"**Weighted Average S&P Recovery Rate**": As of any date of determination, the number, expressed as a percentage and determined separately for each Class of Secured Notes, obtained by summing the products obtained by multiplying the outstanding principal balance of each Collateral Obligation by its corresponding recovery rate as determined in accordance with Section 1 of Schedule 6 hereto, dividing such sum by the aggregate principal balance of all Collateral Obligations, and rounding to the nearest tenth of a percent.

"**Zero Coupon Bond**": Any debt security that by its terms (a) does not bear interest for all or part of the remaining period that it is outstanding, (b) provides for periodic payments of interest in Cash less frequently than semi-annually or (c) pays interest only at its stated maturity.

Section 1.2 Assumptions. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Secured Notes shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations or Deferring Securities, unless actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of

(j) For purposes of calculating compliance with the Investment Criteria at any time, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "**Trading Plan**") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within ten Business Days following the date of determination of such compliance (such period, the "**Trading Plan Period**"); provided, that (~~w~~v) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Amount that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (~~x~~w) no Trading Plan Period may span a Determination Date, (~~y~~x) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (y) the difference between the earliest stated maturity and the longest stated maturity of any two Collateral Obligations included in such Trading Plan shall be less than or equal to three years and (z) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria shall not be evaluated by giving effect to any subsequent Trading Plan without (i) notice having been given to Moody's and (ii) either (x) satisfaction of the S&P Rating Condition or (y) until successful completion of a proposed Trading Plan for which the S&P Rating Condition was satisfied. The Collateral Manager shall notify the Trustee and the Collateral Administrator of the details of any Trading Plan for inclusion in the Monthly Report pursuant to Section 10.7 of this Indenture.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp-Up Account (including Eligible Investments therein) shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest

registered in the name of the owner or a nominee thereof, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

(v) The aggregate principal amount of the Regulation S Global Notes and the Rule 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee or DTC or its nominee, as the case may be, as hereinafter provided.

(c) Book Entry Provisions. This Section 2.2(c) shall apply only to Global Notes deposited with or on behalf of DTC.

The provisions of the "Operating Procedures of the Euroclear System" of Euroclear and the "Terms and Conditions Governing Use of Participants" of Clearstream, respectively, will be applicable to the Global Notes insofar as interests in such Global Notes are held by the Agent Members of Euroclear or Clearstream, as the case may be.

Agent Members shall have no rights under this Indenture with respect to any Global Notes held on their behalf by the Trustee, as custodian for DTC and DTC may be treated by the Applicable Issuer, the Trustee, and any agent of the Applicable Issuer or the Trustee as the absolute owner of such Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Applicable Issuer, the Trustee, or any agent of the Applicable Issuer or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

Section 2.3 Authorized Amount; Stated Maturity; Denominations. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is limited to U.S.$[617,500,000] aggregate principal amount of Notes (except for (i) Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Notes pursuant to Section 2.5, Section 2.6 or Section 8.5 of this Indenture or (ii) additional notes issued in accordance with Sections 2.13, 3.2 and/or 9.3).

(1) LIBOR shall be calculated for each Interest Accrual period by reference to three-month LIBOR, in accordance with the definition of LIBOR set forth in Exhibit C hereto~~; [provided that LIBOR for the first Interest Accrual Period following the Refinancing Date shall be set on more than one date as set forth in the definition of the term "LIBOR"]~~. The spread over LIBOR of any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Notes, subject to the conditions set forth in Section 9.8.

The Notes shall be issued in the applicable Minimum Denominations.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the

subscription agreement) will be deemed to have represented and warranted, and each subsequent transferee of an interest in a Global Subordinated Note will be deemed to have represented and warranted, that: (A) for so long as it holds an interest in such Global Subordinated Note, it is not, and is not acting on behalf of, a Benefit Plan Investor and is not a Controlling Person; and (B) if such Person is a governmental, church, non U.S. or other plan, (i) it is not, and for so long as it holds an interest in such Global Subordinated Note will not be, subject to any Similar Law, and (ii) its acquisition, holding and disposition of its interest in such Global Subordinated Note will not constitute or result in a non-exempt violation of any applicable Other Plan Law.

(i) Except for Class E Notes or Class F Notes purchased from the Issuer on the [Closing Date] or the Refinancing Date, as applicable, no Class E Note or Class F Note may be transferred to a Benefit Plan Investor or a Controlling Person, and the Trustee will not recognize any such transfer to a Person that has represented that it is a Benefit Plan Investor or a Controlling Person. Each initial purchaser of a Class E Note or a Class F Note or transferee thereof on the [Closing Date] or the Refinancing Date, as applicable (unless otherwise set forth in a certificate substantially in the form of Exhibit B5 attached hereto delivered to the Issuer), and each subsequent transferee of a Class E Note or a Class F Note or an interest therein will be deemed to represent and warrant that: (A) for so long as it holds such Class E Note or Class F Note or interest therein, it is not, and is not acting on behalf of, a Benefit Plan Investor and is not a Controlling Person, and (B) if such Person is a governmental, church, non-U.S. or other plan (i) for so long as it holds such Class E Note or Class F Note or interest therein, it will not be subject to any Similar Law, and (ii) its acquisition, holding and disposition of its interest in such Class E Note or Class F Note will not constitute or result in a non-exempt violation of any applicable Other Plan Law.

(ii) No transfer of any ERISA Restricted Note (or any interest therein) will be effective, and the Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the Class E Notes, the Class F Notes or the Subordinated Notes would be held by Persons who have represented that they are Benefit Plan Investors (the "**25% Limitation**"). For purposes of these calculations and all other calculations required by this subsection and as set forth in the Plan Asset Regulations, (A) any ERISA Restricted Notes held by a Controlling Person, the Trustee, the Collateral Manager or any of its respective affiliates shall be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person shall include any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. Unless such transferee's interest is represented by a Certificated Note, transfer of an interest in a Global Subordinated Note to a Person that is a Benefit Plan Investor or a Controlling Person will not be permitted and the Trustee will not recognize any such transfer.

(iii) Each purchaser or transferee of an interest in a Subordinated Note from the Issuer or the initial holder thereof on the Closing Date will be required to provide the Issuer, the Initial Purchaser and the Trustee with a subscription agreement substantially in the form attached to the Offering Circular or the applicable transfer certificate.

1.1471-4(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) No Holder of Subordinated Notes will treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time) and subject to the conditions set forth in Section 3.2, the Co-Issuers may issue and sell additional notes of any one or more new classes of notes that are fully subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding) ("**Junior Mezzanine Notes**") and/or additional notes of any one or more existing Classes and use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, with respect to the issuance of Subordinated Notes or Junior Mezzanine Notes, to apply proceeds of such issuance as Principal Proceeds or Interest Proceeds in accordance with clause (viii) below), provided, that the following conditions are met:

(i) the Collateral Manager consents to such issuance, and such issuance is consented to by each Hedge Counterparty, if any, a Majority of the Subordinated Notes and, unless either (x) only additional Junior Mezzanine Notes and/or Subordinated Notes are being issued or (y) if, (A) prior to such additional issuance any Class A Notes are Outstanding and the Initial Majority Class A Investor held more than 66 2/3% of such Class A Notes and (B) after giving effect to such additional issuance, the Initial Majority Class A Investor would hold more than 66 2/3% of the Class A Notes, a Majority of the Controlling Class consents to such issuance;

(ii) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), a Majority of the Class A Notes consents to such issuance;

(iii) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), the aggregate principal amount of Notes of such Class issued in all additional issuances must not exceed 100% of the respective original outstanding principal amount of the Notes of such Class;

(iv) in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and the spread over LIBOR of such notes do not have to be identical to those of the initial Notes of that Class; provided, that the spread over LIBOR on such notes must not exceed the spread over LIBOR applicable to the initial Secured Notes of that Class);

(v) ~~such additional notes must be issued at a Cash sales price equal to or greater than the principal amount thereof;~~[Reserved]

(vi) in the case of additional notes of any one or more existing Classes, unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued, additional notes of all Classes must be issued and such issuance of additional notes must be proportional across all Classes, provided, that the principal amount of Junior Mezzanine Notes and/or Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Junior Mezzanine Notes and/or Subordinated Notes;

(vii) in the case of the issuance of (x) additional Junior Mezzanine Notes or Subordinated Notes only, each Rating Agency has been notified of such issuance or (y) additional notes of any one or more existing Classes (other than Junior Mezzanine Notes or Subordinated Notes), the S&P Rating Condition or the Moody's Rating Condition, as applicable, have been satisfied (or deemed inapplicable under Section 1.3) with respect to any Secured Notes not constituting part of such additional issuance;

(viii) the proceeds of any additional notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments;

(ix) immediately after giving effect to such issuance and the application of the proceeds thereof, each Overcollateralization Ratio Test is maintained or improved;

(x) an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee to the effect that (A) any additional Class A Notes, Class B Notes, Class C Notes, or Class D Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes, (B) such additional issuance will not in and of itself cause the opinion delivered by Cadwalader, Wickersham & Taft LLP to the Issuer on the Closing Date regarding characterization of the Class A Notes, Class B Notes, Class C Notes, Class D Notes and Class E Notes as indebtedness for U.S. federal income tax purposes to be incorrect and (C) such additional issuance will not result in the Issuer becoming subject to U.S. federal income tax with respect to its net income; provided, however, that the opinion described in clause (A) above will not be required with respect to any additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that were issued on the Closing Date or the Refinancing Date, as applicable, and are Outstanding at the time of the additional issuance;

(xi) such additional issuance will be accomplished in a manner that allows the Issuer to accurately provide (or cause to be provided) the tax information relating to original issue discount required under this Indenture to be provided to the Holders of Notes (including the additional Notes); and

administrative error or omission has been determined); provided, further, that if the Secured Notes are accelerated following an Event of Default (other than pursuant to this clause (a)) and such acceleration has been rescinded or annulled in accordance with Section 5.2(b), a default in payment of interest on the Class B Notes resulting from such acceleration and application of funds pursuant to Section 11.1(a)(iii) shall not be an Event of Default pursuant to this clause (a) unless and until the Class B Notes are the Controlling Class;

(b) a default in the payment, when due and payable, of any principal of, or interest or Secured Note Deferred Interest on, or any Redemption Price or any Re-Pricing Sale Price in respect of, any Secured Note at its Stated Maturity or on any Redemption Date (unless, in the case of a Redemption Date, the applicable notice of redemption was withdrawn in accordance with Article IX); provided, that, (x) in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined) and (y) in the case of a default in the payment of any principal of any Secured Note on any Redemption Date thereof where (A) such default is due solely to a delayed or failed settlement of any asset sale by the Issuer (or the Collateral Manager on the Issuer's behalf), (B) the Issuer (or the Collateral Manager on the Issuer's behalf) had entered into a binding agreement for the sale of such asset prior to the applicable Redemption Date with settlement scheduled to occur prior to the Redemption Date, (C) such delayed or failed settlement is due solely to circumstances beyond the control of the Issuer and the Collateral Manager, and (D) the Issuer (or the Collateral Manager on the Issuer's behalf) has used commercially reasonable efforts to cause such settlement to occur prior to the Redemption Date and without such delay or failure, then such default shall not be an Event of Default unless such failure continues for 10 Business Days after such Redemption Date; provided, further, that any Refinancing which fails to occur shall not constitute an Event of Default;

(c) unless the Issuer is legally required to withhold such amounts, the failure on any Payment Date to disburse amounts in excess of U.S.$25,000 available in the Payment Account (other than a default in payment described in clauses (a) and (b) above) in accordance with the Priority of Payments and continuation of such failure for a period of five Business Days; provided, that, in the case of a default resulting from a failure to disburse due to an administrative error or omission by the Collateral Manager, the Trustee, the Collateral Administrator, the Registrar or any Paying Agent, such default will not be an Event of Default unless such failure continues for ten Business Days after a Trust Officer of the Trustee receives written notice or has actual knowledge of such administrative error or omission (irrespective of whether the cause of such administrative error or omission has been determined);

(d) either of the Co-Issuers or the Assets becomes an investment company required to be registered under the Investment Company Act (and such requirement has not been eliminated after a period of 45 days);

(e) except as otherwise provided in this Section 5.1, a default in a material respect in the performance, or breach in a material respect, of any other covenant or other

(d) In furtherance and not in limitation of Section 7.8(c), the Issuer will comply with the Tax Guidelines, unless, with respect to a particular transaction, the Issuer, the Collateral Manager and the Trustee have received advice or an opinion of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to United States federal income tax on a net income basis. The Issuer shall be deemed to have complied with its obligations under Section 7.8(c) to not be engaged in a trade or business within the United States for United States federal income tax purposes if it complies with the Tax Guidelines or such advice or opinion, so long as (A) there has been no material change in U.S. federal income tax law or the formal administrative interpretation thereof that is relevant to an action taken by the Issuer after the date hereof or after the date of such advice or opinion, as applicable, and (B) the Issuer, acting in good faith, does not have actual knowledge that such action would cause it to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis. The provisions set forth in the Tax Guidelines may be waived, amended, eliminated, modified or supplemented (without execution of an amendment to the Collateral Management Agreement) if the Issuer, the Collateral Manager and the Trustee have received advice or an opinion of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the Issuer's contemplated activities will not cause the Issuer to be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to United States federal income tax on a net income basis. For the avoidance of doubt, in the event the Issuer, the Collateral Manager, and the Trustee have obtained the advice or opinion described above in accordance with the terms hereof, no consent of any Holder or the Moody's Rating Condition will be required in order to comply with this Section 7.8(d) in connection with the waiver, amendment, elimination, modification or supplementation of any provision of the Tax Guidelines contemplated by such advice or opinion of tax counsel.

(e) The Issuer and the Co-Issuer shall not be party to any agreements without including customary "non-petition" and "limited recourse" provisions therein (and shall not amend or eliminate such provisions in any agreement to which it is party), except for any agreements related to the purchase and sale of any Collateral Obligations or Eligible Investments which contain customary (as determined by the Collateral Manager in its sole discretion) purchase or sale terms or which are documented using customary (as determined by the Collateral Manager in its sole discretion) loan trading documentation (but not excepting any Hedge Agreement).

(f) The Issuer shall not enter into any agreement amending, modifying or terminating any Transaction Document without notifying each Rating Agency.

(g) The Issuer may not acquire any of the Notes (including any Notes surrendered or abandoned). This Section 7.8(g) shall not be deemed to limit an Optional

Section 7.21 Collateral Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Collateral Manager to take certain actions on their behalf in order to comply with such covenants, the Collateral Manager shall only be required to perform such actions in accordance with the standard of care set forth in Section 2(~~l~~h) of the Collateral Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of GSO / Blackstone Debt Funds Management LLC no longer being the Collateral Manager). The Co-Issuers further acknowledge and agree that the Collateral Manager shall have no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Collateral Manager has actual knowledge of such breach.

Section 7.22 Hedge Agreement Provisions. For the purposes of the foregoing, the "**Average Life**" is, on any date of determination with respect to any Collateral Obligation, the quotient obtained by dividing (i) the sum of the products of (a) the number of years (rounded to the nearest one hundredth thereof) from such date of determination to the respective dates of each successive Scheduled Distribution of principal of such Collateral Obligation and (b) the respective amounts of principal of such Scheduled Distributions by (ii) the sum of all successive Scheduled Distributions of principal on such Collateral Obligation; provided that, if the Aggregate Principal Amount of the Collateral Obligations (excluding any Defaulted Obligations) exceeds the Reinvestment Target Par Balance, the Collateral Obligations included in the calculation of this test shall be only those Collateral Obligations with an Aggregate Principal Amount equal to the Reinvestment Target Par Balance (starting with Collateral Obligations with the shortest Average Lives).

"**Weighted Average Life Test**": A test satisfied on any date of determination if the Weighted Average Life of all Collateral Obligations as of such date is less than the number of years corresponding to the Closing Date or the most recent Payment Date preceding such date of determination as set forth in the table below:

"**Weighted Average Moody's Rating Factor**": The number (rounded up to the nearest whole number) determined by:

(a) summing the products of (i) the Principal Balance of each Collateral Obligation (excluding Equity Securities) multiplied by (ii) the Moody's Rating Factor of such Collateral Obligation (as described below) and

(b) dividing such sum by the outstanding Principal Balance of all such Collateral Obligations.

For purposes of the foregoing, the "Moody's Rating Factor" relating to any Collateral Obligation is the number set forth in the table below opposite the Moody's Default Probability Rating of such Collateral Obligation.

Moody's Default Probability Rating	Moody's Rating Factor	Moody's Default Probability Rating	Moody's Rating Factor
Aaa	1	Ba1	940
Aa1	10	Ba2	1,350
Aa2	20	Ba3	1,766
Aa3	40	B1	2,220
A1	70	B2	2,720

Baa1	260	Caa2	6,500
Baa2	360	Caa3	8,070
Baa3	610	Ca or lower	10,000

For purposes of the Maximum Moody's Rating Factor Test, any Collateral Obligation issued or guaranteed by the U.S. government or any agency or instrumentality thereof is assigned a Moody's Rating Factor set forth opposite the then-current rating of the U.S. government.

"**Weighted Average Moody's Recovery Rate**": As of any date of determination, the number, expressed as a percentage, obtained by summing the product of the Moody's Recovery Rate on such Measurement Date of each Collateral Obligation and the Principal Balance of such Collateral Obligation, dividing such sum by the Aggregate Principal Amount of all such Collateral Obligations and rounding up to the first decimal place.

"**Weighted Average Rating Adjusted Cov-Lite Percentage**": The following chart used to determine the percentage of Cov-Lite Loans permissible to be owned by the Issuer for purposes of the Investment Criteria:

Greater than 3400 but less than or equal to 3500	~~40~~50.0%
Greater than 3500	40.0%

"**Weighted Average S&P Recovery Rate**": As of any date of determination, the number, expressed as a percentage and determined separately for each Class of Secured Notes, obtained by summing the products obtained by multiplying the outstanding principal balance of each Collateral Obligation by its corresponding recovery rate as determined in accordance with Section 1 of Schedule 6 hereto, dividing such sum by the aggregate principal balance of all Collateral Obligations, and rounding to the nearest tenth of a percent.

"**Zero Coupon Bond**": Any debt security that by its terms (a) does not bear interest for all or part of the remaining period that it is outstanding, (b) provides for periodic payments of interest in Cash less frequently than semi-annually or (c) pays interest only at its stated maturity.

Section 1.2 Assumptions. In connection with all calculations required to be made pursuant to this Indenture with respect to Scheduled Distributions on any Asset, or any payments on any other assets included in the Assets, with respect to the sale of and reinvestment in Collateral Obligations, and with respect to the income that can be earned on Scheduled Distributions on such Assets and on any other amounts that may be received for deposit in the Collection Account, the provisions set forth in this Section 1.2 shall be applied. The provisions of this Section 1.2 shall be applicable to any determination or calculation that is covered by this Section 1.2, whether or not reference is specifically made to this Section 1.2, unless some other method of calculation or determination is expressly specified in the particular provision.

(a) All calculations with respect to Scheduled Distributions on the Assets securing the Secured Notes shall be made on the basis of information as to the terms of each such Asset and upon reports of payments, if any, received on such Asset that are furnished by or on behalf of the issuer of such Asset and, to the extent they are not manifestly in error, such information or reports may be conclusively relied upon in making such calculations.

(b) For purposes of calculating the Coverage Tests, except as otherwise specified in the Coverage Tests, such calculations will not include scheduled interest and principal payments on Defaulted Obligations or Deferring Securities, unless actually made.

(c) For each Collection Period and as of any date of determination, the Scheduled Distribution on any Asset (other than a Defaulted Obligation, which, except as otherwise provided herein, shall be assumed to have a Scheduled Distribution of zero, except to the extent of any payments actually received) shall be the sum of (i) the total amount of payments and collections to be received during such Collection Period in respect of such Asset (including the proceeds of the sale of such Asset received and, in the case of sales which have not yet settled, to be received during the Collection Period and not reinvested in additional Collateral Obligations or Eligible Investments or retained in the Collection Account for subsequent reinvestment pursuant to Section 12.2) that, if received as scheduled, will be available in the Collection Account at the end of the Collection Period and (ii) any such amounts received by the Issuer in prior Collection Periods that were not disbursed on a previous Payment Date.

(d) Each Scheduled Distribution receivable with respect to an Asset shall be assumed to be received on the applicable Due Date, and each such Scheduled Distribution shall be assumed to be immediately deposited in the Collection Account to earn interest at the Assumed Reinvestment Rate. All such funds shall be assumed to continue to earn interest until the date on which they are required to be available in the Collection Account for application, in accordance with the terms hereof, to payments of principal of or interest on the Secured Notes, distributions on the Subordinated Notes or other amounts payable pursuant to this Indenture. For purposes of the applicable determinations required by Section 10.8(b)(iv), Article XII and the

definition of "Interest Coverage Ratio," the expected interest on the Secured Notes and Floating Rate Obligations will be calculated using the then current interest rates applicable thereto.

(e) References in Section 11.1(a) to calculations made on a "pro forma basis" shall mean such calculations after giving effect to all payments, in accordance with the Priority of Payments described herein, that precede (in priority of payment) or include the clause in which such calculation is made.

(f) For purposes of calculating all Concentration Limitations, in both the numerator and the denominator of any component of the Concentration Limitations, Defaulted Obligations will be treated as having a Principal Balance equal to zero.

(g) If a Collateral Obligation included in the Assets would be deemed a Current Pay Obligation but for the applicable percentage limitation in the proviso to clause (x) of the proviso to the definition of "Defaulted Obligation," then the Current Pay Obligations with the lowest Market Value (assuming that such Market Value is expressed as a percentage of the Principal Balance of such Current Pay Obligations as of the date of determination) will be deemed Defaulted Obligations. Each such Defaulted Obligation will be treated as a Defaulted Obligation for all purposes until such time as the Aggregate Principal Amount of Current Pay Obligations would not exceed, on a pro forma basis including such Defaulted Obligation, the applicable percentage of the Collateral Principal Amount.

(h) Except where expressly referenced herein for inclusion in such calculations, Defaulted Obligations and Deferring Securities will not be included in the calculation of the Collateral Quality Test.

(i) For purposes of calculating the Collateral Quality Test, DIP Collateral Obligations shall be treated as having an S&P Recovery Rate equal to the S&P Recovery Rate for Senior Secured Loans.

(j) For purposes of calculating compliance with the Investment Criteria at any time, at the election of the Collateral Manager in its sole discretion, any proposed investment (whether a single Collateral Obligation or a group of Collateral Obligations) identified by the Collateral Manager as such at the time when compliance with the Investment Criteria is required to be calculated (a "**Trading Plan**") may be evaluated after giving effect to all sales and reinvestments proposed to be entered into within ten Business Days following the date of determination of such compliance (such period, the "**Trading Plan Period**"); provided, that (~~w~~v) no Trading Plan may result in the purchase of Collateral Obligations having an Aggregate Principal Amount that exceeds 5% of the Collateral Principal Amount as of the first day of the Trading Plan Period, (~~x~~w) no Trading Plan Period may span a Determination Date, (~~y~~x) no more than one Trading Plan may be in effect at any time during a Trading Plan Period, (y) the difference between the earliest stated maturity and the longest stated maturity of any two Collateral Obligations included in such Trading Plan shall be less than or equal to three years and (z) if the Investment Criteria are satisfied prospectively after giving effect to a Trading Plan but are not satisfied upon the expiry of the related Trading Plan Period, the Investment Criteria shall not be evaluated by giving effect to any subsequent Trading Plan without (i) notice having been given to Moody's and (ii) either (x) satisfaction of the S&P Rating Condition or (y) until

successful completion of a proposed Trading Plan for which the S&P Rating Condition was satisfied. The Collateral Manager shall notify the Trustee and the Collateral Administrator of the details of any Trading Plan for inclusion in the Monthly Report pursuant to Section 10.7 of this Indenture.

(k) For purposes of calculating compliance with the Investment Criteria, upon the direction of the Collateral Manager by notice to the Trustee and the Collateral Administrator, any Eligible Investment representing Principal Proceeds received upon the sale or other disposition of a Collateral Obligation may be deemed to have the characteristics of such Collateral Obligation until reinvested in an additional Collateral Obligation. Such calculations shall be based upon the principal amount of such Collateral Obligation, except in the case of Defaulted Obligations and Credit Risk Obligations, in which case the calculations will be based upon the Principal Proceeds received on the sale or other disposition of such Defaulted Obligation or Credit Risk Obligation.

(l) For purposes of calculating the Sale Proceeds of a Collateral Obligation in sale transactions, sale proceeds will include any Principal Financed Accrued Interest received in respect of such sale.

(m) For purposes of calculating clause (i) of the Concentration Limitations, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp-Up Account (including Eligible Investments therein) shall each be deemed to be a Floating Rate Obligation that is a Senior Secured Loan.

(n) For purposes of calculating compliance with each of the Concentration Limitations all calculations will be rounded to the nearest 0.1%. All other calculations, unless otherwise set forth herein or the context otherwise requires, shall be rounded to the nearest ten-thousandth if expressed as a percentage, and to the nearest one-hundredth if expressed otherwise.

(o) Notwithstanding any other provision of this Indenture to the contrary, all monetary calculations under this Indenture shall be in Dollars.

(p) If withholding tax is imposed on (x) late payment fees, prepayment fees or other similar fees, (y) any amendment, waiver, consent or extension fees or (z) commitment fees or other similar fees in respect of Revolving Collateral Obligations and Delayed Drawdown Collateral Obligations, the calculations of the Weighted Average Floating Spread, the Weighted Average Coupon and the Interest Coverage Test (and all component calculations of such calculations and tests, including when such a component calculation is calculated independently), as applicable, shall be made on a net basis after taking into account such withholding, unless the Obligor is required to make "gross-up" payments to the Issuer that cover the full amount of any such withholding tax on an after-tax basis pursuant to the Underlying Instrument with respect thereto.

(q) Any reference in this Indenture to an amount of the Trustee's or the Collateral Administrator's fees calculated with respect to a period at a per annum rate shall be

calculated on the basis of a 360-day year and the actual number of days elapsed during the related Interest Accrual Period and shall be based on the aggregate face amount of the Assets.

(r) To the extent of any ambiguity in the interpretation of any definition or term contained in this Indenture or to the extent more than one methodology can be used to make any of the determinations or calculations set forth herein, the Collateral Administrator shall request direction from the Collateral Manager as to the interpretation and/or methodology to be used, and the Collateral Administrator shall follow such direction, and together with the Trustee, shall be entitled to conclusively rely thereon without any responsibility or liability therefor.

(s) For purposes of calculating compliance with any tests hereunder (including the Coverage Tests, the Collateral Quality Test, the Concentration Limitations and the Target Initial Par Condition), the trade date (and not the settlement date) with respect to any acquisition or disposition of a Collateral Obligation or Eligible Investment shall be used by the Collateral Administrator to determine whether and when such acquisition or disposition has occurred.

(t) Each asset of any Issuer Subsidiary permitted under Section 7.4(c) shall be deemed to constitute an Asset and be deemed to be a Collateral Obligation (or, if such asset would constitute an Equity Security if acquired and held by the Issuer, an Equity Security) for all purposes of this Indenture other than tax and each reference to Assets, Collateral Obligations and Equity Securities herein shall be construed accordingly.

(u) For purposes of the calculation of the Weighted Average Floating Spread, the Weighted Average Coupon, the Coverage Tests, the Interest Diversion Test and the Collateral Quality Test, Collateral Obligations contributed to an Issuer Subsidiary in accordance with this Indenture shall be included net of the actual taxes paid or any future anticipated taxes payable with respect thereto.

Section 1.3 Inapplicability of a Rating Condition. With respect to any event or circumstance that requires satisfaction of the Moody's Rating Condition or S&P Rating Condition, as applicable, such Moody's Rating Condition or S&P Rating Condition shall be deemed inapplicable with respect to such event or circumstance if:

(a) the applicable Rating Agency has made a public statement to the effect that it will no longer review events or circumstances of the type requiring satisfaction of the Moody's Rating Condition or S&P Rating Condition, as applicable, in this Indenture for purposes of evaluating whether to downgrade or withdraw the then-current ratings (or Initial Ratings) of obligations rated by such Rating Agency;

(b) the applicable Rating Agency has communicated to the Issuer, the Collateral Manager or the Trustee that such Rating Agency will not review such event or circumstance for purposes of evaluating whether to downgrade or withdraw the then-current rating (or Initial Rating) of the Class A Notes, in the case of S&P, and/or the Secured Notes, in the case of Moody's; or

(c) in connection with amendments requiring unanimous consent of all Holders of Notes, such Holders have been advised prior to consenting that the current ratings of the Class A Notes, in the case of S&P and/or the Secured Notes, in the case of Moody's, may be reduced or withdrawn as a result of such amendment.

(1) LIBOR shall be calculated for each Interest Accrual period by reference to three-month LIBOR, in accordance with the definition of LIBOR set forth in Exhibit C hereto. The spread over LIBOR of any Class of Re-Pricing Eligible Notes may be reduced in connection with a Re-Pricing of such Class of Notes, subject to the conditions set forth in Section 9.8.

The Notes shall be issued in the applicable Minimum Denominations.

Section 2.4 Execution, Authentication, Delivery and Dating. The Notes shall be executed on behalf of each of the Applicable Issuers by one of their respective Authorized Officers. The signature of such Authorized Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at any time the Authorized Officers of the Applicable Issuer, shall bind the Issuer and the Co-Issuer, as applicable, notwithstanding the fact that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

At any time and from time to time after the execution and delivery of this Indenture, the Issuer and the Co-Issuer may deliver Notes executed by the Applicable Issuers to the Trustee or the Authenticating Agent for authentication and the Trustee or the Authenticating Agent, upon Issuer Order (which Issuer Order shall, in connection with a transfer of Notes hereunder, be deemed to have been provided upon the delivery of an executed Note to the Trustee), shall authenticate and deliver such Notes as provided in this Indenture and not otherwise.

Each Note authenticated and delivered by the Trustee or the Authenticating Agent upon Issuer Order on the Closing Date shall be dated as of the Closing Date. All other Notes that are authenticated and delivered after the Closing Date for any other purpose under this Indenture shall be dated the date of their authentication.

Notes issued upon transfer, exchange or replacement of other Notes shall be issued in Minimum Denominations reflecting the original Aggregate Outstanding Amount of the Notes so transferred, exchanged or replaced, but shall represent only the current Outstanding principal amount of the Notes so transferred, exchanged or replaced. In the event that any Note is divided into more than one Note in accordance with this Article II, the original principal amount of such Note shall be proportionately divided among the Notes delivered in exchange therefor and shall be deemed to be the original aggregate principal amount of such subsequently issued Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Note a Certificate of Authentication, substantially in the form provided for herein, executed by the Trustee or by the Authenticating Agent by the manual signature of one of their Authorized Officers, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 2.5 Registration, Registration of Transfer and Exchange. (a) The Issuer shall cause the Notes to be Registered and shall cause to be kept a register (the "**Register**") at the office of the Trustee in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of Notes and the registration of transfers of Notes, including an indication, in the case of an ERISA Restricted Note, as to whether the Holder has certified that it is a Benefit Plan Investor or a Controlling Person. The Register shall record and track the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. The Trustee is hereby initially appointed "registrar" (the "**Registrar**") for the purpose of registering Notes and transfers of such Notes in the Register. Upon any resignation or removal of the Registrar, the Issuer shall promptly appoint a successor or, in the absence of such appointment or until such appointment is effective, assume the duties of Registrar.

If a Person other than the Trustee is appointed by the Issuer as Registrar, the Issuer will give the Trustee prompt written notice of the appointment of a Registrar and of the location, and any change in the location, of the Register, and the Trustee shall have the right to inspect the Register at all reasonable times and to obtain copies thereof and the Trustee shall

have the right to rely upon a certificate executed on behalf of the Registrar by an Officer thereof as to the names and addresses of the Holders of the Notes and the principal or face amounts and numbers of such Notes. Upon written request at any time, the Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder a current list of Holders as reflected in the Register. In addition, and upon written request at any time, the Note Registrar shall provide to the Issuer, the Collateral Manager, the Initial Purchaser or any Holder a list of Holders and will, at the Issuer's expense, provide a list of participants in DTC holding positions in the Notes.

Subject to this Section 2.5, upon surrender for registration of transfer of any Notes at the office or agency of the Co-Issuers to be maintained as provided in Section 7.2, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any Minimum Denomination and of a like aggregate principal or face amount.

At the option of the Holder, Notes may be exchanged for Notes of like terms, in any Minimum Denomination and of like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Note is surrendered for exchange, the Applicable Issuers shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

All Notes issued and authenticated and delivered upon any registration of transfer or exchange of Notes shall be the valid obligations of the Applicable Issuers, evidencing the same debt (to the extent they evidence debt), and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer or exchange.

Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Registrar duly executed by the Holder thereof or such Holder's attorney duly authorized in writing.

No service charge shall be made to a Holder for any registration of transfer or exchange of Notes, but the Co-Issuers, the Registrar or the Trustee may require payment of a sum sufficient to cover any transfer tax or other governmental charge payable in connection therewith. The Registrar or the Trustee shall be permitted to request such evidence reasonably satisfactory to it documenting the identity, authority and/or signatures of the transferor and transferee, with such signature guaranteed by an "eligible guarantor institution" meeting the requirements of the Registrar, which requirements include membership or participation in Securities Transfer Agents Medallion Program ("**STAMP**") or such other "signature guarantee program" as may be determined by the Registrar in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

(b) No Note may be sold or transferred (including, without limitation, by pledge or hypothecation) unless such sale or transfer is exempt from the registration requirements of the Securities Act, is exempt from the registration requirements under applicable state securities laws and will not cause either of the Co-Issuers to become subject to the requirement that it register as an investment company under the Investment Company Act.

(c) Unless the transferee's interest is represented by a Certificated Subordinated Note, no interest in a Subordinated Note may be transferred to a Benefit Plan Investor or a Controlling Person, and the Trustee will not recognize any such transfer to a Person that has represented that it is a Benefit Plan Investor or a Controlling Person. Each initial purchaser of an interest in a Global Subordinated Note (unless otherwise indicated in a subscription agreement) will be deemed to have represented and warranted, and each subsequent transferee of an interest in a Global Subordinated Note will be deemed to have represented and warranted, that: (A) for so long as it holds an interest in such Global Subordinated Note, it is not, and is not acting on behalf of, a Benefit Plan Investor and is not a Controlling Person; and (B) if such Person is a governmental, church, non U.S. or other plan, (i) it is not, and for so long as it holds an interest in such Global Subordinated Note will not be, subject to any Similar Law, and (ii) its acquisition, holding and disposition of its interest in such Global Subordinated Note will not constitute or result in a non-exempt violation of any applicable Other Plan Law.

