Section 2.6 Registration, Registration of Transfer and Exchange.

(a) ~~(a)~~ — The Issuer shall cause to be kept a register (the “Register”) at the Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes. The Trustee is hereby initially appointed “Registrar” for the purpose of maintaining the Register and

registering Notes and transfers of such Notes. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer shall give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon request at any time the Registrar shall provide to the Issuer, the Investment Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register.

Subject to this Section 2.6, upon surrender for registration of transfer of any Certificated Securities at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Minimum Denominations and of like aggregate principal or face amount, upon surrender of the Certificated Securities to be exchanged at such office or agency. Whenever any Certificated ~~Note~~Security is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Certificated Securities that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer and, solely in the case of the Co-Issued Securities, the Co-Issuer, evidencing the same debt and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Certificated Security presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("STAMP") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. The Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity and/or signature of the transferor and the transferee.

(b) ~~(i)~~ No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration

requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers or the pool of collateral to become subject to the requirement that it register as an investment company under the Investment Company Act.

(ii) ~~(ii)~~—No Note may be offered, sold or delivered or transferred (including, without limitation, by pledge or hypothecation) except (i) to (A) a non-“U.S. person” (as defined under Regulation S) in accordance with the requirements of Regulation S, (B) a QIB/QP, (C) in the case of Secured Notes, an IAI/QP or (D) in the case of Subordinated Notes, an Accredited Investor that also either a Qualified Purchaser or a Knowledgeable Employee and (ii) in accordance with any applicable law.

(iii) ~~(iii)~~—No Note may be offered, sold or delivered (i) as part of the distribution by the Initial Purchaser at any time or (ii) otherwise until 40 days after the Closing Date or Amendment Date, as applicable, within the United States or to, or for the benefit of, “U.S. persons” (as defined in Regulation S) except in accordance with Rule 144A or an exemption from the registration requirements of the Securities Act, to Persons purchasing for their own account or for the accounts of one or more Qualified Institutional Buyers for which the purchaser is acting as a fiduciary or agent. The Notes may be sold or resold, as the case may be, in offshore transactions to non “U.S. persons” (as defined in Regulation S) in reliance on Regulation S. No Rule 144A Global Security may at any time be held by or on behalf of any Person that is not a QIB/QP, and no Temporary Global Security or Regulation S Global Security may be held at any time by or on behalf of any U.S. person. None of the Co-Issuers, the Trustee or any other Person may register the Notes under the Securities Act or any state securities laws or the applicable laws of any other jurisdiction.

(iv) ~~(iv)~~—An interest in Subordinated Notes may be exchanged for an interest in Preferred Shares or an interest in Preferred Shares may be exchanged for an interest in Subordinated Notes at the Share Exchange Rate subject to the following conditions: (A) no Event of Default has occurred and is continuing; (B) the Issuer has consented to the exchange; (C) the exchange would not result in 25% or more of the Aggregate Outstanding Amount of the Preferred Shares or the Subordinated Shares being held by Benefit Plan Investors (determined in accordance with the Plan Asset Regulation and this Indenture or the Fiscal Agency Agreement, as applicable); and (D) the exchange would not result in the Preferred Shares or the Subordinated Notes being held in an amount less than the Minimum Denomination. The form of security (Certificated Security, Rule 144A Global Security or Regulation S Global Security) held by the holder of the interest after the exchange will be the same as the form held prior to the exchange.

(c) ~~(i)~~(i) No transfer of an interest in an Issuer Only Note to a proposed transferee that has represented that it is a Benefit Plan Investor or a Controlling Person will be effective, and the Trustee, the Registrar and the Applicable Issuer will not recognize any such transfer, if such transfer would result in Benefit Plan Investors holding 25% or more of the Aggregate Outstanding Amount of the Class of Issuer Only Notes determined in accordance with the Plan Asset Regulation and this Indenture, and assuming, for this purpose, that all of the representations made (or, in the case of Global Securities, deemed to be made) by Holders of

such Securities are true. For purposes of such calculation, (x) the investment by a Plan Asset Entity shall be treated as plan assets for purposes of calculating the 25% threshold in accordance with the Plan Asset Regulation only to the extent of the percentage of its equity interests held by Benefit Plan Investors and (y) any Issuer Only Notes held by a Controlling Person shall be excluded and treated as not being Outstanding. With respect to any interest in an Issuer Only Note that is purchased by a Controlling Person on the Closing Date or the Amendment Date and represented by a Global Security, if such Controlling Person notifies the Trustee that all or a portion of its interest in such Global Security has been transferred under Section 2.6 to a transferee that is not a Controlling Person, such transferred interest will no longer be excluded for the calculation of this clause (c)(i).

(ii) ~~(ii)~~—No transfer of a beneficial interest in a Note will be effective, and the Trustee and the Applicable Issuer will not recognize any such transfer, if the transferee's acquisition, holding and disposition of such interest would constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in a violation of any Similar Laws or other applicable law), unless an exemption is available and all conditions have been satisfied.

(iii) ~~(iii)~~—In respect of the purchase of Issuer Only Notes, if the purchaser is a bank organized outside the United States, (x) it is acquiring such Notes as a capital markets investment and will not for any purpose treat such Notes or assets of the Issuer as loans acquired in its banking business, and (y) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(d) The Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the requirements or terms of the Securities Act, applicable state securities laws, ERISA, the Code or the Investment Company Act; except that if a certificate is specifically required by the terms of this Section 2.6 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether it conforms substantially on its face to the applicable requirements of this Section 2.6. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of Issuer Only Notes shall not permit any transfer of any Class of Issuer Only Notes if such transfer would result in a Benefit Plan Investor holding 25% or more of the Aggregate Outstanding Amount of the Class of Issuer Only Notes being transferred as calculated pursuant to the Plan Asset Regulation.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any shares of the Issuer to U.S. Persons.

(f) So long as a Global Security remains Outstanding and is held by or on behalf of DTC, transfers of such Global Security, in whole or in part, shall only be made in accordance with Section 2.2(f), this Section 2.6(f) and Section 2.6(g) and (h).

(i) Subject to clauses (ii) and (iii) of this Section 2.6(f), transfers of a Global Security shall be limited to transfers of such Global Security in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Rule 144A Global Security to Regulation S Global Security. If a holder of a beneficial interest in a Rule 144A Global Security wishes at any time to exchange its interest in such Rule 144A Global Security for an interest in the corresponding Regulation S Global Security, or to transfer its interest in such Rule 144A Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Security, such holder (provided that such holder or, in the case of a transfer, the transferee is not a U.S. person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Security. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Security, but not less than the Minimum Denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Security to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase and (C) a Transfer Certificate, then the Registrar shall implement the Global Security Procedures.

(iii) Regulation S Global Security to Rule 144A Global Security. If a holder of a beneficial interest in a Regulation S Global Security deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Security for an interest in the corresponding Rule 144A Global Security or to transfer its interest in such Regulation S Global Security to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Security. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Security in an amount equal to the beneficial interest in such Regulation S Global Security, but not less than the Minimum Denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase and (B) a Transfer Certificate, then the Registrar shall implement the Global Security Procedures.

(g) Transfers of Certificated Securities shall only be made in accordance with Section 2.2(b) and this Section 2.6(g).

(i) Transfer and Exchange of Certificated Securities to Certificated Securities. If a holder of a Certificated Security wishes at any time to exchange its interest in such Certificated Security for a Certificated Security or to transfer such Certificated Security to a Person who wishes to take delivery in the form of a Certificated Security, such holder may exchange or transfer its interest upon delivery of the documents set forth in the

following sentence. Upon receipt by the Registrar of (A) a Holder's Certificated Security properly endorsed for assignment to the transferee, and (B) a Transfer Certificate, the Registrar shall cancel such Certificated Security in accordance with Section 2.10, record the transfer in the Register in accordance with Section 2.6(a) and upon execution by the Applicable Issuers and authentication and delivery by the Trustee, deliver one or more Certificated Securities bearing the same designation as the Certificated Security endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Security surrendered by the transferor), and in Minimum Denominations.

