Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or the first) Interest Payment Date).

Unless otherwise specified in the applicable Final Terms, (A) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date shall occur or (B) if any Interest Payment Date would otherwise fall on a day which is not a Business Day (as defined below), it shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event the Interest Payment Date shall be brought forward to the immediately preceding Business Day (the “*Modified Following Business Day Convention*”).

If a Business Day Convention other than the Modified Following Business Day Convention is specified in the applicable Final Terms then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with this Condition 4(b)(i), the Floating Rate Convention, such Interest Payment Date (i) in the case of (A) above, shall be the last day that is a Business Day in the relevant month and the provisions of (2) below shall apply *mutatis mutandis* or (ii) in the case of (B) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day and each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

(iii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus the Margin (if any, as specified in the applicable Final Terms). For the purpose of this subparagraph (iii), “*ISDA Rate*” for any Interest Period means a rate equal to the Floating Rate that would be determined by the Agent or other person specified in the applicable Final Terms under a swap transaction as if the Agent or that other person were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions, as amended, supplemented or updated as at the Issue Date of the first Tranche of the Notes, published by the International Swaps and Derivatives Association, Inc. (the “*ISDA Definitions*”) (the foregoing manner of determining the rate of interest being hereinafter referred to as the “*ISDA Determination*”) and under which:

- (4) the relevant Reset Date was either (1) if the applicable Floating Rate Option is based on the London interbank offered rate (“*LIBOR*”) or on the Euro-zone inter-bank offered rate (“*EURIBOR*”) for a currency, the first day of each Interest Period or (2) in any other case, as specified in the applicable Final Terms; and
- (5) all other terms were as specified in the applicable Final Terms.

For the purpose of this paragraph (iii), “*Floating Rate*”, “*Floating Rate Payer*”, “*Designated Maturity*”, “*Calculation Agent*”, “*Floating Rate Option*”, “*Rate Option*”, “*Price Option*” and “*Reset Date*” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum), for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page specified in the applicable Final Terms as at the Specified Time on the Interest Determination Date in respect of such Interest Period plus or minus the Margin (if any, as specified in the applicable Final Terms), all as determined by the Agent. If five or more such offered quotations are available on such Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of Condition 4(b)(iii)(B)(1), no such offered quotation appears or, in the case of Condition 4(b)(iii)(B)(2), fewer than three such offered quotations appear, in each case as at such Specified Time the Agent shall request the principal London office of each of the Reference Banks to provide the Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Agent with such offered quotations as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rate, as communicated to (and at the request of) the Agent by the Reference

Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the reference rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

In this Condition 4(b)(iii)(B):

“*Reference Banks*” means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Agent or as specified in the applicable Final Terms;

“*Relevant Screen Page*” means such page, section, caption, column or other part of a particular information service (including, but not limited to, the Reuters Money 3000 Service (“*Reuters*”) and Moneyline Telerate Monitor (“*Telerate*”)) as may be specified in the applicable Final Terms for the purposes of providing a Reference Rate, or such other page, section, caption, column or other part as may replace it on that information service or on such other information services, in each case as may be nominated by the person or organisation providing or sponsoring the information appearing there for the purpose of deploying rates or prices comparable to that Reference Rate;

“*Specified Time*” means 11.00 a.m. (London time, in the case of a determination of LIBOR, or Brussels time, in the case of a determination of EURIBOR); and

“*Euro-zone*” means the region comprised of Member States of the European Union that adopt the euro as the single currency in accordance with the Treaty establishing the European Community, as amended.

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the following provisions is less than such Minimum Rate of Interest, the Rate of Interest for such period shall be such Minimum Rate of Interest. If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the following provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(v) *Determination of Rate of Interest and Calculation of Interest Amount*

The Agent will, on or as soon as practicable after each date on which the Rate of Interest is to be determined, determine the Rate of Interest (subject to any Minimum or Maximum Rate of Interest specified in the applicable Final Terms) and calculate the amount of interest (the “*Interest Amount*”) payable on the Floating Rate Notes or the Index Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction specified in the applicable Final Terms, and rounding the resultant figure to the nearest cent (or its approximate equivalent sub-unit of the relevant Specified Currency), half a cent (or its approximate equivalent sub-unit of the relevant Specified Currency) being rounded upwards or otherwise in accordance with applicable market convention.

