RISK FACTORS

The Issuer believes that the following factors (including those incorporated by reference below) may affect its ability to fulfil its obligations under Notes issued under the Dated Tier 2 Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the rights attaching to the Dated Tier 2 Notes and the market risks associated with Dated Tier 2 Notes are also described, or as referred to, below.

The Issuer believes that the factors described below represent the material risks inherent in investing in Dated Tier 2 Notes, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with the Dated Tier 2 Notes for other reasons and the Issuer does not represent that the statements above regarding the risks of holding the Dated Tier 2 Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any investment decision.

The “Risk Factors” section incorporated by reference from pages 14 to 30, pages 35 to 36 and page 37 of the Base Prospectus (as detailed on page 4 of this Prospectus), the paragraph entitled “Changes in short or long term inflation may cause policyholders to surrender their contracts, increase the size of our claims payments and expenses and reduce the value of our investments, which could adversely affect our results of operations and financial condition” as set out on page 136 of the Issuer’s Annual Report and Accounts for the year ended 31 December 2012 and paragraph 3 of the Supplemental Prospectus headed “Credit Ratings of the Issuer and the Issuer’s core operating Subsidiaries”, shall be read together with the following:

Factors that may affect the Issuer’s ability to fulfil its obligations under the Dated Tier 2 Notes

The Group may face increased compliance costs as a result of recent legislation passed in the United States

In March 2010, the United States passed legislation that would require non-United States financial institutions to enter into agreements to provide information on United States account holders beginning in 2015. If this information is not provided in a form and with contents satisfactory to the United States tax authorities, a non-United States financial institution will have a 30 per cent. withholding tax applied to certain amounts derived from United States sources. Under the final United States Treasury regulations, no such withholding tax will be imposed on any payments made prior to 1 January 2014.

Risks relating to the execution of disposals

Execution risk is inherent in the completion of all strategic transactions, including the pending disposal of the Group’s US business. Such risks include uncertainty in relation to obtaining the required regulatory approvals on satisfactory terms for the change of control envisaged by such transactions. Such execution risk gives rise to a corresponding potential impact on capital requirements and liquidity.

Risk related to Dated Tier 2 Notes generally

United States withholding tax may apply to payments on Dated Tier 2 Notes, including as a result of the failure of a holder or a holder’s bank or broker to provide information to taxing authorities

The United States may impose a withholding tax of as high as 30 per cent. on payments made with respect to the Dated Tier 2 Notes. According to the final regulations released by the United States Treasury Department on 17 January 2013, this withholding tax generally would only apply to payments on the Dated Tier 2 Notes made on or after 1 January 2017, at the earliest. The withholding tax, when it applies, may be imposed at any point in a series of payments unless the relevant payee (including a bank, broker or individual) at each point complies with any information reporting, certification and related requirements. Accordingly, a holder that holds Dated Tier 2 Notes through a bank or broker could be subject to withholding if, for example, its bank or broker is subject to withholding because it fails to comply with these requirements even though the holder itself might not otherwise have been subject to withholding. If a

payment on the Dated Tier 2 Notes is subject to this withholding tax, no additional amounts will be paid, and a holder of Dated Tier 2 Notes will receive less than the amount of the expected payment.

Risks related to the market generally

Interest Rate Risks

Investments in Fixed Rate Notes and Reset Notes involves the risk that changes in market interest rates after the issue date and, in the case of Reset Notes only, after the First Reset Note Reset Date or each Reset Note Reset Date (as applicable), may adversely affect the value of Fixed Rate Notes and, as the case may be, Reset Notes.

TERMS AND CONDITIONS OF THE DATED TIER 2 NOTES

The following is the text of the terms and conditions that, subject to completion and as supplemented in accordance with the provisions of Part A of the Final Terms of the Dated Tier 2 Notes shall be applicable to the Dated Tier 2 Notes in definitive form (if any) issued in exchange for the Global Note(s). The full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms of the Dated Tier 2 Notes shall be endorsed on such Bearer Notes. Accordingly, references in these terms and conditions to provisions specified hereon shall be to the provisions endorsed on the face of the relevant Dated Tier 2 Note or set out in Part A of the relevant Final Terms of the Dated Tier 2 Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes.

