

COVENTRY BUILDING SOCIETY

(Incorporated in England under the Building Societies Act 1986)

£3,000,000,000

Euro Medium Term Note Programme

Under the Euro Medium Term Note Programme described in this Prospectus (the "**Programme**"), Coventry Building Society (the "**Issuer**", or the "**Society**" which expressions shall include any successor or substitute (see Condition 12)), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the "**Notes**" which expression shall include Senior Notes and Subordinated Notes (each as defined herein)). The aggregate nominal amount of Notes outstanding will not at any time exceed £3,000,000,000 (or the equivalent in other currencies and subject to increase as provided herein).

Application has been made to the Financial Conduct Authority (the "**FCA**") (the "**UK Listing Authority**") under Part VI of the Financial Services and Markets Act 2000 ("**FSMA**") for Notes issued under the Programme for the period of 12 months from the date of this Prospectus to be admitted to the official list of the UK Listing Authority (the "**Official List**") and to the London Stock Exchange plc (the "**London Stock Exchange**") and for such Notes to be admitted to trading on the London Stock Exchange's Regulated Market (the "**Market**"). References in this Prospectus to Notes being "listed" (and all related references) shall (other than as specified in the section headed "*United Kingdom Taxation*") mean that such Notes have been admitted to trading on the Market and have been admitted to the Official List. The Market is a regulated market for the purposes of Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments.

The minimum specified denomination of all Notes issued under this Programme shall be €100,000 (or its equivalent in any other currency as at the date of issue of the Notes).

Tranches of Notes (as defined in "*Overview of the Programme – Method of Issue*") to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued.

The Issuer is rated by Moody's Investors Service Limited and Fitch Ratings Limited. Moody's Investors Service Limited and Fitch Ratings Limited are rating agencies established in the European Union and registered under Regulation (EC) No 1060/2009 on credit rating agencies (the "**CRA Regulation**"). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

Prospective investors should have regard to the factors described under the section headed "*Risk Factors*" in this Prospectus. For a discussion of "*Risk Factors*", see page 12 below.

This Prospectus comprises a prospectus for the purposes of Article 5.4 of the Prospectus Directive and for the purpose of giving information with regard to the Issuer and its Subsidiaries (as defined under "*Coventry Building Society – Subsidiaries*" on page 63) (together, the "**Group**") and the Notes, which according to the particular nature of the Notes, is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer. For the purposes of this Prospectus, the expression "**Prospectus Directive**" means Directive 2003/71/EC (and the amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State (as defined below)), and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

The Issuer accepts responsibility for the information contained in this Prospectus and the Final Terms for each Tranche of Notes issued under the Programme. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case), the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see "*Documents Incorporated by Reference*").

Each Series (as defined under "*Overview of the Programme – Method of Issue*") of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a "**temporary Global Note**") or a permanent global note in bearer form (each a "**permanent Global Note**") (temporary Global Notes and permanent Global Notes are referred to collectively as "**Global Notes**" and each as a "**Global Note**"). If the Global Notes are stated in the applicable Final Terms to be issued in new global note ("**NGN**") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Series or Tranche, as applicable, to a common safekeeper (the "**Common Safekeeper**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"). Notes in registered form will be represented by registered certificates (each a "**Certificate**"), one Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series. Registered Notes issued in global form will be represented by registered global certificates ("**Global Certificates**"). If a Global Certificate is held under the New Safekeeping Structure (the "**NSS**"), the Global Certificate will be delivered on or prior to the original issue date of the relevant Series or Tranche, as applicable, to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Global Notes which are not issued in NGN form ("**Classic Global Notes**" or "**CGNs**") and Global Certificates which are not held under the NSS will be deposited on the issue date of the relevant Series or Tranche, as applicable, with a common depositary on behalf of Euroclear and Clearstream, Luxembourg (the "**Common Depositary**").

The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "*Summary of Provisions Relating to the Notes while in Global Form*".

No person has been authorised to give any information or to make any representation other than those contained in this Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (each as defined in "*Overview of the Programme*"). Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**Securities Act**"). Notes in bearer form and Notes in registered form which are exchangeable

for Notes in bearer form are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons. For a description of certain restrictions on offers and sales of Notes and on distribution of this Prospectus, see "*Subscription and Sale*".

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer or the Dealers to subscribe for, or purchase, any Notes.

As the Notes may not be a suitable investment for all investors, each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

To the fullest extent permitted by law, none of the Dealers or the Arranger accepts any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by, or on behalf of, the Arranger or a Dealer in connection with the Issuer or the issue and offering of the Notes. The Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Prospectus or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with any Tranche of Senior Notes or Subordinated Notes (as defined in "*Overview of the Programme – Method of Issue*"), one or more of the Dealers may act as stabilising manager (each a "**Stabilising Manager**"). References in the next paragraph to "the issue of any Tranche" are to each Tranche in relation to which one or more Stabilising Manager(s) is appointed.

In connection with the issue of any Tranche, the Dealer or Dealers (if any) acting as the Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager(s)) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment must be conducted by the relevant Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules.

In this Prospectus, unless otherwise specified or the context otherwise requires, references to "**pounds**", "**penny**", "**sterling**" and "**£**" are to the currency of the United Kingdom, references to "**€**" and "**euro**" are to the single currency of those member states of the European Union participating in the Third stage of European Economic and Monetary Union from time to time, references to "**yen**" are to the currency of Japan and references to the "**Act**" are to the Building Societies Act 1986, which expression shall include, where applicable, any statutory modification or re-enactment thereof or any statutory instrument, order or regulation made thereunder or under any such statutory modifications or re-enactment.

DOCUMENTS INCORPORATED BY REFERENCE

This Prospectus should be read and construed in conjunction with the Terms and Conditions contained on pages 22 to 50 of the Prospectus dated 18 September 2009, the Terms and Conditions contained on pages 24 to 52 of the Prospectus dated 3 September 2010, the Terms and Conditions contained on pages 24 to 52 of the Prospectus dated 14 November 2011, the Terms and Conditions contained on pages 29 to 57 of the Prospectus dated 12 November 2012 and the Terms and Conditions contained on pages 17 to 47 of the Prospectus dated 31 October 2013, each relating to Coventry Building Society's £3,000,000,000 Euro Medium Term Note Programme, the audited consolidated annual financial statements of the Issuer for the financial years ended 31 December 2012 and 2013, respectively, (together in each case with the audit report thereon in respect of each such year) and the unaudited consolidated financial statements of the Issuer for the six months ended 30 June 2014 which have been previously published or are published simultaneously with this Prospectus (together with the review report thereon) and which have been approved by or filed with the Financial Services Authority (the "FSA") (or, on and after 1 April 2013, which have been approved by or filed with the FCA. Such documents shall be incorporated in, and form part of this Prospectus, save that any statement contained in a document which is incorporated by reference herein shall be modified or superseded for the purpose of this Prospectus to the extent that a statement contained herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not, except as so modified or superseded, constitute a part of this Prospectus. Any documents themselves incorporated by reference in the documents incorporated by reference in this Prospectus shall not form part of this Prospectus.

The information incorporated by reference from the Annual Report & Accounts of the Issuer for the financial years ended 31 December 2012 and 2013 and the Interim Financial Report of the Issuer for the six months ended 30 June 2014 is available as follows:

Information incorporated by reference	Reference
Audited consolidated financial statements for the financial year ended 31 December 2012	Annual Report & Accounts 2012 (" AR 2012 ") pages 56 – 59

Copies of documents incorporated by reference in this Prospectus (i) can be viewed on the website of the Regulatory News Service operated by the London Stock Exchange at <http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html> and (ii) may be obtained from the registered office of the Issuer.

Those parts of the documents incorporated by reference which are not specifically incorporated by reference in this Prospectus in the cross-reference table above are either not relevant for prospective investors in the Notes or the relevant information is included elsewhere in this Prospectus.

SUPPLEMENTAL PROSPECTUS

If at any time the Issuer shall be required to prepare a supplemental prospectus pursuant to section 87(G) of the FSMA, the Issuer will prepare and make available a supplement to this Prospectus or a further prospectus which, in respect of any subsequent issue of Senior Notes or Subordinated Notes to be listed on the Official List and admitted to trading on the Market shall constitute a supplemental prospectus as required by the UK Listing Authority and section 87 of the FSMA.

The Issuer has given an undertaking to the Dealers that if at any time during the duration of the Programme there is a significant new factor, mistake or material inaccuracy relating to information contained in this Prospectus which is capable of affecting the assessment of any Notes whose inclusion in this Prospectus or removal is necessary for the purpose of allowing an investor to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer, and the rights attaching to the Senior Notes and the Subordinated Notes, the Issuer shall prepare a supplement to this Prospectus or publish a replacement prospectus for use in connection with any subsequent offering of the Senior Notes and the Subordinated Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

OVERVIEW OF THE PROGRAMME

Words and expressions defined or used in "*Terms and Conditions of the Notes*" below shall have the same meaning in this overview.

The following overview is qualified in its entirety by the remainder of this Prospectus.

Issuer	Coventry Building Society
Description	Euro Medium Term Note Programme
Size	Up to £3,000,000,000 (or the equivalent in other currencies at the date of issue) aggregate nominal amount of Notes outstanding at any one time. The Issuer may increase the size of the Programme in accordance with the terms of the Dealer Agreement.
Arranger	HSBC Bank plc
Dealers	Barclays Bank PLC BNP Paribas Commerzbank Aktiengesellschaft HSBC Bank plc The Royal Bank of Scotland plc The Issuer may from time to time terminate the appointment of any dealer under the Programme or appoint additional dealers either in respect of one or more Tranches or in respect of the whole Programme. References in this Prospectus to "Permanent Dealers" are to the persons listed above as Dealers and to such additional persons that are appointed as dealers in respect of the whole Programme (and whose appointment has not been terminated) and references to "Dealers" are to all Permanent Dealers and all persons appointed as a dealer in respect of one or more Tranches.
Trustee	HSBC Corporate Trustee Company (UK) Limited
Issuing and Paying Agent	HSBC Bank plc
Method of Issue	The Notes will be issued on a syndicated or non-syndicated basis. The Notes will be issued in series (each a " Series ") having one or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in one or more tranches (each a " Tranche ") on the same or different issue dates. The specific terms of each Tranche (which will be completed, where necessary, with the relevant terms and conditions and, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be completed in final terms to this Prospectus (the " Final Terms ").
Issue Price	Notes may be issued at their nominal amount or at a discount or premium to their nominal amount.
Form of Notes	Each Series of Notes may be issued: (i) in bearer form and in registered form (" Exchangeable Series "); (ii) in bearer form (" Bearer Series "); or

(iii) in registered form ("**Registered Series**").

Notes in bearer form ("**Bearer Notes**") comprised in an Exchangeable Series ("**Exchangeable Bearer Notes**") are exchangeable for Notes in registered form ("**Registered Notes**") and Registered Notes comprised in an Exchangeable Series ("**Exchangeable Registered Notes**") are exchangeable for Exchangeable Bearer Notes.

Registered Notes comprised in a Registered Series may not be exchanged for Bearer Notes and Bearer Notes comprised in a Bearer Series may not be exchanged for Registered Notes.

Each Tranche of Bearer Series and Bearer Notes comprised in a Tranche of an Exchangeable Series will be represented on issue by a temporary Global Note if (i) definitive Notes are to be made available to Noteholders following the expiry of 40 days after their issue date or (ii) such Notes have an initial maturity of more than one year and are being issued in compliance with the D Rules (as defined in "*Overview of the Programme – Selling Restrictions*"), otherwise each Tranche of a Bearer Series and Bearer Notes comprised in a Tranche of an Exchangeable Series will be represented by a permanent Global Note. Registered Notes will be represented by Certificates, one Certificate being issued in respect of each Noteholder's entire holding of Registered Notes of one Series. Certificates representing Registered Notes that are registered in the name of nominees or a common nominee for one or more clearing systems are referred to as "Global Certificates".

Clearing Systems

Clearstream, Luxembourg, Euroclear and, in relation to any Tranche, such other clearing system as may be agreed between the Issuer, the Issuing and Paying Agent, the Trustee and the relevant Dealer.

Initial Delivery of Notes

On or before the issue date for each Tranche, if the relevant Global Note is an NGN or the relevant Global Certificate is held under the NSS, such Global Note or Global Certificate will be delivered to a Common Safekeeper for Euroclear and Clearstream, Luxembourg. On or before the issue date for each Tranche, if the relevant Global Note is a CGN or the relevant Global Certificate is not held under the NSS, the Global Note representing Bearer Notes or Exchangeable Bearer Notes or the Global Certificate representing Registered Notes or Exchangeable Registered Notes may be deposited with a Common Depositary for Euroclear and Clearstream, Luxembourg. Global Notes which are in CGN form or Global Certificates which are not held under the NSS may also be deposited with any other clearing system or may be delivered outside any clearing system **provided that** the method of such delivery has been agreed in advance by the Issuer, the Issuing and Paying Agent, the Trustee and the relevant Dealer. Registered Notes that are to be credited to one or more clearing systems on issue will be registered in the name of nominees or a common nominee for such clearing systems.

Currencies

Subject to compliance with all relevant laws, regulations and directives, Notes may be issued in any currency agreed between the Issuer and the relevant Dealers.

Maturities

Subject to compliance with all relevant laws, regulations and directives, (i) the Senior Notes may have any maturity in excess of one month and (ii) the Subordinated Notes may have any maturity in

excess of five years and one day.

Denomination	The minimum specified denomination of each Note shall be €100,000 (or its equivalent in any other currency as at the date of issue of the Notes).
Fixed Rate Notes	Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.
Resetable Notes	Interest will be payable in arrear on the dates specified in the Final Terms at the initial rate specified in the Final Terms, and thereafter the rate may be reset with respect to a specified time period by reference to the prevailing Mid-Swap Rate. The rate of interest may be reset on more than one occasion.
Floating Rate Notes	<p>Floating Rate Notes will bear interest determined separately for each Series as follows:</p> <ul style="list-style-type: none">(i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc.; or(ii) by reference to LIBOR or EURIBOR as adjusted for any applicable margin. <p>Interest periods will be specified in the relevant Final Terms.</p>
Zero Coupon Notes	Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.
Interest Periods and Interest Rates	The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.
Redemption	The relevant Final Terms will specify the basis for calculating the redemption amounts payable.
Optional Redemption	The Final Terms issued in respect of each issue of Notes will state whether such Notes may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the holders, and if so the terms applicable to such redemption.
Status of Notes	The Senior Notes will constitute unsubordinated and unsecured obligations of the Issuer and Subordinated Notes will constitute subordinated obligations of the Issuer all as described in " <i>Terms and Conditions of the Notes – Status</i> ".
Negative Pledge	Applicable to Senior Notes only. See " <i>Terms and Conditions of the Notes – Negative Pledge</i> ".
Cross Default	Applicable to Senior Notes only. See " <i>Terms and Conditions of the Notes – Events of Default – Senior Notes and Enforcement</i> ".
Early Redemption	Except as provided in " Optional Redemption " above, Notes will be redeemable at the option of the Issuer prior to maturity only for tax reasons. See " <i>Terms and Conditions of the Notes – Redemption</i> ".

Purchase and Options".

Rating	Tranches of Notes (as defined in " <i>Overview of the Programme – Method of Issue</i> ") to be issued under the Programme will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the rating assigned to the Notes already issued. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.
Withholding Tax	All payments of principal and interest in respect of the Notes and Coupons will be made free and clear of withholding taxes of the United Kingdom unless the withholding is required by law. In such event, the Issuer shall, subject to customary exceptions, pay such additional amounts as shall result in receipt by the Noteholder or Couponholder of the amounts which would otherwise have been received by it in respect of the Notes and Coupons had no withholding or deduction been made, all as described in " <i>Terms and Conditions of the Notes – Taxation</i> ".
Governing Law	English.
Listing	Application will be made to the FCA for the Notes to be listed on the Official List and to the London Stock Exchange for the Notes to be admitted to trading.
Selling Restrictions	<p>The United States, the United Kingdom and Japan. See "<i>Subscription and Sale</i>".</p> <p>The Issuer is Category 2 for the purposes of Regulation S under the Securities Act.</p> <p>The Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) (the "D Rules") unless (i) the relevant Final Terms states that Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) (the "C Rules") or (ii) the Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA"), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.</p>

RISK FACTORS

Investors should ensure that they understand the risks of investing in the Notes issued under the Programme before they make their investment decision. They should make their own independent decision whether to invest in the Notes and decide whether an investment in such Notes is appropriate or proper based upon their own judgement and upon advice from such advisers as they consider necessary.

The Society believes that the following factors may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Society is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Society believes may be material for the purpose of assessing the market risks associated with the Notes in issue are also described below.

The Society believes that the factors described below represent the principal risks inherent in investing in Notes, but the Society may be unable to pay interest, principal or other amounts on or in connection with any Notes for other reasons and the Society does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including the documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Factors that may affect the Society's ability to fulfil its obligations under the Notes

Legal Ranking of Notes

Senior Notes currently rank ahead of retail member deposits in the legal structure of a building society and retail member deposits rank ahead of subordinated liabilities. In the event of a demutualisation of the Issuer, obligations to current United Kingdom retail member depositors will rank *pari passu* with obligations to Senior Noteholders.

The Group's business and financial performance has been and will continue to be affected by general economic conditions in the UK, the Eurozone and elsewhere, and adverse developments in the UK or global financial markets could cause the Group's earnings and profitability to decline

The Group is directly and indirectly subject to inherent risks arising from general economic conditions in the UK and other economies and the state of the global financial markets both generally and as they specifically affect financial institutions. Since 2007, the global economy and the global financial system, and the Eurozone in particular, have experienced a period of significant turbulence and uncertainty. The severe dislocation of the financial markets around the world severely impacted general levels of liquidity, the availability of credit and the terms on which credit was available. This crisis in the financial markets led the UK government (the "**Government**") and other governments to inject liquidity into the financial system and take other forms of action relating to financial institutions, including bank recapitalisations and the provision of government guarantees for certain types of funding, aimed at both supporting the sector and providing confidence to the market.

These market dislocations were also accompanied by recessionary conditions and trends in the UK and many economies around the world. The widespread deterioration in these economies adversely affected, among other things, consumer confidence, levels of unemployment, the state of the housing market, the commercial real estate sector, bond markets, equity markets, counterparty risk, inflation, the availability and cost of credit, transaction volumes in wholesale and retail markets, the liquidity of the global financial markets and market interest rates.

Although market conditions have generally improved in recent years, there have been periods of significant volatility in financial markets around the world. The financial turbulence since 2007 and its after-effects on the wider economy have led to generally more difficult earning conditions for the financial sector and, at the time, resulted in the failures of a number of financial institutions in the United States, the UK and elsewhere in Europe and unprecedented action by governmental authorities, regulators and central banks around the world. The impact of such global stresses on the UK economy could adversely affect the Group by exposing it to potential losses on its portfolio of treasury assets and to redenomination risks if one or more individual countries were to introduce new currencies. In addition,

there could be an adverse impact to the cost and availability of wholesale funding, thereby increasing competition for retail funds and adversely impacting the Group's net interest margin.

The UK economic recovery is expected to remain modest by historic standards, with the International Monetary Fund (in its July 2014 World Economic Outlook update) predicting UK real GDP growth of 3.2 per cent. in 2014 and 2.7 per cent. for 2015. Uncertainty surrounding the Eurozone recovery presents a risk of a renewed slowdown in economic activity in the UK's principal export markets which would have a corresponding effect on the broader UK economy. Domestically, both public and household spending are being constrained by austerity measures and an ongoing compression of real household incomes, and there is the additional risk that levels of unemployment could increase and there could be further declines in real disposable incomes.

The exact nature of the risks that the Group faces and the manner and the extent to which they ultimately will impact the Group are difficult to predict and to guard against in light of: (i) the inter-related nature of the risks involved; (ii) difficulties in predicting whether recoveries will be sustained and at what rate; and (iii) the fact that the risks are totally or partially outside of the control of the Group.

If margin compression were to result from the withdrawal of Government funding support and/or in the face of increased competition, there remains the possibility of further downward pressure on profitability and growth depending on a number of external influences, such as the consequences of a more austere economic environment, which could affect the ability of the Society to satisfy its obligations under the Notes. See "*UK residential housing market risks may adversely impact the Group's business*" and "*Competition in the UK personal financial services markets may adversely affect the Group's operations*" below.

