(ii) That on each day from the date on which it acquires its interest in the Subordinated Notes through and including the date on which it disposes of its interest in such Subordinated Notes that, except as otherwise permitted in writing by the Issuer (1) it is not, and is not directly or indirectly acquiring such Notes (or any interest therein) on behalf of, or with assets of, a Benefit Plan Investor or a Controlling Person, or (2) if it is a governmental, church, non-U.S or other plan, or entity holding assets of such plans, that is subject to Similar Law, its acquisition, holding and disposition of such Subordinated Notes (or any interest therein) does not and will not constitute or result in violation of such Similar Law.

(iii) Such beneficial owner will be deemed to have represented and agreed to treat the Issuer, the Co-Issuer, and the Notes as described in the "Certain Income Tax Considerations—United States Federal Income Taxation" section of the Offering Circular for all U.S. federal, state and local income tax purposes and to take no action inconsistent with such treatment unless required by law.

(iv) Such beneficial owner will timely furnish the Issuer or its agents with any U.S. federal income tax form or certification (such as IRS Form W-8BEN (Certification of Foreign Status of Beneficial Owner), Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business), or any successors to such IRS forms) that the Issuer or its agents may reasonably request, and any documentation, agreements, certification or information that is reasonably requested by the Issuer or its agents (A) to permit the Issuer or its agents to make payments to it without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents to satisfy reporting and other obligations under the Code and Treasury Regulations, and, upon reasonable request by the Issuer or its agents or a change in circumstances of the beneficial owner that invalidates any form previously provided by such beneficial owner, shall update or replace such documentation and information in accordance with its terms or subsequent amendments, and acknowledges that the failure to provide, update or replace any such documentation or information may result in the imposition of withholding or back-up withholding upon payments to such beneficial owner. Amounts withheld pursuant to applicable tax laws will be treated as having been paid to such beneficial owner by the Issuer.

(v) Such beneficial owner will provide the Issuer, the Trustee or their respective agents with any correct, complete and accurate information that may be required for the Issuer to achieve FATCA Compliance and will take any other actions necessary for the Issuer to achieve FATCA Compliance and, in the event such beneficial owner fails to provide such information or take such actions, (A) the Issuer is authorized to withhold amounts otherwise distributable to such Holder as compensation for any amount withheld from payments to the Issuer or the underlying issuer as a result of such failure, and (B) to the extent necessary to avoid an adverse effect on the Issuer or any other Holder as a result of such failure, the Issuer will have the right to compel such beneficial owner to sell its Notes or, if such beneficial owner does not sell its Notes within 10 Business Days after notice from the Issuer, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes (subject to the indemnity described in clause (vi) below). The Issuer may also assign each such Note a separate CUSIP or CUSIPs in the Issuer's sole discretion.

(vi) Such beneficial owner will indemnify the Issuer, the Trustee or their respective agents and each of the Holders from any and all damages, costs and expenses

(including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such beneficial owner to comply with clauses (iv) or (v) above. This indemnification will continue with respect to any period during which the beneficial owner owned a Note (or an interest therein), notwithstanding the beneficial owner ceasing to own such Note (or any interest therein).

(vii) Such beneficial owner, if not a "United States person" (as defined in Section 7701(a)(30) of the Code), either: (A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (B) if a bank (within the meaning of Section 881(c)(3)(A) of the Code), after giving effect to its purchase of Notes, (x) will not own more than 50% of the Notes by number or by value, either directly or indirectly, and will not otherwise be related to the Issuer (within the meaning of section 267(b) of the Code) and (y) has not purchased such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on the Notes with respect to the Collateral Obligations if held directly by the beneficial owner); (C) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States; or (D) is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S.-source interest not attributable to a permanent establishment in the United States.

(viii) Such beneficial owner understands that such Subordinated Notes are being offered only in a transaction not involving any public offering in the United States within the meaning of the Securities Act, such Subordinated Notes have not been and shall not be registered under the Securities Act, and, if in the future such beneficial owner decides to offer, resell, pledge or otherwise transfer such Subordinated Notes, such Subordinated Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of this Indenture and the legend on such Subordinated Notes. Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state or other securities laws for resale of the Subordinated Notes. Such beneficial owner understands that neither of the Co-Issuers has been registered under the Investment Company Act, and that the Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the Investment Company Act.

(ix) Such beneficial owner is aware that, except as otherwise provided in this Indenture, the Subordinated Notes being sold to it will be represented by one or more Regulation S [Global Subordinated Notes or Rule 144A](#) Global Subordinated Notes, as applicable, and that, in ~~each~~the case of Regulation S Global Subordinated Notes, beneficial interests therein may be held only through DTC for the respective accounts of Euroclear or Clearstream.

(x) Such beneficial owner will provide notice to each Person to whom it proposes to transfer any interest in the Subordinated Notes of the restrictions and representations set forth in this [Section 2.6](#), including the Exhibits referenced herein.

(xi) Such beneficial owner agrees not to seek to commence in respect of the Issuer or the Co-Issuer, or cause the Issuer or the Co-Issuer to commence, a bankruptcy or winding up proceeding before a year and a day has elapsed since the payment in full to the holders of the Notes issued pursuant to this Indenture or, if longer, the applicable preference period then in effect.

(xii) It is not a member of the public in the Cayman Islands.

(k) Each Person who becomes an owner of Certificated Subordinated Notes shall be required to make the representations and agreements set forth in Exhibit B3 in a subscription agreement or representation letter with the Issuer. Subject to Section 2.2(b)(ii), an IAI who is also a QIB may acquire an interest in a Rule 144A Global Secured Note. No U.S. person may at any time acquire an interest in a Regulation S Global Secured Note or a Regulation S Global Subordinated Note.

(l) Any purported transfer of a Note not in accordance with this Section 2.6 shall be null and void and shall not be given effect for any purpose whatsoever.

(m) To the extent required by the Issuer, as determined by the Issuer (or the Collateral Manager on behalf of the Issuer), the Issuer may, upon written notice to the Trustee and the Designated Successor Manager, impose additional transfer restrictions on the Subordinated Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and any other laws or regulations in the USA, the Cayman Islands or otherwise, including, without limitation, requiring each transferee of a Subordinated Note to make representations to the Issuer in connection with such compliance.

(n) The Trustee and the Issuer shall be entitled to conclusively rely on any transfer certificate delivered pursuant to this Section 2.6 and shall be able to presume conclusively the continuing accuracy thereof, in each case without further inquiry or investigation.

Section 2.7 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent, and any agent of the Applicable Issuers, the Trustee and such Transfer Agent, such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a Protected Purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a Protected Purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.7, the Applicable Issuers, the Trustee or the applicable Transfer Agent may require the payment by the Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.7 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.7, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.7 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.8 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Note Interest Rate and such interest shall be payable in arrears on each Payment Date in the case of the Secured Notes, on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments of Interest Proceeds to the Holders of the Subordinated Notes) shall be subordinated to the payments of interest on the related Priority Classes. So long as any Priority Classes are Outstanding with respect to any Class of Deferred Interest Notes, any payment of interest due on such Class of Deferred Interest Notes which is not available to be paid in accordance with the Priority of Payments on any Payment Date, if such interest is not paid in order to satisfy the Coverage Tests ("Deferred Interest" with respect thereto), shall not be considered "due and payable" for the purposes of Section 5.1(a) (and the failure to pay such interest shall not be an Event of Default) until the earliest of the Payment Date (i) on which such interest is available to be paid in accordance with the Priority of Payments, (ii) which is a Redemption Date with respect to such Class of Deferred Interest Notes, and (iii) which is the Stated Maturity of such Class of Deferred Interest Notes. Deferred Interest on any Class of Deferred Interest Notes shall not be added to the principal balance of such Class. Deferred Interest shall be payable on the first Payment Date on which funds are available to be used for

such purpose in accordance with the Priority of Payments, but in any event no later than the earlier of the Payment Date (i) which is the Redemption Date with respect to such Class of Deferred Interest Notes, and (ii) which is the Stated Maturity of such Class of Deferred Interest Notes. Interest shall cease to accrue on each Secured Note, or in the case of a partial repayment, on such part, from the date of repayment or the respective Stated Maturity unless payment of principal is improperly withheld or unless default is otherwise made with respect to such payments of principal. To the extent lawful and enforceable, (x) interest on Deferred Interest with respect to any Class of Deferred Interest Notes shall accrue at the Note Interest Rate for such Class until paid as provided herein and (y) interest on the interest on any Class A-1 Note or any Class A-2 Note or, if no Class A-1 Notes or Class A-2 Notes are Outstanding, any Class B Note, or, if no Class A-1 Notes, Class A-2 Notes or Class B Notes are Outstanding, any Class C Note, or, if no Class A-1 Notes, Class A-2 Notes, Class B Notes or Class C Notes are Outstanding, any Class D Note, that is not paid when due shall accrue at the Note Interest Rate for such Class until paid as provided herein.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the Payment Date which is the Stated Maturity for such Class of Secured Notes, unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Deferred Interest thereon which shall be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) after principal and interest on each Class of Notes that constitutes a Priority Class with respect to such Class has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on such Priority Class(es), and other amounts (including certain fees and expenses, the Base Management Fee, the Deferred Placement Fee and certain amounts due to Hedge Counterparties) in accordance with the Priority of Payments, and any payment of principal of any Class of Secured Notes which is not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of such Class or any Redemption Date), shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all of the Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes shall be made in accordance with the Priority of Payments and Section 9.1.

(d) As a condition to the payment of principal of and interest on any Secured Note or any payment on any Subordinated Note or the Deferred Placement Fee, without the imposition of withholding or backup withholding tax, the Trustee and any Paying Agent shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Note (or the Deferred Placement Fee) under any present or future law or regulation of the United States and any other applicable jurisdiction, or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note or the Deferred Placement Fee shall be made by the Trustee or by a Paying Agent in United States dollars to DTC or its designee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Secured Note or a Certificated Subordinated Note or a Definitive Note (or, in the case of the Deferred Placement Fee, the Refinancing Placement Agent), by wire transfer, as directed by the Holder or the Refinancing Placement Agent, as applicable, in immediately available funds to a United States dollar account, as the case may be, maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its designee with respect to a Certificated Secured Note or a Certificated Subordinated Note or a Definitive Note (or, in the case of the Deferred Placement Fee, the Refinancing Placement Agent), *provided* that in the case of a Certificated Secured Note or Certificated Subordinated Note or a Definitive Note, the Holder thereof shall have provided written wiring instructions to the Trustee or the applicable Paying Agent, on or before the related Record Date; *provided further* that if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee on or prior to such Maturity; *provided* that if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate, then, in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Neither the Co-Issuers, the Trustee, the Collateral Manager, nor any Paying Agent shall have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment shall be made, the amount of such payment per U.S.\$100,000 original principal amount of Secured Notes and original principal amount of Subordinated Notes and the place where such Notes may be presented and surrendered for such payment.

(f) Payments of principal to Holders of the Secured Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date. Payments to the Holders of the Subordinated Notes from Interest Proceeds and Principal Proceeds shall be made in the proportion that the Aggregate Outstanding Amount of the Subordinated Notes registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Subordinated Notes on such Record Date.

(g) Interest accrued with respect to the Secured Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Issuer and Co-Issuer under the Notes and the Transaction Documents are at all times limited recourse or non-recourse obligations of the Issuer and Co-Issuer, as applicable, payable solely from the Assets available at such time and amounts derived therefrom and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any remaining claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, member, manager, partner, shareholder or incorporator of either the Co-Issuers, the Collateral Manager or their respective successors or assigns for any amounts payable under the Notes or (except as otherwise provided herein or in the Collateral Management Agreement) in the Transaction Documents. It is understood that the foregoing provisions of this paragraph (i) shall not (x) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (y) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder.

(j) Subject to the foregoing provisions of this Section 2.8, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.9 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Co-Issuers or the Trustee may treat as the owner of such Note the Person in whose name any Note is registered on the Register on the applicable Record Date for the purpose of receiving payments of principal of and interest on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and neither the Issuer, the Co-Issuers nor the Trustee nor any agent of the Issuer, the Co-Issuers or the Trustee shall be affected by notice to the contrary.

Section 2.10 Surrender of Notes; Cancellation. (a) Notwithstanding anything herein to the contrary, no Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except for payment (or

as otherwise agreed by 100% of all Holders), registration of transfer, exchange or redemption in accordance with ARTICLE IX, or for replacement in connection with any Note that is deemed lost or stolen unless 100% of the Holders of the Notes consent to such abandonment.

(b) All Notes that are surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.10, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed by the Trustee in accordance with its standard policy, unless the Co-Issuers shall direct by an Issuer Order received prior to destruction that they be returned to it.

(c) The Issuer may not acquire any of the Notes (including any Notes that are surrendered, cancelled or abandoned). The preceding sentence shall not limit an optional or mandatory redemption of the Notes pursuant to the terms of this Indenture.

Section 2.11 Definitive Notes. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a Definitive Note to the beneficial owners thereof only if such transfer complies with Section 2.6 and either (i) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (ii) at any time DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such notice. In addition, the owner of a beneficial interest in a Global Note shall be entitled to receive a Definitive Note in exchange for such interest if an Event of Default has occurred and is continuing.

(b) Any Global Note that is transferable in the form of a Definitive Note to the beneficial owners thereof pursuant to this Section 2.11 shall be surrendered by DTC to the Trustee's designated office located in the United States to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) (each such note, a "Definitive Note") in Authorized Integrals. Any Definitive Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.6(g), (h) and (i), bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.11, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subclauses (i) and (ii) of subsection (a) of this Section 2.11, the Co-Issuers shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons.

The Definitive Notes shall be in substantially the same form as the corresponding Global Notes with such changes therein as the Issuer and Trustee shall agree. In the event that Definitive Notes are not so issued by the Issuer to such beneficial owners of interests in Global Notes as required by Section 2.11(a), the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holder of a Global Note would be entitled to pursue in accordance with ARTICLE V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if Definitive Notes had been issued. Neither the Trustee nor the Registrar shall be liable for any delay in the delivery of directions from the Depository and may conclusively rely on, and shall be fully protected in relying on, such direction as to the names of beneficial owners in whose names such Definitive Notes shall be registered or as to delivery instructions for such Definitive Notes.

Section 2.12 Notes Beneficially Owned by Persons Not QIB/QPs, IAI/QPs or AI/QPs or in Violation of ERISA Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of (x) a beneficial interest in any Secured Note to a U.S. person that is not (i) in the case of a Rule 144A Global Secured Note, a QIB/QP (ii) in the case of a Certificated Secured Note, an IAI/QP or a QIB/QP, or (y) in the case of a Subordinated Note, a QIB/QP or an AI/QP, and, in each case that is not made pursuant to an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If (w) any U.S. person that is not a Qualified Institutional Buyer and a Qualified Purchaser (in the case of a Rule 144A Global Secured Note) shall become the beneficial owner of an interest in any Secured Note, (x) any U.S. person that is not a Qualified Purchaser, a Knowledgeable Employee or an entity owned exclusively by Qualified Purchasers and/or Knowledgeable Employees or that does not have an exemption available under the Securities Act and the Investment Company Act shall become the holder or beneficial owner of a Subordinated Note, (y) any U.S. person that is not an IAI/QP or QIB/QP (in the case of a Certificated Secured Note) shall become the beneficial owner of an interest in a Certificated Secured Note or (z) any holder of a Note is determined to have made a prohibited transaction, Benefit Plan Investor, Controlling Person, or Similar Law representation that is subsequently shown to be false or misleading or whose holding otherwise causes Benefit Plan Investor participation in any Class of Notes that are treated as equity to equal or exceed 25% for purposes of U.S. Department of Labor Regulation 29 C.F.R. § 2510.3-101, as modified by Section 3(42) of ERISA (any such person a "Non-Permitted Holder"), the Issuer shall, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (and notice to the Issuer by the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest in the Notes held by such person to a Person that is not a Non-Permitted Holder within 30 days of the date of such notice. If such Non-Permitted Holder fails to so transfer such Notes, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is a not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or the Collateral Manager (on its own or acting through an investment bank selected by the Collateral Manager at the Issuer's expense) acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other

market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes, agrees to cooperate with the Issuer, the Collateral Manager and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any Note to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.6 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

Section 2.13 Deduction or Withholding from Payments on Notes; No Gross Up. If the Issuer is required to deduct or withhold tax from, or with respect to, payments to any Holder of the Notes for any Tax (including amounts withheld under FATCA), then the Trustee or other Paying Agent, as applicable, shall deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant authority such amount. Without limiting the generality of the foregoing, the Issuer may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any holder of a Note. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any Tax imposed on payments in respect of the Notes. The amount of any withholding tax or deduction with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Trustee or Paying Agent and remitted to the appropriate taxing authority.

If an Event of Default specified in Section 5.1(e) or (f) occurs, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable thereunder and hereunder, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder.

(b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this ARTICLE V, a Majority of the Controlling Class by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

No such rescission shall affect any subsequent Default or impair any right consequent thereon. Any Hedge Agreement in effect upon such declaration of an acceleration must remain in effect until liquidation of the Assets has begun and such declaration is no longer capable of being rescinded or annulled; *provided* that the Issuer shall nevertheless be entitled to designate an early termination date under and in accordance with the terms of such Hedge Agreement.

(c) Notwithstanding anything in this Section 5.2 to the contrary, the Secured Notes shall not be subject to acceleration by the Trustee or a Majority of the Controlling Class solely as a result of the failure to pay any amount due on Notes that are not of the Controlling Class.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal, at the applicable Note Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and shall upon written direction of a Majority of the Controlling Class institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and

may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets (subject, in each case, to the Trustee's rights hereunder, including Section 6.1(c)(iv)).

If an Event of Default occurs and is continuing, the Trustee may, and shall upon written direction of the Majority of the Controlling Class proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by the Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law (subject, in each case, to the Trustee's rights hereunder, including Section 6.1(c)(iv)).

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, winding up, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Notes shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes, as applicable, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Secured Noteholders or Holders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Secured Notes upon the direction of such Holders, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to

make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and shall, upon written direction of a Supermajority of the Controlling Class, exercise one or more of the following rights, privileges and remedies to the extent permitted by applicable law (subject, in each case, to the Trustee's rights hereunder, including Section 6.1(c)(iv)):

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including, without limitation, exercising all rights of the Trustee under the Securities Account Control Agreement); and

- (v) exercise any other rights and remedies that may be available at law or in equity;

provided that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions specified in Section 5.5(a).

The Trustee may, but need not, obtain (as an Administrative Expense of the Co-Issuers) and rely upon an opinion of an Independent investment banking firm of national reputation, or other appropriate advisor concerning the matter, which may (but need not) be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes, which opinion shall be conclusive evidence as to such feasibility or sufficiency and the cost of which shall be commercially reasonable.

(b) If an Event of Default as described in Section 5.1(d) hereof shall have occurred and be continuing the Trustee may, and at the written direction of the Holders of a Majority of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding (subject to the Trustee's rights hereunder, including Section 6.1(c)(iv)).

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability; and any purchaser at any such sale of Assets may, in paying the purchase Money, deliver to the Trustee for cancellation any of the Class A-1 Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Class A-1 Notes so delivered by such Holder (taking into account the Priority of Payments and ARTICLE XIII). Said Notes, in case the amounts payable thereon shall be less than the amount due thereon, shall be returned to the Holders thereof after proper notation has been made thereon to show partial payment.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Noteholders, the Trustee or the other Secured Parties may, prior to the date which is one year and one day (or if longer, any applicable preference period plus one day) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Tax Subsidiary any bankruptcy, reorganization, arrangement, winding up, insolvency, moratorium or liquidation Proceedings, or other Proceedings under Cayman Islands, U.S. federal or State bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Trustee (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Trustee, or (ii) from commencing against the Issuer or the Co-Issuer or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, winding up, insolvency, moratorium or liquidation Proceeding.

(e) The Issuer or the Co-Issuer, as applicable, shall, so long as any Notes remain Outstanding and for a year and a day thereafter, and subject to the proviso below, timely file an answer and any other appropriate pleading objecting to (i) the institution of any Proceeding to have the Issuer or the Co-Issuer, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer, as the case may be, under Bankruptcy Law or any other applicable law; *provided* that the obligations set forth in clauses (i) and (ii) above shall be subject to the availability of funds therefor under the Priority of Payments. The reasonable fees, costs, charges and expenses incurred by the Issuer or Co-Issuer (including reasonable attorneys' fees and expenses) in connection with taking any such action shall be paid as Administrative Expenses.