The €650,000,000 Dated Tier 2 Reset Notes (in these Terms and Conditions of the Dated Tier 2 Notes, the “**Notes**”) are constituted by a trust deed (as amended or supplemented as at the date of issue of the Notes (the “**Issue Date**”), (the “**Principal Trust Deed**”) dated 20 November 2012 as supplemented, amended or modified by a supplemental trust deed dated 4 July 2013 between Aviva plc (the “**Issuer**”), Aviva Insurance Limited and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below) (the “**Supplemental Trust Deed**”). The Principal Trust Deed as so amended and supplemented by the Supplemental Trust Deed is referred to as the “**Trust Deed**”. These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Agency Agreement dated 20 November 2012 (as amended or supplemented as at the Issue Date, the “**Agency Agreement**”) has been entered into in relation to the Notes between the Issuer, Aviva Insurance Limited, the Trustee, HSBC Bank plc as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall include the Issuing and Paying Agent), the “**Registrar**”, the “**Transfer Agents**” (which expression shall include the Registrar) and the “**Calculation Agent(s)**”. Copies of the Principal Trust Deed, the Supplemental Trust Deed and the Agency Agreement are available for inspection during usual business hours and upon reasonable notice at the principal office of the Trustee (presently at Fifth Floor, 100 Wood Street, London EC2V 7EX, United Kingdom) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders and the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable, in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

As used in these Conditions, “**Tranche**” means Notes which are identical in all respects.

1. Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”) in each case in the Specified Denomination(s) shown hereon provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a Prospectus under the Prospectus Directive (Directive 2003/71/EC, as amended), the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

This Note is a Fixed Rate Note, a Reset Note or a Floating Rate Note or a combination of the foregoing, depending upon the Interest Basis and Redemption Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached.

Registered Notes are represented by registered certificates (“**Certificates**”) and, save as provided in Condition 2(b), each certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass upon registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an

interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Transfers of Registered Notes

(a) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer (as set out in Schedule 1 of the Trust Deed) endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request

(b) Exercise of Options or Partial Redemption in Respect of Registered Notes

In the case of an exercise of an Issuer’s or Noteholder’s option in respect of a holding of Registered Notes represented by a single Certificate or a partial redemption of a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Note of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(c) Delivery of New Certificates

Each new Certificate to be issued pursuant to Conditions 2(a) or (b) shall be available for delivery within three Business Days of receipt of the form of transfer and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the Registrar or relevant Transfer Agent (as applicable) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(c), “Business Day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(d) Transfer Free of Charge

Transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges by the person submitting such Notes or Certificates that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(e) **Closed Periods**

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3. Status

(a) **General**

The Notes and the Coupons relating to them constitute direct, unsecured and subordinated obligations of the Issuer and rank *pari passu* and without any preference among themselves. In the event of the winding-up of the Issuer (except, in any such case, a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed) and (ii) do not provide that the Notes shall thereby become payable) or the appointment of an administrator of the Issuer where the administrator has given notice that it intends to declare and distribute a dividend, the payment obligations of the Issuer under or arising from the Notes and the Coupons relating to them and the Trust Deed, including any Arrears of Interest, shall be subordinated in the manner provided in the Trust Deed to the claims of all Senior Creditors (as defined in Condition 18) of the Issuer, but shall rank at least *pari passu* with all other obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Lower Tier 2 Capital (issued prior to Solvency II Implementation) or Tier 2 Capital (issued on or after Solvency II Implementation) (“**Pari Passu Securities**”) and shall rank in priority to the claims of holders of: (i) Existing Undated Tier 2 Securities; (ii) all obligations of the Issuer which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 1 Capital including, without limitation, by virtue of the operation of any grandfathering provisions under any Relevant Rules; and (iii) all classes of share capital of the Issuer (together, the “**Junior Securities**”).

