due to be repaid early (as to which, see “*Events of Default*” and “*Early repayment by the Issuer for tax reasons*”) or on the Maturity Date, the Notes will be repayable at 100 per cent. of their nominal amount, together with accrued and unpaid interest to the redemption date.

The total amount of Notes to be issued and admitted to trading on the main market of London Stock Exchange plc and through its order book for retail bonds (“**ORB**”) market will depend on demand received from (a) holders of the Existing Notes to participate in the Exchange Offer and (b) investors for the Notes during a period of book-building which commences on 13 September 2023 and is expected to end at 4.00 p.m. (London time) on 27 September 2023 (the “**Offer Period**”), subject to the right of the Issuer to end the Offer Period early (either in respect of the Exchange Offer and/or the Offering).

The total nominal amount of the Notes to be issued (which will not exceed £60,000,000 (the “**Maximum Issue Amount**”)) will be specified in an announcement (the “**Final Terms Confirmation Announcement**”) to be published by the Issuer via the Regulatory News Service (“**RNS**”) operated by London Stock Exchange plc at the end of the Offer Period. See “*Key information about the offer of securities to the public and admission to trading on a regulated market*” below for further information.

Ranking of the securities and rights attaching to the securities

Status of the Notes and the Partial 20% Guarantee

The Notes will constitute direct and unconditional obligations of the Issuer and rank *pari passu* (i.e. equally in right of payment), without any preference between themselves. The Notes will be secured by way of a first floating charge over the whole of the undertaking and all property, assets and rights, both present and future, of the Issuer as described in the Base Prospectus.

The Notes will be subject to a partial 20% guarantee under which the Guarantor will irrevocably guarantee the due payment of all sums expressed to be payable by the Issuer pursuant to (and subject to the limitation on the amounts guaranteed contained within) a conditional guarantee (the “**Partial 20% Guarantee**”) contained in the trust deed dated 12 July 2022 (the “**Trust Deed**”). There is no limit on the number of claims that can be made under the Partial 20% Guarantee. However, the condition attached to the Partial 20% Guarantee is that the maximum aggregate liability of the Guarantor in respect of all such claims will be limited to a monetary amount equal to 20 per cent. of the redemption amount payable in respect of the Notes (such redemption amount being the nominal amount repayable to holders of Notes (“**Noteholders**”), as calculated pursuant to the Conditions) at the time at which any such claim is made by U.S. Bank Trustees Limited, in its capacity as the trustee (the “**Trustee**”) under the Partial 20% Guarantee.

Pursuant to the Trust Deed, the Guarantor’s obligations under the Partial 20% Guarantee are direct and unsecured obligations of the Guarantor and will rank *pari passu* with all other unsecured and unsubordinated obligations of the Guarantor.

Negative Pledge

The Notes will contain a negative pledge provision, under which the Guarantor is not permitted to create or at any time have outstanding any security over any of its present or future undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness or to secure any guarantee or indemnity in respect of Relevant Indebtedness without securing the Notes and the coupons relating to the Notes equally.

“**Relevant Indebtedness**” means any indebtedness which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which for the time being are, or are intended to be (with the agreement of the Issuer), quoted, listed or dealt in or traded on any stock exchange or over-the-counter or other securities market.

Events of Default

An event of default is a breach by the Issuer, the Guarantor or a relevant subsidiary of certain provisions contained in the Conditions. Events of default under the Notes include non-payment of principal or interest for 14 days, breach of covenants and other obligations under the Notes, the Trust Deed, the security deed dated 12 July 2022 or the agency agreement dated 12 July 2022 (which breach is not remedied within 30 days), defaults leading to early repayment of any other borrowed money of the Issuer, the Guarantor or any “**Material Subsidiary**” subject to an aggregate threshold of £1,000,000, certain enforcement proceedings against the Issuer, the Guarantor or any Material Subsidiary that is not discharged or stayed within 15 days, certain events related to insolvency or winding up of the Issuer, the Guarantor, or any Material Subsidiary, or the Issuer ceases to be wholly owned and controlled by the Guarantor and failure of the aforesaid security deed to be in full force and effect. The Trustee’s certification that certain events would be materially prejudicial to the interests of Noteholders is required before certain events will be deemed to constitute Events of Default.