(ii) Transfer of Global Securities to Certificated Securities. If a holder of a beneficial interest in a Global Security wishes at any time to exchange its interest in such Global Security for a Certificated Security or to transfer its interest in such Global Security to a Person who wishes to take delivery thereof in the form of a Certificated Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Security. Upon receipt of (A) a Transfer Certificate executed by the transferee and (B) instructions from Euroclear, Clearstream and/or DTC, as the case may be, if required, the Registrar shall implement the Global Security Procedures and upon execution by the Applicable Issuers authenticate and deliver one or more Certificated Securities, registered in the names specified in the Transfer Certificate above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Global Security transferred by the transferor), and in Minimum Denominations.

(iii) Transfer of Certificated Securities to Regulation S Global Securities. If a holder of a Certificated Security wishes at any time to exchange its interest in such Certificated Security for a beneficial interest in a Regulation S Global Security or to transfer such Certificated Security to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Regulation S Global Security, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Certificated Security for beneficial interest in a Regulation S Global Security of the same Class. Such beneficial owner understands that the representations made in this clause will be deemed made on each day from the date of its acquisition through and including the date it disposes of such Notes.

If it is a Benefit Plan Investor, it (1) acknowledges and agrees that (i) none of the Transaction Parties nor any of their Affiliates has rendered or will render any investment advice (impartial or otherwise) or is otherwise undertaking to give any advice in a fiduciary capacity in connection with its acquisition of such Notes; and (ii) the Transaction Parties have financial interests in the offering and sale of the Notes which are disclosed in the Offering Memorandum or at the time of sale and (2) represents and warrants that (i) the Person making the investment decision on its behalf with respect to the acquisition and holding of the Notes is a Qualified Independent Fiduciary; (ii) the Qualified Independent Fiduciary is capable of evaluating investment risks independently, both in general and with regard to particular transactions and strategies, including the acquisition, holding and subsequent disposition of the Notes; (iii) the Qualified Independent Fiduciary is a fiduciary to it under ERISA or the Code, or both, with respect to the acquisition, holding and subsequent disposition of the Notes and is responsible for exercising independent judgment in evaluating such transactions; and (iv) no fee or other compensation is being paid directly to any of the Transaction Parties or their Affiliates by it or its Qualified Independent Fiduciary for investment advice (as opposed to other services) in connection with the acquisition and holding of the Notes; provided that if 29 CFR 2510.3-21(c)(1), as amended in 2016, is revoked, repealed or no longer effective, the foregoing representations shall be deemed to be no longer in effect.

The beneficial owner understands that the representations made in this clause will be deemed to be made on each day from the date of its acquisition through and including the date on which it disposes of such Notes.

(v) Such beneficial owner understands that such Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Notes have not been and will not be registered under the Securities Act, and, if in the future such beneficial owner decides to offer, resell, pledge or otherwise transfer such Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture and the legend on such Notes. Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. Such beneficial owner understands that neither of the Co-Issuers has been registered under the Investment Company Act, and that the

Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the Investment Company Act.

(vi) Such beneficial owner is aware that, except as otherwise provided in this Indenture, any Notes being sold to it in reliance on Regulation S will be represented by one or more Regulation S Global Securities, and that beneficial interests therein may be held only through DTC for the respective accounts of Euroclear or Clearstream.

(vii) Such beneficial owner will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in this Section 2.6, including the Exhibits referenced herein.

(viii) Such beneficial owner agrees that it will not cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary prior to the date which is one year (or, if longer, the applicable preference period then in effect) plus one day after the payment in full of the Notes and payment of any amounts payable to the Fiscal Agent pursuant to the Indenture for distribution to Shareholders in accordance with the Fiscal Agency Agreement.

(ix) Such beneficial owner understands that the Issuer may receive a list of participants holding positions in Notes from one or more book-entry depositories.

(x) In the case of beneficial interests in an Issuer Only Note, if the beneficial owner is a bank organized outside the United States, such beneficial owner will be deemed to represent that (x) it is acquiring such Notes as a capital markets investment and will not for any purpose treat the assets of the Issuer as loans acquired in its banking business, and (y) it is not acquiring such Notes as part of a plan having as one of its principal purposes the avoidance of U.S. withholding taxes.

(xi) Such beneficial owner, by acceptance of such Notes or such an interest in such Notes, agrees or is deemed to agree (i) the Issuer has the right to compel any beneficial owner of Secured Notes that does not consent to a Re-Pricing with respect to its Notes pursuant to the applicable terms of this Indenture to sell its interest in the Notes or may sell such interest in the Notes on behalf of such beneficial owner and (ii)(A) except as prohibited by applicable law, to obtain and provide the Issuer and the Trustee with information or documentation, and to update or correct such information or documentation, as may be necessary or helpful (in the sole determination of the Issuer or the Trustee or their agents, as applicable) to achieve FATCA Compliance (the obligations undertaken pursuant to this clause (A), the “Holder Reporting Obligations”), (B) that the Issuer and/or the Trustee may (1) provide such information and documentation and any other information concerning its investment in the Notes to the U.S. Internal Revenue Service and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to achieve FATCA Compliance, including withholding on “passthrough payments” (as defined in the Code) made to such beneficial owner or any agent or intermediary through which Notes are held, and (C) that if it fails for any reason to provide any such information or documentation described in clause (A), or such information or documentation is not accurate or complete, or the Issuer otherwise

reasonably determines that such beneficial owner's or subsequent transferee's direct or indirect acquisition, holding or transfer of an interest in such Note would cause the Issuer to be unable to achieve FATCA Compliance, the Issuer shall have the right, in addition to withholding on passthru payments to such beneficial owner or subsequent transferee or any agent or intermediary through which Notes are held, to (x) compel it to sell its interest in such Note, (y) sell such interest on its behalf, and/or (z) assign to such Note a separate CUSIP or CUSIPs.

(xii) Such beneficial owner agrees to provide upon request certification acceptable to the Issuer or, in the case of the Co-Issued Securities, the Co-Issuers to permit the Issuer or the Co-Issuers, as applicable, to (A) make payments to it without, or at a reduced rate of, withholding and (B) qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its assets. Each purchaser has read the summary of the U.S. federal income tax considerations contained in the Offering Memorandum as it relates to the Notes, and it represents that it will treat the Notes for U.S. federal income tax purposes in a manner consistent with the treatment of such Notes by the Issuer described therein and will take no action inconsistent with such treatment.

(xiii) Such beneficial owner acknowledges and agrees that the Issuer has the right to compel any Non-Permitted Holder to sell its interest in the Notes or may sell such interest in the Notes on behalf of such Non-Permitted Holder.

(xiv) Such beneficial owner is not a member of the public in the Cayman Islands.

(l) Each Person who becomes an owner of a Certificated Security will be required to provide a Transfer Certificate.

(m) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void and shall not be given effect for any purpose whatsoever.

(n) The Trustee, the Registrar and the Issuer shall be entitled to conclusively rely on any Transfer Certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Certificated Security is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be reasonably required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a

new Certificated Security, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Certificated Security, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a) ~~(a)~~—The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest shall be payable in arrears on each Payment Date in the case of the Secured Notes, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments of Interest Proceeds to the Holders of the Subordinated Securities) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid in accordance with the Priority of Payments on any Payment Date, if such interest is not paid in

order to satisfy the Coverage Tests (“Deferred Interest” with respect thereto), shall not be considered due and payable for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Payment Date (i) on which such interest is available to be paid in accordance with the Priority of Payments, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, and (iii) which is the Stated Maturity of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes will be added to the principal balance of such Class.

Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes and (y) the interest on any Class A Note or, if no Class A Notes are Outstanding, the Controlling Class that is not paid when due and payable shall accrue at the Interest Rate for such Class until paid as provided herein.

Subordinated Notes will receive distributions of Interest Proceeds on each Payment Date in accordance with the Priority of Interest Proceeds; provided that any interest on the Subordinated Notes which is not available to be paid on a Payment Date in accordance with the Priority of Payments will not be payable on such Payment Date or any date and shall not be considered “due and payable” for purposes of this Indenture (and the failure to pay such interest will not be an Event of Default).