(b) **Solvency Condition**

Without prejudice to Condition 3(a) above, all payments under or arising from the Notes, the Coupons relating to them and the Trust Deed shall be conditional upon the Issuer being solvent at the time for payment by the Issuer, and no amount shall be payable under or arising from the Notes, the Coupons relating to them and the Trust Deed unless and until such time as the Issuer could make such payment and still be solvent immediately thereafter (the “**Solvency Condition**”). For the purposes of this Condition 3(b), the Issuer will be solvent if (i) it is able to pay its debts owed to Senior Creditors and Pari Passu Creditors as they fall due and (ii) its Assets exceed its Liabilities (other than Liabilities to persons who are Junior Creditors). A certificate as to solvency of the Issuer signed by two Directors or, if there is a winding-up or administration of the Issuer, the liquidator or, as the case may be, the administrator of the Issuer shall, in the absence of manifest error, be treated and accepted by the Issuer, the Trustee, the holders of the Notes and the Coupons relating to them and all other interested parties as correct and sufficient evidence thereof and the Trustee shall be entitled to rely on such certificate without liability to any person. In a winding-up of the Issuer or in an administration of the Issuer if the administrator has given notice of his intention to declare and distribute a dividend, the amount payable in respect of the Notes and the Coupons relating to them shall be, an amount equal to the principal amount of such Notes, together with Arrears of Interest, if any, and any interest (other than Arrears of Interest) which has accrued up to, but excluding, the date of repayment and will be subordinated in the manner described in Condition 3(a) above.

Without prejudice to any other provision in these Conditions, amounts representing any payments of principal, premium or interest or any other amount including any damages awarded for breach of any obligations in respect of which the conditions referred to in Condition 3(b) are not satisfied on the date upon which the same would otherwise be due and payable (“**Solvency Claims**”) will be payable by the Issuer in a winding-up of the Issuer as provided in Condition 3(a). A Solvency Claim shall not bear interest.

(c) *Set-off, etc.*

Subject to applicable law, no holder of the Notes and the Coupons relating to them may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount owed to it by the Issuer arising under or in connection with the Notes and the Coupons relating to them and each holder of the Notes and the Coupons relating to them shall, by virtue of being the holder of any Note or Coupon, be deemed to have waived all such rights of set-off, compensation or retention. Notwithstanding the preceding sentence, if any of the amounts owing to any holder of the Notes or Coupons relating to them by the Issuer is discharged by set-off, such holder shall, unless such payment is prohibited by law, immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of its winding-up or administration, the liquidator or administrator, as appropriate of the Issuer for payment to the Senior Creditors in respect of amounts owing to them by the Issuer, and, until such time as payment is made, shall hold an amount equal to such amount in trust for the Issuer, or the liquidator or administrator, as appropriate of the Issuer (as the case may be), for payment to the Senior Creditors in respect of amounts owing to them by the Issuer and accordingly any such discharge shall be deemed not to have taken place.

As used in this Condition 3, the expression “**obligations**” includes any direct or indirect obligations of the Issuer and whether by way of guarantee, indemnity, other contractual support arrangement or otherwise and regardless of name or designation.

On a winding-up of the Issuer, there may be no surplus assets available to meet the claims of the Noteholders after the claims of the parties ranking senior to the Noteholders (as provided in Condition 3) have been satisfied.

4. Interest and other Calculations

(a) *Interest on Fixed Rate Notes*

Subject to Condition 3(b) and Condition 5, each Fixed Rate Note bears interest on its outstanding principal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest shall be payable in arrear on each Interest Payment Date specified hereon. The amount of interest payable shall be determined in accordance with Condition 4(e).