“*Day Count Fraction*” means, in respect of the calculation of an amount of interest in accordance with Condition 4(b) for any Interest Period:

- (A) if “*Actual/365*” or “*Actual/Actual (ISDA)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if “*Actual/365 (Fixed)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “*Actual/365 (sterling)*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (D) if “*Actual/360*” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (E) if “*30/360*”, “*360/360*” or “*Bond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days consisting of 12 months of 30 days each (unless (a) the last day of the Interest Period is the 31st day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month, or (b) the last day of the Interest Period is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
- (F) if “*30E/360*” or “*Eurobond Basis*” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days consisting of 12 months of 30 days each, without regard to the date of the first day or last day of the Interest Period unless, in the case of an Interest Period ending on the Maturity Date, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(vi) *Notification of Rate of Interest and Interest Amount*

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified by the Agent to any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed or admitted to trading, and to be given in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. For the purposes of this Condition 4(b)(vi), the expression “*London Business Day*” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in London.

(c) *Index Linked Interest Notes and Dual Currency Notes*

In the case of Index Linked Interest Notes or Dual Currency Notes, if the Rate of Interest or amount of interest is to be determined by reference to an index and/or a formula or, as the case may be, an exchange rate, the Rate of Interest or amount of interest payable shall be determined in accordance with the provisions of Conditions 4(b)(v) to (vii) as if the references therein to the Agent were to the Calculation Agent specified in the applicable Final Terms.

(d) *Zero Coupon Notes*

Where a Zero Coupon Note becomes due and repayable prior to the Maturity Date and is not paid when due, the amount due and repayable shall be the Amortised Face Amount of such Note as determined in accordance with Condition 5(e)(iii). As from the Maturity Date, any overdue principal of such Note shall bear interest at a rate per annum equal to the Accrual Yield specified in the relevant Final Terms.

(e) *Accrual of Interest*

Each Note will cease to bear interest (if any) from the due date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue (as well after as before judgment) until whichever is the earlier of (i) the day on which all sums due in respect of such Note up to that day are received by or on behalf of the holder of such Note; and (ii) the day on which the Agent has notified the holder thereof (either in accordance with Condition 13 or individually) of receipt of all sums due in respect thereof up to that date. Such interest will accrue at a rate per annum equal to (A) the Fixed Rate, in the case of Fixed Rate Notes; (B) the Accrual Yield, in the case of Zero Coupon Notes; or (C) the Rate of Interest provided for in the Notes, in the case of all other Notes.

(f) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(g) Interest Act (Canada) Disclosure

For the purpose of disclosure pursuant to the Interest Act (Canada), whenever any Rate of Interest to be paid under the Notes is to be calculated on the basis of a year of 360 days or any other period of time that is less than a calendar year, the yearly rate of interest to which such Rate of Interest is equivalent is the Rate of Interest multiplied by the actual number of days in the calendar year in which same is to be ascertained and divided by either 360 or such other period of time that is less than a calendar year, as the case may be. In the event such yearly rate of interest requires computing distinct Rates of Interest, such yearly interest rate shall be determined by multiplying a weighted average of such Rates of Interest, giving effect to the number of days elapsed in each Interest Period, by a fraction the numerator of which is the actual aggregate number of days forming part of such Interest Periods in which such yearly rate of interest is to be ascertained and the denominator of which is 360 (or such other period of time that is less than a calendar year, as the case may be).