(i) Except for Class E Notes or Class F Notes purchased from the Issuer on the Closing Date or the Refinancing Date, as applicable, no Class E Note or Class F Note may be transferred to a Benefit Plan Investor or a Controlling Person, and the Trustee will not recognize any such transfer to a Person that has represented that it is a Benefit Plan Investor or a Controlling Person. Each initial purchaser of a Class E Note or a Class F Note or transferee thereof on the Closing Date or the Refinancing Date, as applicable (unless otherwise set forth in a certificate substantially in the form of Exhibit B5 attached hereto delivered to the Issuer), and each subsequent transferee of a Class E Note or a Class F Note or an interest therein will be deemed to represent and warrant that: (A) for so long as it holds such Class E Note or Class F Note or interest therein, it is not, and is not acting on behalf of, a Benefit Plan Investor and is not a Controlling Person, and (B) if such Person is a governmental, church, non-U.S. or other plan (i) for so long as it holds such Class E Note or Class F Note or interest therein, it will not be subject to any Similar Law, and (ii) its acquisition, holding and disposition of its interest in such Class E Note or Class F Note will not constitute or result in a non-exempt violation of any applicable Other Plan Law.

(ii) No transfer of any ERISA Restricted Note (or any interest therein) will be effective, and the Trustee will not recognize any such transfer, if after giving effect to such transfer 25% or more of the Aggregate Outstanding Amount of the Class E Notes, the Class F Notes or the Subordinated Notes would be held by Persons who have represented that they are Benefit Plan Investors (the "**25% Limitation**"). For purposes of these calculations and all other calculations required by this subsection and as set forth in the Plan Asset Regulations, (A) any ERISA Restricted Notes held by a Controlling Person, the Trustee, the Collateral Manager or any of its respective affiliates shall be disregarded and not treated as Outstanding and (B) an "affiliate" of a Person shall include any Person, directly or indirectly through one or more intermediaries, controlling, controlled by or under common control with the Person, and "control" with respect to a Person other than an individual shall mean the power to exercise a controlling influence over the management or policies of such Person. Unless such transferee's interest is represented by a Certificated Note, transfer of an interest in a Global Subordinated Note

to a Person that is a Benefit Plan Investor or a Controlling Person will not be permitted and the Trustee will not recognize any such transfer.

(iii) Each purchaser or transferee of an interest in a Subordinated Note from the Issuer or the initial holder thereof on the Closing Date will be required to provide the Issuer, the Initial Purchaser and the Trustee with a subscription agreement substantially in the form attached to the Offering Circular or the applicable transfer certificate.

(d) Notwithstanding anything contained herein to the contrary, the Trustee shall not be responsible for ascertaining whether any transfer complies with, or for otherwise monitoring or determining compliance with, the registration provisions of or any exemptions from the Securities Act, applicable state securities laws or the applicable laws of any other jurisdiction, ERISA (except as provided in Section 2.5(c)(ii)), the Code or the Investment Company Act; provided, that if a certificate is specifically required by the terms of this Section 2.5 to be provided to the Trustee by a prospective transferor or transferee, the Trustee shall be under a duty to receive and examine the same to determine whether or not the certificate substantially conforms on its face to the applicable requirements of this Indenture and shall promptly notify the party delivering the same if such certificate does not comply with such terms. Notwithstanding the foregoing, the Trustee, relying solely on representations made or deemed to have been made by Holders of an interest in any Class of ERISA Restricted Note shall not permit any transfer of an interest in an ERISA Restricted Note if such transfer would result in a violation of the 25% Limitation in respect of the applicable Class of ERISA Restricted Notes.

(e) For so long as any of the Notes are Outstanding, the Issuer shall not issue or permit the transfer of any ordinary shares of the Issuer to U.S. Persons, and the Co-Issuer shall not issue or permit the transfer of any common shares of the Co-Issuer to U.S. Persons; provided, that this clause shall not apply to issuances and transfers of Subordinated Notes.

(f) Transfers of Global Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(f).

(i) Transfer of Rule 144A Global Secured Note to Regulation S Global Secured Note. If a holder of a beneficial interest in a Rule 144A Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Secured Note for an interest in the corresponding Regulation S Global Secured Note, or to transfer its interest in such Rule 144A Global Secured Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Secured Note, such holder (provided, that such holder or, in the case of a transfer, the transferee is not a U.S. Person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Secured Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Secured Note, but not less than the minimum denomination applicable to such holder's Notes, in an amount

equal to the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate substantially in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Secured Notes, including that the holder or the transferee, as applicable, is not a U.S. Person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B8 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. Person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Secured Note and to increase the principal amount of the Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Secured Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Secured Note equal to the reduction in the principal amount of the Rule 144A Global Secured Note.

(ii) Transfer of Regulation S Global Secured Note to Rule 144A Global Secured Note. If a holder of a beneficial interest in a Regulation S Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Secured Note for an interest in the corresponding Rule 144A Global Secured Note or to transfer its interest in such Regulation S Global Secured Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Secured Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Secured Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Secured Note in an amount equal to the beneficial interest in such Regulation S Global Secured Note, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate substantially in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Secured Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Secured Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A, in compliance with certain restrictions imposed during the Distribution Compliance Period and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B6 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and a

Qualified Purchaser, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, such Regulation S Global Secured Note by the aggregate principal amount of the beneficial interest in such Regulation S Global Secured Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Secured Note equal to the reduction in the principal amount of such Regulation S Global Secured Note.

(g) Transfers of Subordinated Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(g).

(i) Transfer of Certificated Subordinated Notes to Certificated Subordinated Notes. Upon receipt by the Registrar of (A) a Holder's Certificated Subordinated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of Exhibit B3 attached hereto given by the Holder and (C) a representation letter substantially in the form of Exhibit B4 and a certificate substantially in the form of Exhibit B5 attached hereto given by the transferee of such Certificated Subordinated Note, the Registrar shall (1) cancel such Certificated Subordinated Note in accordance with Section 2.9, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Subordinated Notes bearing the same designation as the Certificated Subordinated Notes endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Subordinated Note surrendered by the transferor), and in Minimum Denominations.

(ii) Transfer of Global Subordinated Notes to Certificated Subordinated Notes. If a holder of a beneficial interest in a Global Subordinated Note deposited with DTC wishes at any time to exchange its interest in such Global Subordinated Note for a Certificated Subordinated Note or to transfer its interest in such Global Subordinated Note to a Person who wishes to take delivery thereof in the form of a Certificated Subordinated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Subordinated Note. Upon receipt by the Registrar of (A) a certificate substantially in the form of Exhibit B3 attached hereto given by the Holder, (B) a representation letter substantially in the form of Exhibit B4 and a certificate substantially in the form of Exhibit B5 attached hereto executed by the transferee and (C) appropriate instructions from DTC, if required, the Registrar will (1) approve the instructions at DTC to reduce, or cause to be reduced, the Global Subordinated Note by the aggregate principal amount of the beneficial interest in the Global Subordinated Note to be transferred or exchanged, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, deliver one or more Certificated Subordinated Notes, registered in the names specified in the instructions described in clause (B) above, in principal amounts designated by the

transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Global Subordinated Note transferred by the transferor), and in Minimum Denominations.

(iii) Transfer of Certificated Subordinated Notes to Global Subordinated Notes. If a Holder of a Certificated Subordinated Note wishes at any time to exchange its interest in such Note for a beneficial interest in a Global Subordinated Note or to transfer such Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Global Subordinated Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Note for a beneficial interest in a Global Subordinated Note. Upon receipt by the Registrar of (A) such Holder's Certificated Subordinated Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of either Exhibit B1, in the case of a transfer to a Regulation S Global Subordinated Note, or Exhibit B2, in the case of a transfer to a Rule 144A Global Subordinated Note, each attached hereto given by the Holder of such Certificated Subordinated Note, (C) a certificate substantially in the form of either Exhibit B7, in the case of a Rule 144A Global Subordinated Note, or Exhibit B9, in the case of a Regulation S Global Subordinated Note, executed by the transferee, (D) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Subordinated Note in an amount equal to the Certificated Subordinated Notes to be transferred or exchanged, and (E) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall (1) cancel such Certificated Subordinated Note, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) approve the instructions at DTC, concurrently with such recordation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Global Subordinated Note equal to the principal amount of the Certificated Subordinated Note transferred or exchanged.

(iv) Transfer of Rule 144A Global Subordinated Note to Regulation S Global Subordinated Note. If a holder of a beneficial interest in a Rule 144A Global Subordinated Note deposited with DTC wishes at any time to exchange its interest in such Rule 144A Global Subordinated Note for an interest in the corresponding Regulation S Global Subordinated Note, or to transfer its interest in such Rule 144A Global Subordinated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Regulation S Global Subordinated Note, such holder (provided, that such holder or, in the case of a transfer, the transferee is not a U.S. Person and is acquiring such interest in an offshore transaction) may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Regulation S Global Subordinated Note. Upon receipt by the Registrar of (A) instructions given in accordance with DTC's procedures from an Agent Member directing the Registrar to credit or cause to be credited a beneficial interest in the corresponding Regulation S Global Subordinated Note, but not less than the minimum

denomination applicable to such holder's Notes, in an amount equal to the beneficial interest in the Rule 144A Global Subordinated Note to be exchanged or transferred, (B) a written order given in accordance with DTC's procedures containing information regarding the participant account of DTC and the Euroclear or Clearstream account to be credited with such increase, (C) a certificate substantially in the form of Exhibit B1 attached hereto given by the holder of such beneficial interest stating that the exchange or transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Subordinated Notes, including that the holder or the transferee, as applicable, is not a U.S. Person, and in an offshore transaction pursuant to and in accordance with Regulation S, and (D) a written certification in the form of Exhibit B9 attached hereto given by the transferee in respect of such beneficial interest stating, among other things, that such transferee is a non-U.S. Person purchasing such beneficial interest in an offshore transaction pursuant to Regulation S, then the Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Subordinated Note and to increase the principal amount of the Regulation S Global Subordinated Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Subordinated Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Subordinated Note equal to the reduction in the principal amount of the Rule 144A Global Subordinated Note.

(v) Transfer of Regulation S Global Subordinated Note to Rule 144A Global Subordinated Note. If a holder of a beneficial interest in a Regulation S Global Subordinated Note deposited with DTC wishes at any time to exchange its interest in such Regulation S Global Subordinated Note for an interest in the corresponding Rule 144A Global Subordinated Note or to transfer its interest in such Regulation S Global Subordinated Note to a Person who wishes to take delivery thereof in the form of an interest in the corresponding Rule 144A Global Subordinated Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for an equivalent beneficial interest in the corresponding Rule 144A Global Subordinated Note. Upon receipt by the Registrar of (A) instructions from Euroclear, Clearstream and/or DTC, as the case may be, directing the Registrar to cause to be credited a beneficial interest in the corresponding Rule 144A Global Subordinated Note in an amount equal to the beneficial interest in such Regulation S Global Subordinated Note, but not less than the minimum denomination applicable to such holder's Notes to be exchanged or transferred, such instructions to contain information regarding the participant account with DTC to be credited with such increase, (B) a certificate substantially in the form of Exhibit B2 attached hereto given by the holder of such beneficial interest and stating, among other things, that, in the case of a transfer, the Person transferring such interest in such Regulation S Global Subordinated Note reasonably believes that the Person acquiring such interest in a Rule 144A Global Subordinated Note is a Qualified Institutional Buyer, is obtaining such beneficial interest in a transaction meeting the requirements of Rule 144A, in compliance with certain restrictions imposed during the Distribution Compliance Period and in accordance with any applicable securities laws of any state of the United States or any other jurisdiction and (C) a written certification in the form of Exhibit B7 attached hereto given by the

transferee in respect of such beneficial interest stating, among other things, that such transferee is a Qualified Institutional Buyer and a Qualified Purchaser, then the Registrar will approve the instructions at DTC to reduce, or cause to be reduced, such Regulation S Global Subordinated Note by the aggregate principal amount of the beneficial interest in such Regulation S Global Subordinated Note to be transferred or exchanged and the Registrar shall instruct DTC, concurrently with such reduction, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Subordinated Note equal to the reduction in the principal amount of such Regulation S Global Subordinated Note.

(h) Transfers of Certificated Secured Notes shall only be made in accordance with Section 2.2(b) and this Section 2.5(h).

(i) Transfer of Certificated Secured Notes to Certificated Secured Notes. Upon receipt by the Registrar of (A) a Holder's Certificated Secured Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of Exhibit B10 attached hereto given by the Holder and (C) a representation letter substantially in the form of Exhibit B11 and, if applicable, a certificate substantially in the form of Exhibit B5 attached hereto given by the transferee of such Certificated Secured Note, the Registrar shall (1) cancel such Certificated Secured Note in accordance with Section 2.9, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, the Registrar shall deliver one or more Certificated Secured Notes bearing the same designation as the Certificated Secured Notes endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Certificated Secured Note surrendered by the transferor), and in Minimum Denominations.

(ii) Transfer of Global Secured Notes to Certificated Secured Notes. If a Holder of a beneficial interest in a Global Secured Note deposited with DTC wishes at any time to exchange its interest in such Global Secured Note for a Certificated Secured Note or to transfer its interest in such Global Secured Note to a Person who wishes to take delivery thereof in the form of a Certificated Secured Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such interest for a Certificated Secured Note. Upon receipt by the Registrar of (A) a certificate substantially in the form of Exhibit B10 attached hereto given by the Holder, (B) a representation letter substantially in the form of Exhibit B11 and, if applicable, a certificate substantially in the form of Exhibit B5 attached hereto executed by the transferee and (C) appropriate instructions from DTC, if required, the Registrar will (1) approve the instructions at DTC to reduce, or cause to be reduced, the Global Secured Note by the aggregate principal amount of the beneficial interest in the Global Secured Note to be transferred or exchanged, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) upon execution by the Issuer and authentication and delivery by the Trustee, the Registrar shall deliver one or more Certificated Secured Notes, registered in the names specified in the instructions described

in clause (B) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Global Secured Note transferred by the transferor), and in Minimum Denominations.

(iii) Transfer of Certificated Secured Notes to Global Secured Notes. If a Holder of a Certificated Secured Note wishes at any time to exchange its interest in such Note for a beneficial interest in a Global Secured Note or to transfer such Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Global Secured Note, such Holder may, subject to the immediately succeeding sentence and the rules and procedures of Euroclear, Clearstream and/or DTC, as the case may be, exchange or transfer, or cause the exchange or transfer of, such Note for a beneficial interest in a Global Secured Note. Upon receipt by the Registrar of (A) such Holder's Certificated Secured Note properly endorsed for assignment to the transferee, (B) a certificate substantially in the form of either Exhibit B1, in the case of a transfer to a Regulation S Global Secured Note, or Exhibit B2, in the case of a transfer to a Rule 144A Global Secured Note, each attached hereto given by the Holder of such Certificated Secured Note, (C) a certificate substantially in the form of either Exhibit B6, in the case of a Rule 144A Global Secured Note, or Exhibit B8, in the case of a Regulation S Global Secured Note, executed by the transferee, (D) instructions given in accordance with Euroclear, Clearstream or DTC's procedures, as the case may be, from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the applicable Global Secured Note in an amount equal to the Certificated Secured Notes to be transferred or exchanged, and (E) a written order given in accordance with DTC's procedures containing information regarding the participant's account at DTC and/or Euroclear or Clearstream to be credited with such increase, the Registrar shall (1) cancel such Certificated Secured Note, (2) record the transfer in the Register in accordance with Section 2.5(a) and (3) approve the instructions at DTC, concurrently with such recordation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Global Secured Note equal to the principal amount of the Certificated Secured Note transferred or exchanged.

(i) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in the applicable part of Exhibit A hereto, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Trustee and the Applicable Issuers such satisfactory evidence, which may include an Opinion of Counsel acceptable to them, as may be reasonably required by the Applicable Issuers (and which shall by its terms permit reliance by the Trustee), to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of the Securities Act, the Investment Company Act, ERISA or the Code. Upon provision of such satisfactory evidence, the Trustee or its Authenticating Agent, at the written direction of the Applicable Issuers shall, after due execution by the Applicable Issuers authenticate and deliver Notes that do not bear such applicable legend.

(j) Each Person that is an initial purchaser, or a transferee on the Closing Date or the Refinancing Date, as applicable, from an initial Holder, of a Certificated Note on the Closing Date or the Refinancing Date, as applicable, will be required to provide a subscription agreement or transfer certificate, as applicable, to the Issuer, the Trustee and the Initial Purchaser. Each Person who becomes a beneficial owner of a Secured Note represented by an interest in a Global Secured Note and each Person who becomes a beneficial owner of a Subordinated Note represented by an interest in a Global Subordinated Note (other than Global Subordinated Notes acquired on the Closing Date) will be deemed to have represented and agreed as follows (except as may be expressly agreed in writing between such Person and the Co-Issuers or the Issuer, as applicable, if such Person is an initial purchaser):

(ii) Each Person who purchases a Secured Note (other than a Class E Note or a Class F Note) or any interest therein, and each subsequent transferee, will be deemed to represent, warrant and agree that (A) if such Person is, or is acting on behalf of, a Benefit Plan Investor, its acquisition, holding and disposition of such interest does not and will not constitute or result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code, and (B) if such Person is a governmental, church, non-U.S. or other plan which is subject to any Other Plan Law, such Person's acquisition, holding and disposition of such Note will not constitute or result in a non-exempt violation of any such Other Plan Law.

Such beneficial owner acknowledges that no representation has been made as to the availability of any exemption under the Securities Act or any state securities laws for resale of such Notes. Such beneficial owner understands that neither of the Co-Issuers has been registered under the Investment Company Act, and that the Co-Issuers are exempt from registration as such by virtue of Section 3(c)(7) of the Investment Company Act.

(vi) Such beneficial owner is aware that, except as otherwise provided in this Indenture, any Notes being sold to it in reliance on Regulation S will be represented by one or more Regulation S Global Notes and that in each case beneficial interests therein may be held only through DTC for the respective accounts of Euroclear or Clearstream.

(vii) Such beneficial owner agrees to be subject to the Bankruptcy Subordination Agreement. Further, such beneficial owner agrees not to seek to commence in respect of the Issuer, the Co-Issuer or any Issuer Subsidiary, or cause the Issuer, the Co-Issuer or any Issuer Subsidiary to commence, a bankruptcy proceeding before a year and a day has elapsed since the payment in full to the holders of the Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued pursuant to this Indenture or, if longer, the applicable preference period then in effect plus one day.

(viii) (1) (A) The express terms of this Indenture govern the rights of the holders of interests in Notes to direct the commencement of a Proceeding against any Person, (B) this Indenture contains limitations on the rights of the holders of interests in Notes to direct the commencement of any such Proceeding, and (C) it shall comply with such express terms if it seeks to direct the commencement of any such Proceeding, (2) there are no implied rights under this Indenture to direct the commencement of any such Proceeding, and (3) notwithstanding any other provision herein or any provision of the Notes, or of the Collateral Administration Agreement or of any other agreement, the Co-Issuers, whether jointly or severally, shall be under no duty or obligation of any kind to the Noteholders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent.

(ix) Such beneficial owner will provide notice to each person to whom it proposes to transfer any interest in the Notes of the transfer restrictions and representations set forth in this Section 2.5, including the Exhibits referenced herein.

(x) The Issuer has the right to compel any beneficial owner of any Secured Notes that does not consent to a Re-Pricing with respect to its Notes pursuant to the

(xi) Such beneficial owner is not a member of the public in the Cayman Islands.

(xii) It understands that (A) the Trustee will provide to the Issuer and the Collateral Manager upon reasonable request all reasonably available information in the possession of the Trustee in connection with regulatory matters, including any information that is necessary or advisable in order for the Issuer or the Collateral Manager (or its parent or Affiliates) to comply with regulatory requirements, (B) the Registrar or the Trustee will provide to the Issuer and the Collateral Manager upon written request a list of Holders as reflected in the Register, (C) the Trustee will obtain and provide, at the Issuer's expense, to the Issuer and, the Collateral Manager upon written request a list of participants in DTC, Euroclear or Clearstream holding positions in such Notes, (D) the Trustee and the Registrar will provide to the Issuer, the Collateral Manager, the Initial Purchaser or any agent thereof, upon written request at any time, any information regarding the holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Registrar, as the case may be, and may be necessary for compliance with FATCA or the Cayman FATCA Legislation and (E) subject to the duties and responsibilities of the Trustee set forth herein, the Trustee will have no liability for any such disclosure under (A), (B), (C) or (D) or the accuracy thereof.

(xiii) Such beneficial owner is not a person with whom dealings are restricted or prohibited under any law relating to economic sanctions or anti-money laundering of the United States, the European Union, Switzerland, or any other applicable jurisdiction ("**AML and Sanctions Laws**"), and such Person's or transferee's purchase of the Notes will not result in the violation of any AML and Sanctions Laws by any party, whether as a result of the identity of such Person or transferee or its beneficial owners, their source of funds, or otherwise.

(xiv) Each purchaser and beneficial owner that is a Benefit Plan Investor shall be required or deemed to represent and warrant to the Issuer, on each day from the date on which such beneficial owner acquires such Note or interest through and including the date on which it disposes of such Note or interest, and at any time when regulation 29 C.F.R. Section 2510.3-21, as modified in 2016, is applicable, that (a) the person or entity making the investment decision on behalf of the purchaser or beneficial owner with respect to the acquisition, holding and disposition of the Notes (the "Independent Fiduciary") is a bank, insurance company, registered investment adviser, broker-dealer or other person with financial expertise, in each case as described in 29 C.F.R. Section 2510.3-21(c)(1)(i); (b) the Independent Fiduciary is an independent plan fiduciary within the meaning of 29 C.F.R. Section 2510.3-21(c); (c) the Independent Fiduciary is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies; (d) the Independent Fiduciary is responsible for exercising independent judgment in evaluating the acquisition, holding

and disposition of the Note; and (e) neither the Benefit Plan Investor nor the Independent Fiduciary is paying or has paid any fee or other compensation to any of the Issuer, the Co-Issuer, the Initial Purchaser, the Trustee or the Collateral Manager for investment advice (as opposed to other services) in connection with its acquisition or holding of the Note. In addition, each such beneficial owner will be required or deemed to acknowledge and agree that the Independent Fiduciary (x) understands that none of the Issuer, the Co-Issuer, the Initial Purchaser or the Collateral Manager or other persons that provide marketing services, nor any of their affiliates, has provided, and none of them will provide, impartial investment advice and they are not giving any advice in a fiduciary capacity, in connection with the purchaser's or transferee's acquisition or holding of the Note and (y) has received and understands the disclosure of the existence and nature of the financial interests contained in the Offering Circular and related materials.

(xv) ~~(xiv)~~ Such beneficial owner agrees to the provisions of Section 2.12 and makes the representations and warranties set forth therein.

(k) Each subsequent transferee of a Certificated Subordinated Note will be required to make the representations and agreements set forth in Exhibit B4.

(l) Any purported transfer of a Note not in accordance with this Section 2.5 shall be null and void and shall not be given effect for any purpose whatsoever.

(m) To the extent required by the Issuer, as determined by the Issuer or the Collateral Manager on behalf of the Issuer, the Issuer may, upon written notice to the Trustee, impose additional transfer restrictions on the Subordinated Notes to comply with the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 and other similar laws or regulations, including, without limitation, requiring each transferee of a Subordinated Note to make representations to the Issuer in connection with such compliance.

(n) The Registrar, the Trustee and the Issuer shall be entitled to conclusively rely on any transferor and transferee certificate delivered pursuant to this Section 2.5 and shall be able to presume conclusively the continuing accuracy thereof, in each case, without further inquiry or investigation.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Applicable Issuers, the Trustee and the relevant Transfer Agent evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Applicable Issuers, the Trustee and such Transfer Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Applicable Issuers, the Trustee or such Transfer Agent that such Note has been acquired by a protected purchaser, the Applicable Issuers shall execute and, upon Issuer Order, the Trustee shall authenticate and deliver to the Holder, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal or face amount, registered in the same manner, dated the date of its authentication, bearing

interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a protected purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, the Applicable Issuers, the Transfer Agent and the Trustee shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Applicable Issuers, the Trustee and the Transfer Agent in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Applicable Issuers in their discretion may, instead of issuing a new Note pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Applicable Issuers may require the payment by the Holder thereof of a sum sufficient to cover any transfer tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Applicable Issuers and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Class duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved. (a) The Secured Notes of each Class shall accrue interest during each Interest Accrual Period at the applicable Interest Rate and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date). Payment of interest on each Class of Secured Notes (and payments of available Interest Proceeds to the Holders of the Subordinated Notes) will be subordinated to the payment of interest on each related Priority Class. Any payment of interest due on a Class of Deferred Interest Secured Notes on any Payment Date to the extent sufficient funds are not available to make such payment in accordance with the Priority of Payments on such Payment Date, but only if one or more Priority Classes is Outstanding with respect to such Class of Deferred Interest Secured Notes, shall constitute "**Secured Note Deferred Interest**" with respect to such Class and shall not be considered "due and payable" on such Payment Date, and, although such amounts will not be added to the principal amount of the related Class, such amounts will be deferred and will bear interest at the Interest Rate applicable to such Class of Secured Notes, until the earlier of (i) the date on which such amounts are paid and (ii) the Stated Maturity of the applicable Class of Secured Notes; provided, that any such Secured Note Deferred Interest must,

in any case, be paid no later than the earlier of the Redemption Date or Stated Maturity of such Class. Regardless of whether any Priority Class is Outstanding with respect to any Class of Deferred Interest Secured Notes, to the extent that funds are not available on any Payment Date (other than the Redemption Date with respect to, or Stated Maturity of, such Class of Deferred Interest Secured Notes) to pay previously accrued Secured Note Deferred Interest, such previously accrued Secured Note Deferred Interest will not be due and payable on such Payment Date and any failure to pay such previously accrued Secured Note Deferred Interest on such Payment Date will not be an Event of Default. To the extent lawful and enforceable, interest on any interest that is not paid when due on any Class A Notes or Class B Notes or, if no Class A Notes or Class B Notes are Outstanding, any Class C Notes or, if no Class C Notes are Outstanding, any Class D Note, or, if no Class D Notes are Outstanding, any Class E Note, or, if no Class E Notes are Outstanding, any Class F Note shall accrue at the Interest Rate for such Class until paid as provided herein or the Stated Maturity of such Notes.

(b) The principal of each Secured Note of each Class matures at par and is due and payable on the date of the Stated Maturity for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Secured Note becomes due and payable at an earlier date by acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Secured Notes (and payments of Principal Proceeds to the Holders of the Subordinated Notes) may only occur (other than amounts constituting Secured Note Deferred Interest thereon which will be payable from Interest Proceeds pursuant to Section 11.1(a)(i)) in accordance with the Priority of Payments. Payments of principal on any Class of Secured Notes, and distributions of Principal Proceeds to Holders of Subordinated Notes, which are not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity of the such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered "due and payable" for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Priority Classes with respect to such Class have been paid in full.

(c) Principal payments on the Notes will be made in accordance with the Priority of Payments and Section 9.1.

(d) The Paying Agent shall require the previous delivery of properly completed and signed applicable tax certifications (generally, in the case of U.S. federal income tax, an IRS Form W-9 (or applicable successor form) in the case of a United States person within the meaning of Section 7701(a)(30) of the Code or the applicable IRS Form W-8 (or applicable successor form) in the case of a Person that is not a United States person within the meaning of Section 7701(a)(30) of the Code), or any other certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee and any Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to pay, deduct or withhold from payments in respect of such Note or the Holder or beneficial owner of such Note, or to comply with any reporting or other requirements, under any applicable law. The Co-Issuers shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges with respect to the Notes.

(e) Payments in respect of interest on and principal of any Secured Note and any payment with respect to any Subordinated Note shall be made by the Trustee, in Dollars to DTC or its nominee with respect to a Global Note and to the Holder or its nominee with respect to a Certificated Subordinated Note by wire transfer, as directed by the Holder, in immediately available funds to a Dollar account maintained by DTC or its nominee with respect to a Global Note, and to the Holder or its nominee with respect to a Certificated Subordinated Note; provided, that (1) in the case of a Certificated Subordinated Note, the Holder thereof shall have provided written wiring instructions to the Trustee on or before the related Record Date and (2) if appropriate instructions for any such wire transfer are not received by the related Record Date, then such payment shall be made by check drawn on a U.S. bank mailed to the address of the Holder specified in the Register. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Trustee or at the office of any Paying Agent on or prior to such Maturity; provided, that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Neither the Co-Issuers, the Trustee, the Collateral Manager, nor any Paying Agent will have any responsibility or liability for any aspects of the records maintained by DTC, Euroclear, Clearstream or any of the Agent Members relating to or for payments made thereby on account of beneficial interests in a Global Note. In the case where any final payment of principal and interest is to be made on any Secured Note (other than on the Stated Maturity thereof) or any final payment is to be made on any Subordinated Note (other than on the Stated Maturity thereof), the Trustee, in the name and at the expense of the Applicable Issuers shall, not more than 30 nor less than 10 days prior to the date on which such payment is to be made, mail (by first class mail, postage prepaid) to the Persons entitled thereto at their addresses appearing on the Register a notice which shall specify the date on which such payment will be made, the amount of such payment per U.S.$1,000 original principal amount of Secured Notes or Subordinated Notes, as applicable, and the place where Notes may be presented and surrendered for such payment.

(f) Payments to Holders of the Notes of each Class shall be made ratably among the Holders of the Notes of such Class in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on the applicable Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(g) Interest accrued with respect to any Secured Notes shall be calculated on the basis of the actual number of days elapsed in the applicable Interest Accrual Period divided by 360.

(h) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date or Redemption Date shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(i) Notwithstanding any other provision of this Indenture, the obligations of the Applicable Issuers under the Secured Notes and this Indenture are limited recourse obligations of the Applicable Issuers and the obligations of the Issuer under the Subordinated Notes are non-recourse obligations of the Issuer, payable solely from proceeds of the Collateral Obligations and the other Assets and following realization of the Assets, and application of the proceeds thereof in accordance with this Indenture, all obligations of and any claims against the Co-Issuers hereunder or in connection herewith after such realization shall be extinguished and shall not thereafter revive. No recourse shall be had against any Officer, director, employee, shareholder or incorporator of the Co-Issuers, the Collateral Manager or their respective Affiliates, successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph (i) shall not (1) prevent recourse to the Assets for the sums due or to become due under any security, instrument or agreement which is part of the Assets or (2) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture until such Assets have been realized. It is further understood that the foregoing provisions of this paragraph (i) shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity. The Subordinated Notes are not secured hereunder, and the Holders of the Subordinated Notes are not Secured Parties.

(j) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to unpaid interest and principal (or other applicable amount) that were carried by such other Note.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, and any agent of the Issuer, the Co-Issuer or the Trustee shall treat as the owner of each Note the Person in whose name such Note is registered on the Register on the applicable Record Date for the purpose of receiving payments on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Issuer, the Co-Issuers, the Trustee or any agent of the Issuer, the Co-Issuer or the Trustee shall be affected by notice to the contrary.

Section 2.9 Cancellation. All Notes surrendered for payment, registration of transfer or exchange, or mutilated, defaced or deemed lost or stolen, shall be promptly cancelled by the Trustee and may not be reissued or resold. No Note may be surrendered (including any surrender in connection with any abandonment, donation, gift, contribution or other event or circumstance) except (x) for payment in full as provided herein, or (y) for registration of transfer or exchange, or for replacement in connection with any Note mutilated, defaced or deemed lost or stolen; provided that, in the case of this clause (y), a new Note in the identical principal amount as the cancelled Note shall be issued. Any such Notes shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. No Notes shall be authenticated or registered in lieu of or in exchange for any Notes cancelled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Trustee shall be destroyed

or held by the Trustee in accordance with its standard retention policy unless the Issuer shall direct by an Issuer Order received prior to destruction that they be returned to it.

Section 2.10 DTC Ceases to be Depository. (a) A Global Note deposited with DTC pursuant to Section 2.2 shall be transferred in the form of a corresponding Certificated Note to the beneficial owners thereof only if (i) such transfer complies with Section 2.5 of this Indenture and (ii) either (x) (A) DTC notifies the Co-Issuers that it is unwilling or unable to continue as depository for such Global Note or (B) DTC ceases to be a Clearing Agency registered under the Exchange Act and, in each case, a successor depository is not appointed by the Co-Issuers within 90 days after such event or (y) an Event of Default has occurred and is continuing and such transfer is requested by the Holder of such Global Note.

(b) Any Global Note that is transferable in the form of a corresponding Certificated Note to the beneficial owner thereof pursuant to this Section 2.10 shall be surrendered by DTC to the Trustee's Corporate Trust Office to be so transferred, in whole or from time to time in part, without charge, and the Applicable Issuers shall execute and the Trustee shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of definitive physical certificates (pursuant to the instructions of DTC) in Minimum Denominations. Any Certificated Note delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5, bear the legends set forth in the applicable Exhibit A and shall be subject to the transfer restrictions referred to in such legends.

(c) Subject to the provisions of paragraph (b) of this Section 2.10, the Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which such Holder is entitled to take under this Indenture or the Notes.

(d) In the event of the occurrence of either of the events specified in subsection (a) of this Section 2.10, the Co-Issuers will promptly make available to the Trustee a reasonable supply of Certificated Notes.

In the event that Certificated Notes are not so issued by the Applicable Issuers to such beneficial owners of interests in Global Notes as required by subsection (a) of this Section 2.10, the Issuer expressly acknowledges that the beneficial owners shall be entitled to pursue any remedy that the Holders of a Global Note would be entitled to pursue in accordance with Article V of this Indenture (but only to the extent of such beneficial owner's interest in the Global Note) as if corresponding Certificated Notes had been issued; provided, that the Trustee shall be entitled to rely upon any certificate of ownership provided by such beneficial owners (including a certificate substantially in the form of Exhibit D) and/or other forms of reasonable evidence of such ownership.