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact (except as otherwise expressly permitted or required by Sections 7.16(k), 10.8 and 12.1), collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of ARTICLE X, ARTICLE XII and ARTICLE XIII unless the maturity of the Secured Notes has been accelerated pursuant to Section 5.2(a) and:

(i) the Trustee, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of all or any portion of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Deferred Interest) and all amounts payable prior to payment of principal on such Secured Notes (including (w) amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), (x) amounts payable to the Collateral Manager as (I) Senior Management Fees and, solely as the result of the operation of the Priority of Payments, any Senior Management Fee Interest thereon and (II) any Deferred Senior Management Fees and the Deferred Senior Management Fee Interest thereon (without regard to the Deferred Senior Management Fee Cap), (y) amounts payable to the

Designated Successor Manager as (I) any Senior Designated Successor Management Fees and the Senior Designated Successor Management Fee Interest thereon (without regard to the Deferred Senior Management Fee Cap) and (II) any Deferred Senior Designated Successor Management Fees and the Deferred Senior Designated Successor Management Fee Interest thereon (without regard to the Deferred Senior Management Fee Cap) and (z) amounts payable to any Hedge Counterparty upon liquidation of all or any portion of the Assets) and a Majority of the Controlling Class agrees with such determination; or

(ii) (A) with respect to an Event of Default specified in Section 5.1(a), (e), (f), or (g), without regard to the occurrence of any other Event of Default prior or subsequent to the occurrence of such Event of Default, the Holders of at least a Majority of the Class A-1 Notes direct the sale and liquidation of the Assets and (B) with respect to any other Event of Default, Holders of at least a Supermajority of each Class of Secured Notes (voting separately by Class) direct the sale and liquidation of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer, the Designated Successor Manager and the Collateral Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

In the event a liquidation of all or any portion of the Assets is commenced in accordance with this Section 5.5, all unpaid principal, together with all accrued and unpaid interest thereon, of all the Secured Notes, and other amounts payable under this Indenture, shall automatically become due and payable without any declaration or other act on the part of the Trustee or any Noteholder.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall, with the written consent of the Majority of the Controlling Class, request bid prices with respect to each security contained in the Assets from two Independent nationally recognized dealers at the time making a market in such securities (as identified by the Collateral Manager to the Trustee in writing) and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In the event that the Trustee, with the cooperation of the Collateral Manager, is only able to obtain bid prices with respect to a security contained in the Assets from one nationally recognized dealer at the time making a market in such securities, the Trustee shall compute the anticipated proceeds of sale or liquidation on the basis of such one bid price for such security. For the purposes of making the determinations required pursuant to Section 5.5(a)(i), the Trustee shall apply the standards set forth in Section 6.3(c)(i) or (ii). In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of all or any portion of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and conclusively rely without

limitation on an opinion of an Independent investment banking firm of national reputation or other appropriate advisor concerning the matter (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than ten (10) days after such determination is made. Unless a Majority of the Controlling Class has not consented to the Trustee making a determination pursuant to Section 5.5(c), the Trustee shall make the determinations required by Section 5.5(a)(i) within thirty (30) days after an Event of Default (or such longer period as is necessary if the information required to make such determination has not yet been received) or at the request of a Majority of the Controlling Class at any time, but not more frequently than once in any calendar quarter, during which the Trustee retains the Assets pursuant to Section 5.5(a).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee (after payment of costs of collection, liquidation and enforcement) with respect to the Notes pursuant to this ARTICLE V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied, subject to Section 13.1 and in accordance with the provisions of Section 11.1(a)(iii), at the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(a) and (b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to ARTICLE IV.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of a Majority of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30 day period by a Majority of the Controlling Class;

it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, pursuant to this Section 5.8, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If the groups represent the same percentage, the Trustee in its sole discretion may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Sections 2.8(i), 2.13, 5.13, 6.15 and 13.1, but notwithstanding any other provision in this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note as such principal and interest becomes due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Section 5.4(d) and Section 5.8, to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.4(d) and Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or

otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this ARTICLE V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, but subject to Section 5.5(a)(ii), a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding for any remedy available to the Trustee, and to direct the exercise of any trust, right, remedy or power conferred upon the Trustee; *provided* that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; *provided* that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability or expense (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with security or indemnity reasonably satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets shall be by the Holders of Notes secured thereby representing the requisite percentage of the Aggregate Outstanding Amount of Notes specified in Section 5.5(a).

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee or prior to the acceleration of the Secured Notes, as provided in this ARTICLE V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Default and its consequences, except a Default:

(a) in the payment of the principal of any Secured Note (which may be waived with the consent of each Holder of such Secured Note);

(b) in the payment of interest on the Class A-1 Notes and the Class A-2 Notes or, if there are no Class A-1 Notes or Class A-2 Notes Outstanding, the Notes of the Controlling Class (which may be waived with the consent of the Holders of 100% of the Class A-1 Notes and the Class A-2 Notes or the Notes of the Controlling Class, as applicable);

(c) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived with the consent of each such Holder); or

(d) in respect of a representation contained in Section 7.18 (which may be waived by a Majority of the Controlling Class if the ~~S&P~~ Rating Condition is satisfied).

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to [S&Peach Rating Agency](#), the Collateral Manager, the Designated Successor Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee, Collateral Administrator or Collateral Manager for any action taken, or omitted by it as Trustee, Collateral Administrator or Collateral Manager, as applicable, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisal, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "Sale") of all or any portion of the Assets pursuant to Section 5.4 and 5.5 shall not be exhausted by any one or more

Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice provided as soon as reasonably practicable to the Noteholders, and shall, upon direction of the Holders of Notes representing the requisite percentage of the Aggregate Outstanding Amount of Notes having the power to direct such Sale, from time to time postpone any Sale by public announcement made at the time and place of such Sale pursuant to Section 5.5. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; *provided* that the Trustee and the Collateral Manager shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee or the Collateral Manager may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("Unregistered Securities"), the Collateral Manager may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the written consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or State regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof without recourse, representation or warranty. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice as soon as reasonably practicable of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes shall be permitted to participate in any such public Sale to the extent such Holders meet any applicable eligibility requirements with respect to such Sale.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under

such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided* that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform on their face to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within fifteen days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class or such higher requisite percentage of Holders as required by this Indenture or from the Collateral Manager as provided in ARTICLE XII, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the

Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it unless such risk or liability relates to the performance of its ordinary services, including mailing of notices under ARTICLE V, under this Indenture (and it is hereby expressly acknowledged and agreed, without implied limitation, that the enforcement or exercise of rights and remedies under ARTICLE V, and/or the commencement of or participation in any legal proceeding does not constitute "ordinary services"); and

(v) in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of the form of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(c), (d), (e), or (f) or any other matter unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default or other matter, as the case may be, is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

(f) In addition to its other obligations set forth herein, the Trustee shall provide any information actually in its possession and readily available to the Collateral Manager related to the Assets or the Notes, promptly after the Collateral Manager's reasonable request therefor; *provided* that the Trustee shall not be obligated to provide any information that it may be restricted from doing so by legal, regulatory or contractual reasons.

contained in documents received from Independent accountants subject to restrictions on disclosure pursuant to an engagement letter entered into in accordance with Section 10.8) relating to the Notes, to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee by such Holder) and to discuss the Trustee's actions, as such actions relate to the Trustee's duties with respect to the Notes, with the Trustee's Officers and employees responsible for carrying out the Trustee's duties with respect to the Notes.

Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than two Business Days thereafter, forward such notice to the Noteholders (as their names appear in the Register).

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or Issuer Order, or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom, the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8), investment bankers or other Persons qualified

(e) the Trustee shall be under no obligation to exercise, enforce or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of ~~the~~ Rating Agency S&P shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; *provided* that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law or by any regulatory, administrative or governmental authority and (ii) to the extent that the Trustee, in its sole judgment, may determine that such disclosure is consistent with its obligations hereunder; *provided further* that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; *provided* that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate, verify or independently determine the accuracy of any report, certificate or information received from the Issuer or Collateral Manager;

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("GAAP"), the Trustee shall be entitled to request and receive (and conclusively rely upon) instruction from the

Issuer or the accountants, which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.8, (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(l) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture;

If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(p) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment adviser, administrator, shareholder, servicing agent, custodian or sub-custodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7;

Accordingly, each of the parties agrees to provide to the Trustee upon its request from time to time such identifying information and documentation as may be available for such party or its agents in order to enable the Trustee to comply with Applicable Law. In accordance with the U.S. Unlawful Internet Gambling Act (the "Gambling Act"), the Issuer may not use the Accounts or other Bank facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y).

(s) the Trustee and the Collateral Administrator shall be entitled to conclusively rely on the Collateral Manager with respect to whether or not a Collateral Obligation meets the criteria specified in the definition thereof and for the characterization, classification, designation or categorization of each Collateral Obligation to the extent such characterization, classification, designation or categorization is subjective or judgmental in nature or based on information not readily available to the Trustee and Collateral Administrator;

(t) in the event the Bank is also acting in the capacity of Paying Agent, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this ARTICLE VI shall also be afforded to the Bank acting in such capacities;

(u) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance; and

(v) the Collateral Administrator shall have the same rights, privileges and indemnities afforded to the Trustee in Sections 6.3, 6.4 and 6.5; *provided* that such rights, immunities and indemnities shall be in addition to, and not in limitation of, any rights, immunities and indemnities provided in the Collateral Administration Agreement and that, in connection therewith, references in such Sections to "Trust Officer" shall mean an officer of the Collateral Administrator.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder, except in its capacity as the Bank to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Trustee on each Payment Date reasonable compensation as set forth in a separate fee schedule dated on or before the Closing Date between the Trustee and the Issuer for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including, without limitation, expenses in connection with FATCA Compliance and securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Sections 5.4, 5.5, 10.7 or any other term of this Indenture, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Trustee's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager in writing;

(iii) to indemnify the Trustee and its officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on their part, and arising out of or in connection with the acceptance or administration of this Indenture and the transactions contemplated thereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other transaction document related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 or the exercise or enforcement of remedies pursuant to ARTICLE V.

(b) The Trustee shall receive amounts pursuant to this Section 6.7 in accordance with the Priority of Payments but only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Trustee shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Trustee shall not have received amounts due it hereunder; *provided* that nothing herein shall impair or affect the Trustee's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Trustee to collect amounts owed to it under this Indenture. If on any date when a fee or expense shall be payable to the Trustee pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor. The Issuer's obligations under this Section 6.7 shall survive the termination of this Indenture and the resignation or removal of the Trustee pursuant to Section 6.9.

(c) The Trustee hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or if longer the applicable preference period then in effect, after the payment in full of all Notes issued under this Indenture.

(d) To the extent that the entity acting as Trustee is acting as Registrar, Calculation Agent, Paying Agent, Authenticating Agent, Securities Intermediary or Custodian, the rights, privileges, immunities and indemnities set forth in this ARTICLE VI shall also apply to it acting in each such capacity.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.\$200,000,000, subject to supervision or examination by federal or state authority, having a long-term debt rating of ~~at least "Baa1" by Moody's and~~ at least "BBB+" by S&P, and a long-term credit rating of at least "A" by Fitch and a short-term credit rating of at least "F1" by Fitch, and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this ARTICLE VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this ARTICLE VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving written notice thereof to the Co-Issuers, the Collateral Manager, the Designated Successor Manager, the Holders of the Notes and ~~the~~each Rating Agency not less than 60 days prior to such resignation. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees

satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; *provided* that the Issuer shall provide prior written notice to ~~the~~each Rating Agency of any such appointment; *provided further* that the Issuer shall not appoint such successor trustee or trustees without the consent of a Majority of the Secured Notes of each Class voting as a single class (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class) unless (i) the Issuer gives ten days' prior written notice to the Holders of such amendment and (ii) a Majority of the Secured Notes (or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), a Majority of the Controlling Class) do not provide written notice to the Issuer objecting to such appointment (the failure of any such Majority to provide such notice to the Issuer within ten days of receipt of notice of such appointment from the Issuer being conclusively deemed to constitute hereunder consent to such appointment and approval of such successor trustee or trustees). If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Secured Notes voting separately or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 60 days after such removal or incapability or the

occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the retiring Trustee may, or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, the Designated Successor Manager, to the Holders of the Notes as their names and addresses appear in the Register and to ~~the~~each Rating Agency. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) Any resignation or removal of the Trustee under this Section 6.9 shall be an effective resignation or removal of the Bank in all capacities under this Indenture.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder; *provided* that such organization or entity shall be otherwise qualified and eligible under this ARTICLE VI, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to ~~the satisfaction of the S&P Rating Condition~~(x) such co-trustee satisfying the eligibility requirements applicable to the Trustee set forth in Section 6.8 or (y) the written approval of S&P; provided that Fitch shall receive notice of the appointment of any co-trustee), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay (but only from and to the extent of the Assets), to the extent funds are available therefor under the Priority of Payments, any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that in any month the Trustee receives notice from the Collateral Manager or the Collateral Administrator that a payment has not been received with respect to any Pledged Obligation on its Due Date, (a) the Trustee shall promptly notify the Issuer, the Designated Successor Manager and the Collateral Manager in writing and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if longer) after such notice such payment shall have been received by the Trustee, or the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall request the issuer of such Pledged Obligation, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment as soon as practicable after such request but in no event later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct in writing. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of a Pledged Obligation and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or substitution shall be subject to Section 10.7 and ARTICLE XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Pledged Obligation or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6, 2.7 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee, the Designated Successor Manager and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of

termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall, upon the written request of the Issuer, promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense under Section 11.1. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding tax is imposed on the Issuer's payment (or allocations of income) under the Notes to any Holder, such tax shall reduce the amount otherwise distributable to such Holder. The Trustee or any Paying Agent is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any tax that is legally owed by the Issuer (but such authorization shall not prevent the Trustee or such Paying Agent from contesting any such tax in appropriate proceedings and withholding payment of such tax, if permitted by law, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld by the Trustee or any Paying Agent and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution and the Trustee or any Paying Agent has not received documentation from such Holder showing an exemption from withholding, the Trustee or such Paying Agent shall withhold such amounts in accordance with this Section 6.15. If any Holder wishes to apply for a refund of any such withholding tax, the Trustee or such Paying Agent shall reasonably cooperate with such Holder in making such claim so long as such Holder agrees to reimburse the Trustee or such Paying Agent for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee or any Paying Agent to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the delivery of any Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset (including without limitation as Entitlement Holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

(a) Organization. The Bank has been duly organized and is validly existing as a national banking association under the laws of the United States and has the power to conduct its business and affairs as a trustee.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Co-Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with ARTICLE X.

The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or

national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees, subject to the provisions of this Section 7.3, that such Paying Agent shall:

(a) allocate all sums received for payment to the Holders of Notes for which it acts as Paying Agent on each Payment Date and any Redemption Date among such Holders in the proportion specified in the applicable Distribution Report or report pertaining to such Redemption Date to the extent permitted by applicable law;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee and the Designated Successor Manager notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, claims by holders of Notes in respect of principal and interest must be made to the Trustee or any Paying Agent (other than the Irish Paying Agent) if made within two years of such principal or interest becoming due and payable. Any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Applicable Issuers on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Applicable Issuers for payment of such amounts (but only to the extent of the amounts so paid to the Applicable Issuers) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Applicable

Issuers any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as exempted or foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Assets; *provided* that the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Collateral Manager, the Designated Successor Manager and ~~the~~each Rating Agency and (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change; *provided further* that the Issuer shall be entitled to take any action required by this Indenture within the United States notwithstanding any provision of this Indenture requiring the Issuer to take such action outside of the United States so long as prior to taking any such action the Issuer receives a legal opinion from nationally recognized legal counsel to the effect that it is not necessary to take such action outside of the United States or any political subdivision thereof in order to prevent the Issuer from becoming subject to United States Federal, state or local income taxes on a net income basis to which the Issuer would not otherwise be subject.

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including, to the extent required by applicable law, holding regular board of directors' and shareholders' meetings or other similar meetings) are followed. Neither the Issuer nor the Co-Issuer shall take any action, or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization, winding up or other insolvency proceeding. Without limiting the foregoing, (i) the Issuer shall not have any subsidiaries (other than the Co-Issuer and any Tax Subsidiary), (ii) the Co-Issuer shall not have any subsidiaries and (iii) except to the extent contemplated in the Administration Agreement dated April 24, 2013 or the declaration of trust by Intertrust SPV (Cayman) Limited relating to, inter alia, the ordinary shares of the Issuer, dated April 24, 2013, the Issuer and the Co-Issuer shall not (A) have any employees (other than their respective directors, to the extent they are employees), (B) except as contemplated by the Collateral Management Agreement, the Memorandum and Articles or the Administration Agreement, engage in any transaction with any shareholder that would constitute a conflict of interest or (C) pay dividends other than in accordance with the terms of this Indenture and the Memorandum and Articles.

Section 7.5 Protection of Assets. (a) The Issuer, or the Collateral Manager on behalf and at the expense of the Issuer, shall cause the taking of such action by the Issuer (or by the Collateral Manager if within the Collateral Manager's control under the Collateral Management Agreement) as is reasonably necessary in order to perfect and maintain the perfection and priority of the security interest of the Trustee in the Assets. The Issuer shall from time to time prepare or cause to be prepared, execute, deliver and file all such supplements and amendments hereto and all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Trustee for the benefit of the Holders of the Secured Notes hereunder and to:

- (i) Grant more effectively all or any portion of the Issuer's right, title and interest in, to and under the Assets;
- (ii) maintain, preserve and perfect any Grant made or to be made by this Indenture including, without limitation, the first priority nature of the lien or carry out more effectively the purposes hereof;
- (iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);
- (iv) enforce any of the Pledged Obligations or other instruments or property included in the Assets;
- (v) preserve and defend title to the Assets and the rights therein of the Secured Parties in the Assets against the claims of all Persons and parties; or
- (vi) if required to avoid or reduce the withholding, deduction, or imposition of United States income or withholding tax, and if reasonably able to do so, deliver or cause to be delivered a United States Internal Revenue Service Form W-8BEN or successor applicable form and other properly completed and executed documentation, agreements, and certifications to each issuer, counterparty, paying agent, and/or to any applicable taxing authority or other governmental authority as necessary to permit the Issuer to receive payments without withholding or deduction or at a reduced rate of withholding or deduction and to otherwise pay or cause to be paid any and all taxes levied or assessed upon all or any part of the Assets.

The Issuer hereby designates the Trustee as its agent and attorney-in-fact to prepare and file or record any Financing Statement (other than the Financing Statement delivered on the Closing Date), continuation statement and all other instruments, and take all other actions, required pursuant to this Section 7.5; *provided* that such appointment shall not impose upon the Trustee any of the Issuer's or the Collateral Manager's obligations under this Section 7.5. In connection therewith, the Trustee shall be entitled to receive, at the cost of the Issuer, and conclusively rely upon an Opinion of Counsel delivered in accordance with Section 7.6 as to the need to file, the dates by which such filings are required to be made and the jurisdiction in which such filings are to be made and the form and content of such filings. The Issuer further

authorizes and shall cause the Issuer's United States counsel to file a Financing Statement that names the Issuer as debtor and the Trustee, on behalf of the Secured Parties, as secured party and that describes "all assets in which the debtor now or hereafter has rights" as the Assets in which the Trustee has a Grant.

(b) The Trustee shall not, except in accordance with ARTICLE V and Sections 10.6, 12.1, and 12.4, as applicable, permit the removal of any portion of the Assets or transfer any such Assets from the Account to which it is credited, or cause or permit any change in the Delivery made pursuant to Section 3.3 with respect to any Assets, if, after giving effect thereto, the jurisdiction governing the perfection of the Trustee's security interest in such Assets is different from the jurisdiction governing the perfection at the time of delivery of the most recent Opinion of Counsel pursuant to Section 7.6 (or, if no Opinion of Counsel has yet been delivered pursuant to Section 7.6, the Opinion of Counsel delivered at the Closing Date pursuant to Section 3.1(a)(iii)) unless the Trustee shall have received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property and the priority thereof shall continue to be maintained after giving effect to such action or actions.

(c) The Issuer shall register this Indenture in the Register of Mortgages and Charges at the Issuer's registered office in the Cayman Islands.

Section 7.6 Opinions as to Assets. On or before April 25 in each calendar year, commencing in 2014, the Issuer shall furnish to the Trustee an Opinion of Counsel either (i) stating that, in the opinion of such counsel, such action has been taken (including without limitation with respect to the filing of any Financing Statements and continuation statements) as is necessary to maintain the lien and security interest created by this Indenture and reciting the details of such action or (ii) describing the filing of any Financing Statements and continuation statements that shall, in the opinion of such counsel, be required to maintain the lien and security interest of this Indenture.

Section 7.7 Performance of Obligations. (a) The Co-Issuers, each as to itself, shall not take any action, and shall use their commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any instrument included in the Assets, except in the case of pricing amendments, ordinary course waivers/amendments, and enforcement action taken with respect to any Defaulted Obligation in accordance with the provisions hereof and actions by the Collateral Manager under the Collateral Management Agreement and in conformity with this Indenture or as otherwise required hereby.

(b) The Applicable Issuers may, with the prior written consent of a Majority of each Class of Secured Notes (except in the case of the Collateral Management Agreement and the Collateral Administration Agreement, in which case no consent shall be required), contract with other Persons, including the Collateral Manager, the Trustee and the Collateral Administrator for the performance of actions and obligations to be performed by the Applicable Issuers hereunder and under the Collateral Management Agreement by such Persons. Notwithstanding any such arrangement, the Applicable Issuers shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the

Applicable Issuers; and the Applicable Issuers shall punctually perform, and use their commercially reasonable efforts to cause the Collateral Manager, the Trustee, the Collateral Administrator and such other Person to perform, all of their obligations and agreements contained in the Collateral Management Agreement, this Indenture, the Collateral Administration Agreement or any such other agreement.