“**Material Subsidiary**” means a subsidiary of the Guarantor (other than, amongst others, the Issuer):

(a) whose gross assets (or, if the subsidiary in question prepares consolidated accounts, whose total consolidated gross assets) attributable to the Guarantor represent not less than 10 per cent. of the consolidated gross assets of

the Group, all as calculated by reference to the then latest audited accounts of the subsidiary and the then latest audited consolidated accounts of the Group; or

(b) to which is transferred the whole or substantially the whole of the undertaking and assets of a subsidiary of the Guarantor which immediately before the transfer is a Material Subsidiary.

Early repayment by the Issuer for tax reasons

In the event of certain tax changes caused by any change in, amendment to, or application or official interpretation of the laws or regulations of the United Kingdom, the Notes may be repaid if the Issuer chooses to do so in whole, but not in part, at any time. The redemption price in these circumstances is the "Final Redemption Amount" as specified in the Final Terms, together with accrued and unpaid interest to the redemption date.

Meetings of Noteholders

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting the interests of the Noteholders. These provisions permit certain majorities to bind all Noteholders including Noteholders who did not vote on the relevant resolution and Noteholders who did not vote in the same way as the majority did on that resolution.

Interest rate

The Notes will accrue interest from and including the Issue Date at the fixed rate of 11.5 per cent. per annum. The interest on the Notes is payable twice a year at the end of the interest period to which the payment relates. It is payable in equal instalments of £5.75 per £100 in nominal amount of the Notes on 3 April and 3 October in each year. The first payment of interest will be made on 3 April 2024.

Transferability

There are no restrictions on the free transferability of the Notes.

Where will the securities be traded?

Application will be made to the FCA for the Notes to be admitted to its Official List and to London Stock Exchange plc for such Notes to be admitted to trading on its main market and through its ORB market. It is expected that admission to trading will occur on or about 3 October 2023.

Is there a guarantee attached to the securities?

The Notes will be irrevocably guaranteed by the Guarantor pursuant to the Partial 20% Guarantee. There is no limit on the number of claims that can be made under the Partial 20% Guarantee. However, the maximum aggregate liability of the Guarantor in respect of all such claims will be limited to a monetary amount equal to 20 per cent. of the redemption amount payable in respect of the Notes (such redemption amount being the nominal amount repayable to Noteholders, as calculated pursuant to the Conditions) at the time at which any such claim is made by the Trustee under the Partial 20% Guarantee.

4. KEY INFORMATION ABOUT THE OFFER OF SECURITIES TO THE PUBLIC AND THE ADMISSION TO TRADING ON A REGULATED MARKET

Under which conditions and timetable can I invest in these securities?

Applications to purchase Notes cannot be made directly to the Issuer or the Guarantor. Notes will be issued in accordance with the arrangements in place between you and your stockbroker or other financial intermediary, including as to application process, allocations, payment and delivery arrangements. You should approach your stockbroker or other financial intermediary to discuss any application arrangements that may be available to you, as well as consider the instructions included in the Base Prospectus. It is important to note that the Issuer and the Guarantor will not be party to such arrangements between you and your relevant financial intermediary. You must therefore obtain this information from your financial intermediary and the Issuer and Guarantor will have no responsibility to you for this information.

The Offer Period commences upon publication of the Final Terms and will close at 4.00 p.m. (London time) on 27 September 2023 or such earlier time and date as may be agreed amongst the Issuer, the Guarantor and Allia C&C Ltd (the "**Lead Manager**") and announced via RNS. As further described under "*Who is the offeror?*" below, the Issuer and Guarantor have consented to offers of the Notes being made in the United Kingdom during the Offer Period.

