Dear Shareholder,

**Proposed Investment in Tea Business; Proposed Issue of Preference Shares;
Adoption of Amended and Restated Memorandum of Association and Articles of Association and
Notice of Extraordinary General Meeting**

1. Introduction

Gowin is a holding company for its subsidiaries which are engaged in research and development, outsourcing and sales of light emitting diode (LED) lighting products in China and abroad.

In addition to its involvement in the new energy industry, Gowin has been seeking alternative business expansion opportunities. The Board of Gowin has identified the tea industry as a potentially attractive opportunity for diversification and intends to establish and obtain a stake of 15% in a new company incorporated in the Cayman Island (the "**New Company**") to operate a new tea business. In addition, Gowin has entered into a co-operation agreement for the operation of the New Company with the Chinese Pu-erh Tea Exchange Association, a non-profit organisation located in New Taipei City, Taiwan and Grange Culture Creative Limited, a Taiwanese incorporated unlisted company with extensive experience and expertise in the Chinese tea industry and relevant connections with various tea related institutions or corporations. The Board anticipates that this agreement with reputable and recognized organisations in the Chinese tea industry will be an important element of the newly established company's Tea Business.

The Directors intend to finance Gowin's investment in the new Tea Business by issuing Preference Shares to various potential investors. Gowin will apply to have the Preference Shares traded on the NEX Exchange Growth Market. Grange Culture Creative Limited (co-founded by Mr Hsu I-Hsan), including China Tea Exchange Mengdingshan and a small number of strategic investors, will subscribe for an aggregate of 100,000,000 Preference Shares conditional on Admission.

The purpose of this document is to:

- (i) explain why the Board considers the proposed investment in the Tea Business to be in the best interest of the Company and Shareholders as a whole;
- (ii) seek approval from Shareholders to create and issue up to 250,000,000 Preference Shares at a price of £0.02 per Preference Share;
- (iii) seek approval from Shareholders to amend the memorandum of association and articles of association of the Company to deal with the creation and issue of the Preference Shares; and

- (iv) convene the Extraordinary General Meeting to obtain approval from Shareholders to the transactions explained in this document.

2. Investment in Tea Business

Background

Gowin's Chief Executive Officer, Mr Chen Chih-Lung has for many years been interested in collecting and tasting tea. Mr Chen Chih-Lung also has expertise and experience of grading and blending of tea. Based on Mr Chen Chih-Lung extensive experience and industry connection with the Chinese Pu-erh tea Exchange Association and Grange Culture Creative Limited, the Board believes that the cooperation agreement between these organisations and the new Tea Business to be established by Gowin is strategically and financially compelling, for the Group and is expected to generate recurring income streams and long-term growth for the Group in the tea industry.

Reason for the Investment

A key feature of Grange Culture Creative Limited has been providing consultancy in the tea branding area, specifically for Pu-erh tea companies in Yunnan Province in China. Mr Hsu I-Hsan the co-founder of Grange Culture has a successful track record and business networks in the tea industry in the People's Republic of China ("PRC").

The Directors believe that through the connections of Mr Chen Chih-Lung and Mr Hsu I-Hsan in the tea industry in China and their expertise and experience in the tea industry in China, there is potential to grow the new Tea Business to be carried on by the newly incorporated company. Accordingly, the Board believes that this new Tea Business is capable of providing a steady flow of revenue to support the Company's current cash flow and its obligation to pay the fixed dividend on the Preference Shares.

Summary of key terms of the investment

Gowin intends to obtain a stake of 15% in the New Company, which will operate the Tea Business. The New Company is expected to be incorporated within two months following the admission of the Preference Shares. The remaining 85% of the New Company will be owned by Grange Culture Creative Limited and potentially other Preference Shareholders.

Financing the tea business

The New Company will be financed by Gowin from the proceeds of the issue of the Preference Shares which will be used to provide a loan to the New Company secured over its assets.

The total investment by Gowin in the Tea Business will be approximately RMB 20,000,000.

The following two contracts (not being contract entered into in the ordinary course of business) have been entered into by the Company:

Tripartite Cooperation Agreement dated 6 July 2017 between (1) Chinese Pu-erh Tea Exchange ("**Exchange**"), (2) Grange Culture Creative Limited Company ("Grange") and (3) Gowin (the "**Tripartite Agreement**") pursuant to which Gowin will, subject to approval of its shareholders and procuring adequate investment in preference shares in Gowin, establish the New Company, within approximately two months of such approval. Gowin will provide a loan facility to the New Company on terms agreed and secured over the New Company's assets.

In accordance with the Tripartite Agreement, Exchange and Grange will cooperate with the New Company to (i) promote the business of the New Company which is repackaging and exporting tea products (ii) Exchange will provide services of quality identification of tea; make available the Exchange's members networks and source the supply of tea products (iii) Grange will provide the services of design and packaging of tea products.

In conjunction with the Tripartite agreement, Exchange has entered into a Strategic Cooperation MOU with Mengdingshan Tea Exchange ("**Mengdingshan**") a bulk commodity tea exchange of Caihong South Road, Ming Shan District, Ya'an, Sichuan Province, China whereby the Exchange will provide and make

available tea warehousing facilities to Mengdingshan and will promote the sale of Taiwan Tea and Pu-erh Tea through Mengdingshan.