(b) *Interest on Reset Notes*

Subject to Condition 3(b) and Condition 5, each Reset Note bears interest on its outstanding principal amount:

- (i) from (and including) the Issue Date until (but excluding) the First Reset Note Reset Date at the Initial Rate of Interest;
- (ii) from (and including) the First Reset Note Reset Date until (but excluding) the first Anniversary Date at the First Reset Rate of Interest; and
- (iii) for each Subsequent Reset Period thereafter (if any), at the relevant Subsequent Reset Rate of Interest,

payable, in each case, in arrear on the Interest Payment Dates specified hereon. The amount of interest payable shall be determined in accordance with Condition 4(e).

(c) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Subject to Condition 3(b) and Condition 5, each Floating Rate Note bears interest on its outstanding principal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest shall be payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(e). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified hereon is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each such subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:
 - (1) the offered quotation; or
 - (2) the arithmetic mean of the offered quotations

(expressed as a percentage rate per annum), for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such

quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (y) If the Relevant Screen Page is not available, or if sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page, or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at, if the Reference Rate is LIBOR, approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.
- (z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the rate of interest shall be the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(d) Margin, Maximum/Minimum Rates of Interest and Final Redemption Amount and Rounding

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 4(c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Final Redemption Amount is specified hereon, then any Rate of Interest or Final Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall

be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country[ies] of such currency.

(e) Calculations

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated. Where the Specified Denomination comprises more than one Calculation Amount, the amount of interest payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination specified hereon.

(f) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amount, Optional Redemption Amount and Special Redemption Price

The Calculation Agent shall, as soon as practicable on each Interest Determination Date or Reset Determination Date (as applicable), or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount or Special Redemption Price (as may be provided for hereon), obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount or Special Redemption Price, to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in any event no later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(g) Determination or Calculation by Trustee

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Accrual Period or any Interest Amount, Final Redemption Amount, Optional Redemption Amount or Special Redemption Price, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

 - (C) the date on which an order is made or a resolution is passed for the winding-up of the Issuer (other than a solvent winding-up solely for the purposes of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business of the Issuer, the terms of which reconstruction, amalgamation or substitution (x) have previously been approved in writing by the Trustee or by an Extraordinary Resolution and (y) do not provide that the Notes shall thereby become payable) or the date on which any administrator of the Issuer gives notice that it intends to declare and distribute a dividend.

Arrears of Interest on the 10th Business Day immediately following the day that (A) the Issuer is solvent for the purposes of Condition 3(b) and (B) that redemption of the Notes would not result in the Issuer ceasing to be solvent for the purposes of Condition 3(b), provided that if on such Business Day specified for redemption a Regulatory Deficiency Redemption Deferral Event has occurred and is continuing, or would occur if the Notes were to be redeemed, then the Notes shall not be redeemed on such date and Condition 3(b) and 6(a)(iii) shall apply *mutatis mutandis* to determine the date of the redemption of the Notes.

The Issuer and any of its Subsidiaries for the time being may, subject to the Issuer having complied with regulatory rules on notification to, or consent from, (in each case if and to the extent applicable), the Relevant Regulator, at any time purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(h) Cancellation

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes and Coupons shall be discharged.

(i) Trustee Not Obligated to Monitor

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists within this Condition 6 and will not be responsible to Noteholders for any loss arising from any failure by the Trustee to do so. Unless and until the Trustee has actual knowledge of the occurrence of any event or circumstance within this Condition 6, it shall be entitled to assume that no such event or circumstance exists.

7. Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (in the case of all payments of principal and, in the case of interest,

as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) Registered Notes

- (i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.
- (ii) Interest on Registered Notes shall be paid to the person shown on the Register (i) where all or any of the Registered Notes are represented by a Global Certificate, at the close of the business day (being for this purpose a day on which DTC, Euroclear and/or Clearstream, Luxembourg, as applicable, are open for business) before the due date for payment thereof, and (ii) where none of the Registered Notes are represented by a Global Certificate at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such Payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its agents or in connection with any intergovernmental agreement with the United States (including any laws, directives, official guidance or regulations implementing such an agreement)) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by or pursuant to such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. Subject as provided in the Agency Agreement, the Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Paying Agent having a specified office in a European Union member state (so long as there is such a member state) that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such directive and (vi) a Paying Agent having specified offices in London so long as the Notes are admitted to the Official List of the UK Listing Authority in its capacity as competent authority under the Financial Services and Markets Act 2000 and admitted to trading on the London Stock Exchange's EEA Regulated Market.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Unless the Notes provide that the relevant Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Optional Redemption Amount or Special Redemption Price as the case may be and as may be provided for hereon, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relevant unexpired Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unexpired Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days*

If any date for payment in respect of any Note or Coupon is not a Business Day, the holder shall not be entitled to payment until the next following Business Day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "Business Day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. Taxation

All payments of principal and interest by or on behalf of the Issuer in respect of the Notes and the Coupons shall be made free and clear of, and without withholding or deduction for or on account of, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts as shall result in receipt by the Noteholders and Couponholders of such amounts as would have been received by them had no such withholding or deduction been required by law to be made, except that no such additional amounts shall be payable with respect to any Note or Coupon:

(a) *Other connection*

presented for payment by or on behalf of, a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note or Coupon; or

(b) *Lawful avoidance of withholding*

presented for payment by or on behalf of, a holder who could lawfully avoid (but has not so avoided) such deduction or withholding by complying or procuring that any third party complies with any statutory requirements or by making or procuring that any third party makes a declaration of non residence or other similar claim for exemption to any tax authority in the place where the relevant Note (or the Certificate representing it) or Coupon is presented for payment; or

(c) *Presentation more than 30 days after the Relevant Date*

presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the thirtieth day; or

(d) *Payment to individuals*

where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such directive or any agreement between the European Union and any jurisdiction providing for equivalent measures; or

(e) *Payment by another Paying Agent*

(except in the case of the payment of interest in respect of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent (or, in the case of the payment of principal in respect of Registered Notes, another Transfer Agent or, if applicable, the Registrar) in a Member State of the European Union.

As used in these Conditions, “**Relevant Date**” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relevant Certificate) or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amount, Optional Redemption Amount or Special Redemption Price and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed (“**Additional Amounts**”).

9. Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within two years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default and Enforcement

(a) *Rights to institute winding up*

Notwithstanding any of the provisions below in this Condition 10, the right to institute winding-up proceedings is limited to circumstances where payment has become due. Pursuant to Condition 3(b), no principal, interest or any other amount will be due on the relevant payment date if the Solvency Condition is not satisfied, at the time of and immediately after any such payment. In the case of any payment of interest in respect of the Notes, such payment may be deferred pursuant to Condition 5(a) and if so deferred will not be due and will be deferred and not be due if Condition 5(b) applies and in the case of payment of principal, such payment will be deferred and will not be due if Condition 6(a)(ii) applies.

If:

- (i) default is made for a period of seven days or more in the payment of any interest due in respect of the Notes or any of them ; or
- (ii) default is made for a period of seven days or more in payment of the principal due in respect of the Notes or any of them,

the Trustee may at its discretion institute proceedings for the winding-up of the Issuer and/or prove in the winding-up or administration of the Issuer and/or claim in the liquidation of the Issuer for such payment, but may take no further or other action to enforce, prove or claim for any such payment. No payment in respect of the Notes, the Coupons or the Trust Deed may be made by the Issuer pursuant to Condition 10(a), nor will the Trustee accept the same, otherwise than during or after a winding-up of the Issuer or after an administrator of the Issuer has given notice that it intends to declare and distribute a dividend, unless the Issuer has given prior written notice (with a copy to the Trustee) to, and received consent (if required) from, the Relevant Regulator which the Issuer shall confirm in writing to the Trustee.