5. Redemption and Purchase

(a) At Maturity

Unless previously repaid, each Note will be repaid by the Issuer at its Final Redemption Amount in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) Early Redemption for Tax Reasons

If, as a result of any change in the laws of Canada or any province, territory or political division thereof or the interpretation or administration of any such laws, which change becomes effective on or after the Issue Date of the latest Tranche of Notes of this Series, the Issuer would, on the occasion of the next payment due in respect of the Notes of this Series, be required to pay additional amounts as provided in Condition 9, the Issuer may, at its option, having given not more than 60 nor less than 30 days' notice (or such other notice period as may be specified in the applicable Final Terms) to the Agent and, in accordance with Condition 13, to the holders of the Notes of this Series (which notice shall be irrevocable), at any time or, if the Notes of this Series are Floating Rate Notes, on any Interest Payment Date repay all, but not some only, of the Notes of this Series on the date fixed in the notice for redemption each at its Early Redemption Amount referred to in Condition 5(e), together, if appropriate, with interest accrued to, but excluding, the date of redemption. Upon the expiry of such notice, the Issuer shall be bound to redeem the Notes of this Series accordingly.

(c) Early Redemption at the Option of the Issuer (Issuer Call Option)

If an Issuer Call Option is specified in the applicable Final Terms as being applicable, the Issuer may, having given not more than 60 nor less than 30 days' notice (or such other notice period as may be specified in the applicable Final Terms) to the Agent and, in accordance with Condition 13, the holders of the Notes of this Series (which notice shall be irrevocable), repay all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) indicated in the applicable Final Terms together, if appropriate, with interest accrued to, but excluding any such Optional Redemption Date. In the event of a redemption of some only of such Notes, such redemption must be for an amount not less than the Minimum Redemption Amount or not greater than the Maximum Redemption Amount, as indicated in the applicable Final Terms. In the case of a partial redemption of definitive Notes, the Notes to be redeemed will be selected individually by lot not more than 60 days prior to the date fixed for redemption and a list of the Notes called for redemption will be published in accordance with Condition 13 not less than 30 days prior to such date. In the case of a partial redemption of Notes which are represented by a global Note, the relevant Notes will be redeemed in accordance with the rules of Euroclear and/or Clearstream, Luxembourg.

(d) Early Redemption at the Option of the Noteholders (Noteholder Put Option)

If and to the extent a Noteholder Put Option is specified in the applicable Final Terms as being applicable, upon the holder of any Note giving to the Issuer in accordance with Condition 13 not more than 60 nor less than 30 days' notice (or such lesser period if so specified in the applicable Final Terms) (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem (subject to, and in accordance with, the terms specified in the applicable Final Terms) in whole (but not in part) such Note

on the Optional Redemption Date and at the Optional Redemption Amount indicated in the applicable Final Terms together, if appropriate, with interest accrued to, but excluding such Optional Redemption Date.

(e) Early Redemption Amounts

For the purposes of paragraph (b) above and Condition 10, Notes will be redeemed at an amount (the “*Early Redemption Amount*”) calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of Notes (other than Zero Coupon Notes) with a Final Redemption Amount which is or may be greater or less than the Issue Price, at the amount set out in the applicable Final Terms; or
- (iii) in the case of Zero Coupon Notes, at an amount (the “*Amortised Face Amount*”) equal to:
 - (A) the sum of (x) the Reference Price specified in the applicable Final Terms and (y) the product of the Accrual Yield specified in the applicable Final Terms (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable; or
 - (B) if the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 5(b) or upon its becoming due and repayable as provided in Condition 10 is not paid or available for payment when due, the amount due and repayable in respect of such Zero Coupon Note shall be the Amortised Face Amount of such Zero Coupon Note calculated as provided above as though the references in sub-paragraph (A) to the date fixed for redemption or the date upon which the Zero Coupon Note becomes due and repayable were replaced by references to the date (the “*Reference Date*”) which is the earlier of:
 - (1) the date on which all amounts due in respect of the Note have been paid; and
 - (2) the date on which the full amount of the moneys repayable has been received by the Agent and notice to that effect has been given in accordance with Condition 13.

The calculation of the Amortised Face Amount in accordance with this sub-paragraph (B) will continue to be made, after as well as before judgment, until the Reference Date unless the Reference Date falls on or after the Maturity Date, in which case the amount due and repayable shall be the nominal amount of such Note together with interest at a rate per annum equal to the Accrual Yield. Where any such calculation is to be made for a period of less than a full year, it shall be made on the basis of the Day Count Fraction specified in the applicable Final Terms; or

- (iv) in the case of Index Linked Notes (unless otherwise provided in the applicable Final Terms) at an amount that on the date for redemption would have the effect of preserving for the holders of the Notes the economic equivalent of the obligation of the Issuer to make payments (of interest and/or principal) in respect of the Notes that would otherwise have fallen due after the date fixed; or
- (v) in the case of Dual Currency Notes, at a price determined as provided in the applicable Final Terms.