Section 2.11 Notes Beneficially Owned by Persons in Violation of Representations. (a) Notwithstanding anything to the contrary elsewhere in this Indenture, (x) any transfer of a beneficial interest in any Note to a U.S. Person (x) that is not (i)(A) a Qualified Institutional Buyer or (B) solely in the case of the Subordinated Notes, an Accredited Investor and also (ii) a Qualified Purchaser or an Accredited Investor and (y) that is not made pursuant to

an applicable exemption under the Securities Act and the Investment Company Act shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(b) If any U.S. Person that is not (i)(A) a Qualified Institutional Buyer or (B) solely in the case of the Subordinated Notes, an Accredited Investor and also (ii) a Qualified Purchaser or that does not have an exemption available under the Securities Act and the Investment Company Act shall become the Holder of or beneficial owner of an interest in any Note (any such person a "**Non-Permitted Holder**"), the Issuer shall, in its sole discretion, promptly after discovery that such person is a Non-Permitted Holder by the Issuer, the Co-Issuer or the Trustee (or upon notice to the Issuer from the Trustee if a Trust Officer of the Trustee obtains actual knowledge or by the Co-Issuer if it makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its Notes or interest therein to a Person that is not a Non-Permitted Holder within 30 days after the date of such notice. If such Non-Permitted Holder fails to so transfer its Notes or interest therein, the Issuer or the Collateral Manager acting for the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer or the Collateral Manager (on its own or acting through an investment banker selected by the Collateral Manager) acting on behalf of the Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and selling such Notes to the highest such bidder, provided, that the Collateral Manager, its Affiliates and accounts, funds, clients or portfolios established and controlled by the Collateral Manager shall be entitled to bid in any such sale. However, the Issuer or the Collateral Manager may select a purchaser by any other means determined by it in its sole discretion. The Holder of each Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale shall be determined in the sole discretion of the Issuer, and the Issuer, the Collateral Manager and the Trustee shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

(c) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a beneficial interest in any ERISA Restricted Note to a Person who has made or is deemed to have made an ERISA-related representation required by Section 2.5 that is subsequently shown to be false or misleading shall be null and void and any such purported transfer of which the Issuer, the Co-Issuer or the Trustee shall have notice may be disregarded by the Issuer, the Co-Issuer and the Trustee for all purposes.

(d) If any Person shall become the beneficial owner of an interest in any Note who has made or is deemed to have made a prohibited transaction representation or a Benefit Plan Investor, Controlling Person, Independent Fiduciary, Similar Law or Other Plan Law representation required by Section 2.5 that is subsequently shown to be false or misleading or whose beneficial ownership otherwise causes a violation of the 25% Limitation (any such person

a "**Non-Permitted ERISA Holder**"), such holding shall be deemed to be void *ab initio* and the Issuer shall, in its sole discretion, promptly after discovery that such person is a Non-Permitted ERISA Holder by the Issuer or upon notice from the Trustee (if a Trust Officer of the Trustee obtains actual knowledge) or the Co-Issuer to the Issuer, if either of them makes the discovery (who, in each case, agree to notify the Issuer of such discovery, if any), send notice to such Non-Permitted ERISA Holder demanding that such Non-Permitted ERISA Holder transfer all or any portion of the Notes held by such Person to a Person that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) within 10 days after the date of such notice. If such Non-Permitted ERISA Holder fails to so transfer such Notes the Issuer shall have the right, without further notice to the Non-Permitted ERISA Holder, to sell such Notes or interest in such Notes to a purchaser selected by the Issuer that is not a Non-Permitted ERISA Holder (and that is otherwise eligible to hold such Notes or an interest therein) on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes and sell such Notes to the highest such bidder. The Holder of each Note, the Non-Permitted ERISA Holder and each other Person in the chain of title from the Holder to the Non-Permitted ERISA Holder, by its acceptance of an interest in the Notes agrees to cooperate with the Issuer and the Trustee to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted ERISA Holder. The terms and conditions of any sale under this subsection shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Notes sold as a result of any such sale or the exercise of such discretion.

Section 2.12 Tax Treatment and Tax Certifications. (a) Each Holder (including for purposes of this Section 2.12, any beneficial owner of an interest in the Notes) will treat the Issuer, the Co-Issuer and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) Each Holder will timely furnish the Issuer and its agents with any tax forms or certifications (including, without limitation, IRS Form W-9, an applicable IRS Form W-8 (together with all applicable attachments), or any successors to such IRS forms) that the Issuer or its agents reasonably request (A) to permit the Issuer and its agents to make payments to the Holder without, or at a reduced rate of, deduction or withholding, (B) to enable the Issuer and its agents to qualify for a reduced rate of withholding or deduction in any jurisdiction from or through which they receive payments, and (C) to enable the Issuer and its agents to satisfy reporting and other obligations under the Code, Treasury regulations, or any other applicable law or regulation, and will update or replace such tax forms or certifications in accordance with their terms or subsequent amendments. Each Holder acknowledges that the failure to provide, update or replace any such tax forms or certifications may result in the imposition of withholding or back-up withholding on payments to the Holder, or to the Issuer. Amounts withheld by the Issuer or its agents that are, in their sole judgment, required to be withheld pursuant to applicable tax laws will be treated as having been paid to such Holder by the Issuer.

(c) Each Holder will provide the Issuer or its agents with any correct, complete and accurate information or documentation that may be required for the Issuer to

comply with FATCA or the Cayman FATCA Legislation and to prevent the imposition of U.S. federal withholding tax under FATCA on payments to or for the benefit of the Issuer. In the event such Holder fails to provide such information or documentation, or to the extent that its ownership of Notes would otherwise cause the Issuer to be subject to any tax under FATCA, (A) the Issuer (and any agent acting on its behalf) is authorized to withhold amounts otherwise distributable to the Holder as compensation for any amounts withheld from payments to or for the benefit of the Issuer as a result of such failure or such ownership, and (B) to the extent necessary to avoid an adverse effect on the Issuer as a result of such failure or the Holder's ownership of Notes, the Issuer will have the right to compel the Holder to sell its Notes and, if the Holder does not sell its Notes within 10 Business Days after notice from the Issuer or its agents, the Issuer will have the right to sell such Notes at a public or private sale called and conducted in any manner permitted by law, and to remit the net proceeds of such sale (taking into account any taxes incurred by the Issuer in connection with such sale) to the Holder as payment in full for such Notes. The Issuer may also assign each such Note a separate CUSIP number in its sole discretion. Each Holder, by its acceptance of a Note, agrees that the Issuer, the Trustee, and/or their agents or representatives may (1) provide any information and documentation concerning its investment in its Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service, and any other relevant tax authority, and (2) take such other steps as they deem necessary or helpful to ensure that the Issuer complies with FATCA and the Cayman FATCA Legislation.

(d) Each Holder of Class E Notes, Class F Notes or Subordinated Notes, if it is not a "United States person" (as defined in Section 7701(a)(30) of the Code), represents that either:

(i) It is not a bank (within the meaning of Section 881(c)(3)(A) of the Code) or an affiliate of a bank;

(ii) It (x) will not directly or indirectly own more than 33-1/3%, by value, of the aggregate of the Notes within such Class and any other Notes that are ranked pari passu with or are subordinated to such Notes, and will not otherwise be related to the Issuer (within the meaning of Treasury regulations section 1.881-3) and (y) has not purchased the Notes in whole or in part to avoid any U.S. federal tax liability (including, without limitation, any U.S. withholding tax that would be imposed on payments on the Collateral Obligations if the Collateral Obligations were held directly by such Holder); or

(iii) It has provided an IRS Form W-8ECI representing that all payments received or to be received by it from the Issuer are effectively connected with the conduct of a trade or business in the United States and includible in its gross income; or

(iv) It is a person that is eligible for benefits under an income tax treaty with the United States that eliminates U.S. federal income taxation of U.S. source interest not attributable to a permanent establishment in the United States.

(e) Each Holder of Subordinated Notes, if it owns more than 50% of the Subordinated Notes by value or is otherwise treated as a member of the Issuer's "expanded affiliated group" (as defined in Treasury regulations section 1.1471-5T(i) (or any successor

provision)), represents that it will (A) confirm that any member of such expanded affiliated group (assuming that each of the Issuer and any Issuer Subsidiary is a "participating FFI" within the meaning of Treasury regulations section 1.1471-1~~T~~(b)(91) (or any successor provision)) that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is either a "participating FFI", a "~~registered~~ deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4~~T~~(e) (or any successor provision), and (B) promptly notify the Issuer in the event that any member of such expanded affiliated group that is treated as a "foreign financial institution" within the meaning of Section 1471(d)(4) of the Code and any Treasury regulations promulgated thereunder is not either a "participating FFI", a "~~registered~~ deemed-compliant FFI" or an "exempt beneficial owner" within the meaning of Treasury regulations section 1.1471-4~~T~~(e) (or any successor provision), in each case except to the extent that the Issuer or its agents have provided such Holder with an express waiver of this requirement.

(f) No Holder of Subordinated Notes will treat any income with respect to its Subordinated Notes as derived in connection with the Issuer's active conduct of a banking, financing, insurance, or other similar business for purposes of Section 954(h)(2) of the Code.

Section 2.13 Additional Issuance. (a) At any time during the Reinvestment Period (or, in the case of an issuance solely of additional Subordinated Notes and/or Junior Mezzanine Notes, at any time) and subject to the conditions set forth in Section 3.2, the Co-Issuers may issue and sell additional notes of any one or more new classes of notes that are fully subordinated to the existing Secured Notes (or to the most junior class of securities of the Issuer (other than the Subordinated Notes) issued pursuant to this Indenture, if any class of securities issued pursuant to this Indenture other than the Secured Notes and the Subordinated Notes is then Outstanding) ("**Junior Mezzanine Notes**") and/or additional notes of any one or more existing Classes and use the net proceeds to purchase additional Collateral Obligations or as otherwise permitted under this Indenture (including, with respect to the issuance of Subordinated Notes or Junior Mezzanine Notes, to apply proceeds of such issuance as Principal Proceeds or Interest Proceeds in accordance with clause (viii) below), provided, that the following conditions are met:

(i) the Collateral Manager consents to such issuance, and such issuance is consented to by each Hedge Counterparty, if any, a Majority of the Subordinated Notes and, unless either (x) only additional Junior Mezzanine Notes and/or Subordinated Notes are being issued or (y) if, (A) prior to such additional issuance any Class A Notes are Outstanding and the Initial Majority Class A Investor held more than 66 2/3% of such Class A Notes and (B) after giving effect to such additional issuance, the Initial Majority Class A Investor would hold more than 66 2/3% of the Class A Notes, a Majority of the Controlling Class consents to such issuance;

(ii) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), a Majority of the Class A Notes consents to such issuance;

(iii) in the case of additional notes of any one or more existing Classes (other than Subordinated Notes or Junior Mezzanine Notes), the aggregate principal amount of Notes of such Class issued in all additional issuances must not exceed 100% of the respective original outstanding principal amount of the Notes of such Class;

(iv) in the case of additional notes of any one or more existing Classes, the terms of the notes issued must be identical to the respective terms of previously issued Notes of the applicable Class (except that the interest due on additional notes will accrue from the issue date of such additional notes and the spread over LIBOR of such notes do not have to be identical to those of the initial Notes of that Class; provided, that the spread over LIBOR on such notes must not exceed the spread over LIBOR applicable to the initial Secured Notes of that Class);

(v) ~~such additional notes must be issued at a Cash sales price equal to or greater than the principal amount thereof;~~[Reserved]

(vi) in the case of additional notes of any one or more existing Classes, unless only additional Subordinated Notes or Junior Mezzanine Notes are being issued, additional notes of all Classes must be issued and such issuance of additional notes must be proportional across all Classes, provided, that the principal amount of Junior Mezzanine Notes and/or Subordinated Notes issued in any such issuance may exceed the proportion otherwise applicable to the Junior Mezzanine Notes and/or Subordinated Notes;

(vii) in the case of the issuance of (x) additional Junior Mezzanine Notes or Subordinated Notes only, each Rating Agency has been notified of such issuance or (y) additional notes of any one or more existing Classes (other than Junior Mezzanine Notes or Subordinated Notes), the S&P Rating Condition or the Moody's Rating Condition, as applicable, have been satisfied (or deemed inapplicable under Section 1.3) with respect to any Secured Notes not constituting part of such additional issuance;

(viii) the proceeds of any additional notes (net of fees and expenses incurred in connection with such issuance) shall be treated as Principal Proceeds and used to purchase additional Collateral Obligations, to invest in Eligible Investments or to apply pursuant to the Priority of Payments;

(ix) immediately after giving effect to such issuance and the application of the proceeds thereof, each Overcollateralization Ratio Test is maintained or improved;

(x) an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters shall be delivered to the Trustee to the effect that (A) any additional Class A Notes, Class B Notes, Class C Notes, or Class D Notes will be treated, and any additional Class E Notes should be treated, as indebtedness for U.S. federal income tax purposes, (B) such additional issuance will not in and of itself cause the opinion delivered by Cadwalader, Wickersham & Taft LLP to the Issuer on the Closing Date regarding characterization of the Class A Notes, Class B Notes, Class C

Notes, Class D Notes and Class E Notes as indebtedness for U.S. federal income tax purposes to be incorrect and (C) such additional issuance will not result in the Issuer becoming subject to U.S. federal income tax with respect to its net income; provided, however, that the opinion described in clause (A) above will not be required with respect to any additional Notes that bear a different CUSIP number (or equivalent identifier) from the Notes of the same Class that were issued on the Closing Date or the Refinancing Date, as applicable, and are Outstanding at the time of the additional issuance;

(xi) such additional issuance will be accomplished in a manner that allows the Issuer to accurately provide (or cause to be provided) the tax information relating to original issue discount required under this Indenture to be provided to the Holders of Notes (including the additional Notes); and

(xii) to the extent such issuance would be of Junior Mezzanine Notes and/or additional Subordinated Notes, for so long as any Class A Notes are Outstanding, (1) the aggregate principal amount of Junior Mezzanine Notes and/or Subordinated Notes issued in such additional issuance shall be in a minimum aggregate amount of U.S.$2,500,000 (or such lesser amount consented to by a Majority of the Class A Notes) and (2) the consent of a Majority of the Class A Notes shall be required; provided, that up to four (4) such additional issuances of Junior Mezzanine Notes and/or Subordinated Notes (with an additional issuance of Junior Mezzanine Notes and Subordinated Notes on the same day being counted as a single issuance) may be made without such consent (and, for the avoidance of doubt, any such additional issuance for which such consent is obtained shall not count towards such four-time limitation).

(b) Any additional notes of an existing Class issued as described above shall, to the extent reasonably practicable, be offered first to Holders of that Class in such amounts as are necessary to preserve (on an approximate basis) their pro rata holdings of Notes of such Class. Any additional Junior Mezzanine Notes of a class of Junior Mezzanine Notes that does not already exist will, to the extent reasonably practicable, be offered first to the existing Holders of Subordinated Notes in such amounts as are necessary to allow each such Holder to purchase a share of such additional Junior Mezzanine Notes that is proportional to its then current ownership of Subordinated Notes. Any Holder of existing Notes that has not, within 5 Business Days after delivery of such offer by or on behalf of the Issuer, accepted an offer required to be made by this clause (b) shall be deemed to have declined to purchase the additional notes subject to such offer.

Initially, the Custodian shall be the Bank. The Custodian agrees that its "securities intermediary's jurisdiction" (within the meaning of Section 8-110(e) of the UCC) is the State of New York. Any successor custodian shall be an Eligible Custodian that is a Securities Intermediary. The Trustee or the Custodian, as applicable, shall hold (i) all Collateral Obligations, Eligible Investments, Cash and other investments purchased in accordance with this Indenture and (ii) any other property of the Issuer otherwise Delivered to the Trustee or the Custodian, as applicable, by or on behalf of the Issuer, in the relevant Account, established and maintained pursuant to Article X; as to which in each case the Trustee shall have entered into the Securities Account Control Agreement (or, in the case of a successor custodian, an agreement substantially in the form thereof) providing, inter alia, that the establishment and maintenance of such Account will be governed by a law of a jurisdiction satisfactory to the Issuer and the Trustee.

(b) Each time that the Collateral Manager on behalf of the Issuer directs or causes the acquisition of any Collateral Obligation, Eligible Investment or other investment, the Collateral Manager (on behalf of the Issuer) shall, if the Collateral Obligation, Eligible Investment or other investment is required to be, but has not already been, transferred to the relevant Account, use commercially reasonable efforts to cause the Collateral Obligation, Eligible Investment or other investment to be Delivered to the Custodian to be held in the Custodial Account (or in the case of any such investment that is not a Collateral Obligation, in the Account in which the funds used to purchase the investment are held in accordance with Article X) for the benefit of the Trustee in accordance with this Indenture. The security interest of the Trustee shall nevertheless come into existence and continue in the Collateral Obligation, Eligible Investment or other investment so acquired, including all interests of the Issuer in any contracts related to and proceeds of such Collateral Obligation, Eligible Investment or other investment.

(c) Notwithstanding any term hereof or elsewhere to the contrary, it is hereby expressly acknowledged that (a) interests in Collateral Obligations may be acquired and delivered by the Issuer to the Trustee or Custodian from time to time which are not evidenced by, or accompanied by delivery of, a security (as that term is defined in UCC Section 8-102) or an instrument (as that term is defined in Section 9-102(a)(4a) of the UCC), and may be evidenced solely by delivery to the Trustee or Custodian of a facsimile copy of an assignment agreement ("**Loan Assignment Agreement**") in favor of the Issuer as assignee, (b) any such Loan Assignment Agreement (and the registration of the related Asset on the books and records of the applicable Obligor or bank agent) shall be registered in the name of the Issuer, and (c) any duty on the part of the Trustee or Custodian with respect to such Collateral Obligation (including in respect of any duty it might otherwise have to maintain a sufficient quantity of such Collateral Obligation for purposes of UCC Section 8-504) shall be limited to the exercise of reasonable care by the Trustee or Custodian, as applicable, in the physical custody of any such Loan

Assignment Agreement that may be delivered to it. It is acknowledged and agreed that the Trustee and Custodian are not under a duty to examine underlying credit agreements or loan documents to determine the validity or sufficiency of any Loan Assignment Agreement (and shall have no responsibility for the genuineness or completeness thereof), or for the Issuer's title to any related Loan.

Section 5.2 Acceleration of Maturity; Rescission and Annulment. (a) If an Event of Default occurs and is continuing (other than an Event of Default specified in Section 5.1(g) or (h)), the Trustee may (with the written consent of a Majority of the Controlling Class), and shall (upon the written direction of a Majority of the Controlling Class), by notice to the Applicable Issuers, each Hedge Counterparty, each Rating Agency and the Collateral Manager, declare the principal of all the Secured Notes to be immediately due and payable, and upon any such declaration such principal, together with all accrued and unpaid interest thereon (including, in the case of the Class C Notes, Class D Notes, Class E Notes and Class F Notes, any Secured Note Deferred Interest) through the date of acceleration and other amounts payable hereunder, shall become immediately due and payable. (b) At any time after such a declaration of acceleration of maturity has been made and before a judgment or decree for payment of the Money due has been obtained by the Trustee as hereinafter provided in this Article V, a Majority of the Controlling Class by written notice to the Issuer, the Trustee, the Rating Agencies and the Collateral Manager, may rescind and annul such declaration and its consequences if:

(i) The Issuer or the Co-Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(A) all unpaid installments of interest and principal then due on the Secured Notes (other than as a result of such acceleration); and

(B) all unpaid Taxes and Administrative Expenses of the Co-Issuers and other sums paid or advanced by the Trustee hereunder or by the Collateral Administrator under the Collateral Administration Agreement or hereunder, accrued and unpaid Base Management Fees and any other amounts then payable by the Co-Issuers hereunder prior to such Administrative Expenses and such Base Management Fees; and

(ii) It has been determined that all Events of Default, other than the nonpayment of the interest on or principal of the Secured Notes that has become due solely by such acceleration, have (A) been cured, and a Majority of the Controlling Class by written notice to the Trustee has agreed with such determination (which agreement shall not be unreasonably withheld), or (B) been waived as provided in Section 5.14.

Subject to the second proviso in Section 5.1(a), no such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee. The Applicable Issuers covenant that if a default shall occur in respect of the payment of any principal of or interest when due and payable on any Secured Note, the Applicable Issuers will, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holder of such Secured Note, the whole amount, if any, then due and payable on such Secured Note for principal and interest with interest upon the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable Interest Rate, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may, and (subject to its rights hereunder, including Section 6.1(c)(iv)) shall upon direction of a Majority of the Controlling Class, institute a Proceeding for the collection of the sums so due and unpaid, may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Applicable Issuers or any other obligor upon the Secured Notes and collect the Monies adjudged or decreed to be payable in the manner provided by law out of the Assets.

If an Event of Default occurs and is continuing, the Trustee may in its discretion, and shall upon written direction of a Majority of the Controlling Class, proceed to protect and enforce its rights and the rights of the Secured Parties by such appropriate Proceedings as the

Trustee shall deem most effectual (if no such direction is received by the Trustee) or as the Trustee may be directed by a Majority of the Controlling Class, to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law.

In case there shall be pending Proceedings relative to the Issuer or the Co-Issuer or any other obligor upon the Secured Notes under the Bankruptcy Law or any other applicable bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer, the Co-Issuer or their respective property or such other obligor or its property, or in case of any other comparable Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes, or the creditors or property of the Issuer, the Co-Issuer or such other obligor, the Trustee, regardless of whether the principal of any Secured Note shall then be due and payable as therein expressed or by declaration or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(a) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Secured Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or willful misconduct) and of the Secured Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Secured Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(b) unless prohibited by applicable law and regulations, to vote on behalf of the Secured Noteholders upon the direction of a Majority of the Controlling Class, in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency Proceedings or person performing similar functions in comparable Proceedings; and

(c) to collect and receive any Monies or other property payable to or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Secured Noteholders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Secured Noteholders to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee except as a result of negligence or willful misconduct.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Secured Noteholders, any plan of reorganization, arrangement, adjustment or composition affecting the Secured Notes or any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Secured Noteholders, as applicable, in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

In any Proceedings brought by the Trustee on behalf of the Holders of the Secured Notes (and any such Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party), the Trustee shall be held to represent all the Holders of the Secured Notes.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.3 except according to the provisions specified in Section 5.5(a).

Section 5.4 Remedies. (a) If an Event of Default shall have occurred and be continuing, and the Secured Notes have been declared or have become due and payable (an "**Acceleration Event**") and such Acceleration Event and its consequences have not been rescinded and annulled, the Co-Issuers agree that the Trustee may, and (subject to its rights under this Indenture, including Section 6.1(c)(iv)) shall, upon written direction of a Majority of the Controlling Class, to the extent permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

(i) institute Proceedings for the collection of all amounts then payable on the Secured Notes or otherwise payable under this Indenture, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Assets any Monies adjudged due;

(ii) sell or cause the sale of all or a portion of the Assets or rights or interests therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 hereof;

(iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Assets;

(iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Trustee and the Holders of the Secured Notes hereunder (including exercising all rights of the Trustee under the Securities Account Control Agreement); and

(v) exercise any other rights and remedies that may be available at law or in equity;

provided, that the Trustee may not sell or liquidate the Assets or institute Proceedings in furtherance thereof pursuant to this Section 5.4 except according to the provisions of Section 5.5(a).

The Trustee may, but need not, obtain and rely upon an opinion (the cost of which shall be payable as an Administrative Expense) of an Independent investment banking firm of national reputation with experience in structuring and distributing securities similar to the Secured Notes, which may be the Initial Purchaser, as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts receivable with respect to the Assets to make the required payments of principal of and interest on the Secured Notes which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) hereof shall have occurred and be continuing the Trustee may, and at the direction of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, any Secured Party may bid for and purchase the Assets or any part thereof and, upon compliance with the terms of sale, may hold, retain, possess or dispose of such property in its or their own absolute right without accountability.

Upon any sale, whether made under the power of sale hereby given or by virtue of judicial Proceedings, the receipt of the Trustee, or of the Officer making a sale under judicial Proceedings, shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase Money, and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such sale, whether under any power of sale hereby given or by virtue of judicial Proceedings, shall bind the Co-Issuers, the Trustee and the Holders of the Secured Notes, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold, and shall be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture, none of the Trustee, the Secured Parties or the Noteholders may, prior to the date which is one year and one day (or if longer, any applicable preference period plus one day) after the payment in full of all Notes and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceedings (other than an Approved Issuer Subsidiary Liquidation), or other Proceedings under Cayman Islands, U.S. federal or state bankruptcy or similar laws. Nothing in this Section 5.4 shall preclude, or be deemed to estop, the Trustee, any Secured Party or any Noteholder (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary

insolvency Proceeding filed or commenced by a Person other than the Trustee, such Secured Party or such Noteholder, respectively, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation Proceeding.

The foregoing restrictions of this Section 5.4(d) are a material inducement for each Holder and beneficial owner of Notes to acquire such Notes and for the Issuer, the Co-Issuer and the Collateral Manager to enter into this Indenture (in the case of the Issuer and the Co-Issuer) and the other applicable transaction documents and are an essential term of this Indenture and that any Holder or beneficial owner of a Note, the Collateral Manager or either of the Co-Issuers may seek and obtain specific performance of such restrictions (including injunctive relief), including, without limitation, in any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings (other than an Approved Issuer Subsidiary Liquidation), or other proceedings under Cayman Islands law, United States federal or state bankruptcy law or similar laws of any jurisdiction.

(e) In the event one or more Holders or beneficial owners of Notes cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary in violation of the prohibition described above, such Holder(s) or beneficial owner(s) will be deemed to acknowledge and agree that any claim that such Holder(s) or beneficial owner(s) have against the Issuer, the Co-Issuer or any Issuer Subsidiary or with respect to any Assets (including any proceeds thereof) shall, notwithstanding anything to the contrary in the Priority of Payments, be fully subordinate in right of payment to the claims of each Holder and beneficial owner of any Note that does not seek to cause any such filing, with such subordination being effective until all amounts with respect to each Note held by each Holder or beneficial owners of any Note that does not seek to cause any such filing are paid in full in accordance with the Priority of Payments (after giving effect to such subordination). The terms described in the immediately preceding sentence are referred to herein as the "**Bankruptcy Subordination Agreement**." The Bankruptcy Subordination Agreement will constitute a "subordination agreement" within the meaning of Section 510(a) of the U.S. Bankruptcy Code (Title 11 of the United States Code, as amended from time to time (or any successor statute)). The Trustee shall be entitled to rely upon an Issuer Order with respect to the payment of any amounts payable to Holders, which amounts are subordinated pursuant to this Section 5.4(e).

Section 5.5 Optional Preservation of Assets. (a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing, the Trustee shall retain the Assets securing the Secured Notes intact, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Assets and the Notes in accordance with the Priority of Payments and the provisions of Article X, Article XII and Article XIII unless:

(i) the Trustee, pursuant to Section 5.5(c) and in consultation with the Collateral Manager, determines that the anticipated proceeds of a sale or liquidation of the Assets (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due (or, in the case of interest, accrued) and unpaid on the Secured Notes for principal and interest (including accrued and unpaid Secured Note Deferred Interest), and all other amounts that, pursuant to the Priority of

Payments, are required to be paid prior to such payments on such Secured Notes (including amounts due and owing as Administrative Expenses (without regard to the Administrative Expense Cap), due and unpaid Base Management Fee and any Hedge Payment Amounts (assuming, for this purpose, that the related Hedge Agreement has been terminated by reason of the occurrence of an "event of default" as defined thereunder by the Issuer)) and a Majority of the Controlling Class agrees with such determination; or

(ii) (A) in the case of an Event of Default specified in Sections 5.1(a) (unless such Event of Default was caused solely as a result of acceleration), (b) or (f), a Majority of the Controlling Class and (B) in all other cases, a Supermajority of each Class of the Secured Notes (voting separately by Class), or, if no Secured Notes remain Outstanding, a Majority of the Subordinated Notes, directs the sale and liquidation of the Assets.

The Trustee shall give written notice of the retention of the Assets to the Issuer with a copy to the Co-Issuer and the Collateral Manager. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require the Trustee to sell the Assets securing the Secured Notes if the conditions set forth in clause (i) or (ii) of Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Assets securing the Secured Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Trustee shall obtain, with the cooperation of the Collateral Manager, bid prices with respect to each security contained in the Assets from two nationally recognized dealers (as specified by the Collateral Manager in writing) at the time making a market in such securities and shall compute the anticipated proceeds of sale or liquidation on the basis of the lower of such bid prices for each such security. In addition, for the purposes of determining issues relating to the execution of a sale or liquidation of the Assets and the execution of a sale or other liquidation thereof in connection with a determination whether the condition specified in Section 5.5(a)(i) exists, the Trustee may retain and rely on an opinion of an Independent investment banking firm of national reputation (the cost of which shall be payable as an Administrative Expense).

The Trustee shall deliver to the Noteholders and the Collateral Manager a report stating the results of any determination required pursuant to Section 5.5(a)(i) no later than 10 days after such determination is made. The Trustee shall make the determination required by Section 5.5(a)(i) within 30 days after an Event of Default and at the request of a Majority of the Controlling Class at any time during which the Trustee retains the Assets pursuant to Section 5.5(a)(i).

Section 5.6 Trustee May Enforce Claims without Possession of Notes. All rights of action and claims under this Indenture or under any of the Secured Notes may be prosecuted and enforced by the Trustee without the possession of any of the Secured Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or

Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be applied as set forth in Section 5.7 hereof.

Section 5.7 Application of Money Collected. Any Money collected by the Trustee with respect to the Notes pursuant to this Article V and any Money that may then be held or thereafter received by the Trustee with respect to the Notes hereunder shall be applied in accordance with the provisions of Section 11.1(a) and Section 13.1. Following commencement of liquidation pursuant to Section 5.5, payments will be made only on the date or dates fixed by the Trustee. Upon the final distribution of all proceeds of any liquidation effected hereunder, the provisions of Section 4.1(b) shall be deemed satisfied for the purposes of discharging this Indenture pursuant to Article IV.

Section 5.8 Limitation on Suits. No Holder of any Note shall have any right to institute any Proceedings, judicial or otherwise, with respect to this Indenture or any Note, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(a) such Holder has previously given to the Trustee written notice of an Event of Default;

(b) the Holders of not less than 25% of the then Aggregate Outstanding Amount of the Notes of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holder or Holders have provided the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request;

(c) the Trustee, for 30 days after its receipt of such notice, request and provision of such indemnity, has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall act in accordance with the request specified by the group of Holders with the greatest percentage of the Aggregate Outstanding Amount of the Controlling Class, notwithstanding any other provisions of this Indenture. If all such groups represent the same percentage, the Trustee, in its sole discretion, may determine what action, if any, shall be taken.

Section 5.9 Unconditional Rights of Secured Noteholders to Receive Principal and Interest. Subject to Section 2.7(i) but notwithstanding any other provision of this Indenture, the Holder of any Secured Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Secured Note, as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, as the case may be, and, subject to the provisions of Section 5.8, to institute proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder. Holders of Secured Notes ranking junior to Notes still Outstanding shall have no right to institute Proceedings for the enforcement of any such payment until such time as no Secured Note ranking senior to such Secured Note remains Outstanding, which right shall be subject to the provisions of Section 5.8, and shall not be impaired without the consent of any such Holder.

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then and in every such case the Co-Issuers, the Trustee and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholder shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or any Holder of Secured Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or of a subsequent Event of Default. Every right and remedy given by this Article V or by law to the Trustee or to the Holders of the Secured Notes may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of the Secured Notes.

Section 5.13 Control by Majority of Controlling Class. Notwithstanding any other provision of this Indenture, a Majority of the Controlling Class shall have the right following the occurrence, and during the continuance of, an Event of Default to cause the institution of and direct the time, method and place of conducting any Proceeding or for any other remedy available to the Trustee; provided, that:

(a) such direction shall not conflict with any rule of law or with any express provision of this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; provided, that subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received the indemnity as set forth in (c) below);

(c) the Trustee shall have been provided with indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities to be incurred in compliance with such request; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Assets must satisfy the requirements of Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the Money due has been obtained by the Trustee, as provided in this Article V, a Majority of the Controlling Class may on behalf of the Holders of all the Notes waive any past Event of Default or any occurrence that is, or with notice or the lapse of time or both would become, an Event of Default and its consequences, except any such Event of Default or occurrence:

(a) in the payment of the principal of or interest on any Secured Note (which may be waived only with the consent of the Holder of such Secured Note);

(b) in respect of a covenant or provision hereof that under Section 8.2 cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note materially and adversely affected thereby (which may be waived only with the consent of each such Holder); or

(c) in respect of a representation contained in Section 7.19.

In the case of any such waiver, the Co-Issuers, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. The Trustee shall promptly give written notice of any such waiver to each Rating Agency, the Collateral Manager and each Holder.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by such Holder's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good

faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 10% in Aggregate Outstanding Amount of the Controlling Class, or to any suit instituted by any Noteholder for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Stated Maturity (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. The Co-Issuers covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any valuation, appraisement, redemption or marshalling law or rights, in each case wherever enacted, now or at any time hereafter in force, which may affect the covenants, the performance of or any remedies under this Indenture; and the Co-Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law or rights, and covenant that they will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted or rights created.

Section 5.17 Sale of Assets. (a) The power to effect any sale (a "**Sale**") of any portion of the Assets pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such Assets remaining unsold, but shall continue unimpaired until the entire Assets shall have been sold or all amounts secured by the Assets shall have been paid. The Trustee may upon notice to the Noteholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale. The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; provided, that the Trustee shall be authorized to deduct the reasonable costs, charges and expenses incurred by it in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Trustee may bid for and acquire any portion of the Assets in connection with a public Sale thereof, and may pay all or part of the purchase price by crediting against amounts owing on the Secured Notes in the case of the Assets or other amounts secured by the Assets, all or part of the net proceeds of such Sale after deducting the reasonable costs, charges and expenses incurred by the Trustee in connection with such Sale notwithstanding the provisions of Section 6.7 hereof. The Secured Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes. The Trustee may hold, lease, operate, manage or otherwise deal with any property so acquired in any manner permitted by law in accordance with this Indenture.

(c) If any portion of the Assets consists of securities issued without registration under the Securities Act ("**Unregistered Securities**"), the Trustee may seek an Opinion of Counsel, or, if no such Opinion of Counsel can be obtained and with the consent of a Majority of the Controlling Class, seek a no action position from the Securities and Exchange Commission or any other relevant federal or state regulatory authorities, regarding the legality of a public or private Sale of such Unregistered Securities.

(d) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Assets in connection with a Sale thereof. In addition, the Trustee is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Assets in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a sale shall be bound to ascertain the Trustee's authority, to inquire into the satisfaction of any conditions precedent or see to the application of any Monies.

(e) The Trustee shall provide notice of any public Sale to the Holders of the Subordinated Notes, and the Holders of the Subordinated Notes shall be permitted to participate in any such public Sale to the extent such Holders meet any eligibility requirements with respect to such Sale.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking or obtaining of or application for any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Assets or upon any of the assets of the Issuer or the Co-Issuer.

ARTICLE VI

THE TRUSTEE

Section 6.1 Certain Duties and Responsibilities. (a) Except during the continuance of an Event of Default known to the Trustee:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; provided, that in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly, but in any event within three Business Days in the case of an Officer's certificate furnished by the Collateral Manager, notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee within 15 days after such notice from the Trustee, the Trustee shall so notify the Noteholders.