(b) *Amount payable on winding-up*

If an order is made by the competent court or resolution passed for the winding-up of the Issuer, (except, in any such case, a solvent winding-up, solely for the purpose of a reconstruction or amalgamation of the Issuer, the terms of which reconstruction or amalgamation (i) have previously been approved in writing by the Trustee or by an Extraordinary Resolution and (ii) do not provide that the Notes shall thereby become payable) or an administrator of the Issuer gives notice that it intends to declare and distribute a dividend, the Trustee at its discretion may, and if so requested by Noteholders of at least one quarter in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to Condition 10(d)), give notice to the Issuer that the Notes are, and they shall accordingly forthwith become, immediately due and repayable at the amount equal to their principal amount together with accrued interest and any Arrears of Interest.

(c) *Enforcement*

Without prejudice to Condition 10(a) or (b) above, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Notes or the Coupons (other than any payment obligation of the Issuer under or arising from the Notes, the Coupons or the Trust Deed including, without limitation, payment of any principal, premium or interest in respect of the Notes or the Coupons and any damages awarded for breach of any obligations) and in no event shall the Issuer, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums (in cash or otherwise) sooner than the same would otherwise have been payable by it. Nothing in this Condition 10(c) shall, subject to Condition 10(a), prevent the Trustee instituting proceedings for the winding-up of the Issuer, proving in any winding-up of the Issuer and/or claiming in any liquidation of the Issuer in

respect of any payment obligations of the Issuer arising from the Notes, the Coupons or the Trust Deed (including without limitation, payment of any principal, premiums, or interest in respect of the Notes or the Coupons and any damages awarded for any breach of any obligations).

(d) *Entitlement of the Trustee*

The Trustee shall not be bound to take any of the actions referred to in Condition 10(a), (b) or (c) above to enforce the obligations of the Issuer under the Trust Deed, the Notes or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding and (ii) it shall have been indemnified and/or secured and/or prefunded to its satisfaction.

(e) *Right of Noteholders*

No Noteholder or Couponholder shall be entitled to proceed directly against the Issuer or to institute proceedings for the winding-up or claim in the liquidation of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up or claim in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholder or Couponholder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise as set out in this Condition 10. Any such proceedings brought by any Noteholder or Couponholder shall be brought in the name of the Trustee, subject to such Noteholder or Couponholder indemnifying the Trustee to its satisfaction.

(f) *Extent of Noteholders' remedy*

No remedy against the Issuer, other than as referred to in this Condition 10, shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Notes, Coupons or under the Trust Deed.

11. Meetings of Noteholders, Modification, Waiver and Substitution

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons holding or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, inter alia, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts or Arrears of Interest on the Notes, (ii) to reduce or cancel the principal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest or Arrears of Interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Optional Redemption Amount or the Special Redemption Price, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to take any steps that as specified hereon may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, or (ix) to modify Condition 3, in which case the necessary quorum shall be one or more persons holding or representing not less than two-thirds, or at any adjourned meeting not less than one-third, in principal amount of the Notes for the time being outstanding. The agreement or approval of the Noteholders shall not be required in the case of any variation of these Conditions and/or the Trust Deed required to be made in the circumstances described in Conditions 6(c) or 6(e) in connection with the substitution or variation of the Notes so that they become Qualifying Lower Tier 2 Securities or in the circumstances described in Condition 6(f) in connection with the substitution or variation of the Notes so that they become Rating Agency Compliant

Securities, and to which the Trustee has agreed pursuant to the relevant provisions of Conditions 6(c) or 6(e) or 6(f), as the case may be. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) *Modification of the Trust Deed*

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed or the Agency Agreement that is in the opinion of the Trustee of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of these Conditions and the provisions of the Trust Deed or the Agency Agreement that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

(c) *Notice to Relevant Regulator*

No modification to these Conditions or any other provisions of the Trust Deed shall become effective unless the Issuer shall have given at least one month's prior written notice to, and received no objection from, the Relevant Regulator (or such other period of notice as the Relevant Regulator may from time to time require or accept and, in any event, provided that there is a requirement to give such notice).