Negative fair value adjustments could have a material adverse effect on the Group's operating results, financial condition and prospects

The dislocations in the financial markets have resulted in the Group recording in its results impairment charges and negative fair value adjustments with respect to securities and other investments that it holds. Whilst the impact to date has been modest, asset valuations in future periods, reflecting prevailing market conditions, may result in further negative changes in the fair values of the Group's investment assets and these may also translate into increased impairments, including with respect to the Group's exposure through its liquidity and investment portfolios to UK Treasury paper. In addition, the value that the Group ultimately realises for its securities and other investments may be lower than the current fair value. Any of these factors could require the Group to record further negative fair value adjustments, which may have a material adverse effect on its operating results, financial condition or prospects.

UK residential housing market risks may adversely impact the Group's business

The UK residential mortgage market performance is closely correlated to the UK economic cycle. As well as fluctuations at a national level, the UK residential mortgage market is subject to significant regional variations. The Group's retail mortgage lending is only secured against properties in the UK. The Group's natural concentration in the UK market, whilst currently well diversified, could then be exacerbated by over-exposure to one geographical location, or reliance on particular product types (e.g. buy-to-let) within the portfolio.

A downturn in the UK economy, either regionally or nationally, would reduce demand for housing or consequently reduce house price growth and sales, which could result in lower levels of lending, the Group's core activity. The recent downturn in the United Kingdom economy had a negative effect on the housing market. The fall in property prices resulting from a deterioration in the housing market and increased unemployment could lead to increased numbers of borrowers defaulting on their mortgage loans and result in losses being incurred by the Group where the net recovery proceeds are insufficient to redeem the outstanding loans. There can be no assurance that the housing market will not deteriorate and the United Kingdom's economic environment may affect the rate at which the new mortgage loans are originated and may also affect the level of attrition of the Group's existing borrowers. Approximately one-third of the Group's lending is to the buy-to-let market. Whilst this market has performed strongly over recent years with the growth in the UK private rental sector, there can be no guarantee that this will continue (see "*The performance of the buy-to-let market may have a material impact on the future performance of the Group and its ability to fulfil its obligations under the Notes*" below).

There has been some recovery in the UK housing market with prices now above pre-crisis highs in some regions, although significantly lower in real terms after adjusting for inflation. The recovery is tempered by fears that the comparatively cheap funding available to lenders via policy measures such as the Help to Buy scheme could lead to another 'housing price bubble'. There is a risk that house price growth will continue to accelerate faster than earnings, stretching affordability and leaving households more vulnerable to shocks, such as unexpectedly early or large increases in interest rates that could ultimately lead to higher retail loan losses. There is potential for activity and prices to decline should the labour market situation deteriorate markedly, or if strains in the financial system re-emerge and impair the flow of credit to the wider economy. The housing price bubble bursting, accompanied by a reversal in the UK economy, could increase credit losses significantly.

The performance of the buy-to-let market may have a material impact on the future performance of the Group and its ability to fulfil its obligations under the Notes

Approximately one-third of the Group's mortgage book is buy-to-let, representing a relatively large share of this market. These advances have been secured on residential properties within the UK. In recent years the rental market has been particularly strong in the UK and rental yields have in some parts of the country reached record highs as the lack of credit supply to, amongst others, borrowers with smaller deposits has led to increased demand for rental housing.

Whilst the Group's buy-to-let book has performed well to date and is subject to prudent loan-to-value limits, there can be no assurance that, in the event of a material downturn in the private rental market, the performance of the Group would not be adversely affected. Such a downturn could be precipitated by a range of factors, which may include (but are not limited to) an expansion of owner-occupied lending should credit conditions continue to loosen and/or legislative changes affecting the sector, such as the introduction of rental caps or the regulation of the market or parts thereof.

Worsening economic and market conditions and/or increasing interest rates could result in increased retail loan losses which would adversely impact the Group's financial and operational performance

Despite some deleveraging, consumers in the UK remain heavily indebted and vulnerable to increases in unemployment, rising interest rates and/or falling house prices. Increased unemployment could lead to borrowers who lose their jobs being unable to service the loan payments in a timely fashion which would result in higher levels of arrears both in the Group's secured residential mortgage loan and unsecured consumer loan portfolios which, in turn, would lead to an increase in the Group's impairment charges in respect of these portfolios.

Rising interest rates would put pressure on borrowers whose loans are linked to the base rate or otherwise variable in nature, and who may have become accustomed to the current low interest rate environment. A significant portion of the Group's outstanding mortgage loan products are potentially subject to changes in interest rates. Accordingly, borrowers with a mortgage loan that is subject to a variable rate of interest or where the interest rate adjusts following an initial fixed rate or low introductory rate are exposed to increased monthly payments as and when their mortgage interest rate adjusts upward. In an increasing interest rate environment, borrowers seeking to avoid these increased monthly payments by refinancing their mortgage loans may no longer be able to find available replacement loans at comparably low interest rates (and any decline in housing prices may also leave borrowers with insufficient equity in their homes to permit them to refinance), which could lead to an increase in arrears in the Group's retail lending portfolios as well as an increase in the Group's retail loan impairment charges. These events, alone or in combination, may contribute to higher delinquency rates and losses for the Group, and impact the Society's ability to satisfy its obligations under the Notes.

The Group's business is subject to inherent risks concerning liquidity, particularly if the availability of traditional sources of funding such as retail deposits or its access to wholesale funding markets becomes limited and/or becomes more expensive, and this may have an adverse effect on its business and profitability

Financial institutions such as the Group are subject to liquidity risk as an inherent part of their business given the maturity mismatch between relatively short-dated funding and mortgage assets. Liquidity risk is the risk that an institution may not have sufficient funds at any time to make full payment in respect of liabilities falling due at that time.

The Group raises funds principally through accepting retail deposits and in the wholesale funding market. It also has a core portfolio of liquid investments as well as a range of other assets which are a further source of liquidity to it. However, if access to liquidity is constrained for a prolonged period of time, the Group's cost of funding would increase as competition for retail deposits would intensify and the cost of accessing the wholesale markets would rise. This would adversely affect the Group's profitability.

These risks can be exacerbated by enterprise-specific factors, including an over-reliance on a particular source of funding, changes in credit ratings, or market-wide phenomena such as market dislocation and major disasters. There is also a risk that the funding structure employed by the Group may prove to be inefficient, giving rise to a level of funding cost that is not sustainable in the long term for the Group to grow its business or even maintain it at current levels. The Group's ability to access retail and wholesale funding sources on satisfactory economic terms is subject to a variety of factors, including a number of factors outside of its control, such as liquidity constraints, general market conditions, regulatory requirements and loss of confidence in the UK banking system.

The ongoing availability of retail deposit funding is dependent on a variety of factors outside the Group's control, such as general economic conditions and market volatility, the confidence of retail depositors in the economy in general and in the Group in particular, the financial services industry specifically and the availability and extent of deposit guarantees. These or other factors could lead to a reduction in the Group's ability to access retail deposit funding on appropriate terms in the future. Given the relative size of the Group's retail deposit base, it is particularly exposed to any serious loss of confidence by its retail depositors which results in significant withdrawals of deposits over a sustained period.

The maintenance and growth of the level of the Group's lending activities depends in large part on the availability of retail deposit funding on appropriate terms, for which there has been increased competition since the severe disturbances in the financial markets began. Investors should note that extreme circumstances market-wide, such as the severe dislocation experienced in credit markets following the onset of the global financial crisis, a prolonged and severe restriction on the Group's access to liquidity (including to government and central bank funding and liquidity support) and a prolonged and severe decline in consumer confidence which results in high levels of withdrawals from the Group's retail deposit base, could affect the Group's ability to meet its financial obligations as they fall due, to meet its regulatory minimum liquidity requirements, or to fulfil its commitments to lend. In such extreme circumstances, the Group may not be in a position to continue to operate without additional funding support and any inability to access such support could have a material impact on the Group's solvency.

In past years the Government has provided significant support to UK financial institutions, including Funding for Lending which commenced on 1 August 2012 and to which an extension was announced on 24 April 2013. The Funding for Lending scheme is due to close in January 2015 and its withdrawal could increase competition for other sources of funding which could adversely impact the Group.

In past years the Government, acting through the Bank of England (the "BoE") or otherwise, has provided significant support to UK financial institutions, including through the Special Liquidity Scheme, which was introduced in April 2008 to improve the liquidity position of the banking system by allowing banks and building societies to swap their high quality mortgage-backed and other securities for UK Treasury Bills for up to three years, and the Credit Guarantee Scheme, which was introduced in October 2008 and under which the Government guaranteed eligible bank and building society debt securities for a limited period.

On 1 August 2012, Funding for Lending became operational. The aim is to boost the incentive for banks and building societies to lend to UK households and non-financial companies. Funding for Lending is designed to reduce funding costs for participating institutions so that they can make loans cheaper and more easily available. Access to Funding for Lending is directly linked to how much each institution lends to the real economy. Those that increase lending are able to borrow more and at a lower cost than those that scale back their lending. Under Funding for Lending, participating financial institutions were, for a period of 18 months to the end of January 2014, able to borrow funds with a maturity of up to four years. On 24 April 2013, the scheme was extended for a further 12 months, with drawings now permitted until the end of January 2015 and the funding under the scheme now running until January 2019. In November 2013, it was announced that the terms of the Funding for Lending scheme extension were to be changed, to further re-focus lending to small and medium sized enterprises during the course of 2014.

The availability of Government support for UK financial institutions, to the extent that it provides access to cheaper and more attractive funding than other sources, reduces the need for those institutions to fund themselves in the retail or wholesale markets. By participating in the Funding for Lending scheme, the Group reduces the need to fund itself in the wholesale markets and there is a risk that if it ceases to remain sufficiently active in those markets its access to them could be prejudiced in the future when Government support is reduced or no longer available to it when Funding for Lending ends, currently scheduled at the end of January 2015. Any significant reduction or withdrawal of Government support will increase funding costs for those institutions which have previously utilised that support. In the case of the Group, this may result in an increase in its funding costs and a reduction in its net interest margin. In addition, financial institutions which have relied significantly on Government support to meet their funding needs will also need to find alternative sources of funding when that support is reduced or withdrawn and, in such a scenario, the Group also expects to face increased competition for funding, particularly retail deposit funding on which it is reliant, although that competition is expected to be driven by increased mortgage lending volumes rather than the cessation of Funding for Lending. This competition could further increase its funding costs and so adversely impact its results of operations and financial position.

The unwinding of unprecedented monetary policy may result in pressure on net interest margin or negative fair value adjustments.

Since 2008 there has been unprecedented monetary policy activity within the UK. The BoE has purchased £375 billion of Gilts as part of its Quantitative Easing Programme ("QE") and the BoE's base rate has remained at 0.5 per cent. for over 5 years. Any unwinding of QE may result in falls in Gilt prices which in turn could lead to valuation adjustments within the liquidity book the Group holds, in turn impacting capital levels. Similarly, as interest rates begin to rise, depositors with the Society will expect any variable rates to increase, and the extent to which the Group is able to maintain its interest margin will depend upon the availability of variable rate mortgage assets where rates can also be increased. Insufficient availability of rates that the Group can administer at its discretion may lead to margin compression and, even in circumstances where such flexibility exists, a material rapid increase in interest rates could lead to significant increases in arrears levels were this discretion to be exercised, or an erosion of the Group's relative competitiveness which may have wider consequences for the business. Variation of interest rates is also a matter which the FCA may look to challenge or intervene in – see also "*The Group is exposed to risks relating to the mis-selling of financial products, product regulation, acting in breach of legal or regulatory principles or requirements and giving negligent advice*".

Whilst the Group has to date maintained sufficient capacity to respond to changes in the base rate, there can be no assurance that it will continue to do so in the future.

Rating downgrades of the sector or the Group may have an adverse effect on the marketability and liquidity of the Notes

If sentiment towards the financial institutions operating in the United Kingdom residential mortgage market (including the Group) were to deteriorate, or if the ratings of the sector were to be adversely affected, this could have a materially adverse impact on the Group. In addition, such change in sentiment or reduction in ratings could result in an increase in the costs and a reduction in the availability of wholesale market funding across the financial services sector which could have a material adverse effect on the liquidity and funding of all UK financial services institutions, including the Group.

Competition in the UK personal financial services markets may adversely affect the Group's operations

Developments in the Group's industry and increased competition could have a material adverse effect on its operations. The Group operates in the UK personal financial services market, which has historically been very competitive. The Group competes mainly with other providers of personal financial services, including banks and other building societies.

The margin available on new mortgages is higher than that available before the global financial crisis, but competition for the highest quality mortgages is increasing and this is likely to continue, putting downward pressure on returns available for the lowest risk-weighted mortgage assets. At the same time, price comparison websites have become more popular and widely used, allowing customers more easily to compare products and make buying decisions based on price.

For a number of years, the retail savings market has been under pressure from restrictions on households' ability and propensity to save, historically low interest rates and severe competition from banks seeking to lower their loan to deposit ratios and to reduce their reliance on wholesale funding. The net result of these pressures was an increase in the relative price for retail savings, adversely impacting the Group's ability to manage its net interest margin. However, most financial institutions have now succeeded in reducing their reliance on wholesale funding. In addition, Funding for Lending has reduced competition for retail deposits by providing financial institutions with cheap funding. See *"In past years the Government has provided significant support to UK financial institutions, including Funding for Lending which commenced on 1 August 2012 and to which an extension was announced on 24 April 2013. The Funding for Lending scheme is due to close in January 2015 and its withdrawal could increase competition for other sources of funding which could adversely impact the Group"* above.

Competitors, particularly the large banking groups, may disrupt the Group's ability to grow market share through cross-subsidising products from other parts of their businesses or develop economies of scale or other competitive advantage (including regulatory) that require building societies to adapt their business models or reduce rates of growth.

The Group has historically attracted the necessary retail and wholesale funding to support its growth but there is no guarantee that it will continue to be able to do so.

The Group is reliant on third party intermediaries for the distribution of its mortgage products and any change to the availability or cost of this distribution channel may adversely impact the Group's performance

The Group operates a multi-channel distribution channel including through its own branches and online. However the largest distribution channel is intermediary distribution, whereby the Group pays intermediaries a procurement fee to introduce new members to the Group. If the cost of this fee were to increase significantly, or if the capacity of this channel were to reduce, this could adversely impact the ability of the Group to grow or maintain its interest margins. Such changes could result from a number of factors, including (but not limited to) regulatory changes or a shift in consumer preferences. Given the Group's relatively small branch network compared with other national lenders, any such change could have a more significant impact on the Group's business than some of its competitors.

Failure by the Group to manage its financial, market, liquidity and credit risks may result in adverse effects to its business, financial condition and/or reputation

The Group's success depends on its ability to manage and control its financial risk, which includes liquidity, market and credit risk. The Group is exposed to liquidity risk as a result of mismatches in cash flows from balance sheet assets and liabilities and off-balance sheet financial instruments and changes in market sentiment. The Group has market risk exposure as a result of changes in interest rates, foreign currency prices, asset prices or other financial contracts. Credit risk is the risk that a customer or counterparty is unable to meet its obligations to the Group as they fall due.

The most significant market risks the Group faces are interest rate risks, along with relatively minor risks relating to foreign exchange and bond prices. Changes in interest rate levels, yield curves and spreads may affect the interest rate margin realised between lending and borrowing costs. Changes in currency rates, particularly in the sterling-euro exchange rates, affect the value of assets and liabilities denominated in foreign currencies. The performance of financial markets may also cause changes in the value of the Group's investment portfolios.

The Group has implemented risk management methods to mitigate and control these and other market risks to which the Group is exposed and exposures are constantly measured and monitored. However, it is difficult to predict with accuracy changes in economic or market conditions and to anticipate the effects that such changes could have on the Group's financial performance and business operations.

Credit risk is controlled through exposure limits and underwriting practices. However, factors outside the Group's control may lead to increasing arrears. See also *"UK residential housing market risks may adversely impact the Group's business"*, *"The performance of the buy-to-let market may have a material impact on the future performance of the Group and its ability to fulfil its obligations under the Notes"* and *"Worsening economic and market conditions and/or increasing interest rates could result in increased*

retail loan losses which would adversely impact the Group's financial and operational performance" above.

If the Group fails to manage and control these risks, the Society could become unable to meet its own obligations, including those under the Notes, resulting in material adverse effects to its business, financial condition and reputation.

Failure by the Group to control its operational risks may result in adverse effects to its business, financial condition and/or reputation

The Group's business is dependent on the ability to process a very large number of transactions efficiently and accurately. Operational risk and losses can result from financial crime, errors by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with regulatory requirements and conduct of business rules, IT systems failures, natural disasters or the failure of external systems, for example, those of the Group's suppliers or counterparties. Although the Group has implemented risk controls and loss mitigation actions, and substantial resources are devoted to developing efficient procedures and to staff training, it is not possible to implement procedures which wholly eliminate each of the operational risks noted above. Notwithstanding anything in this risk factor, this risk factor should not be taken as implying that the Society will be unable to comply with its obligations as a building society with securities admitted to the Official List or as a supervised firm regulated under FSMA.

Reputational risk could cause harm to the Group and its business prospects

The Group's ability to attract and retain customers and conduct business with its counterparties could be adversely affected to the extent that its reputation or the reputation of its brand is damaged. Failure to address, or appearing to fail to address, various issues that could give rise to reputational risk could cause harm to the Group and its business prospects. Reputational issues include, but are not limited to: failing to appropriately address potential conflicts of interest; breaching or facing allegations of having breached legal and regulatory requirements (including money laundering and anti-terrorism financing requirements); acting or facing allegations of having acted unethically (including having adopted inappropriate sales and trading practices); failing or facing allegations of having failed to maintain appropriate standards of customer privacy, customer service and record keeping; technology failures that impact upon customer services and accounts; failing to properly identify legal, reputational, credit, liquidity and market risks inherent in products offered; and generally poor company performance. A failure to address these or any other relevant issues appropriately could make customers, depositors and investors unwilling to do business with the Group, which could adversely affect its business, financial condition and results of operations and could damage its relationships with its regulators. The Group cannot ensure that it will be successful in avoiding damage to its business from reputational risk.

The Group's success depends upon key members of its senior executive management and its business and prospects may change in accordance with changes in key personnel

The Group depends on the continued contributions of key members of its senior executive management and other key personnel with the experience, knowledge and skills required for its success; however, key personnel will continue to change (as they have changed in the past) from time to time. Any failure to recruit, or delay in recruiting suitable members of the senior executive management team and other key personnel, or any loss of key personnel without finding suitable replacements, may have an adverse effect on the Group's business, prospects, results of operations and financial position. In addition, the strategy, business and prospects of the Group will depend in part on the management and contributions of key members of its senior executive management and other key personnel, and there can be no assurance that the Group will maintain the same business policies or strategies at all times.

The Group is exposed to risks relating to the mis-selling of financial products, product regulation, acting in breach of legal or regulatory principles or requirements and giving negligent advice

The Group is exposed to many forms of legal and regulatory risk, which may arise in a number of ways. In particular:

- certain aspects of its business may be determined by the BoE, the Prudential Regulation Authority ("**PRA**"), the FCA, HM Treasury, the Financial Ombudsman Service (the "**FOS**") or

the courts as not being conducted in accordance with applicable laws or regulations, or, in the case of the FOS, with what is fair and reasonable in the Ombudsman's opinion;

- the Group may be liable for damages to third parties harmed by the conduct of the manner in which it has conducted one or more aspects of its business; and
- an increased focus by regulators on the appropriateness of existing or proposed product lines and structures could restrict the range of products which the Society is able to make available to its customers.

For example, the FCA's Mortgage Market Review introduced rules that require relevant institutions, with effect from 26 April 2014, to obtain evidence (with permitted exceptions) that a borrower will have in place a clearly understood and credible payment strategy and that the payment strategy has the potential to repay the principal at the end of the term of an interest-only loan. Whilst the Group does not currently offer interest-only products for owner-occupied mortgages, its ability to do so in the future will be subject to compliance with such rules. Where interest-only mortgages had previously been offered, there remains a risk that the borrower is unable to repay the principal at the end of the contractual term.

Under the Financial Services Act 2012 (the "**FS Act**"), the FCA has the general rule-making power to render unenforceable contracts made in contravention of its rules on cost and duration of credit agreements or in contravention of its product intervention rules, whilst under the Financial Services (Banking Reform) Act 2013 (the "**Banking Reform Act**") the FCA is required to introduce a price cap on 'high cost short term credit' (as yet undefined) by 2 January 2015.

No assurance can be given that financial institutions (including the Group) will be able to continue to offer the full range of products which they have historically offered, nor that any such institution will not be required to reduce its product offering or that it will not incur liability for past actions which are determined to have been inappropriate.

Failure to manage these risks adequately could lead to significant liabilities or reputational damage, which could have a material adverse effect on the Group's business, financial condition, results of operations and relations with customers.