(b) In case an Event of Default known to the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the

Controlling Class, or such other percentage as permitted by this Indenture, exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 6.1;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer or the Co-Issuer or the Collateral Manager in accordance with this Indenture and/or a Majority (or such other percentage as may be required by the terms hereof) of the Controlling Class (or other Class if required or permitted by the terms hereof), relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture;

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it (if, in the Trustee's sole determination, the amount of such funds or risk or liability is reasonably expected not to exceed the amount payable to the Trustee pursuant to Section 11.1(a)(i)(A) on the immediately succeeding Payment Date, as applicable, net of the amounts specified in Section 6.7(a), the Trustee shall be deemed to be reasonably assured of such repayment) unless such risk or liability relates to the performance of its incidental services, including mailing of notices under Article V, under this Indenture (it being expressly acknowledged and agreed without implied limitation that the enforcement or exercise of rights and remedies under Article V and/or commencement of or participation in any legal proceeding does not constitute "incidental services"); and

(v) in no event shall the Trustee be liable for special, punitive, indirect or consequential loss or damage (including lost profits) even if the Trustee has been advised of the likelihood of such damages and regardless of such action.

(d) For all purposes under this Indenture, the Trustee shall not be deemed to have notice or knowledge of any Default or Event of Default described in Sections 5.1(d), (e), (g) or (h) unless a Trust Officer assigned to and working in the Corporate Trust Office has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default

or Default is received by the Trustee at the Corporate Trust Office, and such notice references the Notes generally, the Issuer, the Co-Issuer, the Assets or this Indenture. For purposes of determining the Trustee's responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee is deemed to have notice as described in this Section 6.1.

(e) Upon the Trustee receiving written notice from the Collateral Manager that an event constituting "cause" as defined in the Collateral Management Agreement has occurred, the Trustee shall, not later than three Business Days thereafter, forward such notice to the Noteholders (as their names appear in the Register) and the Rating Agencies.

(f) Provided that the Trustee has received from the Collateral Manager on or prior to the Closing Date a copy of Part 2 of the Collateral Manager's Form ADV, the Trustee shall on the Closing Date deliver a copy of Part 2 of the Collateral Manager's Form ADV to the Holders by posting to the Trustee's website.

(g) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.1.

Section 6.2 Notice of Default. Promptly (and in no event later than three Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the Collateral Manager, each Rating Agency, and all Holders, as their names and addresses appear on the Register, ~~and the Irish Listing Agent for delivery to the Irish Stock Exchange, for so long as any Class of Notes is listed on the Irish Stock Exchange for trading on its Global Exchange Market and so long as the guidelines of such exchange so require,~~ notice of all Defaults hereunder known to the Trustee, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee. Except as otherwise provided in Section 6.1:

(a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee shall (i) deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's certificate or (ii) be required to determine the value of any Assets or funds hereunder or the cash flows projected to be received therefrom,

the Trustee may, in the absence of bad faith on its part, rely on reports of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10), investment bankers or other persons qualified to provide the information required to make such determination, including nationally recognized dealers in securities of the type being valued and securities quotation services;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have provided to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses (including reasonable attorneys' fees and expenses) and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report (including any Accountants' Report), notice, request, direction, consent, order, note or other paper or document, but the Trustee, in its discretion, may, and upon the written direction of a Majority of the Controlling Class or of a Rating Agency shall, make such further inquiry or investigation into such facts or matters as it may see fit or as it shall be directed, and the Trustee shall be entitled, on reasonable prior notice to the Co-Issuers and the Collateral Manager, to examine the books and records relating to the Notes and the Assets, personally or by agent or attorney, during the Co-Issuers' or the Collateral Manager's normal business hours; provided, that the Trustee shall, and shall cause its agents to, hold in confidence all such information, except (i) to the extent disclosure may be required by law by any regulatory or governmental authority and (ii) to the extent that the Trustee, in its sole discretion, may determine that such disclosure is consistent with its obligations hereunder; provided further, that the Trustee may disclose on a confidential basis any such information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys; provided, that the Trustee shall not be responsible for any misconduct or negligence on the part of any non-Affiliated agent or non-Affiliated attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers hereunder;

(i) nothing herein shall be construed to impose an obligation on the part of the Trustee to recalculate, evaluate or verify or independently determine the accuracy of any report, certificate or information received from the Issuer or the Collateral Manager (unless and except to the extent otherwise expressly set forth herein);

(j) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee hereunder, is dependent upon or defined by reference to generally accepted accounting principles (as in effect in the United States) ("**GAAP**"), the Trustee shall be entitled to request and receive (and rely upon) instruction from the Issuer or a firm of nationally recognized accountants (which may or may not be the Independent accountants appointed by the Issuer pursuant to Section 10.10) (and in the absence of its receipt of timely instruction therefrom, shall be entitled to obtain from an Independent accountant at the expense of the Issuer) as to the application of GAAP in such connection, in any instance;

(k) the Trustee shall not be liable for the actions or omissions of the Collateral Manager, the Issuer, the Co-Issuer, any Paying Agent (other than the Trustee) and without limiting the foregoing, the Trustee shall not be under any obligation to monitor, evaluate or verify compliance by the Collateral Manager with the terms hereof or of the Collateral Management Agreement, or to verify or independently determine the accuracy of information received by the Trustee from the Collateral Manager (or from any selling institution, agent bank, trustee or similar source) with respect to the Assets;

(l) notwithstanding any term hereof (or any term of the UCC that might otherwise be construed to be applicable to a "securities intermediary" as defined in the UCC) to the contrary, none of the Trustee, the Custodian or the Securities Intermediary shall be under a duty or obligation in connection with the acquisition or Grant by the Issuer to the Trustee of any item constituting the Assets, or to evaluate the sufficiency of the documents or instruments delivered to it by or on behalf of the Issuer in connection with its Grant or otherwise, or in that regard to examine any Underlying Instrument, in each case, in order to determine compliance with applicable requirements of and restrictions on transfer in respect of such Assets;

(m) in the event the Bank is also acting in the capacity of Paying Agent, 17g-5 Information Agent, Collateral Administrator, Registrar, Transfer Agent, Custodian, Calculation Agent or Securities Intermediary, the rights, protections, benefits, immunities and indemnities afforded to the Trustee pursuant to this Article VI shall also be afforded to the Bank acting in such capacities;

(n) any permissive right of the Trustee to take or refrain from taking actions enumerated in this Indenture shall not be construed as a duty;

(o) to the extent permitted by applicable law, the Trustee shall not be required to give any bond or surety in respect of the execution of this Indenture or otherwise;

(p) the Trustee shall not be deemed to have notice or knowledge of any matter unless a Trust Officer has actual knowledge thereof or unless written notice thereof is received by the Trustee at the Corporate Trust Office and such notice references the Notes generally, the Issuer, the Co-Issuer or this Indenture. Whenever reference is made in this Indenture to a Default or an Event of Default such reference shall, insofar as determining any liability on the part of the Trustee is concerned, be construed to refer only to a Default or an Event of Default of which the Trustee is deemed to have knowledge in accordance with this paragraph;

(q) the Trustee shall not be responsible for delays or failures in performance resulting from acts or circumstances beyond its control (such circumstances include but are not limited to acts of God, strikes, lockouts, riots, acts of war, or loss or malfunctions of utilities or communications services);

(r) to help fight the funding of terrorism and money laundering activities, the Trustee will obtain, verify, and record information that identifies individuals or entities that establish a relationship or open an account with the Trustee. The Trustee will ask for the name, address, tax identification number and other information that will allow the Trustee to identify the individual or entity who is establishing the relationship or opening the account. The Trustee may also ask for formation documents such as articles of incorporation, an offering memorandum, or other identifying documents to be provided. In accordance with the U.S. Unlawful Internet Gambling Act, the Issuer may not use the Accounts or other U.S. Bank National Association facilities in the United States to process "restricted transactions" as such term is defined in U.S. 31 CFR Section 132.2(y). Therefore, neither the Issuer nor any person who has an ownership interest in or control over the Accounts may use them to process or facilitate payments for prohibited internet gambling transactions;

(s) to the extent not inconsistent herewith, the rights, protections and immunities afforded to the Trustee pursuant to this Indenture also shall be afforded to the Collateral Administrator;

(t) in making or disposing of any investment permitted by this Indenture, the Trustee is authorized to deal with itself (in its individual capacity) or with any one or more of its Affiliates, in each case on an arm's-length basis, whether it or such Affiliate is acting as a subagent of the Trustee or for any third person or dealing as principal for its own account. If otherwise qualified, obligations of the Bank or any of its Affiliates shall qualify as Eligible Investments hereunder;

(u) the Trustee or its Affiliates are permitted to receive additional compensation that could be deemed to be in the Trustee's economic self-interest for (i) serving as investment advisor, administrator, shareholder, servicing agent, custodian or subcustodian with respect to certain of the Eligible Investments, (ii) using Affiliates to effect transactions in certain Eligible Investments and (iii) effecting transactions in certain Eligible Investments. Such compensation is not payable or reimbursable under Section 6.7 of this Indenture;

(v) the Trustee shall have no duty (i) to see to any recording, filing, or depositing of this Indenture or any supplemental indenture or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording, filing or depositing or to any rerecording, refiling or redepositing of any thereof or (ii) to maintain any insurance; and

(w) the Trustee shall be entitled to conclusively rely on the Collateral Manager with respect to whether or not a Collateral Obligation meets the criteria in the definition thereof and for the characterization, classification, designation or categorization of the Assets to the

extent such characterization, classification, designation or categorization is subjective or judgmental in nature, or based on information not readily available to the Trustee.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Applicable Issuers; and the Trustee assumes no responsibility for their correctness. The Trustee makes no representation as to the validity or sufficiency of this Indenture (except as may be made with respect to the validity of the Trustee's obligations hereunder), the Assets or the Notes. The Trustee shall not be accountable for the use or application by the Co-Issuers of the Notes or the proceeds thereof or any Money paid to the Co-Issuers pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, any Paying Agent, Registrar or any other agent of the Co-Issuers, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Co-Issuers or any of their Affiliates with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 6.6 Money Held in Trust. Money held by the Trustee hereunder shall be held in trust to the extent required herein. The Trustee shall be under no liability for interest on any Money received by it hereunder except to the extent of income or other gain on investments which are deposits in or certificates of deposit of the Bank in its commercial capacity and income or other gain actually received by the Trustee on Eligible Investments.

Section 6.7 Compensation and Reimbursement. (a) The Issuer agrees:

(i) to pay the Bank (in each of its capacities) on each Payment Date reasonable compensation, as set forth in a separate fee schedule, for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Bank (individually and in each of its capacities) in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Bank in accordance with any provision of this Indenture or other Transaction Document (including, without limitation, securities transaction charges and the reasonable compensation and expenses and disbursements of its agents and legal counsel and of any accounting firm or investment banking firm employed by the Trustee pursuant to Section 5.4, 5.5, 6.3(c) or 10.10, except any such expense, disbursement or advance as may be attributable to its negligence, willful misconduct or bad faith) but with respect to securities transaction charges, only to the extent any such charges have not been waived during a Collection Period due to the Bank's receipt of a payment from a financial institution with respect to certain Eligible Investments, as specified by the Collateral Manager;

(iii) to indemnify the Bank (individually and in each of its capacities) and its Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability or expense incurred without negligence, willful misconduct or bad faith on

their part, arising out of or in connection with the acceptance or administration of this Indenture and transactions contemplated hereby, including the costs and expenses of defending themselves (including reasonable attorney's fees and costs) against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder and under any other agreement or instrument related hereto; and

(iv) to pay the Trustee reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13 hereof.

(b) The Bank shall receive amounts pursuant to this Section 6.7 and any other amounts payable to it under this Indenture only as provided in Section 11.1(a) and only to the extent that funds are available for the payment thereof. Subject to Section 6.9, the Bank shall continue to serve as Trustee under this Indenture notwithstanding the fact that the Bank shall not have received amounts due it hereunder; provided, that nothing herein shall impair or affect the Bank's rights under Section 6.9. No direction by the Noteholders shall affect the right of the Bank to collect amounts owed to it under this Indenture. If on any date when a fee shall be payable to the Bank pursuant to this Indenture insufficient funds are available for the payment thereof, any portion of a fee not so paid shall be deferred and payable on such later date on which a fee shall be payable and sufficient funds are available therefor.

(c) The Bank hereby agrees not to cause the filing of a petition in bankruptcy for the non-payment to the Trustee of any amounts provided by this Section 6.7 until at least one year and one day, or if longer the applicable preference period then in effect plus one day, after the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) issued under this Indenture.

(d) The Issuer's payment obligations to the Bank under this Section 6.7 shall be secured by the lien of this Indenture on the Assets, and shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Bank incurs expenses after the occurrence of a Default or an Event of Default under Section 5.1(g) or (h), the expenses are intended to constitute expenses of administration under Bankruptcy Law or any other applicable federal or state bankruptcy, insolvency or similar law.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which shall be an Independent organization or entity organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least U.S.$200,000,000, subject to supervision or examination by federal or state authority, having (x) a counterparty risk assessment of at least "Baa1(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "Baa1" by Moody's and (y) at least "BBB+" by S&P and having an office within the United States. If such organization or entity publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such organization or entity shall be deemed to be its combined capital and surplus as set forth in its most recent published report of condition. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this

Section 6.8, it shall resign immediately in the manner and with the effect hereinafter specified in this Article VI.

Section 6.9 Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article VI shall become effective until the acceptance of appointment by the successor Trustee under Section 6.10.

(b) The Trustee may resign at any time by giving not less than 30 days' written notice thereof to the Co-Issuers, the Collateral Manager, the Holders of the Notes and each Rating Agency. Upon receiving such notice of resignation, the Co-Issuers shall promptly appoint a successor trustee or trustees satisfying the requirements of Section 6.8 by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Trustee so resigning and one copy to the successor Trustee or Trustees, together with a copy to each Holder and the Collateral Manager; provided, that such successor Trustee shall be appointed only upon the written consent of a Majority of the Secured Notes of each Class voting as a single Class or, at any time when an Event of Default shall have occurred and be continuing or when a successor Trustee has been appointed pursuant to Section 6.9(e), by an Act of a Majority of the Controlling Class. If no successor Trustee shall have been appointed and an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee or any Holder, on behalf of itself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee satisfying the requirements of Section 6.8.

(c) The Trustee may be removed at any time by Act of a Majority of each Class of Notes or, at any time when an Event of Default shall have occurred and be continuing by an Act of a Majority of the Controlling Class, delivered to the Trustee and to the Co-Issuers.

(d) If at any time:

(i) the Trustee shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Co-Issuers or by a Majority of the Controlling Class; or

(ii) the Trustee shall become incapable of acting or shall be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (A) the Co-Issuers, by Issuer Order, may remove the Trustee, or (B) subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any reason (other than resignation), the

Co-Issuers, by Issuer Order, shall promptly appoint a successor Trustee. If the Co-Issuers shall fail to appoint a successor Trustee within 30 days after such removal or incapability or the occurrence of such vacancy, a successor Trustee may be appointed by a Majority of the Controlling Class by written instrument delivered to the Issuer and the retiring Trustee. The successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede any successor Trustee proposed by the Co-Issuers. If no successor Trustee shall have been so appointed by the Co-Issuers or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, any Holder may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Co-Issuers shall give prompt notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first class mail, postage prepaid, to the Collateral Manager, to each Rating Agency and to the Holders of the Notes as their names and addresses appear in the Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Co-Issuers fail to mail such notice within ten days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be given at the expense of the Co-Issuers.

(g) If the Bank shall resign or be removed as Trustee, the Bank shall also resign or be removed as Custodian, Paying Agent, Transfer Agent, Calculation Agent, Registrar and any other capacity in which the Bank is then acting pursuant to this Indenture or any other Transaction Document.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall meet the requirements of Section 6.8 and shall execute, acknowledge and deliver to the Co-Issuers and the retiring Trustee an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee; but, on request of the Co-Issuers or a Majority of any Class of Secured Notes or the successor Trustee, such retiring Trustee shall, upon payment of its charges then unpaid, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and Money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Co-Issuers shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee. Any organization or entity into which the Trustee may be merged or converted or with which it may be consolidated, or any organization or entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any organization or entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided, that such organization or entity shall be otherwise qualified and eligible under this Article VI, without the execution or filing of any paper or any

further act on the part of any of the parties hereto. In case any of the Notes has been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes.

Section 6.12 Co-Trustees. At any time or times, for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Assets may at the time be located, the Co-Issuers and the Trustee shall have power to appoint one or more Persons to act as co-trustee (subject to prior notice thereof being given to each Rating Agency), jointly with the Trustee, of all or any part of the Assets, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 herein and to make such claims and enforce such rights of action on behalf of the Holders, as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

The Co-Issuers shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Co-Issuers do not join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have the power to make such appointment.

Should any written instrument from the Co-Issuers be required by any co-trustee so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Co-Issuers. The Co-Issuers agree to pay as Administrative Expenses, to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) the Notes shall be authenticated and delivered, and all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised, solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly as shall be provided in the instrument appointing such co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Co-Issuers evidenced by an Issuer Order, may accept the resignation of or remove any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Co-Issuers. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder;

(e) the Trustee shall not be liable by reason of any act or omission of a co-trustee; and

(f) any Act of Holders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

The Issuer shall notify each Rating Agency and the Collateral Manager of the appointment of a co-trustee hereunder.

Section 6.13 Certain Duties of Trustee Related to Delayed Payment of Proceeds. In the event that the Trustee shall not have received a payment with respect to any Asset on its Due Date, (a) the Trustee shall promptly notify the Issuer and the Collateral Manager in writing or electronically and (b) unless within three Business Days (or the end of the applicable grace period for such payment, if any) after such notice (x) such payment shall have been received by the Trustee or (y) the Issuer, in its absolute discretion (but only to the extent permitted by Section 10.2(a)), shall have made provision for such payment satisfactory to the Trustee in accordance with Section 10.2(a), the Trustee shall, not later than the Business Day immediately following the last day of such period and in any case upon request by the Collateral Manager, request the issuer of such Asset, the trustee under the related Underlying Instrument or paying agent designated by either of them, as the case may be, to make such payment not later than three Business Days after the date of such request. In the event that such payment is not made within such time period, the Trustee, subject to the provisions of clause (iv) of Section 6.1(c), shall take such action as the Collateral Manager shall direct. Any such action shall be without prejudice to any right to claim a Default or Event of Default under this Indenture. In the event that the Issuer or the Collateral Manager requests a release of an Asset and/or delivers an additional Collateral Obligation in connection with any such action under the Collateral Management Agreement, such release and/or delivered Collateral Obligation shall be subject to Section 10.9 and Article XII of this Indenture, as the case may be. Notwithstanding any other provision hereof, the Trustee shall deliver to the Issuer or its designee any payment with respect to any Asset or any additional Collateral Obligation received after the Due Date thereof to the extent the Issuer previously made provisions for such payment satisfactory to the Trustee in accordance with this Section 6.13 and such payment shall not be deemed part of the Assets.

Section 6.14 Authenticating Agents. Upon the request of the Co-Issuers, the Trustee shall, and if the Trustee so chooses the Trustee may, appoint one or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 6.14 shall be deemed to be the authentication of Notes by the Trustee.

Any corporation into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and the Issuer. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent and the Co-Issuers. Upon receiving such notice of resignation or upon such a termination, the Trustee shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Co-Issuers.

Unless the Authenticating Agent is also the same entity as the Trustee, the Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto as an Administrative Expense. The provisions of Sections 2.8, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 6.15 Withholding. If any withholding Tax is imposed on the Issuer's payments under the Notes by law or pursuant to the Issuer's agreement with a governmental authority, such Tax shall reduce the amount otherwise distributable to the relevant Holder. The Trustee is hereby authorized and directed to retain from amounts otherwise distributable to any Holder sufficient funds for the payment of any Tax that is legally owed or required to be withheld by the Issuer by law or pursuant to the Issuer's agreement with a governmental authority (but such authorization shall not prevent the Trustee from contesting any such Tax in appropriate proceedings and withholding payment of such Tax, if permitted by law, pending the outcome of such proceedings) and to timely remit such amounts to the appropriate taxing authority. The amount of any withholding Tax imposed by law or pursuant to the Issuer's agreement with a governmental authority with respect to any Note shall be treated as Cash distributed to the relevant Holder at the time it is withheld by the Trustee. If there is a possibility that withholding Tax is payable with respect to a distribution, the Paying Agent or the Trustee may, in its sole discretion, withhold such amounts in accordance with this Section 6.15. If any Holder or beneficial owner wishes to apply for a refund of any such withholding Tax, the Trustee shall reasonably cooperate with such Person in providing readily available information so long as such Person agrees to reimburse the Trustee for any out-of-pocket expenses incurred. Nothing herein shall impose an obligation on the part of the Trustee to determine the amount of any Tax or withholding obligation on the part of the Issuer or in respect of the Notes.

Section 6.16 Representative for Secured Noteholders Only; Agent for each other Secured Party and the Holders of the Subordinated Notes. With respect to the security interest created hereunder, the Delivery of any Asset to the Trustee is to the Trustee as representative of the Secured Noteholders and agent for each other Secured Party and the Holders of the Subordinated Notes. In furtherance of the foregoing, the possession by the Trustee of any Asset, the endorsement to or registration in the name of the Trustee of any Asset

(including without limitation as entitlement holder of the Custodial Account) are all undertaken by the Trustee in its capacity as representative of the Secured Noteholders, and agent for each other Secured Party and the Holders of the Subordinated Notes.

Section 6.17 Representations and Warranties of the Bank. The Bank hereby represents and warrants as follows:

This Indenture has been duly authorized, executed and delivered by the Bank and constitutes the legal, valid and binding obligation of the Bank enforceable in accordance with its terms subject, as to enforcement, (i) to the effect of bankruptcy, insolvency or similar laws affecting generally the enforcement of creditors' rights as such laws would apply in the event of any bankruptcy, receivership, insolvency or similar event applicable to the Bank and (ii) to general equitable principles (whether enforcement is considered in a proceeding at law or in equity).

(c) Eligibility. The Bank is eligible under Section 6.8 to serve as Trustee hereunder.

(d) No Conflict. Neither the execution, delivery and performance of this Indenture, nor the consummation of the transactions contemplated by this Indenture, (i) is prohibited by, or requires the Bank to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, judgment, order, writ, injunction or decree that is binding upon the Bank or any of its properties or assets, or (ii) will violate any provision of, result in any default or acceleration of any obligations under, result in the creation or imposition of any lien pursuant to, or require any consent under, any material agreement to which the Bank is a party or by which it or any of its property is bound.

The Issuer shall, subject to the Priority of Payments, reimburse the Co-Issuer for any amounts paid by the Co-Issuer pursuant to the terms of the Notes or this Indenture. The Co-Issuer shall not reimburse the Issuer for any amounts paid by the Issuer pursuant to the terms of the Notes or this Indenture.

Amounts properly withheld under the Code or other applicable law or pursuant to the Issuer's agreement with a governmental authority by any Person from a payment under a Note shall be considered as having been paid by the Issuer to the relevant Holder for all purposes of this Indenture.

Section 7.2 Maintenance of Office or Agency. The Co-Issuers hereby appoint the Trustee as a Paying Agent for payments on the Notes and the Co-Issuers hereby appoint the Trustee at its applicable Corporate Trust Office, as the Co-Issuers' agent where Notes may be surrendered for registration of transfer or exchange. The Co-Issuers may at any time and from time to time appoint additional paying agents; provided, that no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax solely as a result of such paying agent's activities. If at any time the Co-Issuers shall fail to maintain the appointment of a paying agent, or shall fail to furnish the Trustee with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding sentence), and Notes may be presented and surrendered for payment, to the Trustee at its main office.

The Co-Issuers hereby appoint Intertrust Corporate Services Delaware Ltd., as their agent upon whom process or demands may be served in any action arising out of or based on this Indenture or the transactions contemplated hereby. The Co-Issuers may at any time and from time to time vary or terminate the appointment of such process agent or appoint an additional process agent; provided, that the Co-Issuers will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Co-Issuers in respect of such Notes and this Indenture may be served. If at any time the Co-Issuers shall fail to maintain any required office or agency in the Borough of Manhattan, The City of New York, or shall fail to furnish the Trustee with the address thereof, notices and demands may be served on the Issuer or the Co-Issuer by mailing a copy thereof by registered or certified mail or by overnight courier, postage prepaid, to the Issuer or the Co-Issuer, respectively, at its address specified in Section 14.3 for notices.

The Co-Issuers shall at all times maintain a duplicate copy of the Register at the Corporate Trust Office. The Co-Issuers shall give prompt written notice to the Trustee, each Rating Agency and the Holders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

Section 7.3 Money for Note Payments to be Held in Trust. All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer by the Trustee or a Paying Agent with respect to payments on the Notes.

When the Applicable Issuers shall have a Paying Agent that is not also the Registrar, they shall furnish, or cause the Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders and of the certificate numbers of individual Notes held by each such Holder.

Whenever the Applicable Issuers shall have a Paying Agent other than the Trustee, they shall, on or before the Business Day next preceding each Payment Date and any Redemption Date, as the case may be, direct the Trustee to deposit on such Payment Date or such Redemption Date, as the case may be, with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due (to the extent funds are then available for such purpose in the Payment Account), such sum to be held in trust for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Trustee) the Applicable Issuers shall promptly notify the Trustee of its action or failure so to act. Any Monies deposited with a Paying Agent (other than the Trustee) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Trustee for application in accordance with Article X.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order with written notice thereof to the Trustee; provided, that so long as the Notes of any Class are rated by a Rating Agency, with respect to any additional or successor Paying Agent, such Paying Agent has (x) a counterparty risk assessment of at least "Baa3(cr)" and "P-3(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a senior unsecured debt rating of at least "Baa3" and "P-3" by Moody's and (y) a long-term debt rating of "A+" or higher by S&P or a short-term debt rating of "A-1" by S&P. If such successor Paying Agent fails to meet the required ratings set forth above, the Co-Issuers shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Co-Issuers shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Co-Issuers shall cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee and if the Trustee acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will;

(b) hold all sums held by it for the payment of amounts due with respect to the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(c) if such Paying Agent is not the Trustee, immediately resign as a Paying Agent and forthwith pay to the Trustee all sums held by it in trust for the payment of Notes if at

any time it ceases to meet the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(d) if such Paying Agent is not the Trustee, immediately give the Trustee notice of any default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(e) if such Paying Agent is not the Trustee, during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Co-Issuers may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Co-Issuers or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Co-Issuers or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such Money.

Except as otherwise required by applicable law, any Money deposited with the Trustee or any Paying Agent in trust for any payment on any Note and remaining unclaimed for two years after such amount has become due and payable shall be paid to the Issuer on Issuer Order; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts (but only to the extent of the amounts so paid to the Issuer) and all liability of the Trustee or such Paying Agent with respect to such trust Money shall thereupon cease. The Trustee or such Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in Monies due and payable but not claimed is determinable from the records of any Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of Co-Issuers. (a) The Issuer and the Co-Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect their existence and rights as companies incorporated or organized under the laws of the Cayman Islands and the State of Delaware, respectively, and shall obtain and preserve their qualification to do business as foreign corporations in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes, or any of the Assets; provided, that (x) the Issuer shall be entitled to change its jurisdiction of incorporation from the Cayman Islands to any other jurisdiction reasonably selected by the Issuer so long as (i) the Issuer has received a legal opinion (upon which the Trustee may conclusively rely) to the effect that such change is not disadvantageous in any material respect to the Holders, (ii) written notice of such change shall have been given by the Issuer to the Trustee (which shall provide notice to the Holders), the Collateral Manager and each Rating Agency, (iii) on or prior to the 15th Business Day following receipt of such notice the Trustee shall not have received written notice from a Majority of the Controlling Class objecting to such change, (iv) the Co-Issuers shall have

(b) The Issuer and the Co-Issuer shall ensure that all corporate or other formalities regarding their respective existences (including holding regular board of directors' and shareholders', or other similar, meetings) are followed. The Calculation Agent may not resign its duties or be removed without a successor having been duly appointed.

(b) The Calculation Agent shall be required to agree (and the Collateral Administrator as Calculation Agent does hereby agree) that, as soon as possible after 11:00 a.m. London time on each Interest Determination Date, but in no event later than 11:00 a.m. New York time on the London Banking Day immediately following each Interest Determination Date, the Calculation Agent will calculate the Interest Rate applicable to each Class of Secured Notes during the related Interest Accrual Period (or, in the case of the first Interest Accrual Period, the relevant portion thereof) and the Note Interest Amount (in each case, rounded to the nearest cent, with half a cent being rounded upward) payable on the related Payment Date in respect of such Class of Secured Notes and the related period. At such time, the Calculation Agent will communicate such rates and amounts to the Co-Issuers, the Trustee, each Paying Agent, the Collateral Manager, Euroclear and Clearstream. The Calculation Agent will also specify to the Co-Issuers the quotations upon which the foregoing rates and amounts are based, and in any event the Calculation Agent shall notify the Co-Issuers before 5:00 p.m. (New York time) on every Interest Determination Date if it has not determined and is not in the process of determining any such Interest Rate or Note Interest Amount together with its reasons therefor. The Calculation Agent's determination of the foregoing rates and amounts for any Interest Accrual Period will (in the absence of manifest error) be final and binding upon all parties.

Section 7.17 Certain Tax Matters. (a) The Co-Issuers will treat the Issuer, the Co-Issuer, and the Notes as described in the "Certain U.S. Federal Income Tax Considerations" section of the Offering Circular for all U.S. federal, state and local income tax purposes and will take no action inconsistent with such treatment unless required by law.

(b) The Issuer and Co-Issuer shall prepare and file, and the Issuer shall cause each Issuer Subsidiary to prepare and file, or in each case shall hire accountants and the accountants shall cause to be prepared and filed (and, where applicable, delivered to the Issuer or Holders) for each taxable year of the Issuer, the Co-Issuer and any Issuer Subsidiary the federal, state and local income tax returns and reports as required under the Code, or any tax returns or information tax returns required by any governmental authority which the Issuer, the Co-Issuer or the Issuer Subsidiary are required to file (and, where applicable, deliver), and shall provide to each Holder or beneficial owner, at the Issuer's expense (except with respect to the information described in clause (iii), which shall be provided at such Holder's expense) any information that such Holder or beneficial owner reasonably requests in order for such Holder or beneficial owner to (i) comply with its U.S. federal, state or local tax return filing and information reporting obligations, (ii) make and maintain a "qualified electing fund" ("**QEF**") election (as defined in the Code) with respect to the Issuer and any Issuer Subsidiary, (iii) file a protective statement preserving such Holder's or beneficial owner's ability to make a retroactive QEF election with respect to the Issuer or any Issuer Subsidiary ~~(such information to be provided at such Holder's expense)~~, or (iv) comply with filing requirements that arise as a result of the Issuer being classified as a "controlled foreign corporation" for U.S. federal income tax purposes ~~(such information to be provided at such Holder's expense)~~; provided that neither the Issuer nor the Co-Issuer shall file, or cause to be filed, any income or franchise tax return in the United States

or any state of the United States on the basis that it is engaged in a trade or business in the United States for U.S. federal income tax purposes unless it shall have obtained an opinion or advice from Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or ~~Simpson Thacher & Bartlett~~Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other nationally recognized U.S. tax counsel experienced in such matters, prior to such filing that, under the laws of such jurisdiction, the Issuer or Co-Issuer (as applicable) is required to file such income or franchise tax return.

(c) Notwithstanding any provision herein to the contrary, the Issuer will take, and will cause any Issuer Subsidiary to take, any and all actions that it determines may be necessary and appropriate to ensure that the Issuer and such Issuer Subsidiary satisfy any and all withholding and tax payment obligations under Code Sections 1441, 1442, 1445, 1471, 1472 and any other provision of the Code or other applicable law. Without limiting the generality of the foregoing, each of the Issuer and any Issuer Subsidiary may withhold any amount that it or any adviser retained by it or by the Trustee on its behalf determines is required to be withheld from any amounts otherwise distributable to any Person. In addition, the Issuer shall, and shall cause each Issuer Subsidiary to, cause to be delivered any properly completed and executed documentation, agreements, and certifications (including an IRS Form W-8BEN-E or IRS Form W-9, as applicable (or applicable successor form)) to each issuer, counterparty, paying agent, and/or any applicable taxing authority, and enter into any agreements with a taxing authority or other governmental authority, as necessary to avoid or reduce the withholding, deduction, or imposition of U.S. income or withholding tax.

Upon written request, the Trustee and the Registrar shall provide to the Issuer, the Collateral Manager or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Trustee or the Registrar, as the case may be, and may reasonably be necessary for the Issuer to comply with FATCA and the Cayman FATCA Legislation.

(d) Upon the Trustee's receipt of a request of a Holder or beneficial owner delivered in accordance with the notice procedures of Section 14.3, for the information described in United States Treasury ~~Regulations~~regulations section 1.1275-3(b)(1)(i) that is applicable to such Holder or beneficial owner, the Trustee shall forward such request to the Issuer and the Issuer shall cause its Independent accountants to provide promptly to the Trustee and such requesting Holder or beneficial owner all of such information. Any issuance of additional notes or replacement notes shall be accomplished in a manner that shall allow the Independent accountants of the Issuer to accurately calculate original issue discount income to holders of Notes (including such additional notes or replacement notes).

(e) Prior to the time that:

(i) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Obligation that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis, or

(ii) any Collateral Obligation is modified in a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis,

the Issuer will either (x) organize a wholly-owned special purpose vehicle that is treated as a corporation for U.S. federal income tax purposes (an "**Issuer Subsidiary**") and contribute to the Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, (y) contribute to an existing Issuer Subsidiary the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, or (z) sell the right to receive such asset or the Collateral Obligation that is the subject of the workout, restructuring, or modification, in each case unless the Issuer receives an opinion or advice of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that the acquisition, ownership, and disposition of such asset, or that the workout, restructuring, or modification of such Collateral Obligation (as the case may be), will not cause the Issuer to be engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal tax on a net income basis.

(f) Notwithstanding Section 7.17(e), the Issuer shall not acquire any Collateral Obligation if a restructuring, workout, or modification of such Collateral Obligation is in process and if such restructuring, workout, or modification could reasonably result in the Issuer being treated as engaged in a trade or business in the United States or subject to U.S. federal tax on a net income basis.

(g) Each contribution of an asset by the Issuer to an Issuer Subsidiary as provided in this Section 7.17 may be effected by means of granting a participation interest in such asset to the Issuer Subsidiary, if such grant transfers ownership of such asset to the Issuer Subsidiary for U.S. federal income tax purposes based on an opinion or advice of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or Simpson Thacher & BartlettMilbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters.

(h) The Issuer shall not dispose of an interest in any Issuer Subsidiary if such interest is a "United States real property interest," as defined in Section 897(c) of the Code, and an Issuer Subsidiary shall not make any distribution to the Issuer if such distribution would cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or cause the Issuer to be subject to U.S. federal tax on a net income basis.

(i) For the avoidance of doubt, an Issuer Subsidiary may distribute any Issuer Subsidiary Asset to the Issuer if the Issuer has received an opinion or advice of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or Simpson Thacher & BartlettMilbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, to the effect that, under the relevant facts and circumstances, the acquisition, ownership, and disposition of such Issuer

Subsidiary Asset will not cause the Issuer to be treated as engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal tax on a net income basis.