(d) *Substitution*

The Trustee, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders or Couponholders, may agree with the Issuer, without the consent of the Noteholders or Couponholders, to the substitution on a subordinated basis equivalent to that referred to in Condition 3 of any person or persons incorporated in any country in the world (other than the United States) (the "Substitute Obligor") in place of the Issuer (or any previous Substitute Obligor under this Condition) as a new principal debtor under the Trust Deed, the Notes and the Coupons provided that:

- (i) a trust deed is executed or some other form of undertaking is given by the Substitute Obligor in form and manner satisfactory to the Trustee, agreeing to be bound by the terms of the Trust Deed, the Notes, the Coupons and the Talons, with any consequential amendments which the Trustee may deem appropriate, as fully as if the Substitute Obligor had been named in the Trust Deed and on the Notes, the Coupons and the Talons, as the principal debtor in place of the Issuer (or of any previous Substitute Obligor, as the case may be);
- (ii) (unless the successor in business of the Issuer is the Substitute Obligor) the obligations of the Substitute Obligor under the Trust Deed, the Notes, the Coupons and the Talons are guaranteed by the Issuer (or the successor in business of the Issuer) on a subordinated basis equivalent to that referred to in Condition 3 and in the Trust Deed and in a form and manner satisfactory to the Trustee;
- (iii) if the directors of the Substitute Obligor or other officers acceptable to the Trustee shall certify that the Substitute Obligor is solvent at the time at which the said substitution is proposed to be effected, the Trustee may rely absolutely on such certification and shall not be bound to have regard to the financial condition, profits or prospects of the Substitute Obligor or to compare the same with those of the Issuer;
- (iv) (without prejudice to the rights of reliance of the Trustee under sub-paragraph (iii) above) the Trustee is satisfied that the said substitution is not materially prejudicial to the interests of the Noteholders;
- (v) (without prejudice to the generality of sub-paragraph (i) above) the Trustee may in the event of such substitution agree, without the consent of the Noteholders or Couponholders, to a change in the law governing the Trust Deed and/or the Notes and/or the Coupons and/or the Talons, provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders;

- (vi) if the Substitute Obligor is, or becomes, subject generally to the taxing jurisdiction of a territory or any authority of or in that territory with power to tax (the “Substituted Territory”) other than the territory of the taxing jurisdiction of which (or to any such authority of or in which) the Issuer is subject generally (the “Issuer’s Territory”), the Substitute Obligor will (unless the Trustee otherwise agrees) give to the Trustee an undertaking satisfactory to the Trustee in terms corresponding to

Condition 8 with the substitution for the references in that Condition and in Condition 6(c) to the Issuer’s Territory of references to the Substituted Territory whereupon the Trust Deed, the Notes, the Coupons and the Talons, will be read accordingly; and

- (vii) the Issuer and the Substitute Obligor comply with such other requirements as are reasonable in the interests of the Noteholders, as the Trustee may direct.

In connection with any proposed substitution as aforesaid, the Trustee shall have regard to the interests of the Noteholders as a class and the Trustee shall not have regard to the consequences of such substitution or such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. In connection with any substitution or such exercise as aforesaid, no Noteholder or Couponholder shall be entitled to claim, whether from the Issuer, the Substitute Obligor or the Trustee or any other person, any indemnification or payment in respect of any tax consequence of any such substitution or any such exercise upon any individual Noteholders or Couponholders except to the extent already provided in Condition 8 and/or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

12. Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in Condition 11) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

13. Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking any action unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

14. Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

15. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other

securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

16. Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

17. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.