(b) Each Secured Note matures at par and is due and payable at the Stated Maturity, unless such Note has been previously repaid or becomes due and payable at an earlier date by declaration of acceleration, redemption or otherwise. Prior to the Stated Maturity, principal shall be paid as provided in the Priority of Payments; provided that, except as otherwise provided in Article IX and the Priority of Payments, the payment of principal on each Secured Note (x) may only occur after each Priority Class is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal due and payable on each Priority Class and other amounts in accordance with the Priority of Payments. Each Subordinated Note will mature at the Stated Maturity, unless such Note has been previously repaid or becomes due and payable at an earlier date by declaration of acceleration, redemption or otherwise. Holders of Subordinated Notes will receive distributions of Principal Proceeds, if any, in accordance with the Priority of Principal Proceeds only after each Priority Class is paid in full. Any payment of principal of any Note which is not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Stated Maturity or any Redemption Date), will not be considered “due and payable” for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments.

(c) Principal payments on each Class of Notes shall be made in accordance with the Priority of Payments.

(d) Payments made on the Subordinated Securities from Principal Proceeds will be characterized by the Issuer as principal payments and payments made on the Subordinated Securities from Interest Proceeds will be characterized by the Issuer as interest payments.

(e) ~~(d)~~ As a condition to payments on any Note without the imposition of withholding or back-up withholding tax, the Trustee and any Paying Agent shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Note under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation and the delivery of any information required under FATCA to determine if the Issuer is subject to withholding or payments by the Issuer are subject to withholding.

(f) ~~(e)~~ Payments in respect of any Note shall be made by the Trustee or by a Paying Agent in United States dollars to the Holder, by wire transfer, as directed by the Holder, in immediately available funds to a United States dollar account maintained by DTC or its nominee with respect to a Global Security, and to the Holder or its designee with respect to a Certificated Security, provided that in the case of a Certificated Security, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, on or before the related Record Date; provided, further, that if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Certificated Security, the Holder thereof shall present and surrender such Note to the office designated by the Trustee on or prior to such Maturity; provided, however, that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a bona fide purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Investment Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Security. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made provide notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$100,000 original principal amount and the place where such Notes in the form of Certificated Securities may be presented and surrendered for such payment.

(g) ~~(f)~~ Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(h) ~~(g)~~ Interest accrued with respect to the Floating Rate Notes will be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual

Period (or for the first Interest Accrual Period, the related portion thereof) divided by 360. Interest on the Fixed Rate Notes will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(i) ~~(h)~~ All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments made on any Payment Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(j) ~~(i)~~ Notwithstanding any other provision of this Indenture, the obligations of the Co-Issuers under the Co-Issued Securities and this Indenture are limited recourse obligations of the Co-Issuers and the obligations of the Issuer under the Issuer Only Notes are limited recourse obligations of the Issuer, payable solely from the Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers (or, in the case of the Issuer Only Notes, the Issuer) hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder or incorporator of either the Co-Issuers, the Investment Manager or their respective successors or assigns for any amounts payable under the Notes or (except as otherwise provided herein or in the Investment Management Agreement) this Indenture. It is understood that the foregoing provisions of this paragraph (j) shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (j) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(k) ~~(j)~~ Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee may treat as the owner of such Note the Person in whose name any Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Surrender of Notes; Cancellation.

(a) ~~(a)~~ Notwithstanding anything herein to the contrary, no Note may be surrendered (including any surrender in connection with any abandonment) for any purpose other

than for payment in full, registration of transfer, exchange or redemption in accordance with Article IX, or for replacement in connection with any Note that is deemed lost or stolen.

(b) All Certificated Securities that are surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold; provided that, in the event an anticipated ~~Optional Redemption, Partial Redemption or Tax Redemption~~ redemption or Re-Pricing does not occur, Notes that are delivered in connection with such anticipated Optional Redemption shall be returned by the Trustee to the Person surrendering the same. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.11 DTC Ceases to be Depository.

(a) ~~(a)~~ A Global Security deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Certificated Security to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Security or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Security shall be entitled to receive a Certificated Security in exchange for such interest if an Event of Default has occurred and is continuing.

(b) Any Global Security that is transferable in the form of a Certificated Security to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Security, an equal aggregate principal amount of Certificated Securities in Minimum Denominations. Any Certificated Security delivered in exchange for an interest in a Global Security shall, except as otherwise provided by Section 2.6(i), bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subclauses (i) and (ii) of subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Certificated Securities.

In the event that Certificated Securities are not so issued by the Issuer to such beneficial owners of interests in Global Securities as required by Section 2.11(a), the Issuer

expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Security would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Security) as if Certificated Securities had been issued. Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from DTC and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of beneficial owners in whose names such Certificated Securities shall be registered or as to delivery instructions for such Certificated Securities.

Section 2.12 Notes Beneficially Owned by Non-Permitted Holders.

(a) ~~(a)~~ — Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Security to a U.S. person that is not (i) in the case of a Rule 144A Global Security, a QIB/QP, (ii) in the case of a Secured Note, an IAI/QP or a QIB/QP, or (iii) in the case of an Subordinated Note, a QIB/QP or an Accredited Investor that is also either a Qualified Purchaser or Knowledgeable Employee, and, in each case that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Holders of Secured Notes or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Holders of Secured Notes to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders of Secured Notes to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder of Secured Notes, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of Secured Notes in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies.

(a) ~~(a)~~ — If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Majority of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Account Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a). The Trustee shall notify Fitch of any action taken at the direction of the Controlling Class pursuant to this Section 5.4(a).

The Trustee may, but need not, obtain (at the expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(c) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)), shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding. The Trustee shall notify Fitch of any action taken at the direction of the Controlling Class pursuant to this Section 5.4(b).

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A-1 Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A-1 Notes so delivered by such Holder (taking into account the Priority of Payments and Article XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties, the Holders of the Securities, or the beneficial owners of the Securities may, prior to the date which is one year (or, if longer, any applicable preference period) plus one day after the payment in full of the Notes and payment of any amounts payable to the Fiscal Agent pursuant to this Indenture for distribution to Shareholders in accordance with the Fiscal Agency Agreement, institute against, or join any other Person in instituting against, the Issuer, Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or State bankruptcy or similar laws. The parties hereto agree that the restrictions set forth in this clause (d) are a material inducement for each Holder and beneficial owner of the Securities to acquire such Securities and for the Issuer, the Co-Issuer and the Investment Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture. Any Holder or beneficial owner of the

Securities, the Investment Manager, the Trustee, any Tax Subsidiary or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under Cayman Islands law, U.S. federal or state bankruptcy law or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

Section 5.5 Optional Preservation of Assets.

(a) ~~(a)~~ — Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets intact (except as otherwise expressly permitted or required by Sections 7.16(n), 10.7 and, as directed by the Investment Manager, 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all Accounts and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including Deferred Interest) and all amounts payable prior to payment of principal on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap) and amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination; or

(ii) the sale and liquidation of all or any portion of the Assets is directed by either (A) solely in the case of an Event of Default described in Section 5.1(a) with respect to payments on the Class A-1 Notes or an Event of Default described in Section 5.1(d), a ~~Supermajority~~Majority of the Class A-1 Notes or (B) in all other cases, a Supermajority of each Class of Secured Notes voting separately.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer ~~and~~, the Investment Manager and each Rating Agency. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of the Majority of the Controlling Class, request bid prices with respect to each security contained in the Assets from two nationally recognized dealers at the time making a market in such securities (as identified by the Investment Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. If the Trustee is unable to obtain any bids, the condition specified in Section 5.5(a)(i) shall be deemed to not exist. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain (at the Co-Issuers' expense and for a commercially reasonable fee) and conclusively rely without limitation on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter.