(j) No more than 50% of the debt obligations (as determined for U.S. federal income tax purposes) held by the Issuer may at any time consist of real estate mortgages as determined for purposes of Section 7701(i) of the Code unless, based on an opinion or advice of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or ~~Simpson Thacher & Bartlett~~Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, the ownership of such debt obligations will not cause the Issuer to be treated as a taxable mortgage pool for U.S. federal income tax purposes; provided, that, for the avoidance of doubt, nothing in this Section 7.17(j) shall be construed to permit the Issuer to purchase real estate mortgages.

Section 7.18 Effective Date; Purchase of Additional Collateral Obligations. (a) The Issuer will use commercially reasonable efforts to purchase (or enter into commitments to purchase) Collateral Obligations such that the Target Initial Par Condition is satisfied on or before the date specified in clause (i) of the definition of "Effective Date."

(b) [Reserved].

(c) Up to (and including) the Effective Date, the Issuer will use the following funds to purchase additional Collateral Obligations in the following order: (i) to pay for the principal portion of any Collateral Obligation, first, any amounts on deposit in the Ramp-Up Account, and second, any Principal Proceeds on deposit in the Collection Account, and (ii) to pay for accrued interest on any such Collateral Obligation, any amounts on deposit in the Ramp-Up Account. In addition, the Issuer will use commercially reasonable efforts to acquire such Collateral Obligations that will satisfy or comply with, on the Effective Date, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Test.

(d) Within 10 Business Days after the Effective Date, the Issuer shall provide, or cause the Collateral Administrator to provide, to S&P, a Microsoft Excel file ("**Excel Default Model Input File**") that provides all of the inputs required to determine whether the S&P CDO Monitor Test has been satisfied and the Collateral Administrator shall provide a Microsoft Excel file including, at a minimum, the following data with respect to each Collateral Obligation: CUSIP number (if any), LoanX ID (if any), name of Obligor, coupon, spread (if applicable), LIBOR floor (if any), legal final maturity date, average life, principal balance, identification as a Cov-Lite Loan or otherwise, settlement date, S&P Industry Classification, S&P Recovery Rate and the purchase price of assets purchased by the Issuer that have not settled as of such date.

(e) Unless clause (f) below is applicable, within 10 Business Days after the Effective Date, the Issuer (or the Collateral Manager on its behalf) the Issuer shall provide, or cause the Collateral Manager to provide, the following documents: (i) to each Rating Agency, a report (which the Issuer shall cause the Collateral Administrator to prepare on its behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) identifying the Collateral Obligations; (ii) to each Rating Agency, the Trustee and the Collateral Manager, (x) a report (which the Issuer shall cause the Collateral Administrator to prepare on its

behalf in accordance with, and subject to the terms of, the Collateral Administration Agreement) stating the following information (the "**Effective Date Report**"): (A) the Obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification, S&P Rating and country of Domicile with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or loan), by reference to such sources as shall be specified therein and (B) as of the Effective Date the level of compliance with, and satisfaction or non-satisfaction of, (1) the Target Initial Par Condition, (2) each Overcollateralization Ratio Test, (3) the Concentration Limitations and (4) the Collateral Quality Test (excluding the S&P CDO Monitor Test); and (y) a certificate of the Issuer (such certificate, the "**Effective Date Issuer Certificate**"), certifying that the Issuer has received (A) an Accountants' Report (the "**Accountants' Effective Date Comparison AUP Report**") recalculating and confirming the following items from the Effective Date Report: the Obligor, principal balance, coupon/spread, stated maturity, Moody's Default Probability Rating, Moody's Industry Classification and S&P Rating with respect to each Collateral Obligation as of the Effective Date and substantially similar information provided by the Issuer with respect to every other asset included in the Assets (to the extent such asset is a security or loan), by reference to such sources as shall be specified therein and (B) an Accountants' Report (the "**Accountants' Effective Date Recalculation AUP Report**") recalculating as of the Effective Date the level of compliance with, and satisfaction or non-satisfaction of, (1) the Target Initial Par Condition, (2) each Overcollateralization Ratio Test, (3) the Concentration Limitations and (4) the Collateral Quality Test (excluding the S&P CDO Monitor Test); and (iii) to the Trustee and the Collateral Manager, the Accountants' Effective Date AUP Reports. In accordance with SEC Release No. 34-72936, Form 15-E, only in its complete and unedited form which includes the Accountants' Effective Date Comparison AUP Report as an attachment, will be provided by the Independent accountants to the Issuer who will post such Form 15-E on the Issuer's Website. Copies of the Accountants' Effective Date Recalculation AUP Report or any other agreed-upon procedures report provided by the Independent accountants to the Issuer, the Trustee or the Collateral Administrator will not be provided to any other party including the Rating Agencies.

Upon receipt of the Effective Date Report, the Collateral Manager shall compare the information contained in such Effective Date Report to the information contained in its records with respect to the Assets and shall, within three Business Days after receipt of such Effective Date Report, notify the Issuer, the Collateral Administrator, the Rating Agencies and the Trustee if the information contained in the Effective Date Report does not conform to the information maintained by the Trustee with respect to the Assets. In the event that any discrepancy exists, the Trustee and the Issuer, or the Collateral Manager on behalf of the Issuer, shall attempt to resolve the discrepancy. If such discrepancy cannot be promptly resolved, the Trustee shall within five Business Days notify the Collateral Manager who shall, on behalf of the Issuer, request that the Independent accountants selected by the Issuer pursuant to Section 10.10 perform agreed-upon procedures on the Effective Date Report, the Collateral Manager's records and the Trustee's and/or the Collateral Administrator's records to assist the Collateral Manager and the Trustee in determining the cause of such discrepancy. If such procedures reveal an error in the Effective Date Report, the Collateral Manager's records or the Trustee's and/or the Collateral Administrator's records, the Effective Date Report, the Collateral Manager's records, the Trustee's records and/or the Collateral Administrator's records, as applicable, shall be

revised accordingly and notice of any error in the Effective Date Report shall be sent as soon as practicable by the Issuer to all recipients of such report.

(f) (x) If (1) the Issuer or the Collateral Manager, as the case may be, has not provided to Moody's both (A) an Effective Date Report described in Section 7.18(e)(ii) that shows that the Target Initial Par Condition was satisfied, each Overcollateralization Ratio Test was satisfied, the Concentration Limitations were complied with and the Collateral Quality Test (excluding the S&P CDO Monitor Test) was satisfied and (B) the Effective Date Issuer Certificate (such an Effective Date Report, together with such Effective Date Issuer Certificate, a "**Passing Report**") prior to the date 10 Business Days after the Effective Date or (2) any of the tests referred to in Section 7.18(e)(ii)(B) above are not satisfied ((1) or (2) constituting a "**Moody's Ramp-Up Failure**"), then (I) the Issuer (or the Collateral Manager on the Issuer's behalf) shall either (i) provide a Passing Report to Moody's within 30 calendar days after the Effective Date or (ii) satisfy the Moody's Rating Condition within 30 calendar days following the Effective Date and (II) if, by the 30th calendar day following the Effective Date, the Issuer (or the Collateral Manager on the Issuer's behalf) has not provided a Passing Report to Moody's or satisfied the Moody's Rating Condition, each as described in the preceding clause (I) of this paragraph, the Issuer (or the Collateral Manager on the Issuer's behalf) shall instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, purchase additional Collateral Obligations in an amount sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to (i) provide a Passing Report to Moody's or (ii) satisfy the Moody's Rating Condition; provided, that, in lieu of complying with the preceding clauses (I) and (II), the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to (1) provide to Moody's a Passing Report or (2) satisfy the Moody's Rating Condition; and (y) if S&P (which must receive the Effective Date Report described in Section 7.18(e)(ii) to provide written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Class A Notes) does not provide written confirmation of its Initial Rating of the Class A Notes (such event, an "**S&P Rating Confirmation Failure**") within 30 calendar days after the Effective Date, then the Issuer (or the Collateral Manager on the Issuer's behalf) will instruct the Trustee to transfer amounts from the Interest Collection Subaccount to the Principal Collection Subaccount and may, prior to the first Payment Date, use such funds on behalf of the Issuer for the purchase of additional Collateral Obligations until such time as S&P has provided written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Class A Notes; provided, that, in lieu of complying with this clause (y), the Issuer (or the Collateral Manager on the Issuer's behalf) may take such action, including but not limited to, a Special Redemption and/or transferring amounts from the Interest Collection Subaccount to the Principal Collection Subaccount as Principal Proceeds (for use in a Special Redemption), sufficient to enable the Issuer (or the Collateral Manager on the Issuer's behalf) to obtain written confirmation (which may take the form of a press release or other written communication) from S&P of its Initial Rating of the Class A Notes; it being understood that, if the events specified in both of clauses (x) and (y) occur, the Issuer (or the Collateral Manager on the Issuer's behalf) will be required to satisfy the requirements of both clause (x) and clause (y);

provided further, that, in the case of each of the foregoing clauses (x) and (y), amounts may not be transferred from the Interest Collection Subaccount to the Principal Collection Subaccount if, after giving effect to such transfer, (I) the amounts available pursuant to the Priority of Payments on the next succeeding Payment Date would be insufficient to pay in the full amount of the accrued and unpaid interest on any Class of Secured Notes on such next succeeding Payment Date or (II) such transfer would result in a deferral of interest with respect to the Class C Notes, Class D Notes, Class E Notes or Class F Notes on the next succeeding Payment Date.

(g) The failure of the Issuer to satisfy the requirements of this Section 7.18 will not constitute an Event of Default unless such failure otherwise constitutes an Event of Default under Section 5.1(e) hereof and the Issuer, or the Collateral Manager acting on behalf of the Issuer, has acted in bad faith. At the direction of the Issuer (or the Collateral Manager on behalf of the Issuer), the Trustee shall apply amounts held in the Ramp-Up Account to purchase additional Collateral Obligations from the Closing Date to and including the Effective Date as described in clause (b) above. If on the Effective Date, any amounts on deposit in the Ramp-Up Account have not been applied to purchase Collateral Obligations, such amounts shall be applied as described in Section 10.3(c).

(h) For purposes of the Initial Ratings of the Secured Notes as of the Closing Date, the Collateral Manager has elected, for the "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix, the row that lists a Minimum Weighted Average Spread of 3.65% and column that lists a Diversity Score of 65 from the definition of "Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix." On or prior to the Effective Date, the Collateral Manager shall elect the "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix that shall on and after the Effective Date apply to the Collateral Obligations for purposes of determining compliance with the Moody's Diversity Test, the Maximum Moody's Rating Factor Test and the Minimum Floating Spread Test, and if such "row/column" combination differs from the "row/column" combination chosen to apply as of the Closing Date, the Collateral Manager will so notify the Trustee and S&P. In the event that the Collateral Manager does not elect a "row/column combination" on or prior to the Effective Date, the "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix shall be the row that lists a Minimum Weighted Average Spread of 3.65% and the column that lists a Diversity Score of 65 from the definition of "Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix." Thereafter, at any time on written notice of one Business Day to the Trustee and each Rating Agency, the Collateral Manager may elect a different "row/column combination" from the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix to apply to the Collateral Obligations; provided, that if: (i) the Collateral Obligations are currently in compliance with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case then applicable to the Collateral Obligations, the Collateral Obligations comply with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case to which the Collateral Manager desires to change or (ii) the Collateral Obligations are not currently in compliance with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case then applicable to the Collateral Obligations or would not be in compliance with any other Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case, the Collateral Obligations need not comply with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case to which the Collateral Manager desires to change, so long as the level of compliance with such Minimum

Diversity Score/Maximum Rating/Minimum Spread Matrix case maintains or improves the level of compliance with the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case in effect immediately prior to such change; provided, that if subsequent to such election the Collateral Obligations comply with any Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case, the Collateral Manager shall elect a "row/column combination" that corresponds to a Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix case in which the Collateral Obligations are in compliance. If the Collateral Manager does not notify the Trustee and the Collateral Administrator that it will alter the "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix chosen on the Effective Date in the manner set forth above, the "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix chosen on or prior to the Effective Date shall continue to apply. Notwithstanding the foregoing, the Collateral Manager may elect at any time after the Effective Date, in lieu of selecting a "row/column combination" of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix, to interpolate between two adjacent rows and/or two adjacent columns, as applicable, on a straight-line basis and round the results to two decimal points.

(i) On or prior to the Effective Date, the Collateral Manager shall elect the Weighted Average S&P Recovery Rate that will apply on and after the Effective Date to the Collateral Obligations for purposes of determining compliance with the Minimum Weighted Average S&P Recovery Rate Test, and if such Weighted Average S&P Recovery Rate differs from the Weighted Average S&P Recovery Rate chosen to apply as of the Closing Date, the Collateral Manager shall so notify the Trustee and the Collateral Administrator. Thereafter, at any time on written notice to the Trustee, the Collateral Administrator and S&P, the Collateral Manager may elect a different Weighted Average S&P Recovery Rate to apply to the Collateral Obligations; provided, that, if: (i) the Collateral Obligations are currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations, but the Collateral Obligations would not be in compliance with the Weighted Average S&P Recovery Rate case to which the Collateral Manager desires to change, then such changed case shall not apply or (ii) the Collateral Obligations are not currently in compliance with the Weighted Average S&P Recovery Rate case then applicable to the Collateral Obligations and would not be in compliance with any other Weighted Average S&P Recovery Rate case, the Weighted Average S&P Recovery Rate to apply to the Collateral Obligations shall be the lowest Weighted Average S&P Recovery Rate in Section 2 of Schedule 6. If the Collateral Manager does not so notify the Trustee and the Collateral Administrator that it will alter the Weighted Average S&P Recovery Rate in the manner set forth above, the Weighted Average S&P Recovery Rate chosen as of the Closing Date shall continue to apply.

(j) Compliance with the S&P CDO Monitor Test shall be measured only during the Reinvestment Period and shall be measured by the Collateral Manager on each Measurement Date; provided, however, that on each Measurement Date after the Effective Date and after receipt by the Issuer of the S&P CDO Monitor, the Collateral Manager shall provide to the Collateral Administrator a report on the portfolio of Collateral Obligations containing such information as shall be reasonably necessary to permit the Collateral Administrator to calculate the Class Default Differential with respect to the Highest Ranking Class on such Measurement Date. In the event that the Collateral Manager's measurement of compliance and the Collateral

Administrator's measurement of compliance show different results, the Collateral Manager and the Collateral Administrator shall cooperate promptly in order to reconcile such discrepancy.

Section 7.19 Representations Relating to Security Interests in the Assets. (a) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder):

(v) This Indenture creates a valid and continuing security interest (as defined in Section 1 - 201(37) of the UCC) in such Assets in favor of the Trustee, for the benefit and security of the Secured Parties, which security interest is prior to all other liens, claims and encumbrances (except as permitted otherwise in this Indenture), and is enforceable as such against creditors of and purchasers from the Issuer.

(b) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute Instruments:

(i) Either (x) the Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Instruments granted to the Trustee, for the benefit and security of the Secured Parties or (y) (A) all original executed copies of each promissory note or mortgage note that constitutes or evidences the Instruments have been delivered to the Trustee or the

Issuer has received written acknowledgement from a custodian that such custodian is holding the mortgage notes or promissory notes that constitute evidence of the Instruments solely on behalf of the Trustee and for the benefit of the Secured Parties and (B) none of the Instruments that constitute or evidence the Assets has any marks or notations indicating that they have been pledged, assigned or otherwise conveyed to any Person other than the Trustee, for the benefit of the Secured Parties.

(ii) The Issuer has received all consents and approvals required by the terms of the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Instruments.

(c) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to the Assets that constitute Security Entitlements:

(i) All of such Assets and amounts have been and will have been credited to one of the Accounts, each of which is a securities account within the meaning of Section 8-501(a) of the UCC. The Securities Intermediary for each Account has agreed to treat all assets credited to such accounts as "financial assets" within the meaning of Section 8-102(a)(9) of the UCC.

(ii) The Issuer has received all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute Security Entitlements.

(iii) (x) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper office in the appropriate jurisdictions under applicable law in order to perfect the security interest granted to the Trustee, for the benefit and security of the Secured Parties, hereunder and (y) the Issuer has delivered to the Trustee a fully executed Securities Account Control Agreement pursuant to which the Custodian has agreed to comply with all instructions originated by the Trustee relating to the Accounts without further consent by the Issuer.

(iv) The Accounts are not in the name of any Person other than the Issuer or the Trustee. The Issuer has not consented to the Custodian to comply with the Entitlement Order of any Person other than the Trustee (and the Issuer prior to a notice of exclusive control being provided by the Trustee).

(d) The Issuer hereby represents and warrants that, as of the Closing Date (which representations and warranties shall survive the execution of this Indenture and be deemed to be repeated on each date on which an Asset is Granted to the Trustee hereunder), with respect to Assets that constitute general intangibles:

(i) The Issuer has caused or will have caused, within ten days after the Closing Date, the filing of all appropriate Financing Statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security

interest in the Assets granted to the Trustee, for the benefit and security of the Secured Parties, hereunder.

(ii) The Issuer has received, or will receive, all consents and approvals required by the terms of the Assets to the pledge hereunder to the Trustee of its interest and rights in the Assets that constitute general intangibles.

(e) The Co-Issuers agree to notify the Rating Agencies promptly if they become aware of the breach of any of the representations and warranties contained in this Section 7.19.

Section 7.20 Rule 17g-5 Compliance. The Issuer shall cause to be posted on a password-protected internet website, at the same time such information is provided to the Rating Agencies, all information (which shall not include any Accountants' Report) the Issuer provides or causes to be provided to the Rating Agencies for the purposes of determining the initial credit rating of the Secured Notes or undertaking credit rating surveillance of the Secured Notes, in accordance with the following procedures in the case of such credit rating surveillance.

(a) To the extent that a Rating Agency makes an inquiry or initiates communications with the Issuer, the Collateral Manager, the Collateral Administrator or the Trustee that is relevant to such Rating Agency's credit rating surveillance of the Secured Notes, all responses to such inquiries or communications from such Rating Agency shall be formulated in writing by the responding party or its representative or advisor and shall be provided to the 17g-5 Information Agent who shall promptly post such written response to the Issuer's Website in accordance with the procedures set forth in Section 7.20(d) and the Collateral Administration Agreement.

Section 7.21 Collateral Manager Standard of Care. The Co-Issuers acknowledge that they shall be responsible for their own compliance with the covenants set forth in this Article VII and that, to the extent the Co-Issuers have engaged the Collateral Manager to take certain actions on their behalf in order to comply with such covenants, the Collateral Manager shall only be required to perform such actions in accordance with the standard of care set forth in Section 2(~~l~~h) of the Collateral Management Agreement (or the corresponding provision of any portfolio management agreement entered into as a result of GSO / Blackstone Debt Funds Management LLC no longer being the Collateral Manager). The Co-Issuers further acknowledge and agree that the Collateral Manager shall have no obligation to take any action to cure any breach of a covenant set forth in this Article VII until such time as an Authorized Officer of the Collateral Manager has actual knowledge of such breach.

Section 7.22 Hedge Agreement Provisions. (a) The Issuer may enter into one or more Hedge Agreements with Hedge Counterparties that satisfy the Required Hedge Counterparty Ratings for the purpose of managing interest rate and other risks in connection with the Issuer's issuance of, and making payments on, the Notes. The Issuer (or the Collateral Manager on behalf of the Issuer) will not enter into any Hedge Agreement unless (x) (i) it receives the consent of a Majority of the Controlling Class and (ii) it obtains a certification from the Collateral Manager (with a copy to the Trustee) that (1) the written terms of the Hedge Agreement directly relate to the Collateral Obligations and the Notes and (2) such Hedge Agreement is an interest rate or foreign exchange derivative and the terms of such Hedge Agreement reduce the interest rate and/or foreign exchange risks related to the Collateral Obligations and the Notes, (y) it obtains written advice of counsel (a copy of which will be provided to the Trustee) that such Hedge Agreement will not cause any person to be required to register as a "commodity pool operator" (within the meaning of the Commodity Exchange Act) with the Commodity Futures Trading Commission in connection with the Issuer and (z) the Issuer (or the Collateral Manager on behalf of the Issuer) has notified each Rating Agency thereof. The Issuer must satisfy the Moody's Rating Condition (unless the Moody's Rating Condition is deemed inapplicable in accordance with Section 1.3) and notify S&P prior to the amendment of any Hedge Agreement, the termination of any Interest Rate Hedge or the termination of any Timing Hedge if the Issuer would be required to make a termination payment. Each Hedge Agreement shall (x) contain appropriate limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 5.4(d) and (y) provide that any amounts payable to the related Hedge Counterparty thereunder will be subject to the Priority of Payments.

(b) In the event of any early termination of a Hedge Agreement with respect to which the Hedge Counterparty is the sole "defaulting party" or "affected party" (each as defined in the Hedge Agreements), (i) any termination payment paid by the Hedge Counterparty to the Issuer may be paid to a replacement Hedge Counterparty at the direction of the Collateral Manager and (ii) any payment received from a replacement Hedge Counterparty may be paid to the replaced Hedge Counterparty at the direction of the Collateral Manager under the terminated Hedge Agreement.

(c) In the event of an early termination of an Interest Rate Hedge, the Collateral Manager shall use commercially reasonable efforts to cause the Issuer to enter into a replacement Interest Rate Hedge unless the Moody's Rating Condition and S&P Rating Condition are satisfied (in each case, unless deemed inapplicable in accordance with Section 1.3).

(d) The Issuer, or the Collateral Manager acting on its behalf, shall, upon receiving written notice from the relevant Hedge Counterparty of the exposure calculated under a credit support annex to any Hedge Agreement (other than any Timing Hedge), if applicable, make a demand to the relevant Hedge Counterparty and its credit support provider, if applicable, for securities having a value under such credit support annex equal to the required credit support amount.

(e) Each Hedge Agreement will, at a minimum, permit the Issuer to terminate such agreement (with the Hedge Counterparty bearing the costs of any replacement Hedge Agreement) if such Hedge Counterparty fails to do any of the following as and when applicable.

If any Moody's rating of the Hedge Counterparty (or its guarantor under the Hedge Agreement) is downgraded to:

(i) the first trigger level or lower (but above the second trigger level), such Hedge Counterparty must provide, at its own cost, Hedge Counterparty Credit Support or assign the Hedge Agreement to a Hedge Counterparty within 30 days; and

(ii) the second trigger level or lower, or if the rating of the Hedge Counterparty (or its guarantor under the Hedge Agreement) is withdrawn, such Hedge Counterparty must, at its own cost, assign the Hedge Agreement to a Hedge Counterparty with the Required Hedge Counterparty Ratings within 30 days;

Trigger Level	Short-term/long-term	Long-term (no short-term)
First	P-2/A3	A2
Second	P-3/Baa1	Baa1

provided, that pending assignment of the Hedge Agreement to a Hedge Counterparty with the Required Hedge Counterparty Ratings pursuant to clause (ii) above, collateral must be posted by the Hedge Counterparty equal to the second trigger collateral amounts shown below.

The Collateral Manager, on behalf of the Issuer, will give prompt notice to the Trustee and each Rating Agency of any such termination or agreement to provide Hedge Counterparty Credit Support. Notwithstanding the foregoing, the Issuer may waive such requirements under a Hedge Agreement with notice to

Section 7.23 Contesting Insolvency Filings. So long as any Notes are Outstanding, the Issuer, the Co-Issuer or any Issuer Subsidiary, as applicable, upon receipt of notice of any Bankruptcy Filing (as hereafter defined) shall timely file an answer and any other appropriate pleading objecting to (i) the institution of any proceeding to have the Issuer, Co-Issuer or any Issuer Subsidiary, as the case may be, adjudicated as bankrupt or insolvent or (ii) the filing of any petition seeking relief, reorganization, arrangement, adjustment or composition of or in respect of the Issuer, Co-Issuer or any Issuer Subsidiary, as the case may be, under applicable bankruptcy law or other applicable law (each of (i) and (ii), a "**Bankruptcy Filing**"). The costs and expenses (including, without limitation, fees and expenses of counsel to the Co-Issuers or any Issuer Subsidiary) incurred by the Co-Issuers or any Issuer Subsidiary in connection with their obligations described in the immediately preceding sentence ("**Petition Expenses**") shall be payable as Administrative Expenses without regard to the cap relating to the payment of other Administrative Expenses in the Priority of Payments up to an aggregate sum of U.S.$250,000 (the "**Petition Expense Amount**"). Any Petition Expenses in excess of the Petition Expense Amount shall be payable as Administrative Expenses subject to the Administrative Expense Cap in accordance with the Priority of Payments.

Section 7.24 Proceedings. Notwithstanding any other provision of this Indenture, or any provision of the Notes, or of the Collateral Administration Agreement or of any other agreement, the Co-Issuers, whether jointly or severally, shall be under no duty or obligation of any kind to the Noteholders, or any of them, to institute any legal or other proceedings of any kind, against any person or entity, including, without limitation, the Trustee, the Collateral Manager, the Collateral Administrator or the Calculation Agent. Nothing in this Section 7.24 shall imply or impose any additional duties on the part of the Trustee.

Section 8.3 Execution of Supplemental Indentures. (a) The Trustee shall join in the execution of any such supplemental indenture permitted by Section 8.1 or Section 8.2 and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) With respect to any supplemental indenture permitted by (x) Section 8.1 or Section 8.2 the consent to which is expressly required pursuant to such Section from a Majority or a greater percentage of each Class of Notes materially and adversely affected thereby, or (y) Section 8.1(a)(xv), the Trustee shall be entitled to conclusively rely upon an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary

Such determination shall be conclusive and binding on all present and future Holders. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article VIII or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Sections 6.1 and 6.3) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Trustee shall not be liable for any reliance made in good faith upon such an Opinion of Counsel or, solely if the Collateral Manager is GSO / Blackstone Debt Funds Management LLC or an Affiliate thereof, such an Officer's certificate of the Collateral Manager.

(c) At the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than 20 Business Days prior to the execution of any proposed supplemental indenture pursuant to Section 8.1 or Section 8.2 (other than a supplemental indenture to be entered into pursuant to Section 8.1(a)(x)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, the Rating Agencies and the Noteholders a notice attaching a copy of such supplemental indenture and indicating the proposed date of execution of such supplemental indenture. Following such delivery by the Trustee, if any changes are made to such supplemental indenture other than changes of a technical nature or to correct typographical errors or to adjust formatting, then at the cost of the Co-Issuers, for so long as any Notes shall remain Outstanding, not later than five Business Days prior to the execution of such proposed supplemental indenture (provided, that the execution of such proposed supplemental indenture shall not in any case occur earlier than the date 20 Business Days after the initial distribution of such proposed supplemental indenture pursuant to the first sentence of this Section 8.3(c)), the Trustee shall deliver to the Collateral Manager, the Collateral Administrator, each Hedge Counterparty and the Noteholders a copy of such supplemental indenture as revised, indicating the changes that were made. If any Secured Notes are then outstanding and are rated by Moody's and if any supplemental indenture modifies or

amends any component of the Minimum Diversity Score/Maximum Rating/Minimum Spread Matrix or the definitions related thereto, such supplemental indenture shall be subject to satisfaction of the Moody's Rating Condition (or deemed inapplicability thereof in accordance with Section 1.3). In the case of a supplemental indenture to be entered into pursuant to Section 8.1(a)(x), the foregoing notice periods shall not apply and a copy of the proposed supplemental indenture shall be included in, in the case of a Re-Pricing, the notice of Re-Pricing delivered to each Holder of the Re-Priced Class (with a copy to the Collateral Manager, the Collateral Administrator, the Trustee and each Rating Agency) described in Section 9.8(b) and, in the case of a Refinancing, the notice of Optional Redemption given to each Hedge Counterparty, each Rating Agency and each Holder of Notes to be redeemed under the Section 9.4(b). At the cost of the Co-Issuers, the Trustee shall provide to the Rating Agencies, each Hedge Counterparty and the Holders (in the manner described in Section 14.4) a copy of the executed supplemental indenture after its execution. Any failure of the Trustee to publish or deliver such notice, or any defect therein, shall not in any way impair or affect the validity of any such supplemental indenture. For the avoidance of doubt, the satisfaction (or deemed inapplicability thereof in accordance with Section 1.3) of the Moody's Rating Condition shall not imply that the Holders are not materially and adversely affected by such supplemental indenture.

(d) It shall not be necessary for any Act of Holders to approve the particular form of any proposed supplemental indenture, but it shall be sufficient, if the consent of any Holders to such proposed supplemental indenture is required, that such Act shall approve the substance thereof.

(e) The Collateral Manager shall not be bound to follow any amendment or supplement to this Indenture unless it has received written notice of such amendment or supplement and a copy of such amendment or supplement from the Issuer or the Trustee. The Issuer agrees that it will not permit to become effective any supplement or modification to this Indenture which would (i) increase the duties or liabilities of, reduce or eliminate any right or privilege of (including as a result of an effect on the amount or priority of any fees or other amounts payable to the Collateral Manager), or adversely change the economic consequences to, the Collateral Manager, (ii) modify the restrictions on the purchase of or Sales of Collateral Obligations, (iii) expand or restrict the Collateral Manager's discretion or (iv) otherwise adversely affect the Collateral Manager, and the Collateral Manager shall not be bound thereby unless the Collateral Manager shall have consented in advance thereto in writing. No amendment to this Indenture will be effective against the Collateral Administrator if such amendment would adversely affect the Collateral Administrator, including, without limitation, any amendment or supplement that would increase the duties or liabilities of, or adversely change the economic consequences to, the Collateral Administrator, unless the Collateral Administrator otherwise consents in writing.

(f) Notwithstanding any of the provisions described herein, the Issuer will not enter into any amendment to this Indenture that could reasonably be expected to have a material adverse effect on a Hedge Counterparty, unless such Hedge Counterparty otherwise consents in writing; provided, that the Trustee shall be entitled to conclusively rely upon an Officer's certificate of the Collateral Manager and an Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering

such Opinion of Counsel) or, solely if the Collateral Manager is GSO / Blackstone Debt Funds Management LLC or an Affiliate thereof, an Officer's certificate of the Collateral Manager (without the requirement for an Opinion of Counsel), as to whether or not such amendment could reasonably be expected to have a material adverse effect on a Hedge Counterparty.

(g) ~~For so long as any Notes are listed on the Irish Stock Exchange for trading on its Global Exchange Market and the guidelines of such exchange shall so require, the Issuer shall notify the Irish Listing Agent for delivery to the Irish Stock Exchange of any material modification to this Indenture.~~[Reserved].

(h) With respect to any supplemental indenture proposed pursuant to Sections 8.1 or 8.2 that requires the consent of any Class of Notes, the consent of a Majority of the Subordinated Notes to such supplemental indenture shall be required in addition to the consent of such Class or Classes of Notes prior to the execution of such supplemental indenture. This Section 8.3(h) shall not reduce the requirement for the consent of each Holder of the Subordinated Notes for any proposed supplemental indenture pursuant to Sections 8.2(a)(i) through (xi) that materially and adversely affects the Subordinated Notes.

(i) Notwithstanding anything to the contrary herein, no supplemental indenture, or other modification or amendment of this Indenture, may become effective without the consent of the holders of each Note of each Outstanding Class if such supplemental indenture or other modification or amendment would, in the reasonable judgment of the Issuer in consultation with legal counsel experienced in such matters, (i) result in the Issuer becoming subject to U.S. federal income taxation with respect to its net income, (ii) result in the Issuer being treated as being engaged in a trade or business within the United States, or (iii) have a material adverse effect on the U.S. tax treatment of the Issuer or the U.S. tax consequences to the holders of any Class of Notes Outstanding at the time of such supplemental indenture or other modification or amendment, as described in the Offering Circular under the heading "Certain U.S. Federal Income Tax Considerations."

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article VIII, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered, including as part of a transfer, exchange or replacement of Notes originally issued hereunder pursuant to Article II, after the execution of any supplemental indenture pursuant to this Article VIII may, and if required by the Issuer shall, bear a notice in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Applicable Issuers shall so determine, new Notes, so modified as to conform in the opinion of the Trustee and the Co-Issuers to any such supplemental indenture, may be prepared and executed by the Applicable Issuers and authenticated and delivered by the Trustee in exchange for Outstanding Notes.

Section 8.6 Amendments to Volcker Provisions. Notwithstanding anything herein to the contrary, no supplemental indenture, or other modification or amendment of this Indenture that modifies any of (i) the definitions of "Collateral Obligation," "Eligible Investments", "Participation Interest" or "Volcker Rule", (ii) the provisions set forth in Section 7.22 or (iii) the restrictions set forth in this Section 8.6 will be effective unless the prior written approval of a Majority of the Controlling Class is obtained.

ARTICLE IX

REDEMPTION OF NOTES

Section 9.1 Mandatory Redemption. If a Coverage Test is not met on any Determination Date on which such Coverage Test is applicable, the Issuer shall apply available amounts in the Payment Account pursuant to the Priority of Payments on the related Payment Date to make payments on the Secured Notes in accordance with the Note Payment Sequence to the extent necessary to achieve compliance with such Coverage Tests.

Section 9.2 Optional Redemption. (a) The Secured Notes shall be redeemable by the Applicable Issuers, on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) occurring after the Non-Call Period in the case of an Optional Redemption (other than a Refinancing) and on any Business Day occurring after the Non-Call Period in the case of a Refinancing, in each case, at the written direction of a Majority of the Subordinated Notes, as follows: based upon such written direction, (i) the Secured Notes shall be redeemed in whole (with respect to all Classes of Secured Notes) but not in part from Sale Proceeds, Refinancing Proceeds and/or all other funds available for a redemption pursuant to the Priority of Payments; or (ii) the Secured Notes shall be redeemed in part by Class from Refinancing Proceeds (together with the Partial Redemption Interest Proceeds available to pay the accrued interest portion of the Redemption Price), so long as any Class of Secured Notes to be redeemed represents not less than the entire Class of such Secured Notes. In connection with any such redemption, the Secured Notes shall be redeemed at the applicable Redemption Prices and all Secured Notes to be redeemed must be redeemed simultaneously. No redemption of all or a portion of the Secured Notes from Refinancing Proceeds shall be permitted unless the Collateral Manager shall have consented in writing thereto.

(b) Upon receipt of a written direction of redemption of every Class of Secured Notes, if such redemption will require the Issuer to sell any Collateral Obligations to fund the redemption, the Collateral Manager in its sole discretion shall direct the sale (and the manner thereof) of Collateral Obligations and/or Eligible Investments such that the proceeds from such sale, the Refinancing Proceeds and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to pay (w) the Redemption Prices of the outstanding Secured Notes, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses payable under the Priority of Payments, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale payable under the Priority of Payments, (y) any Hedge Payment Amounts; provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable and

(z) the Management Fees payable under the Priority of Payments. The Collateral Manager, in its sole discretion, may effect the sale of Collateral Obligations through a direct sale, by participation or other arrangement. If sufficient funds will not be available to pay such Redemption Prices and fees and expenses (as described under clauses (w) to (z) above), the Secured Notes may not be redeemed on the proposed Redemption Date.