(c) The Issuer shall notify ~~the~~each Rating Agency within ten (10) Business Days after any material breach of any Transaction Document of which it has actual knowledge, following any applicable cure period for such breach.

Section 7.8 Negative Covenants. (a) The Issuer shall not and, with respect to clauses (i), (ii), (iii), (iv), (vi), (vii), (viii), (ix) and (x) the Co-Issuer shall not, in each case from and after the Closing Date:

(i) sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of payment of the principal or interest payable (or any other amount) in respect of the Notes (other than amounts withheld in accordance with the Code or any applicable laws of the Cayman Islands or other applicable jurisdiction) or assert any claim against any present or future Holder of Notes, by reason of the payment of any taxes levied or assessed upon any part of the Assets, other than as described in Section 7.16;

(iii) (A) incur or assume or guarantee any indebtedness, other than the Notes and this Indenture and the transactions contemplated hereby, or (B)(1) issue any additional class of securities (except as provided in Section 2.4) or (2) issue any additional shares;

(iv) (A) permit the validity or effectiveness of this Indenture or any Grant hereunder to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to this Indenture or the Notes, except as may be permitted hereby or by the Collateral Management Agreement, (B) except as permitted by this Indenture, permit any lien, charge, adverse claim, security interest, mortgage or other encumbrance (other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden any part of the Assets, any interest therein or the proceeds thereof, or (C) except as permitted by this Indenture, take any action that would permit the lien of this Indenture not to constitute a valid first priority security interest in the Assets;

(v) amend the Collateral Management Agreement except pursuant to the terms thereof and ARTICLE XV of this Indenture;

(vi) dissolve or liquidate in whole or in part (to the extent such matters are in its power and control), except as permitted hereunder or required by applicable law;

(vii) pay any distributions other than in accordance with the Priority of Payments;

(viii) permit the formation of any subsidiaries (other than any Tax Subsidiary);

(ix) conduct business under any name other than its own;

(x) have any employees (other than directors to the extent they are employees);

(xi) sell, transfer, exchange or otherwise dispose of Assets, or enter into an agreement or commitment to do so or enter into or engage in any business with respect to any part of the Assets, except as expressly permitted by this Indenture or the Collateral Management Agreement;

(xii) elect to be taxable for U.S. federal income tax purposes as other than a foreign corporation without the unanimous consent of all Holders;

(xiii) establish a branch, agency, office or place of business in the United States, or take any action or engage in any activity (directly or through any other agent) which would subject it to United States federal, state, or local tax;

(xv) register as or become subject to regulatory supervision or other legal requirements under the laws of any country or political subdivision thereof as a bank, insurance company or finance company;

(xvi) knowingly take any action that would reasonably be expected to cause it to be treated as a bank, insurance company or finance company for purposes of (i) any tax, securities law or other filing or submission made to any governmental authority, (ii) any application made to a rating agency or (iii) qualification for any exemption from tax, securities law or any other legal requirements;

(xvii) hold itself out to the public as a bank, insurance company or finance company;

(xviii) amend any Hedge Agreement except as permitted by the terms thereof and of this Indenture;

(xix) enter into any agreement amending, modifying or terminating any Transaction Document without notifying ~~the~~each Rating Agency, each Holder in the Controlling Class and each Holder of a Subordinated Note; and

(xx) acquire any of the Notes (including any Notes surrendered or abandoned).

(b) The Co-Issuer shall not invest any of its assets in "securities" as such term is defined in the Investment Company Act, and shall keep all of its assets in Cash.

(c) So long as any Notes are Outstanding, the Co-Issuer shall not elect to be taxable for U.S. federal income tax purposes as other than a disregarded entity without the unanimous consent of all Holders.

(d) Notwithstanding anything to the contrary contained herein, the Issuer shall not, and shall use its commercially reasonable efforts to ensure that the Collateral Manager acting on the Issuer's behalf does not, acquire or own any asset, conduct any activity or take any action unless the acquisition or ownership of such asset, the conduct of such activity or the taking of such action, as the case may be, would not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net income basis or income tax on a net income basis in any other jurisdiction.

(e) In furtherance and not in limitation of Section 7.8(d), notwithstanding anything to the contrary contained herein, the Issuer shall comply with all of the Tax Restrictions, unless, with respect to a particular transaction, the Collateral Manager (on behalf of the Issuer) shall have received an opinion or advice of Dechert LLP or McDermott Will & Emory LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the Issuer's contemplated activities will not cause the Issuer to be engaged, or deemed to be engaged, in a trade or business within the United States for United States federal income tax purposes or otherwise to be subject to United States federal income tax on a net income basis. The Tax Restrictions may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Collateral Management Agreement) if the Collateral Manager (on behalf of the Issuer) shall have received advice of Dechert LLP or McDermott Will & Emory LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that the Issuer's contemplated activities shall not (A) result in the Issuer becoming subject to United States federal income taxation with respect to its net income, (B) result in the Issuer being treated as being engaged in a trade or business within the United States or (C) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of issuance, as described in the Offering Circular under the heading "Certain Income Tax Considerations—United States Federal Income Taxation." For the avoidance of doubt, in the event advice of Dechert LLP or McDermott Will & Emory LLP or an opinion of other tax counsel as described above has been obtained in accordance with the terms hereof, no consent of any Noteholder or S&P satisfaction of the Rating Condition shall be required in order to comply with this Section 7.8(e) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Restrictions contemplated by such opinion of tax counsel.

(f) The Issuer and the Co-Issuer shall not be party to any agreements (including Hedge Agreements) without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement

to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments (but not excepting any agreements related to the purchase and sale of Synthetic Securities) which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation.

(g) The Co-Issuer shall not fail to maintain an independent manager under its limited liability company agreement.

Section 7.9 Statement as to Compliance. On or before April 25 in each calendar year, commencing in 2014, or immediately if there has been a Default under this Indenture and prior to the issuance of any Additional Notes pursuant to Section 2.4, the Issuer shall deliver to the Trustee and the Collateral Manager (to be forwarded, at the cost of the Issuer, by the Trustee to each Noteholder making a written request therefor and ~~the~~each Rating Agency) an Officer's certificate of the Issuer that, having made reasonable inquiries of the Collateral Manager, and to the best of the knowledge, information and belief of the Issuer, there did not exist, as at a date not more than five days prior to the date of the certificate, nor had there existed at any time prior thereto since the date of the last certificate (if any), any Default hereunder or, if such Default did then exist or had existed, specifying the same and the nature and status thereof, including actions undertaken to remedy the same, and that the Issuer has complied with all of its obligations under this Indenture or, if such is not the case, specifying those obligations with which it has not complied.

Section 7.10 Co-Issuers May Consolidate, etc. only on Certain Terms. Neither the Issuer nor the Co-Issuer (the "Merging Entity") shall consolidate or merge with or into any other Person (except in connection with the Refinancing Date Merger) or transfer or convey all or substantially all of its assets to any Person, unless permitted by Cayman Islands law (in the case of the Issuer) or United States and Delaware law (in the case of the Co-Issuer) and unless:

(a) the Merging Entity shall be the surviving corporation, or the Person (if other than the Merging Entity) formed by such consolidation or into which the Merging Entity is merged or to which all or substantially all of the assets of the Merging Entity are transferred (the "Successor Entity") (A) if the Merging Entity is the Issuer, shall be a company incorporated and existing under the laws of the Cayman Islands or such other jurisdiction approved by a Majority of the Controlling Class; *provided* that no such approval shall be required in connection with any such transaction undertaken solely to effect a change in the jurisdiction of incorporation pursuant to Section 7.4, and (B) in any case shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee and each Holder, the due and punctual payment of the principal of and interest on all Secured Notes issued by the Merging Entity and the performance and observance of every covenant of this Indenture on its part to be performed or observed, all as provided herein;

(b) the Trustee shall have received notice of such consolidation or merger and shall have distributed copies of such notice to ~~the~~each Rating Agency as soon as reasonably practicable and in any case no less than five days prior to such merger or consolidation, and the Trustee shall have received written confirmation from ~~the~~such Rating Agency that its ratings

issued with respect to the Secured Notes then rated by ~~the~~such Rating Agency shall not be reduced or withdrawn as a result of the consummation of such transaction;

(c) if the Merging Entity is not the surviving corporation, the Successor Entity shall have agreed with the Trustee (i) to observe the same legal requirements for the recognition of such formed or surviving corporation as a legal entity separate and apart from any of its Affiliates as are applicable to the Merging Entity with respect to its Affiliates and (ii) not to consolidate or merge with or into any other Person or transfer or convey the Assets or all or substantially all of its assets to any other Person except in accordance with the provisions of this Section 7.10;

(d) if the Merging Entity is not the surviving corporation, the Successor Entity shall have delivered to the Trustee, and ~~the~~each Rating Agency, an Officer's certificate and an Opinion of Counsel each stating that such Person shall be duly organized, validly existing and in good standing in the jurisdiction in which such Person is organized; that such Person has sufficient power and authority to assume the obligations set forth in subsection (a) above and to execute and deliver an indenture supplemental hereto for the purpose of assuming such obligations; that such Person has duly authorized the execution, delivery and performance of an indenture supplemental hereto for the purpose of assuming such obligations and that such supplemental indenture is a valid, legal and binding obligation of such Person, enforceable in accordance with its terms, subject only to bankruptcy, reorganization, winding up, insolvency, moratorium and other laws affecting the enforcement of creditors' rights generally and to general principles of equity (regardless of whether such enforceability is considered in a Proceeding in equity or at law); if the Merging Entity is the Issuer, that, immediately following the event which causes such Successor Entity to become the successor to the Issuer, (i) such Successor Entity has title, free and clear of any lien, security interest or charge, other than the lien and security interest of this Indenture, to the Assets securing all of the Notes, and (ii) the Trustee continues to have a valid perfected first priority security interest in the Assets securing all of the Secured Notes; and in each case as to such other matters as the Trustee or any Noteholder may reasonably require; *provided* that nothing in this clause shall imply or impose a duty on the Trustee to require such other documents;

(e) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing;

(f) the Merging Entity shall have delivered notice to ~~the~~each Rating Agency, and the Merging Entity shall have delivered to the Trustee and each Noteholder an Officer's certificate and an Opinion of Counsel each stating that such consolidation, merger, transfer or conveyance and such supplemental indenture comply with this ARTICLE VII and that all conditions in this ARTICLE VII relating to such transaction have been complied with and that such transaction will not (1) result in the Merging Entity and Successor Entity becoming subject to United States federal income taxation with respect to their net income, (2) result in the Merging Entity and Successor Entity being treated as being engaged in a trade or business within the United States or (3) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of issuance, as described in the Offering Circular under the heading "Certain Income Tax Considerations—United States Federal Income Taxation," unless the Holders agree by

unanimous consent that no adverse tax consequences will result therefrom to any of the Merging Entity, Successor Entity and Holders of the Notes (as compared to the tax consequences of not effecting the transaction);

(g) the Merging Entity shall have delivered to the Trustee an Opinion of Counsel stating that after giving effect to such transaction, neither of the Co-Issuers (or, if applicable, the Successor Entity) will be required to register as an investment company under the Investment Company Act; and

(h) after giving effect to such transaction, the outstanding stock (other than the Subordinated Notes) of the Merging Entity (or, if applicable, the Successor Entity) will not be beneficially owned within the meaning of the Investment Company Act by any U.S. Person.

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the assets of the Issuer or the Co-Issuer, in accordance with Section 7.10 in which the Merging Entity is not the surviving corporation, the Successor Entity shall succeed to, and be substituted for, and may exercise every right and power of, and shall be bound by each obligation and covenant of, the Merging Entity under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the "Issuer" or the "Co-Issuer" in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this ARTICLE VII may be dissolved, wound up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. From and after the Closing Date, the Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and acquiring, owning, holding, selling, lending, exchanging, redeeming, pledging, contracting for the management of and otherwise dealing with Collateral Obligations and the other Assets in connection therewith and entering into Hedge Agreements, the Collateral Administration Agreement, the Securities Account Control Agreement, the Collateral Management Agreement and other agreements specifically contemplated by this Indenture and shall not engage in any activity that would cause the Issuer to be subject to U.S. federal or state income tax on a net income basis, and the Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes to be issued by it pursuant to this Indenture and, with respect to the Issuer and the Co-Issuer, such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith or ancillary thereto. The Issuer and the Co-Issuer may amend, or permit the amendment of, the Memorandum and Articles of the Issuer and the Certificate of Formation and By-laws of the Co-Issuer, respectively only upon satisfaction of the ~~S&P~~ Rating Condition.

Section 7.13 Annual Rating Review. (a) So long as any of the Secured Notes of any Class remain Outstanding, on or before December 31st in each year, commencing in ~~2014~~, 2014 (or, in the case of the Refinancing Notes, 2017), the Applicable Issuers shall obtain and pay for an annual review of the rating of each such Class of Secured Notes from ~~the~~ each Rating Agency, then rating such Class of Secured Notes, as applicable. The Applicable Issuers shall promptly

notify the Trustee and the Collateral Manager in writing (and the Trustee shall promptly provide the Holders with a copy of such notice) if at any time the rating of any such Class of Secured Notes has been, or is known shall be, changed or withdrawn.

(b) With respect to any Collateral Obligation that has an S&P Rating derived as set forth in clause (iii)(b) of the definition of "S&P Rating," the Issuer shall annually obtain (and pay for) from S&P written confirmation of, or an update to, the credit estimate with respect to such Collateral Obligation.

Section 7.14 Reporting. At any time when the Co-Issuers are not subject to Section 13 or 15(d) of the Exchange Act and are not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Co-Issuers shall promptly furnish or cause to be furnished "Rule 144A Information" to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner, or to the Trustee for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner of such Note with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner of such Note, respectively. "Rule 144A Information" shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto).

Section 7.15 Calculation Agent. (a) The Issuer hereby agrees that for so long as any Secured Notes remain Outstanding there shall at all times be an agent appointed (which does not control or is not controlled or under common control with the Issuer or its affiliates or the Collateral Manager or its affiliates) to calculate LIBOR in respect of each Interest Accrual Period in accordance with the terms of Exhibit C hereto (the "Calculation Agent"). The Issuer hereby appoints the Trustee as Calculation Agent. The Calculation Agent may be removed by the Issuer or the Collateral Manager, on behalf of the Issuer, at any time. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer or the Collateral Manager (on behalf of the Issuer), or if the Calculation Agent fails to determine any of the information required to be sent to the Irish Listing Agent for release through the Companies Announcements Office of the Irish Stock Exchange, the Issuer or the Collateral Manager (on behalf of the Issuer) shall promptly appoint a replacement Calculation Agent which does not control or is not controlled by or under common control with the Issuer or its affiliates or the Collateral Manager or its affiliates. The Calculation Agent may not resign its duties without a successor having been duly appointed. In addition, for so long as any Notes are listed on the Irish Stock Exchange and the guidelines of such exchange so require, notice of the appointment of any replacement Calculation Agent shall be sent to the Irish Listing Agent for release through the Companies Announcements Office of the Irish Stock Exchange.

(b) The Calculation Agent shall be required to agree (and the Trustee as Calculation Agent does hereby agree) that, as soon as practicable after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the London Banking Day immediately following each Interest Determination Date, the Calculation Agent shall calculate the Note Interest Rate for each Class of Secured Notes for the next Interest Accrual Period and the Note Interest Amount for each Class of Secured Notes (in each case,

rounded to the nearest cent, with half a cent being rounded upward) for the next Interest Accrual Period, on the related Payment Date. At such time the Calculation Agent shall communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream and, so long as any Notes are listed on the Irish Stock Exchange, to the Irish Listing Agent for delivery to the Irish Stock Exchange. The Calculation Agent shall also specify to the Co-Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Note Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period shall (in the absence of manifest error) be final and binding upon all parties.

Section 7.16 Certain Tax Matters. (a) The Co-Issuers will, and each holder of a beneficial interest in a Note (or any interest therein) (including, for purposes of this Section 7.16, any Holder) will be deemed to have represented and agreed to, treat the Co-Issuers and the Notes as described in the "Certain Income Tax Considerations—United States Federal Income Taxation" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each holder of a beneficial interest in a Note (or any interest therein) will timely furnish the Issuer or its agents with any U.S. federal income tax form or certification (such as IRS Form W-8BEN (Certification of Foreign Status of Beneficial Owner), Form W-8IMY (Certification of Foreign Intermediary Status), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certification of Foreign Person's Claim for Exemption from Withholding on Income Effectively Connected with Conduct of a U.S. Trade or Business), or any successors to such IRS forms) that the Issuer or its agents may reasonably request, and any documentation, agreements, certification or information that is reasonably requested by the Issuer or its agents (A) to permit the Issuer or its agents to make payments to it without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer or its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which the Issuer or its agents receive payments, and (C) to enable the Issuer or its agents to satisfy reporting and other obligations under the Code and Treasury Regulations, and, upon reasonable request by the Issuer or its agents or a change in circumstances of the beneficial owner that invalidates any form previously provided by such beneficial owner, shall update or replace such documentation and information in accordance with its terms or subsequent amendments, and acknowledges that the failure to provide, update or replace any such documentation or information may result in the imposition of withholding or back-up withholding upon payments to such beneficial owner. Amounts withheld pursuant to applicable tax laws will be treated as having been paid to a beneficial owner by the Issuer.

(c) Each holder of a beneficial interest in a Note (or any interest therein) will provide the Issuer, the Trustee or their respective agents with any correct, complete and accurate information that may be required for the Issuer to achieve FATCA Compliance and will take any other actions necessary for the Issuer to achieve FATCA Compliance and, in the event the holder fails to provide such information or take such actions, (A) the Issuer (or its agents on its behalf) is authorized to withhold amounts otherwise distributable to the holder as compensation for any

amount withheld from payments to the Issuer or the underlying issuer as a result of such failure, and (B) to the extent necessary to avoid an adverse effect on the Issuer or any other holder of Notes as a result of such failure, the Issuer will have the right to compel the holder to sell its Notes or, if the holder does not sell its Notes within 10 Business Days after notice from the Issuer, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the holder as payment in full for such Notes (subject to the indemnity described in Section 7.16(d) below). Each beneficial owner of a Note held in global form shall, by its ownership thereof, be deemed to have consented to any such required sale. The Issuer may also assign each such Note a separate CUSIP number or numbers in the Issuer's sole discretion.

(d) Each holder of a beneficial interest in a Note (or any interest therein) will indemnify the Issuer, the Trustee, any Paying Agent and each of the Holders of Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such holder to comply with Sections 7.16(b) or (c) above. This indemnification will continue with respect to any period during which the holder held a Note, notwithstanding the holder ceasing to be a holder of the Note.

(e) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Tax Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or holders of beneficial interests in the Notes (or any interests therein)) for each taxable year of the Issuer, the Co-Issuer and the Tax Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or the Tax Subsidiary are required to file (and, where applicable, deliver), and shall timely provide to each such holder any information that such holder reasonably requests in order for such holder to (i) comply with its federal state, or local tax and information returns and reporting obligations, (ii) make and maintain a "qualified electing fund" ("QEF") election (as defined in the Code) with respect to the Issuer, (iii) file a protective statement preserving such holder's ability to make a retroactive QEF election with respect to the Issuer (such information to be provided at such holder's expense), or (iv) comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes (such information to be provided at such holder's expense); *provided* that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States or any state of the United States unless it shall have obtained advice from Dechert LLP or McDermott Will & Emory LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, prior to such filing that, under the laws of such jurisdiction, the Issuer or the Co-Issuer (as applicable) is required to file such income or franchise tax return.

(f) The Issuer (i) may hire advisors (including legal advisors and an accounting firm) or other Persons experienced in such matters to (x) assist the Issuer in complying with FATCA, and (ii) will take all reasonable actions consistent with the law and its obligations under this Indenture to ensure that the Issuer satisfies any and all withholding and tax payment obligations under Code Sections 1441, 1445, 1471, 1472 or any other provision of the Code or other applicable law, including complying with FATCA. Without limiting the

generality of the foregoing, the Issuer may withhold (and is not required to pay any additional amounts in respect of) any amount that it or any advisor retained by the Issuer or the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any holder of a Note.

(g) Each holder of a beneficial interest in a Note (or any interest therein), if not a "United States person" (as defined in Section 7701(a)(30) of the Code), either: (A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (B) if a bank (within the meaning of Section 881(c)(3)(A) of the Code), after giving effect to its purchase of Notes, (x) will not directly or indirectly own more than 50% of the Notes by number or by value, either directly or indirectly, and will not otherwise be related to the Issuer (within the meaning of section 267(b) of the Code) and (y) has not purchased such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on the Notes with respect to the Collateral Obligations if held directly by the beneficial owner); (C) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States; or (D) is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S.-source interest not attributable to a permanent establishment in the United States.