You will be notified by the relevant financial intermediary of your allocation of Notes and instructions for delivery of and payment for Notes. When considering allocation of the Notes, the Issuer will give priority to those holders of the Existing Notes who, prior to such allocation, have validly submitted an Exchange Instruction or indicated their firm intention to the Issuer or to the Lead Manager to participate in the Exchange Offer and subscribe for the Notes. Therefore, if the nominal amount of Notes subscribed for under the Offering is greater than the Maximum Issue Amount less the nominal amount of Notes allocated under the Exchange Offer, you may not be allocated all (or any) of Notes for which you apply. The Notes will be issued at the issue price (which is 100 per cent. of the nominal amount of the Notes) and the aggregate nominal amount of the Notes to be issued will be specified in the Final Terms Confirmation Announcement expected to be published by the Issuer via RNS after the end of the Offer Period.

The minimum subscription amount per investor is for a nominal amount of £1,000 of the Notes. Thereafter, Notes can be bought and traded in integral multiples of £100 in excess of £1,000.

The issue of the Notes is conditional upon a subscription agreement (the “**Subscription Agreement**”) being signed by the Issuer, the Guarantor and the Lead Manager. The Subscription Agreement will include certain conditions, customary for transactions of this type, which must be satisfied (including the issue of the Notes and the delivery of legal opinions from legal counsel and comfort letters from the independent auditor of the Guarantor, in each case satisfactory to the Lead Manager).

None of the Issuer, the Guarantor or the Lead Manager will charge you any expenses in connection with the Offering.

However, expenses may be charged to you by your stockbroker or other financial intermediary. These expenses are beyond the control of the Issuer and the Guarantor, are not set by the Issuer or the Guarantor and should be disclosed to any potential investor by the relevant stockbroker or financial intermediary.

An estimate of the total expenses of the offer and issue of the Notes will be disclosed, along with the final issue amount, in the Final Terms Confirmation Announcement, which will also disclose the estimated net proceeds of the Notes (taking account of fees and commissions payable in offering and distributing the Notes and carrying out the Exchange Offer (including the exchange fee payable to exchanging holders of the Existing Notes pursuant to the Exchange Offer)).

Who is the offeror?

The Offering is being made by the Issuer as offeror pursuant to the Base Prospectus and the Final Terms. The Issuer and the Guarantor also consent to the use of the Base Prospectus and the Final Terms in connection with public offers of the Notes made in the United Kingdom during the Offer Period by the Lead Manager and any other financial intermediaries which are authorised to make such offers under Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA and comply with the other conditions to consent contained in the Base Prospectus.

In respect of investors in Jersey, the Issuer and the Guarantor consent to the use of the Base Prospectus and the Final Terms in connection with offers of the Notes during the Offer Period in compliance with the Control of Borrowing (Jersey) Order 1958 (the “**COBO Order**”) by a person or persons authorised to conduct the appropriate category of financial services business under the Financial Services (Jersey) Law 1998 (as amended only). To be clear, consent under the COBO Order has not been obtained for the circulation of this offer and it must be distinctly understood that the Jersey Financial Services Commission does not accept any responsibility for the financial soundness of or any representations made in connection with the Notes. In relation to the Bailiwick of Guernsey, the Issuer and the Guarantor consent to the use of the Base Prospectus and the Final Terms in connection with offers of the Notes during the Offer Period in accordance with the requirements of The Protection of Investors (Bailiwick of Guernsey) Law, 2020 and, in relation to the Isle of Man, in accordance with the requirements of the Isle of Man Financial Services Act 2008 as amended.

The Issuer will apply for the Notes to be admitted to trading on the main market of London Stock Exchange plc and through its ORB market upon their issue.

Why have the Base Prospectus and Final Terms been produced?

The purpose of offering the Notes is to extend the maturity profile of part of the Group’s debt financing and the net proceeds of the Notes will be used for the purposes specified in the Base Prospectus and the Final Terms.

The offering of the Notes will not be underwritten and, so far as the Issuer and the Guarantor is aware, there are no conflicts of interest which are material to the offering of the Notes or to the application for admission to trading