(c) The Subordinated Notes may be redeemed, in whole but not in part, on any Business Day on or after the redemption or repayment in full of the Secured Notes, at the written direction of the Collateral Manager (with the consent of a Majority of the Subordinated Notes) or a Majority of the Subordinated Notes.

(d) In addition to (or in lieu of) a sale of Collateral Obligations and/or Eligible Investments in the manner provided in Section 9.2(b), the Secured Notes may, on any Business Day occurring after the Non-Call Period, be redeemed in whole from Refinancing Proceeds, Sale Proceeds and/or all other funds available for a redemption pursuant to the Priority of Payments or in a Partial Refinancing from Refinancing Proceeds (together with the Partial Redemption Interest Proceeds available to pay the accrued interest portion of the Redemption Price); provided, that the terms of such Refinancing and any financial institutions acting as lenders thereunder or purchasers thereof must be acceptable to the Collateral Manager and a Majority of the Subordinated Notes and such Refinancing otherwise satisfies the conditions described below.

(e) In the case of a Refinancing upon a redemption of the Secured Notes in whole but not in part pursuant to Section 9.2(d), such Refinancing will be effective only if (i) the Refinancing Proceeds, all Sale Proceeds from the sale of Collateral Obligations and Eligible Investments in accordance with the procedures set forth herein and all other funds available for a redemption pursuant to the Priority of Payments will be at least sufficient to redeem simultaneously the Secured Notes, in whole but not in part, and to pay the other amounts included in the aggregate Redemption Prices and all accrued and unpaid Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including the reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such Refinancing, any accrued and unpaid Base Management Fees and any Hedge Payment Amounts, (ii) the Sale Proceeds, Refinancing Proceeds and all other funds available for a redemption pursuant to the Priority of Payments are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those contained in Section 13.1(d) and Section 2.5(h), and (iv) the Collateral Manager has consented to such Refinancing.

(f) In the case of a Partial Refinancing pursuant to Section 9.2(d), such Partial Refinancing will be effective only if: (i) each Rating Agency has been notified of such Refinancing, (ii)(A) the Refinancing Proceeds (together with the Partial Redemption Interest Proceeds available to pay the accrued interest portion of the Redemption Price) will be at least sufficient to pay in full the aggregate Redemption Prices of the entire Class or Classes of Secured Notes subject to such Partial Refinancing and (B) the funds available for a redemption pursuant to the Priority of Payments and/or Refinancing Proceeds are used (to the extent necessary) to make such redemption, (iii) the agreements relating to the Partial Refinancing contain limited recourse and non-petition provisions equivalent (mutatis mutandis) to those

contained in Section 13.1(d) and Section 2.7(i), (iv) the aggregate principal amount of any obligations providing the Refinancing is equal to the Aggregate Outstanding Amount of the Secured Notes being redeemed with the proceeds of such obligations, (v) the stated maturity of each class of obligations providing the Refinancing is the same as or later than the corresponding Stated Maturity of each Class of Secured Notes being refinanced, (vi) the reasonable fees, costs, charges and expenses incurred in connection with such Partial Refinancing have been paid or will be adequately provided for from the Refinancing Proceeds or paid from Interest Proceeds pursuant to Section 11.1(a)(i)(U) on such date (or if such Redemption Date is not a Payment Date, the following Payment Date), unless such expenses have been paid or will be adequately provided for by an entity other than the Issuer, (vii) the spread over LIBOR of any obligations providing the Refinancing will not be greater than the spread over LIBOR of the Secured Notes subject to such Refinancing, (viii) the obligations providing the Refinancing are subject to the Priority of Payments and do not rank higher in priority pursuant to the Priority of Payments than the Class of Secured Notes being refinanced, (ix) the voting rights, consent rights, redemption rights and all other rights of the obligations providing the Refinancing are the same as the rights of the corresponding Class of Secured Notes being refinanced and (x) the Collateral Manager has consented to such Partial Refinancing.

(g) The Holders of the Subordinated Notes will not have any cause of action against any of the Co-Issuers, the Collateral Manager, the Collateral Administrator or the Trustee for any failure to obtain a Refinancing. If a Refinancing is obtained meeting the requirements specified above as certified by the Collateral Manager, the Co-Issuers and the Trustee shall amend this Indenture to the extent necessary to reflect the terms of the Refinancing and no further consent for such amendments shall be required from the Holders of Notes other than Holders of the Subordinated Notes directing the redemption. The Trustee shall not be obligated to enter into any amendment that, in its view, adversely affects its duties, obligations, liabilities or protections hereunder, and the Trustee shall be entitled to conclusively rely upon an Officer's certificate and/or Opinion of Counsel as to matters of law (which may be supported as to factual (including financial and capital markets) matters by any relevant certificates and other documents necessary or advisable in the judgment of counsel delivering such Opinion of Counsel) provided by the Issuer to the effect that such amendment meets the requirements specified above and is permitted under this Indenture (except that such Officer or counsel shall have no obligation to certify or opine as to the sufficiency of the Refinancing Proceeds or the sufficiency of the Accountants' Report required pursuant to Section 7.18).

(h) In the event of any redemption pursuant to this Section 9.2, the Issuer shall, at least 30 days prior to the Redemption Date, notify the Trustee in writing of such Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the applicable Redemption Prices.

Section 9.3 Tax Redemption. (a) The Secured Notes shall be redeemed in whole but not in part (any such redemption, a "**Tax Redemption**") at the written direction (delivered to the Issuer, the Trustee and the Collateral Manager) of a Majority of the Subordinated Notes on any Payment Date (or, with the consent of the Collateral Manager, any Business Day) following (I) the occurrence and continuation of a Tax Event with respect to payments under one or more Collateral Obligations or Hedge Agreements forming part of the Assets that results or will result in the nonpayment of 5.0% or more of Scheduled Distributions

for any Collection Period or (II) the occurrence and continuation of a Tax Event resulting in a tax or "gross-up" burden on the Issuer in an aggregate amount in any Collection Period in excess of U.S.$1,000,000; provided, that if a Tax Event occurs and is continuing because the Issuer is subject to withholding tax under FATCA, then holders that have failed to provide the Issuer or its agents with correct, complete and accurate information requested by the Issuer to avoid such withholding tax, or whose ownership of Notes otherwise caused the Issuer to be subject to such withholding tax, shall not be considered in determining whether a Majority of the Subordinated Notes have directed a Tax Redemption.

(b) [Reserved]

(c) Upon its receipt of such written direction directing a Tax Redemption, the Trustee shall promptly notify the Collateral Manager, the Holders, each Hedge Counterparty and each Rating Agency thereof.

If an Officer of the Collateral Manager obtains actual knowledge of the occurrence of a Tax Event, the Collateral Manager shall promptly notify the Issuer, the Collateral Administrator and the Trustee thereof, and upon receipt of such notice the Trustee shall promptly notify the Holders of the Notes, each Hedge Counterparty and each Rating Agency thereof.

Section 9.4 Redemption Procedures. (a) In the event of any redemption pursuant to Section 9.2, the written direction of a Majority of the Subordinated Notes or, if applicable, the Collateral Manager shall be provided to the Issuer, the Trustee and (if such redemption is pursuant to Section 9.2(c) and is not being directed by the Collateral Manager) the Collateral Manager not later than 30 days prior to the Payment Date on which such redemption is to be made (which date shall be designated in such direction). In the event of any Tax Redemption pursuant to Section 9.3, the written direction of a Majority of the Subordinated Notes shall be provided to the Issuer, the Trustee and the Collateral Manager not later than 30 days prior to the Payment Date on which such redemption is to be made (which date shall be designated in such direction). In the event of any redemption pursuant to Section 9.2 or 9.3, a notice of redemption shall be given by first–class mail, postage prepaid, mailed not later than nine Business Days prior to the applicable Redemption Date, to each Holder of Notes to be redeemed at such Holder's address in the Register, each Hedge Counterparty and each Rating Agency. ~~So long as any Notes are listed on the Irish Stock Exchange for trading on its Global Exchange Market and so long as the guidelines of such exchange so require, notice of redemption pursuant to Section 9.2 or Section 9.3 shall also be given to the Irish Listing Agent for delivery to the Irish Stock Exchange.~~

(b) All notices of redemption delivered pursuant to Section 9.4(a) shall state:

(i) the applicable Redemption Date;

(ii) the Redemption Prices of the Notes to be redeemed;

(iii) which Secured Notes are being redeemed and that all of the Secured Notes to be redeemed are to be redeemed in full and that interest on such Secured Notes shall cease to accrue on the Payment Date specified in the notice;

(iv) the place or places where Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2;

(v) if all Secured Notes are being redeemed, whether the Subordinated Notes are to be redeemed in full on such Redemption Date and, if so, the place or places where the Subordinated Notes are to be surrendered for payment of the Redemption Prices, which shall be the office or agency of the Co-Issuers to be maintained as provided in Section 7.2; and

(vi) that the redemption may be withdrawn by the Co-Issuers on any day up to the second Business Day immediately preceding the scheduled Redemption Date.

The Co-Issuers will have the option to withdraw any such notice of redemption delivered pursuant to Section 9.2 or 9.3 on any day up to the second Business Day immediately preceding the scheduled Redemption Date. The Issuer shall not permit any Hedge Agreements to be terminated by the Collateral Manager on its behalf in connection with an Optional Redemption until such period for withdrawal has expired. If the Co-Issuers so withdraw any notice of an Optional Redemption or are otherwise unable to complete an Optional Redemption of the Notes, the proceeds received from the sale of any Collateral Obligations and other Assets sold in contemplation of such redemption may during the Reinvestment Period, at the Collateral Manager's sole discretion, be reinvested in accordance with the Investment Criteria described herein. The Issuer shall provide notice to each Rating Agency of any such withdrawal.

Notice of redemption pursuant to Section 9.2 or 9.3 shall be given by the Co-Issuers, or upon an Issuer Order, by the Trustee in the name and at the expense of the Co-Issuers. Failure to give notice of redemption, or any defect therein, to any Holder of any Note selected for redemption shall not impair or affect the validity of the redemption of any other Notes.

The reasonable fees, costs, charges and expenses incurred in connection with the failure of any such redemption shall be paid by the Issuer as Administrative Expenses payable in accordance with the Priority of Payments.

(c) If Sale Proceeds are being used in whole or in part to redeem the Secured Notes, in the event of any redemption pursuant to Section 9.2 or 9.3, no Secured Notes may be optionally redeemed unless (i) at least five Business Days before the scheduled Redemption Date the Collateral Manager shall have furnished to the Trustee evidence, in a form reasonably satisfactory to the Trustee, that the Collateral Manager on behalf of the Issuer has entered into a binding agreement or agreements with a financial or other institution or institutions whose short-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a person other than such institution) are rated, or guaranteed by a Person whose

short-term unsecured debt obligations are rated, at least "A-1" by S&P and at least "P-1" by Moody's to purchase (directly or by participation or other arrangement), not later than the Business Day immediately preceding the scheduled Redemption Date in immediately available funds, all or part of the Assets at a purchase price at least sufficient, together with any available Refinancing Proceeds and the Eligible Investments maturing, redeemable or putable to the issuer thereof at par on or prior to the scheduled Redemption Date, to pay (w) the Redemption Prices of the Outstanding Secured Notes, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts; provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable and (z) the Management Fees payable under the Priority of Payments, or (ii) prior to selling any Collateral Obligations and/or Eligible Investments, the Collateral Manager shall certify in writing to the Trustee that, in its judgment, the aggregate sum of (A) expected proceeds from the sale or payment of Eligible Investments, (B) the Refinancing Proceeds, if any, to be applied on the Redemption Date and (C) the aggregate Market Value of the Collateral Obligations shall exceed the sum of (w) the Redemption Prices of the Outstanding Secured Notes, (x) all Administrative Expenses (regardless of the Administrative Expense Cap) and other fees and expenses, including reasonable fees, costs, charges and expenses incurred by the Co-Issuers, the Trustee and the Collateral Administrator (including reasonable attorneys' fees and expenses) in connection with such sale, payable under the Priority of Payments, (y) any Hedge Payment Amounts; provided, that no Hedge Agreement may be terminated until such redemption is no longer revocable and (z) the Management Fees payable under the Priority of Payments. Any certification delivered by the Collateral Manager pursuant to this Section 9.4(c) shall include (1) the prices of, and expected proceeds from, the sale (directly or by participation or other arrangement) or payment of any Collateral Obligations and/or Eligible Investments, (2) the expected Refinancing Proceeds to be available for application on the Redemption Date and (3) all calculations required by this Section 9.4(c). Any Holder of Notes, the Collateral Manager or any of the Collateral Manager's Affiliates shall have the right, subject to the same terms and conditions afforded to other bidders, to bid on Assets to be sold as part of an Optional Redemption or a Tax Redemption.

Section 9.5 Notes Payable on Redemption Date. (a) Notice of redemption pursuant to Section 9.4 having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, subject to Section 9.4(c) and the Co-Issuers' right to withdraw any notice of redemption pursuant to Section 9.4(b), become due and payable at the Redemption Prices therein specified, and from and after the Redemption Date (unless the Issuer shall default in the payment of the Redemption Prices and accrued interest) all such Notes that are Secured Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be so redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; provided, that in the absence of notice to the Applicable Issuers or the Trustee that the applicable Note has been acquired by a protected purchaser, such final payment shall be made without presentation or surrender, if the Trustee and the Applicable Issuers shall have been furnished such security or indemnity as may be required by them to save each of them harmless and an undertaking thereafter to surrender such certificate. Payments of interest on Secured Notes and payments in respect of Subordinated Notes so to be redeemed which are payable on or prior to the Redemption Date shall be payable to the Holders of such

Secured Notes or Subordinated Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(d).

(b) If any Secured Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Interest Rate for each successive Interest Accrual Period such Secured Note remains Outstanding; provided, that the reason for such non-payment is not the fault of such Noteholder.

Section 9.6 Special Redemption. Principal payments on the Secured Notes shall be made in whole or in part by the Applicable Issuers in accordance with the Priority of Payments on any Payment Date (i) during the Reinvestment Period, if the Collateral Manager notifies the Trustee at least five Business Days prior to the applicable Special Redemption Date that it has been unable, for a period of at least 20 consecutive Business Days, to identify additional Collateral Obligations that are deemed appropriate by the Collateral Manager and which would satisfy the Investment Criteria in sufficient amounts to permit the investment or reinvestment of all or a portion of the funds then in the Collection Account that are to be invested in additional Collateral Obligations or (ii) after the Effective Date, if the Collateral Manager notifies the Trustee that a redemption is required in order to satisfy the Moody's Rating Condition and/or to cause S&P to provide written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Class A Notes, in each case, pursuant to Section 7.18(f) (in each case, a "**Special Redemption**"). Any such notice in the case of clause (i) above shall be based upon the Collateral Manager having attempted, in accordance with the standard of care set forth in the Collateral Management Agreement, to identify additional Collateral Obligations as described above. On the first Payment Date (and all subsequent Payment Dates) following the Collection Period in which such notice is given (a "**Special Redemption Date**"), the amount (the "**Special Redemption Amount**") in the Collection Account representing (1) in the case of a Special Redemption described in clause (i) above, Principal Proceeds which the Collateral Manager has determined cannot be reinvested in additional Collateral Obligations or (2) all Interest Proceeds and all other Principal Proceeds required to redeem the Secured Notes to receive the confirmation described in clause (ii) above available in accordance with the Priority of Payments, will in each case be applied in accordance with the Priority of Payments. In the case of clause (2), such amounts will be used for application in accordance with the Note Payment Sequence in an amount sufficient to satisfy the Moody's Rating Condition and/or to cause S&P to provide written confirmation (which may take the form of a press release or other written communication) of its Initial Rating of the Class A Notes, in each case, pursuant to Section 7.18(f). Notice of payments pursuant to this Section 9.6 shall be given by the Trustee (at the direction of the Issuer) not less than (x) in the case of a Special Redemption described in clause (i) above, three Business Days prior to the applicable Special Redemption Date and (y) in the case of a Special Redemption described in clause (ii) above, one Business Day prior to the applicable Special Redemption Date, in each case by facsimile, email transmission or first class mail, postage prepaid, to each Holder of Secured Notes affected thereby at such Holder's facsimile number, email address or mailing address in the Register and to both Rating Agencies. ~~In addition, for so long as any Notes are listed on the Irish Stock Exchange for trading on its Global Exchange Market and so long as the guidelines of such exchange so require, notice of Special Redemption to the holders of such Notes shall also~~

~~be given by the Issuer or, upon Issuer Order, by the Irish Listing Agent in the name and at the expense of the Co-Issuers, to the Noteholders by notification to the Irish Stock Exchange.~~

Section 9.7 Clean-Up Call Redemption. (a) With the consent of a Majority of the Subordinated Notes, the Collateral Manager may direct in writing (which direction shall be given so as to be received by the Issuer, the Trustee and the Rating Agencies not later than 30 days prior to the proposed Redemption Date or such shorter period as may be agreed to by the Collateral Manager and the Trustee) that the Secured Notes be redeemed by the Issuer, in whole but not in part (a "**Clean-Up Call Redemption**"), at the Redemption Price therefor, on any Payment Date occurring after the Non-Call Period on which the Collateral Principal Amount is less than 20% of the Target Initial Par Amount.

(b) Any Clean-Up Call Redemption is subject to (i) the purchase of the Assets (other than the Eligible Investments referred to in clause (c) of this paragraph) by the Collateral Manager or any other Person or Persons from the Issuer, on or prior to the third Business Day immediately preceding the related Redemption Date, for a purchase price (the "**Clean-Up Call Purchase Price**") in Cash at least equal to the greater of (1) the sum of (a) the Redemption Price of each Class of the Secured Notes, plus (b) the aggregate of all other amounts owing by the Issuer on the date of such redemption that are payable in accordance with the Priority of Payments prior to distributions in respect of the Subordinated Notes (including all outstanding Administrative Expenses), minus (c) the balance of the Eligible Investments in the Collection Account and (2) the Market Value of such Assets being purchased, and (ii) the receipt by the Trustee from the Collateral Manager, prior to such purchase, of certification from the Collateral Manager that the sum so received satisfies clause (i). Upon receipt by the Trustee of the certification referred to in the preceding sentence, the Trustee (pursuant to written direction from the Issuer) and the Issuer shall take all actions necessary to sell, assign and transfer the Assets to the Collateral Manager or such other Person upon payment in immediately available funds of the Clean-Up Call Purchase Price. The Trustee shall deposit such payment into the applicable sub-account of the Collection Account in accordance with the instructions of the Collateral Manager.

(c) Any notice of Clean-Up Call Redemption may be withdrawn by the Issuer up to two Business Days prior to the related scheduled Redemption Date by written notice to the Trustee, the Rating Agencies and the Collateral Manager only if amounts equal to the Clean-Up Call Purchase Price are not received in full in immediately available funds by the third Business Day immediately preceding such Redemption Date. Notice of any such withdrawal of a notice of Clean-Up Call Redemption shall be given by the Trustee at the expense of the Issuer to each Holder of Notes to be redeemed at such Holder's address in the Note Register, by overnight courier guaranteeing next day delivery not later than the second Business Day prior to the related scheduled Redemption Date. ~~The Trustee shall also deliver notice of such withdrawal to the Irish Listing Agent for delivery to the Irish Stock Exchange so long as any Notes are listed thereon and so long as the guidelines of such exchange so require.~~

(d) On the Redemption Date related to any Clean-Up Call Redemption, the Clean-Up Call Purchase Price shall be distributed pursuant to the Priority of Payments.

Section 9.8 Re-Pricing of Notes. (a) On any Business Day occurring after the Non-Call Period, at the written direction of a Majority of the Subordinated Notes (with the consent of the Collateral Manager), the Co-Issuers or the Issuer, as applicable, may reduce the spread over LIBOR with respect to any Re-Pricing Eligible Notes (such reduction, a "**Re-Pricing**" and any Re-Pricing Eligible Notes to be subject to a Re-Pricing, a "**Re-Priced Class**"); provided, that the Co-Issuers or the Issuer, as applicable, shall not effect any Re-Pricing unless each condition specified in this Section 9.8 is satisfied with respect thereto. For the avoidance of doubt, no terms of any Secured Notes other than the Interest Rate applicable to the applicable Re-Priced Class may be modified or supplemented in connection with a Re-Pricing. In connection with any Re-Pricing, the Issuer may engage a broker-dealer (the "**Re-Pricing Intermediary**") upon the recommendation and subject to the written approval of a Majority of the Subordinated Notes and such Re-Pricing Intermediary may assist the Issuer in effecting the Re-Pricing.

(b) At least 20 Business Days prior to the Business Day fixed by a Majority of the Subordinated Notes for any proposed Re-Pricing (the "**Re-Pricing Date**"), the Issuer or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver a notice in writing (with a copy to the Collateral Manager, the Trustee, the Collateral Administrator and each Rating Agency) to each Holder of the proposed Re-Priced Class, which notice shall (i) specify the proposed Re-Pricing Date and the revised spread (or a range of spreads) over LIBOR to be applied with respect to such Class (the "**Re-Pricing Rate**"), (ii) request each Holder of the Re-Priced Class to consent to the proposed Re-Pricing or to specify the lowest spread at which the Holder will consent to the Re-Pricing and (iii) specify the price (or the formula for calculating the price) at which Notes of any Holder of the Re-Priced Class that does not consent to the Re-Pricing may be sold and transferred or redeemed pursuant to clause (c) below, which, for purposes of such Re-Pricing, shall be an amount equal to 100% of the Aggregate Outstanding Amount of such Note, plus accrued and unpaid interest thereon (including Secured Note Deferred Interest and, in the case of the Class B Notes, any interest on any defaulted interest) until the Re-Pricing Date, if any, with respect to such Secured Note (the "**Re-Pricing Sale Price**").

(c) In the event any Holder of the Re-Priced Class does not deliver written consent to the proposed Re-Pricing on or before the date which is 10 Business Days prior to the proposed Re-Pricing Date, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, deliver written notice thereof to the consenting Holders of the Re-Priced Class, specifying the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by all such non-consenting Holders, and shall request each such consenting Holder to provide written notice to the Issuer, the Trustee, the Collateral Manager and the Re-Pricing Intermediary (if any) if such Holder would like to purchase all or any portion of the Notes of the Re-Priced Class in an amount held by the non-consenting Holders (each such notice delivered by a consenting Holder, an "**Exercise Notice**") within five Business Days of the date of such notice. In the event that the Issuer receives Exercise Notices with respect to an amount equal to or greater than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall, subject to the applicable procedures of DTC, on the Re-Pricing Date either (1) cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto,

pro rata based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices or (2) issue additional Notes with identical terms to the Notes of the Re-Priced Class (except that the Interest Rate will be equal to LIBOR plus the Re-Pricing Rate and the CUSIP number shall be different) (such additional Notes the "**Re-Pricing Replacement Notes**") to the Holders delivering Exercise Notices with respect thereto, pro rata based on the Aggregate Outstanding Amount of the Notes such Holders indicated an interest in purchasing pursuant to their Exercise Notices, subject to the applicable procedures of DTC, and redeem the Notes of the non-consenting Holders with amounts received from such Holders delivering Exercise Notices. In the event that the Issuer receives Exercise Notices with respect to less than the Aggregate Outstanding Amount of the Notes of the Re-Priced Class held by non-consenting Holders, the Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall on the Re-Pricing Date either (1) cause the sale and transfer of such Notes, without further notice to the non-consenting Holders thereof, to the Holders delivering Exercise Notices with respect thereto, and any excess Notes of the Re-Priced Class held by non-consenting Holders shall be sold to one or more transferees designated by the Co-Issuers or the Issuer, as applicable, or the Re-Pricing Intermediary on behalf of the Co-Issuers or the Issuer, as applicable, or (2) issue Re-Pricing Replacement Notes to the Holders delivering Exercise Notices with respect thereto and to one or more purchasers designated by the Issuer or the Re-Pricing Intermediary on behalf of the Issuer and redeem the Notes of the non-consenting Holders from amounts received from such Holders delivering Exercise Notices and purchasers. All sales or redemptions of Notes to be effected pursuant to this paragraph (c) shall be made at the Re-Pricing Sale Price with respect to such Notes, and shall be effected only if the related Re-Pricing is effected in accordance with the provisions hereof. The Holder of each Re-Pricing Eligible Note, by its acceptance of an interest in the Notes, agrees to the sale and transfer of its Re-Pricing Eligible Notes or the redemption of its Re-Pricing Eligible Notes, in each case in accordance with this Section 9.8 and agrees to cooperate with the Issuer, the Re-Pricing Intermediary (if any) and the Trustee to effect such sales and transfers or redemptions. The Issuer, or the Re-Pricing Intermediary on behalf of the Issuer, shall deliver written notice to the Trustee and the Collateral Manager not later than five Business Days prior to the proposed Re-Pricing Date confirming that the Issuer has received written commitments to purchase all Notes of the Re-Priced Class held by non-consenting Holders.

(d) In the event the Issuer redeems the Notes of the Re-Priced Class pursuant to paragraph (c) above, it may issue on the Re-Pricing Date additional Notes to the consenting Holders, the Holders delivering Exercise Notices and/or other purchasers, as applicable, in an amount equal to the Aggregate Outstanding Amount of the Notes such Holder has consented to re-price and/or purchase. Any additional Notes issued in connection with a Re-Pricing shall have terms identical to the Notes of the Re-Priced Class (except that the Interest Rate will be equal to LIBOR plus the Re-Pricing Rate and the CUSIP number shall be different) and shall be issued in an Aggregate Outstanding Amount equal to the Aggregate Outstanding Amount of the Re-Priced Class, but shall be issued under a different CUSIP number than the Notes of such Re-Priced Class. The proceeds from such additional issuance shall be used to redeem the non-consenting Holders of the Re-Priced Class.

(e) The Issuer shall not effect any proposed Re-Pricing unless:

(i) the Co-Issuers and the Trustee, with the prior written consent of a Majority of the Subordinated Notes, shall have entered into a supplemental indenture dated as of the Re-Pricing Date solely to reduce the spread over LIBOR of the Re-Priced Class (and to make changes necessary to give effect to such reduction, including, if applicable, the issuance of additional Notes under a different CUSIP number);

(ii) confirmation has been received that all Notes of the Re-Priced Class held by non-consenting Holders have been sold (or will be sold concurrently with such Re-Pricing) and transferred or redeemed pursuant to paragraph (c) above;

(iii) each Rating Agency shall have been notified of such Re-Pricing;

(iv) all expenses of the Issuer and the Trustee (including the fees of the Re-Pricing Intermediary and fees of counsel) incurred in connection with the Re-Pricing do not exceed the amount of Interest Proceeds available after taking into account all amounts required to be paid pursuant to Section 11.1(a)(i)(U) on such Re-Pricing Date (or the subsequent Payment Date if such Re-Pricing Date is not a Payment Date) prior to the distribution of any remaining Interest Proceeds to the Holders of the Subordinated Notes, unless such expenses have been paid or shall be adequately provided for by an entity other than the Issuer or will be paid pursuant to Section 11.1(a)(iv). Notwithstanding the foregoing, the fees of the Re-Pricing Intermediary payable by the Issuer shall not exceed an amount consented to by a Majority of the Subordinated Notes in writing;

(v) the Issuer has provided to the Trustee an officer's certificate from the Collateral Manager to the effect that all conditions precedent to the Re-Pricing have been satisfied; and

(vi) the Collateral Manager has consented to such Re-Pricing.

(f) Any notice of a Re-Pricing may be withdrawn by a Majority of the Subordinated Notes or the Collateral Manager on or prior to the fourth Business Day prior to the scheduled Re-Pricing Date by written notice to the Issuer, the Trustee, the Collateral Manager (if applicable) and the Holders of the Subordinated Notes (if applicable) for any reason. Upon receipt of such notice of withdrawal, the Trustee shall send such notice to the Holders of the Notes and each Rating Agency.

~~(g) Notice of any Re-Pricing and notice of any withdrawal of a notice of Re-Pricing shall also be delivered to the Irish Listing Agent for delivery to the Irish Stock Exchange so long as any Notes are listed thereon for trading on its Global Exchange Market and so long as the guidelines of such exchange so require.~~

(g) ~~(h)~~ The Trustee shall be entitled to receive, and shall be fully protected in relying upon an Opinion of Counsel stating that a Re-Pricing is permitted by this Indenture and that all conditions precedent thereto have been complied with. The Trustee may request and rely on an Issuer Order providing direction and any additional information requested by the Trustee in order to effect a Re-Pricing in accordance with this Section 9.8.

ARTICLE X

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Money. Except as otherwise expressly provided herein, the Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all Money and other property payable to or receivable by the Trustee pursuant to this Indenture, including all payments due on the Assets, in accordance with the terms and conditions of such Assets. The Trustee shall segregate and hold all such Money and property received by it in trust for the Holders of the Notes and shall apply it as provided in this Indenture. Each Account shall be established and maintained at an institution (each, an "**Eligible Institution**") that has (a) in the case of S&P, a long-term debt rating of at least "A" and a short-term debt rating of at least "A-1" by S&P (or, if such institution has no short-term debt rating, a long-term debt rating of at least "A+" by S&P) and (b) in the case of Moody's, (x) a counterparty risk assessment of at least "A2(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "A2" and a short-term debt rating of at least "P-1" by Moody's and if such institution's counterparty risk assessment falls below "A2(cr)" or, if such entity does not have a counterparty risk assessment by Moody's (or its long-term debt rating falls below "A2" and its short-term debt rating falls below "P-1" by Moody's), the assets held in such Account shall be moved within 30 calendar days to another institution that counterparty risk assessment of at least "A2(cr)" or, if such entity does not have a counterparty risk assessment by Moody's, a long-term debt rating of at least "A2" and a short-term debt rating of at least "P-1" by Moody's or (y) with respect to securities accounts, if the relevant account is a segregated trust account, a rating of at least "Baa3" by Moody's and is subject to regulations regarding fiduciary funds on deposit similar to Title 12 of the Code of Federal Regulation Section 9.10(b), provided, that if any such institution is downgraded such that it no longer constitutes an Eligible Institution hereunder, the Issuer shall use commercially reasonable efforts to replace such institution with a replacement Eligible Institution within 30 calendar days of the ratings downgrade. To avoid the consolidation of the Assets of the Issuer with the general assets of the Bank under any circumstances, the Trustee shall comply, and shall cause the Custodian to comply, with all law applicable to it as a national banking association holding segregated trust assets in a fiduciary capacity.

Section 10.2 Collection Account. (a) In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a segregated trust account designated the "**Collection Account**", comprised of two sub-accounts, one of which will be designated the "**Interest Collection Subaccount**" and one of which will be designated the "**Principal Collection Subaccount**", each of which shall be held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties and each of which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Trustee shall from time to time deposit into the Interest Collection Subaccount, in addition to the deposits required pursuant to Section 10.7(a), immediately upon receipt thereof or upon transfer from the Expense Reserve Account or the Principal Collection Subaccount (in the case of Designated Principal Proceeds) and the

Ramp-Up Account (in the case of Designated Unused Proceeds), all Designated Principal Proceeds and/or Designated Unused Proceeds, all Interest Proceeds from Collateral Obligations, and Eligible Investments and Hedge Receipt Amounts (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII). The Trustee shall deposit immediately upon receipt thereof or upon transfer from the Expense Reserve Account, Revolver Funding Account or any Hedge Counterparty Collateral Account all other amounts remitted to the Collection Account into the Principal Collection Subaccount, including in addition to the deposits required pursuant to Section 10.7(a), (i) any funds designated as Principal Proceeds by the Collateral Manager in accordance with this Indenture and (ii) all other Principal Proceeds (unless simultaneously reinvested in additional Collateral Obligations in accordance with Article XII or in Eligible Investments). The Issuer may, but under no circumstances shall be required to, deposit from time to time into the Collection Account, in addition to any amount required hereunder to be deposited therein, such Monies received from external sources for the benefit of the Secured Parties (other than payments on or in respect of the Collateral Obligations, Eligible Investments or other existing Assets) as the Issuer deems, in its sole discretion, to be advisable and to designate them as Interest Proceeds or Principal Proceeds. All Monies deposited from time to time in the Collection Account pursuant to this Indenture shall be held by the Trustee as part of the Assets and shall be applied to the purposes herein provided. Subject to Section 10.2(d), amounts in the Collection Account shall be reinvested pursuant to Section 10.7(a).

(b) The Trustee, within one Business Day after receipt of any distribution or other proceeds in respect of the Assets which are not Cash, shall so notify the Issuer and the Issuer shall use its commercially reasonable efforts to, within five Business Days after receipt of such notice from the Trustee (or as soon as practicable thereafter), sell such distribution or other proceeds for Cash in an arm's length transaction and deposit the proceeds thereof in the Collection Account; provided, that the Issuer (i) need not sell such distributions or other proceeds if it delivers an Issuer Order or an Officer's certificate to the Trustee certifying that such distributions or other proceeds constitute Collateral Obligations or Eligible Investments or (ii) may otherwise retain such distribution or other proceeds for up to two years from the date of receipt thereof if it delivers an Officer's certificate to the Trustee certifying that (x) it will sell such distribution within such two-year period and (y) retaining such distribution is not otherwise prohibited by this Indenture.

(c) At any time when reinvestment is permitted pursuant to Article XII, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall withdraw funds on deposit in the Principal Collection Subaccount representing Principal Proceeds (together with Interest Proceeds but only to the extent used to pay for accrued interest on an additional Collateral Obligation) and invest such funds in additional Collateral Obligations in accordance with the requirements of Article XII and such Issuer Order. At any time, the Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, withdraw funds on deposit in the Principal Collection Subaccount and deposit such funds in the Revolver Funding Account to meet funding requirements with respect to Delayed Drawdown Collateral Obligations or Revolving Collateral Obligations.

(d) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, pay from amounts on

deposit in the Collection Account on any Business Day during any Interest Accrual Period (i) from Interest Proceeds, any amount required to exercise a warrant held in the Assets or right to acquire securities held in the Assets in accordance with the requirements of Article XII and such Issuer Order; provided, that (x) Principal Proceeds may be used to exercise warrants held in the Assets if the Overcollateralization Ratio with respect to the Class E Notes as of the date such warrant is exercised is at least equal to 108.4% (on a pro forma basis after giving effect to the exercise of such warrant), and (y) Sale Proceeds with respect to securities obtained upon the exercise of such warrant may be designated as Interest Proceeds (up to the amount of Interest Proceeds used to exercise such warrant) or Principal Proceeds at the election of the Collateral Manager (with notice to the Collateral Administrator) and (ii) from Interest Proceeds only, any Administrative Expenses (such payments to be counted against the Administrative Expense Cap for the applicable period and to be subject to the order of priority as stated in the definition of Administrative Expenses); provided, that the aggregate Administrative Expenses paid pursuant to this Section 10.2(d) during any Collection Period shall not exceed the Administrative Expense Cap for the related Payment Date.