(f) Instalment Notes

Any Instalment Note will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms. In the case of definitive Notes, all instalments (other than the final instalment) will be paid against surrender of the relevant Receipt (which must be presented with the Note to which it appertains) and in the case of the final instalment against surrender of the relevant Note, all as more fully described in Condition 6(b).

(g) Partly Paid Notes

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise in accordance with the provisions of this Condition 5 and the applicable Final Terms.

(h) Purchases

Subject to any applicable legal or regulatory restrictions, the Issuer may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Receipts and Coupons appertaining thereto are surrendered therewith) in the open market or by private treaty at any price. If purchases are made by tender, tenders must be available to all holders of Notes of the relevant Series alike. Any Notes so purchased may be held, reissued, resold or, at the option of the Issuer, surrendered to the Agent for cancellation.

(i) Cancellation

All Notes which are redeemed will be cancelled forthwith, together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption. All Notes so redeemed and cancelled and the Notes purchased and cancelled pursuant to (h) above (together with all unmatured Receipts and Coupons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(j) Further Provisions applicable to Redemption Amount and Instalment Amounts

The provisions of Conditions 4(b)(v), (vi) and (vii) shall apply with necessary adaptations to any determination or calculation of the Redemption Amount or any Instalment Amount required by the applicable Final Terms to be made by the Calculation Agent.

References herein to “*Redemption Amount*” shall mean, as appropriate, the Final Redemption Amount, the final Instalment Amount and the Early Redemption Amount or such other amount in the nature of a redemption amount as may be specified in, or determined in accordance with the provisions of, the applicable Final Terms.

6. Payments

(a) Method of Payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro or U.S. dollars will be made by credit or transfer to an account in the Specified Currency (which, in the case of a payment in yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank located in the principal financial centre of the country of such Specified Currency;
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) with a bank outside of the United States specified by the payee or, at the option of the payee, by a euro cheque; and
- (iii) payments in U.S. dollars will be made by credit or transfer to a U.S. dollar account maintained by the payee outside of the United States or, at the option of the payee, by cheque drawn on a United States bank.

In no event will payment of amounts due in respect of Notes be made by a cheque mailed to an address in the United States (which expression, as used in this Condition 6, means the United States of America, including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction).

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 9. References to “Specified Currency” include any successor currency under applicable law.

(b) Presentation of Notes, Receipts, Coupons and Talons

Payments of principal in respect of instalments (if any), other than the final instalment, will (subject as provided below) be made against presentation and surrender of the relevant Receipt. Each Receipt must be presented for payment of the relevant instalment together with the relevant definitive Note against which the amount will be payable in respect of that instalment. If any definitive Note is redeemed or becomes repayable prior to the stated Maturity Date in respect thereof, principal will be payable on surrender of such definitive Note together with all unmatured Receipts appertaining thereto. Receipts presented without the definitive Note to which they appertain and unmatured Receipts do not constitute valid obligations of the Issuer.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Interest Notes or Long Maturity Notes (as defined below)) must be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons) failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the aggregate amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at

any time after the Relevant Date (as defined in Condition 9) in respect of such principal and before the expiration of the relevant period of prescription under Condition 12. Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Interest Note or Long Maturity Note in definitive form becomes due and repayable, all unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons, shall be made in respect thereof. A “*Long Maturity Note*” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose Nominal Amount on issue is less than the aggregate interest payable thereon provided such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the Nominal Amount of such Note.