The Group also faces both financial and reputational risk where legal or regulatory proceedings are brought against it or members of its industry generally in the High Court or elsewhere, or where complaints are made against it or members of its industry generally to the FOS or another relevant body. For example, a recent High Court judgment on the mis-selling of payment protection insurance ("**PPI**") has resulted in very significant provisions for customer redress in respect of PPI being made by several UK financial services providers.

No assurance can be given that the Group will not incur liability in connection with any past non-compliance with consumer credit legislation or with other similar legislation, and any withdrawal of products or non-compliance could be significant and adversely affect the Group's results of operations and financial position and its reputation.

UK Banking Act 2009 and the European Union recovery and resolution directive

The Banking Act 2009 (the "**Banking Act**"), which came into effect on 21 February 2009, includes (amongst other things) provision for a special resolution regime (the "**SRR**") pursuant to which specified UK authorities have extended tools to deal with the failure (or likely failure) of a UK bank or building society such as the Society. In addition, pursuant to recent amendments made to the Banking Act (which have not yet taken effect and key aspects of which remain unclear), provision has been made for certain tools to be used in respect of a wider range of UK entities, including investment firms and certain banking group companies provided that certain conditions are met. The tools available under the Banking Act include share and property transfer powers (including powers for partial property transfers), certain ancillary powers (including powers to modify certain contractual arrangements in certain circumstances) and special insolvency procedures which may be commenced by the UK authorities. In respect of UK building societies, the relevant tools include (i) modified property transfer powers which also refer to cancellation of shares and conferring rights and liabilities in place of such shares and (ii) in place of the share transfer powers, a public ownership tool which may involve (amongst other things) arranging for deferred shares in a building society to be publicly owned, cancellation of private membership rights and

the eventual winding up or dissolution of the building society. It is possible that the extended tools described above could be used prior to the point at which an application for insolvency proceedings with respect to a relevant entity could be made.

In general, the Banking Act requires the UK authorities to have regard to specified objectives in exercising the powers provided for by the Banking Act. One of the objectives (which is required to be balanced as appropriate with the other specified objectives) refers to the protection and enhancement of the stability of the financial systems of the United Kingdom. The Banking Act includes provisions related to compensation in respect of transfer instruments and orders made under it. In general, there is considerable uncertainty about the scope of the powers afforded to UK authorities under the Banking Act and how the UK authorities may choose to exercise them.

If an instrument or order were to be made under the Banking Act in respect of the Issuer, such instrument or order may (amongst other things) affect the ability of such entity to satisfy its obligations under the Notes and/or result in modifications to the Terms and Conditions of the Notes. In particular, modifications may be made pursuant to powers permitting certain trust arrangements to be removed or modified and/or via powers which permit provision to be included in an instrument or order such that the relevant instrument or order (and certain related events) is required to be disregarded in determining whether certain widely defined "default events" have occurred. While there is power for the payment of compensation to be ordered in certain circumstances under the Banking Act, there can be no assurance that Noteholders would recover compensation promptly and equal to any loss actually incurred.

A directive providing for the establishment of a European-wide framework for the recovery and resolution of credit institutions and investment firms (the "**Banking Recovery and Resolution Directive**" or "**BRRD**") entered into force on 2 July 2014. The BRRD includes a "write-down and conversion of capital instruments power" and a "bail-in" power, which would give such authorities the power to write down or write off the claims of certain unsecured creditors of a failing institution and/or to convert certain debt claims into another security, including ordinary shares of the surviving entity within a group, if any. It is currently contemplated that the majority of measures set out in the BRRD will be implemented with effect from 1 January 2015 at the latest, with the bail-in power for other eligible liabilities expected to be introduced by 1 January 2016 at the latest. However, as discussed below, HM Treasury has indicated that it intends to introduce the bail-in power as from 1 January 2015.

The write-down and conversion of capital instruments power may be used where the relevant UK resolution authority has determined that the institution concerned has reached the point of non-viability. It may be used before resolution has commenced, and must be used before the bail-in power is used. Any write-down effected using this power must reflect the insolvency priority of the written-down claims – thus, common equity must be written off in full before subordinated debt is affected. Where the write-down and conversion of capital instruments power is used, the write-down is permanent and investors receive no compensation (save that common equity tier 1 instruments may be required to be issued to holders of written-down instruments). The write-down and conversion of capital instruments power is not subject to the "no creditor worse off" safeguard.

The bail-in power would give the relevant UK resolution authority the power to cancel all or a portion of the principal amount of, or interest on, certain unsecured liabilities (which could include the Notes) of a failing financial institution or its holding company, and/or to convert certain debt claims (which could be amounts payable under the Notes) into another security. The BRRD provides that the relevant UK resolution authority must apply the "bail-in" power in accordance with a specified preference order which differs from the ordinary insolvency order. In particular, the BRRD requires the relevant UK resolution authority to write down or convert debts in the following order: (i) additional tier 1, (ii) tier 2 (such as Subordinated Notes), (iii) other subordinated claims and (iv) eligible senior claims.

There remains significant uncertainty regarding the ultimate nature and scope of these powers and how they would affect the Issuer and the Noteholders. Accordingly, it is not yet possible to assess the full impact of the BRRD on the Issuer and on the Noteholders, and there can be no assurance that, once it is implemented, the manner in which it is implemented or the taking of any actions by the relevant UK resolution authority currently contemplated in the BRRD would not adversely affect the rights of Noteholders, the price or value of an investment in the Notes and/or the Issuer's ability to satisfy its obligations under the Notes. The exercise of the write down and conversion of capital instruments power or the bail-in power or any suggestion of such exercise could, therefore, adversely affect the value of the

Notes. In addition to the BRRD described above, it is possible that the exercise of the current powers under the Banking Act, which provide for a resolution regime to resolve failing banks in the UK and give the authorities powers to override events of default or termination rights that might be invoked as a result of the exercise of the resolution powers, may adversely affect the rights of Noteholders, the price or value of an investment in the Notes and/or the Issuer's ability to satisfy its obligations under the Notes.

In addition, the Banking Reform Act includes amendments to the Banking Act to insert a bail-in option among the powers of the Bank of England (the "**Bail-In Power**"). The provisions of the Banking Reform Act which introduce the Bail-In Power under the Banking Act are similar to but separate from the bail-in provisions under the BRRD, and in their current form amendments are also to be made to building societies legislation. However, in July 2014 HM Treasury published proposals for the implementing the BRRD in the United Kingdom in a consultation document (*Transposition of the Bank Recovery and Resolution Directive*), in which it announced that it does not propose to introduce the bail-in provisions in the Banking Reform Act in advance of the implementation of the BRRD. Instead, the relevant provisions of the Banking Reform Act will be amended so as to transpose the BRRD (rather than introducing a parallel bail-in power), save that they will take effect from 1 January 2015.

In addition, the Banking Act may be further amended and/or other legislation may be introduced in the UK to amend the resolution regime that would apply in the event of a bank failure or to provide regulators with other resolution powers. Any such amendment or other legislation could adversely affect the value of all investors' rights under the Notes.

The Group is subject to regulatory capital requirements which are subject to change

The Group is subject to capital requirements that could have an impact on its operations. The implementation of Basel III, CRD IV (each as defined below) and the UK Independent Commission on Banking (the "**ICB**") recommendations may hinder growth.

The Basel III reform package (a regulatory capital and liquidity framework approved by the Basel Committee on Banking Supervision in 2011, commonly referred to as "**Basel III**") has been implemented in the European Economic Area (the "**EEA**") through a regulation (the "**Capital Requirements Regulation**") and an associated directive (Capital Requirements Directive (the "**CRD**")) (together, "**CRD IV**"), which were published in the Official Journal of the European Union on 27 June 2013. The regulation establishes a single set of harmonised prudential rules which apply directly to all credit institutions in the EEA with the directive containing less prescriptive provisions which should be transposed into national law. The regulation gives express recognition for Common Equity Tier 1 capital instruments for mutual and co-operative entities and permits the use of a cap or restriction to safeguard the interests of members and reserves. Full implementation began from 1 January 2014, with particular elements being phased in over a period of time, to be fully effective by 2024.

The Group's capital is reported as a ratio of capital to risk-adjusted assets expressed as a percentage in different measures – Common Equity Tier 1 capital, Tier 1 capital and total capital. The Group is required to maintain certain minimum levels of regulatory capital referred to in Article 92 of the Capital Requirements Regulation (the "**Pillar 1 Requirement**") or, until at least 31 December 2017, a minimum level calculated on the basis of legacy (Basel I) risk-weighting approaches under Article 500(1)(b) of the Capital Requirements Regulation (the "**Basel I Floor**"), whichever is higher (see "*Basel I Floor*" below). The Group will also be required to meet certain capital buffer requirements above such minimum level. If the Group fails, or is perceived to be likely to fail, to meet its regulatory capital requirements, this may result in administrative actions or regulatory sanctions against it.

The Group's capital ratios may be adversely affected not only by a reduction in the Group's capital (including if the Group suffers financial losses) but also by changes in the manner in which the Group is required to calculate its capital and/or the risk-weightings applied to its assets. The Group is currently authorised to apply an Internal Ratings-Based ("**IRB**") approach to calculating its risk-weighted assets. An IRB approach enables an institution to more closely tailor risk-weights to its particular assets than standardised risk-weights, and accordingly in many cases can be expected to be lower than risk-weights which would apply under a standardised approach. If, in the future, the Group's authorisation to apply an IRB approach is withdrawn, or if for any other reason it is required to calculate its risk-adjusted assets on the basis of standardised risk-weights, or if minimum risk-weights are introduced for institutions applying an IRB approach, such change could significant adversely impact the Group's capital ratios, even if the

Group remains profitable. See also "*Other future legislative and regulatory changes could impose operational restrictions on the Group, causing it to raise further capital, increase its expenses and/or otherwise adversely affect its business, results, financial condition or prospects*" below.

Effective management of the Group's capital is critical to its ability to operate and grow its business and to pursue its strategy. Any change that limits the Group's ability to effectively manage its balance sheet and capital resources (including, for example, reductions in profits and retained earnings as a result of credit losses, write-downs or otherwise, increases in risk weighted assets (which are pro-cyclical under the current Capital Requirements Regulation, resulting in risk weighting increasing in economic downturns), delays in the disposal of certain assets or the inability to raise capital or funding through wholesale markets as a result of market conditions or otherwise) could have a material adverse impact on its business, financial condition, results of operations, liquidity and/or prospects.

Key elements of CRD IV include the following:

- **Increased capital requirements** – higher minimum Common Equity Tier 1 ratios (a risk-based ratio calculated (on the basis set out in CRD IV) as Common Equity Tier 1 capital divided by risk weighted assets) and the introduction of conservation, countercyclical and systemic risk buffers, which are to be phased in over the period January 2014 to December 2018;
- **Definition of capital** – the Society's permanent interest bearing shares, and other subordinated debt which does not meet CRD IV recognition criteria, will be phased out over the period from 1 January 2014 to 31 December 2021;
- **Additional capital charges** – an additional capital charge for credit valuation adjustment ("CVA") risk is imposed. The majority of the Society's CVA charge relates to the use of derivative instruments (with highly-rated counterparties) to manage interest rate and foreign exchange risk;
- **Deductions from capital** – expected losses in excess of provisions are deducted in full from Common Equity Tier 1 capital, gross of tax. Under Basel II, only 50 per cent. of the deduction was from Core Tier 1 capital and was net of tax;
- **New liquidity metrics** – two new liquidity ratios will be introduced. These are a short-term liquidity stress ratio, referred to as the Liquidity Coverage Ratio, and a longer-term ratio, referred to as the Net Stable Funding Ratio. Both ratios are required to be maintained at levels in excess of 100 per cent., when fully implemented;
- **Basel I Floor** – Article 500(1) of the Capital Requirements Regulation requires institutions which calculate their risk-weighted exposures on the basis of IRB models or other advanced measurement approaches to meet minimum capital requirements calculated both (i) in respect of the Pillar 1 Requirement under Article 92 of the Capital Requirements Regulation (calculated on the basis of that institution's adopted risk-weighting model) and (ii) until at least 31 December 2017, in respect of the Basel I Floor under Article 500(1)(b) of the Capital Requirements Regulation by reference to legacy (Basel I) risk-weighting approaches, which are more prescriptive and less risk-sensitive than firms' own models. The PRA confirmed in Policy Statement PS7/13, supported by Supervisory Statement SS8/13 (each published in December 2013), that (until at least 31 December 2017) if an institution's capital requirement calculated in respect of the Basel I Floor is higher than the sum of its Pillar 1 Requirement plus any Pillar 2A individual capital requirement imposed on that institution by the PRA (subject to relevant adjustments), the institution must meet the Basel I Floor requirement. The PRA further confirmed that, in such case, the firm's additional capital buffers will sit on top of the Basel I Floor, and the institution may not meet its buffer requirement with any Common Equity Tier 1 capital maintained to meet the Basel I Floor. The Society's Basel I Floor is reported to the PRA and is not publicly disclosed;
- **New leverage ratio** – a new ratio (the leverage ratio), calculated by dividing Tier 1 capital by total assets (as defined by Basel III), is required to be maintained at a level of at least 3 per cent. This requirement will be harmonised at EU level from 1 January 2018, until which date the UK regulators may apply such measures as they consider appropriate;

- ***Additional valuation adjustments*** – these are deductions from Common Equity Tier 1 capital required for all assets (including derivatives) measured at fair value. The Society intends to follow the simplified approach to this requirement, recognising the beneficial impact of hedge accounting treatment of derivatives; and
- ***Available For Sale reserve*** – this reserve records the unrealised gains and losses on assets measured at fair value. CRD IV brought this within the scope of own funds included in Common Equity Tier 1 capital.

In December 2013 the PRA published its policy statement PS7/13 "Strengthening capital standards: implementing CRD IV, feedback and final rules" on the UK rules, as applicable to the Society, which implement certain permitted national discretions in CRD IV. Whilst CRD IV allows regulators to phase in the new measures over a period of time, the PRA has chosen to accelerate this timetable, with most capital deductions to apply in full from 2014.

Recognition as capital of the legacy Tier 1 capital and Tier 2 capital instruments (for example, certain permanent interest bearing shares and subordinated debt instruments) is subject to grandfathering in accordance with the provisions in CRD IV. At present, the Society's Pillar 2A requirements can be met by any form of capital. However, from 1 January 2015, the PRA expects firms to meet Pillar 2A with at least 56 per cent. in Common Equity Tier 1 capital, no more than 44 per cent. in Additional Tier 1 capital and at most 25 per cent. in Tier 2 capital.

There are still some areas of the PRA's intended approach which are not yet finalised. In particular, as part of the PRA consultation during the course of 2014 on its approach to Pillar 2, the PRA will consider its approach to setting Pillar 2A capital and the extent to which firms should disclose Pillar 2A guidance and its approach to the Pillar 2B PRA buffers which are likely to replace the existing capital "planning buffers". Accordingly there is a risk that the Society will be required to hold higher levels of or better quality capital than is currently anticipated or planned for. If and to the extent that the PRA adopts capital or other requirements which exceed those proposed under Basel III, this may adversely impact the Issuer's competitiveness relative to any banks and financial institutions subject to less stringent requirements.

Other future legislative and regulatory changes could impose operational restrictions on the Group, causing it to raise further capital, increase its expenses and/or otherwise adversely affect its business, results, financial condition or prospects

The Group conducts its business subject to ongoing regulation by the FCA and the PRA. The current market environment is witnessing increased levels of Government intervention in the banking, personal finance and real estate sectors. Future changes in regulation, fiscal or other policies are unpredictable and beyond the Group's control and could materially adversely affect its business or operations.

Regulators and other bodies in the UK and worldwide have produced a range of proposals for future legislative and regulatory changes which could impose operational restrictions on the Group, causing it to raise further capital, increase its cost base and/or otherwise adversely affect its business results, financial condition or prospects. These include, among others:

- on 19 June 2013, the Parliamentary Commission on Banking Standards ("**PCBS**") published its final report ("**Changing banking for good**"). This was followed by the publication of the Government's response on 8 July 2013, accepting the overall conclusions of the final report and all of its principal recommendations. Among other things, this included proposals for: (i) a new senior persons regime governing the conduct of bank staff; (ii) the introduction of a criminal offence for reckless misconduct by senior bank staff; and (iii) steps to improve competition in the banking sector. On 18 December 2013, the Banking Reform Act which includes provisions to address certain of the PCBS's recommendations received royal assent; further detail in respect of matters covered in the Banking Reform Act will be provided by way of secondary legislation. From 1 March 2014, the PRA has had a secondary objective in respect of competition; otherwise, the relevant provisions of the Banking Reform Act are not yet in force and it is not known when such provisions will come into force. The Banking Reform Act and future related secondary legislation may have a substantial impact on banks and building societies in the UK generally;
- other measures contained in the Banking Reform Act, but which are not yet in force (and the date on which they will come into force is presently unknown), include: (i) ring-fencing

domestic retail banking services of UK banks; (ii) introduction of a power for the UK authorities to bail in debt issued by UK banks and building societies (see "*UK Banking Act 2009 and the European Union recovery and resolution directive*" above); (iii) elevating the ranking of FSCS insured depositors on a winding-up to rank ahead of all other unsecured creditors; and (iv) a cap on the cost of pay day loans. Building societies (including the Society) will be subject to the bail-in powers and will be affected by proposals to change creditor hierarchy;

- the Government intends to transpose the provisions in the BRRD early which will have the effect of granting: (i) preference to eligible deposits (i.e. deposits and share accounts which qualify for FSCS protection) over the claims of ordinary unsecured creditors in the event of an insolvency; and (ii) a "super-preference" to those deposits and share accounts which are actually protected by the FSCS, i.e. up to the limit of £85,000. At European Union level, structural reform measures that are similar to some of those contained in the Banking Reform Act are also under consideration, following the report of the European Commission's high level expert group on reforming the structure of the EU Banking Sector (the "**Liikanen Report**"). On 29 January 2014 the European Commission published a proposal on structural measures improving the resilience of EU credit institutions which reflects some of the recommendations of the Liikanen Report;
- consumer credit regulation was transferred to the FCA from 1 April 2014 in accordance with provisions under the FS Act. Following the transfer, the carrying on of certain credit-related activities (including in relation to servicing credit agreements) otherwise than in accordance with permission from the FCA will render the credit agreement unenforceable without FCA approval and the FCA will have power to render unenforceable contracts made in contravention of its rules on cost and duration of credit agreements or in contravention of its product intervention rules. The FS Act also provides for formalised co-operation to exist between the FCA and the FOS (which determines complaints by eligible complainants in relation to authorised financial services firms, consumer credit licensees and certain other businesses), particularly where issues identified potentially have wider implications with a view to the FCA requiring firms to operate consumer redress schemes;
- in June 2013, the PRA undertook a stress test on the eight largest UK banks and building societies. This involved an assessment of capital levels with 15 per cent. minimum risk weightings attached, together with a requirement to meet a 3 per cent. leverage ratio. The Society was not part of this review. The criteria applied to stress tests are not intended to be indicative of prospective changes to the capital requirements. However, if the PRA or BoE were to formally introduce a minimum risk weighting measure across all UK lenders, whether generally or in respect of exposures to specified sectors, this could have a significant adverse impact on the Group's CET1 and overall capital ratios. Given the composition of the Group's loan book and its relatively low historic impairments, the average risk weighting applied to the Group's book may be lower relative to many of the large high-street lenders, in which case the impact of an introduction of minimum risk weights may have a comparatively greater impact on its capital ratios than its competitors'. Whilst the Society is not aware of any current proposal by the UK authorities to introduce minimum risk weights generally, the Financial Policy Committee, in its policy statement entitled "*The Financial Policy Committee's powers to supplement capital requirements*" published in January 2014, discusses the use of increased risk weights in other jurisdictions and expressly recognises the possibility of amending risk weights as one of the macro-prudential tools available to it within its oversight of sectoral capital requirements.
- following the 2013 stress tests, and in line with the UK Financial Policy Committee's recommendation for annual and concurrent stress-testing of the UK banking system, in April 2014 the Bank of England set out details of the UK scenario for the 2014 stress tests of the eight largest UK banks and building societies. In addition, the European Banking Authority is also conducting its own stress tests for certain European financial institutions. Whilst the Society is not the subject of such stress tests at present, if it were to become subject to future stress tests of this nature there is a risk that it would be required to raise further capital, including if the stress test methodology included standardised or minimum risk weights, whether generally or in respect of exposures to specified sectors, which afford higher risk-weightings to the Society's assets than the Society's own internal ratings-based model;

- the European Commission published a proposal for a directive on credit agreements relating to residential immovable property for consumers in March 2011. The proposal requires, among other things, standardised pre-contractual information, adherence to business conduct rules, a ban on certain tying practices (i.e. offering or selling a credit agreement in a package of products) and a right of the borrower to make early repayment. Until the final form of the proposed directive is formally adopted by the European Council and it together with UK implementing legislation is published, it is not certain what effect the adoption and implementation of the proposed directive would have on the Group's mortgage business; and
- the UK Financial Policy Committee ("FPC") commenced a consultation process in July 2014 on the leverage ratio and how it should be calibrated for UK financial institutions. This may have implications for the extent to which Additional Tier 1 Capital may be applied for leverage purposes. The FPC is expected to report on the outcome of this process in late October 2014.