(e) The Trustee shall transfer to the Payment Account, from the Collection Account for application pursuant to Section 11.1(a), on the Business Day immediately preceding each Payment Date and Redemption Date (other than in connection with a Partial Refinancing), the amount set forth to be so transferred in the Distribution Report for such Payment Date or Redemption Date (as the case may be).

(f) The Collateral Manager on behalf of the Issuer may by Issuer Order direct the Trustee to, and upon receipt of such Issuer Order the Trustee shall, transfer from amounts on deposit in the Interest Collection Subaccount to the Principal Collection Subaccount, amounts necessary for application pursuant to Section 7.18(f)(x)(B), the proviso to Section 7.18(f)(x), Section 7.18(f)(y) or the proviso thereto.

(g) An aggregate amount of Principal Proceeds received by the Issuer up to an amount equal to (x) 1.0% of the Target Initial Par Amount minus (y) the aggregate amount of any previously designated Designated Unused Proceeds from time to time ("**Designated Principal Proceeds**") may be designated by the Collateral Manager (with notice to the Trustee and the Collateral Administrator) as Interest Proceeds from time to time after the Effective Date and on or prior to the second Payment Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests are each satisfied as of the date of each such designation on a pro forma basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 1.0% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Trustee shall transfer such Designated Principal Proceeds from the Principal Collection Subaccount to the Interest Collection Subaccount.

Section 10.3 Transaction Accounts.

(a) Payment Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account which shall be held in the name

of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties, which shall be designated as the "**Payment Account**," which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. Except as provided in Section 11.1(a), the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be to pay amounts due and payable on the Secured Notes and, if applicable, distributions on the Subordinated Notes in accordance with their terms and the provisions of this Indenture and, upon Issuer Order, to pay Administrative Expenses, Management Fees and other amounts specified herein, each in accordance with the Priority of Payments (including distributions from the Payment Account of amounts that were not disbursed as required by the Priority of Payments on the immediately preceding Payment Date within any applicable grace period described in Section 5.1(c) in order to prevent a default from becoming an Event of Default under Section 5.1(c)). The Co-Issuers shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. Amounts in the Payment Account shall remain uninvested.

(b) Custodial Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account which shall be held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties, which shall be designated as the Custodial Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. All Collateral Obligations shall be credited to the Custodial Account. The only permitted withdrawals from the Custodial Account shall be in accordance with the provisions of this Indenture. The Trustee agrees to give the Co-Issuers immediate notice if (to the actual knowledge of a Trust Officer of the Trustee) the Custodial Account or any assets or securities on deposit therein, or otherwise to the credit of the Custodial Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Co-Issuers shall not have any legal, equitable or beneficial interest in the Custodial Account other than in accordance with this Indenture and the Priority of Payments.

(c) Ramp-Up Account. The Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties, which shall be designated as the Ramp-Up Account, which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit the amount specified in Section 3.1(a)(xii) to the Ramp-Up Account. In connection with any purchase of an additional Collateral Obligation, the Trustee will apply amounts held in the Ramp-Up Account as provided by Section 7.18(c). On the first Business Day after a Trust Officer of the Trustee has received written notice from the Collateral Manager that the Moody's Rating Condition has been satisfied and that S&P has confirmed its Initial Rating of the Class A Notes, in each case, pursuant to Section 7.18(f) or upon the occurrence of an Event of Default, the Trustee will deposit any remaining amounts in the Ramp-Up Account (excluding any proceeds that will be used to settle binding commitments entered into prior to such date) ("**Unused Proceeds**") into the Principal Collection Subaccount as Principal Proceeds; provided, that an amount of Unused Proceeds up to an amount equal to (x) 1.0% of the Target Initial Par Amount minus (y) the aggregate amount of any previously designated Designated Principal Proceeds ("**Designated Unused Proceeds**") may be designated by the Collateral Manager (with

notice to the Trustee and the Collateral Administrator) as Interest Proceeds from time to time on or prior to the second Payment Date so long as the Target Initial Par Condition, the Concentration Limitations, the Collateral Quality Test and the Overcollateralization Ratio Tests are each satisfied as of the date of each such designation on a pro forma basis after giving effect to such designation. For the avoidance of doubt, the aggregate amount of Designated Principal Proceeds and Designated Unused Proceeds is not permitted to exceed 1.0% of the Target Initial Par Amount. Upon receipt of notice of such designation, the Trustee shall transfer such Designated Unused Proceeds from the Ramp-Up Account to the Interest Collection Subaccount. Any income earned on amounts deposited in the Ramp-Up Account will be deposited in the Interest Collection Subaccount as Interest Proceeds.

(d) Expense Reserve Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account which shall be held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties, which shall be designated as the "**Expense Reserve Account**," which shall be maintained with the Custodian in accordance with the Securities Account Control Agreement. The Issuer shall direct the Trustee to deposit to the Expense Reserve Account (i) the amount specified in Section 3.1(a)(xii) and (ii) in connection with any additional issuance of notes, the amount specified in Section 3.2(a)(ix). On any Business Day from the Closing Date to and including the Determination Date relating to the first Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with the establishment of the Co-Issuers, the structuring and consummation of the Offering and the issuance of the Notes and any additional issuance. By the Determination Date relating to the first Payment Date following the Closing Date, all funds in the Expense Reserve Account (after deducting any expenses paid on such Determination Date) will be deposited in the Collection Account as Interest Proceeds. On any Business Day after the Determination Date relating to the first Payment Date following the Closing Date, the Trustee shall apply funds from the Expense Reserve Account, as directed by the Collateral Manager, to pay expenses of the Co-Issuers incurred in connection with any additional issuance of notes or as a deposit to the Collection Account as Principal Proceeds. Any income earned on amounts deposited in the Expense Reserve Account will be deposited in the Interest Collection Subaccount as Interest Proceeds as it is paid.

(e) Contribution Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, on or prior to the Closing Date, establish at the Custodian a single, segregated non-interest bearing trust account which shall be held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties, which shall be designated as the "**Contribution Account**" and which shall be held by the Custodian in accordance with the Securities Account Control Agreement. At any time any Holder may, upon written notice, substantially in the form of Exhibit F, to the Trustee and the Collateral Manager, (i) make a contribution of Cash to the Issuer or (ii) solely in the case of Holders of Certificated Subordinated Notes, designate any portion of Interest Proceeds or Principal Proceeds that would otherwise be distributed on its Notes in accordance with the Priority of Payments, to the Issuer (each, a "**Contribution**" and each such Holder, a "**Contributor**") at any time; provided, that in the case of clause (ii) above, such notice must be provided no later than the Determination Date related to the applicable Payment Date. The

Collateral Manager, on behalf of the Issuer, may accept or reject any Contribution in its reasonable discretion, and shall notify the Trustee and Collateral Administrator in writing of any such acceptance. Each accepted Contribution will be deposited into the Contribution Account. If a Contribution is accepted, the Collateral Manager on behalf of the Issuer will apply such Contribution to a Permitted Use as directed by the Contributor at the time such Contribution is made or, if no direction is given by the Contributor, at the election of the Collateral Manager in its reasonable discretion. No Contribution or portion thereof will be returned to the Contributor at any time (other than by operation of the Priority of Payments). Any income earned on amounts deposited in the Contribution Account will be deposited in the Interest Collection Subaccount as Interest Proceeds. For the avoidance of doubt, any amounts deposited into the Contribution Account pursuant to clause (ii) above will be deemed for all purposes as having been paid to the Contributor pursuant to the Priority of Payments.

(f) Interest Reserve Account. The Trustee shall, prior to the Closing Date, establish a single, segregated non-interest bearing trust account held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties which will be designated as the "**Interest Reserve Account**," and over which the Trustee shall have exclusive control and the sole right of withdrawal. On the Closing Date, at the direction of the Collateral Manager, the Trustee will transfer proceeds from the offering of the Notes in an amount equal to the Interest Reserve Amount. On or before the Determination Date relating to the first Payment Date, at the direction of the Collateral Manager, the Issuer may direct that any portion then remaining of the Interest Reserve Amount be transferred to the Collection Account and included as Interest Proceeds or Principal Proceeds for the related Collection Period. On the first Payment Date, all amounts on deposit in the Interest Reserve Account will be transferred to the Payment Account and applied as Interest Proceeds or Principal Proceeds (as directed by the Collateral Manager) in accordance with the Priority of Payments, and the Trustee will close the Interest Reserve Account. Amounts credited to the Interest Reserve Account shall be reinvested pursuant to Section 10.7(a).

Section 10.4 The Revolver Funding Account. Upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds in an amount equal to the undrawn portion of such obligation shall be withdrawn first from the Ramp-Up Account and, if necessary, from the Principal Collection Subaccount, and deposited by the Trustee in a single, segregated non-interest bearing trust account established at the Custodian and held in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties (the "**Revolver Funding Account**"); provided, that, if such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation is a Participation Interest with respect to which the Selling Institution requires funds to be deposited with the Selling Institution or its custodian in an amount equal to any portion of the undrawn amount of such obligation as collateral for the funding obligations under such obligation (such funds, the "**Selling Institution Collateral**"), the Issuer shall deposit the Selling Institution Collateral with such Selling Institution or custodian rather than in the Revolver Funding Account, subject to the following sentence. Any such deposit of Selling Institution Collateral shall satisfy the following requirement: either (1) the aggregate amount of Selling Institution Collateral deposited with such Selling Institution or its custodian (other than an Eligible Custodian) under all Participation Interests shall not have an Aggregate Principal Amount in excess of 5% of the Collateral Principal Amount and shall not remain on deposit with such Selling Institution or custodian for

more than 30 calendar days after such Selling Institution first fails to satisfy the rating requirements set out in the Third Party Credit Exposure Limits (and the terms of each such deposit shall permit the Issuer to withdraw the Selling Institution Collateral if such Selling Institution fails at any time to satisfy the rating requirements set out in the Third Party Credit Exposure Limits); or (2) such Selling Institution Collateral shall be deposited with an Eligible Custodian with a short-term rating of at least "A-1" and a long-term rating of at least "A" by S&P (or a long-term rating of at least "A+" by S&P if such institution has no short-term rating) or such other minimum rating requirement in compliance with the then-current criteria of S&P.

Funds shall be deposited in the Revolver Funding Account upon the purchase of any Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation and upon the receipt by the Issuer of any Principal Proceeds with respect to a Revolving Collateral Obligation as directed by the Collateral Manager such that the amount of funds on deposit in the Revolver Funding Account shall be equal to or greater than the aggregate amount of unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all such Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations then included in the Assets.

Upon initial purchase of any other Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, funds deposited in the Revolver Funding Account in respect of such Collateral Obligation and Selling Institution Collateral deposited with the Selling Institution in respect of such Collateral Obligation will be treated as part of the purchase price therefor. Amounts on deposit in the Revolver Funding Account will be invested in overnight funds that are Eligible Investments selected by the Collateral Manager pursuant to Section 10.7 and earnings from all such investments will be deposited in the Interest Collection Subaccount as Interest Proceeds.

Any funds in the Revolver Funding Account (other than earnings from Eligible Investments therein) will be available solely to cover any drawdowns on the Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations; provided, that any excess of (A) the amounts on deposit in the Revolver Funding Account over (B) the sum of the unfunded funding obligations (disregarding the portion, if any, of any such unfunded funding obligations that is collateralized by Selling Institution Collateral) under all Delayed Drawdown Collateral Obligations and Revolving Collateral Obligations that are included in the Assets (which excess may occur for any reason, including upon (i) the sale or maturity of a Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation, (ii) the occurrence of an event of default with respect to any such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation or (iii) any other event or circumstance which results in the irrevocable reduction of the undrawn commitments under such Delayed Drawdown Collateral Obligation or Revolving Collateral Obligation) may be transferred by the Trustee (at the written direction of the Collateral Manager on behalf of the Issuer) from time to time as Principal Proceeds to the Principal Collection Subaccount.

Section 10.5 [Reserved].

Section 10.6 Hedge Counterparty Collateral Account. In accordance with this Indenture and the Securities Account Control Agreement, the Trustee shall, prior to the Closing

Date, establish at the Custodian a single segregated, non-interest bearing trust account (designated as the "**Hedge Counterparty Collateral Account**") which shall be maintained in the name of U.S. Bank National Association, as Trustee, for the benefit of the Secured Parties and over which the Trustee shall maintain exclusive control and sole right of withdrawal. The Trustee shall immediately upon receipt deposit in the Hedge Counterparty Collateral Account all collateral received from a Hedge Counterparty under a Hedge Agreement. The only permitted withdrawal from or application of funds or property on deposit in the Hedge Counterparty Collateral Account shall be in accordance with the provisions of this Indenture, an Issuer Order and the related Hedge Agreement, including: (i) for application to obligations of a Hedge Counterparty to the Issuer under a Hedge Agreement if such Hedge Agreement becomes subject to early termination; (ii) to the related Hedge Counterparty when and as required by the Hedge Agreement; or (iii) from time to time to the related Hedge Counterparty any amounts deposited into the Hedge Counterparty Collateral Account in error. The Trustee shall invest funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account as instructed by the Collateral Manager in accordance with the related Hedge Agreement and such funds shall not constitute Eligible Investments for any purpose under this Indenture.

Section 10.7 Reinvestment of Funds in Accounts; Reports by Trustee. (a) By Issuer Order (which may be in the form of standing instructions), the Issuer (or the Collateral Manager on behalf of the Issuer) shall at all times direct the Trustee to, and, upon receipt of such Issuer Order, the Trustee shall, invest all funds on deposit in the Collection Account, the Ramp-Up Account, the Revolver Funding Account, the Interest Reserve Account, the Contribution Account and the Expense Reserve Account, as so directed in Eligible Investments having stated maturities no later than the Business Day preceding the next Payment Date (or such shorter maturities expressly provided herein). If the Issuer shall not have given any such investment directions, the Trustee shall seek instructions from the Collateral Manager within three Business Days after transfer of any funds to such accounts. If the Trustee does not thereafter receive written instructions from the Collateral Manager within five Business Days after transfer of such funds to such accounts, it shall invest and reinvest the funds held in such accounts, as fully as practicable, in the Standby Directed Investment. Except to the extent expressly provided otherwise herein, all interest and other income from such investments shall be deposited in the Interest Collection Subaccount, any gain realized from such investments shall be credited to the Principal Collection Subaccount upon receipt, and any loss resulting from such investments shall be charged to the Principal Collection Subaccount. Funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account shall be invested as instructed by the Collateral Manager in accordance with the related Hedge Agreement. The Trustee shall not in any way be held liable by reason of any insufficiency of such accounts which results from any loss relating to any such investment, provided, that nothing herein shall relieve the Bank of (i) its obligations or liabilities under any security or obligation issued by the Bank or any Affiliate thereof or (ii) liability for any loss resulting from gross negligence, willful misconduct or fraud on the part of the Bank or any Affiliate thereof.

(b) The Trustee agrees to give the Issuer immediate notice if any Account or any funds on deposit in any Account, or otherwise to the credit of an Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process.

(c) The Trustee shall supply, in a timely fashion, to the Co-Issuers, each Rating Agency, each Hedge Counterparty and the Collateral Manager any information regularly maintained by the Trustee that the Co-Issuers, the Rating Agencies, such Hedge Counterparty or the Collateral Manager may from time to time reasonably request with respect to the Assets and the Accounts and provide any other requested information reasonably available to the Trustee by reason of its acting as Trustee hereunder and required to be provided by Section 10.8 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement or the Issuer's obligations hereunder that have been delegated to the Collateral Manager. The Trustee shall promptly forward to the Collateral Manager copies of notices and other writings received by it from the issuer of any Collateral Obligation or from any Clearing Agency with respect to any Collateral Obligation which notices or writings advise the holders of such Collateral Obligation of any rights that the holders might have with respect thereto (including, without limitation, requests to vote with respect to amendments or waivers and notices of prepayments and redemptions) as well as all periodic financial reports and other material communications received from such issuer and Clearing Agencies with respect to such issuer.

(d) In addition to any credit, withdrawal, transfer or other application of funds with respect to any Account set forth in this Article X, any credit, withdrawal, transfer or other application of funds with respect to any Account authorized elsewhere in this Indenture is hereby authorized.

(e) Any account established under this Indenture may include any number of subaccounts deemed necessary or advisable by the Trustee in the administration of the accounts.

ARTICLE XII

SALE OF COLLATERAL OBLIGATIONS; PURCHASE OF ADDITIONAL COLLATERAL OBLIGATIONS

Section 12.1 Sales of Collateral Obligations. Subject to the satisfaction of the conditions specified in Section 12.3 and unless an Event of Default has occurred and is

continuing (except for sales pursuant to Sections 12.1(a), (b), (c), (d), (h), (i) or (j)), the Collateral Manager on behalf of the Issuer may, but will not be required to (except as otherwise specified in this Section 12.1), direct the Trustee to sell and the Trustee shall sell on behalf of the Issuer in the manner directed by the Collateral Manager any Collateral Obligation or Equity Security (which shall include the direct sale or liquidation of the equity interests of any Issuer Subsidiary or any Issuer Subsidiary Assets) if such sale meets the requirements of any one of paragraphs (a) through (n) of this Section 12.1 (subject in each case to any applicable requirement of disposition under Sections 12.1(h) or 12.1(j)). For purposes of this Section 12.1, the Sale Proceeds of a Collateral Obligation sold by the Issuer shall include any Principal Financed Accrued Interest received in respect of such sale.

(a) Credit Risk Obligations. The Collateral Manager may direct the Trustee to sell any Credit Risk Obligation at any time without restriction.

(b) Credit Improved Obligations. The Collateral Manager may direct the Trustee to sell any Credit Improved Obligation either:

(i) at any time if (A) the Sale Proceeds from such sale are at least equal to the Investment Criteria Adjusted Balance of such Credit Improved Obligation or (B) after giving effect to such sale, the Aggregate Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the anticipated net proceeds of such sale) plus, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp-Up Account (including Eligible Investments therein), will be greater than or equal to the Reinvestment Target Par Balance; or

(ii) solely during the Reinvestment Period, if the Collateral Manager reasonably believes prior to such sale that either (A) after giving effect to such sale and subsequent reinvestment, the Aggregate Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp-Up Account (including Eligible Investments therein), will be greater than or equal to the Reinvestment Target Par Balance, or (B) it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Reinvestment Period Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Amount at least equal to the Investment Criteria Adjusted Balance of such Credit Improved Obligation within 20 Business Days after such sale.

(c) Defaulted Obligations. The Collateral Manager may direct the Trustee to sell any Defaulted Obligation at any time during or after the Reinvestment Period without restriction.

(d) Equity Securities. The Collateral Manager may direct the Trustee to sell any Equity Security at any time without restriction, and shall (unless such Equity Security has been transferred to an Issuer Subsidiary as set forth in Section 12.1(i) below) use its commercially reasonable efforts to effect the sale of any Equity Security (other than an interest in an Issuer Subsidiary), regardless of price:

(i) within 45 days after receipt if such Equity Security constitutes Margin Stock, unless such sale is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law and not prohibited by such contractual restriction; and

(ii) within three years after receipt or after such security becoming an Equity Security if (i) above does not apply, unless such sale is prohibited by applicable law or an applicable contractual restriction, in which case such Equity Security shall be sold as soon as such sale is permitted by applicable law and not prohibited by such contractual restriction;

(e) Optional Redemption. After the Issuer has notified the Trustee of an Optional Redemption of the Notes in accordance with Section 9.2 (unless such Optional Redemption is funded solely with Refinancing Proceeds), the Collateral Manager shall direct the Trustee to sell (which sale may be through participation or other arrangement) all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied.

(f) Prior to the Effective Date. The Collateral Manager may direct the Trustee to sell any Collateral Obligation prior to the Effective Date.

(g) Discretionary Sales. So long as a Restricted Trading Period is not then in effect, the Collateral Manager may direct the Trustee to sell any Collateral Obligation (each such sale, a "**Discretionary Sale**") if (x) after giving effect to such sale, the Aggregate Principal Amount of all Discretionary Sales effected during the preceding 12 calendar months (or, for the first 12 calendar months after the Effective Date, during the period commencing on the Effective Date) is not greater than 25% of the sum of (A) the Aggregate Principal Amount of the Collateral Obligations plus (B) amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp-Up Account, in each case, as of the first day of such 12 calendar month period (or as of the Effective Date, as the case may be); provided that, for purposes of determining the percentage of Collateral Obligations sold during any such period, the amount of any Collateral Obligations sold will be reduced to the extent of any purchases of Collateral Obligations of the same obligor (which are *pari passu* with or senior to such sold Collateral Obligations) occurring within 20 Business Days of such sale (determined based upon the date of any relevant trade confirmation or commitment letter) so long as any such Collateral Obligation was sold with the intention of purchasing a Collateral Obligation of the same obligor (which would be *pari passu* with or senior to such sold Collateral Obligation); and (y) either:

(i) at any time (x) the Sale Proceeds from such Discretionary Sale are at least equal to the Investment Criteria Adjusted Balance of such Collateral Obligation or (y) after giving effect to such sale, the Aggregate Principal Amount of all Collateral Obligations plus, without duplication, amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp Up Account will be greater than or equal to either (1) the Reinvestment Target Par Balance or (2) the sum of such amounts immediately prior to such sale; or

(ii) during the Reinvestment Period, the Collateral Manager reasonably believes prior to such sale that it will be able to enter into one or more binding commitments to reinvest all or a portion of the proceeds of such sale, in compliance with the Reinvestment Period Investment Criteria, in one or more additional Collateral Obligations with an Aggregate Principal Amount at least equal to the Investment Criteria Adjusted Balance of such sold Collateral Obligation within 30 Business Days after such sale;

(h) Mandatory Sales. The Collateral Manager on behalf of the Issuer shall use its commercially reasonable efforts to effect the sale (regardless of price) of any Collateral Obligation that no longer meets the criteria described in clause (ix) of the definition of "Collateral Obligation," within 18 months after the failure of such Collateral Obligation to meet any such criteria (unless such sale is prohibited by applicable law or an applicable contractual restriction).

(i) Clean-Up Call Redemption. After the Collateral Manager (with the consent of a Majority of the Subordinated Notes) has notified the Issuer and the Trustee of a Clean-Up Call Redemption in accordance with Section 9.7 hereof, the Collateral Manager may at any time effect the sale of any Collateral Obligation without regard to the limitations in this Section 12.1 by directing the Trustee to effect such sale; provided, that the Sale Proceeds therefrom are used for the purposes specified in Section 9.7 hereof (and applied pursuant to the Priority of Payments).

(j) Transfers to an Issuer Subsidiary. The Collateral Manager shall effect the transfer of an asset or Collateral Obligation to an Issuer Subsidiary as required by Section 7.17. In connection with the incorporation of, or transfer of any security or obligation to, any Issuer Subsidiary, the Issuer shall not be required to satisfy the Moody's Rating Condition or the S&P Rating Condition; provided, that (a) prior to the incorporation of any Issuer Subsidiary, the Collateral Manager shall, on behalf of the Issuer, provide written notice thereof to the Rating Agencies and (b) prior to the scheduled delivery to an Issuer Subsidiary of any security or obligation, the Collateral Manager shall, on behalf of the Issuer, provide written notice thereof to Moody's. The Issuer shall not be required to continue to hold in an Issuer Subsidiary (and may instead hold directly) an Issuer Subsidiary Asset if (i) based on an opinion or advice of Cadwalader, Wickersham & Taft LLP, Weil, Gotshal & Manges LLP, or ~~Simpson Thacher & Bartlett~~Milbank, Tweed, Hadley & McCloy LLP, or an opinion of other tax counsel of nationally recognized standing in the United States experienced in such matters, the acquisition, ownership, and disposition of such Issuer Subsidiary Asset will not cause the Issuer to be treated as engaged

in a trade or business in the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal income tax on a net income basis and (ii) the Issuer is otherwise permitted to hold such Issuer Subsidiary Asset directly pursuant to this Indenture. For financial accounting reporting purposes (including each Monthly Report and Distribution Report) and the Coverage Tests and the Collateral Quality Test (and, for the avoidance of doubt, not for tax purposes), the Issuer will be deemed to own an Issuer Subsidiary Asset held by an Issuer Subsidiary rather than its interest in that Issuer Subsidiary.

(k) Tax Redemption. After a Majority of the Subordinated Notes has directed (by a written direction delivered to the Trustee) a Tax Redemption, the Issuer (or the Collateral Manager on its behalf) may at any time effect the sale (which sale may be through participation or other arrangement) of all or a portion of the Collateral Obligations if the requirements of Article IX are satisfied. If any such sale is made through participations, the Issuer shall use reasonable efforts to cause such participations to be converted to assignments within six months after the sale.

(l) Covered Fund. Notwithstanding the other requirements set forth in this Indenture, the Collateral Manager (on behalf of the Issuer) shall use its commercially reasonable efforts to effect the sale or other disposition of any asset (including, but not limited to Collateral Obligations and Eligible Investments but excluding Senior Secured Loans) in a prompt manner if the Issuer's continued ownership of such asset would, in the sole reasonable determination of the Collateral Manager, cause the Issuer to be a "covered fund" under the Volcker Rule.

(m) Stated Maturity. Notwithstanding the other requirements set forth in this Indenture, the Collateral Manager will no later than the Determination Date immediately prior to the Stated Maturity, arrange for and direct the Trustee on behalf of the Issuer to sell (and the Trustee shall sell in the manner so directed) for settlement in immediately available funds no later than two Business Days before the Stated Maturity all Collateral Obligations scheduled to mature after the Stated Maturity of the Notes.

(n) Restricted Assets. Notwithstanding the other requirements set forth in this Indenture, in the event that any Collateral Obligation or other Asset is required to be sold pursuant to clause (e) above (in the event of an Optional Redemption of all of the Secured Notes), clause (k) or clause (m) of this Section 12.1, the Collateral Manager may notify the Trustee of any such Collateral Obligation or other Asset that, pursuant to the Collateral Manager's internal policies and procedures, the Collateral Manager is restricted from transacting in (any such Asset, a "**Restricted Asset**"). Upon receiving any such notice of a Restricted Asset, the Issuer shall direct the Trustee to engage a broker or other third party experienced in transacting with assets similar to such Restricted Asset to sell such Restricted Asset on behalf of the Issuer and the Collateral Manager shall be released from any obligations with respect to the disposition of such Restricted Asset; provided that a Majority of the Subordinated Notes shall have consented to the terms of the sale of such Restricted Asset, including the selection and appointment of any such broker or third party. The Trustee shall incur no liability for any sale of any Restricted Asset consented to by the Holders of a Majority of the Subordinated Notes. The fees and expenses of any third party engaged pursuant to this Section 12.1(n) shall be payable as Administrative Expenses.

Section 12.2 Purchase of Additional Collateral Obligations. On any date during the Reinvestment Period (and after the end of the Reinvestment Period, subject to certain limitations described in Section 12.2(b), with respect to Principal Proceeds received from Unscheduled Principal Payments and Sale Proceeds of Credit Risk Obligations) and, the Collateral Manager on behalf of the Issuer may subject to the other requirements in this Indenture, but will not be required to, direct the Trustee to invest Principal Proceeds, proceeds of additional notes issued pursuant to Sections 2.13 and 3.2, amounts on deposit in the Collection Account, amounts on deposit in the Ramp-Up Account, and accrued interest received with respect to any Collateral Obligation to the extent used to pay for accrued interest on additional Collateral Obligations, and the Trustee shall invest such Principal Proceeds and other amounts in accordance with such direction.

(a) Reinvestment Period Investment Criteria. No obligation may be purchased by the Issuer unless each of the following conditions is satisfied as of the date the Collateral Manager commits on behalf of the Issuer to make such purchase, in each case after giving effect to such purchase and all other sales or purchases previously or simultaneously committed to; provided, that the conditions set forth in clauses (v) and (vi) below need only be satisfied with respect to purchases of Collateral Obligations occurring on or after the Effective Date:

(i) such obligation is a Collateral Obligation;

(ii) such obligation is not as of such date a Credit Risk Obligation as determined by the Collateral Manager;

(iii) such obligation is not, by its terms, convertible into or exchangeable for Equity Securities;

(iv) if the commitment to make such purchase occurs on or after the Effective Date (or, in the case of the Interest Coverage Tests, on or after the Interest Coverage Test Effective Date), prior to the end of the Reinvestment Period (A) each Coverage Test applicable on such date will be satisfied or if not satisfied, such Coverage Test will be maintained or improved, and (B) if each Coverage Test is not satisfied, the Principal Proceeds received in respect of any Defaulted Obligation or the proceeds of any sale of a Defaulted Obligation shall not be reinvested in additional Collateral Obligations;

(v) (A) in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation or a Defaulted Obligation, either (1) the Aggregate Principal Amount of all additional Collateral Obligations purchased with the proceeds from such sale will at least equal the Sale Proceeds from such sale or (2) the Aggregate Principal Amount of all Collateral Obligations (excluding the Collateral Obligation being sold but including, without duplication, the Collateral Obligation being purchased and the anticipated cash proceeds, if any, of such sale that are not applied to the purchase of such additional Collateral Obligation) plus, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds

pursuant to the definition of Permitted Use) and the Ramp Up Account (including Eligible Investments therein), will be greater than or equal to either (x) the Reinvestment Target Par Balance or (y) such amounts immediately prior to such sale and (B) in the case of any other purchase of additional Collateral Obligations purchased with the proceeds from the sale of a Collateral Obligation, the Aggregate Principal Amount of the Collateral Obligations plus, without duplication, the amounts on deposit in the Principal Collection Subaccount, the Contribution Account (to the extent such amounts have been designated for application as Principal Proceeds pursuant to the definition of Permitted Use) and the Ramp Up Account (including Eligible Investments therein), will be greater than or equal to either (x) the Aggregate Principal Amount of the Collateral Obligations and Principal Proceeds immediately prior to such sale or (y) the Reinvestment Target Par Balance;

(vi) either (A) each requirement or test, as the case may be, of the Concentration Limitations and the Collateral Quality Test (except, in the case of an additional Collateral Obligation purchased with the proceeds from the sale of a Credit Risk Obligation, a Defaulted Obligation or an Equity Security, the S&P CDO Monitor Test) will be satisfied or (B) if any such requirement or test was not satisfied immediately prior to such investment, such requirement or test will be maintained or improved after giving effect to the investment; and

(vii) no Event of Default has occurred and is continuing.

Prior to the end of the Reinvestment Period, the Issuer may enter into commitments to purchase Collateral Obligations that the Collateral Manager believes may settle after the end of Reinvestment Period; provided, that the Collateral Manager believes, in its commercially reasonable business judgment, that the settlement date with respect to such purchase will occur within 30 Business Days of the date of the commitment to purchase such Collateral Obligations. Not later than the Business Day immediately preceding the end of the Reinvestment Period, the Collateral Manager shall deliver to the Trustee a schedule of Collateral Obligations purchased by the Issuer with respect to which purchases the trade date has occurred but the settlement date has not yet occurred and shall certify to the Trustee that sufficient Principal Proceeds are available (including for this purpose, cash on deposit in the Principal Collection Subaccount as well as any Principal Proceeds that will be received by the Issuer from the sale of Collateral Obligations for which the trade date has already occurred but the settlement date has not yet occurred or from maturity or a prepayment of a Collateral Obligation that has been announced) to effect the settlement of such Collateral Obligations.

(b) Post-Reinvestment Period Investment Criteria. Subject to the requirements of Section 12.2(a), after the end of the Reinvestment Period, the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to sales of Credit Risk Obligations before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in additional Collateral Obligations ("**Substitute Obligations**"); provided, (i) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Credit Risk Obligation, (ii) after giving effect to the

reinvestment, the Minimum Floating Spread Test, the Minimum Weighted Average Moody's Recovery Rate Test, the Weighted Average Life Test, the Minimum Weighted Average Coupon Test, the Minimum Weighted Average S&P Recovery Rate Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the sale of the related Credit Risk Obligation, (iii) after giving effect to the reinvestment, the Maximum Moody's Rating Factor Test and the Coverage Tests with respect to each Class of Secured Notes are satisfied, (iv) the S&P Rating of the Substitute Obligation is the same or higher than the S&P Rating of the Credit Risk Obligation, (v) no Event of Default has occurred and is continuing, (vi) a Restricted Trading Period is not then in effect and (vii) the Aggregate Principal Amount of the Substitute Obligation equals or exceeds the proceeds received from such sale of the Credit Risk Obligation.

Subject to the requirements of Section 12.2(a), after the end of the Reinvestment Period the Collateral Manager may, but will not be required to, reinvest Principal Proceeds that were received with respect to Unscheduled Principal Payments before the later of (x) 30 Business Days following receipt of such Principal Proceeds and (y) the last Business Day of the Collection Period in which such Principal Proceeds were received, in Substitute Obligations; provided, (i) either (x) the Aggregate Principal Amount of the Substitute Obligations equals or exceeds the amount of such Unscheduled Principal Payments or (y) the Aggregate Principal Amount of all Collateral Obligations plus, without duplication, the amounts on deposit in the Principal Collection Subaccount (including Eligible Investments therein), will be greater than or equal to the Reinvestment Target Par Balance, (ii) the stated maturity of each Substitute Obligation is equal to or earlier than the stated maturity of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (iii) after giving effect to the reinvestment, the Minimum Floating Spread Test, the Minimum Weighted Average Moody's Recovery Rate Test, the Weighted Average Life Test, the Minimum Weighted Average Coupon Test, the Minimum Weighted Average S&P Recovery Rate Test and the Concentration Limitations are satisfied, or if not satisfied, are maintained or improved as compared to such test level prior to the receipt of the Unscheduled Principal Payment, (iv) after giving effect to the reinvestment, the Maximum Moody's Rating Factor Test and the Coverage Tests with respect to each Class of Secured Notes are satisfied, (v) the S&P Rating of each Substitute Obligation is the same or higher than the S&P Rating of the Collateral Obligation with respect to which such Unscheduled Principal Payment was made, (vi) no Event of Default has occurred and is continuing, and (vii) a Restricted Trading Period is not then in effect.

(c) Contribution Account. At any time, the Collateral Manager may direct the Trustee to apply amounts on deposit in the Contribution Account (as directed by the related Contributor or, if no direction is given by the Contributor, as directed by the Collateral Manager in its reasonable discretion) to one or more Permitted Uses.

(d) Reserved.

(e) Investment in Eligible Investments. Cash on deposit in any Account (other than the Payment Account and the Hedge Counterparty Collateral Account) may be invested at any time in Eligible Investments in accordance with Article X. Funds on deposit in or otherwise to the credit of the Hedge Counterparty Collateral Account shall be invested as instructed by the Collateral Manager in accordance with the related Hedge Agreement.