(h) It is the intention of the parties hereto and, by its acceptance of a Note, each Noteholder and each beneficial owner of a Note shall be deemed to have agreed not to treat any income generated by such Note as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

(i) Upon the Trustee's receipt of a request of a Holder or written request of a Person certifying that it is an owner of a beneficial interest in a Note, delivered in accordance with the notice procedures of Section 14.3, for the information described in Treasury Regulations section 1.1275-3(b)(i) that is applicable to such Holder or beneficial owner, the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder or owner of a beneficial interest in such a Note all of such information. Any issuance of Additional Notes or Replacement Notes, as applicable, shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to holders of the Additional Notes or Replacement Notes, as applicable.

(j) Prior to the time that the Issuer would acquire or receive ~~(A) a Nonqualifying Letter of Credit (provided that nothing in this clause (j) shall be construed to authorize the Issuer to purchase any Nonqualifying Letter of Credit), or (B)~~ any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States or subject to U.S. federal tax on a net income basis (such asset, a "Nonqualifying Asset"), the Issuer shall either (x) organize one or more wholly-owned special purpose vehicles of the Issuer that are treated as corporations for U.S. federal income tax purposes (each, a "Tax Subsidiary"), and contribute ~~(I) the right to receive the Nonqualifying Letter of Credit or (II)~~ the Collateral Obligation that is the subject of the workout or restructuring to a Tax Subsidiary, (y) contribute such right to receive ~~the Nonqualifying Letter of Credit or~~ such Collateral Obligation to an existing Tax Subsidiary, or (z)

without regard for the requirements of Section 12.1, sell such right to receive ~~such Nonqualifying Letter of Credit or~~ such Collateral Obligation, unless the Issuer has received advice of Dechert LLP or McDermott Will & Emory LLP or the opinion of another nationally recognized U.S. tax counsel experienced in such matters that the acquisition, receipt, ownership, and disposition of such ~~Nonqualifying Letter of Credit or~~ Collateral Obligation or asset, as the case may be, will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject the Issuer to U.S. federal income tax on a net income basis, in which case the Issuer may directly acquire, receive and hold the ~~Nonqualifying Letter of Credit~~, Collateral Obligation, or asset. For the avoidance of doubt, if, prior to the time that the Issuer would acquire or receive any Nonqualifying Asset(s) in respect of a Collateral Obligation, the Issuer is able to assign the right to receive each and every such Nonqualifying Asset to a Tax Subsidiary and the Issuer receives advice of Dechert LLP or McDermott Will & Emory LLP or the opinion of another nationally recognized U.S. tax counsel experienced in such matters that the acquisition, receipt, ownership, and disposition of such Collateral Obligation and the assignment of the right to receive each and every such Nonqualifying Asset to a Tax Subsidiary will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject the Issuer to U.S. federal income tax on a net income basis, the Issuer may assign the right to receive all such Nonqualifying Assets to a Tax Subsidiary prior to the time that the Issuer would acquire or receive each such Nonqualifying Asset instead of transferring such Collateral Obligation to a Tax Subsidiary. The Issuer (or the Collateral Manager on behalf of the Issuer) shall provide to S&P prompt notice of the formation of any Tax Subsidiary.

(k) Notwithstanding Section 7.16(j), the Issuer shall not acquire any asset (including an asset that may otherwise qualify as a Collateral Obligation) if a restructuring, or workout of such asset proposed to be acquired is in process and if such restructuring or workout could reasonably result in the Issuer being treated as engaged in a trade or business in the United States or subject to U.S. federal tax on a net income basis (because the Issuer would receive another asset in connection with the restructuring or workout that would cause the Issuer to be treated as engaged in a trade or business in the United States or otherwise subject to U.S. federal income tax on a net income basis).

(l) Each Tax Subsidiary must at all times have at least one independent director meeting the requirements of an "Independent Director" as set forth in the Tax Subsidiary's organizational documents complying with any applicable Rating Agency rating criteria. The Issuer shall cause the purposes and permitted activities of any Tax Subsidiary to be restricted solely to the acquisition, receipt, holding, management and disposition of Collateral Obligations referred to in Section 7.16(j)(x) and Section 7.16(j)(y) and any assets, income and proceeds received in respect thereof (collectively, "Tax Subsidiary Assets"), and shall require each Tax Subsidiary to distribute 100% of the net proceeds of any sale of such Tax Subsidiary Assets, net of any tax or other liabilities, to the Issuer. No supplemental indenture pursuant to Section 8.1 or Section 8.2 hereof shall be necessary to permit the Issuer, or the Collateral Manager on its behalf, to take any actions necessary to set up a Tax Subsidiary.

(m) ~~Each Tax Subsidiary that holds a Nonqualifying Letter of Credit and that has not received an opinion or advice from Dechert LLP or McDermott Will & Emory LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters to the effect~~

~~that the Tax Subsidiary should or will not be subject to U.S. federal income tax on a net income basis with respect to any fees it receives in respect of such Nonqualifying Letter of Credit and any gain it recognizes on the disposition of such Nonqualifying Letter of Credit shall deposit an amount equal to the highest marginal tax rate specified in Section 11(b) of the Code (or any successor provisions) multiplied by all of such fees and gain, less any amounts withheld in respect of taxes on such fees or from the purchase price (as the case may be), into a single, segregated non-interest bearing trust account established with the Custodian and held in the name of the Trustee for the benefit of the Secured Parties (the "Nonqualifying Letter of Credit Reserve Account"). If a Tax Subsidiary receives the advice or opinion described in the immediately preceding sentence, the Tax Subsidiary shall instead deposit an amount equal to 30% of all such fees (and shall not deposit any amount in respect of such gain) into the Nonqualifying Letter of Credit Reserve Account, less any amounts withheld in respect of taxes on such fees, unless the Tax Subsidiary receives an opinion or advice from Dechert LLP or McDermott Will & Emory LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters to the effect that such fees should or will not be subject to U.S. federal withholding tax, in which case the Tax Subsidiary shall not be required to deposit any amounts into the Nonqualifying Letter of Credit Reserve Account. The Tax Subsidiary may withdraw funds from the Nonqualifying Letter of Credit Reserve Account to pay (or to provide for the payments of) the related taxes when due. The Tax Subsidiary may also withdraw funds from the Nonqualifying Letter of Credit Reserve Account and distribute such funds to the Issuer for application as Principal Proceeds or Interest Proceeds (as applicable) on the immediately following Payment Date (x) if and to the extent that, based on an opinion or advice of Dechert LLP or McDermott Will & Emory LLP or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, the Tax Subsidiary should or will not be subject to U.S. tax with respect to the fees or gain from which such funds were reserved, (y) at Stated Maturity or (z) on a Redemption Date in connection with an optional redemption of Notes (other than pursuant to a Refinancing) or a Redemption by reason of a Tax Event [reserved].~~

(n) With respect to any Tax Subsidiary:

(i) the Issuer shall not allow such Tax Subsidiary to (A) purchase any assets, or (B) acquire title to real property or a controlling interest in any entity that owns real property;

(ii) the Issuer shall ensure that such Tax Subsidiary shall not sell, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of such Tax Subsidiary Assets, except as expressly permitted by this Indenture and the Collateral Management Agreement;

(iii) the Tax Subsidiary shall not elect to be treated as a "real estate investment trust" for U.S. Federal income tax purposes;

(iv) the Issuer shall ensure that such Tax Subsidiary shall not (A) have any employees (other than its directors), (B) have any subsidiaries (other than any subsidiary of such Tax Subsidiary which is subject, to the extent applicable, to covenants set forth in

this Section 7.16 applicable to a Tax Subsidiary), or (C) incur or assume or guarantee any indebtedness or hold itself out as liable for the debt of any other Persons;

(v) the Issuer shall ensure that such Tax Subsidiary shall not conduct business under any name other than its own;

(vi) the constitutive documents of such Tax Subsidiary shall provide that recourse with respect to costs, expenses or other liabilities of such Tax Subsidiary shall be solely to the assets of such Tax Subsidiary and no creditor of such Tax Subsidiary shall have any recourse whatsoever to the Issuer or its assets except to the extent otherwise required under applicable law;

(vii) the Issuer shall ensure that such Tax Subsidiary shall file all tax returns and reports required to be filed by it and to pay all taxes required to be paid by it;

(viii) the Issuer shall notify the Trustee of the filing or commencement of any action, suit or proceeding by or before any arbiter or governmental authority against or affecting such Tax Subsidiary;

(ix) the Issuer shall ensure that such Tax Subsidiary shall not enter into any agreement or other arrangement that prohibits or restricts or imposes any condition upon the ability of such Tax Subsidiary to pay dividends or other distributions with respect to any of its ownership interests;

(x) the Issuer shall be permitted to take any actions and enter into any agreements to effect the transactions contemplated by Section 7.16(j) so long as they do not violate Section 7.16(k);

(xi) the Issuer shall keep in full effect the existence, rights and franchises of such Tax Subsidiary as a company or corporation organized under the laws of its jurisdiction and shall obtain and preserve its qualification to do business in each jurisdiction in which such qualification is or shall be necessary to preserve the Tax Subsidiary Assets held from time to time by such Tax Subsidiary. In addition, the Issuer and such Tax Subsidiary shall not take any action, or conduct its affairs in a manner, that is likely to result in the separate existence of such Tax Subsidiary being ignored or in its assets and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. Notwithstanding the foregoing, the Issuer shall be permitted to dissolve any Tax Subsidiary at any time;

(xii) the parties hereto agree that any reports prepared by the Trustee, the Collateral Manager or the Collateral Administrator with respect to the Collateral Obligations shall indicate that any Tax Subsidiary Assets are held by a Tax Subsidiary, and shall refer directly and solely to such Tax Subsidiary Assets, and the Trustee shall not be obligated to refer to the equity interest in such Tax Subsidiary;

(xiii) the Issuer, the Co-Issuer, the Collateral Manager and the Trustee shall not cause the filing of a petition in bankruptcy against the Tax Subsidiary for the nonpayment of any amounts due hereunder until at least one year and one day, or any longer

applicable preference period then in effect plus one day, after the payment in full of all the Notes issued under this Indenture;

(xiv) in connection with the organization of such Tax Subsidiary and the contribution of any Tax Subsidiary Assets to such Tax Subsidiary pursuant to Section 7.16(j), the Tax Subsidiary shall establish one or more custodial and/or collateral accounts, as necessary, with the Bank or the Custodian to hold the Tax Subsidiary Assets pursuant to an account control agreement; *provided* that (A) a Tax Subsidiary Asset shall not be required to be held in such a custodial or collateral account if doing so would be in violation of another agreement related to such Tax Subsidiary Asset or any other asset and (B) the Issuer may pledge a Tax Subsidiary Asset to a Person other than the Trustee if required pursuant to a related reorganization or bankruptcy Proceeding;

(xv) subject to the other provisions of this Indenture, the Issuer shall cause the Tax Subsidiary to distribute, or cause to be distributed, Tax Subsidiary Assets to the Issuer, in such amounts and at such times as shall be determined by the Collateral Manager (any Cash proceeds distributed to the Issuer shall be deposited into the Principal Collection Subaccount or the Interest Collection Subaccount, as applicable); *provided* that the Issuer shall not cause any amounts to be so distributed unless all amounts in respect of any related tax liabilities and expenses have been paid in full or have been properly reserved for in accordance with GAAP;

(xvi) notwithstanding the complete and absolute transfer of a Tax Subsidiary Asset to a Tax Subsidiary, for purposes of measuring compliance with the Concentration Limitations, Portfolio Quality Test, and Coverage Tests, the ownership interests of the Issuer in such Tax Subsidiary or any property distributed to the Issuer by the Tax Subsidiary (other than Cash) shall be treated as ownership of the Tax Subsidiary Asset(s) owned by such Tax Subsidiary (and, as a result, such Tax Subsidiary Assets will be included in the calculations of the Concentration Limitations, Portfolio Quality Tests and Coverage Tests as if such Tax Subsidiary Assets were held directly by the Issuer and the ownership interests of the Issuer in such Tax Subsidiary will be excluded from the calculations of the Concentration Limitations, Portfolio Quality Tests and Coverage Tests). If, prior to its transfer to the Tax Subsidiary, a Tax Subsidiary Asset was a Defaulted Obligation, the ownership interests of the Issuer in the Tax Subsidiary shall be treated as a Defaulted Obligation until such Tax Subsidiary Asset would have ceased to be a Defaulted Obligation if owned directly by the Issuer;

(xvii) any distribution of Cash by such Tax Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer;

(xviii) if (A) any Event of Default occurs, the Notes have been declared due and payable (and such declaration shall not have been rescinded and annulled in accordance with this Indenture), and the Trustee or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of the Collateral, (B) notice is given of any mandatory redemption, auction call redemption, Optional Redemption, tax redemption,

clean up call or other prepayment in full or repayment in full of all Notes Outstanding and such notice is not capable of being rescinded, (C) the Stated Maturity has occurred, or (D) irrevocable notice is given of any other final liquidation and final distribution of the Collateral, however described, the Issuer or the Collateral Manager on the Issuer's behalf shall (x) instruct such Tax Subsidiary to sell each Tax Subsidiary Asset held by such Tax Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity security of or other interest in such Tax Subsidiary held by the Issuer or (y) sell its interest in such Tax Subsidiary; and

(xix) (A) the Issuer shall not dispose of an interest in such Tax Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and (B) such Tax Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis.

(o) Each contribution by the Issuer to a Tax Subsidiary as provided in this Section 7.16 may be effected by means of granting a participation interest in the relevant asset to the Tax Subsidiary, if such grant transfers ownership of such asset to the Tax Subsidiary for U.S. federal income tax purposes based on an opinion or advice of Dechert LLP or McDermott Will & Emory LLP or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters.

Section 7.17 Ramp-Up Period; Purchase of Additional Collateral Obligations. (a) The Issuer shall use its commercially reasonable efforts to satisfy the Aggregate Ramp-Up Par Condition by the end of the Ramp-Up Period. If the Ramp-Up Period has not ended prior to July 1, 2013 (the "Interim Report Date"), the Issuer (or the Collateral Manager on its behalf) shall prepare a written report, determined as of the Interim Report Date, setting forth the Aggregate Principal Balance of the Collateral Obligations, the Diversity Score, the Moody's Weighted Average Rating Factor, the Weighted Average Floating Spread, the Weighted Average Fixed Coupon and the Moody's Weighted Average Recovery Rate. The Issuer (or the Collateral Manager on its behalf) shall deliver or cause such written report to be delivered to the Trustee within 5 Business Days of the Interim Report Date. The Issuer will use commercially reasonable efforts to acquire an amount of Collateral Obligations such that, as of the Interim Report Date, the Aggregate Principal Balance of the Collateral Obligations in the portfolio is greater than or equal to \$200,000,000.

(b) During the Ramp-Up Period, the Issuer shall use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation from, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account and (ii) to pay for accrued interest on any such Collateral Obligation from any amounts on deposit in the Ramp-Up Account. In addition, the Issuer shall use its commercially reasonable efforts to acquire such Collateral Obligations that shall satisfy, as of the end of the Ramp-Up Period, the Concentration Limitations, Portfolio Quality Test and the Par Value Ratio Tests.

(c) Within 10 Business Days after the end of the Ramp-Up Period, the Issuer shall provide, or cause the Collateral Manager to provide, to S&P, in the form of a Microsoft Excel file, the S&P Excel Default Model Input File that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied.

(d) Unless clause (e) below is applicable, within 15 Business Days after the end of the Ramp-Up Period (but in no event later than the Determination Date relating to the first Payment Date), the Issuer shall provide, or (at the Issuer's expense) cause the Collateral Manager to provide the following documents: (i) to ~~the Rating Agency~~ S&P, a report (along with a request from the Issuer, or the Collateral Manager on its behalf, that S&P reaffirm its Initial Ratings of the Secured Notes), identifying the Collateral Obligations and, with respect to each Collateral Obligation, specifying (1) its LoanX Mark-It Partners identifier (if any), LIBOR floor (if any), S&P Industry Classification and classification as a Senior Secured Loan (or a Participation Interest therein), First Lien Last Out Loan, Second Lien Loan, Senior Secured Floating Rate Note, Secured Bond, High Yield Bond, Unsecured Loan or Prefunded Letter of Credit, (2) its Principal Balance, (3) an indication of whether the purchase of such Collateral Obligation has settled and, if the purchase of such Collateral Obligation has not settled and the Aggregate Principal Balance of the Collateral Obligations the purchase of which has not settled exceeds 10% of the Aggregate Ramp-Up Par Condition, the Market Value of such Collateral Obligation (as determined by the Collateral Manager), and, in the case of any Collateral Obligation that has not settled, the purchase price thereof and (4) the balance of each Account; (ii) to the Trustee, the Collateral Manager and ~~the Rating Agency~~ S&P, (x) a report (which the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) stating the following information (the "Ramp-Up Period Report"): (1) the Obligor, Principal Balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the end of the Ramp-Up Period and substantially similar information provided by the Issuer with respect to every other asset included in the Assets, by reference to such sources as shall be specified therein, and (2) calculating, as of the end of the Ramp-Up Period, the level of compliance with, and satisfaction or non-satisfaction of, (A) the Aggregate Ramp-Up Par Condition, (B) each Par Value Ratio Test, (C) the Concentration Limitations and (D) the Portfolio Quality Test (excluding the S&P CDO Monitor Test) (the tests reflected in the foregoing clauses (A) through (D) above, the "Ramp-Up Period Tests"); and (y) a certificate of the Issuer (such certificate, the "Ramp-Up Period Issuer Certificate") certifying that the Issuer has received an Accountants' Report that recalculates and compares the information set forth in the Ramp-Up Period Report (such Accountants' Report, the "Ramp-Up Period Accountants' Report"); and (iii) to the Trustee, the Ramp-Up Period Accountants' Report. Upon receipt of the Ramp-Up Period Report, the Trustee and the Collateral Manager shall each compare the information contained in such Ramp-Up Period Report to the information contained in their respective records with respect to the Assets and shall, within three Business Days after receipt of such Ramp-Up Period Report, notify such other party and the Issuer, the Collateral Administrator and ~~the Rating Agency~~ S&P if the information contained in the Ramp-Up Period Report does not conform to the information maintained by the Trustee or the Collateral Manager, as the case may be, with respect to the Assets. In the event that any discrepancy exists, the Trustee and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be resolved within five Business Days after the delivery of such a notice of discrepancy,

the Collateral Manager shall request that the Independent accountants selected by the Issuer pursuant to Section 10.8 perform agreed-upon procedures on the Ramp-Up Period Report and the Collateral Manager's and Trustee's records to assist the Trustee in determining the cause of such discrepancy. If such procedures reveal an error in the Ramp-Up Period Report or the Collateral Manager's or Trustee's records, the Ramp-Up Period Report or the Collateral Manager's or Trustee's records shall be revised accordingly and notice of any error in the Ramp-Up Period Report shall be sent as soon as practicable by the Issuer to all recipients of such report. Any statement or report delivered to the Trustee from the firm of independent certified public accountants may be requested by any Holder directly from such accountants as described in this Indenture. The Trustee shall not deliver under any circumstances (other than as compelled by legal or regulatory process), and without regard to any other provision of this Indenture, to any Holder, ~~the Rating Agency~~ S&P or other party any such statement or report received from such accountants, and shall have no liability or responsibility for taking or omitting to take any such action.

(e) If S&P (which must receive the Ramp-Up Period Report to provide written confirmation of its Initial Rating of the Secured Notes) does not provide written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Secured Notes (such event, an "S&P Rating Confirmation Failure") within 20 Business Days after its receipt of the Ramp-Up Period Report (but in no event later than the Determination Date relating to the first Payment Date), then the Issuer (or the Collateral Manager on the Issuer's behalf) will instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations until such time as S&P has provided written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Secured Notes; *provided* that, in lieu of complying with this clause (y), the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to obtain written confirmation (which may take the form of a press release or other written communication) from S&P of its Initial Rating of the Secured Notes; it being understood that, if the events specified in both of clauses (x) and (y) occur, the Issuer (or the Collateral Manager on the Issuer's behalf) will be required to satisfy the requirements of both clause (x) and clause (y); *provided further* that, in the case of each of the foregoing clauses (x) and (y), amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to such transfer, (I) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay in full the amount of the accrued and unpaid interest on any Class of Secured Notes on such next succeeding Payment Date, or (II) such transfer would result in a deferral of interest with respect to the Class B Notes, the Class C Notes or the Class D Notes on the next succeeding Payment Date.