The Trustee shall deliver to the Holders and the Investment Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. Unless a Majority of the Controlling Class has not consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within 30 days after an Event of Default (or such longer period as is necessary if the information required to make such determination has not yet been received) or at the request of a Majority of the Controlling Class at any time, but not more frequently than once in any calendar month, during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Securities pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Securities hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of the Priority of Payments, at the date or dates fixed by the Trustee (each such date to occur on a Payment Date). Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Sections 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30 day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

The Issuer or the Co-Issuer, as applicable, shall, so long as any Notes remain outstanding and for a year and a day thereafter, and subject to the availability of funds therefor under the Priority of Payments, timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent, or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment, liquidation, winding up or composition of or in respect of the Issuer or the Co-Issuer, as the case may be, under any bankruptcy law or any other applicable law. The reasonable fees, costs, charges and expenses incurred by the Issuer or Co-Issuer (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.9 Unconditional Rights of Holders of Secured Notes to Receive Principal and Interest. Subject to Sections 2.8(i), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Sections 5.4(d) and 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes of a Junior Class shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Sections 5.4(d) and 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case the Co-Issuers, the Trustee and the Holder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Holder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; provided that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, however, that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders representing the requisite percentage of the Aggregate Outstanding Amount specified in Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note (which may be waived with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the Global Rating Agency Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to ~~Moody's, S&P~~ Peach Rating Agency, the Investment Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Investment Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Investment Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good

faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets.

(a) ~~(a)~~ — The power to effect any sale (a “Sale”) of all or any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Holders, and shall, upon direction of the Holders of Securities representing the requisite percentage of the Aggregate Outstanding Amount the Class having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided that the Trustee and the Investment Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act (“Unregistered Securities”), the Investment Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the

Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Subordinated Securities, and the Holders of the Subordinated Securities shall be permitted to participate in any such public Sale to the extent such Holders meet any applicable eligibility requirements with respect to such Sale.

~~Section 5.18~~ Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Holders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities.

(a) ~~(a)~~ Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, however, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Investment Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Holders.

(b) In case an Event of Default actually known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of written directions, if any, from a Majority of the Controlling Class, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the

Co-Issuer or the Investment Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including providing notices under Article V, under this Indenture (and it is hereby expressly acknowledged and agreed, without implied limitation, that the enforcement or exercise of rights and remedies under Article V, and/or the commencement of or participation in any legal proceeding does not constitute “ordinary services”); and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Section 5.1(c) a Bankruptcy Event or any other matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default or other matter, as the case may be, is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee’s responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) The Trustee shall, upon reasonable (but no less than three Business Days’) prior written notice to the Trustee, permit any representative of a Holder, during the Trustee’s normal business hours, to examine all books of account, records, reports and other papers of the Trustee (other than items protected by attorney-client privilege) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee’s actions, as such actions relate to the Trustee’s duties with respect to the Notes, with the Trustee’s Officers and employees responsible for carrying out the Trustee’s duties with respect to the Notes.

Section 6.2 Notice of Default. As soon as reasonably practicable (and in no event later than two Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall give notice to the Co-Issuers, the Investment Manager, DTC, each Rating Agency, each Hedge Counterparty, each Paying Agent and all Holders, and the Irish Stock Exchange, for so long as any Class of Securities is listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, of all Defaults hereunder actually known to the Trust Officer of the Trustee, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed or required to be withheld by the Issuer (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as Cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any

Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Securities.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall

cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Classes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Certificated Securities have been called but have not been surrendered for

redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

(a) ~~(a)~~— The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; provided, however, that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Investment Manager, and each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; provided, further, that the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives a legal opinion from nationally recognized legal counsel to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to U.S. federal, state or local income taxes on a net income basis or any material other taxes to which the Issuer would not otherwise be subject.

(b) Each of the Issuer and the Co-Issuer shall (i) ensure that all corporate or other formalities regarding its existence (including, to the extent required by applicable law, holding regular board of directors,' members', partners' and shareholders' or other similar meetings) are followed, (ii) conduct business in its own name, (iii) correct any known misunderstanding as to its separate existence, (iv) keep separate books and records and (v) not commingle its funds with those of any other entity. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement, the Registered Office Agreement or the Issuer's amended and restated declaration of trust, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, members or managers, as applicable), (B) except as contemplated by the Investment Management Agreement, the Memorandum and Articles, the Registered Office Agreement or the Administration Agreement, engage in any transaction with any shareholder or member, as applicable, that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

Section 7.5 Protection of Assets.

(a) ~~(a)~~ The Issuer, or the Investment Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Investment Manager if within the Investment Manager's control under the Investment Management Agreement) as is reasonably necessary in order to perfect and maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Secured Notes hereunder and to:

- (i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties; or

The Issuer hereby designates the Trustee as its agent and attorney in fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5; provided that such appointment shall not impose upon the Trustee any of the Issuer's or the Investment Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the

need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with Article V and Sections 10.6, 12.1 and 12.3, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall make an entry of the security interest created by this Indenture in the Register of Mortgages and Charges maintained at the Issuer's registered office in the Cayman Islands.

Section 7.6 Opinions as to Assets. For so long as any Secured Notes are Outstanding, no later than the March 31st that precedes the fifth anniversary of the Closing Date (and every five years thereafter), the Issuer shall furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, as of the date of such opinion, the lien and security interest created by this Indenture with respect to the Assets remains a valid and perfected lien or the equivalent under applicable law and stating that no further action (other than as specified in such opinion) needs to be taken under current law to ensure the continued effectiveness and perfection of such lien over the next year.

Section 7.7 Performance of Obligations.

(a) ~~(a)~~— The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Investment Manager under the Investment Management Agreement and in conformity with this Indenture or as otherwise required hereby.

Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Investment Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Investment Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Investment Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) If the Co-Issuers receive a notice from a Rating Agency stating that they are not in compliance with Rule 17g-5, the Co-Issuers shall take such action as mutually agreed between the Co-Issuers and such Rating Agency in order to comply with Rule 17g-5.

(v) amend the Investment Management Agreement except pursuant to the terms thereof;

- (vi) dissolve or liquidate in whole or in part, except as permitted hereunder or required by applicable law;
- (vii) pay any distributions other than in accordance with the Priority of Payments;

(c) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Investment Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking

(d) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary “non-petition” and “limited recourse” provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Investment Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Investment Manager in its sole discretion) loan trading documentation.

Section 7.16 Certain Tax Matters.

(a) The Issuer will treat the Secured Notes as debt and intends to treat the Subordinated Securities as equity for U.S. federal income tax purposes, except as otherwise required by applicable law.

(b) No later than July 31 of each calendar year, the Issuer shall (or shall cause its Independent accountants to) provide to each Holder of Subordinated Securities, Class D Notes or Class E Notes requesting such information (i) all information that a U.S. shareholder making a "qualified electing fund" election (as defined in the Code) is required to obtain for U.S. federal income tax purposes and (ii) a "PFIC Annual Information Statement" as described in United States Treasury Regulations Section 1.1295-1 (or any successor Treasury Regulation), including all representations and statements required by such statement, and will take any other reasonable steps necessary to facilitate such election by, and any reporting requirements of, the owner of a beneficial interest in such Securities. Upon request by the Independent accountants, the Registrar shall provide to the Independent accountants information contained in the Register and requested by the Independent accountants to comply with this Section 7.16(b).

(c) The Issuer has not and will not elect to be treated other than as a corporation for U.S. federal, state or local income or franchise tax purposes and shall make any election necessary to avoid classification as a partnership or disregarded entity for U.S. federal, state or local tax purposes.

(d) The Issuer shall not file, or cause to be filed, any income or franchise tax return in any state of the United States unless it shall have obtained a legal opinion from nationally recognized legal counsel prior to such filing that, under the laws of such jurisdiction, the Issuer is required to file such income or franchise tax return.

(e) The Issuer will provide, upon request of a Holder of Subordinated Securities, any information that such Holder reasonably requests to assist such Holder with regard to any filing requirements the Holder may have as a result of the controlled foreign corporation rules under the Code.

(f) The Issuer shall not (i) become the owner of any asset (A) that is treated as an equity interest in an entity that is treated as a partnership or other fiscally transparent entity for U.S. federal income tax purposes if such entity is at any time engaged in a trade or business within the United States for U.S. federal income tax purposes or owns, or will own, any “United States real property interests” within the meaning of Section 897(c)(1) of the Code, (B) the gain from the disposition of which would be subject to U.S. federal income or withholding tax under Section 897 or Section 1445, respectively, of the Code or (C) if the ownership or disposition of such asset would cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or (ii) engage in any activity that would cause the Issuer to be subject to U.S. federal income tax on a net income basis; provided, however, that a Tax Subsidiary may become the owner of a Tax Subsidiary Asset if the acquisition, ownership and disposition of such Tax Subsidiary Asset would not cause any income or gain of the Issuer to be treated as income or gain that is effectively connected with the conduct of a trade or business of the Issuer within the United States for U.S. federal income tax purposes (other than as a result of a change in law after the acquisition of such Tax Subsidiary Asset).