(c) Payment of Accrued Interest on Redemption

If the due date for redemption of any Note in definitive form is not an Interest Payment Date, interest (if any) accrued in respect of such Note from and including the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(d) Payment in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any global Note will (subject as provided below) be made in the manner specified above and otherwise in the manner specified in the relevant global Note against presentation or surrender, as the case may be, of such global Note at the specified office of the Agent. A record of each payment made against presentation or surrender of such global Note, distinguishing between any payment of principal and any payment of interest, will be made on such global Note by the Agent and such record shall be *prima facie* evidence that the payment in question has been made.

Subject as provided in a global Note:

- (i) the holder of the relevant global Note shall be the only person entitled to receive payments in respect of Notes represented by such global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such global Note in respect of each amount so paid; and
- (ii) each of the persons shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular nominal amount of Notes must look solely to Euroclear and/or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of the relevant global Note.

In certain limited circumstances in which payments in respect of a global Note are not made when due, owners of interests in such global Note may become entitled to proceed directly against the Issuer. See “Form of the Notes”.

(e) Payments in respect of Definitive Notes

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the Specified Currency against surrender of definitive Notes and payments of interest in respect of the definitive Notes will (subject as provided below) be made in the Specified Currency against surrender of Coupons, in each case at the specified office of any Paying Agent outside the United States.

Notwithstanding anything in this Condition 6, if the definitive Notes are denominated or payable in U.S. dollars, payments in respect of the Notes will only be made at the specified office of a Paying Agent in the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)) if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment at such specified offices outside the United States of the full amount owing in respect of the Notes in the manner provided above when due;
- (ii) payment of the full amount owing in respect of the Notes at such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) Payment Business Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Business Day in a place of presentation, the holder thereof shall not be entitled to payment until the next following Payment Business Day in such place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, unless specified in the applicable Final Terms, “*Payment Business Day*” means:

- (i) a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) the relevant place of presentation; and
 - (B) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) a Business Day as defined in Condition 4(b)(i).

(g) Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable under Condition 9 in respect of principal;
- (ii) the Optional Redemption Amount of the Notes;
- (iii) the Final Redemption Amount of the Notes;
- (iv) the Early Redemption Amount of the Notes;
- (v) in relation to Notes redeemable in instalments, the Instalment Amounts; and
- (vi) any premium and any other amounts which may be payable under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable under Condition 9 in respect of interest.

7. Agent and Paying Agent

The names of the initial Agent and the other initial Paying Agent and their initial specified offices are set out on the Notes. In acting under the Agency Agreement, the Agent and the Paying Agent(s) will act solely as agents of the Issuer and do not assume any obligations or relationship of agency or trust to or with the Noteholders, Receiptholders or Couponholders, except that (without affecting the obligations of the Issuer to the Noteholders, Receiptholders and Couponholders to repay Notes and pay interest thereon) funds received by the Agent for the payment of principal of or interest on the Notes shall be held by it in trust for the Noteholders and/or Receiptholders and/or Couponholders until the expiration of the relevant period of prescription under Condition 12. The Issuer agrees to perform and observe the obligations imposed upon it under the Agency Agreement and to cause the Agent and the Paying Agent to perform and observe the obligations imposed upon them under the Agency Agreement. The Agency Agreement contains provisions for the indemnification of the Agent and the Paying Agent and for relief from responsibility in certain circumstances, and entitles any of them to enter into business transactions with the Issuer without being liable to account to the Noteholders, Receiptholders or the Couponholders for any resulting profit.

The Issuer is entitled to vary or terminate the appointment of the Agent, any Paying Agent or any other paying agent appointed under the terms of the Agency Agreement and/or appoint additional or other paying agents and/or approve any change in the specified office through which any paying agent acts, provided that:

- (i) so long as the Notes of this Series are listed on any stock exchange, there will at all times be a Paying Agent (which may be the Agent) with a specified office in each location required by the rules and regulations of the relevant stock exchange (or any other relevant authority);
- (ii) so long as any Notes are outstanding, there will at all times be a Paying Agent (which may be the Agent) with a specified office in a city approved by the Agent in continental Europe;
- (iii) the Issuer will ensure that, to the extent possible, it maintains a paying agent in a Member State of the European Union that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other law implementing or complying with, or introduced in order to conform to, such Directive; and
- (iv) so long as any Notes are outstanding, there will at all times be an Agent.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the second paragraph of Condition 6(e). Any variation, termination, appointment or change shall only take effect

(other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Agent and the Noteholders in accordance with Condition 13 provided that no such variation, termination, appointment or change shall take effect (except in the case of insolvency) within 15 days before or after any Interest Payment Date. Notwithstanding the foregoing, the Issuer may (after consultation with the Agent) appoint one or more additional paying agents (which it may also designate as the sole paying agent(s) where required by applicable law or market practice) for a specific Series of Notes, who shall be specified in the applicable Final Terms and whose appointment shall be of immediate effect without any further requirement to give notice to the Noteholders.