(f) The failure of the Issuer to satisfy the requirements of this Section 7.17 will not constitute an Event of Default unless such failure constitutes an Event of Default under Section 5.1(d) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. Of the proceeds of the issuance of the Notes which are not applied (i) to pay

for the purchase of Collateral Obligations acquired by the Issuer on or before the Closing Date and (ii) to pay or reserve for applicable fees and expenses, U.S.\$300,000,000 shall be deposited in the Ramp-Up Account on the Closing Date. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the Closing Date to and including the end of the Ramp-Up Period as described in clause (b) above. If at the end of the Ramp-Up Period, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(g) Asset Quality Matrix; S&P CDO Monitor. On or prior to the last day of the Ramp-Up Period, the Collateral Manager shall (i) determine which "row/column combination" of the Asset Quality Matrix shall apply on and after the last day of the Ramp-Up Period to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, and if such "row/column combination" differs from the "row/column combination" chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Trustee and the Collateral Administrator and (ii) determine the applicable S&P CDO Monitor that shall apply on and after the last day of the Ramp-Up Period to the Collateral Obligations for purposes of determining compliance with the S&P CDO Monitor Test, and if such S&P CDO Monitor differs from the S&P CDO Monitor chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Trustee, S&P (via email to CDOEffectiveDatePortfolios@standardandpoorspglobal.com) and the Collateral Administrator. Thereafter, at any time on written notice of two Business Day to the Trustee, the Collateral Administrator, the Designated Successor Manager and S&P (in the case of delivery to S&P, via email to CDO_surveillance@standardandpoorspglobal.com), the Collateral Manager may elect a different "row/column combination" of the Asset Quality Matrix or a different S&P CDO Monitor to apply to the Collateral Obligations; *provided* that: (i) if the election is in relation to a proposed purchase of a Collateral Obligation and each Portfolio Quality Test will be satisfied following such purchase, then such election shall be deemed to go into effect simultaneously with such proposed purchase after giving effect to such purchase, and (ii) in all other cases, such election shall only be permitted if the Collateral Obligations are in compliance with the Asset Quality Matrix case or the S&P CDO Monitor (as the case may be) to which the Collateral Manager desires to change. If the Collateral Manager does not notify the Trustee and the Collateral Administrator that it will alter the "row/column combination" of the Asset Quality Matrix or the S&P CDO Monitor, in each case chosen on the last day of the Ramp-Up Period in the manner set forth above, the "row/column combination" of the Asset Quality Matrix or the S&P CDO Monitor (as the case may be) chosen on the last day of the Ramp-Up Period shall continue to apply. Notwithstanding the foregoing, the Collateral Manager may elect at any time after the last day of the Ramp-Up Period, in lieu of selecting a "row/column combination" of the Asset Quality Matrix (but otherwise in compliance with the requirements of the fourth sentence of this Section 7.17(g)) to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points.

(iv) The Accounts are not in the name of any person other than the Issuer or the Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute general intangibles:

At the cost of the Co-Issuers, the Trustee shall provide to the Holders, the Rating Agency Agencies (so long as any Secured Notes are Outstanding and are rated by ~~the~~such Rating Agency) and, for so long as any Notes are listed on the Irish Stock Exchange, the Irish Stock Exchange, a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture. The Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or an Officer's certificate of the Collateral Manager as to whether the interests of any Holder of Notes would be materially and adversely affected by the modifications set forth in supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in Section

8.3 hereof. For the avoidance of doubt, any amendment or modification to the definitions of the terms "Concentration Limitations", "Portfolio Quality Test", "Collateral Obligation", "Eligible Investments" or "Investment Criteria" shall be viewed as materially and adversely affecting the rights or interests of any holders of any Class of Notes.

However, no supplemental indenture, or other modification or amendment of this Indenture, may become effective without the consent of the Holders of the Notes unless such supplemental indenture or other modification or amendment will not, in the reasonable judgment of the Issuer in consultation with legal counsel experienced in such matters, as certified by the Issuer to the Trustee upon which the Trustee may conclusively rely, (A) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (B) result in the Issuer being treated as being engaged in a trade or business within the United States, or (C) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of modification of this Indenture, as described under the heading "Certain Income Tax Considerations—United States Federal Income Taxation."

A supplemental indenture entered into for any purpose other than the purposes provided for in this Section 8.1 shall require the consent of the Holders of Notes as required in Section 8.2.

Section 8.2 Supplemental Indentures with Consent of Holders of Notes. (a) With the consent of a Majority of each Class of Notes materially and adversely affected thereby, the Trustee and the Co-Issuers may enter into a supplemental indenture to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of the Notes of such Class under this Indenture; *provided* that, no such supplemental indenture pursuant to this Section 8.2(a) shall, without the consent of each Holder of each Outstanding Note of each Class materially and adversely affected thereby:

(i) change the Stated Maturity of the principal of or the due date of any installment of interest on any Secured Note, reduce the principal amount thereof or the rate of interest thereon or the Redemption Price with respect to any Note, or change the earliest date on which Notes of any Class may be redeemed, change the provisions of this Indenture relating to the application of proceeds of any Assets to the payment of principal of or interest on Secured Notes, application of proceeds of any distributions on the Subordinated Notes (other than, following a redemption in full of the Secured Notes, an amendment to permit distributions to the Holders of Subordinated Notes on dates other than a Payment Date) or change any place where, or the coin or currency in which, Subordinated Notes or Secured Notes or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(ii) change the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required under this Indenture, including for the authorization of any such supplemental indenture, exercise of remedies under this

Indenture or for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder or their consequences;

(iii) materially impair or materially adversely affect the Assets except as otherwise permitted in this Indenture;

(iv) except as otherwise expressly permitted by this Indenture, permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Assets or terminate such lien on any property at any time subject hereto or deprive the Holder of any Secured Note of the security afforded by the lien of this Indenture;

(v) modify any of the provisions of this Section 8.2, except to increase the percentage of Outstanding Secured Notes or Subordinated Notes the consent of the Holders of which is required for any such action or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Secured Note or Subordinated Note Outstanding and affected thereby;

(vi) modify the definitions of the terms "Outstanding," "Class," "Controlling Class," "Majority" or "Supermajority";

(vii) modify any of the provisions of this Indenture in such a manner as to directly affect the calculation of the amount of any payment of interest or principal on any Secured Note, or to reduce any amount available for distribution to the Subordinated Notes or to affect the rights of the Holders of Secured Notes to the benefit of any provisions for the redemption of such Secured Notes contained herein;

(viii) amend any of the provisions of this Indenture relating to the institution of proceedings for certain events of bankruptcy, winding up, insolvency, receivership or reorganization of the Co-Issuers;

(ix) modify the restrictions on and procedures for resales and other transfers of Notes (except as set forth in Section 8.1(vi)); or

(x) (A) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (B) result in the Issuer being treated as being engaged in a trade or business within the United States, or (C) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of modification of this Indenture, as described under the heading "Certain Income Tax Considerations—United States Federal Income Taxation."

(b) Not later than twenty (20) Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.2(a), the Trustee, at the expense of the Co-Issuers, shall mail to the Noteholders, the Collateral Manager, the Collateral Administrator, any Hedge Counterparty and ~~the~~each Rating Agency (so long as any Secured Notes are Outstanding and are rated by ~~the~~such Rating Agency) a copy of such proposed supplemental indenture and shall request any required consent from the applicable Holders of Notes to be given within twenty (20) Business Days. Following such delivery by the Trustee, if any changes

are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the request and cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than five Business Days prior to the execution of such proposed supplemental indenture (provided that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 20 Business Days after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.2, the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, [S&Peach Rating Agency](#) and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. Any consent given to a proposed supplemental indenture by the holder of any Notes will be irrevocable and binding on all future holders or beneficial owners of that Note, irrespective of the execution date of the supplemental indenture. If the Holders of less than the required percentage of the Aggregate Outstanding Amount of the relevant Notes consent to a proposed supplemental indenture within 20 Business Days, on the first Business Day following such period, the Trustee will provide consents received to the Issuer and the Collateral Manager so that they may determine which Holders of Notes have consented to the proposed supplemental indenture and which Holders of Notes (and, to the extent such information is available to the Trustee, which beneficial owners) have not consented to the proposed supplemental indenture.

(c) It shall not be necessary for any Act of Holders under this Section 8.2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act or consent shall approve the substance thereof, so long as the Holders have received a copy of the language to be included in any proposed supplemental indenture and any changes to such language included in any proposed supplemental indenture sent to Holders is of a purely minor nature or to fix typographic mistakes.

(d) With respect to any proposed supplemental indenture pursuant to Section 8.2(a), for so long as any Class A-1 Notes shall remain Outstanding, the Trustee and the Co-Issuers will not enter into such supplemental indenture without the express written consent of a Majority of the Class A-1 Noteholders.

(e) The Issuer shall not enter into any supplemental indenture pursuant to this Section 8.2 if any Hedge Counterparty (in its reasonable judgment) would be materially and adversely affected by such supplemental indenture and notifies the Issuer and the Trustee thereof without the prior written consent of such Hedge Counterparty.

(f) Promptly after the execution by the Co-Issuers and the Trustee of any supplemental indenture pursuant to this Section 8.2, the Trustee, at the expense of the Co-Issuers, shall deliver to the Holders, the Collateral Manager, ~~the~~[each](#) Rating Agency (so long as any Secured Notes are Outstanding and are rated by ~~the~~[such](#) Rating Agency) and, for so long as any Notes are listed on the Irish Stock Exchange, the Irish Stock Exchange, a copy thereof. Any failure of the Trustee to deliver a copy of any supplemental indenture as provided herein, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

(g) The Trustee may conclusively rely on an Opinion of Counsel (which may be supported as to factual (including financial and capital markets) matters by any relevant

certificates and other documents necessary or advisable in the judgment of counsel delivering the opinion) or an Officer's certificate of the Collateral Manager as to whether the interests of any Holder of Notes would be materially and adversely affected by the modifications set forth in supplemental indenture, it being expressly understood and agreed that the Trustee shall have no obligation to make any determination as to the satisfaction of the requirements related to any supplemental indenture which may form the basis of such Opinion of Counsel. Such determination shall be conclusive and binding on all present and future Holders. The Trustee shall not be liable for any such determination made in good faith and in reliance upon an Opinion of Counsel delivered to the Trustee as described in Section 8.3 hereof. For the avoidance of doubt, the failure to satisfy the ~~S&P~~ Rating Condition (except in the case of clause (xx)(A) of Section 8.1 above) shall not prevent the execution or effectiveness of any supplemental indenture. For the avoidance of doubt, any amendment or modification to the definitions of the terms "Concentration Limitations", "Portfolio Quality Test", "Collateral Obligation", "Eligible Investments" or "Investment Criteria" shall be viewed as materially and adversely affecting the rights or interests of any holders of any Class of Notes.

Section 8.3 Execution of Supplemental Indentures. In executing or accepting the additional trusts created by any supplemental indenture permitted by this ARTICLE VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized and permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise. Neither the Collateral Manager nor the Collateral Administrator shall be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of the amendment or supplement from the Issuer or the Trustee prior to the execution thereof in accordance with the notice requirements of Section 8.1 and Section 8.2. Notwithstanding anything in this Indenture to the contrary, the Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or the priority of any fees or other amounts payable to the Collateral Manager, the Designated Successor Manager or the Collateral Administrator), or adversely change the economic consequences to, the Collateral Manager, the Designated Successor Manager or the Collateral Administrator, (ii) directly or indirectly modify the restrictions on the purchases or sales of Collateral Obligations under ARTICLE XII or the Investment Criteria, (iii) expand or restrict the Collateral Manager's discretion or (iv) adversely affect the Collateral Manager, Designated Successor Manager or the Collateral Administrator, unless the Collateral Manager, Designated Successor Manager (pursuant to clauses (i) or (iv) only) or the Collateral Administrator (pursuant to clauses (i) or (iv) only), as applicable, shall have consented in advance thereto in writing, such consent to not be unreasonably withheld or delayed; *provided* that each of the Collateral Manager, the Designated Successor Manager and the Collateral Administrator may withhold its consent in its sole discretion if such amendment or supplement affects the amount, timing or priority of payment of its fees or increases or adds to its obligations, and the Issuer shall not enter into any such amendment or supplement unless the Collateral Manager, Designated Successor Manager or the Collateral Administrator (as applicable) shall have given its prior written consent. Notwithstanding anything in this

Indenture to the contrary, the Issuer agrees that it shall not permit to become effective any amendment or supplement to this Indenture which would modify the restrictions on the purchases of Collateral Obligations under Section 12.2(b) without the consent of a Majority of each Class of Notes.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this ARTICLE VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this ARTICLE VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account on the related Payment Date to make payments as required pursuant to the Priority of Payments to achieve compliance with such Coverage Test.

Section 9.2 Optional Redemption. (a) The Secured Notes shall be redeemed by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any Payment Date on or after the end of the Non-Call Period pursuant to a Redemption by Liquidation or, with the consent of the Collateral Manager, a Redemption by Refinancing (each, an "Optional Redemption") at the written direction of a Majority of the Subordinated Notes delivered to the Issuer, the Trustee and the Collateral Manager not later than 25 days (or such shorter time as the Issuer, the Trustee and the Collateral Manager find reasonably acceptable) prior to the proposed Redemption Date. A Majority of the Subordinated Notes may direct that an Optional Redemption occur by directing the Collateral Manager to either (i) liquidate a sufficient amount of the Assets (a "Redemption by Liquidation") to fully redeem all Classes of Secured Notes, or (ii) in each case with the consent of the Collateral Manager, negotiate and obtain on behalf of the Issuer (x) one or more loans or other financing arrangements to be made to the Issuer, and/or (y) the issuance of replacement notes ("Replacement Notes") by the Issuer, in each case, on terms approved by a Majority of the Subordinated Notes prior to the related Refinancing Date (each, a "Refinancing"), the proceeds of which shall be used to fully redeem all Classes of Secured Notes designated by a Majority of the Subordinated Notes, which, in each case, may include the sale of Assets (a "Redemption by Refinancing"). The Issuer shall deposit, or cause to be deposited, the funds required for an Optional Redemption on or prior to the Redemption Date.

(b) Upon receipt of a notice of a Redemption by Liquidation, the Collateral Manager shall, in its sole discretion, direct the sale (and the manner thereof) of all or part of the Collateral Obligations and other Assets in accordance with the procedures set forth in Section 9.2(c). The Liquidation Proceeds and all other funds available for such redemption in the Collection Account and the Payment Account shall be at least sufficient to pay the Redemption Price on all of the Secured Notes and to pay all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments (including, without limitation, any Management Fees, the Deferred Placement Fee and any amounts due to the Hedge Counterparties); *provided* that any Holder of a Secured Note may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Paying Agent, the Designated Successor Manager and the Collateral Manager, to receive in full payment for the redemption of its Secured Note an amount less than the Redemption Price of such Secured Note in connection with a Redemption by Liquidation of all Classes of Secured Notes and the Collateral Manager may, in its sole discretion, elect, by written notice to the Issuer, the Trustee, the Designated Successor Manager and the Paying Agent, to waive all or any portion of the Management Fees and any Management Fee Interest then owing to the Collateral Manager. If such Liquidation Proceeds and all other funds available for such purpose in the Collection Account and the Payment Account would not be sufficient to redeem all of the Secured Notes at the applicable Redemption Price and to pay such fees and expenses, the Secured Notes may not be redeemed. The Collateral Manager, in its sole discretion, may effectuate the sale of all or any part of the Collateral Obligations or other Assets through the direct sale of such Collateral Obligations or other Assets or by participation or other arrangement.

(c) Notwithstanding anything to the contrary set forth herein, the Secured Notes shall not be redeemed pursuant to a Redemption by Liquidation unless (i) at least five (5) Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions whose short term unsecured debt obligations (other than such obligations whose rating is based on the credit of a person other than such institution) are rated, or guaranteed by a Person whose short-term unsecured debt obligations are rated, at least "A-1" by S&P and at least "P-1" by Moody's to purchase (which purchase may be through a participation), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Collateral Obligations and/or any Hedge Agreements at a purchase price at least equal to an amount sufficient, together with the Eligible Investments maturing, redeemable (or putable to the issuer thereof at par) on or prior to the scheduled Redemption Date, any payments to be received in respect of any Hedge Agreements, to pay all Administrative Expenses and other fees and expenses payable in accordance with the Priority of Payments (regardless of the Administrative Expense Cap and including the Management Fees, the Deferred Placement Fee and any amounts due to Hedge Counterparties) prior to the payment of the principal of the Notes to be redeemed and redeem all of the Secured Notes on the scheduled Redemption Date at the applicable Redemption Price, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify to the Trustee that, in its judgment, the aggregate sum of (A) any expected proceeds from Hedge Agreements and the sale of Eligible Investments, (B) any Refinancing Proceeds and (C) for each Collateral Obligation, the product of its Principal Balance and its Market Value and its Applicable Advance Rate, shall exceed the sum of (x) the aggregate

Redemption Prices of the Outstanding Secured Notes and (y) all Administrative Expenses and other fees and expenses payable under the Priority of Payments (including, without limitation, the Management Fees, Management Fee Interest, the Deferred Placement Fee and any amounts due to Hedge Counterparties) (without limitation thereof by the Administrative Expense Cap) prior to the redemption of the Notes. Any certification delivered by the Collateral Manager pursuant to this Section 9.2(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) of any Collateral Obligations, Eligible Investments and/or Hedge Agreements and (2) all calculations required by this Section 9.2(c).

(d) Upon receipt of notice of a Redemption by Refinancing with respect to all Classes of Secured Notes, the Collateral Manager may obtain a Refinancing on behalf of the Issuer only if (i) the Refinancing Proceeds, any Sale Proceeds and all other available funds in the Accounts shall be at least sufficient to redeem simultaneously each Class of Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Price and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments (including the Management Fees, the Deferred Placement Fee and any amounts due to Hedge Counterparties), including the reasonable fees, costs, charges and expenses incurred by the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing; *provided* that any Holder of a Secured Note may in its sole discretion elect, by written notice to the Issuer, the Trustee, the Designated Successor Manager, the Paying Agent and the Collateral Manager, to receive in full payment for the redemption of its Secured Note an amount less than the Redemption Price of such Secured Note in connection with a Refinancing of all Classes of Secured Notes and the Collateral Manager may, in its sole discretion, elect, by written notice to the Issuer, the Trustee, the Designated Successor Manager and the Paying Agent, to waive all or any portion of the Management Fees and any Management Fee Interest then owing to the Collateral Manager, (ii) the Refinancing Proceeds, any Sale Proceeds and other available funds are used to the extent necessary to make such redemption, and (iii) the agreements relating to such Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 5.4(d).

(e) The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment of all of the Secured Notes in full, at the direction of either of (x) a Majority of the Subordinated Notes or (y) the Collateral Manager, so long as Arrowpoint Asset Management, LLC or any Affiliate thereof is the Collateral Manager.

The Holders of the Subordinated Notes shall not have any cause of action against any of the Co-Issuers, the Collateral Manager or the Trustee for any failure to obtain a Refinancing. In the event that a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers and the Trustee (as directed by the Issuer) shall amend this Indenture pursuant to ARTICLE VIII to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes, other than the Majority of the Subordinated Notes directing the redemption.

Section 9.3 Partial Redemption by Refinancing. Upon written direction of a Majority of the Subordinated Notes delivered to the Issuer, the Trustee and the Collateral Manager not later than 25 days (or such shorter period of time as the Issuer, the Trustee and the Collateral Manager find reasonably acceptable) prior to the proposed Redemption Date, the Issuer shall redeem one or more Classes of Secured Notes following the end of the Non-Call Period, in whole but not in part with respect to each such Class to be redeemed, from Refinancing Proceeds (any such redemption, a "Partial Redemption by Refinancing"); *provided* that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below.

The Issuer shall obtain a Refinancing in connection with a Partial Redemption by Refinancing only if (i) the ~~S&P~~ Rating Condition shall have been satisfied with respect to any Secured Notes that are not subject to such Partial Redemption by Refinancing, (ii) the Refinancing Proceeds (together with Interest Proceeds available in accordance with the Priority of Payments to pay the accrued interest portion of the Redemption Price) shall be in an amount at least equal to the amount required to pay the Redemption Price of the Class(es) of Secured Notes to be redeemed, (iii) the aggregate principal amount of the Replacement Notes issued by the Issuer under such Refinancing is equal to the Aggregate Outstanding Amount of the Secured Notes to be redeemed with the proceeds of such Refinancing, (iv) the obligations providing such Refinancing shall have the same or longer Maturity as the Notes Outstanding prior to such Refinancing, (v) the Refinancing Proceeds (to the extent necessary) are used to make such redemption, (vi) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (*mutatis mutandis*) to those contained in Section 2.8(i) and Section 5.4(d), (vii) the obligations providing such Refinancing are not senior in priority of payment, and do not have greater voting, consent and redemption rights than the corresponding Class of Notes that is being refinanced, (viii) the Replacement Notes shall have the same or lower interest rate as the Class(es) of Secured Notes to be redeemed, (ix) the expenses incurred in connection with the Partial Redemption by Refinancing shall have been paid or will be adequately provided for from the Refinancing Proceeds (except for expenses owed to persons that agree to be paid solely as Administrative Expenses in accordance with the Priority of Payments), (x) with respect to any Replacement Notes issued pursuant to such Refinancing, the Issuer causes to be delivered to the Trustee an opinion of Dechert LLP or McDermott Will & Emory LLP or of other tax counsel of nationally recognized standing in the United States experienced in such matters, in form and substance satisfactory to the Collateral Manager, to the effect that (A) such issuance will not (x) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (y) result in the Issuer being treated as being engaged in a trade or business within the United States, or (z) have a material adverse effect on the tax treatment of the Issuer or the tax consequences to the holders of any Class of Notes Outstanding at the time of such issuance, as described in the Offering Circular under the heading "Certain Income Tax Considerations—Certain United States Federal Income Taxation," and (B) such Replacement Notes will have the same U.S. Federal income tax equity or debt characterization as any Secured Notes Outstanding that are *pari passu* with such Replacement Notes and (xi) the Collateral Manager has consented to such Partial Redemption by Refinancing.