There is also a risk that the recent restructuring of regulatory bodies, in particular, the creation of multiple regulators in the UK and the transfer of the responsibility for regulation of consumer credit in the UK from the Office of Fair Trading to the FCA in April 2014, could lead to a lack of co-ordination and the emergence of inconsistencies between the different regulatory bodies. Any such development could adversely impact the Group's ability to manage its business efficiently and subject it to increased costs through managing an increasingly complex compliance burden.

At this point it is impossible to predict the effect that any of the proposed changes will have on the Group's operations, business and prospects or how any of the proposals discussed above will be implemented in light of the fundamental changes to the regulatory environment proposed by the Government and/or the European Commission. Depending on the specific nature of the requirements and how they are enforced, such changes could have a significant impact on the Group's operations, structure, costs and/or capital requirements. Accordingly, the Society cannot assure investors that the implementation of any of the foregoing matters or any other regulatory or legislative changes that may be proposed will not have a material adverse effect on its operations, business, results, financial condition or prospects.

Implementation of the ICB's recommendations regarding loss-absorbing capacity may impact on the Group's overall capital requirements

In June 2010, the Government established the ICB to consider structural and related non-structural reforms to the UK banking sector to promote financial stability and competition. The ICB's reform recommendations, published in September 2011, and the Government's response supporting such recommendations (as set out in HM Treasury White Paper entitled "*Sound banking: delivering reform*") includes proposals to increase capital and loss-absorbency to levels that exceed the proposals under Basel III. These requirements, as well as the other recommendations of the ICB, are expected to be introduced between 2015 and 2019. The Banking Reform Act has given effect to the ICB's recommendations insofar as they have been accepted by HM Treasury. However the Banking Reform Act is, effectively, enabling legislation only and, as such, much of the detailed implementation of the ICB's recommendations (where supported by Parliament) will be set out in secondary legislation which is expected before the end of the current parliament. Draft secondary legislation was published in July 2013, including legislation to establish the framework through which non-capital primary loss-absorbing capacity requirements will be imposed on systemically important UK banks and building societies. This could take the form of a liabilities based measure (Minimum Requirement for Eligible Liabilities) implemented in accordance with the BRRD. For further information, please refer to the section entitled "*Other future legislative and regulatory changes could impose operational restrictions on the Group, causing it to raise further capital, increase its expenses and/or otherwise adversely affect its business, results, financial condition or prospects*" above.

Until the legislation is finalised, the Group cannot predict the impact such rules will have on its overall capital requirements or how they will affect its compliance with the capital and loss absorbency requirements of Basel III. However, the introduction of the new rules and proposals could require the Group to increase its capital, liquidity and funding requirements or otherwise adversely affect its business or profitability.

Demutualisation and consequences of the Act for Noteholders

The Society's Board is committed to maintaining the mutual status of the Society. Notwithstanding the above, subject to regulatory confirmation, the Society's members and its Board may determine whether it remains a building society or if it demutualises (save in circumstances where a direction is given under Section 42B of the Act or a UK authority makes an instrument or order under the Banking Act (as amended by section 56 of the FS Act) which results in a demutualisation taking place or, subject to HM Treasury making an order under section 17(3) of the Banking Reform Act (which section came into force on 1 March 2014), the BoE requires the conversion or transfer of the Society's business to a company in relation to the exercise of the bail-in stabilisation option).

The Act includes provisions under which a building society may demutualise by transferring the whole of its business to a company. In addition, the Act (as modified by the Mutual Societies (Transfers) Order 2009 made under section 3 of the Building Societies (Funding) and Mutual Societies (Transfers) Act 2007 (commonly known as the "**Butterfill Act**") includes provisions under which a building society may transfer the whole of its business to the subsidiary of another mutual society (as defined in section 3 of the Butterfill Act). At present, the claims of the Society's depositors and other unsecured and unsubordinated creditors would rank ahead of share accounts (which term excludes any deferred shares) and the Society's members' rights to any surplus in the event of its liquidation, and the claims of its subordinated creditors would rank behind share accounts but ahead of members' rights to any surplus in the event of its liquidation. If, however, the Society transfers its business to a specially formed company or an existing company (as defined in the Act) or to a subsidiary of another mutual society, all of its liabilities which immediately prior thereto were classified as share accounts will thereafter rank at least *pari passu* with all other unsecured and unsubordinated liabilities of its successor. The position relating to the relative hierarchy of share accounts and ordinary unsecured creditors is likely to change in the near future with the introduction of the bail-in tool provided for in the Banking Reform Act/BRRD. This is described above under "*Other future legislative and regulatory changes could impose operational restrictions on the Group, causing it to raise further capital, increase its expenses and/or otherwise adversely affect its business, results, financial condition or prospects*".

Under section 90B of the Act (which was inserted by the Butterfill Act, although not yet in force), HM Treasury may, by order, make provision for the purpose of ensuring that, on the winding up, or dissolution by consent, of a building society, any assets available for satisfying such society's liabilities to creditors (other than liabilities in respect of subordinated deposits, liabilities in respect of preferential debts, or any other category of liability which HM Treasury specifies in the order for these purposes) or to members (other than liabilities in respect of deferred shares) are applied in satisfying those liabilities *pari passu*. The power to make an order under section 90B of the Act will, when it is in force, be exercisable by statutory instrument but may not be made unless a draft of it has been laid before and approved by a resolution of each House of Parliament. As at the date of this Prospectus, no date has been appointed for this provision to come into force. The Government had announced that it may be appropriate to commence these powers in connection with the introduction of the bail-in tool provided for in the Banking Reform Act. However it has since announced that it may deal with creditor hierarchy by the early transposition of relevant parts of the BRRD.

The Group may be adversely affected by increased levies payable under the Financial Services Compensation Scheme (the "FSCS")

The FSMA established the FSCS, which pays compensation to eligible customers of authorised financial services firms which are unable, or are likely to be unable, to pay claims against them.

An institution's FSCS levy is linked to its share of the UK deposit market. The Society is, and continues to be, a member of the FSCS. As at 31 December 2013, the Group held a provision of £8.7 million with respect to the estimated FSCS levy for the period 2013/14. As at the date of this Prospectus, a number of claims against the FSCS have been triggered. Claims on the FSCS are funded by loans from HM Treasury, and until such loans are repaid, increased levies on UK deposit taking institutions fund interest payments on such loans and any capital shortfalls that are identified. As a result of the various claims under the FSCS, the Group, in common with all regulated UK deposit takers, has recently been subject to significantly increased FSCS levies and there can be no assurance that there will not be further increases in the FSCS levy from time to time. Consequently, the FSCS levy may have a material impact on the profits of the Group.

There can also be no assurance that there will not be any actions taken under the Banking Act that may lead to further claims against the FSCS, and concomitant increased FSCS levies payable by the Group (and other regulated UK deposit takers). Following a review by the former Financial Services Authority of the FSCS funding model, the revised FSCS funding arrangements took effect on 1 April 2013. The FCA is responsible for the new arrangements which require contributions from firms according to their funding class. There are three PRA funding classes and five FCA funding classes; a particular class will meet compensation claims up to the threshold limit for that class, but FCA funding classes may receive additional support from other classes up to the amount of the relevant FCA 'retail pool'. A failure of a firm in one of the FCA intermediation funding classes may entail contributions from the wider retail pool (comprising contributions from each of the five FCA funding classes and additional FCA 'provider' funding classes) who would pay towards the costs. This alternative funding model was introduced to acknowledge the joint responsibilities of providers and distributors, but this may mean that the Group, as a provider, may incur higher contributions to the FSCS as a result of the failure of distributors.

In December 2013, political agreement was reached on the new EU directive on deposit guarantee schemes, which introduces financing requirements targeting ex ante deposit guarantee scheme funds of 0.8 per cent. of covered deposits to be collected from deposit-taking entities over a ten year period (the UK currently operates an ex post financing where fees are required after a payment to depositors has occurred). In case of insufficient ex ante funds, the deposit guarantee scheme will collect immediate ex post contributions from the banking sector, and, as a last resort, they will have access to alternative funding arrangements such as loans from public or private third parties. The political agreement is subject to technical finalisation and formal approval by the co-legislators and as such it is unclear the impact the new directive will have on the levies paid by the Group; it is possible, as a result of the new directive, that future FSCS levies on the Group may differ from those at present, and such reforms could result in the Group incurring additional costs and liabilities, which may adversely affect its business, financial conditions and/or results of operations.

Factors which are material for the purpose of assessing the market risks associated with the Notes

In making an investment decision, potential investors should carefully consider the risks of an investment in the Notes. In particular, potential investors should be aware of the following:

The Society is entitled, without the consent of the holders of any Senior Notes, to issue further Senior Notes

The Society is entitled, without the consent or approval of Noteholders, to issue further Senior Notes that are consolidated and form a single series with any Senior Notes and/or other instruments ranking *pari passu* with the Senior Notes. The Society is entitled, without the consent or approval of the holders of Subordinated Notes, to issue further Subordinated Notes that are conditional and for a single series with the Subordinated Notes and/or other instruments ranking *pari passu* with, or in priority to, the Subordinated Notes. An offering of such securities may adversely affect the amounts (if any) which holders of the Senior Notes or Subordinated Notes may be eligible to receive on a winding up or dissolution of the Society, and could have an adverse effect on the market price of the Senior Notes or Subordinated Notes as a whole.

The Notes are not protected liabilities of the Society and holders of the Notes will not benefit from a government compensation scheme

The FSCS established under the Financial Services and Markets Act 2000 is the statutory fund of last resort for customers of authorised financial services firms, such as the Society, paying compensation to customers if the Society is unable, or likely to be unable, to pay certain claims (including in respect of deposits and insurance policies) made against it (together, "**Protected Liabilities**").

The Notes are not, however, Protected Liabilities of the Society and, moreover, are not guaranteed or insured by any government, government agency or compensation scheme of the United Kingdom or any other jurisdiction.

The High Court has primary jurisdiction to hear and determine all disputes relating to the Society and the Notes

Subject to the discretion of the High Court in England to transfer cases to a County Court, no court other than the High Court in England shall have jurisdiction to hear and determine disputes between a building society and a member or a representative of a member in that capacity in respect of any rights or obligations arising from the rules of a building society or the Act.

Risks related to succession and transfer of the Society's business

Condition 12 contains provisions applicable to the Notes upon an amalgamation by the Society with another building society under section 93 of the Act, a transfer of all or substantially all of its engagements to another building society under section 94 of the Act or a transfer by the Society of the whole of its business in accordance with section 97 of the Act to a company.

Those provisions enable (in the context of such amalgamation or transfer only) certain amendments to be made to the terms of the Notes without the consent of the Noteholders, which potentially could be adverse to the interests of Noteholders, subject to certain restrictions.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the Interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Redemption following a Capital Disqualification Event

In certain circumstances where the Issuer is unable to achieve the Tier 2 capital recognition of Subordinated Notes, the relevant Subordinated Notes may be redeemed early. The exercise of these rights by the Issuer may have an adverse effect on the position of holders of the Subordinated Notes.

Resetable Notes

In the case of any Series of Resetable Notes, the rate of interest on such Resetable Notes will be reset by reference to the then prevailing Mid-Swap Rate, as adjusted for any applicable margin, on the reset dates specified in the relevant Final Terms. This is more particularly described in Condition 5(b) (*Interest on Resetable Notes*). The reset of the rate of interest in accordance with such provisions may affect the secondary market for and the market value of such Resetable Notes. Following any such reset of the rate of interest applicable to the Notes, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest on the relevant Resetable Notes may be lower than the Initial Rate of Interest, the First Reset Rate of Interest and/or any previous Subsequent Reset Rate of Interest.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

The Issuer's obligations under Subordinated Notes are subordinated

The Issuer's obligations under Subordinated Notes will be unsecured and subordinated and will rank junior in priority to the claims of senior creditors. Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Terms and Conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes in the circumstances described in Condition 11 of the Terms and Conditions of the Notes or (ii) the substitution of another company as principal debtor under any Notes in place of the Issuer, in the circumstances described in Condition 12 of the Terms and Conditions of the Notes.

EU Savings Directive

The EU has adopted a directive regarding the taxation of savings income (the "**Savings Directive**"). The Savings Directive requires member states of the European Union (each a "**Member State**") to provide to the tax authorities of other Member States details of payments of interest (or similar income) paid by a person established within its jurisdiction to (or for the benefit of) an individual resident or certain limited types of entity established in another Member State, except that Luxembourg and Austria may instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld), unless during such period they elect otherwise. In April 2013, the Luxembourg Government announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of automatic information exchange under the Savings Directive.

The Council of the European Union formally adopted a Council Directive amending the Savings Directive on 24 March 2014 (the "**Amending Directive**"). The Amending Directive broadens the scope of the requirements described above. Member States have until 1 January 2016 to adopt the national legislation necessary to comply with the Amending Directive, which legislation must apply from 1 January 2017. The changes made under the Amending Directive including extending the scope of the Savings Directive to payments made to, or collected for, certain other legal entities and legal arrangements. They also broaden the definition of "interest payment" to cover income that is equivalent to interest.

A number of third countries and territories have adopted similar measures to the Savings Directive.

If a payment to an individual were to be made or collected through a Member State which has opted for a withholding system and an amount of or in respect of tax were to be withheld from that payment pursuant to the Savings Directive, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note or Coupon as a result of the imposition of such withholding tax. However, the Issuer is required to maintain (to the extent reasonably practicable) a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

Change of law

The Terms and Conditions of the Notes are based on English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice or tax treatment after the date of issue of the relevant Notes.

Integral multiples of less than €100,000

In relation to any issue of Notes which have a denomination consisting of the minimum Specified Denomination of €100,000 plus a higher integral multiple of another smaller amount, it is possible that the Notes may be traded in amounts in excess of €100,000 (or its equivalent) that are not integral multiples of €100,000 (or its equivalent). In such a case a Noteholder who, as a result of trading such amounts, holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the "**CRA Regulation**") from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended). Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are

endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended).

U.S. Foreign Account Tax Compliance Withholding

Whilst the Notes are in global form and held within Euroclear Bank S.A./N.V. or Clearstream Banking, société anonyme (together, the "**ICSDs**"), in all but the most remote circumstances, it is not expected that Sections 1471 through 1474 of the U.S. Internal Revenue Code (commonly referred to as "**FATCA**") will affect the amount of any payment received by the ICSDs (see "*Taxation – U.S. Foreign Account Tax Compliance Withholding*"). However, FATCA may affect payments made to custodians or intermediaries (including any clearing system other than Euroclear or Clearstream, Luxembourg) in the payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA, including any IGA legislation, if applicable), and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Investors should consult their own tax adviser to obtain a more detailed explanation of FATCA and how FATCA may affect them. The Issuer's obligations under the Notes are discharged once it has paid the common depositary or common safekeeper for the ICSDs (as bearer, book-entry or registered holder (as applicable) of the Notes) and the Issuer has therefore no responsibility for any amount thereafter transmitted through hands of the ICSDs and custodians or intermediaries.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. The full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by an amended and restated trust deed dated 30 October 2014 (as amended and/or supplemented from time to time) (the "**Trust Deed**") between the Issuer and HSBC Corporate Trustee Company (UK) Limited (the "**Trustee**", which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These terms and conditions (the "**Conditions**") include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Agency Agreement (as amended, restated or supplemented as at the Issue Date, the "**Agency Agreement**") dated 31 October 2013 has been entered into in relation to the Notes between the Issuer, the Trustee, HSBC Bank plc as initial issuing and paying agent and registrar and the other agents named in it. The issuing and paying agent, the other paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Issuing and Paying Agent**", the "**Paying Agents**" (which expression shall include the Issuing and Paying Agent), the "**Registrar**", the "**Transfer Agents**" (which expression shall include the Registrar) and the "**Calculation Agent(s)**". Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours and upon reasonable notice at the specified offices of the Paying Agents and the Transfer Agents. The applicable Final Terms will be published on the website of the London Stock Exchange plc (the "**London Stock Exchange**") through a regulatory information service.

The Noteholders, the holders of the interest coupons (the "**Coupons**") relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "**Talons**") (the "**Couponholders**") are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement and the relevant Final Terms.

1. **Form, Denomination and Title**

Each Series (as defined below) of Notes is issued (i) in bearer form and in registered form ("**Exchangeable Series**"), (ii) in bearer form ("**Bearer Series**") or (iii) in registered form ("**Registered Series**"). Bearer Notes (as defined below) will be issued in the Specified Denomination(s) shown hereon. Registered Notes (as defined below) will be issued in multiples of the Specified Denomination shown hereon. The minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

Notes in bearer form ("**Bearer Notes**") comprised in an Exchangeable Series ("**Exchangeable Bearer Notes**") are exchangeable for Notes in registered form ("**Registered Notes**") and Registered Notes comprised in an Exchangeable Series ("**Exchangeable Registered Notes**") are exchangeable for Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note, a Resettable Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the interest basis shown hereon. This Note is a Senior Note or is a Subordinated Note as so indicated in the applicable Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as required by applicable law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), "**holder**" (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. **Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes**

(a) ***Exchange of Exchangeable Bearer Notes***

Subject as provided in Condition 2(g), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Exchangeable Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of any Transfer Agent; **provided that** Exchangeable Bearer Notes surrendered in exchange for Exchangeable Registered Notes during the period from and including the Record Date in respect of any Interest Payment Date up to and including such Interest Payment Date will not be required to be surrendered with the Coupon relating to the interest payable on such Interest Payment Date.

Interest on an Exchangeable Registered Note issued in exchange for an Exchangeable Bearer Note will accrue as from the Interest Payment Date immediately preceding the date of surrender as aforesaid or, if none, the Interest Commencement Date, except where issued in respect of an Exchangeable Bearer Note surrendered during the period from and including the Record Date in respect of an Interest Payment Date up to and including such Interest Payment Date, in which event interest shall accrue as from such last mentioned Interest Payment Date.

Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) ***Exchange of Exchangeable Registered Notes***

Subject as provided in Condition 2(g), Exchangeable Registered Notes may be exchanged for the same nominal amount of Exchangeable Bearer Notes at the request in writing of the relevant Noteholder and upon surrender of the Certificate representing such Exchangeable Registered Notes to be exchanged at the specified office of any Transfer Agent.

Interest on an Exchangeable Registered Note to be exchanged for Exchangeable Bearer Notes will cease to accrue as from the Interest Payment Date immediately preceding the date of surrender as aforesaid or, if none, the Interest Commencement Date, except where the date of such surrender falls in the period from and including the Record Date in respect of an Interest Payment Date up to and including such Interest Payment Date, in which event interest will cease to accrue as from such last-mentioned Interest Payment Date.

Where relevant, Exchangeable Bearer Notes issued in exchange for Exchangeable Registered Notes will be issued together with all Coupons in respect of all Interest Payment Dates falling after the date of such surrender as aforesaid or, if such surrender falls during the period from and including the Record Date in respect of an Interest Payment Date up to and including such Interest Payment Date, with Coupons in respect of all Interest Payment Dates falling after such Interest Payment Date, together with any Talons maturing after such date.

Registered Notes that are not Exchangeable Registered Notes may not be exchanged for Bearer Notes.

(c) ***Transfer of Registered Notes***

Subject as provided in Conditions 2(g) and (h), Registered Notes may be transferred in whole or in part in a multiple of a Specified Denomination upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(d) ***Exercise of Options or Partial Redemption in respect of Registered Notes***

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(e) ***Delivery of New Certificates***

Each new Certificate to be issued pursuant to Conditions 2(a), (b), (c) or (d) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) or surrender of the Certificate for exchange.

Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(e), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(f) ***Exchange Free of Charge***

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(g) ***Closed Periods***

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note or Exchangeable Registered Note to be exchanged (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date (as defined in Condition 7(b)(ii)).

(h) ***Regulations***

All transfers of Registered Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Registered Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Trustee and the Registrar. A copy of the current regulations will be made available by the Registrar to any holder of a Registered Note upon request.