8. Exchange of Talons

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to, and including, the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 6(b) and Condition 12. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

9. Taxation

All payments of principal and interest by the Issuer will be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or charges of whatever nature imposed or levied by or on behalf of the Government of Canada or any province, territory or political division thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or charges is required by law or by the interpretation or administration thereof. In that event, the Issuer will, subject to its right of redemption set out in Condition 5(b), pay such additional amounts as may be necessary in order that the net amounts receivable by the Noteholders, the Receiptholders or the Couponholders, as the case may be, after such withholding or deduction shall equal the respective amounts of principal or interest which would have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amount shall be payable with respect to any Note, Receipt or Coupon presented for payment:

- (i) by, or on behalf of, a Noteholder, Receiptholder or Couponholder who is liable to such taxes or duties in respect of such Note, Receipt or Coupon by reason of that person having some connection with Canada other than the mere holding or use outside Canada, or ownership as a non-resident of Canada, of such Note, Receipt or Coupon; or
- (ii) more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amount on presenting the same for payment on or before such thirtieth day; or
- (iii) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used herein, "*Relevant Date*" means:

- (A) the date on which such payment first becomes due; or
- (B) if the full amount of the moneys payable has not been received by the Agent on or prior to such due date, the date on which the full amount of such moneys having been so received, notice to that effect shall have been given to the Noteholders in accordance with Condition 13.

10. Events of Default

In the event that (a) the Issuer shall default in the payment of the principal of, or premium, interest or additional amounts, if any, on, the Notes or Coupons (if any) as and when the same shall become due and payable, and such default shall continue for a period of 15 days or (b) default shall be made in the due performance or observance by the Issuer of any covenant or agreement contained in the Notes (other than the payment of principal, premium, interest or additional amounts) or in the Agency Agreement, and such default shall continue for a period of 60 days or (c) the Issuer or the Guarantor shall default in the payment of any principal of, or premium, interest or additional amounts, if any, on, any indebtedness (direct or under a guarantee) for borrowed money, other than the Notes, as and when the same shall become due and payable, and such default shall continue for a period of 45 days, provided that the foregoing shall not be taken into account so long as the aggregate nominal amount of all such indebtedness (direct or under a guarantee) for borrowed money with respect to which the

foregoing has occurred does not exceed U.S.\$50,000,000 (or its equivalent in other currencies) (each of (a), (b) and (c), an "Event of Default"), then at any time thereafter and during the continuance of such Event of Default, any Noteholder may deliver or cause to be delivered to the Issuer at the office of the Executive Vice President and Secretary of the Issuer, at 12, rue Saint-Louis, 2e étage, Québec, Québec, G1R 5L3, Canada, with a copy to the Ministère des Finances, Direction du financement des organismes publics et de la documentation financière, 12, rue Saint-Louis, 2e étage, Québec, Québec, G1R 5L3, Canada, a written notice that such Noteholder elects to declare the principal of the Note(s) held by him (the serial number or numbers of which shall be set forth in such notice in the case of Definitive Notes) to be due and payable and, in the cases falling within either (a) or (c) above, on the fifteenth day after delivery of such notice or, in the cases falling within (b) above, on the thirtieth day after delivery of such notice, the principal of the Note(s) referred to in such notice plus accrued interest thereon shall become due and payable at the places for payment therein specified, unless prior to that time, all such Events of Default theretofore existing shall have been cured.