Section 9.4 Redemption Following a Tax Event. The Secured Notes shall be redeemed by the Co-Issuers or the Issuer, as the case may be, in whole but not in part, on any

Payment Date on or after the occurrence of a Tax Event at the written direction of (x) a Majority of the Subordinated Notes or (y) a Majority of any Affected Class delivered to the Issuer, the Trustee and the Collateral Manager not later than 25 days (or such shorter period of time as the Issuer, the Trustee and the Collateral Manager find reasonably acceptable) prior to the proposed Redemption Date. Either (i) a Majority of the Subordinated Notes or (ii) a Majority of any Affected Class may direct the Collateral Manager to effect a Redemption by Liquidation to fully redeem all Classes of Secured Notes in accordance with the procedures set forth in Section 9.5. The funds available for such a redemption of the Notes shall include all Principal Proceeds, Interest Proceeds, Liquidation Proceeds, Disposition Proceeds and all other available funds in the Collection Account and the Payment Account. Each Class of Notes shall be redeemed at the applicable Redemption Price (excluding, for the avoidance of doubt, any Make-Whole Amounts) for such Class in accordance with the Priority of Payments.

Section 9.5 Redemption Procedures. (a) In the event of an Optional Redemption or a Partial Redemption by Refinancing, the written direction of the Holders of the Subordinated Notes required as set forth herein shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 25 days (or such shorter period of time as the Issuer, the Trustee and the Collateral Manager find reasonably acceptable) prior to the applicable Redemption Date on which such redemption is to be made (which date shall be designated in such notice) and a notice of redemption shall be given by the Trustee by first class mail, postage prepaid, mailed not later than ten Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed, at such Holder's address in the Register and ~~the~~each Rating Agency if then rating a Class of Secured Notes. In addition, for so long as any Notes are listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, notice of Optional Redemption to the Holders of such Notes shall also be sent to the Irish Stock Exchange for release through the Companies Announcements Office.

(b) All notices of redemption delivered pursuant to Section 9.5(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Price of the Notes to be redeemed;

(iii) in the case of an Optional Redemption, that all of the Secured Notes are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(iv) in the case of a Partial Redemption by Refinancing, the Classes of Secured Notes to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(v) the place or places where Notes are to be surrendered for payment of the Redemption Price, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) in the case of an Optional Redemption, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Price,

which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2 for purposes of surrender.

The Applicable Issuers shall have the option to withdraw any such notice of redemption up to and including the later of (x) the day on which the Collateral Manager is required to deliver to the Trustee the evidence or certifications as described in Section 9.2(c) by written notice to the Trustee (who shall provide notice of such withdrawal to the Holders) that the Collateral Manager will be unable to deliver the evidence or certifications described in Section 9.2(c) and (y) the day on which the Holders of Notes are notified of such redemption in accordance with Section 9.5(a), by written notice to the Trustee and the Collateral Manager. Any withdrawal of such notice of redemption shall be made by written notice to the Trustee, Fitch and the Collateral Manager and shall be made by the Applicable Issuers only if the Collateral Manager has notified the Co-Issuers that either (i) it is unable to deliver the evidence or certifications described in Section 9.2(c) and Sections 12.1(b) and (f), in form satisfactory to the Trustee, or (ii) it is unable to obtain the applicable Refinancing on behalf of the Issuer.

In addition, a Majority of the Subordinated Notes, in the case of any Optional Redemption, or a Majority of the Subordinated Notes or a Majority of an Affected Class, as applicable in the case of a Tax Redemption, shall have the option to withdraw any such notice of redemption up to and including the sixth Business Day prior to the proposed Redemption Date; *provided* that neither the Issuer (nor the Collateral Manager on the Issuer's behalf) has entered into a binding agreement in connection with the sale of any portion of the Assets or taken any other action in connection with the liquidation of any portion of the Assets pursuant to such notice of redemption.

If the Co-Issuer or the Issuer, as the case may be, so withdraw any notice of redemption or are otherwise unable to complete any redemption of the Notes, the Sale Proceeds received from the sale of any Collateral Obligations and other Assets sold pursuant to Section 9.2 may, during the Reinvestment Period at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria. The Issuer shall not permit any Hedge Agreements to be terminated until such periods for withdrawal have expired.

Notice of redemption shall be given by the Co-Issuer or the Issuer, as the case may be, (so long as the Co-Issuer or Issuer, as applicable, have received notice thereof) or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuer or the Issuer, as the case may be. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

Any holder of Notes, the Collateral Manager or any of the Collateral Manager's Affiliates or accounts managed by it shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a redemption pursuant to Section 9.4.

Section 9.6 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.5 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.2(c) in the case of an Optional Redemption and the right to withdraw

any notice of redemption pursuant to Section 9.5(b), become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price and accrued interest) all such Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; *provided* that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Secured Notes so to be redeemed whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Secured Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.8(e).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of such Noteholder.

(c) Notwithstanding anything to the contrary set forth herein, the proceeds from a Refinancing shall not constitute Interest Proceeds or Principal Proceeds but shall be applied directly on the related Redemption Date to redeem the Class(es) of Secured Notes subject to such ~~Redemption by~~ Refinancing without regard to the Priority of Payments; *provided* that to the extent such Refinancing Proceeds are not applied to redeem such Class(es) of Secured Notes or to pay expenses in connection with such Refinancing, such Refinancing Proceeds shall be treated as Principal Proceeds.

Section 9.7 Special Redemption. Principal payments on the Secured Notes shall be made in part in accordance with the Priority of Payments on any Payment Date (A) during the Reinvestment Period, if the Collateral Manager at its sole discretion notifies the Trustee that it has been unable, for a period of at least 30 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager in its sole discretion and would meet the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations (a "Reinvestment Period Special Redemption") or (B) after the Ramp-Up Period, if the Collateral Manager notifies the Trustee that a redemption is required pursuant to Section 7.17(e) (a "Ramp-Up Period Special Redemption" and together with a Reinvestment Period Special Redemption, each a "Special Redemption"); *provided* that, in the event that the Designated Successor Manager has become the Collateral Manager pursuant to the terms of the Collateral Management Agreement and Affiliates of the Designated Successor Manager are holders of a Majority of the Controlling Class, no Special Redemption shall be permitted without the prior consent of a Supermajority of each of the Class A-1 Notes and Class A-2 Notes (voting separately by Class). On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "Special Redemption Date"), (1) in the case of a Reinvestment Period Special Redemption, the amount in the Principal

Collection Subaccount representing Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations or (2) in the case of a Ramp-Up Period Special Redemption, the amounts in the Interest Collection Subaccount and Principal Collection Subaccount, as applicable, representing Interest Proceeds and Principal Proceeds, as applicable, that the Issuer (or the Collateral Manager on the Issuer's behalf) has determined are required for a Special Redemption pursuant to Section 7.17(e) (each such amount, a "Special Redemption Amount") shall be applied in accordance with the Priority of Payments under Section 11.1(a)(ii). Notice of payments pursuant to this Section 9.7 shall be given by the Trustee either by first class mail, postage prepaid, mailed as soon as reasonably practicable, but in any case not less than three Business Days prior to the applicable Special Redemption Date (*provided* that such notice shall not be required in connection with a Special Redemption pursuant to clause (B) of the definition of such term if the Special Redemption Amount is not known on or prior to such date) to each Holder of Secured Notes affected thereby at such Holder's address in the Register and to ~~the~~each Rating Agency or by facsimile or via email transmission to such parties. In addition, for so long as any Notes are listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, notice of Special Redemption to the Holders of such Notes shall also be sent to the Irish Stock Exchange for release through the Companies Announcements Office.

Section 9.8 Clean-up Call Redemption. (a) The Secured Notes are redeemable at the option of the Applicable Issuer(s) acting at the direction of the Collateral Manager (which direction shall (x) be given so as to be received by the Issuer and the Trustee not later than twenty (20) days prior to the proposed Clean-up Call Redemption Date and (y) include the Clean-up Call Redemption Date and the Clean-up Call Redemption Price), in whole but not in part (a "Clean-up Call Redemption"), at the applicable Redemption Price, on any Payment Date selected by the Collateral Manager (such Payment Date, the "Clean-up Call Redemption Date") which occurs on or after the Payment Date on which the Aggregate Principal Balance of the Collateral Obligations and Eligible Investments is less than or equal to 10% of the Aggregate Ramp-Up Par Amount. In such event a notice of redemption shall be given by first class mail, postage prepaid, mailed not later than two Business Days prior to the applicable Clean-up Call Redemption Date, to each Holder of Notes, at such Holder's address in the Register and to ~~the~~each Rating Agency. Any such Clean-up Call Redemption may only be effectuated on a Payment Date and only from (i) the disposition proceeds of the Assets (and any assets held by Tax Subsidiaries) and (ii) all other funds in the Accounts on the Payment Date relating to such redemption. A Clean-up Call Redemption may not occur unless the proceeds from the liquidation of the Assets (and any assets held by Tax Subsidiaries) and all other funds in the Accounts on the Payment Date relating to such redemption results in an amount at least equal to the Clean-up Call Redemption Price.

- (b) All notices of redemption delivered pursuant to Section 9.8(a) shall state:
 - (i) the Clean-up Call Redemption Date;
 - (ii) the Clean-up Call Redemption Price of each Class of Notes to be redeemed; and

(iii) that all of the Notes are to be redeemed in full and that interest on the Secured Notes shall cease to accrue on the Clean-up Call Redemption Date specified in the notice.

Notice of redemption shall be given by the Co-Issuers or, upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder shall not impair or affect the validity of the redemption of any other Notes. In addition, for so long as any Notes are listed on the Irish Stock Exchange and so long as the guidelines of such exchange so require, notice of a Clean-up Call Redemption shall also be given by the Irish Listing Agent in the name and at the expense of the Co-Issuers, to Noteholders by publication by an announcement to the Companies Announcement Office of the Irish Stock Exchange.

(c) Any Clean-up Call Redemption is subject to (i) the purchase of the Assets (and any assets held by Tax Subsidiaries) by any Person(s) from the Issuer, on or prior to the fourth Business Day immediately preceding the Clean-up Call Redemption Date, for a purchase price in Cash at least equal to the Clean-up Call Redemption Price (less the amount of funds in the Accounts that are available to pay the Clean-up Call Redemption Price) and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of a certification from the Collateral Manager that the sum so received satisfies the requirements of clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Collateral Manager on behalf of the Issuer) and the Collateral Manager, acting on behalf of the Issuer, shall take all commercially reasonable actions necessary to sell, assign and transfer the Assets to such Person(s) (which may be the Collateral Manager or any of its Affiliates) upon payment in immediately available funds of the purchase price for such Assets, which shall be no less than the Clean-up Call Redemption Price (less the amount of funds in the Accounts available to be applied to pay the Clean-up Call Redemption Price). The Issuer shall deposit, or cause to be deposited, the funds required for a Clean-up Call Redemption in the Payment Account on or prior to the Clean-up Call Redemption Date. The Trustee shall deposit such payment into the Collection Account.

(d) Any notice of a Clean-up Call Redemption may be withdrawn by the Issuer (or the Collateral Manager on its behalf) up to the fourth Business Day prior to the scheduled Clean-up Call Redemption Date by written notice to the Trustee, ~~the~~[each](#) Rating Agency and (if applicable) the Collateral Manager only if amounts equal to the Clean-up Call Redemption Price (including funds in the Accounts available to pay the Clean-up Call Redemption Price) are not received in full in immediately available funds by the fourth Business Day immediately preceding the Clean-up Call Redemption Date. Notice of any such withdrawal of a notice of a Clean-up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes at such Holder's address in the Register, by overnight courier guaranteeing next day delivery not later than the second Business Day prior to the scheduled Clean-up Call Redemption Date. The Trustee shall also arrange for notice of such withdrawal to be delivered to the Irish Listing Agent for delivery to the Irish Stock Exchange so long as any Notes are listed thereon and so long as the guidelines of such exchange so require.

(e) On the Clean-up Call Redemption Date, the Clean-up Call Redemption Price shall be distributed pursuant to the Priority of Payments.

(f) Notice of redemption pursuant to this Section 9.8 having been given as aforesaid, the Notes to be redeemed shall, on the Clean-up Call Redemption Date, subject to Section 9.8(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.8(d), become due and payable at the Clean-up Call Redemption Price therein specified, and from and after the Clean-up Call Redemption Date (unless the Issuer shall default in the payment of the Clean-up Call Redemption Price and accrued interest) all the Secured Notes shall cease to bear interest on the Clean-up Call Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Clean-up Call Redemption Date; *provided* that if there is delivered to the Co-Issuers and the Trustee such security or indemnity as may be required by any of them to save such party harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Co-Issuers or the Trustee that the applicable Note has been acquired by a Protected Purchaser, such final payment shall be made without presentation or surrender.

If any Secured Note called for redemption pursuant to this Section 9.8 shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Clean-up Call Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Secured Note remains Outstanding; *provided* that the reason for such non-payment is not the fault of the Holder of such Secured Note.

(c) At any time when reinvestment is permitted pursuant to ARTICLE XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds (i) on deposit in the Principal Collection Subaccount representing Principal Proceeds (including Principal Financed Accrued Interest used to pay for accrued interest on an additional Collateral Obligation) and reinvest (or invest, in the case of funds referred to in Section 7.17) such funds in additional Collateral Obligations in accordance with the requirements of ARTICLE XII and such Issuer Order and (ii) on deposit in the Interest Collection Subaccount representing Interest Proceeds and use such funds to exercise a warrant held in the Assets in accordance with the requirements of ARTICLE XII and such Issuer Order so long as the Collateral Manager reasonably believes that such withdrawal of Interest Proceeds will not result in the failure to make any payment of interest due on the Class A-1 Notes or Class A-2 Notes on the next succeeding Payment Date. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds and deposit such funds in the Unfunded Exposure Account to meet funding requirements on Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

Upon the occurrence of an Event of Default (and excluding any proceeds that shall be used to settle binding commitments entered into prior to that date), the Trustee shall deposit any remaining amounts in the Ramp-Up Account into the Principal Collection Subaccount as Principal Proceeds. On the first Business Day after a Trust Officer of the Trustee has received written notice from the Issuer (or the Collateral Manager on the Issuer's behalf) that either (i) the requirements of Section 7.17(e) will not be applicable or (ii) the Issuer (or the Collateral Manager on the Issuer's behalf) has satisfied the requirements set out in Section 7.17(e), the Trustee shall deposit any remaining amounts in the Ramp-Up Account into the Interest Collection Subaccount as Interest Proceeds and/or the Principal Collection Subaccount as Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion). may direct that all or any portion of funds in the Interest Reserve Account be deposited in the Collection Account as Interest Proceeds and/or Principal Proceeds (in the respective amounts directed by the Collateral Manager in its sole discretion) as long as, after giving effect to such deposits, the Collateral Manager determines (as certified in such Issuer Order) that the Issuer shall have sufficient funds in the Collection Account to pay Administrative Expenses pursuant to clause (A), the Senior Management Fee and any Senior Management Fee Interest thereon, the Deferred Senior Management Fee and any Deferred Senior Management Fee Interest thereon, the Senior Designated Successor Manager Fee and any Senior Designated Successor Management Fee Interest thereon and the Deferred Senior Designated Successor Management Fee and any Deferred Senior Designated Successor Management Fee Interest thereon pursuant to clause (B) and any amounts on the Secured Notes pursuant to clauses (D), (E), (F), (G), (H), (J), (K), (M) and (N) of Section 11.1(a)(i) on the Payment Date occurring in August, 2013. The Issuer shall at all times maintain sufficient funds on deposit in the Unfunded Exposure Account such that the sum of the amount of funds on deposit in the Unfunded Exposure Account shall be equal to or greater than the sum of the unfunded funding obligations under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets. Funds shall be deposited in the Unfunded Exposure Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager on behalf of the Issuer. In the event of any shortfall in the Unfunded Exposure Account, the Collateral Manager (on behalf of the Issuer) shall direct the Trustee to, and the Trustee thereafter shall, transfer funds in an amount equal to such shortfall from the Principal Collection Subaccount to the Unfunded Exposure Account.

Any funds in the Unfunded Exposure Account (other than earnings from Eligible Investments therein) will be available solely to cover any drawdowns on the Delayed Drawdown

At any time during or after the Reinvestment Period any Contributing Noteholder, subject to the prior written approval of the Collateral Manager, may make a Contribution (i) of Cash or (ii) solely in the case of Holders of Certificated Subordinated Notes, by notice to the Collateral Manager, the Designated Successor Manager and the Trustee no later than four Business Days prior to the applicable Payment Date, by designating any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Subordinated Notes in accordance with the Priority of Payments, as a Contribution to the Issuer. No Contribution shall be accepted by the Issuer unless each of the following conditions are satisfied: (i) no more than one Contribution may be made following the Closing Date and any proposed Contribution thereafter will require the prior consent of a Majority of the Controlling Class; (ii) if the Adjusted Class B Par Value Ratio Test has been breached, such Contribution shall be made no later than 15 days after the first date upon which the Adjusted Class B Par Value Ratio Test was breached; (iii) notice of such Contribution shall be provided by the Issuer to the Trustee, the Collateral Manager, each Noteholder and the Designated Successor Manager no later than 2 Business Days following the date of such Contribution and shall include (a) the amount of such Contribution, (b) the date such Contribution was made, (c) the calculation of the Adjusted Class B Par Value Ratio immediately before such Contribution is made and immediately after such Contribution is made (provided to the Issuer by the Collateral Administrator), (d) whether or not the Adjusted Class B Par Value Ratio Test has been breached, and if breached, the date upon which such breach first occurred (provided to the Issuer by the Collateral Administrator) and (e) if the Adjusted Class B Par Value Ratio Test has been breached, whether the Contribution was made within 15 days following the date upon which the Adjusted Class B Par Value Ratio Test was first breached.

The Issuer (or the Collateral Manager on its behalf) shall give each of the Holders and the Designated Successor Manager prompt notice of any breach of the Adjusted Class B Par Value Ratio Test. Moreover if a notice of any Contribution has not been provided to the Holders and

the Designated Successor Manager prior to the date which is 13 days following the date of the first such breach of the Adjusted Class B Par Value Ratio Test, then the Issuer (or the Collateral Manager on its behalf) shall provide prompt notice to each of the Holders and the Designated Successor Manager of whether a Contribution is expected to be made prior to the date which is 15 days following the date of the first such breach of the Adjusted Class B Par Value Ratio Test and whether such Contribution is expected to cure the breach of such Adjusted Class B Par Value Ratio Test.

~~The Collateral Manager, on behalf of the Issuer, shall instruct the Trustee to apply such Contribution into either the Contribution Interest Subaccount or the Contribution Principal Subaccount, in each case as directed by the Contributing Noteholder at the time such Contribution is made or, if no direction is given by the Contributing Noteholder, at the Collateral Manager's reasonable discretion.~~ No Contribution or portion thereof shall be returned to the contributor at any time (other than by operation of the Priority of Payments).

The Trustee shall deposit all Contributions into the Contribution Account. Section 10.5 Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Expense Reserve Account, the Contribution Account and the Interest Reserve Account as so directed in Eligible Investments having Stated Maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If prior to the occurrence of an Event of Default, the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in an investment vehicle (which shall be an Eligible Investment) designated as such by the Collateral Manager to the Trustee in writing on or before the Closing Date, (such investment, until and as it may be changed from time to time as hereinafter provided, the "Standby Directed Investment"), until investment instruction as provided in the preceding sentence is received by the Trustee; or, if the Trustee from time to time receives a standing written instruction from the Collateral Manager expressly stating that it is changing the "Standby Directed Investment" under this paragraph, the Standby Designated Investment may thereby be changed to an Eligible Investment of the type described in clause (ii) of the definition of "Eligible Investments" maturing no later than the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein) as designated in such instruction. After an Event of Default, the Trustee shall invest and reinvest such Monies as fully as practicable in a Wells Fargo Secured Institutional Money Market Account (SIMMA) or, if no longer available, such similar investment of the type set forth in clause (ii) of the definition of Eligible Investments maturing not later than the earlier of (i) 30 days after the date of such investment (unless puttable at par to the issuer thereof) or (ii) the Business Day immediately preceding the next Payment Date (or such shorter maturities expressly provided herein). Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. (E) after giving effect to such reinvestment, (x) each of the Moody's Maximum Rating Factor Test and the Concentration Limitation set forth in clauses (iv) and (v) of the definition of "Concentration Limitations" shall be satisfied (and for the avoidance of doubt the "maintain or improved" standard shall not apply when measuring the tests in this clause (E)(x)) and (y) all other Concentration Limitations (other than the Concentration Limitation set forth in clauses (iv) and (v) of the definition of "Concentration Limitations") shall be satisfied or, if not satisfied, maintained or improved,

(F) after giving effect to such reinvestment, the Coverage Tests with respect to each Class of Secured Notes shall be satisfied,

(G) after giving effect to such reinvestment, the Minimum Fixed Coupon Test, the Minimum Floating Spread Test, the Moody's Diversity Test, the S&P CDO Monitor Test, the Moody's Minimum Weighted Average Recovery Rate Test and the S&P Minimum Weighted Average Recovery Rate Test will be satisfied, or if not satisfied, will be maintained or improved,

(H) a Restricted Trading Period is not then in effect and

(I) the aggregate amount of all such Principal Proceeds received with respect to sales of Credit Risk Obligations and Unscheduled Principal Payments reinvested following the Reinvestment Period pursuant to this Section 12.2(b) shall not exceed ~~U.S.\$30,000,000.~~ 40% of the Aggregate Ramp-Up Par Amount.