3. **Status**

(a) ***Status of Senior Notes***

The Senior Notes (being those Notes that specify their status as Senior) and the Coupons relating to them are direct, unconditional and (subject to Condition 4) unsecured obligations of the Issuer and (subject as provided above) rank and will rank *pari passu*, without any preference among themselves, equally with all other outstanding unsecured and unsubordinated deposits with and loans to the Issuer, present and future, other than such deposits or loans which are given priority pursuant to applicable statutory provisions.

(b) ***Status of Subordinated Notes***

The Subordinated Notes (being those Notes that specify their status as Subordinated) and the Coupons relating to them constitute direct and unsecured obligations of the Issuer and rank and will rank without any preference among themselves, at least equally with all other subordinated obligations of the Issuer from time to time outstanding but will rank ahead of the holders of any subordinated obligations whose claims are expressed to rank behind the Notes or the Coupons, as the case may be, and, for the avoidance of doubt, ahead of all claims in respect of any Deferred Shares (as defined below) in the Issuer.

In the event of the winding up of the Issuer, the claims of the Trustee, the Noteholders and the Couponholders against the Issuer in respect of the Notes or the Coupons, as the case may be, will be subordinated, as provided in the Trust Deed, to the Senior Claims. In such event, the claims of the Noteholders and the Couponholders against the Issuer will become due and payable and capable of proof in such winding up, but only to the extent that assets will remain available in such winding up after all Senior Claims on the Issuer have been satisfied in full or full provision therefor has been made. Accordingly, no payments of amounts due in respect of the Notes and the Coupons will be made to the Noteholders and the Couponholders following the commencement of the winding up of the Issuer except where all sums due from the Issuer in respect of all Senior Claims are paid in full or full provision has been made therefor. Any amounts paid to the Trustee in the winding up of the Issuer will be held on trust for distribution in satisfaction of the

Senior Claims to the extent (if any) not fully paid and thereafter in or towards payment of the amounts due under the Notes or the Coupons, as the case may be.

"Deferred Shares" means deferred shares within the meaning of the Building Societies Act 1986 (as amended) (the "**Act**" which includes, where applicable, any statutory modification thereof or re enactment thereof or any statutory instrument, order or regulations made thereunder);

"Senior Claims" means the claims of all creditors of the Issuer (including, without limiting the generality of the foregoing, all contingent and prospective claims, all claims in respect of deposits with or loans to the Issuer and all claims to interest thereon which are admitted to proof in the winding up of the Issuer but excluding all claims in respect of Subordinated Indebtedness and, for the avoidance of doubt, all claims in respect of Deferred Shares); and

"Subordinated Indebtedness" means the aggregate of (a) the indebtedness of the Issuer under the Notes and Coupons and (b) all other indebtedness of the Issuer which is subordinated in the event of the winding up of the Issuer to the Senior Claims.

(c) ***No Set-off***

Subject to applicable law, no holder of Subordinated Notes may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Subordinated Notes, the relative Coupons and each Noteholder and Couponholder of any Subordinated Note shall, by virtue of being the holder of any such Subordinated Note or Coupon, be deemed to have waived all such rights of set-off, both before and during any winding-up, liquidation or administration of the Issuer. Notwithstanding the provision of the foregoing sentence, if any of the said rights and claims of any Noteholder or Couponholder of Subordinated Notes against the Issuer is discharged by set-off, such Noteholder or Couponholder of Subordinated Notes will immediately pay an amount equal to the amount of such discharge to the Issuer or, in the event of winding-up of the Issuer the liquidator of the Issuer and accordingly such discharge will be deemed not to have taken place.

N.B. Attention is drawn to "Certain Provisions of the Building Societies Act 1986 (as amended) and the Supervisory Authority" elsewhere in this Prospectus.

4. **Negative Pledge**

(a) ***Restriction***

So long as any of the Senior Notes or Coupons remain outstanding (as defined in the Trust Deed) the Issuer will neither create nor have outstanding any mortgage, lien pledge, charge or other security interest (other than Permitted Security Interests) upon the whole or any part of its undertaking or assets, present or future (including any uncalled capital), to secure any Loan Stock, or any guarantee of or indemnity in respect of any Loan Stock without at the same time or prior thereto securing the Senior Notes and Coupons equally and rateably therewith to the satisfaction of the Trustee or providing such other security or other arrangements for the Senior Notes and Coupons as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the holders of the Senior Notes or which shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the holders of the Senior Notes.

(b) ***Definitions***

For the purposes of this Condition:

"Government Entities" means any body, agency, ministry, department, authority, statutory corporation or other entity of or pertaining to a member state of the European Economic Area or the government thereof or any political subdivision, municipality or local government thereof (whether autonomous or not);

"Loan Stock" means indebtedness which is in the form of, or represented or evidenced by, bonds, notes, debentures, loan stock or other securities which for the time being are, or are intended to be or are capable of being, quoted, listed, dealt in or traded on any stock exchange, over-the-counter or other established securities market (whether or not initially distributed by way of private placement), but excluding any such indebtedness which has a stated maturity not exceeding one year; and

"Permitted Security Interest" means a lien arising by operation of law or any security interest created by the Issuer over the whole or any part of its present or future assets or revenues where such assets or revenues are comprised only of the following (or are otherwise qualifying collateral for issues of covered bonds (howsoever described) pursuant to any relevant contractual arrangements); (i) mortgage receivables; or (ii) receivables against Government Entities; or (iii) asset-backed securities backed by any of the assets under (i) or (ii); or (iv) any other assets permitted by English law (in force as at the date on which agreement is reached to issue the first Tranche of the relevant Series) to collateralise covered bonds, in each case **provided that** the creation of such security interest is pursuant to the relevant contractual arrangements or, as the case may be, specific provisions of the laws of England and Wales relating to covered bonds (howsoever described) applicable at the time of creation of such security interest.

5. **Interest and other Calculations**

(a) ***Interest on Fixed Rate Notes***

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

The amount of interest payable shall be determined in accordance with Condition 5(g).

(b) ***Interest on Resettable Notes***

Each Resettable Note bears interest on its outstanding nominal amount:

- (i) from and including the Interest Commencement Date to but excluding the First Resettable Note Reset Date at the rate per annum (expressed as a percentage) equal to the Initial Rate of Interest;
- (ii) from and including the First Resettable Note Reset Date to but excluding the Second Resettable Note Reset Date or, if no such Second Resettable Note Reset Date is specified hereon, the Maturity Date, at the First Reset Rate of Interest;
- (iii) for each Subsequent Reset Period (if any), at the relevant Subsequent Reset Rate of Interest,

such interest being payable in arrear on each Interest Payment Date.

The amount of interest payable shall be determined in accordance with Condition 5(g).

(c) ***Interest on Floating Rate Notes***

(i) ***Interest Payment Dates***

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(g). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest

Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated hereon) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

- (x) where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, **provided that**, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period) from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or

Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period.

(C) **Linear Interpolation**

Where "**Linear Interpolation**" is specified as applicable in respect of an Interest Period hereon, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight-line linear interpolation by reference to two rates based on the Relevant Screen Page, one of which shall be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the relevant Interest Period; **provided, however, that** if there is no rate available for a period of time next shorter or, as the case may be, next longer than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

(d) ***Zero Coupon Notes***

Where a Note, the Interest Basis of which is specified to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as defined in Condition 6(b)(i)).

(e) ***Accrual of Interest***

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest (or, in the case of Resettable Notes, at the First Reset Rate of Interest or at the relevant Subsequent Reset Rate of Interest as applicable) in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(f) ***Margin, Maximum/Minimum Rates of Interest, Redemption Amounts and Rounding***

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For

these purposes "**unit**" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(g) ***Calculations***

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest (or, in the case of Resettable Notes, the Initial Rate of Interest, the First Reset Rate of Interest or any Subsequent Reset Rate of Interest), the Calculation Amount specified hereon and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(h) ***Fallback Provision for Resettable Notes***

If on any Reset Determination Date the Relevant Screen Page is not available or the Mid-Swap Rate does not appear on the Relevant Screen Page, the Calculation Agent shall request each of the Reference Banks (as defined below) to provide the Calculation Agent with its Mid-Market Swap Rate Quotation as at approximately 11.00 a.m. in the principal financial centre of the Specified Currency on the Reset Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with Mid-Market Swap Rate Quotations, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) for the relevant Reset Period shall be the sum of the arithmetic mean (rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards)) of the relevant Mid-Market Swap Rate Quotations and the First Margin or Subsequent Margin (as applicable), all as determined by the Calculation Agent.

If on any Reset Determination Date only one or none of the Reference Banks provides the Calculation Agent with a Mid-Market Swap Rate Quotation as provided in the foregoing provisions of this Condition 5(h), the First Reset Rate of Interest or the Subsequent Reset Rate of Interest (as applicable) shall be determined to be the rate of interest as at the last preceding Resettable Note Reset Date or, in the case of the first Reset Determination Date, the First Reset Rate of Interest shall be the Initial Rate of Interest.

For the purposes of this Condition 5(h), "**Reference Banks**" means the principal office in the principal financial centre of the Specified Currency of four major banks in the swap, money, securities or other market most closely connected with the relevant Mid-Swap Rate as selected by the Issuer on the advice of an investment bank of international repute.

(i) ***Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts***

The Calculation Agent shall, as soon as practicable on each Interest Determination Date (and, in the case of Resettable Notes, each Reset Determination Date), or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period or Reset Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest, the Reset Rate of Interest and the Interest

Amounts for each Interest Accrual Period or Reset Period and the relevant Interest Payment Date or Resettable Note Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on the official list (the "**Official List**") of the FCA (the "**UK Listing Authority**") in its capacity as competent authority under the FSMA or on any stock exchange or other relevant authority and the rules of the UK Listing Authority, such stock exchange or other relevant authority, as the case may be, so require, the UK Listing Authority, such stock exchange or other relevant authority, as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period and/or Reset Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest, Reset Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date, Resettable Note Interest Payment Date, Reset Date or Interest Period Date is subject to adjustment pursuant to Condition 5(k), the Interest Amounts and the Interest Payment Date or Resettable Notes Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the prior consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period or Reset Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest or Reset Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest, Reset Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) ***Determination or Calculation by Trustee***

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest or Reset Rate of Interest for an Interest Accrual Period or Reset Period or any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) (but without any liability accruing to the Trustee as a result) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(k) ***Business Day Convention***

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then (subject to Condition 7(h) (*Non-Business Days*) below), if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(l) **Definitions**

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

"Business Day" means:

- (i) in the case of a currency other than euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or
- (ii) in the case of euro, a day on which the TARGET system is operating (a **"TARGET Business Day"**); and/or
- (iii) in the case of a currency and/or one or more Additional Business Centres a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Additional Business Centre(s) or, if no currency is indicated, generally in each of the Additional Business Centres;

"Day Count Fraction" means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or Interest Accrual Period, the **"Calculation Period"**):

- (i) if **"Actual/Actual"** or **"Actual/Actual-ISDA"** is specified hereon, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (ii) if **"Actual/365 (Fixed)"** is specified hereon, the actual number of days in the Calculation Period divided by 365;
- (iii) if **"Actual/365(Sterling)"** is specified hereon, the actual number of days in the Calculation Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if **"Actual/360"** is specified hereon, the actual number of days in the Calculation Period divided by 360;
- (v) if **"30/360"**, **"360/360"** or **"Bond Basis"** is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if "**30E/360**" or "**Eurobond Basis**" is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if "**30E/360 (ISDA)**" is specified hereon, the number of days in the Calculation Period

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

"D₁" is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30;

(viii) if "**Actual/Actual – ICMA**" is specified hereon:

- (a) if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and
- (b) if the Calculation Period is longer than one Determination Period, the sum of:
 - (x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

"**Determination Date**" means the date(s) specified as such hereon or, if none is so specified, each Interest Payment Date;

"**Determination Period**" means the period from and including a Determination Date in any year to but excluding the next Determination Date; and

"**Effective Date**" means, with respect to any Floating Rate to be determined on an Interest Determination Date, the date specified as such hereon or, if none is so specified, the first day of the Interest Accrual Period to which such Interest Determination Date relates;

"**Euro-zone**" means the region comprised of member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended;

"**First Margin**" means the margin specified as such hereon;

"**First Resettable Note Reset Date**" means the date specified as such hereon;

"**First Reset Period**" means the period from (and including) the First Resettable Note Reset Date until (but excluding) the Second Resettable Note Reset Date, or if no such Second Resettable Note Reset Date is specified hereon, the Maturity Date;

"**First Reset Rate of Interest**" means, subject to Condition 5(h) (*Fallback Provision for Resettable Notes*) above, the rate of interest being determined by the Calculation Agent on the relevant Reset Determination Date as the sum of the relevant Mid-Swap Rate plus the First Margin

"**Initial Rate of Interest**" means the initial rate of interest per annum specified as such hereon;

"**Interest Accrual Period**" means the period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Period Date and each successive period beginning on (and including) an Interest Period Date and ending on (but excluding) the next succeeding Interest Period Date;

"Interest Amount" means:

- (i) in respect of an Interest Accrual Period, the amount of interest payable per Calculation Amount for that Interest Accrual Period and which, in the case of Fixed Rate Notes, and unless otherwise specified hereon, shall mean the Fixed Coupon Amount or Broken Amount specified hereon as being payable on the Interest Payment Date ending the Interest Period of which such Interest Accrual Period forms part; and
- (ii) in respect of any other period, the amount of interest payable per Calculation Amount for that period;

"Interest Commencement Date" means the Issue Date or such other date as may be specified hereon;

"Interest Determination Date" means, with respect to a Rate of Interest and Interest Accrual Period, the date specified as such hereon or, if none is so specified, (i) the first day of such Interest Accrual Period if the Specified Currency is Sterling or (ii) the day falling two Business Days in London for the Specified Currency prior to the first day of such Interest Accrual Period if the Specified Currency is neither Sterling nor euro or (iii) the day falling two TARGET Business Days prior to the first day of such Interest Accrual Period if the Specified Currency is euro;

"Interest Period" means the period beginning on (and including) the Interest Commencement Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date;

"Interest Period Date" means each Interest Payment Date or Resettable Note Interest Payment Date unless otherwise specified hereon;

"ISDA Definitions" means the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc., unless otherwise specified hereon;

"Mid-Market Swap Rate" means for any Reset Period the mean of the bid and offered rates for the fixed leg payable with a frequency equivalent to the frequency with which scheduled interest payments are payable on the Notes during the relevant Reset Period (calculated on the basis of the Day Count Fraction specified hereon as determined by the Calculation Agent) of a fixed-for-floating interest rate swap transaction in the Specified Currency which transaction (i) has a term equal to the relevant Reset Period and commencing on the relevant Resettable Note Reset Date, (ii) is in an amount that is representative for a single transaction in the relevant market at the relevant time with an acknowledged dealer of good credit in the swap market and (iii) has a floating leg based on the Mid-Swap Floating Leg Benchmark Rate for the Mid-Swap Maturity (as specified hereon) (calculated on the basis of the Day Count Fraction specified hereon as determined by the Calculation Agent);

"Mid-Market Swap Rate Quotation" means a quotation (expressed as a percentage rate per annum) for the relevant Mid-Market Swap Rate;

"Mid-Swap Floating Leg Benchmark Rate" means:

- (i) where the Specified Currency is a currency other than euro, LIBOR;
and
- (ii) where the Specified Currency is euro, EURIBOR;

"Mid-Swap Maturity" means as specified hereon.

"Mid-Swap Rate" means, in relation to a Reset Determination Date and subject to Condition 5(h) (*Fallback Provision for Resettable Notes*) above, either:

- (i) if Single Mid-Swap Rate is specified hereon, the rate for swaps in the Specified Currency:
 - (A) with a term equal to the relevant Reset Period; and
 - (B) commencing on the relevant Resettable Note Reset Date,

which appears on the Relevant Screen Page; or

- (ii) if Mean Mid-Swap Rate is specified hereon, the arithmetic mean (expressed as a percentage rate per annum and rounded, if necessary, to the nearest 0.001 per cent. (0.0005 per cent. being rounded upwards) of the bid and offered swap rate quotations for swaps in the Specified Currency:
 - (A) with a term equal to the relevant Reset Period; and
 - (B) commencing on the relevant Resettable Note Reset Date,

which appear on the Relevant Screen Page,

in either case, as at approximately 11.00 a.m. in the principal financial centre of the Specified Currency on such Reset Determination Date, all as determined by the Calculation Agent **provided, however, that** if there is no such rate appearing on the Relevant Screen Page for a term equal to the relevant Reset Period, then the Mid-Swap Rate shall be determined through the use of straight-line interpolation by reference to two rates, one of which shall be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next shorter than the length of the actual Reset Period and the other of which shall be determined in accordance with the above provisions, but as if the relevant Reset Period were the period of time for which rates are available next longer than the length of the actual Reset Period;

"Rate of Interest" means the rate of interest payable from time to time in respect of this Note and that is either specified or calculated in accordance with the provisions hereon;

"Reference Banks" means, in the case of a determination of LIBOR, the principal London office of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market, in each case selected by the Calculation Agent or as specified hereon;

"Reference Rate" means the rate specified as such hereon;

"Relevant Screen Page" means such page, section, caption, column or other part of a particular information service as may be specified hereon;

"Reset Determination Date" means, in respect of the First Reset Period, the second Business Day prior to the First Resettable Note Reset Date, in respect of the first Subsequent Reset Period, the second Business Day prior to the Second Resettable Note Reset Date and, in respect of each Reset Period thereafter, the second Business Day prior to the first day of each such Reset Period;

"Reset Period" means the First Reset Period or a Subsequent Reset Period;

"Reset Rate of Interest" means the Initial Rate of Interest, the First Reset Rate of Interest or the Subsequent Reset Rate of Interest, as applicable;

"Resettable Note Interest Payment Date" means each date specified as such hereon;

"Resettable Note Reset Date" means the First Resettable Note Reset Date, the Second Resettable Note Reset Date and every subsequent Resettable Note Reset Date as may be specified as such hereon;

"Second Resettable Note Reset Date" means the date specified as such hereon;

"Specified Currency" means the currency specified as such hereon or, if none is specified, the currency in which the Notes are denominated;

"Subsequent Margin" means the margin(s) specified as such hereon;

"Subsequent Reset Period" means the period from (and including) the Second Resettable Note Reset Date to (but excluding) the next Resettable Note Reset Date, and each successive period from (and including) a Resettable Note Reset Date to (but excluding) the next succeeding Resettable Note Reset Date;

"Subsequent Resettable Note Reset Date" means the date or dates specified as such hereon;

"Subsequent Reset Rate of Interest" means, in respect of any Subsequent Reset Period and subject to Condition 5(h) (*Fallback Provision for Resettable Notes*) below, the rate of interest being determined by the Calculation Agent on the relevant Reset Determination Date as the sum of the relevant Mid-Swap Rate plus the applicable Subsequent Margin; and

"TARGET System" means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET2) System which was launched on 19 November 2007 or any successor thereto.

(m) **Calculation Agent**

The Issuer shall procure that there shall at all times be one or more Calculation Agents if provision is made for them hereon and for so long as any Note is outstanding (as defined in the Trust Deed). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall (with the prior approval of the Trustee) appoint a leading bank or financial institution engaged in the interbank market that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6. **Redemption, Purchase and Options**

In the case of redemption of Subordinated Notes (save for final redemption on the relevant Maturity Date in accordance with Condition 6(a)), the PRA requires to be notified by the Issuer one month (or such other period, longer or shorter, as the PRA may then require or accept) before the date of the proposed repayment providing details of how it will meet its Capital Resources Requirement after such repayment and the PRA must have raised no objection thereto (if required), where:

"Capital Regulations" means, at any time, the regulations, requirements, guidelines and policies relating to capital adequacy then in effect of the PRA;

"Capital Resources Requirement" has the meaning given to such term in the Capital Regulations and shall include any successor term from time to time equivalent thereto as agreed between the Issuer and the Trustee; and

"PRA" means the Prudential Regulation Authority or such other governmental authority in the United Kingdom (or, if the Issuer becomes domiciled in a jurisdiction other than the United Kingdom, in such other jurisdiction having prudential supervisory authority with respect to the Issuer).

(a) ***Final Redemption***

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 6(d) or 6(e), each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount).

(b) ***Early Redemption***

(i) ***Zero Coupon Notes***

(A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the amortised face amount ("**Amortised Face Amount**") (calculated as provided below) of such Note unless otherwise specified hereon.