Exchange will make available to the New Company the benefit and facilities of the Strategic Cooperation MOU with Mengdingshan to promote the New Company's business and provide a market for the sale of the New Company's products

The Tripartite Agreement provides that Gowin, Exchange and Grange will not have authority to commit the other to any agreements and the cooperation will be reviewed on the first anniversary of the date of the agreement when it will be extended for such further period as may be agreed.

A Jointly Funded Agreement to be entered between (1) Gowin and (2) Grange (pursuant to which Gowin agreed to provide a loan of approximately RMB 20,000,000 to the New Company. The loan will be repayable on three months' notice by Gowin, a sale of the business of the New Company or it ceasing to do business. In addition to security over the assets of the New Company the loan will be secured over the shares in the New Company held by Grange. The loan is to fund the New Company with working capital. It has been agreed that the interest rate payable on the loan will be 3 percent per annum, which will accrue on a monthly basis. Gowin will have the right to appoint a director to the board of the New Company and the New Company will agree not to enter into any material contract or arrangement without the prior agreement of Gowin.

3. The Capital Raise

The Group has received firm commitments from various investors to subscribe for an aggregate of 100,000,000 Preference Shares conditional on Admission, amounting to approximately RMB 20,000,000 (£2,000,000). Further tranches of Preference Shares are expected to be issued up to a total of 250,000,000 Preference Shares in aggregate. A further 150,000,000 Preference Shares amounting to approximately RMB 30,000,000 (£3,000,000) will be issued in tranches within 11 months after the issue of the first tranche.

Preference Shares issue

The Group intends to raise up to £5,000,000 through the issue of up to 250,000,000 Preference Shares. The Board believes that Preference Shares are an attractive form of financing which allows the Group to diversify its balance sheet. The Preference Shares will also allow the Group to raise capital at a lower cost with a predictable yield and a reduced level of shareholder dilution as compared to that which would be required through an equity issuance of ordinary shares. The Preference Shares will carry a fixed dividend of 2% per annum. To the extent permitted by applicable laws, holders of the Preference Shares shall be entitled to a return of capital on a winding-up such assets of the Company available for distribution equivalent to the accruals of the Preferential Dividend plus the Initial Investment Amount before any distribution to be made to holders of Ordinary Shares. For details of such return of capital, please refer to paragraph 2 of the "Rights Attaching to the Preference Shares" on Page 12 of this Circular.

4. Investment Objectives

The Group's investment objective for the Tea Business encompasses the following:

- (i) import sourced tea products from wholesaler distributor Mengdingshan based in China;
- (ii) repackage tea products and export to Asian and European markets with targeted profit margin of up to 30%; and
- (iii) leverage the Chinese Pu-erh Tea Exchange member networks to execute capabilities to grow the tea business and distribute branded tea products to the Chinese, Asian and European markets.

Use of Proceeds

The proceeds of the Preference Shares will be utilized in whole, save for amounts retained to meet expenses, to provide loan finance to the New Company which will be drawn down in tranches, as tranches of the Preference Shares are issued. The principal terms of the loan agreement will be as

follows:

- (i) the loan will bear interest at 3% per annum and be paid monthly;
- (ii) the loan will be repayable on three months' notice by Gowin, a sale of the business of the New Company or it ceasing to do business;
- (iii) interest earned on the loan will be used to (i) service the fixed dividend of 2% per annum payable on the Preference Shares and (ii) for general corporate purposes.

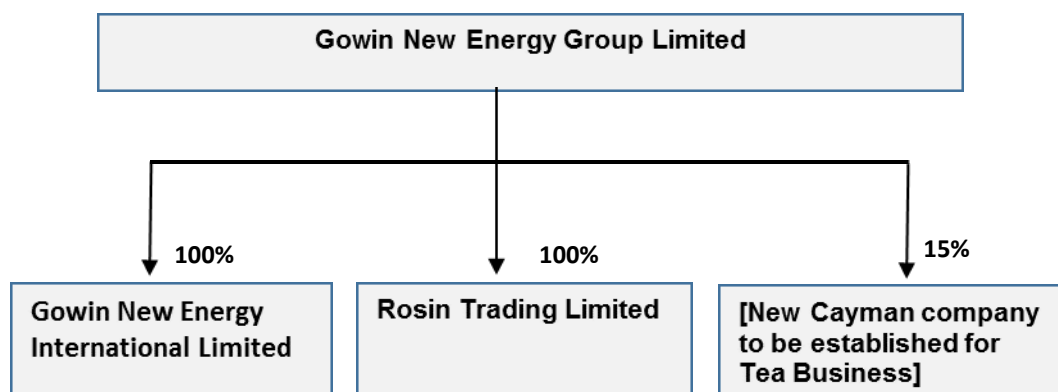

Security

The loan will be secured by security over the assets of the New Company, by control of its bank accounts and by a share charge over the shares in the New Company executed by Grange in favour of Gowin.