11. Replacement of Notes, Receipts, Coupons and Talons

Should this Note or any Receipt, Coupon or Talon be mutilated, defaced or destroyed or be lost or stolen, it may be replaced at the specified office of the Agent in London (or such other place as may be notified to the Noteholders), in accordance with all applicable laws and regulations, upon payment by the claimant of the expenses incurred by the Issuer and the Agent in connection therewith and on such terms as to evidence, indemnity, security or otherwise as the Issuer and the Agent may require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Prescription

Under current Québec law, the Issuer's obligation to make any payment on this Note or any Receipt or Coupon will be extinguished three years after the date such payment is due unless such right to payment is judicially exercised prior to the expiration of such three-year period. Any moneys paid by the Issuer to the Agent for the payment of principal or interest in respect of the Notes and remaining unclaimed when the obligation to make such payment becomes extinguished shall forthwith be repaid to the Issuer and all liability with respect thereto shall thereupon cease. There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition 12 or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

13. Notices

All notices regarding the Notes, save where another means of effective communication has been specified in the applicable Final Terms, shall be published in one leading English language daily newspaper with circulation in London which is expected to be the *Financial Times* in London or, if this is not practicable, one other such English language newspaper as the Issuer, in consultation with the Agent, shall decide. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or market (or any other relevant listing authority) on which the Notes are for the time being listed. Any such notice shall be deemed to have been given on the date of the first publication.

Until such time as any definitive Notes are issued, there may (provided that in the case of Notes listed on a stock exchange, the rules of that stock exchange or other relevant listing authority permit), so long as the global Notes for this Series are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes of this Series. Any such notice shall be deemed to have been given to the holders of the Notes and related Receipts and Coupons of this Series on the seventh day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder of this Series to the Agent shall be in writing and given by lodging the same, together with the relevant Note or Notes, with the Agent. Whilst any of the Notes of this Series are represented by a global Note, such notice may be given by any holder of a Note of this Series to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. Currency Indemnity

If, under any applicable law and whether pursuant to a judgment being made or registered against the Issuer or for any other reason, any payment under or in connection with the Notes is made or is to be satisfied in a currency (the "*other currency*") other than that in which the relevant payment is expressed to be due (the "*required currency*") under the Notes, then, to the extent that the payment (when converted into the required currency at the rate of exchange on the date of payment or, if it is not practicable for the relevant Noteholder to purchase the required currency with the other currency on the date of payment, at the rate of exchange as soon thereafter as it is practicable for it to do so) actually received by the relevant Noteholder falls short of the amount due under the terms of the Notes, the Issuer shall, as a separate and independent obligation, indemnify and hold harmless the relevant Noteholder against the amount of such shortfall. For the purpose of this Condition 14, "*rate of exchange*" means the noon spot rate at which the relevant Noteholder is able, on the London foreign currency exchange market on the relevant date, to

purchase the required currency with the other currency as determined by the Agent, and shall take into account any premium and other reasonable cost of exchange.

15. Guarantee

Québec will irrevocably and unconditionally guarantee the due and punctual payment, upon default in payment by the Issuer, of all amounts due under the Notes and Coupons, if any, (including any additional amounts payable thereunder), as and when the same shall become due and payable, whether at stated maturity or on redemption, by acceleration or otherwise, and will expressly waive the benefits of discussion and division. The Guarantee will be endorsed on, or attached to, the Notes and will, when the Notes are completed, executed, authenticated and delivered against payment therefor, constitute direct, legal, valid, binding and unconditional obligations of Québec. Any funds required for the Guarantee shall be taken out of the Consolidated Revenue Fund of Québec.

16. Further Tranches

The Issuer shall be at liberty from time to time without notice to, or the consent of, the Noteholders, Receiptholders or Couponholders to create and issue further Tranches so that the same shall be consolidated and form a single Series with the Notes.

17. Governing Law

The Agency Agreement and the Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, the laws of Québec and the laws of Canada applicable therein.

The Issuer irrevocably consents to the fullest extent permitted by law to the giving of any relief (including, without limitation, the making, enforcement or execution against any property of any order or judgment) made or given in connection with any proceedings arising out of, or in connection with, the Agency Agreement, the Notes, the Receipts, the Coupons and the Talons.