(c) Investment in Eligible Investments. Cash on deposit in any Account may be invested at any time in Eligible Investments in accordance with ARTICLE X.

(d) Trading Plan Period. For purposes of calculating compliance with the Investment Criteria, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "Trading Plan")) may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within 10 Business Days following the date of determination of such compliance (such period, the "Trading Plan Period"); *provided* that (u) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Balance that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (v) no Trading Plan may result in the purchase of Collateral Obligations with an Average Life less than six months, (w) no Trading Plan may result in the purchase of a group of Collateral Obligations if the difference between the shortest Average Life of any Collateral Obligation in such group and the longest Average Life of any Collateral Obligation in such

group is greater than two years, (x) no Trading Plan Period may include a Determination Date, (y) no more than one Trading Plan may be in effect at any time during a Trading Plan Period and (z) if the Investment Criteria are not satisfied upon the expiry of the related Trading Plan Period, the Collateral Manager may not elect any Trading Plan at any time thereafter; *provided further* that the Collateral Manager shall notify S&P, the Trustee and the Collateral Administrator of the commencement of any Trading Plan Period and any Collateral Obligations covered in such Trading Plan; *provided further* that, for the avoidance of doubt, each individual obligation acquired as part of a Trading Plan must satisfy the definition of "Collateral Obligation" (including, without limitation, the requirement to have a Moody's Default Probability Rating of at least "Caa2" and an S&P Rating higher than or equal to "CCC"). The Trustee shall forward such notice to the Holders of Notes no later than the Business Day following receipt thereof from the Collateral Manager. The Trustee, as soon as reasonably practicable following receipt of notice from the Collateral Manager, will post notice of a Trading Plan having been executed on the website where Monthly Reports are made available to Holders of Notes.

(e) Amendments to Collateral Obligations. The Issuer will only consent, and will only allow the Collateral Manager to consent to any amendment, waiver or other modification to any Collateral Obligation that would extend the maturity thereof (a "Maturity Amendment") if, after giving effect to such amendment, waiver or other modification, (a) the Issuer is in compliance with the Weighted Average Life Test and (b) the maturity of such Collateral Obligation is not extended beyond the Stated Maturity of the Secured Notes, unless it has received the express consent of each of the Collateral Manager, a Majority of the Controlling Class and a Majority of each other Class of Secured Notes (voting separately by Class). It shall not be a violation of the restrictions of this Section 12.2(e) if any Collateral Obligation is amended in violation of clauses (a) and (b) above so long as the Issuer (or the Collateral Manager on behalf of the Issuer) has refused to consent to such amendment. A waiver, modification, amendment or variance that would extend the stated maturity date of the credit facility of which any applicable Collateral Obligation is a part, but which would not extend the stated maturity date of such Collateral Obligation held by the Issuer, will not constitute a ~~waiver, modification, amendment or variance of such Collateral Obligation held by the Issuer~~ Maturity Amendment.

(f) Post-Reinvestment Period Amendment Proceeds. After the Reinvestment Period, with respect to any amendment to a Collateral Obligation that the Issuer (or the Collateral Manager on the Issuer's behalf) voted in favor of, any economic benefit (such as a step-up in the coupon, an amendment fee, consent fee or any other related fee) generated as a result of such amendment will constitute "Post-Reinvestment Period Amendment Proceeds" (as of the effective date of the related amendment or waiver) as certified by the Collateral Manager to the Trustee; *provided* that, in the event that the terms of such amendment include a Maturity Amendment, then the entire coupon received in respect of the related Collateral Obligation and any other related amendment fees will comprise Post-Reinvestment Period Amendment Proceeds. Following any amendment to a Collateral Obligation that the Issuer (or the Collateral Manager on the Issuer's behalf) voted in favor of (including any Maturity Amendment), the Collateral Manager shall certify to the Issuer and the Trustee (i) whether such amendment gives rise to any Post-Reinvestment Period Amendment Proceeds and (ii) the amount of any such Post-Reinvestment Period Amendment Proceeds.

(g) Post-Reinvestment Period Settlement. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager on behalf of the Issuer shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred) to effectuate the settlement of such Collateral Obligations.

Section 12.3 Disposition of Illiquid Assets. (a) Notwithstanding the other provisions of this ARTICLE XII or any other provision herein to the contrary, if at any time the Assets consist exclusively of (1) Eligible Investments (including Cash), and/or (2) one or more of the following: (i) a Defaulted Obligation, an Equity Security, an obligation received in connection with an offer or other exchange or any other security or debt obligation that is part of the Assets, in respect of which (x) the Issuer has not received a payment in Cash during the preceding twelve (12) calendar months and (y) the Collateral Manager certifies that it is not aware, after reasonable inquiry, that the issuer or Obligor of such Asset has publicly announced or informed the holders of such Asset that it intends to make a payment in Cash in respect of such Asset within the next twelve (12) calendar months or (ii) any asset, claim or other property identified in a certificate of an officer of the Collateral Manager as having a Market Value of less than U.S. \$1,000 (the items described in clause (a)(2)(i) and (ii) each being an "Illiquid Asset"), then the Collateral Manager may request bids with respect to each such Illiquid Asset pursuant to Section 12.3(b) after providing written notice to the holders of Notes and requesting that any holder of Notes that wishes to bid on any such Illiquid Asset notify the Trustee (with a copy to the Collateral Manager and the Designated Successor Manager) of such intention within 15 Business Days after the date of such notice. The Trustee shall, after the end of such 15 Business Day period, offer the Illiquid Assets for public or private sale as determined and directed by the Collateral Manager (in a manner and according to terms determined by the Collateral Manager (including, in the case of a private sale, from Persons identified to the Trustee by the Collateral Manager) and pursuant to sale documentation provided by the Collateral Manager) and, if any holder of Notes so notifies the Trustee that it wishes to bid, such holder of Notes shall be included in the distribution of sale offering or bid solicitation material in connection therewith and thereby given an opportunity to participate with other bidders, if any.

(b) The Trustee shall request bids for the sale of each such Illiquid Asset, in accordance with the procedures established by the Collateral Manager, from (i) at least three Persons identified to the Trustee by the Collateral Manager that make a market in or specialize in obligations of the nature of such Illiquid Asset, (ii) the Collateral Manager, (iii) each holder of Notes that so notified the Trustee that it wishes to bid and (iv) in the case of a public sale, any other participating bidders, and the Trustee will have no responsibility for the sufficiency or acceptability of such procedures for any purpose or for any results obtained. The Trustee shall notify the Collateral Manager promptly of the results of such bids. Subject to the requirements of applicable law, (x) if the aggregate amount of the highest bids received (if any) is greater than or equal to U.S. \$100,000, the Issuer shall sell each Illiquid Asset to the highest bidder (which may include the Collateral Manager and its Affiliates) and (y) if the aggregate amount of the highest bids received is less than U.S. \$100,000 or no bids are received, the Trustee shall dispose

of the Illiquid Assets as directed by the Collateral Manager in its reasonable business judgment, which may include (with respect to each Illiquid Asset) (I) selling it to the highest bidder (which may include the Collateral Manager and its Affiliates) if a bid was received; (II) donating it to a charitable organization designated by the Collateral Manager or (III) returning it to its issuer or Obligor for cancellation. The proceeds of the sale of Illiquid Assets (after payment of fees and expenses of the Trustee and the Collateral Manager incurred in connection with dispositions under the provisions described in this section), if any, shall be applied in accordance with the Priority of Payments.

(c) The Trustee will not dispose of Illiquid Assets in accordance with the immediately preceding paragraph if directed not to do so, at any time following notice of such disposal and prior to release, or acceptance of an offer for sale, of such Illiquid Asset, by a Majority of the Controlling Class or a Majority of the Subordinated Notes. The Trustee will have no liability for the results of any such sale or disposition of Illiquid Assets, including, without limitation, if the proceeds received, if any, are insufficient to pay all outstanding Administrative Expenses in full.

(d) Any remaining Assets held by the Issuer will be liquidated immediately prior to the Stated Maturity so that the net proceeds of such liquidation will be available on the Stated Maturity.

Section 12.4 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this ARTICLE XII or in connection with the acquisition of additional Collateral Obligations during the Ramp-Up Period shall be conducted on an arm's length basis and in compliance with the Tax Restrictions to the extent applicable and, if effected with a Person Affiliated with the Collateral Manager, shall be effected in accordance with the requirements of Section 5 of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, *provided* that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this ARTICLE XII, all of the Issuer's right, title and interest to the Pledged Obligation or Pledged Obligations shall be Granted to the Trustee pursuant to this Indenture, such Pledged Obligations shall be Delivered to the Trustee.

(c) Notwithstanding anything contained in this ARTICLE XII to the contrary, the Issuer shall have the right to effect any sale of any Pledged Obligation or purchase of any Collateral Obligation (*provided* that in the case of a purchase of a Collateral Obligation, such purchase complies with the applicable requirements of the Tax Restrictions and Section 7.8(e) of this Indenture) (x) that has been separately consented to by Noteholders evidencing at least 75% of the Aggregate Outstanding Amount of each Class of Notes, and (y) of which the Trustee and ~~the~~each Rating Agency has been notified (*provided* that in the case of a purchase of a Collateral Obligation, that such purchase complies with the applicable requirements of the Tax Restrictions).

(d) If the Issuer and the Collateral Manager have received an opinion of counsel of national reputation experienced in such matters (together with an Officer's certificate of the Issuer or the Collateral Manager to the Trustee (on which the Trustee may conclusively rely) that the opinion specified in this paragraph has been received by the Issuer and the Collateral Manager) that the Issuer's ownership of any Asset would cause the Issuer to be unable to comply with the loan securitization exclusion from the definition of "covered fund" under the Volcker Rule, then the Collateral Manager shall be required to use its commercially reasonable efforts to effect the sale of such Asset and will not purchase any additional Asset of the type identified in such opinion.

(e) The Issuer will not exercise any warrant or other similar right received in connection with a workout or a restructuring of a Collateral Obligation that requires a payment that results in receipt of an Equity Security unless the Collateral Manager on the Issuer's behalf certifies to the Trustee that (i) exercising the warrant or other similar right is necessary for the Issuer to realize the value of the workout or restructuring, (ii) such Equity Security will be sold prior to the Issuer's receipt of such Equity Security unless such sale or other disposition is prohibited by applicable law or an applicable contractual restriction in the related Underlying Instruments, in which case the Collateral Manager will sell such Equity Security as soon as such sale or disposition is permitted by applicable law and not prohibited by such contractual restriction and (iii) the Collateral Manager and the Issuer have received written advice of counsel that such exercise, payment, and retention, in and of themselves, should not cause the Issuer to fail to qualify as a loan securitization under the Volcker Rule or result in the Issuer becoming a "covered fund" under the Volcker Rule.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in Section 2.3 and ARTICLE XI of this Indenture. On any Post-Acceleration Payment Date or on the Stated Maturity, all accrued and unpaid interest on and outstanding principal of each Priority Class shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class A-1 Notes and a Majority of each Class of Secured Notes consents, other than in Cash, before any further payment or distribution is made on account of any Junior Class with respect thereto, to the extent and in the manner provided in Section 11.1(a)(iii). In the event one or more Holders of Notes cause the filing of a petition in bankruptcy against the Issuer prior to the expiration of the period set forth in Section 5.4(d), any claim that such Holder(s) have against the Issuer (including under all Notes of any Class held by such Holder(s)) or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments and notwithstanding any objection to, or rescission of, such filing, be fully subordinate in right of payment to the claims of each Holder of any Note (and each other secured creditor of the Issuer) that does not seek to cause any such filing, with such subordination being effective until each Note (and each claim of each other secured creditor) held by each Holder of any Note that does not seek to cause

any such filing is paid in full in accordance with the Priority of Payments set forth herein (after giving effect to such subordination). The foregoing sentence shall constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code.

(b) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; *provided* that after all accrued and unpaid interest on and outstanding principal of a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(c) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Tax Subsidiary until the payment in full of the Notes and not before one year ~~and a day,~~ (or if longer, the applicable preference period then in effect,) plus one day has elapsed since such payment. In addition, the Issuer and the Co-Issuer agree not to cause the filing of a petition in bankruptcy, insolvency or a similar Proceeding in the United States, the Cayman Islands or any other jurisdiction against any Tax Subsidiary until the payment in full of all Notes and the expiration of a period equal to one year (or, if longer, the applicable preference period then in effect) plus one day following such payment in full.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or

opinion of, or representations by, counsel, unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail of a .pdf instruction, facsimile transmission or other similar unsecured electronic methods (with the original to follow).

Section 14.2 Acts of Holders. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such Note and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee or the Co-Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register or, as applicable, in accordance with the procedures at DTC, as soon as reasonably practicable but in any case not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(d) such notice shall be in the English language.

Such notices shall be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; *provided* that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

Except as specifically stated in Section 10.8, the Trustee shall deliver to the Holders any information or notice relating to this Indenture requested to be so delivered by at least 25% of the Holders of any Class of Notes (by Aggregate Outstanding Amount), at the expense of the Issuer.

The Trustee shall deliver to any Holder of Notes or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit D to this Indenture that it is the owner of a beneficial interest in a Global Note, any information or notice requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee and all related costs will be borne by the requesting Holder or Person.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be

filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SCHEDULE 3

DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "Issuer Par Amount" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Balance of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "Average Par Amount" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "Equivalent Unit Score" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "Aggregate Industry Equivalent Unit Score" is then calculated for each of the Moody's industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "Industry Diversity Score" is then established for each Moody's industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; *provided* that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score shall be the lower of the two Industry Diversity Scores:

Aggregate Industry Equivalent Unit Score	Industry Diversity Score	Aggregate Industry Equivalent Unit Score	Industry Diversity Score	Aggregate Industry Equivalent Unit Score	Industry Diversity Score	Aggregate Industry Equivalent Unit Score	Industry Diversity Score

(f) The Diversity Score is then calculated by summing each of the Industry Diversity Scores for each Moody's industry classification group shown on Schedule 1.

For purposes of calculating the Diversity Score, affiliated issuers in the same Industry are deemed to be a single issuer except as otherwise agreed to by Moody's and collateralized loan obligations shall not be included.

MOODY'S RATING DEFINITIONS

MOODY'S DEFAULT PROBABILITY RATING

"Assigned Moody's Rating" means the publicly available rating or the estimated rating expressly assigned to a debt obligation (or facility) by Moody's that addresses the full amount of the principal and interest promised.

~~(a) — With "CFR" means, with respect to an obligor of a Collateral Obligation that is a Moody's Senior Secured Floating Rate Note, Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan, if the obligor of, if~~ such ~~Collateral Obligation~~ obligor has a corporate family rating by Moody's, then such corporate family rating; provided that if such obligor does not have a corporate family rating by Moody's but any entity in the obligor's corporate family does have a corporate family rating, then the CFR is such corporate family rating.

~~(b) —~~

"Moody's Default Probability Rating" means, as of any date of determination, the rating determined in accordance with the following methodology:

~~(a) — With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a) above, if such Collateral Obligation (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or rating estimate has been assigned by Moody's upon the request of the Issuer or the Collateral Manager, such rating or the corporate family rating estimate, as applicable; (other than a DIP Collateral Obligation), if the obligor of such Collateral Obligation has a CFR, then such CFR;~~

~~(e) (b)~~ With respect to a Collateral Obligation, (other than a DIP Collateral Obligation) if not determined pursuant to clause (a) or (b) above, (A) if the obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by with an Assigned Moody's Rating, then the Assigned Moody's public rating Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

~~(or c)~~ With respect to a Collateral Obligation (other than a DIP Collateral Obligation) if not determined pursuant to clause (a) or (b) above, if the obligor of such Collateral Obligation is a Moody's Senior Secured Loan, has one or more senior secured obligations with an Assigned Moody's Rating, then the Moody's rating that is one subcategory higher/lower than the Assigned Moody's public rating Rating on any such senior unsecured/secured obligation) as selected by the Collateral Manager in its sole discretion- or, if no such rating is available, (B) if such Collateral Obligation is publicly rated by-

~~Moody's, such public rating or, if no such rating is available, (C) if a rating or rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation or (D) if such Collateral Obligation is a DIP Collateral Obligation, the Moody's Derived Rating set forth in clause (e) in the definition thereof; and;~~

~~(d) —~~

(d) — With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b) or (c) above, the Moody's Derived Rating; (other than a DIP Collateral Obligation) if not determined pursuant to clause (a), (b) or (c) above, if a rating estimate has been assigned to such Collateral Obligation by Moody's upon the request of the Issuer, the Collateral Manager or an Affiliate of the Collateral Manager, then the Moody's Default Probability Rating is such rating estimate as long as such rating estimate or a renewal for such rating estimate has been issued or provided by Moody's in each case within the 15 month period preceding the date on which the Moody's Default Probability Rating is being determined; provided that if such rating estimate has been issued or provided by Moody's for a period (x) longer than 13 months but not beyond 15 months, the Moody's Default Probability Rating will be one subcategory lower than such rating estimate and (y) beyond 15 months, the Moody's Default Probability Rating will be deemed to be "Caa3;"

(e) — If such Collateral Obligation is a DIP Collateral Obligation, the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the Assigned Moody's Rating of such DIP Collateral Obligation;

(f) — With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (e) above and at the election of the Collateral Manager, the Moody's Derived Rating; and

(g) — With respect to a Collateral Obligation if not determined pursuant to any of clauses (a) through (f) above, the Collateral Obligation will be deemed to have a Moody's Default Probability Rating of "Caa3."

~~provided that for all purposes other than calculating the Moody's Adjusted Weighted Average Rating Factor, each applicable rating, at the time of calculation, (i) on credit watch by Moody's with positive implications will be treated as having been upgraded by one rating subcategory, (ii) on credit watch by Moody's with negative implications will be treated as having been downgraded by one rating subcategory, (iii) on positive outlook by Moody's will be treated with no change to the rating subcategory, and (iv) on negative outlook by Moody's will be treated with no change to the rating subcategory.~~Notwithstanding the foregoing, for purposes of the Moody's Default Probability Rating used for purposes of determining the Moody's Rating Factor of a Collateral Obligation, if the Moody's rating or ratings used to determine the Moody's Default Probability Rating are on watch for downgrade or upgrade by Moody's, such rating or ratings will be adjusted down two subcategories (if on "credit watch negative") or up one subcategory (if on watch for upgrade) and down one subcategory (if "negative outlook").

MOODY'S DERIVED RATING

With "Moody's Derived Rating": means, with respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot otherwise be determined pursuant to the definitions thereof, such Moody's Rating or Moody's Default Probability Rating shall be determined as ~~determined in the manner~~ set forth below.