Section 12.3 Conditions Applicable to All Sale and Purchase Transactions. (a) Any transaction effected under this Article XII or in connection with the acquisition of additional Collateral Obligations shall be conducted on an arm's length basis and, if effected with a Person Affiliated with the Collateral Manager (or with an account or portfolio for which the Collateral Manager or any of its Affiliates serves as investment adviser), shall be effected in accordance with the requirements of Section 42(o) of the Collateral Management Agreement on terms no less favorable to the Issuer than would be the case if such Person were not so Affiliated, provided, that the Trustee shall have no responsibility to oversee compliance with this clause (a) by the other parties.

(b) Upon any acquisition of a Collateral Obligation pursuant to this Article XII, all of the Issuer's right, title and interest to the Asset or Assets shall be Granted to the Trustee pursuant to this Indenture, such Asset or Assets shall be Delivered to the Custodian, and, if applicable, the Custodian shall receive such Asset or Assets. The Trustee shall also receive, not later than the Subsequent Delivery Date, an Officer's certificate of the Issuer containing the statements set forth in Section 3.1(a)(ix); provided, that such requirement shall be satisfied, and such statements shall be deemed to have been made by the Issuer, in respect of such acquisition by the delivery to the Trustee of a trade ticket in respect thereof that is signed by an Authorized Officer of the Collateral Manager.

(c) Notwithstanding anything contained in this Article XII to the contrary and without limiting the right to make any other permitted purchase or sales, the Issuer shall have the right to effect any sale of any Asset or purchase of any Collateral Obligation (x) that has been consented to by Noteholders evidencing (i) with respect to purchases during the Reinvestment Period and sales during or after the Reinvestment Period, at least 75% of the Aggregate Outstanding Amount of each Class of Secured Notes and at least 75% of the Aggregate Outstanding Amount of the Subordinated Notes and (ii) with respect to purchases after the Reinvestment Period, 100% of the Aggregate Outstanding Amount of each Class of Notes and (y) of which each Rating Agency and the Trustee has been notified.

(d) Delivery of Issuer Order. Delivery of an Issuer Order or direction with respect to the acquisition, sale or other disposition of an Asset shall be deemed to include a certification that such acquisition, sale or other disposition complies with the terms of this Indenture.

Section 12.4 Disposition of Illiquid Assets. Notwithstanding anything in this Indenture to the contrary, on any Business Day after the Reinvestment Period, the Collateral Manager, in its sole discretion, may conduct an auction on behalf of the Issuer of Illiquid Assets in accordance with the procedures described herein. Promptly after receipt of written notice from the Collateral Manager of such auction, the Trustee shall provide notice (in such form as is prepared by the Collateral Manager) to the Holders of the Notes of an auction, which notice shall set forth in reasonable detail a description of each Illiquid Asset and the following auction procedures: (i) any Holder or beneficial owner of a Note may submit a written bid within 10 Business Days after the date of such notice to purchase one or more Illiquid Assets no later than the date specified in the auction notice (which shall be at least 15 Business Days after the date of such notice); (ii) each bid must include an offer to purchase for a specified amount of cash on a

proposed settlement date no later than 20 Business Days after the date of the auction notice; (iii) if no Holder or beneficial owner of a Note submits such a bid within the time period specified under clause (i) above, unless the Collateral Manager determines that delivery in kind is not legally or commercially practicable and provides written notice thereof to the Trustee, the Trustee shall provide notice thereof to each Holder and offer to deliver (at such Holder's expense) a pro rata portion (as determined by the Collateral Manager) of each unsold Illiquid Asset to the Holders or beneficial owners of the most senior Class of Notes that provide delivery instructions to the Trustee on or before the date specified in such notice, subject to minimum denominations; provided that, to the extent that minimum denominations do not permit a pro rata distribution, the Trustee shall distribute the Illiquid Assets on a pro rata basis to the extent possible and the Collateral Manager shall select by lottery the Holder or beneficial owner to whom the remaining amount shall be delivered and deliver written notice thereof to the Trustee; provided, further, that the Trustee shall use commercially reasonable efforts to effect delivery of such interests; and (iv) if no such Holder or beneficial owner provides delivery instructions to the Trustee, the Trustee shall promptly notify the Collateral Manager and offer to deliver (at the cost of the Issuer) the Illiquid Asset to the Collateral Manager. If the Collateral Manager declines such offer, the Trustee shall take such action as reasonably directed by the Collateral Manager (on behalf of the Issuer) in writing to dispose of the Illiquid Asset, which may be by donation to a charity, abandonment or other means. The Trustee shall have no duty, obligation or responsibility with respect to the sale of any Illiquid Asset other than to act upon the instruction of the Collateral Manager and in accordance with the provisions of this Indenture.

ARTICLE XIII

NOTEHOLDERS' RELATIONS

Section 13.1 Subordination. (a) Anything in this Indenture or the Notes to the contrary notwithstanding, the Holders of each Class of Notes that constitute a Junior Class agree for the benefit of the Holders of the Notes of each Priority Class with respect to such Junior Class that such Junior Class shall be subordinate and junior to the Notes of each such Priority Class to the extent and in the manner set forth in this Indenture. If any Event of Default has not been cured or waived and acceleration occurs and is not waived in accordance with Article V, including as a result of an Event of Default specified in Section 5.1(g) or (h), each Priority Class shall be paid in full in Cash or, to the extent a Majority of such Class consents, other than in Cash, before any further payment or distribution of any kind is made on account of any Junior Class with respect thereto, in accordance with Section 11.1(a)(iii).

(b) In the event that, notwithstanding the provisions of this Indenture, any Holder of Notes of any Junior Class shall have received any payment or distribution in respect of such Notes contrary to the provisions of this Indenture, then, unless and until each Priority Class with respect thereto shall have been paid in full in Cash or, to the extent a Majority of such Priority Class consents, other than in Cash in accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Trustee, which shall pay and deliver the same to the Holders of the applicable Priority Class(es) in accordance with this Indenture; provided, that if any such

payment or distribution is made other than in Cash, it shall be held by the Trustee as part of the Assets and subject in all respects to the provisions of this Indenture, including this Section 13.1.

(c) Each Holder of Notes of any Junior Class agrees with all Holders of the applicable Priority Classes that such Holder of Junior Class Notes shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including, without limitation, this Section 13.1; provided, that after a Priority Class has been paid in full, the Holders of the related Junior Class or Classes shall be fully subrogated to the rights of the Holders of such Priority Class. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of any Junior Class of Notes.

(d) The Holders of each Class of Notes agree, for the benefit of all Holders of each Class of Notes, not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary until the payment in full of all Notes (and any other debt obligations of the Issuer that have been rated upon issuance by any rating agency at the request of the Issuer) and the expiration of a period equal to one year and one day or, if longer, the applicable preference period then in effect plus one day, following such payment in full.

(e) Notwithstanding anything in this Indenture to the contrary, this Section 13.1 shall be subject in all respects to Section 5.4(e).

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Holder under this Indenture, a Holder or Holders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Holder, the Issuer, or any other Person, except for any liability to which such Holder may be subject to the extent the same results from such Holder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE XIV

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to Trustee. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Officer of the Issuer, the Co-Issuer or the Collateral Manager may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel (provided, that such counsel is a nationally or internationally recognized and reputable law firm one or more of the partners of which are

admitted to practice before the highest court of any State of the United States or the District of Columbia (or the Cayman Islands, in the case of an opinion relating to the laws of the Cayman Islands), which law firm may, except as otherwise expressly provided in this Indenture, be counsel for the Issuer or the Co-Issuer), unless such Officer knows, or should know that the certificate or opinion or representations with respect to the matters upon which such certificate or opinion is based are erroneous. Any such certificate of an Officer of the Issuer, Co-Issuer or the Collateral Manager or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Officer of the Issuer, Co-Issuer or the Collateral Manager or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel may also be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Officer of the Collateral Manager, the Issuer or the Co-Issuer, stating that the information with respect to such matters is in the possession of the Collateral Manager, the Issuer or the Co-Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided, that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee at the request or direction of either Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to such Co-Issuer's right to make such request or direction, the Trustee shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(d).

Section 14.2 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in writing or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "Act of Holders" signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Co-Issuers, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee deems sufficient.

(c) The principal amount or face amount, as the case may be, and registered numbers of Notes held by any Person, and the date of such Person's holding the same, shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder (and any transferee thereof) of such and of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 14.4 Notices to Holders; Waiver. Except as otherwise expressly provided herein, where this Indenture provides for notice to Holders of any event,

(a) such notice shall be sufficiently given to Holders if in writing and mailed, first class postage prepaid, to each Holder affected by such event, at the address of such Holder as it appears in the Register (or, in the case of Holders of Global Notes, emailed to DTC for distribution to each beneficial owner affected by such event), not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice; and

(b) such notice shall be in the English language.

Such notices will be deemed to have been given on the date of such mailing.

Notwithstanding clause (a) above, a Holder may give the Trustee a written notice in a form acceptable to the Trustee that it is requesting that notices to it be given by electronic mail or by facsimile transmissions and stating the electronic mail address or facsimile number for such transmission. Thereafter, the Trustee shall give notices to such Holder by electronic mail or facsimile transmission, as so requested; provided, that if such notice also requests that notices be given by mail, then such notice shall also be given by mail in accordance with clause (a) above.

At the expense of the Issuer, the Trustee shall deliver to any Holder of Notes or any Person that has certified to the Trustee in a writing substantially in the form of Exhibit D to

this Indenture that it is the owner of a beneficial interest in a Global Note, any information or notice relating to this Indenture and requested to be so delivered by a Holder or a Person that has made such certification that is reasonably available to the Trustee (other than items protected by attorney-client privilege or information or documents received from Independent accountants subject to restrictions or prohibitions on disclosure pursuant to an engagement letter).

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. In case by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity or by reason of any other cause it shall be impracticable to give such notice by mail of any event to Holders when such notice is required to be given pursuant to any provision of this Indenture, then such notification to Holders as shall be made with the approval of the Trustee shall constitute a sufficient notification to such Holders for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Co-Issuers shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. If any term, provision, covenant or condition of this Indenture or the Notes, or the application thereof to any party hereto or any circumstance, is held to be unenforceable, invalid or illegal (in whole or in part) for any reason (in any relevant jurisdiction), the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, modified by the deletion of the unenforceable, invalid or illegal portion (in any relevant jurisdiction), will continue in full force and effect, and such unenforceability, invalidity, or illegality will not otherwise affect the enforceability, validity or legality of the remaining terms, provisions, covenants and conditions of this Indenture or the Notes, as the case may be, so long as this Indenture or the Notes, as the case may be, as so modified continues to express, without material change, the original intentions of the parties as to the subject matter hereof and the deletion of such portion of this Indenture or the Notes, as the case may be, will not substantially impair the respective expectations or reciprocal obligations of the parties or the practical realization of the benefits that would otherwise be conferred upon the parties.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Notes, expressed or implied, shall give to any Person, other than the parties hereto and their successors hereunder, the Collateral Manager, the Collateral Administrator, each Hedge Counterparty, the Holders of the Notes and (to the extent provided herein) the Administrator (solely in its capacity as such) any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 [Reserved].

Section 14.10 Governing Law. This Indenture and the Notes shall be construed in accordance with, and this Indenture and the Notes and any matters arising out of or relating in any way whatsoever to this Indenture or the Notes (whether in contract, tort or otherwise), shall be governed by, the law of the State of New York.

Section 14.11 Submission to Jurisdiction. With respect to any suit, action or proceedings relating to this Indenture or any matter between the parties arising under or in connection with this Indenture ("**Proceedings**"), each party irrevocably: (i) submits to the non-exclusive jurisdiction of the Supreme Court of the State of New York sitting in the Borough of Manhattan and the U.S. District Court for the Southern District of New York, and any appellate court from any thereof; and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party. Nothing in this Indenture precludes any of the parties from bringing Proceedings in any other jurisdiction, nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

Section 14.12 Waiver of Jury Trial. EACH OF THE ISSUER, THE CO-ISSUER AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY. Each party hereby (i) certifies that no representative, agent or attorney of the other has represented, expressly or otherwise, that the other would not, in the event of a Proceeding, seek to enforce the foregoing waiver and (ii) acknowledges that it has been induced to enter into this Indenture by, among other things, the mutual waivers and certifications in this paragraph.

Section 14.13 Counterparts. This Indenture and the Notes (and each amendment, modification and waiver in respect of this Indenture or the Notes) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original, and all of which together constitute one and the same instrument. Delivery of an executed counterpart of this Indenture by e-mail (PDF) or telecopy shall be effective as delivery of a manually executed counterpart of this Indenture.

Section 14.14 Acts of Issuer. Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or performed by the Issuer shall be effective if given or performed by the Issuer or by the Collateral Manager on the Issuer's behalf.

Section 14.15 Confidential Information. (a) The Trustee and the Collateral Administrator will maintain the confidentiality of all Confidential Information in accordance with procedures adopted by the Issuer (after consultation with the Co-Issuer) in good faith to protect Confidential Information of third parties delivered to such Person; provided, that such

Person may deliver or disclose Confidential Information to: (i) such Person's directors, trustees, officers, employees, agents, attorneys and affiliates who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (ii) such Person's financial advisors, auditors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 14.15 and to the extent such disclosure is reasonably required for the administration of this Indenture, the matters contemplated hereby or the investment represented by the Notes; (iii) any Holder; (iv) any Person of the type that would be, to such Person's knowledge, permitted to acquire or have transferred to it Notes in accordance with the requirements of Section 2.5 hereof to which such Person sells or offers to sell any such Note or any part thereof (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (v) any other Person from which such former Person offers to purchase any security of the Co-Issuers (if such other Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 14.15); (vi) any federal or state or other regulatory, governmental or judicial authority having jurisdiction over such Person; (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about the investment portfolio of such Person, reinsurers and liquidity and credit providers that agree to hold confidential the Confidential Information substantially in accordance with this Section 14.15; (viii) Moody's or S&P; (ix) Intex Solutions Inc. (or any other similar service providers as determined by the Collateral Manager in its reasonable judgment) in accordance with Section 10 hereof; (x) any other Person with the consent of the Co-Issuers and the Collateral Manager; or (xi) any other Person to which such delivery or disclosure may be necessary or appropriate (A) to effect compliance with any law, rule, regulation or order applicable to such Person, (B) in response to any subpoena or other legal process upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (C) in connection with any litigation to which such Person is a party upon prior notice to the Co-Issuers (unless prohibited by applicable law, rule, order or decree or other requirement having the force of law), (D) if an Event of Default has occurred and is continuing, to the extent such Person may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under the Notes or this Indenture or (E) in the Trustee's or Collateral Administrator's performance of its obligations under this Indenture, the Collateral Administration Agreement or other transaction document related thereto; and provided, that delivery to Holders by the Trustee or the Collateral Administrator of any report of information required by the terms of this Indenture to be provided to Holders shall not be a violation of this Section 14.15. Each Holder of Notes agrees, except as set forth in clauses (vi), (vii), (ix) and (xi) above, that it shall use the Confidential Information for the sole purpose of making an investment in the Notes or administering its investment in the Notes; and that the Trustee and the Collateral Administrator shall neither be required nor authorized to disclose to Holders any Confidential Information in violation of this Section 14.15. In the event of any required disclosure of the Confidential Information by such Holder, such Holder agrees to use reasonable efforts to protect the confidentiality of the Confidential Information. Each Holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 14.15.

(b) For the purposes of this Section 14.15, "**Confidential Information**" means information delivered to the Trustee, the Collateral Administrator or any Holder of Notes by or on behalf of the Co-Issuers in connection with and relating to the transactions contemplated by or otherwise pursuant to this Indenture; provided, that such term does not include information that: (i) was publicly known or otherwise known to the Trustee, the Collateral Administrator or such Holder prior to the time of such disclosure; (ii) subsequently becomes publicly known through no act or omission by the Trustee, the Collateral Administrator, any Holder or any person acting on behalf of the Trustee, the Collateral Administrator or any Holder; (iii) otherwise is known or becomes known to the Trustee, the Collateral Administrator or any Holder other than (x) through disclosure by the Co-Issuers or (y) to the knowledge of the Trustee, the Collateral Administrator or a Holder, as the case may be, in each case after reasonable inquiry, as a result of the breach of a fiduciary duty to the Co-Issuers or a contractual duty to the Co-Issuers; or (iv) is allowed to be treated as non-confidential by consent of the Co-Issuers.

(c) Notwithstanding the foregoing, the Trustee and the Collateral Administrator may disclose Confidential Information to the extent disclosure thereof may be required by law or by any regulatory or governmental authority and the Trustee and the Collateral Administrator may disclose on a confidential basis any Confidential Information to its agents, attorneys and auditors in connection with the performance of its responsibilities hereunder.

Section 14.16 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, inter alia, the Co-Issuers or otherwise, neither of the Co-Issuers shall have any liability whatsoever to the other of the Co-Issuers under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither of the Co-Issuers shall be entitled to take any action to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other of the Co-Issuers. In particular, neither of the Co-Issuers shall be entitled to petition or take any other steps for the winding up or bankruptcy of the other of the Co-Issuers or any Issuer Subsidiary or shall have any claim in respect of any assets of the other of the Co-Issuers.

ARTICLE XV

ASSIGNMENT OF CERTAIN AGREEMENTS

Section 15.1 Assignment of Collateral Management Agreement. (a) The Issuer hereby acknowledges that its Grant pursuant to the first Granting Clause hereof includes all of the Issuer's estate, right, title and interest in, to and under the Collateral Management Agreement, including (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; provided, except as

otherwise expressly set forth in this Indenture, the Trustee shall not have the authority to exercise any of the rights set forth in (i) through (iv) above or that may otherwise arise as a result of the Grant until the occurrence of an Event of Default hereunder and such authority shall terminate at such time, if any, as such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of the Collateral Management Agreement, nor shall any of the obligations contained in the Collateral Management Agreement be imposed on the Trustee.

(c) Upon the retirement of the Notes, the payment of all amounts required to be paid pursuant to the Priority of Payments and the release of the Assets from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under the Collateral Management Agreement shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that the Issuer has not executed any other assignment of the Collateral Management Agreement.

(e) The Issuer agrees that this assignment is irrevocable, and that it will not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer will, from time to time, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as may be necessary to continue and maintain the effectiveness of such assignment.

(f) The Issuer hereby covenants and agrees that no compensation payable to a successor Collateral Manager from payment on the Assets shall be greater than that permitted to the Collateral Manager under the Collateral Management Agreement without the prior written consent of a Majority of each Class of Notes, voting separately by Class.

(g) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Collateral Manager in the Collateral Management Agreement, to the following:

(i) The Collateral Manager shall consent to the provisions of this assignment and agree to perform any provisions of this Indenture applicable to the Collateral Manager subject to the terms (including the standard of care set forth in the Collateral Management Agreement) of the Collateral Management Agreement.

(ii) The Collateral Manager shall acknowledge that the Issuer is assigning all of its right, title and interest in, to and under the Collateral Management Agreement to the Trustee as representative of the Holders and the Collateral Manager shall agree that all of the representations, covenants and agreements made by the Collateral Manager in the Collateral Management Agreement are also for the benefit of the Trustee.

(iii) The Collateral Manager shall deliver to the Trustee copies of all notices, statements, communications and instruments delivered or required to be delivered by the Collateral Manager to the Issuer pursuant to the Collateral Management Agreement.

(iv) The Issuer and the Collateral Manager (with notice to but without the consent of the Trustee) may amend the Collateral Management Agreement to (A) correct inconsistencies, typographical or other errors, defects or ambiguities, (B) conform the Collateral Management Agreement to the final Offering Circular with respect to the Secured Notes or to this Indenture (as it may be amended from time to time pursuant to Article VIII), (C) permanently remove any Management Fee payable to the Collateral Manager, (D) add to the covenants of the Issuer or the Collateral Manager for the benefit of the Holders of the Notes, or (E) take any action advisable, necessary or helpful (x) to prevent the Issuer or any Issuer Subsidiary from being subject to (or to otherwise minimize) withholding or other taxes, fees or assessments, including by complying with FATCA, or (y) to reduce the risk that the Issuer or any Issuer Subsidiary may be treated as engaged in a trade or business within the United States for U.S. federal income tax purposes or otherwise subject to U.S. federal, state or local income tax on a net income basis, in each case without the consent of the Holders of any Notes and without satisfaction of the Moody's Rating Condition, but with notice to each Rating Agency. Any other amendment to the Collateral Management Agreement shall be permitted with the consent of a Majority of the Controlling Class.

(v) Except as otherwise set forth herein and therein (including pursuant to Section 9 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts in accordance with the Priority of Payments set forth under Section 11.1. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Issuer Subsidiary for the nonpayment of the fees or other amounts payable by the Issuer, the Co-Issuer or such Issuer Subsidiary to the Collateral Manager under the Collateral Management Agreement or any other Transaction Document until the payment in full of all Notes (and any other debt obligations of the Issuer, the Co-Issuer or such Issuer Subsidiary that have been rated upon issuance by any rating agency at the request of the Issuer, the Co-Issuer or such Issuer Subsidiary, as applicable) issued under this Indenture and the expiration of a period equal to one year and a day, or, if longer, the applicable preference period plus one day, following such payment. Nothing in this Section 15.1 shall preclude, or be deemed to stop, the Collateral Manager (i) from taking any action prior to the expiration of the aforementioned period in (A) any case or Proceeding voluntarily filed or commenced by the Issuer, the Co-Issuer or any Issuer Subsidiary or (B) any involuntary insolvency Proceeding filed or commenced by a Person other than the Collateral Manager, or (ii) from commencing against the Issuer, the Co-Issuer or any Issuer Subsidiary or any of its properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

(vi) Except with respect to transactions contemplated by Section ~~5~~2(o) of the Collateral Management Agreement, if the Collateral Manager determines that it or any of its Affiliates has a conflict of interest between the Holder of any Notes and any other account or portfolio for which the Collateral Manager or any of its Affiliates is serving as investment adviser which relates to any action to be taken with respect to any Asset, then the Collateral Manager will give written notice to the Trustee, who shall promptly forward such notice to the relevant Holder, briefly describing such conflict and the action it proposes to take. The provisions of this clause (vi) shall not apply to any transaction permitted by the terms of the Collateral Management Agreement.

SCHEDULE 2
DIVERSITY SCORE CALCULATION

The Diversity Score is calculated as follows:

(a) An "**Issuer Par Amount**" is calculated for each issuer of a Collateral Obligation, and is equal to the Aggregate Principal Amount of all the Collateral Obligations issued by that issuer and all affiliates.

(b) An "**Average Par Amount**" is calculated by summing the Issuer Par Amounts for all issuers, and dividing by the number of issuers.

(c) An "**Equivalent Unit Score**" is calculated for each issuer, and is equal to the lesser of (x) one and (y) the Issuer Par Amount for such issuer divided by the Average Par Amount.

(d) An "**Aggregate Industry Equivalent Unit Score**" is then calculated for each of the Moody's industry classification groups, shown on Schedule 1, and is equal to the sum of the Equivalent Unit Scores for each issuer in such industry classification group.

(e) An "**Industry Diversity Score**" is then established for each Moody's industry classification group, shown on Schedule 1, by reference to the following table for the related Aggregate Industry Equivalent Unit Score; provided, that if any Aggregate Industry Equivalent Unit Score falls between any two such scores, the applicable Industry Diversity Score will be the lower of the two Industry Diversity Scores:

MOODY'S RATING

With respect to any Collateral Obligation ~~other than a DIP Collateral Obligation~~, as of any date of determination, the rating determined in accordance with the following methodology:

(a) With respect to a Collateral Obligation that (A) is publicly rated by Moody's, such public rating, or (B) is not publicly rated by Moody's but for which a rating or

rating estimate has been assigned by Moody's upon the request of the Issuer or the Collateral Manager, such rating or, in the case of a rating estimate, the applicable rating estimate for such obligation;

(b) With respect to a Collateral Obligation that is a Moody's Senior Secured Loan or Participation Interest in a Moody's Senior Secured Loan (if not determined pursuant to clause (a) above), if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory higher than such corporate family rating;

(c) With respect to a Collateral Obligation, if not determined pursuant to clause (a) or (b) above, if the Obligor of such Collateral Obligation has one or more senior unsecured obligations publicly rated by Moody's, then the Moody's public rating on any such obligation (or, if such Collateral Obligation is a Moody's Senior Secured Loan, the Moody's rating that is two subcategories higher than the Moody's public rating on any such senior unsecured obligation) as selected by the Collateral Manager in its sole discretion;

(d) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b) or (c) above, if the Obligor of such Collateral Obligation has a corporate family rating by Moody's, then the Moody's rating that is one subcategory lower than such corporate family rating;

(e) With respect to a Collateral Obligation that is not a Moody's Senior Secured Loan or a Participation Interest in a Moody's Senior Secured Loan, if not determined pursuant to clause (a), (b), (c) or (d) above, if the Obligor of such Collateral Obligation has one or more subordinated obligations publicly rated by Moody's, then the Moody's rating that is one subcategory higher than the public rating on any such obligation as selected by the Collateral Manager in its sole discretion; ~~and~~

(f) With respect to a Collateral Obligation, if not determined pursuant to clause (a), (b), (c), (d) or (e) above, the Moody's Derived Rating; and

(g) ~~provided, that~~With respect to any Collateral Obligation that is a DIP Collateral Obligation, if such Moody's Rating has been withdrawn and a new Moody's Rating has not been issued, the Moody's Rating of ~~any DIP~~such Collateral Obligation shall be the ~~facility rating (whether public or private) of such DIP~~Moody's Rating applicable to such Collateral Obligation ~~rated by Moody's~~prior to such withdrawal.

MOODY'S DERIVED RATING

With respect to a Collateral Obligation whose Moody's Rating or Moody's Default Probability Rating cannot be determined pursuant to the respective definitions thereof, such Moody's Rating and Moody's Default Probability Rating shall be determined as set forth below:

(i) (A) if such Collateral Obligation is publicly rated by S&P:

Type of Collateral Obligation	S&P Rating (Public and Monitored)	Collateral Obligation Rated by S&P	Number of Subcategories Relative to Moody's Equivalent of S&P Rating
Not Structured Finance Security	≥ "BBB-"	Not a Loan or Participation Interest in Loan	-1
Not Structured Finance Security	≤ "BB+"	Not a Loan or Participation Interest in Loan	-2
Not Structured Finance Security		Loan or Participation Interest in Loan	-2

(B) if such Collateral Obligation is not rated by S&P but another security or obligation of the Obligor has a public and monitored rating by S&P (a "parallel security"), then the rating of such parallel security will at the election of the Collateral Manager be determined in accordance with the table set forth in subclause (i)(A) above, and the Moody's Rating or Moody's Default Probability Rating of such Collateral Obligation will be determined by further adjusting the rating of such parallel security (for such purposes treating the parallel security as if it were rated by Moody's at the rating determined pursuant to this subclause (i)(B)) by the number of rating sub-categories according to the table below:

Obligation Category of Rated Obligation	Number of Subcategories Relative to Rated Obligation Rating
Senior secured obligation	-1
Unsecured obligation	0
Subordinated obligation	+1

(C) if such Collateral Obligation is not rated by S&P but there is a public issuer credit rating of the issuer of such Collateral Obligation by S&P as published by S&P, or the guarantor which unconditionally and irrevocably guarantees such Collateral

Obligation, then such issuer credit rating will at the election of the Collateral Manager be determined in accordance with subclause (i)(B) (for such purposes, treating such public issuer credit rating as if it were a rating of a parallel security); or

(D) if such Collateral Obligation is a DIP Collateral Obligation, no Moody's Rating or Moody's Default Probability Rating may be determined based on a rating by S&P or any other rating agency;

(ii) if such Collateral Obligation is not rated by Moody's or S&P and no other security or obligation of the issuer of such Collateral Obligation is rated by Moody's or S&P, and if Moody's has been requested by the Issuer, the Collateral Manager or the issuer of such Collateral Obligation to assign a rating or rating estimate with respect to such Collateral Obligation but such rating or rating estimate has not been received, pending receipt of such estimate, the Moody's Derived Rating for purposes of clause (d) of the definition of Moody's Rating and Moody's Default Probability Rating (as applicable) of such Collateral Obligation shall be (1) "B3" if the Collateral Manager certifies to the Trustee and the Collateral Administrator that the Collateral Manager believes that such estimate will be at least "B3" and if the Aggregate Principal Amount of Collateral Obligations determined pursuant to this clause (ii) does not exceed 5% of the Collateral Principal Amount of all Collateral Obligations or (2) otherwise, "Caa1";

(iii) with respect to any DIP Collateral Obligation, (x) the Moody's Default Probability Rating of such Collateral Obligation shall be the rating which is one subcategory below the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's and (y) the Moody's Rating of such Collateral Obligation shall be the facility rating (whether public or private) of such DIP Collateral Obligation rated by Moody's; provided, however, if such facility rating has been withdrawn by Moody's and a new facility rating has not been issued by Moody's, the facility rating of such DIP Collateral Obligation shall be the facility rating from Moody's applicable to such DIP Collateral Obligation prior to such withdrawal; or

(iv) if not determined pursuant to clauses (i) through (iii) above, "Caa3."

MOODY'S SENIOR SECURED LOAN

(a) A loan that:

(i) is not (and cannot by its terms become) subordinate in right of payment to any other debt obligation of the Obligor of the loan;

(ii) is secured by a valid first priority perfected security interest or lien that is not a first priority in, to or on specified collateral securing the Obligor's obligations under the loan; and

(iii) the value of the collateral securing the loan together with other attributes of the Obligor (including, without limitation, its general financial condition, ability to generate cash flow available for debt service and other demands for that cash flow) is adequate (in the commercially reasonable judgment of the Collateral Manager) to repay

the loan in accordance with its terms and to repay all other loans of equal seniority secured by a first lien or security interest in the same collateral); and

(b) the loan is not:

(i) a DIP Collateral Obligation; or

(ii) a loan for which the security interest or lien (or the validity or effectiveness thereof) in substantially all of its collateral attaches, becomes effective, or otherwise "springs" into existence after the origination thereof.

MOODY'S SECOND LIEN LOAN

SCHEDULE 7
S&P CDO MONITOR FORMULA DEFINITIONS

As used for purposes of the S&P CDO Monitor Test, the following terms shall have the meanings set forth below:

"**S&P CDO Monitor Adjusted BDR**" means the threshold value for the S&P CDO Monitor Test, calculated as a percentage by adjusting the S&P CDO Monitor BDR for changes in the Principal Balance of the Collateral Obligations relative to the Target Initial Par Amount as follows:

BDR * (OP / NP) + (NP - OP) / NP * (1 – WARR), where

Term	**Meaning**
BDR	S&P CDO Monitor BDR
OP	Aggregate Ramp-Up Par Amount
NP	the sum of the Aggregate Principal Balances of the Collateral Obligations with an S&P Rating of "CCC-" or higher, Principal Proceeds, and the sum of the lower of S&P Recovery Amount or the Market Value of each obligation with an S&P Rating below "CCC-"
WARR	S&P Weighted Average Recovery Rate

"**S&P CDO Monitor BDR**" means the value calculated using the following formula relating to the Issuer's portfolio:

S&P CDO Monitor BDR = C0 + (C1 * Weighted Average Floating Spread) + (C2 * S&P Weighted Average Recovery Rate), where C0 = [●], C1 = [●] and C2 = [●]. C0, C1 and C2 will not change unless S&P provides an updated S&P CDO Monitor Input File at the request of the Collateral Manager following the Closing Date.

"**S&P CDO Monitor Input File**" means a file containing the formula relating to the Issuer's portfolio used to calculate the S&P CDO Monitor BDR.

"**S&P CDO Monitor SDR**" means the percentage derived from the following equation:

0.329915 + (1.210322 * EPDR) – (0.586627 * DRD) + (2.538684 /ODM) + (0.216729 / IDM) + (0.0575539 / RDM) – (0.0136662 * WAL), where

Term	**Meaning**
EPDR	S&P Expected Portfolio Default Rate
DRD	S&P Default Rate Dispersion
ODM	S&P Obligor Diversity Measure

Term	**Meaning**
IDM	S&P Industry Diversity Measure
RDM	S&P Regional Diversity Measure
WAL	S&P Weighted Average Life

"**S&P Default Rate**" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, the default rate determined in accordance with Table 1 below using such Collateral Obligation's S&P Rating and the number of years to maturity (determined using linear interpolation if the number of years to maturity is not an integer).

"**S&P Default Rate Dispersion**" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (A) the sum of the product of (i) the Principal Balance of each such Collateral Obligation and (ii) the absolute value of (x) the S&P Default Rate *minus* (y) the S&P Expected Portfolio Default Rate *divided by* (B) the Aggregate Principal Balance for all such Collateral Obligations.

"**S&P Effective Date Adjustments**" means, in connection with determining whether the S&P CDO Monitor Test is satisfied in connection with the Effective Date if an S&P CDO Monitor Formula Election Date has occurred, the following adjustments shall apply: (i) in calculating the Weighted Average Floating Spread, the Aggregate Funded Spread will be calculated without giving effect to the proviso to clause (a) of the definition thereof and (ii) such calculation shall be made without giving effect to the Post-Ramp Interest Proceeds Designation.

"**S&P Expected Portfolio Default Rate**" means, with respect to all Collateral Obligations with an S&P Rating of "CCC-" or higher, (i) the sum of the product of (x) the Principal Balance of each such Collateral Obligation and (y) the S&P Default Rate *divided by* (ii) the Aggregate Principal Balance for all such Collateral Obligations.

"**S&P Industry Diversity Measure**" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P Industry Classification in the portfolio, then dividing each of these amounts by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the S&P Industry Classifications in the portfolio, squaring the result for each industry, then taking the reciprocal of the sum of these squares.

"**S&P Obligor Diversity Measure**" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from each obligor and its affiliates, then dividing each such Aggregate Principal Balance by the Aggregate Principal Balance of Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all the obligors in the portfolio, then squaring the result for each obligor, then taking the reciprocal of the sum of these squares.

"**S&P Regional Diversity Measure**" means a measure calculated by determining the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) within each S&P region set forth in Table 2 below, then dividing each of these amounts

by the Aggregate Principal Balance of the Collateral Obligations (with an S&P Rating of "CCC-" or higher) from all S&P regions in the portfolio, squaring the result for each region, then taking the reciprocal of the sum of these squares.

"S&P Weighted Average Life" means, on any date of determination, a number calculated by determining the number of years between the current date and the maturity date of each Collateral Obligation (with an S&P Rating of "CCC-" or higher), multiplying each Collateral Obligation's Principal Balance by its number of years, summing the results of all Collateral Obligations in the portfolio, and dividing such amount by the Aggregate Principal Balance of all Collateral Obligations (with an S&P Rating of "CCC-" or higher).