(g) The Issuer (or the Investment Manager acting on behalf of the Issuer) will take such reasonable actions, consistent with law and its obligations under this Indenture, as are necessary to achieve FATCA Compliance.

(h) The Co-Issuer has not and will not elect to be treated as other than a disregarded entity for U.S. federal, state or local tax purposes.

(i) It is the intention of the parties hereto and, by its acceptance of a Note, each Holder and each beneficial owner of a Note shall be deemed to have agreed, not to treat any income generated by such Note as derived in connection with the Issuer’s active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(j) Upon the Trustee’s receipt of a request of a Holder, delivered in accordance with the notice procedures of Section 14.3, for the information described in United States Treasury Regulations Section 1.1275-3(b)(i) that is applicable to such Holder, the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information. Any additional issuance of the Additional Securities shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to Holders of the Additional Securities.

(k) Prior to the time that the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States or subject to U.S. federal tax

on a net income basis, the Issuer shall either (x) organize one or more wholly-owned special purpose vehicles of the Issuer that are treated as corporations for U.S. federal income tax purposes (each, a “Tax Subsidiary”), and contribute the Collateral Obligation that is the subject of the workout or restructuring to a Tax Subsidiary, (y) contribute such Collateral Obligation to an existing Tax Subsidiary, or (z) sell such Collateral Obligation.

(l) Notwithstanding Section 7.16(k), the Issuer shall not acquire any Collateral Obligation if a restructuring or workout of such Collateral Obligation is in process and if such restructuring or workout could reasonably result in the Issuer being treated as engaged in a trade or business in the United States or subject to U.S. federal tax on a net income basis.

(m) Each Tax Subsidiary must at all times have at least one independent director meeting the requirements of an “Independent Director” as set forth in the Tax Subsidiary’s organizational documents complying with ~~any—applicable~~then-current Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Tax Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Collateral Obligations referred to in clauses (x) and (y) of Section 7.16(k), and any assets, income and proceeds received in respect thereof (collectively, “Tax Subsidiary Assets”), and shall require the Tax Subsidiary to distribute 100% of the proceeds from such assets, including, without limitation, the proceeds of any sale of such assets, net of any tax or other liabilities, to the Issuer on or before the Stated Maturity of the Secured Notes or at such earlier time designated at the sole discretion of the Investment Manager. At the request of the Investment Manager, the Issuer will cause any Tax Subsidiary to enter into a separate management agreement with the Investment Manager which agreement shall be substantially in the form of the Investment Management Agreement. Notice of any such separate management agreement and a copy of such agreement shall be provided to each of the Rating Agencies. No supplemental indenture pursuant to Sections 8.1 or 8.2 hereof shall be necessary to permit the Issuer, or the Investment Manager on its behalf, to take any actions necessary to set up a Tax Subsidiary.

(i) the Issuer shall not allow such Tax Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Tax Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Tax Subsidiary Assets, except as expressly permitted by this Indenture and the Investment Management Agreement;

(v) the Issuer shall ensure that such Tax Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Tax Subsidiary shall provide that recourse with respect to costs, expenses or other liabilities of such Tax Subsidiary shall be solely to the assets of such Tax Subsidiary and no creditor of such Tax Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law;

(vii) the Issuer shall ensure that such Tax Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Tax Subsidiary;

(ix) the Issuer shall ensure that such Tax Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Tax Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(k) so long as they do not violate Section 7.16(l);

In addition, the Issuer and each Tax Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Tax Subsidiary at any time;

(xii) with respect to any Tax Subsidiary, the parties hereto agree that any reports prepared by the Trustee, the Investment Manager or Collateral Administrator with respect to the Collateral Obligations shall indicate that the related Tax Subsidiary Assets and related assets are held by the Tax Subsidiary, shall refer directly and solely to the related Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Investment Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year (or, if longer, any preference period then in effect) plus one day after the payment in full of all the Notes and payment of any amounts payable to the Fiscal Agent pursuant to this Indenture for distribution to Shareholders in accordance with the Fiscal Agency Agreement;

(xiv) in connection with the organization of any Tax Subsidiary and the contribution of any Tax Subsidiary Assets to such Tax Subsidiary pursuant to Section 7.16(n)(x), such Tax Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or a financial institution meeting the requirements of Section 10.5(b) to hold the Tax Subsidiary Assets and any proceeds thereof pursuant to an account control agreement which will contain non-petition covenants of the Tax Subsidiary with respect to the Issuer and the Co-Issuer; provided, however, that (A) a Tax Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Tax Subsidiary Asset or any other asset and (B) the Issuer may pledge a Tax Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xv) the Issuer shall cause the Tax Subsidiary to distribute, or cause to be distributed, the proceeds of Tax Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Investment Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Interest Collection Amount or the Principal Collection Account, as applicable, as determined in accordance with subclause (xvi)); provided that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of a Tax Subsidiary Asset to a Tax Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Collateral Quality Test, and Coverage Tests or for the purpose of characterizing any Cash proceeds distributed to the Issuer as Interest Proceeds or Principal Proceeds, the ownership interests of the Issuer in a Tax Subsidiary or any property distributed to the Issuer by a Tax Subsidiary (other than Cash) shall be treated as ownership of the Tax Subsidiary Asset(s) owned by such Tax Subsidiary (and shall be treated as having the same characteristics as such Tax Subsidiary Asset(s) or of any asset received in consideration of such Tax Subsidiary Asset(s)). If, prior to its transfer to a Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in such Tax Subsidiary shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by a Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash

would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any Optional Redemption, Tax Redemption, or other prepayment in full or repayment in full of all Notes Outstanding occurs and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred or will occur within five Business Days, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Assets, however described, the Issuer or the Investment Manager on the Issuer's behalf shall (x) with respect to each Tax Subsidiary, instruct such Tax Subsidiary to sell each Tax Subsidiary Asset and all other assets held by such Tax Subsidiary for the Issuer and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer or (y) sell its interest in such Tax Subsidiary; and

(xix) the Issuer shall not dispose of an interest in any Tax Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and a Tax Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis.

Each contribution of an asset by the Issuer to a Tax Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in such asset to the Tax Subsidiary if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes, based on Tax Advice.

Section 7.17 Ramp-Up Period; Purchase of Additional Collateral Obligations.

(a) ~~(a)~~ The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the Refinancing Effective Date.

At the written direction of the Issuer (or the Investment Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations during the Ramp-Up Period as ~~described~~set forth in ~~clause~~Section 7.17(b) above. If at the Refinancing Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as ~~described~~set forth in Section 10.3(c).

(f) ~~Asset Quality Matrix; S&P CDO Monitor. On or prior to the Effective Date, the Investment Manager shall (i) determine which Asset Quality Matrix Combination shall apply on and after the Effective Date for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, and if such Asset Qualify Matrix Combination differs from the Asset Qualify Matrix Combination chosen to apply as of the Closing Date, the Investment Manager shall so notify the Trustee and the Collateral Administrator and (ii) determine the applicable S&P CDO Monitor that shall apply on and after the Effective Date to the Collateral Obligations for purposes of determining compliance with the S&P CDO Monitor Test. On and after the Effective Date, the Investment Manager may request from time to time for S&P to provide S&P CDO Monitors for up to 50 different combinations of S&P Matrix Spreads and Recovery Rate Sets with respect to all Classes of Secured Notes for each such request, which may, for example, be two S&P Matrix Spreads and 25 Recovery Rate Sets or 10 S&P Matrix Spreads and five Recovery Rate Sets. Thereafter, at any time on written notice of two Business Day to the Trustee, the Collateral Administrator and the Rating Agencies, the Investment Manager may elect a different Asset Qualify Matrix Combination or a different S&P CDO Monitor to apply to the Collateral Obligations; provided, that if (i) the Collateral Obligations are currently in compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test (in the case of a proposed change in the Asset Qualify Matrix Combination) or the S&P CDO Monitor Test (in the case of a proposed change to the S&P CDO Monitor), the Collateral Obligations comply with such applicable tests after giving effect to such proposed election, or (ii) the Collateral Obligations are not currently in compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test (in the case of a proposed change in the Asset Qualify Matrix Combination) or the S&P CDO Monitor Test (in the case of a proposed change to the S&P CDO Monitor) or would not be in compliance with such applicable tests after the application of any other Asset Qualify Matrix Combination or S&P CDO Monitor (as the case may be), the Collateral Obligations need not~~