~~(a) — Unless determined pursuant to clause (e) below, if the obligor of~~

~~(A) (1) if such Collateral Obligation has a long term issuer rating by Moody's, then such long term issuer rating.~~

~~(b) — If not determined pursuant to clause (a) or (e), if~~ publicly rated by S&P:

<u>Type of Collateral Obligation</u>	<u>Rating by S&P</u>	<u>Collateral Obligation Rated by S&P</u>	<u>Number of Subcategories Relative to Moody's Equivalent of Rating by S&P</u>
<u>Not Structured Finance Obligation</u>	<u>>"BBB-"</u>	<u>Not a loan or Participation Interest in loan</u>	<u>-1</u>
<u>Not Structured Finance Obligation</u>	<u><"BB+"</u>	<u>Not a loan or Participation Interest in loan</u>	<u>-2</u>
<u>Not Structured Finance Obligation</u>		<u>Loan or Participation Interest in loan</u>	<u>-2</u>

(2) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor is publicly rated by ~~Moody's, then by~~ S&P (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (A)(1) above, and the Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation will be determined by further adjusting the rating of ~~the related Moody's rated obligations of the related obligor~~ such parallel security (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (A)(2)) by the number of rating ~~subcategories~~ subcategories according to the table below:

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
---	-----------------------------------	---

Obligation Category of Rated Obligation	Rating of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	greater than or equal to B2	-1
Senior secured <u>Unsecured</u> obligation	less than B2	-2 <u>0</u>
Subordinated obligation	greater than or equal to B3	+1
	Subordinated obligation less than B3	0

~~(c) — If not determined pursuant to clause (a), (b) or (c), if the obligor of such Collateral Obligation has a corporate family rating by Moody's, then one subcategory below such corporate family rating.~~

~~(d) — If not determined pursuant to clause (a), (b), (c) or (c), then by using any one of the methods provided below:~~

~~(i) — (A) — pursuant to the table below:~~

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Obligation	≥ "BBB"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Obligation	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Obligation		Loan or Participation Interest in Loan	-2

~~(B) (3) if such Collateral Obligation is not rated by S&P but another security or obligation of the obligor has there is a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral Obligation, then such issuer credit rating will at the election of the Collateral Manager be determined in accordance with ~~the table set forth in~~ subclause (d)(i)(A) above, and the Moody's Derived Rating for purposes of clause (d) of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation will be determined in accordance with the methodology set forth in clause (c) above (for such~~

~~purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (d)(i)(B)A)(2) (for such purposes, treating such public issuer credit rating as if it were a rating of a parallel security); or~~

~~(C) (4) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Derived Rating or Moody's Default Probability Rating may be determined based on a rating by S&P or any other rating agency; or~~ and

~~(ii) (B) if such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, then the Collateral Manager, acting in its discretion on behalf of the Issuer, may elect to make a written request to Moody's to assign a rating or rating estimate to such Collateral Obligation, provided that S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or an affiliate of the issuer of such Collateral Obligation Manager to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of clause (iv) of the definition of Moody's Rating or Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (1) "B3" if the Collateral Manager certifies to the Trustee and (with a copy to the Collateral Administrator) that the Collateral Manager believes that such estimate shall will be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this clause (d)(ii) and clause (e)(ii) below and B) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1."~~

~~(e) — With respect to any DIP Collateral Obligation and (solely for purposes of determining the Moody's Adjusted Weighted Average Rating Factor) any Current Pay Obligation, then by using any one of the methods provided below:~~

~~(i) — the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation or Current Pay Obligation, as applicable, rated by Moody's; or~~

~~(ii) — with respect to any DIP Collateral Obligation or Current Pay Obligation, if not determined pursuant to clause (e)(i) above, then, pending receipt of a public or private facility rating from Moody's for such DIP Collateral Obligation or Current Pay Obligation, as applicable, the Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation shall be (1) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such rating shall be at least "B3" and if the Aggregate Principal Balance of Collateral Obligations determined pursuant to this (e)(ii) and clause (d)(i) above does not exceed 5% of the Collateral Principal Amount or (2) otherwise, "Caa1."~~

~~For purposes of calculating a Moody's Derived Rating, each applicable rating on credit watch by Moody's with positive or negative implication at the time of calculation shall be treated as having been upgraded or downgraded by one rating subcategory, as the case may be,~~

~~and each applicable rating on outlook positive or outlook negative shall be treated with no change to the rating subcategory.~~

~~MOODY'S SENIOR SECURED LOAN~~

~~(a) — A loan that:~~

~~(i) — is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the obligor of the loan;~~

~~(ii) — (x) is secured by a valid first priority perfected security interest or lien in, to or on specified collateral securing the obligor's obligations under the loan and (y) such specified collateral does not consist entirely of equity securities or common stock; provided that any loan that would be considered a Moody's Senior Secured Loan but for clause (y) above shall be considered a Moody's Senior Secured Loan if it is a loan made to a parent entity and as to which the Collateral Manager determines in good faith that the value of the common stock of the subsidiary (or other equity interests in the subsidiary) securing such loan at or about the time of acquisition of such loan by the Issuer has a value that is at least equal to the outstanding principal balance of such loan and the outstanding principal balances of any other obligations of such parent entity that are *pari passu* with such loan, which value may include, among other things, the enterprise value of such subsidiary of such parent entity; and~~

~~(iii) — the value of the collateral securing the loan together with other attributes of the obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal seniority secured by a first lien or security interest in the same collateral; or~~

~~(b) — a loan that:~~

~~(i) — is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the obligor of the loan, except that such loan can be subordinate with respect to the liquidation of such obligor or the collateral for such loan;~~

~~(ii) — with respect to such liquidation, is secured by a valid perfected security interest or lien that is not a first priority in, to or on specified collateral securing the obligor's obligations under the loan;~~

~~(iii) — the value of the collateral securing the loan together with other attributes of the obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay the loan in accordance with its terms and to repay all other loans of equal or higher seniority secured in the same collateral; and~~

~~(iv) — (x) has a Moody's facility rating and the obligor of such loan has a Moody's corporate family rating and (y) such Moody's facility rating is not lower than such Moody's corporate family rating; and~~

~~(e) — the loan is not:~~

~~(i) — a DIP Collateral Obligation; or~~

~~(ii) — a loan for which the security interest or lien (or the validity or effectiveness thereof) in substantially all of its collateral attaches, becomes effective or otherwise "springs" into existence after the origination thereof.~~

"Moody's Rating": means, with respect to any Collateral Obligation, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to a Collateral Obligation that is a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, then such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's Rating is one subcategory higher than such CFR;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Moody's Rating that is two subcategories higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(D) if none of clauses (A) through (C) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(E) if none of clauses (A) through (D) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3"; and

(b) With respect to a Collateral Obligation other than a Senior Secured Loan:

(A) if such Collateral Obligation has an Assigned Moody's Rating, such Assigned Moody's Rating;

(B) if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more senior unsecured obligations with an Assigned Moody's Rating, then the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(C) if neither clause (A) nor (B) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has a CFR, then the Moody's rating that is one subcategory lower than such CFR;

(D) if none of clauses (A), (B) or (C) above apply, if such Collateral Obligation does not have an Assigned Moody's Rating but the obligor of such Collateral Obligation has one or more subordinated debt obligations with an Assigned Moody's Rating, then the Moody's Rating that is one subcategory higher than the Assigned Moody's Rating on any such obligation as selected by the Collateral Manager in its sole discretion;

(E) if none of clauses (A) through (D) above apply, at the election of the Collateral Manager, the Moody's Derived Rating; and

(F) if none of clauses (A) through (E) above apply, the Collateral Obligation will be deemed to have a Moody's Rating of "Caa3."

SCHEDULE 6

S&P NON-MODEL VERSION CDO MONITOR DEFINITIONS

If so elected by the Collateral Manager by written notice to the Issuer, the Collateral Administrator, the Trustee and S&P, the S&P CDO Monitor Test shall be defined as follows:

The "S&P CDO Monitor Test" will be satisfied on any date of determination during the Reinvestment Period if, after giving effect to the purchase of any additional Collateral Obligation, the S&P CDO Monitor Adjusted BDR is equal to or greater than the S&P CDO Monitor SDR. The S&P CDO Monitor Test shall only be applicable to the Controlling Class.

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"S&P CDO Monitor Adjusted BDR" means the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the principal balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

S&P CDO Monitor BDR * (OP / NP) + (NP - OP) / [NP * (1 - S&P Weighted Average Recovery Rate)], where OP = Aggregate Ramp-Up Par Amount; NP = the sum of the aggregate principal balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-".

"S&P CDO Monitor BDR" means the value calculated using the following formula relating to the Issuer's portfolio: $C0 + (C1 * \text{Weighted Average Floating Spread}) + (C2 * \text{S\&P Weighted Average Recovery Rate})$, where $C0 = 0.031399$, $C1 = 3.987144$, and $C2 = 1.101478$.

"S&P CDO Monitor SDR" means the percentage derived from the following equation: $0.329915 + (1.210322 * \text{EPDR}) - (0.586627 * \text{DRD}) + (2.538684 / \text{ODM}) + (0.216729 / \text{IDM}) + (0.0575539 / \text{RDM}) - (0.0136662 * \text{WAL})$, where EPDR is the S&P Expected Portfolio Default Rate; DRD is the S&P Default Rate Dispersion; ODM is the S&P Obligor Diversity Measure; IDM is the S&P Industry Diversity Measure; RDM is the S&P Regional Diversity Measure; and WAL is the S&P Weighted Average Life.

"S&P Default Rate" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, the default rate determined in accordance with Table 1 below using such Collateral Obligation's S&P Rating and the number of years to maturity (determined using linear interpolation if the number of years to maturity is not an integer).

"S&P Default Rate Dispersion" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the principal balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Default Rate *minus* (y) the S&P Expected Portfolio Default Rate *divided by* (B) the aggregate principal balance for all such Collateral Obligations.

"S&P Expected Portfolio Default Rate" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the principal balance of each such Collateral Obligation and (y) the S&P Default Rate divided by (ii) the aggregate principal balance for all such Collateral Obligations.

"S&P Industry Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P industry classification in the portfolio, then dividing each of these amounts by the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P industry classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"S&P Obligor Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such aggregate principal balance by the aggregate principal balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"S&P Regional Diversity Measure" means a measure calculated by determining the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 2 below, then dividing each of these amounts by the aggregate principal balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's principal balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the aggregate principal balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).

Re: Arrowpoint CLO 2013-1, Ltd.
Subordinated Notes

Reference is hereby made to the Indenture, dated as of April 25, 2013, among the Arrowpoint CLO 2013-1, Ltd., (the “Issuer”), as Issuer, Arrowpoint CLO 2013-1, LLC, as Co-Issuer, and Wells Fargo Bank, National Association, as Trustee (as amended, modified or supplemented from time to time, the “Indenture”). Capitalized terms not defined in this Certificate shall have the meanings ascribed to them in the Offering Circular of the Issuer or the Indenture.

This letter relates to \$_____ aggregate outstanding principal amount of Notes (the “Notes”), which are held in the form of one or more certificated Subordinated Notes in the name of _____ (the “Transferor”) to effect the transfer of the Notes to _____ (the “Transferee”).

In connection with such request, and in respect of such Notes, the Transferee does hereby certify that the Notes are being transferred (i) in accordance with the transfer restrictions set forth in the Indenture and (ii) pursuant to an exemption from registration under the United States Securities Act of 1933, as amended (the “Securities Act”) and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction.

In addition, the Transferee hereby represents, warrants and covenants for the benefit of the Issuer and its counsel that we are:

(a) (PLEASE CHECK ONLY ONE)

_____ a “qualified institutional buyer” as defined in Rule 144A under the Securities Act, and are acquiring the Notes in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder;

_____ an “accredited investor” as defined in Rule 501(a) of Regulation D under the Securities Act; or

_____ a person that is not a “U.S. person” as defined in Regulation S under the Securities Act, and are acquiring the Notes in an offshore transaction (as defined in Regulation S) in reliance on the exemption from Securities Act registration provided by Regulation S; and

(b) acquiring the Notes for our own account (and not for the account of any other person) in a minimum denomination of U.S.\$250,000 and in integral multiples of \$1.00 in excess thereof.

The Transferee further represents and warrants as follows:

1. It understands that the Notes have not been and will not be registered under the Securities Act or the securities laws of any state or other jurisdiction, and, if in the future it decides to offer, resell, pledge or otherwise transfer the Notes, such Notes may be offered, resold, pledged or otherwise transferred only in accordance with the provisions of the Indenture and the legends on such Notes, including the requirement for written certifications. In particular, it understands that the Notes may be transferred only to a person that is (a) a “qualified purchaser” (as defined in the Investment Company Act), (b) a “Knowledgeable Employee,” as defined in Rule 3c-5 promulgated under the Investment Company Act or (c) an entity entirely owned by “qualified purchasers” or “Knowledgeable Employees”; and in the case of (a), (b) and (c) above that is either (i) a “qualified institutional buyer” as defined in Rule 144A under the Securities Act that is not a broker dealer which owns and invests on a discretionary basis less than U.S.\$25 million in securities of issuers that are not affiliated persons of the dealer and is not a plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A under the Securities Act or a trust referred to in paragraph (a)(1)(i)(F) of Rule 144A under the Securities Act who purchases such Notes in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder or (ii) an “accredited investor” meeting the requirements of Rule 501(a)(1), (2), (3) or (7) of Regulation D under the Securities Act or (d) a person that is not a “U.S. person” as defined in Regulation S under the Securities Act, and is acquiring the Notes in an offshore transaction (as defined in Regulation S thereunder) in reliance on the exemption from registration provided by Regulation S thereunder. It acknowledges that no representation is made as to the availability of any exemption under the Securities Act or any state or other securities laws for resale of the Notes.

2. In connection with its purchase of the Notes: (i) none of the Co-Issuers, the Initial Purchaser, the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator or any of their respective affiliates is acting as a fiduciary or financial or investment adviser for it; (ii) it is not relying (for purposes of making any investment decision or otherwise) upon any written or oral advice, counsel or representations of the Co-Issuers, the Initial Purchaser, the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator or any of their respective affiliates other than any statements in the Offering Circular for such Notes; (iii) it has read and understands the Offering Circular for such Notes (including, without limitation, the descriptions therein of the structure of the transaction in which the Notes are being issued and the risks to purchasers of the Notes); (iv) it has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisers to the extent it has deemed necessary,

and has made its own investment decisions (including decisions regarding the suitability of any transaction pursuant to the Indenture) based upon its own judgment and upon any advice from such advisers as it has deemed necessary and not upon any view expressed by the Co-Issuers, the Initial Purchaser, the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator or any of their respective affiliates; (v) it will hold and transfer at least the minimum denomination of such Notes; (vi) it was not formed for the purpose of investing in the Notes (except when each beneficial owner of such Person is a Qualified Purchaser); (vii) it is a sophisticated investor and is purchasing the Notes with a full understanding of all of the terms, conditions and risks thereof, and it is capable of assuming and willing to assume those risks; and (viii) it has had access to such financial and other information concerning the Issuer and the Notes as it has deemed necessary or appropriate in order to make an informed investment decision with respect to its purchase of the Notes, including an opportunity to ask questions of and request information from the Issuer and the Collateral Manager.

3. It is either (A) a “qualified purchaser” within the meaning of Section 2(a)(51) of the Investment Company Act and the rules thereunder, (B) a “Knowledgeable Employee” for purposes of Rule 3c-5 under the Investment Company Act and the rules thereunder or (C) an entity entirely owned by “qualified purchasers” or “Knowledgeable Employees”, and in the case of (A), (B) and (C) above that is either (x) a “qualified institutional buyer” as defined in Rule 144A under the Securities Act that is not a broker dealer which owns and invests on a discretionary basis less than U.S.\$25 million in securities of issuers that are not affiliated persons of the dealer and is not a plan referred to in paragraph (a)(1)(i)(D) or (a)(1)(i)(E) of Rule 144A under the Securities Act or a trust referred to in paragraph (a)(1)(i)(F) of Rule 144A under the Securities Act who purchases such Notes in reliance on the exemption from Securities Act registration provided by Rule 144A thereunder or (y) an “accredited investor” as defined in Rule 501(a) of Regulation D under the Securities Act or (D) not a “U.S. person” as defined in Regulation S under the Securities Act and is acquiring the Notes in an offshore transaction (as defined in Regulation S thereunder) in reliance on the exemption from registration provided by Regulation S thereunder; (ii) it is acquiring the Notes as principal solely for its own account for investment and not with a view to the resale, distribution or other disposition thereof in violation of the Securities Act; (iii) it is not a (A) partnership, (B) common trust fund, or (C) special trust, pension, profit sharing or other retirement trust fund or plan in which the partners, beneficiaries or participants may designate the particular investments to be made; (iv) it agrees that it will not hold any Notes for the benefit of any other person, that it will at all times be the sole beneficial owner thereof for purposes of the Investment Company Act and all other purposes and that it will not sell participation interests in the Notes or enter into any other arrangement pursuant to which any other person will be entitled to a beneficial interest in the distributions on the Notes; (v) it is acquiring its interest in the Notes for its own account; and (vi) it will hold and transfer at least the minimum denomination of the Notes and provide notice of the relevant transfer restrictions to subsequent transferees.

4. That on each day from the date on which it acquires its interest in a Note through and including the date on which it disposes of its interest in such Note that (i) it is not and will not be (A) an “employee benefit plan” (as defined in Section 3(3) of Title I of the ERISA) that is subject to the fiduciary responsibilities provisions under Title I of ERISA, a “plan” as defined in Section 4975(e)(1) of the Code that is subject to Section 4975 of the Code, or any entity whose underlying assets include “plan assets” (within the meaning of 29 C.F.R. 2510.3 101, as

modified by Section 3(42) of ERISA) by reason of such employee benefit plan's or plan's investment in the entity or otherwise (collectively, "Benefit Plan Investors") and (B) if it is a governmental, church, non-U.S. or other plan that is subject to any Similar Law, its acquisition, holding and disposition of such Note (or interest therein) will not constitute or result in a violation of any Similar Law.

5. It agrees to treat the Issuer, the Co-Issuer, and the Notes as described in the "Certain Income Tax Considerations—United States Federal Income Taxation" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

6. Amounts withheld pursuant to applicable tax laws will be treated as having been paid to such holder by the Issuer.

7. It will provide the Issuer, the Trustee or their respective agents with any correct, complete and accurate information that may be required for the Issuer to achieve FATCA Compliance and will take any other actions necessary for the Issuer to achieve FATCA Compliance and, in the event the holder fails to provide such information or take such actions, (A) the Issuer is authorized to withhold amounts otherwise distributable to the holder as compensation for any amount withheld from payments to the Issuer or the underlying issuer as a result of such failure, and (B) to the extent necessary to avoid an adverse effect on the Issuer or any other holder of Notes as a result of such failure, the Issuer will have the right to compel the holder to sell its Notes or, if such holder does not sell its Notes within 10 business days after notice from the Issuer, to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the holder as payment in full for such Notes (subject to the indemnity described in clause (8) below). The Issuer may also assign each such Note a separate CUSIP or CUSIPs in the Issuer's sole discretion.

8. It will indemnify the Issuer, the Trustee or their respective agents and each of the holders of Notes from any and all damages, costs and expenses (including any amounts of taxes, fees, interest, additions to tax, or penalties) resulting from the failure by such holder to comply with clauses (6) or (7) above. This indemnification will continue with respect to any period during which the holder held a Note, notwithstanding the holder ceasing to be a holder of the Note.

9. If it is not a “United States person” (as defined in Section 7701(a)(30) of the Code), it either: (A) is not a bank (within the meaning of Section 881(c)(3)(A) of the Code); (B) if a bank (within the meaning of Section 881(c)(3)(A) of the Code), after giving effect to its purchase of Notes, (x) will not own more than 50% of the Subordinated Notes by number or by value either directly or indirectly, and will not otherwise be related to the Issuer (within the meaning of section 267(b) of the Code) and (y) has not purchased such Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on the Notes with respect to the Collateral Obligations if held directly by the holder); (C) has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States; or (D) is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S.-source interest not attributable to a permanent establishment in the United States.

10. It agrees not to seek to commence in respect of the Issuer or the Co-Issuer, or cause the Issuer or the Co-Issuer to commence, a bankruptcy or winding up proceeding before a year and a day has elapsed since the payment in full to the holders of the Notes issued pursuant to the Indenture or, if longer, the applicable preference period then in effect.

CALCULATION OF LIBOR

LIBOR for any Interest Accrual Period will equal (a) the rate appearing on the Reuters Screen for deposits with a term of three months; provided, that LIBOR for the first Interest Accrual Period shall be determined by interpolating linearly between (i) the rate appearing on the Reuters Screen for deposits with a term of seven months and (ii) the rate appearing on the Reuters Screen for deposits with a term of eight months or (b) if such rate is unavailable at the time LIBOR is to be determined, LIBOR shall be determined on the basis of the rates at which deposits in U.S. Dollars are offered by four major banks in the London market selected by the Calculation Agent after consultation with the Collateral Manager (the "Reference Banks") at approximately 11:00 a.m., London time, on the Interest Determination Date to prime banks in the London interbank market for a period approximately equal to the Interest Accrual Period and an amount approximately equal to the amount of the Aggregate Outstanding Amount of the Secured Notes. The Calculation Agent will request the principal London office of each Reference Bank to provide a quotation of its rate. If at least two such quotations are provided, LIBOR shall be the arithmetic mean of such quotations (rounded upward to the next higher 1/100). If fewer than two quotations are provided as requested, LIBOR with respect to such Interest Accrual Period will be the arithmetic mean of the rates quoted by three major banks in New York, New York selected by the Calculation Agent after consultation with the Collateral Manager at approximately 11:00 a.m., New York Time, on such Interest Determination Date for loans in U.S. Dollars to leading European banks for a term approximately equal to such Interest Accrual Period and an amount approximately equal to the Aggregate Outstanding Amount of the Secured Notes. If the Calculation Agent is required but is unable to determine a rate in accordance with at least one of the procedures described above, LIBOR will be LIBOR as determined on the previous Interest Determination Date.

"Reuters Screen" means the rates for deposits in dollars which appear on the Reuters Screen LIBOR 01 Page (or such other page that may replace that page on such service for the purpose of displaying comparable rates) on the Bloomberg Financial Markets Commodities News as of 11:00 a.m., London time, on the Interest Determination Date.