(B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

(C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (A) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c). Where such calculation is to be a made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

(ii) ***Other Notes***

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) ***Redemption for Taxation Reasons***

If the Issuer satisfies the Trustee immediately before the giving of such notice referred to below that (i) as a result of any change in or amendment to the laws or regulations of the United Kingdom or of any political sub-division of, or any authority in, or of, the United Kingdom having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the relevant Series, on the next Interest Payment Date the Issuer would be required to pay additional amounts as described under Condition 8 and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, the Issuer may, at its option (but subject to obtaining the Requisite Consent in the case of Subordinated Notes) having given not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 15 (which notice shall be irrevocable) redeem all, but not some only, of the Notes on any Interest Payment Date (if this Note is a Floating Rate Note) or at any time (if this Note is not a Floating Rate Note) at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to the date fixed for redemption). Prior to the publication of any notice of redemption pursuant to Condition 6(c), the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the relevant requirements referred to above will apply on the next Interest Payment Date and the Trustee shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on Noteholders and Couponholders.

As used herein, the term "**Requisite Consent**" means as required, a consent or waiver, or, following the giving of any required notice, the receipt of no objection, so long as the Issuer or any substituted principal debtor is a building society or is or has become an authorised person under the FSMA (or any statutory modification or re-enactment thereof or any statutory instrument order or regulations made thereunder), from the Supervisory Authority (as defined below) (so long as the Issuer or any substituted principal debtor is required by the Supervisory Authority to obtain such consent). In these Conditions "**Supervisory Authority**" means the PRA and any successor organisation responsible for the prudential supervision of building societies or authorised persons under the FSMA in the United Kingdom.

(d) ***Redemption at the Option of the Issuer***

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) (but subject to obtaining the Requisite Consent in the case of Subordinated Notes) redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements. Where the Notes are listed on the Official List of the UK Listing Authority or any stock exchange or other relevant authority and the rules of the UK Listing Authority, such stock exchange or other relevant authority, as the case may be, so

require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation as specified by the UK Listing Authority such stock exchange, a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(e) ***Redemption at the Option of Noteholders***

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note (other than a Subordinated Note), upon the holder of such Note giving not less than 15 nor more than 30 days' irrevocable notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) ***Redemption Upon Capital Disqualification Event***

If this Condition 6(f) is specified as being applicable hereon, then, following the occurrence of a Capital Disqualification Event (as defined below), the Issuer may on giving not less than thirty nor more than sixty days' notice (ending, in the case of Floating Rate Notes, on an Interest Payment Date) to the Trustee (with a copy to the Principal Paying Agent) and to the Noteholders in accordance with Condition 15, upon receipt of the Requisite Consent (as defined in Condition 6(c)), redeem all, but not some only, of the Subordinated Notes (such option to redeem being referred to herein as a "**Capital Disqualification Event Early Redemption Option**") at the Capital Disqualification Event Early Redemption Price specified hereon, together with interest accrued and unpaid, if any, to the date fixed for redemption.

The Issuer may exercise the Capital Disqualification Event Early Redemption Option in respect of any Subordinated Note notwithstanding the prior exercise by the Holder thereof of its option to require the redemption of such Subordinated Note under Condition 6(e) above if the due date for redemption under this Condition 6(f) would occur prior to that under Condition 6(e) but not otherwise and, in such circumstances, the exercise of the option under Condition 6(e) shall be rendered ineffective.

Prior to giving the above notice to the Trustee pursuant to this Condition 6(f), the Issuer shall deliver to the Trustee a certificate signed by two authorised signatories of the Issuer stating that a Capital Disqualification Event has occurred and is continuing, and the Trustee shall accept such certificate without further inquiry as sufficient evidence of the same and it shall be conclusive and binding on the Noteholders.

For these purposes, a "**Capital Disqualification Event**" shall be deemed to have occurred if the Issuer determines, in good faith and after consultation with the Supervisory Authority, at any time after the Issue Date, that by reason of the non-compliance with the applicable criteria for Tier 2 capital, the Subordinated Notes are fully excluded from Tier 2 capital of the Issuer (excluding for these purposes any non-recognition as a result of any applicable limitations on the amount of such capital of the Issuer).

(g) ***Purchases***

The Issuer and any of its Subsidiaries (as defined in the Trust Deed) (subject to obtaining the Requisite Consent in the case of Subordinated Notes) may at any time purchase Notes (**provided that** all Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(h) ***Cancellation***

All Notes purchased by or on behalf of the Issuer or any of its Subsidiaries (except in the case of a purchase made in the ordinary course of business of a dealer in securities) shall forthwith be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

7. **Payments and Talons**

(a) ***Bearer Notes***

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of Notes (in the case of payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with a Bank. "**Bank**" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) ***Registered Notes***

(i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below.

(ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made in the relevant currency drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and, subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) ***Payments in the United States***

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls

or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) ***Payments subject to Fiscal Laws***

All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Conditions 8 and 10 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 or otherwise imposed pursuant to Sections 1471 through 1474 of that Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) ***Appointment of Agents***

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. Subject as provided in the Agency Agreement the Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the prior approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, **provided that** the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities, including London, so long as the Notes are listed on the Official List of the FCA and admitted to trading on the London Stock Exchange plc's Regulated Market, (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed in each case, as approved by the Trustee and (vii) to the extent reasonably practicable a Paying Agent with a specified office in a European Union Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 7(c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

(f) ***Unmatured Coupons and unexchanged Talons***

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes, such Notes should be surrendered for payment together with all unexpired Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against

surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may reasonably require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender, if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) ***Talons***

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) ***Non-Business Days***

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8. **Taxation**

All payments of principal and interest in respect of the Notes and the Coupons by or on behalf of the Issuer shall be made free and clear of, and without withholding or deductions for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature ("**Taxes**") imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom, or any political sub-division of, or any authority in, or of, the United Kingdom having power to tax, unless such withholding or deduction is required by law. In that

event, the Issuer shall pay such additional amounts as may be necessary in order that the net amounts received after the withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Notes or the Coupons, as the case may be, in the absence of the withholding or deduction, except that no such additional amounts shall be payable in relation to any payment in respect of any Note or Coupon:

(a) ***Other connection***

To, or to a third party on behalf of, a holder who is liable to the Taxes in respect of such Note or Coupon by reason of his having some connection with the United Kingdom other than the mere holding of the Note or Coupon.

(b) ***Presentation more than 30 days after the Relevant Date***

Presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the last day of such period of 30 days (assuming that day to have been a business day for the purpose of Condition 7(h)).

(c) ***Payment to individuals***

Where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

(d) ***Payment by another Paying Agent***

Presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, "**Relevant Date**" in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate) or Coupon being made in accordance with the Conditions, such payment will be made, **provided that** payment is in fact made upon such presentation. References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Option Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or in substitution for it under the Trust Deed.

9. **Prescription**

Claims against the Issuer for payment in respect of the Notes and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default

Senior Notes and Enforcement

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-quarter in principal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution of the Noteholders shall (subject in each case to being indemnified to its satisfaction), give notice to the Issuer that the Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their principal amount, together with accrued interest as provided in the Trust Deed, in any of the following events (each an "**Event of Default**"):

- (a) if default is made in the payment of any interest or principal due in respect of the Notes or any of them and the default continues for a period of 14 days or more (in the case of interest) or seven days or more (in the case of principal); or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Notes or the Trust Deed and (except in any case where the Trustee considers the failure to be incapable of remedy when no continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (c) if any payment in respect of the principal of or any premium or interest on any indebtedness for monies borrowed having an outstanding aggregate principal amount of at least £10,000,000 (or its equivalent in any other currency or currencies) of the Issuer or any Subsidiary is not made on its due date (or by the expiry of any applicable grace period) or any such indebtedness of the Issuer or any Subsidiary becomes due and payable prior to its stated maturity by reason of default or if any guarantee of or indemnity in respect of any such payment in respect of any such indebtedness of any third party by the Issuer or any Subsidiary is not honoured when due and called upon; or
- (d) if an administrative or other receiver or an administrator or other similar official is appointed in relation to the Issuer or any Material Subsidiary or in relation to the whole or a material part of the assets of any of them or if an encumbrancer takes possession of the whole or any material part of the assets of the Issuer or any Material Subsidiary or a distress of execution is levied or enforced upon or sued out against the whole or any material part of the assets of the Issuer or any Material Subsidiary and, in any such case, is not discharged within 60 days; or
- (e) if, except for the purposes of or pursuant to a Permitted Transfer (as defined below):
 - (1) the Issuer stops payment to its creditors generally or ceases to carry on the whole or substantially the whole of its business; or
 - (2) the Supervisory Authority presents a petition for the winding up of the Issuer or an effective resolution, instrument of dissolution or award for dissolution is passed, entered into or made or an order is made or an effective resolution is passed for the winding up or the dissolution of the Issuer or the Issuer is wound up or dissolved in any other manner; or
 - (3) an order is made pursuant to the Act the effect of which is to prevent the Issuer from accepting the deposit of, or otherwise borrowing, any money or from accepting any payment representing the whole or any part of the amount due by way of subscription for a share in the Issuer, other than a payment which fell due before the making of the said order; or
 - (4) the Issuer ceases to be an authorised person to carry on a deposit-taking business for the purposes of the FSMA or the registration of the Issuer as a building society is suspended or cancelled or the Issuer requests any such suspension or cancellation; or

- (5) the Issuer amalgamates with, or transfers the whole or a material part of its engagements or its business to, another person; or
 - (6) the Issuer gives notice in writing pursuant to the FSMA that it wishes to renounce its authorisation to accept the deposit of, or otherwise borrow, any money; or
- (f) if, except for the purposes of a reconstruction or amalgamation the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution of the Noteholders or for the purposes of a solvent winding up where the assets of a Material Subsidiary attributable directly or indirectly to the Issuer are distributed to any one or more of the Issuer and the other Material Subsidiaries:
- (1) a Material Subsidiary stops payment to its creditors generally or ceases to carry on the whole or substantially the whole of its business; or
 - (2) an order is made by any competent court or resolution is passed for the winding up or dissolution of any Material Subsidiary,

provided, in the case of any Event of Default other than those described in sub-paragraphs (a) and (e)(2) above, the Trustee shall have certified to the Issuer that the Event of Default is, in its opinion, materially prejudicial to the interests of the Noteholders.

For the purposes of this Condition 10:

the "**Auditors**" shall mean the auditors for the time being of the Issuer or, any other auditors nominated or approved in writing by the Trustee in accordance with the Trust Deed.

a "**Material Subsidiary**" means at any time a Subsidiary of the Issuer whose total assets (consolidated in the case of a Subsidiary which itself has Subsidiaries) attributable to the Issuer represent (or, in the case of a Subsidiary acquired after the end of the financial period to which the then latest relevant audited consolidated accounts of the Issuer and its Subsidiaries relate, are equal to) not less than 10 per cent. of the consolidated total assets of the Issuer and its Subsidiaries attributable to the Issuer, all as calculated respectively by reference to the then latest audited accounts (consolidated or unconsolidated, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its Subsidiaries **provided that:**

- (1) in the case of a Subsidiary acquired after the end of the financial period to which the then latest relevant audited consolidated accounts relate, the reference to the then latest audited consolidated accounts for the purpose of the calculation above shall, until consolidated accounts for the period in which the acquisition is made have been prepared and audited as aforesaid, be deemed to be a reference to such first-mentioned accounts, adjusted as if such Subsidiary had been shown in such accounts;
- (2) in the case of a Subsidiary that has transferred or has had transferred to it assets to or from another Subsidiary since the end of the financial period to which the last available audited consolidated accounts relates, the reference to the relevant accounts of such Subsidiary (and the relevant accounts of such other transferor or transferee Subsidiary) shall be deemed to be a reference to such accounts, adjusted so as to take into account such transfer;
- (3) if, in the case of a Subsidiary which itself has Subsidiaries, no consolidated accounts are prepared and audited, its consolidated total assets shall be determined on the basis of pro forma consolidated accounts of the relevant Subsidiary and its Subsidiaries; and

- (4) in relation to total assets of a Subsidiary and consolidated total assets of the Issuer and its Subsidiaries, "attributable to the Issuer" means, respectively, such total assets after deducting amounts attributable directly to indirectly, assuming there are no liabilities to be deducted, to outside interests in such Subsidiary and its Subsidiaries, respectively.

For the purposes of this definition if there shall at any time not be any relevant audited consolidated accounts for the Issuer and its Subsidiaries, references thereto herein shall be deemed to refer to a consolidation by the Auditors of the relevant audited accounts of the Issuer and its Subsidiaries.

A certificate signed by any two directors of the Issuer that in their opinion a Subsidiary of the Issuer is or is not or was or was not at any particular time or throughout any specified period a Material Subsidiary shall, in the absence of manifest error, be conclusive and binding on all parties to the Trust Deed (including for this purpose the Noteholders and Couponholders);

a "**Permitted Transfer**" shall mean:

- (1) an amalgamation of the Issuer and one or more other building societies under section 93 of the Act;
- (2) a transfer by the Issuer of all or substantially all (being 90 per cent. or more of the Issuer's engagements including its obligations under the Notes, the Trust Deed and the Agency Agreement) or (on terms which have previously been approved by the Trustee in writing or by an Extraordinary Resolution of the Noteholders) any smaller part of its engagements under section 94 of the Act;
- (3) a transfer by the Issuer of its business to a company under sections 97 to 102 of the Act;
- (4) an alteration in the status of the Issuer by virtue of any statute or statutory provision which alters, or permits the alteration of, the status of building societies generally or building societies which meet specified criteria to that of an authorised person under the FSMA or to a body which is regulated on a similar basis to an authorised person under the FSMA; or
- (5) any other reconstruction or amalgamation or transfer to a subsidiary of another mutual society pursuant to the 2007 Act, in each case the terms of which have previously been approved by the Trustee in writing or by an Extraordinary Resolution of the Noteholders.

The Trustee shall not be bound to take any action to enforce the obligations of the Issuer under the Trust Deed or the Notes and Coupons, unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least 25 per cent. in principal amount of the Notes outstanding and (ii) it shall have been indemnified to its satisfaction. No Noteholder or Couponholder may proceed directly against the Issuer unless the Trustee, having become bound to proceed, fails to do so within a reasonable period and such failure is continuing; and

a "**Subsidiary**" means, in relation to an entity, any company which is for the time being a subsidiary (within the meaning of Section 1159 of the Companies Act 2006) of such entity.

Subordinated Notes and Enforcement

- (a) In the event of default being made for a period of 14 days or more in the payment of any principal or interest due on the Subordinated Notes or any of them, in each case as and when the same ought to be paid, the Trustee may, in order to enforce the obligations of the Issuer under the Trust Deed, the Subordinated Notes and Coupons, at its discretion and after notice to the Issuer, institute proceedings for the recovery of the

moneys then due **provided that** the Issuer shall not by virtue of the institution of any such proceedings (other than proceedings for the winding up of the Issuer) be obliged to pay any sum or sums representing principal or interest in respect of the Subordinated Notes or Coupons sooner than the same would otherwise have been payable by it.

- (b) The Trustee may institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed or the Subordinated Notes or Coupons (other than any obligation for the payment of any principal or interest in respect of the Subordinated Notes or Coupons) **provided that** the Issuer shall not by virtue of the institution of any such proceedings (other than proceedings for the winding up of the Issuer) be obliged to pay any sum or sums representing principal or interest in respect of the Subordinated Notes or Coupons sooner than the same would otherwise have been payable by it.
- (c) In the event of the cancellation of the Issuer's registration under the Act (except pursuant to Section 103(1)(a) of the Act), the commencement of the winding up of the Issuer or the commencement of the dissolution of the Issuer (except in any such case a winding up or dissolution for the purpose of a reconstruction or amalgamation or the substitution in place of the Issuer of a Successor in Business (as defined in the Trust Deed) the terms of which have previously been approved in writing by the Trustee or by an Extraordinary Resolution or as a result of an amalgamation pursuant to Section 93 of the Act or a transfer of engagements pursuant to Section 94 of the Act or a transfer of its business pursuant to Section 97 of the Act), the Trustee at its discretion may give notice to the Issuer that the Subordinated Notes are, and they shall accordingly thereby forthwith become, immediately due and repayable at their nominal amount together with accrued interest (if any) as provided in the Trust Deed.
- (d) The Trustee shall not be bound to take any of the actions referred to above to enforce the obligations of the Issuer under the Trust Deed and the Subordinated Notes and Coupons, unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-quarter in nominal amount of the Subordinated Notes then outstanding and (ii) it shall have been indemnified to its satisfaction. No Noteholder or Couponholder may proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

11. **Meetings of Noteholders, Modification, Waiver and Substitution**

(a) ***Meetings of Noteholders***

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be one or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the principal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortised Face

Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, or (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be one or more persons holding or representing not less than two thirds, or at any adjourned meeting not less than one third, in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) ***Modification***

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is, in its opinion, of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable.

The Trust Deed contains, in addition, provisions permitting the Trustee to agree in respect of Notes denominated or payable in, or which contain provisions for any payment in, a Relevant Currency, without consent of the Noteholders or Couponholders, on or after the Specified Date (as defined below) in respect of such Relevant Currency to such modifications to Notes and the Trust Deed in order to facilitate payment in euro at the euro equivalent of the Relevant Currency payment amount and, where appropriate, associated reconventioning, renominatisation and related matters as may be proposed by the Issuer (and confirmed by an independent financial institution approved by the Trustee to be in conformity with then applicable market conventions). For these purposes, "**Relevant Currency**" means a currency of a member state of the European Community, as amended (the "**Relevant Member State**") which is not as at the relevant Issue Date then participating in the third stage of economic and monetary union pursuant to the treaty establishing the European Community (the "**Treaty**") and "**Specified Date**" in respect of a Relevant Currency means the date on which the Relevant Member State participates in the third stage of European economic and monetary union pursuant to the Treaty or otherwise participates in European economic and monetary union in a similar manner.

(c) ***Entitlement of the Trustee***

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided for in Condition 8 or any undertaking given in addition to, or in substitution for, Condition 8 pursuant to the Trust Deed.

12. **Substitution**

- (i) If the Issuer shall amalgamate with one or more other building societies under section 93 of the Act or transfer all or substantially all (being 90 per cent. or more of the Issuer's engagements including its obligations under the Notes, the Trust Deed and the Agency Agreement) of its engagements to another building society under section 94 of the Act or transfer its business to a successor in accordance with sections 97 to 102D of the Act (as modified by the Mutual Societies (Transfers Order) 2009 (the "**Mutual Transfers Order**") or any other order made in the future by HM Treasury under section 3

of the Building Societies (Funding) and Mutual Societies (Transfers) Act 2007 (the "**2007 Act**")), the successor will, pursuant to such provisions, automatically be substituted in place of the Issuer as principal debtor under the Trust Deed, the Notes and Coupons without prior approval thereof being required from the Noteholders, the Couponholders or the Trustee, **provided that** in the case of Subordinated Notes:

- (a) in the case of a proposed transfer in accordance with section 97 of the Act (as modified by the Mutual Transfer Order) and other such applicable provisions, either (1) the Issuer satisfies the Trustee that the successor will be or (as the case may be) remain an authorised person under the FSMA (or any statutory modification or re-enactment thereof) or (2) such transfer is approved by an Extraordinary Resolution of the Noteholders;
 - (b) in connection with such transfer, any variation or supplement to the Conditions must not be one which would or might cause any of the financial resources derived by the Issuer from the issue of the Notes to which the Trust Deed relates and which comprise Tier 2 capital to be excluded from the financial resources considered appropriate by the Supervisory Authority for the purposes of paragraph 4(1) of Schedule 6 to the FSMA; and
 - (c) the circumstances in which such variation or supplement may take place are limited to dealing with matters arising out of the procedure by which the transfer takes place and the constitution of the transferee, which variation or supplement shall be effected by the execution of a trust deed supplemental to the Trust Deed and shall bind any successor as fully as if the successor had been named in the Trust Deed as principal debtor in place of the Issuer. A memorandum of any such supplemental trust deed shall be endorsed by the Trustee on the Trust Deed and by the Issuer on the duplicate of the Trust Deed.
- (ii) Without prejudice to paragraph (i) above and subject as provided in the Trust Deed, the Trustee may agree, without the consent of the Noteholders or Couponholders, if it is satisfied that so to do would not be materially prejudicial to the interests of the Noteholders, to the transfer of the Issuer's business to a subsidiary of another mutual society pursuant to the 2007 Act or the substitution of either a Successor in Business to the Issuer (as defined in the Trust Deed) or a Subsidiary of the Issuer or a subsidiary of a Successor in Business to the Issuer, not being in any such case a building society formed by the amalgamation of the Issuer and one or more other building societies pursuant to section 93 of the Act or a building society to which the Issuer has transferred its engagements pursuant to section 94 of the Act or the successor in accordance with sections 97 to 102D of the Act (as modified by the Mutual Transfer Order) or other applicable provisions of the Act, in place of the Issuer as principal debtor under the Trust Deed, the Notes and Coupons, **provided that** in the case of a substitution of a company which is a Subsidiary of the Issuer or a subsidiary of Successor in Business to the Issuer, the obligations of such substitute in respect of the Trust Deed, the Notes and Coupons shall be guaranteed by the Issuer or the Successor in Business to the Issuer, as the case may be, in such form as the Trustee may require and **provided further that** (in the case of Subordinated Notes) the obligations of such Successor in Business to the Issuer or Subsidiary of the Issuer or subsidiary of a Successor in Business to the Issuer, as the case may be, and any such guarantee shall be subordinated on a basis considered by the Trustee to be equivalent to that in respect of the Issuer's obligations in respect of the Notes and Coupons.
- (iii) Any substitution referred to in paragraphs (i) and (ii) above shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, shall be notified to the Noteholders by the Issuer as soon as practicable thereafter in accordance with the Conditions.