~~comply with such applicable tests after the proposed change so long as (x) the Class Default Differential of the Priority Class increases and (y) in the case of the Asset Qualify Matrix Combination, the degree of compliance of the Collateral Obligations with each of the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test not in compliance would be maintained or improved if the Asset Qualify Matrix Combination to which the Investment Manager desires to change is used; provided that if subsequent to such election of an Asset Qualify Matrix Combination the Collateral Obligations would comply with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test if a different Asset Qualify Matrix Combination were selected, the Investment Manager shall elect an Asset Qualify Matrix Combination in which the Collateral Obligations are in compliance with such tests. If the Investment Manager does not notify the Trustee and the Collateral Administrator that it will alter the Asset Qualify Matrix Combination or the S&P CDO Monitor, in each case chosen on the Effective Date in the manner set forth above, the Asset Qualify Matrix Combination or the S&P CDO Monitor (as the case may be) chosen on the Effective Date shall continue to apply.~~ (i) Within 30 calendar days after the Refinancing Effective Date, the Issuer shall provide, or cause the Investment Manager to provide, to S&P the Excel Default Model Input File, which must include, at a minimum, the following data with respect to each Collateral Obligation: CUSIP number (if any), the LoanX identifier (if any), name of obligor, coupon, spread (if applicable), legal final maturity date, average life, principal balance, the Reference Rate floor with respect to any Reference Rate Floor Obligation, identifying such Collateral Obligation with a trade date and settlement date, the purchase price thereof, identification as a Cov-Lite Loan or otherwise, S&P Industry Classification, S&P Rating and S&P Recovery Rate and an indication as to whether each such Collateral Obligation is (1) a Senior Secured Loan, (2) a Second Lien Loan, (3) an Unsecured Loan or (4) a DIP Collateral Obligation.

(ii) In connection with determining the "Default Differential" for purposes of the S&P CDO Monitor Test, the Investment Manager may provide written notice (such notice, a "S&P CDO Monitor Test Notice") to the Issuer, S&P, the Trustee and the Collateral Administrator, that the Investment Manager is electing (such election, an "S&P CDO Formula Election") to determine the Class Break-even Default Rate, Class Default Differential and Class Scenario Default Rate in accordance with the provisions of the definitions thereof applicable if the S&P CDO Formula Election is in effect. Following the Effective Date, the Investment Manager may deliver one S&P CDO Monitor Test Notice and may subsequently withdraw one S&P CDO Formula Election upon written notice (such notice of withdrawal, an "S&P CDO Monitor Withdrawal Notice") to the Issuer, S&P, the Trustee and the Collateral Administrator. Unless otherwise withdrawn, any S&P CDO Formula Election will remain in effect until the end of the Reinvestment Period. Any S&P CDO Formula Election or withdrawal thereof will take effect on the first Measurement Date that occurs at least five (5) Business Days after delivery of the related S&P CDO Monitor Test Notice or S&P CDO Monitor Withdrawal Notice.

(iii) Solely in connection with the Refinancing Effective Date, the Investment Manager may, in its sole discretion, at any time prior to the Refinancing Effective Date and upon at least five Business Days' prior written notice to the Issuer, S&P, the Trustee and the Collateral Administrator, elect to apply the modified S&P non-model methodology in connection with the Refinancing Effective Date (such election, an "S&P

Effective Date Formula Election”) for purposes of determining compliance with the S&P CDO Monitor Test. Following the Refinancing Effective Date, once the Effective Date Ratings Confirmation has been obtained, the S&P Effective Date Formula Election shall no longer be in effect and the S&P methodology used to determine compliance with the S&P CDO Monitor Test in effect immediately prior to the S&P Effective Date Formula Election shall be applied to determine compliance with the S&P CDO Monitor Test.

(iv) Compliance with the S&P CDO Monitor Test shall be measured by the Investment Manager on each Measurement Date during the Reinvestment Period. Compliance with the S&P CDO Monitor Test is not required after the Reinvestment Period.

(iii) impair or adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture;

(v) modify any of the provisions of this Section 8.2;

(vi) modify the definitions of the terms Outstanding, Class, Controlling Class, Majority or Supermajority;

(vii) modify the Priority of Payments;

(viii) modify any of the provisions of this Indenture in such a manner as to directly affect the calculation of the amount of any payment of interest or principal on any Secured Note, or any amount available for distribution to the Subordinated Securities or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein;

(ix) amend any of the provisions of this Indenture relating to the institution of proceedings for a Bankruptcy Event in respect of either of the Co-Issuers;

(b) A supplemental indenture may not modify (i)(x) any of the Collateral Quality Tests or any defined term utilized in the determination of any Collateral Quality Test or (y) the definition of the term Concentration Limitations without, in each case, the prior written consent of a Majority of the Controlling Class or (ii) criteria regarding reinvestment after the Reinvestment Period, without the prior written consent of a Majority of each Class of Notes.

(c) Not later than 20 Business Days prior to the execution of any proposed supplemental indenture, the Trustee, at the expense of the Co-Issuers, shall provide to the Holders, the Investment Manager, any Hedge Counterparty and each Rating Agency a copy of such proposed supplemental indenture. Any such notice of a proposed supplemental indenture shall (i) request any required consent from the Holders of each Class from which consent is required and (ii) inform Holders of any Class from which consent is not being requested that they may notify the Trustee if they believe that such Class will be materially and adversely affected by such proposed supplemental indenture in accordance with Section 8.2(g). Any consent given to a proposed supplemental indenture by the Holder of any Securities shall be irrevocable and binding

on all future holders or beneficial owners of that Security, irrespective of the execution date of the supplemental indenture.

(d) It shall not be necessary for any Act of Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture.

(e) The Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2 if any Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and notifies the Issuer and the Trustee thereof without the prior written consent of such Hedge Counterparty.

(f) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Investment Manager, and each Rating Agency a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(g) If the Trustee and the Issuer are notified within 20 days after notice by the Issuer to the Holders of a proposed supplemental indenture by a Majority of any Class that such Holders believe the interests of the Holders in such Class will be materially and adversely affected by the proposed supplemental indenture, the consent of a Majority (or, if higher, the percentage required for such amendment) of such Class will be required for execution of such supplemental indenture. Unless so notified prior to the execution of a supplemental indenture by a Majority of any Class of Notes that such Class of Notes would be materially and adversely affected, the Trustee may rely upon a certificate of any of the Issuer, the Investment Manager, any investment banking firm or other Independent expert familiar with the market for the Notes as to whether the proposed supplemental indenture would have a material adverse effect on any Class. Such determination will be conclusive and binding on all present and future Holders. For the avoidance of doubt, satisfaction of the S&P Rating Condition or the [Moody's Global Rating Agency](#) Condition, as applicable, shall not be required prior to the execution or effectiveness of any supplemental indenture.

Section 8.3 Execution of Supplemental Indentures. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee and the Issuer shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. The Investment Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements of Section 8.1 and Section 8.2. For so long as any Securities are listed on the Irish Stock Exchange, the Trustee at the expense of the Issuer shall notify the Irish Stock Exchange of any material modification to this Indenture.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

~~Section 8.6~~ Re-Pricing Amendment. (b) If the Investment Manager proposes a Reference Rate Amendment to which clause (y) of the proviso to Section 8.1(xxi)(B) applies, and either requirement thereof is not satisfied, the Investment Manager shall then propose a Reference Rate that is a Designated Reference Rate, and such Designated Reference Rate shall become the Reference Rate (subject to the conditions specified in the definition thereof) without the execution of a supplemental indenture.

(e) ~~Redemption by Liquidation~~. (m) Notwithstanding anything contained in this Article XII to the contrary but subject to the Operating Guidelines and Section 7.8(c), the Issuer shall have the right to effect the sale of any Asset or purchase of any Collateral Obligation (x) that has been separately consented to by Holders evidencing at least 75% of the Aggregate Outstanding Amount of each Class, (y) in the case of a purchase, that satisfies the definition of Collateral Obligation as of the date of the commitment to purchase and (z) of which each Rating Agency and the Trustee has been notified.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Investment Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. SCHEDULE ~~43~~

MOODY'S RATING DEFINITIONS

~~MOODY'S DEFAULT PROBABILITY RATING~~

"Moody's Credit Estimate" means, with respect to any Collateral Obligation, as of any date of determination, an estimated credit rating for such Collateral Obligation (or, if such credit estimate is the Moody's Rating Factor, the credit rating corresponding to such Moody's Rating Factor) provided or confirmed by the Investment Manager to the Trustee and the Collateral Administrator; provided that not more than 5% of the Collateral Principal Amount may consist of Collateral Obligations with a Moody's Rating determined by reference to a Moody's Credit Estimate of "B3" or higher.

"Moody's Default Probability Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

~~(a) (e) With respect to a Collateral Obligation that is a Moody's Senior Secured Floating Rate Note, Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating or, solely for purposes of determining the Maximum Moody's Rating Factor Test, with respect to a Current Pay Obligation, one subcategory below the facility rating (whether public or private) of such Current Pay Obligation (or the facility rating of such Current Pay Obligation immediately before such rating was withdrawn) rated by Moody's; other than a DIP Collateral Obligation~~

~~(p) With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a) above, if such Collateral Obligation (i) is publicly rated by Moody's, such public rating, or (ii) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Investment Manager, such rating or the corporate family rating estimate, as applicable;~~

~~(q) With respect to a Collateral Obligation,~~

(i) if the obligor of such Collateral Obligation has a corporate family rating by Moody's, such rating;

(ii) if not determined pursuant to clause (a) or (b) above, (i) if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, the Moody's rating that is one subcategory higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Investment Manager in its sole discretion or, if no such rating is available, (ii) if such Collateral Obligation is publicly rated by Moody's, such public rating or, if no such rating is available, (iii) if a rating or rating estimate has been assigned to

~~such Collateral Obligation by Moody's upon the request of the Issuer, the Investment Manager or an Affiliate of the Investment Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation or (iv) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (e) in the definition thereof; and~~

~~(r) With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b) or (c) above, the Moody's Derived Rating;~~

~~provided, that for purposes of calculating a Moody's Weighted Average Rating Factor, each applicable rating, at the time of calculation, (i) on credit watch by Moody's with positive implications will be treated as having been upgraded by one rating subcategory, (ii) on credit watch by Moody's with negative implications will be treated as having been downgraded by two rating subcategories and (iii) on negative outlook by Moody's will be treated as having been downgraded by one rating subcategory.~~

~~MOODY'S RATING~~

~~(s) With respect to a Collateral Obligation that (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Investment Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation;~~

~~(t) With respect to a Collateral Obligation that is a Moody's Senior Secured Floating Rate Note, Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan (if not determined pursuant to clause (a) above), if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then such corporate family rating;~~

~~(u) With respect to a Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, the Moody's rating that is one subcategory higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Investment Manager in its sole discretion; and i) above, if the senior unsecured debt of the obligor of such Collateral Obligation has a public rating by Moody's (a "Moody's Senior Unsecured Rating"), such Moody's Senior Unsecured Rating;~~

(iii) if not determined pursuant to clause (i) or (ii) above, if the senior secured debt of the obligor has a public rating by Moody's, the Moody's rating that is one subcategory lower than such rating;

(iv) if not determined pursuant to clause (i), (ii) or (iii) above, the Investment Manager may elect to use a Moody's Credit Estimate to determine the Moody's Rating Factor for such Collateral Obligation for purposes of the Maximum Moody's Rating Factor Test;

~~(v) With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b) or (c) above, the Moody's Derived Rating, if the Moody's Default Probability Rating is not determined pursuant to clause (i), (ii) or (iii) above (and a Moody's Rating Factor is not determined pursuant to clause (iv) above), the Moody's Derived Rating, if any; or~~

~~For purposes of calculating a Moody's Rating, each applicable rating, at the time of calculation, (i) on credit watch by Moody's with positive implications will be treated as having been upgraded by one rating subcategory, (ii) on credit watch by Moody's with negative implications will be treated as having been downgraded by two rating subcategories and (iii) on negative outlook by Moody's will be treated as having been downgraded by one rating subcategory.~~

~~For purposes of the definitions of "Moody's Default Probability Rating," "Moody's Derived Rating" and "Moody's Rating," any credit estimate assigned by Moody's shall expire one year from the date such estimate was issued; provided that, for purposes of any calculation under this Indenture, if Moody's fails to renew for any reason a credit estimate for a previously acquired Collateral Obligation thereunder on or before such one year anniversary (which may be extended at Moody's option to the extent the annual audited financial statements for the related obligor have not yet been received), after the Issuer or the Investment Manager on the Issuer's behalf has submitted to Moody's all information that Moody's required to be provided for such renewal, (1) for a period of 90 days, the previous credit estimate assigned by Moody's shall be downgraded by one notch and (2) thereafter, the Collateral Obligation will be deemed to have a Moody's rating of "Caa3."~~

MOODY'S DERIVED RATING

~~With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot otherwise be determined pursuant to the definitions thereof, such Moody's Rating or Moody's Default Probability Rating as determined in the manner set forth below:~~

~~(w) Unless determined pursuant to clause (c) below, if the obligor of such Collateral Obligation has a long-term issuer rating by Moody's, then such long-term issuer rating.~~

~~(vi) if the Moody's Default Probability Rating is not determined pursuant to clause (i), (ii), (iii) or (v) above (and a Moody's Rating Factor is not determined pursuant to clause (iv) above), the Moody's Default Probability Rating will be "Caa3."~~

~~(b) With respect to a DIP Collateral Obligation;~~

~~(i) the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's;
or~~

(ii) with respect to any DIP Collateral Obligation if not determined pursuant to clause (i) above, a rating designated by the Investment Manager not to exceed “B2.”

For purposes of determining a Moody’s Default Probability Rating, if an obligor does not have a Moody’s corporate family rating, the Moody’s corporate family rating will be the Moody’s corporate family rating of any entity in the obligor’s corporate family as designated by the Investment Manager.

“Moody’s Derived Rating” means, respect to a Collateral Obligation, as of any date of determination, the Moody’s Rating determined in the manner set forth below:

(a) ~~(x) If not determined pursuant to clause (a) or clause (e),~~ if another obligation of the obligor is rated by Moody’s, then by adjusting the rating of the related Moody’s rated obligations of the related obligor by the number of rating subcategories according to the table below:

<u>Obligation Category of Rated Obligation</u>	<u>Rating of Rated Obligation</u>	<u>Number of Subcategories Relative to Rated Obligation Rating</u>
Senior secured obligation	greater than or equal to B2	<u>-1</u>

~~(aa) With respect to any DIP Collateral Obligation and (solely for purposes of determining the Moody’s Adjusted Weighted Average Rating Factor) any Current Pay Obligation, the Moody’s Rating or Moody’s Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation or Current Pay Obligation, as applicable, rated by Moody’s.~~

(i) pursuant to the table below:

<u>Type of Collateral Obligation</u>	<u>S&P Rating (Public and Monitored)</u>	<u>Collateral Obligation Rated by S&P</u>	<u>Number of Subcategories Relative to Moody's Equivalent of S&P Rating</u>
<u>Not Structured Finance Obligation</u>	<u>>BBB-</u>	<u>Not a Loan or Participation Interest in Loan</u>	<u>1</u>
<u>Not Structured Finance Obligation</u>	<u><BB+</u>	<u>Not a Loan or Participation Interest in Loan</u>	<u>2</u>
<u>Not Structured Finance Obligation</u>		<u>Loan or Participation Interest in Loan</u>	<u>2</u>

(ii) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has a public and monitored rating by S&P (a "parallel security"), the rating of such parallel security will at the election of the Investment Manager be determined in accordance with the table set forth in sub-clause (i) above, and the Moody's Derived Rating for purposes of the definition of Moody's Rating of such Collateral Obligation will be determined in accordance with the methodology set forth in clause (a) above (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this sub clause (ii)).