13. **Replacement of Notes, Certificates, Coupons and Talons**

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, such Note or Notes may be replaced or substituted, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may reasonably require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

14. **Further Issues**

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

15. **Notices**

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in the United Kingdom (which is expected to be *The Financial Times*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in the United Kingdom. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

16. **Indemnification of the Trustee**

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings to enforce repayment unless indemnified to its satisfaction, in addition, the Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit.

17. **Contracts (Rights of Third Parties) Act 1999**

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

18. **Governing Law**

The Trust Deed, the Notes, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law. The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Notes, the Coupons and the Talons and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed, the Notes, the Coupons and the Talons may only be brought in such courts.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

If the Global Notes or the Global Certificates are stated in the applicable Final Terms to be issued in NGN form or to be held under the NSS (as the case may be), such Global Notes or Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. Depositing the Global Notes or the Global Certificates with the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life ("**Eurosystem Eligibility**"). Such recognition will depend upon satisfaction of the Eurosystem Eligibility criteria.

Global Notes which are issued in CGN form and Global Certificates which are not held under the NSS may be delivered on or prior to the original issue date of the Tranche to a Common Depositary.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a Common Depositary or registration of Registered Notes in the name of any common nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depositary, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is an NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time. Euroclear and Clearstream, Luxembourg will be notified for each issue where the Global Note is an NGN or where the Global Certificates are held under the NSS whether or not such issue is intended to be held in a manner which would allow Eurosystem Eligibility.

Notes that are initially deposited with the Common Depositary may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other permitted clearing system ("**Alternative Clearing System**") as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such Alternative Clearing System (as the case may be) for its share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes (as the case may be) and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, or such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

1. **Exchange**

(a) ***Temporary Global Notes***

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "*Overview of the Programme-Selling*")

Restrictions"), in whole, but not in part, for the Definitive Notes defined and described below; and

- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

In relation to any issue of Notes which are represented by a Temporary Global Note which is expressed to be exchangeable for definitive Bearer Notes at the option of the Noteholders, such Notes shall be tradeable only in principal amounts of at least the Specified Denominations (or, if more than one Specified Denomination, the lowest Specified Denomination and multiples thereof).

(b) ***Permanent Global Notes***

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under paragraph 1(d) below, in part for Definitive Notes or, in the case of 1(d) below, Registered Notes:

- (i) by the Issuer giving notice to the Noteholders, the Issuing and Paying Agent and the Trustee if the Issuer would suffer a material disadvantage in respect of the Notes as a result of a change in the laws or regulations (taxation or otherwise) or in change in interpretation thereof, of the jurisdiction of the Issuer which would not be suffered were the Notes in definitive form and a certificate to such effect is given to the Trustee;
- (ii) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (iii) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or
- (iv) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Issuing and Paying Agent of its election for such exchange.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a definitive note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

(c) ***Permanent Global Certificates***

If the Final Terms states that the Notes are to be represented by a permanent Global Certificate on issue, the following will apply in respect of transfers of Notes held in Euroclear or Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) if principal in respect of any Notes is not paid when due; or
- (iii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to paragraph 1(c)(i) or (ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

(d) ***Partial Exchange of Permanent Global Notes and tradable amounts***

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (i) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (ii) for Definitive Notes if principal in respect of any Notes is not paid when due.

The Notes, including any Definitive Notes that a Global Note may be exchangeable for at the option of the Noteholders or any Definitive Notes that a Temporary Global Note may be exchangeable for on the giving of notice, shall be tradeable only in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lowest Specified Denomination) and multiples thereof.

(e) ***Delivery of Notes***

If the Global Note is a CGN, on or after any due date for exchange, the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be or if the Global Note is an NGN, the Issuer will procure that details of such exchange be entered *pro rata* in the records of the relevant clearing system. In this Prospectus, "**Definitive Notes**" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that has not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

(f) ***Exchange Date***

"**Exchange Date**" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days,

after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

2. **Amendment to Conditions**

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

(a) ***Payments***

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN Form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. Condition 8(d) will apply to the Definitive Notes only. If the Global Note is an NGN or if the Global Certificate is held under the NSS, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Global Certificate will be reduced accordingly. Payments under an NGN will be made to its holder. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the appropriate entries in the records of the relevant clearing system shall not affect such discharge.

For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "business day" set out in Condition 7(h).

All payments in respect of Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment (the Record Date), where "**Clearing System Business Day**" means Monday to Friday inclusive except 25 December and 1 January.

(b) ***Prescription***

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

(c) ***Meetings***

For the purposes of any meeting of Noteholders the holder of a permanent Global Note shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes. All holders of Registered Notes are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes comprising such Noteholder's holding, whether or not represented by a Global Certificate.

(d) ***Cancellation***

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

(e) ***Purchase***

Notes represented by a permanent Global Note may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest thereon.

(f) ***Issuer's Option***

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) or any other Alternative Clearing System (as the case may be).

(g) ***Noteholders' Option***

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation. Where the Global Note is an NGN or where the relevant Global Certificate is held under the NSS, the Issuer shall procure that details of such exercise shall be entered *pro rata* in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

(h) ***NGN nominal amount***

Where the Global Note is an NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

(i) ***Trustee's Powers***

In considering the interests of Noteholders while any Global Note is held on behalf of, or Registered Notes are registered in the name of any nominee or common nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to such Global Note or Registered Notes

and may consider such interests as if such accountholders were the holders of the Notes represented by such Global Note or Global Certificate.

(j) ***Notices***

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note.

USE OF PROCEEDS

The net proceeds of the issue of the Notes will be used by the Society in its general business operations.

CERTAIN PROVISIONS OF THE BUILDING SOCIETIES ACT 1986 (AS AMENDED) AND THE SUPERVISORY AUTHORITY

In this section, "**Supervisory Authority**" means the PRA and any successor organisation responsible for the supervision of building societies or authorised persons under the FSMA in the United Kingdom.

Amalgamation

Section 93 of the Act permits a building society to amalgamate with one or more building societies by establishing a building society as their successor. Amalgamation requires a shareholding resolution passed by the shareholding members of each amalgamating society and a borrowing members' resolution passed by the borrowing members of each amalgamating society. Confirmation by the Supervisory Authority is also required. The Act provides that on the date specified by the Supervisory Authority all of the property, rights and liabilities (which would include the Notes) of each of the societies shall by virtue of the Act be transferred to and vested in the successor, whether or not otherwise capable of being transferred or assigned.

Transfer of Engagements

Section 94 of the Act permits a building society to "transfer its engagements to any extent" to another building society which undertakes to fulfil such engagements. A transfer requires a shareholding resolution passed by the shareholding members of the transferor society and the transferee society, and a borrowing members' resolution passed by the borrowing members of the transferor society and the transferee society. However, the resolutions of the transferee society are not required if the Supervisory Authority consents to the transfer proceedings by a resolution of its board of directors only. The transfer must be confirmed by the Supervisory Authority. The Act provides that on the date specified by the Supervisory Authority and to the extent provided in the instrument of transfer, the property, rights and liabilities of the transferor society shall by virtue of the Act be transferred to and vested in the transferee society, whether or not otherwise capable of being transferred or assigned.

Transfer of business to a commercial company

Sections 97 to 102D of the Act permit a building society to transfer the whole of its business to a company which has been specially formed by the society wholly or partly for the purpose of assuming and conducting the society's business in its place or is an existing company which is to assume and conduct the society's business in its place. The transfer must be approved by a shareholding members' resolution, in accordance with Schedule 2, paragraph 30(2)-(5) of the Act, passed by the shareholding members and by a borrowing members' resolution passed by the borrowing members and the society must obtain the confirmation of the Supervisory Authority to the transfer and its terms. If the Supervisory Authority confirms the transfer then the Act provides that on the vesting date (as defined in the Act) all of the property, rights and liabilities (which would include the Notes) of the society making the transfer, whether or not capable of being transferred or assigned, shall by virtue of the Act and in accordance with transfer regulations (then in force) be transferred to and vested in the successor.

Where, in connection with any transfer, rights are to be conferred on members of the society to acquire shares in priority to other subscribers, the right is restricted to investing members of the society who have held their shares in the society throughout the period of two years expiring on a qualifying day specified in the transfer agreement. Also, all investing members' shares are converted into deposits with the successor. If the transfer is to a company specially formed by the society, shareholders of the society who were eligible to vote on the transfer, are members on the qualifying day specified in the transfer agreement and who retain a deposit with the successor, must be given rights to a priority liquidation distribution (as defined by the Act) should the successor be wound up. These rights are protected by the successor granting a charge over its property or undertaking.

On any such transfer, investing members of the society who were members on the qualifying date but not entitled to vote on the transfer resolution will receive a cash bonus equal to their notional share of the reserves of the society. If the transfer is to an existing company, any distribution of funds (apart from the statutory cash bonus referred to above) may only be made to investing members of the society who have held their shares for two years expiring on a qualifying day specified in the transfer agreement.

The society may, as a result of an amalgamation, transfer of engagements or transfer of business as described above, be replaced, as the principal debtor under all or some of the Notes, by an entity substantially different in nature from the society at present or with a substantially different capital position. In all cases the confirmation of the Supervisory Authority is required before any such change can take place.

The Building Societies (Funding) and Mutual Societies (Transfers) Act 2007 (the "2007 Act")

The 2007 Act received Royal Assent on 23 October 2007 and amongst other things, contains enabling provisions which give wide powers to the UK Treasury to make secondary legislation in relation to the transfer of the whole of the business of a building society, friendly society, industrial and provident society, mutual insurance company or an equivalent European mutual to a subsidiary of another such society (whether or not the same type).

Under section 90B of the Act (which was inserted by the 2007 Act), HM Treasury may, by order, make provision for the purpose of ensuring that, on the winding up of a, or dissolution by consent, of a building society any assets available for satisfying the society's liabilities to creditors (other than liabilities in respect of subordinated deposits; liabilities in respect of preferential debts; or any other category of liability which HM Treasury specifies in the order for these purposes) or to shareholders (other than the liabilities in respect of deferred shares) are applied in satisfying those liabilities *pari passu*. The power to make an order under section 90B of the Act is exercisable by statutory instrument but may not be made unless a draft of it has been laid before each of the Houses of Parliament. No such order has been made as of the date of this Prospectus.

COVENTRY BUILDING SOCIETY

Introduction

Coventry Building Society is the third largest building society in the United Kingdom based on asset size with Group assets as at 31 December 2013 of £28,253.3 million. All figures in this section are extracted from the audited consolidated annual financial statements of the Society for the year ended 31 December 2013. The Society now operates a regional network of 70 branches, 21 agencies and has over 1.7 million investing members.

The Society

The Society was originally founded in 1884 and in its present form was created as a result of a merger between Coventry Economic Building Society and Coventry Provident Building Society on 30 June 1983 and, more recently, as a result of a merger between Coventry Building Society and Stroud & Swindon Building Society ("**Stroud & Swindon**") on 1 September 2010. The Society's principal office is Economic House, High Street, Coventry, CV1 5QN United Kingdom – telephone number +44 24 7655 5255.

The Society operates exclusively in the United Kingdom and has a branch network focused on Coventry, Warwickshire and the South West. Mortgage, savings and related products are offered via branches, the internet, by telephone and through the post to customers both inside and outside the branch operating area.

The Society is incorporated under the Building Societies Act 1986 and operates in accordance with the Act, regulations made thereunder and its Rules and Memorandum. The Society is an incorporated building society for the purposes of the Act and is authorised and regulated by the FCA and PRA under firm reference number 150892. The affairs of the Society are conducted and managed by a Board who are elected and serve in accordance with the Rules and Memorandum. The Board is responsible to the members for the proper conduct of the affairs of the Society and appoints and supervises executives who are responsible to the Board for the day to day management of the Society.

The Society is a mutual organisation with both retail investors and borrowers having membership. Eligibility to vote at General Meetings is governed by the Act and by the Society's Rules.

In addition the Society has two subsidiary lending businesses, Godiva Mortgages Limited ("**Godiva**") and ITL Mortgages Limited ("**ITL**"). As at 31 December 2013 Godiva had assets of £7,089.3 million and ITL had assets of £849.1 million. Borrowers from Godiva and ITL do not become members of the Society by virtue of this borrowing.

For the avoidance of doubt all figures quoted are the consolidated numbers for the Group (i.e. the Society, and its subsidiaries).

Business

General

The principal purpose of the Society, as stated in Clause 3 of its Memorandum, is making loans which are secured on residential property and are funded substantially by its members. The Society seeks to provide a safe and attractive home for members' savings.

The Society obtains funds from the retail market through personal savings and deposit accounts and also raises funds in the wholesale markets. It advances the funds raised mainly to borrowers on the security of first charge mortgages secured on freehold and leasehold property.

The Society concentrates on its core business of personal savings and residential mortgage lending. As at 31 December 2013 loans fully secured on residential property represented 99 per cent. of its business assets.

Mortgage lending activities

During 2013 the Society made mortgage and other loan advances of £5.9 billion gross, with a net increase in lending of £2.1 billion. The corresponding figures for 2012 were advances of £5.1 billion and an increase in net lending of £2.3 billion.

Personal savings activities

The Society's main source of funding continues to be the retail savings market. Members with savings in the Society are described in the Society's Rules as holding shares in the Society. Shares held principally by individuals amounted to £21.3 billion as at 31 December 2013, representing 79.7 per cent. of total shares and borrowings.

Cost control

As a result of its focus on containing costs, the Society's ratio of management expenses to mean total assets as at 31 December 2013 was 0.39 per cent. This was the lowest level of any of the ten largest UK building societies by assets (based on the latest annual financial statements published by each of the relevant societies); the corresponding figure for 2012 was 0.38 per cent.

Financial position and liability management

Capital base

The Society is well capitalised and had a Core Tier 1 capital ratio of 24.3 per cent. at the end of 2013. The table below sets out the consolidated capital ratios of the Society (on an individual consolidated basis), based on the Society's current understanding of the applicable regulatory capital requirements.

	Current rules 31 December 2013 (%)	Transitional rules 1 January 2014 (%)	Post-transitional end-point 1 January 2014 (%)
Common Equity Tier 1 (as a percentage of risk weighted assets)	24.3	22.8	22.8
Leverage ratio	3.6	3.4	3.0

The Common Equity Tier 1 capital ratio is the sum of general reserves less various prescribed deductions, divided by risk weighted assets.

On 26 June 2014, the Society issued £400,000,000 of Perpetual Contingent Convertible Additional Tier 1 Capital Securities, which are callable in November 2019 (the "**ATI Securities**"). The ATI Securities are fully CRD IV compliant and will add to the Society's Tier 1 capital, total capital and leverage ratios.

Subscribed Capital

The Society has further subscribed Tier 1 capital in the form of Permanent Interest Bearing Shares as per the table below:

As at 31 December			
Call date	2013 £m	2012 £m	
£40 million Permanent Interest Bearing Shares 1992 - 12 1/8%	n/a	41.4	41.6
£120 million Permanent Interest Bearing Shares 2006 - 6.092%	June 2016	120.1	119.8

Interest is paid in arrears on the 1992 £40 million Permanent Interest Bearing Shares at the rate of 12 1/8 per cent. per annum in half-yearly instalments, and on the 2006 £120 million Permanent Interest Bearing Shares at the rate of 6.092 per cent. per annum in half-yearly instalments. The shares are repayable only in the event of a winding up of the Society or otherwise with the prior consent of the PRA. In a winding up or dissolution of the Society the claims of the holders of Permanent Interest Bearing Shares would rank behind all other creditors of the Society including subordinated liabilities and the claims of members holding shares as to principal and interest. The holders of Permanent Interest Bearing Shares are not entitled to any share in any final surplus upon a winding up or final dissolution of the Society.

The Permanent Interest Bearing Shares (which do not meet CRD IV recognition criteria) are being progressively de-recognised in accordance with transitional grandfathering provisions during the period from 1 January 2014 to 31 December 2021.

Subordinated Liabilities

As at 31 December		
	2013 £m	2012 £m
Fixed rate subordinated notes 2016 - 12.25%	7.1	7.0
Fixed rate subordinated notes 2021 - 6.12%	10.1	10.1
Fixed rate subordinated notes 2022 - 6.469%	15.5	15.5
Fixed rate subordinated notes 2026 - 6.33%	10.1	10.1
Fixed rate subordinated notes 2032 - 7.54%	15.4	15.4
Total	58.2	58.1

All the subordinated liabilities are denominated in sterling. The notes are repayable in the years stated, or earlier in accordance with their terms at the option of the Society, with the prior consent of the PRA. The rights of repayment of the holders of the notes are subordinated to the claims of all depositors, creditors and members holding shares as to principal and interest.

Non-share ("wholesale") funding

As at 31 December 2013 the Society obtained 20.4 per cent. of its funding from sources other than shares held by individuals.

Wholesale funding

As at 31 December	
2013 £m	2012 £m

	As at 31 December	
	2013 £m	2012 £m
Amounts owed to credit institutions	1,033	716
Debt securities in issue	4,065	3,875
Other deposits and loans.....	341	460
Total	5,439	5,051

Liquidity

Whilst there is no statutory minimum level of liquidity, the Society is required by the PRA to maintain a sufficient level of liquidity that reflects the range and composition of its business. In practice the Society seeks to operate with a buffer over and above this.

The classes of instruments that may be held by the Society for liquidity purposes are prescribed by the PRA. The Society's liquidity is set out below:

	As at 31 December	
	2013 £m	2012 £m
Cash in hand and balances with the Bank of England	1,848.4	1,714.7
UK Government Securities and multi-lateral development banks		
Securities - On-balance sheet	1,165.1	1,173.7
Securities – FLS Treasury Bills	642.8	99.8
Other Securities and bank deposits		
Securities - On-balance sheet	236.5	452.8
Loans and advances to credit institutions	-	15.0
Bank of England approved mortgage portfolios and self-issued covered bonds and RMBS	4,959.2	3,794.2
Total	8,852.0	7,250.2

Business Developments

The Society is committed to retaining its building society status, which it believes provides better outcomes for its members. Initiatives for savers and borrowers include the following:

Borrowers

- Competitive traditional residential sector mortgage products as well as a wide range of other competitive products including offset mortgages and low loan to value buy to let mortgages
- Existing borrowers have access to mortgage products at new business rates.

- Privilege rate loyalty discount for borrowers who have been on the same mortgage scheme for five years.

Savers

- Competitive product set which offers traditional fixed rate bonds, instant access accounts, ISAs, children's accounts, which are available through branch, telephone and internet channels.
- With no dividends to pay to outside shareholders and high levels of cost efficiency, the Society is able to offer competitive interest rates to both savers and borrowers, not only to attract new customers but also to ensure that existing customers are retained as well.
- Profits for the full year ending 31 December 2013 before tax totalled £132.1 million. Capital, reserves and subordinated liabilities and subscribed capital of £1,114.7 million enabled the Society to achieve a Common Equity Tier 1 ratio of 24.3 per cent. under current regulatory requirements.
- The Society's aim is to maintain a high level of service to all customers, both existing and new, which allows them to take advantage of the Society's wide range of savings and mortgage products.

Final Results

On 28 February 2014 Coventry Building Society issued its final results for the year ending 31 December 2013. Selected financial highlights are as follows:

- Profit before tax increased by 45 per cent. to £132.1 million.
- Mortgage assets increased by £2.1 billion to £24.1 billion.
- New mortgage lending increased by 16 per cent. to £5.9 billion.
- Retail savings balances increased by £1.2 billion to £21.3 billion.
- Rated A/F-1 by Fitch and A3/P-2 by Moody's.
- Core tier 1 ratio of 24.3 per cent.
- Cost to mean assets ratio of only 0.39 per cent.
- Impairment charges of £6.3 million from a loan book totalling £24.1 billion.