"Moody's Rating" means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to a Collateral Obligation other than a DIP Collateral Obligation

(i) if Moody's has assigned such Collateral Obligation a rating, such rating;

(ii) if not determined pursuant to clause (i) above, if the obligor of such Collateral Obligation has a corporate family rating by Moody's, such rating;

(iii) if not determined pursuant to clauses (i) or (ii) above, if the senior unsecured debt of the obligor of such Collateral Obligation has a public rating by Moody's, such rating;

“Fitch Rating”: As of any date of determination, the Fitch Rating of any Collateral Obligation will be determined as follows:

(a) if Fitch has issued an issuer default rating with respect to the issuer of such Collateral Obligation, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then the Fitch Rating will be such issuer default rating (regardless of whether there is a published rating by Fitch on the Collateral Obligations of such issuer held by the Issuer); provided that if the Collateral Obligation is a DIP Collateral Obligation and Fitch has issued a rating of such DIP Collateral Obligation, the Fitch Rating will be such rating;

(b) if Fitch has not issued an issuer default rating with respect to the issuer or guarantor of such Collateral Obligation but Fitch has issued an outstanding long-term financial strength rating with respect to such issuer, the Fitch Rating of such Collateral Obligation will be one subcategory below such rating;

(c) if a Fitch Rating cannot be determined pursuant to clause (a) or (b), but:

(i) Fitch has issued a senior unsecured rating on any obligation or security of the issuer of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will equal such rating; or

(ii) Fitch has not issued a senior unsecured rating on any obligation or security of the issuer of such Collateral Obligation but Fitch has issued a senior rating, senior secured rating or a subordinated secured rating on any obligation or security of the issuer of such Collateral Obligation, then the Fitch Rating of such Collateral Obligation will (x) equal such rating if such rating is “BBB-“ or higher and (y) be one subcategory below such rating if such rating is “BB+” or lower; or

(iii) Fitch has not issued a senior unsecured rating or a senior rating, senior secured rating or a subordinated secured rating on any obligation or security of the issuer of such Collateral Obligation but Fitch has issued a subordinated, junior subordinated or senior subordinated rating on any obligation or security of the issuer of such Collateral Obligation, then the Fitch Rating of

such Collateral Obligation will be (x) one subcategory above such rating if such rating is “B+” or higher and (y) two subcategories above such rating if such rating is “B” or lower;

and:

(d) if a Fitch Rating cannot be determined pursuant to clause (a), (b) or (c)

(i) Moody’s has issued a publicly available corporate family rating for the issuer of such Collateral Obligation, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody’s rating;

(ii) Moody’s has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but has issued a publicly available long-term issuer rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be the Fitch equivalent of such Moody’s rating;

(iii) Moody’s has not issued a publicly available corporate family rating for the issuer of such Collateral Obligation but Moody’s has issued a publicly available outstanding insurance financial strength rating for such issuer, then, subject to subclause (viii) below, the Fitch Rating of such Collateral Obligation will be one subcategory below the Fitch equivalent of such Moody’s rating;

The following steps are used to calculate the Fitch IDR equivalent ratings:

1 Public or private Fitch-issued IDR.

2 If Fitch has not issued an IDR, but has an outstanding Long-Term Financial Strength Rating, then the IDR equivalent is one rating lower.

3 If Fitch has not issued an IDR, but has publicly available outstanding corporate issue ratings, then the IDR equivalent is calculated using the mapping in the table above.

4 If Fitch does not rate the issuer or any associated issuance, then determine a Moody's and S&P equivalent to Fitch's IDR pursuant to steps 5 and 6.

5a A public Moody's-issued Corporate Family Rating (CFR) is equivalent in definition terms to the Fitch IDR. If Moody's has not issued a CFR, but has an outstanding LT issuer Rating, then this is equivalent to the Fitch IDR.

5b If Moody's has not issued a CFR, but has a publicly available outstanding Insurance Financial Strength Rating, then the Fitch IDR equivalent is one rating lower.

5c If Moody's has not issued a CFR, but has publicly available outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

6a A public S&P-issued Issuer Credit Rating (ICR) is equivalent in terms of definition to the Fitch IDR.

6b If S&P has not issued an ICR, but has a publicly available outstanding Insurance Financial Strength Rating, then the Fitch IDR equivalent is one rating lower.

6c If S&P has not issued an ICR, but has publicly available outstanding corporate issue ratings, then the Fitch IDR equivalent is calculated using the mapping in the table above.

7 If both Moody's and S&P provide a public rating on the issuer or an issue, the lower of the two Fitch IDR equivalent ratings will be used in PCM. Otherwise the sole public Fitch IDR equivalent rating from Moody's or S&P will be applied.

(iii) third, “Weighted Average Rating Points” for each such Collateral Obligation will be calculated by dividing “X” by “Y” where:

“X” will equal the sum of each of the products obtained by multiplying the “Rating Points” of each such Collateral Obligation by the Aggregate Principal Balance of such Collateral Obligation, and

“Y” will equal the Aggregate Principal Balance of all the Collateral Obligations subject to the same Distressed Exchange Offer;

(iv) fourth, the “Weighted Average Rating Points” determined in accordance with clause (d)(iii) above will be rounded to the nearest whole number and converted into an S&P Rating by matching the “Weighted Average Rating Points” of such Collateral Obligation with the S&P Rating set forth in the table in clause (d)(ii) above. The S&P Rating that matches the “Weighted Average Rating Points” for such Collateral Obligations will be the S&P Rating for each Collateral Obligation for which an S&P Rating is required to be determined pursuant to this clause (d).

“S&P Recovery Amount” means with respect to any Collateral Obligation, an amount equal to:

(a) the applicable S&P Recovery Rate; multiplied by

(b) the Principal Balance of such Collateral Obligation.

“S&P Recovery Rate” means, with respect to a Collateral Obligation, the recovery rate set forth in Section 1 of Schedule 6 using the Initial Rating of the Highest Ranking Class at the time of determination.

“S&P Recovery Rating” means, with respect to a Collateral Obligation, the corporate recovery rating assigned by S&P to such Collateral Obligation.

“S&P Weighted Average Life” means as of any date of determination, the number of years following such date obtained by dividing (x) the sum of the products, for all Collateral Obligations (other than Defaulted Obligations and Deferring Obligations), of (i) the number of years (rounded to the nearest one-hundredth thereof) from such date of determination to the stated maturity of each such Collateral Obligation multiplied by (ii) the Principal Balance of such Collateral Obligation by (y) the aggregate remaining Principal Balance at such time of all Collateral Obligations (other than Defaulted Obligations and Deferring Obligations).

“Third Party Credit Exposure” means, as of any date of determination, the Principal Balance of any Collateral Obligation that consists of a Participation Interest.

“Third Party Credit Exposure Limits” means the limits that will be satisfied if the aggregate Third Party Credit Exposure with Selling Institutions having the ratings below from S&P do not exceed the percentage of the Collateral Principal Amount specified below:

<u>S&P’s credit rating of Selling Institution</u>	<u>Aggregate Percentage Limit</u>	<u>Individual Percentage Limit</u>

<u>A+</u>	<u>5%</u>	<u>5%</u>
<u>A</u>	<u>5%</u>	<u>5%</u>

provided that a Selling Institution having an S&P credit rating of “A” must also have a short-term S&P rating of “A-1” otherwise its “Aggregate Percentage Limit” and “Individual Percentage Limit” will be 0%.

“Weighted Average S&P Recovery Rate” means, as of any Measurement Date, the number, expressed as a percentage and determined separately for each Class of Secured Notes, obtained by summing the products obtained by multiplying the outstanding Principal Balance of each Collateral Obligation by its corresponding recovery rate as determined in accordance with Section 1 of Schedule 6, dividing such sum by the Aggregate Principal Balance of all Collateral Obligations, and rounding to the nearest tenth of a percent.