Management

The Board is responsible for the Society's strategy and policy. The execution of that policy and day to day management is vested with the Executive Directors and Senior Management. The members of the Board and Senior Management, their roles in relation to the Society, and their principal outside activities (if any) of significance to the Society are as follows:

Board of Directors

Name	Date of appointment	Occupation	Other Directorships
I Pickering (Chairman of the Board and Nominations & Governance)	1 September 2005 as non-executive director and 1 January 2013 as	Non-executive director	Electrocab Limited

Name	Date of appointment	Occupation	Other Directorships
Committee)	Chairman.		
J Ashdown	18 September 2013	Non-executive director	SIG plc
P Ayliffe	1 May 2013	Non-executive director	Chartered Management Institute Monitise PLC truRating Limited
B Blow (Deputy Chairman and Chairman of the Remuneration Committee)	1 February 2007	Non-executive director	Birmingham Hippodrome Limited Birmingham Hippodrome Theatre Trust Limited Bridget Blow Consulting Limited Kensington Green (Management) Limited City of Birmingham Symphony Orchestra The Move Factory Holdings Limited

G Smith (Chairman of the Audit Committee)	22 September 2010	Non-executive director	Covent Garden Market Authority Examiner – ICAEW FCO Services

David Stewart, the previous Chief Executive, resigned on 31 March 2014. Colin Franklin acted as Interim Chief Executive from 1 April 2014 to 30 June 2014.

The business address of the Directors and Executive Directors is Economic House, P.O. Box 9, High Street, Coventry CV1 5QN.

The Executive Directors have entered into service contracts which enable the Society to give one year's notice of termination.

There are no existing or potential conflicts of interest between any duties owed to the Society by its Directors or members of its Executive and the private interests and/or other external duties owed by these individuals.

Subsidiaries

The following direct, wholly owned subsidiaries of the Society, are carrying on a business:

- Five Valleys Property Trading Company Limited
- Godiva Mortgages Limited
- ITL Mortgages Limited

In addition, the Society has the following direct, wholly owned subsidiary companies, none of which are carrying on a business:

- Coventry Financial Services Limited
- Coventry Property Services Limited
- Godiva Financial Services Limited
- Godiva Housing Developments Limited
- Godiva Savings Limited
- Godiva Securities and Investments Limited

The subsidiaries detailed in this sub-section are, together, the "**Subsidiaries**". The Society also has an interest in Coventry Building Society Covered Bonds LLP which gives rise to risks and rewards that are in substance no different than if it was a subsidiary undertaking, and which is therefore consolidated under IFRS in the Group accounts.

No share capital is held in Leofric No.1 plc and Mercia No.1 plc, however they are consolidated under IFRS as if they are wholly owned subsidiaries of the Society. The Society also holds securities issued by Leofric No.1 plc and Mercia No.1 plc.

External Auditors

Ernst & Young LLP of 1 More London Place, London SE1 2AF have audited without qualification the financial statements contained in the Annual Report and Accounts of the Society for the years ended 31 December 2012 and 2013.

UNITED KINGDOM TAXATION

The comments below are of a general nature based on current United Kingdom law (save to the extent that draft law has been expressly referred to) and Her Majesty's Revenue and Customs ("**HMRC**") current practice, which may not be binding on HMRC and which may be subject to change, sometimes with retrospective effect. They do not necessarily apply where the income is deemed for tax purposes to be the income of any other person. They relate only to the position of persons who are the absolute beneficial owners of their Notes and Coupons and may not apply to certain classes of persons such as dealers or certain professional investors. Noteholders should be aware that the particular terms of issue of any Tranche of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other Tranches of that or another Series of Notes. The comments assume that there will be no substitution of the Issuer and do not consider the tax consequences of any such substitution. The comments below deal primarily with certain United Kingdom withholding tax issues which arise on payments of interest in respect of the Notes. They are not exhaustive and they do not address any other United Kingdom taxation implications of acquiring, holding or disposing of Notes and Coupons. Any Noteholders and Couponholders who are in doubt as to their personal tax position should consult their professional advisers. In particular, Noteholders and Couponholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom. The following is a general guide for information purposes and should be treated with appropriate caution. It is not intended as tax advice and it does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser.

Interest

In relation to Notes which carry a right to interest that are and continue to be listed on a recognised stock exchange within the meaning of section 1005 Income Tax Act 2007 (the "**Income Tax Act**"), payments of interest and other distributions by the Issuer may be made without withholding or deduction for or on account of United Kingdom income tax (the "**quoted Eurobond exemption**"). The London Stock Exchange is a recognised stock exchange for these purposes. Notes will be treated as listed on the London Stock Exchange if they are and continue to be included in the Official List by the United Kingdom Listing Authority and are admitted to trading on the London Stock Exchange's Regulated Market.

In all other cases, interest will generally be paid by the Issuer under deduction of United Kingdom income tax at the basic rate (currently 20 per cent.) subject to the availability of other exemptions or reliefs or to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.

Certain payments on Notes may constitute "dividends" within the meaning of section 889 of the Income Tax Act. Save to the extent such "dividends" fall within the quoted Eurobond exemption, such "dividends" will generally be paid under deduction of income tax at the basic rate (currently 20 per cent.), subject to the availability of other exemptions or reliefs or to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of any applicable double taxation treaty.

Interest and certain payments on the Notes which constitute "dividends" within the meaning of section 889 of the Income Tax Act may also be paid without withholding or deduction for or on account of United Kingdom income tax to the extent that the Notes constitute "regulatory capital securities" for the purposes of The Taxation of Regulatory Capital Securities Regulations 2013. This exemption will not apply to arrangements where the main purpose, or one of the main purposes of which, is to obtain a tax advantage as a result of the application of these Regulations in respect of the Notes.

Where Notes are to be, or may fall to be, redeemed at a premium as opposed to being issued at a discount, then any such element of premium or part thereof may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax and reporting requirements as outlined in this United Kingdom Taxation section.

Notes may be issued at an issue price of less than 100 per cent. of their principal amount. Any discount element on any such Notes should not generally constitute interest for United Kingdom withholding tax purposes and therefore should not be subject to any United Kingdom withholding tax (as

applicable to interest). Such discount element may, however, be subject to reporting requirements as outlined in this United Kingdom Taxation section under "*Provision of Information*" below.

Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision under an applicable double taxation treaty.

The references to "interest" in this section headed United Kingdom Taxation above mean "**interest**" as understood in United Kingdom tax law. The statements in this United Kingdom Taxation section do not take any account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation. Noteholders should seek their own professional advice as regards the withholding tax treatment of any payment on the Notes which does not constitute "interest" or "principal" as those terms are understood in United Kingdom tax law.

Provision of Information

HMRC have powers to obtain information, including in relation to interest or payments treated as interest or payments derived from securities. This may include details of the beneficial owners of the Notes (or the persons for whom the Notes are held), details of the persons to whom payments derived from the Notes are or may be paid and information in connection with transactions relating to the Notes. Information obtained by HMRC may be provided to tax authorities in other countries.

For these purposes interest includes any dividend in respect of a share in a building society. These provisions apply whether or not interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Noteholder is resident in the United Kingdom for United Kingdom taxation purposes.

EU Savings Directive

The EU has adopted a directive regarding the taxation of savings income (the "**Savings Directive**"). The Savings Directive requires Member States to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person established within its jurisdiction to (or for the benefit of) an individual resident or certain limited types of entity established in another Member State, except that Austria and Luxembourg may instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld), unless during such period they elect otherwise. The Luxembourg Government has announced its intention to abolish the withholding tax system as from 1 January 2015, in favour of automatic exchange of information.

The Council of the European Union formally adopted a Council Directive amending the Savings Directive on 24 March 2014 (the "**Amending Directive**"). The Amending Directive broadens the scope of the requirements described above. Member States have until 1 January 2016 to adopt the national legislation necessary to comply with the Amending Directive, which legislation must apply from 1 January 2017. The changes made under the Amending Directive including extending the scope of the Savings Directive to payments made to, or collected for, certain other legal entities and legal arrangements. They also broaden the definition of "interest payment" to cover income that is equivalent to interest.

A number of third countries and territories have adopted similar measures to the Savings Directive.

Investors who are in any doubt as to their position should consult their professional advisers.

U.S. FOREIGN ACCOUNT TAX COMPLIANCE WITHHOLDING

The foreign account tax compliance provisions of the Hiring Incentives to Restore Employment Act of 2010 ("**FATCA**") impose a withholding tax of 30 per cent. on (i) certain U.S. source payments, (ii) payments of gross proceeds from the disposition of assets that produce U.S. source interest or dividends and (iii) certain non-U.S. source payments from non-U.S. financial institutions ("**foreign passthru payments**") made to persons that fail to meet certain certification or reporting requirements. In order to avoid becoming subject to this withholding tax, non-U.S. financial institutions must enter into agreements with the IRS ("**IRS Agreements**") (as described below) or otherwise be exempt from the requirements of

FATCA. Non-U.S. financial institutions that enter into IRS Agreements or become subject to provisions of local law ("**IGA legislation**") intended to implement an intergovernmental agreement entered into pursuant to FATCA ("**IGAs**"), may be required to identify "financial accounts" held by U.S. persons or entities with substantial U.S. ownership, as well as accounts of other financial institutions that are not themselves participating in (or otherwise exempt from) the FATCA reporting regime. In addition, in order (a) to obtain an exemption from FATCA withholding on payments it receives and/or (b) to comply with any applicable IGA legislation, a financial institution that enters into an IRS Agreement or is subject to IGA legislation may be required to (i) report certain information on its U.S. account holders to the government of the United States or another relevant jurisdiction and (ii) withhold 30 per cent. from all, or a portion of, certain payments made to persons that fail to provide the financial institution information, consents and forms or other documentation that may be necessary for such financial institution to determine whether such person is compliant with FATCA or otherwise exempt from FATCA withholding.

Under FATCA, withholding is required with respect to payments to persons that are not compliant with FATCA or that do not provide the necessary information, consents or documentation made (i) in respect of certain US source payments, (ii) on or after 1 January 2017, in respect of payments of gross proceeds (including principal repayments) on certain assets that produce US source interest or dividends and (iii) on or after 1 January 2017 (at the earliest) in respect of foreign passthru payments. FATCA withholding does not apply to payments on Notes that are issued prior to the date that is six months after the date on which the final regulations that define "passthru payments" are published unless the Notes are materially modified or characterized as equity for U.S. federal income tax purposes.

On 12 September 2012, the U.K. and the U.S. entered into the Intergovernmental Agreement to Improve International Tax Compliance and to Implement FATCA (the "**U.K. IGA**") and the U.S. agreed to amendments proposed by the U.K. on 7 June 2013. Section 222 of the Finance Act 2013 empowers Her Majesty's Treasury to make regulations giving effect to the U.K. IGA; such regulations were made on 6 August 2013 and came into force on 1 September 2013. The U.K. IGA provides, inter alia, that the governments of the United States and the United Kingdom are committed to work together to develop a practical and effective alternative approach to achieve the policy objectives of foreign passthru payment and gross proceeds withholding. It is not yet certain how the U.S. and U.K. will address withholding on foreign passthru payments, whether such withholding will be required at all.

Whilst the Notes are in global form and held within Euroclear Bank S.A./N.V. or Clearstream Banking, société anonyme (together, the "**ICSDs**"), it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and the Common Depositary/Common Safekeeper, given that each of the entities in the payment chain from (but excluding) the Issuer to (but including) the ICSDs is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an intergovernmental agreement will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the ICSDs. If this were to happen, then a non-FATCA-compliant holder could be subject to withholding. However, definitive Notes will only be printed in remote circumstances.

If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes as a result of FATCA, none of the Issuer, any paying agent or any other person would, pursuant to the Terms and Conditions of the Notes be required to pay additional amounts as a result of the deduction or withholding. As a result, investors may receive less interest or principal than expected.

The application of FATCA to Notes issued or materially modified on or after the date that is six months after the date on which the final regulations applicable to foreign passthru payments are filed in the Federal Register, (or whenever issued, in the case of Notes treated as equity for U.S. federal tax purposes) may be addressed in the relevant Final Terms or a supplement to this Prospectus, as applicable.

FATCA IS PARTICULARLY COMPLEX AND ITS APPLICATION TO THE ISSUER, THE NOTES AND THE HOLDERS IS SUBJECT TO CHANGE. EACH HOLDER OF NOTES SHOULD CONSULT ITS OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND TO LEARN HOW FATCA MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

The proposed financial transactions tax ("FTT")

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**").

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

A joint statement issued in May 2014 by ten of the eleven participating Member States indicated an intention to implement the FTT progressively, such that it would initially apply to shares and certain derivatives, with this initial implementation occurring by 1 January 2016. The FTT, as initially implemented on this basis, may not apply to dealings in the Notes.

The FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation. Additional EU Member States may decide to participate.

Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.

Transactions involving the Notes may have tax consequences for purchasers which may depend, amongst other things, upon the status of the purchaser and laws relating to transfer and registration taxes. Purchasers who are in any doubt about the tax position of any aspect of transactions involving the Notes should consult their own tax advisers.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 30 October 2014 (as further amended and/or supplemented from time to time, (the "**Dealer Agreement**") between the Issuer, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

United States

This Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Prospectus does not constitute an offer to any person in the United States. Distribution of this Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme shall be required to agree, that except as permitted by the Dealer Agreement, it has not offered, sold or delivered and will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the relevant dealer, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme shall be required to agree, that:

- (i) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA would not, if it was not an authorised person, apply to the Issuer; and
- (ii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1984, as amended, the "**Financial Instruments and Exchange Act**"). Accordingly, each Dealer has represented and agreed, and each further Dealer appointed under the Programme shall be required to agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the Financial Instruments and Exchange Act and other relevant laws and regulations of Japan.

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers following a change in a relevant law, regulation or directive.

No action has been taken in any jurisdiction that would permit a public offering of any of the Notes, or possession or distribution of this Prospectus or any other offering material or any Final Terms, in any country or jurisdiction where action for that purpose is required.

Each Dealer has agreed, and each further Dealer appointed under the Programme shall be required to agree, that it shall, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes this Prospectus, any other offering material or any Final Terms, in all cases at its own expense.

FORM OF FINAL TERMS

FINAL TERMS DATED [•]

COVENTRY BUILDING SOCIETY

Issue of [Aggregate Nominal Amount of Tranche] [Title of Notes]
under the £3,000,000,000 Euro Medium Term Note Programme

PART A – CONTRACTUAL TERMS

[Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Prospectus dated 30 October 2014 [and the supplemental Prospectus dated [•]] which [together] constitute[s] a prospectus for the purposes of Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU) (the "**Prospectus Directive**"). This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with such Prospectus [as so supplemented]. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Prospectus [as so supplemented]. [The Prospectus [and the supplemental Prospectus] [is] [are] available for viewing [at [website] [and] during normal business hours at [address] [and copies may be obtained from [address].]]

[Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the "**Conditions**") set forth in the Prospectus dated 30 October 2014 [and the supplemental Prospectus dated [•]] and which are incorporated by reference in the Prospectus dated 30 October 2014. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU) (the "**Prospectus Directive**") and must be read in conjunction with the Prospectus dated 30 October 2014 [and the supplemental Prospectus dated [•]], which [together] constitute[s] a prospectus for the purposes of the Prospectus Directive. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Prospectus dated 30 October 2014 [and the supplemental Prospectuses dated [•] and [•]]. [The Prospectuses [and the supplemental Prospectuses] are available for viewing [at <http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html> [and] during normal business hours at [address] [and copies may be obtained from [address].]]

Duly authorised

PART B – OTHER INFORMATION

1. Listing

- (i) Admission to trading: [Application has been made by the Issuer (or on its behalf) for the Notes to be admitted to trading on the London Stock Exchange's Regulated Market with effect from [•]]
- (ii) Estimate of total expenses related to admission to trading: [•]

2. Ratings

- Ratings: [The Notes to be issued [have been] / [are expected to be] rated:
- [•]
- [and endorsed by [•]]]
- [The Notes to be issued have not been specifically rated]

3. [Interests of Natural and Legal Persons involved in the [Issue/Offer]

"Save as discussed in "*Subscription and Sale*", so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer."

4. [Fixed Rate Notes only – Yield

- Indication of yield; [•]
- The yield is calculated at the Issue Date on the basis of the Issue price. It is not an indication of future yield.]

5. Operational Information

- ISIN: [•]
- Common Code: [•]
- Any clearing system(s) other than Euroclear Bank S.A./N.V. and Clearstream Banking, *société anonyme* and the relevant identification number(s): [Not Applicable/give name(s), address(es) and number(s)]
- Delivery: Delivery [against/free of] payment
- Names and addresses of initial Paying Agent(s): [•]
- Names and addresses of additional Paying Agent(s) (if any): [•]
- Names and addresses of Dealer[s]: [•]

GENERAL INFORMATION

- (1) The listing of the Notes on the Official List will be expressed as a percentage of their nominal amount (exclusive of accrued interest). It is expected that each Tranche of the Notes which is to be admitted to the Official List and to trading on the Market will be admitted separately as and when issued, subject only to the issue of a temporary or permanent Global Note (or one or more Certificates) in respect of each Tranche. The listing of the Programme in respect of the Notes is expected to be granted on or about 4 November 2014. Prior to official listing and admission to trading, however, dealings will be permitted by the London Stock Exchange in accordance with its rules. Transactions will normally be effected for delivery on the third working day after the day of the transaction.
- (2) The Issuer has obtained all necessary consents, approvals and authorisations in the United Kingdom in connection with the establishment and update of the Programme. The establishment of the Programme was authorised by a resolution of the Board of Directors passed on 11 April 2001 and the update of the Programme was authorised by a resolution of the Board of Directors passed on 17 September 2014.
- (3) There has been no significant change in the financial or trading position of the Group since 30 June 2014 and no material adverse change in the prospects of the Issuer since 31 December 2013.
- (4) There are no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened) during the 12 months preceding the date of this Prospectus which may have, or have had in the recent past, significant effects on the financial position or profitability of the Issuer or any of its Subsidiaries and/or the Group.
- (5) Each Bearer Note having a maturity of more than one year, Coupon and Talon and each Exchangeable Registered Note having a maturity of more than one year, will bear the following legend: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code".
- (6) Notes have been accepted for clearance through the Euroclear and Clearstream, Luxembourg systems. The Common Code, the International Securities Identification Number (ISIN) and (where applicable) the identification number for any other relevant clearing system for each Series of Notes will be set out in the relevant Final Terms. The address of Euroclear is 1 Boulevard du Roi Albert, B-1210 Brussels, Belgium and the address of Clearstream, Luxembourg is 42 Avenue JF Kennedy L-1855, Luxembourg. The address of any alternative clearing system will be specified in the applicable final Terms.
- (7) The issue price and the amount of the relevant Notes will be determined, before filing of the relevant Final Terms of each Tranche, based on then prevailing market conditions. The Issuer does not intend to provide any post-issuance information in relation to any issue of Notes.
- (8) For so long as Notes may be issued pursuant to this Prospectus, the following documents will be available during usual business hours on any weekday (Saturdays and public holidays excepted), for inspection at the registered office of the Issuer:
 - (i) the Trust Deed (which includes the form of the Global Notes, the definitive Bearer Notes, the Certificates, the Coupons and the Talons);
 - (ii) the Rules and Memorandum of the Issuer;
 - (iii) the audited consolidated annual financial statements of the Issuer for the years ended 31 December 2012 and 31 December 2013 respectively, (together in each case with the audit report thereon and the annual business statement and the directors' report in respect of each such year);
 - (iv) the interim unaudited consolidated financial statements of the Issuer for the six months ended 30 June 2014;

- (v) each Final Terms;
- (vi) a copy of this Prospectus together with any supplement to this Prospectus; and
- (vii) all reports, letters and other documents, balance sheets, valuations and statements by any expert any part of which is extracted or referred to in this Prospectus.

This Prospectus can also be viewed on the website of the Regulatory News Service operated by the London Stock Exchange at <http://www.londonstockexchange.com/exchange/news/market-news/market-news-home.html>.

- (9) Copies of the latest audited consolidated annual financial statements of the Issuer and the latest interim consolidated financial statements of the Issuer may be obtained, and copies of the Trust Deed will be available for inspection, at the specified offices of each of the Paying Agents during normal business hours and upon reasonable notice, so long as any of the Notes is outstanding.
- (10) Ernst & Young LLP, Registered Auditors (authorised and regulated by the FCA for designated investment business), have audited, and rendered unqualified audit reports on, the consolidated annual financial statements of the Issuer for the years ended 31 December 2012 and 31 December 2013.
